November 8, 2016

Her Excellency, Governor Margaret Wood Hassan
and the Honorable Executive Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Resources and Economic Development, Division of Parks and Recreation, Bureau of Trails to enter into Grant-In-Aid Trail Maintenance Agreements (Winter Snowmobile Trail Grooming) with the snowmobile clubs shown in the attachment in the total amount of \$1,639,555.56, effective upon Governor and Executive Council approval through May 31, 2017. 100% Snowmobile Fund.

Funding is as follows:

	<u>FY 2017</u>
03-35-35-351510-35560000	
Grant-In-Aid - Snow	
075-500590 Grants Subsidies and Relief	\$1,639,555.56

EXPLANATION

The Department's authority to enter into Grant-In-Aid agreements with non-profit snowmobile clubs is outlined in RSA 215-C:39, VII (b). These grant agreements are for aiding the clubs in the grooming of approximately 7,000 miles of snowmobile trails throughout the State.

Grant agreement awards are based on projected snowmobile registration revenue derived from the winter of 2016/2017. Should revenues fall short of projections, grant awards will be reduced by the amount of the revenue shortfall.

Copies of these agreements will be available at the Department's Bureau of Trails. The Attorney General's office has approved the attached sample agreement as to form and substance, and will approve the actual agreements as to execution.

While many of the grant agreements are not above the \$25,000 grant limit requiring approval by the Governor and Executive Council, because there is the potential for additional seasonal grooming grants to be awarded possibly putting grantees over said limit, full disclosure of the attached grantee list is warranted.

Respectfully submitted,

Concurred,

(i574)

Director, Division of Parks and Recreation

GRANT-IN-AID AGREEMENT

This Agreement is made this ____ day of _____, 2016, between the STATE OF NEW HAMPSHIRE, acting by and through the Commissioner of the Department of Resources and Economic Development; Division of Parks and Recreation; Bureau of Trails, hereinafter referred to as the "State", and the _____, a non-profit incorporated snowmobile club, hereinafter referred to as the "Club" with a principal place of business in _____.

WHEREAS, the Club desires to maintain a public snowmobile trail system in accordance with grant number _____, and;

WHEREAS, by the Laws of New Hampshire, RSA 2100, the Legislature has authorized funds to the Bureau of Trails for Grant-In-Aid to organized snowmobile clubs;

NOW, THEREFORE, IT IS AGREED between the parties hereto:

1. The State agrees to reimburse the Club in accordance with RES 8408, subject to the following terms and conditions; however, should snowmobile revenues fall short of the estimated amounts, grant awards shall be reduced by the amount of the revenue shortfall. If GIA revenues are insufficient to fund Projects at the percentages noted in Res 8403.02, the Bureau shall have the ability to offer partial funding to a club lower than those proportions noted in Res 8403.02, and the club may determine if they wish to accept the lower grant award.
2. The Club agrees to groom approved snowmobile trails and/or plow approved parking lots in accordance with their Approved Application, which is incorporated by reference herein and a copy maintained at the State. Furthermore, the Club agrees to comply with all Federal, State, and local laws, rules, and regulations, which are now, or in the future may become, applicable to said maintenance.
3. This Agreement and the obligations of the parties hereunder, shall become effective upon Governor and Council approval. The term of this Agreement shall run from the commencement date through May 31, 2017.
4. The maximum amount of funds available to the Club pursuant to this Agreement shall be _____. It is further understood and agreed that the Club shall only be reimbursed on the basis of actual costs incurred, and that the State's determinations of eligible and approved costs shall be final in all cases. The Club shall submit Billing Forms for actual costs incurred in the grooming of approved trails, along with one (1) completed grooming log for each grooming event, and/or actual costs incurred in the plowing of approved parking lots, along with a receipt from the vendor indicating the date plowing was done and the cost.
 - a. FIRST PAYMENT; upon receipt of an invoice, received by January 10th, 2017, the State agrees to pay the Club percentages, as applicable, deemed eligible and approved, for grooming and/or plowing performed between December 15, 2016, and December 31, 2016.

- b. **SUBSEQUENT PAYMENTS**; after the first payment, the Club shall submit invoices and logs, evidencing acceptable costs, for the preceding month's activities, by the 10th of the month for processing. If the costs are deemed eligible and approved, the State agrees to pay the Club appropriate percentages. Said payments shall continue to be made until authorized reimbursements for the total costs of said grooming and/or plowing have been made, on the condition that invoices are submitted within the Agreement period.
- c. **NOTWITHSTANDING** anything to the contrary contained herein, it is understood and agreed that all payments of all sums by the State hereunder are contingent upon availability and continued appropriation of State funds, and, if for any reason whatsoever, such funds shall be terminated or reduced or otherwise become unavailable, the State may terminate this Agreement in whole or part immediately.
5. The following events shall result in the termination of the Agreement at the election of the State:
- a. In the event that the owner(s) of the land on which the trail system is developed withdraw permission for the use of said land while the Club's grant is in effect, the Agreement will be void and no further payments will be made hereunder by the State, unless the State determines that an alternate route is available to keep the trail network intact.
- b. Any failure by the Club to abide by, or carry out, any of the terms and conditions of this Agreement shall, at the discretion of the Bureau result in termination of the Agreement, if, after notice to the Club, said default is not remedied within ten (10) days. In the event of terminating, no further payments shall be made by the State and future Grant-In-Aid requests will be denied.
- c. Any amendment, revision, or change to the approved Application without the prior written consent of the Bureau.

- NOTWITHSTANDING THE FOREGOING**, nothing herein contained shall be deemed to constitute a waiver of the Sovereign Immunity of the State. This covenant shall survive the termination of the Agreement.
