REQUESTED ACTION

Authorize the Department of Administrative Services to **retroactively** enter into a third amendment to the current contract with Banc of America Merchant Services, LLC ("BAMS") and Bank of America, N.A. ("Bank") of Jamaica Plain, MA, (VC #177856) for Merchant Card Processing Services originally approved by Governor and Executive Council on September 18, 2013, Item #27E, amended on August 5, 2014, Item #105, and amended on December 16, 2015, Item #104. This amendment extends the date of Conversion Assistance for conversion from the First Data processing platform to the BAMS processing platform ("Third Amendment"), by extending the end date only from March 15, 2016 to October 28, 2016, with all other terms and conditions remaining the same, effective upon Governor and Council approval. Bank of America has agreed to cover the costs of conversion.

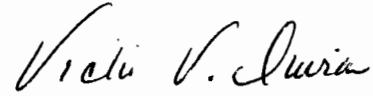

EXPLANATION

This request is being submitted **retroactively** because not all state agencies were able to convert from the previous credit card processor's platform to the Bank of America platform during the timeframe originally planned. Some agencies did not start the conversion process until well into 2015. Some are unable to convert even now, because they are tied to an existing platform utilized by the NH Liquor Commission (NHLC). A Second Amendment was issued on December 16, 2015, to revise the dates of Conversion Assistance to end on March 15, 2016. However, it was learned as the conversion project plan was readied that Banc of America Merchant Services, was not ready to convert the existing gift card program of the NHLC. There are currently still over 1 million gift cards in existence with an estimated dollar value of \$3.3 million. As this is a critical piece of business for NHLC, and because gift cards do not expire in the State of New Hampshire, we are left with no choice but to extend the conversion end date again.

Her Excellency, Governor Margaret Wood Hassan
and the Honorable Council
March 14, 2016

Based on the foregoing, I am respectfully recommending approval of the Third Amendment to the Banc of America Merchant Services, LLC contract.

REQUESTED ACTION

Authorize the Department of Administrative Services to **retroactively** enter into a second amendment to the current contract with Banc of America Merchant Services, LLC ("BAMS") and Bank of America, N.A. ("Bank") of Jamaica Plain, MA, (VC #177856) for Merchant Card Processing Services originally approved by Governor and Executive Council on September 18, 2013, Item #27E, and amended and approved by Governor and Executive Council on August 5, 2014, Item #105. This amendment realigns dates of Conversion Assistance for conversion from the First Data processing platform to the BAMS processing platform ("Second Amendment"), by extending the end date only from November 14, 2014 to March 15, 2016, with all other terms and conditions remaining the same, effective upon Governor and Council approval. Bank of America has agreed to cover the costs of conversion.

EXPLANATION

This request is being submitted **retroactively** because not all state agencies were able to convert from the previous credit card processor's platform to the Bank of America platform during the timeframe originally planned. Some agencies did not start the conversion process until well into 2015. Some are unable to convert even now, because they are tied to an existing platform utilized by the NH Liquor Commission (NHLC). A Second Amendment is now needed to revise the dates of Conversion Assistance to be November 15, 2014 to March 15, 2016.

At the beginning of the original contract, Bank of America was unable to support the conversion of gift cards requested by NHLC, due to the limitations of BAMS' processing platform. NHLC was unable to convert unless they could continue with their existing gift card program. After these issues were resolved, NHLC imposed strict time constraints on when the

Her Excellency, Governor Margaret Wood Hassan
and the Honorable Council

Page 2 of 2

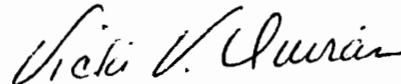

conversion could take place at their facilities, based upon NHLC's busy seasons. As the project restarted in early 2014, the NHLC decided to introduce a Premium Gift Card Program rather than the Standard Gift Card Program already in process. This decision caused further delay as work was already underway on the standard program.

There were many starts and stops to this project due to issues with NHLC's antiquated point of sale system. Other issues included a lack of resources, project timeline commitments, and a failed Request for Proposal (RFP) for a new point of sale system. Additionally, NHLC conducted another RFP process this past spring, to select an encryption and tokenization vendor which would allow it to become EMV (Europay, MasterCard and Visa) compliant by the 10/1/15 date required by the major card brands. Lengthy negotiations on that contract, as well as negotiations with their current vendor who is required to work in tandem on the conversion, have caused further delays.

NHLC has committed to begin the process for conversion after the January 1, 2016 holiday, a process that is estimated to take 4-6 weeks. The State of NH and BAMS have agreed the conversion will be completed by March 15, 2016.

Based on the foregoing, I am respectfully recommending approval of the Second Amendment to the Banc of America Merchant Services, LLC contract.

Respectfully submitted,

Vicki Quiram

REQUESTED ACTION

Authorize the Department of Administrative Services to amend a contract with Banc of America Merchant Services, LLC, Englewood, Colorado, (VC #177856), originally approved by Governor and Executive Council on September 18, 2013, item #27 for the conversion of the merchant card services processing platform by extending the end date only from August 31, 2014 to November 14, 2014, with all other terms and conditions remaining the same, effective upon Governor and Council approval.

EXPLANATION

Banc of America Merchant Services, LLC provides merchant card services for 17 state agencies. As part of the original agreement approved by Governor and Executive Council on September 18, 2013, Section 3.3 of Exhibit C, the state is required to work with Banc of America to convert from their existing payment transaction processing platform to a Banc of America preferred platform by August 31, 2014. The cost for the conversion is to be paid by Banc of America. Due to the age of some of the state's point of sale devices we have encountered a delay in obtaining the correct pin pad devices that are required to complete the conversion. As a result we are requesting an extension with the timeline to complete the conversion from August 31, 2014 to November 14, 2014. This will allow us enough time to complete the conversion while minimizing any disruption to sales revenue for the Liquor Commission during their busy season. All other terms of the contract will remain in effect.

REQUESTED ACTION

Authorize the Department of Administrative Services to enter into a statewide agreement with Bank of America Merchant Services, LLC, Englewood, Colorado, (VC #177856) for Merchant Card processing services. This contract shall be effective upon Governor and Executive Council approval and extend through June 30, 2018. Funding for this service shall be paid through a transaction fee that is deducted from the gross revenue of each respective transaction; the contract price limitation shall be \$25,000,000.00.

EXPLANATION

This contract provides Merchant Card processing services to enable State Agencies to accept credit cards, debit cards or stored value cards for the purchase or payment of registrations, fees, fines, goods and services. In order to solicit for said services, in November of 2012 the Department issued a Request for Proposal ("RFP"). This RFP solicited for Merchant Card Processing Services (Option #1) and for Fully Supported Payment Processing Solutions (Option #2). This contract is for the provision of the Option #1 services.

Notification of the RFP was released to several firms within the industry and public notice was provided in the Manchester Union Leader. Lastly, the RFP was available for review upon the Department of Administrative Services website. In response to Option #1 of the RFP, three firms submitted proposals to provide Merchant Card processing services. Two of the proposals were selected to be reviewed while the third was deemed non-compliant on the basis of having inadequately presented their pricing. Proposals were evaluated on the basis of 185 points in the following categories: pricing (125 points), response to a vendor questionnaire (30 points) and technical qualifications (30 points).

In order to perform the evaluation, a team of representatives from the Department of Administrative Services, the Department of Information Technology, the Department of Treasury, the Liquor Commission and the Department of Safety was engaged. Based upon the evaluation criteria, Bank of America Merchant Services was chosen as the highest scoring proposal. Attached is a copy of the scoring sheet(s).

Based on the foregoing, I am respectfully recommending approval of the contract with Bank of America Merchant Services, LLC.

Fees for TransArmor Services

\$0.025 per item

1. The Bankcard Service Fees above are per Visa, Discover and/or MasterCard transaction. Sales plus Interchange and Assessments will be charged daily.
2. The transaction fees set forth in Schedule A are based on the average ticket and annual bankcard volume set forth above, and CUSTOMER's transactions qualifying at the Target Qualification interchange levels set forth above (the "Qualifying Interchange Level(s)"). The Qualifying Interchange Levels above are anticipated assumptions. The interchange applicable to each transaction will be based on the actual qualification level of the transaction. For each transaction not at the Qualifying Interchange Level identified above, we will charge you an additional fee as described below.

Important Information About Your Fees

Interchange

A significant amount of the fees that we charge you for processing your transactions consists of charges that we must pay to issuing banks (or that are otherwise charged to us by the Card Organizations) under the Card Organization Rules. These charges are often referred to as "Interchange fees" or simply "interchange". Interchange fees are set by the Card Organizations based upon a series of Interchange levels that they establish and modify from time to time. Thus, the Interchange fee charged for a given transaction depends on the Interchange level applicable to that transaction; and that interchange level depends on a number of factor establish by the Card Organizations, such as the type of Payment Instrument presented, specific information contained in the transaction, how and when the transaction is process, your industry and other factors. For a transaction to qualify at any specific interchange level, the applicable qualification criteria must be met. Note that the Card Organizations regularly add new Interchange levels, and change the Interchange rates and qualification criteria for existing Interchange levels.

Target Discount Rate and Target Qualification Level

The Target Qualification Level is the Interchange level that we expect to apply to your transactions. It is determined based on the type of transactions you submit and how they will most likely be processed. However, it is possible that some or many of your transactions will downgrade to a more costly Interchange level, resulting in higher interchange. This may occur because those "Non-Qualified Transactions" do not meet the criteria to qualify at your Target Qualification Level. BAMS has set your Target Qualification Level (as set forth in this Schedule A) based on the assumption that all of your transactions will satisfy the criteria established by the Card Organization Rules to meet that qualification level. The actual Interchange applicable to each transaction though, will be based on the actual qualification level of the transaction.

Non-Qualified Transactions

Non-Qualified Transaction will qualify at a level resulting in Interchange fees higher than those applicable to your Target Qualification Level. For processing each such Non-Qualified Transaction, we will charge you both the actual Interchange applicable to the transaction and a - "Billback" as defined below (or elsewhere on this Schedule A). The total of any - billback will appear on your statement.

Billback

Billback is the difference between the target interchange level and the higher interchange level the transaction qualified at.

Non-Qualified Surcharge: a fee assessed by Servicers for processing a Non-Qualified Transaction, and is calculated as a percentage of the amount of the Non-Qualified Transaction. The Non-Qualified Surcharge applicable to your Non-Qualified Transaction is 0.00%.

15. There are no other special provisions to the Terms of the Form P-37.

State of New Hampshire

Statewide Contract for Merchant Card Processing Services

Exhibit C -1 – Additional Provisions

The following provisions are in addition to the General Provisions contained in the Form P-37, as amended by Exhibit C.:

1. Election of Cards, Duty to Honor Cards and Use of Marks.

1.1 Card Election. CUSTOMER has elected and SERVICERS have approved CUSTOMER to accept those Card types and Services designated in this Agreement or the Supplements. CUSTOMER may change CUSTOMER's election of Card types and Services from time to time upon at least sixty (60) days' advance notice to SERVICERS; SERVICERS will use their reasonable efforts to accommodate CUSTOMER's requests in less than this time but SERVICERS will not be obligated to do so. Upon SERVICERS' approval of such new Card type or Service, the parties will execute a Supplement therefor. CUSTOMER will not seek authorization for or submit a transaction of a new Card type until the parties have entered into a Supplement for it. Unless otherwise directed by SERVICERS, CUSTOMER will not seek authorization for or submit a Card transaction of a Card type CUSTOMER desires to discontinue accepting later than the effective date of the notice to SERVICERS. With respect to inadvertent or unintentional acceptance of a transaction other than the type or service anticipated for CUSTOMER's account (including, without limitation, a different Card type), CUSTOMER will also be subject to payment to SERVICERS of their then-current transaction fee(s) with respect to such Card, transaction and/or service and be liable, obligated and responsible under this Agreement for any such transaction or service to the same extent as CUSTOMER would be if it was of an anticipated Card type or service.

1.2 Honoring Cards Generally. CUSTOMER will honor a Card by accepting it for payment. CUSTOMER will not engage in any acceptance practice or procedure that discriminates against, or discourages the use of, any particular Card type elected by CUSTOMER and approved by SERVICERS, in favor of any competing Card brand also elected and approved.

1.3 Cards Issued by US Card Issuers. For all Cards issued by U.S. Issuers, CUSTOMER will honor all Cards within the Card types elected and approved in accordance with this Agreement. For example, if CUSTOMER elects and is approved to accept Visa credit Cards, CUSTOMER will submit payments from Visa-branded credit Card Cardholders without regard to whether the credit Card is a Visa-branded rewards credit Card or Visa-branded business purpose credit Card.

1.4 Cards Issued by Non-US Card Issuers. CUSTOMER will honor all Cards issued by non-U.S. Issuers. For example, even if CUSTOMER elects to limit CUSTOMER's acceptance of MasterCard Cards to MasterCard credit Cards, CUSTOMER will accept for processing a MasterCard debit Card issued by a non-U.S. Card issuer.

1.5 Marks Generally. CUSTOMER and SERVICERS acknowledge that no party will acquire any right, title or interest in or to the Marks of any other party or of any Card Organization or SERVICERS' agents by virtue of this Agreement, without prior written consent. CUSTOMER will not assign to any third party any of the rights to use the Marks of SERVICERS, SERVICERS' agents or Card Organizations.

