NH DIVISION OF Public Health Services
Improving health, preventing disease, reducing costs for all

Jeffrey A. Meyers
Commissioner

Lisa Morris, MSSW
Director

May 24, 2017

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to enter into **sole source** amendments with the vendors listed in the table below for the provision of primary care services as well as breast and cervical cancer screening services by increasing the total price limitation by $2,676,590 from $19,097,180 to $21,773,770 and extending the completion date from June 30, 2017 to March 31, 2018 upon Governor and Executive Council approval. 73.27% General Funds / 26.73% Federal Funds

The original contracts were approved by the Governor and Executive Council in 2012. The Department exercised a one (1) year renewal in 2014 and sole source extensions in 2015. In 2016, some contracts were amended due to budget line item adjustments or price limitation reductions that were approved by the Office of the Attorney General or by Governor and Executive Council as indicated below.

The Department is seeking to extend the contracts for nine (9) months in order to allow time to complete a Request for Proposals for Primary Care Services, statewide. The Governor and Executive Council approved the original contracts and subsequent amendments as follows:

Vendor & Vendor Number	Location	G&C Approval	Amended	Current Budget	Increase/ (Decrease)	Modified Budget Amount

Funds are anticipated to be available in the following accounts for State Fiscal Year 2018.

05-95-90-902010-5190 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF POPULATION HEALTH AND COMMUNITY SERVICES, MATERNAL AND CHILD HEALTH

05-95-90-902010-5659 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF POPULATION HEALTH AND COMMUNITY SERVICES, COMPREHENSIVE CANCER

05-95-049-491510-2990 DEPARTMENT OF HEALTH AND HUMAN SERVICES, BUREAU OF DRUG AND ALCOHOL SERVICES, CLINICAL SERVICES

Please see attachment for fiscal details.

EXPLANATION

These amendments are **sole source** because the Department is increasing the price limitation in excess of 10% of the contract price limitations. Additionally, the Department is extending contract completion dates for nine (9) months during which time the Department will be issuing a Request for Proposals for primary care services, statewide. The nine-month extension will allow time for vendors to submit proposals and for the Department to negotiate contracts without interruption in primary care services provided to the citizens of New Hampshire.

This package includes sixteen (16) of sixteen (16) contracts being amended.

Community health centers provide primary health care services that include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. These vendors deliver primary and preventive health care services to underserved people who face barriers to accessing health care due to issues such as a lack of insurance, inability to pay, language barriers and geographic isolation.

In addition to medical care, community health centers are unique among primary care providers for the array of enabling patient-centered services such as care coordination, translation services, transportation, outreach, eligibility assistance, and health education. These services assist individuals to overcome barriers to obtaining the care they need to achieve their optimal health.

Breast and cervical cancer screening services are provided as part of the preventative health care services in the community health care centers. Breast and cervical cancer screening services include clinical examinations, pap smears and referral for mammography. Through these services, individuals with abnormal test results receive additional coverage or diagnostic work-ups and, if necessary, coordination of care from initial diagnosis through obtaining necessary treatment.

A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. This request includes three (3) vendors who provide primary care and universal screening services to homeless individuals, who otherwise would have no access to health care. These agreements provide funds to community health centers for services as a last resort. Vendors are required to make every effort to bill all other payers including but not limited to private and commercial insurances, Medicare, and Medicaid prior to billing the Department through these contracts.

Should Governor and Executive Council not authorize this request, low-income individuals statewide may not have adequate access to primary care services. Some women may not receive recommended breast and cervical cancer screenings, which would increase their risk of having an untreatable stage of cancer. Additionally, undetected alcohol and drug misuse could result in increases of alcohol and drug related accidents and deaths, which would negatively impact NH citizens.

Area Served: Statewide.

Source of Funds: 73.27% General Funds

26.73% Federal Funds (CFDA #93.959, Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA) Block Grants for Prevention and Treatment of Substance Abuse. FAIN #T1010035-14; CFDA #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds. State of New Hampshire
Department of Health and Human Services
Amendment #3 to the Primary Care Services Contract

This 3rd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #3") dated this, 1st day of May, 2017 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Ammonoosuc Community Health Services, Inc. (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 25 Mount Eustis Road, Littleton, New Hampshire 03561.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #128), amended by an agreement (Amendment #1 to the Contract) approved on May 8, 2014 (Item #34A), as amended by an agreement (Amendment #2 to the Contract) approved on June 24, 2015 (Item #58), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 of the Agreement, the State may amend the contract terms and conditions by written agreement of the parties and approval of the Governor and Executive Council; and

WHEREAS, the parties agree to extend the contract for nine (9) months; change the scope of services; performance measures; and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:
   March 31, 2018
2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:
   $1,360,744
3. Add Exhibit A- Amendment #3, Scope of Services.
4. Add Exhibit A-1 – Amendment #3, Performance Measures
5. Add Exhibit B – Amendment #3, Method and Conditions Precedent to Payment.
6. Add Exhibit B-1 – Amendment #3 MCHS Budget.
7. Add Exhibit B-2 – Amendment #3, BCCP Budget.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Title:

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. Office-based and enabling **Primary Care** services shall be provided individuals and families who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income, which is defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. **Breast and Cervical Cancer Screening** Services shall be provided to women ages twenty-one(21) through sixty-four (64) who are:

1.5.1. Uninsured.

1.5.2. Underinsured.

1.5.3. Low-income, which is defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.6. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.6.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.6.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.6.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care or Breast and Cervical Cancer Screening Services for new patients is limited or closed for more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

2.2. The Contractor shall assist individuals with completing a Medicaid/Expanded Medicaid or other health insurance application when income calculations indicate possible eligibility.

2.3. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.4. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.4.1. Update the sliding fee scale on an annual basis when new Federal Poverty Guidelines are released.

2.4.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services.

3.1.2. Perinatal services, including but not limited to access to obstetrical services either on-site or by referral.

3.1.3. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.1.4. Integrated Behavioral Health Services.

3.1.5. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.1.6. Assessment of need and follow-up/referral as indicated for:

3.1.6.1. Tobacco cessation, including referral to QuitWorks-NH, www.QuitWorksNH.org.

3.1.6.2. Social services.

3.1.6.3. Chronic Disease management, including disease specific referral and self-management education, which may include, but is not limited to referral to Diabetes Self-

Management Education (DSME), as recommended by the American Diabetes Association.

3.1.6.4. Nutrition services, including WIC, as appropriate.

3.1.6.5. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.1.6.6. Screening, Brief Intervention and Referral to Treatment (SBIRT) services, including but not limited to contact with the Regional Public Health Network Continuum of Care Development Initiative.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which includes but is not limited to access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.3. The Contractor shall provide enabling services, which are non-clinical services that support the delivery of basic primary care and services, and facilitate access to comprehensive patient care as well as social services. The Contractor shall facilitate enabling services that include, but are not limited to:

3.3.1. Case management, which may include but is not limited to, care facilitated by registries; information technology; health information exchanged; and other services that ensure patients receive necessary care when and where it is needed and wanted 8in a culturally and linguistically appropriate manner.

3.3.2. Benefit counseling.

3.3.3. Eligibility assistance.

3.3.4. Health education and supportive counseling.

3.3.5. Interpretation.

3.3.6. Outreach, which may include but is not limited to the use of community health workers.

3.3.7. Transportation.

3.3.8. Education of patients and the community regarding the availability and appropriate use of health services.

4. Breast and Cervical Cancer Screening Services

4.1. The Contract shall develop work plans based on performance measures in Exhibit A-1 – Amendment #3 that include activities related to:

4.1.1. The provision of breast and cervical cancer screening.

4.1.2. The promotion of breast and cervical cancer screening.

4.2. The Contractor shall implement evidence-based interventions outlined in the Centers for Disease Control and Prevention Guide to Community Preventative Services (http://www.thecommunityguide.org/index/html) to support the provision and promotion of breast and cervical cancer screening rates, including but not limited to provider reminder systems and patient reminders.

4.3. The Contractor shall provide breast and cervical cancer screening for the early detection of breast and cervical cancer in accordance with the policies and procedures outlined in the BCCP Policy and Procedure Manual, following nationally accepted screening recommendations. Screenings shall include but not be limited to:

4.3.1. Clinical pelvic examinations.

4.3.2. Clinical breast examinations.

4.3.3. Mammograms.

4.3.4. Pap and HPV tests, if appropriate.

4.3.5. Referrals for diagnostic and treatment services, as necessary.

4.4. The Contractor shall provide services to the number of individuals as follows:

4.4.1. 75% of all mammograms shall be provided to women ages fifty (50) to sixty-four (64) at all screening sites.

4.4.2. A maximum of 25% of all mammograms shall be provided to women under the age of fifty (50) at all screening sites.

4.4.3. 20% of newly enrolled women for Pap tests shall be provided at all screening sites to women who have not had a Pap test in over five (5) years.

4.5. The Contractor shall ensure all referrals are made in accordance with the minimum standards outlined in the BCCP Policy and Procedure Manual to facilities that provide approved and certified laboratory, pathology, radiology and surgical services. The Contractor shall ensure:

4.5.1. Mammography units are accredited by the American College of Radiology and FDA certified under MQSA.

4.5.2. Laboratories are CLIA certified.

4.6. The Contractor shall ensure all services and case management activities are completed in accordance with the BCCP Policy and Procedure Manual, including but not limited to follow-up and tracking of all client tests results and referrals.

4.7. The Contractor shall provide screening promotion for all eligible individuals, which includes, but is not limited to:

4.7.1. Patient navigation services that assist individuals to overcome health systems barriers and facilitate timely access to:

4.7.1.1. Quality breast and cervical cancer screening.

4.7.1.2. Breast and cervical cancer diagnostics.

4.7.1.3. Initiation of breast and cervical cancer treatment, when applicable.

4.7.1.4. Assurance that patient navigation services are terminated when the patient:

4.7.1.4.1. Completes screening and has normal results.

4.7.1.4.2. Completes diagnostic testing and has normal results.

4.7.1.4.3. Initiates breast and/or cervical cancer treatment or refuses treatment.

4.7.2. Patient navigation services shall include, but not be limited to:

4.7.2.1. A written assessment of individual client barriers.

4.7.2.2. Client education and support.

4.7.2.3. Assistance with resolving client barriers, including but not limited to transportation and translation services, as appropriate.

4.7.2.4. Tracking and follow-up to monitor client progress in completing screening, diagnostic testing, and initiation of treatment, as needed.

4.7.2.5. A minimum of two contacts with the client, either in person or by telephone.

4.7.2.6. Collecting data to evaluate the primary outcomes of patient navigation, which shall include adherence to screening, diagnostic testing and cancer treatment initiation.

4.7.2.7. Tracking of patients lost to follow-up, as appropriate.

5. Quality Improvement

5.1. The Contractor shall conduct a minimum of two (2) quality improvement projects which consist of systematic and continuous actions that lead to measurable improvement in health care services and the health status of targeted patient groups. The Contractor shall ensure:

5.1.1. One (1) quality improvement project focuses on the performance measure as designated by the Department.

5.1.2. One (1) quality improvement project is based on previous performance outcomes needing improvement, as selected by the Contractor.

5.2. The Contractor shall utilize Quality Improvement (QI) science to develop and implement a QI Workplan for each QI project, which shall include but not be limited to:

5.2.1. Specific goals and objectives for the project period.

5.2.2. Evaluation methods to demonstrate improvements in the quality, efficiency, and effectiveness of patient care.

5.3. The Contractor may utilize activities in QI projects that enhance clinical workflow and improve patient outcomes, which may include but are not limited to:

5.3.1. EMR prompts/alerts.

5.3.2. Protocols/Guidelines.

5.3.3. Diagnostic support.

5.3.4. Patient registries.

5.3.5. Collaborative learning sessions.

6. Staffing

6.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH licenses whether directly employed, contracted or subcontracted.

6.2. The Contractor shall employ a medical services director with special training and experience in primary care services who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

6.3. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services in writing and include a copy of the individual's resume, within thirty (30) days of hire.

6.4. The Contractor shall notify the MCHS, in writing, when:

6.4.1. Any critical position is vacant for more than thirty (30) days.

6.4.2. There is not adequate staffing to perform all required services for more than thirty (30) consecutive days or any sixty (60) nonconsecutive days.

6.5. The Contractor may deliver breast and cervical cancer screening navigation services through a combination of staff, which may include the provision of outreach and education by lay persons with clinical case management services provided by either:

6.5.1. A registered nurse who:

6.5.1.1. Is licensed with the NH Board of nursing; or

6.5.1.2. Has attained bachelor's degree from a recognized college or university.

6.5.2. A nurse who is working under the direct supervision of a registered nurse, as described in Section 6.5.1.

7. Coordination of Services

7.1. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

7.1.1. Community needs assessments.

7.1.2. Public health performance assessments.

7.1.3. The development of regional health improvement plans.

7.2. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

8. Required Meetings & Trainings

8.1. The Contractor shall attend meetings and trainings facilitated by the MCHS and BCCP programs that include, but are not limited to:

8.1.1. MCHS Agency Directors' meetings.

8.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year.

8.1.3. MCHS Agency Medical Services Directors' meetings.

8.1.4. BCCP Site Coordinators' annual meetings.

9. Workplans, Outcome Reports & Additional Reporting Requirements

9.1. The Contractor shall provide an annual BCCP Performance Workplan and Workplan Outcomes Report according to the schedule and instructions provided by the BCCP, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule.

9.2. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a corrective action plan per directions from MCHS.

9.3. The Contractor shall submit a Performance Measure Outcome Report, which details the plan for improvement when a performance measure targeted goal is not met.

9.4. The Contractor shall submit an annual Workplan for the two (2) quality improvement projects that demonstrate improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.5. The Contractor shall submit at least one (1) annual Workplan that includes a detailed description of the enabling services funded by this contract. This shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.6. The Contractor shall collect and submit the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st of each contract year.

9.7. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

9.8. The Contractor shall submit an annual report on April 30th in each year a contract amendment or renewal is not required that includes, but is not limited to:

9.8.1. DPHS Budget Form.

9.8.2. Budget Justification.

9.8.3. Sources of Revenue.

9.8.4. Program Staff List, which includes staff titles

9.9. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9.10. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

9.10.1. Survey template.

9.10.2. Method by which the results were obtained.

10. On-Site Reviews

10.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

10.1.1. Systems of governance.

10.1.2. Administration.

10.1.3. Data collection and submission.

10.1.4. Clinical and financial management.

10.1.5. Delivery of education services.

10.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

10.2.1. Client records.

10.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

10.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Exhibit A-1 – Amendment #3

1. MATERNAL AND CHILD HEALTH SECTION (MCHS) PRIMARY CARE PERFORMANCE MEASURES

1.1. **Definitions**

1.1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

1.1.1.1. The calendar year, (January 1st through December 31st); or

1.1.1.2. The state fiscal year (July 1st through June 30th).

1.1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.1.4. **NQF** – National Quality Forum

1.1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.1.6. **UDS** – Uniform Data System

1.1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. **Breastfeeding**

2.1.1. **Percent of infants who are ever breastfed** (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. **Preventive Health: Lead Screening**

2.2.1. **Percent of children 3 years of age who had two or more capillary or venous lead blood test for lead poisoning by their third birthday.** (NH MCHS).

2.2.1.1. Numerator: All patient children who received at least one capillary or venous lead screening test between nine (9) months to eighteen (18) months of age **AND** one (1) capillary or venous lead screening test between nineteen (19) to thirty (30) months of age.

2.2.1.2. Denominator: All patient children who turned three (3) years old during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. **Preventive Health: Adolescent Well-Care Visit**

Contractor Initials: [illegible]
Date: 06/07/2017

2.3.1. **Percent of adolescents, 12 through 21 years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year** (HEDIS,).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients 12 years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. **Maternal Depression Screening**

2.4.2.1. **Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative PLUS women who screened positive AND have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

2.5.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (NQF 0421, UDS).

2.5.1.1. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

2.5.1.2. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.4. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year or prior year AND who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco use one or more times during their most recent visit OR within twenty-four (24) months of the most recent visit and received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. **Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user** (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who delivered a live birth in the measurement year.

2.6.2.4. Definitions:

2.6.2.4.1. Tobacco Use: Includes any type of tobacco

2.6.2.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

2.7. **At Risk Population: Hypertension**

2.7.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90mmHG) during the measurement year** (NQF 0018).

2.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm HG at the time of their last measurement.

2.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension (must have been diagnosed with hypertension 6 or more months before the measurement date) who had at least one (1) medical visit during the measurement year. (Excludes pregnant women and patients with End Stage Renal Disease.)

2.8. **Patient Safety: Falls Screening**

2.8.1. **Percent of patients aged 65 years and older who were screened for fall risk at least once within 12 months** (NH MCHS).

2.8.1.1. Numerator: Patients who were screened for fall risk at least once within the measurement year.

2.8.1.2. Denominator: All patients aged 65 years and older seen by a health care provider within the measurement year.

2.9. **SBIRT**

2.9.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention and/or referral to services.

2.9.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.1.3. Denominator: Number of patients aged 18 years and older seen for annual/preventive visit within the measurement year.

2.9.1.4. Definitions:

2.9.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.9.1.4.2. Brief Intervention: Includes guidance or counseling.

2.9.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.9.2. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.3. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

2.9.4. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.5. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.9.6. Definitions:

2.9.6.1. Substance Use: Includes any type of alcohol or drug.

2.9.6.2. Brief Intervention: Includes guidance or counseling.

2.9.6.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A – Amendment #3, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov):
   2.1. #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds.
   2.2. #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #3, Scope of Services, in accordance with Exhibit B-1 Amendment #3 through Exhibit B-2 Amendment #3.
4. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
5. Payment for said services shall be made as follows:
   5.1. The Contractor will submit an invoice by the tenth (10^{th}) working day of each month, which identifies and requests reimbursement for authorized expenses incurred in the prior month.
   5.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   5.3. The invoice must be submitted by mail or e-mail to:

   Financial Manager
   Department of Health and Human Services
   129 Pleasant Street
   Concord, NH 03301

   E-mail: dphscontractbilling@dhhs.state.nh.us
6. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.
7. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
8. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
9. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #3 through Exhibit B-2 Amendment #3 and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

Independent Auditors' Report on Financial Statements

Board of Directors
Ammonoosuc Community Health Services, Inc.
Littleton, New Hampshire

We have audited the accompanying financial statements of Ammonoosuc Community Health Services, Inc., which comprise the balance sheets as of June 30, 2014 and 2013, and the related statements of operations, and changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards,* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ammonoosuc Community Health Services, Inc. as of June 30, 2014 and 2013, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and related notes are presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 24, 2014, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and important for assessing the results of our audit.

Concord, New Hampshire

(See accompanying notes to these financial statements)

AMMONOOSUC COMMUNITY HEALTH SERVICES, INC.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2014 AND 2013

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Ammonoosuc Community Health Services, Inc., "the Organization", is a non-stock, non-profit corporation organized in New Hampshire. The Organization is a Federally Qualified Health Center (FQHC) which provides a number of preventative health programs to the communities of Franconia, Littleton, Woodsville, Warren, and Whitefield.

Income Taxes

The Organization is a public charity under Section 501(c)(3) of the Internal Revenue Code. As a public charity, the Organization is exempt from state and federal income taxes on income earned in accordance with its tax exempt purpose. Unrelated business income is subject to state and federal income tax. Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the financial statements. Management believes the Organization is no longer subject to income tax examinations for years prior to 2011.

Use of Estimates

The Organization uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits, petty cash funds and investments with a maturity of three months or less, and exclude amounts whose use is limited by Board designation or other arrangements, including loan and trust agreements.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounts Receivable

Accounts receivable related to medical services are reduced by an allowance for uncollectible accounts. In evaluating the collectability of accounts receivable, the Organization analyzes its past history and identifies trends for funding source in the aggregate. Management regularly reviews data about revenue and collections in evaluating the sufficiency of the allowance for uncollectible accounts. Amounts not collected after all reasonable collection efforts have been exhausted are applied against the allowance for uncollectible accounts. An allowance for uncollectible accounts related to the Organization's pharmacy accounts receivable is not deemed necessary as patient payments are required prior to the drugs being provided and the high collectability of the insurance balances.

A reconciliation of the allowance for uncollectible accounts at June 30, 2014 and 2013 follows:

	2014	2013
Balance, beginning of year	$ 146,350	$ 94,451
Provision for bad debts	53,896	134,511
Write-offs	(38,794)	(82,612)
Balance, end of year	$ 161,452	$ 146,350

Increase in allowance for uncollectible accounts is primarily a result of an increase in the patient portion of patient accounts receivable.

Inventory

Inventory consisting of pharmaceutical drugs are recorded at the lower of cost or market.

Assets Limited as to Use

Assets limited as to use include assets set aside as a reserve fund under a loan agreement for repairs and maintenance on the real property collateralizing the loan.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Beneficial Interest in Perpetual Trusts Held by Others

In 2002, the Organization became a beneficiary of an agency endowment fund at The New Hampshire Charitable Foundation, "the Foundation", by contributing the bequest received in 2001 to be held and administered by the Foundation for the benefit of the Organization. Income from the fund is used to support the operating expenses of the Organization.

In 2009, the Organization became a beneficiary of an agency endowment fund at the Foundation by contributing the contribution received in 2009 to be held and administered by the Foundation for the benefit of the Organization. Income from the fund is used to support palliative and hospice care.

Pursuant to the terms of the resolutions establishing the funds, property contributed to the Foundation are held as a separate funds designated for the benefit of the Organization.

In accordance with its spending policy, the Foundation makes distributions from the funds to the Organization. The distributions are approximately 4.03% of the market value of the fund per year. The Organization's interest in the funds are recognized as permanently restricted net assets with changes in fair value reported as part of unrestricted net assets.

Property and Equipment

Property and equipment are carried at cost, less accumulated depreciation. Maintenance repairs and minor renewals are expensed as incurred and renewals and betterments are capitalized. Depreciation is computed on the straight-line method and is provided over the estimated useful life of each class of depreciable asset.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are those whose use by the Organization has been limited by grantors or donors to a specific time-period or purpose. There were no temporarily restricted net assets at June 30, 2014 and 2013.

Permanently restricted net assets include net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on related investments for general or specific purposes. Permanently restricted net assets amounted to $62,301 at June 30, 2014 and 2013.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Patient Service Revenue

The Organization has agreements with third-party payers that provide for payments to the Organization at amounts different from its established rates. A summary of the payment arrangements with major third-party payers follows:

- Medicare -- Primary care services rendered to Medicare program beneficiaries are reimbursed under cost reimbursement methodology. The Organization is reimbursed at a tentative encounter rate with final settlement determined after submission of annual cost reports by the Organization and audits thereof by the Medicare fiscal intermediary. The Organization's Medicare cost reports have been retroactively settled by the Medicare fiscal intermediary through June 30, 2012.

- Vermont Medicaid -- Primary care services rendered to Vermont Medicaid program beneficiaries are reimbursed under cost reimbursement methodology. The Organization is reimbursed at a tentative rate with final settlement determined after submission of annual cost reports by the Organization and audits thereof by the Medicaid fiscal intermediary. The Organization's Vermont Medicaid cost reports have been retroactively settled by the Medicaid fiscal intermediary through June 30, 2011.

- Other payers -- The Organization also has entered into payment agreements with New Hampshire Medicaid, certain commercial insurance carriers, health maintenance Organizations and preferred provider Organizations. The basis for payment to the Organization under these agreements includes prospectively determined rates per visit, discounts from established charges and capitated arrangements for primary care services on a per member, per month basis.

Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. Compliance with such laws and regulations can be subject to future government review and interpretation as well as significant regulatory action including fines, penalties and exclusion from the Medicare and Medicaid programs. The Organization believes that it is in substantial compliance with all applicable laws and regulations. However, there is at least a reasonable possibility that recorded estimates could change by a material amount in the near term. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in net patient service revenues in the year that such amounts become known. The differences between amounts previously estimated and amounts subsequently determined to be recoverable from third-party payers increased (decreased) patient service revenues by approximately $18,061 and $(4,175) for the years ended June 30, 2014 and 2013, respectively.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The Organization, as a FQHC, is eligible to participate in the 340B Drug Pricing Program. The program requires drug manufacturers to provide outpatient drugs to FQHC's and other identified entities at a reduced price. The Organization operates a pharmacy under this program. The Organization's pharmacy dispenses drugs to eligible patients of the Organization and bills Medicare and commercial insurances. Gross revenue generated from the program is included in patient service revenue. Expenses related to the operation of the Organization's pharmacy are categorized in the applicable operating expense classifications.

Excess (Deficit) of Revenue Over Expenses

The statement of operations includes the excess (deficit) of revenue over expenses. Changes in unrestricted net assets, which are excluded from the excess (deficit) of revenue over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which by donor restriction were to be used for the purposes of acquiring such assets).

NOTE 2 ASSETS LIMITED AS TO USE

Assets limited as to use is comprised of cash and cash equivalents and consisted of the following at June 30, 2014 and 2013:

	2014	2013
United States Department of Agriculture Rural Development loan agreement reserve fund	$ -	$ 14,760

Cash and cash equivalents included in assets limited as to use are not considered cash and cash equivalents for cash flow purposes.

NOTE 3 BENEFICIAL INTEREST IN PERPETUAL TRUSTS HELD BY OTHERS

Financial accounting standards established a valuation hierarchy for disclosure of the inputs used to measure fair value. This hierarchy prioritizes the inputs into three broad levels as follows:

- Level 1 inputs - quoted prices traded daily in an active market.
- Level 2 inputs - other than quoted prices for active markets that are traded less frequently than daily.
- Level 3 inputs - unobservable inputs.

NOTE 3 BENEFICIAL INTEREST IN PERPETUAL TRUSTS HELD BY OTHERS (CONTINUED)

The fair value of the beneficial interest in perpetual trust held by others is measured on non-recurring basis using level 3 inputs. The fair value is determined annually based on the fair value of the assets in the trust as represented by the Foundation's management. The Organization's management determines the reasonableness of the methodology by evaluating market developments.

The following table sets forth a summary of the change in the fair value of the level 3 beneficial interests in perpetual trusts held by others for the years ended June 30, 2014 and 2013.

	2014	2013
Balance, beginning of year	$ 84,174	$ 76,658
Change in fair value	13,355	8,542
Distributions	(465)	(464)
Fees	(565)	(562)
Balance, end of year	$ 96,499	$ 84,174

NOTE 4 PROPERTY AND EQUIPMENT

The cost and accumulated depreciation of property and equipment at June 30, 2014 and 2013 follows:

	2014	2013
Land, building and improvements	$ 4,711,648	$ 4,457,632
Furniture and equipment	735,305	920,494
Total cost	5,446,953	5,378,126
Less accumulated depreciation	1,640,420	1,431,160
	3,806,533	3,946,966
Construction in Progress	283,430	-
Total Property and Equipment, Net	$ 4,089,963	$ 3,946,966

NOTE 5 LINE OF CREDIT

The Organization has a $250,000 line of credit with a local banking institution through February 2015. Borrowings on the line of credit bear an interest rate of Prime plus 2% (5.25% at June 30, 2014). The line of credit is payable on demand and is secured by accounts receivable, equipment, and inventory. There was no balance outstanding at June 30, 2014 and 2013. The line of credit has a 30 day "clean up" provision that was met during 2014. The line of credit also has a debt service ratio covenant that was met for 2014.

NOTE 6 LONG-TERM DEBT

At June 30, 2014 and 2013 long-term debt consisted of the following:

	2014	2013
Note payable to a local bank, payable in monthly installments of $4,957, including interest at 5.64%, due August 2026, secured by real estate which is subject to a Notice of Federal Interest (see note below).	$ 519,275	$ 548,628
Variable rate note payable to a local bank, With payments of interest at 3.5% to be made through December 2014 when payments of principal and interest at 3.5% will be made through December 2024, at which time interest will be adjusted to the Wall Street Journal Prime Rate plus 1% for the remaining balance of the loan, secured by real estate and all other assets.	295,354	-
Note payable, United States Department of Agriculture, payable in monthly installments of $1,230, including interest at 4.25%, due November 2033, secured by real estate and all other assets. The note was refinanced in May 2014.	-	201,191
Total long-term debt	814,629	749,819
Less current maturities	48,447	35,512
Long-term Debt Excluding Current Maturities	$ 766,182	$ 714,307

NOTE 6 LONG-TERM DEBT (CONTINUED)

The Organization's Littleton and Warren properties were renovated with Federal grant funding under the ARRA - Capital Improvement Program. In accordance with the grant agreement, a Notice of Federal Interest (NFI) was required to be filed in the appropriate official records of the jurisdiction in which the property is located.

The NFI is designed to notify any prospective buyer or creditor that the Federal Government has a financial interest in the real property acquired under the aforementioned grant; that the property may not be used for any purpose inconsistent with that authorized by the grant program statute and applicable regulations; that the property may not be mortgaged or otherwise used as collateral without the written permission of the Associate Administrator of the Office of Federal Assistance Management, Health Resources and Services Administration (OFAM, HRSA); and that the property may not be sold or transferred to another party without the written permission of the Associate Administrator of OFAM and HRSA.

Upon attaining the above noted mortgage on the Organization's properties, the Organization received the required written permission from OFAM and HRSA where HRSA subordinated its Federal Interest in the properties to the bank.

Scheduled principal repayments on long-term debt for the next five years and thereafter follows:

Year Ending June 30,	Long-term Debt
2015	$ 48,447
2016	50,858
2017	53,396
2018	56,066
2019	58,876
Thereafter	546,986
Total	$ 814,629

NOTE 7 ENDOWMENTS

The Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as a donor restricted endowment (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent donor restricted endowment gifts and (c) accumulations to the donor restricted endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

(1) The duration and preservation of the fund
(2) The purposes of the organization and the donor-restricted endowment fund
(3) General economic conditions
(4) The possible effect of inflation and deflation
(5) The expected total return from income
(6) Other resources of the Organization

The following summarizes changes in endowment assets for years ended June 30, 2014 and 2013:

	2014	2013
Balance, beginning of year	$ 62,301	$ 62,301
Change in fair value of beneficial interest in perpetual trust held by others	12,325	7,516
Appropriation of endowment net assets for expenditure	(12,325)	(7,516)
Balance, End of Year	$ 62,301	$ 62,301

Endowment assets consist of a beneficial interest in perpetual trusts held by others.

NOTE 8 PATIENT SERVICE REVENUE

A summary of patient service revenue for the years ended June 30, 2014 and 2013 follows:

	2014	2013
Medical revenue		
Medicare	$ 1,628,126	$ 1,343,423
Medicaid	1,070,654	1,013,399
Other third party	1,868,256	1,728,485
Private pay	237,514	272,063
Total medical revenue	4,804,550	4,357,370
Pharmacy revenue	1,331,596	807,474
Total Patient Service Revenue	$ 6,136,146	$ 5,164,844

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, the revenue is recorded net of the free care allowance. The Organization estimates the costs associated with providing charity care by calculating the ratio of total cost to total charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. The estimated cost of providing services to patients under the Organization charity care policy amounted to $1,679,505 and $1,170,505 for the years ended June 30, 2014 and 2013, respectively.

The Organization is able to provide these services with a component of funds received through local community support and federal and state grants.

NOTE 9 FUNCTIONAL EXPENSES

The Organization provides various services to residents within its geographic location. Expenses related to providing these services for the years ended June 30, 2014 and 2013 follows:

	2014	2013
Program services	$ 6,637,568	$ 5,716,102
Administrative and general	1,491,054	1,477,885
Total	$ 8,128,622	$ 7,193,987

NOTE 10 MALPRACTICE INSURANCE

The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of the year ended June 30, 2014, there were no known malpractice claims outstanding which in the opinion of management, will be settled for amounts in excess of both FTCA and insurance coverage; nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew the additional medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

NOTE 11 COMMITMENTS

Leases that do not meet the criteria for capitalization are classified as operating leases with related rentals charged to operations as incurred.

The following is a schedule by year of future minimum lease payments under operating leases that have initial or remaining lease terms in excess of one year.

Year Ending June 30,	Minimum Lease Payments
2015	$ 32,657
2016	14,272
Total	$ 49,929

Rent expense for the years ended June 30, 2014 and 2013 amounted to $88,816 and $80,651, respectively.

NOTE 12 CONCENTRATION OF RISK

The Organization has cash deposits in major financial institutions in excess of $250,000, which exceeds federal depository insurance limits. The financial institutions have a strong credit rating and management believes the credit risk related to these deposits is minimal.

NOTE 12 CONCENTRATION OF RISK (CONTINUED)

The Organization grants credit without collateral to its patients, most of who are local residents and are insured under third-party payer agreements. The mix of receivables from patients and third-party payers at June 30, 2014 follows:

Medicare	26%
Medicaid	13%
Other	61%
Total	100%

NOTE 13 SUBSEQUENT EVENTS

For financial reporting purposes, subsequent events have been evaluated by management through September 24, 2014, which is the date the financial statements were available to be issued.

AMMONOOSUC COMMUNITY HEALTH SERVICES, INC.

SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

The accompanying notes are an integral part of this schedule.

AMMONOOSUC COMMUNITY HEALTH SERVICES, INC.

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

FOR THE YEAR ENDED JUNE 30, 2014

NOTE 1 BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards, "the Schedule", includes the federal grant activity of Ammonoosuc Community Health Services, Inc., "the Organization", under programs of the federal government for the year ended June 30, 2014. The information in this schedule is presented in accordance with the requirements of the Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Because the schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-122, *Cost Principles for Non-Profit Organizations*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule, if any, represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Pass-through entity identifying numbers are presented where available.

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Board of Directors
Ammonoosuc Community Health Services, Inc.
Littleton, New Hampshire

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Ammonoosuc Community Health Services, Inc., which comprise the balance sheet as of June 30, 2014, and the related statements of operations and changes in net assets, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 24, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance

Board of Directors
Ammonoosuc Community Health Services, Inc.
Littleton, New Hampshire

Report on Compliance for Each Major Federal Program

We have audited Ammonoosuc Community Health Services, Inc.'s compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2014. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards,* issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2014.

Report on Internal Control Over Compliance

Management is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to enter into **sole source** amendments with the vendors listed in the table below for the provision of primary care services, breast and cervical cancer screening services and screening, brief intervention and referral to treatment for alcohol and drug misuse by increasing the total price limitation by $8,986,056 from $10,143,156 to $19,129,212 and extending the completion date from June 30, 2015 to June 30, 2017 upon Governor and Executive Council approval. 75.2% General Funds / 24.8% Federal Funds

The original contract, approved in 2012, included a two (2) year renewal option. The Department exercised a one (1) year renewal in 2014. The Department is now seeking to extend the contracts for two (2) two additional years through these sole source amendments. The Governor and Executive Council approved the original contracts and subsequent amendments as follows:

Vendor & Vendor Number	Location	G&C Approval	Amended	Current Budget	Increase/ (Decrease)	Modified Budget Amount
Ammonoosuc Community Health Services, Inc. (177755-R001)	North Grafton/ South Coos	6/20/12 (Item #128)	5/8/14 (Item #34A)	$667,687	$540,879	$1,208,566

Please see attachment for fiscal details.

EXPLANATION

These amendments are **sole source** because the Department is renewing the contracts for two (2) additional years after exercising a one (1) year renewal option in 2014 as allowable in Exhibit C, Special Provisions, paragraph 17 of the contracts, and adding to the scope of services for community health centers that provide primary care services, statewide.

This package includes sixteen (16) of sixteen (16) contracts being amended.

Community health centers provide primary health care services that include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. These vendors deliver primary and preventive health care services to underserved people who face barriers to accessing health care due to issues such as a lack of insurance, inability to pay, language barriers and geographic isolation.

In addition to medical care, community health centers are unique among primary care providers for the array of enabling patient-centered services such as care coordination, translation services, transportation, outreach, eligibility assistance, and health education. These services assist individuals to overcome barriers to obtaining the care they need to achieve their optimal health.

Breast and cervical cancer screening services are provided as part of the preventative health care services in the community health care centers. Breast and cervical cancer screening services include clinical examinations, pap smears and referral for mammography. Through these services, individuals with abnormal test results receive additional coverage or

diagnostic work-ups and, if necessary, coordination of care from initial diagnosis through obtaining necessary treatment.

The vendors, through these amendments, will add infrastructure to provide screening, brief intervention and referral to treatment services for early identification of problematic drug and alcohol use of individuals receiving primary care services. Developing the infrastructure to provide these additional services will enable community health centers to refer those individuals who need specialized treatment to other community service agencies, which will result in optimal coordination and continuity of care.

Vendors will use funding to train staff, hire new medical assistants and/or qualified behavioral health staff necessary to institute and/or review screening, brief intervention and referral to treatment services. Staff training will include the integration of primary care and behavioral health teams to ensure program activities are conducted with fidelity to the Screening, Brief Intervention and Referral to Treatment model adopted by the United States Department of Health and Human Services, Substance Abuse and Mental Health Services Administration. Vendors will also purchase supplies and equipment that will be used specifically for integrating these services into everyday practices. Additionally, the vendors will utilize funding to support activities that will assist with building, modifying and/or enhancing technology based care approaches and electronic health record systems in order to include, extend, track and record these additional mental health services.

A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. This request includes three (3) vendors who provide primary care and universal screening services to homeless individuals, who otherwise would have no access to health care. These agreements provide funds to community health centers for services as a last resort. Vendors are required to make every effort to bill all other payers including but not limited to private and commercial insurances, Medicare, and Medicaid prior to billing the Department through these contracts.

Should Governor and Executive Council not authorize this request, low-income individuals statewide may not have adequate access to primary care services. Some women may not receive recommended breast and cervical cancer screenings, which would increase their risk of having an untreatable stage of cancer. Additionally, undetected alcohol and drug misuse could result in increases of alcohol and drug related accidents and deaths, which would negatively impact NH citizens.

Area Served: Statewide.

Source of Funds: 75.2% General Funds

24.8% Federal Funds (CFDA #93.959, Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA) Block Grants for Prevention and Treatment of Substance Abuse. FAIN #T1010035-14; CFDA #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds. FAIN # U58DP003930; CFDA #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States. FAIN #B04MC28113.)

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Marcella Bobinsky

State of New Hampshire
Department of Health and Human Services
Amendment #2 to the Primary Care Services Contract

This 2nd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #2") dated this, 30th day of April, 2015 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Ammonoosuc Community Health Services, Inc. (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 25 Mount Eustis Road, Littleton, New Hampshire 03561.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #128) and amended by an agreement (Amendment #1 to the Contract) approved on May 8, 2014 (Item #34A), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 of the Agreement, and Exhibit C, Special Provisions, Paragraph 17, the State may amend the contract terms and conditions and renew the contract for two (2) additional years by written agreement of the parties and approval of the Governor and Executive Council; and

WHEREAS, the parties agree to extend the contract for two additional years, add services to Exhibit A, Scope of Services and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:
   June 30, 2017
2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:
   $1,208,566
3. Form P-37, General Provisions, Item 1.9, Contracting Officer for State Agency, to read:
   Eric D. Borrin
4. Form P-37, General Provisions, Item 1.10, State Agency Telephone Number, to read:
   (603) 271-9558
5. Delete Exhibit A, Scope of Services and Exhibit A-1 Amendment 1, Scope of Services and replace with Exhibit A – Amendment #2.
6. Delete Exhibit A-1 Amendment #1 - Performance Measures and replace with Exhibit A-1 Amendment #2 – Performance Measures.

7. Delete Exhibit B, Purchase of Services Contract Price and replace with Exhibit B – Amendment #2, Method and Conditions Precedent to Payment.
8. Add Exhibit B-1, Budget Form Primary Care through Exhibit B-6, Budget Form SBIRT.
9. Standard Exhibit D, Certification Regarding Drug-Free Workplace Requirements, Period Covered by this Certification, to read:

   From 7/1/2012 to 6/30/2017
10. Standard Exhibit E, Certification Regarding Lobbying, Contract Period, to read:

    July 1, 2012 through June 30, 2017
11. Delete Standard Exhibit G, Certification Regarding the Americans with Disabilities Act Compliance, and replace with Exhibit G, Certification of Compliance with Requirements Pertaining to Federal Nondiscrimination, Equal Treatment of Faith-Based Organizations and Whistleblower Protections.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Title:

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. Office-based and enabling **Primary Care** services shall be provided individuals and families who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income, which is defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. **Breast and Cervical Cancer Screening** Services shall be provided to women ages twenty-one(21) through sixty-four (64) who are:

1.5.1. Uninsured.

1.5.2. Underinsured.

1.5.3. Low-income, which is defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.6. **Screening, Brief Intervention and Referrals to Treatment** (SBIRT) Services shall be provided to all individuals who seek services described in Section 1.4 and Section 1.5, above.

1.7. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.7.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.7.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.7.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care or Breast and Cervical Cancer Screening Services for new patients is limited or closed for more than a one month period.

2.2. The Contractor shall maintain documentation for each individual receiving services described in this contract that includes, but is not limited to:

2.2.1. Family income.

2.2.2. Family size.

2.2.3. Income in relation to the Federal Poverty Guidelines.

2.3. The Contractor shall assist individuals with completing a Medicaid application when income calculations indicate possible Medicaid eligibility.

2.4. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.5. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.5.1. Update the sliding fee scale on an annual basis when new Federal Poverty Guidelines are released.

2.5.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services.

3.1.2. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.1.3. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.1.4. Assessment of need for:

3.1.4.1. Tobacco cessation, including referral to NH Quitworks, as appropriate.

3.1.4.2. Social services.

3.1.4.3. Nutrition services, including WIC, as appropriate.

3.1.4.4. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which shall include, but not be limited to:

3.2.1. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.2.2. Care facilitated by registries, information technology, health information exchange and other means to assure that patients get the necessary care when and where they need and want it in a culturally and linguistically appropriate manner.

3.2.3. An integrated model of primary care that may include, but is not limited to:

3.2.3.1. Behavioral health.

3.2.3.2. Oral health.

3.2.3.3. Use of navigators and case management.

3.2.3.4. Co-location of services and system-level integration of care and fiscal accountability.

3.3. The Contractor can choose to provide enabling services, if the budget allows, which are non-clinical services that support the delivery of basic primary care and services, and facilitate access to comprehensive patient care as well as social services. The Contractor can facilitate enabling services that include, but are not limited to:

3.3.1. Case management.

3.3.2. Benefit counseling.

3.3.3. Eligibility assistance.

3.3.4. Health education and supportive counseling.

3.3.5. Interpretation.

3.3.6. Outreach.

3.3.7. Transportation.

3.3.8. Education of patients and the community regarding the availability and appropriate use of health services.

3.4. The Contractor must elect to do at least one (1) quality improvement project which consists of systematic and continuous actions that lead to measurable improvement in health care services and the health status of targeted patient groups. The Contractor shall facilitate a minimum of one (1) quality improvement project that includes, but is not limited to:

3.4.1. Enhancing clinical workflow/improve patient outcomes by methods that may include, but are not limited to:

3.4.1.1. Alerts.

3.4.1.2. Guidelines.

3.4.1.3. Diagnostic support.

3.4.1.4. Patient registries.

3.4.1.5. Collaborative learning sessions, etc.)

3.4.2. Implementing projects that lead to measurable improvements on any of the performance measures and indicators identified in Exhibit A-1 Amendment #2

3.4.3. Utilizing defined improvement processes to coordinate quality improvement activities.

3.4.4. Identifying and defining specific goals and objectives to be achieved in the project period.

4. Breast and Cervical Cancer Screening Services

4.1. The Contract shall develop work plans based on performance measures in Exhibit A-1 that include activities related to:

4.1.1. The provision of breast and cervical cancer screening.

4.1.2. The promotion of breast and cervical cancer screening.

4.2. The Contractor shall implement evidence-based interventions outlined in the Centers for Disease Control and Prevention Guide to Community Preventative Services (http://www.thecommunityguide.org/index/html) to support the provision and promotion of breast and cervical cancer screening rates, including but not limited to provider reminder systems and patient reminders.

4.3. The Contractor shall provide breast and cervical cancer screening for the early detection of breast and cervical cancer in accordance with the policies and procedures outlined in the BCCP Policy and Procedure Manual, following nationally accepted screening recommendations. Screenings shall include but not be limited to:

4.3.1. Clinical pelvic examinations.

4.3.2. Clinical breast examinations.

4.3.3. Mammograms.

4.3.4. Pap and HPV tests, if appropriate.

4.3.5. Referrals for diagnostic and treatment services, as necessary.

4.4. The Contractor shall provide services to the number of individuals as follows:

4.4.1. 75% of all mammograms shall be provided to women ages fifty (50) to sixty-four (64) at all screening sites.

4.4.2. A maximum of 25% of all mammograms shall be provided to women under the age of fifty (50) at all screening sites.

4.4.3. 20% of newly enrolled women for Pap tests shall be provided at all screening sites to women who have not had a Pap test in over five (5) years.

4.5. The Contractor shall ensure all referrals are made in accordance with the minimum standards outlined in the BCCP Policy and Procedure Manual to facilities that provide approved and certified laboratory, pathology, radiology and surgical services. The Contractor shall ensure:

4.5.1. Mammography units are accredited by the American College of Radiology and FDA certified under MQSA.

4.5.2. Laboratories are CLIA certified.

4.6. The Contractor shall ensure all services and case management activities are completed in accordance with the BCCP Policy and Procedure Manual, including but not limited to follow-up and tracking of all client tests results and referrals.

4.7. The Contractor shall provide screening promotion for all eligible individuals, which includes, but is not limited to:

4.7.1. Patient navigation services that assist individuals to overcome health systems barriers and facilitate timely access to:

4.7.1.1. Quality breast and cervical cancer screening.

4.7.1.2. Breast and cervical cancer diagnostics.

4.7.1.3. Initiation of breast and cervical cancer treatment, when applicable.

4.7.1.4. Assurance that patient navigation services are terminated when the patient:

4.7.1.4.1. Completes screening and has normal results.

4.7.1.4.2. Completes diagnostic testing and has normal results.

4.7.1.4.3. Initiates breast and/or cervical cancer treatment or refuses treatment.

4.7.2. Patient navigation services shall include, but not be limited to:

4.7.2.1. A written assessment of individual client barriers.

4.7.2.2. Client education and support.

4.7.2.3. Assistance with resolving client barriers, including but not limited to transportation and translation services, as appropriate.

4.7.2.4. Tracking and follow-up to monitor client progress in completing screening, diagnostic testing, and initiation of treatment, as needed.

4.7.2.5. A minimum of two contacts with the client, either in person or by telephone.

4.7.2.6. Collecting data to evaluate the primary outcomes of patient navigation, which shall include adherence to screening, diagnostic testing and cancer treatment initiation.

4.7.2.7. Tracking of patients lost to follow-up, as appropriate.

5. Screening, Brief Intervention, and Referral to Treatment (SBIRT) Services

5.1. The Contractor shall develop the infrastructure necessary to provide and record Screening, Brief Intervention, and Referral to Treatment (SBIRT) services related to substance use for all eligible individuals ages nineteen (19) to sixty-five (65) years and for all pregnant women, regardless of age, receiving services in Section 3 and/or Section 4. The Contractor shall:

5.1.1. Provide training to integrated primary care and behavioral health teams to ensure SBIRT activities are conducted with fidelity to the model in Section 5.1.

5.1.2. Modify and/or adapt current Electronic Health Records (EHR) systems in order to track SBIRT:

5.1.2.1. Activities

5.1.2.2. Completions.

5.1.2.3. Recommendations and referrals.

5.1.2.4. Follow-ups.

5.1.3. Utilize Substance Use Disorder (SUD) codes in the EHR for billing that shall:

5.1.3.1. Enable submission for payment through NH Managed Care/Medicaid and other insurance companies.

5.1.3.2. Allow the generation of reports.

5.2. The Contractor shall implement SBIRT services by ensuring sufficient qualified staff are available to conduct SBIRT services according to the SBIRT model described by the Centers for Disease Control (CDC), available on-line at http/www.dcd.gov/ncddd/fasd/documents/aloholsbiimplementationguide.pdf. The Contractor shall:

5.2.1. Implement SBIRT services by including SBIRT activities in daily operations.

5.2.2. Use one or more of the screening instruments listed in Appendix E of "Systems-Level Implementation of Screening, Brief Intervention and Referral to Treatment. TAP 33" (2013 edition) (http://www.integration.samhsa.gov/sbirt/TAP33.pdf) and document screening in the electronic health record (EHR).

5.2.3. Conduct brief interventions with patients who screen positive for potential substance use concerns and document activities in the EHR.

5.2.4. Refer patients to Substance Use Disorder (SUD) treatment services as necessary, and ensure each patient has connected with the specific service

provider by documenting in the EHR, which is audited to ensure appropriate follow up.

5.2.5. Conduct SBIRT with covered populations that include all adults on an annual basis and pregnant women on a trimester basis.

5.3. Coordinate care between community health center (CHC) services and external treatment providers by collaborating with entities that provide SUD treatment services not available at the CHC. The Contractor shall:

5.3.1. Obtain client consents to contact service providers in order to resolve any barriers to accessing services.

5.3.2. Refer patients for SUD services, as needed.

5.3.3. Follow up with patient and/or SUD service provider to ensure appropriate services are provided.

5.3.4. Work with Regional Public Health Networks (RPHNs) to identify new SUD referral resources as they become available.

5.4. The Contractor shall test SBIRT fidelity with a subset of the target population prior to full implementation for all adults ages nineteen (19) to sixty-five (65) annually and pregnant women at each trimester.

6. Staffing

6.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH licenses whether directly employed, contracted or subcontracted.

6.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

6.3. The Contractor shall ensure staff delivering SBIRT services have, at minimum, one of the following:

6.3.1. Masters prepared behavioral health practitioners. This includes individuals licensed under the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board.

6.3.2. Masters prepared and in the process of obtaining a license from the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board, while under the supervision of a licensed practitioner of the same profession.

6.3.3. Physicians or Advanced Practice Registered Nurses licensed to practice in NH.

6.3.4. Physician Assistants or other practitioners under the supervision of a Physician licensed to practice in NH.

6.4. The Contractor may deliver breast and cervical cancer screening navigation services through a combination of staff, which may include the provision of outreach and education by lay persons with clinical case management services provided by either:

6.4.1. A registered nurse who:

6.4.1.1. Is licensed with the NH Board of nursing; or

6.4.1.2. Has attained bachelor's degree from a recognized college or university.

6.4.2. A nurse who is working under the direct supervision of a registered nurse, as described in Section 6.4.1.

6.5. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services in writing and include a copy of the individual's resume, within one month of hired.

6.6. The Contractor shall notify the MCHS, in writing, when:

6.6.1. Any critical position is vacant for more than one month.

6.6.2. There is not adequate staffing to perform all required services for more than one month.

7. Coordination of Services

7.1. The Contractor shall coordinate referrals for continued care of treatment, or breast or cervical healthcare, with other service providers within the community, where possible.

7.2. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

7.2.1. Community needs assessments.

7.2.2. Public health performance assessments.

7.2.3. The development of regional health improvement plans.

7.3. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

8. Required Meetings & Trainings

8.1. The Contractor shall attend meetings and trainings facilitated by the MCHS and BCCP programs that include, but are not limited to:

8.1.1. MCHS Agency Directors' meetings.

8.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year.

8.1.3. MCHS Agency Medical Services Directors' meetings.

8.1.4. BCCP Site Coordinators' annual meetings.

9. Workplans, Outcome Reports & Additional Reporting Requirements

9.1. The Contractor shall provide an annual BCCP Performance Workplan and Workplan Outcomes Report according to the schedule and instructions provided by the BCCP, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule.

9.2. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a corrective action plan per directions from MCHS.

9.3. The Contractor shall submit an annual Workplan and Workplan Outcome Report for the quality improvement project(s) that demonstrates improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.4. If utilizing any portion of this contract for enabling services, the Contractor shall submit an annual Workplan and Workplan Outcome Report that includes at least one (1) performance measure for each type of enabling service provided. This shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.5. The Contractor shall complete the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st.

9.6. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

9.7. The Contractor shall submit monthly Outcome Reports for SBIRT services according to the schedule and instructions provided by the MCHS. The Contractor shall:

9.7.1. Collect information that includes, but is not limited to:

9.7.1.1. Description of the training provided, including but not limited to:

9.7.1.1.1. The content of the training provided.

9.7.1.1.2. The number of staff who received training.

9.7.1.2. The number of:

9.7.1.2.1. Qualified staff conducting SBIRT

9.7.1.2.2. SBIRT billing codes developed.

9.7.1.2.3. SBIRT services billed to insurance.

9.7.1.3. Updates on any changes, enhancements or adaptations to SBIRT procedures in:

9.7.1.3.1. Technology based systems.

9.7.1.3.2. Staffing.

9.7.1.3.3. Coding and billing.

9.7.1.4. The total number of clients receiving SBIRT delineated by:

9.7.1.4.1. Percentage of clients receiving only screening.

9.7.1.4.2. Percentage of clients receiving brief interventions.

9.7.1.4.3. Percentage of clients referred for more intensive services who initiated services.

9.7.1.4.4. Percentage of clients referred for more intensive services who had problems connecting to services.

9.8. The Contractor shall submit an annual report on April 30th in each year a contract amendment or renewal is not required that includes, but is not limited to:

9.8.1. DPHS Budget Form.

9.8.2. Budget Justification.

9.8.3. Sources of Revenue.

9.8.4. Program Staff List, which includes staff titles

9.9. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9.10. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

9.10.1. Survey template.

9.10.2. Method by which the results were obtained.

10. On-Site Reviews

10.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

10.1.1. Systems of governance.

10.1.2. Administration.

10.1.3. Data collection and submission.

10.1.4. Clinical and financial management.

Contractor's Initials: CDSK

Date 5/15/15

10.1.5. Delivery of education services.

10.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

10.2.1. Client records.

10.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

10.2.3. SBIRT documentation, which includes but is not limited to:

10.2.3.1. SBIRT policies and procedures.

10.2.3.2. Staff credentials for all staff delivering SBIRT services

10.2.3.3. SBIRT procedures utilized and documented in patient records.

10.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Contractor's Initials: CDS-T

Exhibit A-1 – Amendment #2

1. PRIMARY CARE PERFORMANCE MEASURES

1.1. Breastfeeding

1.1.1. **Percent of infants who are ever breastfed** (Title V PM #10).

1.1.1.1. Numerator: Infants who were ever breastfed or received breast milk

1.1.1.2. Denominator: All infants born in a state fiscal year

1.2. Preventive Health: Lead Screening

1.2.1. **Percent of children 2 years of age who had one or more capillary or venous lead blood test for lead poisoning by their second birthday.** (CMS, Hedis).

1.2.1.1. Numerator: At least one capillary or venous blood test on or before the child's second birthday.

1.2.1.2. Denominator: Children who turn 2 years old during the state fiscal year.

1.3. Preventive Health: Adolescent Well-Care Visit

1.3.1. **Percent of adolescents, 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year** (Hedis, Title V PM #7).

1.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

1.3.1.2. Denominator: Number of adolescents, ages 12 through 21 years of age.

1.4. Preventive Health: Depression Screening

1.4.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (ACO 18, NQF 0418).

1.4.1.1. Numerator: Patients who are screened for clinical depression using an age-appropriate standardized depression screening tool AND if positive, a follow-up plan documented.

