2019	102-500731	Contracts for Program Svcs	90080100	$3,168,891
2020	102-500731	Contracts for Program Svcs	90080100	$2,376,671
Total				**$6,337,786**

EXPLANATION

This request is **retroactive** as the Request for Proposals timeline extended beyond the expiration date of the previous primary care services contracts. The Request for Proposals was reissued to ensure that services would be provided in specific counties and in the City of Manchester, where the need is the greatest. Continuing this service without interruption allows for the availability of primary health care services for New Hampshire's most vulnerable populations who are at disproportionate risk of poor health outcomes and limited access to preventative care.

The agreement with the Manchester Health Department is **sole source**, as it is the only vendor capable and amenable to provide primary health care services to the homeless population of the City of Manchester. This community has been disproportionately impacted by the opioid crisis; increasing health risks to individuals who experience homelessness.

The purpose of these agreements is to provide primary health care services that include preventive and ongoing heath care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, the elderly and the homeless. Primary and preventative health care services are provided to underserved, low-income and homeless individuals who experience barriers to accessing health care due to issues such as lack of insurance, inability to pay, limited language proficiency and geographic isolation. Primary care providers provide an array of enabling patient-centered services such as care coordination, translation services, transportation, outreach, eligibility assistance, and health education. These services assist individuals in overcoming barriers to achieve their optimal health.

Primary Care Services vendors were selected for this project through competitive bid processes. The Request for Proposals for Primary Care Services was posted on the Department of Health and Human Services' website from December 12, 2017 through January 23, 2018. A separate Request for Proposals to address a deficiency in Primary Care Services for specific counties was posted on the Department's website from February 12, 2018 through March 2, 2018. Additionally, the Request for Proposals for Primary Care Services for the Homeless was posted on the Department's website from January 26, 2018 through March 13, 2018.

The Department received fourteen (14) proposals. The proposals were reviewed and scored by a team of individuals with program specific knowledge. The Score Summaries are attached. A separate sole source agreement is requested to address the specific need of the homeless population of the City of Manchester.

As referenced in the Request for Proposals and in Exhibit C-1, Revisions to General Provisions, these Agreements reserve the option to extend contract services for up to two (2) additional year(s), contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council.

The Department will directly oversee and manage the contracts to ensure that quality improvement, enabling and annual project objectives are defined in order to measure the effectiveness of the program.

Should the Governor and Executive Council not authorize this request, the Department may be unable to ensure preventive and regular health care for acute and chronic health conditions for low income and homeless individuals of all ages, including pregnant women, children, adolescents, adults, and the elderly throughout the state.

Area served: Statewide.

Source of Funds: 26% Federal Funds from the US Department of Health and Human Services, Human Resources & Services Administration (HRSA), Maternal and Child Health Services (MCHS) Catalog of Federal Domestic Assistance (CFDA) #93.994, Federal Award Identification Number (FAIN), B04MC30627 and 74% General Funds.

In the event that Federal Funds become no longer available, additional General Funds will not be requested to support this program.

Respectfully submitted,

Lisa Morris, MSSW
Director

Approved by:

Jeffrey A. Meyers

2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.
3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.18, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.14 ("Effective Date").
3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.
5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.
5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.
5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.
5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.
6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. This may include the requirement to utilize auxiliary aids and services to ensure that persons with communication disabilities, including vision, hearing and speech, can communicate with, receive information from, and convey information to the Contractor. In addition, the Contractor shall comply with all applicable copyright laws.
6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.
6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.
7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.
7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this

Contractor Initials CDSJT
Date 03-26-18

Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

9. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. TERMINATION. In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS. The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice and consent of the State. None of the Services shall be subcontracted by the Contractor without the prior written notice and consent of the State.

13. INDEMNIFICATION. The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000per occurrence and $2,000,000 aggregate ; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

Contractor Initials GDS IT
Date 03-26-18

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than thirty (30) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each certificate(s) of insurance shall contain a clause requiring the insurer to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than thirty (30) days prior written notice of cancellation or modification of the policy.

15. WORKERS' COMPENSATION.
15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation").*
15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of tbe State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

19. CONSTRUCTION OF AGREEMENT AND TERMS. This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

Contractor Initials EDS-IT

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances for all reimbursable services rendered. The Department shall be the payor of last resort.

1.4. Preventative and Primary Health Care, as well as related Care Management and Enabling Services shall be provided to individuals of all ages, statewide, who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income (defined as <185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. The Contractor shall remain in compliance with all applicable state and federal laws for the duration of the contract period, including but not limited to:

1.5.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.5.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.5.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care Services for new patients is limited or closed for more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

2.2. The Contractor shall assist individuals with completing a Medicaid/Expanded Medicaid and other health insurance application when income calculations indicate possible Medicaid eligibility.

2.3. The Contractor shall maximize billing to private and commercial insurances for all reimbursable services rendered.

2.4. The Contractor shall post a notice in a public and conspicuous location noting that no individual will be denied services for an inability to pay.

2.5. The Contractor shall develop and implement a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall make the sliding fee scale available to the Department upon request.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a New Hampshire licensed Medical Doctor (MD), Doctor of Osteopathic Medicine (DO), Advanced Practice Registered Nurse (APRN) or Physician Assistant (PA) to eligible individuals in the service area.

3.2. The Contractor shall ensure primary care services include, but are not limited to:

3.2.1. Reproductive health services.

3.2.2. Perinatal health services including but not limited to access to obstetrical services either on-site or by referral.

3.2.3. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.2.4. Integrated behavioral health services.

3.2.5. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.2.6. Assessment of need and follow-up/referral as indicated for:

3.2.6.1. Tobacco cessation, including referral to QuitWorks-NH, www.QuitWorksNH.org.

3.2.6.2. Social services.

3.2.6.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management Education (DSME) as recommended by American Diabetes Association (ADA).

3.2.6.4. Nutrition services, including Women, Infants and Children (WIC) Food and Nutrition Service, as appropriate;

3.2.6.5. Screening, Brief Intervention and Referral to Treatment (SBIRT) services, including but not limited to contact with the Regional Public Health Network Continuum of Care Development Initiative.

3.2.6.6. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.3. The Contractor shall provide care management for individuals enrolled for

primary care services, which includes, but is not limited to:

3.3.1. Integrated and coordinated services that ensure patients receive necessary care, including behavioral health and oral care when and where it is needed and wanted, in a culturally and linguistically appropriate manner.

3.3.2. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.3.3. Care facilitated by registries; information technology; health information exchanged.

3.4. The Contractor shall provide and facilitate enabling services, which are non-clinical services that support the delivery of basic primary care services, and facilitate access to comprehensive patient care as well as social services that include, but are not limited to:

3.4.1. Benefit counseling.

3.4.2. Health insurance eligibility and enrollment assistance.

3.4.3. Health education and supportive counseling.

3.4.4. Interpretation/translation for individuals with Limited English Proficiency or other communication needs.

3.4.5. Outreach, which may include the use of community health workers.

3.4.6. Transportation.

3.4.7. Education of patients and the community regarding the availability and appropriate use of health services.

4. Quality Improvement

4.1. The Contractor shall develop, define, facilitate and implement a minimum of two (2) Quality Improvement (QI) projects, which consist of systematic and continuous actions that lead to measurable improvements in health care services and the health status of targeted patient groups.

4.1.1. One (1) quality improvement project must focus on the performance measure as designated by MCHS. (Defined as Adolescent Well Visits for SFY 2018 – 2019)

4.1.2. The other(s) will be chosen by the vendor based on previous performance outcomes needing improvement.

4.2. The Contractor shall utilize Quality Improvement Science to develop and implement a QI Workplan for each QI project. The QI Workplan will include:

4.2.1. Specific goals and objectives for the project period; and

4.2.2. Evaluation methods used to demonstrate improvement in the quality, efficiency, and effectiveness of patient care.

4.3. The Contractor shall include baseline measurements for each area of

improvement identified in the QI projects, to establish health care services and health status of targeted patient groups to be improved upon.

4.4. The Contractor may utilize activities in QI projects that enhance clinical workflow and improve patient outcomes, which may include, but are not limited to:

4.4.1.1. EMR prompts/alerts.

4.4.1.2. Protocols/Guidelines.

4.4.1.3. Diagnostic support.

4.4.1.4. Patient registries.

4.4.1.5. Collaborative learning sessions.

5. Staffing

5.1. The Contractor shall ensure all health and allied health professions have the appropriate, current New Hampshire licenses whether directly employed, contracted or subcontracted.

5.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

5.3. The Contractor shall notify the Maternal and Child Health Section (MCHS), in writing, of any newly hired administrator, clinical coordinator or any staff person essential to providing contracted services and include a copy of the individual's resume, within thirty (30) days of hire.

5.4. The Contractor shall notify the MCHS, in writing, when:

5.4.1. Any critical position is vacant for more than thirty (30) days;

5.4.2. There is not adequate staffing to perform all required services for any period lasting more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

6. Coordination of Services

6.1. The Contractor shall participate in activities within their Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

6.1.1. Community needs assessments;

6.1.2. Public health performance assessments; and

6.1.3. Regional health improvement plans under development.

6.2. The Contractor shall participate in and coordinate public health activities, as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

7. Required Meetings & Trainings

7.1. The Contractor shall attend meetings and trainings facilitated by the MCHS programs that include, but are not limited to:

7.1.1. MCHS Agency Directors' meetings;

7.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year, which may require attendance by agency quality improvement staff; and

7.1.3. MCHS Agency Medical Services Directors' meetings.

8. Workplans, Outcome Reports & Additional Reporting Requirements

8.1. The Contractor shall collect and report data as detailed in Exhibit A-1 "Reporting Metrics" according to the Exhibit A-2 "Report Timing Requirements".

8.2. The Contractor shall submit reports as defined within Exhibit A-2 "Report Timing Requirements".

8.3. The Contractor shall submit an updated budget narrative, within thirty (30) days of the contract execution date and annually, as defined in Exhibit A-2 "Report Timing Requirements". The budget narrative shall include, at a minimum;

8.3.1. Staff roles and responsibilities, defining the impact each role has on contract services;

8.3.2. Staff list, defining;

8.3.2.1. The Full Time Equivalent percentage allocated to contract services, and;

8.3.2.2. The individual cost, in U.S. Dollars, of each identified individual allocated to contract services.

8.4. In addition to the report defined within Exhibit A-2 "Report Timing Requirements", the Contractor shall submit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9. On-Site Reviews

9.1. The Contractor shall permit a team or person authorized by the Department to periodically review the Contractor's:

9.1.1. Systems of governance.

9.1.2. Administration.

9.1.3. Data collection and submission.

9.1.4. Clinical and financial management.

9.1.5. Delivery of education services.

9.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

9.2.1. Client records.

9.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

9.3. The Contractor shall take corrective actions, as advised by the review team, if services provided are not in compliance with the contract requirements.

10. Performance Measures

10.1. The Contractor shall ensure that the following performance indicators are annually achieved and monitored quarterly to measure the effectiveness of the agreement:

10.1.1. Annual improvement objectives shall be defined by the vendor and submitted to the Department. Objectives shall be measurable, specific and align to the provision of primary care services defined within Exhibit A-1 "Reporting Metrics"

Exhibit A-1 – Reporting Metrics

1. **Definitions**

1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

1.1.1. The calendar year, (January 1st through December 31st); or

1.1.2. The state fiscal year (July 1st through June 30th).

1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. **MCHS PRIMARY CARE PERFORMANCE MEASURES**

2.1. **Breastfeeding**

2.1.1. Percent of infants who are ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. **Preventive Health: Lead Screening**

2.2.1. Percent of children three (3) years of age who had two (2) or more capillary or venous lead blood test for lead poisoning by their third birthday. (NH MCHS).

2.2.1.1. Numerator: All patient children who received at least one capillary or venous lead screening test between nine (9) months to eighteen (18) months of age **AND** one (1) capillary or venous lead screening test between nineteen (19) to thirty (30) months of age.

2.2.1.2. Denominator: All patient children who turned three (3) years old during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents, twelve (12) through twenty-one (21) years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients ages twelve (12) and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients twelve (12) years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

Contractor Initials: EDS
Date: 03.26.18

2.4.2.1. Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative PLUS women who screened positive AND have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

2.5.1. Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented (NQF 0421, UDS).

2.5.1.1. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

2.5.1.2. Age 18 through 64 BMI $\geq$ 18.5 and < 25

2.5.1.3. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.4. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.5. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. Preventive Health: Tobacco Screening

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year or prior year AND who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco use one or more times during their most recent visit OR within twenty-four (24) months of the most

Contractor Initials: EDS

Date: 03-26-18

recent visit and received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who delivered a live birth in the measurement year.

2.6.2.4. Definitions:

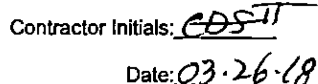
2.6.2.4.1. Tobacco Use: Includes any type of tobacco

2.6.2.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

2.7. At Risk Population: Hypertension

2.7.1. Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90mmHG) during the measurement year (NQF 0018).

2.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm HG at the time of their last measurement.



Contractor Initials: CDS
Date: 03-26-18

2.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension (must have been diagnosed with hypertension 6 or more months before the measurement date) who had at least one (1) medical visit during the measurement year. (Excludes pregnant women and patients with End Stage Renal Disease.)

2.8. **Patient Safety: Falls Screening**

2.8.1. Percent of patients aged 65 years and older who were screened for fall risk at least once within 12 months (NH MCHS).

2.8.1.1. Numerator: Patients who were screened for fall risk at least once within the measurement year.

2.8.1.2. Denominator: All patients aged 65 years and older seen by a health care provider within the measurement year.

2.9. **SBIRT**

2.9.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention and/or referral to services.

2.9.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.1.3. Denominator: Number of patients aged 18 years and older seen for annual/preventive visit within the measurement year.

2.9.1.4. Definitions:

2.9.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.9.1.4.2. Brief Intervention: Includes guidance or counseling.

2.9.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.9.2. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are

Contractor Initials: EDCH

Date: 03-26-18

enrolled in the prenatal program AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

2.9.2.2. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

Exhibit A-2 – Report Timing Requirements

1.1. **Primary Care Services Reporting Requirements**

1.1.1. The reports are required due on the date(s) listed, or, in years where the date listed falls on a non-business day, reports are due on the Friday immediately prior to the date listed.

1.1.2. The Vendor is required to complete and submit each report, following instructions sent by the Department

1.1.3. An updated budget narrative must be provided to the Department, within thirty (30) days of contract approval. The budget narrative must include, at a minimum;

1.1.3.1. Staff roles and responsibilities, defining the impact each role has on contract services

1.1.3.2. Staff list, defining;

1.1.3.2.1. The Full Time Equivalent percentage allocated to contract services, and;

1.1.3.2.2. The individual cost, in U.S. Dollars, of each identified individual allocated to contract services.

1.2. **Annual Reports**

1.2.1. The following reports are required annually, on or prior to;

1.2.1.1. March 31st;

1.2.1.1.1. Uniform Data Set (UDS) Data tables reflecting program performance for the previous calendar year;

1.2.1.1.2. Budget narrative, which includes, at a minimum;

1.2.1.1.2.1. Staff roles and responsibilities, defining the impact each role has on contract services

1.2.1.1.2.2. Staff list, defining;

1.2.1.1.2.2.1. The Full Time Equivalent percentage allocated to contract services, and;

1.2.1.1.2.2.2. The individual cost, in U.S. Dollars, of each

Contractor Initials: EDSH

Date: 03-26-18

identified individual allocated to contract services.

1.2.1.2. July 31st;

1.2.1.2.1. Summary of patient satisfaction survey results obtained during the prior contract year;

1.2.1.2.2. Quality Improvement (QI) Workplans, Performance Outcome Section

1.2.1.2.3. Enabling Services Workplans, Performance Outcome Section

1.2.1.3. September 1st;

1.2.1.3.1. QI workplan revisions, as needed;

1.2.1.3.2. Enabling Service Workplan revisions, as needed;

1.2.1.3.3. Correction Action Plan (Performance Measure Outcome Report), as needed;

1.3. **Semi-Annual Reports**

1.3.1. Primary Care Services Measure Data Trend Table (DTT), due on;

1.3.1.1. July 31, 2018 (measurement period July 1– June 30) and;

1.3.1.2. January 31 (measurement period January 1 – December 31).

1.4. **The following report is required 30 days following the end of each quarter, beginning in State Fiscal Year 2018;**

1.4.1. Perinatal Client Data Form (PCDF);

1.4.1.1. Due on April 30, July 31, October 31 and January 31

Method and Conditions Precedent to Payment

1. The State shall pay the contractor an amount not to exceed the Form P-37, Block 1.8, Price Limitation for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.

2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon meeting the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov) #93.994, Maternal and Child Health Services Block Grant to the States

3. The Contractor shall not use or apply contract funds for capital additions, improvements, entertainment costs or any other costs not approved by the Department.

4. Payment for services shall be as follows:

   4.1. Payments shall be on a cost reimbursement basis for approved actual costs in accordance with Exhibits B-1 through Exhibit B-3.

   4.2. The Contractor shall submit invoices in a form satisfactory to the State no later than the tenth (10th) working day of each month, which identifies and requests reimbursement for authorized expenses incurred in the prior month. The Contractor agrees to keep detailed records of their activities related to Department-funded programs and services.

      4.2.1. Expenditure detail may be requested by the Department on an intermittent basis, which the Contractor must provide.

      4.2.2. Onsite reviews may be required.

   4.3. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice, subsequent to approval of the submitted invoice and if sufficient funds are available.

   4.4. In lieu of hard copies, all invoices may be assigned an electronic signature and emailed to DPHScontractbilling@dhhs.nh.gov, or invoices may be mailed to:

      Financial Administrator

      Department of Health and Human Services

      Division of Public Health

      29 Hazen Dr.

      Concord, NH 03301

Exhibit B

4.5. The final invoice shall be due to the State no later than forty (40) days after the date specified in Form P-37, Block 1.7 Completion Date.

4.6. Payments may be withheld pending receipt of required reports or documentation as identified in Exhibit A, Scope of Services and in this Exhibit B.

5. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjusting encumbrances between State Fiscal Years within the price limitation may be made without obtaining approval of the Governor and Executive Council, upon written agreement of both parties.

SPECIAL PROVISIONS

Contractors Obligations: The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
   7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
   7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

8. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:
   8.1. Fiscal Records: books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.
   8.2. Statistical Records: Statistical, enrollment, attendance or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.
   8.3. Medical Records: Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

9. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.
   9.1. Audit and Review: During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.
   9.2. Audit Liabilities: In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

10. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

11. **Reports:** Fiscal and Statistical: The Contractor agrees to submit the following reports at the following times if requested by the Department.
    11.1. Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.
    11.2. Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

12. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

13. **Credits:** All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:
    13.1. The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

14. **Prior Approval and Copyright Ownership:** All materials (written, video, audio) produced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution or use. The DHHS will retain copyright ownership for any and all original materials produced, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports. Contractor shall not reproduce any materials produced under the contract without prior written approval from DHHS.

15. **Operation of Facilities: Compliance with Laws and Regulations:** In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

16. **Equal Employment Opportunity Plan (EEOP):** The Contractor will provide an Equal Employment Opportunity Plan (EEOP) to the Office for Civil Rights, Office of Justice Programs (OCR), if it has received a single award of $500,000 or more. If the recipient receives $25,000 or more and has 50 or

more employees, it will maintain a current EEOP on file and submit an EEOP Certification Form to the OCR, certifying that its EEOP is on file. For recipients receiving less than $25,000, or public grantees with fewer than 50 employees, regardless of the amount of the award, the recipient will provide an EEOP Certification Form to the OCR certifying it is not required to submit or maintain an EEOP. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption. EEOP Certification Forms are available at: http://www.ojp.usdoj/about/ocr/pdfs/cert.pdf.

17. **Limited English Proficiency (LEP):** As clarified by Executive Order 13166, Improving Access to Services for persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with the Omnibus Crime Control and Safe Streets Act of 1968 and Title VI of the Civil Rights Act of 1964, Contractors must take reasonable steps to ensure that LEP persons have meaningful access to its programs.

18. **Pilot Program for Enhancement of Contractor Employee Whistleblower Protections:** The following shall apply to all contracts that exceed the Simplified Acquisition Threshold as defined in 48 CFR 2.101 (currently, $150,000)

    CONTRACTOR EMPLOYEE WHISTLEBLOWER RIGHTS AND REQUIREMENT TO INFORM EMPLOYEES OF WHISTLEBLOWER RIGHTS (SEP 2013)

    (a) This contract and employees working on this contract will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239) and FAR 3.908.

    (b) The Contractor shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation.

    (c) The Contractor shall insert the substance of this clause, including this paragraph (c), in all subcontracts over the simplified acquisition threshold.

19. **Subcontractors:** DHHS recognizes that the Contractor may choose to use subcontractors with greater expertise to perform certain health care services or functions for efficiency or convenience, but the Contractor shall retain the responsibility and accountability for the function(s). Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.
    When the Contractor delegates a function to a subcontractor, the Contractor shall do the following:
    19.1. Evaluate the prospective subcontractor's ability to perform the activities, before delegating the function
    19.2. Have a written agreement with the subcontractor that specifies activities and reporting responsibilities and how sanctions/revocation will be managed if the subcontractor's performance is not adequate
    19.3. Monitor the subcontractor's performance on an ongoing basis

19.4. Provide to DHHS an annual schedule identifying all subcontractors, delegated functions and responsibilities, and when the subcontractor's performance will be reviewed
19.5. DHHS shall, at its discretion, review and approve all subcontracts.

If the Contractor identifies deficiencies or areas for improvement are identified, the Contractor shall take corrective action.

DEFINITIONS
As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean that section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Wherever federal or state laws, regulations, rules, orders, and policies, etc. are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc. as they may be amended or revised from the time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

REVISIONS TO GENERAL PROVISIONS

1. Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:

   4. CONDITIONAL NATURE OF AGREEMENT.
   Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

2. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

   10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

   10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

   10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

   10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

   10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

3. The Division reserves the right to renew the Contract for up to two (2) additional years, subject to the continued availability of funds, satisfactory performance of services and approval by the Governor and Executive Council.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted
   1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
   1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, state, zip code) (list each location)

CERTIFICATION REGARDING LOBBYING

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABLITY ACT
BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

Contractor Initials EDS
Date 03-26-18

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.
In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.
The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:
The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

Contractor Name:

03.26.2018
Date

Name:
Title: CEO

FORM A

As the Contractor identified in Section 1.3 of the General Provisions, I certify that the responses to the below listed questions are true and accurate.

1. The DUNS number for your entity is: 033479023

2. In your business or organization's preceding completed fiscal year, did your business or organization receive (1) 80 percent or more of your annual gross revenue in U.S. federal contracts, subcontracts, loans, grants, sub-grants, and/or cooperative agreements; and (2) $25,000,000 or more in annual gross revenues from U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements?

   ✓ NO   ________ YES

   If the answer to #2 above is **NO**, stop here

   If the answer to #2 above is YES, please answer the following:

3. N/A Does the public have access to information about the compensation of the executives in your business or organization through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C.78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986?

   If the answer to #3 above is YES, stop here

   If the answer to #3 above is NO, please answer the following:

4. N/A The names and compensation of the five most highly compensated officers in your business or organization are as follows:

   Name: ____________________ Amount: ____________

   Name: ____________________ Amount: ____________

   Name: ____________________ Amount: ____________

   Name: ____________________ Amount: ____________

   Name: ____________________ Amount: ____________

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or

consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not

use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.
3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.

7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.
9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2

5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a whole, must have aggressive intrusion-detection and firewall protection.
6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.

2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the

scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer, and additional email addresses provided in this section, of any security breach within two (2) hours of the time that the Contractor learns of its occurrence. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

b. safeguard this information at all times.

c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer, Information Security Office and Program Manager of any Security Incidents and Breaches within two (2) hours of the time that the Contractor learns of their occurrence.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and
5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

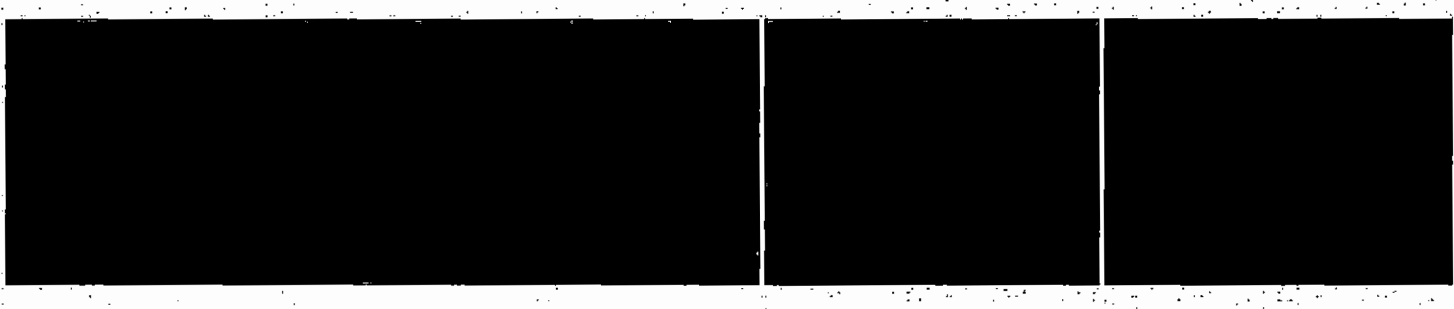
Mission Statement

It is the mission of Ammonoosuc Community Health Services to provide a stable network of comprehensive Primary Health Care Services to individuals and families throughout the communities we serve.
In support of this mission, ACHS provides evidence based, outcome specific, systematic care that is patient centered, focused on prevention, and accessible and affordable to all.



FINANCIAL STATEMENTS

and

REPORTS IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS AND THE UNIFORM GUIDANCE

June 30, 2017 and 2016

With Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Ammonoosuc Community Health Services, Inc.

Report on Financial Statements

We have audited the accompanying financial statements of Ammonoosuc Community Health Services, Inc. (the Organization), which comprise the balance sheets as of June 30, 2017 and 2016, and the related statements of operations, changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ammonoosuc Community Health Services, Inc. as of June 30, 2017 and 2016, and the results of its operations, changes in its net assets and its cash flows for the years then ended in accordance with U.S. generally accepted accounting principles.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 25, 2017 on our consideration of Ammonoosuc Community Health Services, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Ammonoosuc Community Health Services, Inc.'s internal control over financial reporting and compliance.

The accompanying notes are an integral part of these financial statements.

1. Summary of Significant Accounting Policies

Organization

Ammonoosuc Community Health Services, Inc. (the Organization) is a non-stock, non-profit corporation organized in the State of New Hampshire. The Organization is a Federally Qualified Health Center (FQHC) which provides a number of preventative health programs in the towns of Franconia, Littleton, Woodsville, Warren, and Whitefield and surrounding communities.

The Organization is a non-principal participant in the National Rural ACO 13 LLC (the ACO). The mission of the ACO is better health for populations, better care for individuals, and lower growth in health care expenditures. As a participant in the ACO, the Organization intends to work with the ACO, and other ACO participants and providers, to manage and coordinate care for Medicare fee-for-service beneficiaries, and to be accountable for the quality, cost and overall care of its patients. Pursuant to its operating agreement, the ACO will distribute shared savings it receives from Medicare in a predetermined ratio to the Organization, as applicable.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Organization is a public charity under Section 501(c)(3) of the Internal Revenue Code. As a public charity, the Organization is exempt from state and federal income taxes on income earned in accordance with its tax-exempt purpose. Unrelated business income is subject to state and federal income tax. Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits and petty cash funds.

Allowance for Uncollectible Accounts

Patient accounts receivable are stated at the amount management expects to collect from outstanding balances. Accounts receivable related to medical and dental services are reduced by an allowance for uncollectible accounts. In evaluating the collectibility of accounts receivable, the Organization analyzes its past history and identifies trends for funding source in the aggregate. Management regularly reviews data about revenue and collections in evaluating the sufficiency of the allowance for uncollectible accounts. Amounts not collected after all reasonable collection efforts have been exhausted are applied against the allowance for uncollectible accounts. An allowance for uncollectible accounts related to the Organization's pharmacy accounts receivable is not deemed necessary, as patient payments are required prior to the drugs being provided and due to the high collectibility of the insurance balances.

A reconciliation of the allowance for uncollectible accounts at June 30 is as follows:

	2017	2016
Balance, beginning of year	**$ 215,242**	$ 196,766
Provision	**90,537**	58,566
Write-offs	**(30,854)**	(40,090)
Balance, end of year	**$ 274,925**	$ 215,242

The increase in the allowance is primarily due to an increase in the amount due from uninsured dental patients.

Grants and Other Receivables

Grants and other receivables are stated at the amount management expects to collect from outstanding balances. All such amounts are considered collectible.

Inventory

Inventory consisting of pharmaceutical drugs is valued first-in, first-out method and is measured at the lower of cost or market.

Beneficial Interest in Funds Held by Others

The Organization is beneficiary of agency endowment funds at the New Hampshire Charitable Foundation (the Foundation) as a result of contributing endowment funds received from donors to be held and administered by the Foundation. Income from the funds is used to support the operating expenses of the Organization and to support palliative and hospice care.

Pursuant to the terms of the resolutions establishing the funds, property contributed to the Foundation is held as separate funds designated for the benefit of the Organization.

In accordance with its spending policy, the Foundation makes distributions from the funds to the Organization. The distributions are approximately 4.03% of the market value of the fund per year. The Organization's interest in the funds is recognized as permanently restricted net assets with changes in fair value reported as temporarily restricted. Distributions from the funds are reported as net assets released from restriction for operations.

Property and Equipment

Property and equipment are carried at cost. Provision for depreciation is computed using the straight-line method over the useful lives of the related assets.

Gifts of long-lived assets, such as land, buildings, or equipment, are reported as unrestricted net assets and excluded from the (deficit) excess of revenue over expenses, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as temporarily restricted net assets. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are those whose use by the Organization has been limited by grantors or donors to a specific time-period or purpose. There were $9,905 of temporarily restricted net assets at June 30, 2017 and none at June 30, 2016.

Permanently restricted net assets include net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on related investments for general or specific purposes. Permanently restricted net assets amounted to $62,301 at June 30, 2017 and 2016.

Patient Service Revenue

Patient service revenue is reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

Charity Care

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, they are not reported as patient service revenue.

340B Drug Pricing Program

The Organization, as an FQHC, is eligible to participate in the 340B Drug Pricing Program. The program requires drug manufacturers to provide outpatient drugs to FQHC's and other identified entities at a reduced price. The Organization operates a pharmacy and also contracts with local pharmacies under this program. The local pharmacies dispense drugs to eligible patients of the Organization and bill Medicare and commercial insurances on behalf of the Organization. Reimbursement received by the contracted pharmacies is remitted to the Organization, less dispensing and administrative fees. Gross revenue generated from the program is included in patient service revenue. Contracted expenses and drug costs incurred related to the program are included in other operating expenses. Expenses related to the operation of the Organization's pharmacy are categorized in the applicable operating expense classifications.

Donor-Restricted Gifts

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of operations as "net assets released from restriction." Donor-restricted contributions whose restrictions are met in the same year as received are reflected as unrestricted contributions in the accompanying financial statements.

Functional Expenses

The Organization provides various services to residents within its geographic location. Expenses related to providing these services are as follows:

	2017	2016
Program services	**$10,067,584**	$ 9,759,871
Administrative and general	**2,213,123**	2,020,782
Total	**$12,280,707**	$11,780,653

(Deficit) Excess of Revenue over Expenses

The statements of operations reflect the (deficit) excess of revenue over expenses. Changes in unrestricted net assets which are excluded from the (deficit) excess of revenue over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which, by donor restriction, were to be used for the purposes of acquiring such assets).

Subsequent Events

For purposes of the preparation of these financial statements, management has considered transactions or events occurring through October 25, 2017, the date that the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

On July 11, 2017, the Organization signed a commitment letter for a loan in the amount of $340,000 for the purchase of a building in Whitefield, New Hampshire, which the Organization is currently renting from the seller. This is a 15 year term loan. The purchase and sales agreement was signed on September 18, 2017 to purchase the property for $362,100 which is inclusive of a 15% "Community Benefit" from the seller.

2. Beneficial Interest in Funds Held by Others

Financial accounting standards established a valuation hierarchy for disclosure of the inputs used to measure fair value. This hierarchy prioritizes the inputs into three broad levels as follows:

- Level 1 inputs: Quoted prices traded daily in an active market.
- Level 2 inputs: Other than quoted prices for active markets that are traded less frequently than daily.
- Level 3 inputs: Unobservable inputs.

The fair value of the beneficial interest in funds held by others is measured on a non-recurring basis using Level 3 inputs. The fair value is determined annually based on the fair value of the assets in the trust using the market approach, as represented by the Foundation's management. The Organization's management determines the reasonableness of the methodology by evaluating market developments.

The following table sets forth a summary of the change in the fair value of the Level 3 beneficial interest in funds held by others:

	2017	2016
Balance, beginning of year	**$ 92,815**	$ 96,801
Change in fair value	**11,029**	(2,873)
Distributions	**(521)**	(515)
Fees	**(603)**	(598)
Balance, end of year	**$ 102,720**	$ 92,815

3. Property and Equipment

Property and equipment consisted of the following:

	2017	2016
Land, buildings and improvements	**$ 5,575,314**	$ 5,564,214
Furniture and equipment	**1,027,218**	1,238,160
Total cost	**6,602,532**	6,802,374
Less accumulated depreciation	**2,092,166**	2,103,559
Property and equipment, net	**$ 4,510,366**	$ 4,698,815

The Organization's Littleton and Warren properties were renovated with federal grant funding under the ARRA - Capital Improvement Program and ACA - Capital Development Program. In accordance with the grant agreement, a Notice of Federal Interest (NFI) was required to be filed in the appropriate official records of the jurisdiction in which the property is located. The NFI is designed to notify any prospective buyer or creditor that the Federal Government has a financial interest in the real property acquired under the aforementioned grant; that the property may not be used for any purpose inconsistent with that authorized by the grant program statute and applicable regulations; that the property may not be mortgaged or otherwise used as collateral without the written permission of the Associate Administrator of the Office of Federal Assistance Management (OFAM), Health Resources and Services Administration (HRSA); and that the property may not be sold or transferred to another party without the written permission of the Associate Administrator of OFAM and HRSA.

Upon obtaining the mortgages included in Note 5 below on the Organization's property at 25 Mount Eustis Road, in Littleton, New Hampshire, the Organization received the required written permission from OFAM and HRSA where by HRSA subordinated its Federal Interest in the property to the bank.

4. Line of Credit

The Organization has a $250,000 line of credit with a local banking institution through December 2017. Borrowings on the line of credit bear an interest rate equal to the Wall Street Journal Prime Rate (4.25% at June 30, 2017). The line of credit is payable on demand and is collateralized by all business assets. There was no balance outstanding at June 30, 2017 and 2016.

5. Long-Term Debt

Long-term debt consisted of the following:

	2017	2016
Note payable to a local bank, payable in monthly installments of $4,393, including interest at 3.5%, through August 2026, collateralized by real estate which is subject to a Notice of Federal Interest (see Note 3) and all other assets.	**$ 417,426**	$ 455,815
Variable rate note payable to a local bank, payable in monthly installments of $3,480, including interest at 3.5%, through October 2024, at which time the interest will be adjusted to the Wall Street Journal Prime Rate plus 1% through October 2035, collateralized by real estate and all other assets.	**540,149**	562,584
Variable rate note payable to a local bank, payable in monthly installments of $2,900, including interest at 3.5%, through December 2024, at which time the interest will be adjusted to the Wall Street Journal Prime Rate plus 1% through December 2035, collateralized by real estate and all other assets.	**453,279**	471,867
Total long-term debt	**1,410,854**	1,490,266
Less current maturities	**76,890**	74,250
Long-term debt, excluding current maturities	**$ 1,333,964**	$ 1,416,016

Scheduled principal repayments on long-term debt for the next five years are as follows:

2017	$ 76,890
2018	79,625
2019	82,456
2020	85,390
2021	70,827

6. Patient Service Revenue

Patient service revenue follows:

	2017	2016
Medical and dental revenue		
Medicare	**$ 2,374,942**	$ 2,215,922
Medicaid	**1,390,940**	1,515,942
Other third-party payers	**2,208,390**	2,438,353
Private pay	**407,404**	295,459
Total medical and dental revenue	**6,381,676**	6,465,676
Pharmacy revenue	**3,187,065**	3,106,140
Total patient service revenue	**$ 9,568,741**	$ 9,571,816

Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. The Organization believes that it is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare and Medicaid programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known.

A summary of the payment arrangements with major third-party payers follows:

Medicare

The Organization is reimbursed for the medical care of qualified patients on a prospective basis, with retroactive settlements related to vaccine costs only. The prospective payment is based on a geographically-adjusted rate determined by Federal guidelines. Overall, reimbursement is subject to a maximum allowable rate per visit. The Organization's Medicare cost reports have been audited by the Medicare administrative contractor through June 30, 2016.

Vermont Medicaid

As an FQHC, the Organization is reimbursed for the medical care of qualified patients at specified interim contractual rates during the year. Differences between the Vermont Medicaid interim contractual rate and the cost of care as defined by the Principles of Reimbursement governing the program are determined and settled on a retrospective basis. Overall, reimbursement is subject to a maximum allowable rate per visit. The Organization's Vermont Medicaid cost reports have been audited and retroactively settled through June 30, 2015.

New Hampshire Medicaid and Other Payers

The Organization also has entered into payment agreements with New Hampshire Medicaid and certain commercial insurance carriers, health maintenance organizations and preferred provider organizations. The basis for payment to the Organization under these agreements includes prospectively determined rates per visit, discounts from established charges and capitated arrangements for primary care services on a per member, per month basis.

Charity Care

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. The Organization estimates the costs associated with providing charity care by calculating the ratio of total cost to total charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. The estimated cost of providing services to patients under the Organization charity care policy amounted to $1,061,670 and $1,060,706 for the years ended June 30, 2017 and 2016, respectively. The Organization is able to provide these services with a component of funds received through local community support and federal and state grants.

7. Concentration of Risk

The Organization has cash deposits in major financial institutions which exceed federal depository insurance limits. The financial institutions have a strong credit rating and management believes the credit risk related to these deposits is minimal.

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payer agreements. Following is a summary of individual payers in which the balance due to the Organization exceeded 10% of the gross accounts receivable balance at June 30:

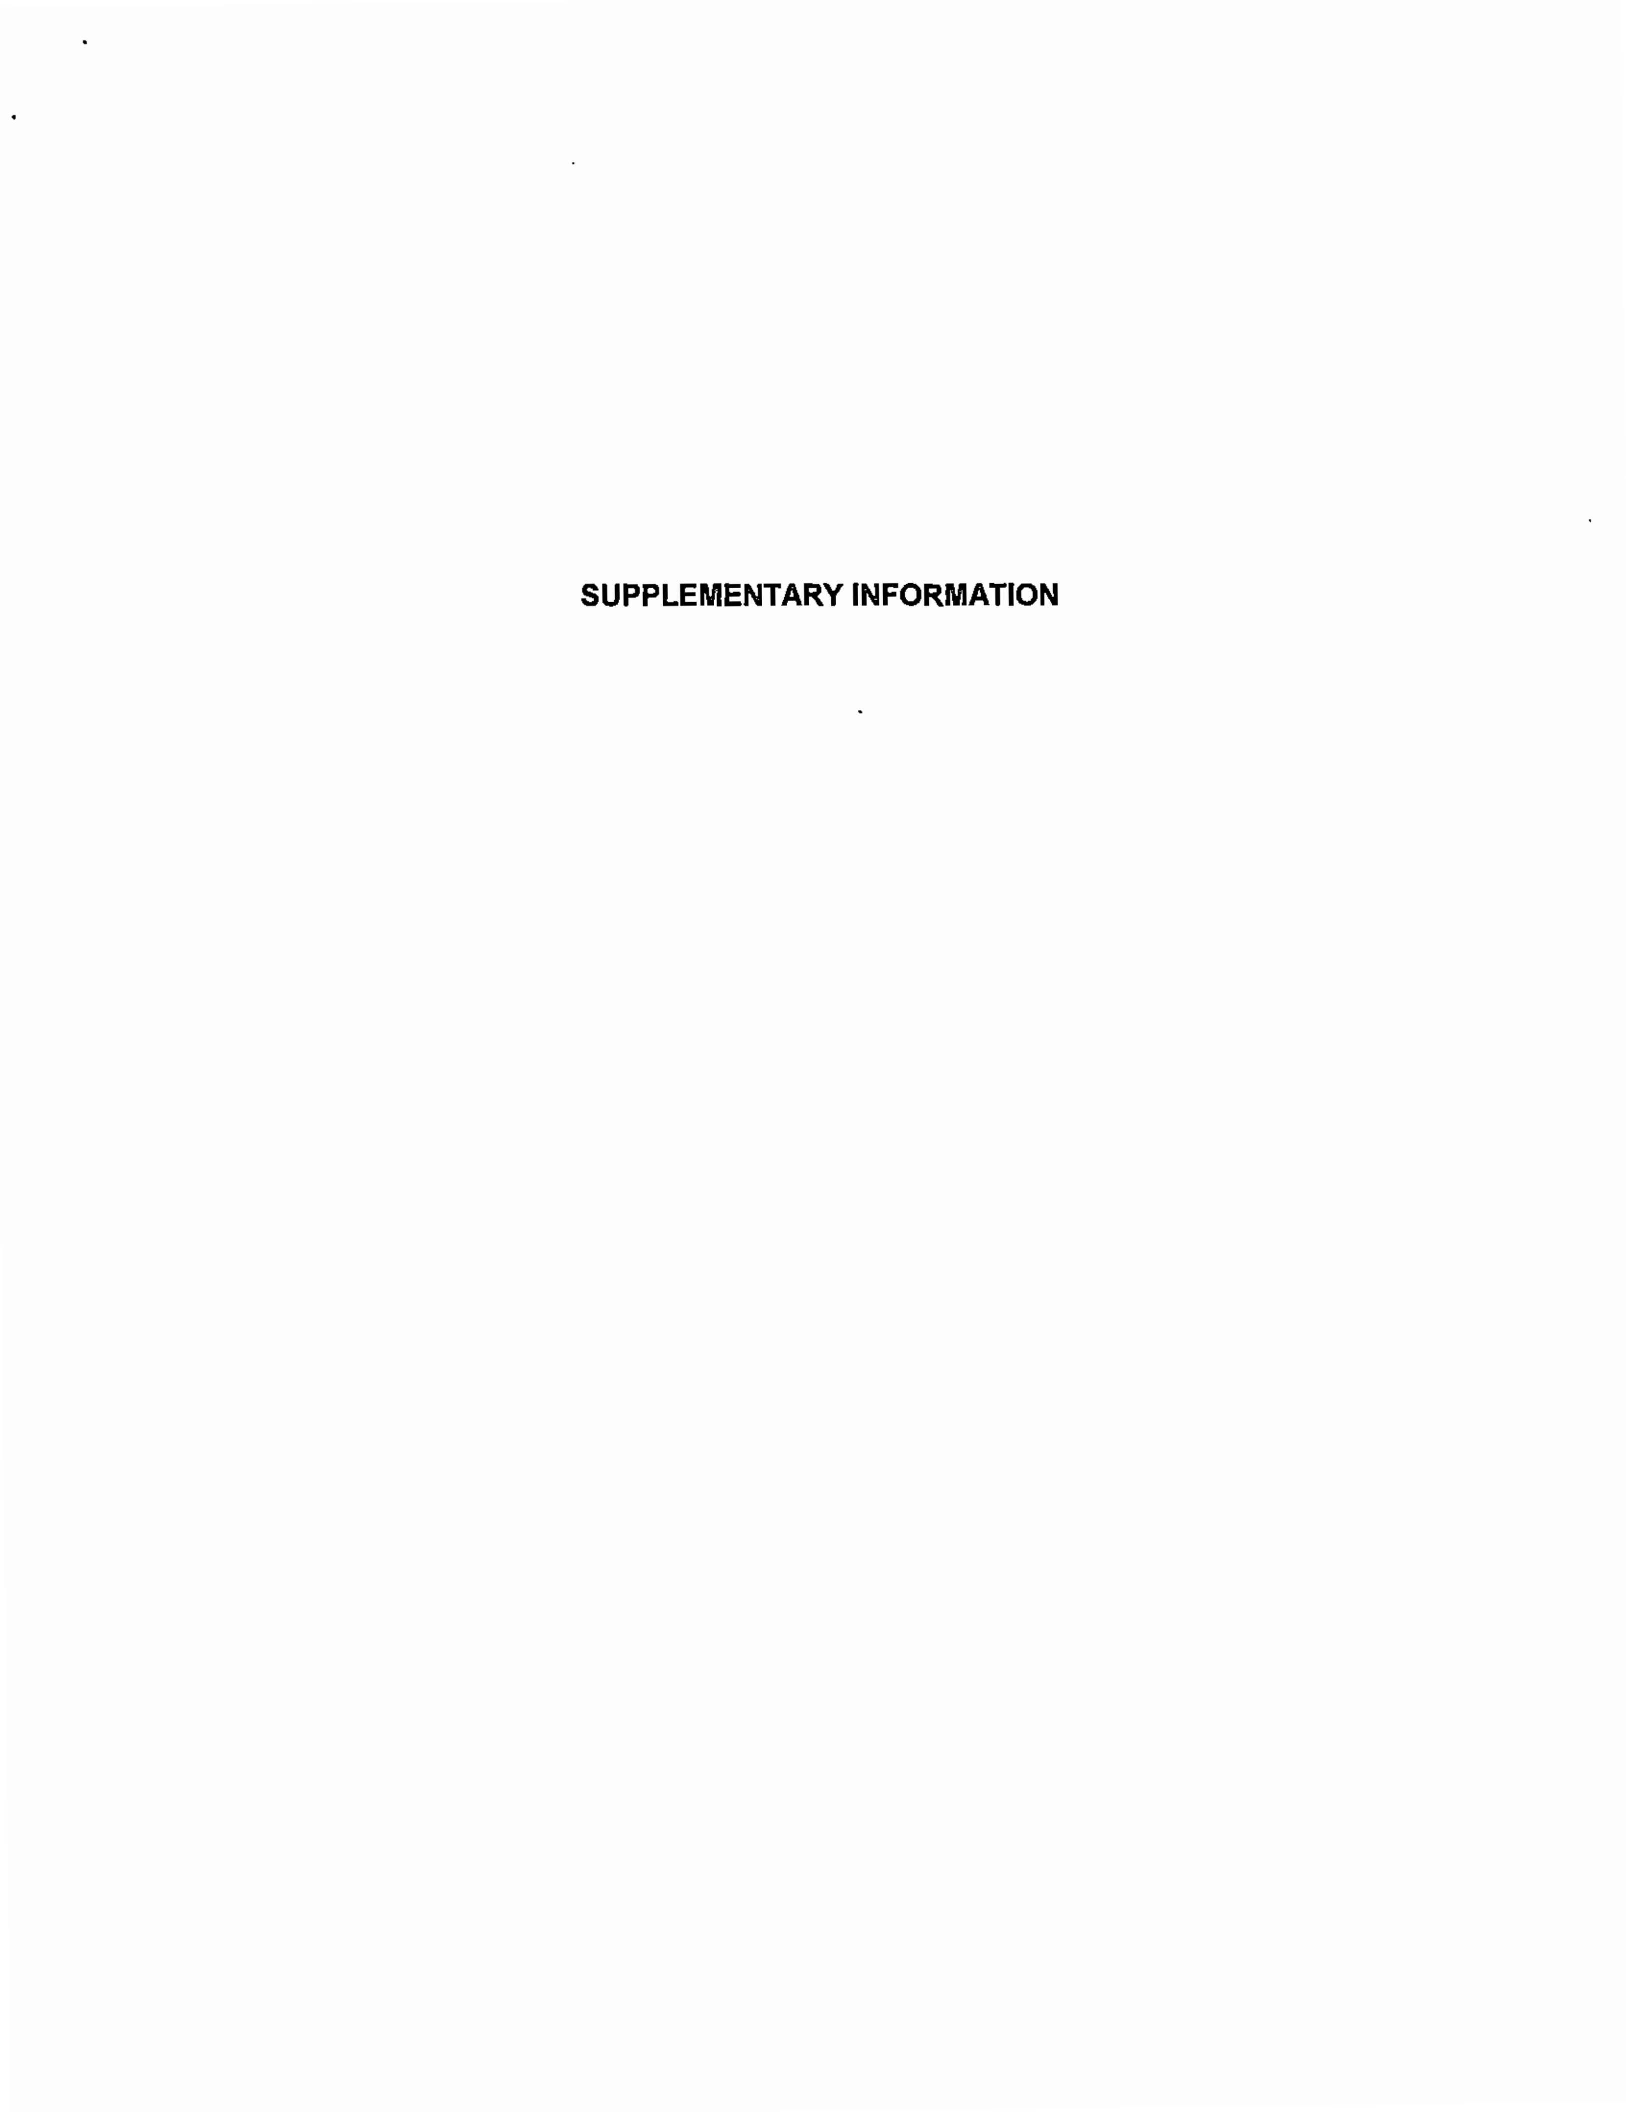
	2017	2016
Medicare	**29 %**	27 %
Medicaid	*	14 %
Blue Cross Blue Shield	**14 %**	*

* amount is less than 10% of gross accounts receivable

The Organization receives a significant amount of grants from the U.S. Department of Health and Human Services (DHHS). As with all government funding, these grants are subject to reduction or termination in future years. For the years ended June 30, 2017 and 2016, grants from DHHS (including both direct awards and awards passed through other organizations) represented approximately 91% of grant revenue.

8. Medical Malpractice Insurance

The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of June 30, 2017, there were no known malpractice claims outstanding which, in the opinion of management, will be settled for amounts in excess of both FTCA and insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew the additional medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.



SUPPLEMENTARY INFORMATION

AMMONOOSUC COMMUNITY HEALTH SERVICES, INC.

Schedule of Expenditures of Federal Awards

Year Ended June 30, 2017

Federal Grant/Pass-Through Grantor/Program Title	Federal CFDA Number	Pass-Through Contract Number	Total Federal Expenditures
United States Department of Health and Human Services:			
Direct:			
Health Centers Cluster			
Consolidated Health Centers (Community Health Centers, Migrant Health Centers, Health Care for the Homeless, and Public Housing Primary Care)	93.224		$ 627,282

AMMONOOSUC COMMUNITY HEALTH SERVICES, INC.

Notes to Schedule of Expenditures of Federal Awards

Year Ended June 30, 2017

1. Basis of Presentation

The schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of Ammonoosuc Community Health Services, Inc. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Ammonoosuc Community Health Services, Inc.

2. Summary of Significant Accounting Policies

Expenditures reported on this Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are either not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Pass-through entity identifying numbers are presented where available. Ammonoosuc Community Health Services, Inc. has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Ammonoosuc Community Health Services, Inc.

We have audited, in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Ammonoosuc Community Health Services, Inc. (the Organization), which comprise the balance sheet as of June 30, 2017, and the related statements of operations, changes in net assets and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 25, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Berry Dunn McNeil & Parker, LLC

Portland, Maine
October 25, 2017

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR THE MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors
Ammonoosuc Community Health Services, Inc.

Report on Compliance for the Major Federal Program

We have audited Ammonoosuc Community Health Services, Inc.'s (the Organization) compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on its major federal program for the year ended June 30, 2017. The Organization's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for the Organization's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with U.S. generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on the Major Federal Program

In our opinion, Ammonoosuc Community Health Services, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2017.

Board of Directors
Ammonoosuc Community Health Services, Inc.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Schedule of Findings and Questioned Costs

Year Ended June 30, 2017

1. Summary of Auditor's Results

Financial Statements

Type of auditor's report issued: Unmodified

Internal control over financial reporting:

Material weakness(es) identified?	☐	Yes	☑	No
Significant deficiency(ies) identified that are not considered to be material weakness(es)?	☐	Yes	☑	None reported
Noncompliance material to financial statements noted?	☐	Yes	☑	No

Federal Awards

Internal control over major programs:

Material weakness(es) identified?	☐	Yes	☑	No
Significant deficiency(ies) identified that are not considered to be material weakness(es)?	☐	Yes	☑	None reported

Type of auditor's report issued on compliance for major programs: Unmodified

Any audit findings disclosed that are required to be reported in accordance with 2 CFR 200.516(a)?	☐	Yes	☑	No

Identification of major programs:

CFDA Number	Name of Federal Program or Cluster
	Health Centers Cluster

Dollar threshold used to distinguish between Type A and Type B programs: $750,000

Auditee qualified as low-risk auditee?	☑	Yes	☐	No

2. Financial Statement Findings

None.

3. Federal Award Findings and Questioned Costs

None.

Subject: Primary Care Services (RFP-2018-DPHS-15-PRIMA)

Notice: This agreement and all of its attachments shall become public upon submission to Governor and Executive Council for approval. Any information that is private, confidential or proprietary must be clearly identified to the agency and agreed to in writing prior to signing the contract.

AGREEMENT

The State of New Hampshire and the Contractor hereby mutually agree as follows:

GENERAL PROVISIONS

1. IDENTIFICATION.

1.1 State Agency Name NH Department of Health and Human Services		1.2 State Agency Address 129 Pleasant Street Concord, NH 03301-3857	
1.3 Contractor Name Coos County Family Health Services, Inc.		1.4 Contractor Address 54 Willow Street, Berlin, NH 03570	
1.5 Contractor Phone Number 603-752-3669	1.6 Account Number 05-95-90-902010-51900000-102-500731	1.7 Completion Date March 31, 2020	1.8 Price Limitation $213,277
1.9 Contracting Officer for State Agency E. Maria Reinemann, Esq. Director of Contracts and Procurement		1.10 State Agency Telephone Number 603-271-9330	
1.11 Contractor Signature Ken Gordon		1.12 Name and Title of Contractor Signatory Kenneth E. Gordon, CEO	
1.13 Acknowledgement: State of NH, County of Coos On April 16, 2018, before the undersigned officer, personally appeared the person identified in block 1.12, or satisfactorily proven to be the person whose name is signed in block 1.11, and acknowledged that s/he executed this document in the capacity indicated in block 1.12.			
1.13.1 Signature of Notary Public or Justice of the Peace [Seal] Linda Blanchette		LINDA BLANCHETTE, Notary Public My Commission Expires September 18, 2018	
1.13.2 Name and Title of Notary or Justice of the Peace Linda Blanchette - Executive Assistant			
1.14 State Agency Signature Lisa Morris Date: 4/26/18		1.15 Name and Title of State Agency Signatory Lisa Morris, Director DPHS	
1.16 Approval by the N.H. Department of Administration, Division of Personnel *(if applicable)* By:		Director, On:	
1.17 Approval by the Attorney General (Form, Substance and Execution) *(if applicable)* By: [signature]		On: 5/22/18	
1.18 Approval by the Governor and Executive Council *(if applicable)* By:		On:	

2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.
3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.18, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.14 ("Effective Date").
3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.
5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.
5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.
5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.
5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.
6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. This may include the requirement to utilize auxiliary aids and services to ensure that persons with communication disabilities, including vision, hearing and speech, can communicate with, receive information from, and convey information to the Contractor. In addition, the Contractor shall comply with all applicable copyright laws.
6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.
6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.
7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.
7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this

Contractor Initials Kq
Date 4-16-18

Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

9. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. TERMINATION. In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS. The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice and consent of the State. None of the Services shall be subcontracted by the Contractor without the prior written notice and consent of the State.

13. INDEMNIFICATION. The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000per occurrence and $2,000,000 aggregate ; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

Contractor Initials [illegible]
Date 4-16-18

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than thirty (30) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each certificate(s) of insurance shall contain a clause requiring the insurer to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than thirty (30) days prior written notice of cancellation or modification of the policy.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation").*

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

19. CONSTRUCTION OF AGREEMENT AND TERMS. This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

Contractor Initials Kg
Date 4-16-18

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances for all reimbursable services rendered. The Department shall be the payor of last resort.

