REQUESTED ACTION

1. Authorize the Department of Health and Human Services, Bureau of Drug & Alcohol Services, to enter into a **sole source** amendment to an existing agreement with National Council on Alcoholism and Drug Dependence (Vendor # 1777265 BOO 1), 101 Manchester Street, Manchester, NH 03105, to continue providing a Transitional Living Program/Halfway House for men, by increasing the price limitation by \$164,845 from \$1,449,792 to an amount not to exceed \$1,614,637, and extending the completion Date from June 30, 2015 to December 31, 2015, effective July 1, 2015 upon date of Governor and Council approval. 2. Contingent upon approval of Requested Action #1, authorize the Department of Health and Human Services to amend a License For Use Of Premises (License) with National Council on Alcoholism and Drug Dependence (Vendor #1777265 BOO 1), 101 Manchester Street, Manchester, NH 03105, to continue using the premises, known as the Tirrell House on 15 Brook Street, Manchester, NH 03105, for housing facilities for clients in the Transitional Living Program/Halfway House for men, by extending the termination date from June 30, 2015 to December 31, 2015, effective July 1, 2015 upon date of Governor and Council approval. EXPLANATION

These **sole source** actions are requested to provide a continuum of substance abuse treatment services for an additional six months. This will allow the Department the additional time to develop and publish a request for proposals that meets the changes for substance use disorder treatment services for the State of New Hampshire.

Approval of this Amendment will allow the Department to continue to provide the Transitional Living Program/Halfway House for men in Manchester. The Transitional Living Program/Halfway House provides a sober living, residential and therapeutic living environment for clients who require a residential level of care.

Should Governor and Council not authorize this request, there would be no Transitional Living Program/Halfway House for men in Manchester to provide a sober residential level of care. The majority of clients entering this program are high-risk referrals from the Department of Corrections along with referrals from treatment providers for clients struggling to remain clean and sober in a lesser restrictive level of care. Clients would be returned to jail or to the Department of Corrections for substance related probation/parole violations without this critical service to New Hampshire's largest city.

Approval of this Amendment to the License for Use Agreement in Requested Action #2, will allow the Department to continue to provide housing facilities for the clients enrolled in the Transitional Living Program/Halfway House for men in the Manchester community.

Should the Governor and Executive Council determine to not authorize this Requested Action #2, the Contractor would not have sufficient resources to continue to provide the transitional housing.

Area served: Statewide

Source of Funds: 100% General Funds.

The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.
4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.
5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
 - 7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
 - 7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

SD

5/27/15

- 7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. 19. **Subcontractors:** DHHS recognizes that the Contractor may choose to use subcontractors with greater expertise to perform certain health care services or functions for efficiency or convenience, but the Contractor shall retain the responsibility and accountability for the function(s). Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.

REVISIONS TO GENERAL PROVISIONS

1. Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:
 4. **CONDITIONAL NATURE OF AGREEMENT.**
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A Amendment #3, Scope of Services, in whole or in part. INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.
7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

Exhibit F Amendment #1

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

- 10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

- 12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of

Serenity Place

National Council on Alcoholism and Drug Dependence Affiliate

Manchester, New Hampshire

We have audited the accompanying financial statements of Serenity Place, National Council on Alcoholism and Drug Dependence Affiliate (a non-profit organization), which comprise the statement of financial position as of June 30, 2014 and 2013, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Serenity Place, National Council on Alcoholism and Drug Dependence Affiliate as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted.

SERENITY PLACE
NATIONAL COUNCIL ON ALCOHOLISM AND DRUG DEPENDENCE AFFILIATE
Notes to the Financial Statements
June 30, 2014 and 2013

Nature of Organization:

Serenity Place, National Council on Alcoholism and Drug Dependence Affiliate (the "Organization") is a non-profit organization existing for the purpose of providing alcohol and drug abuse information, education, referral, crisis intervention, and residential services.

