CDFA 4/20/17

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

Requested Action – Award a Grant

Authorize the Community Development Finance Authority (CDFA), under the Community Development Block Grant (CDBG) program, to award a grant to the Town of Tamworth, 84 Main Street, Tamworth, New Hampshire, in the amount of \$350,000 to support emergency repairs to the community's wastewater treatment system, upon Governor and Council approval for the period effective March 8, 2017 through December 31, 2018. **100% federal funds.**

Explanation

The Town of Tamworth is requesting CDBG funds on behalf of the Tamworth Village Association to support emergency repairs to the community's wastewater treatment system. In spring 2016, it was discovered that the four leach fields had effluent on the surface and that the fields were failing. Currently, the failing leach beds pose an immediate health and safety risk to residents and per a violation letter received from DES need to be replaced immediately. The Tamworth Village Association wastewater treatment system is located in an area where 66% of the households are low-to-moderate income.

This Agreement allocates a portion of the Community Development Block Grant (CDBG) funds provided to New Hampshire by the U. S. Department of Housing and Urban Development (HUD). CDFA is administering this program as provided by RSA 162-L.

Sincerely,

Taylor Caswell
Executive Director

8. CONSTRUCTION CONTRACTING, INSPECTION, AND CERTIFICATION

8.1. Prior to execution of the construction contract or contracts, Grantee shall submit the proposed contract(s) for the Improvements to CDFA for its review and approval to determine compliance with all applicable federal and state requirements. CDFA approval shall not abrogate its rights to enforce any part of this Agreement or constitute a waiver of any provision of this Agreement.

8.2. Grantee or Subrecipient shall require all contractors and subcontractors to comply with all applicable requirements of federal, state, and local laws and regulations.

8.3. Grantee or Subrecipient shall furnish and maintain competent technical supervision of the Project site throughout the construction of the Improvements to assure that the work conforms to the Plans, specifications, and schedules approved by CDFA for the Project.

10.3. This responsibility applies to funds disbursed by Subrecipients and contractors as well as to funds disbursed in direct operations of Grantee. Grantee shall be required to maintain a financial management system which complies with 24 CFR 85.20 or such equivalent system as CDFA may require. Requests for payment shall be made according to CDFA's CDBG Implementation Guide.

11. PROCUREMENT

13.1.2. Fiscal Records: Books, records, documents and other statistical data evidencing, and permitting a determination to be made by CDFA of all Project Costs and other expenses incurred by the Grantee and all income received or collected by the Grantee, during the performance of the Project Activities. The said records shall be maintained in accordance with accounting procedures and practices acceptable to CDFA, and which sufficiently and properly reflect all such costs and expenses, and shall include, without limitation, all ledgers, books, audits, records and original evidence of costs such as purchase requisitions and orders, invoices, vouchers, bills, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls and other records requested or required by CDFA.

Such records shall be retained for a period of three (3) years following completion of the project and receipt of final payment by the Grantee, or until an audit is completed and all questions arising therefrom are resolved, whichever is later.

14. TERMINATION; REMEDIES

14.1. Inability to Perform; Termination by Grantee. As a result of causes beyond its control, and notwithstanding the exercise of good faith and diligence in the performance of its obligations hereunder, if it shall become necessary for Grantee to terminate this Agreement, Grantee shall give CDFA fifteen (15) days advance written notice of such termination, in which event the Agreement shall terminate at the expiration of said fifteen (15) days.

14.2. Termination without Default. In the event of termination without default and upon receipt, acceptance and approval by CDFA of the Termination Report, as referenced in the General Provisions, Grantee shall receive payment for all Project Costs incurred in the performance of Grant Activities completed up to and including the date of termination and for which payment had not previously been made including, but not limited to, all reasonable expenses incurred in the preparation of the Termination Report; provided, however, that in the event

that any payments have been made hereunder in excess of Project Costs incurred up to and including the date of termination of the Agreement, CDFA shall offset any payments to be made hereunder against such payments, and if applicable, Grantee shall refund to CDFA the amount of any excess funds it retains after such offset.