1.4.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.1.3. Denominator: All patients 12 years and older.

1.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

Contractor Initials: EBS

Date: 5/15/15

1.4.2. **Maternal Depression Screening** (Developmental: not required for FY 16)

1.4.2.1. **Percentage of women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen.**

1.4.2.1.1. Numerator: Women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool and screen negative.

AND

Women who are screened for depression during the post-partum visit using an appropriate standardized depression screening tool, screen positive, AND have a follow-up plan documented.

1.4.2.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.2.1.3. Denominator: All women who are at least 6 weeks post-partum in a state fiscal year.

1.4.2.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

1.5. **Preventive Health: Obesity Screening**

1.5.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (ACO 16, NQF 0421, HRSA UDS).

1.5.1.1. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

1.5.1.2. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters.

1.5.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist,

occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

1.5.1.4. Denominator: All patients aged 18 years and older who had at least one medical visit during the state fiscal year.

1.5.2. Percent of patients aged 2 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (HRSA UDS).

1.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

1.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

1.6. **Preventive Health: Tobacco Screening**

1.6.1. Percent of patients aged 18 years and older who were screened for tobacco use one or more times within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user (ACO 17, NQF 0028, HRSA UDS).

1.6.1.1. Numerator: Patients who were screened for tobacco use at least once within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.1.2. Definitions:

1.6.1.2.1. Tobacco Use: Includes any type of tobacco

1.6.1.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.1.3. Denominator: All patients aged 18 years and older seen for at least two visits ever

1.6.2. **Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user** (Title V, PM #15).

1.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.2.2. Definitions:

1.6.2.2.1. Tobacco Use: Includes any type of tobacco

1.6.2.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.2.3. Denominator: All women who delivered a live birth in a state fiscal year

1.7. **At Risk Population: Hypertension**

1.7.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90 mm Hg) during the measurement year** (ACO 28, NQF 0018).

1.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm Hg at the time of their last measurement.

1.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)

1.8. **Patient Safety: Falls Screening**

1.8.1. **Percent of patients aged 65 years and older who were screened for future fall risk at least once within 12 months** (ACO 13, NQF0101).

1.8.1.1. Numerator: Patients who were screened for future fall risk at least once within 12 months.

1.8.1.2. Definition of Fall: a sudden, unintentional change in position causing an individual to land at a lower level, on an object, the floor, or the ground, other than as a consequence of a sudden onset of paralysis, epileptic seizure, or overwhelming external force.

1.8.1.3. Numerator note: Patients are considered at risk for future falls if they have had 2 or more falls in the past year or any fall with injury in the past year.

1.8.1.4. Denominator: All patients aged 65 years and older

1.8.1.5. Excluded from denominator population: (Exclusion only applied if patient was not screened for future fall risk) Documentation of medical reason(s) for not screening for future fall risk (e.g. patient is not ambulatory)

2. BCCP PERFORMANCE MEASURES

2.1. BCCP Performance Measure #1

2.1.1. **Measure:*** 78% of female patients age 24 through 64 years of age screened for cervical cancer per USPSTF guidelines.

2.1.2. **Numerator** – Number of female patients 24 through 29 years of age who have had a documented pap in the past 3 years AND female patients 30-64 who have either had a pap in the past 3 years OR an HPV test and a pap in the past 5 years

2.1.3. **Denominator** – Number of female patients 24 through 64 years of age who have had a visit in the past year and do not have evidence of having had a total hysterectomy.

2.1.4. **Data Source:** Chart audits or query of 100% of the **total** population of patients as described in the denominator.

2.1.5. *Measure based on the UDS measure

2.1.6. **Healthy People 2020 National Target is 93%

2.2. BCCP Performance Measure #2

2.2.1. **Measure:*** 75% of female patients age 52 through 74 years of age screened for breast cancer per USPSTF guidelines.

2.2.2. **Numerator** – Number of female patients 52 through 74 years of age who have had a documented mammogram in the past 24 months.

2.2.3. **Denominator** – Number of female patients 52 through 74 years of age who have had a visit in the past year and do not have evidence of having had a bilateral mastectomy.

2.2.4. **Data Source:** Chart audits or query of 100% of the **total** population of patients as described in the denominator.

2.2.5. *Measure based on the USPSTF Guidelines

2.2.6. ** Healthy People 2020 National Target is 81.1%

3. SBIRT PERFORMANCE MEASURES

3.1. **Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services**

3.1.1. **Numerator:** Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention or referral to services.

3.1.2. Definitions

3.1.2.1. Substance Use: Includes any type of alcohol or drug.

3.1.2.2. Brief Intervention: Includes guidance or counseling.

3.1.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

3.1.3. Denominator: Number of patients aged 18 years and older seen for annual visit within 12 months.

3.2. **Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program AND if positive, received a brief intervention or referral to services**

3.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

3.2.2. Definitions:

3.2.2.1. Substance Use: Includes any type of alcohol or drug.

3.2.2.2. Brief Intervention: Includes guidance or counseling.

3.2.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

3.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the state fiscal year.

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov):
   - 2.1. #93.959, Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA) Block Grants for Prevention and Treatment of Substance Abuse.
   - 2.2. #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds.
   - 2.3. #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #2, Scope of Services, in accordance with Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2.
4. The Contractor shall use and apply the amount in the SBIRT line item in Exhibit B-3 and Exhibit B-6 on actual SBIRT services provided.
5. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
6. Payment for said services shall be made as follows:
   - 6.1. The Contractor will submit an invoice by the tenth (10^{th}) working day of each month, which identifies and requests reimbursement for:
     - 6.1.1. Authorized expenses incurred in the prior month.
     - 6.1.2. The units of SBIRT services provided, in accordance with Exhibit A – Amendment #2, Section 5.2.2 through Section 5.2.5 and Section 5.3.1 through Section 5.3.3, which shall be paid on a fee-for-service basis at the following rates:
       - 6.1.2.1. $29.86 for each unit of service that is 15-30 minutes.
       - 6.1.2.2. $57.31 for each unit of service that is more than 30 minutes.
   - 6.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   - 6.3. The invoice must be submitted by mail or e-mail to:

     Financial Manager
     Department of Health and Human Services
     129 Pleasant Street
     Concord, NH 03301

Contractor Initials: [illegible]
Date: 5/15/15

E-mail: dphscontractbilling@dhhs.state.nh.us

7. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.
8. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
9. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
10. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2 and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

See attachment for financial details

EXPLANATION

Approval is requested **retroactive** to July 1, 2013. The services provided by these contracts are consistent with prior contracts and were included in the operating budget for SFY 2014 and SFY 2015. Contracts were delayed, however, since the exact amount of funding available was only recently determined. The SFY 2014 amendments are **sole source** because they exceed more than 10% of the original contract amount.

This requested action seeks approval of 13 amendments that represents $4,293,569 total anticipated to be spent statewide to continue breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. In the interest of efficiency, the contract amendments are being bundled as they are providing the same services, and because of the size of the resulting Governor and Council submission, the copies provided are abbreviated in the interest of saving resources. The Councilors and the public can view the entire submission package on the Secretary of State's website.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

In addition, breast and cervical cancers continue to be ongoing public health issues for New Hampshire. The Division of Public Health Services, Breast and Cervical Cancer Screening Program

provides support for breast and cervical cancer screening services that include clinical examinations, pap smears and referral for mammography. Through this program, women found to have abnormal screening results, following their testing, receive additional coverage for diagnostic work-up and, if necessary, have their care coordinated through the initiation of treatment.

Should Governor and Executive Council not authorize this Request, low-income individuals statewide may not have adequate access to primary care services, and eligible women may not receive recommended breast and cervical cancer screenings. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. Additionally women that receive recommended breast and cervical cancer screenings are at lower risk of late diagnosis of breast and cervical cancers.

Contracts were awarded to Primary Care agencies through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by teams of three professionals. All reviewers have between three to 20 years' experience managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were averaged and all proposals were recommended for funding. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, these competitively procured Agreements have the option to renew for two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council. The Department is exercising one year of this renewal option.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. All Primary Care vendors are making adequate progress in meeting clinical performance measures and the Departments wishes to continue working with the vendors for another year.

The performance measures as described in the contract amendment Exhibit A – Amendment 1 – Performance Measures, will be used to continue to measure the effectiveness of the agreement.

Area to be served is statewide.

Source of Funds: 13.09% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau; Centers for Disease Control and Prevention and 86.91% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Brook Dupee for

José Thier Montero, MD, MHCDS
Director

Approved by:

Nicholas A. Toumpas
Commissioner

State of New Hampshire
Department of Health and Human Services
Amendment #1 to the
Ammonoosuc Community Health Services, Inc.

This 1st Amendment to the Ammonoosuc Community Health Services, Inc., contract (hereinafter referred to as "Amendment One") dated this 11 day of March, 2014, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Ammonoosuc Community Health Services, Inc., (hereinafter referred to as "the Contractor"), a corporation with a place of business at 25 Mount Eustis Road, Littleton, New Hampshire 03561.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18, the State may modify the scope of work and the payment schedule of the contract by written agreement of the parties;

WHEREAS, the Department desires to provide additional primary health care services for preventive and episodic health care for acute and chronic health conditions for people of all ages.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

- Form P-37, to change:
  Block 1.7 to read: June 30, 2015
  Block 1.8 to read: $667,687

- Exhibit A, Scope of Services to add:
  Exhibit A – Amendment 1

- Exhibit B, Purchase of Services, Contract Price, to add:

  Paragraph 1.1 to Paragraph 1:
  The contract price shall increase by $42,661 for SFY 2014 and $254,172 for SFY 2015.

  Paragraph 1.2 to Paragraph 1:
  Funding is available as follows:
- $42,661 from 05-95-90-902010-5190-102-500731, 100% General Funds;
- $213,921 from 05-95-90-902010-5190-102-500731, 6.7% Federal Funds from the US Department of Health and Human Services Administration, Maternal and Child Health Bureau, CFDA #93.994 and 93.3% General Funds;

Contractor Initials: eds
Date: 03/11/2014

- $30,251 from 05-95-90-902010-5659-102-500731, 100% Federal Funds from the US Department of Health and Human Services, Centers for Disease Control and Prevention, CFDA #93.283;
- $10,000 from 05-95-90-901010-7965-102-500731, 100% General Funds.

Add Paragraph 8
8. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjustments to amounts between and among account numbers, within the price limitation, may be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

- Budget, to add:
  Exhibit B-1 (2014) - Amendment 1,
  Exhibit B-1 (2015) - Amendment 1

This amendment shall be in effect July 1, 2013, effective upon the date of Governor and Executive Council approval.

EXHIBIT A – AMENDMENT 1

Scope of Services

The Department desires to continue the relationship with the primary care agencies to provide additional primary health care services for preventive and episodic health care for acute and chronic health conditions for people of all ages.

I. General Provisions

A) Eligibility and Income Determination

1. Office-based primary care services will be provided to low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire.

2. Breast and Cervical Cancer screening services will be provided to low-income (defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), New Hampshire women age 21– 64, uninsured or underinsured. BCCP changes.

3. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new patients for more than a one month period.

4. The Contractor shall document annually, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete with the client the most recent version of the 800P form.

5. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, approved in advance by the Division of Public Health Services (DPHS), for low-income patients. Signage must state that no client will be denied services for inability to pay.

    a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, submitted to and approved by DPHS prior to implementation.

6. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered.

B) Numbers Served

1. The contract funds shall be expended to provide the above services to a minimum of 9600 users annually with 30,000 medical encounters, as defined in the Data and Reporting Requirements. Breast and Cervical Cancer Screening for eligible women, as defined by the Breast and Cervical Cancer Program (BCCP), shall be provided to 170 women annually and billed directly to the BCCP. Clinical service reimbursements shall not exceed the Medicare rate.

C) Culturally and Linguistically Appropriate Standards of Care

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. Provide clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.

4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.

5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation 45 CFR 80.3(b) (2). The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) State and Federal Laws

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated hereunder.

E) Relevant Policies and Guidelines

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

2. Primary Care funds shall be targeted to populations in need. Populations in need are defined as follows:

   a) uninsured;

   b) under-insured;

   c) families and individuals with significant psychosocial and economic risk, including low income status;

   d) all life cycles including perinatal, child, adolescent, adult, and elderly who meet one or more of the above criteria.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.

4. The Contractor shall have an agency emergency preparedness and response plan in accordance with HRSA Health Center Emergency Management Program Expectations, Document #2007-15 or most recent version. Such plan shall also include a Continuity of Operations plan.

5. The Contractor shall carry out the work as described in the performance Workplan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

6. No Workplan is required by the Breast and Cervical Cancer Program (BCCP). The contractor shall be required to respond to the Quality Improvement Feedback Report twice a year.

7. The Contractor shall carry out the work as described in the Supplemental Funding Form submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) Publications Funded Under Contract

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, electronic) produced, reproduced, or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14).

G) Subcontractors

If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing and approve the subcontractual agreement, prior to initiation of the subcontract.

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing and approve the subcontractual agreement, prior to initiation of the subcontract.

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. Minimal Standards of Core Services

A. Service Requirements

1. Medical Home

The Contractor shall provide a Medical Home that:

a) Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.

b) Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.

2. Primary Care Services

The Contractor shall provide office-based primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, APRN, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, oral health, and behavioral health specialty providers.

b) Referral to the WIC Nutrition Program for all eligible pregnant women, infants and children.

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.

d) Access to a healthcare provider, directly or by referral or subcontract, by telephone twenty-four hours per day, seven days per week.

e) Assessment of psychosocial risk for all clients at least annually and for children at scheduled preventive care visits, including, at a minimum, age appropriate assessment of safety in the home, domestic violence, adequacy of food and housing, care and welfare of children, transportation needs, and provision of necessary social services to address the priority needs and safety issues of clients and families.

f) Falls prevention screening for patients 65 years and older using the algorithm and guidelines of the American Geriatrics Society.

g) Behavioral health care directly or by referral to an agency or provider with a sliding fee scale.

h) Nutrition assessment for all clients as part of the health maintenance visit. Therapeutic nutrition services shall be provided as indicated directly or by referral to an agency or provider with a sliding fee scale. These services shall be recorded in the medical record.

i) Formal arrangements with a local hospital for emergency care must be in place and reviewed annually.

j) Home health care directly or by referral to an agency or provider with a sliding fee scale.

k) Assisted living and skilled nursing facility care by referral.

l) Oral screening annually for all clients 21 years and older to note obvious dental decay and soft tissue abnormalities with a reminder to the patient that poor oral health impacts total health.

m) Diagnosis and management of pediatric and adult patients with asthma provided according to National Heart Lung Blood Institute, National Asthma Education and Prevention Program, Expert Panel Report 3: Guidelines for the Diagnosis and Management of Asthma, 2007.

3. Breast and Cervical Cancer Screening

a) Women age 21 to 64 who are eligible for Breast and Cervical Cancer Program (BCCP) services according to income (equal to or under 250% of poverty, underinsured/uninsured) and insurance status criteria shall be provided the following services, following USPSTF screening recommendations:

i. cervical cancer screening including a pelvic examination and Pap smear;
ii. breast cancer screening including a clinical breast exam, mammogram and,
iii. referrals for diagnostic and treatment services based on screening results,
iv. case management services.

b) All referrals under this provision shall be to approved certified laboratory, pathology, radiology, and surgical services. Mammography units shall be accredited by the American College of Radiology, and must be FDA certified under MQSA. Laboratories shall be CLIA certified.

c) All services shall be provided in accordance with the Breast and Cervical Cancer Program (BCCP) Policy and Procedure Manual.

d) Follow-up and tracking of all tests done, and referrals made shall be provided in accordance with the minimum standards outlined in the Breast and Cervical Cancer Program Policy and Procedure Manual.

e) All services for women enrolled in the Breast and Cervical Cancer Program (BCCP) shall be billed directly to the BCCP in accordance with protocols established by the Breast and Cervical Cancer Program.

f) The Contractor shall provide the NH Breast and Cervical Cancer Program with breast and cervical cancer screening rates for all women served by the practice as requested, but not more than twice per SFY.

g) The contractor shall work with the NH Breast and Cervical Cancer Program staff to increase the breast and cervical cancer screening rates among all women serviced by the practice.

4. Reproductive Health Services

The Contractor shall provide prenatal, interconceptional and preconception medical care, social services, nutrition services, education, and nursing care to all women of childbearing age. Preconceptional care includes the preconception, interconceptional, and postpartum periods in women's health. It is recommended that preconceptional and interconceptional care visits focus on maintaining or achieving the optimal health of the mother, lowering the risk of future adverse pregnancy outcomes, the family's future plans, and how additional children fit into that plan. Preconceptional counseling may be done during an office, group or home visit.

a) In the event prenatal care is not provided directly by the Contractor a formal Memorandum/a of Agreement for coordinated referral to an appropriately qualified provider must be maintained.

b) Prenatal care shall, at minimum, be provided in accordance with the Guidelines for Perinatal Care, sixth or most current edition, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists, and /or the Centers for Disease Control.

c) Age appropriate reproductive health care shall, at a minimum, be provided in accordance with the American College of Obstetricians and Gynecologists, or the USDHHS Centers for Disease Control (CDC) current guidelines.

d) Pregnant women enrolled in the WIC Nutrition Program shall be referred to WIC for breastfeeding education and referral to the WIC Nutrition Program peer counselors.

e. Family planning counseling for prevention of subsequent pregnancy following an infant's birth shall be discussed with the infant's mother at the first postpartum visit and at the infant's 2-month visit and other visits as appropriate. Rationale for birth intervals of 18-24 months shall be presented.

f) A referral to a Title X Family Planning Clinic or other reproductive health care provider shall be made as appropriate.

5. Services for Children and Adolescents

The Contractor shall provide as a minimum, comprehensive and age-appropriate health care, screenings, and health education according to the American Academy of Pediatrics' most recent periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent. Children and adolescent visits shall include:

a) The World Health Organization (WHO) growth charts shall be used to monitor growth for infants and children birth up to age 2 years. The Centers for Disease Control and Prevention (CDC) growth charts shall be used for children age 2 years and older.

b) Blood lead testing shall be performed in accordance with "New Hampshire Childhood Lead Poisoning Screening and Management Guidelines", issued by the New Hampshire Department of Health and Human Services, 2009 or subsequent revisions.

c) All children enrolled in either Medicaid, Head Start, or the Women, Infant, and Children (WIC) Program and/or who are ≤ 185% poverty, regardless of town of residence, are required to have a blood lead test at ages one and two years. All children ages three to six years who have not been previously tested shall have a blood lead test performed.

d) All children shall be screened for iron deficiency anemia as outlined in the Centers for Disease Control and Prevention document "Recommendations to Prevent and Control Iron Deficiency in the United States (4/2/98)".

e) Age-appropriate anticipatory guidance, dietary guidance, and *feeding practice counseling* for optimal oral health shall be provided at each well child visit according to the American Academy of Pediatrics' periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent edition. Starting at age 6 months, it is recommended that all children receive an oral health assessment at every well child visit, and a referral for the child's first visit to the dentist by age one as recommended by the American Academy of Pediatrics and the American Academy of Pediatric Dentistry.

f) Supplemental fluoride shall be prescribed as needed based upon the fluoride levels in the child's drinking water supply. The fluoride dosage regimen accepted by the American Academy of Pediatrics shall be followed. No fluoride shall be prescribed without obtaining water from private wells or noting the presence or absence of fluoride in the public water supply. Supplemental fluoride may include bottled water containing fluoride and topical applications such as varnishes.

g) For infants enrolled in the WIC Nutrition Program, parents shall be referred to WIC for breastfeeding support and referral to the WIC Nutrition Program peer counselors.

6. Sexually Transmitted Infections

Primary Care Services shall provide age appropriate screening and treatment of sexually transmitted infections.

a) Treatment for sexually transmitted infections shall be provided according to the United States Centers for Disease Control Sexually Transmitted Diseases Treatment Guidelines, 2010 or subsequent revisions.

b) All clients, including women, shall be offered HIV testing following the most current recommendations of the United States Centers for Disease Control.

c) The contractor shall be responsible for ensuring referral to appropriate treatment services for any woman found to screen positive.

d) Appropriate risk reduction counseling shall be provided based on client needs.

7. Substance Use Services

a) A substance use screening history using a formal, validated screening tool shall be obtained for all clients as soon after entry into care as possible. Substance use counseling or other substance abuse intervention, treatment, or recovery services by an appropriately credentialed provider shall be provided on-site, or by referral, to clients with identified needs for these services. For these identified clients, ongoing primary care services should include follow up monitoring relative to substance abuse.

b) All clients, including pregnant women, identified as smokers shall receive counseling using the 5A's (ask, advise, assess, assist, and arrange) treatment available through the NH Tobacco Helpline as cited in the US Public Health Services report "Tobacco Use and Dependence", 2008, or "Smoking Cessation During Pregnancy: A Clinician's Guide to Helping Pregnant Women Quit Smoking", American College of Obstetricians and Gynecologists, 2011. With prior approval, agencies may also opt to participate in the DPHS best practice initiative of the 2A's and R (ask, advise and refer).

8. Immunizations

a) The Contractor shall adhere to the most current version of the "Recommended Adult Immunization Schedule for Adults (19 years and older) by Age and Medical Condition - United States", approved by the Advisory Committee on Immunization Practices, the American College of Obstetricians and Gynecologists, and the American Academy of Family Physicians.

b) The Contractor shall administer vaccines according to the most current version of the "Recommended Immunization Schedule for Persons Aged 0 Through 6 Years - United States", and "Recommended Immunization Schedule for Persons Aged 7 Through 18 Years – United States" approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians, based upon availability of vaccine from the New Hampshire Immunization Program.

9. Prenatal Genetic Screening

a) A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

b) All pregnant women should be offered voluntary genetic screening for fetal chromosomal abnormalities at the appropriate time following recommendations found in the American College of Obstetricians and Gynecologists' "Screening for Fetal Chromosomal Abnormalities (2007)" or more recent guidelines. The Contractor shall be responsible for ensuring referral to appropriate genetic testing and counseling for any woman found to have a positive screening test.

10. Additional Requirements

a) The Contractor's Medical Director shall participate in the development and approval of specific guidelines for medical care that supplement minimal clinical standards. Supplemental guidelines should be reviewed, signed, and dated annually, and updated as indicated.

b) Contractors considering clinical or sociological research using clients as subjects must adhere to the legal requirements governing human subjects research. Contractors must inform the DPHS, MCHS prior to initiating any research related to this contract.

c) The Contractor shall provide information to all employees annually about the Medical Reserve Corps Unit within their Public Health Region to enhance recruitment.

d) The Contractor shall provide information to all employees annually regarding the Emergency System for the Advance Registration of Volunteer Health Professionals (ESAR-VHP) managed by the NH Department of Health and Human Services' Emergency Services Unit, to enhance recruitment.

B) Staffing Provisions

The Contractor shall have, at minimum, the following staff positions:

a) executive director

b) fiscal director

c) registered nurse

d) clinical coordinator

e) medical service director

f) nutritionist (on site or by referral)

g) social worker

Staff positions required to provide direct services on-site include:

a) registered nurse

b) clinical coordinator

c) social worker

1. Qualifications

All health and allied health professionals shall have the appropriate New Hampshire licenses whether directly employed, contracted, or subcontracted.

In addition the following minimum qualifications shall be met for:

a) Registered Nurse
   a. A registered nurse licensed in the state of New Hampshire, Bachelor's degree preferred. Minimum of one-year experience in a community health setting.

b) Nutritionists:
   a. A Bachelor's degree in nutritional sciences or dietetics, or a Master's degree in nutritional sciences, nutrition education, or public health nutrition or current Registered Dietitian status in accordance with the Commission on dietetic Registration of the American Dietetic Association.
   b. Individuals who perform functions similar to a nutritionist but do not meet the above qualifications shall not use the title of nutritionist.

c) Social Workers shall have:
   a. A Bachelor's or Master's degree in social work or Bachelor's or Master's degree in a related social science or human behavior field. A minimum of one year of experience in a community health or social services setting is preferred.
   b. Individuals who perform functions similar to a social worker but do not meet the above qualifications shall not use the title of social worker.

d) Clinical Coordinators shall be:
   a. A registered nurse (RN), physician, physician assistant, or nurse practitioner with a license to practice in New Hampshire.
   b. The coordinator is a clinical position that oversees and takes responsibility for the clinical and administrative functions of each program.
   c. The coordinator may be responsible for more than one MCH funded program.

2. New Hires

The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing within one month of hire when a new administrator, clinical coordinator, or any staff person essential to carrying out contracted services is hired to work in the program. A resume of the employee shall accompany the aforesaid notification.

3. Vacancies

   a) The Contractor must notify the MCHS in writing if any critical position is vacant for more than one month, or if at any time funded under this contract does not have adequate staffing to perform all required services for more than one month. This may be done through a budget revision.

   b) Before an agency hires new program personnel that do not meet the required staff qualifications, the agency shall notify the MCHS in writing requesting a waiver of the applicable staffing requirements. The Section may grant waivers based on the need of the program, individuals' experience, and additional training.

C) Coordination of Services

1. The Contractor shall coordinate, where possible, with other service providers within the contractor's community. At a minimum, such collaboration shall include interagency referrals and coordination of care.

2. The Contractor shall participate in activities in the Public Health Region in which they provide services as appropriate. These activities enhance the integration of community-based public health prevention and health care initiatives that are being implemented by the contractor and may include community needs assessments, public health performance assessments, and/or the development of regional health improvement plans.

3. The Contractor agrees to participate in and coordinate public health activities as requested by the Division of Public Health Services during any disease outbreak and/or emergency, natural or man-made, affecting the public's health.

4. The Contractor is responsible for case management of the client enrolled in the program and for program follow-up activities. Case management services shall promote effective and efficient organization and utilization of resources to assure access to necessary comprehensive medical, nutritional, and social services for clients.

5. The Contractor shall assure that appropriate, responsive, and timely referrals and linkages for other needed services are made, carried through, and documented. Such services shall include, but not be limited to: dental services, genetic counseling, high risk prenatal services, mental health, social services, including domestic violence crisis centers, substance abuse services; and family planning services, Early Supports and Services Program, local WIC/CSF Program, Home Visiting New Hampshire Programs and health and social service agencies which serve children and families in need of those services.

D) Meetings and Trainings

The contractor will be responsible for sending staff to meetings and training required by the MCHS program, including but not limited to:

1. MCHS Agency Directors' meetings
2. Prenatal and Child Health Coordinators' meetings
3. MCHS Agency Medical Services Directors' meetings

III. Quality or Performance Improvement (QI/PI)

A) Workplans

1. Performance Workplans are required for this program and are used to monitor achievement of standard measures of performance of the services provided under this contract. The workplans are a key component of the RHPCS and the MCHS performance-based contracting system and of this contract. Outcomes shall be reported by clinical site.
2. Performance Workplans and Workplan Outcome reports according to the schedule and instructions provided by the MCHS. The MCHS shall notify the Contractor at least 30 days in advance of any changes in the submission schedule.
3. The Contractor shall incorporate required and developmental performance measures, defined by the MCHS into the agency's Performance Workplan. Reports on Workplan Progress/Outcomes shall detail the Performance Workplan plans and activities that monitor and evaluate the agency's progress toward performance measure targets.
4. The Contractor shall comply with modifications and/or additions to the workplan and annual report format as requested by RHPCS and MCHS. MCHS will provide the contractor with reasonable notice of such changes.
5. Agencies contracting for Primary Care Services must submit the workplans for Primary Care Clinical and Financial, Child Health, and Prenatal Care.

B) Additional Reporting requirements

In addition to Performance Workplans, the Contractor shall submit to MCHS the following data and information listed below which are used to monitor program performance:

1. In years when contracts or amendments are not required, the DPHS Budget Form, Budget Justification, Sources of Revenue and Program Staff list forms must be

completed according to the relevant instructions and submitted as requested by DPHS and, at minimum, by April 30 of each year.

2. The Sources of Revenue report must be resubmitted at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

3. Completed Uniform Data Set (UDS) tables reflecting program performance in the previous calendar year, by March 31 of each year.

4. The Perinatal Client Data Form (PCDF) shall be submitted electronically according to the instructions set forth by the MCHS.

5. A copy of the agency's updated Sliding Fee Scale including the amount(s) of any client fees and the schedule of discounts must be submitted by March 31st of each year. The agency's sliding fee scale must be updated annually based on the US DHHS Poverty guidelines as published in the Federal Register.

6. An annual summary of program-specific patient satisfaction results obtained during the prior contract period and the method by which the results were obtained shall be submitted annually as an addendum to the Workplan Outcome/Progress reports.

C) On-site reviews

1. The contractor shall allow a team or person authorized by the Division of Public Health Services to periodically review the contractor's systems of governance, administration, data collection and submission, clinical and financial management, and delivery of education services in order to assure systems are adequate to provide the contracted services.

2. Reviews shall include client record reviews to measure compliance with this exhibit.

3. The contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.

4. On-Site reviews may be waived or abbreviated at the discretion of MCHS, upon submission of satisfactory reports of reviews such as Health Services Resources Administration (HRSA): Office of Performance Review (OPR), or reviews from nationally accreditation organizations such as the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), Medicare, the Community Health Accreditation Program (CHAP), Accreditation Association for Ambulatory Healthcare (AAAHC), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey. Abbreviated reviews will focus on any deficiencies found in previous reviews, issues of compliance with this exhibit, and actions to strengthen performance as outlined in the agency Performance Workplan.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE CHILD HEALTH DIRECT CARE SERVICES
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Please note, for all measures, the following should be used **unless otherwise indicated:**

- Less than 19 years of age
- Served within the scope of this MCH contract during State Fiscal Year 2015 (July 1, 2014 – June 30, 2015)
- Each client can only be counted once (unduplicated)

Child Health Direct (CH – D) Performance Measure #1

Measure: 92%* of eligible children will be enrolled in Medicaid

Goal: To increase access to health care for children through the provision of health insurance

Definition: **Numerator-**
Of those in the denominator, the number of children enrolled in Medicaid.

Denominator-
Number of children who meet all of the following criteria:

- Less than 19 years of age
- Had 3 or more visits/encounters** during the reporting period
- As of the last visit during the reporting period were eligible for Medicaid

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**An encounter is face to face contact between a user and a provider who exercises independent judgment in the provision of services to the individual (UDS Table Definition).

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #2

Measure: 85%* of at-risk** children who were screened for blood lead between 18 and 30 months of age

Goal: To prevent childhood lead poisoning through early identification of lead exposure

Definition: **Numerator-**
Of those in the denominator, number of children screened for blood lead by capillary or venous on or after their 18-month birthday and prior to their 30-month birthday.

Denominator-
Number of at-risk** children who reached age 30 months during the reporting period. If discharged prior to 30 months, do not include in denominator.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**At risk = During the reporting period, the children were 18-29 months of age, and fit at least one of the following criteria:

- "Low income" (less than 185% poverty guidelines)
- Over 185% and resided in a town considered needing "Universal" screening per NH Childhood Lead Poisoning Prevention Program
- Over 185%, resided in a town considered "Target" and had a positive response to the risk questionnaire
- Refugee children -A refugee is defined as a person outside of his or her country of nationality who is unable or unwilling to return because of persecution or a well-founded fear of persecution on account of race, religion, nationality, membership in a particular social group, or political opinion (U.S. Citizenship and Immigration Services definition).

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #3

Measure: 71%* of children age two to nineteen years receiving primary care preventive health services with a Body Mass Index (BMI) percentile greater than or equal to the 85%ile with documented discussion of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Goal: To increase the percent of children receiving primary care preventive health services who have an elevated BMI percentile who receive guidance about promoting a healthier lifestyle.

Definition: **Numerator-**
Of those in the denominator, the number of children who had documentation in their medical record of there being discussion at least once during the reporting period of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Denominator-
Number of children who turned twenty-four months during or before the reporting period, up to the age of nineteen years, with one or more well child visit after their twenty-fourth month of age within the reporting year, and had an age and gender appropriate BMI percentile greater than or equal to the 85 % percentile at least once during the reporting period.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

Rationale: Children between the 85th – 94th percentiles BMI are encouraged to have 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks. (Discussion of the importance of family meal time, limiting eating out, consuming a healthy breakfast, preparing own foods, and promotion of breastfeeding is also encouraged.) American Academy of Pediatrics' guidance for Prevention and Treatment of Childhood Overweight and Obesity, (http://www.aap.org/obesity/health_professionals.html), from AAP Policy Statement: *Prevention of Pediatric Overweight and Obesity* and the AAP endorsed Expert Committee Recommendations Regarding the Prevention, Assessment, and Treatment of Children and Adolescent Overweight and Obesity, 2007.

*Target based on 2012 & 2013 Data Trend Table averages.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) #4

Measure: 75%* of eligible** infants and children with client record documentation of enrollment in WIC

Goal: To increase access to nutrition education, breastfeeding support, and healthy food through enrollment in the WIC Nutrition Program

Definition: **Numerator** -
Of those in the denominator, the number of infants and children who, as of the last well child visit during the reporting period, had client record documentation that infant or child was enrolled in WIC.

Denominator -
Unduplicated number of infants and children less than 5 years of age, enrolled in the agency, during the reporting period, who were eligible** for WIC.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**WIC Eligibility Requirements:

- Infants, and children up to their fifth birthday
- Must be income eligible (income guidelines are up to 185% of federal gross income, and are based on family size)

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #5

Measure: 23%* of infants who were exclusively** breastfed for the first three months, at their four month well baby visit

Goal: To provide optimum nutrition to infants in their first three months of life

Definition: **Numerator -**
Of those in the denominator, the number of infants who had client record documentation that the infant had been exclusively breastfed for their first three months when checked at their four month well baby visit.

Denominator -
Number of infants who received one or more visits during or before the reporting period and were seen for a four-month well baby visit during the reporting period.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

Benmarks: 2011 PedNSS (WIC) exclusive at 3 months: NH 22.9%, National (2010) 10.7%
2013 CDC Report Card (NIS, provisional 2010 births): NH 49.5%, National 37.7%
Healthy People 2020 goal: 44%

Rationale: The AAP recommends exclusive breastfeeding for about 6 months, with continuation of breastfeeding for 1 year or longer as mutually desired by mother and infant, a recommendation concurred to by the World Health Organization and the Institute of Medicine. (American Academy of Pediatrics Policy Statement on Breastfeeding and the Use of Human Milk, 2012)

*Target based on 2012 & 2013 Data Trend Table averages.
**Exclusive means breast milk only, no supplemental formula, cereal/baby food, or water/fluids.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE: ADULT

PERFORMANCE MEASURES DEFINITIONS

State Fiscal Year 2015

Primary Care: Adult Performance Measure #1

Measure:*	58%** of adult patients 18 – 85 years of age diagnosed with hypertension will have a blood pressure measurement less than 140/90*** mm at the time of their last measurement.
Goal:	To ensure patients diagnosed with hypertension are adequately controlled.
Definition:	**Numerator-** Number of patients from the denominator with blood pressure measurement less than 140/90 mm at the time of their last measurement. **Denominator-** Number of patients age 18 – 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

*Measure based on the National Quality Forum 0018

**Health People 2020 National Target is 61.2%

***Both the numerator and denominator must be less that 140/90 mm

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE CLINICAL
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Primary Care Clinical Adolescent (PC-C) Performance Measure #1

Measure: 61%* of adolescents aged 11-21 years received an annual health maintenance visits in the past 12 months.

Goal: To enhance adolescent health by assuring annual, recommended, adolescent well -visits.

Definition:

Numerator-
Number of adolescents in the denominator who received an annual health maintenance **"well" visit during the reporting year.**

Denominator-
Total number of adolescents aged 11-21 years who were enrolled in the primary care clinic as primary care clients during the reporting year period.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

***Target based on 2012 & 2013 Data Trend Table averages.**

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Primary Care Clinical Prenatal (PC-C) Performance Measure #2

Measure:	31%* of women and adolescent girls aged 15-44 take multi-vitamins with folic acid.
Goal:	To enhance pregnancy outcomes by reducing neural tube defects.
Definition:	**Numerator-** The number of women and adolescent girls aged 15-44 who take a multi-vitamin with folic acid. **Denominator-** The number of women and adolescent girls aged 15-44 who were seen in primary care for a well visit in the past year.
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

***Target based on 2012 & 2013 Data Trend Table averages.**

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE - FINANCIAL
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Primary Care (PC) Performance Measure #1

Measure: Patient Payor Mix

Goal: To allow monitoring of payment method trends at State funded primary care sites.

Definition: Patients enrolled in Medicare, Medicaid, Commercial insurance, or uninsured.

Data Source: Provided by agency

Primary Care (PC) Performance Measure #2

Measure: Accounts Receivables (AR) Days

Goal: To allow monitoring of financial sustainability trends at State funded primary care sites.

Definition: AR Days: Net Patient Accounts Receivable **multiplied by** 365 **divided by** Net Patient Revenue

Data Source: Provided by agency

Primary Care (PC) Performance Measure #3

Measure: Current Ratio

Goal: To allow monitoring of financial sustainability trends at State funded primary care sites.

Definition: Current Ratio = Current Assets **divided by** Current Liabilities

Data Source: Provided by agency

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRENATAL
PERFORMANCE MEASURES DEFINITIONS
State Fiscal Year 2015

Prenatal (PN) Performance Measure #1

Measure:	85%* of pregnant women who are enrolled in the agency's prenatal program will begin prenatal care during the first trimester of pregnancy.
Goal:	To enhance pregnancy outcomes by assuring early entrance into prenatal care.
Definition:	**Numerator-** Number of women in the denominator who had a documented prenatal visit during the first trimester (on or before 13.6 weeks gestation). **Denominator-** Number of women enrolled in the agency prenatal program who gave birth during the reporting year.
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

* Target based on 2012 & 2013 Data Trend Table averages.

Prenatal (PN) Performance Measure #2

Measure:	20%* of pregnant women who are identified as cigarette smokers will be referred to QuitWorks-New Hampshire.
Goal:	To reduce tobacco use during pregnancy through focused tobacco use cessation activities at public health prenatal clinics.
Definition:	**Numerator-** Number of women in the denominator who received at least one referral to QuitWorks-New Hampshire during pregnancy. **A referral is defined as signing the patient up for QuitWorks-NH via phone, fax, or EMR. It is not defined as discussing QuitWorks-NH with the patient and encouraging her to sign up.** **Denominator-** Number of women enrolled in the agency prenatal program and identified as tobacco users who gave birth during the reporting year.

Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

*Target set in consultation with the NH Tobacco Program & FY13 Data Trend Table average.

Prenatal (PN) Performance Measure #3

Measure:	79%* of pregnant women will be screened, using a formal valid screening tool, for alcohol and other substance use during every trimester they are enrolled in the prenatal program.
Goal:	To reduce prenatal substance use through systematic screening and identification.
Definition:	**Numerator-** Number of women in the denominator who were screened for substance and alcohol use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program. **Denominator-** Number of women enrolled in the agency prenatal program and who gave birth during the reporting year.
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

* Target based on 2012 & 2013 Data Trend Table averages.

His Excellency, Governor John H. Lynch
and the Honorable Executive Council
State House
Concord, New Hampshire 03301

APPROVED G&C #128
6/20/12

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, Bureau of Population Health and Community Services, Maternal and Child Health Section, to enter into an agreement with Ammonoosuc Community Health Services, Inc. (Vendor #177755-B003), 25 Mount Eustis Road, Littleton, New Hampshire 03561, in an amount not to exceed $370,854.00, to provide primary care services and breast and cervical cancer screening, to be effective July 1, 2012 or date of Governor and Executive Council approval, whichever is later, through June 30, 2014. Funds are available in the following accounts for SFY 2013, and are anticipated to be available in SFY 2014 upon the availability and continued appropriation of funds in the future operating budgets.

			Sub-Total	$65,216
			Total	$370,854

EXPLANATION

Funds in this agreement will be used to provide breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. This agreement provides funds for services as a last resort; contractor is required to make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. For example, in State Fiscal Year 2011:

- 88% of eligible children served were enrolled in Medicaid/Healthy Kids Gold.
- 86% of children 24-35 months, served received the appropriate schedule of immunizations.
- 82% of infants born to women served received prenatal care beginning in the first trimester of pregnancy.

In addition, breast and cervical cancers continue to be ongoing public health issues for New Hampshire. The Division of Public Health Services, Breast and Cervical Cancer Screening Program provides support for breast and cervical cancer screening services that include clinical examinations, pap smears and referral for

mammography. Through this program, women found to have abnormal screening results, following their testing, receive additional coverage for diagnostic work-up and, if necessary, have their care coordinated through the initiation of treatment.

Should Governor and Executive Council not authorize this Request, a minimum of 16,000 low-income individuals from the Northern Grafton and Southern Coos area may not have access to primary care services, and eligible women may not receive recommended breast and cervical cancer screenings. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. Additionally women that receive recommended breast and cervical cancer screenings are at lower risk of late diagnosis of breast and cervical cancers.

Ammonoosuc Community Health Services, Inc. was selected for this project through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by three professionals, who work internal and external to the Department of Health and Human Services. All reviewers have between three to twenty years experience either in clinical settings, providing community-based family support services, and managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were averaged and all proposals were recommended for funding. In those instances where scores were less than ideal, agency specific remedial actions were recommended and completed. Some primary care agencies are being funded at levels higher than they requested. Agencies were instructed to develop budgets based on previous allocations. While some proposed budgets higher than what was available for funding, others proposed budgets lower than what was available. There was an increase in breast and cervical cancer screening funds that bidders were unaware of when they drafted budgets. Adjustments were made accordingly for those agencies that proposed budgets at levels lower than available funds. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council. These services were contracted previously with this agency in SFY 2011 and SFY 2012 in the amount of $670,146. This represents a decrease of $299,292. The decrease is due to budget reductions.

The performance measures used to measure the effectiveness of the agreement are attached.

Area served: Northern Grafton and Southern Coos Counties.

Source of Funds: 32.95% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau and 67.05% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

José Thier Montero, MD
Director

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Prenatal (PN) Performance Measure #1

Measure: Percent of infants born to women receiving prenatal care beginning in the first trimester of pregnancy.

Primary Care Prenatal (PN) Performance Measure #2

Measure: Percent of pregnant women identified as cigarette smokers that are referred to QuitWorks-New Hampshire.

Primary Care Prenatal (PN) Performance Measure #3

Measure: Percent of pregnant women who were screened, using a formal valid screening tool, for alcohol and other drug use during every trimester the patient was enrolled.

Primary Care Child Health Direct (CH – D) Performance Measure #1

Measure: Percent of eligible children enrolled in Medicaid

Primary Care Child Health Direct (CH – D) Performance Measure #2

Measure: Percent of at-risk children who were screened for blood lead between 18 and 30 months of age

Primary Care Child Health Direct (CH – D) Performance Measure #3

Measure: Percent of children age two to nineteen years receiving primary care preventive health services with a Body Mass Index (BMI) percentile greater than or equal to the 85th percentile with documented discussion of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Primary Care Child Health Direct (CH – D) Performance Measure #4

Measure: Percent of eligible infants and children with client record documentation of enrollment in Women Infant Children Program.

Primary Care Child Health Direct (CH – D) Performance Measure #5

Measure: Percent of infants who were exclusively breastfed for the first three months, at their four month well baby visit.

Primary Care Financial (PC) Performance Measure #1

Measure: Patient Payor Mix

Primary Care Financial (PC) Performance Measure #2

Measure: Accounts Receivables (AR) Days

Primary Care Financial (PC) Performance Measure #3

Measure: Current Ratio

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Clinical Adolescent (PC-C) Performance Measure #1

Measure: Percent of adolescents aged 10-21 years who received annual health maintenance visits in the past 12 months.

Primary Care Clinical Prenatal (PC-C) Performance Measure #2

Measure: Percent of women and adolescent girls aged 15-44 who take a multi-vitamin with folic acid.

Littleton, New Hampshire 03561
Executive Director: Edward Shanshala
TELEPHONE: 603-444-8223

The Contractor shall:

I. General Provisions

A) Eligibility and Income Determination

1. Office-based primary care services will be provided to low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire.

2. Breast and Cervical Cancer screening services will be provided to low-income (defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), New Hampshire women age 18 – 64, *uninsured or underinsured.*

3. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new patients for more than a one month period.

4. The Contractor shall document annually, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete with the client the most recent version of the 800P form.

5. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, approved in advance by the Division of Public Health Services (DPHS), for low-income patients. Signage must state that no client will be denied services for inability to pay.

    a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, submitted to and approved by DPHS *prior to implementation.*

6. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered.

Contractor Initials: [illegible]
Date: 04/27/2012

B) Numbers Served

1. The contract funds shall be expended to provide the above services to a minimum of 8,000 users annually with 30,000 medical encounters, as defined in the Data and Reporting Requirements. Breast and Cervical Cancer Screening for eligible women, as defined by the Breast and Cervical Cancer Program (BCCP), shall be provided to 190 women annually and billed directly to the BCCP. Clinical service reimbursements shall not exceed the Medicare rate.

C) **Culturally and Linguistically Appropriate Standards of Care**

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. *Provide* clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.

4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.

5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation 45 CFR 80.3(b) (2). The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) **State and Federal Laws**

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated hereunder.

E) **Relevant Policies and Guidelines**

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

2. Primary Care funds shall be targeted to populations in need. Populations in need are defined as follows:

   a) uninsured;

   b) under-insured;

   c) families and individuals with significant psychosocial and economic risk, including low income status;

   d) all life cycles including perinatal, child, adolescent, adult, and elderly who meet one or more of the above criteria.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.

4. ***The Contractor shall have an agency emergency preparedness and response plan in accordance with HRSA Health Center Emergency Management Program Expectations, Document #2007-15 or most recent version. Such plan shall also include a Continuity of Operations plan.***

5. The Contractor shall carry out the work as described in the performance Workplan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

6. No Workplan is required by the Breast and Cervical Cancer Program (BCCP). The contractor shall be required to respond to the Quality Improvement Feedback Report twice a year.

7. The Contractor shall carry out the work as described in the Supplemental Funding Form submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) Publications Funded Under Contract

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, ***electronic***) produced, reproduced, or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14).

G) Subcontractors

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing ***and approve the subcontractual agreement,*** prior to initiation of the subcontract.

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. Minimal Standards of Core Services

A) Service Requirements

1. *Medical Home*

The Contractor shall provide a Medical Home that:

a) *Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.*

b) *Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.*

2. Primary Care Services

The Contractor shall provide office-based primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, APRN, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, *oral health*, and behavioral health specialty providers.

b) *Referral to the WIC Nutrition Program for all eligible pregnant women, infants and children.*

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.

d) Access to a healthcare provider, directly or by referral or subcontract, by telephone twenty-four hours per day, seven days per week.

e) Assessment of psychosocial risk for all clients at least annually and for children at scheduled preventive care visits, including, at a minimum, age appropriate assessment of safety in the home, domestic violence, adequacy of food and housing, care and welfare of children, transportation needs, and provision of necessary social services to address the priority needs and safety issues of clients and families.

f) Falls prevention screening for patients 65 years and older using the algorithm and guidelines of the American Geriatrics Society.

g) Behavioral health care directly or by referral to an agency or provider with a sliding fee scale.

h) *Nutrition assessment for all clients as part of the health maintenance visit.* Therapeutic nutrition services shall be provided *as indicated* directly or by referral to an agency or provider with a sliding fee scale. These services shall be recorded in the medical record.

i) Formal arrangements with a local hospital for emergency care must be in place and reviewed annually.

j) Home health care directly or by referral to an agency or provider with a sliding fee scale.

k) Assisted living and skilled nursing facility care by referral.

l) *Oral screening annually for all clients 19 years and older to note obvious dental decay and soft tissue abnormalities with a reminder to the patient that poor oral health impacts total health.*

m) *Diagnosis and management of pediatric and adult patients with asthma provided according to National Heart Lung Blood Institute, National Asthma Education and Prevention Program, Expert Panel Report 3: Guidelines for the Diagnosis and Management of Asthma, 2007.*

2. Breast and Cervical Cancer Screening

a) Women age 18 to 64 who are eligible for Breast and Cervical Cancer Program (BCCP) services according to income (equal to or under 250% of poverty, underinsured/uninsured) *and insurance status* criteria shall be provided the following services:

i. cervical cancer screening including a pelvic examination and Pap smear;
ii. annual breast cancer screening including a clinical breast exam, mammogram and,
iii. referrals for diagnostic and treatment services based on screening results,
iv. ~~case management services~~

b) All referrals under this provision shall be to approved certified laboratory, pathology, radiology, and surgical services. Mammography units shall be accredited by the American College of Radiology, and must be FDA certified under MQSA. Laboratories shall be CLIA certified.

c) All services shall be provided in accordance with the Breast and Cervical Cancer Program (BCCP) Policy and Procedure Manual.

d) Follow-up and tracking of all tests done, and referrals made shall be provided in accordance with the minimum standards outlined in the Breast and Cervical Cancer Program Policy and Procedure Manual.

e) All services for women enrolled in the Breast and Cervical Cancer Program (BCCP) shall be billed directly to the BCCP in accordance with protocols established by the Breast and Cervical Cancer Program.

3. Reproductive Health Services

The Contractor shall provide prenatal, interconceptional and preconception medical care, social services, nutrition services, education, and nursing care to all women of childbearing age. Preconceptional care includes the preconception, interconceptional, and postpartum periods in women's health. It is recommended that preconceptional and interconceptional care visits focus on maintaining or achieving the optimal health of the mother, lowering the risk of future adverse pregnancy outcomes, the family's future plans, and how additional children fit into that plan. Preconceptional counseling may be done during an office, group or home visit.

a) In the event prenatal care is not provided directly by the Contractor a formal Memorandum/a of Agreement for coordinated referral to an appropriately qualified provider must be maintained.

b) Prenatal care shall, at minimum, be provided in accordance with the Guidelines for Perinatal Care, sixth or most current edition, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists, and /or the Centers for Disease Control.

c) Age appropriate reproductive health care shall, at a minimum, be provided in accordance with the American College of Obstetricians and Gynecologists, or the USDHHS Centers for Disease Control (CDC) current guidelines.

d) *Pregnant women enrolled in the WIC Nutrition Program shall be referred to WIC for breastfeeding education and referral to the WIC Nutrition Program peer counselors.*

e. Family planning counseling for prevention of subsequent pregnancy following an infant's birth shall be discussed with the infant's mother *at the first postpartum visit and at the infant's 2-month visit and other visits as appropriate.* Rationale for birth intervals of 18-24 months shall be presented.

f) A referral to a Title X Family Planning Clinic or other reproductive health care provider shall be made as appropriate.

4. Services for Children and Adolescents

The Contractor shall provide as a minimum, comprehensive and age-appropriate health care, screenings, and health education according to the American Academy of Pediatrics' most recent periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent. Children and adolescent visits shall include:

a) Blood lead testing shall be performed in accordance with "New Hampshire Childhood Lead Poisoning Screening and Management Guidelines", issued by the New Hampshire Department of Health and Human Services, 2009 or subsequent revisions.

b) All children enrolled in either Healthy Kids-Gold or the Women, Infant, and Children (WIC) Program and/or who are ≤ 185% poverty, regardless of town of residence, are required to have a blood lead test at ages one and two years. All children ages three to six years who have not been previously tested shall have a capillary or venous blood lead test performed.

c) All children shall be screened for iron deficiency anemia as outlined in the Centers for Disease Control and Prevention document "Recommendations to Prevent and Control Iron Deficiency in the United States (4/2/98)".

d) Age-appropriate anticipatory guidance, dietary guidance, and *feeding practice counseling* for optimal oral health shall be provided at each well child visit according to the American Academy of Pediatrics' periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent edition. Starting at age 6 months, it is recommended that all children receive an oral health assessment at every well child visit.

e) Supplemental fluoride shall be prescribed as needed based upon the fluoride levels in the child's *drinking* water supply. The fluoride dosage regimen accepted by the American Academy of Pediatrics shall be followed. No fluoride shall be prescribed without obtaining water from private wells or noting the presence or absence of fluoride in the public water supply. *Supplemental fluoride may include bottled water containing fluoride and topical applications such as varnishes.*

f) *For infants enrolled in the WIC Nutrition Program, parents shall be referred to WIC for breastfeeding support and referral to the WIC Nutrition Program peer counselors.*

Contractor Initials: CH DSH

Date: 04/27/2012

5. Sexually Transmitted Infections

Primary Care Services shall provide age appropriate screening and treatment of sexually transmitted infections.

a) Treatment for sexually transmitted infections shall be provided according to the United States Centers for Disease Control Sexually Transmitted Diseases Treatment Guidelines, 2010 or subsequent revisions.

b) All clients, including women, shall be offered HIV testing following the most current recommendations of the United States Centers for Disease Control.

c) The contractor shall be responsible for ensuring referral to appropriate treatment services for any woman found to screen positive.

d) Appropriate risk reduction counseling shall be provided based on client needs.

6. Substance Use Services

a) A substance use screening history using a formal, validated screening tool shall be obtained for all clients as soon after entry into care as possible. Substance use counseling *or other substance abuse intervention, treatment, or recovery services* by an appropriately credentialed provider shall be provided on-site, or by referral, to clients with identified needs for these services. *For these identified clients, ongoing primary care services should include follow up monitoring relative to substance abuse.*

b) All clients, including pregnant women, identified as smokers shall receive counseling *using the 5A's (ask, advise, assess, assist, and arrange) treatment available through the NH Tobacco Helpline* as cited in the US Public Health Services report "Tobacco Use and Dependence", 2008, or "Smoking Cessation During Pregnancy: *A Clinician's Guide to Helping Pregnant Women Quit Smoking*", American College of Obstetricians and Gynecologists, 2011. *With prior approval, agencies may also opt to participate in the DPHS best practice initiative of the 2A's and R (ask, advise and refer).*

7. Immunizations

a) The Contractor shall adhere to the most current version of the "Recommended Adult Immunization Schedule United States", approved by the Advisory Committee on Immunization Practices, the American College of Obstetricians and Gynecologists, and the American Academy of Family Physicians.

b) The Contractor shall administer vaccines according to the most current version of the *"Recommended Immunization Schedule for Persons Aged 0 Through 6 Years - United States", and "Recommended Immunization Schedule for Persons Aged 7 Through 18 Years – United States"* approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians, based upon availability of vaccine from the New Hampshire Immunization Program.

8. Prenatal Genetic Screening

a) A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

b) All pregnant women should be offered voluntary genetic screening for fetal chromosomal abnormalities at the appropriate time following recommendations found in the American College of Obstetricians and Gynecologists' "Screening for Fetal Chromosomal

Contractor Initials: [illegible]

Date: 04/27/2012

Abnormalities (2007)" or more recent guidelines. The Contractor shall be responsible for ensuring referral to appropriate genetic testing and counseling for any woman found to have a positive screening test.