Note 1 - Summary of Significant Accounting Principles:

A. Basis of Presentation

The Organization presents its financial statements on the accrual basis of accounting. The accrual basis recognizes income when earned and expenses when they occur.

B. Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid deposits with maturity of three months or less to be cash and/or cash equivalents.

C. Use of Estimates in the Preparation of Financial Statements

Management used estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

D. Accounting Principles

Under current accounting standards, the Organization is required to report information regarding its financial position and activities according to three classes of net assets. Those three classes are as follows:

Unrestricted Net Assets:

The portion of net assets of a not-for-profit Organization that is neither permanently restricted nor temporarily restricted by donor imposed stipulations.

D. Accounting Principles - Continued

Temporarily Restricted Net Assets:

The portion of net assets of a not-for-profit Organization resulting (a) from contributions and other inflows of assets whose use by the Organization is limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the Organization pursuant to those stipulations, (b) from other asset enhancements and diminishments subject to the same kinds of stipulations, and (c) for reclassifications to or from other classes of net assets as a consequence of donor-imposed stipulations, their expiration by passage of time, or their fulfillments and removal by actions of the Organization pursuant to those stipulations. Temporarily Restricted Net Assets at June 30, 2014 and 2013 were \$28,556 and \$18,420, respectively.

Permanently Restricted Net Assets:

The portion of net assets of a not-for-profit Organization resulting (a) from contributions and other inflows of assets whose use by the Organization is limited by donor-imposed stipulations that neither expire by the passage of time nor can be fulfilled or otherwise removed by actions of the Organizations, (b) from other asset enhancements and diminishments subject to the same kinds of stipulations, and (c) from reclassifications from or to other classes of net assets as a consequence of donor-imposed stipulations. There are no Permanently Restricted Net Assets at June 30, 2014 and 2013.

E. Income Taxes

The Organization is exempt from Federal Income Tax under Section 501(c)(3) of the Internal Revenue Code. There are no state income taxes due to the fact that the State of New Hampshire recognizes Section 501(c)(3) for exemption of organizations that are organized and operated exclusively for religious, charitable, scientific, literary, or educational purposes. The Center's evaluation on June 30, 2014 and 2013 revealed no uncertain tax positions that would have a material impact of the financial statements.

The Organization's information returns are subject to possible examination by the taxing authorities. For federal purposes the returns essentially remain open for possible examination for a period of three years after the respective filing deadlines of those returns.

Note 1 - Summary of Significant Accounting Principles - Continued:

F. Fixed Assets

Fixed assets are recorded at historical cost at the time of acquisition. Depreciation is calculated by the straight-line method over their estimated useful lives ranging from three to thirty-nine years. Repairs and maintenance are charged to operations as incurred, whereas major betterments are capitalized. The estimated useful lives of the assets are as follows:

<u>Description</u>	<u>Method</u>	<u>Life</u>
Furniture and Fixtures	Straight-Line	5-7 years
Equipment	Straight-Line	3-5 years
Vehicles	Straight-Line	5 years
Buildings and Improvements	Straight-Line	5-39 years

G. Accounts Receivable

Accounts receivable are reported at net realizable value. Net realizable value is equal to the gross amount of receivables less an estimated allowance for uncollectible accounts. Historically, the Organization has not experienced material write offs, and therefore has not established an allowance account.

H. Donor-Restricted Contributions

The Organization's policy is to report donor-restricted contributions whose restrictions are met in the same reporting period, as unrestricted support, as there is no effect to reported restricted net assets.

I. Investments

The Organization accounts for investments following current accounting standards, under which its marketable investment securities are reported at fair market value at the date of the financial statements. Accordingly, realized gains and losses resulting from sales or distributions, as well as unrealized holding gains and losses are included in the statement of activities. Realized gains or losses are reflected as increases or decreases in the Organization's unrestricted net assets. The net change in unrealized holding gains or losses since the last fiscal year end are also recorded as increases or decreases in the Organization's operations. See Note No. 9.

Explanation

This request is being submitted to extend an existing contract in accordance with a contract provision Section 15 of Exhibit C, that allows for a two year renewals, subject to Governor and Council approval.