14.3. Termination for Default. In the event of termination for default or other violation of Program requirements, CDFA shall, upon receipt, acceptance and approval of the Termination Report submitted by Grantee, pay Grantee for Project Costs incurred up to and including the date of termination (subject to off-set against funds paid to Grantee hereunder and to the refund of any excess funds); provided, however, that in such event the amount of such payment shall be determined solely by CDFA; and provided, further, that in no event shall the making of any such payments relieve Grantee of any liability for damages sustained or incurred by CDFA as a result of Grantee's breach of its obligations hereunder, or relieve Grantee of responsibility to seek return of Grant Funds from any Subrecipient or Beneficiary where applicable.

14.4. Limitation on Grantee Liability for Subgranted Funds. Notwithstanding anything in this Agreement to the contrary and absent the presence of fraud or negligence on the part of Grantee in enforcing its rights and obligations under the terms of any subrecipient agreement, the sole obligation of Grantee with respect to the return of Grant Funds, in the event of default on a grant condition or other termination of the Project or event requiring return of Grant Funds, shall be to make a good faith effort to return to the State of New Hampshire all grant funds paid to Subrecipient through Grantee. Grantee shall make good faith efforts to enforce the legal obligations entered into with the Subrecipient as provided herein, to call upon the collateral held by itself or others, and exercise due diligence in its efforts in bringing about the satisfaction of the grant obligations and, having done so, it shall not be required to look to any other funds or its tax base to recoup grant funds not recovered from the Subrecipient.

14.5. Assignment to CDFA and Payment of Expenses and Costs. Grantee hereby agrees that, in the event it fails to enforce the provisions of any subrecipient agreement or fails to cure an Event of Default resulting in termination of this Agreement or the Project, Grantee shall, upon demand by CDFA, assign and convey to CDFA all or any of its rights, title and interest, or delegate to CDFA all or any of its obligations under the Subrecipient Agreement and any Mortgage, Promissory Note, Security Agreement or other agreement as applicable. Such delegation or assignment shall be effective only in the event of a default by Subrecipient or Beneficiary in its or their obligations under the Subrecipient Agreement or other agreement. In the event that CDFA assumes any of the obligations of Grantee as provided herein, Grantee shall pay all costs and expenses incurred by CDFA in the enforcement of the Subrecipient Agreement, collection upon any loan, mortgage or other security, or in curing any Event of Default.

14.6. Where the Grant Agreement or Subrecipient Agreement is terminated or the Project is otherwise terminated due to a default, inability to perform, or reason other than project completion and Grant Funds are required to be returned by Grantee, the disposition of Grant Funds to be returned shall be determined solely by CDFA.

15. ADDITIONAL GRANT REQUIREMENTS

15.1. Grantee shall prepare and adopt a written Code of Ethics governing the performance of its employees engaged in the procurement of supplies, equipment, construction and services consistent with the requirements of 24 CFR 85.36(b)(3). The Code of Ethics shall be prepared in the form shown in the CDBG Implementation Guide, and shall be formally adopted prior to requesting Grant funds. The plan shall be formally adopted prior to requesting Grant funds.

15.3. Grantee shall submit to CDFA all required documentation of low- and moderate-income benefit in accordance with the reporting requirements of the Subrecipient Agreement. The information shall be provided on the Periodic Progress Report, as found in the Community Development Block Grant Program (CDBG) Implementation Guide.

15.4. In the event Grantee fails to enforce the provisions of the Subrecipient Agreement or fails to cure an Event of a Default under the Subrecipient Agreement, Grantee shall, upon demand by CDFA, assign and convey all or any part of its rights, title and interest or delegate all or any of its obligations under the Subrecipient Agreement or the Security to CDFA, such assignment or delegation to be effective only in the event of a default in Subrecipient's obligation to Grantee under the terms of the Subrecipient Agreement or Security. In such event, Grantee agrees to pay and shall pay all reasonable costs and expenses incurred by CDFA in the enforcement of the Subrecipient or Security obligations or in curing any Event of Default thereunder.

15.5. CDFA shall have the right to terminate all or any part of its obligations under this Agreement in the event that any official, employee, architect, engineer, attorney, or inspector of, or for the Grantee, or any governmental official or representative becomes directly or indirectly interested financially in the acquisition of any materials or equipment, or in any construction of the Project, or in the furnishing of any service to or in connection with the Project, or any benefit arising therefrom.

15.6. Excessive Force by Law Enforcement Agencies. Grantee certifies that it has adopted and enforces a policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in nonviolent civil rights demonstrations in accordance with Section 519 of Public Law 101-144.