9. Additional Requirements

a) The Contractor's Medical Director shall participate in the development and approval of specific guidelines for medical care that supplement minimal clinical standards. Supplemental guidelines should be reviewed, signed, and dated annually, and updated as indicated.

b) Contractors considering clinical or sociological research using clients as subjects must adhere to the legal requirements governing human subjects research. Contractors must inform the DPHS, MCHS prior to initiating any research related to this contract.

c) *The Contractor shall provide information to all employees annually about the Medical Reserve Corps Unit within their Public Health Region to enhance recruitment.*

d) *The Contractor shall provide information to all employees annually regarding the Emergency System for the Advance Registration of Volunteer Health Professionals (ESAR-VHP) managed by the NH Department of Health and Human Services' Emergency Services Unit, to enhance recruitment.*

B) Staffing Provisions

The Contractor shall have, at minimum, the following staff positions:

a) executive director

b) fiscal director

c) registered nurse

d) clinical coordinator

e) medical service director

f) nutritionist *(on site or by referral)*

g) social worker

Staff positions required to provide direct services on-site include:

a) registered nurse

b) clinical coordinator

c) social worker

1. Qualifications

All health and allied health professionals shall have the appropriate New Hampshire licenses whether directly employed, contracted, or subcontracted.

In addition the following minimum qualifications shall be met for:

a) Registered Nurse

a. A registered nurse licensed in the state of New Hampshire, Bachelor's degree preferred. Minimum of one-year experience in a community health setting.

b) Nutritionists:

a. A Bachelor's degree in nutritional sciences or dietetics, or a Master's degree in nutritional sciences, nutrition education, or public health nutrition or current Registered Dietitian status in accordance with the Commission on dietetic Registration of the American Dietetic Association.

b. Individuals who perform functions similar to a nutritionist but do not meet the above qualifications shall not use the title of nutritionist.

c) Social Workers shall have:

a. A Bachelor's or Master's degree in social work or Bachelor's or Master's degree in a related social science or human behavior field. A minimum of one year of experience in a community health or social services setting is preferred.

b. Individuals who perform functions similar to a social worker but do not meet the above qualifications shall not use the title of social worker.

d) Clinical Coordinators shall be:

a. A registered nurse (RN), physician, physician assistant, or nurse practitioner with a license to practice in New Hampshire.

b. The coordinator is a clinical position that oversees and takes responsibility for the clinical and administrative functions of each program.

c. The coordinator may be responsible for more than one MCH funded program.

2. New Hires

The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing within one month of hire when a new administrator, clinical coordinator, or any staff person essential to carrying out contracted services is hired to work in the program. A resume of the employee shall accompany the aforesaid notification.

3. Vacancies

a) The Contractor must notify the MCHS in writing if any critical position is vacant for more than one month, or if at any time funded under this contract does not have adequate staffing to perform all required services for more than one month. This may be done through a budget revision.

b) Before an agency hires new program personnel that do not meet the required staff qualifications, the agency shall notify the MCHS in writing requesting a waiver of the applicable staffing requirements. The Section may grant waivers based on the need of the program, individuals' experience, and additional training.

C) Coordination of Services

1. The Contractor shall coordinate, where possible, with other service providers within the contractor's community. At a minimum, such collaboration shall include interagency referrals and coordination of care.

2. The Contractor shall participate in activities *in the Public Health Region in which they provide services* as appropriate. These activities enhance the integration of community-based public health

prevention and health care initiatives that are being implemented by the contractor and may include community needs assessments, public health performance assessments, and/or the development of regional health improvement plans.

3. The Contractor agrees to *participate* in and coordinate public health activities as requested by the Division of Public Health Services during any *disease outbreak* and/or *emergency*, natural or man made, affecting the public's health.

4. The Contractor is responsible for case management of the client enrolled in the program and for program follow-up activities. Case management services shall promote effective and efficient organization and utilization of resources to assure access to necessary comprehensive medical, nutritional, and social services for clients.

5. The Contractor shall assure that *appropriate, responsive, and timely* referrals and linkages for other needed services are made, carried through, and documented. Such services shall include, but not be limited to: dental services, genetic counseling, high risk prenatal services, mental health, social services, including domestic violence crisis centers, substance abuse services; and family planning services, Early Supports and Services Program, local WIC/CSF Program, Home Visiting New Hampshire Programs and health and social service agencies which serve children and families in need of those services.

D) **Meetings and Trainings**

The contractor will be responsible for sending staff to meetings and training required by the MCHS program, including but not limited to:

1. MCHS Agency Directors' meetings

2. Prenatal and Child Health Coordinators' meetings

3. MCHS Agency Medical Services Directors' meetings

III. Quality or Performance Improvement (QI/PI)

A) **Workplans**

1. Performance Workplans are required for this program and are used to monitor achievement of standard measures of performance of the services provided under this contract. The workplans are a key component of the RHPCS and the MCHS performance-based contracting system and of this contract. Outcomes shall be reported by clinical site.

2. Submit Performance Workplans and Workplan Outcome reports according to the schedule and instructions provided by the MCHS. The MCHS shall notify the Contractor at least 30 days in advance of any changes in the submission schedule.

3. The Contractor shall incorporate required and developmental performance measures, defined by the MCHS into the agency's Performance Workplan. Reports on Workplan Progress/Outcomes shall detail the Performance Workplan and activities that monitor and evaluate the agency's progress toward performance measure targets.

4. The Contractor shall comply with modifications and/or additions to the workplan and annual report format as requested by RHPCS and MCHS. MCHS will provide the contractor with reasonable notice of such changes.

5. Agencies contracting for Primary Care Services must submit the workplans for Primary Care *Clinical and Financial*, Child Health, and Prenatal Care.

Contractor Initials: CDS II

Date: 04/27/2012

B) Additional Reporting requirements

In addition to Performance Workplans, the Contractor shall submit to MCHS the following data and information listed below which are used to monitor program performance:

1. In years when contracts or amendments are not required, the DPHS Budget Form, Budget Justification, Sources of Revenue and Program Staff list forms must be completed according to the relevant instructions and submitted as requested by DPHS and, at minimum, by April 30 of each year.

2. The Sources of Revenue report must be resubmitted at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

3. Completed Uniform Data Set (UDS) tables reflecting program performance in the previous calendar year, by March 31 of each year.

4. The Perinatal Client Data Form (PCDF) shall be submitted electronically according to the instructions set forth by the MCHS.

5. A copy of the agency's updated Sliding Fee Scale including the amount(s) of any client fees and the schedule of discounts must be submitted by March 31st of each year. The agency's sliding fee scale must be updated annually based on the US DHHS Poverty guidelines as published in the Federal Register.

6. An annual summary of program-specific patient satisfaction results obtained during the prior contract period and the method by which the results were obtained shall be submitted annually as an addendum to the Workplan Outcome/Progress reports.

C) **On-site reviews**

1. The contractor shall allow a team or person authorized by the Division of Public Health Services to periodically review the contractor's systems of governance, administration, data collection and submission, clinical and financial management, and delivery of education services in order to assure systems are adequate to provide the contracted services.

2. Reviews shall include client record reviews to measure compliance with this exhibit.

3. The contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.

4. On-Site reviews may be waived or abbreviated at the discretion of MCHS, upon submission of satisfactory reports of reviews such as Health Services Resources Administration (HRSA): Office of Performance Review (OPR), or reviews from nationally accreditation organizations such as the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), Medicare, the Community Health Accreditation Program (CHAP), Accreditation Association for Ambulatory Healthcare (AAAHC), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey. Abbreviated reviews will focus on any deficiencies found in previous reviews, issues of compliance with this exhibit, and actions to strengthen performance as outlined in the agency Performance Workplan.

Exhibit B

Purchase of Services
Contract Price

Primary Care Services

CONTRACT PERIOD: July 1, 2012 or date of G&C approval, whichever is later, through June 30, 2014

CONTRACTOR NAME: **Ammonoosuc Community Health Services, Inc.**
ADDRESS: **25 Mount Eustis Road**
Littleton, New Hampshire 03561

Executive Director: **Edward Shanshala**
TELEPHONE: **603-444-8223**

Vendor #177755-B003	Job #90080000	Appropriation #010-090-51900000-102-500731
	#90073001	#010-090-51490000-102-500731
	#90080081	#010-090-56590000-102-500731

1. The total amount of all payments made to the Contractor for cost and expenses incurred in the performance of the services during the period of the contract shall not exceed:

   $285,638 for Primary Care Services, funded from 19.95% federal funds from the US. Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau (CFDA #93.994) and 80.05% general funds.

   $20,000 for Primary Care Services, funded from 100% general funds.

   $65,216 for Breast and Cervical Cancer Screening, funded from 100% federal funds from the Center for Disease Control (CFDA #93.283).

   TOTAL: $370,854

2. The Contractor agrees to use and apply all contract funds from the State for direct and indirect costs and expenses including, but not limited to, personnel costs and operating expenses related to the Services, as detailed in the attached budgets. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. The Contractor agrees not to use or apply such funds for capital additions or improvements, entertainment costs, or any other costs not approved by the State.

3. This is a cost-reimbursement contract based on an approved budget for the contract period. Reimbursement shall be made monthly based on actual costs incurred during the month up to an amount not greater than one-twelfth of the contract amount. Reimbursement greater than one-twelfth of the contract amount in any month shall require prior, written permission from the State.

4. Invoices shall be submitted by the Contractor to the State in a form satisfactory to the State for each of the Service category budgets. Said invoices shall be submitted within twenty (20) working days following the end of the month during which the contract activities were completed, and the final invoice shall be due to the State no later than sixty (60) days after the contract Completion Date. Said invoice shall contain a description of all allowable costs and expenses incurred by the Contractor during the contract period.

Contractor Initials: CTS-H
Date: 04/27/2012

5. Payment will be made by the State agency subsequent to approval of the submitted invoice and if sufficient funds are available in the Service category budget line items submitted by the Contractor to cover the costs and expenses incurred in the performances of the services.

6. The Contractor may amend the contract budget for any Service category through line item increases, decreases, or the creation of new line items provided these amendments do not exceed the contract price for that particular Service category. Such amendments shall only be made upon written request to and written approval by the State. Budget revisions will not be accepted after June 20th of each contract year.

7. The Contractor shall have written authorization from the State prior to using contract funds to purchase any equipment with a cost in excess of three hundred dollars ($300) and with a useful life beyond one year.

The remainder of this page is intentionally left blank.

Contractor Initials: CDS-IT
Date: 04/27/2012

Exhibit C

SPECIAL PROVISIONS

1. **Contractors Obligations:** The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

2. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

3. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

4. **Documentation:** In addition to the determination forms, required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

5. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

6. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

7. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

8. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractor's costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party fundors for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party fundors, the Department may elect to:

    8.1 Renegotiate the rates for payment hereunder, in which event new rates shall be established;

Contractor Initials: CDS-H

Date: 04/27/2012

8.2 Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

8.3 Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

9. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:

9.1 **Fiscal Records:** Books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

9.2 **Statistical Records:** Statistical, enrollment, attendance, or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

9.3 **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

10. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.

10.1 **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.

10.2 **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

11. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directed connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

12. **Reports: Fiscal and Statistical**: The Contractor agrees to submit the following reports at the following times if requested by the Department

    12.1 Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.

    12.2 Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

13. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

14. **Credits:** All documents, notices, press releases, research reports, and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:

    14.1 The preparation of this (report, document, etc.), was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, Division of Public Health Services, with funds provided in part or in whole by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

15. **Operation of Facilities:** Compliance with Laws and Regulations: In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the Contractor with respect to the operation of the facility or the provision of the services at such facility. If any government license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

Contractor Initials: GBS-T

Date: 9/27/2012

16. **Insurance:** Select either (1) or (2) below:

As referenced in the Request for Proposal, Comprehensive General Liability Insurance Acknowledgement Form, the Insurance requirement checked under this section is applicable to this contract:

Insurance Requirement for (1) - 501(c) (3) contractors whose annual gross amount of contract work with the State does not exceed $500,000, per RSA 21-I:13, XIV, (Supp. 2006): The general liability insurance requirements of standard state contracts for contractors that qualify for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the state does not exceed $500,000, is comprehensive general liability insurance in amounts of not less than $1,000,000 per claim or occurrence and $2,000,000 in the aggregate. *These amounts may NOT be modified.*

X (1) The contractor certifies that it **IS** a 501(c) (3) contractor whose annual total amount of contract work with the State of New Hampshire does **not** exceed $500,000.

Insurance Requirement for (2) - All other contractors who do not qualify for RSA 21-I:13, XIV, (Supp. 2006), Agreement P-37 General Provisions, 14.1 and 14.1.1. Insurance and Bond, shall apply: The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, both for the benefits of the State, the following insurance: comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per incident or occurrence. *These amounts MAY be modified if the State of NH determines contract activities are a risk of lower liability.*

☐ (2) The contractor certifies it does **NOT** qualify for insurance requirements under RSA 21-I:13, XIV (Supp. 2006).

17. **Renewal:**

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two (2) additional year(s), contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

18. **Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:**

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

Contractor Initials: GEH
Date: 4/27/2012

19. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

Contractor Initials: CDSH
Date: 04/27/2012

SPECIAL PROVISIONS – DEFINITIONS

As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean the section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Whenever federal or state laws, regulations, rules, orders, and policies, etc., are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc., as they may be amended or revised from time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

Standard Exhibit D

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act to 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I – FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES – CONTRACTORS
US DEPARTMENT OF EDUCATION – CONTRACTORS
US DEPARTMENT OF AGRICULTURE – CONTRACTORS

This certification is required by the regulations implementing Sections 5151-51-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). the January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630 of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services,
129 Pleasant Street
Concord, NH 03301

1) The grantee certifies that it will or will continue to provide a drug-free workplace by:

   (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

   (b) Establishing an ongoing drug-free awareness program to inform employee's about:

      (1) The dangers of drug abuse in the workplace;
      (2) The grantee's policy of maintaining a drug-free workplace;
      (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
      (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

   (c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

   (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:

      (1) Abide by the terms of the statement; and

Contractor Initials: EDS-IT
Date: 04/27/2012

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph (d) (2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).

2) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, State, zip code) (list each location)

CERTIFICATION REGARDING LOBBYING

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES – CONTRACTORS
US DEPARTMENT OF EDUCATION – CONTRACTORS
US DEPARTMENT OF AGRICULTURE – CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

Contract Period: 7/1/12 or date of G&C Approval, whichever is later, through 6/30/14

The undersigned certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

(2) If any funds, other than Federal appropriated funds, have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions, attached and identified as Standard Exhibit E-I.

(3) The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Standard Exhibit F

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions, execute the following Certification:

Instructions for Certification

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transition. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transition," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntary excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rule implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction", "provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

Contractor Initials: CDS-H
Date: 04/27/2020

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

1. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

   a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

   b. have not within a three-year period preceding this proposal (contract) been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

   c. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph 1 b of this certification; and

   d. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

2. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

Lower Tier Covered Transactions

By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:

(a) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

(b) where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion – Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

State of New Hampshire
Department of Health and Human Services
Amendment #4 to the Primary Care Services Contract

This 4th Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #4") dated this, 1st day of May, 2017 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Concord Hospital, Inc. (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 250 Pleasant Street, Concord, NH 03301.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #133) as amended by an agreement (Amendment #1 to the Contract) approved by the Governor and Executive Council on May 8, 2014 (Item #34A); as amended by an agreement (Amendment #2 to the Contract) approved by the Governor and Executive Council on June 24, 2015 (Item #58); as amended by an agreement (Amendment #3 to the Contract) approved by the Governor and Executive Council on December 7, 2016 (Item #12); the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 of the Agreement, the State may amend the contract terms and conditions by written agreement of the parties and approval of the Governor and Executive Council; and

WHEREAS, the parties agree to extend the contract for nine (9) months, add services to Exhibit A, Scope of Services and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:

   March 31, 2018

2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:

   $1,975,252

3. Add Exhibit A- Amendment #4, Scope of Services.
4. Add Exhibit A-1 – Amendment #4, Performance Measures
5. Add Exhibit B – Amendment #4, Method and Conditions Precedent to Payment.
6. Add Exhibit B-1 – Amendment #4 MCHS Budget.
7. Add Exhibit B-2 – Amendment #4, BCCP Budget.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. Office-based and enabling **Primary Care** services shall be provided individuals and families who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income, which is defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. **Breast and Cervical Cancer Screening** Services shall be provided to women ages twenty-one(21) through sixty-four (64) who are:

1.5.1. Uninsured.

1.5.2. Underinsured.

1.5.3. Low-income, which is defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.6. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.6.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.6.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.6.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care or Breast and Cervical Cancer Screening Services for new patients is limited or closed for more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

2.2. The Contractor shall assist individuals with completing a Medicaid/Expanded Medicaid or other health insurance application when income calculations indicate possible eligibility.

2.3. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.4. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.4.1. Update the sliding fee scale on an annual basis when new Federal Poverty Guidelines are released.

2.4.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services.

3.1.2. Perinatal services, including but not limited to access to obstetrical services either on-site or by referral.

3.1.3. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.1.4. Integrated Behavioral Health Services.

3.1.5. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.1.6. Assessment of need and follow-up/referral as indicated for:

3.1.6.1. Tobacco cessation, including referral to QuitWorks-NH, www.QuitWorksNH.org.

3.1.6.2. Social services.

3.1.6.3. Chronic Disease management, including disease specific referral and self-management education, which may include, but is not limited to referral to Diabetes Self-

Management Education (DSME), as recommended by the American Diabetes Association.

3.1.6.4. Nutrition services, including WIC, as appropriate.

3.1.6.5. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.1.6.6. Screening, Brief Intervention and Referral to Treatment (SBIRT) services, including but not limited to contact with the Regional Public Health Network Continuum of Care Development Initiative.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which includes but is not limited to access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.3. The Contractor shall provide enabling services, which are non-clinical services that support the delivery of basic primary care and services, and facilitate access to comprehensive patient care as well as social services. The Contractor shall facilitate enabling services that include, but are not limited to:

3.3.1. Case management, which may include but is not limited to, care facilitated by registries; information technology; health information exchanged; and other services that ensure patients receive necessary care when and where it is needed and wanted 8in a culturally and linguistically appropriate manner.

3.3.2. Benefit counseling.

3.3.3. Eligibility assistance.

3.3.4. Health education and supportive counseling.

3.3.5. Interpretation.

3.3.6. Outreach, which may include but is not limited to the use of community health workers.

3.3.7. Transportation.

3.3.8. Education of patients and the community regarding the availability and appropriate use of health services.

4. Breast and Cervical Cancer Screening Services

4.1. The Contract shall develop work plans based on performance measures in Exhibit A-1 – Amendment #3 that include activities related to:

4.1.1. The provision of breast and cervical cancer screening.

4.1.2. The promotion of breast and cervical cancer screening.

4.2. The Contractor shall implement evidence-based interventions outlined in the Centers for Disease Control and Prevention Guide to Community Preventative Services (http://www.thecommunityguide.org/index/html) to support the provision and promotion of breast and cervical cancer screening rates, including but not limited to provider reminder systems and patient reminders.

4.3. The Contractor shall provide breast and cervical cancer screening for the early detection of breast and cervical cancer in accordance with the policies and procedures outlined in the BCCP Policy and Procedure Manual, following nationally accepted screening recommendations. Screenings shall include but not be limited to:

4.3.1. Clinical pelvic examinations.

4.3.2. Clinical breast examinations.

4.3.3. Mammograms.

4.3.4. Pap and HPV tests, if appropriate.

4.3.5. Referrals for diagnostic and treatment services, as necessary.

4.4. The Contractor shall provide services to the number of individuals as follows:

4.4.1. 75% of all mammograms shall be provided to women ages fifty (50) to sixty-four (64) at all screening sites.

4.4.2. A maximum of 25% of all mammograms shall be provided to women under the age of fifty (50) at all screening sites.

4.4.3. 20% of newly enrolled women for Pap tests shall be provided at all screening sites to women who have not had a Pap test in over five (5) years.

4.5. The Contractor shall ensure all referrals are made in accordance with the minimum standards outlined in the BCCP Policy and Procedure Manual to facilities that provide approved and certified laboratory, pathology, radiology and surgical services. The Contractor shall ensure:

4.5.1. Mammography units are accredited by the American College of Radiology and FDA certified under MQSA.

4.5.2. Laboratories are CLIA certified.

4.6. The Contractor shall ensure all services and case management activities are completed in accordance with the BCCP Policy and Procedure Manual, including but not limited to follow-up and tracking of all client tests results and referrals.

4.7. The Contractor shall provide screening promotion for all eligible individuals, which includes, but is not limited to:

4.7.1. Patient navigation services that assist individuals to overcome health systems barriers and facilitate timely access to:

4.7.1.1. Quality breast and cervical cancer screening.

4.7.1.2. Breast and cervical cancer diagnostics.

4.7.1.3. Initiation of breast and cervical cancer treatment, when applicable.

4.7.1.4. Assurance that patient navigation services are terminated when the patient:

4.7.1.4.1. Completes screening and has normal results.

4.7.1.4.2. Completes diagnostic testing and has normal results.

4.7.1.4.3. Initiates breast and/or cervical cancer treatment or refuses treatment.

4.7.2. Patient navigation services shall include, but not be limited to:

4.7.2.1. A written assessment of individual client barriers.

4.7.2.2. Client education and support.

4.7.2.3. Assistance with resolving client barriers, including but not limited to transportation and translation services, as appropriate.

4.7.2.4. Tracking and follow-up to monitor client progress in completing screening, diagnostic testing, and initiation of treatment, as needed.

4.7.2.5. A minimum of two contacts with the client, either in person or by telephone.

4.7.2.6. Collecting data to evaluate the primary outcomes of patient navigation, which shall include adherence to screening, diagnostic testing and cancer treatment initiation.

4.7.2.7. Tracking of patients lost to follow-up, as appropriate.

5. Quality Improvement

5.1. The Contractor shall conduct a minimum of two (2) quality improvement projects which consist of systematic and continuous actions that lead to measurable improvement in health care services and the health status of targeted patient groups. The Contractor shall ensure:

5.1.1. One (1) quality improvement project focuses on the performance measure as designated by the Department.

5.1.2. One (1) quality improvement project is based on previous performance outcomes needing improvement, as selected by the Contractor.

5.2. The Contractor shall utilize Quality Improvement (QI) science to develop and implement a QI Workplan for each QI project, which shall include but not be limited to:

5.2.1. Specific goals and objectives for the project period.

5.2.2. Evaluation methods to demonstrate improvements in the quality, efficiency, and effectiveness of patient care.

5.3. The Contractor may utilize activities in QI projects that enhance clinical workflow and improve patient outcomes, which may include but are not limited to:

5.3.1. EMR prompts/alerts.

5.3.2. Protocols/Guidelines.

5.3.3. Diagnostic support.

5.3.4. Patient registries.

5.3.5. Collaborative learning sessions.

6. Staffing

6.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH licenses whether directly employed, contracted or subcontracted.

6.2. The Contractor shall employ a medical services director with special training and experience in primary care services who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

6.3. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services in writing and include a copy of the individual's resume, within thirty (30) days of hire.

6.4. The Contractor shall notify the MCHS, in writing, when:

6.4.1. Any critical position is vacant for more than thirty (30) days.

6.4.2. There is not adequate staffing to perform all required services for more than thirty (30) consecutive days or any sixty (60) nonconsecutive days.

Contractor's Initials: [illegible]

Date 5/26/17

6.5. The Contractor may deliver breast and cervical cancer screening navigation services through a combination of staff, which may include the provision of outreach and education by lay persons with clinical case management services provided by either:

6.5.1. A registered nurse who:

6.5.1.1. Is licensed with the NH Board of nursing; or

6.5.1.2. Has attained bachelor's degree from a recognized college or university.

6.5.2. A nurse who is working under the direct supervision of a registered nurse, as described in Section 6.5.1.

7. Coordination of Services

7.1. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

7.1.1. Community needs assessments.

7.1.2. Public health performance assessments.

7.1.3. The development of regional health improvement plans.

7.2. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

8. Required Meetings & Trainings

8.1. The Contractor shall attend meetings and trainings facilitated by the MCHS and BCCP programs that include, but are not limited to:

8.1.1. MCHS Agency Directors' meetings.

8.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year.

8.1.3. MCHS Agency Medical Services Directors' meetings.

8.1.4. BCCP Site Coordinators' annual meetings.

9. Workplans, Outcome Reports & Additional Reporting Requirements

9.1. The Contractor shall provide an annual BCCP Performance Workplan and Workplan Outcomes Report according to the schedule and instructions provided by the BCCP, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule.

Contractor's Initials: MH

Date 5/26/17

9.2. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a corrective action plan per directions from MCHS.

9.3. The Contractor shall submit a Performance Measure Outcome Report, which details the plan for improvement when a performance measure targeted goal is not met.

9.4. The Contractor shall submit an annual Workplan for the two (2) quality improvement projects that demonstrate improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.5. The Contractor shall submit at least one (1) annual Workplan that includes a detailed description of the enabling services funded by this contract. This shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.6. The Contractor shall collect and submit the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st of each contract year.

9.7. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

9.8. The Contractor shall submit an annual report on April 30th in each year a contract amendment or renewal is not required that includes, but is not limited to:

9.8.1. DPHS Budget Form.

9.8.2. Budget Justification.

9.8.3. Sources of Revenue.

9.8.4. Program Staff List, which includes staff titles

9.9. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9.10. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

9.10.1. Survey template.

9.10.2. Method by which the results were obtained.

10. On-Site Reviews

10.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

10.1.1. Systems of governance.

10.1.2. Administration.

10.1.3. Data collection and submission.

10.1.4. Clinical and financial management.

10.1.5. Delivery of education services.

10.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

10.2.1. Client records.

10.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

10.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Contractor's Initials: MRR

Exhibit A-1 – Amendment #4

1. MATERNAL AND CHILD HEALTH SECTION (MCHS) PRIMARY CARE PERFORMANCE MEASURES

1.1. Definitions

1.1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

1.1.1.1. The calendar year (January 1st through December 31st; or

1.1.1.2. The state fiscal year (July 1st through June 30th).

1.1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.1.4. **NQF** – National Quality Forum

1.1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.1.6. **UDS** – Uniform Data System

1.1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. Breastfeeding

2.1.1. **Percent of infants who are ever breastfed** (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. Preventive Health: Lead Screening

2.2.1. **Percent of children 3 years of age who had two or more capillary or venous lead blood test for lead poisoning by their third birthday.** (NH MCHS).

2.2.1.1. Numerator: All patient children who received at least one capillary or venous lead screening test between nine (9) months to eighteen (18) months of age **AND** one (1) capillary or venous lead screening test between nineteen (19) to thirty (30) months of age.

2.2.1.2. Denominator: All patient children who turned three (3) years old during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. Preventive Health: Adolescent Well-Care Visit

Contractor Initials: MJB
Date: 5/26/17

2.3.1. **Percent of adolescents, 12 through 21 years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year** (HEDIS,).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients 12 years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. **Maternal Depression Screening**

2.4.2.1. **Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative PLUS women who screened positive AND have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

2.5.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (NQF 0421, UDS).

2.5.1.1. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

2.5.1.2. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.4. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year or prior year AND who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco use one or more times during their most recent visit OR within twenty-four (24) months of the most recent visit and received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. **Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user** (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who delivered a live birth in the measurement year.

2.6.2.4. Definitions:

2.6.2.4.1. Tobacco Use: Includes any type of tobacco

2.6.2.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

2.7. **At Risk Population: Hypertension**

2.7.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90mmHG) during the measurement year** (NQF 0018).

2.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm HG at the time of their last measurement.

2.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension (must have been diagnosed with hypertension 6 or more months before the measurement date) who had at least one (1) medical visit during the measurement year. (Excludes pregnant women and patients with End Stage Renal Disease.)

2.8. **Patient Safety: Falls Screening**

2.8.1. **Percent of patients aged 65 years and older who were screened for fall risk at least once within 12 months** (NH MCHS).

2.8.1.1. Numerator: Patients who were screened for fall risk at least once within the measurement year.

2.8.1.2. Denominator: All patients aged 65 years and older seen by a health care provider within the measurement year.

2.9. **SBIRT**

2.9.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services (NHMCHS).

2.9.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention and/or referral to services.

2.9.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.1.3. Denominator: Number of patients aged 18 years and older seen for annual/preventive visit within the measurement year.

2.9.1.4. Definitions:

2.9.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.9.1.4.2. Brief Intervention: Includes guidance or counseling.

2.9.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.9.2. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program AND if positive, received a brief intervention or referral to services (NH MCHS)**.**

2.9.3. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

2.9.4. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.5. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.9.6. Definitions:

2.9.6.1. Substance Use: Includes any type of alcohol or drug.

2.9.6.2. Brief Intervention: Includes guidance or counseling.

2.9.6.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A – Amendment #4, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov):
   2.1. #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds.
   2.2. #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #4, Scope of Services, in accordance with Exhibit B-1 Amendment #4 through Exhibit B-2 Amendment #4.
4. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
5. Payment for said services shall be made as follows:
   5.1. The Contractor will submit an invoice by the tenth (10^{th}) working day of each month, which identifies and requests reimbursement for authorized expenses incurred in the prior month.
   5.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   5.3. The invoice must be submitted by mail or e-mail to:

   Financial Manager
   Department of Health and Human Services
   129 Pleasant Street
   Concord, NH 03301

   E-mail: dphscontractbilling@dhhs.state.nh.us
6. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.
7. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
8. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
9. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #4 through Exhibit B-2 Amendment #4 and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

State of New Hampshire
Department of State

CERTIFICATE

I, William M. Gardner, Secretary of State of the State of New Hampshire, do hereby certify that CONCORD HOSPITAL, INC. is a New Hampshire Nonprofit Corporation registered to transact business in New Hampshire on January 29, 1985. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: **74948**

IN TESTIMONY WHEREOF,
I hereto set my hand and cause to be affixed
the Seal of the State of New Hampshire,
this 21st day of April A.D. 2017.

William M. Gardner
Secretary of State

CERTIFICATE

I, William Chapman, Secretary of Concord Hospital, Inc. do hereby certify:

1) I maintain and have custody of and am familiar with the seal and minute books of the corporation;
2) I am authorized to issue certificates with respect to the contents of such books and to affix such seal to such certificates;
3) The following is a true and complete copy of the resolution adopted by the board of trustees of the corporation at a meeting of that board on March 21, 2005 which meeting was held in accordance with the law of the state of incorporation and the bylaws of the corporation:

   The motion was made, seconded and the Board unanimously voted that the powers and duties of the President shall include the execution of all contracts and other legal documents on behalf of the corporation, unless some other person is specifically so designated by the Board, by law, or pursuant to the administrative policy addressing contract and expenditure approval levels.

4) the foregoing resolution is in full force and effect, unamended, as of the date hereof; and
5) the following persons lawfully occupy the offices indicated below:

   Robert P. Steigmeyer, President
   Scott W. Sloane, Chief Financial Officer

IN WITNESS WHEREOF, I have hereunto set my hand as the Secretary of the Corporation this 26 day of May, 2017.

(Corporate seal)

William Chapman
Secretary

State of:

County of:

On this, the 26th day of May, 2017, before me a notary public, the undersigned officer, personally appeared William Chapman, known to me (or satisfactorily proven) to be the person whose name is subscribed to the within instrument, and acknowledged that he/she executed the same for the purposes therein contained.
In witness hereof, I hereunto set my hand and official seal.

Concord Hospital Mission Statement

Concord Hospital is a charitable organization
which exists to meet the health needs of individuals
within the communities it serves.

It is the established policy of Concord Hospital to provide services on the sole basis of the medical necessity of such services as determined by the medical staff without reference to race, color, ethnicity, national origin, sexual orientation, marital status, religion, age, gender, disability, or inability to pay for such services.

Approved by Board of Trustees 10-21-02; Reaffirmed by Board 11-23-03, 11-15-04, 11-21-05, 11-20-06, 11-19-07, 11-17-08, 11-16-09, 10-18-10, 9-19-11, 9-24-12, 9-23-13, 9-22-14

BAKER NEWMAN NOYES

INDEPENDENT AUDITORS' REPORT

The Board of Trustees
Concord Hospital, Inc.

We have audited the accompanying consolidated financial statements of Concord Hospital, Inc. and Subsidiaries (the System), which comprise the consolidated balance sheets as of September 30, 2016 and 2015, and the related consolidated statements of operations, changes in net assets and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the System as of September 30, 2016 and 2015, and the results of its operations, changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Cash and cash equivalents at beginning of year	8,096	12,953
Cash and cash equivalents at end of year	$ 6,555	$ 8,096

See accompanying notes.

1. Description of Organization and Summary of Significant Accounting Policies

Organization

Concord Hospital, Inc., (the Hospital) located in Concord, New Hampshire, is a not-for-profit acute care hospital. The Hospital provides inpatient, outpatient, emergency care and physician services for residents within its geographic region. Admitting physicians are primarily practitioners in the local area. The Hospital is controlled by Capital Region Health Care Corporation (CRHC).

In 1985, the then Concord Hospital underwent a corporate reorganization in which it was renamed and became CRHC. At the same time, the Hospital was formed as a new entity. All assets and liabilities of the former hospital, now CRHC, with the exception of its endowments and restricted funds, were conveyed to the new Hospital. The endowments were held by CRHC for the benefit of the Hospital, which is the true party in interest. Effective October 1, 1999, CRHC transferred these funds to the Hospital.

In March 2009, Concord Hospital created The Concord Hospital Trust (the Trust), a separately incorporated, not-for-profit organization to serve as the Hospital's philanthropic arm. In establishing the Trust, the Hospital transferred philanthropic permanent and temporarily restricted funds, including board designated funds, endowments, indigent care funds and specific purpose funds, to the newly formed organization together with the stewardship responsibility to direct monies available to support the Hospital's charitable mission and reflect the specific intentions of the donors who made these gifts. Concord Hospital and the Trust constitute the Obligated Group at September 30, 2016 and 2015 to certain debt described in Note 6.

Subsidiaries of the Hospital include:

Capital Region Health Care Development Corporation (CRHCDC) is a not-for-profit real estate corporation that owns and operates medical office buildings and other properties.

Capital Region Health Ventures Corporation (CRHVC) is a not-for-profit corporation that engages in health care delivery partnerships and joint ventures. It operates ambulatory surgery and diagnostic facilities in cooperation with other entities.

CH/DHC, Inc. d/b/a Dartmouth-Hitchcock-Concord (CH/DHC) is a not-for-profit corporation that provides clinical medical services through a multi-specialty group practice. CH/DHC was formed under a joint agreement between the Hospital and DH-Concord. The joint agreement terminated effective September 30, 2015.

The Hospital, its subsidiaries and the Trust are collectively referred to as the System. The consolidated financial statements include the accounts of the Hospital, the Trust, CRHCDC, CRHVC and CH/DHC. All significant intercompany balances and transactions have been eliminated in consolidation.

1. **Description of Organization and Summary of Significant Accounting Policies (Continued)**

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Concentration of Credit Risk

Financial instruments which subject the Hospital to credit risk consist primarily of cash equivalents, accounts receivable and investments. The risk with respect to cash equivalents is minimized by the Hospital's policy of investing in financial instruments with short-term maturities issued by highly rated financial institutions. The Hospital's accounts receivable are primarily due from third-party payors and amounts are presented net of expected contractual allowances and uncollectible amounts, including estimated uncollectible amounts from uninsured patients. The Hospital's investment portfolio consists of diversified investments, which are subject to market risk. The Hospital's investment in one fund, the Vanguard Institutional Index Fund, exceeded 10% of total Hospital investments as of September 30, 2016. The Hospital's investment in one fund, the State Street S&P 500 CTF, exceeded 10% of total Hospital investments as of September 30, 2015.

Cash and Cash Equivalents

Cash and cash equivalents include money market funds and secured repurchase agreements with original maturities of three months or less, excluding assets whose use is limited or restricted.

The Hospital maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Hospital has not experienced any losses on such accounts.

Supplies

Supplies are carried at the lower of cost, determined on a weighted-average method, or net realizable value.

Assets Whose Use is Limited or Restricted

Assets whose use is limited or restricted include assets held by trustees under workers' compensation reserves and self-insurance escrows, designated assets set aside by the Board of Trustees, over which the Board retains control and may, at its discretion, subsequently use for other purposes, and donor-restricted investments.

1. Description of Organization and Summary of Significant Accounting Policies (Continued)

Investments and Investment Income

Investments are carried at fair value in the accompanying consolidated balance sheets. Investment income (including realized gains and losses on investments, interest and dividends) is included in the excess of revenues and nonoperating income over expenses unless the income is restricted by donor or law. Gains and losses on investments are computed on a specific identification basis. Unrealized gains and losses on investments are excluded from the excess of revenues and nonoperating income over expenses unless the investments are classified as trading securities or losses are considered other-than-temporary. Periodically, management reviews investments for which the market value has fallen significantly below cost and recognizes impairment losses where they believe the declines are other-than-temporary.

Beneficial Interest in Perpetual Trusts

The System has an irrevocable right to receive income earned on certain trust assets established for its benefit. Distributions received by the System are unrestricted. The System's interest in the fair value of the trust assets is included in assets whose use is limited and as permanently restricted net assets. Changes in the fair value of beneficial trust assets are reported as increases or decreases to permanently restricted net assets.

Investment Policies

The System's investment policies provide guidance for the prudent and skillful management of invested assets with the objective of preserving capital and maximizing returns. The invested assets include endowment, specific purpose and board designated (unrestricted) funds.

Endowment funds are identified as permanent in nature, intended to provide support for current or future operations and other purposes identified by the donor. These funds are managed with disciplined longer-term investment objectives and strategies designed to accommodate relevant, reasonable, or probable events.

Temporarily restricted funds are temporary in nature, restricted as to time or purpose as identified by the donor or grantor. These funds have various intermediate/long-term time horizons associated with specific identified spending objectives.

Board designated funds have various intermediate/long-term time horizons associated with specific spending objectives as determined by the Board of Trustees.

Management of these assets is designed to increase, with minimum risk, the inflation adjusted principal and income of the endowment funds over the long term. The System targets a diversified asset allocation that places emphasis on achieving its long-term return objectives within prudent risk constraints.

1. **Description of Organization and Summary of Significant Accounting Policies (Continued)**

Spending Policy for Appropriation of Assets for Expenditure

In accordance with the *Uniform Prudent Management of Institutional Funds Act* (UPMIFA), the System considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (a) the duration and preservation of the fund; (b) the purpose of the organization and the donor-restricted endowment fund; (c) general economic conditions; (d) the possible effect of inflation and deflation; (e) the expected total return from income and the appreciation of investments; (f) other resources of the organization; and (g) the investment policies of the organization.

Spending policies may be adopted by the System, from time to time, to provide a stream of funding for the support of key programs. The spending policies are structured in a manner to ensure that the purchasing power of the assets is maintained while providing the desired level of annual funding to the programs. The System has a current spending policy on various funds currently equivalent to 5% of twelve-quarter moving average of the funds' total market value.

Accounts Receivable and the Allowance for Doubtful Accounts

Accounts receivable are reduced by an allowance for doubtful accounts. In evaluating the collectibility of accounts receivable, the System analyzes its past history and identifies trends for each of its major payor sources of revenue to estimate the appropriate allowance for doubtful accounts and provision for doubtful accounts. Management regularly reviews data about these major payor sources of revenue in evaluating the sufficiency of the allowance for doubtful accounts. For receivables associated with services provided to patients who have third-party coverage, the System analyzes contractually due amounts and provides an allowance for doubtful accounts and a provision for doubtful accounts, if necessary (for example, for expected uncollectible deductibles and copayments on accounts for which the third-party payor has not yet paid, or for payors who are known to be having financial difficulties that make the realization of amounts due unlikely). For receivables associated with self-pay patients (which includes both patients without insurance and patients with deductible and copayment balances due for which third-party coverage exists for part of the bill), the System records a provision for doubtful accounts in the period of service on the basis of its past experience, which indicates that many patients are unable or unwilling to pay the portion of their bill for which they are financially responsible. The difference between the standard rates (or the discounted rates if negotiated) and the amounts actually collected after all reasonable collection efforts have been exhausted is charged off against the allowance for doubtful accounts.

The System's allowance for doubtful accounts for self-pay patients represented 70% and 68% of self-pay accounts receivable at September 30, 2016 and 2015, respectively. The total provision for the allowance for doubtful accounts was $17,251 and $16,839 for the years ended September 30, 2016 and 2015, respectively. The System also allocates a portion of the allowance and provision for doubtful accounts to charity care, which is not recorded as revenue. The System's self-pay bad debt writeoffs increased $614, from $21,518 in 2015 to $22,132 in 2016. The increase in bad debt writeoffs between 2016 and 2015 was primarily a result of certain shifts in payor mix.

1. Description of Organization and Summary of Significant Accounting Policies (Continued)

Property and Equipment

Property and equipment is stated at cost at time of purchase, or at fair value at time of donation for assets contributed, less any reductions in carrying value for impairment and less accumulated depreciation. The System's policy is to capitalize expenditures for major improvements and charge maintenance and repairs currently for expenditures which do not extend the lives of the related assets. Depreciation is computed using the straight-line method in a manner intended to amortize the cost of the related assets over their estimated useful lives. For the years ended September 30, 2016 and 2015, depreciation expense was $24,535 and $24,437, respectively.

The System has also capitalized certain costs associated with property and equipment not yet in service. Construction in progress includes amounts incurred related to major construction projects, other renovations, and other capital equipment purchased but not yet placed in service. During 2016, the Hospital entered into various construction contracts totaling approximately $9,600 for the construction of a new parking garage. Construction began in September 2016 and is expected to be completed in the spring of 2017. There was no interest capitalized during 2016 and 2015.

Gifts of long-lived assets such as land, buildings or equipment are reported as unrestricted support, and are excluded from the excess of revenues and nonoperating income over expenses, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used, and gifts of cash or other assets that must be used to acquire long-lived assets, are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Federal Grant Revenue and Expenditures

Revenues and expenses under federal grant programs are recognized as the grant expenditures are incurred.

Bond Issuance Costs/Original Issue Discount or Premium

Bond issuance costs incurred to obtain financing for construction and renovation projects and the original issue discount or premium are amortized to interest expense using the straight-line method, which approximates the effective interest method, over the life of the respective bonds. The original issue discount or premium and bond issuance costs are presented as a component of bonds payable.

Charity Care

The System provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates (Note 11). Because the System does not pursue collection of amounts determined to qualify as charity care, they are not reported as revenue. The System determines the costs associated with providing charity care by calculating a ratio of cost to gross charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. Funds received from gifts and grants to subsidize charity services provided for the years ended September 30, 2016 and 2015 were approximately $330 and $473, respectively.

1. **Description of Organization and Summary of Significant Accounting Policies (Continued)**

Temporarily and Permanently Restricted Net Assets

Gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of donated assets. Temporarily restricted net assets are those whose use has been limited by donors to a specific time period or purpose. When a donor restriction expires (when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified as unrestricted net assets and reported as either net assets released from restrictions for operations (for noncapital related items) or as net assets released from restrictions used for purchases of property and equipment (capital related items). Permanently restricted net assets have been restricted by donors to be maintained in perpetuity.

Donor-restricted contributions whose restrictions are met within the same year as received are reported as unrestricted contributions in the accompanying consolidated financial statements.

Net Patient Service Revenue

The System has agreements with third-party payors that provide for payments to the System at amounts different from its established rates. Payment arrangements include prospectively determined rates per discharge, reimbursed costs, discounted charges, per diem payments and fee schedules. Net patient service revenue is reported at the estimated net realizable amounts from patients, third-party payors and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payors. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined. Changes in these estimates are reflected in the financial statements in the year in which they occur. For the years ended September 30, 2016 and 2015, net patient service revenue in the accompanying consolidated statements of operations decreased by approximately $500 and $3,106, respectively, due to actual settlements and changes in assumptions underlying estimated future third-party settlements.

Revenues from the Medicare and Medicaid programs accounted for approximately 31% and 6% and 31% and 4% of the Hospital's net patient service revenue for the years ended September 30, 2016 and 2015, respectively. Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation.

The Hospital recognizes patient service revenue associated with services provided to patients who have third-party payor coverage on the basis of contractual rates for the services rendered. For uninsured patients, the Hospital provides a discount approximately equal to that of its largest private insurance payors. On the basis of historical experience, a significant portion of the Hospital's uninsured patients will be unable or unwilling to pay for the services provided. Thus, the Hospital records a significant provision for doubtful accounts related to uninsured patients in the period the services are provided.

1. **Description of Organization and Summary of Significant Accounting Policies (Continued)**

Donor-Restricted Gifts

Unconditional promises to give cash and other assets to the System are reported at fair value at the date the promise is received. Conditional promises to give and intentions to give are reported at fair value at the date the condition is met. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of donated assets.

Excess of Revenues and Nonoperating Income Over Expenses

The System has deemed all activities as ongoing, major or central to the provision of health care services and, accordingly, they are reported as operating revenue and expenses, except for unrestricted contributions and pledges, the related philanthropy expenses and investment income which are recorded as nonoperating income.

The consolidated statements of operations also include excess of revenues and nonoperating income over expenses. Changes in unrestricted net assets which are excluded from excess of revenues and nonoperating income over expenses, consistent with industry practice, include the change in net unrealized gains and losses on investments other than trading securities or losses considered other than temporary, permanent transfers of assets to and from affiliates for other than goods and services, pension liability adjustments and contributions of long-lived assets (including assets acquired using contributions which by donor restriction were to be used for the purposes of acquiring such assets).

Estimated Workers' Compensation and Health Care Claims

The provision for estimated workers' compensation and health care claims includes estimates of the ultimate costs for both reported claims and claims incurred but not reported.

Income Taxes

The Hospital, CRHCDC, CRHVC, CH/DHC and the Trust are not-for-profit corporations as described in Section 501(c)(3) of the Internal Revenue Code, and are exempt from federal income taxes on related income pursuant to Section 501(a) of the Code. Management evaluated the System's tax positions and concluded the System has maintained its tax-exempt status, does not have any significant unrelated business income and had taken no uncertain tax positions that require adjustment to or disclosure in the accompanying consolidated financial statements.

Advertising Costs

The System expenses advertising costs as incurred, and such costs totaled approximately $200 and $214 for the years ended September 30, 2016 and 2015, respectively.

1. **Description of Organization and Summary of Significant Accounting Policies (Continued)**

Recent Accounting Pronouncements

In May 2014, the Financial Accounting Standards Board (FASB) issued ASU No. 2014-09, *Revenue from Contracts with Customers* (ASU 2014-09), which requires revenue to be recognized when promised goods or services are transferred to customers in amounts that reflect the consideration to which the System expects to be entitled in exchange for those goods and services. ASU 2014-09 will replace most existing revenue recognition guidance in U.S. GAAP when it becomes effective. ASU 2014-09 is effective for the System on October 1, 2018. ASU 2014-09 permits the use of either the retrospective or cumulative effect transition method. The System is evaluating the impact that ASU 2014-09 will have on its consolidated financial statements and related disclosures.

In April 2015, the FASB issued ASU No. 2015-03, *Interest – Imputation of Interest: Simplifying the Presentation of Debt Issuance Costs* (ASU 2015-03). ASU 2015-03 simplifies the presentation of debt issuance costs and requires that the debt issuance costs related to a recognized debt liability be presented in the balance sheet as a direct deduction from the carrying amount of that debt liability, consistent with debt discounts. ASU 2015-03 is effective for the System's fiscal year ending September 30, 2017 with early adoption permitted. The System has elected to implement ASU 2015-03 in its 2016 consolidated financial statements (with retroactive application to 2015) which is allowed under the pronouncement. The adoption of this pronouncement did not materially affect the consolidated financial statements. See Note 6.

In February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)* (ASU 2016-02). Under ASU 2016-02, at the commencement of a long-term lease, lessees will recognize a liability equivalent to the discounted payments due under the lease agreement, as well as an offsetting right-of-use asset. ASU 2016-02 is effective for the System on October 1, 2019, with early adoption permitted. Lessees (for capital and operating leases) must apply a modified retrospective transition approach for leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements. The modified retrospective approach would not require any transition accounting for leases that expired before the earliest comparative period presented. Lessees may not apply a full retrospective transition approach. The System is currently evaluating the impact of the pending adoption of ASU 2016-02 on the System's consolidated financial statements.

In August 2016, the FASB issued ASU No. 2016-14, *Presentation of Financial Statements for Not-for-Profit Entities (Topic 958)* (ASU 2016-14). Under ASU 2016-14, the existing three-category classification of net assets (i.e., unrestricted, temporarily restricted and permanently restricted) will be replaced with a simplified model that combines temporarily restricted and permanently restricted into a single category called "net assets with donor restrictions". ASU 2016-14 also enhances certain disclosures regarding board designations, donor restrictions and qualitative information regarding management of liquid resources. In addition to reporting expenses by functional classifications, ASU 2016-14 will also require the financial statements to provide information about expenses by their nature, along with enhanced disclosures about the methods used to allocate costs among program and support functions. ASU 2016-14 is effective for the System's fiscal year ending September 30, 2019, with early adoption permitted. The System is currently evaluating the impact of the pending adoption of ASU 2016-14 on the System's consolidated financial statements.

1. Description of Organization and Summary of Significant Accounting Policies (Continued)

Reclassifications

Certain 2015 amounts have been reclassified to permit comparison with the 2016 consolidated financial statements presentation format.

Subsequent Events

Management of the System evaluated events occurring between the end of the System's fiscal year and January 6, 2017, the date the consolidated financial statements were available to be issued.

2. Transactions With Affiliates

The System provides funds to CRHC and its affiliates which are used for a variety of purposes. The System records the transfer of funds to CRHC and the other affiliates as either receivables or directly against net assets, depending on the intended use and repayment requirements of the funds. Generally, funds transferred for start-up costs of new ventures or capital related expenditures are recorded as charges against net assets. For the years ended September 30, 2016 and 2015, transfers made to CRHC were $(129) and $(77), respectively, and transfers received from Capital Region Health Services Corporation (CRHSC) were $318 and $449, respectively.

A brief description of affiliated entities is as follows:

- CRHSC is a for-profit provider of health care services, including an eye surgery center and assisted living facility.
- Concord Regional Visiting Nurse Association, Inc. and Subsidiary (CRVNA) provides home health care services.
- Riverbend, Inc. provides behavioral health services.

Amounts due the System, primarily from joint ventures, totaled $1,885 and $2,326 at September 30, 2016 and 2015, respectively. Amounts have been classified as current or long-term depending on the intentions of the parties involved. Beginning in 1999, the Hospital began charging interest on a portion of the receivables ($851 and $892 at September 30, 2016 and 2015, respectively) with principal and interest (6.75% at September 30, 2016) payments due monthly. Interest income amounted to $59 and $62 for the years ended September 30, 2016 and 2015, respectively.

Contributions to affiliates and other community organizations from temporarily restricted net assets were $184 and $140 in 2016 and 2015, respectively.

3. Investments and Assets Whose Use is Limited or Restricted

Short-term investments totaling $19,512 and $7,395 at September 30, 2016 and 2015, respectively, are comprised primarily of cash and cash equivalents. Assets whose use is limited or restricted are carried at fair value and consist of the following at September 30:

	2016	2015
Board designated funds:		
Cash and cash equivalents	$ 625	$ 7,694
Fixed income securities	25,139	32,547
Marketable equity and other securities	214,931	194,948
Inflation-protected securities	19,592	16,738
	260,287	251,927
Held by trustee for workers' compensation reserves:		
Fixed income securities	4,024	3,803
Health insurance and other escrow funds:		
Cash and cash equivalents	1,682	960
Fixed income securities	1,783	1,337
Marketable equity securities	6,839	5,182
	10,304	7,479
Donor-restricted funds and restricted grants:		
Cash and cash equivalents	5,189	3,392
Fixed income securities	2,075	2,607
Marketable equity securities	17,739	15,737
Inflation-protected securities	1,615	1,341
Trust funds administered by others	10,607	10,489
Other	292	738
	37,517	34,304
	$312,132	$297,513

Included in marketable equity and other securities above are $133,944 and $111,063 at September 30, 2016 and 2015, respectively, in so called alternative investments. See also Note 14.

3. **Investments and Assets Whose Use is Limited or Restricted (Continued)**

Investment income, net realized gains and losses and net unrealized gains and losses on assets whose use is limited or restricted, cash and cash equivalents, and other investments are as follows at September 30:

	2016	2015
Unrestricted net assets:		
Interest and dividends	$ 3,505	$ 3,885
Investment income from trust funds administered by others	567	546
Net realized gains on sales of investments	23,408	8,955
	27,480	13,386
Restricted net assets:		
Interest and dividends	261	272
Net realized gains on sales of investments	1,920	718
	2,181	990
	$29,661	$ 14,376
Net unrealized (losses) gains on investments:		
Unrestricted net assets	$ (5,098)	$ (23,982)
Temporarily restricted net assets	(540)	(1,841)
Permanently restricted net assets	118	(581)
	$ (5,520)	$ (26,404)

In compliance with the System's spending policy, portions of investment income and related fees are recognized in other operating revenue on the accompanying consolidated statements of operations. Investment income reflected in other operating revenue was $1,695 and $1,709 in 2016 and 2015, respectively.

Investment management fees expensed and reflected in nonoperating income were $858 and $896 for the years ended September 30, 2016 and 2015, respectively.

The following summarizes the Hospital's gross unrealized losses and fair values, aggregated by investment category and length of time that individual securities have been in a continuous unrealized loss position at September 30, 2016 and 2015:

	Less Than 12 Months		12 Months or Longer		Total	
	Fair Value	Unrealized Losses	Fair Value	Unrealized Losses	Fair Value	Unrealized Losses
2016						
Marketable equity securities	$ 1,830	$ (86)	$26,503	$ (9,538)	$28,333	$ (9,624)
Fund-of-funds	7,785	(215)	33,978	(2,703)	41,763	(2,918)
	$ 9,615	$ (301)	$60,481	$ (12,241)	$70,096	$ (12,542)

3. Investments and Assets Whose Use is Limited or Restricted (Continued)

	Less Than 12 Months		12 Months or Longer		Total	
	Fair Value	Unrealized Losses	Fair Value	Unrealized Losses	Fair Value	Unrealized Losses
2015						
Marketable equity securities	$32,230	$ (3,745)	$28,960	$ (10,675)	$ 61,190	$ (14,420)
Fund-of-funds	19,073	(1,158)	31,712	(4,865)	50,785	(6,023)
	$51,303	$ (4,903)	$60,672	$ (15,540)	$111,975	$ (20,443)

In evaluating whether investments have suffered an other-than-temporary decline, based on input from outside investment advisors, management evaluated the amount of the decline compared to cost, the length of time and extent to which fair value has been less than cost, the underlying creditworthiness of the issuer, the fair values exhibited during the year, estimated future fair values and the System's intent and ability to hold the security until a recovery in fair value or maturity. Based on evaluations of the underlying issuers' financial condition, current trends and economic conditions, management believes there are no securities that have suffered an other-than-temporary decline in value at September 30, 2016 and 2015.

4. Defined Benefit Pension Plan

The System has a noncontributory defined benefit pension plan (the Plan), covering all eligible employees of the System and subsidiaries. The Plan provides benefits based on an employee's years of service, age and the employee's compensation over those years. The System's funding policy is to contribute annually the amount needed to meet or exceed actuarially determined minimum funding requirements of the *Employee Retirement Income Security Act of 1974* (ERISA).

The System accounts for its defined benefit pension plan under ASC 715, *Compensation Retirement Benefits*. This Statement requires entities to recognize an asset or liability for the overfunded or underfunded status of their benefit plans in their financial statements.

