

THE STATE OF NEW HAMPSHIRE DEPARTMENT OF TRANSPORTATION

Becker

JEFF BRILLHART, P.E. ACTING COMMISSIONER

32

Bureau of Construction March 23, 2015

Her Excellency, Governor Margaret Wood Hassan and the Honorable Council State House Concord, New Hampshire 03301

REQUESTED ACTION

1. Authorize the Department of Transportation to enter into a contract with Continental Paving, Inc. of Londonderry, NH (Vendor 155350) on the basis of a low bid of \$2,634,925.00 for resurfacing of approximately 27 miles in District III in Belknap and Carroll Counties, from the date of Governor and Council approval through October 2, 2015 unless extended by the Department in accordance with the Standard Specifications. 17% Betterment Funds, 83% Agency Income Funds.

Funding is available as follows for FY 2015 and is contingent upon the availability and continued appropriation of FY 2016 funds.

Table with 3 columns: Funding description, FY 2015, FY 2016. Row 1: Highway Betterment Aid 400-500870 Highway Contract Payments, \$250,000.00, \$187,661.00

Table with 3 columns: Funding description, FY 2015, FY 2016. Row 1: SB 367 Capital Investment 400-500870 Highway Contract Payments, \$2,197,264.00

2. Further authorize that a contingency in the amount of \$131,746.25 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 5% of the contract amount.

Table with 3 columns: Funding description, FY 2015, FY 2016. Row 1: SB 367 Capital Investment 400-500870 Highway Contract Payments, \$131,746.25

EXPLANATION

This project is part of the annual Maintenance District resurfacing program and the additional funding for paving through SB 367, Proposed Road Toll Increase. This project involves pavement resurfacing and rehabilitation of approximately 27 miles of state highways in the District Three region. The resurfacing will maintain, improve and extend the life of the highway riding surface and protect the subsurface base course materials. All of the proposed work will remain within the right-of-way.

The contingency amount is proposed to be 5% for this contract. The rough conditions of these roadways, being out of shape with extensive rutting, makes estimating paving quantities very difficult. Paver shim quantities can vary substantially depending on the condition of the road. The winter has been particularly harsh and greater than normal roadway heaving, cracking and distortion is anticipated particularly given the lower tier classification of many of the roads involved for this maintenance paving. A contingency amount is being included to account for these uncertainties, provide flexibility for leveling as needed, maintaining desired paver shim thickness and proposed mileage.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Sincerely,

David J. Brillhart, P.E.
Acting Commissioner

DJB/md

Department Estimate: \$3,157,668.75
Contract Amount: \$2,634,925.00
Under Estimate: \$ 522,743.75

**RESURFACING DISTRICT 3 29573
DISTRICT 3 REHABILITATION OF SECONDARY ROADWAYS 29664**

March 26, 2015

SUPPLEMENTAL PROJECT INFORMATION SHEET

DESCRIPTION: This project involves resurfacing and rehabilitation under two programs. The base program includes 5 sections totaling 23 miles of roadways including Center/Baptist Rd (Canterbury), NH 106 (Laconia-Meredith), Meredith Center Rd (Laconia-Meredith), Barnard Ridge Rd (Meredith), and NH 25 (Tamworth). The RSR program includes 4 sections totaling 4 miles of roadways including NH 106 (Meredith), Meredith Center Rd (Laconia-Meredith), Barnard Ridge Rd (Meredith), and NH 107 (Gilmanton).

FUNDING: 100% Agency Income

CONTINGENCY: The contingency amount is proposed to be 5% for this contract. The rough conditions of these roadways, being out of shape with extensive rutting, makes estimating paving quantities very difficult. Paver shim quantities can vary substantially depending on the condition of the road. The winter has been particularly harsh and greater than normal roadway heaving, cracking and distortion is anticipated particularly given the lower tier classification of many of the roads involved for this maintenance paving. A contingency amount is being included to account for these uncertainties, provide flexibility for leveling as needed, maintaining desired paver shim thickness and proposed mileage.