15.7. Lobbying. Grantee certifies that:

15.7.1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

15.7.2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard form - LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

15.7.3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all Subrecipient's shall certify and disclose accordingly.

15.8. Certification of Nonsegregated Facilities as required by the May 9, 1967, Order (32 FR 7439, May 19, 1967) on Elimination of Segregated Facilities, by the Secretary of Labor. Prior to the award of any construction contract or subcontract exceeding \$10,000, Grantee shall require the prospective prime contractor and each prime contractor shall require each subcontractor to submit the following certification:

15.8.1. By the submission of this bid, the bidder, offer or, applicant or subcontractor certifies that he/she does not maintain or provide for his/her employees any segregated facilities at any of his/her

establishments, and that he/she does not permit his/her employees to perform their services at any location, under his/her control where segregated facilities are maintained.

15.8.2. He/she certifies further that he/she will not maintain or provide for his/her employees any segregated facilities at any of his/her establishments, and that he/she will not permit his/her employees to perform their services at any location, under his/her control, where segregated facilities are maintained. The bidder, offer or, applicant, or subcontractor agrees that a breach of this certification is a violation of the Equal Opportunity clause in this Agreement. As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, creed, color or national origin, because of habit, local custom, or otherwise. He/she further agrees that (except where he/she has obtained identical certifications from proposed subcontractors for specific time periods) he/she will obtain identical certifications from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity clause: that he/she will retain such certifications in his/her files: and that he/she will forward the following notice to such proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods):

This requirement can be waived if no other partner/entity requires worksite signage and creating signage solely for CDFA poses a hardship. Alternative – If none of these are applicable/feasible, an alternative display of the CDFA logo or public recognition may be used with permission from CDFA.

"Administrative Project Costs" shall mean all expenses directly or indirectly incurred by Grantee in the performance of the Project Activities, as determined by CDFA to be eligible and allowable for payment in accordance with allowable administrative project cost standards set forth in 2 CFR Part 200 as revised from time to time, and with the rules, regulations, and guidelines established by CDFA. Administrative project costs include but are not limited to: preparation of environmental review, record keeping, reporting, audits, and oversight of Project construction and compliance with all federal, state, and local laws, rules, and regulations and this contract. Upon such review, CDFA shall disallow any items of expense which are not determined to be allowable or are determined to be in excess of actual expenditures, and shall, by written notice specifying the disallowed expenditures, inform Grantee of any such disallowance. If CDFA disallows costs for which payment has not yet been made, it shall refuse to pay such costs. If payment has been made with respect to costs which are subsequently disallowed, CDFA may deduct the amount of disallowed costs from any future payments under this Agreement or require that Grantee refund to CDFA the amount of the disallowed costs.

The Mortgagor, for itself and its successors and assigns, does hereby covenant, grant and agree to and with the Secured Party and its successors and assigns, that until the delivery hereof it is the lawful owner of the Sewer System seized and possessed thereof in its own right in fee simple, has full power and lawful authority to grant and convey the same in manner aforesaid, that the Sewer System are free and clear from any encumbrance whatsoever, that it and its successors shall warrant and defend the same to the Secured Party and its successors and assigns against the lawful claims and demands of any person or persons whatsoever, except as otherwise herein recited; and that it will not cause or permit any lien to arise against the Sewer System which is superior to the lien of this Mortgage;

(b) Maintenance of the Sewer System. That the Mortgagor will keep protected in good order, repair and condition (reasonable wear and tear excepted) at all times the infrastructure buildings and improvements now standing or hereafter erected or or used in connection with operation of the Sewer System and any and all of the Mortgagor's appurtenances, apparatus and articles of personal property, including, but not limited to, furniture, furnishings and equipment, now or hereafter in or attached to or used in connection with operation of the Sewer System, promptly replacing any of the aforesaid which may become lost, destroyed or unsuitable for use; will always maintain in good order and condition all the facilities, easements, works, and ways set forth in the description and easements of the Mortgage; and will not commit or suffer any strip or waste of the Sewer System, or any violation of any law, regulation, ordinance or contract affecting the Sewer System, and will not commit or suffer any demolition, removal or material

alteration of any improvements (including fixtures) to the Sewer System without the written consent of the Secured Party.