1.4. Preventative and Primary Health Care, as well as related Care Management and Enabling Services shall be provided to individuals of all ages, statewide, who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income (defined as <185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. The Contractor shall remain in compliance with all applicable state and federal laws for the duration of the contract period, including but not limited to:

1.5.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.5.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.5.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care Services for new patients is limited or closed for more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

2.2. The Contractor shall assist individuals with completing a Medicaid/Expanded Medicaid and other health insurance application when income calculations indicate possible Medicaid eligibility.

2.3. The Contractor shall maximize billing to private and commercial insurances for all reimbursable services rendered.

2.4. The Contractor shall post a notice in a public and conspicuous location noting that no individual will be denied services for an inability to pay.

2.5. The Contractor shall develop and implement a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall make the sliding fee scale available to the Department upon request.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a New Hampshire licensed Medical Doctor (MD), Doctor of Osteopathic Medicine (DO), Advanced Practice Registered Nurse (APRN) or Physician Assistant (PA) to eligible individuals in the service area.

3.2. The Contractor shall ensure primary care services include, but are not limited to:

3.2.1. Reproductive health services.

3.2.2. Perinatal health services including but not limited to access to obstetrical services either on-site or by referral.

3.2.3. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.2.4. Integrated behavioral health services.

3.2.5. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.2.6. Assessment of need and follow-up/referral as indicated for:

3.2.6.1. Tobacco cessation, including referral to QuitWorks-NH, www.QuitWorksNH.org.

3.2.6.2. Social services.

3.2.6.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management Education (DSME) as recommended by American Diabetes Association (ADA).

3.2.6.4. Nutrition services, including Women, Infants and Children (WIC) Food and Nutrition Service, as appropriate;

3.2.6.5. Screening, Brief Intervention and Referral to Treatment (SBIRT) services, including but not limited to contact with the Regional Public Health Network Continuum of Care Development Initiative.

3.2.6.6. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.3. The Contractor shall provide care management for individuals enrolled for

primary care services, which includes, but is not limited to:

3.3.1. Integrated and coordinated services that ensure patients receive necessary care, including behavioral health and oral care when and where it is needed and wanted, in a culturally and linguistically appropriate manner.

3.3.2. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.3.3. Care facilitated by registries; information technology; health information exchanged.

3.4. The Contractor shall provide and facilitate enabling services, which are non-clinical services that support the delivery of basic primary care services, and facilitate access to comprehensive patient care as well as social services that include, but are not limited to:

3.4.1. Benefit counseling.

3.4.2. Health insurance eligibility and enrollment assistance.

3.4.3. Health education and supportive counseling.

3.4.4. Interpretation/translation for individuals with Limited English Proficiency or other communication needs.

3.4.5. Outreach, which may include the use of community health workers.

3.4.6. Transportation.

3.4.7. Education of patients and the community regarding the availability and appropriate use of health services.

4. Quality Improvement

4.1. The Contractor shall develop, define, facilitate and implement a minimum of two (2) Quality Improvement (QI) projects, which consist of systematic and continuous actions that lead to measurable improvements in health care services and the health status of targeted patient groups.

4.1.1. One (1) quality improvement project must focus on the performance measure as designated by MCHS. (Defined as Adolescent Well Visits for SFY 2018 – 2019)

4.1.2. The other(s) will be chosen by the vendor based on previous performance outcomes needing improvement.

4.2. The Contractor shall utilize Quality Improvement Science to develop and implement a QI Workplan for each QI project. The QI Workplan will include:

4.2.1. Specific goals and objectives for the project period; and

4.2.2. Evaluation methods used to demonstrate improvement in the quality, efficiency, and effectiveness of patient care.

4.3. The Contractor shall include baseline measurements for each area of

improvement identified in the QI projects, to establish health care services and health status of targeted patient groups to be improved upon.

4.4. The Contractor may utilize activities in QI projects that enhance clinical workflow and improve patient outcomes, which may include, but are not limited to:

4.4.1.1. EMR prompts/alerts.

4.4.1.2. Protocols/Guidelines.

4.4.1.3. Diagnostic support.

4.4.1.4. Patient registries.

4.4.1.5. Collaborative learning sessions.

5. Staffing

5.1. The Contractor shall ensure all health and allied health professions have the appropriate, current New Hampshire licenses whether directly employed, contracted or subcontracted.

5.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

5.3. The Contractor shall notify the Maternal and Child Health Section (MCHS), in writing, of any newly hired administrator, clinical coordinator or any staff person essential to providing contracted services and include a copy of the individual's resume, within thirty (30) days of hire.

5.4. The Contractor shall notify the MCHS, in writing, when:

5.4.1. Any critical position is vacant for more than thirty (30) days;

5.4.2. There is not adequate staffing to perform all required services for any period lasting more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

6. Coordination of Services

6.1. The Contractor shall participate in activities within their Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

6.1.1. Community needs assessments;

6.1.2. Public health performance assessments; and

6.1.3. Regional health improvement plans under development.

6.2. The Contractor shall participate in and coordinate public health activities, as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

7. Required Meetings & Trainings

7.1. The Contractor shall attend meetings and trainings facilitated by the MCHS programs that include, but are not limited to:

7.1.1. MCHS Agency Directors' meetings;

7.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year, which may require attendance by agency quality improvement staff; and

7.1.3. MCHS Agency Medical Services Directors' meetings.

8. Workplans, Outcome Reports & Additional Reporting Requirements

8.1. The Contractor shall collect and report data as detailed in Exhibit A-1 "Reporting Metrics" according to the Exhibit A-2 "Report Timing Requirements".

8.2. The Contractor shall submit reports as defined within Exhibit A-2 "Report Timing Requirements".

8.3. The Contractor shall submit an updated budget narrative, within thirty (30) days of the contract execution date and annually, as defined in Exhibit A-2 "Report Timing Requirements". The budget narrative shall include, at a minimum;

8.3.1. Staff roles and responsibilities, defining the impact each role has on contract services;

8.3.2. Staff list, defining;

8.3.2.1. The Full Time Equivalent percentage allocated to contract services, and;

8.3.2.2. The individual cost, in U.S. Dollars, of each identified individual allocated to contract services.

8.4. In addition to the report defined within Exhibit A-2 "Report Timing Requirements", the Contractor shall submit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9. On-Site Reviews

9.1. The Contractor shall permit a team or person authorized by the Department to periodically review the Contractor's:

9.1.1. Systems of governance.

9.1.2. Administration.

9.1.3. Data collection and submission.

9.1.4. Clinical and financial management.

9.1.5. Delivery of education services.

9.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

9.2.1. Client records.

9.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

9.3. The Contractor shall take corrective actions, as advised by the review team, if services provided are not in compliance with the contract requirements.

10. Performance Measures

10.1. The Contractor shall ensure that the following performance indicators are annually achieved and monitored quarterly to measure the effectiveness of the agreement:

10.1.1. Annual improvement objectives shall be defined by the vendor and submitted to the Department. Objectives shall be measurable, specific and align to the provision of primary care services defined within Exhibit A-1 "Reporting Metrics"

Exhibit A-1 – Reporting Metrics

1. **Definitions**
   1.1. **Measurement Year –** Measurement Year consists of 365 days and is defined as either:
      1.1.1. The calendar year, (January 1st through December 31st); or
      1.1.2. The state fiscal year (July 1st through June 30th).
   1.2. **Medical Visit –** Medical visit is defined as any office visit including all well-care and acute-care visits.
   1.3. **HEDIS –** Healthcare Effectiveness Data and Information Set
   1.4. **NQF –** National Quality Forum
   1.5. **Title V –** Federal Maternal and Child Health Services Block Grant
   1.6. **UDS –** Uniform Data System
   1.7. **NH MCHS –** New Hampshire Maternal and Child Health Section
2. **MCHS PRIMARY CARE PERFORMANCE MEASURES**
   2.1. **Breastfeeding**
      2.1.1. Percent of infants who are ever breastfed (Title V PM #4).
         2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.
         2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.
         2.1.1.3. Denominator: All patient infants born in the measurement year.
   2.2. **Preventive Health: Lead Screening**
      2.2.1. Percent of children three (3) years of age who had two (2) or more capillary or venous lead blood test for lead poisoning by their third birthday. (NH MCHS).
         2.2.1.1. Numerator: All patient children who received at least one capillary or venous lead screening test between nine (9) months to eighteen (18) months of age **AND** one (1) capillary or venous lead screening test between nineteen (19) to thirty (30) months of age.
         2.2.1.2. Denominator: All patient children who turned three (3) years old during the measurement year that had at least one (1) medical visit during the measurement year.

Contractor Initials: KG
Date: 4-16-18

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents, twelve (12) through twenty-one (21) years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients ages twelve (12) and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients twelve (12) years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

Contractor Initials: Kg
Date: 4-16-18

2.4.2.1. Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative PLUS women who screened positive AND have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

2.5.1. Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented (NQF 0421, UDS).

2.5.1.1. Normal parameters: Age 65 and older BMI ≥ 23 and < 30

2.5.1.2. Age 18 through 64 BMI ≥ 18.5 and < 25

Contractor Initials: KG

Date: 4-16-18

2.5.1.3. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.4. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.5. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year or prior year AND who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco use one or more times during their most recent visit OR within twenty-four (24) months of the most

recent visit and received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who delivered a live birth in the measurement year.

2.6.2.4. Definitions:

2.6.2.4.1. Tobacco Use: Includes any type of tobacco

2.6.2.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

2.7. At Risk Population: Hypertension

2.7.1. Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90mmHG) during the measurement year (NQF 0018).

2.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm HG at the time of their last measurement.

Contractor Initials: Kg

Date: 4-16-18

2.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension (must have been diagnosed with hypertension 6 or more months before the measurement date) who had at least one (1) medical visit during the measurement year. (Excludes pregnant women and patients with End Stage Renal Disease.)

2.8. **Patient Safety: Falls Screening**

2.8.1. Percent of patients aged 65 years and older who were screened for fall risk at least once within 12 months (NH MCHS).

2.8.1.1. Numerator: Patients who were screened for fall risk at least once within the measurement year.

2.8.1.2. Denominator: All patients aged 65 years and older seen by a health care provider within the measurement year.

2.9. **SBIRT**

2.9.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention and/or referral to services.

2.9.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.1.3. Denominator: Number of patients aged 18 years and older seen for annual/preventive visit within the measurement year.

2.9.1.4. Definitions:

2.9.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.9.1.4.2. Brief Intervention: Includes guidance or counseling.

2.9.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.9.2. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are

Contractor Initials: Kg
Date: 4-16-18

enrolled in the prenatal program AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

2.9.2.2. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

Exhibit A-2 – Report Timing Requirements

1.1. **Primary Care Services Reporting Requirements**

1.1.1. The reports are required due on the date(s) listed, or, in years where the date listed falls on a non-business day, reports are due on the Friday immediately prior to the date listed.

1.1.2. The Vendor is required to complete and submit each report, following instructions sent by the Department

1.1.3. An updated budget narrative must be provided to the Department, within thirty (30) days of contract approval. The budget narrative must include, at a minimum;

1.1.3.1. Staff roles and responsibilities, defining the impact each role has on contract services

1.1.3.2. Staff list, defining;

1.1.3.2.1. The Full Time Equivalent percentage allocated to contract services, and;

1.1.3.2.2. The individual cost, in U.S. Dollars, of each identified individual allocated to contract services.

1.2. **Annual Reports**

1.2.1. The following reports are required annually, on or prior to;

1.2.1.1. March 31st;

1.2.1.1.1. Uniform Data Set (UDS) Data tables reflecting program performance for the previous calendar year;

1.2.1.1.2. Budget narrative, which includes, at a minimum;

1.2.1.1.2.1. Staff roles and responsibilities, defining the impact each role has on contract services

1.2.1.1.2.2. Staff list, defining;

1.2.1.1.2.2.1. The Full Time Equivalent percentage allocated to contract services, and;

1.2.1.1.2.2.2. The individual cost, in U.S. Dollars, of each

Contractor Initials: KG

Date: 4-18-18

identified individual allocated to contract services.

1.2.1.2. July 31st;

1.2.1.2.1. Summary of patient satisfaction survey results obtained during the prior contract year;

1.2.1.2.2. Quality Improvement (QI) Workplans, Performance Outcome Section

1.2.1.2.3. Enabling Services Workplans, Performance Outcome Section

1.2.1.3. September 1st;

1.2.1.3.1. QI workplan revisions, as needed;

1.2.1.3.2. Enabling Service Workplan revisions, as needed;

1.2.1.3.3. Correction Action Plan (Performance Measure Outcome Report), as needed;

1.3. **Semi-Annual Reports**

1.3.1. Primary Care Services Measure Data Trend Table (DTT), due on;

1.3.1.1. July 31, 2018 (measurement period July 1– June 30) and;

1.3.1.2. January 31 (measurement period January 1 – December 31).

1.4. **The following report is required 30 days following the end of each quarter, beginning in State Fiscal Year 2018;**

1.4.1. Perinatal Client Data Form (PCDF);

1.4.1.1. Due on April 30, July 31, October 31 and January 31

Contractor Initials: Kg

Date: 4-26-18

Exhibit B

Method and Conditions Precedent to Payment

1. The State shall pay the contractor an amount not to exceed the Form P-37, Block 1.8, Price Limitation for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.

2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon meeting the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov) #93.994, Maternal and Child Health Services Block Grant to the States

3. The Contractor shall not use or apply contract funds for capital additions, improvements, entertainment costs or any other costs not approved by the Department.

4. Payment for services shall be as follows:

   4.1. Payments shall be on a cost reimbursement basis for approved actual costs in accordance with Exhibits B-1 through Exhibit B-3.

   4.2. The Contractor shall submit invoices in a form satisfactory to the State no later than the tenth (10th) working day of each month, which identifies and requests reimbursement for authorized expenses incurred in the prior month. The Contractor agrees to keep detailed records of their activities related to Department-funded programs and services.

      4.2.1. Expenditure detail may be requested by the Department on an intermittent basis, which the Contractor must provide.

      4.2.2. Onsite reviews may be required.

   4.3. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice, subsequent to approval of the submitted invoice and if sufficient funds are available.

   4.4. In lieu of hard copies, all invoices may be assigned an electronic signature and emailed to DPHScontractbilling@dhhs.nh.gov, or invoices may be mailed to:

      Financial Administrator

      Department of Health and Human Services

      Division of Public Health

      29 Hazen Dr.

      Concord, NH 03301

Exhibit B

4.5. The final invoice shall be due to the State no later than forty (40) days after the date specified in Form P-37, Block 1.7 Completion Date.

4.6. Payments may be withheld pending receipt of required reports or documentation as identified in Exhibit A, Scope of Services and in this Exhibit B.

5. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjusting encumbrances between State Fiscal Years within the price limitation may be made without obtaining approval of the Governor and Executive Council, upon written agreement of both parties.

Contractor's Initials 
Date 4-16-19

SPECIAL PROVISIONS

Contractors Obligations: The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

2. **Time and Manner of Determination**: Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
   7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
   7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

8. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:
   8.1. Fiscal Records: books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.
   8.2. Statistical Records: Statistical, enrollment, attendance or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.
   8.3. Medical Records: Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

9. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.
   9.1. Audit and Review: During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.
   9.2. Audit Liabilities: In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

10. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

11. **Reports:** Fiscal and Statistical: The Contractor agrees to submit the following reports at the following times if requested by the Department.
    11.1. Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.
    11.2. Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

12. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

13. **Credits:** All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:
    13.1. The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

14. **Prior Approval and Copyright Ownership:** All materials (written, video, audio) produced or purçhased under the contract shall have prior approval from DHHS before printing, production, distribution or use. The DHHS will retain copyright ownership for any and all original materials produced, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports. Contractor shall not reproduce any materials produced under the contract without prior written approval from DHHS.

15. **Operation of Facilities: Compliance with Laws and Regulations:** In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

16. **Equal Employment Opportunity Plan (EEOP):** The Contractor will provide an Equal Employment Opportunity Plan (EEOP) to the Office for Civil Rights, Office of Justice Programs (OCR), if it has received a single award of $500,000 or more. If the recipient receives $25,000 or more and has 50 or

more employees, it will maintain a current EEOP on file and submit an EEOP Certification Form to the OCR, certifying that its EEOP is on file. For recipients receiving less than $25,000, or public grantees with fewer than 50 employees, regardless of the amount of the award, the recipient will provide an EEOP Certification Form to the OCR certifying it is not required to submit or maintain an EEOP. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption. EEOP Certification Forms are available at: http://www.ojp.usdoj/about/ocr/pdfs/cert.pdf.

17. **Limited English Proficiency (LEP):** As clarified by Executive Order 13166, Improving Access to Services for persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with the Omnibus Crime Control and Safe Streets Act of 1968 and Title VI of the Civil Rights Act of 1964, Contractors must take reasonable steps to ensure that LEP persons have meaningful access to its programs.

18. **Pilot Program for Enhancement of Contractor Employee Whistleblower Protections:** The following shall apply to all contracts that exceed the Simplified Acquisition Threshold as defined in 48 CFR 2.101 (currently, $150,000)

    CONTRACTOR EMPLOYEE WHISTLEBLOWER RIGHTS AND REQUIREMENT TO INFORM EMPLOYEES OF WHISTLEBLOWER RIGHTS (SEP 2013)

    (a) This contract and employees working on this contract will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239) and FAR 3.908.

    (b) The Contractor shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation.

    (c) The Contractor shall insert the substance of this clause, including this paragraph (c), in all subcontracts over the simplified acquisition threshold.

19. **Subcontractors:** DHHS recognizes that the Contractor may choose to use subcontractors with greater expertise to perform certain health care services or functions for efficiency or convenience, but the Contractor shall retain the responsibility and accountability for the function(s). Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.
    When the Contractor delegates a function to a subcontractor, the Contractor shall do the following:
    19.1. Evaluate the prospective subcontractor's ability to perform the activities, before delegating the function
    19.2. Have a written agreement with the subcontractor that specifies activities and reporting responsibilities and how sanctions/revocation will be managed if the subcontractor's performance is not adequate
    19.3. Monitor the subcontractor's performance on an ongoing basis

19.4. Provide to DHHS an annual schedule identifying all subcontractors, delegated functions and responsibilities, and when the subcontractor's performance will be reviewed
19.5. DHHS shall, at its discretion, review and approve all subcontracts.

If the Contractor identifies deficiencies or areas for improvement are identified, the Contractor shall take corrective action.

DEFINITIONS
As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean that section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Wherever federal or state laws, regulations, rules, orders, and policies, etc. are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc. as they may be amended or revised from the time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

REVISIONS TO GENERAL PROVISIONS

1. Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:

    4. CONDITIONAL NATURE OF AGREEMENT.
    Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

2. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

    10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

    10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

    10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

    10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

    10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

3. The Division reserves the right to renew the Contract for up to two (2) additional years, subject to the continued availability of funds, satisfactory performance of services and approval by the Governor and Executive Council.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   1.2. Establishing an ongoing drug-free awareness program to inform employees about
      1.2.1. The dangers of drug abuse in the workplace;
      1.2.2. The grantee's policy of maintaining a drug-free workplace;
      1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
      1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
      1.4.1. Abide by the terms of the statement; and
      1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted
   1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
   1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, state, zip code) (list each location)

CERTIFICATION REGARDING LOBBYING

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

Contractor Initials [signature]
Date 4-[illegible]-18

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABLITY ACT BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

Contractor Initials [signature]

Date 4-16-18

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) Business Associate Use and Disclosure of Protected Health Information.

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Contractor Initials KA

Date 4-16-18

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) l, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.
In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.
The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:
The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

Contractor Name:

4-16-18
Date

Ed Gordon
Name:
Title: CEO

FORM A

As the Contractor identified in Section 1.3 of the General Provisions, I certify that the responses to the below listed questions are true and accurate.

1. The DUNS number for your entity is: 167385509

2. In your business or organization's preceding completed fiscal year, did your business or organization receive (1) 80 percent or more of your annual gross revenue in U.S. federal contracts, subcontracts, loans, grants, sub-grants, and/or cooperative agreements; and (2) $25,000,000 or more in annual gross revenues from U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements?

   ✓ NO　　　　______ YES

   If the answer to #2 above is NO, stop here

   If the answer to #2 above is YES, please answer the following:

3. Does the public have access to information about the compensation of the executives in your business or organization through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C.78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986?

   ______ NO　　　　______ YES

   If the answer to #3 above is YES, stop here

   If the answer to #3 above is NO, please answer the following:

4. The names and compensation of the five most highly compensated officers in your business or organization are as follows:

   Name: ____________________　　Amount: ____________

   Name: ____________________　　Amount: ____________

   Name: ____________________　　Amount: ____________

   Name: ____________________　　Amount: ____________

   Name: ____________________　　Amount: ____________

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or

consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not

use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.
3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.

7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.
9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2

5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a whole, must have aggressive intrusion-detection and firewall protection.
6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampsbire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.

2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the

scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer, and additional email addresses provided in this section, of any security breach within two (2) hours of the time that the Contractor learns of its occurrence. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

b. safeguard this information at all times.

c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer, Information Security Office and Program Manager of any Security Incidents and Breaches within two (2) hours of the time that the Contractor learns of their occurrence.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and
5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

VI. PERSONS TO CONTACT

A. DHHS contact program and policy:
   (Insert Office or Program Name)
   (Insert Title)
   DHHS-Contracts@dhhs.nh.gov

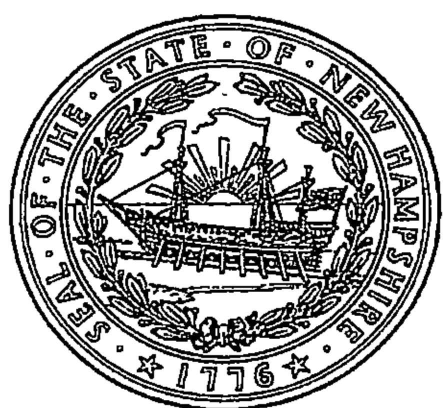
E. DHHS contact for Breach notifications:
   DHHSInformationSecurityOffice@dhhs.nh.gov
   DHHSPrivacy.Officer@dhhs.nh.gov

State of New Hampshire
Department of State

CERTIFICATE

I, William M. Gardner, Secretary of State of the State of New Hampshire, do hereby certify that COOS COUNTY FAMILY HEALTH SERVICES, INC. is a New Hampshire Nonprofit Corporation registered to transact business in New Hampshire on December 14, 1979. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: 63204
Certificate Number : 0004077507



IN TESTIMONY WHEREOF,
I hereto set my hand and cause to be affixed
the Seal of the State of New Hampshire,
this 2nd day of April A.D. 2018.

William M. Gardner
Secretary of State

CERTIFICATE OF VOTE

I, Joan Merrill - Board President, do hereby certify that:
(Name of the elected Officer of the Agency; cannot be contract signatory)

1. I am a duly elected Officer of Coos County Family Health Services
(Agency Name)

2. The following is a true copy of the resolution duly adopted at a meeting of the Board of Directors of the Agency duly held on 1/18/18:
(Date)

RESOLVED: That the CEO
(Title of Contract Signatory)

is hereby authorized on behalf of this Agency to enter into the said contract with the State and to execute any and all documents, agreements and other instruments, and any amendments, revisions, or modifications thereto, as he/she may deem necessary, desirable or appropriate.

3. The forgoing resolutions have not been amended or revoked, and remain in full force and effect as of the 16th day of April, 2018.
(Date Contract Signed)

4. Ken Gordon is the duly elected CEO
(Name of Contract Signatory) (Title of Contract Signatory)

of the Agency.

Joan Merrill - Board Pres
(Signature of the Elected Officer)

STATE OF NEW HAMPSHIRE

County of Coos

The forgoing instrument was acknowledged before me this 16th day of April, 2018.

By Joan Merrill.

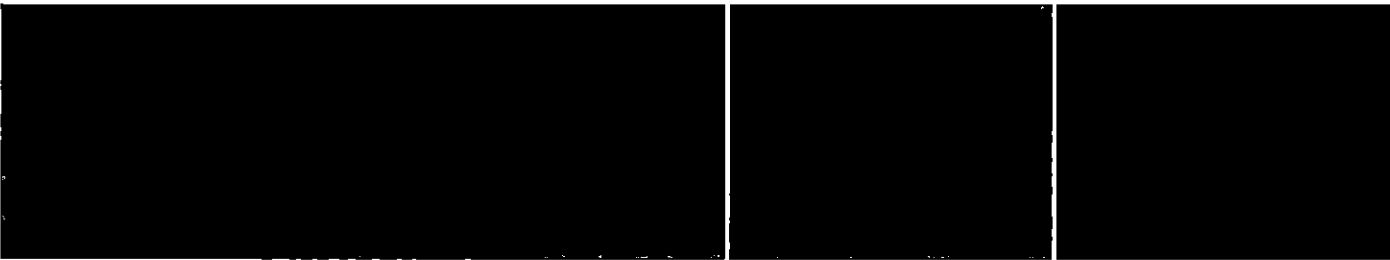
MISSION OF
COÖS COUNTY FAMILY HEALTH SERVICES

Coös County Family Health Services is a community-based organization providing innovative, personalized, comprehensive health care and social services of the highest quality to everyone, regardless of economic status.

(Mission Statement)
Board Approved 1/18/18



FINANCIAL STATEMENTS

June 30, 2017 and 2016

With Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Coos County Family Health Services, Inc.

We have audited the accompanying financial statements of Coos County Family Health Services, Inc., which comprise the balance sheets as of June 30, 2017 and 2016, and the related statements of operations, changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Coos County Family Health Services, Inc. as of June 30, 2017 and 2016, and the results of its operations, changes in its net assets and its cash flows for the years then ended, in accordance with U.S. generally accepted accounting principles.

Supplemental disclosures of cash flow information		
Cash paid for interest	$ 13,635	$ 24,621

The accompanying notes are an integral part of these financial statements.

1. Summary of Significant Accounting Policies

Organization

Coos County Family Health Services, Inc. (the Organization) is a non-stock, not-for-profit corporation organized in New Hampshire. The Organization is a Federally Qualified Health Center (FQHC) which provides outpatient health care, dental and disease prevention services to residents of Coos County, New Hampshire through direct services, referral and advocacy.

The Organization is a non-principal participant in the National Rural ACO 13 LLC (the ACO). The mission of the ACO is better health for populations, better care for individuals, and lower growth in health care expenditures. As a participant in the ACO, the Organization intends to work with the ACO, and other ACO participants and providers, to manage and coordinate care for Medicare fee-for-service beneficiaries, and to be accountable for the quality, cost and overall care of its patients. Pursuant to its operating agreement, the ACO will distribute shared savings it receives from Medicare in a predetermined ratio to the Organization, as applicable.

Acquisition of Ronald D. Montminy, D.D.S., P.C.

On October 31, 2016, the Organization acquired a local dental practice for $85,000 to expand the scope of the Organization's services to include dental. The acquisition price included $40,000 for furniture and equipment and $45,000 for a non-compete for a one year period from the acquisition date.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Organization is a public charity under Section 501(c)(3) of the Internal Revenue Code. As a public charity, the Organization is exempt from state and federal income taxes on income earned in accordance with its tax exempt purpose. Unrelated business income is subject to state and federal income tax. Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents include highly liquid investments with an original maturity of three months or less, excluding assets limited as to use.

Allowance for Uncollectible Accounts

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Patient accounts receivable are reduced by an allowance for uncollectible accounts. In evaluating the collectability of patient accounts receivable, the Organization analyzes its past history and identifies trends for each funding source. Management regularly reviews data about revenue in evaluating the sufficiency of the allowance for uncollectible accounts. Amounts not collected after all reasonable collection efforts have been exhausted are applied against the allowance for uncollectible accounts.

A reconciliation of the allowance for uncollectible accounts at June 30 is as follows:

	2017	2016
Balance, beginning of year	$ 182,000	$ 170,000
Provision	312,981	214,250
Write-offs	(213,981)	(202,250)
Balance, end of year	$ 281,000	$ 182,000

The increase in the allowance for uncollectible accounts is the result of an increase in patient balances included in accounts receivable, primarily as a result of the acquisition of the dental practice and credentialing delays, and an increase in 340B receivables over 365 days old..

Grants Receivable

Grants receivable are stated at the amount management expects to collect from outstanding balances. All such amounts are considered collectible.

Assets Limited as to Use

Assets limited as to use include assets set aside as a reserve fund under loan agreements for repairs and maintenance on the real property collateralizing the loans, assets designated by the Board of Directors and donor-restricted grants and contributions.

Beneficial Interest in Funds Held by Others

The Organization is a beneficiary of an agency endowment fund at The New Hampshire Charitable Foundation (the Foundation). Pursuant to the terms of the resolution establishing the fund, property contributed to the Foundation is held as a separate fund designated for the benefit of the Organization. In accordance with its spending policy, the Foundation makes distributions from the fund to the Organization. The distributions are approximately 4.03% of the market value of the fund per year. The Organization's interest in the fund is recognized as permanently restricted net assets with changes in fair value reported as permanently restricted.

Property and Equipment

Property and equipment are carried at cost, less accumulated depreciation. Provision for depreciation is computed using the straight-line method over the useful lives of the related assets.

Gifts of long-lived assets such as land, buildings, or equipment are reported as unrestricted net assets, and excluded from the excess of revenues over expenses, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as temporarily restricted net assets. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets include contributions and grants for which donor-imposed restrictions have not been met. Assets are released from restrictions as expenditures are made in line with restrictions called for under the terms of the donor.

Permanently restricted net assets include net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on related investments for general or specific purposes.

Donor-Restricted Gifts

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of operations as "net assets released from restriction."

Patient Service Revenue

Patient service revenue is reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

340B Drug Pricing Program

The Organization, as an FQHC, is eligible to participate in the 340B Drug Pricing Program. The program requires drug manufacturers to provide outpatient drugs to FQHC's and other identified entities at a reduced price. The Organization contracts with local pharmacies under this program. The local pharmacies dispense drugs to eligible patients of the Organization and bill Medicare and commercial insurances on behalf of the Organization. Reimbursement received by the pharmacies is remitted to the Organization, less dispensing and administrative fees. Gross revenue generated from the program is included in patient service revenue. The cost of drug replenishments and contracted expenses incurred related to the program are included in other operating expenses.

Charity Care

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, they are not reported as net patient service revenue.

Donated Goods and Services

Various program help and support for the daily operations of the Organization's Response Program were provided by the general public of the surrounding communities. The donated services have not been reflected in the accompanying financial statements because they are not material to the financial statements. Management estimates the fair value of donated services received but not recognized as revenues was $121,692 and $107,136 for the years ended June 30, 2017 and 2016, respectively. The Response Program also receives donated supplies to be used for program activities. The fair value of supplies recognized as revenues was $3,447 and $4,565 for the years ended June 30, 2017 and 2016, respectively.

The Organization receives samples of medical supplies that are distributed to patients. The donated supplies have not been reflected in the accompanying financial statements because they did not meet the criteria for recognition.

Functional Expenses

The Organization provides various services to residents within its geographic location. Expenses related to providing these services are as follows:

	2017	2016
Program services	**$10,811,394**	$ 9,679,116
Administrative and general	**1,536,865**	1,405,836
Total	**$12,348,259**	$11,084,952

Excess of Revenue Over Expenses

The statements of operations reflect the excess of revenue over expenses. Changes in unrestricted net assets which are excluded from the excess of revenue over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which, by donor restriction, were to be used for the purposes of acquiring such assets).

Subsequent Events

For purposes of the preparation of these financial statements, management has considered transactions or events occurring through September 22, 2017, the date that the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

2. Patient Accounts Receivable

Patient accounts receivable consisted of the following as of June 30:

	2017	2016
Medical and dental patient accounts receivable	**$ 1,012,113**	$ 837,339
Contract 340B pharmacy receivable	**811,177**	652,987
Total patient accounts receivable	**1,823,290**	1,490,326
Allowance for doubtful accounts	**(281,000)**	(182,000)
Patient accounts receivable, net	**$ 1,542,290**	$ 1,308,326

3. Assets Limited as to Use and Beneficial Interest in Funds Held By Others

Assets limited as to use and beneficial interest in funds held by others consisted of the following as of June 30:

	2017	2016
Board designated: working capital	$ **513,931**	$ 512,239
United States Department of Agriculture Rural Development: loan agreements	**6,283**	39,356
Donor restricted:		
Temporarily restricted: specific purposes	**132,113**	84,681
Permanently restricted: endowment	**25,440**	22,990
Total	$ **677,767**	$ 659,266

Assets limited as to use and beneficial interest in funds held by others are reported in the accompanying balance sheets as follows:

	2017	2016
Assets limited as to use	$ **658,415**	$ 640,358
Beneficial interest in funds held by others	**19,352**	18,908
Total	$ **677,767**	$ 659,266

Assets limited as to use are comprised of cash and cash equivalents.

4. Property and Equipment

Property and equipment consists of the following:

	2017	2016
Land and improvements	$ **153,257**	$ 153,257
Building and improvements	**3,233,370**	3,209,070
Furniture, fixtures, and equipment	**1,999,035**	1,796,689
Total cost	**5,385,662**	5,159,016
Less accumulated depreciation	**3,020,232**	2,818,707
Property and equipment, net	$ **2,365,430**	$ 2,340,309

In 2010, the Organization made renovations to certain buildings with Federal grant funding under the ARRA – Capital Improvement Program. In 2014 the Organization also made renovations to certain buildings with Federal grant funding under the ACA – Capital Development Program. In accordance with the grant agreements, a Notice of Federal Interest (NFI) is required to be filed in the appropriate official records of the jurisdiction in which the property is located. The NFI is designed to notify any prospective buyer or creditor that the Federal Government has a financial interest in the real property acquired under the aforementioned grant; that the property may not be used for any purpose inconsistent with that authorized by the grant program statute and applicable regulations; that the property may not be mortgaged or otherwise used as collateral without the written permission of the Associate Administrator of the Office of Federal Assistance Management (OFAM), Health Resources and Services Administration (HRSA); and that the property may not be sold or transferred to another party without the written permission of the Associate Administrator of OFAM, HRSA.

5. Line of Credit

The Organization has a $500,000 line of credit with a local bank, which automatically renews on an annually in June. The line of credit is collateralized by the Organization's business assets with interest at the prime rate plus 1.50% (5.50% at June 30, 2017). The Organization is also required to pay 0.25% monthly on the unused portion of the line. There was no outstanding balance at June 30, 2017 and 2016. Androscoggin Valley Hospital is guarantor for the line.

6. Long-Term Debt

Long-term debt consists of the following:

	2017	2016
Note payable, U.S. Department of Agriculture, Rural Development (Rural Development), payable in monthly installments of $1,285,including interest at 3.375%, due May 2042, collateralized by real estate. The note was paid in full in August 2017.	$ **258,958**	$ 265,378
Note payable, Rural Development, payable in monthly installments of $2,741,including interest at 4.5%, due November 2028, collateralized by all business assets. The note was paid in full in July 2016.	**-**	311,430
Note payable, New Hampshire Health and Education Facilities Authority, payable in monthly installments of $3,060, including interest at 1.00%, due August 2018, collateralized by real estate. The note was paid in full in August 2017.	**42,519**	78,615
Total long-term debt	**301,477**	655,423
Less current maturities	**43,248**	61,937
Long-term debt, less current maturities	$ **258,229**	$ 593,486

Maturities of long-term debt for the next five years follows:

2018	$ 43,248
2019	13,081
2020	7,262
2021	7,511
2022	7,769

7. Patient Service Revenue

Patient service revenue follows:

	2017	2016
Medicare	**$ 2,716,753**	$ 2,602,665
Medicaid	**1,490,090**	1,414,161
Third party payers and private pay	**2,926,115**	3,168,459
Medical revenue	**7,132,958**	7,185,285
Dental revenue	**250,638**	-
340B pharmacy revenue	**2,201,231**	2,430,767
Total patient service revenue	**$ 9,584,827**	$ 9,616,052

The Organization has agreements with the Centers for Medicare and Medicaid Services. Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. The Organization believes that it is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare and Medicaid programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known.

A summary of the payment arrangements with major third-party payers follows:

Medicare

The Organization is reimbursed for the care of qualified patients on a prospective basis, with retroactive settlements related to vaccine costs only. The prospective payment is based on a geographically-adjusted rate determined by Federal guidelines. Overall, reimbursement is subject to a maximum allowable rate per visit. The Organization's Medicare cost reports have been audited by the Medicare administrative contractor through June 30, 2015.

Medicaid and Other Payers

The Organization also has entered into payment agreements with Medicaid and certain commercial insurance carriers, health maintenance organizations and preferred provider organizations. The basis for payment to the Organization under these agreements includes prospectively determined rates per visit, discounts from established charges and capitated arrangements for primary care services on a per member, per month basis.

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. The Organization estimates the costs associated with providing charity care by calculating the ratio of total cost to total charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. The estimated cost of providing services to patients under the Organization charity care policy amounted to $205,534 and $166,384 for the years ended June 30, 2017 and 2016, respectively.

The Organization is able to provide these services with a component of funds received through local community support and federal and state grants.

8. Retirement Plan

The Organization has a defined contribution plan under Internal Revenue Code Section 401(k) that cover substantially all employees. The Organization contributed $182,073 and $154,913 for the years ended June 30, 2017 and 2016, respectively.

9. Malpractice Insurance

The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of the year ended June 30, 2017, there were no known malpractice claims outstanding which in the opinion of management, will be settled for amounts in excess of both FTCA and additional medical malpractice insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew the additional medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

10. Concentration of Risk

The Organization has cash deposits in major financial institutions which exceed federal depository insurance limits. The financial institutions have a strong credit rating and management believes the credit risk related to these deposits is minimal.

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payer agreements. Following is a summary of gross medical and dental patient accounts receivable, by funding source at June 30, 2017 and 2016.

	2017	2016
Medicare	**14 %**	13 %
Medicaid	**29 %**	32 %
Blue Cross	**16 %**	13 %
Harvard Pilgrim	**12 %**	13 %
Other	**29 %**	29 %
	100 %	100 %

The Organization also has 97% and 94% of the contract 340B pharmacy receivable due from Walmart Stores, Inc. at June 30, 2017 and 2016, respectively.

11. Lease Commitments

The Organization leases office space and certain other office equipment under noncancelable operating leases. Future minimum lease payments under these leases are:

2018	$ 74,448
2019	39,782
2020	3,608
Total	$ 117,838

Rent expense amounted to $89,436 and $85,182 for the years ended June 30, 2017 and 2016, respectively.

12. Patient Assistance Programs (Unaudited)

The Organization acts as a conduit for pharmaceutical company patient assistance programs. The Organization provides assistance to patients in applying for and distributing prescription drugs under the programs. The value of the prescription drugs distributed by the Organization to patients is not reflected in the accompanying financial statements. The Organization estimates that the value of prescription drugs distributed by the Organization for the years ended June 30, 2017 and 2016 was $2,756,237 and $2,527,456, respectively.

CHIEF EXECUTIVE OFFICER: Coos County Family Health Services, Berlin, New Hampshire (2/15 – present)

- Provided administrative and strategic leadership to a Federally Qualified Health Center serving approximately 12,000 patients.
- Work closely with the organization's Board of Directors to establish policy and to monitor performance in the realms of finance, clinical quality, consumer and staff satisfaction.

ADMINISTRATOR: North Country Health Consortium, Littleton, New Hampshire (8/13 – present)

- Provide administrative leadership of the North Country Accountable Care Organization, a newly formed non-profit entity comprised of four community health centers working in collaboration to improve the health and well-being of North Country residents.

EXECUTIVE DIRECTOR: Area Agency on Aging for Northeastern Vermont, St. Johnsbury, Vermont (9/02 – 7/13)

- Provided administrative leadership to a private, non-profit human service agency serving older adults and family caregivers.
- Financial management of the organization's budget.
- Supervision of clinical and administrative staff.

SOCIAL SERVICES COORDINATOR: Caledonia Home Health Care and Hospice, St. Johnsbury, Vermont (8/97 - 8/02)

- Provided medical social work to individuals and families receiving home care and hospice services.
- Supervised and coordinated the work of four master's level staff members.
- Provided consultation to medical staff regarding psycho-social issues.
- Participated in discharge planning with other social service and health agencies.

CHILD PROTECTIVE SERVICE WORKER: Vermont Department of Social & Rehabilitation Services, St. Johnsbury, Vermont (5/96 - 8/97)

- Coordinated multidisciplinary treatment teams providing services to families.

- Psychosocial assessment & case planning.
- Care Management (Medicaid reimbursable).
- Individual and family counseling.
- Placement and supervision of children in foster care.
- Preparation of court reports.

ADOPTION SOCIAL WORKER: Vermont Department of Social & Rehabilitation Services, St. Johnsbury & Newport, Vermont (4/90 -9/94)

- Recruitment, training and assessment of adoptive applicants.
- Placement and supervision of abused and neglected children with adoptive families.
- Counseling with birth parents considering the voluntary relinquishment of a child.
- Consultation with casework staff regarding adoption issues.
- Preparation of adoption homes studies and probate court reports.

FOSTER CARE COORDINATOR: Vermont Department of Social & Rehabilitation Services, St. Johnsbury, Vermont (12/86 - 4/90)

- Managed a foster care program serving approximately fifty children.
- Fiscal administration, program planning and evaluation.
- Curriculum development and in-service training.

ASSISTANT DIRECTOR: Upward Bound Project, Lyndon State College (9/85 - 12/86)

- Co-directed a college preparatory program for disadvantaged youth.
- Formulated program goals and evaluated outcomes.
- Co-authored a successful federal grant proposal totaling more than $400.00.
- Training, supervision and evaluation of staff.
- Academic and career counseling.

EDUCATION

MASTERS OF SOCIAL WORK (M.S.W.) May 1996. University of Vermont

- 1st year field internship: Reach Up Program, Vermont Department of Social Welfare
- 2nd year clinical internship: Fletcher Allen Health Care, Inpatient Psychiatric Unit

BACHELOR OF SCIENCE (B.S.) Behavioral Science and Special Education. May, 1984. Lyndon State College, Lyndonville, Vermont

1.18 Approval by the Governor and Executive Council *(if applicable)* By:		On:	

2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.
3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.18, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.14 ("Effective Date").
3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.
5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.
5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.
5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.
5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.
6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. This may include the requirement to utilize auxiliary aids and services to ensure that persons with communication disabilities, including vision, hearing and speech, can communicate with, receive information from, and convey information to the Contractor. In addition, the Contractor shall comply with all applicable copyright laws.
6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.
6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.
7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.
7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this

Contractor Initials [signature]
Date 3-27-18

Agreement. This provision shall survive termination of this Agreement.
7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.
8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):
8.1.1 failure to perform the Services satisfactorily or on schedule;
8.1.2 failure to submit any report required hereunder; and/or
8.1.3 failure to perform any other covenant, term or condition of this Agreement.
8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:
8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;
8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;
8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or
8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

9. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.
9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.
9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.
9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. TERMINATION. In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS. The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice and consent of the State. None of the Services shall be subcontracted by the Contractor without the prior written notice and consent of the State.

13. INDEMNIFICATION. The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.
14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:
14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000per occurrence and $2,000,000 aggregate ; and
14.1.2 special cause of loss coverage form covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.
14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

Contractor Initials JL
Date 3-20-18

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than thirty (30) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each certificate(s) of insurance shall contain a clause requiring the insurer to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than thirty (30) days prior written notice of cancellation or modification of the policy.

15. WORKERS' COMPENSATION.
15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation").*
15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

19. CONSTRUCTION OF AGREEMENT AND TERMS. This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances for all reimbursable services rendered. The Department shall be the payor of last resort.

1.4. Preventative and Primary Health Care, as well as related Care Management and Enabling Services shall be provided to individuals of all ages, statewide, who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income (defined as <185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. The Contractor shall remain in compliance with all applicable state and federal laws for the duration of the contract period, including but not limited to:

1.5.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.5.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.5.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care Services for new patients is limited or closed for more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

2.2. The Contractor shall assist individuals with completing a Medicaid/Expanded Medicaid and other health insurance application when income calculations indicate possible Medicaid eligibility.

2.3. The Contractor shall maximize billing to private and commercial insurances for all reimbursable services rendered.

2.4. The Contractor shall post a notice in a public and conspicuous location noting that no individual will be denied services for an inability to pay.

2.5. The Contractor shall develop and implement a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall make the sliding fee scale available to the Department upon request.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a New Hampshire licensed Medical Doctor (MD), Doctor of Osteopathic Medicine (DO), Advanced Practice Registered Nurse (APRN) or Physician Assistant (PA) to eligible individuals in the service area.

3.2. The Contractor shall ensure primary care services include, but are not limited to:

3.2.1. Reproductive health services.

3.2.2. Perinatal health services including but not limited to access to obstetrical services either on-site or by referral.

3.2.3. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.2.4. Integrated behavioral health services.

3.2.5. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.2.6. Assessment of need and follow-up/referral as indicated for:

3.2.6.1. Tobacco cessation, including referral to QuitWorks-NH, www.QuitWorksNH.org.

3.2.6.2. Social services.

3.2.6.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management Education (DSME) as recommended by American Diabetes Association (ADA).

3.2.6.4. Nutrition services, including Women, Infants and Children (WIC) Food and Nutrition Service, as appropriate;

3.2.6.5. Screening, Brief Intervention and Referral to Treatment (SBIRT) services, including but not limited to contact with the Regional Public Health Network Continuum of Care Development Initiative.

3.2.6.6. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.3. The Contractor shall provide care management for individuals enrolled for

primary care services, which includes, but is not limited to:

3.3.1. Integrated and coordinated services that ensure patients receive necessary care, including behavioral health and oral care when and where it is needed and wanted, in a culturally and linguistically appropriate manner.

3.3.2. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.3.3. Care facilitated by registries; information technology; health information exchanged.

3.4. The Contractor shall provide and facilitate enabling services, which are non-clinical services that support the delivery of basic primary care services, and facilitate access to comprehensive patient care as well as social services that include, but are not limited to:

3.4.1. Benefit counseling.

3.4.2. Health insurance eligibility and enrollment assistance.

3.4.3. Health education and supportive counseling.

3.4.4. Interpretation/translation for individuals with Limited English Proficiency or other communication needs.

3.4.5. Outreach, which may include the use of community health workers.

3.4.6. Transportation.

3.4.7. Education of patients and the community regarding the availability and appropriate use of health services.

4. Quality Improvement

4.1. The Contractor shall develop, define, facilitate and implement a minimum of two (2) Quality Improvement (QI) projects, which consist of systematic and continuous actions that lead to measurable improvements in health care services and the health status of targeted patient groups.

4.1.1. One (1) quality improvement project must focus on the performance measure as designated by MCHS. (Defined as Adolescent Well Visits for SFY 2018 – 2019)

4.1.2. The other(s) will be chosen by the vendor based on previous performance outcomes needing improvement.

4.2. The Contractor shall utilize Quality Improvement Science to develop and implement a QI Workplan for each QI project. The QI Workplan will include:

4.2.1. Specific goals and objectives for the project period; and

4.2.2. Evaluation methods used to demonstrate improvement in the quality, efficiency, and effectiveness of patient care.

4.3. The Contractor shall include baseline measurements for each area of

improvement identified in the QI projects, to establish health care services and health status of targeted patient groups to be improved upon.

4.4. The Contractor may utilize activities in QI projects that enhance clinical workflow and improve patient outcomes, which may include, but are not limited to:

4.4.1.1. EMR prompts/alerts.

4.4.1.2. Protocols/Guidelines.

4.4.1.3. Diagnostic support.

4.4.1.4. Patient registries.

4.4.1.5. Collaborative learning sessions.

5. Staffing

5.1. The Contractor shall ensure all health and allied health professions have the appropriate, current New Hampshire licenses whether directly employed, contracted or subcontracted.

5.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

5.3. The Contractor shall notify the Maternal and Child Health Section (MCHS), in writing, of any newly hired administrator, clinical coordinator or any staff person essential to providing contracted services and include a copy of the individual's resume, within thirty (30) days of hire.

5.4. The Contractor shall notify the MCHS, in writing, when:

5.4.1. Any critical position is vacant for more than thirty (30) days;

5.4.2. There is not adequate staffing to perform all required services for any period lasting more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

6. Coordination of Services

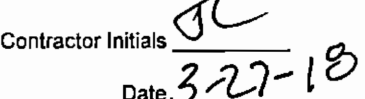
6.1. The Contractor shall participate in activities within their Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

6.1.1. Community needs assessments;

6.1.2. Public health performance assessments; and

6.1.3. Regional health improvement plans under development.

6.2. The Contractor shall participate in and coordinate public health activities, as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.



7. Required Meetings & Trainings

7.1. The Contractor shall attend meetings and trainings facilitated by the MCHS programs that include, but are not limited to:

7.1.1. MCHS Agency Directors' meetings;

7.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year, which may require attendance by agency quality improvement staff; and

7.1.3. MCHS Agency Medical Services Directors' meetings.

8. Workplans, Outcome Reports & Additional Reporting Requirements

8.1. The Contractor shall collect and report data as detailed in Exhibit A-1 "Reporting Metrics" according to the Exhibit A-2 "Report Timing Requirements".

8.2. The Contractor shall submit reports as defined within Exhibit A-2 "Report Timing Requirements".

8.3. The Contractor shall submit an updated budget narrative, within thirty (30) days of the contract execution date and annually, as defined in Exhibit A-2 "Report Timing Requirements". The budget narrative shall include, at a minimum;

8.3.1. Staff roles and responsibilities, defining the impact each role has on contract services;

8.3.2. Staff list, defining;

8.3.2.1. The Full Time Equivalent percentage allocated to contract services, and;

8.3.2.2. The individual cost, in U.S. Dollars, of each identified individual allocated to contract services.

8.4. In addition to the report defined within Exhibit A-2 "Report Timing Requirements", the Contractor shall submit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9. On-Site Reviews

9.1. The Contractor shall permit a team or person authorized by the Department to periodically review the Contractor's:

9.1.1. Systems of governance.

9.1.2. Administration.

9.1.3. Data collection and submission.

9.1.4. Clinical and financial management.

9.1.5. Delivery of education services.

9.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

9.2.1. Client records.

9.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

9.3. The Contractor shall take corrective actions, as advised by the review team, if services provided are not in compliance with the contract requirements.

10. Performance Measures

10.1. The Contractor shall ensure that the following performance indicators are annually achieved and monitored quarterly to measure the effectiveness of the agreement:

10.1.1. Annual improvement objectives shall be defined by the vendor and submitted to the Department. Objectives shall be measurable, specific and align to the provision of primary care services defined within Exhibit A-1 "Reporting Metrics"

Exhibit A-1 – Reporting Metrics

1. **Definitions**

1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

1.1.1. The calendar year, (January 1st through December 31st); or

1.1.2. The state fiscal year (July 1st through June 30th).

1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. **MCHS PRIMARY CARE PERFORMANCE MEASURES**

2.1. **Breastfeeding**

2.1.1. Percent of infants who are ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. **Preventive Health: Lead Screening**

2.2.1. Percent of children three (3) years of age who had two (2) or more capillary or venous lead blood test for lead poisoning by their third birthday. (NH MCHS).

2.2.1.1. Numerator: All patient children who received at least one capillary or venous lead screening test between nine (9) months to eighteen (18) months of age **AND** one (1) capillary or venous lead screening test between nineteen (19) to thirty (30) months of age.

2.2.1.2. Denominator: All patient children who turned three (3) years old during the measurement year that had at least one (1) medical visit during the measurement year.

Contractor Initials: [signature]
Date: 3-27-18

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents, twelve (12) through twenty-one (21) years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients ages twelve (12) and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients twelve (12) years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

Contractor Initials: [signature]
Date: 3-27-18

2.4.2.1. Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative PLUS women who screened positive AND have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

2.5.1. Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented (NQF 0421, UDS).

2.5.1.1. Normal parameters: Age 65 and older BMI ≥ 23 and < 30

2.5.1.2. Age 18 through 64 BMI ≥ 18.5 and < 25

Contractor Initials: [signature]
Date: 3-27-18

2.5.1.3. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.4. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.5. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. Preventive Health: Tobacco Screening

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year or prior year AND who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco use one or more times during their most recent visit OR within twenty-four (24) months of the most

Contractor Initials: [signature]
Date: 3-27-18

recent visit and received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who delivered a live birth in the measurement year.

2.6.2.4. Definitions:

2.6.2.4.1. Tobacco Use: Includes any type of tobacco

2.6.2.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

2.7. At Risk Population: Hypertension

2.7.1. Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90mmHG) during the measurement year (NQF 0018).

2.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm HG at the time of their last measurement.

Contractor Initials: SL
Date: 3-27-18

2.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension (must have been diagnosed with hypertension 6 or more months before the measurement date) who had at least one (1) medical visit during the measurement year. (Excludes pregnant women and patients with End Stage Renal Disease.)

2.8. **Patient Safety: Falls Screening**

2.8.1. Percent of patients aged 65 years and older who were screened for fall risk at least once within 12 months (NH MCHS).

2.8.1.1. Numerator: Patients who were screened for fall risk at least once within the measurement year.

2.8.1.2. Denominator: All patients aged 65 years and older seen by a health care provider within the measurement year.

2.9. **SBIRT**

2.9.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention and/or referral to services.

2.9.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.1.3. Denominator: Number of patients aged 18 years and older seen for annual/preventive visit within the measurement year.

2.9.1.4. Definitions:

2.9.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.9.1.4.2. Brief Intervention: Includes guidance or counseling.

2.9.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.9.2. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are

Contractor Initials: TL
Date: 3-27-18

enrolled in the prenatal program AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

2.9.2.2. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

Exhibit A-2 – Report Timing Requirements

1.1. Primary Care Services Reporting Requirements

1.1.1. The reports are required due on the date(s) listed, or, in years where the date listed falls on a non-business day, reports are due on the Friday immediately prior to the date listed.

1.1.2. The Vendor is required to complete and submit each report, following instructions sent by the Department

1.1.3. An updated budget narrative must be provided to the Department, within thirty (30) days of contract approval. The budget narrative must include, at a minimum;

1.1.3.1. Staff roles and responsibilities, defining the impact each role has on contract services

1.1.3.2. Staff list, defining;

1.1.3.2.1. The Full Time Equivalent percentage allocated to contract services, and;

1.1.3.2.2. The individual cost, in U.S. Dollars, of each identified individual allocated to contract services.

1.2. Annual Reports

1.2.1. The following reports are required annually, on or prior to;

1.2.1.1. March 31st;

1.2.1.1.1. Uniform Data Set (UDS) Data tables reflecting program performance for the previous calendar year;

1.2.1.1.2. Budget narrative, which includes, at a minimum;

1.2.1.1.2.1. Staff roles and responsibilities, defining the impact each role has on contract services

1.2.1.1.2.2. Staff list, defining;

1.2.1.1.2.2.1. The Full Time Equivalent percentage allocated to contract services, and;

1.2.1.1.2.2.2. The individual cost, in U.S. Dollars, of each

identified individual allocated to contract services.

1.2.1.2. July 31st;

1.2.1.2.1. Summary of patient satisfaction survey results obtained during the prior contract year;

1.2.1.2.2. Quality Improvement (QI) Workplans, Performance Outcome Section

1.2.1.2.3. Enabling Services Workplans, Performance Outcome Section

1.2.1.3. September 1st;

1.2.1.3.1. QI workplan revisions, as needed;

1.2.1.3.2. Enabling Service Workplan revisions, as needed;

1.2.1.3.3. Correction Action Plan (Performance Measure Outcome Report), as needed;

1.3. **Semi-Annual Reports**

1.3.1. Primary Care Services Measure Data Trend Table (DTT), due on;

1.3.1.1. July 31, 2018 (measurement period July 1– June 30) and;

1.3.1.2. January 31 (measurement period January 1 – December 31).

1.4. **The following report is required 30 days following the end of each quarter, beginning in State Fiscal Year 2018;**

1.4.1. Perinatal Client Data Form (PCDF);

1.4.1.1. Due on April 30, July 31, October 31 and January 31

Contractor Initials: GL
Date: 3-27-18

Exhibit B

Method and Conditions Precedent to Payment

1. The State shall pay the contractor an amount not to exceed the Form P-37, Block 1.8, Price Limitation for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.