Except as otherwise provided herein, no party will use any other party's Marks, or use language from which the connection of such Marks may be inferred, in any advertising, written sales promotion, press releases or other publicity matters relating to this Agreement without such party's prior written consent.

1.6 Special Provisions Regarding Discover Network Processed Cards. Services provided for transactions made with Discover branded Cards or DNP Card Types (as hereinafter defined) are processed by BAMS and not by BANK. DNP Card Types are Cards branded by Diners Club International®, JCB, China UnionPay, Korea Bank and Credit® or any other Card Organizations subsequently designated by Discover, and each of those Card Organizations is referred to as a "DNP Card Organization". The Services provided, transactions processed and other matters contemplated under this Agreement for Discover Cards and DNP Card Types and DNP Card Organizations are subject to the rest of this Agreement; provided, however, that BANK is not a party to this Agreement insofar as it relates to Services for transactions made with Discover Cards or DNP Card Types, and BANK is not liable to CUSTOMER in any way with respect to such Services.

2. General Requirements and Restrictions for Card Transactions.

2.1 Accuracy of Data Submitted. CUSTOMER will be responsible for the quality and accuracy of all data provided to SERVICERS. SERVICERS may, at SERVICERS' option, return to CUSTOMER for correction before processing any data submitted by CUSTOMER which is incorrect, illegible or otherwise

not in proper form. If CUSTOMER does not provide data in accordance with SERVICERS' specified format and schedule, SERVICERS will use reasonable efforts to reschedule and process the data as promptly as possible, but related expenses incurred by SERVICERS will be charged to CUSTOMER.

2.2 Prohibitions on Increasing Price of Goods or Services. CUSTOMER will not increase the price of goods or services for a Card transaction or impose any fee for the service of accepting a Card except as allowed by the Card Organization Rules and Applicable Law. CUSTOMER may charge a surcharge, convenience fee or service fee for a Card transaction only as permitted by the Card Organization Rules and Applicable Law. If clearly disclosed to the Cardholder, CUSTOMER may offer a discount from the standard price for payments by cash.

2.3 Payments from Cardholders. CUSTOMER agrees that CUSTOMER will not accept or process, any funds representing a Cardholder's payment to an Issuer.

2.4 Prohibition on Aggregating and Factoring and Employee Transactions. CUSTOMER is prohibited from submitting or presenting, and agrees not to submit or to present, any authorization requests for transactions and Sales Drafts arising from transactions between (i) CUSTOMER and Cardholders who are CUSTOMER's owners, partners, guarantors, officers or employees, other than genuine purchases, leases or rentals of goods or services from CUSTOMER or other payments to CUSTOMER, all in the ordinary course of CUSTOMER's business, and (ii) Cardholders and third parties for their goods or services or other payments to them.

2.5 Draft Requirements. All Sales Drafts and Credit Drafts must include all information required under and in accordance with the Operating Guide, Card Organization Rules and Applicable Law:

2.6 U.S. Dollars. Unless otherwise agreed in advance and writing by SERVICERS, CUSTOMER must submit all Card transactions in U.S. dollars.

3. Operating Guide; Card Organization Rules and Compliance; Order of Precedence.

CUSTOMER acknowledges that it has received the Operating Guide, the terms of which are incorporated into this Agreement; any reference to this Agreement includes the Operating Guide. Notwithstanding any provision to the contrary contained in this Agreement, the parties hereto acknowledge and agree that the Operating Guide provides the principals of a sound Card program and contains the relevant subset of the Card Organization Rules. However, the Operating Guide is not a complete set of all Card Organization Rules. If CUSTOMER loses or otherwise misplaces the Operating Guide or notices of changes thereto, CUSTOMER shall be responsible for contacting SERVICERS to obtain replacement copies. From time to time, SERVICERS may change the Operating Guide, in whole or in part, and other operating procedures, by providing CUSTOMER with at least thirty (30) days' prior written notice of the change. However, in the event of changes in the Card Organization Rules or due to security reasons, certain changes in Card procedures may become effective on shorter notice. If there is any conflict between the terms of this Agreement and the Operating Guide, the terms of this Agreement will govern, unless the conflict is directly related to a change in the Operating Guide which specifically addresses a procedure or requirement detailed in this Agreement.

CUSTOMER must comply with the Card Organization Rules and Applicable Law, however, with regard to Card Organization Rules; CUSTOMER need only comply with those applicable to Cards. CUSTOMER will review the Card Organization Rules and Applicable Law from time to time for changes, and is responsible for staying apprised of all applicable changes to the Card Organization Rules and maintaining compliance with the Card Organization Rules. Card Organization Rules are available on web sites, such as http://www.usa.visa.com/merchants/operations/op_regulations.html, and <http://www.mastercardmerchant.com>, as those links may be changed from time to time.

If CUSTOMER accepts DNP Card Types, CUSTOMER acknowledges and agrees that transactions made using Cards of DNP Card Organizations will be processed under and subject to Discover Card Organization Rules and the terms of this Agreement applicable to Discover Card acceptance and transactions.

In the event there is a conflict between Applicable Law, the Card Organization Rules, this Agreement and/or the Operating Guide, such documents shall govern in the following order of precedence: 1) Applicable Law; 2) Card Organization Rules; 3) this Agreement; and 4) the Operating Guide, to the extent the conflicting provision in the Operating Guide is not related to a Card Organization Rule.

4. Authorization.

4.1 CUSTOMER agrees to submit only Card transactions for which CUSTOMER has received an Authorization. Obtaining an Authorization will not ensure payment to CUSTOMER for a Sales Draft. The fact that an Authorization is obtained by CUSTOMER will not affect SERVICERS' rights thereafter to revoke Authorization of a Card transaction or to charge back the transaction to CUSTOMER. In no event will the fact that an Authorization is obtained by CUSTOMER be deemed to be SERVICERS'

representation or warranty, either express or implied, that the particular Card transaction is in fact a valid, authorized or undisputed transaction entered into by the Cardholder.

4.2 The Authorization number provided by SERVICERS shall be noted by CUSTOMER in the appropriate place on the Sales Draft. If Authorization is declined, CUSTOMER shall not complete the Card transaction.

4.3 CUSTOMER shall comply with any special authorization procedures contained in the Card Organization Rules and any other sections or parts of this Agreement.

4.4 CUSTOMER acknowledges that Authorization, (i) indicates only the availability of credit at the time of Authorization; (ii) does not warrant that the person presenting the Card is the rightful Cardholder; and (iii) is not an unconditional promise or guarantee by SERVICERS that any Card transaction will not be subject to Chargeback.

4.5 If CUSTOMER obtains an Authorization by telephone, CUSTOMER shall record the approval number on the Sales Draft.

5. Electronic Commerce Transactions.

CUSTOMER acknowledges and agrees that this Section 5 pertains only to ECTs that arise from transactions effected in U. S. dollars. All of CUSTOMER's ECTs must be in U.S. dollars and will be settled in U.S. dollars. Under the Card Organization Rules, ECTs are considered non face-to-face Card transactions. In addition, CUSTOMER must properly identify each ECT in the Sales Draft.

CUSTOMER agrees to develop and maintain a point of presence on the Internet at CUSTOMER's expense. CUSTOMER must post CUSTOMER's consumer data privacy policy and method of transaction security on CUSTOMER's web site(s) in accordance with the Card Organization Rules and Applicable Law. CUSTOMER will, in accordance with the Card Organization Rules and Applicable Law: (i) install and maintain a working firewall to protect data accessible via the Internet; (ii) keep security patches up to date; (iii) encrypt stored data; (iv) encrypt data sent across networks; (v) use and regularly update anti-virus software; (vi) restrict access to data on a "need to know" basis; (vii) assign a unique ID to each person with computer access to data; (viii) not use vendor-supplied defaults for system passwords and other security parameters; (ix) track access to data by unique ID; (x) regularly test security systems and processes; (xi) maintain a policy that addresses information security for employees and contractors; and (xii) restrict physical access to Cardholder data.

CUSTOMER's Internet web site must contain (a) a complete description of the goods or services offered, (b) CUSTOMER's returned merchandise and refund policy, (c) CUSTOMER's customer service contact information, including e-mail address and/or telephone number, (d) transaction currency, (e) export or legal restrictions (if known), (f) CUSTOMER's delivery policy and (g) CUSTOMER's country of domicile immediately prior to the Cardholder's accessing of payment instructions. In addition, CUSTOMER must disclose, at all points of Cardholder interaction (including any of CUSTOMER's supplier or subcontractor Internet web sites and any of CUSTOMER's promotional materials and invoices), to the Cardholder that CUSTOMER, and not any of any CUSTOMER's suppliers of goods or subcontractors for services, is the merchant of record and responsible for any Card transaction. CUSTOMER must also notify the Cardholder that CUSTOMER is responsible for (i) payment transactions, (ii) products and services, (iii) direct customer service, (iv) dispute resolution, and (v) all terms and conditions of the transaction. CUSTOMER must display on CUSTOMER's Internet web site(s) the Card Organization Marks, wherever CUSTOMER display payment options, in accordance with the Operating Guide and Subsection 3 herein.

CUSTOMER will be responsible for all costs of connectivity and communication between CUSTOMER, the Internet and SERVICERS. CUSTOMER agrees to utilize SSL (Secure Sockets Layer) or other secure compatible encryption method acceptable to SERVICERS in providing CUSTOMER's ECTs to SERVICERS for authorization, processing and settlement.

CUSTOMER assumes all responsibility for identification of the Cardholder and the validity of the Card information for ECT. CUSTOMER agrees that each Authorization request will include a request for address verification and a positive response for it. CUSTOMER agrees to identify separately any high-risk transactions CUSTOMER submits. The high-risk transactions include, but are not limited to, any under Merchant Category Code 5967 – Direct Marketing – Inbound Telemarketing Merchants.

6. Multiple Sales Drafts and Partial Consideration.

6.1 Except as shall be specifically set forth in the Operating Guide or the Card Organization Rules, CUSTOMER shall list all items of goods and services purchased during each Card transaction and the total amount thereof on a single Sales Draft.

6.2 CUSTOMER shall comply with all special procedures and conditions applicable under the Operating Guide and the Card Organization Rules with respect to any partial payment, installment payment, delayed delivery or advance deposit situation and any delayed or amended charges for a travel and entertainment transaction. CUSTOMER shall not use more than one Sales Draft to

represent a single Card transaction to avoid the need for Authorization.

7. Pre-Authorized Orders.

- 7.1 A Pre-Authorized Order may include the payment of recurring charges such as insurance premiums, subscriptions, membership fees, tuition or utility charges and may also include preauthorized health care payments (subject to a Supplement).
- 7.2 If CUSTOMER is authorized to accept Pre-Authorized Orders, Authorization for each such Card transaction, regardless of the amount, must be obtained, and CUSTOMER must write "Recurring Transaction" (for Visa and other non-MasterCard Card transactions) or "PO" (for MasterCard Card transactions) as applicable, on the Sales Draft in lieu of the Cardholder's signature.
- 7.3 Except for preauthorized health care payments for the incremental costs not covered by insurance, advance deposits and installment payments, all made in compliance with this Agreement, a Pre-Authorized Order may not include partial payments made to CUSTOMER for goods or services purchased in a single transaction. In no event may any finance charges be imposed on any periodic payments in connection with a Pre-Authorized Order.
- 7.4 CUSTOMER may not accept a Pre-Authorized Order from a Cardholder for the purchase of goods or services which are delivered or performed periodically unless the Cardholder completes and delivers to CUSTOMER a written request (and, when applicable, a written renewal request) identifying (i) the goods or services to be charged to the Cardholder's account, (ii) the amount of the preauthorized or recurring charges (unless such charges are for variable amounts), (iii) the frequency of the preauthorized or recurring charges and (iv) the duration of time for which the Cardholder's permission is granted. If CUSTOMER accepts any Pre-Authorized Orders for variable amounts, CUSTOMER must comply with the supplemental provisions set forth in the applicable Supplements.
- 7.5 The Cardholder's written request (including any written renewal request) must be: (a) retained for the duration of the preauthorized or recurring charges; (b) provided in response to an Issuer's request for original documentation; and (c) used no longer after receiving notice of cancellation.

8. CUSTOMER Responsibilities for Persons Used by CUSTOMER.

8.1 Use of Persons. CUSTOMER's use of the services, equipment, Software, systems, materials, supplies or resources of Persons regarding CUSTOMER's Card transactions processing, including, without limitation, Merchant Providers and any third party lessors and licensors, will not affect CUSTOMER's obligations under this Agreement to SERVICERS which will apply to the same extent as if CUSTOMER had not used them. SERVICERS have no liability or responsibility to CUSTOMER or others regarding these Persons, even if SERVICERS referred them to CUSTOMER. These third parties are CUSTOMER's agents, and CUSTOMER is solely responsible for (i) determining whether they can meet CUSTOMER's needs and standards, (ii) their actions, inactions and compliance with the terms of this Agreement and Applicable Law and (iii) any and all fees, costs, expenses and other obligations owed to them by CUSTOMER or owed by them to SERVICERS or to the Card Organizations.