(c) Books and Records. (e) Mechanics Liens, Etc. The Mortgagor will pay, as such shall become due, all lawful claims and demands of mechanics, materialmen, laborers and other which, if unpaid, might result in, or permit the creation of, a lien on the Sewer System or any part thereof, or on the revenues, rents, issues, income and profits arising therefrom. The Mortgagor will not create or permit to be created and will promptly discharge any mortgage, lien, or charge on the Sewer System or any part thereof or on the interest of the Mortgagor or the Secured Party therein, and the Mortgagor will do or cause to be done everything necessary so that the lien hereof shall be fully preserved, at the cost of the Mortgagor, without expense to the Secured Party.

4. Possession by Secured Party.

(a) If the Secured Party shall take possession of the Sewer System as permitted hereby, then in addition to, and not in limitation of, the Secured Party's STATUTORY POWER OF SALE, the Secured Party may:

(i) hold, manage, operate, and lease the Sewer System to the Mortgagor or to any other entity on such terms and for such period(s) of time as the Secured Party may deem proper;

(ii) make such alterations, additions, improvements, renovations, repairs, and replacements to the Premises as the Secured Party may deem proper;

(iv) take any other action the Secured Party deems necessary or appropriate in its sole discretion to preserve, protect, or improve the Sewer System.

(b) All monies advanced by the Secured Party for the above purposes and not repaid out of the revenues collected shall immediately and without demand be repaid by the Mortgagor to the Secured Party.

(c) The taking of possession and the collection of revenues by the Secured Party as described above shall not be construed to be an affirmation of any lease of the Sewer System or any part thereof, and the Secured Party, or any purchaser at any foreclosure sale, may terminate any such lease at any time, whether or not such taking of possession and collection of rents has occurred.

5. **Security Agreement.** The Mortgage is among other things intended to be a security agreement and financing statement with respect to the personal property and fixtures described and included in the Mortgage, and all additions, accessions, substitutions and replacements thereto and therefor, together with the proceeds thereof, and all of which are hereinafter referred to as the collateral and the Mortgagor hereby grants and conveys to Secured Party, its successors and assigns, a security interest therein. In furtherance thereof, Secured Party may, for the term hereof, maintain a so called financing statement on file with the New Hampshire Secretary of State without further notice to Mortgagor. The Secured Party shall give the Mortgagor notice, by registered mail, postage prepaid, of the time and place of any public sale of any of the collateral or of the time any private sale or other intended disposition thereof is to be made by sending notice to the Mortgagor at least thirty (30) days before the time of the sale or other disposition, which provisions for notice the Mortgagor and the Secured Party agree are reasonable; provided, however, that nothing herein shall preclude the Secured Party from proceeding as to both real and personal property in accordance with the Secured Party's rights and remedies in respect of the real property. The Secured Party shall have all of the remedies of a secured party under the Uniform Commercial Code as now in effect in the State of New Hampshire, and such further remedies as may from time to time hereafter be provided in New Hampshire for a secured party. The Mortgagor agrees that all rights of the Secured Party as to said collateral and as to said real estate, and rights and interest appurtenant thereto, may be exercised together or separately and further agrees that in exercising its power of sale as to said collateral and as to said real estate,

and rights and interest appurtenant thereto, the Secured Party may sell the collateral or any part thereof, either separately from or together with the sale real estate, rights and interests appurtenant thereto, or any part thereof, all as the Secured Party may in its discretion elect.

(d) Assignment and Assumption. Any transfer of the Sewer System or delegation of Mortgagor's operational responsibility over the Sewer System shall be undertaken only with the consent of the Secured Party. Notwithstanding the foregoing, the Mortgagor may transfer its ownership of the Sewer System and its obligation to maintain and operate the Sewer System to the Town of Tamworth provided, however, that such transfer of ownership and operational control to the Town of Tamworth shall be subject to the provisions of this Mortgage, Security Agreement and Fixture Filing the provisions of which shall be specifically assumed by the Town of Tamworth.