2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon meeting the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov) #93.994, Maternal and Child Health Services Block Grant to the States

3. The Contractor shall not use or apply contract funds for capital additions, improvements, entertainment costs or any other costs not approved by the Department.

4. Payment for services shall be as follows:

   4.1. Payments shall be on a cost reimbursement basis for approved actual costs in accordance with Exhibits B-1 through Exhibit B-3.

   4.2. The Contractor shall submit invoices in a form satisfactory to the State no later than the tenth (10th) working day of each month, which identifies and requests reimbursement for authorized expenses incurred in the prior month. The Contractor agrees to keep detailed records of their activities related to Department-funded programs and services.

      4.2.1. Expenditure detail may be requested by the Department on an intermittent basis, which the Contractor must provide.

      4.2.2. Onsite reviews may be required.

   4.3. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice, subsequent to approval of the submitted invoice and if sufficient funds are available.

   4.4. In lieu of hard copies, all invoices may be assigned an electronic signature and emailed to DPHScontractbilling@dhhs.nh.gov, or invoices may be mailed to:

      Financial Administrator

      Department of Health and Human Services

      Division of Public Health

      29 Hazen Dr.

      Concord, NH 03301

Exhibit B

4.5. The final invoice shall be due to the State no later than forty (40) days after the date specified in Form P-37, Block 1.7 Completion Date.

4.6. Payments may be withheld pending receipt of required reports or documentation as identified in Exhibit A, Scope of Services and in this Exhibit B.

5. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjusting encumbrances between State Fiscal Years within the price limitation may be made without obtaining approval of the Governor and Executive Council, upon written agreement of both parties.

SPECIAL PROVISIONS

Contractors Obligations: The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
   7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
   7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

8. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:
   8.1. Fiscal Records: books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.
   8.2. Statistical Records: Statistical, enrollment, attendance or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.
   8.3. Medical Records: Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

9. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.
   9.1. Audit and Review: During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.
   9.2. Audit Liabilities: In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

10. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

11. **Reports:** Fiscal and Statistical: The Contractor agrees to submit the following reports at the following times if requested by the Department.
    11.1. Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.
    11.2. Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

12. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

13. **Credits:** All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:
    13.1. The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

14. **Prior Approval and Copyright Ownership:** All materials (written, video, audio) produced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution or use. The DHHS will retain copyright ownership for any and all original materials produced, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports. Contractor shall not reproduce any materials produced under the contract without prior written approval from DHHS.

15. **Operation of Facilities: Compliance with Laws and Regulations:** In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

16. **Equal Employment Opportunity Plan (EEOP):** The Contractor will provide an Equal Employment Opportunity Plan (EEOP) to the Office for Civil Rights, Office of Justice Programs (OCR), if it has received a single award of $500,000 or more. If the recipient receives $25,000 or more and has 50 or

more employees, it will maintain a current EEOP on file and submit an EEOP Certification Form to the OCR, certifying that its EEOP is on file. For recipients receiving less than $25,000, or public grantees with fewer than 50 employees, regardless of the amount of the award, the recipient will provide an EEOP Certification Form to the OCR certifying it is not required to submit or maintain an EEOP. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption. EEOP Certification Forms are available at: http://www.ojp.usdoj/about/ocr/pdfs/cert.pdf.

17. **Limited English Proficiency (LEP):** As clarified by Executive Order 13166, Improving Access to Services for persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with the Omnibus Crime Control and Safe Streets Act of 1968 and Title VI of the Civil Rights Act of 1964, Contractors must take reasonable steps to ensure that LEP persons have meaningful access to its programs.

18. **Pilot Program for Enhancement of Contractor Employee Whistleblower Protections:** The following shall apply to all contracts that exceed the Simplified Acquisition Threshold as defined in 48 CFR 2.101 (currently, $150,000)

    CONTRACTOR EMPLOYEE WHISTLEBLOWER RIGHTS AND REQUIREMENT TO INFORM EMPLOYEES OF WHISTLEBLOWER RIGHTS (SEP 2013)

    (a) This contract and employees working on this contract will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239) and FAR 3.908.

    (b) The Contractor shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation.

    (c) The Contractor shall insert the substance of this clause, including this paragraph (c), in all subcontracts over the simplified acquisition threshold.

19. **Subcontractors:** DHHS recognizes that the Contractor may choose to use subcontractors with greater expertise to perform certain health care services or functions for efficiency or convenience, but the Contractor shall retain the responsibility and accountability for the function(s). Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.
    When the Contractor delegates a function to a subcontractor, the Contractor shall do the following:
    - 19.1. Evaluate the prospective subcontractor's ability to perform the activities, before delegating the function
    - 19.2. Have a written agreement with the subcontractor that specifies activities and reporting responsibilities and how sanctions/revocation will be managed if the subcontractor's performance is not adequate
    - 19.3. Monitor the subcontractor's performance on an ongoing basis

19.4. Provide to DHHS an annual schedule identifying all subcontractors, delegated functions and responsibilities, and when the subcontractor's performance will be reviewed

19.5. DHHS shall, at its discretion, review and approve all subcontracts.

If the Contractor identifies deficiencies or areas for improvement are identified, the Contractor shall take corrective action.

DEFINITIONS

As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean that section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Wherever federal or state laws, regulations, rules, orders, and policies, etc. are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc. as they may be amended or revised from the time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

REVISIONS TO GENERAL PROVISIONS

1. Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:

   4. CONDITIONAL NATURE OF AGREEMENT.
   Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

2. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

   10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

   10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

   10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

   10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

   10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

3. The Division reserves the right to renew the Contract for up to two (2) additional years, subject to the continued availability of funds, satisfactory performance of services and approval by the Governor and Executive Council.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   1.2. Establishing an ongoing drug-free awareness program to inform employees about
      1.2.1. The dangers of drug abuse in the workplace;
      1.2.2. The grantee's policy of maintaining a drug-free workplace;
      1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
      1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
      1.4.1. Abide by the terms of the statement; and
      1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted
   1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
   1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, state, zip code) (list each location)

CERTIFICATION REGARDING LOBBYING

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABLITY ACT
BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Contractor Initials OL

Date 3-27-18

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) l, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.
In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.
The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:
The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

Contractor Name:

3-27-18
Date

Name:
Title: CEO

FORM A

As the Contractor identified in Section 1.3 of the General Provisions, I certify that the responses to the below listed questions are true and accurate.

1. The DUNS number for your entity is: 780054164

2. In your business or organization's preceding completed fiscal year, did your business or organization receive (1) 80 percent or more of your annual gross revenue in U.S. federal contracts, subcontracts, loans, grants, sub-grants, and/or cooperative agreements; and (2) $25,000,000 or more in annual gross revenues from U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements?

   X NO ________ YES

   If the answer to #2 above is NO, stop here

   If the answer to #2 above is YES, please answer the following:

3. Does the public have access to information about the compensation of the executives in your business or organization through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C.78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986?

   ________ NO ________ YES

   If the answer to #3 above is YES, stop here

   If the answer to #3 above is NO, please answer the following:

4. The names and compensation of the five most highly compensated officers in your business or organization are as follows:

   Name: ____________________ Amount: ____________

   Name: ____________________ Amount: ____________

   Name: ____________________ Amount: ____________

   Name: ____________________ Amount: ____________

   Name: ____________________ Amount: ____________

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or

consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not

use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.
3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is <u>encrypted</u> and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.

7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.
9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2

5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a whole, must have aggressive intrusion-detection and firewall protection.
6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.

2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the

scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer, and additional email addresses provided in this section, of any security breach within two (2) hours of the time that the Contractor learns of its occurrence. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

b. safeguard this information at all times.

c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer, Information Security Office and Program Manager of any Security Incidents and Breaches within two (2) hours of the time that the Contractor learns of their occurrence.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and
5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

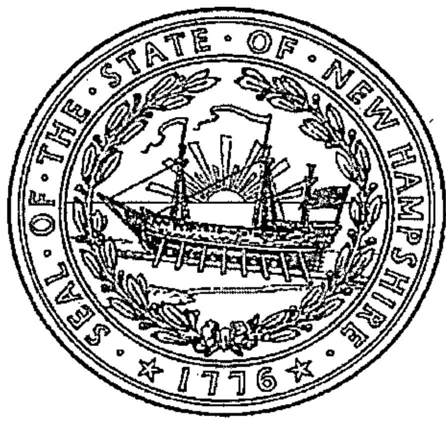
State of New Hampshire

Department of State

CERTIFICATE

I, William M. Gardner, Secretary of State of the State of New Hampshire, do hereby certify that GREATER SEACOAST COMMUNITY HEALTH is a New Hampshire Nonprofit Corporation registered to transact business in New Hampshire on August 18, 1971. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: **65587**



IN TESTIMONY WHEREOF,
I hereto set my hand and cause to be affixed
the Seal of the State of New Hampshire,
this 1st day of March A.D. 2018.

William M. Gardner
Secretary of State

CERTIFICATE OF VOTE

I, Valerie Goodwin, of Greater Seacoast Community Health, do hereby certify that:

1. I am the duly elected Board Chair of Greater Seacoast Community Health;

2. The following are true copies of two resolutions duly adopted at a meeting of the Board of Directors of Greater Seacoast Community Health, duly held on January 22, 2018;

   Resolved: That this corporation enter into a contract with the State of New Hampshire, acting through its Department of Health and Human Services for the provision of Public Health Services.

   Resolved: That the Chief Executive Officer, Janet Laatsch, is hereby authorized on behalf of this Corporation to enter into the said contract with the State and to execute any and all documents, agreements and other instruments, and any amendments, revisions, or modifications thereto, as he/she may deem necessary, desirable or appropriate.

3. The foregoing resolutions have not been amended or revoked and remain in full force and effect as of January 22, 2018.

IN WITNESS WHEREOF, I have hereunto set my hand as the Board Chair of Greater Seacoast Community Health this 28 day of March, 2018.

Valerie Goodwin, Board Chair

STATE OF NH

COUNTY OF STRAFFORD

The foregoing instrument was acknowledged before me this 28th day of March, 2018 by Valerie Goodwin.

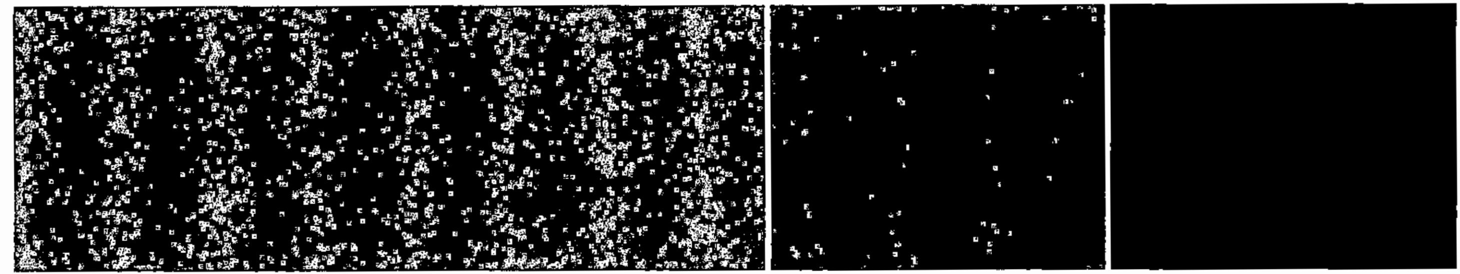
Families First Health and Support Center and Goodwin Community Health
Mission Statements
RFP-2018-DPHS-15-PRIMA

We are in the process of developing a unified mission statement. Families First Health and Support Center and Goodwin Community Health have a patient-first focus and shared missions of removing whatever barriers stand in the way of a person's ability to access quality health care. Currently, Families First's mission is *"to contribute to the health and well-being of the Seacoast community by providing a broad range of health and family services to all, regardless of ability to pay."* The mission of Goodwin Community Health is *"to provide exceptional health care that is accessible to all people in the community."*



FINANCIAL STATEMENTS

June 30, 2017

With Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Goodwin Community Health

We have audited the accompanying financial statements of Goodwin Community Health (the Organization), which comprise the balance sheet as of June 30, 2017, and the related statements of operations and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Goodwin Community Health as of June 30, 2017, and the results of its operations, changes in its net assets and its cash flows for the year then ended, in accordance with U.S. generally accepted accounting principles.

1. Summary of Significant Accounting Policies

Organization

Goodwin Community Health (the Organization) is a non-stock, not-for-profit corporation organized in New Hampshire. The Organization is a Federally Qualified Health Center (FQHC) which provides prenatal care, social support, and public health services to low-income persons.

Income Taxes

The Organization is a public charity under Section 501(c)(3) of the Internal Revenue Code. As a public charity, the Organization is exempt from state and federal income taxes on income earned in accordance with its tax-exempt purpose. Unrelated business income is subject to state and federal income tax. Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the financial statements.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits and petty cash funds.

Allowance for Uncollectible Accounts

Patient accounts receivable are stated at the amount management expects to collect from outstanding balances. Patient accounts receivable are reduced by an allowance for uncollectible accounts. In evaluating the collectability of patient accounts receivable, the Organization analyzes its past history and identifies trends for each funding source. Management regularly reviews data about revenue in evaluating the sufficiency of the allowance for uncollectible accounts. Amounts not collected after all reasonable collection efforts have been exhausted are applied against the allowance for uncollectible accounts.

A reconciliation of the allowance for uncollectible accounts at June 30, 2017 follows:

Balance, beginning of year	$ 128,995
Provision	365,013
Write-offs	(290,776)
Balance, end of year	$ 203,232

The increase in the allowance is primarily due to an increase in the amount due from patients with commercial insurance as a result of increased deductibles and co-pays.

Grants Receivable

Grants receivable are stated at the amount management expects to collect from outstanding balances. All such amounts are considered collectible.

Inventory

Inventory consisting of pharmaceutical drugs is valued first-in, first-out method and is measured at the lower of cost or market.

Investments

The Organization reports investments at fair value and has elected to report all gains and losses in the excess of revenues over expenses to simplify the presentation of these amounts in the statement of operations. Investments include board-designated assets for future operations and other purposes as identified by the Board of Directors. Accordingly, investments have been classified as non-current assets on the accompanying balance sheet regardless of maturity or liquidity. The Organization has established policies governing long-term investments.

Investment income and the change in fair value are included in the excess of revenue over expenses, unless otherwise stipulated by the donor or State Law.

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. As such, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the balance sheet.

Investment in Limited Liability Company

The Organization is one of eight members who have each made a capital contribution of $500 to Primary Health Care Partners, LLC (PHCP) during 2015. The Organization's investment in PHCP is reported using the equity method and the investment amounted to $20,298 at June 30, 2017.

Property and Equipment

Property and equipment acquisitions are recorded at cost. Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method.

Gifts of long-lived assets, such as land, buildings, or equipment, are reported as unrestricted net assets and excluded from the excess of revenues over expenses, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as temporarily restricted net assets. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Patient Deposits

Patient deposits consist of payments made by patients in advance of significant dental work based on quotes for the work to be performed.

Patient Service Revenue

Patient service revenue is reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

Charity Care

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, they are not reported as net patient service revenue.

340B Drug Pricing Program

The Organization, as an FQHC, is eligible to participate in the 340B Drug Pricing Program. The program requires drug manufacturers to provide outpatient drugs to FQHC's and other identified entities at a reduced price. The Organization operates a pharmacy and also contracts with local pharmacies under this program. The local pharmacies dispense drugs to eligible patients of the Organization and bill Medicare and commercial insurances on behalf of the Organization. Reimbursement received by the contracted pharmacies is remitted to the Organization, less dispensing and administrative fees. Gross revenue generated from the program is included in patient service revenue. Contracted expenses and drug costs incurred related to the program are included in other operating expenses. Expenses related to the operation of the Organization's pharmacy are categorized in the applicable operating expense classifications.

Donor-Restricted Gifts

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of operations as "net assets released from restrictions." Donor-restricted contributions whose restrictions are met in the same year as received are reflected as unrestricted contributions in the accompanying financial statements.

Functional Expenses

The Organization provides various services to residents within its geographic location. Expenses related to providing these services are as follows:

Program services	$ 8,756,283
Administrative and general	1,536,687
Fundraising	333,288
Total	$10,626,258

Excess of Revenue Over Expenses

The statement of operations reflects the excess of revenue over expenses. Changes in unrestricted net assets which are excluded from the excess of revenue over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which, by donor restriction, were to be used for the purposes of acquiring such assets).

Subsequent Events

For purposes of the preparation of these financial statements, management has considered transactions or events occurring through November 21, 2017, the date that the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

In accordance with a Board-approved merger agreement dated August 1, 2017 and a plan of merger dated November 8, 2017, the operations of Families First of the Greater Seacoast are anticipated to merge into the Organization on January 1, 2018. The Organization will be the surviving entity with the new legal business name of Greater Seacoast Community Health. The Organization is awaiting approval of the proposed merger by the State of New Hampshire and Health Resources Services Administration.

2. Investments and Fair Value Measurement

Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) Topic 820, *Fair Value Measurement*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants and also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The fair value hierarchy within FASB ASC Topic 820 distinguishes three levels of inputs that may be utilized when measuring fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The following table sets forth by level, within the fair value hierarchy, the Organization's investments at fair value measured on a recurring basis:

	Investments at Fair Value as of June 30, 2017			
	Level 1	Level 2	Level 3	Total
Cash and cash equivalents	$ 270,317	$ -	$ -	$ 270,317
Municipal bonds	-	242,319	-	242,319
Exchange traded funds	228,280	-	-	228,280
Mutual funds	395,376	-	-	395,376
Total investments	$ 893,973	$ 242,319	$ -	$ 1,136,292

Municipal bonds are valued based on quoted market prices of similar assets.

3. Property and Equipment

Property and equipment consisted of the following at June 30, 2017:

Land	$ 718,427
Building and improvements	5,888,318
Furniture, fixtures, and equipment	1,552,983
Total cost	8,159,728
Less accumulated depreciation	2,155,141
Property and equipment, net	$ 6,004,587

The Organization's facility was built and renovated with federal grant funding under the ARRA - Capital Improvement Program and ACA - Capital Development Program. In accordance with the grant agreements, a Notice of Federal Interest (NFI) was required to be filed in the appropriate official records of the jurisdiction in which the property is located. The NFI is designed to notify any prospective buyer or creditor that the Federal Government has a financial interest in the real property acquired under the aforementioned grant; that the property may not be used for any purpose inconsistent with that authorized by the grant program statute and applicable regulations; that the property may not be mortgaged or otherwise used as collateral without the written permission of the Associate Administrator of the Office of Federal Assistance Management (OFAM) and the Health Resources and Services Administration (HRSA); and that the property may not be sold or transferred to another party without the written permission of the Associate Administrator of OFAM and HRSA.

4. Patient Service Revenue

Patient service revenue is as follows:

	Year ended June 30, 2017			
	Medical	Dental	Pharmacy	Total
Medicare	$ 726,055	$ -	$ 56,771	$ 782,826
Medicaid	2,146,149	387,028	137,237	2,670,414
Third-party payers and self pay	1,965,113	792,890	385,810	3,143,813
Total	4,837,317	1,179,918	579,818	6,597,053
Contracted pharmacy revenue	-	-	1,200,291	1,200,291
Total patient service revenue	$ 4,837,317	$ 1,179,918	$ 1,780,109	$ 7,797,344

Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. The Organization believes that it is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare and Medicaid programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known.

A summary of the payment arrangements with major third-party payers follows:

Medicare

The Organization is reimbursed for the medical care of qualified patients on a prospective basis, with retroactive settlements related to vaccine costs only. The prospective payment is based on a geographically-adjusted rate determined by Federal guidelines. Overall, reimbursement is subject to a maximum allowable rate per visit. The Organization's Medicare cost reports have been audited by the Medicare administrative contractor through June 30, 2016.

Medicaid and Other Payers

The Organization also has entered into payment agreements with Medicaid and certain commercial insurance carriers, health maintenance organizations and preferred provider organizations. The basis for payment to the Organization under these agreements includes prospectively-determined rates per visit, discounts from established charges and capitated arrangements for primary care services on a per-member, per-month basis.

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. The Organization estimates the costs associated with providing charity care by calculating the ratio of total cost to total charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. The estimated cost of providing services to patients under the Organization charity care policy amounted to approximately $479,000 for the year ended June 30, 2017.

The Organization is able to provide these services with a component of funds received through local community support and federal and state grants.

5. Retirement Plan

The Organization has a defined contribution plan under Internal Revenue Code Section 401(k) that covers substantially all employees. During 2017, contributions amounted to $107,862.

6. Food Vouchers

The Organization acts as a conduit for the State of New Hampshire's Special Supplemental Food Program for Women, Infants and Children (WIC). The value of food vouchers distributed by the Organization was $1,240,323 for the year ended June 30, 2017. These amounts are not included in the accompanying financial statements as they are not part of the contract the Organization has with the State of New Hampshire for the WIC program.

7. Concentration of Risk

The Organization has cash deposits in major financial institutions which exceed federal depository insurance limits. The financial institutions have a strong credit rating and management believes the credit risk related to these deposits is minimal.

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payer agreements. At June 30, 2017, New Hampshire Medicaid represented 20%, and Medicare represented 18%, of gross accounts receivable. No other individual payer source exceeded 10% of the gross accounts receivable balance.

The Organization receives a significant amount of grants from the U.S. Department of Health and Human Services (DHHS). As with all government funding, these grants are subject to reduction or termination in future years. For the year ended June 30, 2017, grants from DHHS (including both direct awards and awards passed through other organizations) represented approximately 78% of grants, contracts, and contributions.

8. Malpractice Insurance

The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of June 30, 2017, there were no known malpractice claims outstanding which, in the opinion of management, will be settled for amounts in excess of both FTCA and insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew the additional medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

FINANCIAL STATEMENTS

June 30, 2017 and 2016

With Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Families First of the Greater Seacoast

We have audited the accompanying financial statements of Families First of the Greater Seacoast, which comprise the balance sheets as of June 30, 2017 and 2016, and the related statements of operations, changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Families First of the Greater Seacoast as of June 30, 2017 and 2016, and the results of its operations, changes in its net assets and its cash flows for the years then ended, in accordance with U.S. generally accepted accounting principles.

Emphasis-of-Matter

As discussed in Note 1 to the financial statements under the heading *subsequent events*, Families First of the Greater Seacoast is anticipated to merge into Goodwin Community Health effective January 1, 2018.

1. Summary of Significant Accounting Policies

Organization

Families First of the Greater Seacoast (Organization) is a non-stock, not-for-profit corporation organized in New Hampshire. The Organization is a Federally Qualified Health Center (FQHC) which provides comprehensive medical and family support services, including primary care, dental, well child care, substance abuse counseling, parenting education, and home visitation programs to residents of the Seacoast region (New Hampshire and Maine).

Income Taxes

The Organization is a public charity under Section 501(c)(3) of the Internal Revenue Code. As a public charity, the Organization is exempt from state and federal income taxes on income earned in accordance with its tax-exempt purpose. Unrelated business income is subject to state and federal income tax. Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the financial statements.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits and petty cash funds and exclude amounts whose use is limited by Board designation or donor-imposed restrictions.

Allowance for Uncollectible Accounts

Patient accounts receivable are stated at the amount management expects to collect from outstanding balances. Patient accounts receivable are reduced by an allowance for uncollectible accounts. In evaluating the collectibility of patient accounts receivable, the Organization analyzes its past history and identifies trends for each funding source. Management regularly reviews data about revenue in evaluating the sufficiency of the allowance for uncollectible accounts. Amounts not collected after all reasonable collection efforts have been exhausted are applied against the allowance for uncollectible accounts. The Organization has not changed its methodology for estimating the allowance for uncollectible accounts.

A reconciliation of the allowance for uncollectible accounts at June 30 is as follows:

	2017	2016
Balance, beginning of year	$ 62,155	$ 54,489
Provision	59,565	63,508
Write-offs	(48,862)	(55,842)
Balance, end of year	$ 72,858	$ 62,155

Grants Receivable

Grants receivable are stated at the amount management expects to collect from outstanding balances. All such amounts are considered collectible.

Investments

The Organization reports investments at fair value. Investments include donor endowment funds and board-designated assets. Accordingly, investments have been classified as non-current assets on the accompanying balance sheet regardless of maturity or liquidity. The Organization has established policies governing long-term investments, which are held within several investment accounts, based on the purposes for those investment accounts and their earnings.

Investment income and the change in fair value are included in the (deficit) excess of revenue over expenses, unless otherwise stipulated by the donor or State Law.

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. As such, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the balance sheets.

Investment in Limited Liability Company

The Organization is one of eight members who have each made a capital contribution of $500 to Primary Health Care Partners, LLC (PHCP) during 2015. The Organization's investment in PHCP is reported using the equity method and the investment amounted to $20,298 and $16,204 at June 30, 2017 and 2016, respectively.

Assets Limited As To Use

Assets limited as to use include assets designated by the Board of Directors for future use and donor-restricted contributions to be held in perpetuity.

Property and Equipment

Property and equipment acquisitions are recorded at cost. Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method.

Gifts of long-lived assets, such as land, buildings, or equipment, are reported as unrestricted net assets and excluded from the (deficit) excess of revenue over expenses unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as temporarily restricted net assets. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Patient Deposits

Patient deposits consist of payments made by patients in advance of significant dental work based on quotes for the work to be performed.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets include contributions and grants for which donor-imposed restrictions have not been met. Assets are released from restrictions as expenditures are made in line with restrictions called for under the terms of the donor.

Permanently restricted net assets have been restricted by donors to be maintained by the Organization in perpetuity, the income of which is primarily available for operations.

Patient Service Revenue

Patient service revenue is reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

Charity Care

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, they are not reported as net patient service revenue.

Donated Goods and Services

Various program help and support for the daily operations of the Organization's programs were provided by the general public of the communities served by the Organization. Donated supplies and services are recorded at their estimated fair values on the date of receipt. Donated supplies and services amounted to $329,396 and $294,007 for the years ended June 30, 2017 and 2016, respectively.

Donor-Restricted Gifts

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of operations as "net assets released from restrictions."

Promises to Give

Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Given the short term nature of the pledges, they are not discounted and no reserve for uncollectible pledges has been established. Conditional promises to give are not included as support until the conditions are substantially met.

Functional Expenses

The Organization provides various services to residents within its geographic location. Expenses related to providing these services are as follows:

	2017	2016
Program services	**$ 5,793,757**	$ 5,202,419
Administrative and general	**603,067**	621,430
Fundraising	**152,842**	156,959
Total	**$ 6,549,666**	$ 5,980,808

(Deficit) Excess of Revenue Over Expenses

The statements of operations reflect the (deficit) excess of revenue over expenses. Changes in unrestricted net assets which are excluded from the (deficit) excess of revenue over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which, by donor restriction, were to be used for the purposes of acquiring such assets).

Subsequent Events

For purposes of the preparation of these financial statements, management has considered transactions or events occurring through December 13, 2017, the date that the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

In accordance with a Board-approved merger agreement dated August 1, 2017 and a plan of merger dated November 8, 2017, the operations of the Organization will merge into Goodwin Community Health on January 1, 2018. Goodwin Community Health will be the surviving entity with the new legal business name of Greater Seacoast Community Health. The Organization is awaiting written approval of the proposed merger from the Health Resources Services Administration.

2. Investments and Assets Limited as to Use

Investments, stated at fair value, consisted of the following:

	2017	2016
Long-term investments	$ 213,182	$ 156,031
Assets limited as to use	1,529,899	1,450,076
Total investments	$ 1,743,081	$ 1,606,107

Assets limited as to use are restricted for the following purposes::

	2017	2016
Designated by the governing board		
For future use	$ 44,471	$ 73,142
Donor-restricted endowment		
Temporarily restricted earnings	257,478	176,247
Permanently restricted principal	1,227,950	1,200,687
Total	$ 1,529,899	$ 1,450,076

Fair Value of Financial Instruments

Financial Accounting Standards Board Accounting Standards Codification (FASB ASC) Topic 820, *Fair Value Measurement*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants and also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The fair value hierarchy within FASB ASC Topic 820 distinguishes three levels of inputs that may be utilized when measuring fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The following table sets forth by level, within the fair value hierarchy, the Organization's investments at fair value:

	Investments at Fair Value as of June 30, 2017			
	Level 1	**Level 2**	**Level 3**	**Total**
Money market funds	**$ 6,461**	**-**	**-**	**6,461**
Mutual funds	**1,736,620**	**-**	**-**	**1,736,620**
Total investments	**$ 1,743,081**	**$ -**	**$ -**	**$ 1,743,081**

	Investments at Fair Value as of June 30, 2016			
	Level 1	Level 2	Level 3	Total
Money market funds	6,504	-	-	6,504
Mutual funds	1,599,603	-	-	1,599,603
Total investments	$ 1,606,107	$ -	$ -	$ 1,606,107

Investment income and gains (losses) for cash equivalents and investments consist of the following:

	2017	2016
Unrestricted net assets		
Investment income	$ 5,916	$ 3,057
Change in fair value of investments	14,337	(5,851)
Restricted net assets		
Investment income	33,195	25,187
Change in fair value of investments	118,828	(46,053)
Total	$ 172,276	$ (23,660)

3. Pledges Receivable

Pledges receivable consisted of the following:

	2017	2016
Scheduled amounts due in:		
Less than one year	$ 245,354	$ 197,507

Pledges receivable have not been discounted as the amount is not material to the financial statements as a whole. The Organization believes all pledges are fully collectible.

4. Property and Equipment

Property and equipment consisted of the following:

	2017	2016
Leasehold improvements	$ 224,204	$ 179,031
Furniture, fixtures, and equipment	1,098,656	1,037,550
Total cost	1,322,860	1,216,581
Less accumulated depreciation	(747,901)	(643,115)
Property and equipment, net	$ 574,959	$ 573,466

5. Line of Credit

The Organization has a $250,000 line of credit with a local bank through May 2018. The line of credit is collateralized by accounts receivable. The interest rate at June 30, 2017 was 4.25%. There was no outstanding balance at June 30, 2017 and 2016.

6. Temporarily and Permanently Restricted Net Assets

Temporarily and permanently restricted net assets consisted of the following:

	2017	2016
Temporarily restricted		
Unrestricted pledges receivable	$ **245,354**	$ 197,507
Program services	**137,586**	95,565
Endowment earnings	**257,478**	176,247
Total temporarily restricted	$ **640,418**	$ 469,319
Permanently restricted		
Endowment	$ **1,227,950**	$ 1,200,687

7. Endowments

Interpretation of Relevant Law

The Organization's endowments primarily consist of an investment portfolio managed by the Investment Sub-Committee. As required by U.S. GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as a donor-restricted endowment (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent donor-restricted endowment gifts and (c) accumulations to the donor-restricted endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund, if any, is classified as temporarily restricted net assets until those amounts are appropriated for expenditure in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

(1) The duration and preservation of the fund;
(2) The purposes of the Organization and the donor-restricted endowment fund;
(3) General economic conditions;
(4) The possible effect of inflation and deflation;
(5) The expected total return from income and the appreciation of investments;
(6) Other resources of the Organization; and
(7) The investment policies of the Organization.

Spending Policy

The Organization has a policy of appropriating for expenditure an amount equal to 5% of the endowment fund's average fair market value over the prior 20 quarters. The earnings on the endowment fund are to be used for operations.

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Organization to retain as a fund of perpetual duration. There were no such deficiencies as of June 30, 2017 and 2016.

Return Objectives and Risk Parameters

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed or meet designated benchmarks while incurring a reasonable and prudent level of investment risk.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a balanced emphasis on equity-based and income-based investments to achieve its long-term return objectives within prudent risk constraints.

Endowment Net Asset Composition by Type of Fund

The endowment net asset composition by type of fund is as follows:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
2017				
Donor-restricted endowment funds	$ -	$ 257,478	$ 1,227,950	$ 1,485,428
2016				
Donor-restricted endowment funds	$ -	$ 176,247	$ 1,200,687	$ 1,376,934

The Organization had the following endowment-related activities:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Endowment net assets, June 30, 2015	$ -	$ 267,234	$ 1,200,687	$ 1,467,921
Investment return				
Investment income	-	25,187	-	25,187
Change in fair value of investments	-	(46,053)	-	(46,053)
Appropriation of endowment assets for expenditures	-	(70,121)	-	(70,121)
Endowment net assets, June 30, 2016	-	176,247	1,200,687	1,376,934
Investment return				
Investment income	-	**33,195**	-	**33,195**
Change in fair value of investments	-	**118,828**	-	**118,828**
Reclassification	-	-	**27,263**	**27,263**
Appropriation of endowment assets for expenditures	-	**(70,792)**	-	**(70,792)**
Endowment net assets, June 30, 2017	$ -	**$ 257,478**	**$ 1,227,950**	**$ 1,485,428**

8. Patient Service Revenue

Patient service revenue follows:

	2017	2016
Medicare	**$ 263,092**	$ 267,336
Medicaid	**1,489,762**	1,595,264
Third-party payers and private pay	**816,211**	764,525
Total patient service revenue	**$ 2,569,065**	$ 2,627,125

Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. The Organization believes that it is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare and Medicaid programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known.

A summary of the payment arrangements with major third-party payers follows:

Medicare

The Organization is reimbursed for the medical care of qualified patients on a prospective basis, with retroactive settlements related to vaccine costs only. The prospective payment is based on a geographically-adjusted rate determined by Federal guidelines. Overall, reimbursement is subject to a maximum allowable rate per visit. The Organization's Medicare cost reports have been audited by the Medicare administrative contractor through June 30, 2016.

Medicaid and Other Payers

The Organization also has entered into payment agreements with Medicaid and certain commercial insurance carriers, health maintenance organizations and preferred provider organizations. The basis for payment to the Organization under these agreements includes prospectively-determined rates per visit, discounts from established charges and capitated arrangements for primary care services on a per-member, per-month basis.

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. The Organization estimates the costs associated with providing charity care by calculating the ratio of total cost to total charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. The estimated cost of providing services to patients under the Organization charity care policy amounted to approximately $1,355,000 and $1,222,000 for the years ended June 30, 2017 and 2016, respectively.

The Organization is able to provide these services with a component of funds received through local community support and federal and state grants.

9. Retirement Plan

The Organization has a defined contribution plan under Internal Revenue Code Section 401(k) that covers substantially all employees. Employer discretionary contributions are funded at a percentage of eligible employees' salaries. The Organization contributed $94,241 for the year ended June 30, 2016. The Organization did not incur expenses under the plan for the year ended June 30, 2017.

10. Concentration of Risk

The Organization receives a significant amount of grants from the U.S. Department of Health and Human Services (DHHS). As with all government funding, these grants are subject to reduction or termination in future years. For the years ended June 30, 2017 and 2016, grants from DHHS (including both direct awards and awards passed through other organizations) represented approximately 85% of grants and contracts.

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payer agreements. The mix of medical patient service revenue receivables from patients and third-party payers was as follows as of June 30:

	2017	2016
Medicare	**14 %**	15 %
Medicaid	**38 %**	45 %
Other	**48 %**	40 %
	100 %	100 %

11. Commitments and Contingencies

Medical Malpractice Insurance

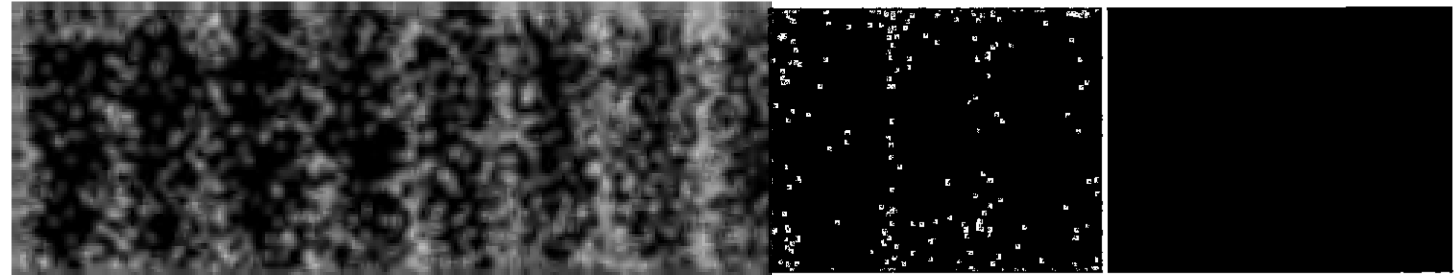
The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of the year ended June 30, 2017, there were no known malpractice claims outstanding which, in the opinion of management, will be settled for amounts in excess of both FTCA and additional medical malpractice insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew the additional medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

Leases

The Organization leases office space and certain other office equipment under noncancelable operating leases. Future minimum lease payments under these leases are as follows:

2018	$ 172,023
2019	88,212
Total	$ 260,235

Rental expense amounted to $151,271 and $142,017 for the years ended June 30, 2017 and 2016, respectively. Rent expense includes a charge per square foot for utilities and housekeeping services.



CONSOLIDATED FINANCIAL STATEMENTS

and

ADDITIONAL INFORMATION

June 30, 2016 and 2015

With Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Goodwin Community Health and Subsidiary

We have audited the accompanying consolidated financial statements of Goodwin Community Health and Subsidiary (the Organization), which comprise the consolidated balance sheets as of June 30, 2016 and 2015, and the related consolidated statements of operations and changes in net assets and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Goodwin Community Health and Subsidiary as of June 30, 2016 and 2015, and the results of their operations, changes in their net assets and their cash flows for the years then ended, in accordance with U.S. generally accepted accounting principles.

The accompanying notes are an integral part of these consolidated financial statements.

Organization

Goodwin Community Health (GCH) is a non-stock, not-for-profit corporation organized in New Hampshire. GCH is a Federally Qualified Health Center (FQHC) which provides prenatal care, social support, and public health services to low-income persons.

Subsidiary

Great Bay Mental Health Associates, Inc. (GBMHA), a wholly-owned, for-profit subsidiary, is engaged in providing mental health services in the Strafford County, New Hampshire community through its employees and independent contractors who are qualified and licensed to practice in the State of New Hampshire.

1. Summary of Significant Accounting Policies

Principles of Consolidation

The consolidated financial statements include the accounts of GCH and its subsidiary, GBMHA (collectively, the Organization). All significant intercompany balances and transactions have been eliminated in consolidation.

Discontinued Operations

On December 31, 2015, the Organization sold GBMHA's name and phone numbers, furniture and equipment, and medical and business supplies to Wentworth-Douglass Physician Corporation, a New Hampshire not-for-profit corporation, for $164,738. The Organization maintained GBMHA's cash and cash equivalents, insurance claims, federal tax identification number, tax refunds, accounts receivable, goodwill, and the business books and records.

The Organization's consolidated financial statements reflect GBMHA's assets, revenues, gain, losses and expenses and cash flows as discontinued operations as of and for the years ended June 30, 2016 and 2015.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

GCH is a public charity under Section 501(c)(3) of the Internal Revenue Code. As a public charity, GCH is exempt from state and federal income taxes on income earned in accordance with its tax-exempt purpose. Unrelated business income is subject to state and federal income tax. GBMHA is a non-exempt organization and files applicable Form 1120 (corporate return). No provision for income taxes was necessary for the years ended June 30, 2016 and 2015.

Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the consolidated financial statements. The Organization is subject to U.S. federal and state examinations by tax authorities for the years ended June 30, 2012 through June 30, 2016.

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits and petty cash funds.

Allowance for Uncollectible Accounts

Patient accounts receivable are stated at the amount management expects to collect from outstanding balances. Patient accounts receivable are reduced by an allowance for uncollectible accounts. In evaluating the collectability of patient accounts receivable, the Organization analyzes its past history and identifies trends for each funding source. Management regularly reviews data about revenue in evaluating the sufficiency of the allowance for uncollectible accounts. Amounts not collected after all reasonable collection efforts have been exhausted are applied against the allowance for uncollectible accounts. The Organization has not changed its methodology for estimating the allowance for uncollectible accounts during 2016 or 2015.

A reconciliation of the allowance for uncollectible accounts at June 30 is as follows:

	2016	2015
Balance, beginning of year	**$ 81,378**	$ 88,420
Provision	**331,787**	255,044
Write-offs	**(284,170)**	(262,086)
Balance, end of year	**$ 128,995**	$ 81,378

The increase in the allowance is primarily due to an increase in the amount due from patients with commercial insurance as a result of increased deductibles and co-pays.

Grants Receivable

Grants receivable are stated at the amount management expects to collect from outstanding balances. All such amounts are considered collectible.

Inventory

Inventory consisting of pharmaceutical drugs is valued using the retail method and is measured at the lower of cost or market.

Investments

Investments consist of certificates of deposit with a maturity in excess of one year.

Investment in Limited Liability Company

The Organization is one of eight partners who have each made a capital contribution of $500 to Primary Health Care Partners, LLC (PHCP) during 2015. The Organization's investment in PHCP is reported using the equity method and the investment amounted to $16,203 at June 30, 2016.

Property and Equipment

Property and equipment acquisitions are recorded at cost. Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method.

Gifts of long-lived assets, such as land, buildings, or equipment, are reported as unrestricted net assets and excluded from the excess of revenues over expenses, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as temporarily restricted net assets. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Patient Service Revenue

Patient service revenue is reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

Charity Care

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, they are not reported as net patient service revenue.

340B Drug Pricing Program

The Organization, as an FQHC, is eligible to participate in the 340B Drug Pricing Program. The program requires drug manufacturers to provide outpatient drugs to FQHC's and other identified entities at a reduced price. The Organization operates a pharmacy and also contracts with local pharmacies under this program. The local pharmacies dispense drugs to eligible patients of the Organization and bill Medicare and commercial insurances on behalf of the Organization. Reimbursement received by the contracted pharmacies is remitted to the Organization, less dispensing and administrative fees. Gross revenue generated from the program is included in patient service revenue. Contracted expenses and drug costs incurred related to the program are included in other operating expenses. Expenses related to the operation of the Organization's pharmacy are categorized in the applicable operating expense classifications.

Donor-Restricted Gifts

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statements of operations as "net assets released from restrictions." Donor-restricted contributions whose restrictions are met in the same year as received are reflected as unrestricted contributions in the accompanying consolidated financial statements.

Functional Expenses

The Organization provides various services to residents within its geographic location. Expenses related to providing these services are as follows:

	2016	2015
Program services	**$ 7,042,192**	$ 6,377,552
Administrative and general	**1,301,950**	1,160,709
Fundraising	**259,101**	180,836
Total	**$ 8,603,243**	$ 7,719,097

Excess of Revenue Over Expenses

The consolidated statements of operations reflect the excess of revenue over expenses. Changes in unrestricted net assets which are excluded from the excess of revenue over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which, by donor restriction, were to be used for the purposes of acquiring such assets).

Subsequent Events

For purposes of the preparation of these consolidated financial statements, management has considered transactions or events occurring through December 13, 2016, the date that the consolidated financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the consolidated financial statements.

2. Property and Equipment

Property and equipment consisted of the following:

	2016	2015
Land	$ 718,427	$ 718,427
Building and improvements	5,802,958	5,670,162
Furniture, fixtures, and equipment	1,449,887	1,364,376
Total cost	7,971,272	7,752,965
Less accumulated depreciation	1,907,627	1,698,003
Total cost, less accumulated depreciation	6,063,645	6,054,962
Construction in progress	-	92,721
Property and equipment, net	$ 6,063,645	$ 6,147,683

The Organization's facility was built and renovated with federal grant funding under the ARRA - Capital Improvement Program and ACA - Capital Development Program. In accordance with the grant agreements, a Notice of Federal Interest (NFI) was required to be filed in the appropriate official records of the jurisdiction in which the property is located. The NFI is designed to notify any prospective buyer or creditor that the Federal Government has a financial interest in the real property acquired under the aforementioned grant; that the property may not be used for any purpose inconsistent with that authorized by the grant program statute and applicable regulations; that the property may not be mortgaged or otherwise used as collateral without the written permission of the Associate Administrator of the Office of Federal Assistance Management, Health Resources and Services Administration (OFAM, HRSA); and that the property may not be sold or transferred to another party without the written permission of the Associate Administrator of OFAM and HRSA.

Upon obtaining the mortgage included in Note 4 below on the Organization's facility, the Organization received the required written permission from OFAM and HRSA where by HRSA subordinated its Federal Interest in the property to the bank.

3. Line of Credit

The Organization has a $200,000 line of credit with Frisbie Memorial Hospital. The line of credit is interest-free, unsecured, and due on demand. The outstanding balances on the line of credit at June 30, 2016 and 2015 were $- and $56,500, respectively.

4. Long-Term Debt

Long-term debt consists of the following:

	2016	2015
Variable-rate note payable to a local bank, payable in monthly installments of $4,464, including interest at 4.75%, through December 2018, at which time the interest will be adjusted to the Federal Home Loan Bank of Boston Rate plus 2.5% and every five years thereafter through December 2029, collateralized by real estate which is subject to a Notice of Federal Interest (see Note 2).	$ 529,279	$ 556,504
Note payable to a not-for-profit corporation, payable in monthly installments of $8,069, including interest at 5.25%, through September 2017, collateralized by real estate which is subject to a Notice of Federal Interest (see Note 2) and all other assets. The note was paid in full during 2016.	-	205,217
Note payable to a local bank, payable in monthly installments of $1,860, including interest at 4.75%, through January 2019, collateralized by all assets. The note was paid in full during 2016.	-	73,251
Note payable to the New Hampshire Health and Education Facilities Authority, payable in monthly installments of $1,709, including interest at 1.00%, through July 2016. The note is unsecured.	-	22,093
Variable-rate note payable to a local bank, payable in monthly installments of $596, including interest at Prime plus 1.5% with a 4% floor, currently at 4.75%, through June 2017, collateralized by all assets of GBMHA and an unlimited corporate guaranty of GCH.	-	12,956
Total long-term debt	529,279	870,021
Less current maturities	27,490	161,740
Long-term debt, less current maturities	$ 501,789	$ 708,281

The Organization is required to meet certain administrative and financial covenants under various loan agreements included above. The Organization is in compliance with all loan covenants at June 30, 2016.

Maturities of long-term debt for the next five years are as follows:

2017	$ 27,490
2018	30,124
2019	31,587
2020	33,120
2021	34,728

5. Patient Service Revenue

Patient service revenue is as follows:

	2016	2015
Medicare	**$ 728,783**	$ 638,547
Medicaid	**2,930,718**	3,131,251
Third-party payers and private pay	**2,240,792**	2,131,634
Medical and dental patient service revenue	**5,900,293**	5,901,432
340B pharmacy revenue	**696,710**	244,614
Total patient service revenue	**$ 6,597,003**	$ 6,146,046

The Organization has agreements with the Centers for Medicare & Medicaid Services (Medicare) and New Hampshire Medicaid. Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. Management believes that the Organization is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare and Medicaid programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known.

A summary of the payment arrangements with major third-party payers follows:

Medicare

Effective July 1, 2015, the Organization began to be reimbursed for the care of qualified patients on a prospective basis, with retroactive settlements related to vaccine costs only. The prospective payment is based on a geographically adjusted rate determined by federal guidelines. Prior to July 1, 2015, the Organization was reimbursed at specified interim contractual rates during the year. Differences between the Medicare interim contractual rate and the cost of care as defined by the Principles of Reimbursement governing the program were determined and settled on a retrospective basis. Overall, reimbursement was and continues to be subject to a maximum allowable rate per visit. The Organization's Medicare cost reports have been audited by the Medicare administrative contractor through June 30, 2015.

Medicaid and Other Payers

The Organization also has entered into payment agreements with Medicaid and certain commercial insurance carriers, health maintenance organizations and preferred provider organizations. The basis for payment to the Organization under these agreements includes prospectively-determined rates per visit, discounts from established charges and capitated arrangements for primary care services on a per-member, per-month basis.

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. The Organization estimates the costs associated with providing charity care by calculating the ratio of total cost to total charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. The estimated cost of providing services to patients under the Organization charity care policy amounted to approximately $485,000 and $486,000 for the years ended June 30, 2016 and 2015, respectively.

The Organization is able to provide these services with a component of funds received through local community support and federal and state grants.

6. Retirement Plan

The Organization has a defined contribution plan under Internal Revenue Code Section 401(k) that covers substantially all employees. In 2011, the Organization temporarily suspended the employer match. During 2016, the match was reinstated and contributions amounted to $22,668.

7. WIC Food Vouchers

The Organization acts as a conduit for the State of New Hampshire's Special Supplemental Food Program for Women, Infants and Children (WIC). This program is funded by the U.S. Department of Agriculture (Code of Federal Domestic Assistance #10.565). The value of food vouchers distributed by the Organization was $1,463,583 and $1,570,536 for the years ended June 30, 2016 and 2015, respectively. These amounts are not included in the accompanying consolidated financial statements as they are not part of the contract the Organization has with the State of New Hampshire for the WIC program.

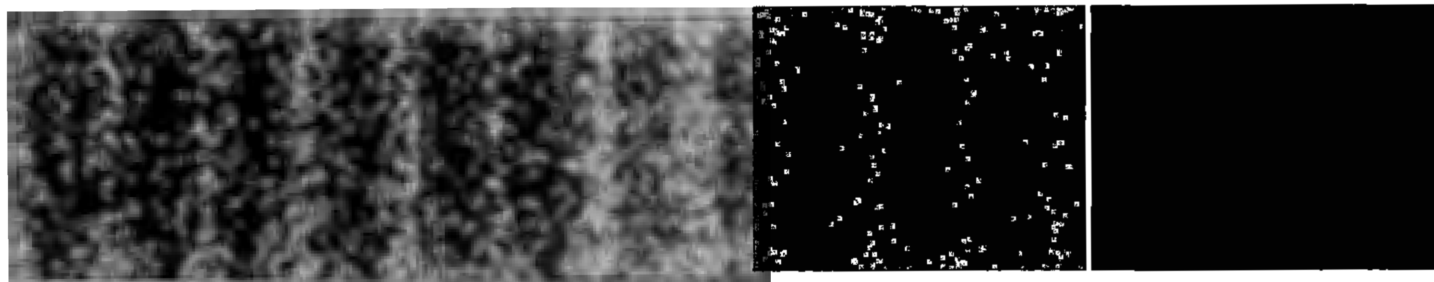
8. Concentration of Risk

The Organization has cash deposits in major financial institutions which exceed federal depository insurance limits. The financial institutions have a strong credit rating and management believes the credit risk related to these deposits is minimal.

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payer agreements. At June 30, 2016 and 2015, New Hampshire Medicaid represented 29% and 31%, respectively, and Medicare represented 18% and 9%, respectively, of gross accounts receivable. No other individual payer source exceeded 10% of the gross accounts receivable balance.

9. Malpractice Insurance

The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of June 30, 2016, there were no known malpractice claims outstanding which, in the opinion of management, will be settled for amounts in excess of both FTCA and insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew the additional medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.



Families First

FINANCIAL STATEMENTS

June 30, 2016 and 2015

With Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Families First of the Greater Seacoast

We have audited the accompanying financial statements of Families First of the Greater Seacoast, which comprise the balance sheets as of June 30, 2016 and 2015, and the related statements of operations, changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Families First of the Greater Seacoast as of June 30, 2016 and 2015, and the results of its operations, changes in its net assets and its cash flows for the years then ended, in accordance with U.S. generally accepted accounting principles.

Cash and cash equivalents, end of year	$ 726,265	$ 350,670
Supplemental disclosures of cash flow information		
Cash paid for interest	$ -	$ 6,666

The accompanying notes are an integral part of these financial statements.

1. Summary of Significant Accounting Policies

Organization

Families First of the Greater Seacoast (Organization) is a non-stock, not-for-profit corporation organized in New Hampshire. The Organization is a Federally Qualified Health Center (FQHC) which provides comprehensive medical and family support services, including primary care, dental, well child care, substance abuse counseling, parenting education, and home visitation programs to residents of the Seacoast region (New Hampshire and Maine).

Income Taxes

The Organization is a public charity under Section 501(c)(3) of the Internal Revenue Code. As a public charity, the Organization is exempt from state and federal income taxes on income earned in accordance with its tax-exempt purpose. Unrelated business income is subject to state and federal income tax. Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the financial statements.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits and petty cash funds and exclude amounts whose use is limited by Board designation or donor-imposed restrictions.

Allowance for Uncollectible Accounts

Patient accounts receivable are stated at the amount management expects to collect from outstanding balances. Patient accounts receivable are reduced by an allowance for uncollectible accounts. In evaluating the collectibility of patient accounts receivable, the Organization analyzes its past history and identifies trends for each funding source. Management regularly reviews data about revenue in evaluating the sufficiency of the allowance for uncollectible accounts. Amounts not collected after all reasonable collection efforts have been exhausted are applied against the allowance for uncollectible accounts. The Organization has not changed its methodology for estimating the allowance for uncollectible accounts.

A reconciliation of the allowance for uncollectible accounts at June 30 is as follows:

	2016	2015
Balance, beginning of year	$ 54,489	$ 51,984
Provision	63,508	37,705
Write-offs	(55,842)	(35,200)
Balance, end of year	$ 62,155	$ 54,489

The increase in provision is primarily due to an increase in patient balances over 120 days old.

Grants Receivable

Grants receivable are stated at the amount management expects to collect from outstanding balances. All such amounts are considered collectible.

Investments

The Organization reports investments at fair value, and has elected to report all gains and losses in the excess (deficiency) of revenues over expenses to simplify the presentation of these amounts in the statement of operations. Investments include donor endowment funds and board-designated assets. Accordingly, investments have been classified as non-current assets on the accompanying balance sheet regardless of maturity or liquidity. The Organization has established policies governing long-term investments, which are held within several investment accounts, based on the purposes for those investment accounts and their earnings.

Investment income and the change in fair value are included in the excess of revenue over expenses, unless otherwise stipulated by the donor or State Law.

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. As such, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the balance sheets.

Investment in Limited Liability Company

The Organization is one of eight partners who have each made a capital contribution of $500 to Primary Health Care Partners, LLC (PHCP) during 2015. The Organization's investment in PHCP is reported using the equity method and the investment amounted to $16,204 and $- at June 30, 2016 and 2015, respectively.

Assets Limited As To Use

Assets limited as to use include assets designated by the Board of Directors for future use and donor-restricted contributions to be held in perpetuity.

Property and Equipment

Property and equipment acquisitions are recorded at cost. Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method.

Gifts of long-lived assets, such as land, buildings, or equipment, are reported as unrestricted net assets and excluded from the excess of revenues over expenses unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as temporarily restricted net assets. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets include contributions and grants for which donor-imposed restrictions have not been met. Assets are released from restrictions as expenditures are made in line with restrictions called for under the terms of the donor.

Permanently restricted net assets have been restricted by donors to be maintained by the Organization in perpetuity, the income of which is primarily available for operations.

Patient Service Revenue

Patient service revenue is reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

Charity Care

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, they are not reported as net patient service revenue.

Donated Goods and Services

Various program help and support for the daily operations of the Organization's programs were provided by the general public of the communities served by the Organization. Donated supplies and services are recorded at their estimated fair values on the date of receipt. Donated supplies and services amounted to $294,007 and $147,044 for the years ended June 30, 2016 and 2015, respectively.

Donor-Restricted Gifts

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of operations as "net assets released from restrictions." Donor-restricted contributions whose restrictions are met in the same year as received are reflected as unrestricted contributions in the accompanying financial statements.

Promises to Give

Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Given the short term nature of the pledges, they are not discounted and no reserve for uncollectible pledges has been established. Conditional promises to give are not included as support until the conditions are substantially met.

Functional Expenses

The Organization provides various services to residents within its geographic location. Expenses related to providing these services are as follows:

	2016	2015
Program services	**$ 5,202,419**	$ 4,706,160
Administrative and general	**621,430**	574,957
Fundraising	**156,959**	139,268
Total	**$ 5,980,808**	$ 5,420,385

Excess of Revenue Over Expenses

The statements of operations reflect the excess of revenue over expenses. Changes in unrestricted net assets which are excluded from the excess of revenue over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which, by donor restriction, were to be used for the purposes of acquiring such assets).