8.2 Merchant Providers. Before CUSTOMER engages any Merchant Provider, CUSTOMER must provide to SERVICERS in writing (a) the Merchant Provider's legal name, (b) contact information, and (c) intended function. CUSTOMER covenants with SERVICERS that CUSTOMER will not use, allow the use of, or provide to any Merchant Provider access to any Cardholder data, BAMS Systems, BAMS Software or Services until CUSTOMER receives SERVICERS' approval and, if required, confirmation of SERVICERS' registration of that Merchant Provider with applicable Card Organizations. CUSTOMER must ensure that CUSTOMER and Merchant Providers: (i) comply with the registration process which can involve site inspections, background investigations, provision of financial statements, and any other information required by a Card Organization; (ii) comply with the periodic and other reporting required by a Card Organization; and (iii) comply with this Agreement and Applicable Law, including without limitation, those provisions requiring security of Cardholder data. CUSTOMER may allow Merchant Providers access to Cardholder data only for purposes authorized under and in conformance with the Card Organization Rules and Applicable Law. CUSTOMER is responsible for all of SERVICERS' costs and expenses associated with SERVICERS' review, approval, certification (and recertification as may required by the Card Organization Rules) and registration of any Merchant Providers.

Upon request and reasonable notice, CUSTOMER will provide, and will ensure that Merchant Providers provide, to SERVICERS and SERVICERS' respective representatives prompt access to CUSTOMER's and their facilities and records for the purposes of performing any inspection and copying books or records pertaining to the transactions contemplated under this Agreement. CUSTOMER must have written agreements with Merchant Providers requiring such access.

9. Cardholder Refunds and Credits

- 9.1 If a Cardholder returns goods or cancels services purchased from CUSTOMER with a Card, or CUSTOMER allows any other price adjustment after a sale has been completed and a refund or adjustment is due to the Cardholder (other than any involuntary refund required by applicable

airline or other tariff or by Applicable Law), CUSTOMER will not return cash to the Cardholder but will instead prepare a Credit Draft and process each such refund or adjustment, as specified in the Operating Guide and Card Organization Rules. CUSTOMER will give the Cardholder a copy of the completed Credit Draft.

- 9.2 If CUSTOMER establishes a policy limiting refunds or acceptance of returned merchandise (e.g., no refund, exchange only, in-store credit only, or special conditions), CUSTOMER must follow the procedures set forth in the Operating Guide regarding refunds and returned merchandise.

10. Presentation of Card Transactions.

10.1 Locations. CUSTOMER will provide SERVICERS with a complete list of all CUSTOMER's Locations in the United States and its territories where CUSTOMER desires to accept Cards, with current information for each Location, including, physical address and telephone number(s), mailing address and, if available, fax number(s) and email address(es). CUSTOMER will provide an updated list as changes to any of CUSTOMER's Locations or their related information occur.

10.2 CUSTOMER shall electronically (or physically, when authorized by SERVICERS) deliver to SERVICERS Sales Drafts and Credit Drafts for all Card transactions to be processed and settled under this Agreement. The deadlines for submitting Sales Drafts and Credit Drafts are set forth in the Operating Guide and Card Organization Rules corresponding to the applicable Card types and desired rates. In no event shall such deadlines be later than the fifth calendar day or third banking day (whichever is earlier) after completing Card transactions (unless CUSTOMER is entitled to any special extension of these deadlines). CUSTOMER acknowledges that the times specified in the preceding sentence are the maximum deadlines and that faster time frames are required to qualify for incentive programs.

10.3 CUSTOMER will not submit any Sales Draft that was not created in conjunction with a Card transaction between CUSTOMER and the applicable Cardholder. Under no circumstances will CUSTOMER submit any Sales Draft that has been previously charged back by the Cardholder and subsequently returned to CUSTOMER.

11. Settlement of Card Transactions.

11.1 Settlement of Sales Drafts. SERVICERS will settle with CUSTOMER for each Sales Draft acquired and accepted by SERVICERS under this Agreement after SERVICERS receive payment for that Sales Draft from the related Card Organization, subject to the terms of this Agreement. Unless SERVICERS agree in writing otherwise, SERVICERS will only acquire Sales Drafts for Visa, MasterCard and Discover Network Card types (including those of other Card Organizations processed under Visa, MasterCard or Discover Network Card Organization Rules); provided, however, that, if CUSTOMER has been classified by Discover Network as having a Discover Direct Strategic Relationship with Discover Network, SERVICERS will not acquire CUSTOMER's Discover Network transactions and they will be subject to CUSTOMER's agreement with Discover Network. CUSTOMER acknowledges and agrees that if SERVICERS have not agreed to or do not acquire transactions for any Card type (i) SERVICERS have no liability or responsibility whatsoever for the settlement of or disputes regarding those transactions and (ii) CUSTOMER will pursue directly with the related Card Organization all claims and disputes regarding those transactions. CUSTOMER agrees to pay SERVICERS for per item processing, authorization and other fees in the Fee Schedule for any non-acquired transaction services CUSTOMER receives from SERVICERS.

11.2 Settlement Account and Its Operation. CUSTOMER will designate, in writing, and maintain, the Settlement Account for the purposes of settling transactions under this Agreement. If the Settlement Account is with BANK, in the absence of any other written agreement with BANK, the terms and conditions that apply to BANK's deposit accounts of the same type will apply. As amounts become payable to CUSTOMER or to SERVICERS under this Agreement, SERVICERS may, unless otherwise agreed, make payments to or receive payments from CUSTOMER by crediting or debiting the Settlement Account without prior notice as provided herein. If CUSTOMER does not maintain a Settlement Account with BANK, payments between CUSTOMER and SERVICERS must be made in a manner satisfactory to SERVICERS. If CUSTOMER does not maintain sufficient balances in the Settlement Account to cover amounts owing under this Agreement, CUSTOMER must immediately pay all such amounts directly to SERVICERS, and if CUSTOMER does not do so, at SERVICERS' discretion SERVICERS may cease processing additional Card transactions until the amounts due are paid.

CUSTOMER acknowledges and agrees that transfers to or from the Settlement Account will be made on the basis of account number and bank routing number only. SERVICERS are not responsible for detecting errors in any Settlement Account information CUSTOMER provides, including the account numbers and routing numbers associated with the Settlement Account, even if any of those numbers do not correspond to the account or bank identified by name. CUSTOMER's obligations and SERVICERS' rights regarding any settlement transfers SERVICERS

make in reliance on the account number(s) and bank routing number(s) for the Settlement Account are not excused in those circumstances, even if CUSTOMER provides SERVICERS erroneous information.

SERVICERS will initiate a transfer of settlement funds to CUSTOMER as set forth in Section 13.3. SERVICERS will not be liable for any delays in receipt of settlement funds or errors in credits or debits to the Settlement Account that are caused by Persons, including but not limited to, delays or errors of any Card Organization or any financial institution other than BANK.

SERVICERS may debit the Settlement Account for the following purposes: (a) to correct accounting or other settlement errors, after providing Customer with notice of the scope of such adjustments, (b) for the amount of Credit Drafts, adjustments or Chargebacks, (c) fees and fines imposed upon SERVICERS by a Card Organization or Issuer as a result of CUSTOMER's actions or omissions, and as substantiated under Section 12.2 herein, and (d) as required under the Card Organization Rules.

- 11.3 Settlement Amounts and Time for Settlement. All settlements to CUSTOMER for Sales Drafts will occur on a daily basis and be based upon gross sales, minus Card Organization Based Fees, Credit Drafts, adjustments, Chargebacks, Discount Rate and other transaction fees set forth on the Fee Schedule, and fees, fines and other amounts imposed upon SERVICERS by a Card Organization or Issuer as a result of CUSTOMER's actions or omissions. SERVICERS will collect all other amounts due from CUSTOMER to SERVICERS, on a monthly basis, whether netted at settlement or separately debited as provided herein. All credits to CUSTOMER's Settlement Account or other payments to CUSTOMER are provisional and are subject to (i) SERVICERS' final audit and confirmation, (ii) fees and fines imposed upon SERVICERS by a Card Organization or Issuer as a result of CUSTOMER's actions or omissions and (iii) any other obligations owed by CUSTOMER to SERVICERS.

Except as otherwise set forth in this Agreement, if SERVICERS receive CUSTOMER's Sales Drafts by the applicable cut off time established by SERVICERS, SERVICERS will initiate a transfer of applicable settlement funds, after receipt thereof from the Card Organizations, via ACH (or other payment system available from SERVICERS for these types of transfers) to CUSTOMER's Settlement Account. SERVICERS will generally initiate this transfer by the following Business Day after SERVICERS process the applicable transactions. Generally, the Settlement Account will be credited within two Business Days after SERVICERS' initiation of the transfer.

- 11.4 Settlement Amounts Subject to Adjustments. This Agreement is a contract whereby SERVICERS are extending financial accommodations to CUSTOMER within the meaning of Section 365(c) of the Bankruptcy Code. CUSTOMER's right to receive any amounts due or to become due from SERVICERS or SERVICERS' respective Affiliates, whether or not those amounts are related to this Agreement, is expressly subject and subordinate to Chargeback, setoff, lien, security interest and SERVICERS' rights to withhold settlement funds under this Agreement, without regard to whether such Chargeback, setoff, lien, security interest and the withholding of settlement funds rights are being applied to claims that are liquidated, unliquidated, fixed, contingent, matured or unmatured.

- 11.5 Suspension/Change in Payment Terms. In addition to any other remedies available to SERVICERS under this Agreement, CUSTOMER agrees that should any Event of Default occur, SERVICERS may, with notice, change processing or payment terms and/or suspend credits or other payments of any and all funds, money and amounts now due or hereafter become due to CUSTOMER pursuant to the terms of this Agreement, until SERVICERS have had reasonable opportunity to investigate such event.

12. Fees; Adjustments; Collection of Amounts Due; Reconciliation.

12.1 Fees and Card Organization Charges. CUSTOMER will pay SERVICERS, within the times specified by SERVICERS, all the fees and charges for the Services calculated pursuant to the Fee Schedule, which includes fees that are in whole or in part based on (i) fees set by Card Organizations, including, without limitation, interchange fees ("Card Organization Based Fees"), (ii) fees set by Persons related to the Services (together with Card Organization Based Fees, "Third Party Based Fees"), and (iii) fees that SERVICERS set. Fees will be charged for all authorization requests, whether or not approved, all Sales Drafts submitted for processing, all Credit Drafts and all Chargebacks. If a Card transaction does not qualify for the lowest interchange rate for which it is eligible, then that Card transaction will be downgraded and processed at a more costly interchange rate for which it qualifies. CUSTOMER will pay retroactive increased interchange fees for any Card transactions that a Card Organization determines did not qualify for the rates originally used.

Bureau of Purchase and Property

CUSTOMER acknowledges that the fees stated herein are based upon the qualification of CUSTOMER's Card transactions for certain reduced interchange fees as set by the applicable Card Organizations. If a transaction fails to qualify for CUSTOMER's anticipated interchange levels or CUSTOMER inadvertently or intentionally accepts a Card transaction other than the type anticipated for its account (including a different Card type), then, as applicable to the pricing set forth in the Fee Schedule, CUSTOMER will be charged a higher interchange, Discount Rate or non-qualified interchange fee, as well any applicable surcharge for that transaction, all as set forth in the Fee Schedule.

12.2 Card Organization Fines, Assessments and Penalties. The fees for Services set forth in the Fee Schedule may be adjusted to reflect increases, or new fees imposed by Card Organizations, including without limitation, interchange, assessments and other Card Organization fees, or to pass through increases or new fees charged to SERVICERS by other Persons related to the Services. All such adjustments shall be CUSTOMER's responsibility to pay and shall become effective upon the date any such change or addition is implemented by the applicable Card Organization or other Person as specified in SERVICERS' notice. In addition, CUSTOMER will pay to SERVICERS all fines and penalties, including, but not limited to, any of the foregoing related to CUSTOMER's non compliance with data security requirements or otherwise based on any CUSTOMER action or failure to act, provided that SERVICERS (1) have provided, in written form, all information and documentation supporting the assessment that the card brands provide; (2) make every attempt to ensure the card brands are following their rules and regulations regarding the assessment of fines and/or penalties related to a data compromise event; and (3) make every attempt to ensure any information used by the card brands to calculate the assessment is correct to the best of their knowledge.

12.3 Payment of Fees, Charges and Other Amounts. SERVICERS may debit the Settlement Account for, or withhold from funds SERVICERS owe CUSTOMER under this Agreement, all amounts CUSTOMER owes SERVICERS under this Agreement. If the Settlement Account has insufficient funds, SERVICERS may, without advance notice, withdraw the funds CUSTOMER owes SERVICERS from any other account (including any reserve account) CUSTOMER maintains with SERVICERS (or their respective Affiliates) or to which CUSTOMER has granted SERVICERS access. If sufficient funds are not available from those sources, CUSTOMER must pay the amount of any deficiency immediately upon demand.

12.4 Third Party Based Fee Changes. SERVICERS will provide CUSTOMER with at least thirty (30) days' advance notice of any increased or new Third Party Based Fees related to the processing and settlement of transactions. However, SERVICERS' ability to provide such notice depends on SERVICERS' receipt of timely notice from the applicable Persons and in those instances, SERVICERS may not be able to provide CUSTOMER with thirty (30) days notice. In any event, any increased or new Third Party Based Fees related to the processing and settlement of transactions will become effective and CUSTOMER shall be responsible for paying them as of the date specified in the notice.