SUBRECIPIENT AGREEMENT MINIMUM TERMS AND CONDITIONS

Town of Tamworth ("Grantee") hereby warrants and agrees that the Subrecipient Agreement with the Tamworth Village Association ("Subrecipient") to be executed in conformance with the requirements of Exhibit A of the Grant Agreement shall be subject to approval by CDFA. The Subrecipient Agreement shall incorporate the entire Grant Agreement and shall include it as an attachment, and shall contain at a minimum the following terms and conditions:

1. REPRESENTATIONS AND WARRANTIES. Subrecipient shall represent and warrant:

1.1 Subrecipient is a duly organized and validly existing New Hampshire nonprofit corporation in good standing under the laws of this State. Subrecipient has the power and authority to undertake the grant activities as provided in the Grant Agreement. Subrecipient has the power and authority to own its properties, to conduct business as it is now being conducted, has the power to execute and deliver and perform its obligation under the Subrecipient Agreement and all other documents as applicable to this grant agreement.

1.2 The Subrecipient Agreement is the legal, valid and binding obligation of Subrecipient enforceable against Subrecipient, in accordance with each document's respective terms.

1.3 Subrecipient has complied in all material respects with all applicable federal, state and local laws, statutes, rules and regulations pertaining to the grant activities.

1.4 No application, exhibit, schedule, report or other written information provided by Subrecipient or its agents in connection with the grant application knowingly contained, when made, any material misstatement of fact or knowingly omitted to state any material fact necessary to make the statements contained therein not misleading, in light of the circumstances under which they were made.

2. PROJECT DESCRIPTION AND SUBGRANT ACTIVITIES.

2.1 Project Description.

The project shall consist of the awarding of \$350,000 in Community Development Block Grant ("CDBG") funds to the Town of Tamworth (the "Grantee") (DUNS#09-950-7274), \$330,000 of which is to be subgranted to the Tamworth Village Association (the "Subrecipient") (DUNS#96-385-7573) to support emergency repairs to the community's wastewater treatment system in Tamworth, New Hampshire (the "Project"). The Scope of Work shall be more completely defined in the specifications and plans (the "Plans") to be developed in accordance with this Agreement. The property for which CDBG Grant funds will be used (the "Project Property") is more particularly described in the security document, to be attached to this Grant Agreement as Attachment I.

2.2 Benefit to Low- and Moderate- Income Persons.

The general purpose of the project is to principally benefit Low- and Moderate-Income Persons as that term is defined in the Grant Agreement: "those Persons whose income falls at or below the "low income" level as referenced in Appendix 2 of Chapter 300 Cdfa CDBG Rules, and as determined by the U. S. Department of Housing and Urban Development (HUD) for the State of New Hampshire. Appendix 2 contains HUD's "low- and moderate-income levels" for its various programs and is updated on an annual basis. The most current HUD Income Limits

may be found at CDFA's website at www.nhcdfa.org

Consistent with the National Objectives of the Community Development Block Grant Program under Title I of the Housing and Community Development Act of 1974, as amended, the Parties agree that at least sixty six percent (66%) of the persons served shall be of low- and moderate-income as that term is defined in Cdfa 302.33 of the State's Administrative Rules.

Neither the Grantee nor the Subrecipient shall take any action which will limit or impair the capacity of the System to serve low- and moderate-income households. Based on current data, the Grantee and Subrecipient believe, in good faith, that the System will continue to serve persons of low- and moderate-income households. This provision shall be applied where applicable throughout the Grant Agreement and Subrecipient Agreement.

2.3 Grant of Funds/Matching Funds.

Subrecipient shall use the Grant funds subgranted to it solely for the purposes described herein and consistent with the required terms and conditions of the Grant Agreement and Subrecipient Agreement.

2.3.1 Subrecipient shall be subgranted a total of \$330,000 of the CDBG funds, in order to carry out the Project Activity.

2.3.2 The Grantee shall retain \$20,000 of the grant for administrative costs associated with management of the Grant.

2.3.3 The required match for the CDBG funds will be not less than \$26,000, for the costs associated with the Project Activities, consisting of a \$26,000 contribution from the Tamworth Foundation.

3. SUBRECIPIENT REQUIREMENTS.

3.1 Compliance with Laws. Subrecipient shall comply with all applicable federal, state and local laws, statutes, executive orders and rules as they relate to the application, acceptance and use of funds for this Project, including, but not limited to, the requirements as specified in the Grant Agreement.

3.2 Disbursement of Grant Funds. Upon compliance with, and subject to the provisions of this Agreement and provided there shall exist no Event of Default under this Agreement, the Grant Agreement or any other agreements, in connection with the Project, and no condition or event which, with the giving of notice or lapse of time would constitute such an Event of Default, the Grantee shall, upon submittal of written requests for payment accompanied by invoices and other documentation or supporting documents as required by the Grantee, make disbursements of grant funds. Disbursement of grant funds shall be in accordance with the terms of the Grant Agreement, including Exhibit B.