Subsequent Events

For purposes of the preparation of these financial statements, management has considered transactions or events occurring through November 9, 2016, the date that the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

2. Investments

Investments, stated at fair value, consisted of the following:

	2016	2015
Long-term investments	$ 156,031	$ 99,769
Assets limited as to use	1,450,076	1,541,850
Total investments	$ 1,606,107	$ 1,641,619

Fair Value of Financial Instruments

Financial Accounting Standards Board Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants and also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The fair value hierarchy within ASC Topic 820 distinguishes three levels of inputs that may be utilized when measuring fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The following table sets forth by level, within the fair value hierarchy, the Organization's investments at fair value:

	Investments at Fair Value as of June 30, 2016			
	Level 1	Level 2	Level 3	Total
Money market funds	$ 6,504	-	-	6,504
Mutual funds	1,599,603	-	-	1,599,603
Total investments	$ 1,606,107	$ -	$ -	$ 1,606,107

	Investments at Fair Value as of June 30, 2015			
	Level 1	Level 2	Level 3	Total
Money market funds	18,248	-	-	18,248
Mutual funds	1,623,371	-	-	1,623,371
Total investments	$ 1,641,619	$ -	$ -	$ 1,641,619

Investment income and gains (losses) for cash equivalents and investments consist of the following:

	2016	2015
Unrestricted net assets		
Investment income	$ **3,057**	$ 2,452
Change in fair value of investments	**(5,851)**	(3,756)
Restricted net assets		
Investment income	**25,187**	23,575
Change in fair value of investments	**(46,053)**	(26,114)
Total	$ **(23,660)**	$ (3,843)

3. Assets Limited as to Use

Assets limited as to use consist of the following:

	2016	2015
Designated by the governing board		
For future use	$ **73,142**	$ 212,115
Donor-restricted endowment		
Temporarily restricted earnings	**176,247**	267,234
Permanently restricted principal	**1,200,687**	1,200,687
Total	$ **1,450,076**	$ 1,680,036

Assets limited as to use consisted of the following:

	2016	2015
Cash and cash equivalents	$ **-**	$ 138,186
Investments	**1,450,076**	1,541,850
Total	$ **1,450,076**	$ 1,680,036

4. Pledges Receivable

Pledges receivable consisted of the following:

	2016	2015
Scheduled amounts due in:		
Less than one year	$ 197,507	$ 275,467

Pledges receivable have not been discounted as the amount is not material to the financial statements as a whole. The Organization believes all pledges are fully collectible.

5. Property and Equipment

Property and equipment consisted of the following:

	2016	2015
Leasehold improvements	$ 179,031	$ 179,031
Furniture, fixtures, and equipment	1,037,550	799,559
Total cost	1,216,581	978,590
Less accumulated depreciation	(643,115)	(559,807)
Property and equipment, net	$ 573,466	$ 418,783

6. Line of Credit

The Organization has a $250,000 line of credit with a local bank through May 1, 2017. The line of credit is collateralized by accounts receivable. The interest rate at June 30, 2016 was 3.50%. There was no outstanding balance at June 30, 2016 and 2015.

7. Temporarily and Permanently Restricted Net Assets

Temporarily and permanently restricted net assets consisted of the following:

	2016	2015
Temporarily restricted		
Unrestricted pledges receivable	$ 213,711	$ 275,467
Program services	95,565	88,724
Endowment earnings	176,247	267,234
Total temporarily restricted	$ 485,523	$ 631,425
Permanently restricted		
Endowment	$ 1,200,687	$ 1,200,687

8. Endowments

Interpretation of Relevant Law

There were no board-designated endowments. The Organization's endowments primarily consist of an investment portfolio managed by the Investment Sub-Committee. As required by U.S. GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as a donor-restricted endowment (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent donor-restricted endowment gifts and (c) accumulations to the donor-restricted endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund, if any, is classified as temporarily restricted net assets until those amounts are appropriated for expenditure in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

(1) The duration and preservation of the fund;
(2) The purposes of the Organization and the donor-restricted endowment fund;
(3) General economic conditions;
(4) The possible effect of inflation and deflation;
(5) The expected total return from income and the appreciation of investments;
(6) Other resources of the Organization; and
(7) The investment policies of the Organization.

Spending Policy

The Organization has a policy of appropriating for expenditure an amount equal to 5% of the endowment fund's average fair market value over the prior 20 quarters. The earnings on the endowment fund are to be used for operations.

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Organization to retain as a fund of perpetual duration. There were no such deficiencies as of June 30, 2016 and 2015.

Return Objectives and Risk Parameters

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed or meet designated benchmarks while incurring a reasonable and prudent level of investment risk.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a balanced emphasis on equity-based and income-based investments to achieve its long-term return objectives within prudent risk constraints.

Endowment Net Asset Composition by Type of Fund

The endowment net asset composition by type of fund is as follows:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
2016				
Donor-restricted endowment funds	**$ -**	**$ 176,247**	**$ 1,200,687**	**$ 1,376,934**
2015				
Donor-restricted endowment funds	$ -	$ 267,234	$ 1,200,687	$ 1,467,921

The Organization had the following endowment-related activities:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Endowment net assets, June 30, 2015	$ -	$ 267,234	$ 1,200,687	$ 1,467,921
Investment return				
Investment income	-	**25,187**	-	**25,187**
Change in fair value of investments	-	**(46,053)**	-	**(46,053)**
Appropriation of endowment assets for expenditures	-	**(70,121)**	-	**(70,121)**
Endowment net assets, June 30, 2016	**$ -**	**$ 176,247**	**$ 1,200,687**	**$ 1,376,934**

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Endowment net assets, June 30, 2014	$ -	$ 336,328	$ 1,200,687	$ 1,537,015
Investment return				
Investment income	-	23,575	-	23,575
Change in fair value of investments	-	(26,114)	-	(26,114)
Appropriation of endowment assets for expenditures	-	(66,555)	-	(66,555)
Endowment net assets, June 30, 2015	$ -	$ 267,234	$ 1,200,687	$ 1,467,921

9. Patient Service Revenue

Patient service revenue follows:

	2016	2015
Medicare	**$ 267,336**	$ 215,538
Medicaid	**1,595,264**	1,307,387
Third-party payers and private pay	**764,525**	629,423
Total patient service revenue	**$ 2,627,125**	$ 2,152,348

The Organization has agreements with the Centers for Medicare and Medicaid Services (Medicare and New Hampshire and Maine Medicaid). Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. The Organization believes that it is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare and Medicaid programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known.

A summary of the payment arrangements with major third-party payers follows:

Medicare

Effective July 1, 2015, the Organization began to be reimbursed for the care of qualified patients on a prospective basis, with retroactive settlements related to vaccine costs only. The prospective payment is based on a geographically-adjusted rate determined by federal guidelines. Prior to July 1, 2015, the Organization was reimbursed at specified interim contractual rates during the year. Differences between the Medicare interim contractual rate and the cost of care as defined by the Principles of Reimbursement governing the program were determined and settled on a retrospective basis. Overall, reimbursement was and continues to be subject to a maximum allowable rate per visit. The Organization's Medicare cost reports have been audited by the Medicare administrative contractor through June 30, 2014.

Medicaid and Other Payers

The Organization also has entered into payment agreements with Medicaid and certain commercial insurance carriers, health maintenance organizations and preferred provider organizations. The basis for payment to the Organization under these agreements includes prospectively-determined rates per visit, discounts from established charges and capitated arrangements for primary care services on a per-member, per-month basis.

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. The Organization estimates the costs associated with providing charity care by calculating the ratio of total cost to total charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. The estimated cost of providing services to patients under the Organization charity care policy amounted to approximately $1,222,000 and $1,661,100 for the years ended June 30, 2016 and 2015, respectively.

The Organization is able to provide these services with a component of funds received through local community support and federal and state grants.

10. Retirement Plan

The Organization has a defined contribution plan under Internal Revenue Code Section 401(k) that covers substantially all employees. Employer discretionary contributions are funded at a percentage of eligible employees' salaries. The Organization contributed $94,241 for the year ended June 30, 2016. The Organization did not incur expenses under the plan for the years ended June 30, 2015.

11. Concentration of Risk

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payer agreements. The mix of medical patient service revenue receivables from patients and third-party payers was as follows as of June 30:

	2016	2015
Medicare	**15 %**	11 %
Medicaid	**45 %**	42 %
Other	**40 %**	47 %
	100 %	100 %

12. Commitments and Contingencies

Medical Malpractice Insurance

The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of the year ended June 30, 2016, there were no known malpractice claims outstanding which, in the opinion of management, will be settled for amounts in excess of both FTCA and additional medical malpractice insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew the additional medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

Leases

The Organization leases office space and certain other office equipment under noncancelable operating leases. Future minimum lease payments under these leases are as follows:

2017	$ 159,973
2018	86,659
2019	7,848
Total	$ 254,480

Rental expense amounted to $142,017 and $133,381 for the years ended June 30, 2016 and 2015, respectively. Rent expense includes a charge per square foot for utilities and housekeeping services.

GREATER SEACOAST COMMUNITY HEALTH

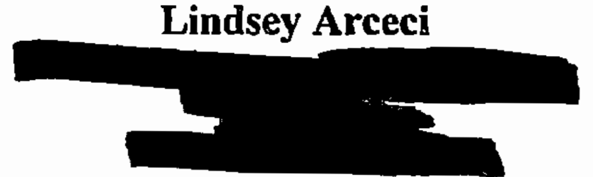
Please note: Effective January 1, 2018, Goodwin Community Health and Families First Health and Support Center merged. The Board of Directors for the merged entity, Greater Seacoast Community Health, was appointed in January 2018. More than half of Board members are either Families First or Goodwin patients.

Lindsey Arceci



Work Experience

Families First Health Center, Portsmouth, NH
Medical Receptionist (April 2017 to present)

- Answer and direct phone calls, take messages
- Scan medical documents
- Check in patients, take payments, answer questions
- Open and close the front office, including

The Grill at the Portsmouth Gas Light Co., Portsmouth, NH
Vegan Consultant and Line Cook (Aug. 2016 - present)

- Create original weekly vegan specials
- Work in salad and fry stations for American grill style restaurant
- Assist with food preparation for restaurant and pizza parlor downstairs

The Juicery, Portsmouth, NH
Store Manager (Aug. 2015 - July 2016)

- Interview, hire and train new employees
- Prepare payments to vendors/suppliers and deposit sales receipts
- Manage store inventory, contact suppliers and place orders daily
- Assess employee performance, monitor progress & report or prepare performance evaluations.
- Prepare and conduct staff and shift leader meetings
- Train and motivate staff. Delegate work assignments to staff and team leaders
- Work with facilities manager to review and upgrade the layout of the restaurant
- Responsible for opening and closing restaurant, and being available on days off

Juicy Roots, Dover, NH
Manager (July 2014 - Aug. 2015)

- Create weekly lunch specials (vegan, sometimes gluten free)
- Prepare staff schedules
- Manage restaurant inventory
- All food prep for salad bar, sandwich menu, multiple soups and desserts
- Manage restaurant's advertising and social media efforts; daily posts on Facebook and Instagram

The Equinox, Keene State College Newspaper, Keene, NH
Copy Writer (April 2010 - April 2011)

- 15 hours a week reading and editing

- Proficient in English grammar and language
- Proofread articles before publishing
- Responsible for final edits of finished newspaper on print night

Opinions Editor (April 2012 - April 2013)

- Responsible for writing the newspaper's editorial each week
- Create and design content for 2-page spread in newspaper
- Work with multiple writers, graphic designers and photographers to generate varied material and artwork in a week's time
- Contribute my own opinions piece with each publication

Keene Fresh Salad Co., Keene, NH

Assistant Manager (April 2011 - June 2014)

- Mentor head chef and assisted making meals entirely from scratch

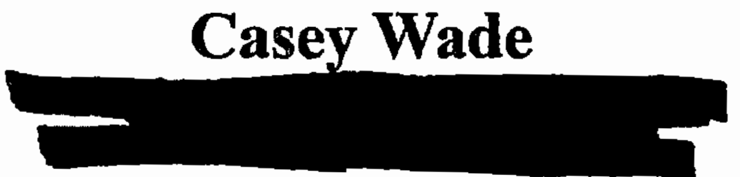
Casey Wade



I am a dependable, punctual, and detail oriented individual. I am very outgoing and work well with others while also working efficiently on my own. I love to learn and I pick up on things quickly. I am seeking a position where I can advance and excel while giving my best to an employer.

Experience

January 2017 –Present Goodwin Community Health, Somersworth, NH
Community Health and Outreach Worker
I represent Goodwin Community Health at community outreach events and network meetings. Working closely with the social work and behavioral health teams, I coordinate transportation for our patients as well as make home visits when necessary. I work with our prenatal patients assisting them with setting up the first pediatric appointment for their newborn as well as post-partum visits for themselves. I also work with the billing department and am the sliding scale supervisor for income processing.

November 2014-Present Goodwin Community Health, Somersworth, NH
Patient Advocate
Checked in and registered patients for their appointments. Duties included verifying contact information, insurance, communicating information from patient to provider, and educating patients on the sliding scale and integrated healthcare opportunities available.

August 2014-Present Magna Home Cleaning Greenland, NH
Cleaning Technician
We travel to client's homes and businesses to clean and organize.

November, 2012-August, 2014 Salmon Falls Stoneware, Dover, NH
Sales Associate, Bookkeeper's Assistant and Factory Worker
I was a sales associate in the retail store. In addition to handling in-store sales, duties included processing phone, internet and wholesale orders. My flexibility also had me working in the office assisting the bookkeeper with A/P, A/R, bank deposits, cash reconciliations, correspondence and filing. I also learned the waxing and glazing processes while working in the factory when needed.

May, 2012-September, 2012 Sun N'Surf, York, ME
Waitress
In addition to serving, duties included cleaning and stocking the kitchen, bathrooms, dining room and patio. A severely sprained ankle was the reason for leaving.

February, 2011- May, 2012 Fogarty's South Berwick, Maine
Waitress and Hostess
At Fogarty's I started as a hostess, greeting and seating guests. I was later trained to wait tables. Duties included serving, stocking and cleaning. Scheduling became an issue which led me to leave.

June 2005-July 2011 Aggie's Ice Cream South Berwick, Maine
Cashier and Scooper.
Aggie's was my first job. I worked there while going to high school and on summer vacations from the University of Southern Maine. I learned a lot about customer service and handling money. Eventually I decided to move on to waitress at Fogarty's.

Education

University of Southern Maine
(2009-2010)

York County Community College-Wells, Maine
Associate in Liberal Arts (2011-2013)

Skills

Computer skills (Excel, Word)
Customer service skills

1.18 Approval by the Governor and Executive Council *(if applicable)* By:		On:	

2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.
3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.18, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.14 ("Effective Date").
3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.
5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.
5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.
5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.
5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.
6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. This may include the requirement to utilize auxiliary aids and services to ensure that persons with communication disabilities, including vision, hearing and speech, can communicate with, receive information from, and convey information to the Contractor. In addition, the Contractor shall comply with all applicable copyright laws.
6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.
6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.
7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.
7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this

Contractor Initials AJS
Date 3/29/18

Agreement. This provision shall survive termination of this Agreement.
7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.
8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):
8.1.1 failure to perform the Services satisfactorily or on schedule;
8.1.2 failure to submit any report required hereunder; and/or
8.1.3 failure to perform any other covenant, term or condition of this Agreement.
8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:
8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;
8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;
8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or
8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

9. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.
9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.
9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.
9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. TERMINATION. In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS. The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice and consent of the State. None of the Services shall be subcontracted by the Contractor without the prior written notice and consent of the State.

13. INDEMNIFICATION. The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.
14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:
14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000per occurrence and $2,000,000 aggregate ; and
14.1.2 special cause of loss coverage form covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.
14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

Contractor Initials RDS
Date 3/24/18

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than thirty (30) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each certificate(s) of insurance shall contain a clause requiring the insurer to provide the Contracting Officer identified in block 1.9, or his or ber successor, no less than thirty (30) days prior written notice of cancellation or modification of the policy.

15. WORKERS' COMPENSATION.
15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation").*
15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

19. CONSTRUCTION OF AGREEMENT AND TERMS. This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

Contractor Initials ADS
Date 3/29/18

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances for all reimbursable services rendered. The Department shall be the payor of last resort.

1.4. Preventative and Primary Health Care, as well as related Care Management and Enabling Services shall be provided to individuals of all ages, statewide, who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income (defined as <185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. The Contractor shall remain in compliance with all applicable state and federal laws for the duration of the contract period, including but not limited to:

1.5.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.5.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.5.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care Services for new patients is limited or closed for more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

2.2. The Contractor shall assist individuals with completing a Medicaid/Expanded Medicaid and other health insurance application when income calculations indicate possible Medicaid eligibility.

2.3. The Contractor shall maximize billing to private and commercial insurances for all reimbursable services rendered.

2.4. The Contractor shall post a notice in a public and conspicuous location noting that no individual will be denied services for an inability to pay.

2.5. The Contractor shall develop and implement a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall make the sliding fee scale available to the Department upon request.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a New Hampshire licensed Medical Doctor (MD), Doctor of Osteopathic Medicine (DO), Advanced Practice Registered Nurse (APRN) or Physician Assistant (PA) to eligible individuals in the service area.

3.2. The Contractor shall ensure primary care services include, but are not limited to:

3.2.1. Reproductive health services.

3.2.2. Perinatal health services including but not limited to access to obstetrical services either on-site or by referral.

3.2.3. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.2.4. Integrated behavioral health services.

3.2.5. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.2.6. Assessment of need and follow-up/referral as indicated for:

3.2.6.1. Tobacco cessation, including referral to QuitWorks-NH, www.QuitWorksNH.org.

3.2.6.2. Social services.

3.2.6.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management Education (DSME) as recommended by American Diabetes Association (ADA).

3.2.6.4. Nutrition services, including Women, Infants and Children (WIC) Food and Nutrition Service, as appropriate;

3.2.6.5. Screening, Brief Intervention and Referral to Treatment (SBIRT) services, including but not limited to contact with the Regional Public Health Network Continuum of Care Development Initiative.

3.2.6.6. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.3. The Contractor shall provide care management for individuals enrolled for

primary care services, which includes, but is not limited to:

3.3.1. Integrated and coordinated services that ensure patients receive necessary care, including behavioral health and oral care when and where it is needed and wanted, in a culturally and linguistically appropriate manner.

3.3.2. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.3.3. Care facilitated by registries; information technology; health information exchanged.

3.4. The Contractor shall provide and facilitate enabling services, which are non-clinical services that support the delivery of basic primary care services, and facilitate access to comprehensive patient care as well as social services that include, but are not limited to:

3.4.1. Benefit counseling.

3.4.2. Health insurance eligibility and enrollment assistance.

3.4.3. Health education and supportive counseling.

3.4.4. Interpretation/translation for individuals with Limited English Proficiency or other communication needs.

3.4.5. Outreach, which may include the use of community health workers.

3.4.6. Transportation.

3.4.7. Education of patients and the community regarding the availability and appropriate use of health services.

4. Quality Improvement

4.1. The Contractor shall develop, define, facilitate and implement a minimum of two (2) Quality Improvement (QI) projects, which consist of systematic and continuous actions that lead to measurable improvements in health care services and the health status of targeted patient groups.

4.1.1. One (1) quality improvement project must focus on the performance measure as designated by MCHS. (Defined as Adolescent Well Visits for SFY 2018 – 2019)

4.1.2. The other(s) will be chosen by the vendor based on previous performance outcomes needing improvement.

4.2. The Contractor shall utilize Quality Improvement Science to develop and implement a QI Workplan for each QI project. The QI Workplan will include:

4.2.1. Specific goals and objectives for the project period; and

4.2.2. Evaluation methods used to demonstrate improvement in the quality, efficiency, and effectiveness of patient care.

4.3. The Contractor shall include baseline measurements for each area of

improvement identified in the QI projects, to establish health care services and health status of targeted patient groups to be improved upon.

4.4. The Contractor may utilize activities in QI projects that enhance clinical workflow and improve patient outcomes, which may include, but are not limited to:

4.4.1.1. EMR prompts/alerts.

4.4.1.2. Protocols/Guidelines.

4.4.1.3. Diagnostic support.

4.4.1.4. Patient registries.

4.4.1.5. Collaborative learning sessions.

5. Staffing

5.1. The Contractor shall ensure all health and allied health professions have the appropriate, current New Hampshire licenses whether directly employed, contracted or subcontracted.

5.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

5.3. The Contractor shall notify the Maternal and Child Health Section (MCHS), in writing, of any newly hired administrator, clinical coordinator or any staff person essential to providing contracted services and include a copy of the individual's resume, within thirty (30) days of hire.

5.4. The Contractor shall notify the MCHS, in writing, when:

5.4.1. Any critical position is vacant for more than thirty (30) days;

5.4.2. There is not adequate staffing to perform all required services for any period lasting more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

6. Coordination of Services

6.1. The Contractor shall participate in activities within their Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

6.1.1. Community needs assessments;

6.1.2. Public health performance assessments; and

6.1.3. Regional health improvement plans under development.

6.2. The Contractor shall participate in and coordinate public health activities, as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

7. Required Meetings & Trainings

7.1. The Contractor shall attend meetings and trainings facilitated by the MCHS programs that include, but are not limited to:

7.1.1. MCHS Agency Directors' meetings;

7.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year, which may require attendance by agency quality improvement staff; and

7.1.3. MCHS Agency Medical Services Directors' meetings.

8. Workplans, Outcome Reports & Additional Reporting Requirements

8.1. The Contractor shall collect and report data as detailed in Exhibit A-1 "Reporting Metrics" according to the Exhibit A-2 "Report Timing Requirements".

8.2. The Contractor shall submit reports as defined within Exhibit A-2 "Report Timing Requirements".

8.3. The Contractor shall submit an updated budget narrative, within thirty (30) days of the contract execution date and annually, as defined in Exhibit A-2 "Report Timing Requirements". The budget narrative shall include, at a minimum;

8.3.1. Staff roles and responsibilities, defining the impact each role has on contract services;

8.3.2. Staff list, defining;

8.3.2.1. The Full Time Equivalent percentage allocated to contract services, and;

8.3.2.2. The individual cost, in U.S. Dollars, of each identified individual allocated to contract services.

8.4. In addition to the report defined within Exhibit A-2 "Report Timing Requirements", the Contractor shall submit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9. On-Site Reviews

9.1. The Contractor shall permit a team or person authorized by the Department to periodically review the Contractor's:

9.1.1. Systems of governance.

9.1.2. Administration.

9.1.3. Data collection and submission.

9.1.4. Clinical and financial management.

9.1.5. Delivery of education services.

9.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

9.2.1. Client records.

9.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

9.3. The Contractor shall take corrective actions, as advised by the review team, if services provided are not in compliance with the contract requirements.

10. Performance Measures

10.1. The Contractor shall ensure that the following performance indicators are annually achieved and monitored quarterly to measure the effectiveness of the agreement:

10.1.1. Annual improvement objectives shall be defined by the vendor and submitted to the Department. Objectives shall be measurable, specific and align to the provision of primary care services defined within Exhibit A-1 "Reporting Metrics"

Exhibit A-1 – Reporting Metrics

1. **Definitions**

   1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

      1.1.1. The calendar year, (January 1st through December 31st); or

      1.1.2. The state fiscal year (July 1st through June 30th).

   1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

   1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

   1.4. **NQF** – National Quality Forum

   1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

   1.6. **UDS** – Uniform Data System

   1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. **MCHS PRIMARY CARE PERFORMANCE MEASURES**

   2.1. **Breastfeeding**

      2.1.1. Percent of infants who are ever breastfed (Title V PM #4).

         2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

         2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

         2.1.1.3. Denominator: All patient infants born in the measurement year.

   2.2. **Preventive Health: Lead Screening**

      2.2.1. Percent of children three (3) years of age who had two (2) or more capillary or venous lead blood test for lead poisoning by their third birthday. (NH MCHS).

         2.2.1.1. Numerator: All patient children who received at least one capillary or venous lead screening test between nine (9) months to eighteen (18) months of age **AND** one (1) capillary or venous lead screening test between nineteen (19) to thirty (30) months of age.

         2.2.1.2. Denominator: All patient children who turned three (3) years old during the measurement year that had at least one (1) medical visit during the measurement year.

Contractor Initials: [signature]
Date: 3/29/18

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents, twelve (12) through twenty-one (21) years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients ages twelve (12) and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients twelve (12) years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

Contractor Initials: RMS
Date: 3/29/18

2.4.2.1. Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative PLUS women who screened positive AND have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

2.5.1. Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented (NQF 0421, UDS).

2.5.1.1. Normal parameters: Age 65 and older BMI ≥ 23 and < 30

2.5.1.2. Age 18 through 64 BMI ≥ 18.5 and < 25

2.5.1.3. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.4. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.5. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. Preventive Health: Tobacco Screening

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year or prior year AND who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco use one or more times during their most recent visit OR within twenty-four (24) months of the most

Contractor Initials: [illegible]
Date: 3/29/18

recent visit and received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who delivered a live birth in the measurement year.

2.6.2.4. Definitions:

2.6.2.4.1. Tobacco Use: Includes any type of tobacco

2.6.2.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

2.7. At Risk Population: Hypertension

2.7.1. Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90mmHG) during the measurement year (NQF 0018).

2.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm HG at the time of their last measurement.

Contractor Initials: RDS
Date: 3/29/18

2.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension (must have been diagnosed with hypertension 6 or more months before the measurement date) who had at least one (1) medical visit during the measurement year. (Excludes pregnant women and patients with End Stage Renal Disease.)

2.8. **Patient Safety: Falls Screening**

2.8.1. Percent of patients aged 65 years and older who were screened for fall risk at least once within 12 months (NH MCHS).

2.8.1.1. Numerator: Patients who were screened for fall risk at least once within the measurement year.

2.8.1.2. Denominator: All patients aged 65 years and older seen by a health care provider within the measurement year.

2.9. **SBIRT**

2.9.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention and/or referral to services.

2.9.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.1.3. Denominator: Number of patients aged 18 years and older seen for annual/preventive visit within the measurement year.

2.9.1.4. Definitions:

2.9.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.9.1.4.2. Brief Intervention: Includes guidance or counseling.

2.9.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.9.2. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are

enrolled in the prenatal program AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

2.9.2.2. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

Contractor Initials: RJS

Date: 3/29/18

Exhibit A-2 – Report Timing Requirements

1.1. **Primary Care Services Reporting Requirements**

1.1.1. The reports are required due on the date(s) listed, or, in years where the date listed falls on a non-business day, reports are due on the Friday immediately prior to the date listed.

1.1.2. The Vendor is required to complete and submit each report, following instructions sent by the Department

1.1.3. An updated budget narrative must be provided to the Department, within thirty (30) days of contract approval. The budget narrative must include, at a minimum;

1.1.3.1. Staff roles and responsibilities, defining the impact each role has on contract services

1.1.3.2. Staff list, defining;

1.1.3.2.1. The Full Time Equivalent percentage allocated to contract services, and;

1.1.3.2.2. The individual cost, in U.S. Dollars, of each identified individual allocated to contract services.

1.2. **Annual Reports**

1.2.1. The following reports are required annually, on or prior to;

1.2.1.1. March 31st;

1.2.1.1.1. Uniform Data Set (UDS) Data tables reflecting program performance for the previous calendar year;

1.2.1.1.2. Budget narrative, which includes, at a minimum;

1.2.1.1.2.1. Staff roles and responsibilities, defining the impact each role has on contract services

1.2.1.1.2.2. Staff list, defining;

1.2.1.1.2.2.1. The Full Time Equivalent percentage allocated to contract services, and;

1.2.1.1.2.2.2. The individual cost, in U.S. Dollars, of each

Contractor Initials: [handwritten initials]

Date: 3/29/18

identified individual allocated to contract services.

1.2.1.2. July 31st;

1.2.1.2.1. Summary of patient satisfaction survey results obtained during the prior contract year;

1.2.1.2.2. Quality Improvement (QI) Workplans, Performance Outcome Section

1.2.1.2.3. Enabling Services Workplans, Performance Outcome Section

1.2.1.3. September 1st;

1.2.1.3.1. QI workplan revisions, as needed;

1.2.1.3.2. Enabling Service Workplan revisions, as needed;

1.2.1.3.3. Correction Action Plan (Performance Measure Outcome Report), as needed;

1.3. **Semi-Annual Reports**

1.3.1. Primary Care Services Measure Data Trend Table (DTT), due on;

1.3.1.1. July 31, 2018 (measurement period July 1– June 30) and;

1.3.1.2. January 31 (measurement period January 1 – December 31).

1.4. **The following report is required 30 days following the end of each quarter, beginning in State Fiscal Year 2018;**

1.4.1. Perinatal Client Data Form (PCDF);

1.4.1.1. Due on April 30, July 31, October 31 and January 31

Contractor Initials: [signature]

Date: 3/29/18

Exhibit B

Method and Conditions Precedent to Payment

1. The State shall pay the contractor an amount not to exceed the Form P-37, Block 1.8, Price Limitation for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.

2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon meeting the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov) #93.994, Maternal and Child Health Services Block Grant to the States

3. The Contractor shall not use or apply contract funds for capital additions, improvements, entertainment costs or any other costs not approved by the Department.

4. Payment for services shall be as follows:

   4.1. Payments shall be on a cost reimbursement basis for approved actual costs in accordance with Exhibits B-1 through Exhibit B-3.

   4.2. The Contractor shall submit invoices in a form satisfactory to the State no later than the tenth (10th) working day of each month, which identifies and requests reimbursement for authorized expenses incurred in the prior month. The Contractor agrees to keep detailed records of their activities related to Department-funded programs and services.

      4.2.1. Expenditure detail may be requested by the Department on an intermittent basis, which the Contractor must provide.

      4.2.2. Onsite reviews may be required.

   4.3. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice, subsequent to approval of the submitted invoice and if sufficient funds are available.

   4.4. In lieu of hard copies, all invoices may be assigned an electronic signature and emailed to DPHScontractbilling@dhhs.nh.gov, or invoices may be mailed to:

      Financial Administrator

      Department of Health and Human Services

      Division of Public Health

      29 Hazen Dr.

      Concord, NH 03301

Exhibit B

4.5. The final invoice shall be due to the State no later than forty (40) days after the date specified in Form P-37, Block 1.7 Completion Date.

4.6. Payments may be withheld pending receipt of required reports or documentation as identified in Exhibit A, Scope of Services and in this Exhibit B.

5. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjusting encumbrances between State Fiscal Years within the price limitation may be made without obtaining approval of the Governor and Executive Council, upon written agreement of both parties.

SPECIAL PROVISIONS

Contractors Obligations: The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
   - 7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
   - 7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

8. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:
   8.1. Fiscal Records: books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.
   8.2. Statistical Records: Statistical, enrollment, attendance or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.
   8.3. Medical Records: Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

9. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.
   9.1. Audit and Review: During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.
   9.2. Audit Liabilities: In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

10. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

11. **Reports:** Fiscal and Statistical: The Contractor agrees to submit the following reports at the following times if requested by the Department.
    11.1. Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.
    11.2. Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

12. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

13. **Credits:** All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:
    13.1. The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

14. **Prior Approval and Copyright Ownership:** All materials (written, video, audio) produced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution or use. The DHHS will retain copyright ownership for any and all original materials produced, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports. Contractor shall not reproduce any materials produced under the contract without prior written approval from DHHS.

15. **Operation of Facilities: Compliance with Laws and Regulations:** In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

16. **Equal Employment Opportunity Plan (EEOP):** The Contractor will provide an Equal Employment Opportunity Plan (EEOP) to the Office for Civil Rights, Office of Justice Programs (OCR), if it has received a single award of $500,000 or more. If the recipient receives $25,000 or more and has 50 or

more employees, it will maintain a current EEOP on file and submit an EEOP Certification Form to the OCR, certifying that its EEOP is on file. For recipients receiving less than $25,000, or public grantees with fewer than 50 employees, regardless of the amount of the award, the recipient will provide an EEOP Certification Form to the OCR certifying it is not required to submit or maintain an EEOP. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption. EEOP Certification Forms are available at: http://www.ojp.usdoj/about/ocr/pdfs/cert.pdf.

17. **Limited English Proficiency (LEP):** As clarified by Executive Order 13166, Improving Access to Services for persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with the Omnibus Crime Control and Safe Streets Act of 1968 and Title VI of the Civil Rights Act of 1964, Contractors must take reasonable steps to ensure that LEP persons have meaningful access to its programs.

18. **Pilot Program for Enhancement of Contractor Employee Whistleblower Protections:** The following shall apply to all contracts that exceed the Simplified Acquisition Threshold as defined in 48 CFR 2.101 (currently, $150,000)

    CONTRACTOR EMPLOYEE WHISTLEBLOWER RIGHTS AND REQUIREMENT TO INFORM EMPLOYEES OF WHISTLEBLOWER RIGHTS (SEP 2013)

    (a) This contract and employees working on this contract will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239) and FAR 3.908.

    (b) The Contractor shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation.

    (c) The Contractor shall insert the substance of this clause, including this paragraph (c), in all subcontracts over the simplified acquisition threshold.

19. **Subcontractors:** DHHS recognizes that the Contractor may choose to use subcontractors with greater expertise to perform certain health care services or functions for efficiency or convenience, but the Contractor shall retain the responsibility and accountability for the function(s). Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.
    When the Contractor delegates a function to a subcontractor, the Contractor shall do the following:
    19.1. Evaluate the prospective subcontractor's ability to perform the activities, before delegating the function
    19.2. Have a written agreement with the subcontractor that specifies activities and reporting responsibilities and how sanctions/revocation will be managed if the subcontractor's performance is not adequate
    19.3. Monitor the subcontractor's performance on an ongoing basis

19.4. Provide to DHHS an annual schedule identifying all subcontractors, delegated functions and responsibilities, and when the subcontractor's performance will be reviewed

19.5. DHHS shall, at its discretion, review and approve all subcontracts.

If the Contractor identifies deficiencies or areas for improvement are identified, the Contractor shall take corrective action.

DEFINITIONS

As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean that section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Wherever federal or state laws, regulations, rules, orders, and policies, etc. are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc. as they may be amended or revised from the time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

REVISIONS TO GENERAL PROVISIONS

1. Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:

   4. CONDITIONAL NATURE OF AGREEMENT.
   Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

2. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

   10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

   10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

   10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

   10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

   10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

3. The Division reserves the right to renew the Contract for up to two (2) additional years, subject to the continued availability of funds, satisfactory performance of services and approval by the Governor and Executive Council.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   1.2. Establishing an ongoing drug-free awareness program to inform employees about
      1.2.1. The dangers of drug abuse in the workplace;
      1.2.2. The grantee's policy of maintaining a drug-free workplace;
      1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
      1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
      1.4.1. Abide by the terms of the statement; and
      1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted
    1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
    1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

CERTIFICATION REGARDING LOBBYING

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABLITY ACT
BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

Contractor Initials [signature]

Date 3/29/18

l. "<u>Required by Law</u>" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "<u>Secretary</u>" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "<u>Security Rule</u>" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "<u>Unsecured Protected Health Information</u>" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. <u>Other Definitions</u> - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) **<u>Business Associate Use and Disclosure of Protected Health Information.</u>**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- o The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- o The unauthorized person used the protected health information or to whom the disclosure was made;
- o Whether the protected health information was actually acquired or viewed
- o The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) **Obligations of Covered Entity**

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) **Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) **Miscellaneous**

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.
In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.
The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:
The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

Contractor Name: Health First Family Care Center

Name: Richard D. Silverberg
Title: CEO/President

FORM A

As the Contractor identified in Section 1.3 of the General Provisions, I certify that the responses to the below listed questions are true and accurate.

1. The DUNS number for your entity is: 026 459417

2. In your business or organization's preceding completed fiscal year, did your business or organization receive (1) 80 percent or more of your annual gross revenue in U.S. federal contracts, subcontracts, loans, grants, sub-grants, and/or cooperative agreements; and (2) $25,000,000 or more in annual gross revenues from U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements?

   __X__ NO   ______ YES

   If the answer to #2 above is NO, stop here

   If the answer to #2 above is YES, please answer the following:

3. Does the public have access to information about the compensation of the executives in your business or organization through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C.78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986?

   ______ NO   __X__ YES

   If the answer to #3 above is YES, stop here

   If the answer to #3 above is NO, please answer the following:

4. The names and compensation of the five most highly compensated officers in your business or organization are as follows:

   Name: ____________ Amount: ________

   Name: ____________ Amount: ________

   Name: ____________ Amount: ________

   Name: ____________ Amount: ________

   Name: ____________ Amount: ________

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or

consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not

use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.
3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.

7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.
9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2

5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a whole, must have aggressive intrusion-detection and firewall protection.
6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.

2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the

scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer, and additional email addresses provided in this section, of any security breach within two (2) hours of the time that the Contractor learns of its occurrence. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

Contractor Initials RMS

Date 3/29/18

a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

b. safeguard this information at all times.

c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer, Information Security Office and Program Manager of any Security Incidents and Breaches within two (2) hours of the time that the Contractor learns of their occurrence.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and
5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

HEALTHFIRST
FAMILY CARE CENTER inc.
841 CENTRAL STREET, FRANKLIN, NH 03235

7.2.2.5 Description of organization: HealthFirst as a (FQHC) Federally Qualified Health Center serves the Twin Rivers and Lakes regions of New Hampshire through two primary offices located in Franklin since 1996 and Laconia since 2005. The agency has a budget just under $5.1 million, a staff of 52 individuals and provides the 19 required federally listed Bureau Primary Health Care program services and all the services required in this RFP. We server an area with a population of over 84,000 in 24 municipalities. HealthFirst has contracted with the state of New Hampshire Division of Maternal and Child Health, Oral Health Services, Breast and Cervical Cancer Services for many years. In order to carry out the services of this proposal, all services will be performed by direct members of the staff of HealthFirst. We do not have any subsidiaries, no other parent corporations or holdings. Our main administrative offices are located at 841 Central St., Franklin, NH 03235, 603-934-0177. We have a second major site at 22 Strafford St., Laconia NH 03246, and a specialty site at Genesis Behavioral Health in Laconia. HealthFirst has primary health care contracts with the State of New Hampshire for Maternal and Child Health, general primary health care services. Breast and cervical cancer outreach, Children's Community Based Oral health services. We have major commitment through a contract with the Bureau of Primary Health Care through the US Department Health Resources and Services Administration (HRSA) on the federal level for all 19 required FQHC services. HealthFirst is also very involved and committed to our work with the public health networks, the integrated delivery network (IDN) 1115 waiver project in which our CEO serves as chairman of the board for the Winnipesaukee public health Council and treasurer for the board for the IDN for region five. HealthFirst has additional commitments to have an active client navigator program development and doubling in size of our MAT medication assisted treatment program through a contract with Bi-State Primary Care Association.

HEALTHFIRST
FAMILY CARE CENTER Inc.
841 CENTRAL STREET, FRANKLIN, NH 03235

Mission statement of the organization follows:

It is the mission of
HealthFirst Family Care Center, Inc. to provide high quality primary healthcare, treatment, prevention and education services required by the residents of the service area, regardless of inability to pay or insurance status, depending upon available HealthFirst resources.

HealthFirst coordinates and cooperates with other community and regional health care providers to assure the people of the region the fullest possible range of health and prevention services.

7.2.2.5.2 HealthFirst is a full-service Federally Qualified Health Center offering family practice medicine, fully integrated behavioral health into primary care, to all regardless of insurance status or ability to pay.

The agency offers specialty programs in prenatal services, chronic disease care management services for individuals throughout the lifecycle, with specialized services for pediatrics, and adults of all ages, integrated nutritionist, BCCP outreach ad screening services and health educators provide services using a team approach. Samples of recent special agency accomplishments: An expansion of youth oral health outreach with special foundation grants, the fully integrated Behavioral health with inserted Primary care program called One health we do with Genesis Behavioral Health, Extensive work with IDN 5 on developing our regional HIT infrastructure our Broad based integration of primary care SUD and Behavioral health services across our community treatment teams and extensive development of new care coordination teams. In addition, HealthFirst offers community and population health programs and prevention activity through joint efforts in our regional public health network, the Winnipesaukee public health network. We are very engaged and take a leadership role in our public health network emergency preparedness council and work with the integrated delivery network, Community Health Services Council. HealthFirst is a Patient Centered Medical Home Level 3 certified by NQCA. During the 2016-17 program year, HealthFirst has seen 4583 individuals for 16798 visits. Our active patient population panel is 7413 individuals. HealthFirst has continually grown

to meet the needs of those in need of services in the Twin Rivers and Lakes Region, since our inception 1996. HealthFirst has a very accomplished record of receiving quality awards for exemplary patient outcomes on many measures, Hemoglobin A1c, BMI, asthma control, childhood vaccinations, pneumonia vaccine, colorectal screening, and many others from the federal Bureau of Primary Health Care. These have included recognition and cash awards. HealthFirst is an innovator in the region and the state with early adoption of and long-standing use of electronic medical record and decision support software.

7.2.2.5.3 HealthFirst is capable of effectively completing the services outlined the RFP. We have many strengths that are considered an asset to the program. We have 22 years of successfully obtaining state and federal contracts for services and large grants to develop and deliver community based services. These efforts have an excellent record of Clean audits with no findings.
We have received recognition for consistently meeting outcome metrics and have very satisfied patients. HealthFirst is approved in 2017 for the second time for all sites as a patient centered medical home level 3 the highest level by NQCA. We have won several federal bureaus of primary care quality awards for excellent clinical outcomes . HealthFirst utilizes a full Electronic medical record Centricity EMR with CHAN community Health Access Network which assures accurate up to date secure charting on all client activity. We regularly update our QA/QI plans and have over 140 measures of clinical outcomes and financial health, to monitor the agency functioning. We have experienced and dedicated staff at all levels of the organization who are committed to the mission of service to all regardless of income or insurance status and providing service excellence . HealthFirst staff is very involved in regional, state wide and national collaborative learning effort to enhance our services and learn and adopt best practices. For the past 22 years HealthFirst has been a regional leader in bringing new service to the region and providing high quality service to the Twin Rivers and Lakes region. HealthFirst teams up with other community health centers through the Community Health Access Network (CHAN) to develop very specific data gathering analysis methods used in reporting of the outcomes on breast and cervical cancer screening, colorectal cancer screening over hundreds of participating patients, SBIRT substance abuse brief intervention and referral to treatment, and special tracking methods for clients in our ever expanding substance abuse treatment programs . We track over 140 Clinical and financial outcome indicators and compare them to our clinical networks showing the health outcomes of our primary care and behavioral health efforts striving for ways to improve efficiency and service outcomes.

7.2.2.5.4 HealthFirst has over 22 years experience providing comprehensive community health services. Our integrated behavioral health in primary care program outreach and oral health emergency pain relief programs have drawn interest from others and have been copied by others due to their success. We have long and successful breast and cervical cancer, and colorectal screening and children's oral health in schools and other similar services involving community outreach to individuals In the Twin Rivers and Lakes region through our sites in Laconia Franklin. The agency has been a leader in our region in developing community based prevention programs in suicide , alcohol and drug abuse and smoking with our public health network.

HealthFirst has experienced staff who have delivered this type of service under previous contracts from state office of primary health care and Maternal and Child Health for the past 20 years. The particular staff members who is Qa/Qi Clinical manager has 4 years of experience working this type of program and has received recognition for innovation efforts in stimulating staff to perform quality work.

Our practice Manager has over 25 years of experience in practice management and developing service excellence to clients in outpatient settings . Our Human resources and billing staff are very accomplished in the rules regulations and policies and carrying out their functions in professional manner. The CFO has 20 years of experience in nonprofits and for the last seven years has help keep the agency in the black through the recession and many legislative changes that affected the overall options for billable services provided by the organization of the organization . The CEO has 35 year of leadership experience in Health care and has led HealthFirst since its start in 1996 . HealthFirst medical and Behavioral health providers have collectively won quality awards for integrated services and high performance on quality out comes . The primary outreach staff for this program has over 10 years of experience working with outreach and enabling services. The primary care providers at HealthFirst are trained and have many years of experience working with men women and children on doing screenings and early identification in; Substance abuse, Through SBIRT, Behavioral health and chronic diseases such and diabetes and heart disease. We have well-established referral relationships with mammography laboratory, dental and specialty medical services.

7.2.3.2.4. A Bidder, which is part of a consolidated financial statement, may file the audited consolidated financial statements if it includes the consolidating schedules as supplemental information. A Bidder, which is part of a consolidated financial statement, but whose certified consolidated financial statements do not contain the consolidating schedules as supplemental information, shall, in addition to the audited consolidated financial statements, file unaudited financial statements for the Bidder alone accompanied by a certificate of authenticity signed by an officer of the corporation, partner, or owner under penalty of unsworn falsification which attests that the financial statements are correct in all material respects.

HealthFirst is not part of a consolidated agency; therefore, we do not have consolidated statements.

HEALTHFIRST
FAMILY CARE CENTER inc.
841 CENTRAL STREET, FRANKLIN, NH 03235

7.2.3.2.5. If a bidder is not otherwise required by either state or federal statute to obtain a certification of audit of its financial statements, and thereby elects not to obtain such certification of audit, the bidder shall submit as part of its proposal:

HealthFirst is required as a FQHC and a 5013© to do a Federal 133A.

FINANCIAL STATEMENTS

and

REPORTS IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS* AND *THE UNIFORM GUIDANCE*

September 30, 2016 and 2015

With Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT

Board of Directors
HealthFirst Family Care Center, Inc.

Report on Financial Statements

We have audited the accompanying financial statements of HealthFirst Family Care Center, Inc. (the Organization), which comprise the balance sheets as of September 30, 2016 and 2015, and the related statements of operations and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Bangor, ME • Portland, ME • Manchester, NH • Charleston, WV
www.berrydunn.com

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of HealthFirst Family Care Center, Inc. as of September 30, 2016 and 2015, and the results of its operations, changes in its net assets and its cash flows for the years then ended in accordance with U.S. generally accepted accounting principles.

Other Matter

Our audit was conducted for the purposes of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 7, 2017 on our consideration of HealthFirst Family Care Center, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering HealthFirst Family Care Center, Inc.'s internal control over financial reporting and compliance.

Organization

HealthFirst Family Care Center, Inc. (the Organization) is a non-stock, non-profit corporation organized in the State of New Hampshire. The Organization is a Federally Qualified Health Center (FQHC) providing high-quality primary healthcare, treatment, prevention, and education services required by the residents in the Twin Rivers Region of New Hampshire, commensurate with available resources, and coordinating and cooperating with other community and regional healthcare providers to ensure the people of the region the fullest possible range of health services.

1. Summary of Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Organization is a public charity under Section 501(c)(3) of the Internal Revenue Code. As a public charity, the Organization is exempt from state and federal income taxes on income earned in accordance with its tax-exempt purpose. Unrelated business income is subject to state and federal income tax. Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits and exclude assets limited as to use.

Allowance for Uncollectible Accounts

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts by analyzing its past history and identification of trends for patient balances for all funding sources in the aggregate. Management regularly reviews data about revenue in evaluating the sufficiency of the allowance for uncollectible accounts. Amounts not collected after all reasonable collection efforts have been exhausted are applied against the allowance for uncollectible accounts.

A reconciliation of the allowance for uncollectible accounts follows:

	2016	2015
Balance, beginning of year	$ 60,000	$ 100,000
Provision	360,209	439,124
Write-offs	(355,209)	(479,124)
Balance, end of year	$ 65,000	$ 60,000

The decrease in the allowance for uncollectible accounts and provision is primarily a result of a decrease in patient accounts receivable balances due to improved collections.

Grants Receivable

Grants receivable are stated at the amount management expects to collect from outstanding balances. All such amounts are considered collectible.

Investment in Limited Liability Company

The Organization is one of eight partners who each made a capital contribution of $500 to Primary Health Care Partners (PHCP). The purposes of PHCP are: (i) to engage and contract directly with the payers of health care to influence the design and testing of emerging payment methodologies; (ii) to achieve the three part aim of better care for individuals, better health for populations and lower growth in expenditures in connection with both governmental and non-governmental payment systems; (iii) to undertake joint activities to offer access to high quality, cost effective medical, mental health, oral health, home care and other community-based services, based upon the Patient-Centered Medical Home model of primary care delivery, that promote health and well-being by developing and implementing effective clinical and administrative systems in a manner that is aligned with the FQHC model, and to lead collaborative efforts to manage costs and improve the quality of primary care services delivered by health centers operated throughout the state of New Hampshire; and (iv) to engage in any and all lawful activities, including without limitation the negotiation of contracts, agreements and/or arrangements (with payers and other parties). The Organization's investment in PHCP is reported using the equity method and the investment amounted to $16,203 at December 31, 2015, the last reporting period of PHCP.

Assets Limited As To Use

Assets limited as to use consist of cash set aside under loan agreements for repairs and maintenance on the real property collateralizing the loan and assets designated by the Board of Directors.

Property and Equipment

Property and equipment are carried at cost, less accumulated depreciation. Maintenance, repairs and minor renewals are expensed as incurred and renewals and betterments are capitalized. Provision for depreciation is computed using the straight-line method over the useful lives of the related assets.

Gifts of long-lived assets, such as land, buildings, or equipment, are reported as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used, and gifts of cash or other assets that must be used to acquire long-lived assets or used to extinguish debt related to long-lived assets, are reported as restricted support. In the absence of explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated, acquired long-lived assets are placed in service, or when gifts of cash are used for the extinguishment of debt related to long-lived assets.

Patient Service Revenue

Patient service revenue is reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

340B Drug Pricing Program

The Organization, as an FQHC, is eligible to participate in the 340B Drug Pricing Program. This program requires drug manufacturers to provide outpatient drugs to FQHCs and other identified entities at a reduced price. The Organization contracts with local pharmacies under this program. The local pharmacies dispense drugs to eligible patients of the Organization and bill Medicare and commercial insurances on behalf of the Organization. Reimbursement received by the pharmacies is remitted to the Organization, less dispensing and administrative fees. Gross revenue generated from the program is included in patient service revenue. The cost of drug replenishments and contracted expenses incurred related to the program are included in other operating expenses.

Charity Care

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, they are not reported as net patient service revenue.

Functional Expenses

The Organization provides various services to residents within its geographic location. Expenses related to providing these services are as follows:

	2016	2015
Program services	**$ 3,706,855**	$ 3,130,981
Administrative and general	**719,234**	628,204
Total	**$ 4,426,089**	$ 3,759,185

Excess of Revenue Over Expenses

The statements of operations reflect the excess of revenue over expenses. Changes in unrestricted net assets which are excluded from the excess of revenue over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which, by donor restriction, were to be used for the purposes of acquiring such assets).

Subsequent Events

For purposes of the preparation of these financial statements, management has considered transactions or events occurring through February 7, 2017, the date that the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

Effective December 2, 2016, the Organization entered into a purchase and sale agreement with the owner of the Organization's medical office located in Franklin, New Hampshire to purchase the property on or before June 30, 2017.

2. Assets Limited as to Use

Assets limited as to use are as follows:

	2016	2015
U.S. Department of Agriculture Rural Development (Rural Development) loan agreements	**$ 94,200**	$ 84,368
Designated by the governing board for		
Working capital	**40,000**	40,000
Capital acquisition and maintenance	**12,013**	12,007
Total	**$ 146,213**	$ 136,375

HEALTHFIRST FAMILY CARE CENTER, INC.

Notes to Financial Statements

September 30, 2016 and 2015

3. Property and Equipment

Property and equipment consists of the following:

	2016	2015
Building and improvements	$ 1,684,182	$ 1,684,182
Leasehold improvements	103,276	129,687
Furniture and equipment	309,473	527,194
Total cost	2,096,931	2,341,063
Less accumulated depreciation	698,876	869,414
Property and equipment, net	$ 1,398,055	$ 1,471,649

4. Line of Credit

The Organization has a $300,000 line of credit arrangement with a local bank payable on demand, through March 2017, with interest of 5.5% at September 30, 2016. The Organization may borrow up to a maximum of 75% of accounts receivable. The outstanding balance on the line of credit was $23,279 and $52,279 at September 30, 2016 and 2015, respectively. Borrowings on the line of credit are collateralized by all of the Organization's business assets. The line of credit contains a minimum debt service coverage covenant requirement which was met at September 30, 2016.

5. Long-Term Debt

Long-term debt consists of the following:

	2016	2015
4.125% promissory note payable to Rural Development, through March 2037, paid in monthly installments of $8,186, including interest. The note is collateralized by all tangible property owned by the Organization.	$ 1,356,032	$ 1,401,474
Less current portion	43,088	45,442
Long-term debt, less current portion	$ 1,312,944	$ 1,356,032

Maturities of long-term debt for the next five years are as follows:

2017	$ 43,088
2018	44,925
2019	46,813
2020	48,781
2021	50,832

6. Patient Service Revenue

Patient service revenue is as follows:

	2016	2015
Gross charges	**$ 3,989,671**	$ 3,757,905
Less: Contractual adjustments	**(1,128,671)**	(979,123)
Sliding fee scale adjustments	**(129,465)**	(129,009)
Medical patient service revenue	**2,731,535**	2,649,773
340B pharmacy revenue	**385,436**	329,673
Total patient service revenue	**$ 3,116,971**	$ 2,979,446

The Organization has agreements with the Centers for Medicare & Medicaid Services (Medicare) and New Hampshire Medicaid. Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. Management believes that the Organization is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare and Medicaid programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known.

A summary of the payment arrangements with major third-party payers follows:

Medicare

The Organization is reimbursed for the care of qualified patients on a prospective basis, with retroactive settlements related to vaccine costs only. The prospective payment is based on a geographically-adjusted rate determined by federal guidelines. Overall, reimbursement is subject to a maximum allowable rate per visit. The Organization's Medicare cost reports have been audited by the Medicare administrative contractor through September 30, 2015.

Medicaid and Other Payers

The Organization also has entered into payment agreements with Medicaid, certain commercial insurance carriers, health maintenance organizations, and preferred provider organizations. The basis for payment to the Organization under these agreements includes prospectively-determined rates per visit and discounts from established charges.

The Organization provides care to clients who meet certain criteria without charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, they are not reported as revenue. The Organization estimates the costs associated with providing charity care by calculating the ratio of total cost to total gross charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. The estimated cost of providing services to patients under the Organization's charity care policy was $154,063 and $141,910 for the years ended September 30, 2016 and 2015, respectively.

The Organization is able to provide these services with a component of funds received through local community support and federal and state grants. Local community support consists of contributions, and United Way and municipal appropriations.

7. Retirement Plan

The Organization has a contributory defined contribution plan covering eligible employees. The Organization contributed $53,779 and $33,364 for the years ended September 30, 2016 and 2015, respectively.

8. Commitments and Contingencies

Medical Malpractice

The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of September 30, 2016, there were no known malpractice claims outstanding which, in the opinion of management, will be settled for amounts in excess of both FTCA and medical malpractice insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

Leases

The Organization leases office space and certain other office equipment under noncancelable operating leases. Future minimum lease payments under these leases are:

2017	$ 64,061
2018	65,519
2019	67,007
2020	68,522
2021	70,066
Thereafter	53,437
Total	$ 388,612

Lease expense was $59,514 and $62,815 in 2016 and 2015, respectively.

9. Concentration of Risk

The Organization has cash deposits in major financial institutions which exceed federal depository insurance limits. The financial institutions have a strong credit rating and management believes the credit risk related to these deposits is minimal.

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payer agreements. Following is a summary of gross accounts receivable, by funding source:

	2016	2015
Medicare	27 %	36 %
Medicaid	37 %	40 %
Other	36 %	24 %
Total	100 %	100 %

HEALTHFIRST FAMILY CARE CENTER, INC.

Notes to Schedule of Expenditures of Federal Awards

Year Ended September 30, 2016

1. Basis of Presentation

The schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of HealthFirst Family Care Center, Inc. (the Organization). The information in this schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of HealthFirst Family Care Center, Inc..

2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Pass-through entity identifying numbers are presented where available. The Organization has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
HealthFirst Family Care Center, Inc.

We have audited, in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of HealthFirst Family Care Center, Inc. (the Organization), which comprise the balance sheet as of September 30, 2016, and the related statements of operations and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 7, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors
HealthFirst Family Care Center, Inc.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR THE MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors
HealthFirst Family Care Center, Inc.

