Subject: Public Notice for the pre-processing of absentee ballots for the State Primary

The following public notice for the pre-processing of absentee ballots for the upcoming State Primary Election is being posted on the Town of Dublin website (www.townofdublin.org), and paper notices are being posted in our Post Office and Town Hall.

Due to an unprecedented number of absentee ballots for the September 8 primary election, town election officials will begin the normal process of pre-processing the ballots at 12 noon on Saturday, Sept. 5, at Town Hall. Outer envelopes will be opened to check for the required signatures, but the inner envelopes will remain sealed, and the votes will not be recorded until the day of the primary, September 8, starting at 10 a.m. This is a public meeting, and observers are welcome.
