His Excellency, Governor Christopher T. Sununu
And the Honorable Council
State House
Concord, New Hampshire 03301

Your Excellency and Members of the Council:

REQUESTED ACTION

Authorize the New Hampshire Department of Justice (DOJ) to amend an existing subgrant to the Allenstown Police Department, Allenstown NH (Vendor #177347-B001), approved by the Governor and Executive Council on October 27, 2021, item #105, from the American Rescue Plan Act (ARPA) of 2021, by increasing the price limitation by \$9,995, from \$39,000 to \$48,995. 100% Federal Funds.

Funding for this request is available as follows:

02-20-20-201510-2459	<u>FY 2022</u>
ARPA Subgrants	
072-500574, Grants Federal	\$9,995

EXPLANATION

The Allenstown Police Department was previously approved for ARPA funding to purchase new ATVs for the purpose of responding to emergency calls in town, specifically in the wooded areas of Bear Brook State Park. The Allenstown Police Department lacks a trailer to tow the ATVs, hindering its ability to reach various areas of town. This amendment will allow the Allenstown Police Department to purchase a trailer to transport equipment that was previously purchased with ARPA funds.

In the event that federal funds become no longer available, general funds will not be requested to support this program.

His Excellency, Governor Christopher T. Sununu

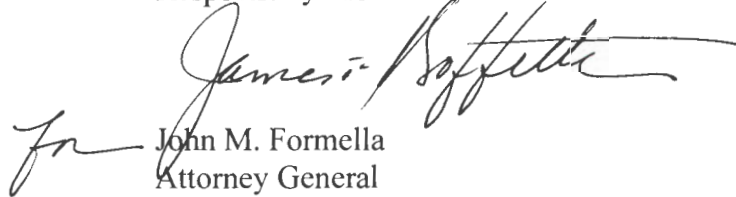

And the Honorable Council

DEPUTY ATTORNEY GENERAL

His Excellency Governor, Christopher T. Sununu
and the Honorable Council
State House
Concord, NH 03301

Your Excellency and Members of the Council:

REQUESTED ACTION

Authorize the Department of Justice (DOJ) to enter into subgrants with the programs listed below, totaling \$59,543, from the American Rescue Plan Act (ARPA) of 2021, for the purpose of supporting municipalities and state agencies with activities related to relaxed COVID-19 restrictions effective upon Governor and Executive Council approval through June 30, 2023. 100% Federal Funds.

Funding is available and accounted for using activity codes as assigned by the Governor's Office for Emergency Relief and Recovery in account number 02-20-20-201510 Department of Justice, Grants Administration, 24590000 ARPA Subgrants as follows:

<u>Class/Account</u>	<u>Subgrantee</u>	<u>Vendor #</u>	<u>SFY 2022 Amount</u>
072-500574	Chester Police Department	177522-B001	\$20,543
072-500574	Allenstown Police Department	177347-B001	\$39,000
Totals:			<u>\$59,543</u>

EXPLANATION

Due to relaxed COVID-19 rules and restrictions and increased post-pandemic demand for travel, hospitality, tourism, and other services, it is expected that the State of New Hampshire will see a heavy influx of resident and tourist activity. This increase poses a challenge to state agencies and municipalities managing large groups of tourists and other groups.

His Excellency, Governor Christopher T. Sununu

and the Honorable Council

The Town of Chester acts as a major bypass for many vacationers and businesses traveling to the seacoast, the White Mountains, Maine, and/or Massachusetts. Three major Routes pass through Chester, NH: Route 102, Route 121 and Route 121A. The post-COVID-19 surge of traffic has created increased demand on Chester's public safety services. Calls for information have increased significantly. The Chester Police Department will use ARPA funds to purchase an electronic message board to broadcast the most up-to-date information to local residents, vacationers, and visitors. This visual information will reduce the current strain on the call center and allow the Chester Police to be able to prioritize emergency response and calls for service.

Bear Brook, in Allenstown, is the largest developed state park in New Hampshire. It has 10.5 square miles of trails, mountains, camping, and outdoor activities. The state park has seen record high visitor, camper, and trail-user activity since the relaxation of pandemic restrictions. Many of these visitors are not familiar with the park, increasing the likelihood for individuals to get lost, suffer injuries, or go into a remote area. This results in an increased need for emergency response. Currently, Allenstown's ability to respond to Bear Brook State Park emergencies and/or calls of service is virtually non-existent. They do not have a means to get inside the state park aside from their police vehicles and/or walking.

The Allenstown Police Department will utilize subgrant funds to purchase a drone and pay for officer training in drone utilization. This law enforcement asset will allow Allenstown Police officers to find distressed individuals needing assistance inside the state park. Funds will also be utilized to purchase two off-highway recreational vehicles to allow officers to cover the state park trails, at a faster rate, when services are needed.

These are allowable uses of ARPA funds under Section 602 (c)(1) (C) for maintenance and building of critical state infrastructure necessary for government services.

In the event federal funds become no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

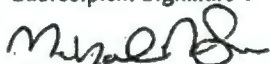

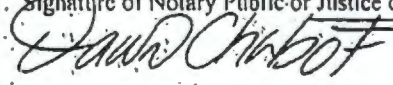

John M. Formella
Attorney General

- 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Subrecipient from any and all liability for damages sustained or incurred by the State as a result of the Subrecipient's breach of its obligations hereunder.

14. **SUBRECIPIENT'S RELATION TO THE STATE.** In the performance of this Agreement the Subrecipient, its employees, and any subcontractor or subgrantee of the Subrecipient are in all respects independent contractors, and are neither agents nor employees of the State. Neither the Subrecipient nor any of its officers, employees, agents, members, subcontractors or subgrantees, shall have authority to bind the State nor are they entitled to any of the benefits, workmen's compensation or emoluments provided by the State to its employees.
15. **ASSIGNMENT AND SUBCONTRACTS.** The Subrecipient shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the State. None of the Project Work shall be subcontracted or subgranted by the Subrecipient other than as set forth in Exhibit A without the prior written consent of the State.
16. **INDEMNIFICATION.** The Subrecipient shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based on, resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Subrecipient or subcontractor, or subgrantee or other agent of the Subrecipient. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.
17. **INSURANCE AND BOND.**
- 17.1 The Subrecipient shall, at its own expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:
- 17.1.1 Statutory workmen's compensation and employees liability insurance for all employees engaged in the performance of the Project, and

Instructions for Certification

- (1) By signing and submitting this Grant Agreement, the Subrecipient is providing the certification set out below.
- (2) The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the Subrecipient shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the DOJ determination whether to enter into this transaction. However, failure of the Subrecipient to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
- (3) The certification in this clause is a material representation of fact upon which reliance was placed when DOJ determined to enter into this transaction. If it is later determined that the Subrecipient knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DOJ may terminate this transaction for cause or default.

- (6) The Subrecipient agrees by submitting this Grant that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DOJ.
- (7) The Subrecipient further agrees by submitting this Grant that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DOJ, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- (8) A Subrecipient in a covered transaction may rely upon a certification of Subrecipient in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A Subrecipient may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (of excluded parties).
- (9) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause.