Report on Compliance for the Major Federal Program

We have audited HealthFirst Family Care Center, Inc.'s (the Organization's) compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on its major federal program for the year ended September 30, 2016. The Organization's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for the Organization's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with U.S. generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on the Major Federal Program

In our opinion, HealthFirst Family Care Center, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended September 30, 2016.

Board of Directors
HealthFirst Family Care Center, Inc.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Dollar threshold used to distinguish between Type A and Type B programs: $750,000

Auditee qualified as low-risk auditee?	☐	Yes	☑	No

2. Financial Statement Findings

None.

3. Federal Award Findings and Questioned Costs

None.

HEALTHFIRST FAMILY CARE CENTER, INC.

Summary Schedule of Prior Audit Findings

Year Ended September 30, 2016

Finding Number: 2015-001

Condition Found

Cash and checks received at the time of the patient visit are forwarded to the billing manager by the front desk staff for reconciliation and are then provided to the accounting assistant to prepare the deposit. Checks received through the mail are forwarded to the accounting assistant by the administrative assistant to prepare the deposit. The deposits are maintained by the chief financial officer (CFO) until the deposit is made. There is currently no independent verification that all cash and checks received were properly deposited. Both the billing manager and accounting assistant have access to adjust patient balances in the billing system.

Recommendation

We recommended the following related to cash and checks received at the time of the patient visit: the billing manager should verify each deposit agrees with his/her reconciliation as a mitigating control for the accounting assistant's and CFO's access to the cash receipts. We also recommended the CFO verify amounts included on the deposits agree with the carbon copy receipt maintained by the front desk at least monthly as a mitigating control to the billing manager's access to the cash receipts. We recommended the following related to checks received through the mail: The administrative assistant should verify that each deposit agrees with his/her log.

Action Taken

The billing manager added a reconciliation signature line to the front-desk daily log sheet for cash receipts. The billing manager now signs off on each front-desk "cash box daily reconciliation sheet", which records patient received cash & checks, to verify that the amounts shown on these sheets match with each bank deposit slip. The billing manger notes on each bank deposit slip by initialing and adding the date when each deposit reconciliation was completed.

The CFO performs random monthly audits of the front-desk receipt books to verify that front-desk records of cash receipts from patients match with deposited amounts.

Status: Corrected

HEALTHFIRST FAMILY CARE CENTER, INC.

Summary Schedule of Prior Audit Findings (Continued)

Year Ended September 30, 2016

Finding Number	2015-002
Condition Found	During our testing of the internal controls over payroll, we noted time sheets for 6 of 22 hourly employees did not have a supervisory signature.
Recommendation	Time sheets for both hourly and salary staff should include supervisory review in accordance with the Organization's policy. Additionally, the CFO should sign and date the payroll reports when received as evidence of review.
Action Taken	A process has been put in place to assure that supervisors/managers are reviewing and signing off on their direct report's time sheets. The administration assistant at each location receives the time sheets for each pay period on the day payroll is processed. They review each of the time sheets to ensure employee and supervisor signatures are executed. If not, they take the time sheet back for the appropriate review and signature. Once they have all been obtained, time sheets are then forwarded for payroll processing. Once completed payroll documents are received by front-desk, they are given to CFO un-opened. CFO opens PayChex package, reviews payroll register and signs front cover that documents have been reviewed.
Status	Corrected

HEALTHFIRST FAMILY CARE CENTER, INC.

Summary Schedule of Prior Audit Findings (Continued)

Year Ended September 30, 2016

Finding Number — 2015-003

Condition Found

During our testing of the internal controls over billing, we noted 6 of 42 encounters were billed at the incorrect rate as a result of a number of different circumstances; 1 of 42 bills did not include a procedure code as the code was inactive in the billing system; and 1 of 2 sliding fee scale adjustments was applied to a patient balance when the sliding fee application had expired.

Recommendation

We recommended the billing manager perform a detailed review of a sample of claims and related patient activity prior to claim submission. We also recommended management stress the importance of timely follow-up on denials to ensure maximum collections on services billed.

Action Taken

The billing department has developed and documented a process for the certified coding specialist that allows for some charges prior to claim submission to be reviewed. The certified coder's process of conducting regular and detailed audits of claims before submission includes the review of proper coding, chart documentation, charges applied and patient information all prior to claim submission. This claims audit process is completed no less than weekly for two or three claims, but not less than ten claims monthly.

Status — Corrected

HEALTHFIRST FAMILY CARE CENTER, INC.

Summary Schedule of Prior Audit Findings (Continued)

Year Ended September 30, 2016

Finding Number — 2015-004

Condition Found

During our testing of journal entries, we noted all journal entries were posted by the CFO. There is currently no supervisory review of the journal entries.

Recommendation

We recommended the accounting assistant be trained to prepare reconciliations and post journal entries and these journal entries be reviewed by the CFO. In the event where a journal entry is posted by the CFO, we recommended the chief executive officer review the entry. We further recommend all journal entries be supported by the underlying documents and reconciliations and the signature and date of the preparer and reviewer.

Action Taken

The finance team was expanded for a part-time data entry position to to create better separation of duties. All posting of journal entries to the general ledger have been pushed down from the CFO to the accounting assistant. The CFO reviews and approves all journal entries by signing an "unposted general ledger transaction report" before any posting of journal entries is done.

Status — Corrected

HEALTHFIRST FAMILY CARE CENTER, INC.

Summary Schedule of Prior Audit Findings (Continued)

Year Ended September 30, 2016

Finding Number	2015-005
Condition Found	During our testing of the board composition, we noted that 5 of 12 members were clients of the Organization which is only 42% client representation, not a majority.
Recommendation	We recommend management continue to actively engage in new member recruitment, with an emphasis on clients of the Organization.
Action Taken	The following outlines the plan that was put into place for recruiting additional client representatives to the board: (1) Identifying potential board members; (2) Soliciting names of appropriate client candidates from HealthFirst Family Care Center staff,via email and staff meetings; (3) Posters about the role of the board and their importance to the center are prominently posted in HealthFirst waiting and public spaces; (4) Informational flyers about the Board of Directors and the need for consumer members are available to clients at check-in; (5) Notices included in mailings sent to all HealthFirst clients asking for their help; and, (6) Asking clients with an interest in serving on the board, to make their interest known to staff, or the Board Nominating Committee Chairperson. As a result of the efforts outlined above, the Organization was able to recruit enough additional clients as board members to exceed the majority requirement.
Status	Corrected

HEALTHFIRST FAMILY CARE CENTER, INC.

Summary Schedule of Prior Audit Findings (Concluded)

Year Ended September 30, 2016

Finding Number: 2015-006

Condition Found

During our testing of the Federal Financial Report (FFR), we noted that the FFR was originally filed with amounts reported in the section that is to be completed when the grant has a match component. Program income was also reported however the FFR did not report the full amount of program income for the budget period. The FFR filing was rejected and a revised filing was completed with program income removed from the report. The Program does not have a match component and therefore the section should not have been completed. The Program required reporting of program income which was omitted.

Recommendation

We recommend a revised FFR be filed as soon as possible.

Action Taken

A revised FFR reporting the correct amount of program income for the budget period was submitted on 1/12/2016.

Antrim Girls Shelter (Antrim, NH)
2005 – 2012

- Medical Director of rural based Residential Facility
- A court ordered resident facility for troubled adolescent girls
- My responsibilities involve coordination of care, diagnosis and treatment

Westside Healthcare and Franklin Pediatrics (Franklin, NH)
1993 – 2005

- A rural hospital owned Pediatric Practice that was in 2002 combined with a hospital owned Family Practice to become Westside Healthcare
- Assess, diagnose and treat patients including well-woman and sports physicals

- Provide on-going Health Education at the Franklin Middle School regarding adolescent development, HIV and STD education as well as Franklin High School, Winnisquam Middle School and Tilton Prep School
- Develop HIV education program for middle and high school students through the NH Department of Education
- Proposal written and granted for an Adolescent Health Training Program which has been ongoing since spring, 1994

Proctor Academy (Andover, NH) Private Prep School
1994 – 2005

- Conduct a Friday morning Adolescent Health Clinic at Health Center

Andover Elementary School (Andover, NH) Elementary School
1990 – 2005

- Responsibilities included yearly sports physicals for sixth, seventh and eighth graders

Merrimack Home, Health and Hospice (Merrimack, NH)
1985 – 2005

- Provide child health services to children and adolescents on a monthly basis including physical assessment, treatment of common childhood illnesses and immunization updates

Colby Sawyer College, Baird Health Center (New London, NH)
1985 – 1993

- Provide primary care to college age adults. Assess, diagnose and treat students
- Provide on-going health education on campus with classroom lectures, evening seminars and dorm meetings

Lake Sunapee Home Health and Hospice (Newport, NH)
1991 – 1995

- Monthly well-child clinic with same responsibilities as above

Douglas O'Meara, MD (New London, NH)
1990 – 1991

- Covered Pediatric Practice independently three mornings per week with a Family Practitioner until Pediatric coverage could be arranged

Robert Schumacher, MD (Franklin, NH)
1981 – 1984

- Dr Schumacher had been my preceptor while in the Nurse Practitioner Program at Northeastern and I joined him in a busy General Pediatrics practice in which he delivered babies, did home deliveries and saw a diversified pediatric clientele. Together we started school-based clinics, an adolescent medicine program and early outreach initiatives in Franklin, NH, an impoverished mill town

Nashua Public Health Department (Nashua, NH)
1983 – 1984

- This is a Nurse Practitioner based clinic, the only well and sick child clinic in the state run by a Nurse Practitioner. A physician, Dr. Emery Kaplan was available for consultation and referral, but was not based at the clinic

St. Jude Hospital (Vieux Fort, St. Lucia, West Indies)
1983 – 1988

- I volunteered for a month each year in this impoverished Third World country. My role was the assessment, examination and treatment of patients in a busy clinic, under the supervision of Dr. Jack Moore, a Board Certified Pediatrician. In this role, I functioned as both a nurse and Nurse Practitioner

Lebanon Area Health Council (Lebanon, NH)
1976 – 1978

- Coordinated, supervised and participated in well-child clinics, prepared and administered the clinic budgets for Lebanon Area health Council. Initiated and implemented preventative health and education programs such as poison control, car safety, and dental clinics

Licensure:

Education

St Joseph Hospital School of Practical Nursing

5 Woodward St, Nashua NH Graduated 1995 – Diploma Nurse

[redacted] CPR : American Heart until 07/2016

Jiselle G Bogardus

Hello,

I am a highly motivated Licensed Practical Nurse with more than 20 yrs of experience in a variety of medical settings. The main areas of nursing skills have been obtained in Family Practice and Internal Medicine. I have acquired skills in phlebotomy, obstetrics, vasectomy, endoscopy and many office procedures.

I have made it a point to be a team player in order to have the optimal outcome for our clients by way of:

-Supporting staff with experience in policies and procedures

-Sharing information or resources that will benefit our clients and ease the work for our staff

-Educating our clients with insurance policies, restrictions and trying to achieve a satisfaction level with our clients and their expectations

-Strengthening my communication skills, both with English and Spanish speaking clients in order to accurately relay results or recommendations given by the provider

-Aiding the provider, in any way possible, in order to facilitate the encounter with their patients.

I am looking forward to interviewing with you to discuss my potential contributions.

Jiselle G Bogardus

Laurie J. Carpenter

Clinical Application Analyst

07/2010 - 06/2012 Speare Memorial Hospital Plymouth, NH

Responsible for the clinical applications for the Meditech system used at the hospital. Created documentation screens for ICU, Obstetrics, ER, and Oncology/Infusion clinic. Created Provider Order Entry order sets and trained providers and other staff members on the use of the new order system. Implemented Bedside Medication Verification in the ER and OR as well as the Oncology/Infusion clinic. Implemented computerized documentation in the ICU, Obstetrics, ER and Oncology Units. Oriented new employees monthly on the Meditech computer system. Trained all employees on the new documentation systems. Managed tasks with the Meditech company for clinical applications including Nursing, Laboratory, Emergency Room, Operating Room, Provider Order Entry.

Per Diem ICU RN/Nursing Supervisor

07/2010 - 06/2012 Speare Memorial Hospital Plymouth, NH

I continued to work per diem in ICU and as a Nursing Supervisor during my time as an application Analyst to keep my skills current.

Staff Nurse/Nursing Supervisor

10/2005 - 07/2010 Speare Memorial Hospital Plymouth, NH

I worked at times as a Per Diem staff nurse in ICU, PACU/Ambulatory Surgery and on the Medical Surgical Unit and then became Nursing Supervisor for the hospital at night and on the weekends reporting to the Chief Nursing Officer. Management of staffing for the various departments to cover sick calls and staff shortages. In 2006 I began working part time in the ICU on the night shift and later changed to full time on the day shift in the ICU. I also occasionally worked extra shifts as Supervisor when needed. The ICU unit was also responsible for the cardiac monitoring on the patients on the Medical Surgical Unit who were on Telemetry monitors. There were many patients on ventilators, tube feedings, arterial lines and central lines. Many days after the ambulatory surgical unit closed the ICU was responsible for PACU services.

Travel RN

12/2004 - 09/2005 Nurses in Partnership, Inc Agoura Hills, CA

I worked in a 36 bed ICU in Jacksonville, Florida for 3 13-week contracts. There were many varied types of critical patients, many on ventilators with arterial lines, central lines, tube feedings. I learned bedside medication verification and computerized documentation in this position.

Staff Nurse

02/2002 - 11/2004 Speare Memorial Hospital Plymouth, NH

I worked per diem in the ICU, Medical Surgical Unit and Ambulatory Surgery/PACU.

Staff Nurse

11/1998 - 06/2001 Miami Heart Institute Miami Beach, FL

Worked in PACU caring for all post-operative and post-endoscopy patients including care of ICU patients until transfer to ICU. Also responsible for assisting with cardioversions, central line insertions and monitoring during moderate sedation for any procedures requiring that.

Staff Nurse

02/1996 - 08/1998 Hinchingbrooke Hospital Huntingdon

Worked per diem on various Medical Surgical Units and in the PACU. Later took a part-time position on a GYN Medical Surgical Unit caring for acute care female patients after many surgeries including cancer surgeries.

RN

Manchester Allergy

-

Manchester, NH

Various duties as Registered Nurse, including performing telephone triage, administering immunotherapy injections, allergy skin testing, assisting with patient flow, calling in prescriptions, documenting in patient files, and maintaining patient records. The position requires sound judgment and analytical skills for appropriate telephone assessment and triage of patients in distress.

Registered Nurse

Maxim Health Care

September 2012

Part time assignments have ranged from home care of pediatric patients in need of ventilator and tracheostomy care to administering flu vaccines at health fairs and flu shot clinics, to performing basic health screenings and education at wellness clinics.

Clinical Nurse II

Elliot Hospital ICU

September 2010

Perform the duties of a registered nurse in caring for acutely ill, medically complex patients with a range of disorders, often including respiratory failure and multi-system organ failure. In this position I have honed my assessment skills by performing a thorough head-to-toe assessment of each body system for every patient twice a shift. In addition, I have managed many patients on ventilators, patients with tracheostomies and peg tubes. I have managed complex titration of sedation and cardiovascular medication drips to maintain patient comfort, while closely monitoring patient response to preserve blood pressure and other vital signs at or close to normal ranges. I successfully manage hourly insulin drip titration, sometimes for multiple patients. I frequently manage patients placed on heparin drips, which must be adjusted according to a protocol based on the patient's partial thromboplastin time. These patients must be closely monitored or signs and symptoms of bleeding, as well as monitoring for any additional thrombotic events. I must frequently administer rapid fluid boluses as needed for septic patients based on patient urine output and/or cardiovascular indicators, such as blood pressure and central venous pressure. I have performed thorough, hourly neurological assessments on stroke and craniotomy patients to detect subtle but important changes in patient condition. I have cared for GI bleed patients, monitoring signs of bleeding, blood pressure changes and hemoglobin and hematocrit levels. This position required clear communication and frequent updates with physicians and other members of the care team, including respiratory therapists and pharmacists, to ensure coordinated and high quality care for patients. The position also requires sound judgment, accurate administration and titration of medications, and the ability to communicate and work well with others on the medical team.

Education

Masters

Rivier University

Associate in Nursing

Manchester Community College

Russell A. Howard

Objectives

Flexible, self-motivated, and highly organized Family Nurse Practitioner seeking a position serving a medically underserved rural community. I desire to be part of a multi-disciplinary health care team dedicated to strengthening the health of my community.

Marc Moawad

Licensed Marriage and Family Therapist (LMFT# 97372)

I am a Licensed Marriage and Family Therapist with training and experience including; three years therapy in schools (grades K-12), two years with low income and county funded mental health, a year and a half within hospital outpatient therapy, and four years in a private practice treating traumatic brain injuries, impairments due to various functional limitations, and military veterans with trauma exposure. Additional experience includes eight years of administration, and ten years of management experience, and eight years honorable service in the United States Marine Corps.

Willing to relocate: Anywhere

Authorized to work in the US for any employer

WORK EXPERIENCE

Licensed Marriage and Family Therapist

Terkensha Associates - Sacramento, CA - 2017-01 - 2017-07

Conduct clinical assessments, diagnose mental health disorders, develop comprehensive treatment plans and provide direct therapy for children, young adults and families in a community based treatment setting. Utilized evidence-based interventions including trauma-informed therapy, cognitive behavioral therapies, and crisis assessment and treatment.

-Coordinate with caregivers, teachers, psychiatrists, medical staff, CPS and county workers, and members of community.

-Participate in treatment and discharge planning activities, in-service training programs and clinical case presentations.

-Conduct peer review and utilization review and supervisory activities for up to four case managers and behavioral specialists.

-Ensure comprehensive discharge planning and development of aftercare plans.

Psychological Assistant

Advance Counseling Center - Lancaster, CA - 2012-12 - 2016-12

Worked as part of an interdisciplinary team of physicians, psychologists, and psychiatrists to provide specialized treatments including biofeedback, for patients with traumatic brain injuries, impairments due to various functional limitations, and military veterans with trauma exposure. Additionally, prepared written records and statistical representations of outcomes.

Psychological Assistant

Ridgecrest Regional Hospital - Ridgecrest, CA - 2015-01 - 2016-06

Worked with an interdisciplinary team of psychiatrists, medical staff, case managers and community resources to provide outpatient mental health treatment for hospital patients (children and adults). Utilized updated research and best practices using empirical bases interventions to cconduct clinical assessments, diagnose mental health disorders, and develop comprehensive treatment plans.

-Performed other duties as assigned, including but not limited to: maintain client information and electronic health record per HIPAA confidentiality standards, complete clinical documentation in a timely manner, complete authorization and billing forms, provide case consultation, and perform case management.

Behavioral Therapist

College Community Services - Ridgecrest, CA - 2012-08 - 2015-01

Participated with an interdisciplinary team of therapists, psychiatrists, nurse practitioners, and case managers to provide comprehensive treatment for adults, children, groups and families. Conducted therapeutic interviews, developed mental health diagnoses, crated treatment plans, and provided mental health treatment and crisis intervention consultation as needed.

-Evaluate data and identify results of treatment to determine reliability and validity of services.

-Document and maintain medical record according to requirements of company and regulatory agencies.

-Participated in program development and staff in-service trainings, and assisted management staff in training and teaching of case managers and clinical staff (parenting, domestic violence, anger management).

Behavioral Therapist

Outreach Concern - Santa Ana, CA - 2010-09 - 2012-06

Provided psychotherapy for students (K-12) in a school-based counseling, to overcome obstacles that impact academic performance. Provided one-on-one and group therapy.

Administrative Assistant

Argosy University - Orange, CA - 2008-08 - 2010-08

Performed administrative and office support activities for multiple supervisors. Duties included managing telephone calls, receiving and directing visitors, word processing, and creating spreadsheets and presentations.

Executive Administrative Assistant and Office Management

AppleOne Staffing Agency - Orange County, CA - 2006-09 - 2008-06

Provided high-level administrative support by conducting research, preparing statistical reports, handling information requests, and performing clerical functions such as preparing correspondence, receiving visitors, arranging conference calls, and scheduling meetings. Trained and supervised clerical staff as needed.

Administrative Assistant

University of South Florida - Tampa, FL - 2004-08 - 2006-08

Performed administrative and office support activities for multiple supervisors including; managing telephone calls, receiving and directing visitors, word processing, creating spreadsheets and presentations, and filing.

Administrative Assistant/Assistant Veteran Advisor

Pasco Hernando Community College - Pasco County, FL - 2002-08 - 2004-08

Assisted the Veteran Advisor to develop educational plans and provide advising and support to active duty military, veterans, department of defense civilian employees with attaining education and training.

-Performed administration functions including; research, word processing, spreadsheets and presentation software, managing telephone calls, filing, and data entry.

Team Leader/Supervisor (Non-Commissioned Officer)

United States Marine Corps - Camp Pendleton, CA - 1998-08 - 2002-08

Performed intelligence analysis, logistics support, information processing procedures, protective and security services and management, risk management, safety and occupational health, surveillance and monitoring techniques, and conducted work performance evaluation for up to 12 service members.

1.18 Approval by the Governor and Executive Council *(if applicable)* By:		On:	

2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.
3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.18, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.14 ("Effective Date").
3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.
5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.
5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.
5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.
5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.
6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. This may include the requirement to utilize auxiliary aids and services to ensure that persons with communication disabilities, including vision, hearing and speech, can communicate with, receive information from, and convey information to the Contractor. In addition, the Contractor shall comply with all applicable copyright laws.
6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.
6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.
7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.
7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this

Contractor Initials DAC
Date 3/28/18

Agreement. This provision shall survive termination of this Agreement.
7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.
8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):
8.1.1 failure to perform the Services satisfactorily or on schedule;
8.1.2 failure to submit any report required hereunder; and/or
8.1.3 failure to perform any other covenant, term or condition of this Agreement.
8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:
8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;
8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;
8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or
8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

9. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.
9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.
9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.
9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. TERMINATION. In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS. The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice and consent of the State. None of the Services shall be subcontracted by the Contractor without the prior written notice and consent of the State.

13. INDEMNIFICATION. The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.
14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:
14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000per occurrence and $2,000,000 aggregate ; and
14.1.2 special cause of loss coverage form covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.
14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

Contractor Initials MAC
Date 3/28/18

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than thirty (30) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each certificate(s) of insurance shall contain a clause requiring the insurer to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than thirty (30) days prior written notice of cancellation or modification of the policy.

15. WORKERS' COMPENSATION.
15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation").*
15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

19. CONSTRUCTION OF AGREEMENT AND TERMS. This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

Contractor Initials KAC
Date 3/28/18

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances for all reimbursable services rendered. The Department shall be the payor of last resort.

1.4. Preventative and Primary Health Care, as well as related Care Management and Enabling Services shall be provided to individuals of all ages, statewide, who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income (defined as <185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. The Contractor shall remain in compliance with all applicable state and federal laws for the duration of the contract period, including but not limited to:

1.5.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.5.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.5.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care Services for new patients is limited or closed for more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

2.2. The Contractor shall assist individuals with completing a Medicaid/Expanded Medicaid and other health insurance application when income calculations indicate possible Medicaid eligibility.

2.3. The Contractor shall maximize billing to private and commercial insurances for all reimbursable services rendered.

2.4. The Contractor shall post a notice in a public and conspicuous location noting that no individual will be denied services for an inability to pay.

2.5. The Contractor shall develop and implement a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall make the sliding fee scale available to the Department upon request.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a New Hampshire licensed Medical Doctor (MD), Doctor of Osteopathic Medicine (DO), Advanced Practice Registered Nurse (APRN) or Physician Assistant (PA) to eligible individuals in the service area.

3.2. The Contractor shall ensure primary care services include, but are not limited to:

3.2.1. Reproductive health services.

3.2.2. Perinatal health services including but not limited to access to obstetrical services either on-site or by referral.

3.2.3. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.2.4. Integrated behavioral health services.

3.2.5. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.2.6. Assessment of need and follow-up/referral as indicated for:

3.2.6.1. Tobacco cessation, including referral to QuitWorks-NH, www.QuitWorksNH.org.

3.2.6.2. Social services.

3.2.6.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management Education (DSME) as recommended by American Diabetes Association (ADA).

3.2.6.4. Nutrition services, including Women, Infants and Children (WIC) Food and Nutrition Service, as appropriate;

3.2.6.5. Screening, Brief Intervention and Referral to Treatment (SBIRT) services, including but not limited to contact with the Regional Public Health Network Continuum of Care Development Initiative.

3.2.6.6. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.3. The Contractor shall provide care management for individuals enrolled for

primary care services, which includes, but is not limited to:

3.3.1. Integrated and coordinated services that ensure patients receive necessary care, including behavioral health and oral care when and where it is needed and wanted, in a culturally and linguistically appropriate manner.

3.3.2. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.3.3. Care facilitated by registries; information technology; health information exchanged.

3.4. The Contractor shall provide and facilitate enabling services, which are non-clinical services that support the delivery of basic primary care services, and facilitate access to comprehensive patient care as well as social services that include, but are not limited to:

3.4.1. Benefit counseling.

3.4.2. Health insurance eligibility and enrollment assistance.

3.4.3. Health education and supportive counseling.

3.4.4. Interpretation/translation for individuals with Limited English Proficiency or other communication needs.

3.4.5. Outreach, which may include the use of community health workers.

3.4.6. Transportation.

3.4.7. Education of patients and the community regarding the availability and appropriate use of health services.

4. Quality Improvement

4.1. The Contractor shall develop, define, facilitate and implement a minimum of two (2) Quality Improvement (QI) projects, which consist of systematic and continuous actions that lead to measurable improvements in health care services and the health status of targeted patient groups.

4.1.1. One (1) quality improvement project must focus on the performance measure as designated by MCHS. (Defined as Adolescent Well Visits for SFY 2018 – 2019)

4.1.2. The other(s) will be chosen by the vendor based on previous performance outcomes needing improvement.

4.2. The Contractor shall utilize Quality Improvement Science to develop and implement a QI Workplan for each QI project. The QI Workplan will include:

4.2.1. Specific goals and objectives for the project period; and

4.2.2. Evaluation methods used to demonstrate improvement in the quality, efficiency, and effectiveness of patient care.

4.3. The Contractor shall include baseline measurements for each area of

improvement identified in the QI projects, to establish health care services and health status of targeted patient groups to be improved upon.

4.4. The Contractor may utilize activities in QI projects that enhance clinical workflow and improve patient outcomes, which may include, but are not limited to:

4.4.1.1. EMR prompts/alerts.

4.4.1.2. Protocols/Guidelines.

4.4.1.3. Diagnostic support.

4.4.1.4. Patient registries.

4.4.1.5. Collaborative learning sessions.

5. Staffing

5.1. The Contractor shall ensure all health and allied health professions have the appropriate, current New Hampshire licenses whether directly employed, contracted or subcontracted.

5.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

5.3. The Contractor shall notify the Maternal and Child Health Section (MCHS), in writing, of any newly hired administrator, clinical coordinator or any staff person essential to providing contracted services and include a copy of the individual's resume, within thirty (30) days of hire.

5.4. The Contractor shall notify the MCHS, in writing, when:

5.4.1. Any critical position is vacant for more than thirty (30) days;

5.4.2. There is not adequate staffing to perform all required services for any period lasting more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

6. Coordination of Services

6.1. The Contractor shall participate in activities within their Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

6.1.1. Community needs assessments;

6.1.2. Public health performance assessments; and

6.1.3. Regional health improvement plans under development.

6.2. The Contractor shall participate in and coordinate public health activities, as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

7. Required Meetings & Trainings

7.1. The Contractor shall attend meetings and trainings facilitated by the MCHS programs that include, but are not limited to:

7.1.1. MCHS Agency Directors' meetings;

7.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year, which may require attendance by agency quality improvement staff; and

7.1.3. MCHS Agency Medical Services Directors' meetings.

8. Workplans, Outcome Reports & Additional Reporting Requirements

8.1. The Contractor shall collect and report data as detailed in Exhibit A-1 "Reporting Metrics" according to the Exhibit A-2 "Report Timing Requirements".

8.2. The Contractor shall submit reports as defined within Exhibit A-2 "Report Timing Requirements".

8.3. The Contractor shall submit an updated budget narrative, within thirty (30) days of the contract execution date and annually, as defined in Exhibit A-2 "Report Timing Requirements". The budget narrative shall include, at a minimum;

8.3.1. Staff roles and responsibilities, defining the impact each role has on contract services;

8.3.2. Staff list, defining;

8.3.2.1. The Full Time Equivalent percentage allocated to contract services, and;

8.3.2.2. The individual cost, in U.S. Dollars, of each identified individual allocated to contract services.

8.4. In addition to the report defined within Exhibit A-2 "Report Timing Requirements", the Contractor shall submit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9. On-Site Reviews

9.1. The Contractor shall permit a team or person authorized by the Department to periodically review the Contractor's:

9.1.1. Systems of governance.

9.1.2. Administration.

9.1.3. Data collection and submission.

9.1.4. Clinical and financial management.

9.1.5. Delivery of education services.

9.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

9.2.1. Client records.

9.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

9.3. The Contractor shall take corrective actions, as advised by the review team, if services provided are not in compliance with the contract requirements.

10. Performance Measures

10.1. The Contractor shall ensure that the following performance indicators are annually achieved and monitored quarterly to measure the effectiveness of the agreement:

10.1.1. Annual improvement objectives shall be defined by the vendor and submitted to the Department. Objectives shall be measurable, specific and align to the provision of primary care services defined within Exhibit A-1 "Reporting Metrics"

1. **Definitions**

1.1. **Measurement Year –** Measurement Year consists of 365 days and is defined as either:

1.1.1. The calendar year, (January 1st through December 31st); or

1.1.2. The state fiscal year (July 1st through June 30th).

1.2. **Medical Visit –** Medical visit is defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System

1.7. **NH MCHS –** New Hampshire Maternal and Child Health Section

2. **MCHS PRIMARY CARE PERFORMANCE MEASURES**

2.1. **Breastfeeding**

2.1.1. Percent of infants who are ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. **Preventive Health: Lead Screening**

2.2.1. Percent of children three (3) years of age who had two (2) or more capillary or venous lead blood test for lead poisoning by their third birthday. (NH MCHS).

2.2.1.1. Numerator: All patient children who received at least one capillary or venous lead screening test between nine (9) months to eighteen (18) months of age **AND** one (1) capillary or venous lead screening test between nineteen (19) to thirty (30) months of age.

2.2.1.2. Denominator: All patient children who turned three (3) years old during the measurement year that had at least one (1) medical visit during the measurement year.

Contractor Initials: [handwritten initials]

Date: 3/28/18

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents, twelve (12) through twenty-one (21) years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients ages twelve (12) and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients twelve (12) years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

2.4.2.1. Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative PLUS women who screened positive AND have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

2.5.1. Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented (NQF 0421, UDS).

2.5.1.1. Normal parameters: Age 65 and older BMI ≥ 23 and < 30

2.5.1.2. Age 18 through 64 BMI ≥ 18.5 and < 25

2.5.1.3. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.4. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.5. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year or prior year AND who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco use one or more times during their most recent visit OR within twenty-four (24) months of the most

Contractor Initials: [signature]

Date: 3/28/18

recent visit and received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who delivered a live birth in the measurement year.

2.6.2.4. Definitions:

2.6.2.4.1. Tobacco Use: Includes any type of tobacco

2.6.2.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

2.7. At Risk Population: Hypertension

2.7.1. Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90mmHG) during the measurement year (NQF 0018).

2.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm HG at the time of their last measurement.

Contractor Initials: DAC
Date: 3/28/18

2.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension (must have been diagnosed with hypertension 6 or more months before the measurement date) who had at least one (1) medical visit during the measurement year. (Excludes pregnant women and patients with End Stage Renal Disease.)

2.8. **Patient Safety: Falls Screening**

2.8.1. Percent of patients aged 65 years and older who were screened for fall risk at least once within 12 months (NH MCHS).

2.8.1.1. Numerator: Patients who were screened for fall risk at least once within the measurement year.

2.8.1.2. Denominator: All patients aged 65 years and older seen by a health care provider within the measurement year.

2.9. **SBIRT**

2.9.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention and/or referral to services.

2.9.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.1.3. Denominator: Number of patients aged 18 years and older seen for annual/preventive visit within the measurement year.

2.9.1.4. Definitions:

2.9.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.9.1.4.2. Brief Intervention: Includes guidance or counseling.

2.9.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.9.2. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are

enrolled in the prenatal program AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

2.9.2.2. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

Exhibit A-2 – Report Timing Requirements

1.1. **Primary Care Services Reporting Requirements**

1.1.1. The reports are required due on the date(s) listed, or, in years where the date listed falls on a non-business day, reports are due on the Friday immediately prior to the date listed.

1.1.2. The Vendor is required to complete and submit each report, following instructions sent by the Department

1.1.3. An updated budget narrative must be provided to the Department, within thirty (30) days of contract approval. The budget narrative must include, at a minimum;

1.1.3.1. Staff roles and responsibilities, defining the impact each role has on contract services

1.1.3.2. Staff list, defining;

1.1.3.2.1. The Full Time Equivalent percentage allocated to contract services, and;

1.1.3.2.2. The individual cost, in U.S. Dollars, of each identified individual allocated to contract services.

1.2. **Annual Reports**

1.2.1. The following reports are required annually, on or prior to;

1.2.1.1. March 31st;

1.2.1.1.1. Uniform Data Set (UDS) Data tables reflecting program performance for the previous calendar year;

1.2.1.1.2. Budget narrative, which includes, at a minimum;

1.2.1.1.2.1. Staff roles and responsibilities, defining the impact each role has on contract services

1.2.1.1.2.2. Staff list, defining;

1.2.1.1.2.2.1. The Full Time Equivalent percentage allocated to contract services, and;

1.2.1.1.2.2.2. The individual cost, in U.S. Dollars, of each

Contractor Initials: NRC

Date: 3/28/18

identified individual allocated to contract services.

1.2.1.2. July 31st;

1.2.1.2.1. Summary of patient satisfaction survey results obtained during the prior contract year;

1.2.1.2.2. Quality Improvement (QI) Workplans, Performance Outcome Section

1.2.1.2.3. Enabling Services Workplans, Performance Outcome Section

1.2.1.3. September 1st;

1.2.1.3.1. QI workplan revisions, as needed;

1.2.1.3.2. Enabling Service Workplan revisions, as needed;

1.2.1.3.3. Correction Action Plan (Performance Measure Outcome Report), as needed;

1.3. **Semi-Annual Reports**

1.3.1. Primary Care Services Measure Data Trend Table (DTT), due on;

1.3.1.1. July 31, 2018 (measurement period July 1– June 30) and;

1.3.1.2. January 31 (measurement period January 1 – December 31).

1.4. **The following report is required 30 days following the end of each quarter, beginning in State Fiscal Year 2018;**

1.4.1. Perinatal Client Data Form (PCDF);

1.4.1.1. Due on April 30, July 31, October 31 and January 31

Contractor Initials: DAC

Date: 3/28/18

Method and Conditions Precedent to Payment

1. The State shall pay the contractor an amount not to exceed the Form P-37, Block 1.8, Price Limitation for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.

2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon meeting the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov) #93.994, Maternal and Child Health Services Block Grant to the States

3. The Contractor shall not use or apply contract funds for capital additions, improvements, entertainment costs or any other costs not approved by the Department.

4. Payment for services shall be as follows:

   4.1. Payments shall be on a cost reimbursement basis for approved actual costs in accordance with Exhibits B-1 through Exhibit B-3.

   4.2. The Contractor shall submit invoices in a form satisfactory to the State no later than the tenth (10th) working day of each month, which identifies and requests reimbursement for authorized expenses incurred in the prior month. The Contractor agrees to keep detailed records of their activities related to Department-funded programs and services.

      4.2.1. Expenditure detail may be requested by the Department on an intermittent basis, which the Contractor must provide.

      4.2.2. Onsite reviews may be required.

   4.3. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice, subsequent to approval of the submitted invoice and if sufficient funds are available.

   4.4. In lieu of hard copies, all invoices may be assigned an electronic signature and emailed to DPHScontractbilling@dhhs.nh.gov, or invoices may be mailed to:

      Financial Administrator

      Department of Health and Human Services

      Division of Public Health

      29 Hazen Dr.

      Concord, NH 03301

Exhibit B

4.5. The final invoice shall be due to the State no later than forty (40) days after the date specified in Form P-37, Block 1.7 Completion Date.

4.6. Payments may be withheld pending receipt of required reports or documentation as identified in Exhibit A, Scope of Services and in this Exhibit B.

5. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjusting encumbrances between State Fiscal Years within the price limitation may be made without obtaining approval of the Governor and Executive Council, upon written agreement of both parties.

SPECIAL PROVISIONS

Contractors Obligations: The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
   7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
   7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

8. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:
   8.1. Fiscal Records: books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.
   8.2. Statistical Records: Statistical, enrollment, attendance or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.
   8.3. Medical Records: Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

9. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.
   9.1. Audit and Review: During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.
   9.2. Audit Liabilities: In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

10. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

11. **Reports:** Fiscal and Statistical: The Contractor agrees to submit the following reports at the following times if requested by the Department.
    11.1. Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.
    11.2. Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

12. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

13. **Credits:** All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:
    13.1. The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

14. **Prior Approval and Copyright Ownership:** All materials (written, video, audio) produced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution or use. The DHHS will retain copyright ownership for any and all original materials produced, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports. Contractor shall not reproduce any materials produced under the contract without prior written approval from DHHS.

15. **Operation of Facilities: Compliance with Laws and Regulations:** In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

16. **Equal Employment Opportunity Plan (EEOP):** The Contractor will provide an Equal Employment Opportunity Plan (EEOP) to the Office for Civil Rights, Office of Justice Programs (OCR), if it has received a single award of $500,000 or more. If the recipient receives $25,000 or more and has 50 or

more employees, it will maintain a current EEOP on file and submit an EEOP Certification Form to the OCR, certifying that its EEOP is on file. For recipients receiving less than $25,000, or public grantees with fewer than 50 employees, regardless of the amount of the award, the recipient will provide an EEOP Certification Form to the OCR certifying it is not required to submit or maintain an EEOP. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption. EEOP Certification Forms are available at: http://www.ojp.usdoj/about/ocr/pdfs/cert.pdf.

17. **Limited English Proficiency (LEP):** As clarified by Executive Order 13166, Improving Access to Services for persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with the Omnibus Crime Control and Safe Streets Act of 1968 and Title VI of the Civil Rights Act of 1964, Contractors must take reasonable steps to ensure that LEP persons have meaningful access to its programs.

18. **Pilot Program for Enhancement of Contractor Employee Whistleblower Protections:** The following shall apply to all contracts that exceed the Simplified Acquisition Threshold as defined in 48 CFR 2.101 (currently, $150,000)

    CONTRACTOR EMPLOYEE WHISTLEBLOWER RIGHTS AND REQUIREMENT TO INFORM EMPLOYEES OF WHISTLEBLOWER RIGHTS (SEP 2013)

    (a) This contract and employees working on this contract will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239) and FAR 3.908.

    (b) The Contractor shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation.

    (c) The Contractor shall insert the substance of this clause, including this paragraph (c), in all subcontracts over the simplified acquisition threshold.

19. **Subcontractors:** DHHS recognizes that the Contractor may choose to use subcontractors with greater expertise to perform certain health care services or functions for efficiency or convenience, but the Contractor shall retain the responsibility and accountability for the function(s). Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.
    When the Contractor delegates a function to a subcontractor, the Contractor shall do the following:
    19.1. Evaluate the prospective subcontractor's ability to perform the activities, before delegating the function
    19.2. Have a written agreement with the subcontractor that specifies activities and reporting responsibilities and how sanctions/revocation will be managed if the subcontractor's performance is not adequate
    19.3. Monitor the subcontractor's performance on an ongoing basis

19.4. Provide to DHHS an annual schedule identifying all subcontractors, delegated functions and responsibilities, and when the subcontractor's performance will be reviewed
19.5. DHHS shall, at its discretion, review and approve all subcontracts.

If the Contractor identifies deficiencies or areas for improvement are identified, the Contractor shall take corrective action.

DEFINITIONS
As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean that section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Wherever federal or state laws, regulations, rules, orders, and policies, etc. are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc. as they may be amended or revised from the time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

REVISIONS TO GENERAL PROVISIONS

1. Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:

   4. CONDITIONAL NATURE OF AGREEMENT.
   Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

2. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

   10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

   10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

   10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

   10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

   10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

3. The Division reserves the right to renew the Contract for up to two (2) additional years, subject to the continued availability of funds, satisfactory performance of services and approval by the Governor and Executive Council.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   1.2. Establishing an ongoing drug-free awareness program to inform employees about
      1.2.1. The dangers of drug abuse in the workplace;
      1.2.2. The grantee's policy of maintaining a drug-free workplace;
      1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
      1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
      1.4.1. Abide by the terms of the statement; and
      1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted
 1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, state, zip code) (list each location)

CERTIFICATION REGARDING LOBBYING

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

Contractor Name:

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABLITY ACT
BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) **Definitions**.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
    I. For the proper management and administration of the Business Associate;
    II. As required by law, pursuant to the terms set forth in paragraph d. below; or
    III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **<u>Obligations and Activities of Business Associate</u>.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- o The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- o The unauthorized person used the protected health information or to whom the disclosure was made;
- o Whether the protected health information was actually acquired or viewed
- o The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) l, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.
In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.
The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:
The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

Contractor Name:

3/28/18
Date

[signature]
Name:
Title: Interim CEO

FORM A

As the Contractor identified in Section 1.3 of the General Provisions, I certify that the responses to the below listed questions are true and accurate.

1. The DUNS number for your entity is: ________________

2. In your business or organization's preceding completed fiscal year, did your business or organization receive (1) 80 percent or more of your annual gross revenue in U.S. federal contracts, subcontracts, loans, grants, sub-grants, and/or cooperative agreements; and (2) $25,000,000 or more in annual gross revenues from U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements?

   ________ NO ________ YES

   If the answer to #2 above is NO, stop here

   If the answer to #2 above is YES, please answer the following:

3. Does the public have access to information about the compensation of the executives in your business or organization through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C.78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986?

   ________ NO ________ YES

   If the answer to #3 above is YES, stop here

   If the answer to #3 above is NO, please answer the following:

4. The names and compensation of the five most highly compensated officers in your business or organization are as follows:

   Name: ________________________ Amount: ____________

   Name: ________________________ Amount: ____________

   Name: ________________________ Amount: ____________

   Name: ________________________ Amount: ____________

   Name: ________________________ Amount: ____________

Contractor Initials DAC

Date 3/28/18

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or

consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not

use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.
3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.

7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.
9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2

5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a whole, must have aggressive intrusion-detection and firewall protection.
6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.

2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the

scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer, and additional email addresses provided in this section, of any security breach within two (2) hours of the time that the Contractor learns of its occurrence. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

b. safeguard this information at all times.

c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer, Information Security Office and Program Manager of any Security Incidents and Breaches within two (2) hours of the time that the Contractor learns of their occurrence.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and
5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

Independent Auditor's Report

To the Board of Directors
Indian Stream Health Center, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Indian Stream Health Center, Inc., which comprise the statement of financial position as of December 31, 2016, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards,* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Indian Stream Health Center, Inc. as of December 31, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards,* we have also issued our report dated July 12, 2017 on our consideration of Indian Stream Health Center, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Indian Stream Health Center, Inc.'s internal control over financial reporting and compliance.

Indian Stream Health Center, Inc.

Notes to Financial Statements
December 31, 2016

Note 1 - Organization and summary of significant accounting policies

Nature of operations

Indian Stream Health Center, Inc. (the "Center") is a non-stock, not-for-profit corporation organized in New Hampshire. The Center is a Federally Qualified Health Center (FQHC) which provides outpatient health care and disease prevention services to residents of rural communities located in New Hampshire, Vermont, and Maine.

The U.S. Department of Health and Human Services (the "DHHS") provides substantial support to the Center. The Center is obligated under the terms of the DHHS grants to comply with specified conditions and program requirements set forth by the grantor.

Basis of presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The Center reports information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted and permanently restricted. They are described as follows:

Unrestricted - Net assets that are not subject to explicit donor-imposed stipulations. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

Temporarily Restricted - Net assets whose use by the Center is subject to either explicit donor-imposed stipulations or by the operation of law that can be fulfilled by actions of the Center or that expire by the passage of time. At December 31, 2016, there were no temporarily restricted net assets.

Permanently Restricted - Net assets subject to explicit donor-imposed stipulations that they be maintained permanently by the Center and stipulate the use of income and/or appreciation as either unrestricted or temporarily restricted based on donor imposed stipulations or by operation of law. At December 31, 2016, there were no permanently restricted net assets.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and cash equivalents

The Center considers all highly liquid investments purchased with a maturity of three months or less to be cash equivalents.

Performance indicator

The statement of activities includes the change in net assets as the performance indicator.

Concentrations of credit risk

The Center's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents, patient service revenue and receivables and grants revenue and receivables.

The Center maintains cash in bank accounts which, at times, may exceed federally insured limits. The Center has not experienced any losses in such accounts and believes it is not exposed to any

significant credit risk for cash. As of December 31, 2016, there is approximately $1,002,000 of cash in excess of the federally insured limits.

Patient accounts receivable
The collection of receivables from third-party payors and patients is the Center's primary source of cash for operations and is critical to its operating performance. The primary collection risks relate to uninsured patient accounts and patient accounts for which the primary insurance payor has paid, but patient responsibility amounts (deductibles and copayments) remain outstanding. Patient receivables from third-party payors are carried at a net amount determined by the original charge for the service provided, less an estimate made for contractual adjustments or discounts provided to third-party payors.

Receivables due directly from patients are carried at the original charge for the service provided less discounts provided under the Center's charity care policy, less amounts covered by third-party payors and less an estimated allowance for doubtful accounts. Management determines the allowance for doubtful accounts by identifying troubled accounts and by historical experience applied to an aging of accounts. The Center considers accounts past due when they are outstanding beyond 60 days with no payment. The Center does not charge interest on past due accounts. Patient receivables are written off to the provision for uncollectible accounts when deemed uncollectible. Recoveries of receivables previously written off are recorded as a reduction of the provision for uncollectible accounts when received.

Inventory
Inventory consists of pharmaceutical drugs which are stated at the lower of cost or market, with cost determined on the first-in, first-out method.

Property and equipment
Property and equipment are recorded at cost and depreciated on a straight-line basis over the estimated useful life of each asset, which range from 3 to 40 years. Expenditures exceeding $5,000 are capitalized. Leasehold improvements are amortized over the shorter of the lease term or their respective estimated useful lives, which range from three to ten years.

Certain property and equipment have been purchased with grant funds received from DHHS. Such items or a portion thereof may be reclaimed by the federal government if not used to further the grant's objectives.

Expenditures for repairs and maintenance are charged to expense as incurred. For assets sold or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is reflected in the statement of activities.

Assets limited as to use
Assets limited as to use consist of assets designated by the board of directors as a working capital reserve.

Debt issuance costs
Debt issuance costs, net of accumulated amortization, are reported as a direct deduction from the face amount of the debt to which such costs relate. Amortization of debt issuance costs is reported as a component of interest expense and is computed using an imputed interest rate on the related loan.

Revenue recognition
Patient service revenue
The Center has agreements with third-party payors that provide for payments to the Center at amounts different from its established rates. Payment arrangements include predetermined fee schedules and discounted charges. Service fees are reported at the estimated net realizable amounts from patients, third-party payors and others for services rendered, including retroactive adjustments under reimbursement agreements with third-party payors, which are subject to audit by administrating agencies. These adjustments are accrued on an estimated basis and are adjusted in future periods as final settlements are determined.

The Center provides care to certain patients under Medicaid and Medicare payment arrangements. Laws and regulations governing the Medicaid and Medicare programs are complex and subject to interpretation. Compliance with such laws and regulations can be subject to future government review and interpretation as well as significant regulatory action. Self pay revenue is recorded at published charges with charitable care deducted to arrive at gross self-pay revenue. Contractual allowances are then deducted to arrive at net self-pay patient revenue.

Charity care and community benefits
The Center is open to all patients, regardless of their ability to pay. In the ordinary course of business, the Center renders services to patients who are financially unable to pay for healthcare. The Center provides care to these patients who meet certain criteria under its sliding fee discount policy without charge or at amounts less than the established rates. Charity care services are computed using a sliding fee scale based on patient income and family size. The Center maintains records to identify and monitor the level of sliding fee discount it provides. For uninsured self-pay patients that do not qualify for charity care, the Center recognizes revenue on the basis of its standard rates for services provided or on the basis of discounted rates, if negotiated or provided by policy. On the basis of historical experience, a significant portion of the Center's uninsured patients will be unable or unwilling to pay for the services provided. Thus, the Center records a significant provision for uncollectable accounts related to uninsured patients in the period the services are provided.

Community benefit represents the cost of services for Medicaid, Medicare and other public patients that the Center is not reimbursed for.

Based on the cost of patient services during the year ended December 31, 2016, charity care approximated $196,000, and community benefit approximated $2,098,000.

Pharmacy revenue
The Center participates in Section 340B of the Public Health Service Act ("PHS Act"), *Limitation on Prices of Drugs Purchased by Covered Entities*. Participation in this program allows the Center to purchase pharmaceuticals at discounted rates for prescriptions to eligible patients. The Center has an in-house pharmacy and also contracts with an outside pharmacy and records revenue based on the price of the pharmaceuticals dispensed.

Grants
Revenue from government grants and contracts designated for use in specific activities is recognized in the period when expenditures have been incurred in compliance with the grantor's requirements. Grants and contracts awarded for the acquisition of long-lived assets are reported as unrestricted nonoperating income, in the absence of donor stipulations to the contrary, during the fiscal year in which the assets are acquired. Cash received in excess of revenue recognized is recorded as deferred revenue. These grants require the Center to provide certain healthcare services during specified

periods. If such services are not provided during the periods, the governmental entities are not obligated to expend the funds allocated under the grants.

Contributions

Contributions are recorded as either unrestricted, when they are received with no donor stipulations, or as temporarily or permanently restricted revenue if they are received with donor stipulations that limit the use of the donated asset. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and are reported in the statement of activities as net assets released from restrictions. Donor restricted contributions whose restrictions are met or expire during the same fiscal year are recognized as unrestricted revenue. Conditional contributions are recognized in the period when expenditures have been incurred in compliance with the grantor's restrictions on the statement of activities.

Donated goods and services

Donated goods and services are recorded at fair value at the time of the donation.

In-kind contributions

In-kind contributions consist primarily of medical supplies and are recorded at the fair value of the supplies provided. The fair value of those goods as provided by the funding source is approximately $62,000 for the year ended December 31, 2016, and is recorded as grant revenue along with a corresponding charge to supplies and other on the statement of activities.

Income taxes

The Center was incorporated as a not-for-profit entity and is exempt from federal and state income tax under the provisions of the Internal Revenue Code Section 501(c)(3).

The Center has no unrecognized tax benefits at December 31, 2016. The Center's federal and state information returns prior to fiscal year 2013 are closed and management continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings.

The Center recognizes interest and penalties associated with tax matters, as operating expenses and includes accrued interest and penalties with accrued expenses in the statement of financial position.

Interest earned on federal funds

Interest earned on federal funds is recorded as a payable to United States Public Health Service ("PHS") in compliance with the regulations of the United States Office of Management and Budget.

Subsequent events

The Center has evaluated events and transactions through July 12, 2017, which is the date the financial statements were available to be issued.

Note 2 - Patient accounts receivable, net

Patient accounts receivable, net, consist of the following as of December 31, 2016:

Medicaid	$ 145,330
Medicare	38,549
Commercial insurance	6,702
Self-pay patients	58,441
	249,022
Less allowance for doubtful accounts	(23,487)
	$ 225,535

Patient accounts receivable are reduced by an allowance for doubtful accounts. In evaluating the collectability of patient accounts receivable, the Center analyzes its past history and identifies trends for each of its major payor sources of revenue to estimate the appropriate allowance for doubtful accounts and provision for uncollectible accounts. Management regularly reviews data about these major payor sources of revenue in evaluating the sufficiency of the allowance for doubtful accounts.

For receivables associated with services provided to patients who have third-party coverage, the Center analyzes contractually due amounts and provides an allowance for doubtful accounts and a provision for uncollectible accounts, if necessary (for example, for expected uncollectible deductibles and copayments on accounts for which the third-party payor has not yet paid, or for payors who are known to be having financial difficulties that make the realization of amounts due unlikely).

For receivables associated with self-pay patients (which includes both patients without insurance and patients with deductible and copayment balances due for which third-party coverage exists for part of the bill), the Center records a provision for uncollectible accounts in the period of service on the basis of its past experience, which indicates that many patients are unable or unwilling to pay the portion of their bill for which they are financially responsible. The difference between the standard rates (or the discounted rates provided by the Center's policy) and the amounts actually collected after all reasonable collection efforts have been exhausted is charged off against the allowance for doubtful accounts.

The Center's allowance for doubtful accounts was 9% of patient accounts receivable at December 31, 2016. The Center annually updates its charity care and uninsured discount policies. The Center had approximately $46,000 of write-offs during the year ended December 31, 2016.

Note 3 - Grants receivable and revenue

Grants receivable are evidenced by contracts with a variety of federal and state government agencies and, based on historical experience, management believes these receivables represent negligible credit risk. Accordingly, management has not established an allowance for doubtful accounts. Grants receivable at December 31, 2016 was $11,876.

The Center receives a significant amount of grants from DHHS. As with all government funding, these grants are subject to reduction or termination in future years. For the year ended December 31, 2016, grants from DHHS (including both direct awards and awards passed through other organizations) consisted of 93% of grant revenue.

Note 4 - Property and equipment

Property and equipment consisted of the following at December 31, 2016:

Land	$ 60,000
Furniture and equipment	135,370
Buildings and improvements	2,258,881
Total property and equipment	2,454,251
Construction in progress	167,617
	2,621,868
Less accumulated depreciation and amortization	(507,597)
	$ 2,114,271

The Center has made renovations to buildings with federal grant funding under the Capital Improvement Program and the Capital Development Program. In accordance with the grant agreements, a Notice of Federal Interest (NFI) is required to be filed in the appropriate official records of the jurisdiction in which the property is located. The NFI is designed to notify any prospective buyer or creditor that the Federal Government has a financial interest in the real property acquired under the aforementioned grant; that the property may not be used for any purpose inconsistent with that authorized by the grant program statute and applicable regulations; that the property may not be mortgaged or otherwise used as collateral without the written permission of the Associate Administrator of the Office of Federal Assistance Management, Health Resources and Services Administration (OFAM, HRSA); and that the property may not be sold or transferred to another party without the written permission of the Associate Administrator of OFAM and HRSA.

Note 5 - Long-term debt

Long-term debt consists of the following as of December 31, 2016:

Mortgage note, payable to a local bank in monthly installments of principal and interest of $2,466 with an interest rate fixed at 4.6% through December 2023 at which time the remaining principal is due; collateralized by a first mortgage on property and equipment with 90% of balance guaranteed by the United States Department of Agriculture. Unamortized loan costs were $4,471 as of December 31, 2016. Loan costs on the above loan are being amortized using an imputed interest rate of approximately 5.375%.	$ 176,787
Note payable to a local bank with an interest rate fixed at 4.6%, with monthly payments of principal and interest of $1,962 through December 2023, collateralized by a second mortgage on property and equipment with 90% of balance guaranteed by the United States Department of Agriculture.	140,968
	317,755
Less unamortized closing costs	(4,471)
Less current maturities	(40,568)
	$ 272,716

Aggregate annual maturities on long-term debt for the five years subsequent to December 31, 2016 and thereafter are as follows:

2017	$ 40,568
2018	41,247
2019	43,185
2020	45,214
2021	47,338
Thereafter	100,203
	$ 317,755

Interest expense incurred on all debt amounted to $15,518 for the year ended December 31, 2016.

In 2016, the Center adopted new authoritative GAAP guidance for the presentation of debt issuance costs and related amortization. Debt issuance costs are now reported on the statement of financial position as a direct reduction from the face amount of debt. Previously, such costs were shown as a deferred charge. The Center continues to reflect amortization of debt issuance costs as interest expense, in accordance with the new guidance.