The following table summarizes the Plan's funded status at September 30, 2016 and 2015:

	2016	2015
Funded status:		
Fair value of plan assets	$ 185,404	$ 165,053
Projected benefit obligation	(270,534)	(229,888)
	$ (85,130)	$ (64,835)
Activities for the year consist of:		
Benefit payments and administrative expenses	$ 9,230	$ 7,562
Net periodic benefit cost	12,460	10,590

4. Defined Benefit Pension Plan (Continued)

The table below presents details about the System's defined benefit pension plan, including its funded status, components of net periodic benefit cost, and certain assumptions used in determining the funded status and cost:

	2016	2015
Change in benefit obligation:		
Benefit obligation at beginning of year	$229,888	$199,121
Service cost	9,836	9,562
Interest cost	10,761	9,270
Actuarial loss	29,279	21,989
Benefit payments and administrative expenses paid	(9,230)	(7,562)
Plan amendment	–	(2,492)
Benefit obligation at end of year	$270,534	$229,888
Change in plan assets:		
Fair value of plan assets at beginning of year	$165,053	$151,055
Actual return on plan assets	12,581	(5,440)
Employer contributions	17,000	27,000
Benefit payments and administrative expenses paid	(9,230)	(7,562)
Fair value of plan assets at end of year	$185,404	$165,053
Funded status and amount recognized in noncurrent liabilities at September 30	$(85,130)	$(64,835)

Amounts recognized as a change in unrestricted net assets during the years ended September 30, 2016 and 2015 consist of:

	2016	2015
Net actuarial loss	$30,715	$39,736
Net amortized loss	(6,155)	(4,099)
Prior service credit amortization	276	33
Plan amendment	–	(2,492)
Total amount recognized	$24,836	$33,178

In June 2015, the plan was amended effective January 1, 2016 to change the factors used to convert a cash balance account into a monthly annuity, expand eligibility for the lump payment option and modify eligibility for an annual cash balance pay credit. These changes were reflected within the projected benefit obligation at September 30, 2015. Also in 2015, the System began to use the RP-2015 mortality tables, which in general have longer life expectancies than the older tables used, which had an impact on the projected benefit obligation.

4. Defined Benefit Pension Plan (Continued)

Pension Plan Assets

The fair values of the System's pension plan assets as of September 30, 2016 and 2015, by asset category are as follows (see Note 14 for level definitions). In accordance with ASU 2015-07, certain investments that are measured using the net value per share practical expedient have not been classified in the fair value hierarchy.

	2016 Level 1	2015 Level 1
Short-term investments:		
Money market funds	$ 11,328	$ 12,036
Equity securities:		
Common stocks	9,251	8,244
Mutual funds – international	13,879	16,770
Mutual funds – domestic	38,471	7,682
Mutual funds – natural resources	4,662	3,439
Mutual funds – inflation hedge	6,369	–
Fixed income securities:		
Mutual funds – REIT	449	680
Mutual funds – fixed income	21,527	23,321
	105,936	72,172
Funds measured at net asset value:		
Equity securities:		
Common collective trust	–	27,873
Funds-of-funds	74,753	54,601
Fixed income securities:		
Funds-of-funds	4,715	4,367
Hedge funds:		
Inflation hedge	–	6,040
Total investments at fair value	$185,404	$165,053

The target allocation for the System's pension plan assets as of September 30, 2016 and 2015, by asset category are as follows:

	2016		2015	
	Target Allocation	Percentage of Plan Assets	Target Allocation	Percentage of Plan Assets
Short-term investments	0-20%	6%	0-20%	7%
Equity securities	40-80%	79	40-80%	71
Fixed income securities	5-80%	15	5-80%	18
Other	0-30%	-	0-30%	4

4. Defined Benefit Pension Plan (Continued)

The funds-of-funds are invested with twelve investment managers and have various restrictions on redemptions. Five of the managers holding amounts totaling approximately $38 million at September 30, 2016 allow for monthly redemptions, with notices ranging from 6 to 15 days. Five managers holding amounts totaling approximately $33 million at September 30, 2016 allow for quarterly redemptions, with notices ranging from 45 to 65 days. One of the managers holding amounts of approximately $5 million at September 30, 2016 allows for annual redemptions, with a notice of 90 days. One of the managers holding amounts of approximately $4 million at September 30, 2016 allows for redemptions on a three year rolling basis, with a notice of 60 days. There is also a special redemption provision that allows 10% of the investment to be redeemed annually on March 1, with a notice of 30 days. Certain funds also may include a fee estimated to be equal to the cost the fund incurs in converting investments to cash (ranging from 0.5% to 1.5%) or are subject to certain lock periods.

The System considers various factors in estimating the expected long-term rate of return on plan assets. Among the factors considered include the historical long-term returns on plan assets, the current and expected allocation of plan assets, input from the System's actuaries and investment consultants, and long-term inflation assumptions. The System's expected allocation of plan assets is based on a diversified portfolio consisting of domestic and international equity securities, fixed income securities, and real estate.

The System's investment policy for its pension plan is to balance risk and returns using a diversified portfolio consisting primarily of high quality equity and fixed income securities. To accomplish this goal, plan assets are actively managed by outside investment managers with the objective of optimizing long-term return while maintaining a high standard of portfolio quality and proper diversification. The System monitors the maturities of fixed income securities so that there is sufficient liquidity to meet current benefit payment obligations. The System's Investment Committee provides oversight of the plan investments and the performance of the investment managers.

Amounts included in expense during fiscal 2016 and 2015 consist of:

	2016	2015
Components of net periodic benefit cost:		
Service cost	$ 9,836	$ 9,562
Interest cost	10,761	9,270
Expected return on plan assets	(14,016)	(12,307)
Amortization of prior service credit and loss	5,879	4,065
Net periodic benefit cost	$ 12,460	$ 10,590

4. Defined Benefit Pension Plan (Continued)

The accumulated benefit obligations for the plan at September 30, 2016 and 2015 were $259,477 and $217,825, respectively.

	2016	2015
Weighted average assumptions to determine benefit obligation:		
Discount rate	4.03%	4.78%
Rate of compensation increase	2.00	2.00
Weighted average assumptions to determine net periodic benefit cost:		
Discount rate	4.78%	4.78%
Expected return on plan assets	7.75	8.00
Cash balance credit rate	5.00	5.00
Rate of compensation increase	2.00	2.00

In selecting the long-term rate of return on plan assets, the System considered the average rate of earnings expected on the funds invested or to be invested to provide for the benefits of the plan. This included considering the plan's asset allocation and the expected returns likely to be earned over the life of the plan, as well as the historical returns on the types of assets held and the current economic environment.

The loss and prior service credit amount expected to be recognized in net periodic benefit cost in 2017 are as follows:

Actuarial loss	$ 8,457
Prior service credit	(276)
	$ 8,181

The System funds the pension plan and no contributions are made by employees. The System funds the plan annually by making a contribution of at least the minimum amount required by applicable regulations and as recommended by the System's actuary. However, the System may also fund the plan in excess of the minimum required amount.

Cash contributions in subsequent years will depend on a number of factors including performance of plan assets. However, the System expects to fund $16,000 in cash contributions to the plan for the 2017 plan year.

Benefit payments, which reflect expected future service, as appropriate, are expected to be paid as follows:

Year Ended September 30	Pension Benefits
2017	$ 11,924
2018	12,703
2019	13,727
2020	15,545
2021	16,401
2022 – 2026	93,941

5. Estimated Third-Party Payor Settlements

The System has agreements with third-party payors that provide for payments to the System at amounts different from its established rates. A summary of the payment arrangements with major third-party payors follows:

Medicare

Inpatient and outpatient services rendered to Medicare program beneficiaries are primarily paid at prospectively determined rates. These rates vary according to a patient classification system that is based on clinical diagnosis and other factors. In addition to this, the System is also reimbursed for medical education and other items which require cost settlement and retrospective review by the fiscal intermediary. Accordingly, the System files an annual cost report with the Medicare program after the completion of each fiscal year to report activity applicable to the Medicare program and to determine any final settlements.

The physician practices are reimbursed on a fee screen basis.

Medicaid Enhancement Tax and Disproportionate Share Payment

Under the State of New Hampshire's (the State) tax code, the State imposes a Medicaid Enhancement Tax (MET) equal to 5.45% of net patient service revenues in State fiscal year 2016 and 5.5% of net patient service revenues in State fiscal year 2015, with certain exclusions. The amount of tax incurred by the System for 2016 and 2015 was $19,679 and $12,800, respectively.

In the fall of 2010, in order to remain in compliance with stated federal regulations, the State of New Hampshire adopted a new approach related to Medicaid disproportionate share funding (DSH) retroactive to July 1, 2010. Unlike the former funding method, the State's approach led to a payment that was not directly based on, and did not equate to, the level of tax imposed. As a result, the legislation created some level of losses at certain New Hampshire hospitals, while other hospitals realized gains. DSH payments from the State are recorded within unrestricted revenue and other support and amounted to $7,800 in 2016 and $3,497 in 2015, net of reserves referenced below.

The Centers for Medicare and Medicaid Services (CMS) has completed audits of the State's program and the disproportionate share payments made by the State in 2011 and 2012, the first years that those payments reflected the amount of uncompensated care provided by New Hampshire hospitals. It is possible that subsequent years will also be audited by CMS. The System has recorded reserves to address its potential exposure based on the audit results to date.

Medicaid

Inpatient services rendered to Medicaid program beneficiaries are paid at prospectively determined rates per discharge. Outpatient services rendered to Medicaid program beneficiaries are reimbursed under fee schedules and cost reimbursement methodologies subject to various limitations or discounts. The Hospital is reimbursed at a tentative rate with final settlement determined after submission of annual cost reports by the Hospital and audits thereof by the Medicaid program.

The physician practices are reimbursed on a fee screen basis.

5. Estimated Third-Party Payor Settlements (Continued)

Other

The System has also entered into payment agreements with certain commercial insurance carriers and health maintenance organizations. The basis for payment to the System under these agreements includes prospectively determined rates per discharge, discounts from established charges, and prospectively determined rates.

The accrual for estimated third-party payor settlements reflected on the accompanying consolidated balance sheets represents the estimated net amounts to be paid under reimbursement contracts with the Centers for Medicare and Medicaid Services (Medicare), the New Hampshire Department of Welfare (Medicaid) and any commercial payors with settlement provision. Settlements for the Hospital have been finalized through 2013 for Medicare and Medicaid.

6. Long-Term Debt and Notes Payable

Long-term debt consists of the following at September 30, 2016 and 2015:

	2016	2015
2.0% to 5.0% New Hampshire Health and Education Facilities Authority (NHHEFA) Revenue Bonds, Concord Hospital Issue, Series 2013A; due in annual installments, including principal and interest ranging from $1,543 to $3,555 through 2043, including unamortized original issue premium of $3,187 in 2016 and $3,308 in 2015	$ 44,332	$ 45,538
1.71% fixed rate NHHEFA Revenue Bonds, Concord Hospital Issue, Series 2013B; due in annual installments, including principal and interest ranging from $1,860 to $3,977 through 2024	20,436	24,024
1.3% to 5.6% NHHEFA Revenue Bonds, Concord Hospital Issue, Series 2011; due in annual installments, including principal and interest ranging from $2,737 to $5,201 through 2026, including unamortized original issue premium of $194 in 2016 and $213 in 2015	30,109	33,793
	94,877	103,355
Less unamortized bond issuance costs	(908)	(973)
Less current portion	(8,570)	(8,337)
	$ 85,399	$ 94,045

In February 2013, $48,631 (including an original issue premium of $3,631) of NHHEFA Revenue Bonds, Concord Hospital Issue, Series 2013A, were issued to assist in the funding of a significant facility improvement project and to advance refund the Series 2001 NHHEFA Hospital Revenue Bonds. The facility improvement project included enhancements to the System's power plant, renovation of certain nursing units, expansion of the parking capacity at the main campus and various other routine capital expenditures and miscellaneous construction, renovation and improvements of the System's facilities.

6. Long-Term Debt and Notes Payable (Continued)

In March 2011, $49,795 of NHHEFA Revenue Bonds, Concord Hospital Issue, Series 2011, were issued to assist in the funding of a significant facility improvement project and pay off the Series 1996 Revenue Bonds. The project included expansion and renovation of various Hospital departments, infrastructure upgrades, and acquisition of capital equipment.

Substantially all the property and equipment relating to the aforementioned construction and renovation projects, as well as subsequent property and equipment additions thereto, and a mortgage lien on the facility, are pledged as collateral for the Series 2011 and 2013A and B Revenue Bonds. In addition, the gross receipts of the Hospital are pledged as collateral for the Series 2011 and 2013A and B Revenue Bonds. The most restrictive financial covenants require a 1.10 to 1.0 ratio of aggregate income available for debt service to total annual debt service and a day's cash on hand ratio of 75 days. The Hospital was in compliance with its debt covenants at September 30, 2016 and 2015.

The obligations of the Hospital under the Series 2013A and B and Series 2011 Revenue Bond Indentures are not guaranteed by any of the subsidiaries or affiliated entities.

Interest paid on long-term debt amounted to $3,731 and $3,934 for the years ended September 30, 2016 and 2015, respectively.

The aggregate principal payments on long-term debt for the next five fiscal years ending September 30 and thereafter are as follows:

2017	$ 8,570
2018	8,822
2019	9,061
2020	7,385
2021	5,186
Thereafter	52,472
	$91,496

7. Commitments and Contingencies

Malpractice Loss Contingencies

Prior to February 1, 2011, the System was insured against malpractice loss contingencies under claims-made insurance policies. A claims-made policy provides specific coverage for claims made during the policy period. The System maintained excess professional and general liability insurance policies to cover claims in excess of liability retention levels. The System has established reserves to cover professional liability exposures for incurred but unpaid or unreported claims. The amounts of the reserves total $1,911 and $2,033 at September 30, 2016 and 2015, respectively, and are reflected in the accompanying consolidated balance sheets within accrued pension and other long-term liabilities. The possibility exists, as a normal risk of doing business, that malpractice claims in excess of insurance coverage may be asserted against the System.

7. **Commitments and Contingencies (Continued)**

Effective February 1, 2011, the System insures its medical malpractice risks through a multiprovider captive insurance company under a claims-made insurance policy. Premiums paid are based upon actuarially determined amounts to adequately fund for expected losses. At September 30, 2016, there were no known malpractice claims outstanding for the System which, in the opinion of management, will be settled for amounts in excess of insurance coverage, nor were there any unasserted claims or incidents which required loss accruals. The captive retains and funds up to actuarial expected loss amounts, and obtains reinsurance at various attachment points for individual and aggregate claims in excess of funding in accordance with industry practices. At September 30, 2016, the System's interest in the captive represents approximately 58% of the captive. The System accounts for its investments in the captive under the equity method since control of the captive is shared equally between the participating hospitals. The System has recorded its interest in the captive's equity, totaling approximately $3,100 and $427 at September 30, 2016 and 2015, respectively, in other noncurrent assets on the accompanying consolidated balance sheets. Changes in the System's interest are included in nonoperating income on the accompanying consolidated statements of operations.

In accordance with ASU No. 2010-24, "*Health Care Entities*" (Topic 954): *Presentation of Insurance Claims and Related Insurance Recoveries*, at September 30, 2016 and 2015, the Hospital recorded a liability of approximately $3,100 and $7,700, respectively, related to estimated professional liability losses. At September 30, 2016 and 2015, the Hospital also recorded a receivable of $3,100 and $7,700, respectively, related to estimated recoveries under insurance coverage for recoveries of the potential losses. These amounts are included in accrued pension and other long-term liabilities and other assets, respectively, on the consolidated balance sheets.

Workers' Compensation

The Hospital maintains workers' compensation insurance under a self-insurance plan. The plan offers, among other provisions, certain specific and aggregate stop-loss coverage to protect the Hospital against excessive losses. The Hospital has employed independent actuaries to estimate the ultimate costs, if any, of the settlement of such claims. Accrued workers' compensation losses of $2,447 and $2,202 at September 30, 2016 and 2015, respectively, have been discounted at 3% (both years) and, in management's opinion, provide an adequate reserve for loss contingencies. A trustee held fund has been established as a reserve under the plan. Assets held in trust totaled $4,024 and $3,803 at September 30, 2016 and 2015, respectively, and is included in assets whose use is limited or restricted in the accompanying consolidated balance sheets.

Litigation

The System is involved in litigation and regulatory investigations arising in the ordinary course of business. After consultation with legal counsel, management estimates that these matters will be resolved without material adverse effect on the System's financial position, results of operations or cash flows.

7. Commitments and Contingencies (Continued)

Health Insurance

The System has a self-funded health insurance plan. The plan is administered by an insurance company which assists in determining the current funding requirements of participants under the terms of the plan and the liability for claims and assessments that would be payable at any given point in time. The System recognizes revenue for services provided to employees of the System during the year. The System is insured above a stop-loss amount of $440 on individual claims. Estimated unpaid claims, and those claims incurred but not reported at September 30, 2016 and 2015, have been recorded as a liability of $8,174 and $6,508, respectively, and are reflected in the accompanying consolidated balance sheets within accounts payable and accrued expenses.

Operating Leases

The System has various operating leases relative to its office and offsite locations. Future annual minimum lease payments under noncancellable lease agreements as of September 30, 2016 are as follows:

Year Ending September 30:	
2017	$ 4,938
2018	4,482
2019	3,908
2020	3,538
2021	3,258
Thereafter	19,018
	$39,142

Rent expense was $5,862 and $8,127 for the years ended September 30, 2016 and 2015, respectively.

8. Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are available for the following purposes at September 30:

	2016	2015
Health education and program services	$ 13,655	$ 12,988
Capital acquisitions	1,099	997
Indigent care	270	188
For periods after September 30 of each year	269	687
	$ 15,293	$ 14,860

8. Temporarily and Permanently Restricted Net Assets

Income on the following permanently restricted net asset funds is available for the following purposes at September 30:

	2016	2015
Health education and program services	$17,115	$16,726
Capital acquisitions	803	803
Indigent care	1,811	1,810
For periods after September 30 of each year	152	105
	$19,881	$19,444

9. Patient Service and Other Revenue

Net patient service revenue for the years ended September 30 is as follows:

	2016	2015
Gross patient service charges:		
Inpatient services	$ 446,448	$ 425,655
Outpatient services	552,939	553,999
Physician services	156,870	142,521
Less charitable services	(8,789)	(14,869)
	1,147,468	1,107,306
Less contractual allowances and discounts:		
Medicare	393,940	380,166
Medicaid	114,502	119,387
Other	204,335	198,495
	712,777	698,048
Total Hospital net patient service revenue (net of contractual allowances and discounts)	434,691	409,258
Other entities	270	29,314
	$ 434,961	$ 438,572

9. **Patient Service and Other Revenue (Continued)**

An estimated breakdown of patient service revenue, net of contractual allowances, discounts and provision for doubtful accounts recognized in 2016 and 2015 from these major payor sources, is as follows for the Hospital. The provision for doubtful accounts for subsidiaries of the Hospital was not significant in 2016 and 2015.

	Hospital			
	Gross Patient Service Revenues	Contractual Allowances and Discounts	Provision for Doubtful Accounts	Net Patient Service Revenues Less Provision for Doubtful Accounts
2016				
Private payors (includes coinsurance and deductibles)	$ 459,683	$(204,335)	$ (7,864)	$247,484
Medicaid	139,999	(114,502)	–	25,497
Medicare	525,644	(393,940)	(2,237)	129,467
Self-pay	22,142	–	(7,488)	14,654
	$1,147,468	$(712,777)	$(17,589)	$417,102
2015				
Private payors (includes coinsurance and deductibles)	$ 445,760	$(198,495)	$ (6,101)	$241,164
Medicaid	133,988	(119,387)	(117)	14,484
Medicare	504,514	(380,166)	(1,682)	122,666
Self-pay	23,044	–	(8,510)	14,534
	$1,107,306	$(698,048)	$(16,410)	$392,848

Electronic Health Records Incentive Payments

The CMS Electronic Health Records (EHR) incentive programs provide a financial incentive for the "meaningful use" of certified EHR technology to achieve health and efficiency goals. To qualify for incentive payments, eligible organizations must successfully demonstrate meaningful use of certified EHR technology through various stages defined by CMS. Revenue totaling $99 and $1,258 associated with these meaningful use attestations was recorded as other revenue for the years ended September 30, 2016 and 2015, respectively. In addition, a receivable amount of $526 was recorded within prepaid expenses and other current assets at September 30, 2015. There were no outstanding receivables at September 30, 2016.

10. Functional Expenses

The System provides general health care services to residents within its geographic location. Expenses related to providing these services are as follows for the years ended September 30:

	2016	2015
Health care services	$314,591	$328,916
General and administrative	70,016	65,640
Depreciation and amortization	24,535	24,437
Medicaid enhancement tax	19,679	12,800
Interest expense	3,700	3,974
	$432,521	$435,767

Fundraising related expenses were $898 and $829 for the years ended September 30, 2016 and 2015, respectively.

11. Charity Care and Community Benefits (Unaudited)

The Hospital maintains records to identify and monitor the level of charity care it provides. The Hospital provides traditional charity care, as well as other forms of community benefits. The estimated cost of all such benefits provided is as follows for the years ended September 30:

	2016	2015
Community health services	$ 1,939	$ 2,096
Health professions education	3,749	4,268
Subsidized health services	35,624	30,096
Research	94	94
Financial contributions	700	1,030
Community building activities	46	44
Community benefit operations	77	128
Charity care costs (see Note 1)	3,807	6,132
	$46,036	$43,888

In addition, the Hospital incurred estimated costs for services to Medicare and Medicaid patients in excess of the payment from these programs of $82,669 and $80,268 in 2016 and 2015, respectively.

12. Concentration of Credit Risk

The Hospital grants credit without collateral to its patients, most of whom are local residents of southern New Hampshire and are insured under third-party payor agreements. The mix of gross receivables from patients and third-party payors as of September 30 is as follows:

	2016	2015
Patients	10%	13%
Medicare	33	33
Anthem Blue Cross	13	13
Cigna	4	5
Medicaid	16	13
Commercial	23	22
Workers' compensation	1	1
	100%	100%

13. Volunteer Services (Unaudited)

Total volunteer service hours received by the Hospital were approximately 22,000 in 2016 and 37,000 in 2015. The volunteers provide various nonspecialized services to the Hospital, none of which has been recognized as revenue or expense in the accompanying consolidated statements of operations.

14. Fair Value Measurements

Fair value of a financial instrument is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In determining fair value, the System uses various methods including market, income and cost approaches. Based on these approaches, the System often utilizes certain assumptions that market participants would use in pricing the asset or liability, including assumptions about risk and or the risks inherent in the inputs to the valuation technique. These inputs can be readily observable, market corroborated, or generally unobservable inputs. The System utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs. Based on the observability of the inputs used in the valuation techniques, the System is required to provide the following information according to the fair value hierarchy. The fair value hierarchy ranks the quality and reliability of the information used to determine fair values. Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

Level 1 – Valuations for assets and liabilities traded in active exchange markets, such as the New York Stock Exchange. Level 1 also includes U.S. Treasury and federal agency securities and federal agency mortgage-backed securities, which are traded by dealers or brokers in active markets. Valuations are obtained from readily available pricing sources for market transactions involving identical assets or liabilities.

Level 2 – Valuations for assets and liabilities traded in less active dealer or broker markets. Valuations are obtained from third party pricing services for identical or similar assets or liabilities.

14. Fair Value Measurements (Continued)

Level 3 – Valuations for assets and liabilities that are derived from other valuation methodologies, including option pricing models, discounted cash flow models and similar techniques, and not based on market exchange, dealer or broker traded transactions. Level 3 valuations incorporate certain assumptions and projections in determining the fair value assigned to such assets or liabilities.

In determining the appropriate levels, the System performs a detailed analysis of the assets and liabilities. There have been no changes in the methodologies used at September 30, 2016 and 2015. In accordance with ASU 2015-07, certain investments that are measured using the net value per share practical expedient have not been classified in the fair value hierarchy.

The following presents the balances of assets measured at fair value on a recurring basis at September 30:

	Level 1	Level 2	Level 3	Total
2016				
Cash and cash equivalents	$ 27,008	$ –	$ –	$ 27,008
Fixed income securities	33,021	–	–	33,021
Marketable equity and other securities	105,565	–	–	105,565
Inflation-protected securities and other	21,499	–	–	21,499
Trust funds administered by others	–	–	10,607	10,607
	$187,093	$ –	$10,607	197,700
Funds measured at net asset value:				
Marketable equity and other securities				133,944
				$331,644
2015				
Cash and cash equivalents	$ 19,441	$ –	$ –	$ 19,441
Fixed income securities	40,294	–	–	40,294
Marketable equity and other securities	58,210	–	–	58,210
Inflation-protected securities and other	8,028	–	–	8,028
Trust funds administered by others	–	–	10,489	10,489
	$125,973	$ –	$10,489	136,462
Funds measured at net asset value:				
Marketable equity and other securities				157,657
Inflation-protected securities and other				10,789
				$304,908

The System's Level 3 investments consist of funds administered by others. The fair value measurement is based on significant unobservable inputs.

14. Fair Value Measurements (Continued)

Investments, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. As such, it is reasonably possible that changes in the fair value of investments will occur in the near term and that such changes could materially affect the amounts reported in the accompanying consolidated balance sheets and statements of operations.

A reconciliation of the fair value measurements using significant unobservable inputs (Level 3) is as follows for 2016 and 2015:

	Trust Funds Administered by Others
Balance at September 30, 2014	$11,070
Net realized and unrealized losses	(581)
Balance at September 30, 2015	10,489
Net realized and unrealized gains	118
Balance at September 30, 2016	$10,607

The table below sets forth additional disclosures for investment funds (other than mutual funds) valued based on net asset value to further understand the nature and risk of the investments by category:

	Fair Value	Unfunded Commit-ments	Redemption Frequency	Redemption Notice Period
September 30, 2016:				
Funds-of-funds	$64,234	$ –	Monthly	6 – 15 days
Funds-of-funds	54,355	–	Quarterly	45 – 65 days*
Funds-of-funds	9,125	–	Annual	90 days
Funds-of-funds	6,230	–	Three year rolling	60 days**
September 30, 2015:				
Funds-of-funds	$50,786	$ –	Monthly	6 – 15 days
Funds-of-funds	51,056	–	Quarterly	45 – 65 days
Funds-of-funds	9,221	–	Annual	90 days

* Certain funds are subject to a 1 year lock period before quarterly redemption can occur.
** Subject to a 3 year rolling lock. This fund also has a special redemption right that allows the Hospital to liquidate 10% of the investment on March 1 of each year, with 30 days' notice.

14. Fair Value Measurements (Continued)

Investment Strategies

Fixed Income Securities

The primary purpose of fixed income investments is to provide a highly predictable and dependable source of income, preserve capital, and reduce the volatility of the total portfolio and hedge against the risk of deflation or protracted economic contraction.

Marketable Equity and Other Securities

The primary purpose of marketable equity investments is to provide appreciation of principal and growth of income with the recognition that this requires the assumption of greater market volatility and risk of loss. The total marketable equity portion of the portfolio will be broadly diversified according to economic sector, industry, number of holdings and other characteristics including style and capitalization. The System may employ multiple equity investment managers, each of whom may have distinct investment styles. Accordingly, while each manager's portfolio may not be fully diversified, it is expected that the combined equity portfolio will be broadly diversified.

The System invests in other securities that are considered alternative investments that consist of limited partnership interests in investment funds, which, in turn, invest in diversified portfolios predominantly comprised of equity and fixed income securities, as well as options, futures contracts, and some other less liquid investments. Management has approved procedures pursuant to the methods in which the System values these investments at fair value, which ordinarily will be the amount equal to the pro-rata interest in the net assets of the limited partnership, as such value is supplied by, or on behalf of, each investment from time to time, usually monthly and/or quarterly by the investment manager.

System management is responsible for the fair value measurements of investments reported in the consolidated financial statements. Such amounts are generally determined using audited financial statements of the funds and/or recently settled transactions and is estimated using the net asset value per share of the fund. Because of inherent uncertainty of valuation of certain alternative investments, the estimate of the fund manager or general partner may differ from actual values, and differences could be significant. Management believes that reported fair values of its alternative investments at the balance sheet dates are reasonable.

Inflation-Protected Securities

The primary purpose of inflation-protected securities is to provide protection against the negative effects of inflation.

14. Fair Value Measurements (Continued)

Fair Value of Other Financial Instruments

Other financial instruments consist of accounts and pledges receivable, accounts payable and accrued expenses, estimated third-party payor settlements, and long-term debt and notes payable. The fair value of all financial instruments other than long-term debt and notes payable approximates their relative book values as these financial instruments have short-term maturities or are recorded at amounts that approximate fair value. The fair value of the System's long-term debt and notes payable is estimated using discounted cash flow analyses, based on the System's current incremental borrowing rates for similar types of borrowing arrangements. The carrying value and fair value of the System's long-term debt and notes payable amounted to $94,877 and $112,762, respectively, at September 30, 2016, and $103,355 and $121,963, respectively, at September 30, 2015.

INDEPENDENT AUDITORS' REPORT ON ADDITIONAL INFORMATION

The Board of Trustees
Concord Hospital, Inc.

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidating information is presented for purposes of additional analysis rather than to present the financial position and results of operations of the individual entities and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The consolidating information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

NH DIVISION OF Public Health Services
improving health, preventing disease, reducing costs for all

Jeffrey A. Meyers
Commissioner

Marcella Jordan Bobinsky
Acting Director

12/7/16 #12

October 28, 2016

Her Excellency, Governor Margaret Wood Hassan
And the Honorable Executive Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to amend existing **sole source** agreements with the two (2) vendors bolded in the table below for the continued provision of primary care services, breast and cervical cancer screening services, and brief intervention and referral to treatment for alcohol and drug misuse, by decreasing the total price limitation by $32,032 from $19,129,212 to $19,097,180, effective upon the date of Governor and Executive Council approval through June 30, 2017. 100% Federal Funds.

These agreements were originally approved by Governor and Council on June 20, 2012, Item #133 and Item #127, and subsequently amended on May 8, 2014, Item #34A, and again on June 24, 2015, Item #58.

Funds in the attached financial detail are available in the accounts for SFY 2017, with authority to adjust amounts within the price limitation without approval from Governor and Executive Council.

See attachment for financial details

EXPLANATION

This package includes two (2) of sixteen (16) contracts being amended. This request is for **sole source** approval because the last amendments extended the contracts beyond the renewal period envisioned in the original contract and added to the original scope of services.

The purpose of these two amendments is to reduce Breast and Cervical Cancer Program funding in State Fiscal Year 2017 due to a reduction in available federal funds, and to adjust encumbrances between State Fiscal Years 2016 and 2017 for Screening, Brief Intervention, and Referral to Treatment (SBIRT) services related to substance misuse. The Screening, Brief Intervention, and Referral to Treatment services were a new requirement in SFY 2016 and SFY 2017. Due to delays in start-up of these services, not all activities planned in the first year were met. Adjusting these funds between State Fiscal Years will allow the vendors to fully perform the deliverables of these services.

Community health centers provide primary health care services that include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. These vendors deliver primary and preventive health care services to underserved people who face barriers to accessing health care due to issues such as a lack of insurance, inability to pay, language barriers and geographic isolation.

In addition to medical care, community health centers are unique among primary care providers for the array of enabling patient-centered services such as care coordination, translation services, transportation, outreach, eligibility assistance, and health education. These services assist individuals to overcome barriers to obtaining the care they need to achieve their optimal health.

With the reduction in funds, the required number of women screened is reduced, however, breast and cervical cancer screening services will continue as part of the preventative health care services in the community health care centers. Breast and cervical cancer screening services include clinical examinations, pap tests and referral for mammography. Through these services, individuals with abnormal test results receive additional coverage or diagnostic work-ups and, if necessary, coordination of care from initial diagnosis through obtaining necessary treatment.

The vendors, through these amendments, will continue to provide screening, brief intervention and referral to treatment services for early identification of problematic drug and alcohol use of individuals receiving primary care services. Developing the infrastructure to provide these additional services will enable community health centers to refer those individuals who need specialized treatment to other community service agencies, which will result in optimal coordination and continuity of care.

Vendors will continue to train staff, hire new medical assistants and/or qualified behavioral health staff necessary to institute and/or review screening, brief intervention and referral to treatment services. Staff training will include the integration of primary care and behavioral health teams to ensure program activities are conducted with fidelity to the Screening, Brief Intervention and Referral to Treatment model adopted by the United States Department of Health and Human Services, Substance Abuse and Mental Health Services Administration. Vendors will also purchase supplies and equipment that will be used specifically for integrating these services into everyday practices. Additionally, the vendors will utilize funding to support activities that will assist with building, modifying and/or enhancing technology based care approaches and electronic health record systems in order to include, extend, track and record these additional mental health services.

A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. These agreements provide funds to community health centers for services as a last resort. Vendors are required to make every effort to bill all other payers including but not limited to private and commercial insurances, Medicare, and Medicaid prior to billing the Department through these contracts.

Should Governor and Executive Council not authorize this request, funds to support women receiving recommended breast and cervical cancer screenings may not be reimbursable to the Contractors, due to the reduction of federal funds.

Area Served: Statewide.

Source of Funds: 100% Federal Funds are being reduced from the US Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds, .CFDA #93.752, FAIN # U58DP003930.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Marcella J. Bobinsky, MPH
Acting Director
Division of Public Health Services

Katja S. Fox
Director
Division for Behavioral Health

Approved by:
Jeffrey A. Meyers
Commissioner

State of New Hampshire
Department of Health and Human Services
Amendment #3 to the Primary Care Services Contract

This 3rd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #3") dated this, 14th day of October, 2016 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Concord Hospital Inc. (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 250 Pleasant Street, Concord, New Hampshire 03301.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #133), and subsequently amended on May 8, 2014 (Item #34A), and on June 24, 2015 (Item #58) the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to Exhibit B Amendment #2, paragraph 10, notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2, and within the Price Limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council, and

WHEREAS, the State and the Department agree to adjust budget amounts between State Fiscal Years 2016 and 2017, make changes to the scope of work, and decrease the Price Limitation within State Fiscal Year 2017, within the Completion Date.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

1. Except as specifically amended and modified by the terms and conditions in this Amendment #3, the obligations of the parties shall remain in full force and effect in accordance with the terms and conditions set forth in the Contract as referenced above.

2. Amend Form P-37, General Provisions, Block 1.8, Price Limitation, to read $1,751,595.

3. Amend Exhibit A Amendment #2 by deleting section 1.5 Breast and Cervical Screening Services and replace with

   1.5 **Breast and Cervical Cancer Screening Services** shall be provided to 134 women ages twenty-one (21) through sixty-four (64) who are:

   1.5.1. Uninsured.
   1.5.2. Underinsured.
   1.5.3. Low-income, which is defined as < 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines

4. Delete Exhibit B-3 Amendment #2 in its entirety and replace with Exhibit B-3 Amendment #3.

5. Delete Exhibit B-4 Amendment #2 in its entirety and replace with Exhibit B-4 Amendment #3.

6. Delete Exhibit B-6 Amendment #2 in its entirety and replace with Exhibit B-6 Amendment #3.

This amendment shall be effective upon the date of Govemor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Item # 58

June 1, 2015

Her Excellency, Governor Margaret Wood Hassen
And the Honorable Executive Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to enter into **sole source** amendments with the vendors listed in the table below for the provision of primary care services, breast and cervical cancer screening services and screening, brief intervention and referral to treatment for alcohol and drug misuse by increasing the total price limitation by $8,986,056 from $10,143,156 to $19,129,212 and extending the completion date from June 30, 2015 to June 30, 2017 upon Governor and Executive Council approval. 75.2% General Funds / 24.8% Federal Funds

The original contract, approved in 2012, included a two (2) year renewal option. The Department exercised a one (1) year renewal in 2014. The Department is now seeking to extend the contracts for two (2) two additional years through these sole source amendments. The Governor and Executive Council approved the original contracts and subsequent amendments as follows:

Please see attachment for fiscal details.

EXPLANATION

These amendments are **sole source** because the Department is renewing the contracts for two (2) additional years after exercising a one (1) year renewal option in 2014 as allowable in Exhibit C, Special Provisions, paragraph 17 of the contracts, and adding to the scope of services for community health centers that provide primary care services, statewide.

This package includes sixteen (16) of sixteen (16) contracts being amended.

Community health centers provide primary health care services that include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. These vendors deliver primary and preventive health care services to underserved people who face barriers to accessing health care due to issues such as a lack of insurance, inability to pay, language barriers and geographic isolation.

In addition to medical care, community health centers are unique among primary care providers for the array of enabling patient-centered services such as care coordination, translation services, transportation, outreach, eligibility assistance, and health education. These services assist individuals to overcome barriers to obtaining the care they need to achieve their optimal health.

Breast and cervical cancer screening services are provided as part of the preventative health care services in the community health care centers. Breast and cervical cancer screening services include clinical examinations, pap smears and referral for mammography. Through these services, individuals with abnormal test results receive additional coverage or

diagnostic work-ups and, if necessary, coordination of care from initial diagnosis through obtaining necessary treatment.

The vendors, through these amendments, will add infrastructure to provide screening, brief intervention and referral to treatment services for early identification of problematic drug and alcohol use of individuals receiving primary care services. Developing the infrastructure to provide these additional services will enable community health centers to refer those individuals who need specialized treatment to other community service agencies, which will result in optimal coordination and continuity of care.

Vendors will use funding to train staff, hire new medical assistants and/or qualified behavioral health staff necessary to institute and/or review screening, brief intervention and referral to treatment services. Staff training will include the integration of primary care and behavioral health teams to ensure program activities are conducted with fidelity to the Screening, Brief Intervention and Referral to Treatment model adopted by the United States Department of Health and Human Services, Substance Abuse and Mental Health Services Administration. Vendors will also purchase supplies and equipment that will be used specifically for integrating these services into everyday practices. Additionally, the vendors will utilize funding to support activities that will assist with building, modifying and/or enhancing technology based care approaches and electronic health record systems in order to include, extend, track and record these additional mental health services.

A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. This request includes three (3) vendors who provide primary care and universal screening services to homeless individuals, who otherwise would have no access to health care. These agreements provide funds to community health centers for services as a last resort. Vendors are required to make every effort to bill all other payers including but not limited to private and commercial insurances, Medicare, and Medicaid prior to billing the Department through these contracts.

Should Governor and Executive Council not authorize this request, low-income individuals statewide may not have adequate access to primary care services. Some women may not receive recommended breast and cervical cancer screenings, which would increase their risk of having an untreatable stage of cancer. Additionally, undetected alcohol and drug misuse could result in increases of alcohol and drug related accidents and deaths, which would negatively impact NH citizens.

Area Served: Statewide.

Source of Funds: 75.2% General Funds

24.8% Federal Funds (CFDA #93.959, Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA) Block Grants for Prevention and Treatment of Substance Abuse. FAIN #T1010035-14; CFDA #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds. State of New Hampshire
Department of Health and Human Services
Amendment #2 to the Primary Care Services Contract

This 2nd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #2") dated this, 30th day of April, 2015 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Concord Hospital, Inc. (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 250 Pleasant Street, Concord, NH 03301.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #133) and amended by an agreement (Amendment #1 to the Contract) approved on May 8, 2014 (Item #34A), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 of the Agreement, and Exhibit C, Special Provisions, Paragraph 17, the State may amend the contract terms and conditions and renew the contract for two (2) additional years by written agreement of the parties and approval of the Governor and Executive Council; and

WHEREAS, the parties agree to extend the contract for two additional years, add services to Exhibit A, Scope of Services and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:
   June 30, 2017
2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:
   $1,781,135
3. Form P-37, General Provisions, Item 1.9, Contracting Officer for State Agency, to read:
   Eric D. Borrin
4. Form P-37, General Provisions, Item 1.10, State Agency Telephone Number, to read:
   (603) 271-9558
5. Delete Exhibit A, Scope of Services and Exhibit A-1 Amendment 1, Scope of Services and replace with Exhibit A – Amendment #2.
6. Delete Exhibit A-1 Amendment #1 - Performance Measures and replace with Exhibit A-1 Amendment #2 – Performance Measures.

7. Delete Exhibit B, Purchase of Services Contract Price and replace with Exhibit B – Amendment #2, Method and Conditions Precedent to Payment.
8. Add Exhibit B-1, Budget Form Primary Care through Exhibit B-6, Budget Form SBIRT.
9. Standard Exhibit D, Certification Regarding Drug-Free Workplace Requirements, Period Covered by this Certification, to read:

   From 7/1/2012 to 6/30/2017

10. Standard Exhibit E, Certification Regarding Lobbying, Contract Period, to read:

    July 1, 2012 through June 30, 2017

11. Delete Standard Exhibit G, Certification Regarding the Americans with Disabilities Act Compliance, and replace with Exhibit G, Certification of Compliance with Requirements Pertaining to Federal Nondiscrimination, Equal Treatment of Faith-Based Organizations and Whistleblower Protections.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. Office-based and enabling **Primary Care** services shall be provided individuals and families who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income, which is defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. **Breast and Cervical Cancer Screening** Services shall be provided to women ages twenty-one(21) through sixty-four (64) who are:

1.5.1. Uninsured.

1.5.2. Underinsured.

1.5.3. Low-income, which is defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.6. **Screening, Brief Intervention and Referrals to Treatment** (SBIRT) Services shall be provided to all individuals who seek services described in Section 1.4 and Section 1.5, above.

1.7. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.7.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

Contractor's Initials: AHS

Date 6/2/2015

1.7.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.7.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care or Breast and Cervical Cancer Screening Services for new patients is limited or closed for more than a one month period.

2.2. The Contractor shall maintain documentation for each individual receiving services described in this contract that includes, but is not limited to:

2.2.1. Family income.

2.2.2. Family size.

2.2.3. Income in relation to the Federal Poverty Guidelines.

2.3. The Contractor shall assist individuals with completing a Medicaid application when income calculations indicate possible Medicaid eligibility.

2.4. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.5. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.5.1. Update the sliding fee scale on an annual basis when new Federal Poverty Guidelines are released.

2.5.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services.

3.1.2. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.1.3. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.1.4. Assessment of need for:

3.1.4.1. Tobacco cessation, including referral to NH Quitworks, as appropriate.

3.1.4.2. Social services.

3.1.4.3. Nutrition services, including WIC, as appropriate.

3.1.4.4. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which shall include, but not be limited to:

3.2.1. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.2.2. Care facilitated by registries, information technology, health information exchange and other means to assure that patients get the necessary care when and where they need and want it in a culturally and linguistically appropriate manner.

3.2.3. An integrated model of primary care that may include, but is not limited to:

3.2.3.1. Behavioral health.

3.2.3.2. Oral health.

3.2.3.3. Use of navigators and case management.

3.2.3.4. Co-location of services and system-level integration of care and fiscal accountability.

3.3. The Contractor can choose to provide enabling services, if the budget allows, which are non-clinical services that support the delivery of basic primary care and services, and facilitate access to comprehensive patient care as well as social services. The Contractor can facilitate enabling services that include, but are not limited to:

3.3.1. Case management.

3.3.2. Benefit counseling.

3.3.3. Eligibility assistance.

3.3.4. Health education and supportive counseling.

3.3.5. Interpretation.

3.3.6. Outreach.

3.3.7. Transportation.

3.3.8. Education of patients and the community regarding the availability and appropriate use of health services.

3.4. The Contractor must elect to do at least one (1) quality improvement project which consists of systematic and continuous actions that lead to measurable improvement in health care services and the health status of targeted patient groups. The Contractor shall facilitate a minimum of one (1) quality improvement project that includes, but is not limited to:

3.4.1. Enhancing clinical workflow/improve patient outcomes by methods that may include, but are not limited to:

3.4.1.1. Alerts.

3.4.1.2. Guidelines.

3.4.1.3. Diagnostic support.

3.4.1.4. Patient registries.

3.4.1.5. Collaborative learning sessions, etc.)

3.4.2. Implementing projects that lead to measurable improvements on any of the performance measures and indicators identified in Exhibit A-1 Amendment #2

3.4.3. Utilizing defined improvement processes to coordinate quality improvement activities.

3.4.4. Identifying and defining specific goals and objectives to be achieved in the project period.

4. Breast and Cervical Cancer Screening Services

4.1. The Contract shall develop work plans based on performance measures in Exhibit A-1 that include activities related to:

4.1.1. The provision of breast and cervical cancer screening.

4.1.2. The promotion of breast and cervical cancer screening.

4.2. The Contractor shall implement evidence-based interventions outlined in the Centers for Disease Control and Prevention Guide to Community Preventative Services (http://www.thecommunityguide.org/index/html) to support the provision and promotion of breast and cervical cancer screening rates, including but not limited to provider reminder systems and patient reminders.

4.3. The Contractor shall provide breast and cervical cancer screening for the early detection of breast and cervical cancer in accordance with the policies and procedures outlined in the BCCP Policy and Procedure Manual, following nationally accepted screening recommendations. Screenings shall include but not be limited to:

4.3.1. Clinical pelvic examinations.

4.3.2. Clinical breast examinations.

4.3.3. Mammograms.

4.3.4. Pap and HPV tests, if appropriate.

4.3.5. Referrals for diagnostic and treatment services, as necessary.

4.4. The Contractor shall provide services to the number of individuals as follows:

4.4.1. 75% of all mammograms shall be provided to women ages fifty (50) to sixty-four (64) at all screening sites.

Contractor's Initials: [illegible]

Date 6/2/2015

4.4.2. A maximum of 25% of all mammograms shall be provided to women under the age of fifty (50) at all screening sites.

4.4.3. 20% of newly enrolled women for Pap tests shall be provided at all screening sites to women who have not had a Pap test in over five (5) years.

4.5. The Contractor shall ensure all referrals are made in accordance with the minimum standards outlined in the BCCP Policy and Procedure Manual to facilities that provide approved and certified laboratory, pathology, radiology and surgical services. The Contractor shall ensure:

4.5.1. Mammography units are accredited by the American College of Radiology and FDA certified under MQSA.

4.5.2. Laboratories are CLIA certified.

4.6. The Contractor shall ensure all services and case management activities are completed in accordance with the BCCP Policy and Procedure Manual, including but not limited to follow-up and tracking of all client tests results and referrals.

4.7. The Contractor shall provide screening promotion for all eligible individuals, which includes, but is not limited to:

4.7.1. Patient navigation services that assist individuals to overcome health systems barriers and facilitate timely access to:

4.7.1.1. Quality breast and cervical cancer screening.

4.7.1.2. Breast and cervical cancer diagnostics.

4.7.1.3. Initiation of breast and cervical cancer treatment, when applicable.

4.7.1.4. Assurance that patient navigation services are terminated when the patient:

4.7.1.4.1. Completes screening and has normal results.

4.7.1.4.2. Completes diagnostic testing and has normal results.

4.7.1.4.3. Initiates breast and/or cervical cancer treatment or refuses treatment.

4.7.2. Patient navigation services shall include, but not be limited to:

4.7.2.1. A written assessment of individual client barriers.

4.7.2.2. Client education and support.

4.7.2.3. Assistance with resolving client barriers, including but not limited to transportation and translation services, as appropriate.

4.7.2.4. Tracking and follow-up to monitor client progress in completing screening, diagnostic testing, and initiation of treatment, as needed.

4.7.2.5. A minimum of two contacts with the client, either in person or by telephone.

Contractor's Initials: MPB

Date 6/2/2015

4.7.2.6. Collecting data to evaluate the primary outcomes of patient navigation, which shall include adherence to screening, diagnostic testing and cancer treatment initiation.

4.7.2.7. Tracking of patients lost to follow-up, as appropriate.

5. Screening, Brief Intervention, and Referral to Treatment (SBIRT) Services

5.1. The Contractor shall develop the infrastructure necessary to provide and record Screening, Brief Intervention, and Referral to Treatment (SBIRT) services related to substance use for all eligible individuals ages nineteen (19) to sixty-five (65) years and for all pregnant women, regardless of age, receiving services in Section 3 and/or Section 4. The Contractor shall:

5.1.1. Provide training to integrated primary care and behavioral health teams to ensure SBIRT activities are conducted with fidelity to the model in Section 5.1.

5.1.2. Modify and/or adapt current Electronic Health Records (EHR) systems in order to track SBIRT:

5.1.2.1. Activities

5.1.2.2. Completions.

5.1.2.3. Recommendations and referrals.

5.1.2.4. Follow-ups.

5.1.3. Utilize Substance Use Disorder (SUD) codes in the EHR for billing that shall:

5.1.3.1. Enable submission for payment through NH Managed Care/Medicaid and other insurance companies.

5.1.3.2. Allow the generation of reports.

5.2. The Contractor shall implement SBIRT services by ensuring sufficient qualified staff are available to conduct SBIRT services according to the SBIRT model described by the Centers for Disease Control (CDC), available on-line at http/www.dcd.gov/ncddd/fasd/documents/aloholsbiimplementationguide.pdf. The Contractor shall:

5.2.1. Implement SBIRT services by including SBIRT activities in daily operations.

5.2.2. Use one or more of the screening instruments listed in Appendix E of "Systems-Level Implementation of Screening, Brief Intervention and Referral to Treatment. TAP 33" (2013 edition) (http://www.integration.samhsa.gov/sbirt/TAP33.pdf) and document screening in the electronic health record (EHR).

5.2.3. Conduct brief interventions with patients who screen positive for potential substance use concerns and document activities in the EHR.

5.2.4. Refer patients to Substance Use Disorder (SUD) treatment services as necessary, and ensure each patient has connected with the specific service

provider by documenting in the EHR, which is audited to ensure appropriate follow up.

5.2.5. Conduct SBIRT with covered populations that include all adults on an annual basis and pregnant women on a trimester basis.

5.3. Coordinate care between community health center (CHC) services and external treatment providers by collaborating with entities that provide SUD treatment services not available at the CHC. The Contractor shall:

5.3.1. Obtain client consents to contact service providers in order to resolve any barriers to accessing services.

5.3.2. Refer patients for SUD services, as needed.

5.3.3. Follow up with patient and/or SUD service provider to ensure appropriate services are provided.

5.3.4. Work with Regional Public Health Networks (RPHNs) to identify new SUD referral resources as they become available.

5.4. The Contractor shall test SBIRT fidelity with a subset of the target population prior to full implementation for all adults ages nineteen (19) to sixty-five (65) annually and pregnant women at each trimester.

6. Staffing

6.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH licenses whether directly employed, contracted or subcontracted.

6.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

6.3. The Contractor shall ensure staff delivering SBIRT services have, at minimum, one of the following:

6.3.1. Masters prepared behavioral health practitioners. This includes individuals licensed under the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board.

6.3.2. Masters prepared and in the process of obtaining a license from the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board, while under the supervision of a licensed practitioner of the same profession.

6.3.3. Physicians or Advanced Practice Registered Nurses licensed to practice in NH.

6.3.4. Physician Assistants or other practitioners under the supervision of a Physician licensed to practice in NH.

6.4. The Contractor may deliver breast and cervical cancer screening navigation services through a combination of staff, which may include the provision of outreach and education by lay persons with clinical case management services provided by either:

6.4.1. A registered nurse who:

6.4.1.1. Is licensed with the NH Board of nursing; or

6.4.1.2. Has attained bachelor's degree from a recognized college or university.

6.4.2. A nurse who is working under the direct supervision of a registered nurse, as described in Section 6.4.1.

6.5. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services in writing and include a copy of the individual's resume, within one month of hired.

6.6. The Contractor shall notify the MCHS, in writing, when:

6.6.1. Any critical position is vacant for more than one month.

6.6.2. There is not adequate staffing to perform all required services for more than one month.

7. Coordination of Services

7.1. The Contractor shall coordinate referrals for continued care of treatment, or breast or cervical healthcare, with other service providers within the community, where possible.

7.2. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

7.2.1. Community needs assessments.

7.2.2. Public health performance assessments.

7.2.3. The development of regional health improvement plans.

7.3. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

8. Required Meetings & Trainings

8.1. The Contractor shall attend meetings and trainings facilitated by the MCHS and BCCP programs that include, but are not limited to:

8.1.1. MCHS Agency Directors' meetings.

8.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year.

Contractor's Initials: MB

Date 6/2/2015

8.1.3. MCHS Agency Medical Services Directors' meetings.

8.1.4. BCCP Site Coordinators' annual meetings.

9. Workplans, Outcome Reports & Additional Reporting Requirements

9.1. The Contractor shall provide an annual BCCP Performance Workplan and Workplan Outcomes Report according to the schedule and instructions provided by the BCCP, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule.

9.2. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a corrective action plan per directions from MCHS.

9.3. The Contractor shall submit an annual Workplan and Workplan Outcome Report for the quality improvement project(s) that demonstrates improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.4. If utilizing any portion of this contract for enabling services, the Contractor shall submit an annual Workplan and Workplan Outcome Report that includes at least one (1) performance measure for each type of enabling service provided. This shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.5. The Contractor shall complete the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st.

9.6. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

9.7. The Contractor shall submit monthly Outcome Reports for SBIRT services according to the schedule and instructions provided by the MCHS. The Contractor shall:

9.7.1. Collect information that includes, but is not limited to:

9.7.1.1. Description of the training provided, including but not limited to:

9.7.1.1.1. The content of the training provided.

9.7.1.1.2. The number of staff who received training.

9.7.1.2. The number of:

9.7.1.2.1. Qualified staff conducting SBIRT

Contractor's Initials: [illegible]

Date 6/2/2015

9.7.1.2.2. SBIRT billing codes developed.

9.7.1.2.3. SBIRT services billed to insurance.

9.7.1.3. Updates on any changes, enhancements or adaptations to SBIRT procedures in:

9.7.1.3.1. Technology based systems.

9.7.1.3.2. Staffing.

9.7.1.3.3. Coding and billing.

9.7.1.4. The total number of clients receiving SBIRT delineated by:

9.7.1.4.1. Percentage of clients receiving only screening.

9.7.1.4.2. Percentage of clients receiving brief interventions.

9.7.1.4.3. Percentage of clients referred for more intensive services who initiated services.

9.7.1.4.4. Percentage of clients referred for more intensive services who had problems connecting to services.

9.8. The Contractor shall submit an annual report on April 30th in each year a contract amendment or renewal is not required that includes, but is not limited to:

9.8.1. DPHS Budget Form.

9.8.2. Budget Justification.

9.8.3. Sources of Revenue.

9.8.4. Program Staff List, which includes staff titles

9.9. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9.10. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

9.10.1. Survey template.

9.10.2. Method by which the results were obtained.

10. On-Site Reviews

10.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

10.1.1. Systems of governance.

10.1.2. Administration.

10.1.3. Data collection and submission.

10.1.4. Clinical and financial management.

Contractor's Initials: MD

Date 6/2/2015

10.1.5. Delivery of education services.

10.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

10.2.1. Client records.

10.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

10.2.3. SBIRT documentation, which includes but is not limited to:

10.2.3.1. SBIRT policies and procedures.

10.2.3.2. Staff credentials for all staff delivering SBIRT services

10.2.3.3. SBIRT procedures utilized and documented in patient records.

10.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Contractor's Initials: MJS

Exhibit A-1 – Amendment #2

1. PRIMARY CARE PERFORMANCE MEASURES

1.1. Breastfeeding

1.1.1. **Percent of Infants who are ever breastfed** (Title V PM #10).