12.5 Intentionally omitted.

12.6 ACH Credits or Debits. To the extent the Automated Clearing House ("ACH") settlement process is used to effect debits or credits to CUSTOMER's Settlement Account, CUSTOMER agrees to be bound by the terms of the operating rules of the National Automated Clearing House Association ("NACHA"), as in effect from time to time. CUSTOMER hereby authorizes SERVICERS to initiate credit and debit entries and adjustments as permitted under this Agreement to CUSTOMER's account through the ACH network and/or through direct institutions to the financial institution where CUSTOMER's Settlement Account is maintained for amounts due under this Agreement and under any agreements with SERVICERS or SERVICERS' respective Affiliates for any related services, as well as for any credit entries in error. CUSTOMER hereby authorizes the financial institution where CUSTOMER's Settlement Account is maintained to effect all such credits and debits to CUSTOMER's account. This authority will remain in full force and effect until SERVICERS have given written notice to the financial institution where CUSTOMER's Settlement Account is maintained that all monies due under this Agreement and any other agreements with SERVICERS or SERVICERS' Affiliates for any related services have been paid in full.

12.7 Taxes, Unless otherwise exempt, Customer agrees to pay any taxes imposed on the Services or transactions contemplated by this Agreement.

If CUSTOMER fails to notify BAMS within such time frame, SERVICERS will not be required to investigate the matter or effect any related adjustment, absent any willful misconduct by SERVICERS. If CUSTOMER notifies BAMS after such time period, SERVICERS may, in SERVICERS' discretion and at CUSTOMER's cost, investigate the matter addressed in CUSTOMER's notice, but SERVICERS will not have any liability to effect any related adjustment absent any willful misconduct by SERVICERS. Any voluntary efforts by SERVICERS to assist CUSTOMER in investigating such matters will not create any obligation to continue such investigation or any future investigation.

12.10 Electronic Statements. If CUSTOMER elects to receive statements via electronic mail or online via the Internet, then (a) CUSTOMER authorizes SERVICERS to deliver statements and reports, Card Organization and regulatory information and notices of change in terms that SERVICERS would typically include with paper statements and notifications to review them (collectively, "Electronic Statements") at a web-accessible location on SERVICERS' computer servers, to CUSTOMER electronically, (b) SERVICERS are not required to provide CUSTOMER with a paper copy of statements but SERVICERS may, in SERVICERS' sole discretion, do so at any time, (c) CUSTOMER may request a paper copy of CUSTOMER'S merchant account statement(s) from SERVICERS; however, a fee may apply for such request, and (d) Electronic Statements are part of the Services provided under this Agreement.

If CUSTOMER elects to receive Electronic Statements for its merchant account(s) via electronic mail ("e-mail"), CUSTOMER represents and warrants to, and covenants with, SERVICERS and agrees that: (i) CUSTOMER will disable any spam filter (or similar device or software that could prevent delivery of e-mail from to CUSTOMER) and add "@cedarcod.com" (the specific addressee portion will vary due to automation) (and such other e-mail address or domain that we may specify from time to time or from which CUSTOMER otherwise receives and Electronic Statement from SERVICERS) as a safe e-mail address or domain with respect to the e-mail account CUSTOMER designates for SERVICERS to send Electronic Statements; (ii) CUSTOMER is responsible for the accuracy and validity of all e-mail addresses provided by CUSTOMER and/or its agents; (iii) CUSTOMER will ensure that the e-mail account(s) designated for SERVICERS to send CUSTOMER Electronic Statements are under CUSTOMER's ownership or control and will be regularly accessible and actively monitored by CUSTOMER's authorized representatives; (iv) CUSTOMER will not share or permit to be known by any Person not authorized to view Electronic Statements on CUSTOMER's behalf, or store as an "autofill" field on a web browser, any password or encryption key; (v) CUSTOMER will notify SERVICERS promptly if CUSTOMER has not received an Electronic Statement from SERVICERS in the time frame that CUSTOMER normally receives Electronic Statements from SERVICERS, but in no event later than five (5) Business Days after the close of the statement cycle; (vi) CUSTOMER will notify SERVICERS prior to any change of e-mail address(es) designated for receipt of Electronic Statements; (vii) Electronic Statements are subject to the reconciliation time frames described in Section 12 herein; and (viii) immediately after being transmitted from SERVICERS'S e-mail server, CUSTOMER will be solely responsible for preventing the disclosure, interception and viewing of Electronic Statements by any unauthorized Person or Person that is otherwise not in compliance with applicable law.

In addition, in the event the percentage of Chargebacks to CUSTOMER's merchant account meets or exceeds the percentage considered excessive by the Card Organizations, CUSTOMER will pay SERVICERS the Excess Chargeback Fee stated in the Fee Schedule (in addition to any fees imposed on SERVICERS by the Card Organizations). The rate and the method of calculation for what each Card Organization considers excessive may be found in its Card Organization Rules. All fees related to processing Chargebacks, including any Excess Chargeback fees, are immediately due and payable to SERVICERS upon assessment.

15. Retention of Records.

15.1 Unless prohibited by the Card Organization Rules, CUSTOMER will retain, for a period of at least eighteen (18) months from the date of the Card transaction or such other longer period as may be required by the Card Organization Rules, legible copies or images (electronically or otherwise) of CUSTOMER's Sales Drafts, Cardholder consents for Pre-Authorized Orders and Credit Drafts. CUSTOMER's obligation to retain records does not provide authority for CUSTOMER to retain Card magnetic stripe data.

The first such standard re-certification will be performed by SERVICERS at no cost to CUSTOMER; however, subsequent re-certifications will be billed to CUSTOMER at SERVICERS' then-current hourly rate. Notwithstanding anything to the contrary, by conducting implementation or certification testing, SERVICERS do not guarantee that CUSTOMER's transactions will qualify at the lowest possible interchange level. CUSTOMER assumes all liability resulting from CUSTOMER's failure to notify SERVICERS of the changes or modifications or CUSTOMER's refusal to allow SERVICERS to conduct the implementation or certification testing.

16.2 If, after the effective date of this Agreement, CUSTOMER requests SERVICERS to perform or provide any system enhancements, custom reports, special files, terminal applications, related service enhancements or new services (collectively, "**System Enhancements**"), and SERVICERS agree to do so, these System Enhancements will be made in accordance with terms and conditions, including pricing, agreed to by the parties in writing.

17. Confidentiality.

17.1 To the extent SERVICERS seek to maintain the confidentiality of certain information exchanged in the course of providing services under this Agreement, the Servicers shall clearly identify in writing all information claimed to be confidential. SERVICERS acknowledge that the State, as CUSTOMER, is subject to State and Federal laws and regulations related to the disclosure of information, including, but not limited to, NH RSA Chapter 91-A. The State, as CUSTOMER, shall maintain the confidentiality of the identified Confidential Information insofar as it is consistent with applicable State and Federal laws and regulations, including, but not limited to, NH RSA Chapter 91-A.

17.2 SERVICERS' confidential information shall be used by CUSTOMER only to exercise CUSTOMER's rights and to perform CUSTOMER's obligations hereunder. In the event the State, as CUSTOMER, receives a request for the identified Confidential Information, the State will notify the SERVICERS and specify the date the State will be releasing the requested information that the State deems subject to disclosure pursuant to applicable State and Federal laws. Any effort to prohibit or enjoin the release of SERVICERS' confidential information shall be the SERVICERS' sole responsibility and at the SERVICERS' sole expense. If the SERVICERS fail to obtain a court order enjoining the disclosure, the State may release the information on the date specified in the State's notice to the SERVICERS, without any liability to the SERVICERS.

17.3 SERVICERS will keep confidential, in accordance with Applicable Law and the Card Organization Rules, any information received by SERVICERS from CUSTOMER or CUSTOMER's agents regarding CUSTOMER's use of the Services, including any relationship and transaction information; provided that SERVICERS may disclose such information (i) to Persons to the extent necessary to provide the Services, (ii) SERVICERS' respective auditors and attorneys (internal and external) and regulators, (iii) as required or permitted by Applicable Law and (iv) to SERVICERS' respective Affiliates as SERVICERS deem appropriate. - 17.4 In addition to the information security provisions elsewhere in this Agreement, neither CUSTOMER nor SERVICERS will use, store, disclose, sell or disseminate any Cardholder data obtained in connection with a Card transaction (including the names, addresses and Card account numbers of Cardholders), except in accordance with the Card Organization Rules and Applicable Law (e.g., for purposes of authorizing, completing and settling Card transactions and resolving any Chargebacks, retrieval requests or similar issues involving Card transactions). The foregoing will not apply in the instance of a court or governmental request, subpoena or order. SERVICERS may use any Cardholder data for purposes associated with BANK's role as an Issuer if such Cardholder data is derived from a Card transaction in which the Card used was issued by BANK. Further, in accordance with the Operating Guide, Card Organization Rules and Applicable Law, SERVICERS may participate in sharing Cardholder data among SERVICERS' Affiliates, other financial institutions, regulatory authorities, law enforcement agencies and any other Persons authorized by the Card Organization Rules and Applicable Law. In addition, SERVICERS may participate in sharing Cardholder data with any Card Organization or its designee at the request of that Card Organization.
- 17.5 CUSTOMER acknowledges that it will not obtain ownership rights in any information relating to and derived from Card transactions. Cardholder account numbers, personal information and other Card transaction information, including any databases containing such information, may not be sold or disclosed to a Person as an asset upon a bankruptcy, insolvency or failure of CUSTOMER'S business. Upon a bankruptcy, insolvency or failure of CUSTOMER'S business, all Card transaction information must be returned to SERVICERS or acceptable proof of the destruction of all Card transaction information must be provided to SERVICERS.
- 17.6 The obligations of confidentiality and restrictions on use in this Section shall not apply to any confidential information that: (i) was in the public domain prior to the date of this Agreement or subsequently came into the public domain through no fault of the party that received such confidential information; (ii) was received from a Person free of any obligation of confidence of the disclosing party and which Person, to the receiving party's knowledge, was not under an obligation to keep the information confidential; (iii) was already in the receiving party's possession prior to receipt from the disclosing party; (iv) is required to be disclosed by law, regulation or court order after giving the disclosing party as much advance notice as practical of the possibility of disclosure; or (v) is subsequently and independently developed by the receiving party's employees, consultants or agents without use of or reference to the disclosing party's confidential information.
- 17.7 Intentionally Omitted.
- 17.8 Except as specifically provided for herein, this Section does not confer any right, license, interest or title in, to or under SERVICERS' confidential information to CUSTOMER. Except as specifically provided for herein, no license is hereby granted to CUSTOMER under any patent, trademark, copyright, trade secret or other proprietary rights of SERVICERS, and CUSTOMER shall not assign to any Person the rights to use the Marks of SERVICER or its agents. All right, title, and interest in and to all intellectual property related to the Services (including, without limitation, the content of any materials, web screens, layouts, processing techniques, procedures, algorithms, and methods), owned, developed or licensed by SERVICERS prior to, during the term of, or after the Agreement, or employed by SERVICERS in connection with the Services and any updates, changes, alterations or modifications to or derivative works from such intellectual property, shall be and remain, as among the parties, SERVICERS' exclusive property.
- 17.9 CUSTOMER agrees that SERVICERS may obtain relevant information from any applicable telecommunications provider utilized by CUSTOMER, as necessary to investigate any allegation of fraud, suspected fraud or other actual or alleged wrongful act by CUSTOMER in connection with the Services.
- 17.10 Notwithstanding any contrary provisions in the controlling documents for any other accounts CUSTOMER has with BANK, BANK may share and exchange with BAMS and its respective Affiliates and agents information about CUSTOMER and those accounts in connection with the Services, and any services provided by TeleCheck Services, Inc., First Data Merchant Services Corporation, or any other SERVICERS of Services under this Agreement.

18. Examinations, Audits and Corrective Action.

18.1 SERVICERS' Rights. SERVICERS or their respective designees will have the right, during the term of this Agreement and for one (1) year thereafter, upon reasonable advance written notice and during normal business hours, to conduct a review of the books, records, operations and Merchant Equipment of CUSTOMER, Merchant Providers and CUSTOMER's other third party service providers to determine or to verify CUSTOMER's and their compliance with CUSTOMER's obligations under this Agreement.

18.2 Card Organization and Investigation. CUSTOMER will, upon reasonable prior written notice from SERVICERS and as directed by any Card Organization, permit any Person acceptable to that Card

Organization to examine and audit the records, operations and Merchant Systems relevant to such Card Organization. The scope, standards and frequency of the examinations and audits will be determined by the Card Organization requesting it. The results, including, but not limited to any written reports of such examinations and audits, must be made available to the Card Organization requesting it and SERVICERS. All expenses related to such examinations and audits will be paid by CUSTOMER.

18.3 Remediation. CUSTOMER must promptly take corrective action acceptable to SERVICERS and the Card Organizations to rectify (i) any failure to comply with this Agreement or any problem identified in any report, examination or audit that could reasonably be expected to have an adverse impact on SERVICERS, Issuers, Card Organizations or Cardholders and (ii) any control deficiencies identified in such report.