Note 6 - Functional expenses

The Center provides health care services primarily to residents within its geographic area. Certain costs have been charged to health care services and general and administrative based on a combination of specific identification and allocation by management. Expenses related to providing these services are as follows for the year ended December 31, 2016:

Health care services	$ 4,689,478
General and administrative	1,382,214
	$ 6,071,692

Note 7 - Operating leases

The Center leases program and administrative space from an unrelated party through April, 2030. Future minimum lease payments for the five years subsequent to December 31, 2016 and thereafter are as follows:

2017	$ 5,505
2018	5,505
2019	5,505
2020	5,505
2021	5,929
Thereafter	53,467
	$ 81,416

Note 8 - Pension plan

The Center sponsors a SIMPLE IRA defined contribution plan that includes a 3% employer matching contribution. The Center contributed $54,046 to the plan during the year ended December 31, 2016.

Note 9 - Patient service revenue (net of contractual allowances and discounts)

The Center recognizes patient service revenue associated with services provided to patients who have Medicaid, Medicare and third party payor coverage on the basis of contractual rates for services rendered.

For the year ended December 31, 2016, patient service revenue, net of contractual allowances and discounts consists of the following:

Medicaid	$ 665,128
Medicare	1,106,055
Third-party payors	651,581
Self-pay patients	82,710
	$ 2,505,474

Medicaid and Medicare revenue is reimbursed to the Center at the net reimbursement rates determined by each program. Reimbursement rates are subject to revisions under the provision of reimbursement regulations. Adjustments for such revisions are recognized in the fiscal year incurred.

Note 10 - Commitments and contingencies

The Center has contracted with various funding agencies to perform certain healthcare services and receives Medicaid and Medicare revenue from federal, state and local governments. Reimbursements received under these contracts and payments from Medicaid and Medicare are subject to audit by federal, state and local governments and other agencies. Upon audit, if discrepancies are discovered, the Center could be held responsible for refunding the amounts in question.

The healthcare industry is subject to voluminous and complex laws and regulations of federal, state and local governments. Compliance with such laws and regulations can be subject to future government review and interpretation as well as regulatory actions unknown or unasserted at this time. These laws and regulations include, but are not necessarily limited to, matters such as licensure, accreditation, government healthcare program participation requirements, reimbursement laws and regulations, anti-kickback and anti-referral laws and false claims prohibitions.

In recent years, government activity has increased with respect to investigations and allegations concerning possible violations of reimbursement, false claims, anti-kickback and anti-referral statutes and regulation by healthcare providers. The Center believes that it is in material compliance with all applicable laws and regulations and is not aware of any pending or threatened investigations involving allegations of potential wrongdoing. Upon audit, if discrepancies are discovered, the Center could be held responsible for refunding the amounts in question.

The Center maintains its medical malpractice coverage under the Federal Tort Claims Act (the "FTCA"). The FTCA provides malpractice coverage to eligible PHS supported programs and applies to the Center and its employees while providing services within the scope of employment included under grant-related activities. The Attorney General, through the U.S. Department of Justice, has the responsibility for the defense of the individual and/or grantee for malpractice cases approved for FTCA coverage. The Center also maintains "claims made" gap insurance with coverage of $1,000,000 per claim and $3,000,000 in the aggregate.

Indian Stream Health Center, Inc.

Notes to Schedule of Expenditures of Federal Awards
December 31, 2016

Note 1 - Basis of presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of Indian Stream Health Center, Inc. (the "Center") under programs of the federal government for the year ended December 31, 2016. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Center, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Center.

Note 2 - Summary of significant accounting policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. The Center has elected to not use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

To the Board of Directors
Indian Stream Health Center, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Indian Stream Health Center, Inc. (the "Center"), which comprise the statement of financial position as of December 31, 2016, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated July 12, 2017.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Center's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs that we consider to be material weaknesses (Finding 2016.001).

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Center's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed an instance of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which is described in the accompanying schedule of findings and questioned costs as item 2016.001.

Indian Stream Health Center's Response to Finding

The Center's response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. The Center's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

This purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major Federal Program and Report on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Directors
Indian Stream Health Center, Inc.

Report on Compliance for Each Major Federal Program

We have audited Indian Stream Health Center, Inc.'s (the "Center") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Center's major federal programs for the year ended December 31, 2016. The Center's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Center's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Center's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Center's compliance.

Opinion on Each Major Federal Program

In our opinion, the Center complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2016.

Other Matters

The results of our auditing procedures disclosed instances of noncompliance, which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs as Findings 2016.002 and 2016.003. Our opinion on each major federal program is not modified with respect to these matters.

The Center's response to the noncompliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs. The Center's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control over Compliance

Management of the Center is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Center's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, we identified certain deficiencies in internal control over compliance, as described in the accompanying schedule of findings and questioned costs as Findings 2016.002 and 2016.003, that we consider to be significant deficiencies.

The Center's response to the internal control over compliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs. The Center's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Schedule of Findings and Questioned Costs
Year Ended December 31, 2016

Section I - Summary of Auditor's Results

Financial Statements

Type of report the auditor issued on whether the financial statements audited were prepared in accordance with GAAP:	Unmodified
Internal control over financial reporting	
• Material weakness(es) identified?	✓ yes ___ no
• Significant deficiency(ies) identified?	___ yes ✓ none reported
Noncompliance material to financial statements noted?	___ yes ✓ no

Federal Awards

Internal control over major programs	
• Material weakness(es) identified?	___ yes ✓ no
• Significant deficiency(ies) identified?	✓ yes ___ none reported
Type of auditor's report issued on compliance for major federal programs	Unmodified
Any audit findings disclosed that are required to be reported in accordance with 2 CFR 200.516(a)?	✓ yes ___ no

Identification of major programs

CFDA Number(s)	Name of Federal Program
	U.S. Department of Health and Human Services; Health Center Cluster:
93.224	Health Center Program
93.527	Grants for New and Expanded Services under the Health Center Program

Dollar threshold used to distinguish between type A and B programs $750,000

Auditee qualified as low-risk auditee? ___ yes ✓ no

Indian Stream Health Center, Inc.

Schedule of Findings and Questioned Costs
Year Ended December 31, 2016

Section II - Financial Statement Findings

Finding 2016.001 - Books and Records

Criteria
Reconciliation on a timely basis of books and records to ensure the financial statements are presented fairly in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Condition
A significant number of adjusting journal entries were necessary for proper reporting of the Center's financial position and activity. Some of these entries were determined by management after year-end and during the course of the audit.

Cause
This condition can be attributed to lack of adequate staff support in the finance department. As a result, the Center's finance department was not able to perform detailed reviews of certain accounts and adjust the books accordingly prior to the commencement of the audit.

Effect
This condition may lead to inaccurate financial reporting and potential misstatement of the financial statements such that they may not be in accordance with GAAP.

Identification as Repeat Finding
No.

Recommendation
We recommend that the Center review its current policies and procedures to ensure the timely reconciliation of accounts on a monthly basis.

Views of Responsible Officials and Planned Corrective Actions
The Center concurs with this recommendation. The Center has hired a controller in Q1 2017 and developed procedures for prompt monthly completion of bank reconciliations on all accounts plus reconciliations of all balance sheet accounts.

Section III - Federal Awards Findings and Questioned Costs

Finding 2016.002:	Time and Effort Reporting
Grantor:	U.S. Department of Health and Human Services
Federal Program Names:	Health Center Program Cluster, Health Center Program, Grants for New and Expanded Services under the Health Center Program
CFDA Numbers:	93.224 and 93.527

Criteria
The Uniform Guidance requires that time and effort reporting should be maintained that accounts for the total activity of employees and the programs/funding sources charged. These reports should conform to Uniform Guidance and the Center's policies.

Indian Stream Health Center, Inc.

Schedule of Findings and Questioned Costs
Year Ended December 31, 2016

Condition
The Center did not record the personnel costs allocated with grant programs to the general ledger through use of an identifier such as a cost center. The Center maintains a spreadsheet of employees whose wages are reimbursed by the grant.

Questioned Costs
None.

Cause
The general ledger system is linked to the Center's time management system, which was not currently set up to track cost centers associated with individual grants.

Effect
Certain personnel costs allocated to funding sources are not supported by after-the-fact time and effort reports.

Identification as Repeat Finding
No.

Recommendation
We recommend that the Center prepare after-the-fact time and effort reports in accordance with the regulations of the Uniform Guidance and the Center's policies. The Center should perform some quality control on the review and approval process of time and effort reporting periodically throughout the year. Lastly, the personnel costs should be allocated to the general ledger through the use of an identifier such as a cost center.

Views of Responsible Officials and Planned Corrective Actions
The Center concurs with this recommendation. A new accounting system with the ability to track by cost center and grant was implemented in Q2 2017. The center's payroll provider (ADP) is being contacted in July 2017 to ensure payroll by individual can be allocated by grant.

Finding 2016.003:	Report Filing
Grantor:	U.S. Department of Health and Human Services
Federal Program Names:	Health Center Program Cluster, Health Center Program, Grants for New and Expanded Services under the Health Center Program
CFDA Numbers:	93.224 and 93.527

Criteria
In accordance with the Uniform Guidance, quarterly reports of recipients of federal funds are required to be submitted within 30 days after the end of each fiscal quarter.

Condition
The Center did not submit their first quarterly report on a timely basis.

Questioned Costs
None.

Indian Stream Health Center, Inc.

Schedule of Findings and Questioned Costs
Year Ended December 31, 2016

Cause
The Center experienced staff turnover in its finance department at the beginning of the fiscal year. As a result, the Center's finance department experienced delays in filing some reports.

Effect
The Center did not comply with the appropriate rules and regulations as per the Uniform Guidance.

Identification as Repeat Finding
No.

Recommendation
The Center should implement a series of controls to ensure all accounting records are analyzed and proper support is available in order to ensure that the stipulated reports are submitted on a timely basis to the federal government.

Views of Responsible Officials and Planned Corrective Actions
The Center concurs with this recommendation. The one report issued late was a result of a new employee not understanding the requirements. This oversight was corrected and has not occurred since. A schedule of report due dates was prepared.

Independent Auditor's Report

To the Board of Directors
Indian Stream Health Center, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Indian Stream Health Center, Inc., which comprise the statements of financial position as of December 31, 2017 and 2016, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Indian Stream Health Center, Inc. as of December 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards,* we have also issued our report dated ________, 2018 on our consideration of Indian Stream Health Center, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Indian Stream Health Center, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Indian Stream Health Center, Inc.'s internal control over financial reporting and compliance.

See Notes to Financial Statements.

Indian Stream Health Center, Inc.

Notes to Financial Statements
December 31, 2017 and 2016

Note 1 - Organization and summary of significant accounting policies

Nature of operations

Indian Stream Health Center, Inc. (the "Center") is a non-stock, not-for-profit corporation organized in New Hampshire. The Center is a Federally Qualified Health Center ("FQHC") which provides outpatient healthcare and disease prevention services to residents of rural communities located in New Hampshire, Vermont, and Maine.

The U.S. Department of Health and Human Services (the "DHHS") provides substantial support to the Center. The Center is obligated under the terms of the DHHS grants to comply with specified conditions and program requirements set forth by the grantor.

Basis of presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The Center reports information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted and permanently restricted. They are described as follows:

Unrestricted - Net assets that are not subject to explicit donor-imposed stipulations. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.

Temporarily restricted - Net assets whose use by the Center is subject to either explicit donor-imposed stipulations or by the operation of law that can be fulfilled by actions of the Center or that expire by the passage of time. At December 31, 2017 and 2016, there were no temporarily restricted net assets.

Permanently restricted - Net assets subject to explicit donor-imposed stipulations that they be maintained permanently by the Center and stipulate the use of income and/or appreciation as either unrestricted or temporarily restricted based on donor-imposed stipulations or by operation of law. At December 31, 2017 and 2016, there were no permanently restricted net assets.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and cash equivalents

The Center considers all highly liquid investments purchased with a maturity of three months or less to be cash equivalents.

Performance indicator

The statement of activities includes the change in net assets as the performance indicator.

Concentrations of credit risk

The Center's financial instruments that are exposed to concentrations of credit risk consist primarily of cash and cash equivalents, patient service revenue and receivables and grants revenue and receivables.

The Center maintains cash in bank accounts which, at times, may exceed federally insured limits. The Center has not experienced any losses in such accounts and believes it is not exposed to any

significant credit risk for cash. As of December 31, 2017, no amounts were in excess of the federally insured limits.

Patient accounts receivable
The collection of receivables from third-party payors and patients is the Center's primary source of cash for operations and is critical to its operating performance. The primary collection risks relate to uninsured patient accounts and patient accounts for which the primary insurance payor has paid, but patient responsibility amounts (deductibles and copayments) remain outstanding. Patient receivables from third-party payors are carried at a net amount determined by the original charge for the service provided, less an estimate made for contractual adjustments or discounts provided to third-party payors.

Receivables due directly from patients are carried at the original charge for the service provided less discounts provided under the Center's charity care policy, less amounts covered by third-party payors and less an estimated allowance for doubtful accounts. Management determines the allowance for doubtful accounts by identifying troubled accounts and by historical experience applied to an aging of accounts. The Center considers accounts past due when they are outstanding beyond 60 days with no payment. The Center does not charge interest on past due accounts. Patient receivables are written off to the provision for uncollectible accounts when deemed uncollectible. Recoveries of receivables previously written off are recorded as a reduction of the provision for uncollectible accounts when received.

Inventory
Inventory consists of pharmaceutical drugs which are stated at the lower of cost or market, with cost determined on the first-in, first-out method.

Property and equipment
Property and equipment are recorded at cost and depreciated on a straight-line basis over the estimated useful life of each asset, which range from 3 to 40 years. Expenditures exceeding $5,000 are capitalized. Leasehold improvements are amortized over the shorter of the lease term or their respective estimated useful lives, which range from three to ten years.

Certain property and equipment have been purchased with grant funds received from DHHS. Such items or a portion thereof may be reclaimed by the federal government if not used to further the grant's objectives.

Expenditures for repairs and maintenance are charged to expense as incurred. For assets sold or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is reflected in the statements of activities.

Assets limited as to use
Assets limited as to use consist of assets designated by the board of directors as a working capital reserve.

Debt issuance costs
Debt issuance costs, net of accumulated amortization, are reported as a direct deduction from the face amount of the debt to which such costs relate. Amortization of debt issuance costs is reported as a component of interest expense and is computed using an imputed interest rate on the related loan.

Revenue recognition
Patient service revenue
The Center has agreements with third-party payors that provide for payments to the Center at amounts different from its established rates. Payment arrangements include predetermined fee schedules and discounted charges. Service fees are reported at the estimated net realizable amounts from patients, third-party payors and others for services rendered, including retroactive adjustments under reimbursement agreements with third-party payors, which are subject to audit by administrating agencies. These adjustments are accrued on an estimated basis and are adjusted in future periods as final settlements are determined.

The Center provides care to certain patients under Medicaid and Medicare payment arrangements. Laws and regulations governing the Medicaid and Medicare programs are complex and subject to interpretation. Compliance with such laws and regulations can be subject to future government review and interpretation as well as significant regulatory action. Self-pay revenue is recorded at published charges with charitable care deducted to arrive at gross self-pay revenue. Contractual allowances are then deducted to arrive at net self-pay patient revenue.

Charity care and community benefits
The Center is open to all patients, regardless of their ability to pay. In the ordinary course of business, the Center renders services to patients who are financially unable to pay for healthcare. The Center provides care to these patients who meet certain criteria under its sliding fee discount policy without charge or at amounts less than the established rates. Charity care services are computed using a sliding fee scale based on patient income and family size. The Center maintains records to identify and monitor the level of sliding fee discount it provides. For uninsured self-pay patients that do not qualify for charity care, the Center recognizes revenue on the basis of its standard rates for services provided or on the basis of discounted rates, if negotiated or provided by policy. On the basis of historical experience, a significant portion of the Center's uninsured patients will be unable or unwilling to pay for the services provided. Thus, the Center records a significant provision for uncollectable accounts related to uninsured patients in the period the services are provided.

Community benefit represents the cost of services for Medicaid, Medicare and other public patients that the Center is not reimbursed for.

Based on the cost of patient services during the years ended December 31, 2017 and 2016, charity care amounted to approximately $290,000 and $196,000, respectively, and community benefit amounted to approximately $3,081,000 and $2,098,000, respectively.

Pharmacy revenue
The Center participates in Section 340B of the Public Health Service Act ("PHS Act"), *Limitation on Prices of Drugs Purchased by Covered Entities.* Participation in this program allows the Center to purchase pharmaceuticals at discounted rates for prescriptions to eligible patients. The Center has an in-house pharmacy and also contracts with an outside pharmacy and records revenue based on the price of the pharmaceuticals dispensed.

Grants
Revenue from government grants and contracts designated for use in specific activities is recognized in the period when expenditures have been incurred in compliance with the grantor's requirements. Grants and contracts awarded for the acquisition of long-lived assets are reported as unrestricted nonoperating income, in the absence of donor stipulations to the contrary, during the fiscal year in which the assets are acquired. Cash received in excess of revenue recognized is recorded as deferred revenue. These grants require the Center to provide certain healthcare services during specified

periods. If such services are not provided during the periods, the governmental entities are not obligated to expend the funds allocated under the grants.

Contributions
Contributions are recorded as either unrestricted, when they are received with no donor stipulations, or as temporarily or permanently restricted revenue if they are received with donor stipulations that limit the use of the donated asset. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and are reported in the statements of activities as net assets released from restrictions. Donor-restricted contributions whose restrictions are met or expire during the same fiscal year are recognized as unrestricted revenue. Conditional contributions are recognized in the period when expenditures have been incurred in compliance with the grantor's restrictions on the statements of activities.

Donated goods and services
Donated goods and services are recorded at fair value at the time of the donation.

In-kind contributions
In-kind contributions consist primarily of medical supplies and are recorded at the fair value of the supplies provided. The fair value of those goods as provided by the funding source was approximately $53,000 and $62,000, respectively, for the years ended December 31, 2017 and 2016, and is recorded as grant revenue along with a corresponding charge to supplies and other on the statements of activities.

Income taxes
The Center was incorporated as a not-for-profit entity and is exempt from federal and state income tax under the provisions of the Internal Revenue Code Section 501(c)(3).

The Center has no unrecognized tax benefits at December 31, 2017 and 2016. The Center's federal and state information returns prior to fiscal year 2014 are closed and management continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law and new authoritative rulings.

The Center recognizes interest and penalties associated with tax matters, as operating expenses and includes accrued interest and penalties with accrued expenses in the statements of financial position.

Interest earned on federal funds
Interest earned on federal funds is recorded as a payable to United States Public Health Service ("PHS") in compliance with the regulations of the United States Office of Management and Budget.

Subsequent events
The Center has evaluated events and transactions through _______, 2018, which is the date the financial statements were available to be issued.

Note 2 - Patient accounts receivable, net

Patient accounts receivable, net, consist of the following as of December 31:

	2017	2016
Medicaid	$ 97,960	$ 145,330
Medicare	67,165	38,549
Commercial insurance	114,823	6,702
Self-pay patients	80,389	58,441
	360,337	249,022
Less allowance for doubtful accounts	(187,958)	(23,487)
	$ 172,379	$ 225,535

Patient accounts receivable are reduced by an allowance for doubtful accounts. In evaluating the collectability of patient accounts receivable, the Center analyzes its past history and identifies trends for each of its major payor sources of revenue to estimate the appropriate allowance for doubtful accounts and provision for uncollectible accounts. Management regularly reviews data about these major payor sources of revenue in evaluating the sufficiency of the allowance for doubtful accounts.

For receivables associated with services provided to patients who have third-party coverage, the Center analyzes contractually due amounts and provides an allowance for doubtful accounts and a provision for uncollectible accounts, if necessary (for example, for expected uncollectible deductibles and copayments on accounts for which the third-party payor has not yet paid, or for payors who are known to be having financial difficulties that make the realization of amounts due unlikely).

For receivables associated with self-pay patients (which includes both patients without insurance and patients with deductible and copayment balances due for which third-party coverage exists for part of the bill), the Center records a provision for uncollectible accounts in the period of service on the basis of its past experience, which indicates that many patients are unable or unwilling to pay the portion of their bill for which they are financially responsible. The difference between the standard rates (or the discounted rates provided by the Center's policy) and the amounts actually collected after all reasonable collection efforts have been exhausted is charged off against the allowance for doubtful accounts.

The Center's allowance for doubtful accounts was 52% and 9%, respectively, of patient accounts receivable at December 31, 2017 and 2016. The Center annually updates its charity care and uninsured discount policies. The Center had approximately $0 and $46,000, respectively, of write-offs during the years ended December 31, 2017 and 2016.

Note 3 - Grants receivable and revenue

Grants receivable are evidenced by contracts with a variety of federal and state government agencies and, based on historical experience, management believes these receivables represent negligible credit risk. Accordingly, management has not established an allowance for doubtful accounts.

The Center receives a significant amount of grants from DHHS. As with all government funding, these grants are subject to reduction or termination in future years. For the years ended December 31, 2017 and 2016, grants from DHHS (including both direct awards and awards passed through other organizations) consisted of 94% and 93% of grant revenue, respectively.

Note 4 - Property and equipment

Property and equipment consisted of the following at December 31:

	2017	2016
Land and improvements	$ 345,704	$ 269,304
Furniture and equipment	457,750	156,330
Buildings and improvements	2,034,011	2,028,617
Total property and equipment	2,837,465	2,454,251
Construction in progress	25,342	167,617
	2,862,807	2,621,868
Less accumulated depreciation and amortization	(627,528)	(507,597)
	$ 2,235,279	$ 2,114,271

The Center has made renovations to buildings with federal grant funding under the Capital Improvement Program and the Capital Development Program. In accordance with the grant agreements, a Notice of Federal Interest ("NFI") is required to be filed in the appropriate official records of the jurisdiction in which the property is located. The NFI is designed to notify any prospective buyer or creditor that the Federal Government has a financial interest in the real property acquired under the aforementioned grant; that the property may not be used for any purpose inconsistent with that authorized by the grant program statute and applicable regulations; that the property may not be mortgaged or otherwise used as collateral without the written permission of the Associate Administrator of the Office of Federal Assistance Management, Health Resources and Services Administration ("OFAM, HRSA"); and that the property may not be sold or transferred to another party without the written permission of the Associate Administrator of OFAM and HRSA.

Note 5 - Long-term debt

Long-term debt consists of the following as of December:

	2017	2016
Mortgage note, payable to a local bank in monthly installments of principal and interest of $2,466 with an interest rate fixed at 4.6% through December 2023 at which time the remaining principal is due; collateralized by a first mortgage on property and equipment with 90% of balance guaranteed by the United States Department of Agriculture. Unamortized debt issuance costs were $3,835 and $4,471 as of December 31, 2017 and 2016, respectively. Loan costs on the above loan are being amortized using an imputed interest rate of approximately 5.375%.	$ 154,894	$ 176,787
Note payable to a local bank with an interest rate fixed at 4.6%, with monthly payments of principal and interest of $1,962 through December 2023, collateralized by a second mortgage on property and equipment with 90% of the balance guaranteed by the United States Department of Agriculture.	123,546	140,968
	278,440	317,755
Less unamortized debt issuance costs	(3,835)	(4,471)
Less current maturities	(41,274)	(40,568)
	$ 233,331	$ 272,716

Aggregate annual maturities on long-term debt for the five years subsequent to December 31, 2017 and thereafter are as follows:

2018	$ 41,274
2019	43,185
2020	45,214
2021	47,338
2022	49,562
Thereafter	51,867
	$ 278,440

Interest expense incurred on all debt amounted to $13,819 and $15,518, respectively, for the years ended December 31, 2017 and 2016.

PRELIMINARY DRAFT
SUBJECT TO CHANGE

Note 6 - Functional expenses

The Center provides health care services primarily to residents within its geographic area. Certain costs have been charged to health care services and general and administrative based on a combination of specific identification and allocation by management. Expenses related to providing these services are as follows for the years ended December 31:

	2017	2016
Health care services	$ 4,721,808	$ 4,689,478
General and administrative	3,192,081	1,382,214
	$ 7,913,889	$ 6,071,692

Note 7 - Operating leases

The Center leases program and administrative space from an unrelated party through April, 2030. The Center also leases a parking lot from an unrelated party through October, 2045. Future minimum lease payments for the five years subsequent to December 31, 2017 and thereafter are as follows:

2018	$ 6,824
2019	6,824
2020	6,824
2021	7,248
2022	7,672
Thereafter	46,585
	$ 81,977

Note 8 - Pension plan

The Center sponsors a SIMPLE IRA defined contribution plan that includes a 3% employer matching contribution. The Center contributed $72,621 and $54,046, respectively, to the plan during the years ended December 31, 2017 and 2016.

Note 9 - Patient service revenue (net of contractual allowances and discounts)

The Center recognizes patient service revenue associated with services provided to patients who have Medicaid, Medicare and third party payor coverage on the basis of contractual rates for services rendered.

PRELIMINARY DRAFT SUBJECT TO CHANGE

Indian Stream Health Center, Inc.

Notes to Financial Statements
December 31, 2017 and 2016

For the years ended December 31, 2017 and 2016, patient service revenue, net of contractual allowances and discounts, consists of the following:

	2017	2016
Medicaid	$ 832,324	$ 665,128
Medicare	1,081,257	1,106,055
Third-party payors	683,978	651,581
Self-pay patients	151,021	82,710
	$ 2,748,580	$ 2,505,474

Medicaid and Medicare revenue is reimbursed to the Center at the net reimbursement rates determined by each program. Reimbursement rates are subject to revisions under the provision of reimbursement regulations. Adjustments for such revisions are recognized in the fiscal year incurred.

Note 10 - Commitments and contingencies

The Center has contracted with various funding agencies to perform certain healthcare services and receives Medicaid and Medicare revenue from federal, state and local governments. Reimbursements received under these contracts and payments from Medicaid and Medicare are subject to audit by federal, state and local governments and other agencies. Upon audit, if discrepancies are discovered, the Center could be held responsible for refunding the amounts in question.

The healthcare industry is subject to voluminous and complex laws and regulations of federal, state and local governments. Compliance with such laws and regulations can be subject to future government review and interpretation as well as regulatory actions unknown or unasserted at this time. These laws and regulations include, but are not necessarily limited to, matters such as licensure, accreditation, government healthcare program participation requirements, reimbursement laws and regulations, anti-kickback and anti-referral laws and false claims prohibitions.

In recent years, government activity has increased with respect to investigations and allegations concerning possible violations of reimbursement, false claims, anti-kickback and anti-referral statutes and regulation by healthcare providers. The Center believes that it is in material compliance with all applicable laws and regulations and is not aware of any pending or threatened investigations involving allegations of potential wrongdoing. Upon audit, if discrepancies are discovered, the Center could be held responsible for refunding the amounts in question.

The Center maintains its medical malpractice coverage under the Federal Tort Claims Act (the "FTCA"). The FTCA provides malpractice coverage to eligible PHS supported programs and applies to the Center and its employees while providing services within the scope of employment included under grant-related activities. The Attorney General, through the U.S. Department of Justice, has the responsibility for the defense of the individual and/or grantee for malpractice cases approved for FTCA coverage. The Center also maintains "claims made" gap insurance with coverage of $1,000,000 per claim and $3,000,000 in the aggregate.

The Center is involved in claims and legal actions in the ordinary course of business. Management is of the opinion that the ultimate outcome of these matters will not have a material adverse impact on the financial position, results of operations or cash flows of the Center.

Indian Stream Health Center, Inc.

Notes to Schedule of Expenditures of Federal Awards
December 31, 2017

Note 1 - Basis of presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of Indian Stream Health Center, Inc. (the "Center") under programs of the federal government for the year ended December 31, 2017. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of the Center, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Center.

Note 2 - Summary of significant accounting policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. The Center has elected to not use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

To the Board of Directors
Indian Stream Health Center, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Indian Stream Health Center, Inc. (the "Center"), which comprise the statement of financial position as of December 31, 2017, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated ________, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Center's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify a certain deficiency in internal control, described in the accompanying schedule of findings and questioned costs, that we consider to be a material weakness (Finding 2017.001).

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Center's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

Indian Stream Health Center, Inc.'s Response to Finding

The Center's response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. The Center's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

This purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major Federal Program and Report on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Directors
Indian Stream Health Center, Inc.

Report on Compliance for Each Major Federal Program

We have audited Indian Stream Health Center, Inc.'s (the "Center") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Center's major federal programs for the year ended December 31, 2017. The Center's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Center's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Center's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Center's compliance.

Opinion on Each Major Federal Program

In our opinion, the Center complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2017.

Other Matters

The results of our auditing procedures disclosed instances of noncompliance, which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs as Findings 2017.002 and 2017.003. Our opinion on each major federal program is not modified with respect to these matters.

The Center's response to the noncompliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs. The Center's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control over Compliance

Management of the Center is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Center's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, we identified certain deficiencies in internal control over compliance, as described in the accompanying schedule of findings and questioned costs as Findings 2017.002 and 2017.003, that we consider to be significant deficiencies.

The Center's response to the internal control over compliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs. The Center's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

SUBJECT TO CHANGE

Indian Stream Health Center, Inc.

Schedule of Findings and Questioned Costs
Year Ended December 31, 2017

Section II - Financial Statement Findings

Finding 2017.001 - Books and Records

Criteria
Reconciliation on a timely basis of books and records to ensure the financial statements are presented fairly in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Condition
A significant number of adjusting journal entries were necessary for proper reporting of the Center's financial position and activity.

Cause
This condition can be attributed to lack of adequate staff support in the finance department. As a result, the Center's finance department was not able to perform detailed reviews of certain accounts and adjust the books accordingly.

Effect
This condition may lead to inaccurate financial reporting and potential misstatement of the financial statements, such that they may not be in accordance with GAAP.

Recommendation
The Center should review its current policies and procedures to ensure the timely reconciliation of accounts on a monthly basis.

Views of Responsible Officials and Planned Corrective Actions
There are vast improvements over FY 2016. The last remaining items were fees receivable and after making multiple changes, including bringing the EMR in-house the fees receivable will be accurately accrued as of March 31, 2018.

Finding 2017.002:	Time and Effort Reporting
Grantor:	U.S. Department of Health and Human Services
Federal Program Names:	Health Center Program Cluster, Health Center Program, Grants for New and Expanded Services under the Health Center Program
CFDA Numbers:	93.224 and 93.527

Criteria
The Uniform Guidance requires that time and effort reporting should be maintained that accounts for the total activity of employees and the programs/funding sources charged. These reports should be as stipulated in DHHS regulations. The reports must be signed by the individual employee or by a responsible supervisory official having first-hand knowledge of the activities performed by the employee indicating that the distribution of activity represents a reasonable estimate of the actual work performed by the employee during the periods covered by the reports.

Condition
The Center's methodology of allocating personnel costs did not clearly illustrate the review by employees and direct supervisors. Furthermore, the Center did not record the personnel costs allocated with grant programs to the general ledger through use of an identifier such as a cost center.

Questioned Costs
None.

Cause
The general ledger system is linked to the Center's time management system, which was not currently set up to track cost centers associated with individual grants. As a result, the time and effort reporting was not being completed.

Effect
Certain personnel costs allocated to funding sources are not supported by after-the-fact time and effort reports.

Identification as Repeat Finding
2016.002.

Recommendation
The Center should prepare after-the-fact time and effort reports in accordance with the regulations of the Uniform Guidance and the Center's policies. The Center should perform some quality control on the review and approval process of time and effort reporting periodically throughout the year. Lastly, the personnel costs should be allocated to the general ledger through the use of an identifier such as a cost center.

Views of Responsible Officials and Planned Corrective Actions
Time and effort reporting will be contemporaneous in Q3 2018.

PRELIMINARY DRAFT SUBJECT TO CHANGE

Indian Stream Health Center, Inc.

Schedule of Findings and Questioned Costs
Year Ended December 31, 2017

Finding 2017.003:	Report Filing
Grantor:	U.S. Department of Health and Human Services
Federal Program Names:	Health Center Program Cluster, Health Center Program, Grants for New and Expanded Services under the Health Center Program
CFDA Numbers:	93.224 and 93.527

<u>Criteria</u>
In accordance with the Uniform Guidance, quarterly reports of recipients of federal funds are required to be submitted within 30 days after the end of each fiscal quarter.

<u>Condition</u>
The Center did not submit their first quarterly report on a timely basis.

<u>Questioned Costs</u>
None.

<u>Cause</u>
The Center was not able to compile the financial information in enough time to complete the report and submit timely.

<u>Effect</u>
The Center did not comply with the appropriate rules and regulations as per the Uniform Guidance.

<u>Identification as Repeat Finding</u>
2016.003.

<u>Recommendation</u>
The Center should implement a series of controls to ensure all accounting records are analyzed and proper support is available in order to ensure that the stipulated reports are submitted on a timely basis to the federal government.

<u>Views of Responsible Officials and Planned Corrective Actions</u>
A report due on a Sunday in Q1 2017 was submitted on a Monday instead of a Friday as a misunderstanding of reporting protocols. It will not happen again.

1.18 Approval by the Governor and Executive Council *(if applicable)* By: On:			

2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.
3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.18, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.14 ("Effective Date").
3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.
5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.
5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.
5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.
5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.
6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. This may include the requirement to utilize auxiliary aids and services to ensure that persons with communication disabilities, including vision, hearing and speech, can communicate with, receive information from, and convey information to the Contractor. In addition, the Contractor shall comply with all applicable copyright laws.
6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.
6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.
7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.
7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this

Contractor Initials [illegible]
Date 4/6/18

Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

9. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. TERMINATION. In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS. The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice and consent of the State. None of the Services shall be subcontracted by the Contractor without the prior written notice and consent of the State.

13. INDEMNIFICATION. The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000per occurrence and $2,000,000 aggregate ; and

14.1.2 special cause of loss coverage form covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

Contractor Initials AAS
Date 4/6/18

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than thirty (30) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each certificate(s) of insurance shall contain a clause requiring the insurer to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than thirty (30) days prior written notice of cancellation or modification of the policy.

15. WORKERS' COMPENSATION.
15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation").*
15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

19. CONSTRUCTION OF AGREEMENT AND TERMS. This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

Contractor Initials AAS
Date 4/6/18

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances for all reimbursable services rendered. The Department shall be the payor of last resort.

1.4. Preventative and Primary Health Care, as well as related Care Management and Enabling Services shall be provided to individuals of all ages, statewide, who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income (defined as <185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. The Contractor shall remain in compliance with all applicable state and federal laws for the duration of the contract period, including but not limited to:

1.5.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.5.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.5.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care Services for new patients is limited or closed for more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

2.2. The Contractor shall assist individuals with completing a Medicaid/Expanded Medicaid and other health insurance application when income calculations indicate possible Medicaid eligibility.

2.3. The Contractor shall maximize billing to private and commercial insurances for all reimbursable services rendered.

2.4. The Contractor shall post a notice in a public and conspicuous location noting that no individual will be denied services for an inability to pay.

2.5. The Contractor shall develop and implement a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall make the sliding fee scale available to the Department upon request.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a New Hampshire licensed Medical Doctor (MD), Doctor of Osteopathic Medicine (DO), Advanced Practice Registered Nurse (APRN) or Physician Assistant (PA) to eligible individuals in the service area.

3.2. The Contractor shall ensure primary care services include, but are not limited to:

3.2.1. Reproductive health services.

3.2.2. Perinatal health services including but not limited to access to obstetrical services either on-site or by referral.

3.2.3. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.2.4. Integrated behavioral health services.

3.2.5. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.2.6. Assessment of need and follow-up/referral as indicated for:

3.2.6.1. Tobacco cessation, including referral to QuitWorks-NH, www.QuitWorksNH.org.

3.2.6.2. Social services.

3.2.6.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management Education (DSME) as recommended by American Diabetes Association (ADA).

3.2.6.4. Nutrition services, including Women, Infants and Children (WIC) Food and Nutrition Service, as appropriate;

3.2.6.5. Screening, Brief Intervention and Referral to Treatment (SBIRT) services, including but not limited to contact with the Regional Public Health Network Continuum of Care Development Initiative.

3.2.6.6. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.3. The Contractor shall provide care management for individuals enrolled for

primary care services, which includes, but is not limited to:

3.3.1. Integrated and coordinated services that ensure patients receive necessary care, including behavioral health and oral care when and where it is needed and wanted, in a culturally and linguistically appropriate manner.

3.3.2. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.3.3. Care facilitated by registries; information technology; health information exchanged.

3.4. The Contractor shall provide and facilitate enabling services, which are non-clinical services that support the delivery of basic primary care services, and facilitate access to comprehensive patient care as well as social services that include, but are not limited to:

3.4.1. Benefit counseling.

3.4.2. Health insurance eligibility and enrollment assistance.

3.4.3. Health education and supportive counseling.

3.4.4. Interpretation/translation for individuals with Limited English Proficiency or other communication needs.

3.4.5. Outreach, which may include the use of community health workers.

3.4.6. Transportation.

3.4.7. Education of patients and the community regarding the availability and appropriate use of health services.

4. Quality Improvement

4.1. The Contractor shall develop, define, facilitate and implement a minimum of two (2) Quality Improvement (QI) projects, which consist of systematic and continuous actions that lead to measurable improvements in health care services and the health status of targeted patient groups.

4.1.1. One (1) quality improvement project must focus on the performance measure as designated by MCHS. (Defined as Adolescent Well Visits for SFY 2018 – 2019)

4.1.2. The other(s) will be chosen by the vendor based on previous performance outcomes needing improvement.

4.2. The Contractor shall utilize Quality Improvement Science to develop and implement a QI Workplan for each QI project. The QI Workplan will include:

4.2.1. Specific goals and objectives for the project period; and

4.2.2. Evaluation methods used to demonstrate improvement in the quality, efficiency, and effectiveness of patient care.

4.3. The Contractor shall include baseline measurements for each area of

improvement identified in the QI projects, to establish health care services and health status of targeted patient groups to be improved upon.

4.4. The Contractor may utilize activities in QI projects that enhance clinical workflow and improve patient outcomes, which may include, but are not limited to:

4.4.1.1. EMR prompts/alerts.

4.4.1.2. Protocols/Guidelines.

4.4.1.3. Diagnostic support.

4.4.1.4. Patient registries.

4.4.1.5. Collaborative learning sessions.

5. Staffing

5.1. The Contractor shall ensure all health and allied health professions have the appropriate, current New Hampshire licenses whether directly employed, contracted or subcontracted.

5.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

5.3. The Contractor shall notify the Maternal and Child Health Section (MCHS), in writing, of any newly hired administrator, clinical coordinator or any staff person essential to providing contracted services and include a copy of the individual's resume, within thirty (30) days of hire.

5.4. The Contractor shall notify the MCHS, in writing, when:

5.4.1. Any critical position is vacant for more than thirty (30) days;

5.4.2. There is not adequate staffing to perform all required services for any period lasting more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

6. Coordination of Services

6.1. The Contractor shall participate in activities within their Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

6.1.1. Community needs assessments;

6.1.2. Public health performance assessments; and

6.1.3. Regional health improvement plans under development.

6.2. The Contractor shall participate in and coordinate public health activities, as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

7. Required Meetings & Trainings

7.1. The Contractor shall attend meetings and trainings facilitated by the MCHS programs that include, but are not limited to:

7.1.1. MCHS Agency Directors' meetings;

7.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year, which may require attendance by agency quality improvement staff; and

7.1.3. MCHS Agency Medical Services Directors' meetings.

8. Workplans, Outcome Reports & Additional Reporting Requirements

8.1. The Contractor shall collect and report data as detailed in Exhibit A-1 "Reporting Metrics" according to the Exhibit A-2 "Report Timing Requirements".

8.2. The Contractor shall submit reports as defined within Exhibit A-2 "Report Timing Requirements".

8.3. The Contractor shall submit an updated budget narrative, within thirty (30) days of the contract execution date and annually, as defined in Exhibit A-2 "Report Timing Requirements". The budget narrative shall include, at a minimum;

8.3.1. Staff roles and responsibilities, defining the impact each role has on contract services;

8.3.2. Staff list, defining;

8.3.2.1. The Full Time Equivalent percentage allocated to contract services, and;

8.3.2.2. The individual cost, in U.S. Dollars, of each identified individual allocated to contract services.

8.4. In addition to the report defined within Exhibit A-2 "Report Timing Requirements", the Contractor shall submit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9. On-Site Reviews

9.1. The Contractor shall permit a team or person authorized by the Department to periodically review the Contractor's:

9.1.1. Systems of governance.

9.1.2. Administration.

9.1.3. Data collection and submission.

9.1.4. Clinical and financial management.

9.1.5. Delivery of education services.

9.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

9.2.1. Client records.

9.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

9.3. The Contractor shall take corrective actions, as advised by the review team, if services provided are not in compliance with the contract requirements.

10. Performance Measures

10.1. The Contractor shall ensure that the following performance indicators are annually achieved and monitored quarterly to measure the effectiveness of the agreement:

10.1.1. Annual improvement objectives shall be defined by the vendor and submitted to the Department. Objectives shall be measurable, specific and align to the provision of primary care services defined within Exhibit A-1 "Reporting Metrics"

Exhibit A-1 – Reporting Metrics

1. **Definitions**

1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

1.1.1. The calendar year, (January 1st through December 31st); or

1.1.2. The state fiscal year (July 1st through June 30th).

1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. **MCHS PRIMARY CARE PERFORMANCE MEASURES**

2.1. **Breastfeeding**

2.1.1. Percent of infants who are ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. **Preventive Health: Lead Screening**

2.2.1. Percent of children three (3) years of age who had two (2) or more capillary or venous lead blood test for lead poisoning by their third birthday. (NH MCHS).

2.2.1.1. Numerator: All patient children who received at least one capillary or venous lead screening test between nine (9) months to eighteen (18) months of age **AND** one (1) capillary or venous lead screening test between nineteen (19) to thirty (30) months of age.

2.2.1.2. Denominator: All patient children who turned three (3) years old during the measurement year that had at least one (1) medical visit during the measurement year.

Contractor Initials: [handwritten initials]

Date: 4/6/18

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents, twelve (12) through twenty-one (21) years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients ages twelve (12) and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients twelve (12) years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

Contractor Initials: AAS
Date: 4/6/18

2.4.2.1. Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative PLUS women who screened positive AND have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

2.5.1. Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented (NQF 0421, UDS).

2.5.1.1. Normal parameters: Age 65 and older BMI ≥ 23 and < 30

2.5.1.2. Age 18 through 64 BMI ≥ 18.5 and < 25

Contractor Initials: AAS
Date: 4/6/18

2.5.1.3. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.4. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.5. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year or prior year AND who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco use one or more times during their most recent visit OR within twenty-four (24) months of the most

Contractor Initials: ATS
Date: 4/6/18

recent visit and received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who delivered a live birth in the measurement year.

2.6.2.4. Definitions:

2.6.2.4.1. Tobacco Use: Includes any type of tobacco

2.6.2.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

2.7. At Risk Population: Hypertension

2.7.1. Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90mmHG) during the measurement year (NQF 0018).

2.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm HG at the time of their last measurement.

Contractor Initials: [signature]
Date: 4/4/18

2.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension (must have been diagnosed with hypertension 6 or more months before the measurement date) who had at least one (1) medical visit during the measurement year. (Excludes pregnant women and patients with End Stage Renal Disease.)

2.8. **Patient Safety: Falls Screening**

2.8.1. Percent of patients aged 65 years and older who were screened for fall risk at least once within 12 months (NH MCHS).

2.8.1.1. Numerator: Patients who were screened for fall risk at least once within the measurement year.

2.8.1.2. Denominator: All patients aged 65 years and older seen by a health care provider within the measurement year.

2.9. **SBIRT**

2.9.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention and/or referral to services.

2.9.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.1.3. Denominator: Number of patients aged 18 years and older seen for annual/preventive visit within the measurement year.

2.9.1.4. Definitions:

2.9.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.9.1.4.2. Brief Intervention: Includes guidance or counseling.

2.9.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.9.2. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are

Contractor Initials: ATS
Date: 4/6/18

enrolled in the prenatal program AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

2.9.2.2. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

Exhibit A-2 – Report Timing Requirements

1.1. **Primary Care Services Reporting Requirements**

1.1.1. The reports are required due on the date(s) listed, or, in years where the date listed falls on a non-business day, reports are due on the Friday immediately prior to the date listed.

1.1.2. The Vendor is required to complete and submit each report, following instructions sent by the Department

1.1.3. An updated budget narrative must be provided to the Department, within thirty (30) days of contract approval. The budget narrative must include, at a minimum;

1.1.3.1. Staff roles and responsibilities, defining the impact each role has on contract services

1.1.3.2. Staff list, defining;

1.1.3.2.1. The Full Time Equivalent percentage allocated to contract services, and;

1.1.3.2.2. The individual cost, in U.S. Dollars, of each identified individual allocated to contract services.

1.2. **Annual Reports**

1.2.1. The following reports are required annually, on or prior to;

1.2.1.1. March 31st;

1.2.1.1.1. Uniform Data Set (UDS) Data tables reflecting program performance for the previous calendar year;

1.2.1.1.2. Budget narrative, which includes, at a minimum;

1.2.1.1.2.1. Staff roles and responsibilities, defining the impact each role has on contract services

1.2.1.1.2.2. Staff list, defining;

1.2.1.1.2.2.1. The Full Time Equivalent percentage allocated to contract services, and;

1.2.1.1.2.2.2. The individual cost, in U.S. Dollars, of each

identified individual allocated to contract services.

1.2.1.2. July 31st;

1.2.1.2.1. Summary of patient satisfaction survey results obtained during the prior contract year;

1.2.1.2.2. Quality Improvement (QI) Workplans, Performance Outcome Section

1.2.1.2.3. Enabling Services Workplans, Performance Outcome Section

1.2.1.3. September 1st;

1.2.1.3.1. QI workplan revisions, as needed;

1.2.1.3.2. Enabling Service Workplan revisions, as needed;

1.2.1.3.3. Correction Action Plan (Performance Measure Outcome Report), as needed;

1.3. **Semi-Annual Reports**

1.3.1. Primary Care Services Measure Data Trend Table (DTT), due on;

1.3.1.1. July 31, 2018 (measurement period July 1– June 30) and;

1.3.1.2. January 31 (measurement period January 1 – December 31).

1.4. **The following report is required 30 days following the end of each quarter, beginning in State Fiscal Year 2018;**

1.4.1. Perinatal Client Data Form (PCDF);

1.4.1.1. Due on April 30, July 31, October 31 and January 31

Contractor Initials: AAS
Date: 4/6/18

Method and Conditions Precedent to Payment

1. The State shall pay the contractor an amount not to exceed the Form P-37, Block 1.8, Price Limitation for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.

2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon meeting the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov) #93.994, Maternal and Child Health Services Block Grant to the States

3. The Contractor shall not use or apply contract funds for capital additions, improvements, entertainment costs or any other costs not approved by the Department.

4. Payment for services shall be as follows:

   4.1. Payments shall be on a cost reimbursement basis for approved actual costs in accordance with Exhibits B-1 through Exhibit B-3.

   4.2. The Contractor shall submit invoices in a form satisfactory to the State no later than the tenth (10th) working day of each month, which identifies and requests reimbursement for authorized expenses incurred in the prior month. The Contractor agrees to keep detailed records of their activities related to Department-funded programs and services.

      4.2.1. Expenditure detail may be requested by the Department on an intermittent basis, which the Contractor must provide.

      4.2.2. Onsite reviews may be required.

   4.3. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice, subsequent to approval of the submitted invoice and if sufficient funds are available.

   4.4. In lieu of hard copies, all invoices may be assigned an electronic signature and emailed to DPHScontractbilling@dhhs.nh.gov, or invoices may be mailed to:

      Financial Administrator

      Department of Health and Human Services

      Division of Public Health

      29 Hazen Dr.

      Concord, NH 03301

Exhibit B

4.5. The final invoice shall be due to the State no later than forty (40) days after the date specified in Form P-37, Block 1.7 Completion Date.

4.6. Payments may be withheld pending receipt of required reports or documentation as identified in Exhibit A, Scope of Services and in this Exhibit B.

5. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjusting encumbrances between State Fiscal Years within the price limitation may be made without obtaining approval of the Governor and Executive Council, upon written agreement of both parties.

SPECIAL PROVISIONS

Contractors Obligations: The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
   - 7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
   - 7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

8. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:
   8.1. Fiscal Records: books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.
   8.2. Statistical Records: Statistical, enrollment, attendance or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.
   8.3. Medical Records: Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

9. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.
   9.1. Audit and Review: During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.
   9.2. Audit Liabilities: In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

10. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

11. **Reports:** Fiscal and Statistical: The Contractor agrees to submit the following reports at the following times if requested by the Department.
    11.1. Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.
    11.2. Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

12. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

13. **Credits:** All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:
    13.1. The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

14. **Prior Approval and Copyright Ownership:** All materials (written, video, audio) produced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution or use. The DHHS will retain copyright ownership for any and all original materials produced, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports. Contractor shall not reproduce any materials produced under the contract without prior written approval from DHHS.

15. **Operation of Facilities: Compliance with Laws and Regulations:** In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

16. **Equal Employment Opportunity Plan (EEOP):** The Contractor will provide an Equal Employment Opportunity Plan (EEOP) to the Office for Civil Rights, Office of Justice Programs (OCR), if it has received a single award of $500,000 or more. If the recipient receives $25,000 or more and has 50 or

more employees, it will maintain a current EEOP on file and submit an EEOP Certification Form to the OCR, certifying that its EEOP is on file. For recipients receiving less than $25,000, or public grantees with fewer than 50 employees, regardless of the amount of the award, the recipient will provide an EEOP Certification Form to the OCR certifying it is not required to submit or maintain an EEOP. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption. EEOP Certification Forms are available at: http://www.ojp.usdoj/about/ocr/pdfs/cert.pdf.

17. **Limited English Proficiency (LEP):** As clarified by Executive Order 13166, Improving Access to Services for persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with the Omnibus Crime Control and Safe Streets Act of 1968 and Title VI of the Civil Rights Act of 1964, Contractors must take reasonable steps to ensure that LEP persons have meaningful access to its programs.

18. **Pilot Program for Enhancement of Contractor Employee Whistleblower Protections:** The following shall apply to all contracts that exceed the Simplified Acquisition Threshold as defined in 48 CFR 2.101 (currently, $150,000)

CONTRACTOR EMPLOYEE WHISTLEBLOWER RIGHTS AND REQUIREMENT TO INFORM EMPLOYEES OF WHISTLEBLOWER RIGHTS (SEP 2013)

(a) This contract and employees working on this contract will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239) and FAR 3.908.

(b) The Contractor shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation.

(c) The Contractor shall insert the substance of this clause, including this paragraph (c), in all subcontracts over the simplified acquisition threshold.

19. **Subcontractors:** DHHS recognizes that the Contractor may choose to use subcontractors with greater expertise to perform certain health care services or functions for efficiency or convenience, but the Contractor shall retain the responsibility and accountability for the function(s). Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.
When the Contractor delegates a function to a subcontractor, the Contractor shall do the following:
19.1. Evaluate the prospective subcontractor's ability to perform the activities, before delegating the function
19.2. Have a written agreement with the subcontractor that specifies activities and reporting responsibilities and how sanctions/revocation will be managed if the subcontractor's performance is not adequate
19.3. Monitor the subcontractor's performance on an ongoing basis

19.4. Provide to DHHS an annual schedule identifying all subcontractors, delegated functions and responsibilities, and when the subcontractor's performance will be reviewed

19.5. DHHS shall, at its discretion, review and approve all subcontracts.

If the Contractor identifies deficiencies or areas for improvement are identified, the Contractor shall take corrective action.

DEFINITIONS

As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean that section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Wherever federal or state laws, regulations, rules, orders, and policies, etc. are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc. as they may be amended or revised from the time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

REVISIONS TO GENERAL PROVISIONS

1. Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:

   4. CONDITIONAL NATURE OF AGREEMENT.
   Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

2. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

   10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

   10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

   10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

   10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

   10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

3. The Division reserves the right to renew the Contract for up to two (2) additional years, subject to the continued availability of funds, satisfactory performance of services and approval by the Governor and Executive Council.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted
    1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
    1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, state, zip code) (list each location)

CERTIFICATION REGARDING LOBBYING

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

Contractor Initials ATS
Date 4/6/18

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABLITY ACT
BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- o The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- o The unauthorized person used the protected health information or to whom the disclosure was made;
- o Whether the protected health information was actually acquired or viewed
- o The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) **Obligations of Covered Entity**

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) **Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) **Miscellaneous**

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) l, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.
In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.
The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:
The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

Contractor Name:

4/6/18
Date

A. Ashton-Savage
Name:
Title:

FORM A

As the Contractor identified in Section 1.3 of the General Provisions, I certify that the responses to the below listed questions are true and accurate.

1. The DUNS number for your entity is: 040254401

2. In your business or organization's preceding completed fiscal year, did your business or organization receive (1) 80 percent or more of your annual gross revenue in U.S. federal contracts, subcontracts, loans, grants, sub-grants, and/or cooperative agreements; and (2) $25,000,000 or more in annual gross revenues from U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements?

   ✓ NO ________ YES

   If the answer to #2 above is NO, stop here

   If the answer to #2 above is YES, please answer the following:

3. Does the public have access to information about the compensation of the executives in your business or organization through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C.78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986?

   ________ NO ________ YES

   If the answer to #3 above is YES, stop here

   If the answer to #3 above is NO, please answer the following:

4. The names and compensation of the five most highly compensated officers in your business or organization are as follows:

   Name: ____________________ Amount: ____________

   Name: ____________________ Amount: ____________

   Name: ____________________ Amount: ____________

   Name: ____________________ Amount: ____________

   Name: ____________________ Amount: ____________

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or

consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not

use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.
3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.

7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.
9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2

5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a whole, must have aggressive intrusion-detection and firewall protection.
6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.

2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the

scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer, and additional email addresses provided in this section, of any security breach within two (2) hours of the time that the Contractor learns of its occurrence. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

b. safeguard this information at all times.

c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer, Information Security Office and Program Manager of any Security Incidents and Breaches within two (2) hours of the time that the Contractor learns of their occurrence.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and
5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

VI. PERSONS TO CONTACT

A. DHHS contact program and policy:
   (Insert Office or Program Name)
   (Insert Title)
   DHHS-Contracts@dhhs.nh.gov

E. DHHS contact for Breach notifications:
   DHHSInformationSecurityOffice@dhhs.nh.gov
   DHHSPrivacy.Officer@dhhs.nh.gov

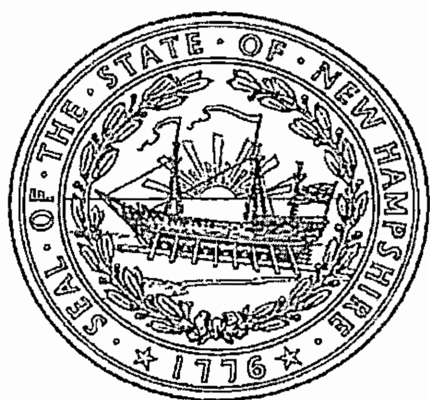
State of New Hampshire
Department of State

CERTIFICATE

I, William M. Gardner, Secretary of State of the State of New Hampshire, do hereby certify that LAMPREY HEALTH CARE, INC. is a New Hampshire Nonprofit Corporation registered to transact business in New Hampshire on August 16, 1971. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: 66382

Certificate Number : 0004080481



IN TESTIMONY WHEREOF,
I hereto set my hand and cause to be affixed
the Seal of the State of New Hampshire,
this 5th day of April A.D. 2018.

William M. Gardner
Secretary of State

CERTIFICATE OF VOTE

I, T. Chris Drew, do hereby certify that:

1. I am a duly elected Officer of Lamprey Heath Care, Inc.

2. The following is a true copy of the resolution duly adopted at a meeting of the Board of Directors of the Agency duly held on Wednesday, January 24, 2018:

RESOLVED: That the Audrey Ashton-Savage, President

is hereby authorized on behalf of this Corporation to enter into the said contract with the State and to execute any and all documents, agreements and other instruments, and any amendments, revisions, or modifications thereto, as he/she may deem necessary, desirable or appropriate.