1.1.1.1. Numerator: Infants who were ever breastfed or received breast milk

1.1.1.2. Denominator: All infants born in a state fiscal year

1.2. Preventive Health: Lead Screening

1.2.1. **Percent of children 2 years of age who had one or more capillary or venous lead blood test for lead poisoning by their second birthday.** (CMS, Hedis).

1.2.1.1. Numerator: At least one capillary or venous blood test on or before the child's second birthday.

1.2.1.2. Denominator: Children who turn 2 years old during the state fiscal year.

1.3. Preventive Health: Adolescent Well-Care Visit

1.3.1. **Percent of adolescents, 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year** (Hedis, Title V PM #7).

1.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

1.3.1.2. Denominator: Number of adolescents, ages 12 through 21 years of age.

1.4. Preventive Health: Depression Screening

1.4.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (ACO 18, NQF 0418).

1.4.1.1. Numerator: Patients who are screened for clinical depression using an age-appropriate standardized depression screening tool AND if positive, a follow-up plan documented.

1.4.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.1.3. Denominator: All patients 12 years and older.

1.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

Contractor Initials: MD
Date: 6/2/2015

1.4.2. **Maternal Depression Screening** (Developmental: not required for FY 16)

1.4.2.1. **Percentage of women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen.**

1.4.2.1.1. Numerator: Women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool and screen negative.

AND

Women who are screened for depression during the post-partum visit using an appropriate standardized depression screening tool, screen positive, AND have a follow-up plan documented.

1.4.2.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.2.1.3. Denominator: All women who are at least 6 weeks post-partum in a state fiscal year.

1.4.2.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

1.5. **Preventive Health: Obesity Screening**

1.5.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (ACO 16, NQF 0421, HRSA UDS).

1.5.1.1. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

1.5.1.2. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters.

1.5.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist,

occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

1.5.1.4. Denominator: All patients aged 18 years and older who had at least one medical visit during the state fiscal year.

1.5.2. Percent of patients aged 2 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (HRSA UDS).

1.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

1.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

1.6. **Preventive Health: Tobacco Screening**

1.6.1. Percent of patients aged 18 years and older who were screened for tobacco use one or more times within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user (ACO 17, NQF 0028, HRSA UDS).

1.6.1.1. Numerator: Patients who were screened for tobacco use at least once within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.1.2. Definitions:

1.6.1.2.1. Tobacco Use: Includes any type of tobacco

1.6.1.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.1.3. Denominator: All patients aged 18 years and older seen for at least two visits ever

1.6.2. **Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user** (Title V, PM #15).

1.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.2.2. Definitions:

1.6.2.2.1. Tobacco Use: Includes any type of tobacco

1.6.2.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.2.3. Denominator: All women who delivered a live birth in a state fiscal year

1.7. **At Risk Population: Hypertension**

1.7.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90 mm Hg) during the measurement year** (ACO 28, NQF 0018).

1.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm Hg at the time of their last measurement.

1.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)

1.8. **Patient Safety: Falls Screening**

1.8.1. **Percent of patients aged 65 years and older who were screened for future fall risk at least once within 12 months** (ACO 13, NQF0101).

1.8.1.1. Numerator: Patients who were screened for future fall risk at least once within 12 months.

1.8.1.2. Definition of Fall: a sudden, unintentional change in position causing an individual to land at a lower level, on an object, the floor, or the ground, other than as a consequence of a sudden onset of paralysis, epileptic seizure, or overwhelming external force.

1.8.1.3. Numerator note: Patients are considered at risk for future falls if they have had 2 or more falls in the past year or any fall with injury in the past year.

1.8.1.4. Denominator: All patients aged 65 years and older

1.8.1.5. Excluded from denominator population: (Exclusion only applied if patient was not screened for future fall risk) Documentation of medical reason(s) for not screening for future fall risk (e.g. patient is not ambulatory)

2. BCCP PERFORMANCE MEASURES

2.1. BCCP Performance Measure #1

2.1.1. **Measure:*** 78% of female patients age 24 through 64 years of age screened for cervical cancer per USPSTF guidelines.

2.1.2. Numerator – Number of female patients 24 through 29 years of age who have had a documented pap in the past 3 years AND female patients 30-64 who have either had a pap in the past 3 years OR an HPV test and a pap in the past 5 years

2.1.3. **Denominator** – Number of female patients 24 through 64 years of age who have had a visit in the past year and do not have evidence of having had a total hysterectomy.

2.1.4. **Data Source:** Chart audits or query of 100% of the **total** population of patients as described in the denominator.

2.1.5. *Measure based on the UDS measure

2.1.6. **Healthy People 2020 National Target is 93%

2.2. BCCP Performance Measure #2

2.2.1. **Measure:*** 75% of female patients age 52 through 74 years of age screened for breast cancer per USPSTF guidelines.

2.2.2. Numerator – Number of female patients 52 through 74 years of age who have had a documented mammogram in the past 24 months.

2.2.3. **Denominator** – Number of female patients 52 through 74 years of age who have had a visit in the past year and do not have evidence of having had a bilateral mastectomy.

2.2.4. **Data Source:** Chart audits or query of 100% of the **total** population of patients as described in the denominator.

2.2.5. *Measure based on the USPSTF Guidelines

2.2.6. ** Healthy People 2020 National Target is 81.1%

Contractor Initials: RLD
Date: 6/2/2015

3. SBIRT PERFORMANCE MEASURES

3.1. **Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services**

3.1.1. **Numerator:** Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention or referral to services.

3.1.2. Definitions

3.1.2.1. Substance Use: Includes any type of alcohol or drug.

3.1.2.2. Brief Intervention: Includes guidance or counseling.

3.1.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

3.1.3. Denominator: Number of patients aged 18 years and older seen for annual visit within 12 months.

3.2. **Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program AND if positive, received a brief intervention or referral to services**

3.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

3.2.2. Definitions:

3.2.2.1. Substance Use: Includes any type of alcohol or drug.

3.2.2.2. Brief Intervention: Includes guidance or counseling.

3.2.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

3.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the state fiscal year.

Contractor Initials: PLS
Date 6/2/2015

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov):
   2.1. #93.959, Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA) Block Grants for Prevention and Treatment of Substance Abuse.
   2.2. #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds.
   2.3. #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #2, Scope of Services, in accordance with Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2.
4. The Contractor shall use and apply the amount in the SBIRT line item in Exhibit B-3 and Exhibit B-6 on actual SBIRT services provided.
5. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
6. Payment for said services shall be made as follows:
   6.1. The Contractor will submit an invoice by the tenth (10^{th}) working day of each month, which identifies and requests reimbursement for:
      6.1.1. Authorized expenses incurred in the prior month.
      6.1.2. The units of SBIRT services provided, in accordance with Exhibit A – Amendment #2, Section 5.2.2 through Section 5.2.5 and Section 5.3.1 through Section 5.3.3, which shall be paid on a fee-for-service basis at the following rates:
         6.1.2.1. $29.86 for each unit of service that is 15-30 minutes.
         6.1.2.2. $57.31 for each unit of service that is more than 30 minutes.
   6.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   6.3. The invoice must be submitted by mail or e-mail to:

Financial Manager
Department of Health and Human Services
129 Pleasant Street
Concord, NH 03301

Contractor Initials: RBS
Date: 6/2/2015

E-mail: dphscontractbilling@dhhs.state.nh.us

7. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.
8. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
9. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
10. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2 and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to amend agreements with 13 vendors by increasing the total price limitation by $4,293,569 from $5,173,800 to $9,467,369 to provide primary care services. This amount includes a request to **retroactively** enter into **sole-source** amendments in an amount of $648,347, effective **retroactive** to July, 1, 2013 through June 30, 2014 and to exercise a one-year renewal option with the same 13 vendors in an amount of $3,645,222, extending the completion date from June 30, 2014 to June 30, 2015, effective upon Governor and Council approval. Twelve of these agreements were originally approved by Governor and Council on June 20, 2012, Item numbers 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, and one agreement was originally approved by Governor and Council on July 11, 2012, Item number 31.

Summary of contracted amounts by vendor:

Vendor	Location	SFY 2014 Amount	SFY 2015 Amount	Total Increase
Ammonoosuc Community Health	North Grafton/ South Coos	$42,661	$254,172	$296,833
Concord Hospital, Inc.	Merrimack/ Hillsborough	$64,413	$376,377	$440,790
Coos County Family Health	Eastern Coos	$24,351	$159,685	$184,036
Families First of the Greater Seacoast	Seacoast Area	$41,892	$242,094	$283,986
Goodwin Community Health	Strafford County	$74,293	$420,579	$494,872
Health First Family Care Center	Central/Eastern Belknap	$55,968	$292,214	$348,182
Indian Stream Health Center	Northern Coos & Colebrook	$18,030	$100,409	$118,439
Lamprey Health Care, Inc.	Central Southern/Eastern NH	$119,828	$654,249	$774,077
Manchester Community Health Center	Greater Manchester Area	$71,392	$407,637	$479,029
Mid-State Health Center	Central Northern Belknap	$35,001	$175,511	$210,512
The New London Hospital, Inc.	Sullivan County	$39,566	$225,093	$264,659
Weeks Medical Center	Western Coos	$20,652	$113,557	$134,209
White Mountain Community Health	Northern Carroll	$40,300	$223,645	$263,945
TOTAL		**$648,347**	**$3,645,222**	**$4,293,569**

Funds to support this request are available in the following accounts for SFY 2014 and SFY 2015, with authority to adjust amounts within the price limitation and amend the related terms of the contract without further approval from Governor and Executive Council.

See attachment for financial details

EXPLANATION

Approval is requested **retroactive** to July 1, 2013. The services provided by these contracts are consistent with prior contracts and were included in the operating budget for SFY 2014 and SFY 2015. Contracts were delayed, however, since the exact amount of funding available was only recently determined. The SFY 2014 amendments are **sole source** because they exceed more than 10% of the original contract amount.

This requested action seeks approval of 13 amendments that represents $4,293,569 total anticipated to be spent statewide to continue breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. In the interest of efficiency, the contract amendments are being bundled as they are providing the same services, and because of the size of the resulting Governor and Council submission, the copies provided are abbreviated in the interest of saving resources. The Councilors and the public can view the entire submission package on the Secretary of State's website.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

In addition, breast and cervical cancers continue to be ongoing public health issues for New Hampshire. The Division of Public Health Services, Breast and Cervical Cancer Screening Program

provides support for breast and cervical cancer screening services that include clinical examinations, pap smears and referral for mammography. Through this program, women found to have abnormal screening results, following their testing, receive additional coverage for diagnostic work-up and, if necessary, have their care coordinated through the initiation of treatment.

Should Governor and Executive Council not authorize this Request, low-income individuals statewide may not have adequate access to primary care services, and eligible women may not receive recommended breast and cervical cancer screenings. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. Additionally women that receive recommended breast and cervical cancer screenings are at lower risk of late diagnosis of breast and cervical cancers.

Contracts were awarded to Primary Care agencies through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by teams of three professionals. All reviewers have between three to 20 years' experience managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were averaged and all proposals were recommended for funding. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, these competitively procured Agreements have the option to renew for two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council. The Department is exercising one year of this renewal option.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. All Primary Care vendors are making adequate progress in meeting clinical performance measures and the Departments wishes to continue working with the vendors for another year.

The performance measures as described in the contract amendment Exhibit A – Amendment 1 – Performance Measures, will be used to continue to measure the effectiveness of the agreement.

Area to be served is statewide.

Source of Funds: 13.09% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau; Centers for Disease Control and Prevention and 86.91% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Brook Dupee for

José Thier Montero, MD, MHCDS
Director

State of New Hampshire
Department of Health and Human Services
Amendment #1 to the
Concord Hospital, Inc.

This 1st Amendment to the Concord Hospital, Inc., contract (hereinafter referred to as "Amendment One") dated this 7th day of March, 2014, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Concord Hospital, Inc., (hereinafter referred to as "the Contractor"), a corporation with a place of business at 250 Pleasant Street, Concord, New Hampshire 03301.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18, the State may modify the scope of work and the payment schedule of the contract by written agreement of the parties;

WHEREAS, the Department desires to provide additional primary health care services for preventive and episodic health care for acute and chronic health conditions for people of all ages.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

- Form P-37, to change:
  Block 1.7 to read: June 30, 2015
  Block 1.8 to read: $992,198

- Exhibit A, Scope of Services to add:
  Exhibit A – Amendment 1

- Exhibit B, Purchase of Services, Contract Price, to add:

  Paragraph 1.1 to Paragraph 1:
  The contract price shall increase by $64,413 for SFY 2014 and $376,377 for SFY 2015.

  Paragraph 1.2 to Paragraph 1:
  Funding is available as follows:
- $64,413 from 05-95-90-902010-5190-102-500731, 100% General Funds;
- $322,992 from 05-95-90-902010-5190-102-500731, 6.7% Federal Funds from the US Department of Health and Human Services Administration, Maternal and Child Health Bureau, CFDA #93.994 and 93.3% General Funds;

Contractor Initials: MNS
Date: 3-7-14

- $53,385 from 05-95-90-902010-5659-102-500731, 100% Federal Funds from the US Department of Health and Human Services, Centers for Disease Control and Prevention, CFDA #93.283;

  Add Paragraph 8
  8. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjustments to amounts between and among account numbers, within the price limitation, may be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

- Budget, to add:
  Exhibit B-1 (2014) - Amendment 1,
  Exhibit B-1 (2015) - Amendment 1

This amendment shall be in effect July 1, 2013, effective upon the date of Governor and Executive Council approval.

EXHIBIT A – AMENDMENT 1

Scope of Services

The Department desires to continue the relationship with the primary care agencies to provide additional primary health care services for preventive and episodic health care for acute and chronic health conditions for people of all ages.

I. General Provisions

A) Eligibility and Income Determination

1. Office-based primary care services will be provided to low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire.

2. Breast and Cervical Cancer screening services will be provided to low-income (defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), New Hampshire women age 21– 64, uninsured or underinsured. BCCP changes.

3. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new patients for more than a one month period.

4. The Contractor shall document annually, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete with the client the most recent version of the 800P form.

5. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, approved in advance by the Division of Public Health Services (DPHS), for low-income patients. Signage must state that no client will be denied services for inability to pay.

    a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, submitted to and approved by DPHS prior to implementation.

6. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered.

B) Numbers Served

1. The contract funds shall be expended to provide the above services to a minimum of 13,000 users annually with 42,000 medical encounters, as defined in the Data and Reporting Requirements. Breast and Cervical Cancer Screening for eligible women, as defined by the Breast and Cervical Cancer Program (BCCP), shall be provided to 300 women annually and billed directly to the BCCP. Clinical service reimbursements shall not exceed the Medicare rate.

C) Culturally and Linguistically Appropriate Standards of Care

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.
2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.
3. Provide clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.
4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.
5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation 45 CFR 80.3(b) (2). The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) State and Federal Laws

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated hereunder.

E) Relevant Policies and Guidelines

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

2. Primary Care funds shall be targeted to populations in need. Populations in need are defined as follows:

   a) uninsured;

   b) under-insured;

   c) families and individuals with significant psychosocial and economic risk, including low income status;

   d) all life cycles including perinatal, child, adolescent, adult, and elderly who meet one or more of the above criteria.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.

4. The Contractor shall have an agency emergency preparedness and response plan in accordance with HRSA Health Center Emergency Management Program Expectations, Document #2007-15 or most recent version. Such plan shall also include a Continuity of Operations plan.

5. The Contractor shall carry out the work as described in the performance Workplan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

6. No Workplan is required by the Breast and Cervical Cancer Program (BCCP). The contractor shall be required to respond to the Quality Improvement Feedback Report twice a year.

7. The Contractor shall carry out the work as described in the Supplemental Funding Form submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) Publications Funded Under Contract

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, electronic) produced, reproduced, or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14).

G) Subcontractors

If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing and approve the subcontractual agreement, prior to initiation of the subcontract.

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing and approve the subcontractual agreement, prior to initiation of the subcontract.

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. Minimal Standards of Core Services

A. Service Requirements

1. Medical Home

The Contractor shall provide a Medical Home that:

a) Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.

b) Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.

2. Primary Care Services

The Contractor shall provide office-based primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, APRN, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, oral health, and behavioral health specialty providers.

b) Referral to the WIC Nutrition Program for all eligible pregnant women, infants and children.

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.

d) Access to a healthcare provider, directly or by referral or subcontract, by telephone twenty-four hours per day, seven days per week.

e) Assessment of psychosocial risk for all clients at least annually and for children at scheduled preventive care visits, including, at a minimum, age appropriate assessment of safety in the home, domestic violence, adequacy of food and housing, care and welfare of children, transportation needs, and provision of necessary social services to address the priority needs and safety issues of clients and families.

f) Falls prevention screening for patients 65 years and older using the algorithm and guidelines of the American Geriatrics Society.

g) Behavioral health care directly or by referral to an agency or provider with a sliding fee scale.

h) Nutrition assessment for all clients as part of the health maintenance visit. Therapeutic nutrition services shall be provided as indicated directly or by referral to an agency or provider with a sliding fee scale. These services shall be recorded in the medical record.

i) Formal arrangements with a local hospital for emergency care must be in place and reviewed annually.

j) Home health care directly or by referral to an agency or provider with a sliding fee scale.

k) Assisted living and skilled nursing facility care by referral.

l) Oral screening annually for all clients 21 years and older to note obvious dental decay and soft tissue abnormalities with a reminder to the patient that poor oral health impacts total health.

m) Diagnosis and management of pediatric and adult patients with asthma provided according to National Heart Lung Blood Institute, National Asthma Education and Prevention Program, Expert Panel Report 3: Guidelines for the Diagnosis and Management of Asthma, 2007.

3. Breast and Cervical Cancer Screening

a) Women age 21 to 64 who are eligible for Breast and Cervical Cancer Program (BCCP) services according to income (equal to or under 250% of poverty, underinsured/uninsured) and insurance status criteria shall be provided the following services, following USPSTF screening recommendations:

i. cervical cancer screening including a pelvic examination and Pap smear;
ii. breast cancer screening including a clinical breast exam, mammogram and,
iii. referrals for diagnostic and treatment services based on screening results,
iv. case management services.

b) All referrals under this provision shall be to approved certified laboratory, pathology, radiology, and surgical services. Mammography units shall be accredited by the American College of Radiology, and must be FDA certified under MQSA. Laboratories shall be CLIA certified.

c) All services shall be provided in accordance with the Breast and Cervical Cancer Program (BCCP) Policy and Procedure Manual.

d) Follow-up and tracking of all tests done, and referrals made shall be provided in accordance with the minimum standards outlined in the Breast and Cervical Cancer Program Policy and Procedure Manual.

e) All services for women enrolled in the Breast and Cervical Cancer Program (BCCP) shall be billed directly to the BCCP in accordance with protocols established by the Breast and Cervical Cancer Program.

f) The Contractor shall provide the NH Breast and Cervical Cancer Program with breast and cervical cancer screening rates for *all* women served by the practice as requested, but not more than twice per SFY.

g) The contractor shall work with the NH Breast and Cervical Cancer Program staff to increase the breast and cervical cancer screening rates among all women serviced by the practice.

4. Reproductive Health Services

The Contractor shall provide prenatal, interconceptional and preconception medical care, social services, nutrition services, education, and nursing care to all women of childbearing age. Preconceptional care includes the preconception, interconceptional, and postpartum periods in women's health. It is recommended that preconceptional and interconceptional care visits focus on maintaining or achieving the optimal health of the mother, lowering the risk of future adverse pregnancy outcomes, the family's future plans, and how additional children fit into that plan. Preconceptional counseling may be done during an office, group or home visit.

a) In the event prenatal care is not provided directly by the Contractor a formal Memorandum/a of Agreement for coordinated referral to an appropriately qualified provider must be maintained.

b) Prenatal care shall, at minimum, be provided in accordance with the Guidelines for Perinatal Care, sixth or most current edition, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists, and /or the Centers for Disease Control.

c) Age appropriate reproductive health care shall, at a minimum, be provided in accordance with the American College of Obstetricians and Gynecologists, or the USDHHS Centers for Disease Control (CDC) current guidelines.

d) Pregnant women enrolled in the WIC Nutrition Program shall be referred to WIC for breastfeeding education and referral to the WIC Nutrition Program peer counselors.

e. Family planning counseling for prevention of subsequent pregnancy following an infant's birth shall be discussed with the infant's mother at the first postpartum visit and at the infant's 2-month visit and other visits as appropriate. Rationale for birth intervals of 18-24 months shall be presented.

f) A referral to a Title X Family Planning Clinic or other reproductive health care provider shall be made as appropriate.

5. Services for Children and Adolescents

The Contractor shall provide as a minimum, comprehensive and age-appropriate health care, screenings, and health education according to the American Academy of Pediatrics' most recent periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent. Children and adolescent visits shall include:

a) The World Health Organization (WHO) growth charts shall be used to monitor growth for infants and children birth up to age 2 years. The Centers for Disease Control and Prevention (CDC) growth charts shall be used for children age 2 years and older.

b) Blood lead testing shall be performed in accordance with "New Hampshire Childhood Lead Poisoning Screening and Management Guidelines", issued by the New Hampshire Department of Health and Human Services, 2009 or subsequent revisions.

c) All children enrolled in either Medicaid, Head Start, or the Women, Infant, and Children (WIC) Program and/or who are ≤ 185%_poverty, regardless of town of residence, are required to have a blood lead test at ages one and two years. All children ages three to six years who have not been previously tested shall have a blood lead test performed.

d) All children shall be screened for iron deficiency anemia as outlined in the Centers for Disease Control and Prevention document "Recommendations to Prevent and Control Iron Deficiency in the United States (4/2/98)".

e) Age-appropriate anticipatory guidance, dietary guidance, and *feeding practice counseling* for optimal oral health shall be provided at each well child visit according to the American Academy of Pediatrics' periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent edition. Starting at age 6 months, it is recommended that all children receive an oral health assessment at every well child visit, and a referral for the child's first visit to the dentist by age one as recommended by the American Academy of Pediatrics and the American Academy of Pediatric Dentistry.

f) Supplemental fluoride shall be prescribed as needed based upon the fluoride levels in the child's drinking water supply. The fluoride dosage regimen accepted by the American Academy of Pediatrics shall be followed. No fluoride shall be prescribed without obtaining water from private wells or noting the presence or absence of fluoride in the public water supply. Supplemental fluoride may include bottled water containing fluoride and topical applications such as varnishes.

g) For infants enrolled in the WIC Nutrition Program, parents shall be referred to WIC for breastfeeding support and referral to the WIC Nutrition Program peer counselors.

6. Sexually Transmitted Infections

Primary Care Services shall provide age appropriate screening and treatment of sexually transmitted infections.

a) Treatment for sexually transmitted infections shall be provided according to the United States Centers for Disease Control Sexually Transmitted Diseases Treatment Guidelines, 2010 or subsequent revisions.

b) All clients, including women, shall be offered HIV testing following the most current recommendations of the United States Centers for Disease Control.

c) The contractor shall be responsible for ensuring referral to appropriate treatment services for any woman found to screen positive.

d) Appropriate risk reduction counseling shall be provided based on client needs.

7. Substance Use Services

a) A substance use screening history using a formal, validated screening tool shall be obtained for all clients as soon after entry into care as possible. Substance use counseling or other substance abuse intervention, treatment, or recovery services by an appropriately credentialed provider shall be provided on-site, or by referral, to clients with identified needs for these services. For these identified clients, ongoing primary care services should include follow up monitoring relative to substance abuse.

b) All clients, including pregnant women, identified as smokers shall receive counseling using the 5A's (ask, advise, assess, assist, and arrange) treatment available through the NH Tobacco Helpline as cited in the US Public Health Services report "Tobacco Use and Dependence", 2008, or "Smoking Cessation During Pregnancy: A Clinician's Guide to Helping Pregnant Women Quit Smoking", American College of Obstetricians and Gynecologists, 2011. With prior approval, agencies may also opt to participate in the DPHS best practice initiative of the 2A's and R (ask, advise and refer).

8. Immunizations

a) The Contractor shall adhere to the most current version of the "Recommended Adult Immunization Schedule for Adults (19 years and older) by Age and Medical Condition - United States", approved by the Advisory Committee on Immunization Practices, the American College of Obstetricians and Gynecologists, and the American Academy of Family Physicians.

b) The Contractor shall administer vaccines according to the most current version of the "Recommended Immunization Schedule for Persons Aged 0 Through 6 Years - United States", and "Recommended Immunization Schedule for Persons Aged 7 Through 18 Years – United States" approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians, based upon availability of vaccine from the New Hampshire Immunization Program.

9. Prenatal Genetic Screening

a) A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

b) All pregnant women should be offered voluntary genetic screening for fetal chromosomal abnormalities at the appropriate time following recommendations found in the American College of Obstetricians and Gynecologists' "Screening for Fetal Chromosomal Abnormalities (2007)" or more recent guidelines. The Contractor shall be responsible for ensuring referral to appropriate genetic testing and counseling for any woman found to have a positive screening test.

10. Additional Requirements

a) The Contractor's Medical Director shall participate in the development and approval of specific guidelines for medical care that supplement minimal clinical standards. Supplemental guidelines should be reviewed, signed, and dated annually, and updated as indicated.

b) Contractors considering clinical or sociological research using clients as subjects must adhere to the legal requirements governing human subjects research. Contractors must inform the DPHS, MCHS prior to initiating any research related to this contract.

c) The Contractor shall provide information to all employees annually about the Medical Reserve Corps Unit within their Public Health Region to enhance recruitment.

d) The Contractor shall provide information to all employees annually regarding the Emergency System for the Advance Registration of Volunteer Health Professionals (ESAR-VHP) managed by the NH Department of Health and Human Services' Emergency Services Unit, to enhance recruitment.

B) Staffing Provisions

The Contractor shall have, at minimum, the following staff positions:

a) executive director

b) fiscal director

c) registered nurse

d) clinical coordinator

e) medical service director

f) nutritionist (on site or by referral)

g) social worker

Staff positions required to provide direct services on-site include:

a) registered nurse

b) clinical coordinator

c) social worker

1. Qualifications

All health and allied health professionals shall have the appropriate New Hampshire licenses whether directly employed, contracted, or subcontracted.

In addition the following minimum qualifications shall be met for:

a) Registered Nurse
   a. A registered nurse licensed in the state of New Hampshire, Bachelor's degree preferred. Minimum of one-year experience in a community health setting.

b) Nutritionists:
   a. A Bachelor's degree in nutritional sciences or dietetics, or a Master's degree in nutritional sciences, nutrition education, or public health nutrition or current Registered Dietitian status in accordance with the Commission on dietetic Registration of the American Dietetic Association.
   b. Individuals who perform functions similar to a nutritionist but do not meet the above qualifications shall not use the title of nutritionist.

c) Social Workers shall have:
   a. A Bachelor's or Master's degree in social work or Bachelor's or Master's degree in a related social science or human behavior field. A minimum of one year of experience in a community health or social services setting is preferred.
   b. Individuals who perform functions similar to a social worker but do not meet the above qualifications shall not use the title of social worker.

d) Clinical Coordinators shall be:
   a. A registered nurse (RN), physician, physician assistant, or nurse practitioner with a license to practice in New Hampshire.
   b. The coordinator is a clinical position that oversees and takes responsibility for the clinical and administrative functions of each program.
   c. The coordinator may be responsible for more than one MCH funded program.

2. New Hires

The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing within one month of hire when a new administrator, clinical coordinator, or any staff person essential to carrying out contracted services is hired to work in the program. A resume of the employee shall accompany the aforesaid notification.

3. Vacancies

   a) The Contractor must notify the MCHS in writing if any critical position is vacant for more than one month, or if at any time funded under this contract does not have adequate staffing to perform all required services for more than one month. This may be done through a budget revision.

   b) Before an agency hires new program personnel that do not meet the required staff qualifications, the agency shall notify the MCHS in writing requesting a waiver of the applicable staffing requirements. The Section may grant waivers based on the need of the program, individuals' experience, and additional training.

C) Coordination of Services

1. The Contractor shall coordinate, where possible, with other service providers within the contractor's community. At a minimum, such collaboration shall include interagency referrals and coordination of care.

2. The Contractor shall participate in activities in the Public Health Region in which they provide services as appropriate. These activities enhance the integration of community-based public health prevention and health care initiatives that are being implemented by the contractor and may include community needs assessments, public health performance assessments, and/or the development of regional health improvement plans.

3. The Contractor agrees to participate in and coordinate public health activities as requested by the Division of Public Health Services during any disease outbreak and/or emergency, natural or man-made, affecting the public's health.

4. The Contractor is responsible for case management of the client enrolled in the program and for program follow-up activities. Case management services shall promote effective and efficient organization and utilization of resources to assure access to necessary comprehensive medical, nutritional, and social services for clients.

5. The Contractor shall assure that appropriate, responsive, and timely referrals and linkages for other needed services are made, carried through, and documented. Such services shall include, but not be limited to: dental services, genetic counseling, high risk prenatal services, mental health, social services, including domestic violence crisis centers, substance abuse services; and family planning services, Early Supports and Services Program, local WIC/CSF Program, Home Visiting New Hampshire Programs and health and social service agencies which serve children and families in need of those services.

D) Meetings and Trainings

The contractor will be responsible for sending staff to meetings and training required by the MCHS program, including but not limited to:

1. MCHS Agency Directors' meetings
2. Prenatal and Child Health Coordinators' meetings
3. MCHS Agency Medical Services Directors' meetings

III. Quality or Performance Improvement (QI/PI)

A) Workplans

1. Performance Workplans are required for this program and are used to monitor achievement of standard measures of performance of the services provided under this contract. The workplans are a key component of the RHPCS and the MCHS performance-based contracting system and of this contract. Outcomes shall be reported by clinical site.
2. Performance Workplans and Workplan Outcome reports according to the schedule and instructions provided by the MCHS. The MCHS shall notify the Contractor at least 30 days in advance of any changes in the submission schedule.
3. The Contractor shall incorporate required and developmental performance measures, defined by the MCHS into the agency's Performance Workplan. Reports on Workplan Progress/Outcomes shall detail the Performance Workplan plans and activities that monitor and evaluate the agency's progress toward performance measure targets.
4. The Contractor shall comply with modifications and/or additions to the workplan and annual report format as requested by RHPCS and MCHS. MCHS will provide the contractor with reasonable notice of such changes.
5. Agencies contracting for Primary Care Services must submit the workplans for Primary Care Clinical and Financial, Child Health, and Prenatal Care.

B) Additional Reporting requirements

In addition to Performance Workplans, the Contractor shall submit to MCHS the following data and information listed below which are used to monitor program performance:

1. In years when contracts or amendments are not required, the DPHS Budget Form, Budget Justification, Sources of Revenue and Program Staff list forms must be

completed according to the relevant instructions and submitted as requested by DPHS and, at minimum, by April 30 of each year.

2. The Sources of Revenue report must be resubmitted at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

3. Completed Uniform Data Set (UDS) tables reflecting program performance in the previous calendar year, by March 31 of each year.

4. The Perinatal Client Data Form (PCDF) shall be submitted electronically according to the instructions set forth by the MCHS.

5. A copy of the agency's updated Sliding Fee Scale including the amount(s) of any client fees and the schedule of discounts must be submitted by March 31st of each year. The agency's sliding fee scale must be updated annually based on the US DHHS Poverty guidelines as published in the Federal Register.

6. An annual summary of program-specific patient satisfaction results obtained during the prior contract period and the method by which the results were obtained shall be submitted annually as an addendum to the Workplan Outcome/Progress reports.

C) On-site reviews

1. The contractor shall allow a team or person authorized by the Division of Public Health Services to periodically review the contractor's systems of governance, administration, data collection and submission, clinical and financial management, and delivery of education services in order to assure systems are adequate to provide the contracted services.

2. Reviews shall include client record reviews to measure compliance with this exhibit.

3. The contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.

4. On-Site reviews may be waived or abbreviated at the discretion of MCHS, upon submission of satisfactory reports of reviews such as Health Services Resources Administration (HRSA): Office of Performance Review (OPR), or reviews from nationally accreditation organizations such as the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), Medicare, the Community Health Accreditation Program (CHAP), Accreditation Association for Ambulatory Healthcare (AAAHC), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey. Abbreviated reviews will focus on any deficiencies found in previous reviews, issues of compliance with this exhibit, and actions to strengthen performance as outlined in the agency Performance Workplan.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE CHILD HEALTH DIRECT CARE SERVICES
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Please note, for all measures, the following should be used **unless otherwise indicated:**

- Less than 19 years of age
- Served within the scope of this MCH contract during State Fiscal Year 2015 (July 1, 2014 – June 30, 2015)
- Each client can only be counted once (unduplicated)

Child Health Direct (CH – D) Performance Measure #1

Measure: 92%* of eligible children will be enrolled in Medicaid

Goal: To increase access to health care for children through the provision of health insurance

Definition: **Numerator-**
Of those in the denominator, the number of children enrolled in Medicaid.

Denominator-
Number of children who meet all of the following criteria:

- Less than 19 years of age
- Had 3 or more visits/encounters** during the reporting period
- As of the last visit during the reporting period were eligible for Medicaid

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**An encounter is face to face contact between a user and a provider who exercises independent judgment in the provision of services to the individual (UDS Table Definition).

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #2

Measure: 85%* of at-risk** children who were screened for blood lead between 18 and 30 months of age

Goal: To prevent childhood lead poisoning through early identification of lead exposure

Definition: **Numerator-**
Of those in the denominator, number of children screened for blood lead by capillary or venous on or after their 18-month birthday and prior to their 30-month birthday.

Denominator-
Number of at-risk** children who reached age 30 months during the reporting period. If discharged prior to 30 months, do not include in denominator.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.

**At risk = During the reporting period, the children were 18-29 months of age, and fit at least one of the following criteria:

- "Low income" (less than 185% poverty guidelines)
- Over 185% and resided in a town considered needing "Universal" screening per NH Childhood Lead Poisoning Prevention Program
- Over 185%, resided in a town considered "Target" and had a positive response to the risk questionnaire
- Refugee children -A refugee is defined as a person outside of his or her country of nationality who is unable or unwilling to return because of persecution or a well-founded fear of persecution on account of race, religion, nationality, membership in a particular social group, or political opinion (U.S. Citizenship and Immigration Services definition).

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #3

Measure: 71%* of children age two to nineteen years receiving primary care preventive health services with a Body Mass Index (BMI) percentile greater than or equal to the 85%ile with documented discussion of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Goal: To increase the percent of children receiving primary care preventive health services who have an elevated BMI percentile who receive guidance about promoting a healthier lifestyle.

Definition: **Numerator-**
Of those in the denominator, the number of children who had documentation in their medical record of there being discussion at least once during the reporting period of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Denominator-
Number of children who turned twenty-four months during or before the reporting period, up to the age of nineteen years, with one or more well child visit after their twenty-fourth month of age within the reporting year, and had an age and gender appropriate BMI percentile greater than or equal to the 85 % percentile at least once during the reporting period.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

Rationale: Children between the 85th – 94th percentiles BMI are encouraged to have 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks. (Discussion of the importance of family meal time, limiting eating out, consuming a healthy breakfast, preparing own foods, and promotion of breastfeeding is also encouraged.) American Academy of Pediatrics' guidance for Prevention and Treatment of Childhood Overweight and Obesity, (http://www.aap.org/obesity/health_professionals.html), from AAP Policy Statement: *Prevention of Pediatric Overweight and Obesity* and the AAP endorsed Expert Committee Recommendations Regarding the Prevention, Assessment, and Treatment of Children and Adolescent Overweight and Obesity, 2007.

*Target based on 2012 & 2013 Data Trend Table averages.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) #4

Measure: 75%* of eligible** infants and children with client record documentation of enrollment in WIC

Goal: To increase access to nutrition education, breastfeeding support, and healthy food through enrollment in the WIC Nutrition Program

Definition: **Numerator -**
Of those in the denominator, the number of infants and children who, as of the last well child visit during the reporting period, had client record documentation that infant or child was enrolled in WIC.

Denominator -
Unduplicated number of infants and children less than 5 years of age, enrolled in the agency, during the reporting period, who were eligible** for WIC.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**WIC Eligibility Requirements:

- Infants, and children up to their fifth birthday
- Must be income eligible (income guidelines are up to 185% of federal gross income, and are based on family size)

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #5

Measure: 23%* of infants who were exclusively** breastfed for the first three months, at their four month well baby visit

Goal: To provide optimum nutrition to infants in their first three months of life

Definition: **Numerator -**
Of those in the denominator, the number of infants who had client record documentation that the infant had been exclusively breastfed for their first three months when checked at their four month well baby visit.

Denominator -
Number of infants who received one or more visits during or before the reporting period and were seen for a four-month well baby visit during the reporting period.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

Benmarks: 2011 PedNSS (WIC) exclusive at 3 months: NH 22.9%, National (2010) 10.7%
2013 CDC Report Card (NIS, provisional 2010 births): NH 49.5%, National 37.7%
Healthy People 2020 goal: 44%

Rationale: The AAP recommends exclusive breastfeeding for about 6 months, with continuation of breastfeeding for 1 year or longer as mutually desired by mother and infant, a recommendation concurred to by the World Health Organization and the Institute of Medicine. (American Academy of Pediatrics Policy Statement on Breastfeeding and the Use of Human Milk, 2012)

*Target based on 2012 & 2013 Data Trend Table averages.
**Exclusive means breast milk only, no supplemental formula, cereal/baby food, or water/fluids.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE: ADULT

PERFORMANCE MEASURES DEFINITIONS

State Fiscal Year 2015

Primary Care: Adult Performance Measure #1

Measure:*	58%** of adult patients 18 – 85 years of age diagnosed with hypertension will have a blood pressure measurement less than 140/90*** mm at the time of their last measurement.
Goal:	To ensure patients diagnosed with hypertension are adequately controlled.
Definition:	**Numerator-** Number of patients from the denominator with blood pressure measurement less than 140/90 mm at the time of their last measurement. **Denominator-** Number of patients age 18 – 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

*Measure based on the National Quality Forum 0018

**Health People 2020 National Target is 61.2%

***Both the numerator and denominator must be less that 140/90 mm

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE CLINICAL
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Primary Care Clinical Adolescent (PC-C) Performance Measure #1

Measure: 61%* of adolescents aged 11-21 years received an annual health maintenance visits in the past 12 months.

Goal: To enhance adolescent health by assuring annual, recommended, adolescent well -visits.

Definition:

Numerator-
Number of adolescents in the denominator who received an annual health maintenance "well" visit during the reporting year.

Denominator-
Total number of adolescents aged 11-21 years who were enrolled in the primary care clinic as primary care clients during the reporting year period.

Data Source: Chart audits or query of 100% of the total population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Primary Care Clinical Prenatal (PC-C) Performance Measure #2

Measure:	31%* of women and adolescent girls aged 15-44 take multi-vitamins with folic acid.
Goal:	To enhance pregnancy outcomes by reducing neural tube defects.
Definition:	**Numerator-** The number of women and adolescent girls aged 15-44 who take a multi-vitamin with folic acid. **Denominator-** The number of women and adolescent girls aged 15-44 who were seen in primary care for a well visit in the past year.
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

***Target based on 2012 & 2013 Data Trend Table averages.**

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE - FINANCIAL
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Primary Care (PC) Performance Measure #1

Measure: Patient Payor Mix

Goal: To allow monitoring of payment method trends at State funded primary care sites.

Definition: Patients enrolled in Medicare, Medicaid, Commercial insurance, or uninsured.

Data Source: Provided by agency

Primary Care (PC) Performance Measure #2

Measure: Accounts Receivables (AR) Days

Goal: To allow monitoring of financial sustainability trends at State funded primary care sites.

Definition: AR Days: Net Patient Accounts Receivable **multiplied by** 365 **divided by** Net Patient Revenue

Data Source: Provided by agency

Primary Care (PC) Performance Measure #3

Measure: Current Ratio

Goal: To allow monitoring of financial sustainability trends at State funded primary care sites.

Definition: Current Ratio = Current Assets **divided by** Current Liabilities

Data Source: Provided by agency

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRENATAL
PERFORMANCE MEASURES DEFINITIONS
State Fiscal Year 2015

Prenatal (PN) Performance Measure #1

Measure:	85%* of pregnant women who are enrolled in the agency's prenatal program will begin prenatal care during the first trimester of pregnancy.
Goal:	To enhance pregnancy outcomes by assuring early entrance into prenatal care.
Definition:	**Numerator-** Number of women in the denominator who had a documented prenatal visit during the first trimester (on or before 13.6 weeks gestation). **Denominator-** Number of women enrolled in the agency prenatal program who gave birth during the reporting year.
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

* Target based on 2012 & 2013 Data Trend Table averages.

Prenatal (PN) Performance Measure #2

Measure:	20%* of pregnant women who are identified as cigarette smokers will be referred to QuitWorks-New Hampshire.
Goal:	To reduce tobacco use during pregnancy through focused tobacco use cessation activities at public health prenatal clinics.
Definition:	**Numerator-** Number of women in the denominator who received at least one referral to QuitWorks-New Hampshire during pregnancy. **A referral is defined as signing the patient up for QuitWorks-NH via phone, fax, or EMR. It is not defined as discussing QuitWorks-NH with the patient and encouraging her to sign up.** **Denominator-** Number of women enrolled in the agency prenatal program and identified as tobacco users who gave birth during the reporting year.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

*Target set in consultation with the NH Tobacco Program & FY13 Data Trend Table average.

Prenatal (PN) Performance Measure #3

Measure: 79%* of pregnant women will be screened, using a formal valid screening tool, for alcohol and other substance use during every trimester they are enrolled in the prenatal program.

Goal: To reduce prenatal substance use through systematic screening and identification.

Definition: **Numerator-** Number of women in the denominator who were screened for substance and alcohol use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program.

Denominator- Number of women enrolled in the agency prenatal program and who gave birth during the reporting year.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

* Target based on 2012 & 2013 Data Trend Table averages.

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, Bureau of Population Health and Community Services, Maternal and Child Health Section to enter into an agreement with Concord Hospital, Inc., (Vendor #177653-B011), 250 Pleasant Street, Concord, New Hampshire 03301, in an amount not to exceed $551,408.00, to provide primary care services and breast and cervical cancer screening, to be effective July 1, 2012 or date of Governor and Executive Council approval, whichever is later, through June 30, 2014. Funds are available in the following accounts for SFY 2013, and are anticipated to be available in SFY 2014 upon the availability and continued appropriation of funds in the future operating budgets.

05-95-90-902010-5190 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF POPULATION HEALTH AND COMMUNITY SERVICES, MATERNAL AND CHILD HEALTH

SFY 2014	102-500731	Contracts for Program Services	90080081	$60,067
			Sub-Total	$120,134
			Total	$551,408

EXPLANATION

Funds in this agreement will be used to provide breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. This agreement provides funds for services as a last resort; contractor is required to make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. For example, in State Fiscal Year 2011:

- 88% of eligible children served were enrolled in Medicaid/Healthy Kids Gold.
- 86% of children 24-35 months, served received the appropriate schedule of immunizations.
- 82% of infants born to women served received prenatal care beginning in the first trimester of pregnancy.

In addition, breast and cervical cancers continue to be ongoing public health issues for New Hampshire. The Division of Public Health Services, Breast and Cervical Cancer Screening Program provides support for breast and cervical cancer screening services that include clinical examinations, pap smears and referral for mammography. Through this program, women found to have abnormal screening results, following their testing, receive additional coverage for diagnostic work-up and, if necessary, have their care coordinated through the initiation of treatment.

Should Governor and Executive Council not authorize this Request, a minimum of 15,300 low-income individuals from the Concord area may not have access to primary care services, and eligible women may not receive recommended breast and cervical cancer screenings. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. Additionally women that receive recommended breast and cervical cancer screenings are at lower risk of late diagnosis of breast and cervical cancers.

Concord Hospital, Inc. was selected for this project through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by three professionals, who work internal and external to the Department of Health and Human Services. All reviewers have between three to twenty years experience either in clinical settings, providing community-based family support services, and or managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were averaged and all proposals were recommended for funding. In those instances where scores were less than ideal, agency specific remedial actions were recommended and completed. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council. These services were contracted previously with this agency in SFY 2011 and SFY 2012 in the amount of $921,062. This represents a decrease of $369,654. The decrease is due to budget reductions.

The performance measures used to measure the effectiveness of the agreement are attached.

Area served: Merrimack and Hillsborough Counties.

Source of Funds: 37.39% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau and 62.61% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

José Thier Montero, MD
Director

Approved by:
Nicholas A. Toumpas
Commissioner

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Prenatal (PN) Performance Measure #1

Measure: Percent of infants born to women receiving prenatal care beginning in the first trimester of pregnancy.

Primary Care Prenatal (PN) Performance Measure #2

Measure: Percent of pregnant women identified as cigarette smokers that are referred to QuitWorks-New Hampshire.

Primary Care Prenatal (PN) Performance Measure #3

Measure: Percent of pregnant women who were screened, using a formal valid screening tool, for alcohol and other drug use during every trimester the patient was enrolled.

Primary Care Child Health Direct (CH – D) Performance Measure #1

Measure: Percent of eligible children enrolled in Medicaid

Primary Care Child Health Direct (CH – D) Performance Measure #2

Measure: Percent of at-risk children who were screened for blood lead between 18 and 30 months of age

Primary Care Child Health Direct (CH – D) Performance Measure #3

Measure: Percent of children age two to nineteen years receiving primary care preventive health services with a Body Mass Index (BMI) percentile greater than or equal to the 85th percentile with documented discussion of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Primary Care Child Health Direct (CH – D) Performance Measure #4

Measure: Percent of eligible infants and children with client record documentation of enrollment in Women Infant Children Program.

Primary Care Child Health Direct (CH – D) Performance Measure #5

Measure: Percent of infants who were exclusively breastfed for the first three months, at their four month well baby visit.

Primary Care Financial (PC) Performance Measure #1

Measure: Patient Payor Mix

Primary Care Financial (PC) Performance Measure #2

Measure: Accounts Receivables (AR) Days

Primary Care Financial (PC) Performance Measure #3

Measure: Current Ratio

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Clinical Adolescent (PC-C) Performance Measure #1

Measure: Percent of adolescents aged 10-21 years who received annual health maintenance visits in the past 12 months.

Primary Care Clinical Prenatal (PC-C) Performance Measure #2

Measure: Percent of women and adolescent girls aged 15-44 who take a multi-vitamin with folic acid.

Subject: Primary Care Services

AGREEMENT

The State of New Hampshire and the Contractor hereby mutually agree as follows:

GENERAL PROVISIONS

1.18 Approval by the Governor and Executive Council By:	On:

NH Department of Health and Human Services

Exhibit A

Scope of Services

Primary Care Services

CONTRACT PERIOD: July 1, 2012 or date of G&C approval, whichever is later, through June 30, 2014

CONTRACTOR NAME: **Concord Hospital, Inc.**

ADDRESS: **250 Pleasant Street**
Concord, New Hampshire 03301
Director: **Marie Wawrzyniak**
TELEPHONE: **603-227-7000**

The Contractor shall:

I. General Provisions

A) Eligibility and Income Determination

1. Office-based primary care services will be provided to low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire.

2. Breast and Cervical Cancer screening services will be provided to low-income (defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), New Hampshire women age 18 – 64, *uninsured or underinsured*.

3. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new patients for more than a one month period.

4. The Contractor shall document annually, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete with the client the most recent version of the 800P form.

5. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, approved in advance by the Division of Public Health Services (DPHS), for low-income patients. Signage must state that no client will be denied services for inability to pay.

    a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, submitted to and approved by DPHS *prior to implementation.*

6. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered.

Contractor Initials: MGB

Date: Apr 16, 2012

B) Numbers Served

1. The contract funds shall be expended to provide the above services to a minimum of 15,300 users annually with 44,950 medical encounters, as defined in the Data and Reporting Requirements. Breast and Cervical Cancer Screening for eligible women, as defined by the Breast and Cervical Cancer Program (BCCP), shall be provided to 350 women annually and billed directly to the BCCP. Clinical service reimbursements shall not exceed the Medicare rate.

C) **Culturally and Linguistically Appropriate Standards of Care**

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. *Provide* clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.

4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.

5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation 45 CFR 80.3(b) (2). The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) **State and Federal Laws**

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated hereunder.

E) ***Relevant Policies and Guidelines***

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

Contractor Initials: MBB

Date: Apr 16, 2012

2. Primary Care funds shall be targeted to populations in need. Populations in need are defined as follows:

   a) uninsured;

   b) under-insured;

   c) families and individuals with significant psychosocial and economic risk, including low income status;

   d) all life cycles including perinatal, child, adolescent, adult, and elderly who meet one or more of the above criteria.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.

4. *The Contractor shall have an agency emergency preparedness and response plan in accordance with HRSA Health Center Emergency Management Program Expectations, Document #2007-15 or most recent version. Such plan shall also include a Continuity of Operations plan.*

5. The Contractor shall carry out the work as described in the performance Workplan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

6. No Workplan is required by the Breast and Cervical Cancer Program (BCCP). The contractor shall be required to respond to the Quality Improvement Feedback Report twice a year.

7. The Contractor shall carry out the work as described in the Supplemental Funding Form submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) Publications Funded Under Contract

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, *electronic*) produced, reproduced, or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14).

G) Subcontractors

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing *and approve the subcontractual agreement*, prior to initiation of the subcontract.

Contractor Initials: MAS

Date: Apr 16, 2012

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. Minimal Standards of Core Services

A) Service Requirements

1. *Medical Home*

The Contractor shall provide a Medical Home that:

a) *Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.*

b) *Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.*

2. Primary Care Services

The Contractor shall provide office-based primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, APRN, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, *oral health*, and behavioral health specialty providers.

b) *Referral to the WIC Nutrition Program for all eligible pregnant women, infants and children.*

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.

d) Access to a healthcare provider, directly or by referral or subcontract, by telephone twenty-four hours per day, seven days per week.

e) Assessment of psychosocial risk for all clients at least annually and for children at scheduled preventive care visits, including, at a minimum, age appropriate assessment of safety in the home, domestic violence, adequacy of food and housing, care and welfare of children, transportation needs, and provision of necessary social services to address the priority needs and safety issues of clients and families.

f) Falls prevention screening for patients 65 years and older using the algorithm and guidelines of the American Geriatrics Society.

g) Behavioral health care directly or by referral to an agency or provider with a sliding fee scale.

h) *Nutrition assessment for all clients as part of the health maintenance visit.* Therapeutic nutrition services shall be provided *as indicated* directly or by referral to an agency or provider with a sliding fee scale. These services shall be recorded in the medical record.

i) Formal arrangements with a local hospital for emergency care must be in place and reviewed annually.

Contractor Initials: MAS

Date: Apr 16, 2012

j) Home health care directly or by referral to an agency or provider with a sliding fee scale.

k) Assisted living and skilled nursing facility care by referral.

l) *Oral screening annually for all clients 19 years and older to note obvious dental decay and soft tissue abnormalities with a reminder to the patient that poor oral health impacts total health.*

m) *Diagnosis and management of pediatric and adult patients with asthma provided according to National Heart Lung Blood Institute, National Asthma Education and Prevention Program, Expert Panel Report 3: Guidelines for the Diagnosis and Management of Asthma, 2007.*

2. Breast and Cervical Cancer Screening

a) Women age 18 to 64 who are eligible for Breast and Cervical Cancer Program (BCCP) services according to income (equal to or under 250% of poverty, underinsured/uninsured) *and insurance status* criteria shall be provided the following services:

i. cervical cancer screening including a pelvic examination and Pap smear;
ii. annual breast cancer screening including a clinical breast exam, mammogram and,
iii. referrals for diagnostic and treatment services based on screening results,
iv. case management services.

b) All referrals under this provision shall be to approved certified laboratory, pathology, radiology, and surgical services. Mammography units shall be accredited by the American College of Radiology, and must be FDA certified under MQSA. Laboratories shall be CLIA certified.

c) All services shall be provided in accordance with the Breast and Cervical Cancer Program (BCCP) Policy and Procedure Manual.

d) Follow-up and tracking of all tests done, and referrals made shall be provided in accordance with the minimum standards outlined in the Breast and Cervical Cancer Program Policy and Procedure Manual.

e) All services for women enrolled in the Breast and Cervical Cancer Program (BCCP) shall be billed directly to the BCCP in accordance with protocols established by the Breast and Cervical Cancer Program.

3. Reproductive Health Services

The Contractor shall provide prenatal, interconceptional and preconception medical care, social services, nutrition services, education, and nursing care to all women of childbearing age. Preconceptional care includes the preconception, interconceptional, and postpartum periods in women's health. It is recommended that preconceptional and interconceptional care visits focus on maintaining or achieving the optimal health of the mother, lowering the risk of future adverse pregnancy outcomes, the family's future plans, and how additional children fit into that plan. Preconceptional counseling may be done during an office, group or home visit.

a) In the event prenatal care is not provided directly by the Contractor a formal Memorandum/a of Agreement for coordinated referral to an appropriately qualified provider must be maintained.

b) Prenatal care shall, at minimum, be provided in accordance with the Guidelines for Perinatal Care, sixth or most current edition, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists, and /or the Centers for Disease Control.

Contractor Initials: [illegible]

Date: Apr 16, 2012

c) Age appropriate reproductive health care shall, at a minimum, be provided in accordance with the American College of Obstetricians and Gynecologists, or the USDHHS Centers for Disease Control (CDC) current guidelines.

d) *Pregnant women enrolled in the WIC Nutrition Program shall be referred to WIC for breastfeeding education and referral to the WIC Nutrition Program peer counselors.*

e. Family planning counseling for prevention of subsequent pregnancy following an infant's birth shall be discussed with the infant's mother *at the first postpartum visit and at the infant's 2-month visit and other visits as appropriate.* Rationale for birth intervals of 18-24 months shall be presented.

f) A referral to a Title X Family Planning Clinic or other reproductive health care provider shall be made as appropriate.

4. Services for Children and Adolescents

The Contractor shall provide as a minimum, comprehensive and age-appropriate health care, screenings, and health education according to the American Academy of Pediatrics' most recent periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent. Children and adolescent visits shall include:

a) Blood lead testing shall be performed in accordance with "New Hampshire Childhood Lead Poisoning Screening and Management Guidelines", issued by the New Hampshire Department of Health and Human Services, 2009 or subsequent revisions.

b) All children enrolled in either Healthy Kids-Gold or the Women, Infant, and Children (WIC) Program and/or who are ≤ 185% poverty, regardless of town of residence, are required to have a blood lead test at ages one and two years. All children ages three to six years who have not been previously tested shall have a capillary or venous blood lead test performed.

c) All children shall be screened for iron deficiency anemia as outlined in the Centers for Disease Control and Prevention document "Recommendations to Prevent and Control Iron Deficiency in the United States (4/2/98)".

d) Age-appropriate anticipatory guidance, dietary guidance, and *feeding practice counseling* for optimal oral health shall be provided at each well child visit according to the American Academy of Pediatrics' periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent edition. Starting at age 6 months, it is recommended that all children receive an oral health assessment at every well child visit.

e) Supplemental fluoride shall be prescribed as needed based upon the fluoride levels in the child's *drinking* water supply. The fluoride dosage regimen accepted by the American Academy of Pediatrics shall be followed. No fluoride shall be prescribed without obtaining water from private wells or noting the presence or absence of fluoride in the public water supply. *Supplemental fluoride may include bottled water containing fluoride and topical applications such as varnishes.*

f) *For infants enrolled in the WIC Nutrition Program, parents shall be referred to WIC for breastfeeding support and referral to the WIC Nutrition Program peer counselors.*

Contractor Initials: MBB

Date: Apr 16, 2012

5. Sexually Transmitted Infections

Primary Care Services shall provide age appropriate screening and treatment of sexually transmitted infections.

a) Treatment for sexually transmitted infections shall be provided according to the United States Centers for Disease Control Sexually Transmitted Diseases Treatment Guidelines, 2010 or subsequent revisions.

b) All clients, including women, shall be offered HIV testing following the most current recommendations of the United States Centers for Disease Control.

c) The contractor shall be responsible for ensuring referral to appropriate treatment services for any woman found to screen positive.

d) Appropriate risk reduction counseling shall be provided based on client needs.