Disbursement of funds by the Grantee does not constitute acceptance by the Grantee or CDFA of any item as an eligible Project cost until all Project costs have been audited and determined to be allowable costs. Upon the expiration of the Grant Agreement, or other termination of the project, Subrecipient shall transfer to the Grantee any Grant funds on hand at the time of expiration and any accounts receivable attributable to the use of CDBG funds.

3.3 Security. Prior to approval by CDFA of any construction contract for the Property, Subrecipient shall provide Grantee a Mortgage, Security Agreement and Fixture Filing, or other acceptable security to CDFA, as set forth in Exhibit A. Grantee shall submit to CDFA satisfactory evidence of such recording.

The security document referenced above shall provide for the recovery by Grantee, on behalf of CDFA, of the total CDBG funds expended on this Project in the event that the low- and moderate-income benefit as defined herein is not maintained for the required twenty-year period commencing upon the completion of the Project. The amount of CDBG funds subject to recovery in accordance with this paragraph shall decrease over the twenty-year period at a rate negotiated between Grantee and Subrecipient and approved by CDFA.

3.4 Subrecipient shall provide evidence prior to award closeout that it has committed to annual water user rates at or above \$454 per household served by the Project.

4. COVENANT OF LONG TERM BENEFIT FOR LOW- AND MODERATE-INCOME PERSONS.

4.1 Subrecipient shall covenant and warrant that sixty six percent (66%) of the Persons served at the Project Property at the completion of the Project shall be Low- and Moderate-Income Persons as that term is defined in Administrative Rule Cdfa 302.33.

4.2 At time of Grantee's submission of the Closeout Report to CDFA as provided in Exhibit A of the Grant Agreement, Subrecipient shall certify the number and percentage of Persons served at the Project Property that are Low- and Moderate-Income Persons and benefiting as a result of this Project. Subrecipient shall, for closeout purposes only, gather information on those groups deemed as "Protected" by HUD and required for reporting on the "Periodic Progress Report" as provided in the most current edition of the "CDBG Implementation Guide."

4.3 Subrecipient shall further covenant and warrant that the Property shall remain in use as a public facility and shall be made available to Low- and Moderate-Income Persons for a period of twenty (20) years following completion of the Project (the "Benefit Period") and that Subrecipient has and will continue in its Bylaws or other administrative provisions an adequate administrative capacity to ensure that this benefit is maintained for said period. This covenant shall survive the expiration or termination of this Agreement.

4.4 In the event that Subrecipient grants, conveys, leases or otherwise transfers its interests in the Property, Subrecipient shall include a clause in such deed, lease or similar transfer instrument whereby the other party, for himself, his heirs, personal representatives, successors in interest, and assigns, as a part of the consideration therefore, covenants and agrees, as a covenant running with the land, that the property shall continue to be used a public facility and shall continue to be made available to Low- and Moderate-Income persons for the remainder of the Benefit Period.

4.5 Except as provided in the Mortgage, Security Agreement, and Fixture Filing appended to the Grant Agreement as Attachment I, Subrecipient shall not sell, lease, encumber, otherwise transfer, or dispose of any part of its title or other interests in the Property, for the duration of the terms, conditions, and assurances in this Agreement, without the approval of Grantee.

5. SCHEDULE.

5.1 Implementation Schedule. The Grantee and Subrecipient have agreed to an Implementation Schedule, which will provide for the completion of all grant activities, prior to the Grant Completion Date. A schedule of major milestones shall be provided within the Subrecipient Agreement, and shall serve as a basis for enforcement of the Agreement.

5.2 Grant Completion Date. All work shall be completed prior to the Grant Completion Date as specified in Section 1.7 of the General Provisions. This date may be extended only with the permission of the Grantee, CDFA, and the Governor and Council.

6. INSURANCE & TAXES.

6.1 Subrecipient's Liability Insurance. Subrecipient shall, at its sole expense, obtain and maintain in force insurance in such amounts and covering such risks as are customary for entities engaged in the same or similar business to include, where applicable, comprehensive general liability covering any property development/construction activities and landlord insurance. At a minimum, this shall include insurance against all claims of bodily injury or property damage, in amounts of not less than \$1,000,000 per occurrence and \$2,000,000 aggregate.