3. The forgoing resolutions have not been amended or revoked, and remain in full force and effect as of

the 6th day of April, 2018.
(Date Contract Signed)

4. T. Chris Drew is the duly elected Secretary of the Agency.

(Signature of the Elected Officer)

STATE OF New Hampshire

County of Rockingham

The forgoing instrument was acknowledged before me this 6th day of April, 2018.

By T. Chris Drew, Secretary, Lamprey Health Care, Inc.

Our Mission

The mission of Lamprey Health Care is to provide high quality primary medical care and health related services, with an emphasis on prevention and lifestyle management, to all individuals regardless of ability to pay.

- We seek to be **a leader in providing access** to medical and health services that improve the health status of the individuals and families in the communities we serve.
- Our mission is to **remove barriers that prevent access to care**; we strive to eliminate such barriers as language, cultural stereotyping, finances and/or lack of transportation.
- Lamprey Health Care's **commitment to the community** extends to providing and/or coordinating access to a full range of comprehensive services.
- Lamprey Health Care is committed to achieving the highest level of patient satisfaction through a personal and caring approach and **exceeding standards of excellence in quality and service.**

Our Vision

- We will be the **outstanding primary care choice** for our patients, our communities and our service area, and the standard by which others are judged.
- We will continue as **pacesetter** in the use of new knowledge for lifestyle improvement, quality of life.
- We will be a **center of excellence** in service, quality and teaching.
- We will be **part of an integrated system** of care to ensure access to medical care for all individuals and families in our communities.
- We will be an **innovator** to foster development of the best primary care practices, adoption of the tools of technology and teaching.
- We will **establish partnerships**, linkages, networks and referrals with other organizations to provide access to a full range of services to meet our communities' needs.

Our Values

- We exist to **serve the needs of our patients.**
- We value a positive **caring approach** in delivering patient services.
- We are committed to **improving the health** and total well-being of our communities.
- We are committed to **being proactive** in identifying and meeting our communities' health care needs.
- We provide a supportive environment for **the professional and personal growth, and healthy lifestyles of our employees.**
- We provide an **atmosphere of learning** and growth for both patients and employees as well as for those seeking training in primary care.
- We succeed by utilizing a **team approach** that values a positive, constructive commitment to Lamprey Health Care's mission.

CONSOLIDATED FINANCIAL STATEMENTS

and

SUPPLEMENTARY INFORMATION

September 30, 2017 and 2016

With Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc.

We have audited the accompanying consolidated financial statements of Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc., which comprise the consolidated balance sheets as of September 30, 2017 and 2016, and the related consolidated statements of operations, changes in net assets and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc. as of September 30, 2017 and 2016, and the results of their operations, changes in their net assets and their cash flows for the years then ended, in accordance with U.S. generally accepted accounting principles.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidating balance sheets as of September 30, 2017 and 2016, and the related consolidating statements of operations and changes in net assets for the years then ended, are presented for purposes of additional analysis rather than to present the financial position and changes in net assets of the individual entities, and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Supplemental disclosure of cash flow information		
Cash paid for interest	$ 117,623	$ 113,562

The accompanying notes are an integral part of these consolidated financial statements.

Organization

Lamprey Health Care, Inc. (LHC) is a non-stock, non-profit corporation organized in the State of New Hampshire. LHC is a Federally Qualified Health Center (FQHC) whose primary purpose is to provide quality-based family health and medical services to residents of southern New Hampshire without regard to the patient's ability to pay for these services.

Subsidiary

Friends of Lamprey Health Care, Inc. (FLHC) is a non-stock, non-profit corporation organized in the State of New Hampshire. FLHC's primary purpose is to support LHC. FLHC is also the owner of the property occupied by LHC's administrative and program offices in Newmarket, New Hampshire. LHC is the sole member of FLHC.

1. Summary of Significant Accounting Policies

Principles of Consolidation

The consolidated financial statements include the accounts of LHC and its subsidiary, FLHC (collectively, the Organization). All significant intercompany balances and transactions have been eliminated in consolidation.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

Both LHC and FLHC are public charities under Section 501(c)(3) of the Internal Revenue Code. As public charities, the entities are exempt from state and federal income taxes on income earned in accordance with their tax-exempt purposes. Unrelated business income is subject to state and federal income tax. Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the consolidated financial statements.

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits and petty cash funds and exclude assets limited as to use.

Allowance for Uncollectible Accounts

Patient accounts receivable are stated at the amount management expects to collect from outstanding balances. Patient accounts receivable are reduced by an allowance for uncollectible accounts. In evaluating the collectibility of patient accounts receivable, the Organization analyzes its past collection history and identifies trends for all funding sources in the aggregate. In addition, balances in excess of one year are 100% reserved. Management regularly reviews revenue and payer mix data in evaluating the sufficiency of the allowance for uncollectible accounts. Amounts not collected after all reasonable collection efforts have been exhausted are applied against the allowance for uncollectible accounts.

A reconciliation of the allowance for uncollectible accounts follows:

	2017	2016
Balance, beginning of year	$ **278,061**	$ 319,715
Provision	**274,770**	245,051
Write-offs	**(319,376)**	(286,705)
Balance, end of year	$ **233,455**	$ 278,061

Grants and Other Receivables

Grants and other receivables are stated at the amount management expects to collect from outstanding balances. All such amounts are considered collectible.

Investment in Limited Liability Company

The Organization is one of eight partners who each made a capital contribution of $500 to Primary Health Care Partners (PHCP) during 2015. The purposes of PHCP are: (i) to engage and contract directly with the payers of health care to influence the design and testing of emerging payment methodologies; (ii) to achieve the three part aim of better care for individuals, better health for populations and lower growth in expenditures in connection with both governmental and non-governmental payment systems; (iii) to undertake joint activities to offer access to high quality, cost effective medical, mental health, oral health, home care and other community-based services, based upon the medical home model of primary care delivery, that promote health and well-being by developing and implementing effective clinical and administrative systems in a manner that is aligned with the FQHC model; and to lead collaborative efforts to manage costs and improve the quality of primary care services delivered by health centers operated throughout the state of New Hampshire; and (iv) to engage in any and all lawful activities, including without limitation the negotiation of contracts, agreements and/or arrangements (with payers and other parties). The Organization's investment in PHCP is reported using the equity method and the investment amounted to $20,298 and $16,204 at September 30, 2017 and 2016, respectively.

Assets Limited as To Use

Assets limited as to use include assets set aside under loan agreements for repairs and maintenance on the real property collateralizing the loan, assets designated by the board of directors for specific projects or purposes and donor-restricted contributions.

Property and Equipment

Property and equipment acquisitions are recorded at cost, less accumulated depreciation. Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method.

Gifts of long-lived assets, such as land, buildings, or equipment, are reported as unrestricted net assets and excluded from the excess of revenue over expenses unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as temporarily restricted net assets. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Temporarily Restricted Net Assets

Temporarily restricted net assets include contributions and grants for which donor-imposed restrictions have not been met. Assets are released from restrictions as expenditures are made in line with restrictions called for under the terms of the donor. Restricted grants received prior to 2000 and restricted for capital acquisition are released from restriction over the life of the related acquired assets, matching depreciation expense.

Patient Service Revenue

Patient service revenue is reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

340B Drug Pricing Program

LHC, as an FQHC, is eligible to participate in the 340B Drug Pricing Program. The program requires drug manufacturers to provide outpatient drugs to FQHCs and other identified entities at a reduced price. LHC contracts with local pharmacies under this program. The local pharmacies dispense drugs to eligible patients of LHC and bills Medicare and commercial insurances on behalf of LHC. Reimbursement received by the pharmacies is remitted to LHC net of dispensing and administrative fees. Revenue generated from the program is included in patient service revenue net of third party allowances. The cost of drug replenishments and contracted expenses incurred related to the program are included in other operating expenses.

Charity Care

The Organization provides discounts to patients who meet certain criteria under its sliding fee discount program. Because the Organization does not pursue collection of amounts determined to qualify for the sliding fee discount, they are not reported as patient service revenue.

Donor-Restricted Gifts

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is received and the conditions are met. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statements of operations as "net assets released from restrictions." Donor-restricted contributions whose restrictions are met in the same year as received are reflected as unrestricted contributions in the accompanying consolidated financial statements.

Functional Expenses

The Organization provides health care and wrap around services, including translation and care management, to residents of the greater Newmarket, Raymond, and Nashua, New Hampshire communities. Expenses related to providing these services are classified by their general nature as follows:

	2017	2016
Program services	**$ 11,385,329**	$ 12,177,340
Administrative and general	**3,836,120**	2,079,337
Total	**$ 15,221,449**	$ 14,256,677

(Deficit) Excess of Revenue Over Expenses

The consolidated statements of operations reflect the (deficit) excess of revenue over expenses. Changes in unrestricted net assets which are excluded from this measure, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which, by donor restriction, were to be used for the purposes of acquiring such assets) and changes in fair value of an interest rate swap.

Subsequent Events

For purposes of the preparation of these financial statements, management has considered transactions or events occurring through December 13, 2017, the date that the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

2. Assets Limited as to Use

Assets limited as to use are composed of cash and cash equivalents and consist of the following:

	2017	2016
United States Department of Agriculture, Rural Development (Rural Development) loan agreements	$ 142,587	$ 142,495
Designated by the governing board	2,924,858	3,076,600
Donor restricted, temporarily	358,388	356,906
Total	$ 3,425,833	$ 3,576,001

3. Property and Equipment

Property and equipment consists of the following:

	2017	2016
Land	$ 1,146,784	$ 1,146,784
Building and improvements	10,829,267	10,960,901
Furniture, fixtures and equipment	1,685,929	1,909,684
Total cost	13,661,980	14,017,369
Less accumulated depreciation	5,791,086	6,022,135
Property and equipment, net	$ 7,870,894	$ 7,995,234

In 2011, the Organization made renovations to certain buildings with federal grant funding under the ARRA – Facility Improvement Program. In accordance with the grant agreement, a Notice of Federal Interest (NFI) was filed in the appropriate official records of the jurisdiction in which the property is located. The NFI is designed to notify any prospective buyer or creditor that the Federal Government has a financial interest in the real property acquired under the aforementioned grant; that the property may not be used for any purpose inconsistent with that authorized by the grant program statute and applicable regulations; that the property may not be mortgaged or otherwise used as collateral without the written permission of the Associate Administrator of the Office of Federal Assistance Management, Health Resources and Services Administration (OFAM, HRSA); and that the property may not be sold or transferred to another party without the written permission of the Associate Administrator of OFAM and HRSA.

4. Line of Credit

The Organization has an available $1,000,000 revolving line of credit from a local bank through May 2019, with an interest rate of 4.25%. The line of credit is collateralized by all business assets. There was no outstanding balance at September 30, 2017 and 2016.

5. Long-Term Debt

Long-term debt consists of the following:

	2017	2016
Promissory note payable to local bank; see terms outlined below.	$ 894,652	$ 914,652
4.375% promissory note payable to Rural Development, paid in monthly installments of $5,000, which includes interest, through December 2036. The note is collateralized by all tangible property owned by the Organization.	777,466	802,850
5.375% promissory note payable to Rural Development, paid in monthly installments of $4,949, which includes interest, through June 2026. The note is collateralized by all tangible property owned by the Organization.	413,615	449,728
4.75% promissory note payable to Rural Development, paid in monthly installments of $1,892, which includes interest, through November 2033. The note is collateralized by all tangible property owned by the Organization.	255,108	265,428
Total long-term debt	2,340,841	2,432,658
Less current maturities	97,502	87,270
Long-term debt, less current maturities	$ 2,243,339	$ 2,345,388

The Organization has a promissory note with a local bank which is a ten-year balloon note to be paid at the amortization rate of 30 years, with monthly principal payments of $1,345 plus interest at 85% of the one-month LIBOR rate plus 2.125% through January 2022 when the balloon payment is due. The note is collateralized by the real estate. The Organization has an interest rate swap agreement for the ten-year period through 2022 that limits the potential interest rate fluctuation and essentially fixes the rate at 4.13%. The fair market value of the interest rate swap agreement was a liability of $13,769 and $44,773 at September 30, 2017 and 2016, respectively.

New Hampshire Health and Educational Facilities Authority (NHHEFA) participated in the lending for 30% of the promissory note, amounting to $300,000 through May 2016. Under the NHHEFA program, the interest rate on that portion was not subject to the swap agreement and was a variable rate based on 50% of the interest rate charged by the local banking institution, which was 85% of the one-month LIBOR rate plus 2.125%.

The Organization is required to meet certain administrative and financial covenants under various loan agreements included above. The Organization is in compliance with all loan covenants at September 30, 2017.

Maturities of long-term debt for the next five years are as follows:

2018	$ 97,502
2019	102,093
2020	106,962
2021	112,067
2022	892,951
Thereafter	1,029,266
Total	$ 2,340,841

6. Temporarily Restricted Net Assets

Temporarily restricted net assets consisted of the following:

	2017	2016
Temporarily restricted for:		
Capital improvements (expended)	$ **115,620**	$ 124,850
Dental	**-**	8,998
Community programs	**320,645**	289,037
Education	**-**	10,636
Substance abuse prevention	**37,743**	48,235
Total	$ **474,008**	$ 481,756

The composition of assets comprising temporarily restricted net assets at September 30, 2017 and 2016 is as follows:

	2017	2016
Assets limited as to use	$ **358,388**	$ 356,906
Property and equipment	**115,620**	124,850
Total	$ **474,008**	$ 481,756

7. Patient Service Revenue

Patient service revenue follows:

	2017	2016
Gross charges	**$12,752,924**	$12,266,368
340B pharmacy revenue	**1,198,264**	1,031,373
Total gross revenue	**13,951,188**	13,297,741
Contractual adjustments	**(4,155,815)**	(3,841,311)
Sliding fee scale discounts	**(869,606)**	(893,221)
Other discounts	**(19,045)**	(4,191)
Total patient service revenue	**$ 8,906,722**	$ 8,559,018

Revenue from the Medicaid and Medicare programs accounted for approximately 28% and 16%, respectively, of the Organization's gross patient service revenue for the year ended September 30, 2017 and 31% and 16%, respectively, for the year ended September 30, 2016. Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. Management believes that the Organization is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare and Medicaid programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known.

A summary of the payment arrangements with major third-party payers follows:

Medicare

The Organization is reimbursed for the care of qualified patients on a prospective basis, with retroactive settlements related to vaccine costs only. The prospective payment is based on a geographically-adjusted rate determined by federal guidelines. Overall, reimbursement was and continues to be subject to a maximum allowable rate per visit. The Organization's Medicare cost reports have been audited by the Medicare administrative contractor through September 30, 2016.

Medicaid and Other Payers

The Organization also has entered into payment agreements with Medicaid and certain commercial insurance carriers, health maintenance organizations and preferred provider organizations. The basis for payment to the Organization under these agreements includes prospectively-determined rates per visit, discounts from established charges and capitated arrangements for primary care services on a per-member, per-month basis.

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. The Organization estimates the costs associated with providing charity care by calculating the ratio of total cost to total charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. The estimated cost of providing services to patients under the Organization charity care policy amounted to approximately $1,096,647 and $942,628 for the years ended September 30, 2017 and 2016, respectively.

The Organization is able to provide these services with a component of funds received through local community support and federal and state grants.

8. Retirement Plan

The Organization has a defined contribution plan under Internal Revenue Code Section 403(b). The Organization contributed $349,378 and $326,988 for the years ended September 30, 2017 and 2016, respectively.

9. Concentration of Risk

The Organization has cash deposits in major financial institutions which exceed federal depository insurance limits. The financial institutions have a strong credit rating and management believes the credit risk related to these deposits is minimal.

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payer agreements. Following is a summary of accounts receivable, by funding source, at September 30:

	2017	2016
Medicare	**18 %**	22 %
Medicaid	**15 %**	17 %
Anthem Blue Cross Blue Shield	**14 %**	11 %
Other payers	**53 %**	50 %
	100 %	100 %

The Organization receives a significant amount of grants from the U.S. Department of Health and Human Services (DHHS). As with all government funding, these grants are subject to reduction or termination in future years. For the years ended September 30, 2017 and September 30, 2016, grants from DHHS (including both direct awards and awards passed through other organizations) represented approximately 77% and 83%, respectively, of grants, contracts and contributions.

10. Medical Malpractice

The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of the year ended September 30, 2017, there were no known malpractice claims outstanding which, in the opinion of management, will be settled for amounts in excess of both FTCA and medical malpractice insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

CONSOLIDATED FINANCIAL STATEMENTS

and

SUPPLEMENTARY INFORMATION

September 30, 2016 and 2015

With Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc.

We have audited the accompanying consolidated financial statements of Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc., which comprise the consolidated balance sheets as of September 30, 2016 and 2015, and the related consolidated statements of operations, changes in net assets and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc. as of September 30, 2016 and 2015, and the results of their operations, changes in their net assets and their cash flows for the years then ended, in accordance with U.S. generally accepted accounting principles.

Emphasis of a Matter

As discussed in Note 1 to the financial statements, the Organization has restated the 2015 financial statements to reclassify non-material monies contributed to the Organization for specific purposes from deferred revenue to temporarily restricted contributions in accordance with generally accepted accounting principles.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidating balance sheets as of September 30, 2016 and 2015, and the related consolidating statements of operations and changes in net assets for the years then ended, are presented for purposes of additional analysis rather than to present the financial position and changes in net assets of the individual entities, and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Cash and cash equivalents, beginning of year	2,461,145	1,775,337
Cash and cash equivalents, end of year	$ 1,297,839	$ 2,461,145
Supplemental disclosure of cash flow information		
Cash paid for interest	$ 113,562	$ 116,522

The accompanying notes are an integral part of these consolidated financial statements.

Organization

Lamprey Health Care, Inc. (LHC) is a non-stock, non-profit corporation organized in the State of New Hampshire. LHC is a Federally Qualified Health Center (FQHC) whose primary purpose is to provide quality-based family health and medical services to residents of southern New Hampshire without regard to the patient's ability to pay for these services.

Subsidiary

Friends of Lamprey Health Care, Inc. (FLHC) is a non-stock, non-profit corporation organized in the State of New Hampshire. FLHC's primary purpose is to support LHC. FLHC is also the owner of the property occupied by LHC's administrative and program offices in Newmarket. LHC is the sole member of FLHC.

1. Summary of Significant Accounting Policies

Principles of Consolidation

The consolidated financial statements include the accounts of LHC and its subsidiary, FLHC (collectively, the Organization). All significant intercompany balances and transactions have been eliminated in consolidation.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

Both LHC and FLHC are public charities under Section 501(c)(3) of the Internal Revenue Code. As public charities, the entities are exempt from state and federal income taxes on income earned in accordance with their tax-exempt purposes. Unrelated business income is subject to state and federal income tax. Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the consolidated financial statements.

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits and petty cash funds and exclude assets limited as to use.

Allowance for Uncollectible Accounts

Patient accounts receivable are stated at the amount management expects to collect from outstanding balances. Patient accounts receivable are reduced by an allowance for uncollectible accounts. In evaluating the collectibility of patient accounts receivable, the Organization analyzes its past history and identifies trends for all funding sources in the aggregate. In addition, balances in excess of one year are 100% reserved. Management regularly reviews data about revenue and payer mix in evaluating the sufficiency of the allowance for uncollectible accounts. Amounts not collected after all reasonable collection efforts have been exhausted are applied against the allowance for uncollectible accounts. The Organization has not changed its methodology for estimating the allowance for doubtful accounts during 2016 or 2015.

A reconciliation of the allowance for uncollectible accounts follows:

	2016	2015
Balance, beginning of year	$ 319,715	$ 231,834
Provision	245,051	476,517
Write-offs	(286,705)	(388,636)
Balance, end of year	$ 278,061	$ 319,715

The decrease in the provision and the allowance is a result of improved collections.

Grants and Other Receivables

Grants and other receivables are stated at the amount management expects to collect from outstanding balances. All such amounts are considered collectible.

Investment in Limited Liability Company

The Organization is one of eight partners who each made a capital contribution of $500 to Primary Health Care Partners (PHCP) during 2015. The purposes of PHCP are: (i) to engage and contract directly with the payers of health care to influence the design and testing of emerging payment methodologies; (ii) to achieve the three part aim of better care for individuals, better health for populations and lower growth in expenditures in connection with both governmental and non-governmental payment systems; (iii) to undertake joint activities to offer access to high quality, cost effective medical, mental health, oral health, home care and other community-based services, based upon the Patient-Centered Medical Home model of primary care delivery, that promote health and well-being by developing and implementing effective clinical and administrative systems in a manner that is aligned with the FQHC model; and to lead collaborative efforts to manage costs and improve the quality of primary care services delivered by health centers operated throughout the state of New Hampshire; and (iv) to engage in any and all lawful activities, including without limitation the negotiation of contracts, agreements and/or arrangements (with payers and other parties). The Organization's investment in PHCP is reported using the equity method and the investment amounted to $16,204 and $500 at September 30, 2016 and 2015, respectively.

Assets Limited as To Use

Assets limited as to use include assets set aside under loan agreements for repairs and maintenance on the real property collateralizing the loan, assets designated by the board of directors for specific projects or purposes and donor-restricted contributions.

Property and Equipment

Property and equipment acquisitions are recorded at cost, less accumulated depreciation. Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method.

Gifts of long-lived assets, such as land, buildings, or equipment, are reported as unrestricted net assets and excluded from the excess of revenue over expenses unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as temporarily restricted net assets. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Temporarily Restricted Net Assets

Temporarily restricted net assets include contribution and grants for which donor-imposed restrictions have not been met. Assets are released from restrictions as expenditures are made in line with restrictions called for under the terms of the donor. Restricted grants received prior to 2000 and restricted for capital acquisition are released from restriction over the life of the related acquired assets, matching depreciation expense.

Patient Service Revenue

Patient service revenue is reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

340B Drug Pricing Program

The Organization, as an FQHC, is eligible to participate in the 340B Drug Pricing Program. The program requires drug manufacturers to provide outpatient drugs to FQHCs and other identified entities at a reduced price. The Organization contracts with local pharmacies under this program. The local pharmacies dispense drugs to eligible patients of the Organization and bill Medicare and commercial insurances on behalf of the Organization. Reimbursement received by the pharmacies is remitted to the Organization, less dispensing and administrative fees. Gross revenue generated from the program is included in patient service revenue. The cost of drug replenishments and contracted expenses incurred related to the program are included in other operating expenses.

Charity Care

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, they are not reported as net patient service revenue.

Donor-Restricted Gifts

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is received and the conditions are met. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statements of operations as "net assets released from restrictions." Donor-restricted contributions whose restrictions are met in the same year as received are reflected as unrestricted contributions in the accompanying consolidated financial statements.

Functional Expenses

The Organization provides various services to residents within its geographic location. Expenses related to providing these services follows:

	2016	2015
Program services	**$ 12,177,340**	$ 10,555,584
Administrative and general	**2,079,337**	2,043,218
Total	**$ 14,256,677**	$ 12,598,802

Excess of Revenue over Expenses

The consolidated statements of operations reflect the excess of revenue over expenses. Changes in unrestricted net assets which are excluded from the excess of revenue over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which, by donor restriction, were to be used for the purposes of acquiring such assets) and changes in fair value of an interest rate swap.

Prior Period Adjustment for Temporarily Restricted Net Assets

Through the Organization's review of the deferred revenue as of September 30, 2016 and 2015, it has determined that certain non-material balances were donated to the Organization for specified purposes and, therefore, should be classified as temporarily restricted net assets rather than deferred revenue in accordance with U.S. generally accepted accounting principles. As part of the prior period restatement, the Organization also reclassified deferred revenue for grants and other contracts for which a notice of award had been received, but not yet paid to offset the receivable recorded for the notice of award.

As a result of this adjustment, the following amounts previously reported have been restated as of and for the year ended September 30, 2015:

	Balance as of September 30, 2015, as Previously Reported	Reclassification of Donor Restricted Contributions	Balance as of September 30, 2015, as Restated
Cash	$ 2,546,070	$ (84,925)	$ 2,461,145
Assets limited as to use	1,921,831	84,925	2,006,756
Grants receivable	3,908,669	(3,409,297)	499,372
Other receivables	239,474	(235,084)	4,390
Deferred revenue	3,729,307	(3,729,307)	-
Temporarily restricted net assets	366,958	84,925	451,883
Grants, contracts and contribution	4,251,528	(17,106)	4,234,422
Grants for capital acquisition	-	17,106	17,106
Restricted contributions	-	84,925	84,925

Subsequent Events

For purposes of the preparation of these financial statements, management has considered transactions or events occurring through December 14, 2016, the date that the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

2. Assets Limited as to Use

Assets limited as to use is composed of cash and cash equivalents and consist of the following:

	2016	2015
United States Department of Agriculture Rural Development loan agreement	$ **142,495**	$ 142,427
Designated by the governing board	**3,076,599**	1,546,525
Donor restricted, temporarily	**356,907**	317,804
Total	$ **3,576,001**	$ 2,006,756

3. Property and Equipment

Property and equipment consists of the following:

	2016	2015
Land	**$ 1,146,784**	$ 1,146,784
Building and improvements	**10,960,899**	10,418,055
Furniture, fixtures and equipment	**1,909,686**	1,892,906
Total cost	**14,017,369**	13,457,745
Less accumulated depreciation	**6,022,135**	5,672,919
Property and equipment, net	**$ 7,995,234**	$ 7,784,826

In 2011, the Organization made renovations to certain buildings with federal grant funding under the ARRA – Facility Improvement Program. In accordance with the grant agreement, a Notice of Federal Interest (NFI) is required to be filed in the appropriate official records of the jurisdiction in which the property is located. The NFI is designed to notify any prospective buyer or creditor that the Federal Government has a financial interest in the real property acquired under the aforementioned grant; that the property may not be used for any purpose inconsistent with that authorized by the grant program statute and applicable regulations; that the property may not be mortgaged or otherwise used as collateral without the written permission of the Associate Administrator of the Office of Federal Assistance Management, Health Resources and Services Administration (OFAM, HRSA); and that the property may not be sold or transferred to another party without the written permission of the Associate Administrator of OFAM and HRSA.

4. Line of Credit

The Organization has an available $1,000,000 revolving line of credit from a local bank through May 2017, with an interest rate of 3.50%. The line of credit is collateralized by all business assets. There was no outstanding balance at September 30, 2016 and 2015.

5. Long-Term Debt

Long-term debt consists of the following:

	2016	2015
Promissory note payable to TD Bank, N.A.; see terms outlined below.	$ **914,652**	$ 933,736
A 4.375% promissory note payable to U.S. Department of Agriculture, Rural Development (Rural Development), paid in monthly installments of $5,000, which includes interest, through December 2036. The note is collateralized by all tangible property owned by the Organization.	**802,850**	827,148
A 5.375% promissory note payable to Rural Development, paid in monthly installments of $4,949, which includes interest, through June 2026. The note is collateralized by all tangible property owned by the Organization.	**449,728**	483,956
A 4.75% promissory note payable to Rural Development, paid in monthly installments of $1,892, which includes interest, through November 2033. The note is collateralized by all tangible property owned by the Organization.	**265,428**	275,271
Total long-term debt	**2,432,658**	2,520,111
Less current maturities	**87,270**	85,947
Long-term debt, less current maturities	$ **2,345,388**	$ 2,434,164

The Organization has a promissory note with TD Bank, N.A. which is a ten-year balloon note to be paid at the amortization rate of 30 years, with monthly principal payments of $1,345 plus interest at 85% of the one-month LIBOR rate plus 2.125% through January 2022 when the balloon payment is due. The note is collateralized by the real estate. The Organization has an interest rate swap agreement for the ten-year period through 2022 that limits the potential interest rate fluctuation and essentially fixes the rate at 4.13%. The fair market value of the interest rate swap agreement was a liability of $44,773 and $37,711 at September 30, 2016 and 2015, respectively.

New Hampshire Health and Educational Facilities Authority (NHHEFA) participated in the lending for 30% of the promissory note, amounting to $300,000 through May 2016. Under the NHHEFA program, the interest rate on that portion was not subject to the swap agreement and was a variable rate based on 50% of the interest rate charged by the local banking institution, which was 85% of the one-month LIBOR rate plus 2.125%.

The Organization is required to meet certain administrative and financial covenants under various loan agreements included above. The Organization is in compliance with all loan covenants at September 30, 2016.

Maturities of long-term debt for the next five years are as follows:

2017	$ 87,270
2018	91,294
2019	95,514
2020	99,940
2021	104,581
Thereafter	1,954,059
Total	$ 2,432,658

6. Temporarily Restricted Net Assets

Temporarily restricted net assets consisted of the following:

	2016	2015
Temporarily restricted for:		
Diabetes	$ -	$ 85
Capital improvements (expended)	**124,850**	134,079
Dental	**8,998**	10,715
Community programs	**289,037**	294,511
Education	**10,636**	12,493
Substance abuse prevention	**48,235**	-
Total	$ **481,756**	$ 451,883

The composition of assets comprising temporarily restricted net assets at September 30, 2016 and 2015 is as follows:

	2016	2015
Assets limited as to use	$ **356,906**	$ 317,804
Property and equipment	**124,850**	134,079
Total	$ **481,756**	$ 451,883

7. Patient Service Revenue

Patient service revenue follows:

	2016	2015
Gross charges	**$12,266,368**	$12,465,956
340B pharmacy revenue	**1,031,373**	752,378
Total gross revenue	**13,297,741**	13,218,334
Contractual adjustments	**(3,813,058)**	(3,798,443)
Sliding fee scale discounts	**(921,474)**	(933,619)
Other discounts	**(4,191)**	(3,269)
Total patient service revenue	**$ 8,559,018**	$ 8,483,003

The Organization has agreements with the Centers for Medicare & Medicaid Services (Medicare) and New Hampshire Medicaid. Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. Management believes that the Organization is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare and Medicaid programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known.

A summary of the payment arrangements with major third-party payers follows:

Medicare

The Organization is reimbursed for the care of qualified patients on a prospective basis, with retroactive settlements related to vaccine costs only. The prospective payment is based on a geographically-adjusted rate determined by federal guidelines. Overall, reimbursement was and continues to be subject to a maximum allowable rate per visit. The Organization's Medicare cost reports have been audited by the Medicare administrative contractor through September 30, 2014.

Medicaid and Other Payers

The Organization also has entered into payment agreements with Medicaid and certain commercial insurance carriers, health maintenance organizations and preferred provider organizations. The basis for payment to the Organization under these agreements includes prospectively-determined rates per visit, discounts from established charges and capitated arrangements for primary care services on a per-member, per-month basis.

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. The Organization estimates the costs associated with providing charity care by calculating the ratio of total cost to total charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. The estimated cost of providing services to patients under the Organization charity care policy amounted to approximately $942,628 and $865,778 for the years ended September 30, 2016 and 2015, respectively.

The Organization is able to provide these services with a component of funds received through local community support and federal and state grants.

8. Retirement Plan

The Organization has a defined contribution plan under Internal Revenue Code Section 403(b). The Organization contributed $326,988 and $334,365 for the years ended September 30, 2016 and 2015, respectively.

9. Concentration of Risk

The Organization has cash deposits in major financial institutions which exceed federal depository insurance limits. The financial institutions have a strong credit rating and management believes the credit risk related to these deposits is minimal.

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payer agreements. Following is a summary of accounts receivable, by funding source, at June 30:

	2016	2015
Medicare	**22 %**	17 %
Medicaid	**17 %**	34 %
Other payers	**61 %**	49 %
	100 %	100 %

10. Medical Malpractice

The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of the year ended September 30, 2016, there were no known malpractice claims outstanding which, in the opinion of management, will be settled for amounts in excess of both FTCA and medical malpractice insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

Nurse Practitioner
Provide comprehensive preventive, episodic, acute, and chronic care to patients of all ages in the office setting.

Mary Brewer, RN

EDUCATION: Mary Hitchcock Memorial Hospital School of Nursing
Hanover, New Hampshire
1974-1977

EMPLOYMENT: Registered Nurse 1978-Present

10/15/1985-Present Perinatal Program Coordinator, Medical Home Team Nurse

Lamprey Health Care, Newmarket, NH 03857
Working with high risk OB/GYN patients

1981-1982 Private Duty Nurse

Residence of Mrs. Lucia Howe Snow
Responsible for maintaining optimum health for her eighty-nine year old husband, Mr. Stanley Snow. Duties include assessing many of the frequent geriatric ailments that necessitate a plan and intervention. Responsible also for scheduling of nurses around the clock.

1981Staff R.N. (per diem)

Memorial Hospital and Merriman House
Memorial Hospital, North Conway, NH

Responsibilities included passing medications, directing aides, caring for the acutely ill and chronically ill patient. Also worked with other health team members including physical therapists, respiratory therapists and physicians in setting short and long term goals for patients.

1978-1980 Nursing Supervisor

Portland City Hospital, Portland, Maine

Handling of all patient and staff related emergencies. Patient teaching and family education of diseases and prevention of diseases, nutrition, explanation of medications, and administration of various tests. A major focus was the care of the terminally ill patient and their family. Discharge planning involved evaluating with physicians and other health care professionals the capability of a

patient to return home or to other residence. If needed, setting up visits with outside agencies (Visiting Nurses, Meals on Wheels, Physical Therapy) upon a patient's discharge. Written evaluations of staff members under my supervision every six months. Assisting with scheduling of staff members. Weekly meetings with administrators.

OTHER EXPERIENCE

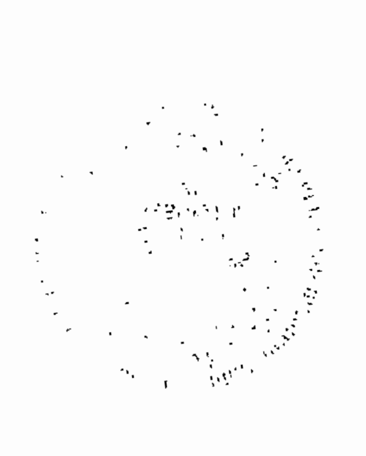
1.17 Approval by the Attorney General (Form, Substance and Execution) *(if applicable)* By: [signature]		On: 5/22/18	
1.18 Approval by the Governor and Executive Council *(if applicable)* By:		On:	



2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.
3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.18, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.14 ("Effective Date").
3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.
5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.
5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.
5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.
5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.
6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. This may include the requirement to utilize auxiliary aids and services to ensure that persons with communication disabilities, including vision, hearing and speech, can communicate with, receive information from, and convey information to the Contractor. In addition, the Contractor shall comply with all applicable copyright laws.
6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.
6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.
7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.
7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this

Agreement. This provision shall survive termination of this Agreement.
7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.
8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):
8.1.1 failure to perform the Services satisfactorily or on schedule;
8.1.2 failure to submit any report required hereunder; and/or
8.1.3 failure to perform any other covenant, term or condition of this Agreement.
8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:
8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;
8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;
8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or
8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

9. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.
9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.
9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.
9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. TERMINATION. In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS. The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice and consent of the State. None of the Services shall be subcontracted by the Contractor without the prior written notice and consent of the State.

13. INDEMNIFICATION. The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.
14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:
14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000per occurrence and $2,000,000 aggregate ; and
14.1.2 special cause of loss coverage form covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.
14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

Contractor Initials [illegible]
Date 4/3/18

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than thirty (30) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each certificate(s) of insurance shall contain a clause requiring the insurer to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than thirty (30) days prior written notice of cancellation or modification of the policy.

15. WORKERS' COMPENSATION.
15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation").*
15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

19. CONSTRUCTION OF AGREEMENT AND TERMS. This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

Contractor Initials [illegible]
Date 4/3/18

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances for all reimbursable services rendered. The Department shall be the payor of last resort.

1.4. Preventative and Primary Health Care, as well as related Care Management and Enabling Services shall be provided to individuals of all ages, statewide, who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income (defined as <185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. The Contractor shall remain in compliance with all applicable state and federal laws for the duration of the contract period, including but not limited to:

1.5.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.5.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.5.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care Services for new patients is limited or closed for more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

2.2. The Contractor shall assist individuals with completing a Medicaid/Expanded Medicaid and other health insurance application when income calculations indicate possible Medicaid eligibility.

2.3. The Contractor shall maximize billing to private and commercial insurances for all reimbursable services rendered.

2.4. The Contractor shall post a notice in a public and conspicuous location noting that no individual will be denied services for an inability to pay.

2.5. The Contractor shall develop and implement a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall make the sliding fee scale available to the Department upon request.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a New Hampshire licensed Medical Doctor (MD), Doctor of Osteopathic Medicine (DO), Advanced Practice Registered Nurse (APRN) or Physician Assistant (PA) to eligible individuals in the service area.

3.2. The Contractor shall ensure primary care services include, but are not limited to:

3.2.1. Reproductive health services.

3.2.2. Perinatal health services including but not limited to access to obstetrical services either on-site or by referral.

3.2.3. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.2.4. Integrated behavioral health services.

3.2.5. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.2.6. Assessment of need and follow-up/referral as indicated for:

3.2.6.1. Tobacco cessation, including referral to QuitWorks-NH, www.QuitWorksNH.org.

3.2.6.2. Social services.

3.2.6.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management Education (DSME) as recommended by American Diabetes Association (ADA).

3.2.6.4. Nutrition services, including Women, Infants and Children (WIC) Food and Nutrition Service, as appropriate;

3.2.6.5. Screening, Brief Intervention and Referral to Treatment (SBIRT) services, including but not limited to contact with the Regional Public Health Network Continuum of Care Development Initiative.

3.2.6.6. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.3. The Contractor shall provide care management for individuals enrolled for

primary care services, which includes, but is not limited to:

3.3.1. Integrated and coordinated services that ensure patients receive necessary care, including behavioral health and oral care when and where it is needed and wanted, in a culturally and linguistically appropriate manner.

3.3.2. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.3.3. Care facilitated by registries; information technology; health information exchanged.

3.4. The Contractor shall provide and facilitate enabling services, which are non-clinical services that support the delivery of basic primary care services, and facilitate access to comprehensive patient care as well as social services that include, but are not limited to:

3.4.1. Benefit counseling.

3.4.2. Health insurance eligibility and enrollment assistance.

3.4.3. Health education and supportive counseling.

3.4.4. Interpretation/translation for individuals with Limited English Proficiency or other communication needs.

3.4.5. Outreach, which may include the use of community health workers.

3.4.6. Transportation.

3.4.7. Education of patients and the community regarding the availability and appropriate use of health services.

4. Quality Improvement

4.1. The Contractor shall develop, define, facilitate and implement a minimum of two (2) Quality Improvement (QI) projects, which consist of systematic and continuous actions that lead to measurable improvements in health care services and the health status of targeted patient groups.

4.1.1. One (1) quality improvement project must focus on the performance measure as designated by MCHS. (Defined as Adolescent Well Visits for SFY 2018 – 2019)

4.1.2. The other(s) will be chosen by the vendor based on previous performance outcomes needing improvement.

4.2. The Contractor shall utilize Quality Improvement Science to develop and implement a QI Workplan for each QI project. The QI Workplan will include:

4.2.1. Specific goals and objectives for the project period; and

4.2.2. Evaluation methods used to demonstrate improvement in the quality, efficiency, and effectiveness of patient care.

4.3. The Contractor shall include baseline measurements for each area of

improvement identified in the QI projects, to establish health care services and health status of targeted patient groups to be improved upon.

4.4. The Contractor may utilize activities in QI projects that enhance clinical workflow and improve patient outcomes, which may include, but are not limited to:

4.4.1.1. EMR prompts/alerts.

4.4.1.2. Protocols/Guidelines.

4.4.1.3. Diagnostic support.

4.4.1.4. Patient registries.

4.4.1.5. Collaborative learning sessions.

5. Staffing

5.1. The Contractor shall ensure all health and allied health professions have the appropriate, current New Hampshire licenses whether directly employed, contracted or subcontracted.

5.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

5.3. The Contractor shall notify the Maternal and Child Health Section (MCHS), in writing, of any newly hired administrator, clinical coordinator or any staff person essential to providing contracted services and include a copy of the individual's resume, within thirty (30) days of hire.

5.4. The Contractor shall notify the MCHS, in writing, when:

5.4.1. Any critical position is vacant for more than thirty (30) days;

5.4.2. There is not adequate staffing to perform all required services for any period lasting more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

6. Coordination of Services

6.1. The Contractor shall participate in activities within their Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

6.1.1. Community needs assessments;

6.1.2. Public health performance assessments; and

6.1.3. Regional health improvement plans under development.

6.2. The Contractor shall participate in and coordinate public health activities, as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

7. Required Meetings & Trainings

7.1. The Contractor shall attend meetings and trainings facilitated by the MCHS programs that include, but are not limited to:

7.1.1. MCHS Agency Directors' meetings;

7.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year, which may require attendance by agency quality improvement staff; and

7.1.3. MCHS Agency Medical Services Directors' meetings.

8. Workplans, Outcome Reports & Additional Reporting Requirements

8.1. The Contractor shall collect and report data as detailed in Exhibit A-1 "Reporting Metrics" according to the Exhibit A-2 "Report Timing Requirements".

8.2. The Contractor shall submit reports as defined within Exhibit A-2 "Report Timing Requirements".

8.3. The Contractor shall submit an updated budget narrative, within thirty (30) days of the contract execution date and annually, as defined in Exhibit A-2 "Report Timing Requirements". The budget narrative shall include, at a minimum;

8.3.1. Staff roles and responsibilities, defining the impact each role has on contract services;

8.3.2. Staff list, defining;

8.3.2.1. The Full Time Equivalent percentage allocated to contract services, and;

8.3.2.2. The individual cost, in U.S. Dollars, of each identified individual allocated to contract services.

8.4. In addition to the report defined within Exhibit A-2 "Report Timing Requirements", the Contractor shall submit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9. On-Site Reviews

9.1. The Contractor shall permit a team or person authorized by the Department to periodically review the Contractor's:

9.1.1. Systems of governance.

9.1.2. Administration.

9.1.3. Data collection and submission.

9.1.4. Clinical and financial management.

9.1.5. Delivery of education services.

9.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

9.2.1. Client records.

9.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

9.3. The Contractor shall take corrective actions, as advised by the review team, if services provided are not in compliance with the contract requirements.

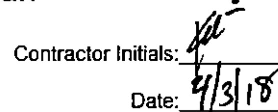
10. Performance Measures

10.1. The Contractor shall ensure that the following performance indicators are annually achieved and monitored quarterly to measure the effectiveness of the agreement:

10.1.1. Annual improvement objectives shall be defined by the vendor and submitted to the Department. Objectives shall be measurable, specific and align to the provision of primary care services defined within Exhibit A-1 "Reporting Metrics"

Exhibit A-1 – Reporting Metrics

1. **Definitions**
    - 1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:
        - 1.1.1. The calendar year, (January 1st through December 31st); or
        - 1.1.2. The state fiscal year (July 1st through June 30th).
    - 1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.
    - 1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set
    - 1.4. **NQF** – National Quality Forum
    - 1.5. **Title V** – Federal Maternal and Child Health Services Block Grant
    - 1.6. **UDS** – Uniform Data System
    - 1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section
2. **MCHS PRIMARY CARE PERFORMANCE MEASURES**
    - 2.1. **Breastfeeding**
        - 2.1.1. Percent of infants who are ever breastfed (Title V PM #4).
            - 2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.
            - 2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.
            - 2.1.1.3. Denominator: All patient infants born in the measurement year.
    - 2.2. **Preventive Health: Lead Screening**
        - 2.2.1. Percent of children three (3) years of age who had two (2) or more capillary or venous lead blood test for lead poisoning by their third birthday. (NH MCHS).
            - 2.2.1.1. Numerator: All patient children who received at least one capillary or venous lead screening test between nine (9) months to eighteen (18) months of age **AND** one (1) capillary or venous lead screening test between nineteen (19) to thirty (30) months of age.
            - 2.2.1.2. Denominator: All patient children who turned three (3) years old during the measurement year that had at least one (1) medical visit during the measurement year.



Contractor Initials:
Date:

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents, twelve (12) through twenty-one (21) years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients ages twelve (12) and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

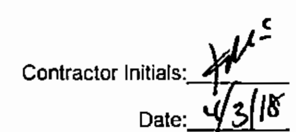
2.4.1.3. Denominator: All patients twelve (12) years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

Contractor Initials:
Date:



2.4.2.1. Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative PLUS women who screened positive AND have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

2.5.1. Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented (NQF 0421, UDS).

2.5.1.1. Normal parameters: Age 65 and older BMI ≥ 23 and < 30

2.5.1.2. Age 18 through 64 BMI ≥ 18.5 and < 25

Contractor Initials: [signature]
Date: 4/3/18

2.5.1.3. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.4. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.5. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. Preventive Health: Tobacco Screening

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year or prior year AND who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco use one or more times during their most recent visit OR within twenty-four (24) months of the most

Contractor Initials: KMS

Date: 4/3/18

recent visit and received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who delivered a live birth in the measurement year.

2.6.2.4. Definitions:

2.6.2.4.1. Tobacco Use: Includes any type of tobacco

2.6.2.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

2.7. At Risk Population: Hypertension

2.7.1. Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90mmHG) during the measurement year (NQF 0018).

2.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm HG at the time of their last measurement.

Contractor Initials: [signature]

Date: 6/3/18

2.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension (must have been diagnosed with hypertension 6 or more months before the measurement date) who had at least one (1) medical visit during the measurement year. (Excludes pregnant women and patients with End Stage Renal Disease.)

2.8. **Patient Safety: Falls Screening**

2.8.1. Percent of patients aged 65 years and older who were screened for fall risk at least once within 12 months (NH MCHS).

2.8.1.1. Numerator: Patients who were screened for fall risk at least once within the measurement year.

2.8.1.2. Denominator: All patients aged 65 years and older seen by a health care provider within the measurement year.

2.9. **SBIRT**

2.9.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention and/or referral to services.

2.9.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.1.3. Denominator: Number of patients aged 18 years and older seen for annual/preventive visit within the measurement year.

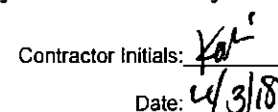
2.9.1.4. Definitions:

2.9.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.9.1.4.2. Brief Intervention: Includes guidance or counseling.

2.9.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.9.2. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are



enrolled in the prenatal program AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

2.9.2.2. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

Exhibit A-2 – Report Timing Requirements

1.1. **Primary Care Services Reporting Requirements**

1.1.1. The reports are required due on the date(s) listed, or, in years where the date listed falls on a non-business day, reports are due on the Friday immediately prior to the date listed.

1.1.2. The Vendor is required to complete and submit each report, following instructions sent by the Department

1.1.3. An updated budget narrative must be provided to the Department, within thirty (30) days of contract approval. The budget narrative must include, at a minimum;

1.1.3.1. Staff roles and responsibilities, defining the impact each role has on contract services

1.1.3.2. Staff list, defining;

1.1.3.2.1. The Full Time Equivalent percentage allocated to contract services, and;

1.1.3.2.2. The individual cost, in U.S. Dollars, of each identified individual allocated to contract services.

1.2. **Annual Reports**

1.2.1. The following reports are required annually, on or prior to;

1.2.1.1. March 31st;

1.2.1.1.1. Uniform Data Set (UDS) Data tables reflecting program performance for the previous calendar year;

1.2.1.1.2. Budget narrative, which includes, at a minimum;

1.2.1.1.2.1. Staff roles and responsibilities, defining the impact each role has on contract services

1.2.1.1.2.2. Staff list, defining;

1.2.1.1.2.2.1. The Full Time Equivalent percentage allocated to contract services, and;

1.2.1.1.2.2.2. The individual cost, in U.S. Dollars, of each

Contractor Initials: [initials]
Date: 4/3/18

identified individual allocated to contract services.

1.2.1.2. July 31st;

1.2.1.2.1. Summary of patient satisfaction survey results obtained during the prior contract year;

1.2.1.2.2. Quality Improvement (QI) Workplans, Performance Outcome Section

1.2.1.2.3. Enabling Services Workplans, Performance Outcome Section

1.2.1.3. September 1st;

1.2.1.3.1. QI workplan revisions, as needed;

1.2.1.3.2. Enabling Service Workplan revisions, as needed;

1.2.1.3.3. Correction Action Plan (Performance Measure Outcome Report), as needed;

1.3. **Semi-Annual Reports**

1.3.1. Primary Care Services Measure Data Trend Table (DTT), due on;

1.3.1.1. July 31, 2018 (measurement period July 1– June 30) and;

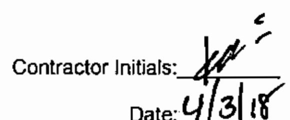
1.3.1.2. January 31 (measurement period January 1 – December 31).

1.4. **The following report is required 30 days following the end of each quarter, beginning in State Fiscal Year 2018;**

1.4.1. Perinatal Client Data Form (PCDF);

1.4.1.1. Due on April 30, July 31, October 31 and January 31

Contractor Initials:



Date: 4/3/18

Method and Conditions Precedent to Payment

1. The State shall pay the contractor an amount not to exceed the Form P-37, Block 1.8, Price Limitation for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.

2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon meeting the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov) #93.994, Maternal and Child Health Services Block Grant to the States

3. The Contractor shall not use or apply contract funds for capital additions, improvements, entertainment costs or any other costs not approved by the Department.

4. Payment for services shall be as follows:

   4.1. Payments shall be on a cost reimbursement basis for approved actual costs in accordance with Exhibits B-1 through Exhibit B-3.

   4.2. The Contractor shall submit invoices in a form satisfactory to the State no later than the tenth (10th) working day of each month, which identifies and requests reimbursement for authorized expenses incurred in the prior month. The Contractor agrees to keep detailed records of their activities related to Department-funded programs and services.

      4.2.1. Expenditure detail may be requested by the Department on an intermittent basis, which the Contractor must provide.

      4.2.2. Onsite reviews may be required.

   4.3. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice, subsequent to approval of the submitted invoice and if sufficient funds are available.

   4.4. In lieu of hard copies, all invoices may be assigned an electronic signature and emailed to DPHScontractbilling@dhhs.nh.gov, or invoices may be mailed to:

      Financial Administrator

      Department of Health and Human Services

      Division of Public Health

      29 Hazen Dr.

      Concord, NH 03301

4.5. The final invoice shall be due to the State no later than forty (40) days after the date specified in Form P-37, Block 1.7 Completion Date.

4.6. Payments may be withheld pending receipt of required reports or documentation as identified in Exhibit A, Scope of Services and in this Exhibit B.

5. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjusting encumbrances between State Fiscal Years within the price limitation may be made without obtaining approval of the Governor and Executive Council, upon written agreement of both parties.

SPECIAL PROVISIONS

Contractors Obligations: The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
   7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
   7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

8. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:
   - 8.1. Fiscal Records: books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.
   - 8.2. Statistical Records: Statistical, enrollment, attendance or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.
   - 8.3. Medical Records: Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

9. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.
   - 9.1. Audit and Review: During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.
   - 9.2. Audit Liabilities: In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

10. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

11. **Reports:** Fiscal and Statistical: The Contractor agrees to submit the following reports at the following times if requested by the Department.
    11.1. Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.
    11.2. Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

12. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

13. **Credits:** All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:
    13.1. The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

14. **Prior Approval and Copyright Ownership:** All materials (written, video, audio) produced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution or use. The DHHS will retain copyright ownership for any and all original materials produced, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports. Contractor shall not reproduce any materials produced under the contract without prior written approval from DHHS.

15. **Operation of Facilities: Compliance with Laws and Regulations:** In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

16. **Equal Employment Opportunity Plan (EEOP):** The Contractor will provide an Equal Employment Opportunity Plan (EEOP) to the Office for Civil Rights, Office of Justice Programs (OCR), if it has received a single award of $500,000 or more. If the recipient receives $25,000 or more and has 50 or

more employees, it will maintain a current EEOP on file and submit an EEOP Certification Form to the OCR, certifying that its EEOP is on file. For recipients receiving less than $25,000, or public grantees with fewer than 50 employees, regardless of the amount of the award, the recipient will provide an EEOP Certification Form to the OCR certifying it is not required to submit or maintain an EEOP. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption. EEOP Certification Forms are available at: http://www.ojp.usdoj/about/ocr/pdfs/cert.pdf.

17. **Limited English Proficiency (LEP):** As clarified by Executive Order 13166, Improving Access to Services for persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with the Omnibus Crime Control and Safe Streets Act of 1968 and Title VI of the Civil Rights Act of 1964, Contractors must take reasonable steps to ensure that LEP persons have meaningful access to its programs.

18. **Pilot Program for Enhancement of Contractor Employee Whistleblower Protections:** The following shall apply to all contracts that exceed the Simplified Acquisition Threshold as defined in 48 CFR 2.101 (currently, $150,000)

    CONTRACTOR EMPLOYEE WHISTLEBLOWER RIGHTS AND REQUIREMENT TO INFORM EMPLOYEES OF WHISTLEBLOWER RIGHTS (SEP 2013)

    (a) This contract and employees working on this contract will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239) and FAR 3.908.

    (b) The Contractor shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation.

    (c) The Contractor shall insert the substance of this clause, including this paragraph (c), in all subcontracts over the simplified acquisition threshold.

19. **Subcontractors:** DHHS recognizes that the Contractor may choose to use subcontractors with greater expertise to perform certain health care services or functions for efficiency or convenience, but the Contractor shall retain the responsibility and accountability for the function(s). Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.
    When the Contractor delegates a function to a subcontractor, the Contractor shall do the following:
    19.1. Evaluate the prospective subcontractor's ability to perform the activities, before delegating the function
    19.2. Have a written agreement with the subcontractor that specifies activities and reporting responsibilities and how sanctions/revocation will be managed if the subcontractor's performance is not adequate
    19.3. Monitor the subcontractor's performance on an ongoing basis

19.4. Provide to DHHS an annual schedule identifying all subcontractors, delegated functions and responsibilities, and when the subcontractor's performance will be reviewed

19.5. DHHS shall, at its discretion, review and approve all subcontracts.

If the Contractor identifies deficiencies or areas for improvement are identified, the Contractor shall take corrective action.

DEFINITIONS

As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean that section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Wherever federal or state laws, regulations, rules, orders, and policies, etc. are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc. as they may be amended or revised from the time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

REVISIONS TO GENERAL PROVISIONS

1. Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:

   4. CONDITIONAL NATURE OF AGREEMENT.
   Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

2. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

   10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

   10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

   10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

   10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

   10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

3. The Division reserves the right to renew the Contract for up to two (2) additional years, subject to the continued availability of funds, satisfactory performance of services and approval by the Governor and Executive Council.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

Contractor Initials KY
Date 4/3/18

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted
   1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
   1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, state, zip code) (list each location)

145 Hollis Street, Manchester, NH 03101
1245 Elm Street, Manchester, NH 03101
184 Tarrytown Road, Manchester, NH 03103

CERTIFICATION REGARDING LOBBYING

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

Contractor Initials [initials]
Date 4/3/18

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABLITY ACT
BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

Contractor Initials KA

Date 1/3/18

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) <u>Obligations and Activities of Business Associate</u>.

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- o The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- o The unauthorized person used the protected health information or to whom the disclosure was made;
- o Whether the protected health information was actually acquired or viewed
- o The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.
In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.
The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:
The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

Contractor Name: Manchester Community Health Center

4/3/18
Date

Name: Kris McCracken
Title: President/CEO

FORM A

As the Contractor identified in Section 1.3 of the General Provisions, I certify that the responses to the below listed questions are true and accurate.

1. The DUNS number for your entity is: 928664937

2. In your business or organization's preceding completed fiscal year, did your business or organization receive (1) 80 percent or more of your annual gross revenue in U.S. federal contracts, subcontracts, loans, grants, sub-grants, and/or cooperative agreements; and (2) $25,000,000 or more in annual gross revenues from U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements?

   X NO ________ YES

   If the answer to #2 above is NO, stop here

   If the answer to #2 above is YES, please answer the following:

3. Does the public have access to information about the compensation of the executives in your business or organization through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C.78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986?