18.4 Regulatory Agencies. Notwithstanding anything to the contrary in Sections 17 (Confidentiality) and 20 (Information Security) of the Agreement, CUSTOMER agrees to provide reasonable access to Merchant Systems and CUSTOMER's facilities and records and those of Merchant Providers during normal business hours for examination purposes to any state or federal agencies with jurisdiction over SERVICERS or any Card Organization, upon SERVICERS' prior written request.

19. Reserve Account; Security Interest; Set-Off.

19.1 To the extent permitted under Applicable Law, CUSTOMER expressly authorizes SERVICERS to establish an account (the "**Reserve Account**") pursuant to the terms and conditions set forth in this Section 19. The initial amount of such Reserve Account shall be set by SERVICERS, in their sole discretion, based upon CUSTOMER processing history and the anticipated risk of loss to SERVICERS.

19.2 The Reserve Account shall be fully funded upon three (3) days' notice to CUSTOMER, or in instances of fraud or an Event of Default, Reserve Account funding may be immediate, whereupon notice of said establishment of the Reserve Account will occur within a commercially reasonable period of time after the occurrence. Such Reserve Account may be funded by all or any combination of the following: (i) one or more debits to CUSTOMER's Settlement Account or any other accounts held by BANK or any of its Affiliates; (ii) one or more deductions or off sets to any payments otherwise due to CUSTOMER; (iii) CUSTOMER's delivery to SERVICERS of a letter of credit; or (iv) if SERVICERS so agree, CUSTOMER's pledge to SERVICERS of a freely transferable and negotiable certificate of deposit. Any such letter of credit or certificate of deposit shall be issued or established by a financial institution acceptable to SERVICERS and shall be in a form satisfactory to SERVICERS. In addition to the foregoing methods of funding, CUSTOMER shall have the option of funding the Reserve Account in any manner which is mutually agreeable between CUSTOMER and SERVICERS. In the event of termination of this Agreement by either CUSTOMER or SERVICERS, an immediate Reserve Account may be established without notice in the manner provided above. Any Reserve Account will be held by BANK for the greater of ten (10) months after termination of this Agreement or for such longer period of time as is consistent with BANK's liability for Card transactions in accordance with Card Organization Rules. CUSTOMER's funds held in a reserve account may be held in a commingled Reserve Account for the reserve funds of BANK's customers, without involvement by an independent escrow agent. SERVICERS will hold funds pursuant to this Section 19 in master account(s) with your funds allocated to separate sub accounts. CUSTOMER will not at any time during the term of this Agreement, or until all amounts due under this Agreement have been paid in full, grant or pledge any security interest or lien in the Reserve Account to any Person without SERVICERS' consent. CUSTOMER acknowledges and agrees that Section 12.8 (Duty to Review Statements) and Section 12.9 (Duty to Notify Servicers of Discrepancies or Adjustments) shall apply with respect to the Reserve Account.

19.3 If CUSTOMER's funds in the Reserve Account are not sufficient to cover the Chargebacks, adjustments, fees and other charges due from CUSTOMER, or if the funds in the Reserve Account have been released, CUSTOMER agrees to promptly pay SERVICERS such sums upon request. In the event of a failure by CUSTOMER to fund the Reserve Account, SERVICERS may fund such Reserve Account in the manner set forth in Subsection 19.2 above. CUSTOMER acknowledges and agrees that its failure to establish or maintain funds in the Reserve Account as required by SERVICERS hereunder shall be a material default of CUSTOMER under this Agreement.

19.4 To the extent permitted under Applicable Law, to secure CUSTOMER's performance of CUSTOMER's obligations under this Agreement, and any other agreement for the provision of related equipment or related service CUSTOMER grants SERVICERS security interests in each transaction and its proceeds, the Settlement Account, the Reserve Account (if any) and any other depository, reserve or bank account held by CUSTOMER with SERVICERS, the Settlement

Account at any other financial institution, whether now existing or established in the future, and in the balances and proceeds of all those accounts, any funds due CUSTOMER from SERVICERS and any of CUSTOMER's property held by SERVICERS and SERVICERS' respective Affiliates. SERVICERS may enforce these security interests without notice or demand to the extent permitted by the Card Organization Rules and Applicable Law. The security interests granted under this Agreement will survive the termination of this Agreement until all CUSTOMER's obligations are irrevocably paid and performed in full. In addition, CUSTOMER's assent to the terms of this Agreement will be considered CUSTOMER's agreement to obtain and execute an appropriate control agreement, pursuant to Article 9 of the Uniform Commercial Code, among CUSTOMER, SERVICERS and any other financial institution, under which agreement SERVICERS, CUSTOMER and that other financial institution agree to the disposition of funds in the Settlement Account, the Reserve Account or any other account or property subject to the security interest in this Agreement without further consent by CUSTOMER, provided that such agreement will not obligate CUSTOMER to pay additional fees to SERVICERS.

19.5 In addition to any rights now or hereafter granted under Applicable Law and not by way of limitation of any such rights, SERVICERS are hereby authorized by CUSTOMER at any time and from time to time, without notice or demand to CUSTOMER or to any other Person (any such notice and demand being hereby expressly waived), to set off, recoup and to appropriate and to apply any and all such funds against and on account of CUSTOMER's obligations to SERVICERS and their respective Affiliates under this Agreement and any other agreement with SERVICERS or any of SERVICERS' respective Affiliates for any related equipment or related services (including any check guarantee and check verification services), whether such obligations are liquidated, unliquidated, fixed, contingent, matured or unmatured. CUSTOMER agrees to duly execute and deliver to SERVICERS such instruments and documents as SERVICERS may reasonably request to perfect and confirm the lien, security interest, right of set-off, recoupment and subordination set forth in this Agreement.

19.6 In the event that a Reserve Account is funded for any of the reasons specified above, Servicers shall conduct a Reserve Account Review on at least a quarterly basis to determine whether any adjustments should be made to the account, any such adjustment to be determined in Servicers' discretion and subject to the notice requirements set forth above in Section 19.2.

20. Information Security.

20.1 Data Protection. CUSTOMER must, and must ensure that Merchant Providers, have proper security measures in place for the protection of Cardholder data, and comply with the Data Security Standards adopted by the PCI Security Standards Council, LLC (as amended, the "PCI DSS"), which may be reflected in the Visa Cardholder Information Security Program ("CISP"), the MasterCard Site Data Protection Program ("SDP") and Discover Network's Information and Security Compliance ("DISC"), in addition to all other Card Organization Rules, now or in the future. Additional information regarding the CISP, SDP programs and DISC is available at the Visa web site, www.visa.com/cisp, the MasterCard web site, www.mastercard.com/banksdp/, Discover Network's web site, www.DiscoverNetwork.com/fraudsecurity/disc.html, and at the PCI DSS web site: <http://www.PCISecurityStandards.Org>, as those links may be updated by such parties, respectively, from time to time. In addition, when available, CUSTOMER must use only services and Merchant Equipment that have been certified as PCI DSS compliant by the Card Organizations. CUSTOMER must have written agreements with Merchant Providers requiring such compliance. CUSTOMER is responsible for demonstrating CUSTOMER's and Merchant Providers' compliance with the CISP, SDP, DISC, and PCI DSS programs and providing SERVICERS or SERVICERS' designee with reasonable access to CUSTOMER's Locations and facilities, and ensuring that Merchant Providers provide reasonable access to their facilities, to verify CUSTOMER's and Merchant Providers' ability to prevent security violations.

20.2 Controls. CUSTOMER must, and must ensure that all Merchant Providers, have, maintain, and use at all times proper controls as specified in the Card Organization Rules and Applicable Law for secure storage of, limited access to, and rendering unreadable prior to discarding, all records containing Cardholder data, Card imprints and Cardholder signatures. CUSTOMER must not retain or store magnetic stripe or PIN data or Card Validation Codes after a transaction has been authorized. If CUSTOMER stores any electronically captured Cardholder signature, CUSTOMER may reproduce such signature only upon SERVICERS' request.

20.3 Costs. In addition to CUSTOMER's obligations as set forth in Sections 13 of Exhibit C Indemnity) and Section 12 of Exhibit C-1 (Fees; Adjustments; Collection of Amounts Due; Reconciliation) of this Agreement, if CUSTOMER or a Merchant Provider (or other Person used by CUSTOMER) is determined by any Card Organization, regardless of any forensic analysis or report, to be the likely source of any loss, disclosure, theft or compromise of Cardholder data or Card transaction information (together, "Compromised Data Event") and regardless of CUSTOMER's belief that CUSTOMER has complied with the Card Organization Rules and Applicable Law or any other security precautions and is not responsible for the Compromised Data Event, CUSTOMER must promptly pay SERVICERS for all related expenses, claims,

assessments, fines, losses, costs, and penalties and Issuer reimbursements imposed by the Card Organizations against SERVICERS (together, "Data Compromise Losses"), provided that SERVICERS (1) have provided, in written form, all information and documentation supporting the assessment that the card brands provide; (2) make every attempt to ensure the card brands are following their rules and regulations regarding the assessment of fines and/or penalties related to a data compromise event; and (3) make every attempt to ensure any information used by the card brands to calculate the assessment is correct to the best of their knowledge.

20.4 Issuer Costs. In addition to CUSTOMER's obligations in Sections 13 of the Agreement (Indemnity) and 12(Fees; Adjustments; Collection of Amounts Due; Reconciliation) and Subsection 20.3 (Information Security - Costs) of this Agreement, CUSTOMER must pay SERVICERS promptly for all expenses and claims made by Issuers against SERVICERS alleging CUSTOMER's responsibility for the loss, disclosure, theft or compromise of Cardholder data or transaction data, apart from any claim procedures administered by the Card Organizations.

20.5 Compromised Data Event Appeals. If SERVICERS are allowed under the Card Organization Rules to contest or appeal any claim of an Issuer, or any amount assessed by a Card Organization against SERVICERS, which CUSTOMER is obligated to pay under this Section 20, CUSTOMER will be given the opportunity to advise whether CUSTOMER wishes SERVICERS to contest or appeal the claim, assessment, penalty or fine. The decision to contest or appeal will be in SERVICERS' reasonable discretion, and if CUSTOMER asks SERVICERS to contest or appeal, all related costs will be paid by CUSTOMER. Any amount returned to SERVICERS as a result of the contest or appeal will be promptly refunded to CUSTOMER.

20.6 Notice of Data Breach. CUSTOMER will (i) immediately notify SERVICERS of any suspected, alleged or confirmed Compromised Data Event, regardless of the source, including any from any Merchant Provider, and (ii) engage, at CUSTOMER's expense, a certified forensic vendor acceptable to SERVICERS and the Card Organizations no later than the time required by a Card Organization, which may be no longer than 24 hours following CUSTOMER's suspected or actual discovery of that Compromised Data Event. If required by a Card Organization, SERVICERS will engage a forensic vendor approved by a Card Organization at CUSTOMER's expense. CUSTOMER must cooperate with the forensic vendor so that it may immediately conduct an examination of Merchant Equipment, Merchant Systems, and CUSTOMER's and Merchant Providers' procedures and records and issue a written report of its findings. CUSTOMER agrees that upon CUSTOMER's suspected or actual discovery of a Compromised Data Event, CUSTOMER will not alter or destroy any related records. CUSTOMER agrees to maintain complete and accurate documentation regarding any modifications made to the records. CUSTOMER will share with SERVICERS information related to CUSTOMER's or any Card Organization's investigation related to any actual or suspected Compromised Data Event (including, but not limited to, forensic reports and systems audits), and SERVICERS may share that information with Card Organizations.

20.7 System Scans. Upon notice to CUSTOMER, SERVICERS or SERVICERS' respective representatives may conduct remote electronic scans of Merchant Systems, similar to those conducted under the PCI DSS, to confirm compliance with the requirements of the PCI DSS and similar requirements of the Card Organizations. CUSTOMER must promptly cooperate with SERVICERS to facilitate the scans.

20.8 Increased Fees for Non-Compliance. In addition to any other permitted action, if SERVICERS determine that CUSTOMER is not in compliance with any of the data security requirements imposed by this Agreement, the fees for authorizing and processing transactions under this Agreement may be increased by 25% (in addition to CUSTOMER's obligation to reimburse SERVICERS for any Data Compromise Losses and Issuer Costs) until such time as SERVICERS are satisfied that CUSTOMER has adequately corrected such noncompliance or CUSTOMER demonstrates that CUSTOMER has adequately corrected the noncompliance as evidenced by an independently produced report of compliance provided in accordance with Card Organization procedures.

20.9 SERVICER Requirements. SERVICERS must comply with all applicable Card Organization Rules, including without limitation, those related to PCI DSS. SERVICERS may in their sole discretion, suspend or terminate Services under this Agreement for any Compromised Data Event.

