Pursuant to RSA 4:8, authorize Denis Goulet, Commissioner/CIO of the Department of Information Technology, to accept a gift, in the amount of \$2,141.00, from the Center for Technology in order to attend and serve as a panelist at the National CIO Roundtable on December 3 - 6, 2019, at The Cloister at Sea Island, GA, hosted by The Center for Technology, a 501© nonprofit organization.

EXPLANATION

The Department requests authorization to accept this gift valued at \$2,141.00. Denis Goulet, Commissioner/CIO will participate as a panelist at the National CIO Roundtable in Sea Island, Georgia. The Center for Technology provides educational and networking opportunities among peers in a small, invitation-only venue. The Center for Technology will cover all costs for Mr. Goulet to attend the Roundtable and serve as a panelist during the event.

This will be the 21st event hosted by the nonprofit. According to past attendees, the value in attending is that it provides a forum where state executives choose the strategic issue topics that are most important to them and have the opportunity to discuss with their peers how they are addressing those, share best practices, and discuss hurdles that need to be overcome.

The event begins on Tuesday, December 3, at 6:30 pm with a welcome reception and dinner. Wednesday, December 4, is an all-day Roundtable session and a teambuilding exercise followed by a reception and dinner. The Roundtable panel discussions conclude by 5 pm on Thursday, December 5, followed by a farewell reception and dinner, which Mr. Goulet plans to attend.
