Explanation

This two-year temporary lease agreement will provide space for continued operation of the DMV office in Milford during construction of the town's new courthouse and DMV office. For the biennium ending June 30, 2019, Chapter 156:212, Laws of 2017 appropriated funds to the Department of Safety's DMV to obtain a suitable temporary location to serve as the Milford substation until a permanent location is constructed and fully operational. This lease agreement is being supported by these appropriations. This temporary leased space is approximately 2,500 square foot and is payable at a modified net rate of \$11.53 per square foot and fit-up cost of \$57,600.00. This office is in an easily accessible area and provides adequate client parking, as well as space for certain road skills examinations. The annual rent includes the real estate taxes, insurance, site and building maintenance, and snow plowing and removal; however, it does not include the Tenant's additional costs of electricity estimated at \$2,000 annually, heat estimated at \$1,500 annually, and janitorial estimated at \$5,000 annually. It is anticipated that the demolition of the current building and construction of the new courthouse/DMV building will take approximately 24 months.

After a waiver of the required public notice (Administrative Rule, Adm. 610.06 "Public Notice) was granted, the Department of Safety conducted a search for office space through the Internet and word-of-mouth in the Milford area. The search produced two viable options with the 589 Elm Street location being the most advantageous for the DMV.

Respectfully submitted,

John J. Barthelmes
Commissioner of Safety

Dear Commissioner Arlinghaus:

The Department of Safety, Division of Motor Vehicles is seeking your approval, pursuant to Administrative Rule 610.11.c, to grant a waiver from the RFP and notice process for temporary leased space in the Milford NH area. This is temporary rental space that needs to be established within a very short period of time as the existing DMV office in Milford is going to be demolished as part of a Public Works project to build a new courthouse and DMV office on the site of the current DMV office.

The short term temporary lease will be for a period of up to twenty four months to house the Milford DMV office during the BPW project. The temporary space will be approximately 2,000 to 2,500 square feet including the basic requirements for a DMV office.

Several real estate websites have been reviewed and at this point three potential sites have been viewed. The DMV anticipates making a decision next week on which site to negotiate a short term lease. Several potential landlords contacted have expressed no interest in completing a short term lease making the process more difficult.

Thank you in advance for your assistance in granting this waiver so the leasing of temporary space for the DMV in the Milford area may be expedited.

Sincerely,

Arthur Garlow