21. Compliance with Applicable Law. In performing its obligations under this Agreement, the parties agree to comply with all Applicable Law. To the extent that CUSTOMER'S obligations under this Agreement would cause CUSTOMER to violate any Applicable Law, CUSTOMER'S obligation to comply with such Applicable Law will prevail. CUSTOMER shall be solely responsible for (i) determining which laws and regulations apply to their activities under this Agreement and (ii) maintaining compliance with all Applicable Law. CUSTOMER further agrees to cooperate with, and to provide information requested by, any SERVICER as such SERVICER deems necessary to facilitate its compliance with all Applicable Law. CUSTOMER must not use the Services for transactions prohibited by Applicable Law or the Card Organization Rules, such as

22. Financial and Other Information.

To the extent CUSTOMER's financial statements are not publicly available, CUSTOMER agrees to provide SERVICERS with such annual and quarterly financial statements of CUSTOMER which CUSTOMER prepares in the ordinary course of business and in accordance with applicable state law. CUSTOMER will provide such statements to SERVICERS within one hundred twenty (120) days after the end of each fiscal year, in the case of annual financial statements, or within forty-five (45) days after the end of each quarter in the case of quarterly statements. Such financial statements shall be prepared in accordance with U.S. generally accepted accounting principles applicable to government entities. CUSTOMER also shall provide such other financial statements and other information concerning CUSTOMER's business and CUSTOMER's compliance with the terms and provisions of this Agreement as SERVICERS may reasonably request. 30. **IRS Reporting Information.** Pursuant to Section 6050W of the Internal Revenue Code, merchant acquiring entities (like BANK) and third party settlement organizations are required to file an information return reflecting all payment card transactions and third party network transactions occurring in a calendar year. This requirement applies to returns for calendar years after December 31, 2010. Accordingly, CUSTOMER will receive a form 1099-k reporting CUSTOMER's gross transaction amounts for each prior calendar year, beginning with transactions processed in calendar year 2011.

In addition, amounts payable under Section 6050W are subject to backup withholding requirements. Payors are required to perform backup withholding by deducting and withholding income tax from reportable transactions if (a) the payee fails to provide the payee's taxpayer identification number (TIN) to the payor, or (b) if the IRS notifies the payor that the TIN (when matched with the name) provided by the payee is incorrect. Accordingly, to avoid backup withholding, it is very important that CUSTOMER provides BANK with the correct name and TIN that CUSTOMER uses when filing its income tax return that includes the transactions for CUSTOMER's business.

31. **Survival.** This Section 31, Sections 12-15 (inclusive), Section 17-20 (inclusive), Sections 22-25 (inclusive), and Sections 26-30 (inclusive) will survive termination of this Agreement.

EXHIBIT F

PAYPOINT SERVICES ADDENDUM TO AGREEMENT

THIS PAYPOINT SERVICES ADDENDUM ("**PayPoint Addendum**") is among the State of New Hampshire ("**Customer**"); Banc of America Merchant Services, LLC ("**BAMS**"); and Bank of America, N.A. ("**Bank**") (collectively BAMS and Bank are the "**Servicers**"); and supplements the Agreement for Merchant Card Processing Services ("**Agreement**") **Agreement** between Customer and BAMS.

1. **Definitions.** Capitalized terms used but not defined in this PayPoint Addendum are defined in the Agreement.
2. **PayPoint Services.** BAMS will provide Customer with a payment administration solution ("**PayPoint Services**") that allows Customer to use an internet based gateway ("**PayPoint Gateway**") to manage consumer ("**Consumer**") payments and payment transaction data initiated and submitted via in-person, point-of-sale, payment kiosk, web based applications, customer representative assisted calls or interactive voice response ("**IVR**") channels. The PayPoint Services are provided to Customer by BAMS and not Bank. Bank is not a party to this PayPoint Addendum insofar as it applies to the PayPoint Services, and Bank is not liable to Customer in any way with respect to the PayPoint Services. For the purposes of this PayPoint Addendum, the words "we", "our" and "us" refer only to the BAMS and not the Bank.
 - 2.1 **Functionality.** The PayPoint Services will enable Customer to (i) consolidate payment output files with the PayPoint Services posting file(s); (ii) review Consumer payment reporting; (iii) perform detailed Consumer payment research related to status, date tracking, time tracking, successful or negative payment results and payment reconciliation; (iv) review Consumer payment authorization and return processing information; (v) perform Consumer payment void and refund processing; (vi) track Consumer payment chargeback and settlement activity; (vii) apply notes to specific Consumer payments or transactions; (viii) process, single, recurring or ad hoc Consumer payments; (ix) set-up, access and manage multiple, individual Consumer accounts; and (x) add certain Customer personalization (e.g., Customer specific logo, color theme and/or text) to Customer's website and/or IVR (defined below), if hosted or provided by BAMS.
 - 2.2 **Payment Types Supported.** The PayPoint Services will enable Customer to support (i) personal and business electronic check ("**eCheck**") payments; (ii) credit card payments for card associations identified by BAMS from time-to-time; (iii) debit card payments (signature, PIN based or PINless) on the STAR[®], PULSE[®] and NYCE[®] networks; (iv) Automated Clearing House payments using TEL, WEB, CCD and PPD entry classes as defined under the National Automated Clearing House Association ("**NACHA**") rules and guidelines, as amended from time to time ("**Rules**"). For eCheck payments that are processed in connection with services provided separately by TeleCheck Services, Inc. (or such other provider offering the necessary functionality), the PayPoint Services will reject payments that (A) display routing and transit number ("**MICR Line**") information indicating the check corresponds to a government or payroll check, or a check writer's account (1) on which the check writer's bank indicates checks may not be written, (2) that may not be settled via the Automated Clearing House ("**ACH**") network, (3) that is not a domestic United States demand deposit account, or (4) for which MICR Line errors may not be systemically resolved through automatic processing (i.e., for which no notification of change information is available through the banking systems or ACH network); or (B) exceed a processing limit of \$20,000,000.
 - 2.3 **Fraud Detection.** The PayPoint Services provide fraud detection functionality that includes (i) address verification and CVV2 code validation for credit cards; (ii) transaction limit monitoring; and (iii) duplicate payment detection.
 - 2.4 **Convenience Fees.** The PayPoint Services will support payment data management for fixed and percentage based convenience fees that are assessed and collected by Customer, including the ability to track the primary payment and convenience fee as separate transactions or as a single integrated transaction. The PayPoint Services do not process settlement of convenience fees as part of the Customer's convenience fee program; rather, the PayPoint Services enable tracking and management of convenience fee data submitted with other payment data received from a Customer that assesses and collects convenience fees. Customer is solely responsible for complying with applicable law, the card association rules and NACHA rules related to its implementation and collection of convenience fees.
 - 2.5 **Application Programming Interfaces and Integration.** The PayPoint Services will integrate with Customer's existing payment processing services via (i) real time integration of Customer's front end website with the PayPoint Services application programming interface; (ii) XML batch integration; or (iii) the Front-End Solution described in Section 2.6 below. Customer must implement any upgrades to the PayPoint Services within a commercially reasonable period of time after receiving the updates.

- 2.6 **Hosting; Marks.** The PayPoint Gateway is hosted through BAMS. Upon Customer's election, BAMS will also provide Customer with a front-end solution ("*Front-End Solution*") that is integrated with the PayPoint Services that includes (i) ready-made, personalizable website and/or interactive voice response ("*IVR*") services, and (ii) a toolkit for the Customer to manage its web-site personalization. If Customer elects to use the PayPoint Services' Front-End Solution, Customer may also customize it to include Customer's Marks (defined below) on the website. Customer is responsible for providing the Marks to BAMS that Customer would like included in a customized Front-End Solution; and, in connection therewith, grants BAMS a non-exclusive, revocable license during the term of this PayPoint Addendum to use the Marks provided by Customer in connection with creation of a customized Front-End Solution. Customer represents and warrants that it owns or has obtained the necessary licenses or rights for BAMS to display or use all Marks provided by Customer when creating a customized Front-End Solution or otherwise using such marks in connection with Customer's use of the PayPoint Services.
3. **Payment Processing Obligations.** Customer will submit all payments initiated by Consumers using the PayPoint Gateway and BAMS's computer systems according to documentation provided by BAMS from time-to-time (BAMS's computer systems and documentation are the "*BAMS System*"). Customer will provide all transaction data, Personal Information (defined below), related information and instructions (collectively "*Payment Data*") necessary for BAMS to perform the PayPoint Services. Unless another entity is acting as the "Originator" (as defined in the NACHA Rules) on Customer's behalf in connection with ACH Payments, Customer will be the Originator for any ACH Payments that Customer submits for processing. BAMS will be a "Third Party Processor" (as defined in the NACHA Rules) and will facilitate processing ACH Payments submitted by Customer by transmitting ACH files among each appropriate Originating Depository Financial Institutions (each an "*ODFI*") and Receiving Depository Financial Institution (each an "*RDFI*") (both as defined in the NACHA Rules). Customer assumes all responsibilities and liabilities under the NACHA Rules for ACH Payments it submits for processing; and will assume all liability for the amount of any ACH Payment that is rejected for insufficient funds. Customer assumes all responsibilities and liabilities under applicable association rules or regulations related to processing its Consumer's credit card payments. Customer will be solely responsible for ensuring the validity, accuracy and completeness of all Payment Data. **BAMS WILL RELY UPON AND USE PAYMENT DATA SUBMITTED BY CUSTOMER WITHOUT FURTHER VERIFICATION IN ORDER TO PROVIDE THE PAYPOINT SERVICES.** BAMS will have no responsibility or liability for any error, omission, delay, failure to meet any processing timelines or accurately perform any of the PayPoint Services due to Customer (or its Consumers) submitting inaccurate, incomplete or untimely Payment Data, or failing to perform its settlement obligations.
4. **Settlement Obligations.** The PayPoint Services constitute a Consumer payment administrative application and are not a payment processing application. Customer is solely responsible for all settlement obligations and settlement fees that arise in connection with the underlying processing of any and all Consumer payments that are administered using the PayPoint Services. Customer waives its right to assert any defense, set-off or counterclaim against BAMS for any settlement obligation or liability that arises in connection with Customer's or its Consumer's use of the PayPoint Services or the PayPoint Gateway. Customer is solely responsible for all liability associated with any Consumer payment that is rejected for insufficient funds.
5. **Information Security.** Each party is responsible for: (i) the security of non-public or personally identifiable information ("*Personal Information*") on the systems under its control or that is obtained through its respective provision or use of the Services; and (ii) data security issues arising from its systems, or directly resulting from its use of third party vendors or subcontractors, if any, in connection with the Services. Each party will maintain commercially reasonable information security practices designed to prevent unauthorized or unlawful access to, use, disclosure or alteration of Personal Information (collectively, a "*Security Incident*").
6. **Term; Termination.**
- 6.1 **Term.** The term of this PayPoint Addendum will commence on its Effective Date, will extend for the Term of the Agreement.

in bankruptcy or any involuntary proceeding related to insolvency, receivership, liquidation or composition for the benefit of creditors, and such proceeding is not dismissed or stayed within 30 days.

Termination will not affect Customer's responsibility to pay any amount for which it is liable or obligated in connection with the PayPoint Services provided under this PayPoint Addendum.

7. Fees; Payment of Fees.

- 7.1 **Fees.** The fees ("Fees") for the PayPoint Services are set forth in Exhibit B (Schedule A).

Continuing PayPoint Services during any period when Customer's account is delinquent will not constitute a waiver of BAMS' rights related to suspension of the PayPoint Services or termination of this PayPoint Addendum.

8. PayPoint Services Disclaimer. EXCEPT AS EXPRESSLY PROVIDED IN THIS PAYPOINT ADDENDUM, BAMS MAKES NO REPRESENTATIONS OR WARRANTIES (EXPRESS OR IMPLIED) WITH REGARD TO THE PAYPOINT SERVICES, INCLUDING, WITHOUT LIMITATION, NON-INFRINGEMENT BY THE PAYPOINT SERVICES OR THAT THEY WILL FUNCTION UNINTERRUPTED OR ERROR-FREE; AND ANY AND ALL REPRESENTATIONS OR WARRANTIES (EXPRESS OR IMPLIED) ARE DISCLAIMED AS SET FORTH IN THIS PAYPOINT ADDENDUM AND THE Agreement.

9. Intellectual Property.

- 9.1 **Ownership.** Customer will not remove, alter, modify, relocate or erase any copyright notice or other legend(s) denoting BAMS' or other third parties' (if any) proprietary interest in the PayPoint Services. Customer has no right, title or interest in or to the PayPoint Services, any related software, materials, documentation, or derivative works thereof, or any patent, trademark, service mark, copyright, trade secret or proprietary rights associated with the PayPoint Gateway or PayPoint Services; and nothing in this PayPoint Addendum or the Agreement assigns, transfers or creates any such right, title or interest for Customer (whether express or implied, by estoppel or otherwise). Any rights associated with the PayPoint Services that are not expressly granted by BAMS within this PayPoint Addendum are withheld. Customer will not take any action inconsistent with the ownership, title or license rights associated with the PayPoint Services. - 9.2 **Use of Marks.** Except as specifically provided for in this PayPoint Addendum, neither party will use any trademark, service mark, trade name or other proprietary designation (collectively, "*Marks*") owned, licensed or registered by the other party without prior written consent. disparages or portrays the other in a negative light. Neither party may alter, modify, or change the other's Marks in any way. A breach of the terms of this Section related to the use of a party's Marks will cause irreparable harm such that the non-breaching party will not have an adequate remedy at law and, in addition to any other rights or remedies available at law or in equity, will be entitled to seek injunctive relief against the breaching party (without posting a bond or other security).