   ________ NO X YES

   If the answer to #3 above is YES, stop here

   If the answer to #3 above is NO, please answer the following:

4. The names and compensation of the five most highly compensated officers in your business or organization are as follows:

   Name: ____________________ Amount: ____________

   Name: ____________________ Amount: ____________

   Name: ____________________ Amount: ____________

   Name: ____________________ Amount: ____________

   Name: ____________________ Amount: ____________

Contractor Initials [signature]

Date 4/3/18

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or

consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not

use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.

3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.

4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.

5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.

6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.

2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.

3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.

5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.

6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.

7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.
9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2

5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a whole, must have aggressive intrusion-detection and firewall protection.

6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.

2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.

3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.

2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the

scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer, and additional email addresses provided in this section, of any security breach within two (2) hours of the time that the Contractor learns of its occurrence. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

b. safeguard this information at all times.

c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer, Information Security Office and Program Manager of any Security Incidents and Breaches within two (2) hours of the time that the Contractor learns of their occurrence.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and
5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

VI. PERSONS TO CONTACT

A. DHHS contact program and policy:

Mission, Vision and Core Values

Mission

To improve the health and well-being of our patients and the communities we serve by leading the effort to eliminate health disparities by providing exceptional primary and preventive healthcare and support services which are accessible to all.

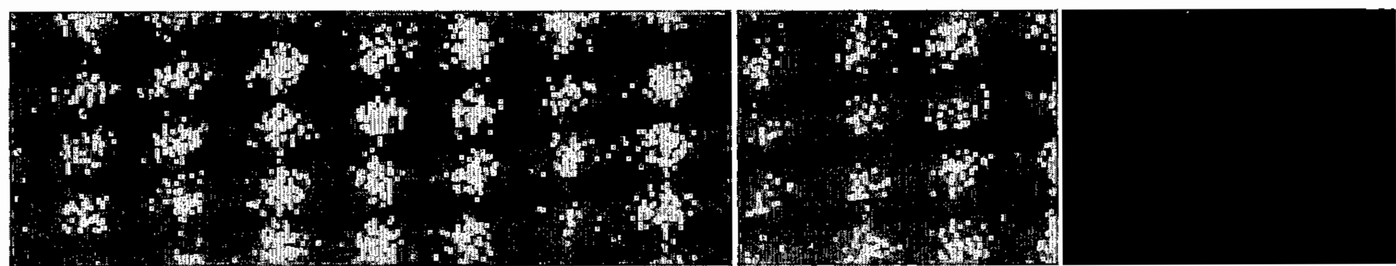
Vision

MCHC will become the provider of choice for comprehensive primary health care by achieving the triple aim of better health outcomes, better patient care, and lowered costs through using innovative care models and strong community partnerships. MCHC will meet our mission by using evidence-based care that is patient-centered, engages families, removes barriers, and promotes well-being and healthy lifestyles through patient empowerment and education.

Core Values

We will promote wellness, provide exceptional care, and offer outstanding services so that our patients achieve and maintain their best possible health. We will do this through fostering an environment of respect, integrity and caring for all stakeholders in our organization.

ADOPTED: 01/28/2014



FINANCIAL STATEMENTS

June 30, 2017 and 2016

With Independent Auditor's Report

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Manchester Community Health Center

We have audited the accompanying financial statements of Manchester Community Health Center, which comprise the balance sheets as of June 30, 2017 and 2016, and the related statements of operations, changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Manchester Community Health Center as of June 30, 2017 and 2016, and the results of its operations, changes in its net assets and its cash flows for the years then ended, in accordance with U.S. generally accepted accounting principles.

Cash paid for interest	**$ 54,071**	$ 38,875
Capital expenditures in accounts payable	**321,590**	-

The accompanying notes are an integral part of these financial statements.

1. Summary of Significant Accounting Policies

Organization

Manchester Community Health Center (the Organization) is a non-stock, not-for-profit corporation organized in New Hampshire. The Organization is a Federally Qualified Health Center (FQHC) providing high-quality, comprehensive family oriented primary healthcare services which meet the needs of a diverse community, regardless of age, ethnicity or income.

Income Taxes

The Organization is a public charity under Section 501(c)(3) of the Internal Revenue Code. As a public charity, the Organization is exempt from state and federal income taxes on income earned in accordance with its tax-exempt purpose. Unrelated business income is subject to state and federal income tax. Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the financial statements.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles generally requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents exclude amounts whose use is limited by Board designation.

Allowance for Uncollectible Accounts

Patient accounts receivable are stated at the amount management expects to collect from outstanding balances. Patient accounts receivable are reduced by an allowance for uncollectible accounts. In evaluating the collectibility of patient accounts receivable, the Organization analyzes its past history and identifies trends for each individual payer. In addition, balances in excess of one year are 100% reserved. Management regularly reviews data about revenue in evaluating the sufficiency of the allowance for uncollectible accounts. Amounts not collected after all reasonable collection efforts have been exhausted are applied against the allowance for uncollectible accounts.

A reconciliation of the allowance for uncollectible accounts follows:

	2017	2016
Balance, beginning of year	**$ 1,391,757**	$ 608,028
Provision	**1,687,439**	1,098,074
Write-offs	**(1,376,802)**	(314,345)
Balance, end of year	**$ 1,702,394**	$ 1,391,757

The increase in provision and write-offs is primarily the result of the regulatory environment related to challenges with credentialing of providers and timely filing limits imposed by managed care companies.

Grants and Other Receivables

Grants and other receivables are stated at the amount management expects to collect from outstanding balances. All such amounts are considered collectible.

Investment in Limited Liability Company

The Organization is one of eight partners who each made a capital contribution of $500 to Primary Health Care Partners, LLC (PHCP) during 2015. The Organization's investment in PHCP is reported using the equity method and the investment amounted to $20,298 and $16,203 at June 30, 2017 and 2016, respectively.

Assets Limited as to Use

Assets limited as to use consist of cash and cash equivalents and represent assets designated by the board for future capital needs.

Property and Equipment

Property and equipment acquisitions are recorded at cost. Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method.

Gifts of long-lived assets, such as land, buildings, or equipment, are reported as unrestricted net assets and excluded from the (deficit) excess of revenue over expenses unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as temporarily restricted net assets. Absent explicit continuing donor stipulations, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets include contributions and grants for which donor-imposed restrictions have not been met. Assets are released from restrictions as expenditures are made in line with restrictions called for under the terms of the donor. Restricted grants received for capital acquisitions are reported as temporarily restricted net assets in the period received, and expirations of those donor restrictions are reported when the acquired long-lived assets are placed in service and donor-imposed restrictions are satisfied.

Permanently restricted net assets include net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on related investments for general or specific purposes.

Donor-Restricted Gifts

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is unconditionally received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of operations as "net assets released from restriction." Donor-restricted contributions whose restrictions are met in the same year as received are reflected as unrestricted contributions in the accompanying financial statements.

Patient Service Revenue

Patient service revenue is reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

340B Drug Pricing Program

The Organization, as an FQHC, is eligible to participate in the 340B Drug Pricing Program. The program requires drug manufacturers to provide outpatient drugs to FQHCs and other identified entities at a reduced price. The Organization contracts with local pharmacies under this program. The local pharmacies dispense drugs to eligible patients of the Organization and bill Medicare and commercial insurances on behalf of the Organization. Reimbursement received by the pharmacies is remitted to the Organization, less dispensing and administrative fees. Gross revenue generated from the program is included in patient service revenue. Contracted expenses and drug costs incurred related to the program are included in other operating expenses.

Charity Care

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, they are not reported as net patient service revenue.

Functional Expenses

The Organization provides various services to residents within its geographic location. Expenses related to providing these services are as follows:

	2017	2016
Program services	**$15,198,514**	$13,439,463
Administrative and general	**2,138,503**	1,619,871
Fundraising	**188,327**	171,807
Total	**$17,525,344**	$15,231,141

(Deficit) Excess of Revenue Over Expenses

The statements of operations reflect the (deficit) excess of revenue over expenses. Changes in unrestricted net assets which are excluded from the (deficit) excess of revenue over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which, by donor restriction, were to be used for the purposes of acquiring such assets).

Subsequent Events

For purposes of the preparation of these financial statements, management has considered transactions or events occurring through December 6, 2017, the date that the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

2. Property and Equipment

Property and equipment consists of the following:

	2017	2016
Land	$ 81,000	$ 81,000
Building and leasehold improvements	4,327,993	3,877,039
Furniture and equipment	1,693,049	1,545,895
Total cost	6,102,042	5,503,934
Less accumulated depreciation	2,099,884	1,764,795
	4,002,158	3,739,139
Construction-in-process	360,260	56,990
Property and equipment, net	$ 4,362,418	$ 3,796,129

3. Line of Credit

The Organization has a $1,000,000 line of credit demand note with a local banking institution. The line of credit is collateralized by all assets and a second mortgage on the Organization's real property. The interest rate is LIBOR plus 3.5% (4.73% at June 30, 2017). There was an outstanding balance on the line of credit at June 30, 2017 of $810,000 and no outstanding balance in 2016. The line of credit was increased to $1,500,000 in July 2017.

4. Long-Term Debt

Long-term debt consists of the following:

	2017	2016
Note payable, with a local bank (see terms below)	$ 1,240,109	$ 1,284,696
Note payable, New Hampshire Health and Education Facilities Authority (NHHEFA), payable in monthly installments of $513, including interest at 1.00%, due July 2020, collateralized by all business assets	18,682	24,617
Total long-term debt	1,258,791	1,309,313
Less current maturities	52,316	51,049
Long-term debt, less current maturities	$ 1,206,475	$ 1,258,264

The Organization has a promissory note with Citizens Bank, N. A. (Citizens) for the purchase of the medical and office facility in Manchester, New Hampshire. The note is collateralized by the real estate. The note is a five-year balloon note due December 1, 2018 to be paid at the amortization rate of 25 years. The note is borrowed at a variable interest rate with margins adjusted annually on July 1 based on the Organization's achievement of two operating performance milestones (2.8667% at June 30, 2017). NHHEFA is participating in the lending for 30% of the promissory note. Under the NHHEFA program, the interest rate on that portion is approximately 30% of the interest rate charged by Citizens.

The Organization is required to meet an annual minimum working capital and debt service coverage as defined in the loan agreement with Citizens. In the event of default, Citizens has the option to terminate the agreement and immediately request payment of the outstanding debt without notice of any kind to the Organization. After receiving a waiver from Citizens to exclude certain one-time items from the debt service coverage calculation, the Organization is in compliance with all loan covenants at June 30, 2017.

Scheduled principal repayments of long-term debt are as follows:

2018	$ 52,316
2019	1,199,784
2020	6,115
2021	518
2022	58

5. Temporarily and Permanently Restricted Net Assets

Temporarily and permanently restricted net assets consisted of the following as of June 30:

	2017	2016
Temporarily restricted		
Program services	$ **148,927**	$ 74,280
Child health services	**269,272**	356,884
Capital improvements (expended)	**66,955**	93,546
Capital improvements (not yet in service)	**325,005**	56,990
Total	$ **810,159**	$ 581,700
Permanently restricted		
Working capital	$ **101,358**	$ 101,358

6. Patient Service Revenue

Patient service revenue follows:

	2017	2016
Gross charges	**$16,357,934**	$15,972,455
340B pharmacy revenue	**919,437**	802,683
Total gross revenue	**17,277,371**	16,775,138
Contractual adjustments	**(6,088,033)**	(5,822,424)
Sliding fee scale discounts	**(1,454,893)**	(1,668,686)
Total patient service revenue	**$ 9,734,445**	$ 9,284,028

Revenue from the Medicaid and Medicare programs accounted for approximately 52% and 9%, respectively, of the Organization's gross patient service revenue for the year ended June 30, 2017 and 59% and 8%, respectively, for the year ended June 30, 2016. Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. The Organization believes that it is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare and Medicaid programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known.

A summary of the payment arrangements with major third-party payers follows:

Medicare

The Organization is reimbursed for the medical care of qualified patients on a prospective basis, with retroactive settlements related to vaccine costs only. The prospective payment is based on a geographically-adjusted rate determined by Federal guidelines. Overall, reimbursement is subject to a maximum allowable rate per visit. The Organization's Medicare cost reports have been audited by the Medicare administrative contractor through June 30, 2016.

Medicaid and Other Payers

The Organization also has entered into payment agreements with Medicaid and certain commercial insurance carriers, health maintenance organizations and preferred provider organizations. The basis for payment to the Organization under these agreements includes prospectively-determined rates per visit, discounts from established charges, and capitated arrangements for primary care services on a per member, per month basis.

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. The Organization estimates the costs associated with providing charity care by calculating the ratio of total cost to total charges and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. The estimated cost of providing services to patients under the Organization charity care policy amounted to $1,620,083 and $1,649,562 for the years ended June 30, 2017 and 2016, respectively.

The Organization is able to provide these services with a component of funds received through local community support and federal and state grants.

7. Retirement Plan

The Organization has a defined contribution plan under Internal Revenue Code Section 403(b) that covers substantially all employees. The Organization contributed $289,444 and $266,304 for the years ended June 30, 2017 and 2016, respectively.

8. Concentration of Risk

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payer agreements. Following is a summary of accounts receivable, by funding source, at June 30:

	2017	2016
Medicare	**14 %**	15 %
Medicaid	**42 %**	46 %
Other	**44 %**	39 %
	100 %	100 %

The Organization receives a significant amount of grants from the U.S. Department of Health and Human Services (DHHS). As with all government funding, these grants are subject to reduction or termination in future years. For the years ended June 30, 2017 and 2016, grants from DHHS (including both direct awards and awards passed through other organizations) represented approximately 81% and 72%, respectively, of grants and contracts revenue.

9. Commitments and Contingencies

Medical Malpractice Insurance

The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of the year ended June 30, 2017, there were no known malpractice claims outstanding which, in the opinion of management, will be settled for amounts in excess of both FTCA and additional medical malpractice insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew the additional medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

Leases

The Organization leases office space and certain other office equipment under noncancelable operating leases. Future minimum lease payments under these leases are:

2018	$ 195,595
2019	134,132
2020	78,791
2021	73,107
2022	74,276
Thereafter	132,740
Total	$ 688,641

Rent expenses amounted to $269,771 and $246,564 for the years ended June 30, 2017 and 2016, respectively.

10. Financial Improvement Plan

The Organization incurred a significant operating loss during 2017. The financial statements have been prepared assuming the Organization will continue as a going concern, realizing assets and liquidating liabilities in the ordinary course of business. Although not currently planned, realization of assets in other than the ordinary course of business in order to meet liquidity needs could result in losses not reflected in these financial statements.

Management is working on several initiatives to mitigate losses going forward. As discussed below, management believes the combination of planned initiatives will provide the required cash flow and reduction of operating losses to sustain future operations.

During 2017, approximately $917,000 in bad debt write-offs occurred for charges incurred in 2015 and 2016, and were primarily the result of regulatory issues with credentialing of providers and timely filing limits imposed by managed care insurers, and are not expected to recur in 2018. In addition, provider utilization declined in 2017 due to reduced capacity during renovations, which will be completed in the first quarter of 2018. That utilization reduction was approximately $290,000 in 2017.

In 2017, the Organization was awarded a grant and acted in good faith, incurring nearly $250,000 in expenses to provide the services, but never received the final signed prospective contract until 2018. Management also plans to implement enhanced charges in 2018 that will capture services currently being provided but not being billed for which is estimated to provide another $200,000 in revenue annually, as well as expanding 340B pharmacy activities which would also provide another $100,000 annually.

1.18 Approval by the Governor and Executive Council *(if applicable)* By: On:			

2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.
3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, if applicable, this Agreement, and all obligations of the parties hereunder, shall become effective on the date the Governor and Executive Council approve this Agreement as indicated in block 1.18, unless no such approval is required, in which case the Agreement shall become effective on the date the Agreement is signed by the State Agency as shown in block 1.14 ("Effective Date").
3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.
5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.
5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.
5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.
5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.
6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. This may include the requirement to utilize auxiliary aids and services to ensure that persons with communication disabilities, including vision, hearing and speech, can communicate with, receive information from, and convey information to the Contractor. In addition, the Contractor shall comply with all applicable copyright laws.
6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.
6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.
7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.
7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this

Contractor Initials [illegible]
Date 3-27-18

Agreement. This provision shall survive termination of this Agreement.
7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.
8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):
8.1.1 failure to perform the Services satisfactorily or on schedule;
8.1.2 failure to submit any report required hereunder; and/or
8.1.3 failure to perform any other covenant, term or condition of this Agreement.
8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:
8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;
8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;
8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or
8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

9. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.
9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.
9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.
9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. TERMINATION. In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS. The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written notice and consent of the State. None of the Services shall be subcontracted by the Contractor without the prior written notice and consent of the State.

13. INDEMNIFICATION. The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.
14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:
14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $1,000,000per occurrence and $2,000,000 aggregate ; and
14.1.2 special cause of loss coverage form covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.
14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

Contractor Initials SD
Date 3-27-18

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than thirty (30) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each certificate(s) of insurance shall contain a clause requiring the insurer to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than thirty (30) days prior written notice of cancellation or modification of the policy.

15. WORKERS' COMPENSATION.
15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A *("Workers' Compensation").*
15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire unless no such approval is required under the circumstances pursuant to State law, rule or policy.

19. CONSTRUCTION OF AGREEMENT AND TERMS. This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

Contractor Initials SB
Date 3-27-18

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances for all reimbursable services rendered. The Department shall be the payor of last resort.

1.4. Preventative and Primary Health Care, as well as related Care Management and Enabling Services shall be provided to individuals of all ages, statewide, who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income (defined as <185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. The Contractor shall remain in compliance with all applicable state and federal laws for the duration of the contract period, including but not limited to:

1.5.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.5.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.5.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care Services for new patients is limited or closed for more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

2.2. The Contractor shall assist individuals with completing a Medicaid/Expanded Medicaid and other health insurance application when income calculations indicate possible Medicaid eligibility.

2.3. The Contractor shall maximize billing to private and commercial insurances for all reimbursable services rendered.

2.4. The Contractor shall post a notice in a public and conspicuous location noting that no individual will be denied services for an inability to pay.

2.5. The Contractor shall develop and implement a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall make the sliding fee scale available to the Department upon request.

3. **Primary Care Services**

3.1. The Contractor shall ensure primary care services are provided by a New Hampshire licensed Medical Doctor (MD), Doctor of Osteopathic Medicine (DO), Advanced Practice Registered Nurse (APRN) or Physician Assistant (PA) to eligible individuals in the service area.

3.2. The Contractor shall ensure primary care services include, but are not limited to:

3.2.1. Reproductive health services.

3.2.2. Perinatal health services including but not limited to access to obstetrical services either on-site or by referral.

3.2.3. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.2.4. Integrated behavioral health services.

3.2.5. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.2.6. Assessment of need and follow-up/referral as indicated for:

3.2.6.1. Tobacco cessation, including referral to QuitWorks-NH, www.QuitWorksNH.org.

3.2.6.2. Social services.

3.2.6.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management Education (DSME) as recommended by American Diabetes Association (ADA).

3.2.6.4. Nutrition services, including Women, Infants and Children (WIC) Food and Nutrition Service, as appropriate;

3.2.6.5. Screening, Brief Intervention and Referral to Treatment (SBIRT) services, including but not limited to contact with the Regional Public Health Network Continuum of Care Development Initiative.

3.2.6.6. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.3. The Contractor shall provide care management for individuals enrolled for

primary care services, which includes, but is not limited to:

3.3.1. Integrated and coordinated services that ensure patients receive necessary care, including behavioral health and oral care when and where it is needed and wanted, in a culturally and linguistically appropriate manner.

3.3.2. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.3.3. Care facilitated by registries; information technology; health information exchanged.

3.4. The Contractor shall provide and facilitate enabling services, which are non-clinical services that support the delivery of basic primary care services, and facilitate access to comprehensive patient care as well as social services that include, but are not limited to:

3.4.1. Benefit counseling.

3.4.2. Health insurance eligibility and enrollment assistance.

3.4.3. Health education and supportive counseling.

3.4.4. Interpretation/translation for individuals with Limited English Proficiency or other communication needs.

3.4.5. Outreach, which may include the use of community health workers.

3.4.6. Transportation.

3.4.7. Education of patients and the community regarding the availability and appropriate use of health services.

4. Quality Improvement

4.1. The Contractor shall develop, define, facilitate and implement a minimum of two (2) Quality Improvement (QI) projects, which consist of systematic and continuous actions that lead to measurable improvements in health care services and the health status of targeted patient groups.

4.1.1. One (1) quality improvement project must focus on the performance measure as designated by MCHS. (Defined as Adolescent Well Visits for SFY 2018 – 2019)

4.1.2. The other(s) will be chosen by the vendor based on previous performance outcomes needing improvement.

4.2. The Contractor shall utilize Quality Improvement Science to develop and implement a QI Workplan for each QI project. The QI Workplan will include:

4.2.1. Specific goals and objectives for the project period; and

4.2.2. Evaluation methods used to demonstrate improvement in the quality, efficiency, and effectiveness of patient care.

4.3. The Contractor shall include baseline measurements for each area of

improvement identified in the QI projects, to establish health care services and health status of targeted patient groups to be improved upon.

4.4. The Contractor may utilize activities in QI projects that enhance clinical workflow and improve patient outcomes, which may include, but are not limited to:

4.4.1.1. EMR prompts/alerts.

4.4.1.2. Protocols/Guidelines.

4.4.1.3. Diagnostic support.

4.4.1.4. Patient registries.

4.4.1.5. Collaborative learning sessions.

5. Staffing

5.1. The Contractor shall ensure all health and allied health professions have the appropriate, current New Hampshire licenses whether directly employed, contracted or subcontracted.

5.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

5.3. The Contractor shall notify the Maternal and Child Health Section (MCHS), in writing, of any newly hired administrator, clinical coordinator or any staff person essential to providing contracted services and include a copy of the individual's resume, within thirty (30) days of hire.

5.4. The Contractor shall notify the MCHS, in writing, when:

5.4.1. Any critical position is vacant for more than thirty (30) days;

5.4.2. There is not adequate staffing to perform all required services for any period lasting more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

6. Coordination of Services

6.1. The Contractor shall participate in activities within their Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

6.1.1. Community needs assessments;

6.1.2. Public health performance assessments; and

6.1.3. Regional health improvement plans under development.

6.2. The Contractor shall participate in and coordinate public health activities, as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

7. Required Meetings & Trainings

7.1. The Contractor shall attend meetings and trainings facilitated by the MCHS programs that include, but are not limited to:

7.1.1. MCHS Agency Directors' meetings;

7.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year, which may require attendance by agency quality improvement staff; and

7.1.3. MCHS Agency Medical Services Directors' meetings.

8. Workplans, Outcome Reports & Additional Reporting Requirements

8.1. The Contractor shall collect and report data as detailed in Exhibit A-1 "Reporting Metrics" according to the Exhibit A-2 "Report Timing Requirements".

8.2. The Contractor shall submit reports as defined within Exhibit A-2 "Report Timing Requirements".

8.3. The Contractor shall submit an updated budget narrative, within thirty (30) days of the contract execution date and annually, as defined in Exhibit A-2 "Report Timing Requirements". The budget narrative shall include, at a minimum;

8.3.1. Staff roles and responsibilities, defining the impact each role has on contract services;

8.3.2. Staff list, defining;

8.3.2.1. The Full Time Equivalent percentage allocated to contract services, and;

8.3.2.2. The individual cost, in U.S. Dollars, of each identified individual allocated to contract services.

8.4. In addition to the report defined within Exhibit A-2 "Report Timing Requirements", the Contractor shall submit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9. On-Site Reviews

9.1. The Contractor shall permit a team or person authorized by the Department to periodically review the Contractor's:

9.1.1. Systems of governance.

9.1.2. Administration.

9.1.3. Data collection and submission.

9.1.4. Clinical and financial management.

9.1.5. Delivery of education services.

9.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

9.2.1. Client records.

9.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

9.3. The Contractor shall take corrective actions, as advised by the review team, if services provided are not in compliance with the contract requirements.

10. Performance Measures

10.1. The Contractor shall ensure that the following performance indicators are annually achieved and monitored quarterly to measure the effectiveness of the agreement:

10.1.1. Annual improvement objectives shall be defined by the vendor and submitted to the Department. Objectives shall be measurable, specific and align to the provision of primary care services defined within Exhibit A-1 "Reporting Metrics"

Exhibit A-1 – Reporting Metrics

1. Definitions

1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

1.1.1. The calendar year, (January 1st through December 31st); or

1.1.2. The state fiscal year (July 1st through June 30th).

1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.4. **NQF** – National Quality Forum

1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.6. **UDS** – Uniform Data System

1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. **Breastfeeding**

2.1.1. Percent of infants who are ever breastfed (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. **Preventive Health: Lead Screening**

2.2.1. Percent of children three (3) years of age who had two (2) or more capillary or venous lead blood test for lead poisoning by their third birthday. (NH MCHS).

2.2.1.1. Numerator: All patient children who received at least one capillary or venous lead screening test between nine (9) months to eighteen (18) months of age **AND** one (1) capillary or venous lead screening test between nineteen (19) to thirty (30) months of age.

2.2.1.2. Denominator: All patient children who turned three (3) years old during the measurement year that had at least one (1) medical visit during the measurement year.

Contractor Initials: SB
Date: 3-27-18

2.3. **Preventive Health: Adolescent Well-Care Visit**

2.3.1. Percent of adolescents, twelve (12) through twenty-one (21) years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year (HEDIS).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. Percentage of patients ages twelve (12) and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients twelve (12) years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. Maternal Depression Screening

Contractor Initials: SB

Date: 3-27-18

2.4.2.1. Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative PLUS women who screened positive AND have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

2.5.1. Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented (NQF 0421, UDS).

2.5.1.1. Normal parameters: Age 65 and older BMI ≥ 23 and < 30

2.5.1.2. Age 18 through 64 BMI ≥ 18.5 and < 25

Contractor Initials: SB
Date: 3-27-18

2.5.1.3. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.4. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.5. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year or prior year AND who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco use one or more times during their most recent visit OR within twenty-four (24) months of the most

Contractor Initials: JB

Date: 3-27-18

recent visit and received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who delivered a live birth in the measurement year.

2.6.2.4. Definitions:

2.6.2.4.1. Tobacco Use: Includes any type of tobacco

2.6.2.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

2.7. At Risk Population: Hypertension

2.7.1. Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90mmHG) during the measurement year (NQF 0018).

2.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm HG at the time of their last measurement.

Contractor Initials: SB
Date: 3-27-18

2.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension (must have been diagnosed with hypertension 6 or more months before the measurement date) who had at least one (1) medical visit during the measurement year. (Excludes pregnant women and patients with End Stage Renal Disease.)

2.8. **Patient Safety: Falls Screening**

2.8.1. Percent of patients aged 65 years and older who were screened for fall risk at least once within 12 months (NH MCHS).

2.8.1.1. Numerator: Patients who were screened for fall risk at least once within the measurement year.

2.8.1.2. Denominator: All patients aged 65 years and older seen by a health care provider within the measurement year.

2.9. **SBIRT**

2.9.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention and/or referral to services.

2.9.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.1.3. Denominator: Number of patients aged 18 years and older seen for annual/preventive visit within the measurement year.

2.9.1.4. Definitions:

2.9.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.9.1.4.2. Brief Intervention: Includes guidance or counseling.

2.9.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.9.2. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are

Contractor Initials: [handwritten initials]

Date: 2-27-18

enrolled in the prenatal program AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

2.9.2.2. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

Contractor Initials: SB
Date: 3-27-18

Exhibit A-2 – Report Timing Requirements

1.1. **Primary Care Services Reporting Requirements**

1.1.1. The reports are required due on the date(s) listed, or, in years where the date listed falls on a non-business day, reports are due on the Friday immediately prior to the date listed.

1.1.2. The Vendor is required to complete and submit each report, following instructions sent by the Department

1.1.3. An updated budget narrative must be provided to the Department, within thirty (30) days of contract approval. The budget narrative must include, at a minimum;

1.1.3.1. Staff roles and responsibilities, defining the impact each role has on contract services

1.1.3.2. Staff list, defining;

1.1.3.2.1. The Full Time Equivalent percentage allocated to contract services, and;

1.1.3.2.2. The individual cost, in U.S. Dollars, of each identified individual allocated to contract services.

1.2. **Annual Reports**

1.2.1. The following reports are required annually, on or prior to;

1.2.1.1. March 31st;

1.2.1.1.1. Uniform Data Set (UDS) Data tables reflecting program performance for the previous calendar year;

1.2.1.1.2. Budget narrative, which includes, at a minimum;

1.2.1.1.2.1. Staff roles and responsibilities, defining the impact each role has on contract services

1.2.1.1.2.2. Staff list, defining;

1.2.1.1.2.2.1. The Full Time Equivalent percentage allocated to contract services, and;

1.2.1.1.2.2.2. The individual cost, in U.S. Dollars, of each

Contractor Initials: SB

identified individual allocated to contract services.

1.2.1.2. July 31st;

1.2.1.2.1. Summary of patient satisfaction survey results obtained during the prior contract year;

1.2.1.2.2. Quality Improvement (QI) Workplans, Performance Outcome Section

1.2.1.2.3. Enabling Services Workplans, Performance Outcome Section

1.2.1.3. September 1st;

1.2.1.3.1. QI workplan revisions, as needed;

1.2.1.3.2. Enabling Service Workplan revisions, as needed;

1.2.1.3.3. Correction Action Plan (Performance Measure Outcome Report), as needed;

1.3. **Semi-Annual Reports**

1.3.1. Primary Care Services Measure Data Trend Table (DTT), due on;

1.3.1.1. July 31, 2018 (measurement period July 1– June 30) and;

1.3.1.2. January 31 (measurement period January 1 – December 31).

1.4. **The following report is required 30 days following the end of each quarter, beginning in State Fiscal Year 2018;**

1.4.1. Perinatal Client Data Form (PCDF);

1.4.1.1. Due on April 30, July 31, October 31 and January 31

Contractor Initials: SB

Date: 3-27-18

Exhibit B

Method and Conditions Precedent to Payment

1. The State shall pay the contractor an amount not to exceed the Form P-37, Block 1.8, Price Limitation for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.

2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon meeting the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov) #93.994, Maternal and Child Health Services Block Grant to the States

3. The Contractor shall not use or apply contract funds for capital additions, improvements, entertainment costs or any other costs not approved by the Department.

4. Payment for services shall be as follows:
   - 4.1. Payments shall be on a cost reimbursement basis for approved actual costs in accordance with Exhibits B-1 through Exhibit B-3.
   - 4.2. The Contractor shall submit invoices in a form satisfactory to the State no later than the tenth (10th) working day of each month, which identifies and requests reimbursement for authorized expenses incurred in the prior month. The Contractor agrees to keep detailed records of their activities related to Department-funded programs and services.
     - 4.2.1. Expenditure detail may be requested by the Department on an intermittent basis, which the Contractor must provide.
     - 4.2.2. Onsite reviews may be required.
   - 4.3. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice, subsequent to approval of the submitted invoice and if sufficient funds are available.
   - 4.4. In lieu of hard copies, all invoices may be assigned an electronic signature and emailed to DPHScontractbilling@dhhs.nh.gov, or invoices may be mailed to:

     Financial Administrator

     Department of Health and Human Services

     Division of Public Health

     29 Hazen Dr.

     Concord, NH 03301

Exhibit B

4.5. The final invoice shall be due to the State no later than forty (40) days after the date specified in Form P-37, Block 1.7 Completion Date.

4.6. Payments may be withheld pending receipt of required reports or documentation as identified in Exhibit A, Scope of Services and in this Exhibit B.

5. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjusting encumbrances between State Fiscal Years within the price limitation may be made without obtaining approval of the Governor and Executive Council, upon written agreement of both parties.

SPECIAL PROVISIONS

Contractors Obligations: The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
   7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
   7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

8. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:
   8.1. Fiscal Records: books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.
   8.2. Statistical Records: Statistical, enrollment, attendance or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.
   8.3. Medical Records: Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

9. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.
   9.1. Audit and Review: During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.
   9.2. Audit Liabilities: In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

10. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

11. **Reports:** Fiscal and Statistical: The Contractor agrees to submit the following reports at the following times if requested by the Department.
    11.1. Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.
    11.2. Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

12. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

13. **Credits:** All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:
    13.1. The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

14. **Prior Approval and Copyright Ownership:** All materials (written, video, audio) produced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution or use. The DHHS will retain copyright ownership for any and all original materials produced, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports. Contractor shall not reproduce any materials produced under the contract without prior written approval from DHHS.

15. **Operation of Facilities: Compliance with Laws and Regulations:** In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

16. **Equal Employment Opportunity Plan (EEOP):** The Contractor will provide an Equal Employment Opportunity Plan (EEOP) to the Office for Civil Rights, Office of Justice Programs (OCR), if it has received a single award of $500,000 or more. If the recipient receives $25,000 or more and has 50 or

more employees, it will maintain a current EEOP on file and submit an EEOP Certification Form to the OCR, certifying that its EEOP is on file. For recipients receiving less than $25,000, or public grantees with fewer than 50 employees, regardless of the amount of the award, the recipient will provide an EEOP Certification Form to the OCR certifying it is not required to submit or maintain an EEOP. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption. EEOP Certification Forms are available at: http://www.ojp.usdoj/about/ocr/pdfs/cert.pdf.

17. **Limited English Proficiency (LEP):** As clarified by Executive Order 13166, Improving Access to Services for persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with the Omnibus Crime Control and Safe Streets Act of 1968 and Title VI of the Civil Rights Act of 1964, Contractors must take reasonable steps to ensure that LEP persons have meaningful access to its programs.

18. **Pilot Program for Enhancement of Contractor Employee Whistleblower Protections:** The following shall apply to all contracts that exceed the Simplified Acquisition Threshold as defined in 48 CFR 2.101 (currently, $150,000)

CONTRACTOR EMPLOYEE WHISTLEBLOWER RIGHTS AND REQUIREMENT TO INFORM EMPLOYEES OF WHISTLEBLOWER RIGHTS (SEP 2013)

(a) This contract and employees working on this contract will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239) and FAR 3.908.

(b) The Contractor shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation.

(c) The Contractor shall insert the substance of this clause, including this paragraph (c), in all subcontracts over the simplified acquisition threshold.

19. **Subcontractors:** DHHS recognizes that the Contractor may choose to use subcontractors with greater expertise to perform certain health care services or functions for efficiency or convenience, but the Contractor shall retain the responsibility and accountability for the function(s). Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.
When the Contractor delegates a function to a subcontractor, the Contractor shall do the following:
    19.1. Evaluate the prospective subcontractor's ability to perform the activities, before delegating the function
    19.2. Have a written agreement with the subcontractor that specifies activities and reporting responsibilities and how sanctions/revocation will be managed if the subcontractor's performance is not adequate
    19.3. Monitor the subcontractor's performance on an ongoing basis

19.4. Provide to DHHS an annual schedule identifying all subcontractors, delegated functions and responsibilities, and when the subcontractor's performance will be reviewed

19.5. DHHS shall, at its discretion, review and approve all subcontracts.

If the Contractor identifies deficiencies or areas for improvement are identified, the Contractor shall take corrective action.

DEFINITIONS

As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean that section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Wherever federal or state laws, regulations, rules, orders, and policies, etc. are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc. as they may be amended or revised from the time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

REVISIONS TO GENERAL PROVISIONS

1. Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:

   4. CONDITIONAL NATURE OF AGREEMENT.
   Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

2. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

   10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

   10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

   10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

   10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

   10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

3. The Division reserves the right to renew the Contract for up to two (2) additional years, subject to the continued availability of funds, satisfactory performance of services and approval by the Governor and Executive Council.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted
   1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
   1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, state, zip code) (list each location)

Check ☐ if there are workplaces on file that are not identified here.

CERTIFICATION REGARDING LOBBYING

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

Contractor Initials SB
Date 3-27-16

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABLITY ACT
BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) **Definitions.**

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

l. "<u>Required by Law</u>" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "<u>Secretary</u>" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "<u>Security Rule</u>" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. <u>"Unsecured Protected Health Information"</u> means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. <u>Other Definitions</u> - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) **<u>Business Associate Use and Disclosure of Protected Health Information.</u>**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) <u>Obligations and Activities of Business Associate</u>.

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- o The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- o The unauthorized person used the protected health information or to whom the disclosure was made;
- o Whether the protected health information was actually acquired or viewed
- o The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) **Obligations of Covered Entity**

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) **Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) **Miscellaneous**

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

Date 3-27-18

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

CERTIFICATION REGARDING THE FEDERAL FUNDING ACCOUNTABILITY AND TRANSPARENCY ACT (FFATA) COMPLIANCE

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.
In accordance with 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), the Department of Health and Human Services (DHHS) must report the following information for any subaward or contract award subject to the FFATA reporting requirements:

1. Name of entity
2. Amount of award
3. Funding agency
4. NAICS code for contracts / CFDA program number for grants
5. Program source
6. Award title descriptive of the purpose of the funding action
7. Location of the entity
8. Principle place of performance
9. Unique identifier of the entity (DUNS #)
10. Total compensation and names of the top five executives if:
    - 10.1. More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and
    - 10.2. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.
The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (Reporting Subaward and Executive Compensation Information), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:
The below named Contractor agrees to provide needed information as outlined above to the NH Department of Health and Human Services and to comply with all applicable provisions of the Federal Financial Accountability and Transparency Act.

Contractor Name: Mid-State Health Center

Name: Sharon Beaty
Title: CEO

FORM A

As the Contractor identified in Section 1.3 of the General Provisions, I certify that the responses to the below listed questions are true and accurate.

1. The DUNS number for your entity is: 109385625

2. In your business or organization's preceding completed fiscal year, did your business or organization receive (1) 80 percent or more of your annual gross revenue in U.S. federal contracts, subcontracts, loans, grants, sub-grants, and/or cooperative agreements; and (2) $25,000,000 or more in annual gross revenues from U.S. federal contracts, subcontracts, loans, grants, subgrants, and/or cooperative agreements?

   X NO ______ YES

   If the answer to #2 above is NO, stop here

   If the answer to #2 above is YES, please answer the following:

3. Does the public have access to information about the compensation of the executives in your business or organization through periodic reports filed under section 13(a) or 15(d) of the Securities Exchange Act of 1934 (15 U.S.C.78m(a), 78o(d)) or section 6104 of the Internal Revenue Code of 1986?

   ______ NO ______ YES

   If the answer to #3 above is YES, stop here

   If the answer to #3 above is NO, please answer the following:

4. The names and compensation of the five most highly compensated officers in your business or organization are as follows:

   Name: ______________ Amount: ______________

   Name: ______________ Amount: ______________

   Name: ______________ Amount: ______________

   Name: ______________ Amount: ______________

   Name: ______________ Amount: ______________

Contractor Initials SB

Date 3-22-18

A. Definitions

The following terms may be reflected and have the described meaning in this document:

1. "Breach" means the loss of control, compromise, unauthorized disclosure, unauthorized acquisition, unauthorized access, or any similar term referring to situations where persons other than authorized users and for an other than authorized purpose have access or potential access to personally identifiable information, whether physical or electronic. With regard to Protected Health Information, " Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

2. "Computer Security Incident" shall have the same meaning "Computer Security Incident" in section two (2) of NIST Publication 800-61, Computer Security Incident Handling Guide, National Institute of Standards and Technology, U.S. Department of Commerce.

3. "Confidential Information" or "Confidential Data" means all confidential information disclosed by one party to the other such as all medical, health, financial, public assistance benefits and personal information including without limitation, Substance Abuse Treatment Records, Case Records, Protected Health Information and Personally Identifiable Information.

   Confidential Information also includes any and all information owned or managed by the State of NH - created, received from or on behalf of the Department of Health and Human Services (DHHS) or accessed in the course of performing contracted services - of which collection, disclosure, protection, and disposition is governed by state or federal law or regulation. This information includes, but is not limited to Protected Health Information (PHI), Personal Information (PI), Personal Financial Information (PFI), Federal Tax Information (FTI), Social Security Numbers (SSN), Payment Card Industry (PCI), and or other sensitive and confidential information.

4. "End User" means any person or entity (e.g., contractor, contractor's employee, business associate, subcontractor, other downstream user, etc.) that receives DHHS data or derivative data in accordance with the terms of this Contract.

5. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996 and the regulations promulgated thereunder.

6. "Incident" means an act that potentially violates an explicit or implied security policy, which includes attempts (either failed or successful) to gain unauthorized access to a system or its data, unwanted disruption or denial of service, the unauthorized use of a system for the processing or storage of data; and changes to system hardware, firmware, or software characteristics without the owner's knowledge, instruction, or

consent. Incidents include the loss of data through theft or device misplacement, loss or misplacement of hardcopy documents, and misrouting of physical or electronic mail, all of which may have the potential to put the data at risk of unauthorized access, use, disclosure, modification or destruction.

7. "Open Wireless Network" means any network or segment of a network that is not designated by the State of New Hampshire's Department of Information Technology or delegate as a protected network (designed, tested, and approved, by means of the State, to transmit) will be considered an open network and not adequately secure for the transmission of unencrypted PI, PFI, PHI or confidential DHHS data.

8. "Personal Information" (or "PI") means information which can be used to distinguish or trace an individual's identity, such as their name, social security number, personal information as defined in New Hampshire RSA 359-C:19, biometric records, etc., alone, or when combined with other personal or identifying information which is linked or linkable to a specific individual, such as date and place of birth, mother's maiden name, etc.

9. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 C.F.R. Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

10. "Protected Health Information" (or "PHI") has the same meaning as provided in the definition of "Protected Health Information" in the HIPAA Privacy Rule at 45 C.F.R. § 160.103.

11. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 C.F.R. Part 164, Subpart C, and amendments thereto.

12. "Unsecured Protected Health Information" means Protected Health Information that is not secured by a technology standard that renders Protected Health Information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

I. RESPONSIBILITIES OF DHHS AND THE CONTRACTOR

A. Business Use and Disclosure of Confidential Information.

1. The Contractor must not use, disclose, maintain or transmit Confidential Information except as reasonably necessary as outlined under this Contract. Further, Contractor, including but not limited to all its directors, officers, employees and agents, must not

use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

2. The Contractor must not disclose any Confidential Information in response to a request for disclosure on the basis that it is required by law, in response to a subpoena, etc., without first notifying DHHS so that DHHS has an opportunity to consent or object to the disclosure.
3. If DHHS notifies the Contractor that DHHS has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Contractor must be bound by such additional restrictions and must not disclose PHI in violation of such additional restrictions and must abide by any additional security safeguards.
4. The Contractor agrees that DHHS Data or derivative there from disclosed to an End User must only be used pursuant to the terms of this Contract.
5. The Contractor agrees DHHS Data obtained under this Contract may not be used for any other purposes that are not indicated in this Contract.
6. The Contractor agrees to grant access to the data to the authorized representatives of DHHS for the purpose of inspecting to confirm compliance with the terms of this Contract.

II. METHODS OF SECURE TRANSMISSION OF DATA

1. Application Encryption. If End User is transmitting DHHS data containing Confidential Data between applications, the Contractor attests the applications have been evaluated by an expert knowledgeable in cyber security and that said application's encryption capabilities ensure secure transmission via the internet.
2. Computer Disks and Portable Storage Devices. End User may not use computer disks or portable storage devices, such as a thumb drive, as a method of transmitting DHHS data.
3. Encrypted Email. End User may only employ email to transmit Confidential Data if email is <u>encrypted</u> and being sent to and being received by email addresses of persons authorized to receive such information.
4. Encrypted Web Site. If End User is employing the Web to transmit Confidential Data, the secure socket layers (SSL) must be used and the web site must be secure. SSL encrypts data transmitted via a Web site.
5. File Hosting Services, also known as File Sharing Sites. End User may not use file hosting services, such as Dropbox or Google Cloud Storage, to transmit Confidential Data.
6. Ground Mail Service. End User may only transmit Confidential Data via *certified* ground mail within the continental U.S. and when sent to a named individual.

7. Laptops and PDA. If End User is employing portable devices to transmit Confidential Data said devices must be encrypted and password-protected.
8. Open Wireless Networks. End User may not transmit Confidential Data via an open wireless network. End User must employ a virtual private network (VPN) when remotely transmitting via an open wireless network.
9. Remote User Communication. If End User is employing remote communication to access or transmit Confidential Data, a virtual private network (VPN) must be installed on the End User's mobile device(s) or laptop from which information will be transmitted or accessed.
10. SSH File Transfer Protocol (SFTP), also known as Secure File Transfer Protocol. If End User is employing an SFTP to transmit Confidential Data, End User will structure the Folder and access privileges to prevent inappropriate disclosure of information. SFTP folders and sub-folders used for transmitting Confidential Data will be coded for 24-hour auto-deletion cycle (i.e. Confidential Data will be deleted every 24 hours).
11. Wireless Devices. If End User is transmitting Confidential Data via wireless devices, all data must be encrypted to prevent inappropriate disclosure of information.

III. RETENTION AND DISPOSITION OF IDENTIFIABLE RECORDS

The Contractor will only retain the data and any derivative of the data for the duration of this Contract. After such time, the Contractor will have 30 days to destroy the data and any derivative in whatever form it may exist, unless, otherwise required by law or permitted under this Contract. To this end, the parties must:

A. Retention

1. The Contractor agrees it will not store, transfer or process data collected in connection with the services rendered under this Contract outside of the United States. This physical location requirement shall also apply in the implementation of cloud computing, cloud service or cloud storage capabilities, and includes backup data and Disaster Recovery locations.
2. The Contractor agrees to ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.
3. The Contractor agrees to provide security awareness and education for its End Users in support of protecting Department confidential information.
4. The Contractor agrees to retain all electronic and hard copies of Confidential Data in a secure location and identified in section IV. A.2

5. The Contractor agrees Confidential Data stored in a Cloud must be in a FedRAMP/HITECH compliant solution and comply with all applicable statutes and regulations regarding the privacy and security. All servers and devices must have currently-supported and hardened operating systems, the latest anti-viral, anti-hacker, anti-spam, anti-spyware, and anti-malware utilities. The environment, as a whole, must have aggressive intrusion-detection and firewall protection.
6. The Contractor agrees to and ensures its complete cooperation with the State's Chief Information Officer in the detection of any security vulnerability of the hosting infrastructure.

B. Disposition

1. If the Contractor will maintain any Confidential Information on its systems (or its sub-contractor systems), the Contractor will maintain a documented process for securely disposing of such data upon request or contract termination; and will obtain written certification for any State of New Hampshire data destroyed by the Contractor or any subcontractors as a part of ongoing, emergency, and or disaster recovery operations. When no longer in use, electronic media containing State of New Hampshire data shall be rendered unrecoverable via a secure wipe program in accordance with industry-accepted standards for secure deletion and media sanitization, or otherwise physically destroying the media (for example, degaussing) as described in NIST Special Publication 800-88, Rev 1, Guidelines for Media Sanitization, National Institute of Standards and Technology, U. S. Department of Commerce. The Contractor will document and certify in writing at time of the data destruction, and will provide written certification to the Department upon request. The written certification will include all details necessary to demonstrate data has been properly destroyed and validated. Where applicable, regulatory and professional standards for retention requirements will be jointly evaluated by the State and Contractor prior to destruction.
2. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to destroy all hard copies of Confidential Data using a secure method such as shredding.
3. Unless otherwise specified, within thirty (30) days of the termination of this Contract, Contractor agrees to completely destroy all electronic Confidential Data by means of data erasure, also known as secure data wiping.

IV. PROCEDURES FOR SECURITY

A. Contractor agrees to safeguard the DHHS Data received under this Contract, and any derivative data or files, as follows:

1. The Contractor will maintain proper security controls to protect Department confidential information collected, processed, managed, and/or stored in the delivery of contracted services.

2. The Contractor will maintain policies and procedures to protect Department confidential information throughout the information lifecycle, where applicable, (from creation, transformation, use, storage and secure destruction) regardless of the media used to store the data (i.e., tape, disk, paper, etc.).

3. The Contractor will maintain appropriate authentication and access controls to contractor systems that collect, transmit, or store Department confidential information where applicable.

4. The Contractor will ensure proper security monitoring capabilities are in place to detect potential security events that can impact State of NH systems and/or Department confidential information for contractor provided systems.

5. The Contractor will provide regular security awareness and education for its End Users in support of protecting Department confidential information.

6. If the Contractor will be sub-contracting any core functions of the engagement supporting the services for State of New Hampshire, the Contractor will maintain a program of an internal process or processes that defines specific security expectations, and monitoring compliance to security requirements that at a minimum match those for the Contractor, including breach notification requirements.

7. The Contractor will work with the Department to sign and comply with all applicable State of New Hampshire and Department system access and authorization policies and procedures, systems access forms, and computer use agreements as part of obtaining and maintaining access to any Department system(s). Agreements will be completed and signed by the Contractor and any applicable sub-contractors prior to system access being authorized.

8. If the Department determines the Contractor is a Business Associate pursuant to 45 CFR 160.103, the Contractor will execute a HIPAA Business Associate Agreement (BAA) with the Department and is responsible for maintaining compliance with the agreement.

9. The Contractor will work with the Department at its request to complete a System Management Survey. The purpose of the survey is to enable the Department and Contractor to monitor for any changes in risks, threats, and vulnerabilities that may occur over the life of the Contractor engagement. The survey will be completed annually, or an alternate time frame at the Departments discretion with agreement by the Contractor, or the Department may request the survey be completed when the

scope of the engagement between the Department and the Contractor changes.

10. The Contractor will not store, knowingly or unknowingly, any State of New Hampshire or Department data offshore or outside the boundaries of the United States unless prior express written consent is obtained from the Information Security Office leadership member within the Department.

11. Data Security Breach Liability. In the event of any security breach Contractor shall make efforts to investigate the causes of the breach, promptly take measures to prevent future breach and minimize any damage or loss resulting from the breach. The State shall recover from the Contractor all costs of response and recovery from the breach, including but not limited to: credit monitoring services, mailing costs and costs associated with website and telephone call center services necessary due to the breach.

12. Contractor must, comply with all applicable statutes and regulations regarding the privacy and security of Confidential Information, and must in all other respects maintain the privacy and security of PI and PHI at a level and scope that is not less than the level and scope of requirements applicable to federal agencies, including, but not limited to, provisions of the Privacy Act of 1974 (5 U.S.C. § 552a), DHHS Privacy Act Regulations (45 C.F.R. §5b), HIPAA Privacy and Security Rules (45 C.F.R. Parts 160 and 164) that govern protections for individually identifiable health information and as applicable under State law.

13. Contractor agrees to establish and maintain appropriate administrative, technical, and physical safeguards to protect the confidentiality of the Confidential Data and to prevent unauthorized use or access to it. The safeguards must provide a level and scope of security that is not less than the level and scope of security requirements established by the State of New Hampshire, Department of Information Technology. Refer to Vendor Resources/Procurement at https://www.nh.gov/doit/vendor/index.htm for the Department of Information Technology policies, guidelines, standards, and procurement information relating to vendors.

14. Contractor agrees to maintain a documented breach notification and incident response process. The Contractor will notify the State's Privacy Officer, and additional email addresses provided in this section, of any security breach within two (2) hours of the time that the Contractor learns of its occurrence. This includes a confidential information breach, computer security incident, or suspected breach which affects or includes any State of New Hampshire systems that connect to the State of New Hampshire network.

15. Contractor must restrict access to the Confidential Data obtained under this Contract to only those authorized End Users who need such DHHS Data to perform their official duties in connection with purposes identified in this Contract.

16. The Contractor must ensure that all End Users:

a. comply with such safeguards as referenced in Section IV A. above, implemented to protect Confidential Information that is furnished by DHHS under this Contract from loss, theft or inadvertent disclosure.

b. safeguard this information at all times.

c. ensure that laptops and other electronic devices/media containing PHI, PI, or PFI are encrypted and password-protected.

d. send emails containing Confidential Information only if encrypted and being sent to and being received by email addresses of persons authorized to receive such information.

e. limit disclosure of the Confidential Information to the extent permitted by law.

f. Confidential Information received under this Contract and individually identifiable data derived from DHHS Data, must be stored in an area that is physically and technologically secure from access by unauthorized persons during duty hours as well as non-duty hours (e.g., door locks, card keys, biometric identifiers, etc.).

g. only authorized End Users may transmit the Confidential Data, including any derivative files containing personally identifiable information, and in all cases, such data must be encrypted at all times when in transit, at rest, or when stored on portable media as required in section IV above.

h. in all other instances Confidential Data must be maintained, used and disclosed using appropriate safeguards, as determined by a risk-based assessment of the circumstances involved.

i. understand that their user credentials (user name and password) must not be shared with anyone. End Users will keep their credential information secure. This applies to credentials used to access the site directly or indirectly through a third party application.

Contractor is responsible for oversight and compliance of their End Users. DHHS reserves the right to conduct onsite inspections to monitor compliance with this Contract, including the privacy and security requirements provided in herein, HIPAA, and other applicable laws and Federal regulations until such time the Confidential Data is disposed of in accordance with this Contract.

V. LOSS REPORTING

The Contractor must notify the State's Privacy Officer, Information Security Office and Program Manager of any Security Incidents and Breaches within two (2) hours of the time that the Contractor learns of their occurrence.

The Contractor must further handle and report Incidents and Breaches involving PHI in accordance with the agency's documented Incident Handling and Breach Notification procedures and in accordance with 42 C.F.R. §§ 431.300 - 306. In addition to, and notwithstanding, Contractor's compliance with all applicable obligations and procedures, Contractor's procedures must also address how the Contractor will:

1. Identify Incidents;
2. Determine if personally identifiable information is involved in Incidents;
3. Report suspected or confirmed Incidents as required in this Exhibit or P-37;
4. Identify and convene a core response group to determine the risk level of Incidents and determine risk-based responses to Incidents; and
5. Determine whether Breach notification is required, and, if so, identify appropriate Breach notification methods, timing, source, and contents from among different options, and bear costs associated with the Breach notice as well as any mitigation measures.

Incidents and/or Breaches that implicate PI must be addressed and reported, as applicable, in accordance with NH RSA 359-C:20.

VI. PERSONS TO CONTACT

A. DHHS contact program and policy:

CERTIFICATE OF VOTE/AUTHORITY

I, Robert MacLeod, of Mid-State Health Center, do hereby certify that:

1. I am the duly elected President of Mid-State Health Center;

2. The following are true copies of two resolutions duly adopted at a meeting of the Board of Directors of Mid-State Health Center, duly held on April 23, 2013:

   RESOLVED: That this Corporation may enter into contracts with the State of New Hampshire, acting through its Department of Health and Human Services.

   RESOLVED: That the Chief Executive Officer of Mid-State Health Center is hereby authorized on behalf of this Corporation to enter into said contract with the State and to execute any and all documents, agreements, and other instruments in addition to any amendments, revisions or modifications thereto, as she may deem necessary, desirable or appropriate.

3. I further certify that the foregoing resolutions have not been amended or revoked and remain in full force and effective as of March 27, 2018.

4. Sharon Beaty is the duly appointed Chief Executive Officer of the Corporation. Robert MacLeod is the duly elected Board President of the Corporation.

IN WITNESS WHEREOF, I have hereunto set my hand as the President of Mid-State Health Center on this, the 27 day of March, 2018.

Robert MacLeod

Robert MacLeod, President

STATE OF New Hampshire
COUNTY OF Grafton

The foregoing instrument was acknowledged before me this 27 day of March, 2018 by Jean Monroe.

Jean A. Monroe

Independent Auditors' Report

To the Board of Trustees of
Mid-State Health Center and Subsidiary:

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Mid-State Health Center and Subsidiary, which comprise the consolidated statements of financial position as of June 30, 2017 and 2016, and the related consolidated statements of operations and changes in net assets and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Tyler, Simms & St. Sauveur, P.C. • 19 Morgan Drive • Lebanon, NH 03766 • Ph. 603-653-0044 • Fax 603-653-0209

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Mid-State Health Center and Subsidiary as of June 30, 2017 and 2016, and the results of their operations, changes in net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. The consolidating information is also presented on pages 27-32 for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of the Organization's management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 29, 2017, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Tyler, Simms and St. Sauveur, CPAs, P.C.
