**EXPLANATION**

This request is for a Parent Consultant position for the Division for Children, Youth and Families. The Division for Children, Youth and Families Parent Consultant is a parent that has had prior experience dealing with the Division for Children, Youth and Families, who was involved in a Child Protective or Juvenile Justice Case, which has been resolved and closed for at least twelve (12) months.

The responsibilities of this Contractor include providing consultation to the State Wide Parent Partner Steering Committee on program design and implementation; assisting in the development of internal policies within the Division for Children, Youth and Families Child Protective and Juvenile

Justice Services; providing consultation to Division for Children, Youth and Families leadership and field staff on effective strategies to build parent leadership capacity to partner with the Division; and to work with Division staff to promote, support and organize parent leadership to ensure that parents' voice and perspective are evident within the child protection and juvenile justice systems with the goal of improving family engagement and increasing reunification outcomes.

The Division for Children, Youth and Families established the Parent Consultant position in 2009 through a grant funded by Casey Family Programs that support the Division's work to create the Division for Children, Youth and Families Practice Model. This position joined the Practice Model Design Team and provided information from the parent's point of view for help in creating and developing various family engagement strategies. Later that year, the Design Team recommended that the Division create and implement a Parent Partner Program to assist the Division in building greater capacity to partner with families and create a stronger safety informed response to child maltreatment and juvenile delinquency that truly engages and partners with fathers, mother, and other care givers. The Parent Consultant position has been an integral part of the Parent Partner Program.

The Parent Partner Program was implemented successfully, recruiting and deploying the services of parent leaders across the state. Parent leaders have served as practice advisors, training partners, and peer mentors assisting the Division in improving outcomes for children and families currently involved in child protective or juvenile justice services.

Casey Family Programs has been funding this position for the past five (5) years and recently informed the Division for Children, Youth and Families it would no longer fund this position as their assistance is temporary. The Division for Children, Youth and Families recognizes the importance of this position and impact it has had in the involvement of parents and other care giver's in their child's case and therefore has identified federal funding to continue to support this position.

The Department of Health and Human Services posted a Request for Applications on the Department's website from December 22, 2014 through January 9, 2015 for the provision of a Division for Children, Youth and Families (DCYF) Parent Consultant. The Department was presented with one (1) application in response to the request. After careful review of the application, the applicant was selected. The bid summary is attached.

The attached contracts calls for the provision of these services for approximately one and one half years and reserves the Division's right to renew the agreement for up to two additional years, based upon the satisfactory delivery of services, continued availability of supporting funds, and Governor and Executive Council approval.

Should the Governor and Executive Council not approve this request, parent involvement in child protection and juvenile justice cases could diminish and juveniles who do not have cooperative parent involvement in their child protective or juvenile justice cases could have longer involvement with the Division for Children, Youth and Families and may be put into placement rather than working with the Division to maintain the child's safety in keeping the child in the home.

**PARENT LEADER CONFIDENTIALITY AGREEMENT**

**PURPOSE OF THIS AGREEMENT**

The purpose of this agreement is to make all "parent leaders" involved with the Division for Children, Youth, and Families aware of their responsibility to protect all confidential information and records that are shared with them in the context of their involvement as a resource parent to other families or to staff. This statement supplements but does not replace any current Department/Division/Program policy regarding confidentiality. In the absence of any other Department/Division/Program policy, this agreement shall apply.

**GENERAL CONFIDENTIALITY STATEMENT**

In the course of engaging with other parents and their families, parent leaders may receive, disclose and utilize personal information of client parents and their families for a variety of reasons. All personal, financial and health care information maintained by the DHHS is confidential. DHHS will maintain privacy, confidentiality and integrity with regard to confidential information as required by state and federal laws, rules and regulations and professional ethics.

In the performance of my role, as a parent leader I may have access to confidential information and records of clients. It is my responsibility to protect all confidential information and records within my control. I agree, as a parent leader, that I will not release any information to other agencies or individuals, and will refer any such requests to the district office supervisor and/or staff.

**PARENT LEADER CONFIDENTIALITY AGREEMENT**

- I understand that I may have direct or indirect access to confidential information in the course of performing my activities as a parent leader.
- I agree to protect the confidential nature of all information to which I have access.
- I understand that there are state and federal laws and regulations that ensure the confidentiality of an individual's information.
- I understand that there are DHHS policies and agency procedures with which I am required to comply related to the protection of individually identifiable information.
- I understand that my failure to observe and abide by these policies and procedures may result in serious harm to children, their families, and the Division.
- I understand how I am expected to ensure the protection of individually identifiable information. Should questions arise in the future about how to protect information to which I have access, I will immediately notify my supervisor.
- I will not seek out confidential information for personal use.
- I have been informed that this signed agreement will be retained in my file maintained by the Parent Leadership Coordinator.

**SANCTIONS**

I acknowledge that I have been advised that parent leaders who do not comply with this policy shall be subject to the termination of their involvement with the Division. 1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.
2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.
3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.
4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.
5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.
6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.
7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
  - 7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
  - 7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

- 7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

**(5) Termination for Cause**

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I.
