

STATE OF NEW HAMPSHIRE OFFICE OF THE GOVERNOR

CHRISTOPHER T. SUNUNU Governor

July 11, 2018

The Honorable Executive Council State House Concord, New Hampshire 03301

REQUESTED ACTION

Pursuant to Part 2, Article 50 of the New Hampshire Constitution, I respectfully request approval to summon the General Court to convene in Special Session on a date to be specified by the Speaker of the House and the President of the Senate, but to occur no later than August 15, 2018.

EXPLANATION

On June 21, 2018 the United States Supreme Court issued its decision in the South Dakota v. Wayfair, Inc., et al, (the "Wayfair" decision) in which the Court overturned 50 years of precedent that a retailer must be physically present in a state before the state could impose its sales and use tax collection requirements. The Wayfair has created uncertainty and could require New Hampshire businesses to collect sales and use taxes for over 10,000 state and local jurisdictions where they have no physical presence. In calling a special session the Executive Department intends on working with the General Court to pass comprehensive legislation which takes every feasible and legally permissible step to protect New Hampshire citizens and businesses from any and all attempts to impose sales and use tax obligations on New Hampshire.

Respectfully submitted,

Christopher T. Sununu Governor