- 10. Compliance with Law.** BAMS and Customer will comply with all federal, state or local laws, regulations, judicial or administrative decisions, executive orders, rules or interpretations, and the NACHA Rules (collectively, "*Legal Requirements*") applicable to their respective use or provision of the PayPoint Services. THIS GLOBAL GATEWAY e4 SERVICES ADDENDUM is among BANC OF AMERICA MERCHANT SERVICES, LLC ("BAMS"); and State of New Hampshire ("Customer"); and supplements the Agreement for Merchant Card Processing ("Agreement") between Customer and BAMS.

BAMS AND CUSTOMER AGREE:

1. **Definitions.** Capitalized terms used but not defined in this GGe4 Addendum are defined in the Agreement.
2. **Global Gateway e4 Services.**
 - 2.1 **Services.** BAMS will provide Customer with an electronic gateway messenger system ("GGe4 Services") that allows Customer to manage Card transaction information being transmitted when processing Customer's payment transactions, and includes the following functionality: (i) a web-based application programming interface ("API") that allows third-party applications to process transactions through the GGe4 Services system and supports a range of processing functions (e.g., purchase, refund, pre-authorization functions) and further allows Customer to implement custom business logic to manage these functions; (ii) a securely hosted web payment form (a "Payment Page") designed to accept Internet-based eCommerce transactions, redirecting the consumer to a payment form hosted by the gateway that uses a "Checkout" button on Customer's website to submit payment posting requests to a designated URL and displays payment acceptance details and authentication information on the Customer's website, the appearance of which and payment options displayed may be configured by Customer using an online management interface provided by BAMS; and (iii) a real-time payment manager ("RPM") hosted application that is able to turn any Internet connected personal computer with a standard web browser into a point of sale device to process retail and MO/TO payments, allowing Customer's employees to input payment transactions in a MO/TO, call center or back office environment, or to swipe Cards in a retail point of sale environment. Receipts for RPM processed transactions are provided, and can be printed or emailed to the cardholder. RPM is also a centralized administrative tool through which Customer may access its GGe4 Services account (i.e., user administration, gateway reporting, and hosted payment page configurations).
 - 2.2 **Provider.** The GGe4 Services are provided to Customer by BAMS and not Bank. Bank is not a party to this GGe4 Addendum insofar as it applies to the GGe4 Services, and Bank is not liable to Customer in any way with respect to the GGe4 Services. For the purposes of this GGe4 Addendum, the term "Servicers" in the Agreement refers only to BAMS and not the Bank.
3. **GGe4 Services Disclaimer.** EXCEPT AS EXPRESSLY PROVIDED IN THIS GGe4 ADDENDUM, THE GGe4 SERVICES ARE PROVIDED "AS IS" AND BAMS MAKES NO REPRESENTATIONS OR WARRANTIES (EXPRESS OR IMPLIED) WITH REGARD TO THE GGe4 SERVICES, INCLUDING, WITHOUT LIMITATION, WARRANTIES OF ACCURACY, NON-INFRINGEMENT OR THAT THEY WILL FUNCTION UNINTERRUPTED OR ERROR-FREE; AND ANY AND ALL SUCH REPRESENTATIONS OR WARRANTIES (EXPRESS OR IMPLIED) ARE DISCLAIMED.
4. **Fees.** Payment of fees for the GGe4 Services, in addition to the fees for processing transactions related to the GGe4 Services, will be as set forth in Exhibit B (Schedule A)
5. **Sublicense; Intellectual Property; Representations and Warranties.**
 - 5.1 **Software License; Use Restrictions.** BAMS hereby grants Customer a royalty free, non-exclusive, nontransferable, revocable, limited license to use the software (including Updates, as defined below, "Software") and documentation that BAMS, its affiliates or partners involved in provision of the GGe4 Services, provides to Customer during the term of this GGe4 Addendum for the sole and limited purpose of submitting payment transactions to BAMS for processing using the GGe4 Services; all subject to the terms of this GGe4 Addendum and the Agreement. Customer may only use the GGe4 Services in connection with the processing services Customer receives under the Agreement. Customer has no right, title or interest in or to the GGe4 Services, any related software, materials, documentation, or derivative works thereof, and nothing in this GGe4 Addendum or the Agreement assigns, transfers or creates any such right, title or interest for Customer (whether express or implied, or by estoppel or otherwise). Any and all right, title or interests associated with the GGe4 Services that are not expressly granted by BAMS within this GGe4

Addendum are expressly withheld. Customer will not take any action inconsistent with the ownership, title or license rights associated with the GGe4 Services. Customer will not file any action, in any forum, challenging ownership of the GGe4 Services, any related software, materials, documentation or derivative works thereof. Breach of this Section constitutes a material breach of this GGe4 Addendum and the Agreement, and BAMS may immediately suspend or terminate Customer's use of the GGe4 Services, this GGe4 Addendum or the Agreement in the event of such breach.

- 5.2 Customer will not, and will not permit others to: (i) sell, distribute, lease, license, sublicense or otherwise disseminate the GGe4 Services or any portion thereof; (ii) copy, modify, enhance, translate, supplement, create derivative works from, reverse engineer, decompile or otherwise reduce to human-readable form the GGe4 Services or any portion thereof; (iii) use altered versions of the GGe4 Services or portion thereof; (iv) use, operate or combine the GGe4 Services or any related software, materials or documentation, or any derivative works thereof with other products, materials or services in a manner inconsistent with this GGe4 Addendum or the Agreement; or (v), other than that intended by its nature, use the GGe4 Services, or any portion thereof, as a standalone or non-integrated program. Customer will not permit others to access the GGe4 Services, any related software, materials or documentation, or derivative works thereof. Customer will not remove, alter, modify, relocate or erase any copyright notice or other legend(s) denoting BAMS' or other third parties' proprietary interests in the GGe4 Services.
- 5.3 BAMS reserves the right to alter, immediately suspend or upon notice terminate the GGe4 Services in the event Customer violates the terms of this GGe4 Addendum, the Agreement or if BAMS terminates any agreement with third parties that are involved in providing the GGe4 Services, or BAMS is otherwise unable to continue to provide the GGe4 Services.
- 5.4 **Software Updates.** From time to time BAMS may release updates ("*Updates*") to the Software, which must be installed and integrated with Customer's systems within 30 days of receipt of such Updates. Customer acknowledges that failure to install Updates in a timely fashion may impair the functionality of the GGe4 Services, and associated Services provided under the Agreement and accessed through the GGe4 Services. BAMS will have no liability for Customer's failure to properly install the most current version of the Software or any Update, and will have no obligation to provide support or services for outdated versions of the Software.
- 5.5 **Software Return/Destruction.** Upon termination or expiration of this GGe4 Addendum, all licenses granted hereunder will immediately terminate and Customer will either return or destroy the Software, certifying such destruction in writing to BAMS.

TRANSARMOR SERVICES ADDENDUM TO AGREEMENT

THIS TRANSARMOR SERVICE ADDENDUM ("TransArmor Addendum" among State of New Hampshire ("Customer"); Banc of America Merchant Services, LLC ("BAMS"); and Bank of America, N.A. ("Bank") (collectively BAMS and Bank are the "Servicers"); and supplements the Agreement for Merchant Card Processing Services ("Agreement") between Customer and BAMS.

- 1. Definitions.** Capitalized terms used but not defined in this TransArmor Addendum are defined in the Agreement.
- 2. TransArmor Services.** The "TransArmor Services" will provide Customer with (a) encryption of point-of-sale data, including, historical transaction data, card number, and track 1 and track 2 magnetic stripe data, related to payments or non-monetary electronic transactions (e.g., loyalty transactions) when such data is uploaded and sent to BAMS for processing; and (b) tokenization of the authorization response that BAMS provides to Customer in connection with processing the point-of-sale or non-monetary, electronic transaction data Customer submits by converting and replacing BAMS' authorization response data with a token value (a "Token"). The TransArmor Services are incorporated within the term Services in the Agreement. BAMS will provide Customer with an encryption key that must be used to encrypt Card data upon upload for transmission to BAMS in connection with the TransArmor Services. Customer may not use encryption keys that BAMS does not provide to Customer in connection with the TransArmor Services. The TransArmor Services are for Customer's internal business use only and apply only to Card transactions that Customer sends to BAMS for authorization and settlement pursuant to this TransArmor Addendum and the Agreement.

TransArmor Services do not include, and specifically exclude, point-of-sale data or authorization responses processed in connection with electronic check transactions, closed-loop gift card transactions, STAR contactless transactions read in contactless mode, WEX transactions, Voyager transactions, or other Card transaction types that BAMS determines are not capable of being tokenized using the TransArmor Services. Further, the TransArmor Services are provided to Customer by BAMS and not Bank. Bank is not a party to this TransArmor Addendum insofar as it applies to the TransArmor Services, and Bank is not liable to Customer in any way with respect to the TransArmor Services. For the purposes of this TransArmor Addendum, the words "we", "our" and "us" refer only to the BAMS and not the Bank.

Use of the TransArmor Services does not cause Customer to be compliant with, or eliminate Customer's obligation to comply with, the data security requirements or Card Organization Rules as set forth in the Agreement or Bankcard Addendum. Use of the TransArmor Services does not eliminate the risk of, and is not a guaranty against, an unauthorized breach of Customer's Merchant Systems. Customer must implement the TransArmor Services according to the Operating Guide, which includes, without limitation, (i) implementing the services throughout Customer's Merchant Systems involved in the Services, (ii) replacing existing Card numbers within Customer's Merchant Systems involved in the Services with Tokens, and (iii) complying with applicable data security standards and reviews set forth in the Agreement and Card Organization Rules. Customer must implement any upgrades to the TransArmor Services within a commercially reasonable period of time after receiving the updates. Customer may not retain Card account numbers following implementation of the TransArmor Services and must use Tokens in lieu of Card account numbers for all activities related to the Services provided by BAMS subsequent to receipt of a Token associated with a Card transaction; including, without limitation, settlement, retrieval, chargeback and adjustment processing and transaction reviews. Customer may only use Merchant Systems, gateways or VARs that are certified for use with the TransArmor Services. If Customer submits Card transactions as batch files for processing, Customer must use batch file processing services, truncated report viewing and data extract creation tools provided by BAMS in connection with the TransArmor Services.

- 3. TransArmor Limited Warranty.** BAMS warrants that the Token returned to Customer as a result of using the TransArmor Service cannot be used to initiate a financial sale transaction by an unauthorized entity/person outside Customer's Merchant Systems involved in BAMS' payment processing (the "TransArmor Limited Warranty"). The TransArmor Limited Warranty applies only to authorization responses for which BAMS returns a Token to Customer and the subsequent use of such Token to initiate a financial sale transaction as described in the TransArmor Limited Warranty. To be eligible for the TransArmor Limited Warranty, Customer must obtain authorization and settlement processing services from BAMS and must be in compliance with the terms of Customer's Agreement and this TransArmor Addendum.

BAMS will indemnify and hold Customer harmless from direct damages, including third party claims, resulting from BAMS' breach of the TransArmor Limited Warranty; provided, in no event will BAMS' cumulative liability for its breach of the TransArmor Limited Warranty exceed the lesser of (i) the limitation of liability set forth in the Agreement or (ii) \$100,000. The indemnity obligation set forth in the preceding sentence is Customer's express and sole remedy for BAMS' breach of the TransArmor Limited Warranty. BAMS will not be liable under any theory at law or in equity for any special, indirect,

State of New Hampshire
Department of Administrative Services
Bureau of Purchase and Property

incidental, consequential (including lost profits, revenue or business opportunities), exemplary or punitive damages in connection with a breach of the TransArmor Limited Warranty, regardless of whether such damages were foreseeable or Customer was advised of the possibility of such damages. The TransArmor Limited Warranty is void if Customer (a) fails to comply with the Operating Guide for the tokenization process, the terms of this TransArmor Addendum or the Agreement, or (b) is grossly negligent or engage in willful misconduct with respect to the tokenization process or use of a Token. The TransArmor Limited Warranty and BAMS' indemnity obligations and limitations related to it are independent of the parties' data security or confidentiality obligations set forth in the Agreement.

4. **Fees.** Fees and the payment of fees for the TransArmor Services will be as set forth in the Exhibit B (Schedule A).
5. **TransArmor Services Disclaimer.** EXCEPT AS EXPRESSLY PROVIDED IN THIS ADDENDUM, BAMS MAKES NO REPRESENTATIONS OR WARRANTIES (EXPRESS OR IMPLIED) WITH REGARD TO THE TRANSARMOR SERVICES, INCLUDING, WITHOUT LIMITATION, NON-INFRINGEMENT BY THE TRANSARMOR SERVICES OR THAT THEY WILL FUNCTION UNINTERRUPTED OR ERROR-FREE; AND ANY AND ALL SUCH REPRESENTATIONS OR WARRANTIES (EXPRESS OR IMPLIED) ARE DISCLAIMED AS SET FORTH IN THIS ADDENDUM AND THE Agreement.
6. **Intellectual Property.** BAMS grants to Customer a non-transferable, non-assignable, non-exclusive, revocable sub-license during the term of this TransArmor Addendum to use the TransArmor Services, and the associated trademarks or service marks identified in the Operating Guide, within the United States and subject to the terms of this TransArmor Addendum and the Agreement. Customer has no right, title or interest in or to the TransArmor Services, any related software, materials, documentation, or derivative works thereof; and nothing in this TransArmor Addendum or the Agreement assigns, transfers or creates any such right, title or interest for Customer (whether express or implied, or by implication, estoppel or otherwise); and any rights associated with the TransArmor Services that are not expressly granted by BAMS within this TransArmor Addendum are withheld. Customer will not take any action inconsistent with the ownership, title or license rights associated with the TransArmor Services. Customer will not file any action, in any forum, challenging ownership of the TransArmor Services, any related software, materials, documentation or derivative works thereof. Breach of this Section constitutes a material breach of this TransArmor Addendum and the Agreement, and BAMS may immediately suspend or terminate Customer's use of the TransArmor Services, this TransArmor Addendum or the Agreement in the event of such breach.