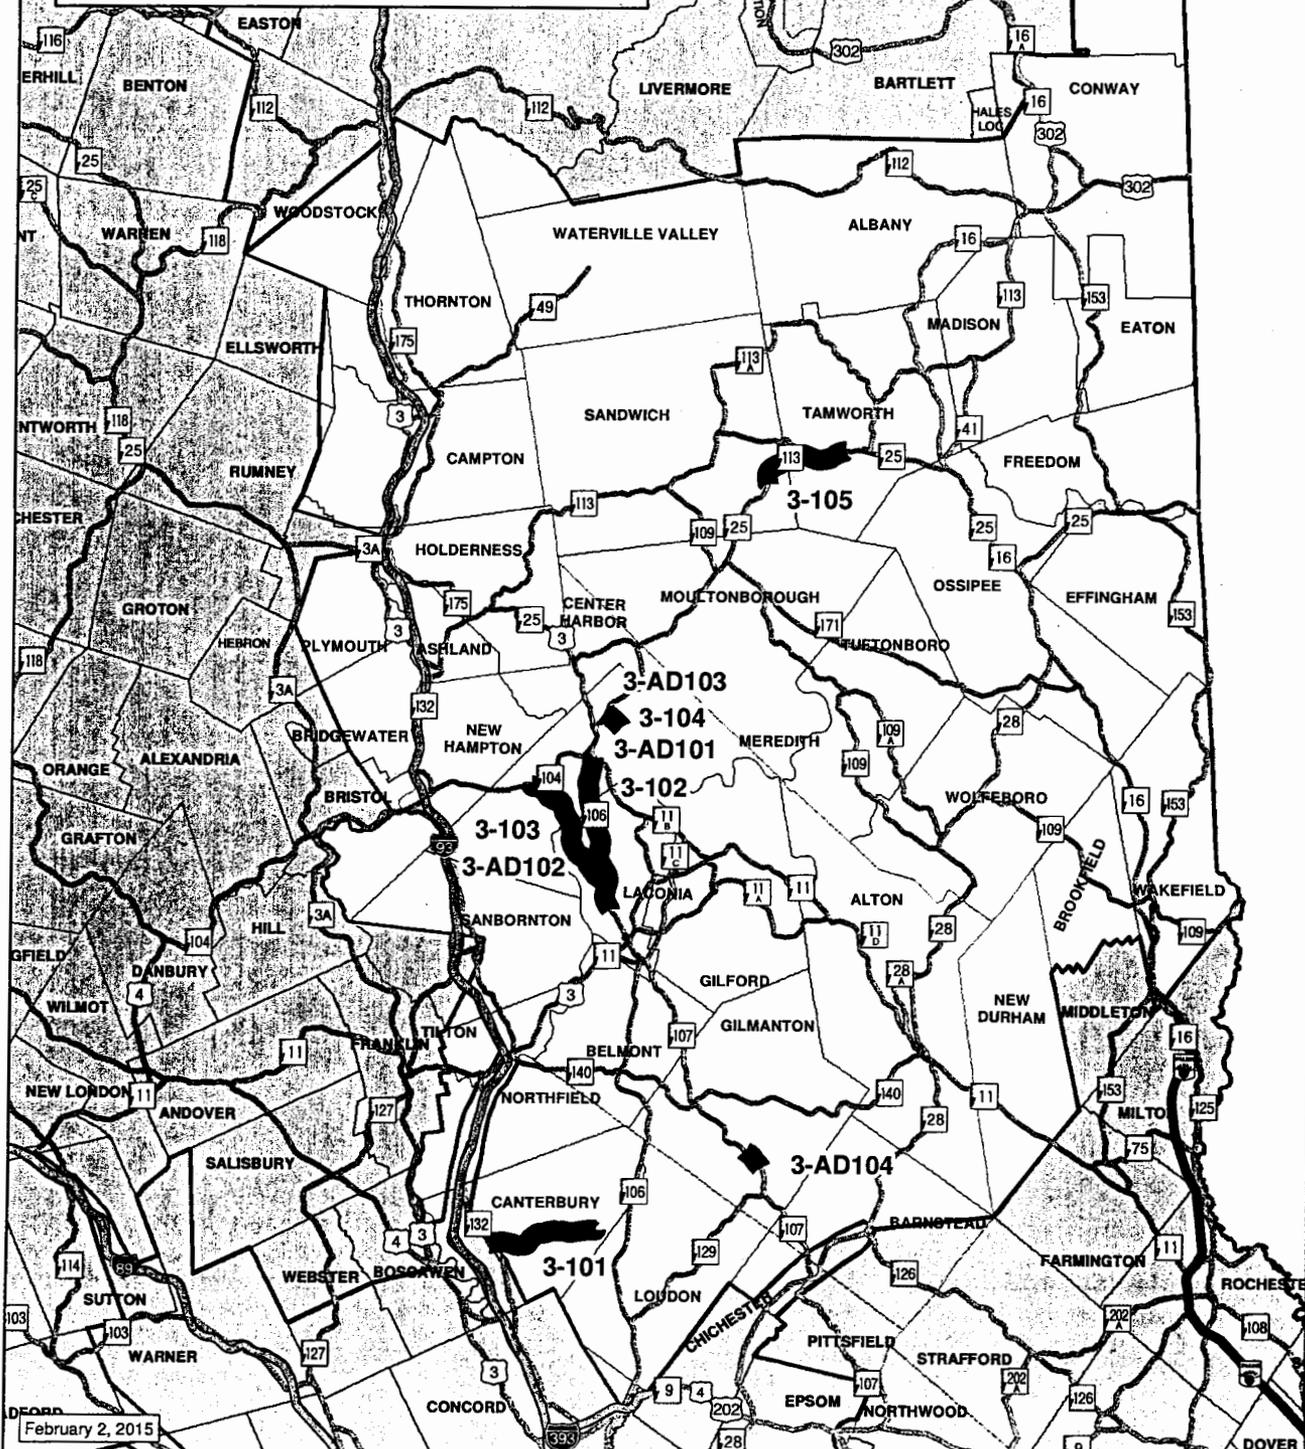

PROJECT INITIATED: State's 10-Year Transportation Improvement Plan under the "parent" project BRES # 581 (District Betterment Resurfacing Program).

PROJECT EXPLANATION: These roadways are located throughout District 3 and serve various functions. These pavements are in fair to poor condition. The intent of this project is to maintain and improve the riding surface and to extend the life of the existing roadways. All of the proposed work will remain within the right-of-way.

TRAFFIC IMPLICATIONS: Minimal traffic implications are anticipated. One-lane, alternating two-way traffic will be allowed only on roads with pavement widths less than forty-eight feet. Normal traffic patterns will be re-established prior to the beginning of non-work hours. No work will be permitted from May 22 to May 26, July 2 to July 6 and from September 4 to September 8, 2015.

COMPLETION DATE: October 2, 2015