6. Substance Use Services

a) A substance use screening history using a formal, validated screening tool shall be obtained for all clients as soon after entry into care as possible. Substance use counseling *or other substance abuse intervention, treatment, or recovery services* by an appropriately credentialed provider shall be provided on-site, or by referral, to clients with identified needs for these services. *For these identified clients, ongoing primary care services should include follow up monitoring relative to substance abuse.*

b) All clients, including pregnant women, identified as smokers shall receive counseling *using the 5A's (ask, advise, assess, assist, and arrange) treatment available through the NH Tobacco Helpline* as cited in the US Public Health Services report "Tobacco Use and Dependence", 2008, or "Smoking Cessation During Pregnancy: *A Clinician's Guide to Helping Pregnant Women Quit Smoking*", American College of Obstetricians and Gynecologists, 2011. *With prior approval, agencies may also opt to participate in the DPHS best practice initiative of the 2A's and R (ask, advise and refer).*

7. Immunizations

a) The Contractor shall adhere to the most current version of the "Recommended Adult Immunization Schedule United States", approved by the Advisory Committee on Immunization Practices, the American College of Obstetricians and Gynecologists, and the American Academy of Family Physicians.

b) The Contractor shall administer vaccines according to the most current version of the *"Recommended Immunization Schedule for Persons Aged 0 Through 6 Years - United States", and "Recommended Immunization Schedule for Persons Aged 7 Through 18 Years – United States"* approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians, based upon availability of vaccine from the New Hampshire Immunization Program.

8. Prenatal Genetic Screening

a) A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

b) All pregnant women should be offered voluntary genetic screening for fetal chromosomal abnormalities at the appropriate time following recommendations found in the American College of Obstetricians and Gynecologists' "Screening for Fetal Chromosomal

Contractor Initials: MRS

Date: Apr 16, 2012

Abnormalities (2007)" or more recent guidelines. The Contractor shall be responsible for ensuring referral to appropriate genetic testing and counseling for any woman found to have a positive screening test.

9. Additional Requirements

a) The Contractor's Medical Director shall participate in the development and approval of specific guidelines for medical care that supplement minimal clinical standards. Supplemental guidelines should be reviewed, signed, and dated annually, and updated as indicated.

b) Contractors considering clinical or sociological research using clients as subjects must adhere to the legal requirements governing human subjects research. Contractors must inform the DPHS, MCHS prior to initiating any research related to this contract.

c) *The Contractor shall provide information to all employees annually about the Medical Reserve Corps Unit within their Public Health Region to enhance recruitment.*

d) *The Contractor shall provide information to all employees annually regarding the Emergency System for the Advance Registration of Volunteer Health Professionals (ESAR-VHP) managed by the NH Department of Health and Human Services' Emergency Services Unit, to enhance recruitment.*

B) Staffing Provisions

The Contractor shall have, at minimum, the following staff positions:

a) executive director

b) fiscal director

c) registered nurse

d) clinical coordinator

e) medical service director

f) nutritionist *(on site or by referral)*

g) social worker

Staff positions required to provide direct services on-site include:

a) registered nurse

b) clinical coordinator

c) social worker

1. Qualifications

All health and allied health professionals shall have the appropriate New Hampshire licenses whether directly employed, contracted, or subcontracted.

In addition the following minimum qualifications shall be met for:

a) Registered Nurse
   a. A registered nurse licensed in the state of New Hampshire, Bachelor's degree preferred. Minimum of one-year experience in a community health setting.

Contractor Initials: MAB

Date: Apr 16, 2012

b) Nutritionists:
   a. A Bachelor's degree in nutritional sciences or dietetics, or a Master's degree in nutritional sciences, nutrition education, or public health nutrition or current Registered Dietitian status in accordance with the Commission on dietetic Registration of the American Dietetic Association.

   b. Individuals who perform functions similar to a nutritionist but do not meet the above qualifications shall not use the title of nutritionist.

c) Social Workers shall have:
   a. A Bachelor's or Master's degree in social work or Bachelor's or Master's degree in a related social science or human behavior field. A minimum of one year of experience in a community health or social services setting is preferred.

   b. Individuals who perform functions similar to a social worker but do not meet the above qualifications shall not use the title of social worker.

d) Clinical Coordinators shall be:

   a. A registered nurse (RN), physician, physician assistant, or nurse practitioner with a license to practice in New Hampshire.

   b. The coordinator is a clinical position that oversees and takes responsibility for the clinical and administrative functions of each program.

   c. The coordinator may be responsible for more than one MCH funded program.

2. New Hires

The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing within one month of hire when a new administrator, clinical coordinator, or any staff person essential to carrying out contracted services is hired to work in the program. A resume of the employee shall accompany the aforesaid notification.

3. Vacancies

a) The Contractor must notify the MCHS in writing if any critical position is vacant for more than one month, or if at any time funded under this contract does not have adequate staffing to perform all required services for more than one month. This may be done through a budget revision.

b) Before an agency hires new program personnel that do not meet the required staff qualifications, the agency shall notify the MCHS in writing requesting a waiver of the applicable staffing requirements. The Section may grant waivers based on the need of the program, individuals' experience, and additional training.

C) Coordination of Services

1. The Contractor shall coordinate, where possible, with other service providers within the contractor's community. At a minimum, such collaboration shall include interagency referrals and coordination of care.

2. The Contractor shall participate in activities *in the Public Health Region in which they provide services* as appropriate. These activities enhance the integration of community-based public health prevention and health care initiatives that are being implemented by the contractor and may include community needs assessments, public health performance assessments, and/or the development of regional health improvement plans.

Contractor Initials: MSB

Date: Apr 16, 2012

3. The Contractor agrees to *participate* in and coordinate public health activities as requested by the Division of Public Health Services during any *disease outbreak* and/or *emergency*, natural or man made, affecting the public's health.

4. The Contractor is responsible for case management of the client enrolled in the program and for program follow-up activities. Case management services shall promote effective and efficient organization and utilization of resources to assure access to necessary comprehensive medical, nutritional, and social services for clients.

5. The Contractor shall assure that *appropriate, responsive, and timely* referrals and linkages for other needed services are made, carried through, and documented. Such services shall include, but not be limited to: dental services, genetic counseling, high risk prenatal services, mental health, social services, including domestic violence crisis centers, substance abuse services; and family planning services, Early Supports and Services Program, local WIC/CSF Program, Home Visiting New Hampshire Programs and health and social service agencies which serve children and families in need of those services.

D) Meetings and Trainings

The contractor will be responsible for sending staff to meetings and training required by the MCHS program, including but not limited to:

1. MCHS Agency Directors' meetings

2. Prenatal and Child Health Coordinators' meetings

3. MCHS Agency Medical Services Directors' meetings

III. Quality or Performance Improvement (QI/PI)

A) Workplans

1. Performance Workplans are required for this program and are used to monitor achievement of standard measures of performance of the services provided under this contract. The workplans are a key component of the RHPCS and the MCHS performance-based contracting system and of this contract. Outcomes shall be reported by clinical site.

2. Submit Performance Workplans and Workplan Outcome reports according to the schedule and instructions provided by the MCHS. The MCHS shall notify the Contractor at least 30 days in advance of any changes in the submission schedule.

3. The Contractor shall incorporate required and developmental performance measures, defined by the MCHS into the agency's Performance Workplan. Reports on Workplan Progress/Outcomes shall detail the Performance Workplan and activities that monitor and evaluate the agency's progress toward performance measure targets.

4. The Contractor shall comply with modifications and/or additions to the workplan and annual report format as requested by RHPCS and MCHS. MCHS will provide the contractor with reasonable notice of such changes.

5. Agencies contracting for Primary Care Services must submit the workplans for Primary Care *Clinical and Financial*, Child Health, and Prenatal Care.

Contractor Initials: [illegible]

Date: Apr 16, 2012

B) Additional Reporting requirements

In addition to Performance Workplans, the Contractor shall submit to MCHS the following data and information listed below which are used to monitor program performance:

1. In years when contracts or amendments are not required, the DPHS Budget Form, Budget Justification, Sources of Revenue and Program Staff list forms must be completed according to the relevant instructions and submitted as requested by DPHS and, at minimum, by April 30 of each year.

2. The Sources of Revenue report must be resubmitted at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

3. Completed Uniform Data Set (UDS) tables reflecting program performance in the previous calendar year, by March 31 of each year.

4. The Perinatal Client Data Form (PCDF) shall be submitted electronically according to the instructions set forth by the MCHS.

5. A copy of the agency's updated Sliding Fee Scale including the amount(s) of any client fees and the schedule of discounts must be submitted by March 31st of each year. The agency's sliding fee scale must be updated annually based on the US DHHS Poverty guidelines as published in the Federal Register.

6. An annual summary of program-specific patient satisfaction results obtained during the prior contract period and the method by which the results were obtained shall be submitted annually as an addendum to the Workplan Outcome/Progress reports.

C) On-site reviews

1. The contractor shall allow a team or person authorized by the Division of Public Health Services to periodically review the contractor's systems of governance, administration, data collection and submission, clinical and financial management, and delivery of education services in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include client record reviews to measure compliance with this exhibit.
3. The contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. On-Site reviews may be waived or abbreviated at the discretion of MCHS, upon submission of satisfactory reports of reviews such as Health Services Resources Administration (HRSA): Office of Performance Review (OPR), or reviews from nationally accreditation organizations such as the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), Medicare, the Community Health Accreditation Program (CHAP), Accreditation Association for Ambulatory Healthcare (AAAHC), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey. Abbreviated reviews will focus on any deficiencies found in previous reviews, issues of compliance with this exhibit, and actions to strengthen performance as outlined in the agency Performance Workplan.

NH Department of Health and Human Services

Exhibit B

Purchase of Services
Contract Price

Primary Care Services

CONTRACT PERIOD: July 1, 2012 or date of G&C approval, whichever is later, through June 30, 2014

CONTRACTOR NAME: **Concord Hospital, Inc.**

ADDRESS: **250 Pleasant Street**
Concord, New Hampshire 03301
Director: **Marie Wawrzyniak**
TELEPHONE: **603-227-7000**

Vendor #177653-B011 | Job #90080000 #90080081 | Appropriation #010-090-51900000-102-500731 #010-090-56590000-102-500731

1. The total amount of all payments made to the Contractor for cost and expenses incurred in the performance of the services during the period of the contract shall not exceed:

   $431,274 for Primary Care Services, funded from 19.95% federal funds from the US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau (CFDA #93.994) and 80.05% general funds.

   $120,134 for Breast and Cervical Cancer Screening, funded from 100% federal funds from the Center for Disease Control (CFDA #93.283).

TOTAL: $551,408

2. The Contractor agrees to use and apply all contract funds from the State for direct and indirect costs and expenses including, but not limited to, personnel costs and operating expenses related to the Services, as detailed in the attached budgets. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. The Contractor agrees not to use or apply such funds for capital additions or improvements, entertainment costs, or any other costs not approved by the State.

3. This is a cost-reimbursement contract based on an approved budget for the contract period. Reimbursement shall be made monthly based on actual costs incurred during the month up to an amount not greater than one-twelfth of the contract amount. Reimbursement greater than one-twelfth of the contract amount in any month shall require prior, written permission from the State.

4. Invoices shall be submitted by the Contractor to the State in a form satisfactory to the State for each of the Service category budgets. Said invoices shall be submitted within twenty (20) working days following the end of the month during which the contract activities were completed, and the final invoice shall be due to the State no later than sixty (60) days after the contract Completion Date. Said invoice shall contain a description of all allowable costs and expenses incurred by the Contractor during the contract period.

5. Payment will be made by the State agency subsequent to approval of the submitted invoice and if sufficient funds are available in the Service category budget line items submitted by the Contractor to cover the costs and expenses incurred in the performances of the services.

Contractor Initials: CBB
Date: Apr 16, 2012

6. The Contractor may amend the contract budget for any Service category through line item increases, decreases, or the creation of new line items provided these amendments do not exceed the contract price for that particular Service category. Such amendments shall only be made upon written request to and written approval by the State. Budget revisions will not be accepted after June 20th of each contract year.

7. The Contractor shall have written authorization from the State prior to using contract funds to purchase any equipment with a cost in excess of three hundred dollars ($300) and with a useful life beyond one year.

The remainder of this page is intentionally left blank.

Date: Apr 16, 2012

NH Department of Health and Human Services

Exhibit C

SPECIAL PROVISIONS

1. **Contractors Obligations:** The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

2. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

3. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

4. **Documentation:** In addition to the determination forms, required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

5. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

6. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

7. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

8. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractor's costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party fundors for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party fundors, the Department may elect to:

    8.1 Renegotiate the rates for payment hereunder, in which event new rates shall be established;

Contractor Initials: MJB

Date: Apr 16, 2012

8.2 Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

8.3 Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

9. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:

9.1 **Fiscal Records:** Books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

9.2 **Statistical Records:** Statistical, enrollment, attendance, or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

9.3 **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

10. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.

10.1 **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.

10.2 **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

11. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directed connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Contractor Initials: MQ

Date: Apr 16, 2012

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

12. **Reports: Fiscal and Statistical:** The Contractor agrees to submit the following reports at the following times if requested by the Department

    12.1 Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.

    12.2 Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

13. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

14. **Credits:** All documents, notices, press releases, research reports, and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:

    14.1 The preparation of this (report, document, etc.), was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, Division of Public Health Services, with funds provided in part or in whole by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

15. **Operation of Facilities:** Compliance with Laws and Regulations: In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the Contractor with respect to the operation of the facility or the provision of the services at such facility. If any government license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

Contractor Initials: MAS

Date: Apr 16, 2012

16. **Insurance:** Select either (1) or (2) below:

As referenced in the Request for Proposal, Comprehensive General Liability Insurance Acknowledgement Form, the Insurance requirement checked under this section is applicable to this contract:

Insurance Requirement for (1) - 501(c) (3) contractors whose annual gross amount of contract work with the State does not exceed $500,000, per RSA 21-I:13, XIV, (Supp. 2006): The general liability insurance requirements of standard state contracts for contractors that qualify for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the state does not exceed $500,000, is comprehensive general liability insurance in amounts of not less than $1,000,000 per claim or occurrence and $2,000,000 in the aggregate. *These amounts may NOT be modified.*

X (1) The contractor certifies that it **IS** a 501(c) (3) contractor whose annual total amount of contract work with the State of New Hampshire does **not** exceed $500,000.

Insurance Requirement for (2) - All other contractors who do not qualify for RSA 21-I:13, XIV, (Supp. 2006), Agreement P-37 General Provisions, 14.1 and 14.1.1. Insurance and Bond, shall apply: The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, both for the benefits of the State, the following insurance: comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per incident or occurrence. *These amounts MAY be modified if the State of NH determines contract activities are a risk of lower liability.*

☐ (2) The contractor certifies it does **NOT** qualify for insurance requirements under RSA 21-I:13, XIV (Supp. 2006).

17. **Renewal:**

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two (2) additional year(s), contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

18. Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

Contractor Initials: MSB
Date: Apr 16, 2012

19. **Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the *following language;***

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

Contractor Initials: MJB

Date: Apr 16, 2012

SPECIAL PROVISIONS – DEFINITIONS

As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean the section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Whenever federal or state laws, regulations, rules, orders, and policies, etc., are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc., as they may be amended or revised from time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

Contractor Initials: [signature]
Date: Apr 16, 2012

State of New Hampshire
Department of Health and Human Services
Amendment #4 to the Primary Care Services Contract

This 4th Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #4") dated this, 1st day of May, 2017 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Coos County Family Health Services, Inc. (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 54 Willow Street, Berlin NH 03570.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #130) as amended by an agreement (Amendment #1 to the Contract) approved by the Governor and Executive Council on May 8, 2014 (Item #34A); as amended by an agreement (Amendment #2 to the Contract) approved by the Governor and Executive Council on June 24, 2015 (Item #58); as amended by an agreement (Amendment #3 to the Contract) approved by the Department on December 21, 2016; the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 of the Agreement the State may amend the contract terms and conditions by written agreement of the parties and approval of the Governor and Executive Council; and

WHEREAS, the parties agree to extend the contract for nine (9) months, add services to Exhibit A, Scope of Services and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:

   March 31, 2018
2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:

   $892,717
3. Add Exhibit A- Amendment #4, Scope of Services.
4. Add Exhibit A-1 – Amendment #4, Performance Measures
5. Add Exhibit B – Amendment #4, Method and Conditions Precedent to Payment.
6. Add Exhibit B-1 – Amendment #4 MCHS Budget.
7. Add Exhibit B-2 – Amendment #4, BCCP Budget.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Name:
Title:

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. Office-based and enabling **Primary Care** services shall be provided individuals and families who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income, which is defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. **Breast and Cervical Cancer Screening** Services shall be provided to women ages twenty-one(21) through sixty-four (64) who are:

1.5.1. Uninsured.

1.5.2. Underinsured.

1.5.3. Low-income, which is defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.6. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.6.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.6.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.6.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care or Breast and Cervical Cancer Screening Services for new patients is limited or closed for more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

2.2. The Contractor shall assist individuals with completing a Medicaid/Expanded Medicaid or other health insurance application when income calculations indicate possible eligibility.

2.3. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.4. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.4.1. Update the sliding fee scale on an annual basis when new Federal Poverty Guidelines are released.

2.4.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services.

3.1.2. Perinatal services, including but not limited to access to obstetrical services either on-site or by referral.

3.1.3. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.1.4. Integrated Behavioral Health Services.

3.1.5. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.1.6. Assessment of need and follow-up/referral as indicated for:

3.1.6.1. Tobacco cessation, including referral to QuitWorks-NH, www.QuitWorksNH.org.

3.1.6.2. Social services.

3.1.6.3. Chronic Disease management, including disease specific referral and self-management education, which may include, but is not limited to referral to Diabetes Self-

Management Education (DSME), as recommended by the American Diabetes Association.

3.1.6.4. Nutrition services, including WIC, as appropriate.

3.1.6.5. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.1.6.6. Screening, Brief Intervention and Referral to Treatment (SBIRT) services, including but not limited to contact with the Regional Public Health Network Continuum of Care Development Initiative.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which includes but is not limited to access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.3. The Contractor shall provide enabling services, which are non-clinical services that support the delivery of basic primary care and services, and facilitate access to comprehensive patient care as well as social services. The Contractor shall facilitate enabling services that include, but are not limited to:

3.3.1. Case management, which may include but is not limited to, care facilitated by registries; information technology; health information exchanged; and other services that ensure patients receive necessary care when and where it is needed and wanted 8in a culturally and linguistically appropriate manner.

3.3.2. Benefit counseling.

3.3.3. Eligibility assistance.

3.3.4. Health education and supportive counseling.

3.3.5. Interpretation.

3.3.6. Outreach, which may include but is not limited to the use of community health workers.

3.3.7. Transportation.

3.3.8. Education of patients and the community regarding the availability and appropriate use of health services.

4. Breast and Cervical Cancer Screening Services

4.1. The Contract shall develop work plans based on performance measures in Exhibit A-1 – Amendment #3 that include activities related to:

4.1.1. The provision of breast and cervical cancer screening.

4.1.2. The promotion of breast and cervical cancer screening.

4.2. The Contractor shall implement evidence-based interventions outlined in the Centers for Disease Control and Prevention Guide to Community Preventative Services (http://www.thecommunityguide.org/index/html) to support the provision and promotion of breast and cervical cancer screening rates, including but not limited to provider reminder systems and patient reminders.

4.3. The Contractor shall provide breast and cervical cancer screening for the early detection of breast and cervical cancer in accordance with the policies and procedures outlined in the BCCP Policy and Procedure Manual, following nationally accepted screening recommendations. Screenings shall include but not be limited to:

4.3.1. Clinical pelvic examinations.

4.3.2. Clinical breast examinations.

4.3.3. Mammograms.

4.3.4. Pap and HPV tests, if appropriate.

4.3.5. Referrals for diagnostic and treatment services, as necessary.

4.4. The Contractor shall provide services to the number of individuals as follows:

4.4.1. 75% of all mammograms shall be provided to women ages fifty (50) to sixty-four (64) at all screening sites.

4.4.2. A maximum of 25% of all mammograms shall be provided to women under the age of fifty (50) at all screening sites.

4.4.3. 20% of newly enrolled women for Pap tests shall be provided at all screening sites to women who have not had a Pap test in over five (5) years.

4.5. The Contractor shall ensure all referrals are made in accordance with the minimum standards outlined in the BCCP Policy and Procedure Manual to facilities that provide approved and certified laboratory, pathology, radiology and surgical services. The Contractor shall ensure:

4.5.1. Mammography units are accredited by the American College of Radiology and FDA certified under MQSA.

4.5.2. Laboratories are CLIA certified.

4.6. The Contractor shall ensure all services and case management activities are completed in accordance with the BCCP Policy and Procedure Manual, including but not limited to follow-up and tracking of all client tests results and referrals.

Contractor's Initials: KG

Date 5/22/17

4.7. The Contractor shall provide screening promotion for all eligible individuals, which includes, but is not limited to:

4.7.1. Patient navigation services that assist individuals to overcome health systems barriers and facilitate timely access to:

4.7.1.1. Quality breast and cervical cancer screening.

4.7.1.2. Breast and cervical cancer diagnostics.

4.7.1.3. Initiation of breast and cervical cancer treatment, when applicable.

4.7.1.4. Assurance that patient navigation services are terminated when the patient:

4.7.1.4.1. Completes screening and has normal results.

4.7.1.4.2. Completes diagnostic testing and has normal results.

4.7.1.4.3. Initiates breast and/or cervical cancer treatment or refuses treatment.

4.7.2. Patient navigation services shall include, but not be limited to:

4.7.2.1. A written assessment of individual client barriers.

4.7.2.2. Client education and support.

4.7.2.3. Assistance with resolving client barriers, including but not limited to transportation and translation services, as appropriate.

4.7.2.4. Tracking and follow-up to monitor client progress in completing screening, diagnostic testing, and initiation of treatment, as needed.

4.7.2.5. A minimum of two contacts with the client, either in person or by telephone.

4.7.2.6. Collecting data to evaluate the primary outcomes of patient navigation, which shall include adherence to screening, diagnostic testing and cancer treatment initiation.

4.7.2.7. Tracking of patients lost to follow-up, as appropriate.

5. Quality Improvement

5.1. The Contractor shall conduct a minimum of two (2) quality improvement projects which consist of systematic and continuous actions that lead to measurable improvement in health care services and the health status of targeted patient groups. The Contractor shall ensure:

5.1.1. One (1) quality improvement project focuses on the performance measure as designated by the Department.

5.1.2. One (1) quality improvement project is based on previous performance outcomes needing improvement, as selected by the Contractor.

5.2. The Contractor shall utilize Quality Improvement (QI) science to develop and implement a QI Workplan for each QI project, which shall include but not be limited to:

5.2.1. Specific goals and objectives for the project period.

5.2.2. Evaluation methods to demonstrate improvements in the quality, efficiency, and effectiveness of patient care.

5.3. The Contractor may utilize activities in QI projects that enhance clinical workflow and improve patient outcomes, which may include but are not limited to:

5.3.1. EMR prompts/alerts.

5.3.2. Protocols/Guidelines.

5.3.3. Diagnostic support.

5.3.4. Patient registries.

5.3.5. Collaborative learning sessions.

6. Staffing

6.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH licenses whether directly employed, contracted or subcontracted.

6.2. The Contractor shall employ a medical services director with special training and experience in primary care services who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

6.3. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services in writing and include a copy of the individual's resume, within thirty (30) days of hire.

6.4. The Contractor shall notify the MCHS, in writing, when:

6.4.1. Any critical position is vacant for more than thirty (30) days.

6.4.2. There is not adequate staffing to perform all required services for more than thirty (30) consecutive days or any sixty (60) nonconsecutive days.

6.5. The Contractor may deliver breast and cervical cancer screening navigation services through a combination of staff, which may include the provision of outreach and education by lay persons with clinical case management services provided by either:

6.5.1. A registered nurse who:

6.5.1.1. Is licensed with the NH Board of nursing; or

6.5.1.2. Has attained bachelor's degree from a recognized college or university.

6.5.2. A nurse who is working under the direct supervision of a registered nurse, as described in Section 6.5.1.

7. Coordination of Services

7.1. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

7.1.1. Community needs assessments.

7.1.2. Public health performance assessments.

7.1.3. The development of regional health improvement plans.

7.2. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

8. Required Meetings & Trainings

8.1. The Contractor shall attend meetings and trainings facilitated by the MCHS and BCCP programs that include, but are not limited to:

8.1.1. MCHS Agency Directors' meetings.

8.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year.

8.1.3. MCHS Agency Medical Services Directors' meetings.

8.1.4. BCCP Site Coordinators' annual meetings.

9. Workplans, Outcome Reports & Additional Reporting Requirements

9.1. The Contractor shall provide an annual BCCP Performance Workplan and Workplan Outcomes Report according to the schedule and instructions provided by the BCCP, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule.

Contractor's Initials: KG

Date 5/22/17

9.2. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a corrective action plan per directions from MCHS.

9.3. The Contractor shall submit a Performance Measure Outcome Report, which details the plan for improvement when a performance measure targeted goal is not met.

9.4. The Contractor shall submit an annual Workplan for the two (2) quality improvement projects that demonstrate improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.5. The Contractor shall submit at least one (1) annual Workplan that includes a detailed description of the enabling services funded by this contract. This shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.6. The Contractor shall collect and submit the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st of each contract year.

9.7. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

9.8. The Contractor shall submit an annual report on April 30th in each year a contract amendment or renewal is not required that includes, but is not limited to:

9.8.1. DPHS Budget Form.

9.8.2. Budget Justification.

9.8.3. Sources of Revenue.

9.8.4. Program Staff List, which includes staff titles

9.9. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9.10. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

9.10.1. Survey template.

9.10.2. Method by which the results were obtained.

10. On-Site Reviews

10.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

10.1.1. Systems of governance.

10.1.2. Administration.

10.1.3. Data collection and submission.

10.1.4. Clinical and financial management.

10.1.5. Delivery of education services.

10.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

10.2.1. Client records.

10.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

10.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Contractor's Initials: KG

Date 5/22/17

Exhibit A-1 – Amendment #4

1. MATERNAL AND CHILD HEALTH SECTION (MCHS) PRIMARY CARE PERFORMANCE MEASURES

1.1. Definitions

1.1.1. **Measurement Year** – Measurement Year consist of 365 days and is defined as either:

1.1.1.1. The calendar year (January 1st through December 31st); or

1.1.1.2. The state fiscal year (July 1st through June 30th).

1.1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.1.4. **NQF** – National Quality Forum

1.1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.1.6. **UDS** – Uniform Data System

1.1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. Breastfeeding

2.1.1. **Percent of infants who are ever breastfed** (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. Preventive Health: Lead Screening

2.2.1. **Percent of children 3 years of age who had two or more capillary or venous lead blood test for lead poisoning by their third birthday.** (NH MCHS).

2.2.1.1. Numerator: All patient children who received at least one capillary or venous lead screening test between nine (9) months to eighteen (18) months of age **AND** one (1) capillary or venous lead screening test between nineteen (19) to thirty (30) months of age.

2.2.1.2. Denominator: All patient children who turned three (3) years old during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. Preventive Health: Adolescent Well-Care Visit

Contractor Initials: KG
Date: 5/22/17

2.3.1. **Percent of adolescents, 12 through 21 years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year** (HEDIS,).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients 12 years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. **Maternal Depression Screening**

2.4.2.1. **Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative PLUS women who screened positive AND have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

2.5.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (NQF 0421, UDS).

2.5.1.1. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

2.5.1.2. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.4. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year or prior year AND who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco use one or more times during their most recent visit OR within twenty-four (24) months of the most recent visit and received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. **Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user** (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who delivered a live birth in the measurement year.

2.6.2.4. Definitions:

2.6.2.4.1. Tobacco Use: Includes any type of tobacco

2.6.2.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

2.7. **At Risk Population: Hypertension**

2.7.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90mmHG) during the measurement year** (NQF 0018).

2.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm HG at the time of their last measurement.

2.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension (must have been diagnosed with hypertension 6 or more months before the measurement date) who had at least one (1) medical visit during the measurement year. (Excludes pregnant women and patients with End Stage Renal Disease.)

2.8. **Patient Safety: Falls Screening**

2.8.1. **Percent of patients aged 65 years and older who were screened for fall risk at least once within 12 months** (NH MCHS).

2.8.1.1. Numerator: Patients who were screened for fall risk at least once within the measurement year.

2.8.1.2. Denominator: All patients aged 65 years and older seen by a health care provider within the measurement year.

2.9. **SBIRT**

2.9.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention and/or referral to services.

2.9.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.1.3. Denominator: Number of patients aged 18 years and older seen for annual/preventive visit within the measurement year.

2.9.1.4. Definitions:

2.9.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.9.1.4.2. Brief Intervention: Includes guidance or counseling.

2.9.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.9.2. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.3. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

2.9.4. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.5. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.9.6. Definitions:

2.9.6.1. Substance Use: Includes any type of alcohol or drug.

2.9.6.2. Brief Intervention: Includes guidance or counseling.

2.9.6.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A – Amendment #4, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov):
   2.1. #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds.
   2.2. #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #4, Scope of Services, in accordance with Exhibit B-1 Amendment #4 through Exhibit B-2 Amendment #4.
4. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
5. Payment for said services shall be made as follows:
   5.1. The Contractor will submit an invoice by the tenth (10^{th}) working day of each month, which identifies and requests reimbursement for authorized expenses incurred in the prior month.
   5.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   5.3. The invoice must be submitted by mail or e-mail to:

   Financial Manager
   Department of Health and Human Services
   129 Pleasant Street
   Concord, NH 03301

   E-mail: dphscontractbilling@dhhs.state.nh.us
6. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.
7. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
8. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
9. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #4 through Exhibit B-2 Amendment #4 and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

FINANCIAL STATEMENTS

June 30, 2016 and 2015

With Independent Auditor's Report

[redacted]

BerryDunn

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Coos County Family Health Services, Inc.

We have audited the accompanying financial statements of Coos County Family Health Services, Inc., which comprise the balance sheets as of June 30, 2016 and 2015, and the related statements of operations, changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Coos County Family Health Services, Inc. as of June 30, 2016 and 2015, and the results of its operations, changes in its net assets and its cash flows for the years then ended, in accordance with U.S. generally accepted accounting principles.

Supplemental disclosures of cash flow information		
Cash paid for interest	**$ 24,621**	$ 27,282

The accompanying notes are an integral part of these financial statements.

1. Summary of Significant Accounting Policies

Organization

Coos County Family Health Services, Inc. (the Organization) is a non-stock, not-for-profit corporation organized in New Hampshire. The Organization is a Federally Qualified Health Center (FQHC) which provides outpatient health care and disease prevention services to residents of Coos County, New Hampshire through direct services, referral and advocacy.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Organization is a public charity under Section 501(c)(3) of the Internal Revenue Code. As a public charity, the Organization is exempt from state and federal income taxes on income earned in accordance with its tax exempt purpose. Unrelated business income is subject to state and federal income tax. Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents include highly liquid investments with an original maturity of three months or less, excluding assets limited as to use.

Allowance For Uncollectible Accounts

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Patient accounts receivable are reduced by an allowance for uncollectible accounts. In evaluating the collectability of patient accounts receivable, the Organization analyzes its past history and identifies trends for each funding source. Management regularly reviews data about revenue in evaluating the sufficiency of the allowance for uncollectible accounts. Amounts not collected after all reasonable collection efforts have been exhausted are applied against the allowance for uncollectible accounts. The Organization did not change its methodology for estimating the allowance for uncollectible accounts during the years ended June 30, 2016 and 2015.

A reconciliation of the allowance for uncollectible accounts at June 30 is as follows:

	2016	2015
Balance, beginning of year	**$ 170,000**	$ 218,000
Provision	**214,250**	222,507
Write-offs	**(202,250)**	(270,507)
Balance, end of year	**$ 182,000**	$ 170,000

The increase in the allowance for uncollectible accounts is the result of an increase in patient balances included in accounts receivable.

Grants Receivable

Grants receivable are stated at the amount management expects to collect from outstanding balances. All such amounts are considered collectible.

Assets Limited As To Use

Assets limited as to use include assets set aside as a reserve fund under loan agreements for repairs and maintenance on the real property collateralizing the loans, assets designated by the Board of Directors and donor-restricted grants and contributions.

Beneficial Interest in Perpetual Trust Held by Others

The Organization is a beneficiary of an agency endowment fund at The New Hampshire Charitable Foundation (the Foundation). Pursuant to the terms of the resolution establishing the fund, property contributed to the Foundation is held as a separate fund designated for the benefit of the Organization. In accordance with its spending policy, the Foundation makes distributions from the fund to the Organization. The distributions are approximately 4.03% of the market value of the fund per year. The Organization's interest in the fund is recognized as permanently restricted net assets with changes in fair value reported as permanently restricted net assets.

Property and Equipment

Property and equipment are carried at cost, less accumulated depreciation. Provision for depreciation is computed using the straight-line method over the useful lives of the related assets.

Gifts of long-lived assets such as land, buildings, or equipment are reported as unrestricted net assets, and excluded from the excess of revenues over expenses, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as temporarily restricted net assets. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets include contributions and grants for which donor-imposed restrictions have not been met. Assets are released from restrictions as expenditures are made in line with restrictions called for under the terms of the donor.

Permanently restricted net assets include net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on related investments for general or specific purposes.

Donor-Restricted Gifts

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of operations as "net assets released from restrictions." Donor-restricted contributions whose restrictions are met in the same year as received are reflected as unrestricted contributions in the accompanying financial statements.

Patient Service Revenue

Patient service revenue is reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

340B Drug Pricing Program

The Organization, as an FQHC, is eligible to participate in the 340B Drug Pricing Program. The program requires drug manufacturers to provide outpatient drugs to FQHC's and other identified entities at a reduced price. The Organization contracts with local pharmacies under this program. The local pharmacies dispense drugs to eligible patients of the Organization and bill Medicare and commercial insurances on behalf of the Organization. Reimbursement received by the pharmacies is remitted to the Organization, less dispensing and administrative fees. Gross revenue generated from the program is included in patient service revenue. The cost of drug replenishments and contracted expenses incurred related to the program are included in other operating expenses.

Charity Care

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, they are not reported as net patient service revenue.

Donated Goods and Services

Various program help and support for the daily operations of the Organization's Response Program were provided by the general public of the surrounding communities. The donated services have not been reflected in the accompanying financial statements because they did not meet the criteria for recognition. Management estimates the fair value of donated services received but not recognized as revenues was $107,136 and $106,422 for the years ended June 30, 2016 and 2015, respectively. The Response Program also receives donated supplies to be used for program activities. The fair value of supplies recognized as revenues was $4,565 and $4,344 for the years ended June 30, 2016 and 2015, respectively.

The Organization receives samples of medical supplies that are distributed to patients. The donated supplies have not been reflected in the accompanying financial statements because they did not meet the criteria for recognition.

Functional Expenses

The Organization provides various services to residents within its geographic location. Expenses related to providing these services are as follows:

	2016	2015
Program services	$ 9,679,116	$ 9,084,301
Administrative and general	1,405,836	1,294,337
Total	$11,084,952	$10,378,638

Excess of Revenues Over Expenses

The statements of operations reflect the excess of revenues over expenses. Changes in unrestricted net assets which are excluded from the excess of revenues over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which, by donor restriction, were to be used for the purposes of acquiring such assets).

Subsequent Events

For purposes of the preparation of these financial statements, management has considered transactions or events occurring through September 15, 2016, the date that the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

2. Assets Limited As To Use and Beneficial Interest in Perpetual Trust Held By Others

Assets limited as to use and beneficial interest in perpetual trust consisted of the following as of June 30:

	2016	2015
Board designated: working capital	$ 512,239	$ 510,646
United States Department of Agriculture Rural Development: loan agreements	39,356	34,504
Donor restricted:		
Temporarily restricted: specific purposes	84,681	99,461
Permanently restricted: endowment	22,990	24,297
Total	$ 659,266	$ 668,908

Assets limited as to use and beneficial interest in perpetual trust are reported in the accompanying balance sheets as follows:

	2016	2015
Assets limited as to use	$ 640,358	$ 648,693
Beneficial interest in perpetual trust held by others	18,908	20,215
Total	$ 659,266	$ 668,908

Assets limited as to use are comprised of cash and cash equivalents.

3. Property and Equipment

Property and equipment consists of the following:

	2016	2015
Land	**$ 153,257**	$ 153,257
Building and improvements	**3,209,070**	3,205,175
Furniture, fixtures, and equipment	**1,796,689**	1,740,291
Total cost	**5,159,016**	5,098,723
Less accumulated depreciation	**(2,818,707)**	(2,638,479)
Property and equipment, net	**$ 2,340,309**	$ 2,460,244

In 2010, the Organization made renovations to certain buildings with Federal grant funding under the ARRA – Capital Improvement Program. In 2014 the Organization also made renovations to certain buildings with Federal grant funding under the ACA – Capital Development Program. In accordance with the grant agreements, a Notice of Federal Interest (NFI) is required to be filed in the appropriate official records of the jurisdiction in which the property is located. The NFI is designed to notify any prospective buyer or creditor that the Federal Government has a financial interest in the real property acquired under the aforementioned grant; that the property may not be used for any purpose inconsistent with that authorized by the grant program statute and applicable regulations; that the property may not be mortgaged or otherwise used as collateral without the written permission of the Associate Administrator of the Office of Federal Assistance Management, Health Resources and Services Administration (OFAM, HRSA); and that the property may not be sold or transferred to another party without the written permission of the Associate Administrator of OFAM, HRSA.

4. Line of Credit

The Organization has a $500,000 line of credit with a local bank, which matures on December 31, 2016. The line of credit is collateralized by the Organization's business assets with interest at the prime rate plus 1.50% (5.00% at June 30, 2016). The Organization is also required to pay 0.25% monthly on the unused portion of the line. There was no outstanding balance at June 30, 2016 and 2015.

5. Long-Term Debt

Long-term debt consists of the following:

	2016	2015
Note payable, U.S. Department of Agriculture, Rural Development, payable in monthly installments of $1,285, including interest at 3.375%, due May 2042, collateralized by real estate.	**$ 265,378**	$ 271,743
Note payable, U.S. Department of Agriculture, Rural Development, payable in monthly installments of $2,741, including interest at 4.5%, due November 2028, collateralized by all business assets.	**311,430**	329,757
Note payable, New Hampshire Health and Education Facilities Authority, payable in monthly installments of $3,060, including interest at 1.00%, due August 2018, collateralized by real estate.	**78,615**	114,352
Total long-term debt	**655,423**	715,852
Less current maturities	**61,937**	60,514
Long-term debt, less current maturities	**$ 593,486**	$ 655,338

Maturities of long-term debt for the next five years and thereafter are as follows:

2017	$ 61,937
2018	63,411
2019	34,170
2020	29,320
2021	30,582
Thereafter	436,003
Total	$ 655,423

6. Patient Service Revenue

Patient service revenue follows:

	2016	2015
Medicare	$ 2,602,665	$ 1,965,553
Medicaid	1,414,161	1,357,096
Third party payers and private pay	3,168,459	2,841,720
Medical patient service revenue	7,185,285	6,164,369
340B pharmacy revenue	2,430,767	2,153,047
Total Patient Service Revenue	$ 9,616,052	$ 8,317,416

The Organization has agreements with the Centers for Medicare and Medicaid Services (Medicare and New Hampshire Medicaid). Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. The Organization believes that it is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare and Medicaid programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known. The differences between amounts previously estimated and amounts subsequently determined to be recoverable from third-party payers increased patient service revenues by approximately $13,000 and $42,000 for the years ended June 30, 2016 and 2015, respectively, due to changes in allowances or recognition of settlements no longer subject to audits, reviews, and investigations.

A summary of the payment arrangements with major third-party payers follows:

Medicare

Effective July 1, 2015, the Organization began to be reimbursed for the care of qualified patients on a prospective basis, with retroactive settlements related to vaccine costs only. The prospective payment is based on a geographically adjusted rate determined by Federal guidelines. Prior to July 1, 2015, the Organization was reimbursed at specified interim contractual rates during the year. Differences between the Medicare interim contractual rate and the cost of care as defined by the Principles of Reimbursement governing the program were determined and settled on a retrospective basis. Overall, reimbursement was and continues to be subject to a maximum allowable rate per visit. The Organization's Medicare cost reports have been audited by the Medicare administrative contractor through June 30, 2014.

Medicaid and Other Payers

The Organization also has entered into payment agreements with Medicaid and certain commercial insurance carriers, health maintenance organizations and preferred provider organizations. The basis for payment to the Organization under these agreements includes prospectively determined rates per visit, discounts from established charges and capitated arrangements for primary care services on a per member, per month basis.

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. The Organization estimates the costs associated with providing charity care by calculating the ratio of total cost to total charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. The estimated cost of providing services to patients under the Organization charity care policy amounted to $166,384 and $209,321 for the years ended June 30, 2016 and 2015, respectively.

The Organization is able to provide these services with a component of funds received through local community support and federal and state grants.

7. Retirement Plan

The Organization has a defined contribution plan under Internal Revenue Code Section 401(k) that cover substantially all employees. The Organization contributed $154,913 and $159,361 for the years ended June 30, 2016 and 2015, respectively.

8. Malpractice Insurance

The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of the year ended June 30, 2016, there were no known malpractice claims outstanding which in the opinion of management, will be settled for amounts in excess of both FTCA and additional medical malpractice insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew the additional medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

9. Concentration of Risk

The Organization has cash deposits in major financial institutions which exceed federal depository insurance limits. The financial institutions have a strong credit rating and management believes the credit risk related to these deposits is minimal.

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payer agreements. Following is a summary of accounts receivable, by funding source at June 30, 2016 and 2015.

	2016	2015
Medicare	**13 %**	17 %
Medicaid	**32 %**	33 %
Blue Cross	**13 %**	15 %
Harvard Pilgrim	**13 %**	10 %
Other	**29 %**	25 %
	100 %	100 %

10. Lease Commitments

The Organization leases office space and certain other office equipment under noncancelable operating leases. Future minimum lease payments under these leases are:

2017	$ 79,046
2018	74,928
2019	40,776
Total	$ 194,750

Rent expense amounted to $85,182 and $86,024 for the years ended June 30, 2016 and 2015, respectively.

11. Patient Assistance Programs (Unaudited)

The Organization acts as a conduit for pharmaceutical company patient assistance programs. The Organization provides assistance to patients in applying for and distributing prescription drugs under the programs. The value of the prescription drugs distributed by the Organization to patients is not reflected in the accompanying financial statements. The Organization estimates that the value of prescription drugs distributed by the Organization for the years ended June 30, 2016 and 2015 was $2,527,456 and $2,750,999, respectively.

PROFESSIONAL HISTORY

2/2015 – Present Coos County Family Health Services, 54 Willow Street, Berlin, NH 03570 (603) 752-3669 ext. 4018 kgordon@ccfhs.org

CHIEF EXECUTIVE OFFICER (2015 – Present)

- Responsible for the successful administration and overall direction of a $10.2M Community Health Center, including 6 sites and 10 programs. Major administrative responsibilities include: oversight of budget preparation and fiscal management, development and implementation of long and short-term planning, personnel management, grantsmanship and public relations. Includes extensive contact with the public and government officials as well as ongoing communications with 14 member volunteer Board of Directors, 120 paid staff and numerous volunteers.

ADMINISTRATOR: North Country Health Consortium, Littleton, New Hampshire (8/13 – 2/15)

- Provided administrative leadership of the North Country Accountable Care Organization, a non-profit entity comprised of four community health centers working in collaboration to improve the health and well-being of North Country residents.

EXECUTIVE DIRECTOR: Area Agency on Aging for Northeastern Vermont, St. Johnsbury, Vermont (9/02 – 7/13)

- Provided administrative leadership to a private, non-profit human service agency serving older adults and family caregivers.
- Financial management of the organization's budget.
- Supervision of clinical and administrative staff.

SOCIAL SERVICES COORDINATOR: Caledonia Home Health Care and Hospice, St Johnsbury, Vermont (8/97 - 8/02)

- Provided medical social work to individuals and families receiving home care and hospice services.
- Supervised and coordinated the work of four master's level staff members.
- Provided consultation to medical staff regarding psycho-social issues.
- Participated in discharge planning with other social service and health agencies.

CHILD PROTECTIVE SERVICE WORKER: Vermont Department of Social & Rehabilitation Services, St. Johnsbury, Vermont (5/96 - 8/97)

- Coordinated multidisciplinary treatment teams providing services to families.
- Psychosocial assessment & case planning.
- Care Management (Medicaid reimbursable).
- Individual and family counseling.
- Placement and supervision of children in foster care.
- Preparation of court reports.

ADOPTION SOCIAL WORKER: Vermont Department of Social & Rehabilitation Services, St. Johnsbury & Newport, Vermont (4/90 -9/94)

- Recruitment, training and assessment of adoptive applicants.
- Placement and supervision of abused and neglected children with adoptive families.
- Counseling with birth parents considering the voluntary relinquishment of a child.
- Consultation with casework staff regarding adoption issues.
- Preparation of adoption homes studies and probate court reports.

FOSTER CARE COORDINATOR: Vermont Department of Social & Rehabilitation Services, St. Johnsbury, Vermont (12/86 - 4/90)

- Managed a foster care program serving approximately fifty children.
- Fiscal administration, program planning and evaluation.
- Curriculum development and in-service training.

ASSISTANT DIRECTOR: Upward Bound Project, Lyndon State College (9/85 - 12/86)

- Co-directed a college preparatory program for disadvantaged youth.
- Formulated program goals and evaluated outcomes.
- Co-authored a successful federal grant proposal totaling more than $400.00.
- Training, supervision and evaluation of staff.
- Academic and career counseling.

EDUCATION

MASTERS OF SOCIAL WORK (M.S.W.) May 1996. University of Vermont

- 1st year field internship: Reach Up Program, Vermont Department of Social Welfare
- 2nd year clinical internship: Fletcher Allen Health Care, Inpatient Psychiatric Unit

BACHELOR OF SCIENCE (B.S.) Behavioral Science and Special Education. May, 1984. Lyndon State College, Lyndonville, Vermont

State of New Hampshire
Department of Health and Human Services
Amendment #3 to the Primary Care Services Contract

This 3rd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #3") dated this, 12th day of October, 2016 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Coos County Family Health Services, Inc. (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 54 Willow Street, Berlin NH 03570.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #130), and amended on May 8, 2014 (Item #34A), and on June 24, 2015 (Item #58) the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to Exhibit B Amendment #2, paragraph 10, notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2, and within the Price Limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council, and

WHEREAS, the State and the Department agree to adjust budget amounts between State Fiscal Years 2016 and 2017, within the Price Limitation and within the Completion Date.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

1. Except as specifically amended and modified by the terms and conditions in this Amendment #3, the obligations of the parties shall remain in full force and effect in accordance with the terms and conditions set forth in the Contract as referenced above.

2. Delete in its entirety Exhibit B-3 Amendment #2, and replace with Exhibit B-3 Amendment #3.

3. Delete in its entirety Exhibit B-6 Amendment #2, and replace with Exhibit B-6 Amendment #3.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to enter into **sole source** amendments with the vendors listed in the table below for the provision of primary care services, breast and cervical cancer screening services and screening, brief intervention and referral to treatment for alcohol and drug misuse by increasing the total price limitation by $8,986,056 from $10,143,156 to $19,129,212 and extending the completion date from June 30, 2015 to June 30, 2017 upon Governor and Executive Council approval. 75.2% General Funds / 24.8% Federal Funds

The original contract, approved in 2012, included a two (2) year renewal option. The Department exercised a one (1) year renewal in 2014. The Department is now seeking to extend the contracts for two (2) two additional years through these sole source amendments. The Governor and Executive Council approved the original contracts and subsequent amendments as follows:

Vendor & Vendor Number	Location	G&C Approval	Amended	Current Budget	Increase/ (Decrease)	Modified Budget Amount
Ammonoosuc Community Health Services, Inc. (177755-R001)	North Grafton/ South Coos	6/20/12 (Item #128)	5/8/14 (Item #34A)	$667,687	$540,879	$1,208,566

Please see attachment for fiscal details.

EXPLANATION

These amendments are **sole source** because the Department is renewing the contracts for two (2) additional years after exercising a one (1) year renewal option in 2014 as allowable in Exhibit C, Special Provisions, paragraph 17 of the contracts, and adding to the scope of services for community health centers that provide primary care services, statewide.

This package includes sixteen (16) of sixteen (16) contracts being amended.

Community health centers provide primary health care services that include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. These vendors deliver primary and preventive health care services to underserved people who face barriers to accessing health care due to issues such as a lack of insurance, inability to pay, language barriers and geographic isolation.

In addition to medical care, community health centers are unique among primary care providers for the array of enabling patient-centered services such as care coordination, translation services, transportation, outreach, eligibility assistance, and health education. These services assist individuals to overcome barriers to obtaining the care they need to achieve their optimal health.

Breast and cervical cancer screening services are provided as part of the preventative health care services in the community health care centers. Breast and cervical cancer screening services include clinical examinations, pap smears and referral for mammography. Through these services, individuals with abnormal test results receive additional coverage or

diagnostic work-ups and, if necessary, coordination of care from initial diagnosis through obtaining necessary treatment.

The vendors, through these amendments, will add infrastructure to provide screening, brief intervention and referral to treatment services for early identification of problematic drug and alcohol use of individuals receiving primary care services. Developing the infrastructure to provide these additional services will enable community health centers to refer those individuals who need specialized treatment to other community service agencies, which will result in optimal coordination and continuity of care.

Vendors will use funding to train staff, hire new medical assistants and/or qualified behavioral health staff necessary to institute and/or review screening, brief intervention and referral to treatment services. Staff training will include the integration of primary care and behavioral health teams to ensure program activities are conducted with fidelity to the Screening, Brief Intervention and Referral to Treatment model adopted by the United States Department of Health and Human Services, Substance Abuse and Mental Health Services Administration. Vendors will also purchase supplies and equipment that will be used specifically for integrating these services into everyday practices. Additionally, the vendors will utilize funding to support activities that will assist with building, modifying and/or enhancing technology based care approaches and electronic health record systems in order to include, extend, track and record these additional mental health services.

A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. This request includes three (3) vendors who provide primary care and universal screening services to homeless individuals, who otherwise would have no access to health care. These agreements provide funds to community health centers for services as a last resort. Vendors are required to make every effort to bill all other payers including but not limited to private and commercial insurances, Medicare, and Medicaid prior to billing the Department through these contracts.

Should Governor and Executive Council not authorize this request, low-income individuals statewide may not have adequate access to primary care services. Some women may not receive recommended breast and cervical cancer screenings, which would increase their risk of having an untreatable stage of cancer. Additionally, undetected alcohol and drug misuse could result in increases of alcohol and drug related accidents and deaths, which would negatively impact NH citizens.

Area Served: Statewide.

Source of Funds: 75.2% General Funds

Department of Health and Human Services
Amendment #2 to the Primary Care Services Contract

This 2nd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #2") dated this, 30th day of April, 2015 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Coos County Family Health Services, Inc. (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 54 Willow Street, Berlin NH 03570.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #130) and amended by an agreement (Amendment #1 to the Contract) approved on May 8, 2014 (Item #34A), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 of the Agreement, and Exhibit C, Special Provisions, Paragraph 17, the State may amend the contract terms and conditions and renew the contract for two (2) additional years by written agreement of the parties and approval of the Governor and Executive Council; and

WHEREAS, the parties agree to extend the contract for two additional years, add services to Exhibit A, Scope of Services and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:
   June 30, 2017
2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:
   $798,371
3. Form P-37, General Provisions, Item 1.9, Contracting Officer for State Agency, to read:
   Eric D. Borrin
4. Form P-37, General Provisions, Item 1.10, State Agency Telephone Number, to read
   (603) 271-9558
5. Delete Exhibit A, Scope of Services and Exhibit A-1 Amendment 1, Scope of Services and replace with Exhibit A – Amendment #2.
6. Delete Exhibit A-1 Amendment #1 - Performance Measures and replace with Exhibit A-1 Amendment #2 – Performance Measures.

7. Delete Exhibit B, Purchase of Services Contract Price and replace with Exhibit B – Amendment #2, Method and Conditions Precedent to Payment.
8. Add Exhibit B-1, Budget Form Primary Care through Exhibit B-6, Budget Form SBIRT.
9. Standard Exhibit D, Certification Regarding Drug-Free Workplace Requirements, Period Covered by this Certification, to read:

   From 7/1/2012 to 6/30/2017

10. Standard Exhibit E, Certification Regarding Lobbying, Contract Period, to read:

    July 1, 2012 through June 30, 2017

11. Delete Standard Exhibit G, Certification Regarding the Americans with Disabilities Act Compliance, and replace with Exhibit G, Certification of Compliance with Requirements Pertaining to Federal Nondiscrimination, Equal Treatment of Faith-Based Organizations and Whistleblower Protections.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Title:

Scope of Services

1. **Provisions Applicable to All Services**

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. Office-based and enabling **Primary Care** services shall be provided individuals and families who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income, which is defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. **Breast and Cervical Cancer Screening** Services shall be provided to women ages twenty-one(21) through sixty-four (64) who are:

1.5.1. Uninsured.

1.5.2. Underinsured.

1.5.3. Low-income, which is defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.6. **Screening, Brief Intervention and Referrals to Treatment** (SBIRT) Services shall be provided to all individuals who seek services described in Section 1.4 and Section 1.5, above.

1.7. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.7.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

Contractor's Initials KG

Date 5/15/15

1.7.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.7.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care or Breast and Cervical Cancer Screening Services for new patients is limited or closed for more than a one month period.

2.2. The Contractor shall maintain documentation for each individual receiving services described in this contract that includes, but is not limited to:

2.2.1. Family income.

2.2.2. Family size.

2.2.3. Income in relation to the Federal Poverty Guidelines.

2.3. The Contractor shall assist individuals with completing a Medicaid application when income calculations indicate possible Medicaid eligibility.

2.4. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.5. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.5.1. Update the sliding fee scale on an annual basis when new Federal Poverty Guidelines are released.

2.5.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services.