6.2 If applicable, Subrecipient shall also, at its sole expense, obtain and maintain in force fire and extended coverage insurance covering all real property or assets purchased with Grant funds in an amount not less than 100% of the whole replacement value of the property.

6.3 Insurance Standards. The policies described in this section shall be the standard form employed in the State of New Hampshire, issued by underwriters acceptable to the State, and authorized to do business in the State of New Hampshire. All policies shall be on an "occurrence" basis. Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than thirty (30) days after written notice thereof has been received by the Grantee and CDFA.

6.4 All policies shall name the Grantee and CDFA as additional insureds. Subrecipient shall provide the Grantee with certificates of insurance satisfactory to the Grantee, which evidences compliance with this Section.

6.5 Taxes. If applicable, Subrecipient shall pay all taxes, assessments, charges, fines and impositions attributable to the Property, which is the responsibility of the Subrecipient. Any alternative arrangements will require the approval of CDFA, whose consideration shall not be unreasonably withheld.

7. REPORTING REQUIREMENTS: PERIODIC AND CLOSEOUT AGREEMENTS.

7.1 Semi-Annual Reports. Semi-Annual reports shall be submitted by the Subrecipient to the Grantee, not less than five (5) business days prior to the semi-annual submission date, that is, no later than July 10, for the period of January 1 through June 30 and no later than January 10, for the period of July 1 through December 31 of each year. The reporting period shall begin on the date of Governor and Council approval and end on the Completion Date specified in Section 1.7 of the General Provisions of the contract between the Grantee and CDFA.

7.2 Closeout Agreement. Subrecipient shall enter into a Closeout Agreement with the Grantee and CDFA, which shall specify the reporting and other requirements applicable to the closing out of this Project.

7.3 Subrecipient Financial Reporting. Subrecipient shall submit to the Grantee and to CDFA appropriate financial statements, within 90 days of its fiscal year end.

8. ACCOUNTING, AUDIT, AND RECORD KEEPING REQUIREMENTS

8.1 Accounting Records. Subrecipient shall keep all Project-related accounts and records, which fully disclose the amount and disposition by Subrecipient of the grant funds, the total cost of the Project, and the amount and nature of any portion of the Project cost supplied by other sources, and such other financial records pertinent to the Project. Accounts and records shall be kept in accordance with an accounting system that will facilitate an effective audit in accordance with the Single Audit Act of 1984. Records to be maintained shall include Project fiscal records consisting of all books, documents, ledgers, systems and expenses incurred, including, but not

limited to, purchase, requisitions, orders, invoices, vouchers, bills and receipts, inventories, all lien documents, surveys, certified payrolls, and other documents verifying low- and moderate-income household or employment information.

9. INDEMNIFICATION. Subrecipient shall defend, indemnify and hold harmless Grantee and the State, their officers and employees, from and against any and all losses suffered by Grantee or the State, their officers and employees, and any and all claims, liabilities or penalties asserted against Grantee and the State, their officer and employees, by or on behalf of any person, on account of, based on, resulting from, arising out of or claimed to arise out of the acts or omissions of Subrecipient.

Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination or expiration of this Agreement.

10. MAINTENANCE OF CORPORATE EXISTENCE; BY-LAWS.

10.1 Corporate Existence. Subrecipient shall both preserve and maintain the legal existence and good standing of its nonprofit corporation status and its registration in New Hampshire as is required to do business.

10.2 Scope of Mission. Subrecipient and Grantee agree that the Subrecipient's Articles of Incorporation and Corporate Bylaws ("Bylaws") as submitted with the Project application and incorporated herein by reference, provide an adequate administrative mechanism for assuring the Subrecipient's mission of serving Low- and Moderate-Income Persons, during the Grant Period, as required pursuant to this agreement. This paragraph shall survive the termination of this agreement for a period not to exceed twenty (20) years.

11. MAINTENANCE OF PROPERTY.

11.1 Subrecipient shall maintain, keep and preserve in good working order and condition all of its property and assets necessary or useful in the proper conduct of its business and operation of the Project Property improved with Grant funds.