Customer will not, and will not permit others to: (i) sell, distribute, lease, license, sublicense or otherwise disseminate the TransArmor Services or any portion thereof; (ii) copy, modify, enhance, translate, supplement, create derivative works from, reverse engineer, decompile or otherwise reduce to human-readable form the TransArmor Services or any portion thereof; (iii) use altered versions of the TransArmor Service or portion thereof; (iv) use, operate or combine the TransArmor Service or any related software, materials or documentation, or any derivative works thereof with other products, materials or services in a manner inconsistent with this TransArmor Addendum or the Agreement; or (v) use the TransArmor Services, or any portion thereof, as a standalone or non-integrated program. Customer will not remove, alter, modify, relocate or erase any copyright notice or other legend(s) denoting BAMS' or other third parties' (if any) proprietary interest in the TransArmor Services.

agrees that an Authorization by Processor only indicates the availability of sufficient value on a Gift Card account at the time of Authorization and does not warrant that the person presenting the Gift Card or Gift Card Number is authorized to use such Gift Card or Gift Card Number.

e) Processor shall provide an IVR, twenty-four (24) hours per day, seven (7) days per week, through which Client and Gift Card Holders may obtain Gift Card balances.

f) Processor shall provide a Gift Card product support help desk through which Client may process selected non-financial transactions under the Program. Support is currently available Monday through Friday, 8:00 a.m. to 8:00 p.m. Eastern Time (excluding holidays). The hours and days of support are subject to change at any time; provided that (i) Processor will provide advance notice of any change in the hours and days; and (ii) the total number of hours shall not be less than 40 in any regular work week (excluding holidays).

g) Processor will provide Client with Gift Card transaction reports, accessible by Client through a designated Internet site. Processor will maintain reports on the Internet site for Client's use for a period of six (6) months. Processor may, in its discretion, provide additional or custom reports or report formats, as may be requested by Client from time to time, at a fee to be determined by Processor.

h) Client will at all times own all right, title and interest in and to all Gift Card Data generated under the Program. During the term, Processor will retain the Gift Card Data for each Gift Card on the Database for a period of twenty-four (24) months following the date that the account balance reaches zero. Thereafter, during the term, Processor may remove the Gift Card Data from the Database and archive such Gift Card Data in any manner determined by Processor in its reasonable business judgment. Notwithstanding the foregoing, within ninety (90) days of Client's written request, during the first twelve (12) months following the expiration or termination of the Gift Card Services, Processor will compile a data report of the Gift Card Data stored in the Database, in Processor's standard format, at a fee to be determined by Processor. Processor shall deliver Client's Gift Card Data to Client in a mutually agreeable format. Processor shall have no obligations with respect to Client's Gift Card Data following delivery to Client.

i) Client may choose additional Enhanced Features from time to time pursuant to the Enhanced Features set-up form and Client expressly authorizes Processor, and Processor agrees, to provide Services with respect to Gift Cards sold and activated by third party distributors. As between Processor and Client, Client shall be responsible for any acts or omissions of each third party distributor in connection with the sale or activation of any Cards. Client and Processor agree that Processor shall not be deemed to have failed to provide Services outlined herein with respect to any Card sold and activated by any third party distributor, including through any Designated Location, to the extent any such failure by Processor is caused in whole or in part by any failure of any third party distributor or Client to provide to Processor information regarding the sale and activation of such Card that is accurate, complete, timely and formatted in accordance with Processor's instructions and specifications in all respects. Additional fees and charges may apply, including separate third party fees, for any Enhanced Features chosen by Client. Client may only work with Processor approved third party distributors.

4. Responsibilities of Client. The responsibilities of Client are set forth below and else-where in this Agreement.

a) Client will accept for processing any transaction initiated by one of its customers using a Gift Card pursuant to the Services without discrimination with regard to the customer who initiated the transaction.

b) Client will securely maintain all transaction records and other records required by law or regulation to be maintained in connection with the operation of the Gift Card Equipment or the Program. Client will download and securely store any and all Gift Card transaction reports for future reference. In the event that Client needs a report for a period past such six (6) months, Processor may provide such requested report to Client at a fee to be determined by Processor.

c) Client will make its personnel and records available to Processor, its agents and contractors, all within such time and in such forms or manner as may be reasonably necessary to enable Processor to perform the Services promptly and in an efficient manner.

d) Client shall be responsible, at its sole cost and expense, for the sale and other distribution of Gift Cards to Gift Card Holders and for any marketing or advertising of the Program.

e) Client shall obtain, operate and maintain, at its sole cost and expense, all Gift Card Equipment required to enable Client and Affiliated Issuers to electronically transmit Gift Card Data in accordance with Processor's specifications from all Designated Locations to the Database.

f) Client is solely responsible for obtaining Authorization in advance of each transaction. Client is solely responsible for any losses it may incur in conducting transactions when an Authorization is not obtained, including, without limitation, transactions conducted when

the Database or the Gift Card Equipment is not in service. Client assumes all risk of erroneous or fraudulently obtained Authorizations, unless such erroneous or fraudulently obtained Authorization is caused directly by Processor. Client understands and agrees that an Authorization by Processor only indicates the availability of sufficient value on a Gift Card account at the time of Authorization and does not warrant that the person presenting the Gift Card or Gift Card Number is authorized to use such Gift Card or Gift Card Number. Client is responsible for the accuracy of all data transmitted by it for processing by Processor.

g) Client shall be responsible for accessing and comparing the reports supplied by Processor to its own records and promptly notifying Processor of any necessary adjustments to Gift Card accounts. Client acknowledges that Processor will make adjustments to Gift Card accounts pursuant to Client's instructions, and Processor shall have no liability for any errors to Gift Card accounts that are made in accordance with Client's instructions.

h) Client shall comply and shall ensure that all Affiliated Issuers comply with all laws and regulations applicable to the Program. Client acknowledges and agrees that it is solely responsible for interpreting all laws and regulations applicable to the Program, for monitoring changes in laws and regulations applicable to the Program, and for determining the requirements for compliance with laws and regulations applicable to the Program. Processor shall be entitled to rely upon and use any and all information and instructions provided by Client for use in performing the Services, and Processor shall have no liability whatsoever for any noncompliance of such information or instructions with laws or regulations.

i) As between Client and Processor, Client shall bear all risk related to the loss or theft of, alteration or damage to, or fraudulent, improper or unauthorized use of any Gift Card, Gift Card Number or PIN: (i) in the case of Gift Cards ordered through Processor, upon delivery of such Gift Cards to Client or Client's Designated Location, as applicable, and (ii) in the case of Gift Cards obtained by Client from a Person or Gift Cards which Client requests to be delivered in a pre-activated state, whether such loss occurs before or after delivery of such Gift Cards to Client or Client's Designated Location.

j) Processor and Client agree that during the term: (i) Processor will be the sole and exclusive provider of the Services to Client and its Affiliated Issuers; and (ii) Client will not directly or indirectly either itself or through a Person, offer or promote any other proprietary, closed network, online Gift Card or similar access device.

k) Client may allow Affiliated Issuers to participate in the Program; provided, however that (i) Client shall be responsible for ensuring that all Affiliated Issuers comply with the terms and conditions of this Agreement and the separate Affiliated Issuer Agreement, and (ii) Client shall be jointly and severally liable for all fees and other amounts payable to Processor in connection with any activities of Affiliated Issuers related to this Agreement, including but not limited to Gift Card transactions.

l) Client is responsible for any settlement of funds among Affiliated Issuers and Designated Locations.

5. Fees and Payment. In addition to all other rights we have under this Agreement, Client shall pay Processor the fees set forth on the Gift Card Set-Up Form. Client shall also be responsible for the payment of any taxes imposed by any applicable governmental authority in connection with any products or services covered by this Agreement (other than those taxes based solely on the net income of Processor). All fees for the Services shall be paid via an ACH transfer of funds from a bank account designated by Client. To authorize the ACH transfers, Client agrees to execute the ACH Authorization on the Gift Card Set-Up Form. In the event that fees cannot be collected from Client as set forth above, Processor reserves and may exercise all other rights to collect any fees due.

6. Term and Termination.

a) This Agreement shall begin upon the Effective Date and shall continue pursuant to the Term of the Agreement.

b) The provision of Gift Card Services may be terminated at any time: (i) by either party in the event that the other materially breaches any term or condition of this Agreement and fails to cure such breach within thirty (30) days of written notice of such breach from the non-breaching party; (ii) by Processor if Client fails to pay any amount due within ten (10) Business Days after written notice to Client of its failure to pay such amount; (iii) by Processor upon written notice to Client in the event that Client's operation of the Program results in a violation of law or regulation (by Client, an Affiliated Issuer or Processor); (iv) by Client if Processor increases its rates under Section 4 above and Client provides thirty (30) days written notice of termination within thirty (30) days of receiving notice of said increase; or (v) by either party upon written notice to the other after the filing by the other of any petition in bankruptcy or for reorganization or debt consolidation under the federal bankruptcy laws or under any comparable law, or upon the other party's making of an assignment of its assets for the benefit of creditors, or upon the application of the other party for the appointment of a receiver or trustee of its assets.

c) If (i) the Gift Card Services are terminated for any reason other than Processor's material breach prior to the expiration of the Initial Term, or (ii) Client suspends or terminates the Program prior to the expiration of the Initial Term except as provided for in Section 5 (a) (iv), nothing in this subsection shall prohibit or limit Processor's right to recover damages or any other amounts due and owing Processor in the

event that the Gift Card Services are terminated by Processor due to a breach by Client or shall be deemed to waive or otherwise limit Client's obligations under this Agreement.

d) If requested by Client, Processor may, in its sole and absolute discretion, continue to provide the Services for all previously issued and unexpired (if applicable) Gift Cards for up to twelve (12) months following the termination of the Gift Card Services; provided, however, that Processor shall not activate any new Gift Cards after the effective date of termination. Processor's obligation to provide continuing Services after termination is contingent upon Client's agreement to pay for such Services and to conduct its operations in accordance with the terms of this Agreement, and Processor may require advance payment for some portion or all of the estimated cost of such Services to be provided after termination.

e) Termination of the Gift Card Services shall not affect Client's obligation (including any obligation incurred by an Affiliated Issuer) to pay for services rendered or obligations due or owing under this Agreement prior to termination.

f) The provisions of Sections 3 (f), (g), (h), (i), (k) and (l), and Sections 4, 5 (a), 5 (b), 5(c), and 6 hereof shall survive any termination of this Agreement.

7. Indemnification.

Processor shall indemnify and hold harmless Client and its directors, officers, employees, agents and Affiliate Issuers from and against any and all third party Claims to the extent that any such Claim is caused by or arises out of: (i) any failure of Processor to comply with any law or regulation applicable to the Program; or (ii) any error in the Database, unless the error is caused by incorrect information submitted by Client or is otherwise made in accordance with Client's instructions.

8. Patents, Copyrights, Intellectual Property, etc. Client shall have no interest whatsoever, including copyright interests, franchise interests, license interests, patent rights, property rights or other interest in the Services provided hereunder. These provisions are not to be construed as granting to Client any patent rights or patent license in any patent, which may be obtained in respect of the Services. Artwork created by Processor on behalf of Client remains the property of Processor. Client retains ownership of any artwork supplied to Processor.

9. Limitation of Liability; Disclaimer of Warranties. NOTWITHSTANDING ANY PROVISION IN THIS AGREEMENT TO THE CONTRARY, PROCESSOR'S CUMULATIVE AGGREGATE LIABILITY FOR ANY LOSSES, CLAIMS, SUITS, CONTROVERSIES, BREACHES, OR DAMAGES ARISING OUT OF RELATED TO THIS AGREEMENT FOR ANY CAUSE WHATSOEVER, REGARDLESS OF THE FORM OF ACTION OR LEGAL THEORY, SHALL BE LIMITED TO THE ACTUAL DIRECT DAMAGES SUFFERED BY CLIENT AND, IN ANY EVENT, SHALL NOT EXCEED THE LESSER OF (I) THE AMOUNT OF FEES PAID TO PROCESSOR BY CLIENT UNDER THIS AGREEMENT DURING THE TWELVE (12) MONTHS PRIOR TO THE DATE THAT THE LIABILITY ARISES, OR (II) TWENTY THOUSAND DOLLARS (\$20,000).