3.1.2. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.1.3. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.1.4. Assessment of need for:

3.1.4.1. Tobacco cessation, including referral to NH Quitworks, as appropriate.

3.1.4.2. Social services.

3.1.4.3. Nutrition services, including WIC, as appropriate.

3.1.4.4. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which shall include, but not be limited to:

3.2.1. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.2.2. Care facilitated by registries, information technology, health information exchange and other means to assure that patients get the necessary care when and where they need and want it in a culturally and linguistically appropriate manner.

3.2.3. An integrated model of primary care that may include, but is not limited to:

3.2.3.1. Behavioral health.

3.2.3.2. Oral health.

3.2.3.3. Use of navigators and case management.

3.2.3.4. Co-location of services and system-level integration of care and fiscal accountability.

3.3. The Contractor can choose to provide enabling services, if the budget allows, which are non-clinical services that support the delivery of basic primary care and services, and facilitate access to comprehensive patient care as well as social services. The Contractor can facilitate enabling services that include, but are not limited to:

3.3.1. Case management.

3.3.2. Benefit counseling.

3.3.3. Eligibility assistance.

3.3.4. Health education and supportive counseling.

3.3.5. Interpretation.

3.3.6. Outreach.

3.3.7. Transportation.

3.3.8. Education of patients and the community regarding the availability and appropriate use of health services.

3.4. The Contractor must elect to do at least one (1) quality improvement project which consists of systematic and continuous actions that lead to measurable improvement in health care services and the health status of targeted patient groups. The Contractor shall facilitate a minimum of one (1) quality improvement project that includes, but is not limited to:

3.4.1. Enhancing clinical workflow/improve patient outcomes by methods that may include, but are not limited to:

3.4.1.1. Alerts.

3.4.1.2. Guidelines.

3.4.1.3. Diagnostic support.

3.4.1.4. Patient registries.

3.4.1.5. Collaborative learning sessions, etc.)

3.4.2. Implementing projects that lead to measurable improvements on any of the performance measures and indicators identified in Exhibit A-1 Amendment #2

3.4.3. Utilizing defined improvement processes to coordinate quality improvement activities.

3.4.4. Identifying and defining specific goals and objectives to be achieved in the project period.

4. Breast and Cervical Cancer Screening Services

4.1. The Contract shall develop work plans based on performance measures in Exhibit A-1 that include activities related to:

4.1.1. The provision of breast and cervical cancer screening.

4.1.2. The promotion of breast and cervical cancer screening.

4.2. The Contractor shall implement evidence-based interventions outlined in the Centers for Disease Control and Prevention Guide to Community Preventative Services (http://www.thecommunityguide.org/index/html) to support the provision and promotion of breast and cervical cancer screening rates, including but not limited to provider reminder systems and patient reminders.

4.3. The Contractor shall provide breast and cervical cancer screening for the early detection of breast and cervical cancer in accordance with the policies and procedures outlined in the BCCP Policy and Procedure Manual, following nationally accepted screening recommendations. Screenings shall include but not be limited to:

4.3.1. Clinical pelvic examinations.

4.3.2. Clinical breast examinations.

4.3.3. Mammograms.

4.3.4. Pap and HPV tests, if appropriate.

4.3.5. Referrals for diagnostic and treatment services, as necessary.

4.4. The Contractor shall provide services to the number of individuals as follows:

4.4.1. 75% of all mammograms shall be provided to women ages fifty (50) to sixty-four (64) at all screening sites.

4.4.2. A maximum of 25% of all mammograms shall be provided to women under the age of fifty (50) at all screening sites.

4.4.3. 20% of newly enrolled women for Pap tests shall be provided at all screening sites to women who have not had a Pap test in over five (5) years.

4.5. The Contractor shall ensure all referrals are made in accordance with the minimum standards outlined in the BCCP Policy and Procedure Manual to facilities that provide approved and certified laboratory, pathology, radiology and surgical services. The Contractor shall ensure:

4.5.1. Mammography units are accredited by the American College of Radiology and FDA certified under MQSA.

4.5.2. Laboratories are CLIA certified.

4.6. The Contractor shall ensure all services and case management activities are completed in accordance with the BCCP Policy and Procedure Manual, including but not limited to follow-up and tracking of all client tests results and referrals.

4.7. The Contractor shall provide screening promotion for all eligible individuals, which includes, but is not limited to:

4.7.1. Patient navigation services that assist individuals to overcome health systems barriers and facilitate timely access to:

4.7.1.1. Quality breast and cervical cancer screening.

4.7.1.2. Breast and cervical cancer diagnostics.

4.7.1.3. Initiation of breast and cervical cancer treatment, when applicable.

4.7.1.4. Assurance that patient navigation services are terminated when the patient:

4.7.1.4.1. Completes screening and has normal results.

4.7.1.4.2. Completes diagnostic testing and has normal results.

4.7.1.4.3. Initiates breast and/or cervical cancer treatment or refuses treatment.

4.7.2. Patient navigation services shall include, but not be limited to:

4.7.2.1. A written assessment of individual client barriers.

4.7.2.2. Client education and support.

4.7.2.3. Assistance with resolving client barriers, including but not limited to transportation and translation services, as appropriate.

4.7.2.4. Tracking and follow-up to monitor client progress in completing screening, diagnostic testing, and initiation of treatment, as needed.

4.7.2.5. A minimum of two contacts with the client, either in person or by telephone.

4.7.2.6. Collecting data to evaluate the primary outcomes of patient navigation, which shall include adherence to screening, diagnostic testing and cancer treatment initiation.

4.7.2.7. Tracking of patients lost to follow-up, as appropriate.

5. Screening, Brief Intervention, and Referral to Treatment (SBIRT) Services

5.1. The Contractor shall develop the infrastructure necessary to provide and record Screening, Brief Intervention, and Referral to Treatment (SBIRT) services related to substance use for all eligible individuals ages nineteen (19) to sixty-five (65) years and for all pregnant women, regardless of age, receiving services in Section 3 and/or Section 4. The Contractor shall:

5.1.1. Provide training to integrated primary care and behavioral health teams to ensure SBIRT activities are conducted with fidelity to the model in Section 5.1.

5.1.2. Modify and/or adapt current Electronic Health Records (EHR) systems in order to track SBIRT:

5.1.2.1. Activities

5.1.2.2. Completions.

5.1.2.3. Recommendations and referrals.

5.1.2.4. Follow-ups.

5.1.3. Utilize Substance Use Disorder (SUD) codes in the EHR for billing that shall:

5.1.3.1. Enable submission for payment through NH Managed Care/Medicaid and other insurance companies.

5.1.3.2. Allow the generation of reports.

5.2. The Contractor shall implement SBIRT services by ensuring sufficient qualified staff are available to conduct SBIRT services according to the SBIRT model described by the Centers for Disease Control (CDC), available on-line at http/www.dcd.gov/ncddd/fasd/documents/alcholsbiimplementationguide.pdf. The Contractor shall:

5.2.1. Implement SBIRT services by including SBIRT activities in daily operations.

5.2.2. Use one or more of the screening instruments listed in Appendix E of "Systems-Level Implementation of Screening, Brief Intervention and Referral to Treatment. TAP 33" (2013 edition) (http://www.integration.samhsa.gov/sbirt/TAP33.pdf) and document screening in the electronic health record (EHR).

5.2.3. Conduct brief interventions with patients who screen positive for potential substance use concerns and document activities in the EHR.

5.2.4. Refer patients to Substance Use Disorder (SUD) treatment services as necessary, and ensure each patient has connected with the specific service

provider by documenting in the EHR, which is audited to ensure appropriate follow up.

5.2.5. Conduct SBIRT with covered populations that include all adults on an annual basis and pregnant women on a trimester basis.

5.3. Coordinate care between community health center (CHC) services and external treatment providers by collaborating with entities that provide SUD treatment services not available at the CHC. The Contractor shall:

5.3.1. Obtain client consents to contact service providers in order to resolve any barriers to accessing services.

5.3.2. Refer patients for SUD services, as needed.

5.3.3. Follow up with patient and/or SUD service provider to ensure appropriate services are provided.

5.3.4. Work with Regional Public Health Networks (RPHNs) to identify new SUD referral resources as they become available.

5.4. The Contractor shall test SBIRT fidelity with a subset of the target population prior to full implementation for all adults ages nineteen (19) to sixty-five (65) annually and pregnant women at each trimester.

6. Staffing

6.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH licenses whether directly employed, contracted or subcontracted.

6.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

6.3. The Contractor shall ensure staff delivering SBIRT services have, at minimum, one of the following:

6.3.1. Masters prepared behavioral health practitioners. This includes individuals licensed under the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board.

6.3.2. Masters prepared and in the process of obtaining a license from the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board, while under the supervision of a licensed practitioner of the same profession.

6.3.3. Physicians or Advanced Practice Registered Nurses licensed to practice in NH.

6.3.4. Physician Assistants or other practitioners under the supervision of a Physician licensed to practice in NH.

6.4. The Contractor may deliver breast and cervical cancer screening navigation services through a combination of staff, which may include the provision of outreach and education by lay persons with clinical case management services provided by either:

6.4.1. A registered nurse who:

6.4.1.1. Is licensed with the NH Board of nursing; or

6.4.1.2. Has attained bachelor's degree from a recognized college or university.

6.4.2. A nurse who is working under the direct supervision of a registered nurse, as described in Section 6.4.1.

6.5. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services In writing and include a copy of the individual's resume, within one month of hired.

6.6. The Contractor shall notify the MCHS, in writing, when:

6.6.1. Any critical position is vacant for more than one month.

6.6.2. There is not adequate staffing to perform all required services for more than one month.

7. Coordination of Services

7.1. The Contractor shall coordinate referrals for continued care of treatment, or breast or cervical healthcare, with other service providers within the community, where possible.

7.2. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

7.2.1. Community needs assessments.

7.2.2. Public health performance assessments.

7.2.3. The development of regional health improvement plans.

7.3. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

8. Required Meetings & Trainings

8.1. The Contractor shall attend meetings and trainings facilitated by the MCHS and BCCP programs that include, but are not limited to:

8.1.1. MCHS Agency Directors' meetings.

8.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year.

Contractor's Initials: KG

Date 5/15/15

8.1.3. MCHS Agency Medical Services Directors' meetings.

8.1.4. BCCP Site Coordinators' annual meetings.

9. Workplans, Outcome Reports & Additional Reporting Requirements

9.1. The Contractor shall provide an annual BCCP Performance Workplan and Workplan Outcomes Report according to the schedule and instructions provided by the BCCP, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule.

9.2. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a corrective action plan per directions from MCHS.

9.3. The Contractor shall submit an annual Workplan and Workplan Outcome Report for the quality improvement project(s) that demonstrates improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.4. If utilizing any portion of this contract for enabling services, the Contractor shall submit an annual Workplan and Workplan Outcome Report that includes at least one (1) performance measure for each type of enabling service provided. This shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.5. The Contractor shall complete the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st.

9.6. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

9.7. The Contractor shall submit monthly Outcome Reports for SBIRT services according to the schedule and instructions provided by the MCHS. The Contractor shall:

9.7.1. Collect information that includes, but is not limited to:

9.7.1.1. Description of the training provided, including but not limited to:

9.7.1.1.1. The content of the training provided.

9.7.1.1.2. The number of staff who received training.

9.7.1.2. The number of:

9.7.1.2.1. Qualified staff conducting SBIRT

Contractor's Initials KG

Date 5/15/15

9.7.1.2.2. SBIRT billing codes developed.

9.7.1.2.3. SBIRT services billed to insurance.

9.7.1.3. Updates on any changes, enhancements or adaptations to SBIRT procedures in:

9.7.1.3.1. Technology based systems.

9.7.1.3.2. Staffing.

9.7.1.3.3. Coding and billing.

9.7.1.4. The total number of clients receiving SBIRT delineated by:

9.7.1.4.1. Percentage of clients receiving only screening.

9.7.1.4.2. Percentage of clients receiving brief interventions.

9.7.1.4.3. Percentage of clients referred for more intensive services who initiated services.

9.7.1.4.4. Percentage of clients referred for more intensive services who had problems connecting to services.

9.8. The Contractor shall submit an annual report on April 30th in each year a contract amendment or renewal is not required that includes, but is not limited to:

9.8.1. DPHS Budget Form.

9.8.2. Budget Justification.

9.8.3. Sources of Revenue.

9.8.4. Program Staff List, which includes staff titles

9.9. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9.10. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

9.10.1. Survey template.

9.10.2. Method by which the results were obtained.

10. On-Site Reviews

10.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

10.1.1. Systems of governance.

10.1.2. Administration.

10.1.3. Data collection and submission.

10.1.4. Clinical and financial management.

10.1.5. Delivery of education services.

10.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

10.2.1. Client records.

10.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

10.2.3. SBIRT documentation, which includes but is not limited to:

10.2.3.1. SBIRT policies and procedures.

10.2.3.2. Staff credentials for all staff delivering SBIRT services

10.2.3.3. SBIRT procedures utilized and documented in patient records.

10.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Exhibit A-1 – Amendment #2

1. PRIMARY CARE PERFORMANCE MEASURES

1.1. Breastfeeding

1.1.1. **Percent of infants who are ever breastfed** (Title V PM #10).

1.1.1.1. Numerator: Infants who were ever breastfed or received breast milk

1.1.1.2. Denominator: All infants born in a state fiscal year

1.2. Preventive Health: Lead Screening

1.2.1. **Percent of children 2 years of age who had one or more capillary or venous lead blood test for lead poisoning by their second birthday.** (CMS, Hedis).

1.2.1.1. Numerator: At least one capillary or venous blood test on or before the child's second birthday.

1.2.1.2. Denominator: Children who turn 2 years old during the state fiscal year.

1.3. Preventive Health: Adolescent Well-Care Visit

1.3.1. **Percent of adolescents, 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year** (Hedis, Title V PM #7).

1.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

1.3.1.2. Denominator: Number of adolescents, ages 12 through 21 years of age.

1.4. Preventive Health: Depression Screening

1.4.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (ACO 18, NQF 0418).

1.4.1.1. Numerator: Patients who are screened for clinical depression using an age-appropriate standardized depression screening tool AND if positive, a follow-up plan documented.

1.4.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.1.3. Denominator: All patients 12 years and older.

1.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

Contractor Initials: [illegible]
Date: 5/15/15

1.4.2. **Maternal Depression Screening** (Developmental: not required for FY 16)

1.4.2.1. **Percentage of women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen.**

1.4.2.1.1. Numerator: Women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool and screen negative.

AND

Women who are screened for depression during the post-partum visit using an appropriate standardized depression screening tool, screen positive, AND have a follow-up plan documented.

1.4.2.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.2.1.3. Denominator: All women who are at least 6 weeks post-partum in a state fiscal year.

1.4.2.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

1.5. **Preventive Health: Obesity Screening**

1.5.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (ACO 16, NQF 0421, HRSA UDS).

1.5.1.1. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

1.5.1.2. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters.

1.5.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist,

occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

1.5.1.4. Denominator: All patients aged 18 years and older who had at least one medical visit during the state fiscal year.

1.5.2. Percent of patients aged 2 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (HRSA UDS).

1.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

1.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

1.6. **Preventive Health: Tobacco Screening**

1.6.1. Percent of patients aged 18 years and older who were screened for tobacco use one or more times within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user (ACO 17, NQF 0028, HRSA UDS).

1.6.1.1. Numerator: Patients who were screened for tobacco use at least once within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.1.2. Definitions:

1.6.1.2.1. Tobacco Use: Includes any type of tobacco

1.6.1.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.1.3. Denominator: All patients aged 18 years and older seen for at least two visits ever

1.6.2. Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user (Title V, PM #15).

1.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.2.2. Definitions:

1.6.2.2.1. Tobacco Use: Includes any type of tobacco

1.6.2.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.2.3. Denominator: All women who delivered a live birth in a state fiscal year

1.7. **At Risk Population: Hypertension**

1.7.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90 mm Hg) during the measurement year** (ACO 28, NQF 0018).

1.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm Hg at the time of their last measurement.

1.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)

1.8. **Patient Safety: Falls Screening**

1.8.1. **Percent of patients aged 65 years and older who were screened for future fall risk at least once within 12 months** (ACO 13, NQF0101).

1.8.1.1. Numerator: Patients who were screened for future fall risk at least once within 12 months.

1.8.1.2. Definition of Fall: a sudden, unintentional change in position causing an individual to land at a lower level, on an object, the floor, or the ground, other than as a consequence of a sudden onset of paralysis, epileptic seizure, or overwhelming external force.

1.8.1.3. Numerator note: Patients are considered at risk for future falls if they have had 2 or more falls in the past year or any fall with injury in the past year.

1.8.1.4. Denominator: All patients aged 65 years and older

1.8.1.5. Excluded from denominator population: (Exclusion only applied if patient was not screened for future fall risk) Documentation of medical reason(s) for not screening for future fall risk (e.g. patient is not ambulatory)

2. BCCP PERFORMANCE MEASURES

2.1. BCCP Performance Measure #1

2.1.1. **Measure:*** 78% of female patients age 24 through 64 years of age screened for cervical cancer per USPSTF guidelines.

2.1.2. **Numerator** – Number of female patients 24 through 29 years of age who have had a documented pap in the past 3 years AND female patients 30-64 who have either had a pap in the past 3 years OR an HPV test and a pap in the past 5 years

2.1.3. **Denominator** – Number of female patients 24 through 64 years of age who have had a visit in the past year and do not have evidence of having had a total hysterectomy.

2.1.4. **Data Source:** Chart audits or query of 100% of the **total** population of patients as described in the denominator.

2.1.5. *Measure based on the UDS measure

2.1.6. **Healthy People 2020 National Target is 93%

2.2. BCCP Performance Measure #2

2.2.1. **Measure:*** 75% of female patients age 52 through 74 years of age screened for breast cancer per USPSTF guidelines.

2.2.2. **Numerator** – Number of female patients 52 through 74 years of age who have had a documented mammogram in the past 24 months.

2.2.3. **Denominator** – Number of female patients 52 through 74 years of age who have had a visit in the past year and do not have evidence of having had a bilateral mastectomy.

2.2.4. **Data Source:** Chart audits or query of 100% of the **total** population of patients as described in the denominator.

2.2.5. *Measure based on the USPSTF Guidelines

2.2.6. ** Healthy People 2020 National Target is 81.1%

3. SBIRT PERFORMANCE MEASURES

3.1. **Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services**

3.1.1. **Numerator**: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention or referral to services.

3.1.2. Definitions

3.1.2.1. Substance Use: Includes any type of alcohol or drug.

3.1.2.2. Brief Intervention: Includes guidance or counseling.

3.1.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

3.1.3. Denominator: Number of patients aged 18 years and older seen for annual visit within 12 months.

3.2. **Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program AND if positive, received a brief intervention or referral to services**

3.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

3.2.2. Definitions:

3.2.2.1. Substance Use: Includes any type of alcohol or drug.

3.2.2.2. Brief Intervention: Includes guidance or counseling.

3.2.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

3.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the state fiscal year.

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov):
   2.1. #93.959, Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA) Block Grants for Prevention and Treatment of Substance Abuse.
   2.2. #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds.
   2.3. #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #2, Scope of Services, in accordance with Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2.
4. The Contractor shall use and apply the amount in the SBIRT line item in Exhibit B-3 and Exhibit B-6 on actual SBIRT services provided.
5. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
6. Payment for said services shall be made as follows:
   6.1. The Contractor will submit an invoice by the tenth (10th) working day of each month, which identifies and requests reimbursement for:
      6.1.1. Authorized expenses incurred in the prior month.
      6.1.2. The units of SBIRT services provided, in accordance with Exhibit A – Amendment #2, Section 5.2.2 through Section 5.2.5 and Section 5.3.1 through Section 5.3.3, which shall be paid on a fee-for-service basis at the following rates:
         6.1.2.1. $29.86 for each unit of service that is 15-30 minutes.
         6.1.2.2. $57.31 for each unit of service that is more than 30 minutes.
   6.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   6.3. The invoice must be submitted by mail or e-mail to:

Financial Manager
Department of Health and Human Services
129 Pleasant Street
Concord, NH 03301

E-mail: dphscontractbilling@dhhs.state.nh.us

Contractor Initials KG
Date: 5/25/15

7. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.
8. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
9. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
10. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2 and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to amend agreements with 13 vendors by increasing the total price limitation by $4,293,569 from $5,173,800 to $9,467,369 to provide primary care services. This amount includes a request to **retroactively** enter into **sole-source** amendments in an amount of $648,347, effective **retroactive** to July, 1, 2013 through June 30, 2014 and to exercise a one-year renewal option with the same 13 vendors in an amount of $3,645,222, extending the completion date from June 30, 2014 to June 30, 2015, effective upon Governor and Council approval. Twelve of these agreements were originally approved by Governor and Council on June 20, 2012, Item numbers 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, and one agreement was originally approved by Governor and Council on July 11, 2012, Item number 31.

Summary of contracted amounts by vendor:

Vendor	Location	SFY 2014 Amount	SFY 2015 Amount	Total Increase
Ammonoosuc Community Health	North Grafton/ South Coos	$42,661	$254,172	$296,833
Concord Hospital, Inc.	Merrimack/ Hillsborough	$64,413	$376,377	$440,790
Coos County Family Health	Eastern Coos	$24,351	$159,685	$184,036
Families First of the Greater Seacoast	Seacoast Area	$41,892	$242,094	$283,986
Goodwin Community Health	Strafford County	$74,293	$420,579	$494,872
Health First Family Care Center	Central/Eastern Belknap	$55,968	$292,214	$348,182
Indian Stream Health Center	Northern Coos & Colebrook	$18,030	$100,409	$118,439
Lamprey Health Care, Inc.	Central Southern/Eastern NH	$119,828	$654,249	$774,077
Manchester Community Health Center	Greater Manchester Area	$71,392	$407,637	$479,029
Mid-State Health Center	Central Northern Belknap	$35,001	$175,511	$210,512
The New London Hospital, Inc.	Sullivan County	$39,566	$225,093	$264,659
Weeks Medical Center	Western Coos	$20,652	$113,557	$134,209
White Mountain Community Health	Northern Carroll	$40,300	$223,645	$263,945
TOTAL		**$648,347**	**$3,645,222**	**$4,293,569**

Funds to support this request are available in the following accounts for SFY 2014 and SFY 2015, with authority to adjust amounts within the price limitation and amend the related terms of the contract without further approval from Governor and Executive Council.

See attachment for financial details

EXPLANATION

Approval is requested **retroactive** to July 1, 2013. The services provided by these contracts are consistent with prior contracts and were included in the operating budget for SFY 2014 and SFY 2015. Contracts were delayed, however, since the exact amount of funding available was only recently determined. The SFY 2014 amendments are **sole source** because they exceed more than 10% of the original contract amount.

This requested action seeks approval of 13 amendments that represents $4,293,569 total anticipated to be spent statewide to continue breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. In the interest of efficiency, the contract amendments are being bundled as they are providing the same services, and because of the size of the resulting Governor and Council submission, the copies provided are abbreviated in the interest of saving resources. The Councilors and the public can view the entire submission package on the Secretary of State's website.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

In addition, breast and cervical cancers continue to be ongoing public health issues for New Hampshire. The Division of Public Health Services, Breast and Cervical Cancer Screening Program

provides support for breast and cervical cancer screening services that include clinical examinations, pap smears and referral for mammography. Through this program, women found to have abnormal screening results, following their testing, receive additional coverage for diagnostic work-up and, if necessary, have their care coordinated through the initiation of treatment.

Should Governor and Executive Council not authorize this Request, low-income individuals statewide may not have adequate access to primary care services, and eligible women may not receive recommended breast and cervical cancer screenings. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. Additionally women that receive recommended breast and cervical cancer screenings are at lower risk of late diagnosis of breast and cervical cancers.

Contracts were awarded to Primary Care agencies through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by teams of three professionals. All reviewers have between three to 20 years' experience managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were averaged and all proposals were recommended for funding. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, these competitively procured Agreements have the option to renew for two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council. The Department is exercising one year of this renewal option.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. All Primary Care vendors are making adequate progress in meeting clinical performance measures and the Departments wishes to continue working with the vendors for another year.

The performance measures as described in the contract amendment Exhibit A – Amendment 1 – Performance Measures, will be used to continue to measure the effectiveness of the agreement.

Area to be served is statewide.

Source of Funds: 13.09% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau; Centers for Disease Control and Prevention and 86.91% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Department of Health and Human Services
Amendment #1 to the
Coos County Family Health Services, Inc.

This 1st Amendment to the Coos County Family Health Services, Inc., contract (hereinafter referred to as "Amendment One") dated this 6th day of March, 2014, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Coos County Family Health Services, Inc., (hereinafter referred to as "the Contractor"), a corporation with a place of business at 54 Willow Street, Berlin, New Hampshire 03570.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18, the State may modify the scope of work and the payment schedule of the contract by written agreement of the parties;

WHEREAS, the Department desires to provide additional primary health care services for preventive and episodic health care for acute and chronic health conditions for people of all ages.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

- Form P-37, to change:
  Block 1.7 to read: June 30, 2015
  Block 1.8 to read: $427,142

- Exhibit A, Scope of Services to add:
  Exhibit A – Amendment 1

- Exhibit B, Purchase of Services, Contract Price, to add:

  Paragraph 1.1 to Paragraph 1:
  The contract price shall increase by $24,351 for SFY 2014 and $159,685 for SFY 2015.

  Paragraph 1.2 to Paragraph 1:
  Funding is available as follows:
- $24,351 from 05-95-90-902010-5190-102-500731, 100% General Funds;
- $122,103 from 05-95-90-902010-5190-102-500731, 6.7% Federal Funds from the US Department of Health and Human Services Administration, Maternal and Child Health Bureau, CFDA #93.994 and 93.3% General Funds;

Contractor Initials
Date 3/6/14

- $27,582 from 05-95-90-902010-5659-102-500731, 100% Federal Funds from the US Department of Health and Human Services, Centers for Disease Control and Prevention, CFDA #93.283;

- $10,000 from 05-95-90-901010-7965-102-500731, 100% General Funds.

  Add Paragraph 8
  8. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjustments to amounts between and among account numbers, within the price limitation, may be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

- Budget, to add:
  Exhibit B-1 (2014) - Amendment 1,
  Exhibit B-1 (2015) - Amendment 1

This amendment shall be in effect July 1, 2013, effective upon the date of Governor and Executive Council approval.

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, Bureau of Population Health and Community Services, Maternal and Child Health Section, to enter into an agreement with Coos County Family Health Services, Inc. (Vendor #155327-B001), 54 Willow Street, Berlin, New Hampshire 03570, in an amount not to exceed $243,106.00, to provide primary care services and breast and cervical cancer screening, to be effective July 1, 2012 or date of Governor and Executive Council approval, whichever is later, through June 30, 2014. Funds are available in the following accounts for SFY 2013, and are anticipated to be available in SFY 2014 upon the availability and continued appropriation of funds in the future operating budgets.

			Sub-Total	$60,068
			Total	$243,106

EXPLANATION

Funds in this agreement will be used to provide breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. This agreement provides funds for services as a last resort; contractor is required to make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. For example, in State Fiscal Year 2011:

- 88% of eligible children served were enrolled in Medicaid/Healthy Kids Gold.
- 86% of children 24-35 months, served received the appropriate schedule of immunizations.
- 82% of infants born to women served received prenatal care beginning in the first trimester of pregnancy.

In addition, breast and cervical cancers continue to be ongoing public health issues for New Hampshire. The Division of Public Health Services, Breast and Cervical Cancer Screening Program provides support for breast and cervical cancer screening services that include clinical examinations, pap smears and referral for mammography. Through this program, women found to have abnormal screening results, following their testing,

receive additional coverage for diagnostic work-up and, if necessary, have their care coordinated through the initiation of treatment.

Should Governor and Executive Council not authorize this Request, a minimum of 8,350 low-income individuals from the Coos area may not have access to primary care services, and eligible women may not receive recommended breast and cervical cancer screenings. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. Additionally women that receive recommended breast and cervical cancer screenings are at lower risk of late diagnosis of breast and cervical cancers.

Coos County Family Health Services, Inc. was selected for this project through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by three professionals, who work internal and external to the Department of Health and Human Services. All reviewers have between three to twenty years experience either in clinical settings, providing community-based family support services, and managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were averaged and all proposals were recommended for funding. In those instances where scores were less than ideal, agency specific remedial actions were recommended and completed. Some primary care agencies are being funded at levels higher than they requested. Agencies were instructed to develop budgets based on previous allocations. While some proposed budgets higher than what was available for funding, others proposed budgets lower than what was available. There was an increase in breast and cervical cancer screening that bidders were unaware of when they drafted budgets. Adjustments were made accordingly for those agencies that proposed budgets at levels lower than available funds. This is a contract where that situation occurred. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council. These services were contracted previously with this agency in SFY 2011 and SFY 2012 in the amount of $360,016. This represents a decrease of $116,910. The decrease is due to budget reductions.

The performance measures used to measure the effectiveness of the agreement are attached.

Area served: Berlin, Dummer, Errol, Gorham, Milan, Randolph and Shelburne.

Source of Funds: 39.72% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau and 60.28% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Prenatal (PN) Performance Measure #1

Measure: Percent of infants born to women receiving prenatal care beginning in the first trimester of pregnancy.

Primary Care Prenatal (PN) Performance Measure #2

Measure: Percent of pregnant women identified as cigarette smokers that are referred to QuitWorks-New Hampshire.

Primary Care Prenatal (PN) Performance Measure #3

Measure: Percent of pregnant women who were screened, using a formal valid screening tool, for alcohol and other drug use during every trimester the patient was enrolled.

Primary Care Child Health Direct (CH – D) Performance Measure #1

Measure: Percent of eligible children enrolled in Medicaid

Primary Care Child Health Direct (CH – D) Performance Measure #2

Measure: Percent of at-risk children who were screened for blood lead between 18 and 30 months of age

Primary Care Child Health Direct (CH – D) Performance Measure #3

Measure: Percent of children age two to nineteen years receiving primary care preventive health services with a Body Mass Index (BMI) percentile greater than or equal to the 85th percentile with documented discussion of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Primary Care Child Health Direct (CH – D) Performance Measure #4

Measure: Percent of eligible infants and children with client record documentation of enrollment in Women Infant Children Program.

Primary Care Child Health Direct (CH – D) Performance Measure #5

Measure: Percent of infants who were exclusively breastfed for the first three months, at their four month well baby visit.

Primary Care Financial (PC) Performance Measure #1

Measure: Patient Payor Mix

Primary Care Financial (PC) Performance Measure #2

Measure: Accounts Receivables (AR) Days

Primary Care Financial (PC) Performance Measure #3

Measure: Current Ratio

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Clinical Adolescent (PC-C) Performance Measure #1

Measure: Percent of adolescents aged 10-21 years who received annual health maintenance visits in the past 12 months.

Primary Care Clinical Prenatal (PC-C) Performance Measure #2

Measure: Percent of women and adolescent girls aged 15-44 who take a multi-vitamin with folic acid.

Subject: Primary Care Services

SPECIAL PROVISIONS

1. **Contractors Obligations:** The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

2. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

3. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

4. **Documentation:** In addition to the determination forms, required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

5. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

6. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

7. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

8. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractor's costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party fundors for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party fundors, the Department may elect to:

    8.1 Renegotiate the rates for payment hereunder, in which event new rates shall be established;

Contractor Initials MW
Date 3/26/17

8.2 Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

8.3 Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

9. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:

9.1 **Fiscal Records:** Books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

9.2 **Statistical Records:** Statistical, enrollment, attendance, or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

9.3 **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

10. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.

10.1 **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.

10.2 **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

11. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directed connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Contractor Initials: [signature]
Date: 3/26/12

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

12. **Reports: Fiscal and Statistical:** The Contractor agrees to submit the following reports at the following times if requested by the Department

    12.1 Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.

    12.2 Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

13. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

14. **Credits:** All documents, notices, press releases, research reports, and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:

    14.1 The preparation of this (report, document, etc.), was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, Division of Public Health Services, with funds provided in part or in whole by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

15. **Operation of Facilities:** Compliance with Laws and Regulations: In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the Contractor with respect to the operation of the facility or the provision of the services at such facility. If any government license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

Date 5/26/12

16. **Insurance:** Select either (1) or (2) below:

As referenced in the Request for Proposal, Comprehensive General Liability Insurance Acknowledgement Form, the Insurance requirement checked under this section is applicable to this contract:

Insurance Requirement for (1) - 501(c) (3) contractors whose annual gross amount of contract work with the State does not exceed $500,000, per RSA 21-I:13, XIV, (Supp. 2006): The general liability insurance requirements of standard state contracts for contractors that qualify for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the state does not exceed $500,000, is comprehensive general liability insurance in amounts of not less than $1,000,000 per claim or occurrence and $2,000,000 in the aggregate. *These amounts may NOT be modified*

☐ (1) The contractor certifies that it IS a 501(c) (3) contractor whose annual total amount of contract work with the State of New Hampshire does not exceed $500,000.

Insurance Requirement for (2) - All other contractors who do not qualify for RSA 21-I:13, XIV, (Supp. 2006), Agreement P-37 General Provisions, 14.1 and 14.1.1. Insurance and Bond, shall apply: The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, both for the benefits of the State, the following insurance: comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per incident or occurrence. *These amounts MAY be modified if the State of NH determines contract activities are a risk of lower liability.*

X (2) The contractor certifies it does NOT qualify for insurance requirements under RSA 21-I:13, XIV (Supp. 2006).

17. **Renewal:**

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two (2) additional year(s), contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

18. Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

19. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

State of New Hampshire
Department of Health and Human Services
Amendment #4 to the Primary Care Services Contract

This 4th Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #4") dated this, 1st day of May, 2017 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Families First of the Greater Seacoast (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 100 Campus Drive, Suite 12, Portsmouth, New Hampshire 03570.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #134) as amended by an agreement (Amendment #1 to the Contract) approved on May 8, 2014 (Item #34A), as amended by an agreement (Amendment #2 to the Contract) approved by the Governor and Executive Council on June 24, 2016 (Item #58); as amended by an agreement (Amendment #3 to the Contract) approved by the Department on December 21, 2016; the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 of the Agreement the State may amend the contract terms and conditions by written agreement of the parties and approval of the Governor and Executive Council; and

WHEREAS, the parties agree to extend the contract for nine (9) months, add services to Exhibit A, Scope of Services and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:

   March 31, 2018
2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:

   $1,291,096
3. Add Exhibit A- Amendment #4, Scope of Services.
4. Add Exhibit A-1 – Amendment #4, Performance Measures
5. Add Exhibit B – Amendment #4, Method and Conditions Precedent to Payment.
6. Add Exhibit B-1 – Amendment #4 MCHS Budget.
7. Add Exhibit B-2 – Amendment #4, BCCP Budget.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Title:

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. Office-based and enabling **Primary Care** services shall be provided individuals and families who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income, which is defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. **Breast and Cervical Cancer Screening** Services shall be provided to women ages twenty-one(21) through sixty-four (64) who are:

1.5.1. Uninsured.

1.5.2. Underinsured.

1.5.3. Low-income, which is defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.6. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.6.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.6.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.6.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care or Breast and Cervical Cancer Screening Services for new patients is limited or closed for more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

2.2. The Contractor shall assist individuals with completing a Medicaid/Expanded Medicaid or other health insurance application when income calculations indicate possible eligibility.

2.3. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.4. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.4.1. Update the sliding fee scale on an annual basis when new Federal Poverty Guidelines are released.

2.4.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services.

3.1.2. Perinatal services, including but not limited to access to obstetrical services either on-site or by referral.

3.1.3. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.1.4. Integrated Behavioral Health Services.

3.1.5. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.1.6. Assessment of need and follow-up/referral as indicated for:

3.1.6.1. Tobacco cessation, including referral to QuitWorks-NH, www.QuitWorksNH.org.

3.1.6.2. Social services.

3.1.6.3. Chronic Disease management, including disease specific referral and self-management education, which may include, but is not limited to referral to Diabetes Self-

Management Education (DSME), as recommended by the American Diabetes Association.

3.1.6.4. Nutrition services, including WIC, as appropriate.

3.1.6.5. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.1.6.6. Screening, Brief Intervention and Referral to Treatment (SBIRT) services, including but not limited to contact with the Regional Public Health Network Continuum of Care Development Initiative.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which includes but is not limited to access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.3. The Contractor shall provide enabling services, which are non-clinical services that support the delivery of basic primary care and services, and facilitate access to comprehensive patient care as well as social services. The Contractor shall facilitate enabling services that include, but are not limited to:

3.3.1. Case management, which may include but is not limited to, care facilitated by registries; information technology; health information exchanged; and other services that ensure patients receive necessary care when and where it is needed and wanted 8in a culturally and linguistically appropriate manner.

3.3.2. Benefit counseling.

3.3.3. Eligibility assistance.

3.3.4. Health education and supportive counseling.

3.3.5. Interpretation.

3.3.6. Outreach, which may include but is not limited to the use of community health workers.

3.3.7. Transportation.

3.3.8. Education of patients and the community regarding the availability and appropriate use of health services.

4. Breast and Cervical Cancer Screening Services

4.1. The Contract shall develop work plans based on performance measures in Exhibit A-1 – Amendment #3 that include activities related to:

4.1.1. The provision of breast and cervical cancer screening.

4.1.2. The promotion of breast and cervical cancer screening.

4.2. The Contractor shall implement evidence-based interventions outlined in the Centers for Disease Control and Prevention Guide to Community Preventative Services (http://www.thecommunityguide.org/index/html) to support the provision and promotion of breast and cervical cancer screening rates, including but not limited to provider reminder systems and patient reminders.

4.3. The Contractor shall provide breast and cervical cancer screening for the early detection of breast and cervical cancer in accordance with the policies and procedures outlined in the BCCP Policy and Procedure Manual, following nationally accepted screening recommendations. Screenings shall include but not be limited to:

4.3.1. Clinical pelvic examinations.

4.3.2. Clinical breast examinations.

4.3.3. Mammograms.

4.3.4. Pap and HPV tests, if appropriate.

4.3.5. Referrals for diagnostic and treatment services, as necessary.

4.4. The Contractor shall provide services to the number of individuals as follows:

4.4.1. 75% of all mammograms shall be provided to women ages fifty (50) to sixty-four (64) at all screening sites.

4.4.2. A maximum of 25% of all mammograms shall be provided to women under the age of fifty (50) at all screening sites.

4.4.3. 20% of newly enrolled women for Pap tests shall be provided at all screening sites to women who have not had a Pap test in over five (5) years.

4.5. The Contractor shall ensure all referrals are made in accordance with the minimum standards outlined in the BCCP Policy and Procedure Manual to facilities that provide approved and certified laboratory, pathology, radiology and surgical services. The Contractor shall ensure:

4.5.1. Mammography units are accredited by the American College of Radiology and FDA certified under MQSA.

4.5.2. Laboratories are CLIA certified.

4.6. The Contractor shall ensure all services and case management activities are completed in accordance with the BCCP Policy and Procedure Manual, including but not limited to follow-up and tracking of all client tests results and referrals.

4.7. The Contractor shall provide screening promotion for all eligible individuals, which includes, but is not limited to:

4.7.1. Patient navigation services that assist individuals to overcome health systems barriers and facilitate timely access to:

4.7.1.1. Quality breast and cervical cancer screening.

4.7.1.2. Breast and cervical cancer diagnostics.

4.7.1.3. Initiation of breast and cervical cancer treatment, when applicable.

4.7.1.4. Assurance that patient navigation services are terminated when the patient:

4.7.1.4.1. Completes screening and has normal results.

4.7.1.4.2. Completes diagnostic testing and has normal results.

4.7.1.4.3. Initiates breast and/or cervical cancer treatment or refuses treatment.

4.7.2. Patient navigation services shall include, but not be limited to:

4.7.2.1. A written assessment of individual client barriers.

4.7.2.2. Client education and support.

4.7.2.3. Assistance with resolving client barriers, including but not limited to transportation and translation services, as appropriate.

4.7.2.4. Tracking and follow-up to monitor client progress in completing screening, diagnostic testing, and initiation of treatment, as needed.

4.7.2.5. A minimum of two contacts with the client, either in person or by telephone.

4.7.2.6. Collecting data to evaluate the primary outcomes of patient navigation, which shall include adherence to screening, diagnostic testing and cancer treatment initiation.

4.7.2.7. Tracking of patients lost to follow-up, as appropriate.

5. Quality Improvement

5.1. The Contractor shall conduct a minimum of two (2) quality improvement projects which consist of systematic and continuous actions that lead to measurable improvement in health care services and the health status of targeted patient groups. The Contractor shall ensure:

5.1.1. One (1) quality improvement project focuses on the performance measure as designated by the Department.

5.1.2. One (1) quality improvement project is based on previous performance outcomes needing improvement, as selected by the Contractor.

5.2. The Contractor shall utilize Quality Improvement (QI) science to develop and implement a QI Workplan for each QI project, which shall include but not be limited to:

5.2.1. Specific goals and objectives for the project period.

5.2.2. Evaluation methods to demonstrate improvements in the quality, efficiency, and effectiveness of patient care.

5.3. The Contractor may utilize activities in QI projects that enhance clinical workflow and improve patient outcomes, which may include but are not limited to:

5.3.1. EMR prompts/alerts.

5.3.2. Protocols/Guidelines.

5.3.3. Diagnostic support.

5.3.4. Patient registries.

5.3.5. Collaborative learning sessions.

6. Staffing

6.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH licenses whether directly employed, contracted or subcontracted.

6.2. The Contractor shall employ a medical services director with special training and experience in primary care services who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

6.3. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services in writing and include a copy of the individual's resume, within thirty (30) days of hire.

6.4. The Contractor shall notify the MCHS, in writing, when:

6.4.1. Any critical position is vacant for more than thirty (30) days.

6.4.2. There is not adequate staffing to perform all required services for more than thirty (30) consecutive days or any sixty (60) nonconsecutive days.

6.5. The Contractor may deliver breast and cervical cancer screening navigation services through a combination of staff, which may include the provision of outreach and education by lay persons with clinical case management services provided by either:

6.5.1. A registered nurse who:

6.5.1.1. Is licensed with the NH Board of nursing; or

6.5.1.2. Has attained bachelor's degree from a recognized college or university.

6.5.2. A nurse who is working under the direct supervision of a registered nurse, as described in Section 6.5.1.

7. Coordination of Services

7.1. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

7.1.1. Community needs assessments.

7.1.2. Public health performance assessments.

7.1.3. The development of regional health improvement plans.

7.2. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

8. Required Meetings & Trainings

8.1. The Contractor shall attend meetings and trainings facilitated by the MCHS and BCCP programs that include, but are not limited to:

8.1.1. MCHS Agency Directors' meetings.

8.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year.

8.1.3. MCHS Agency Medical Services Directors' meetings.

8.1.4. BCCP Site Coordinators' annual meetings.

9. Workplans, Outcome Reports & Additional Reporting Requirements

9.1. The Contractor shall provide an annual BCCP Performance Workplan and Workplan Outcomes Report according to the schedule and instructions provided by the BCCP, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule.

Contractor's Initials: [illegible]

Date 5/10/17

9.2. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a corrective action plan per directions from MCHS.

9.3. The Contractor shall submit a Performance Measure Outcome Report, which details the plan for improvement when a performance measure targeted goal is not met.

9.4. The Contractor shall submit an annual Workplan for the two (2) quality improvement projects that demonstrate improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.5. The Contractor shall submit at least one (1) annual Workplan that includes a detailed description of the enabling services funded by this contract. This shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.6. The Contractor shall collect and submit the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st of each contract year.

9.7. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

9.8. The Contractor shall submit an annual report on April 30th in each year a contract amendment or renewal is not required that includes, but is not limited to:

9.8.1. DPHS Budget Form.

9.8.2. Budget Justification.

9.8.3. Sources of Revenue.

9.8.4. Program Staff List, which includes staff titles

9.9. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9.10. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

9.10.1. Survey template.

9.10.2. Method by which the results were obtained.

10. On-Site Reviews

10.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

10.1.1. Systems of governance.

10.1.2. Administration.

10.1.3. Data collection and submission.

10.1.4. Clinical and financial management.

10.1.5. Delivery of education services.

10.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

10.2.1. Client records.

10.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

10.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Exhibit A-1 – Amendment #4

1. MATERNAL AND CHILD HEALTH SECTION (MCHS) PRIMARY CARE PERFORMANCE MEASURES

1.1. Definitions

1.1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

1.1.1.1. The calendar year (January 1st through December 31st); or

1.1.1.2. The state fiscal year (July 1st through June 30th).

1.1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.1.4. **NQF** – National Quality Forum

1.1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.1.6. **UDS** – Uniform Data System

1.1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. Breastfeeding

2.1.1. **Percent of infants who are ever breastfed** (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. Preventive Health: Lead Screening

2.2.1. **Percent of children 3 years of age who had two or more capillary or venous lead blood test for lead poisoning by their third birthday.** (NH MCHS).

2.2.1.1. Numerator: All patient children who received at least one capillary or venous lead screening test between nine (9) months to eighteen (18) months of age **AND** one (1) capillary or venous lead screening test between nineteen (19) to thirty (30) months of age.

2.2.1.2. Denominator: All patient children who turned three (3) years old during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. Preventive Health: Adolescent Well-Care Visit

Contractor Initials: [illegible]
Date: 5/10/17

2.3.1. **Percent of adolescents, 12 through 21 years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year** (HEDIS,).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients 12 years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. **Maternal Depression Screening**

2.4.2.1. **Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (NH MCHS).

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative PLUS women who screened positive AND have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

2.5.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (NQF 0421, UDS).

2.5.1.1. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

2.5.1.2. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.4. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year or prior year AND who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco use one or more times during their most recent visit OR within twenty-four (24) months of the most recent visit and received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. **Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user** (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who delivered a live birth in the measurement year.

2.6.2.4. Definitions:

2.6.2.4.1. Tobacco Use: Includes any type of tobacco

2.6.2.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

2.7. **At Risk Population: Hypertension**

2.7.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90mmHG) during the measurement year** (NQF 0018).

2.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm HG at the time of their last measurement.

2.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension (must have been diagnosed with hypertension 6 or more months before the measurement date) who had at least one (1) medical visit during the measurement year. (Excludes pregnant women and patients with End Stage Renal Disease.)

2.8. **Patient Safety: Falls Screening**

2.8.1. **Percent of patients aged 65 years and older who were screened for fall risk at least once within 12 months** (NH MCHS).

2.8.1.1. Numerator: Patients who were screened for fall risk at least once within the measurement year.

2.8.1.2. Denominator: All patients aged 65 years and older seen by a health care provider within the measurement year.

2.9. **SBIRT**

2.9.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services (NH MCHS).

2.9.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention and/or referral to services.

2.9.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.1.3. Denominator: Number of patients aged 18 years and older seen for annual/preventive visit within the measurement year.

2.9.1.4. Definitions:

2.9.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.9.1.4.2. Brief Intervention: Includes guidance or counseling.

2.9.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.9.2. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program AND if positive, received a brief intervention or referral to services (NH MCHS)**.**

2.9.3. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

2.9.4. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.5. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.9.6. Definitions:

2.9.6.1. Substance Use: Includes any type of alcohol or drug.

2.9.6.2. Brief Intervention: Includes guidance or counseling.

2.9.6.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A – Amendment #4, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov):
   2.1. #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds.
   2.2. #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #4, Scope of Services, in accordance with Exhibit B-1 Amendment #4 through Exhibit B-2 Amendment #4.
4. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
5. Payment for said services shall be made as follows:
   5.1. The Contractor will submit an invoice by the tenth (10^{th}) working day of each month, which identifies and requests reimbursement for authorized expenses incurred in the prior month.
   5.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   5.3. The invoice must be submitted by mail or e-mail to:

   Financial Manager
   Department of Health and Human Services
   129 Pleasant Street
   Concord, NH 03301

   E-mail: dphscontractbilling@dhhs.state.nh.us
6. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.
7. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
8. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
9. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #4 through Exhibit B-2 Amendment #4 and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

Families First

support for families...health care for all

Mission Statement

Families First Health and Support Center contributes to the health and well-being of the Seacoast community by providing a broad range of health and family services to all, regardless of ability to pay.

Vision Statement

We envision a strong community that provides fully for the health and well-being of all its members.

Guiding Principles

Families First will:

- offer a broad array of health and family services to meet evolving community needs;
- meet a standard of excellence in all services;
- ensure that no one is turned away due to inability to pay;
- treat clients respectfully and with concern for dignity;
- integrate services wherever possible;
- partner with other organizations to help realize our vision.

FINANCIAL STATEMENTS

June 30, 2016 and 2015

With Independent Auditor's Report

BerryDunn

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Families First of the Greater Seacoast

We have audited the accompanying financial statements of Families First of the Greater Seacoast, which comprise the balance sheets as of June 30, 2016 and 2015, and the related statements of operations, changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Families First of the Greater Seacoast as of June 30, 2016 and 2015, and the results of its operations, changes in its net assets and its cash flows for the years then ended, in accordance with U.S. generally accepted accounting principles.

Supplemental disclosures of cash flow information		
Cash paid for interest	$ -	$ 6,666

The accompanying notes are an integral part of these financial statements.

1. Summary of Significant Accounting Policies

Organization

Families First of the Greater Seacoast (Organization) is a non-stock, not-for-profit corporation organized in New Hampshire. The Organization is a Federally Qualified Health Center (FQHC) which provides comprehensive medical and family support services, including primary care, dental, well child care, substance abuse counseling, parenting education, and home visitation programs to residents of the Seacoast region (New Hampshire and Maine).

Income Taxes

The Organization is a public charity under Section 501(c)(3) of the Internal Revenue Code. As a public charity, the Organization is exempt from state and federal income taxes on income earned in accordance with its tax-exempt purpose. Unrelated business income is subject to state and federal income tax. Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the financial statements.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits and petty cash funds and exclude amounts whose use is limited by Board designation or donor-imposed restrictions.

Allowance for Uncollectible Accounts

Patient accounts receivable are stated at the amount management expects to collect from outstanding balances. Patient accounts receivable are reduced by an allowance for uncollectible accounts. In evaluating the collectibility of patient accounts receivable, the Organization analyzes its past history and identifies trends for each funding source. Management regularly reviews data about revenue in evaluating the sufficiency of the allowance for uncollectible accounts. Amounts not collected after all reasonable collection efforts have been exhausted are applied against the allowance for uncollectible accounts. The Organization has not changed its methodology for estimating the allowance for uncollectible accounts.

A reconciliation of the allowance for uncollectible accounts at June 30 is as follows:

	2016	2015
Balance, beginning of year	$ 54,489	$ 51,984
Provision	63,508	37,705
Write-offs	(55,842)	(35,200)
Balance, end of year	$ 62,155	$ 54,489

The increase in provision is primarily due to an increase in patient balances over 120 days old.

Grants Receivable

Grants receivable are stated at the amount management expects to collect from outstanding balances. All such amounts are considered collectible.

Investments

The Organization reports investments at fair value, and has elected to report all gains and losses in the excess (deficiency) of revenues over expenses to simplify the presentation of these amounts in the statement of operations. Investments include donor endowment funds and board-designated assets. Accordingly, investments have been classified as non-current assets on the accompanying balance sheet regardless of maturity or liquidity. The Organization has established policies governing long-term investments, which are held within several investment accounts, based on the purposes for those investment accounts and their earnings.

Investment income and the change in fair value are included in the excess of revenue over expenses, unless otherwise stipulated by the donor or State Law.

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. As such, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the balance sheets.

Investment in Limited Liability Company

The Organization is one of eight partners who have each made a capital contribution of $500 to Primary Health Care Partners, LLC (PHCP) during 2015. The Organization's investment in PHCP is reported using the equity method and the investment amounted to $16,204 and $- at June 30, 2016 and 2015, respectively.

Assets Limited As To Use

Assets limited as to use include assets designated by the Board of Directors for future use and donor-restricted contributions to be held in perpetuity.

Property and Equipment

Property and equipment acquisitions are recorded at cost. Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method.

Gifts of long-lived assets, such as land, buildings, or equipment, are reported as unrestricted net assets and excluded from the excess of revenues over expenses unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as temporarily restricted net assets. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets include contributions and grants for which donor-imposed restrictions have not been met. Assets are released from restrictions as expenditures are made in line with restrictions called for under the terms of the donor.

Permanently restricted net assets have been restricted by donors to be maintained by the Organization in perpetuity, the income of which is primarily available for operations.

Patient Service Revenue

Patient service revenue is reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

Charity Care

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, they are not reported as net patient service revenue.

Donated Goods and Services

Various program help and support for the daily operations of the Organization's programs were provided by the general public of the communities served by the Organization. Donated supplies and services are recorded at their estimated fair values on the date of receipt. Donated supplies and services amounted to $294,007 and $147,044 for the years ended June 30, 2016 and 2015, respectively.

Donor-Restricted Gifts

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of operations as "net assets released from restrictions." Donor-restricted contributions whose restrictions are met in the same year as received are reflected as unrestricted contributions in the accompanying financial statements.

Promises to Give

Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Given the short term nature of the pledges, they are not discounted and no reserve for uncollectible pledges has been established. Conditional promises to give are not included as support until the conditions are substantially met.

Functional Expenses

The Organization provides various services to residents within its geographic location. Expenses related to providing these services are as follows:

	2016	2015
Program services	**$ 5,202,419**	$ 4,706,160
Administrative and general	**621,430**	574,957
Fundraising	**156,959**	139,268
Total	**$ 5,980,808**	$ 5,420,385

Excess of Revenue Over Expenses

The statements of operations reflect the excess of revenue over expenses. Changes in unrestricted net assets which are excluded from the excess of revenue over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which, by donor restriction, were to be used for the purposes of acquiring such assets).

Subsequent Events

For purposes of the preparation of these financial statements, management has considered transactions or events occurring through November 9, 2016, the date that the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

2. Investments

Investments, stated at fair value, consisted of the following:

	2016	2015
Long-term investments	$ 156,031	$ 99,769
Assets limited as to use	1,450,076	1,541,850
Total investments	$ 1,606,107	$ 1,641,619

Fair Value of Financial Instruments

Financial Accounting Standards Board Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants and also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The fair value hierarchy within ASC Topic 820 distinguishes three levels of inputs that may be utilized when measuring fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The following table sets forth by level, within the fair value hierarchy, the Organization's investments at fair value:

	Investments at Fair Value as of June 30, 2016			
	Level 1	Level 2	Level 3	Total
Money market funds	$ 6,504	-	-	6,504
Mutual funds	1,599,603	-	-	1,599,603
Total investments	$ 1,606,107	$ -	$ -	$ 1,606,107

	Investments at Fair Value as of June 30, 2015			
	Level 1	Level 2	Level 3	Total
Money market funds	18,248	-	-	18,248
Mutual funds	1,623,371	-	-	1,623,371
Total investments	$ 1,641,619	$ -	$ -	$ 1,641,619

Investment income and gains (losses) for cash equivalents and investments consist of the following:

	2016	2015
Unrestricted net assets		
Investment income	**$ 3,057**	$ 2,452
Change in fair value of investments	**(5,851)**	(3,756)
Restricted net assets		
Investment income	**25,187**	23,575
Change in fair value of investments	**(46,053)**	(26,114)
Total	**$ (23,660)**	$ (3,843)

3. Assets Limited as to Use

Assets limited as to use consist of the following:

	2016	2015
Designated by the governing board		
For future use	**$ 73,142**	$ 212,115
Donor-restricted endowment		
Temporarily restricted earnings	**176,247**	267,234
Permanently restricted principal	**1,200,687**	1,200,687
Total	**$ 1,450,076**	$ 1,680,036

Assets limited as to use consisted of the following:

	2016	2015
Cash and cash equivalents	**$ -**	$ 138,186
Investments	**1,450,076**	1,541,850
Total	**$ 1,450,076**	$ 1,680,036

4. Pledges Receivable

Pledges receivable consisted of the following:

	2016	2015
Scheduled amounts due in:		
Less than one year	$ 197,507	$ 275,467

Pledges receivable have not been discounted as the amount is not material to the financial statements as a whole. The Organization believes all pledges are fully collectible.

