This document is current through the April 27, 2020 issue of the Federal Register. Title 3 is current through April 3, 2020.

***Code of Federal Regulations > TITLE 2 -- GRANTS AND AGREEMENTS > SUBTITLE A -- OFFICE OF MANAGEMENT AND BUDGET GUIDANCE FOR GRANTS AND AGREEMENTS > CHAPTER II--OFFICE OF MANAGEMENT AND BUDGET GUIDANCE > PART 200--UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS FOR FEDERAL AWARDS > SUBPART E--COST PRINCIPLES > DIRECT AND INDIRECT (F&A) COSTS***

### **§ 200.413 Direct costs.**

---

**(a)**General. Direct costs are those costs that can be identified specifically with a particular final cost objective, such as a Federal award, or other internally or externally funded activity, or that can be directly assigned to such activities relatively easily with a high degree of accuracy. Costs incurred for the same purpose in like circumstances must be treated consistently as either direct or indirect (F&A) costs. See also § 200.405 Allocable costs.

**(b)**Application to Federal awards. Identification with the Federal award rather than the nature of the goods and services involved is the determining factor in distinguishing direct from indirect (F&A) costs of Federal awards. Typical costs charged directly to a Federal award are the compensation of employees who work on that award, their related fringe benefit costs, the costs of materials and other items of expense incurred for the Federal award. If directly related to a specific award, certain costs that otherwise would be treated as indirect costs may also include extraordinary utility consumption, the cost of materials supplied from stock or services rendered by specialized facilities or other institutional service operations.

**(c)**The salaries of administrative and clerical staff should normally be treated as indirect (F&A) costs. Direct charging of these costs may be appropriate only if all of the following conditions are met:

- (1)**Administrative or clerical services are integral to a project or activity;
- (2)**Individuals involved can be specifically identified with the project or activity;
- (3)**Such costs are explicitly included in the budget or have the prior written approval of the Federal awarding agency; and
- (4)**The costs are not also recovered as indirect costs.

**(d)**Minor items. Any direct cost of minor amount may be treated as an indirect (F&A) cost for reasons of practicality where such accounting treatment for that item of cost is consistently applied to all Federal and non-Federal cost objectives.

**(e)**The costs of certain activities are not allowable as charges to Federal awards. However, even though these costs are unallowable for purposes of computing charges to Federal awards, they nonetheless must be treated as direct costs for purposes of determining indirect (F&A) cost rates and be allocated their equitable share of the non-Federal entity's indirect costs if they represent activities which:

- (1)**Include the salaries of personnel,
- (2)**Occupy space, and
- (3)**Benefit from the non-Federal entity's indirect (F&A) costs.

**(f)**For nonprofit organizations, the costs of activities performed by the non-Federal entity primarily as a service to members, clients, or the general public when significant and necessary to the non-Federal entity's mission

must be treated as direct costs whether or not allowable, and be allocated an equitable share of indirect (F&A) costs. Some examples of these types of activities include:

- (1) Maintenance of membership rolls, subscriptions, publications, and related functions. See also § 200.454 Memberships, subscriptions, and professional activity costs.
- (2) Providing services and information to members, legislative or administrative bodies, or the public. See also §§ 200.454 Memberships, subscriptions, and professional activity costs and 200.450 Lobbying.
- (3) Promotion, lobbying, and other forms of public relations. See also §§ 200.421 Advertising and public relations and 200.450 Lobbying.
- (4) Conferences except those held to conduct the general administration of the non-Federal entity. See also § 200.432 Conferences.
- (5) Maintenance, protection, and investment of special funds not used in operation of the non-Federal entity. See also § 200.442 Fund raising and investment management costs.
- (6) Administration of group benefits on behalf of members or clients, including life and hospital insurance, annuity or retirement plans, and financial aid. See also § 200.431 Compensation--fringe benefits.
