REQUESTED ACTION

Authorize the Department of Transportation to enter into a contract with Capital Well Company, Inc. of Dunbarton, NH, (Vendor 156110) in the amount of \$19,525.00 for a 6-inch drilled well and pump on the property of Patrol Shed 101, 1055 South Main Street, Pittsburg, NH from the date of Governor and Council approval through July 24, 2015, unless extended by the Department in accordance with the Standard Specifications. 100% Highway funds.

048-500226 Contract Repairs; Bldg. Grounds	\$19,525.00

EXPLANATION

Results of investigations and water analysis has been evaluated, and it has been determined that the existing water supply has been contaminated by highway chlorides. The Department therefore proposes to obtain a new water supply for the patrol shed. This proposal is in keeping with RSA 228:34.

This contract was advertised and three bids were received and publicly opened on October 2, 2014. Capital Well Company, Inc. was the low bidder at \$19,525.00 and the Department considers this bid to be reasonable.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution; and the Department has certified that the necessary funds are available. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Services' Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

Sincerely,

Christopher D. Clement, Sr.
Commissioner