CERTIFICATION OF GRANTEE'S ATTORNEY

I, Richard D. Sager acting as Attorney for the Town of Tamworth, New Hampshire do hereby certify:

That in my opinion the Grantee is empowered to enter into the foregoing Grant Agreement under the laws of the State of New Hampshire. Further, I have examined the foregoing Grant Agreement and the actions taken by said Grantee and have determined that Grantee's official representative has been duly authorized to execute this Grant Agreement and that the execution thereof is in all respects due and proper and in accordance with the laws of the said State and applicable federal laws. In addition, for grants involving projects to be carried out on property not owned by Grantee, there are no legal impediments that will prevent full performance by the Grantee. Further, it is my opinion that the said Grant Agreement constitutes a legal and binding obligation of Grantee in accordance with the terms thereof.

Dated at Ossipee, NH this 24th day of January 2017.

Signature of Grantee's Attorney

The Town of Tamworth is requesting \$350,000 in CDBG Emergency Grant funds in order to make emergency repairs to the Village Association's Community Wastewater Treatment System. In spring 2016, it was discovered that the four leach fields had effluent on the surface and that the fields were failing. Currently, the failing leach beds pose an immediate health and safety risk to residents and per a violation letter received from DES need to be replaced immediately.

The Tamworth Village Association's (TVA) existing wastewater treatment system was designed and built in 2000 and the system has been operating for about 15 years. Currently there are 18 residential, two commercial users with attached residential, four municipal and three stand-alone commercial users connected to the existing collection, treatment, and subsurface leach field.

This past spring, the existing Effluent Disposal Areas (EDAs), which are the four leach fields, experienced a failure that resulted in surface breakouts of wastewater. TVA hired the engineering firm of Woodard & Curran (W&C) to investigate the causes of this failure. They determined that potential factors contributing to the failure of leach fields were as follows:

- The existing subsurface disposal field lacks flow equalizers at the four outlet pipes leaving the central distribution box. This absence of flow equalizers does not allow for proper flow regulation to the four leach field beds. Therefore, the beds receive uneven effluent flow, which does not allow the disposal fields to be utilized to their full potential.
- That site construction irregularities and possibly original design issues have also contributed to the failure.
- Access to the 4,500 gal Energy Dissipation Tank for maintenance and to observe processes was restricted due to heavy concrete access covers that require machinery to move.
- The filters that were installed downstream from the Energy Dissipation Tank is no longer the manufacturers recommended placement as they alter, disrupt or prevent equal flow to each of the EDAs.
- 2-1/2" force main into the 4,500 gal energy dissipation tank was not baffled and allowed more turbulence and short circuiting of flows to occur.
- The distribution box feeding each EDA is small and contributes to uneven flow going to the individual EDAs.

This project would:

- Replace the existing four EDAs
- Construct new EDA's and distribution system with accessibility for better observation and maintenance;
- Discontinue processing wastewater flow coming from Tamworth Distillery such that no production waste connection exists to TVA system (temporary);
- Create and put in place a user ordinance to better control flow to the system that are not strictly residential;
- Put in place an operations and maintenance program to observe conditions more frequently, and to continue regular pumping of solids from system tankage;
- Modify existing tankage and piping to provide for better flow equalization, distribution and energy dissipation; and
- Provide proper inspection of the new construction to ensure adequate elevation and connections are adhered to for overall system reliability and functionality.

The application includes a violation letter from DES which states, "Since at least two of the systems have been deemed to be in failure, RSA 485-A:37 requires the Tamworth Village Association to replace the septic system within the timeframe specified and in accordance with Env-Wq 1000 Subdivision and Individual Sewage Disposal System Design Rules" This interruption of service constitutes a public health concern and DES considers this a significant deficiency.

Findings/Conclusions

According to Cdfa 308.01(d)(2) of State CDBG program rules, emergency funding can be awarded for projects "***which would provide immediate relief because of...unanticipated events which have a serious and immediate threat to public health and safety.***" After reviewing the application and conducting a site visit, the staff concludes that this project meets the criteria for an Emergency Grant for the following reasons:

- The failure occurred within the last 18 months. It was first identified in April 2016 when the septic pumping company was pumping out the tank and noticed a change in the material in the tank.
- As indicated in the letter from DES, the failed wastewater system poses a threat to public health and safety.
- The Town does not have funds for the replacement. There are no DES or USDA funds available for emergencies.