Per Requested Action # 1, Funds in this agreement will be used to operate a Transitional Living Program/Halfway House for men in Manchester. The Transitional Living Program/Halfway House shall provide a sober living, residential and therapeutic living environment for clients who require a residential level of care.

Should Governor and Council not authorize this request, there would be no Transitional Living Program/Halfway House for men in Manchester to provide a sober residential level of care. The majority of clients entering this program are high-risk referrals from the Department of Corrections along with referrals from treatment providers for clients struggling to remain clean and sober in a lesser restrictive level of care. Clients would be returned to jail or to the Department of Corrections for substance related probation/parole violations without this critical service to New Hampshire's largest city.

Contingent upon approval of Requested Action 1, Requested Action 2 authorizes the Department of Health and Human Services to amend the License for Use Agreement with the National Council on Alcoholism and Drug Dependence. The Department of Health and Human Services owns and manages the Tirrell House facility located at 15 Brook Street, Manchester, New Hampshire. The agreement with National Council on Alcoholism and Drug Dependence to provide a Transitional Living Program/Halfway House for men in conjunction with the licensing of the premises, enables the Department to continue the provision of Alcohol and Drug services for the operation of the long standing Tirrell Halfway House in the Manchester community.

National Council on Alcoholism and Drug Dependence was originally selected for this project through a competitive bid process.

National Council on Alcoholism and Drug Dependence has been in compliance with the service requirements of the current Agreement, and has met the performance measures. These performance measures will continue to be used to measure the effectiveness of the agreement:

- a. Percent of clients completing treatment
Baseline = statewide average
Residential treatment – 64%
- b. Percent of clients abstinent from drugs and/or alcohol at discharge.
Baseline = statewide average
Residential treatment – 93%

EXPLANATION

Per Requested Action #1, Funds in this agreement will be used to operate a Transitional Living Program/Halfway House for men in Manchester. The Transitional Living Program/Halfway House shall provide a sober living, residential and therapeutic living environment for clients who require a residential level of care.

Should Governor and Council not authorize this request, there would be no Transitional Living Program/Halfway House for men in Manchester to provide a sober residential level of care. The majority of clients entering this program are high-risk referrals from the Department of Corrections along with referrals from

treatment providers for clients struggling to remain clean and sober in a lesser restrictive level of care. Clients would be returned to jail or to the Department of Corrections for substance related probation/parole violations without this critical service to New Hampshire's largest city.

Contingent upon approval of Requested Action 1, Requested Action 2 authorizes the Department of Health and Human Services to enter into a Lease Agreement with the National Council on Alcoholism and Drug Dependence. The Department of Health and Human Services owns and manages the Tirrell House facility located at 15 Brook Street, Manchester, New Hampshire. The agreement with National Council on Alcoholism and Drug Dependence to provide a Transitional Living Program/Halfway House for men in conjunction with the licensing of the premises, enables the Department to continue the provision of Alcohol and Drug services for the operation of the long standing Tirrell Halfway House in the Manchester community. The outsourcing of this service with this vendor maximizes available resources. The License For Use Of Premises is attached.

The Tirrell House is a convenient location to serve the clients who require a residential level of care. The use, occupation and general maintenance of the Licensed Premises shall be (a) subject to the general supervision and approval of the Department and (b) subject to such rules and regulations the Department may prescribe from time to time. Approval of this License will allow the Department to provide space for the Transitional Living Program/Halfway House for men in Manchester, further fulfilling the Departments continuing efforts, functions and services for providing health and human services to the public.

Public law 97-35 (PL 97-35) created the Alcohol, Drug Abuse and Mental Health Services (ADMS) Block Grant, which became effective on October 1, 1982 for the purpose of carrying out and evaluating activities to prevent and treat substance abuse and dependence. The law was amended (Public Law 102-321, 102d Congress) in 1992 and again in 2000 (Children's Health Services Act). A poll commissioned by the Department of Health and Human Services in 2000, funded by the Center for Substance Abuse Treatment (CSAT) and conducted by the Gallup organization found that over 9% of New Hampshire's population meets the Diagnostic and Statistical Manual (DSM-IV) criteria for alcohol and/or drug dependency or abuse. Results from a 2008 survey from the National Survey on Drug Use and Health (NSDUH) reported dependence on or abuse of alcohol and/or other drugs at the same 9% level.

National Council on Alcoholism and Drug Dependence was selected for this project through a competitive bid process. The Request For Proposals was posted on the DHHS web site on April 29, 2011. Five Proposals were received from the following vendors; Families In Transition, Easter Seals NH, Inc., Greater Nashua Council on Alcoholism, National Council on Alcoholism and Drug Dependence/Greater Manchester and Phoenix Houses of New England. Each proposal was reviewed and scored by three internal reviewers to the Bureau of Drug and Alcohol Services and three external reviewers to the Bureau. All reviewers have between five to thirty years experience managing agreements with vendors for various Divisions and Bureaus within the Department of Health and Human Services. Areas of specific expertise include Maternal and Child Health Services, Homeless and Housing, Substance Abuse Prevention and Treatment, Criminal Justice, and public health infrastructure. The reviewers' decision followed a thorough discussion of the strengths and weaknesses of each proposal. The final decision was made by general consensus of reviewers' along with the highest average of all reviewers' scores. The National Council on Alcoholism and Drug Dependence, in addition to receiving the highest score, was also the lowest bidder for these services. The Request For Proposals scoring summary is attached.

As referenced in the Request for Proposals, Renewals Section, this Agreement has the option to renew for two additional year(s), pending availability of funding, the agreement of the parties and approval by Governor and Council. This is the initial agreement with this Contractor for these services.

The following performance measures will be used to measure the effectiveness of the agreement:

- a. Percent of clients completing treatment.

Baseline = statewide average
Residential treatment – 64%

- b. Percent of clients abstinent from drugs and/or alcohol at discharge.

Baseline = statewide average
Residential treatment – 93%

The geographic area to be served is statewide.

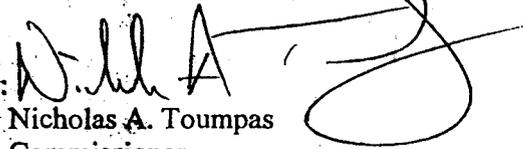

Source of Funds is 100% General funds; no funds are required for the License for Use of Premises.

- o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreasonable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.
- p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) Use and Disclosure of Protected Health Information.

- a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, the Business Associate shall not, and shall ensure that its directors, officers, employees and agents, do not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.
- b. Business Associate may use or disclose PHI:
 - I. For the proper management and administration of the Business Associate;
 - II. As required by law, pursuant to the terms set forth in paragraph d. below; or
 - III. For data aggregation purposes for the health care operations of Covered Entity.
- c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HITECH Act, Subtitle D, Part 1, Sec. 13402 of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.
- d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

- e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

- a. Business Associate shall report to the designated Privacy Officer of Covered Entity, in writing, any use or disclosure of PHI in violation of the Agreement, including any security incident involving Covered Entity data, in accordance with the HITECH Act, Subtitle D, Part 1, Sec. 13402.
- b. The Business Associate shall comply with all sections of the Privacy and Security Rule as set forth in, the HITECH Act, Subtitle D, Part 1, Sec. 13401 and Sec.13404.
- c. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.
- d. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section (3)b and (3)k herein. The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard provision #13 of this Agreement for the purpose of use and disclosure of protected health information.
- e. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.
- f. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.
- g. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

- h. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.
- i. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.
- j. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.
- k. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) **Obligations of Covered Entity**

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to standard provision #10 of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, and the HITECH Act as amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.
- c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.
- d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule and the HITECH Act.
- e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.
- f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section 3 k, the defense and indemnification provisions of section 3 d and standard contract provision #13, shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.