5. Property and Equipment

Property and equipment consisted of the following:

	2016	2015
Leasehold improvements	$ 179,031	$ 179,031
Furniture, fixtures, and equipment	1,037,550	799,559
Total cost	1,216,581	978,590
Less accumulated depreciation	(643,115)	(559,807)
Property and equipment, net	$ 573,466	$ 418,783

6. Line of Credit

The Organization has a $250,000 line of credit with a local bank through May 1, 2017. The line of credit is collateralized by accounts receivable. The interest rate at June 30, 2016 was 3.50%. There was no outstanding balance at June 30, 2016 and 2015.

7. Temporarily and Permanently Restricted Net Assets

Temporarily and permanently restricted net assets consisted of the following:

	2016	2015
Temporarily restricted		
Unrestricted pledges receivable	$ 213,711	$ 275,467
Program services	95,565	88,724
Endowment earnings	176,247	267,234
Total temporarily restricted	$ 485,523	$ 631,425
Permanently restricted		
Endowment	$ 1,200,687	$ 1,200,687

8. Endowments

Interpretation of Relevant Law

There were no board-designated endowments. The Organization's endowments primarily consist of an investment portfolio managed by the Investment Sub-Committee. As required by U.S. GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as a donor-restricted endowment (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent donor-restricted endowment gifts and (c) accumulations to the donor-restricted endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund, if any, is classified as temporarily restricted net assets until those amounts are appropriated for expenditure in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

(1) The duration and preservation of the fund;
(2) The purposes of the Organization and the donor-restricted endowment fund;
(3) General economic conditions;
(4) The possible effect of inflation and deflation;
(5) The expected total return from income and the appreciation of investments;
(6) Other resources of the Organization; and
(7) The investment policies of the Organization.

Spending Policy

The Organization has a policy of appropriating for expenditure an amount equal to 5% of the endowment fund's average fair market value over the prior 20 quarters. The earnings on the endowment fund are to be used for operations.

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Organization to retain as a fund of perpetual duration. There were no such deficiencies as of June 30, 2016 and 2015.

Return Objectives and Risk Parameters

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed or meet designated benchmarks while incurring a reasonable and prudent level of investment risk.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a balanced emphasis on equity-based and income-based investments to achieve its long-term return objectives within prudent risk constraints.

Endowment Net Asset Composition by Type of Fund

The endowment net asset composition by type of fund is as follows:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
2016				
Donor-restricted endowment funds	$ -	$ 176,247	$ 1,200,687	$ 1,376,934
2015				
Donor-restricted endowment funds	$ -	$ 267,234	$ 1,200,687	$ 1,467,921

The Organization had the following endowment-related activities:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Endowment net assets, June 30, 2015	$ -	$ 267,234	$ 1,200,687	$ 1,467,921
Investment return				
Investment income	-	25,187	-	25,187
Change in fair value of investments	-	(46,053)	-	(46,053)
Appropriation of endowment assets for expenditures	-	(70,121)	-	(70,121)
Endowment net assets, June 30, 2016	$ -	$ 176,247	$ 1,200,687	$ 1,376,934

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Endowment net assets, June 30, 2014	$ -	$ 336,328	$ 1,200,687	$ 1,537,015
Investment return				
Investment income	-	23,575	-	23,575
Change in fair value of investments	-	(26,114)	-	(26,114)
Appropriation of endowment assets for expenditures	-	(66,555)	-	(66,555)
Endowment net assets, June 30, 2015	$ -	$ 267,234	$ 1,200,687	$ 1,467,921

9. Patient Service Revenue

Patient service revenue follows:

	2016	2015
Medicare	$ 267,336	$ 215,538
Medicaid	1,595,264	1,307,387
Third-party payers and private pay	764,525	629,423
Total patient service revenue	$ 2,627,125	$ 2,152,348

The Organization has agreements with the Centers for Medicare and Medicaid Services (Medicare and New Hampshire and Maine Medicaid). Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. The Organization believes that it is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare and Medicaid programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known.

A summary of the payment arrangements with major third-party payers follows:

Medicare

Effective July 1, 2015, the Organization began to be reimbursed for the care of qualified patients on a prospective basis, with retroactive settlements related to vaccine costs only. The prospective payment is based on a geographically-adjusted rate determined by federal guidelines. Prior to July 1, 2015, the Organization was reimbursed at specified interim contractual rates during the year. Differences between the Medicare interim contractual rate and the cost of care as defined by the Principles of Reimbursement governing the program were determined and settled on a retrospective basis. Overall, reimbursement was and continues to be subject to a maximum allowable rate per visit. The Organization's Medicare cost reports have been audited by the Medicare administrative contractor through June 30, 2014.

Medicaid and Other Payers

The Organization also has entered into payment agreements with Medicaid and certain commercial insurance carriers, health maintenance organizations and preferred provider organizations. The basis for payment to the Organization under these agreements includes prospectively-determined rates per visit, discounts from established charges and capitated arrangements for primary care services on a per-member, per-month basis.

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. The Organization estimates the costs associated with providing charity care by calculating the ratio of total cost to total charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. The estimated cost of providing services to patients under the Organization charity care policy amounted to approximately $1,222,000 and $1,661,100 for the years ended June 30, 2016 and 2015, respectively.

The Organization is able to provide these services with a component of funds received through local community support and federal and state grants.

10. Retirement Plan

The Organization has a defined contribution plan under Internal Revenue Code Section 401(k) that covers substantially all employees. Employer discretionary contributions are funded at a percentage of eligible employees' salaries. The Organization contributed $94,241 for the year ended June 30, 2016. The Organization did not incur expenses under the plan for the years ended June 30, 2015.

11. Concentration of Risk

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payer agreements. The mix of medical patient service revenue receivables from patients and third-party payers was as follows as of June 30:

	2016	2015
Medicare	15 %	11 %
Medicaid	45 %	42 %
Other	40 %	47 %
	100 %	100 %

12. Commitments and Contingencies

Medical Malpractice Insurance

The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of the year ended June 30, 2016, there were no known malpractice claims outstanding which, in the opinion of management, will be settled for amounts in excess of both FTCA and additional medical malpractice insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew the additional medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

Leases

The Organization leases office space and certain other office equipment under noncancelable operating leases. Future minimum lease payments under these leases are as follows:

2017	$ 159,973
2018	86,659
2019	7,848
Total	$ 254,480

Rental expense amounted to $142,017 and $133,381 for the years ended June 30, 2016 and 2015, respectively. Rent expense includes a charge per square foot for utilities and housekeeping services.

State of New Hampshire
Department of Health and Human Services
Amendment #3 to the Primary Care Services Contract

This 3rd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #3") dated this, 20th day of October, 2016 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Families First of the Greater Seacoast. (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 100 Campus Drive, Suite 12, Portsmouth, New Hampshire 03801.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #134), and amended on May 8, 2014 (Item #34A), and on June 24, 2015 (Item #58) the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to Exhibit B Amendment #2, paragraph 10, notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2, and within the Price Limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council, and

WHEREAS, the State and the Department agree to adjust budget amounts between State Fiscal Years 2016 and 2017, within the Price Limitation and within the Completion Date.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

1. Except as specifically amended and modified by the terms and conditions in this Amendment #3, the obligations of the parties shall remain in full force and effect in accordance with the terms and conditions set forth in the Contract as referenced above.

2. Delete in its entirety Exhibit B-3 Amendment #2, and replace with Exhibit B-3 Amendment #3.

3. Delete in its entirety Exhibit B-6 Amendment #2, and replace with Exhibit B-6 Amendment #3.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Item # 58

June 1, 2015

Her Excellency, Governor Margaret Wood Hassen
And the Honorable Executive Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to enter into **sole source** amendments with the vendors listed in the table below for the provision of primary care services, breast and cervical cancer screening services and screening, brief intervention and referral to treatment for alcohol and drug misuse by increasing the total price limitation by $8,986,056 from $10,143,156 to $19,129,212 and extending the completion date from June 30, 2015 to June 30, 2017 upon Governor and Executive Council approval. 75.2% General Funds / 24.8% Federal Funds

The original contract, approved in 2012, included a two (2) year renewal option. The Department exercised a one (1) year renewal in 2014. The Department is now seeking to extend the contracts for two (2) two additional years through these sole source amendments. The Governor and Executive Council approved the original contracts and subsequent amendments as follows:

Vendor & Vendor Number	Location	G&C Approval	Amended	Current Budget	Increase/ (Decrease)	Modified Budget Amount
Ammonoosuc Community Health Services, Inc. (177755-R001)	North Grafton/ South Coos	6/20/12 (Item #128)	5/8/14 (Item #34A)	$667,687	$540,879	$1,208,566

Please see attachment for fiscal details.

EXPLANATION

These amendments are **sole source** because the Department is renewing the contracts for two (2) additional years after exercising a one (1) year renewal option in 2014 as allowable in Exhibit C, Special Provisions, paragraph 17 of the contracts, and adding to the scope of services for community health centers that provide primary care services, statewide.

This package includes sixteen (16) of sixteen (16) contracts being amended.

Community health centers provide primary health care services that include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. These vendors deliver primary and preventive health care services to underserved people who face barriers to accessing health care due to issues such as a lack of insurance, inability to pay, language barriers and geographic isolation.

In addition to medical care, community health centers are unique among primary care providers for the array of enabling patient-centered services such as care coordination, translation services, transportation, outreach, eligibility assistance, and health education. These services assist individuals to overcome barriers to obtaining the care they need to achieve their optimal health.

Breast and cervical cancer screening services are provided as part of the preventative health care services in the community health care centers. Breast and cervical cancer screening services include clinical examinations, pap smears and referral for mammography. Through these services, individuals with abnormal test results receive additional coverage or

diagnostic work-ups and, if necessary, coordination of care from initial diagnosis through obtaining necessary treatment.

The vendors, through these amendments, will add infrastructure to provide screening, brief intervention and referral to treatment services for early identification of problematic drug and alcohol use of individuals receiving primary care services. Developing the infrastructure to provide these additional services will enable community health centers to refer those individuals who need specialized treatment to other community service agencies, which will result in optimal coordination and continuity of care.

Vendors will use funding to train staff, hire new medical assistants and/or qualified behavioral health staff necessary to institute and/or review screening, brief intervention and referral to treatment services. Staff training will include the integration of primary care and behavioral health teams to ensure program activities are conducted with fidelity to the Screening, Brief Intervention and Referral to Treatment model adopted by the United States Department of Health and Human Services, Substance Abuse and Mental Health Services Administration. Vendors will also purchase supplies and equipment that will be used specifically for integrating these services into everyday practices. Additionally, the vendors will utilize funding to support activities that will assist with building, modifying and/or enhancing technology based care approaches and electronic health record systems in order to include, extend, track and record these additional mental health services.

A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. This request includes three (3) vendors who provide primary care and universal screening services to homeless individuals, who otherwise would have no access to health care. These agreements provide funds to community health centers for services as a last resort. Vendors are required to make every effort to bill all other payers including but not limited to private and commercial insurances, Medicare, and Medicaid prior to billing the Department through these contracts.

Should Governor and Executive Council not authorize this request, low-income individuals statewide may not have adequate access to primary care services. Some women may not receive recommended breast and cervical cancer screenings, which would increase their risk of having an untreatable stage of cancer. Additionally, undetected alcohol and drug misuse could result in increases of alcohol and drug related accidents and deaths, which would negatively impact NH citizens.

Area Served: Statewide.

Source of Funds: 75.2% General Funds

24.8% Federal Funds (CFDA #93.959, Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA) Block Grants for Prevention and Treatment of Substance Abuse. FAIN #T1010035-14; CFDA #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds. State of New Hampshire
Department of Health and Human Services
Amendment #2 to the Primary Care Services Contract

This 2nd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #2") dated this, 30th day of April, 2015 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Families First of the Greater Seacoast. (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 100 Campus Drive, Suite 12, Portsmouth, New Hampshire 03570.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #134) and amended by an agreement (Amendment #1 to the Contract) approved on May 8, 2014 (Item #34A), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 of the Agreement, and Exhibit C, Special Provisions, Paragraph 17, the State may amend the contract terms and conditions and renew the contract for two (2) additional years by written agreement of the parties and approval of the Governor and Executive Council; and

WHEREAS, the parties agree to extend the contract for two additional years, add services to Exhibit A, Scope of Services and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:
   June 30, 2017
2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:
   $1,130,831
3. Form P-37, General Provisions, Item 1.9, Contracting Officer for State Agency, to read:
   Eric D. Borrin
4. Form P-37, General Provisions, Item 1.10, State Agency Telephone Number, to read:
   (603) 271-9558
5. Delete Exhibit A, Scope of Services and Exhibit A-1 Amendment 1, Scope of Services and replace with Exhibit A – Amendment #2.
6. Delete Exhibit A-1 Amendment #1 - Performance Measures and replace with Exhibit A-1 Amendment #2 – Performance Measures.

7. Delete Exhibit B, Purchase of Services Contract Price and replace with Exhibit B – Amendment #2, Method and Conditions Precedent to Payment.
8. Add Exhibit B-1, Budget Form Primary Care through Exhibit B-6, Budget Form SBIRT.
9. Standard Exhibit D, Certification Regarding Drug-Free Workplace Requirements, Period Covered by this Certification, to read:

   From 7/1/2012 to 6/30/2017
10. Standard Exhibit E, Certification Regarding Lobbying, Contract Period, to read:

    July 1, 2012 through June 30, 2017
11. Delete Standard Exhibit G, Certification Regarding the Americans with Disabilities Act Compliance, and replace with Exhibit G, Certification of Compliance with Requirements Pertaining to Federal Nondiscrimination, Equal Treatment of Faith-Based Organizations and Whistleblower Protections.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Scope of Services

1. **Provisions Applicable to All Services**

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. Office-based and enabling **Primary Care** services shall be provided individuals and families who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income, which is defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. **Breast and Cervical Cancer Screening** Services shall be provided to women ages twenty-one(21) through sixty-four (64) who are:

1.5.1. Uninsured.

1.5.2. Underinsured.

1.5.3. Low-income, which is defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.6. **Screening, Brief Intervention and Referrals to Treatment** (SBIRT) Services shall be provided to all individuals who seek services described in Section 1.4 and Section 1.5, above.

1.7. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.7.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.7.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.7.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. **Eligibility Determination Services**

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care or Breast and Cervical Cancer Screening Services for new patients is limited or closed for more than a one month period.

2.2. The Contractor shall maintain documentation for each individual receiving services described in this contract that includes, but is not limited to:

2.2.1. Family income.

2.2.2. Family size.

2.2.3. Income in relation to the Federal Poverty Guidelines.

2.3. The Contractor shall assist individuals with completing a Medicaid application when income calculations indicate possible Medicaid eligibility.

2.4. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.5. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.5.1. Update the sliding fee scale on an annual basis when new Federal Poverty Guidelines are released.

2.5.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. **Primary Care Services**

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services.

3.1.2. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.1.3. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.1.4. Assessment of need for:

3.1.4.1. Tobacco cessation, including referral to NH Quitworks, as appropriate.

3.1.4.2. Social services.

3.1.4.3. Nutrition services, including WIC, as appropriate.

3.1.4.4. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which shall include, but not be limited to:

3.2.1. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.2.2. Care facilitated by registries, information technology, health information exchange and other means to assure that patients get the necessary care when and where they need and want it in a culturally and linguistically appropriate manner.

3.2.3. An integrated model of primary care that may include, but is not limited to:

3.2.3.1. Behavioral health.

3.2.3.2. Oral health.

3.2.3.3. Use of navigators and case management.

3.2.3.4. Co-location of services and system-level integration of care and fiscal accountability.

3.3. The Contractor can choose to provide enabling services, if the budget allows, which are non-clinical services that support the delivery of basic primary care and services, and facilitate access to comprehensive patient care as well as social services. The Contractor can facilitate enabling services that include, but are not limited to:

3.3.1. Case management.

3.3.2. Benefit counseling.

3.3.3. Eligibility assistance.

3.3.4. Health education and supportive counseling.

3.3.5. Interpretation.

3.3.6. Outreach.

3.3.7. Transportation.

3.3.8. Education of patients and the community regarding the availability and appropriate use of health services.

3.4. The Contractor must elect to do at least one (1) quality improvement project which consists of systematic and continuous actions that lead to measurable improvement in health care services and the health status of targeted patient groups. The Contractor shall facilitate a minimum of one (1) quality improvement project that includes, but is not limited to:

3.4.1. Enhancing clinical workflow/improve patient outcomes by methods that may include, but are not limited to:

3.4.1.1. Alerts.

3.4.1.2. Guidelines.

3.4.1.3. Diagnostic support.

3.4.1.4. Patient registries.

3.4.1.5. Collaborative learning sessions, etc.)

3.4.2. Implementing projects that lead to measurable improvements on any of the performance measures and indicators identified in Exhibit A-1 Amendment #2

3.4.3. Utilizing defined improvement processes to coordinate quality improvement activities.

3.4.4. Identifying and defining specific goals and objectives to be achieved in the project period.

4. Breast and Cervical Cancer Screening Services

4.1. The Contract shall develop work plans based on performance measures in Exhibit A-1 that include activities related to:

4.1.1. The provision of breast and cervical cancer screening.

4.1.2. The promotion of breast and cervical cancer screening.

4.2. The Contractor shall implement evidence-based interventions outlined in the Centers for Disease Control and Prevention Guide to Community Preventative Services (http://www.thecommunityguide.org/index/html) to support the provision and promotion of breast and cervical cancer screening rates, including but not limited to provider reminder systems and patient reminders.

4.3. The Contractor shall provide breast and cervical cancer screening for the early detection of breast and cervical cancer in accordance with the policies and procedures outlined in the BCCP Policy and Procedure Manual, following nationally accepted screening recommendations. Screenings shall include but not be limited to:

4.3.1. Clinical pelvic examinations.

4.3.2. Clinical breast examinations.

4.3.3. Mammograms.

4.3.4. Pap and HPV tests, if appropriate.

4.3.5. Referrals for diagnostic and treatment services, as necessary.

4.4. The Contractor shall provide services to the number of individuals as follows:

4.4.1. 75% of all mammograms shall be provided to women ages fifty (50) to sixty-four (64) at all screening sites.

4.4.2. A maximum of 25% of all mammograms shall be provided to women under the age of fifty (50) at all screening sites.

4.4.3. 20% of newly enrolled women for Pap tests shall be provided at all screening sites to women who have not had a Pap test in over five (5) years.

4.5. The Contractor shall ensure all referrals are made in accordance with the minimum standards outlined in the BCCP Policy and Procedure Manual to facilities that provide approved and certified laboratory, pathology, radiology and surgical services. The Contractor shall ensure:

4.5.1. Mammography units are accredited by the American College of Radiology and FDA certified under MQSA.

4.5.2. Laboratories are CLIA certified.

4.6. The Contractor shall ensure all services and case management activities are completed in accordance with the BCCP Policy and Procedure Manual, including but not limited to follow-up and tracking of all client tests results and referrals.

4.7. The Contractor shall provide screening promotion for all eligible individuals, which includes, but is not limited to:

4.7.1. Patient navigation services that assist individuals to overcome health systems barriers and facilitate timely access to:

4.7.1.1. Quality breast and cervical cancer screening.

4.7.1.2. Breast and cervical cancer diagnostics.

4.7.1.3. Initiation of breast and cervical cancer treatment, when applicable.

4.7.1.4. Assurance that patient navigation services are terminated when the patient:

4.7.1.4.1. Completes screening and has normal results.

4.7.1.4.2. Completes diagnostic testing and has normal results.

4.7.1.4.3. Initiates breast and/or cervical cancer treatment or refuses treatment.

4.7.2. Patient navigation services shall include, but not be limited to:

4.7.2.1. A written assessment of individual client barriers.

4.7.2.2. Client education and support.

4.7.2.3. Assistance with resolving client barriers, including but not limited to transportation and translation services, as appropriate.

4.7.2.4. Tracking and follow-up to monitor client progress in completing screening, diagnostic testing, and initiation of treatment, as needed.

4.7.2.5. A minimum of two contacts with the client, either in person or by telephone.

4.7.2.6. Collecting data to evaluate the primary outcomes of patient navigation, which shall include adherence to screening, diagnostic testing and cancer treatment initiation.

4.7.2.7. Tracking of patients lost to follow-up, as appropriate.

5. **Screening, Brief Intervention, and Referral to Treatment (SBIRT) Services**

5.1. The Contractor shall develop the infrastructure necessary to provide and record Screening, Brief Intervention, and Referral to Treatment (SBIRT) services related to substance use for all eligible individuals ages nineteen (19) to sixty-five (65) years and for all pregnant women, regardless of age, receiving services in Section 3 and/or Section 4. The Contractor shall:

5.1.1. Provide training to integrated primary care and behavioral health teams to ensure SBIRT activities are conducted with fidelity to the model in Section 5.1.

5.1.2. Modify and/or adapt current Electronic Health Records (EHR) systems in order to track SBIRT:

5.1.2.1. Activities

5.1.2.2. Completions.

5.1.2.3. Recommendations and referrals.

5.1.2.4. Follow-ups.

5.1.3. Utilize Substance Use Disorder (SUD) codes in the EHR for billing that shall:

5.1.3.1. Enable submission for payment through NH Managed Care/Medicaid and other insurance companies.

5.1.3.2. Allow the generation of reports.

5.2. The Contractor shall implement SBIRT services by ensuring sufficient qualified staff are available to conduct SBIRT services according to the SBIRT model described by the Centers for Disease Control (CDC), available on-line at http/www.dcd.gov/ncddd/fasd/documents/aloholsbiimplementationguide.pdf. The Contractor shall:

5.2.1. Implement SBIRT services by including SBIRT activities in daily operations.

5.2.2. Use one or more of the screening instruments listed in Appendix E of "Systems-Level Implementation of Screening, Brief Intervention and Referral to Treatment. TAP 33" (2013 edition) (http://www.integration.samhsa.gov/sbirt/TAP33.pdf) and document screening in the electronic health record (EHR).

5.2.3. Conduct brief interventions with patients who screen positive for potential substance use concerns and document activities in the EHR.

5.2.4. Refer patients to Substance Use Disorder (SUD) treatment services as necessary, and ensure each patient has connected with the specific service

provider by documenting in the EHR, which is audited to ensure appropriate follow up.

5.2.5. Conduct SBIRT with covered populations that include all adults on an annual basis and pregnant women on a trimester basis.

5.3. Coordinate care between community health center (CHC) services and external treatment providers by collaborating with entities that provide SUD treatment services not available at the CHC. The Contractor shall:

5.3.1. Obtain client consents to contact service providers in order to resolve any barriers to accessing services.

5.3.2. Refer patients for SUD services, as needed.

5.3.3. Follow up with patient and/or SUD service provider to ensure appropriate services are provided.

5.3.4. Work with Regional Public Health Networks (RPHNs) to identify new SUD referral resources as they become available.

5.4. The Contractor shall test SBIRT fidelity with a subset of the target population prior to full implementation for all adults ages nineteen (19) to sixty-five (65) annually and pregnant women at each trimester.

6. Staffing

6.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH licenses whether directly employed, contracted or subcontracted.

6.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

6.3. The Contractor shall ensure staff delivering SBIRT services have, at minimum, one of the following:

6.3.1. Masters prepared behavioral health practitioners. This includes individuals licensed under the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board.

6.3.2. Masters prepared and in the process of obtaining a license from the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board, while under the supervision of a licensed practitioner of the same profession.

6.3.3. Physicians or Advanced Practice Registered Nurses licensed to practice in NH.

6.3.4. Physician Assistants or other practitioners under the supervision of a Physician licensed to practice in NH.

6.4. The Contractor may deliver breast and cervical cancer screening navigation services through a combination of staff, which may include the provision of outreach and education by lay persons with clinical case management services provided by either:

6.4.1. A registered nurse who:

6.4.1.1. Is licensed with the NH Board of nursing; or

6.4.1.2. Has attained bachelor's degree from a recognized college or university.

6.4.2. A nurse who is working under the direct supervision of a registered nurse, as described in Section 6.4.1.

6.5. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services in writing and include a copy of the individual's resume, within one month of hired.

6.6. The Contractor shall notify the MCHS, in writing, when:

6.6.1. Any critical position is vacant for more than one month.

6.6.2. There is not adequate staffing to perform all required services for more than one month.

7. Coordination of Services

7.1. The Contractor shall coordinate referrals for continued care of treatment, or breast or cervical healthcare, with other service providers within the community, where possible.

7.2. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

7.2.1. Community needs assessments.

7.2.2. Public health performance assessments.

7.2.3. The development of regional health improvement plans.

7.3. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

8. Required Meetings & Trainings

8.1. The Contractor shall attend meetings and trainings facilitated by the MCHS and BCCP programs that include, but are not limited to:

8.1.1. MCHS Agency Directors' meetings.

8.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year.

Contractor's Initials: [illegible]

Date 5/12/15

8.1.3. MCHS Agency Medical Services Directors' meetings.

8.1.4. BCCP Site Coordinators' annual meetings.

9. Workplans, Outcome Reports & Additional Reporting Requirements

9.1. The Contractor shall provide an annual BCCP Performance Workplan and Workplan Outcomes Report according to the schedule and instructions provided by the BCCP, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule.

9.2. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a corrective action plan per directions from MCHS.

9.3. The Contractor shall submit an annual Workplan and Workplan Outcome Report for the quality improvement project(s) that demonstrates improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.4. If utilizing any portion of this contract for enabling services, the Contractor shall submit an annual Workplan and Workplan Outcome Report that includes at least one (1) performance measure for each type of enabling service provided. This shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.5. The Contractor shall complete the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st.

9.6. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

9.7. The Contractor shall submit monthly Outcome Reports for SBIRT services according to the schedule and instructions provided by the MCHS. The Contractor shall:

9.7.1. Collect information that includes, but is not limited to:

9.7.1.1. Description of the training provided, including but not limited to:

9.7.1.1.1. The content of the training provided.

9.7.1.1.2. The number of staff who received training.

9.7.1.2. The number of:

9.7.1.2.1. Qualified staff conducting SBIRT

9.7.1.2.2. SBIRT billing codes developed.

9.7.1.2.3. SBIRT services billed to insurance.

9.7.1.3. Updates on any changes, enhancements or adaptations to SBIRT procedures in:

9.7.1.3.1. Technology based systems.

9.7.1.3.2. Staffing.

9.7.1.3.3. Coding and billing.

9.7.1.4. The total number of clients receiving SBIRT delineated by:

9.7.1.4.1. Percentage of clients receiving only screening.

9.7.1.4.2. Percentage of clients receiving brief interventions.

9.7.1.4.3. Percentage of clients referred for more intensive services who initiated services.

9.7.1.4.4. Percentage of clients referred for more intensive services who had problems connecting to services.

9.8. The Contractor shall submit an annual report on April 30th in each year a contract amendment or renewal is not required that includes, but is not limited to:

9.8.1. DPHS Budget Form.

9.8.2. Budget Justification.

9.8.3. Sources of Revenue.

9.8.4. Program Staff List, which includes staff titles

9.9. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9.10. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

9.10.1. Survey template.

9.10.2. Method by which the results were obtained.

10. On-Site Reviews

10.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

10.1.1. Systems of governance.

10.1.2. Administration.

10.1.3. Data collection and submission.

10.1.4. Clinical and financial management.

Contractor's Initials [illegible]

Date 5/13/15

10.1.5. Delivery of education services.

10.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

10.2.1. Client records.

10.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

10.2.3. SBIRT documentation, which includes but is not limited to:

10.2.3.1. SBIRT policies and procedures.

10.2.3.2. Staff credentials for all staff delivering SBIRT services

10.2.3.3. SBIRT procedures utilized and documented in patient records.

10.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Exhibit A-1 – Amendment #2

1. PRIMARY CARE PERFORMANCE MEASURES

1.1. Breastfeeding

1.1.1. **Percent of infants who are ever breastfed** (Title V PM #10).

1.1.1.1. Numerator: Infants who were ever breastfed or received breast milk

1.1.1.2. Denominator: All infants born in a state fiscal year

1.2. Preventive Health: Lead Screening

1.2.1. **Percent of children 2 years of age who had one or more capillary or venous lead blood test for lead poisoning by their second birthday.** (CMS, Hedis).

1.2.1.1. Numerator: At least one capillary or venous blood test on or before the child's second birthday.

1.2.1.2. Denominator: Children who turn 2 years old during the state fiscal year.

1.3. Preventive Health: Adolescent Well-Care Visit

1.3.1. **Percent of adolescents, 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year** (Hedis, Title V PM #7).

1.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

1.3.1.2. Denominator: Number of adolescents, ages 12 through 21 years of age.

1.4. Preventive Health: Depression Screening

1.4.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (ACO 18, NQF 0418).

1.4.1.1. Numerator: Patients who are screened for clinical depression using an age-appropriate standardized depression screening tool AND if positive, a follow-up plan documented.

1.4.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.1.3. Denominator: All patients 12 years and older.

1.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

Contractor Initials: [illegible]
Date: 5/13/15

1.4.2. **Maternal Depression Screening** (Developmental: not required for FY 16)

1.4.2.1. **Percentage of women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen.**

1.4.2.1.1. Numerator: Women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool and screen negative.

AND

Women who are screened for depression during the post-partum visit using an appropriate standardized depression screening tool, screen positive, AND have a follow-up plan documented.

1.4.2.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.2.1.3. Denominator: All women who are at least 6 weeks post-partum in a state fiscal year.

1.4.2.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

1.5. **Preventive Health: Obesity Screening**

1.5.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (ACO 16, NQF 0421, HRSA UDS).

1.5.1.1. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

1.5.1.2. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters.

1.5.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist,

occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

1.5.1.4. Denominator: All patients aged 18 years and older who had at least one medical visit during the state fiscal year.

1.5.2. Percent of patients aged 2 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (HRSA UDS).

1.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

1.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

1.6. Preventive Health: Tobacco Screening

1.6.1. Percent of patients aged 18 years and older who were screened for tobacco use one or more times within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user (ACO 17, NQF 0028, HRSA UDS).

1.6.1.1. Numerator: Patients who were screened for tobacco use at least once within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.1.2. Definitions:

1.6.1.2.1. Tobacco Use: Includes any type of tobacco

1.6.1.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.1.3. Denominator: All patients aged 18 years and older seen for at least two visits ever

1.6.2. Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user (Title V, PM #15).

1.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.2.2. Definitions:

1.6.2.2.1. Tobacco Use: Includes any type of tobacco

1.6.2.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.2.3. Denominator: All women who delivered a live birth in a state fiscal year

1.7. **At Risk Population: Hypertension**

1.7.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90 mm Hg) during the measurement year** (ACO 28, NQF 0018).

1.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm Hg at the time of their last measurement.

1.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)

1.8. **Patient Safety: Falls Screening**

1.8.1. **Percent of patients aged 65 years and older who were screened for future fall risk at least once within 12 months** (ACO 13, NQF0101).

1.8.1.1. Numerator: Patients who were screened for future fall risk at least once within 12 months.

1.8.1.2. Definition of Fall: a sudden, unintentional change in position causing an individual to land at a lower level, on an object, the floor, or the ground, other than as a consequence of a sudden onset of paralysis, epileptic seizure, or overwhelming external force.

1.8.1.3. Numerator note: Patients are considered at risk for future falls if they have had 2 or more falls in the past year or any fall with injury in the past year.

1.8.1.4. Denominator: All patients aged 65 years and older

1.8.1.5. Excluded from denominator population: (Exclusion only applied if patient was not screened for future fall risk) Documentation of medical reason(s) for not screening for future fall risk (e.g. patient is not ambulatory)

2. BCCP PERFORMANCE MEASURES

2.1. BCCP Performance Measure #1

2.1.1. **Measure:*** 78% of female patients age 24 through 64 years of age screened for cervical cancer per USPSTF guidelines.

2.1.2. **Numerator** – Number of female patients 24 through 29 years of age who have had a documented pap in the past 3 years AND female patients 30-64 who have either had a pap in the past 3 years OR an HPV test and a pap in the past 5 years

2.1.3. **Denominator** – Number of female patients 24 through 64 years of age who have had a visit in the past year and do not have evidence of having had a total hysterectomy.

2.1.4. **Data Source:** Chart audits or query of 100% of the **total** population of patients as described in the denominator.

2.1.5. *Measure based on the UDS measure

2.1.6. **Healthy People 2020 National Target is 93%

2.2. BCCP Performance Measure #2

2.2.1. **Measure:*** 75% of female patients age 52 through 74 years of age screened for breast cancer per USPSTF guidelines.

2.2.2. **Numerator** – Number of female patients 52 through 74 years of age who have had a documented mammogram in the past 24 months.

2.2.3. **Denominator** – Number of female patients 52 through 74 years of age who have had a visit in the past year and do not have evidence of having had a bilateral mastectomy.

2.2.4. **Data Source:** Chart audits or query of 100% of the **total** population of patients as described in the denominator.

2.2.5. *Measure based on the USPSTF Guidelines

2.2.6. ** Healthy People 2020 National Target is 81.1%

3. SBIRT PERFORMANCE MEASURES

3.1. **Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services**

3.1.1. **Numerator:** Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention or referral to services.

3.1.2. Definitions

3.1.2.1. Substance Use: Includes any type of alcohol or drug.

3.1.2.2. Brief Intervention: Includes guidance or counseling.

3.1.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

3.1.3. Denominator: Number of patients aged 18 years and older seen for annual visit within 12 months.

3.2. **Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program AND if positive, received a brief intervention or referral to services**

3.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

3.2.2. Definitions:

3.2.2.1. Substance Use: Includes any type of alcohol or drug.

3.2.2.2. Brief Intervention: Includes guidance or counseling.

3.2.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

3.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the state fiscal year.

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov):
   - 2.1. #93.959, Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA) Block Grants for Prevention and Treatment of Substance Abuse.
   - 2.2. #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds.
   - 2.3. #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #2, Scope of Services, in accordance with Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2.
4. The Contractor shall use and apply the amount in the SBIRT line item in Exhibit B-3 and Exhibit B-6 on actual SBIRT services provided.
5. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
6. Payment for said services shall be made as follows:
   - 6.1. The Contractor will submit an invoice by the tenth (10th) working day of each month, which identifies and requests reimbursement for:
     - 6.1.1. Authorized expenses incurred in the prior month.
     - 6.1.2. The units of SBIRT services provided, in accordance with Exhibit A – Amendment #2, Section 5.2.2 through Section 5.2.5 and Section 5.3.1 through Section 5.3.3, which shall be paid on a fee-for-service basis at the following rates:
       - 6.1.2.1. $29.86 for each unit of service that is 15-30 minutes.
       - 6.1.2.2. $57.31 for each unit of service that is more than 30 minutes.
   - 6.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   - 6.3. The invoice must be submitted by mail or e-mail to:

     Financial Manager
     Department of Health and Human Services
     129 Pleasant Street
     Concord, NH 03301

     E-mail: dphscontractbilling@dhhs.state.nh.us

Contractor Initials: [illegible]
Date: 5/13/15

7. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.
8. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
9. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
10. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2 and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to amend agreements with 13 vendors by increasing the total price limitation by $4,293,569 from $5,173,800 to $9,467,369 to provide primary care services. This amount includes a request to **retroactively** enter into **sole-source** amendments in an amount of $648,347, effective **retroactive** to July, 1, 2013 through June 30, 2014 and to exercise a one-year renewal option with the same 13 vendors in an amount of $3,645,222, extending the completion date from June 30, 2014 to June 30, 2015, effective upon Governor and Council approval. Twelve of these agreements were originally approved by Governor and Council on June 20, 2012, Item numbers 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, and one agreement was originally approved by Governor and Council on July 11, 2012, Item number 31.

Summary of contracted amounts by vendor:

Vendor	Location	SFY 2014 Amount	SFY 2015 Amount	Total Increase
Ammonoosuc Community Health	North Grafton/ South Coos	$42,661	$254,172	$296,833
Concord Hospital, Inc.	Merrimack/ Hillsborough	$64,413	$376,377	$440,790
Coos County Family Health	Eastern Coos	$24,351	$159,685	$184,036
Families First of the Greater Seacoast	Seacoast Area	$41,892	$242,094	$283,986
Goodwin Community Health	Strafford County	$74,293	$420,579	$494,872
Health First Family Care Center	Central/Eastern Belknap	$55,968	$292,214	$348,182
Indian Stream Health Center	Northern Coos & Colebrook	$18,030	$100,409	$118,439
Lamprey Health Care, Inc.	Central Southern/Eastern NH	$119,828	$654,249	$774,077
Manchester Community Health Center	Greater Manchester Area	$71,392	$407,637	$479,029
Mid-State Health Center	Central Northern Belknap	$35,001	$175,511	$210,512
The New London Hospital, Inc.	Sullivan County	$39,566	$225,093	$264,659
Weeks Medical Center	Western Coos	$20,652	$113,557	$134,209
White Mountain Community Health	Northern Carroll	$40,300	$223,645	$263,945
TOTAL		**$648,347**	**$3,645,222**	**$4,293,569**

Funds to support this request are available in the following accounts for SFY 2014 and SFY 2015, with authority to adjust amounts within the price limitation and amend the related terms of the contract without further approval from Governor and Executive Council.

05-95-90-902010-5190 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF POPULATION HEALTH AND COMMUNITY SERVICES, MATERNAL AND CHILD HEALTH

See attachment for financial details

EXPLANATION

Approval is requested **retroactive** to July 1, 2013. The services provided by these contracts are consistent with prior contracts and were included in the operating budget for SFY 2014 and SFY 2015. Contracts were delayed, however, since the exact amount of funding available was only recently determined. The SFY 2014 amendments are **sole source** because they exceed more than 10% of the original contract amount.

This requested action seeks approval of 13 amendments that represents $4,293,569 total anticipated to be spent statewide to continue breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. In the interest of efficiency, the contract amendments are being bundled as they are providing the same services, and because of the size of the resulting Governor and Council submission, the copies provided are abbreviated in the interest of saving resources. The Councilors and the public can view the entire submission package on the Secretary of State's website.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

In addition, breast and cervical cancers continue to be ongoing public health issues for New Hampshire. The Division of Public Health Services, Breast and Cervical Cancer Screening Program

provides support for breast and cervical cancer screening services that include clinical examinations, pap smears and referral for mammography. Through this program, women found to have abnormal screening results, following their testing, receive additional coverage for diagnostic work-up and, if necessary, have their care coordinated through the initiation of treatment.

Should Governor and Executive Council not authorize this Request, low-income individuals statewide may not have adequate access to primary care services, and eligible women may not receive recommended breast and cervical cancer screenings. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. Additionally women that receive recommended breast and cervical cancer screenings are at lower risk of late diagnosis of breast and cervical cancers.

Contracts were awarded to Primary Care agencies through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by teams of three professionals. All reviewers have between three to 20 years' experience managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were averaged and all proposals were recommended for funding. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, these competitively procured Agreements have the option to renew for two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council. The Department is exercising one year of this renewal option.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. All Primary Care vendors are making adequate progress in meeting clinical performance measures and the Departments wishes to continue working with the vendors for another year.

The performance measures as described in the contract amendment Exhibit A – Amendment 1 – Performance Measures, will be used to continue to measure the effectiveness of the agreement.

Area to be served is statewide.

Source of Funds: 13.09% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau; Centers for Disease Control and Prevention and 86.91% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Brook Dupee for

José Thier Montero, MD, MHCDS
Director

State of New Hampshire
Department of Health and Human Services
Amendment #1 to the
Families First of the Greater Seacoast

This 1st Amendment to the Families First of the Greater Seacoast, contract (hereinafter referred to as "Amendment One") dated this 6th day of March, 2014, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Families First of the Greater Seacoast, (hereinafter referred to as "the Contractor"), a corporation with a place of business at 100 Campus Drive, Suite 12, Portsmouth, New Hampshire 03801.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18, the State may modify the scope of work and the payment schedule of the contract by written agreement of the parties;

WHEREAS, the Department desires to provide additional primary health care services for preventive and episodic health care for acute and chronic health conditions for people of all ages.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

- Form P-37, to change:
  Block 1.7 to read: June 30, 2015
  Block 1.8 to read: $624,540

- Exhibit A, Scope of Services to add:
  Exhibit A – Amendment 1

- Exhibit B, Purchase of Services, Contract Price, to add:

  Paragraph 1.1 to Paragraph 1:
  The contract price shall increase by $41,892 for SFY 2014 and $242,094 for SFY 2015.

  Paragraph 1.2 to Paragraph 1:
  Funding is available as follows:
- $41,892 from 05-95-90-902010-5190-102-500731, 100% General Funds;
- $210,063 from 05-95-90-902010-5190-102-500731, 6.7% Federal Funds from the US Department of Health and Human Services Administration, Maternal and Child Health Bureau, CFDA #93.994 and 93.3% General Funds;

Contractor Initials
Date 3/6/14

- $32,031 from 05-95-90-902010-5659-102-500731, 100% Federal Funds from the US Department of Health and Human Services, Centers for Disease Control and Prevention, CFDA #93.283;

  Add Paragraph 8
  8. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjustments to amounts between and among account numbers, within the price limitation, may be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

- Budget, to add:
  Exhibit B-1 (2014) - Amendment 1,
  Exhibit B-1 (2015) - Amendment 1

This amendment shall be in effect July 1, 2013, effective upon the date of Governor and Executive Council approval.

			Total	$340,554

EXPLANATION

Funds in this agreement will be used to provide breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. This agreement provides funds for services as a last resort; contractor is required to make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. For example, in State Fiscal Year 2011:

- 88% of eligible children served were enrolled in Medicaid/Healthy Kids Gold.
- 86% of children 24-35 months, served received the appropriate schedule of immunizations.
- 82% of infants born to women served received prenatal care beginning in the first trimester of pregnancy.

In addition, breast and cervical cancers continue to be ongoing public health issues for New Hampshire. The Division of Public Health Services, Breast and Cervical Cancer Screening Program provides support for breast and cervical cancer screening services that include clinical examinations, pap smears and referral for mammography. Through this program, women found to have abnormal screening results, following their testing, receive additional coverage for diagnostic work-up and, if necessary, have their care coordinated through the initiation of treatment.

Should Governor and Executive Council not authorize this Request, a minimum of 8,907 low-income individuals from the Seacoast area may not have access to primary care services, and eligible women may not receive recommended breast and cervical cancer screenings. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. Additionally women that receive recommended breast and cervical cancer screenings are at lower risk of late diagnosis of breast and cervical cancers.

Families First of the Greater Seacoast was selected for this project through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by three professionals, who work internal and external to the Department of Health and Human Services. All reviewers have between three to twenty years experience either in clinical settings, providing community-based family support services, and managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were averaged and all proposals were recommended for funding. In those instances where scores were less than ideal, agency specific remedial actions were recommended and completed. Some primary care agencies are being funded at levels higher than they requested. Agencies were instructed to develop budgets based on previous allocations. While some proposed budgets higher than what was available for funding, others proposed budgets lower than what was available. There was an increase in breast and cervical cancer screening funds that bidders were unaware of when they drafted budgets. Adjustments were made accordingly for those agencies that proposed budgets at levels lower than available funds. This is a contract where that situation occurred. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council. These services were contracted previously with this agency in SFY 2011 and SFY 2012 in the amount of $535,658. This represents a decrease of $195,104. The decrease is due to budget reductions.

The performance measures used to measure the effectiveness of the agreement are attached.

Area served: Seacoast.

Source of Funds: 34.07% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau and 65.93% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

José Thier Montero, MD
Director

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Prenatal (PN) Performance Measure #1

Measure: Percent of infants born to women receiving prenatal care beginning in the first trimester of pregnancy.

Primary Care Prenatal (PN) Performance Measure #2

Measure: Percent of pregnant women identified as cigarette smokers that are referred to QuitWorks-New Hampshire.

Primary Care Prenatal (PN) Performance Measure #3

Measure: Percent of pregnant women who were screened, using a formal valid screening tool, for alcohol and other drug use during every trimester the patient was enrolled.

Primary Care Child Health Direct (CH – D) Performance Measure #1

Measure: Percent of eligible children enrolled in Medicaid

Primary Care Child Health Direct (CH – D) Performance Measure #2

Measure: Percent of at-risk children who were screened for blood lead between 18 and 30 months of age

Primary Care Child Health Direct (CH – D) Performance Measure #3

Measure: Percent of children age two to nineteen years receiving primary care preventive health services with a Body Mass Index (BMI) percentile greater than or equal to the 85th percentile with documented discussion of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Primary Care Child Health Direct (CH – D) Performance Measure #4

Measure: Percent of eligible infants and children with client record documentation of enrollment in Women Infant Children Program.

Primary Care Child Health Direct (CH – D) Performance Measure #5

Measure: Percent of infants who were exclusively breastfed for the first three months, at their four month well baby visit.

Primary Care Financial (PC) Performance Measure #1

Measure: Patient Payor Mix

Primary Care Financial (PC) Performance Measure #2

Measure: Accounts Receivables (AR) Days

Primary Care Financial (PC) Performance Measure #3

Measure: Current Ratio

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Clinical Adolescent (PC-C) Performance Measure #1

Measure: Percent of adolescents aged 10-21 years who received annual health maintenance visits in the past 12 months.

Primary Care Clinical Prenatal (PC-C) Performance Measure #2

Measure: Percent of women and adolescent girls aged 15-44 who take a multi-vitamin with folic acid.

Subject: Primary Care Services

AGREEMENT

The State of New Hampshire and the Contractor hereby mutually agree as follows:

Exhibit C

SPECIAL PROVISIONS

1. **Contractors Obligations:** The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

2. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

3. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

4. **Documentation:** In addition to the determination forms, required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

5. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

6. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

7. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

8. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractor's costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party fundors for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party fundors, the Department may elect to:

   8.1 Renegotiate the rates for payment hereunder, in which event new rates shall be established;

Contractor Initials: [illegible]
Date 3/27/12

8.2 Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

8.3 Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

9. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:

9.1 **Fiscal Records:** Books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

9.2 **Statistical Records:** Statistical, enrollment, attendance, or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

9.3 **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

10. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.

10.1 **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.

10.2 **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

11. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directed connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Contractor Initials [illegible]
Date: 3/21/19

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

12. **Reports: Fiscal and Statistical**: The Contractor agrees to submit the following reports at the following times if requested by the Department

12.1 Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.

12.2 Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

13. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

14. **Credits:** All documents, notices, press releases, research reports, and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:

14.1 The preparation of this (report, document, etc.), was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, Division of Public Health Services, with funds provided in part or in whole by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

15. **Operation of Facilities:** Compliance with Laws and Regulations: In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the Contractor with respect to the operation of the facility or the provision of the services at such facility. If any government license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

Contractor Initials: _____
Date: _____

16. **Insurance:** Select either (1) or (2) below.

As referenced in the Request for Proposal, Comprehensive General Liability Insurance Acknowledgement Form, the Insurance requirement checked under this section is applicable to this contract:

Insurance Requirement for (1) - 501(c) (3) contractors whose annual gross amount of contract work with the State does not exceed $500,000, per RSA 21-I:13, XIV, (Supp. 2006): The general liability insurance requirements of standard state contracts for contractors that qualify for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the state does not exceed $500,000, is comprehensive general liability insurance in amounts of not less than $1,000,000 per claim or occurrence and $2,000,000 in the aggregate. *These amounts may NOT be modified.*

X (1) The contractor certifies that it IS a 501(c) (3) contractor whose annual total amount of contract work with the State of New Hampshire does not exceed $500,000.

Insurance Requirement for (2) - All other contractors who do not qualify for RSA 21-I:13, XIV, (Supp. 2006), Agreement P-37 General Provisions, 14.1 and 14.1.1. Insurance and Bond, shall apply: The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, both for the benefits of the State, the following insurance: comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per incident or occurrence. *These amounts MAY be modified if the State of NH determines contract activities are a risk of lower liability.*

☐ (2) The contractor certifies it does NOT qualify for insurance requirements under RSA 21-I:13, XIV (Supp. 2006).

17. **Renewal:**

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two (2) additional year(s), contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

18. **Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:**

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

Contractor Initials _____
Date 3/27/14

19. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

Department of Health and Human Services
Amendment #4 to the Primary Care Services for the Homeless Contract

This 4th Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #4") dated this, 1st day of May, 2017 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Families First of the Greater Seacoast (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 100 Campus Drive, Suite 12, Portsmouth, New Hampshire 03570.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 6, 2012 (Item #68); as amended by an agreement (Amendment #1 to the Contract) approved by the Governor and Executive Council on May 8, 2014 (Item #34B); as amended by an agreement (Amendment #2 to the Contract) approved by the Governor and Executive Council on June 24, 2015 (Item #58); as amended by an agreement (Amendment #3 to the Contract) approved by the Department on December 21, 2016; the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 the State may amend the contract terms and conditions and by written agreement of the parties and approval of the Governor and Executive Council; and

WHEREAS, the parties agree to extend the contract for nine (9) months, add services to Exhibit A, Scope of Services and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:

   March 31, 2018
2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:

   $513,571
3. Add Exhibit A- Amendment #4, Scope of Services.
4. Add Exhibit A-1 – Amendment #4, Performance Measures
5. Add Exhibit B – Amendment #4, Method and Conditions Precedent to Payment.
6. Add Exhibit B-1 – Amendment #4 MCHS Budget.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Title:

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. The Contractor shall utilize flexible hours and minimal use of appointment systems to provide **primary care and enabling** services to homeless individuals and families through the use of permanent office based locations and/or mobile or temporary delivery locations.

1.5. The Contractor shall serve target populations that include individuals who:

1.5.1. Are uninsured;

1.5.2. Are underinsured;

1.5.3. Are low-income, which is defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines;

1.5.4. Lack housing including an individual whose primary residence during the night is a supervised public or private facility (e.g., shelters) that provides temporary living accommodations;

1.5.5. Are residents in transitional housing;

1.5.6. Are unable to maintain their housing situation and are forced to stay with a series of friends and/or extended family members, hence are considered homeless;

1.5.7. Are to be released from a prison or a hospital and do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

1.6. The Contractor shall continue to provide primary care and enabling services to individuals described in Section 1.5.4 through Section 1.5.7 above for three

hundred sixty-four (364) calendar days following the individual's placement in permanent housing.

1.7. The Contractor shall provide **Screening, Brief Intervention and Referrals to Treatment** (SBIRT) Services to all individuals described in Section 1.4 through Section 1.6, above.

1.8. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.8.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases;

1.8.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control;

1.8.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care, Enabling or SBIRT Services for new patients is limited or closed for more than a one month period.

2.2. The Contractor shall maintain documentation for each individual receiving services described in this contract that includes, but is not limited to:

2.2.1. Family income;

2.2.2. Family size;

2.2.3. Income in relation to the Federal Poverty Guidelines.

2.3. The Contractor shall assist individuals with completing a Medicaid/Expanded Medicaid or other health insurance application when income calculations indicate possible Medicaid eligibility.

2.4. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.5. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.5.1. Update the sliding fee scale on an annual basis every when new Federal Poverty Guidelines are released;

2.5.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. These services can be designed to meet the unique and identified needs of

the homeless populations within the contracted service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services;

3.1.2. Behavioral health services;

3.1.3. Preventive services, screenings and health education in accordance with established, documented state or national guidelines;

3.1.4. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral;

3.1.5. Assessment of need and follow-up/referral as indicated for:

3.1.5.1. Tobacco cessation, including referral to QuitWorks-NH, www.QuitWorksNH.org;

3.1.5.2. Social services;

3.1.5.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management education (DSME) as recommended by American Diabetes Association;

3.1.5.4. Nutrition services, including WIC, as appropriate;

3.1.5.5. SBIRT services, including a connection with the Regional Public Health Network Continuum of Care Development Initiative;

3.1.5.6. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which shall include, but not be limited to:

3.2.1. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract;

3.2.2. Care coordination facilitated by registries, information technology, health information exchange and other means to assure that patients get the necessary care when and where they need and want it in a culturally and linguistically appropriate manner.

3.2.3. An integrated model of primary care that may include, but is not limited to:

3.2.3.1. Behavioral health;

3.2.3.2. Oral health;

3.2.3.3. Use of navigators and case management;

3.2.3.4. Co-location of services and system-level integration of care and fiscal accountability.

4. Enabling Services

4.1. The Contractor shall provide enabling services, which are non-clinical services that support the delivery of basic primary care services and facilitate access to comprehensive patient care as well as social services. The Contractor can facilitate enabling services that include, but are not limited to:

4.1.1. Case management;

4.1.2. Benefit counseling;

4.1.3. Eligibility assistance;

4.1.4. Health education and supportive counseling;

4.1.5. Interpretation/Translation;

4.1.6. Outreach which can include the use of community health workers;

4.1.7. Transportation;

4.1.8. Education of patients and the community regarding the availability and appropriate use of health services.

5. Quality Improvement

5.1. The Contractor shall conduct a minimum of two (2) quality improvement projects which consist of systematic and continuous actions that lead to measurable improvement in health care services and the health status of targeted patient groups. The Contractor shall ensure:

5.1.1. One (1) quality improvement project focuses on the performance measure as designated by the Department.

5.1.2. One (1) quality improvement project is based on previous performance outcomes needing improvement, as selected by the Contractor.

5.2. The Contractor shall utilize Quality Improvement (QI) science to develop and implement a QI Workplan for each QI project, which shall include but not be limited to:

5.2.1. Specific goals and objectives for the project period.

5.2.2. Evaluation methods to demonstrate improvements in the quality, efficiency, and effectiveness of patient care.

5.3. The Contractor may utilize activities in QI projects that enhance clinical workflow and improve patient outcomes, which may include but are not limited to:

5.3.1. EMR prompts/alerts.

5.3.2. Protocols/Guidelines.

5.3.3. Diagnostic support.

5.3.4. Patient registries.

5.3.5. Collaborative learning sessions.

6. Staffing

6.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH licenses whether directly employed, contracted or subcontracted.

6.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

6.3. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services in writing and include a copy of the individual's resume, within one month of hired.

6.4. The Contractor shall notify the MCHS, in writing, when:

6.4.1. Any critical position is vacant for more than thirty (30) consecutive days;

6.4.2. There is not adequate staffing to perform all required services for more than thirty (30) consecutive days.

7. Coordination of Services

7.1. The Contractor shall coordinate with other service providers within the community, where possible, including but not limited to collaboration with interagency referrals and to deliver coordination of care.

7.2. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

7.2.1. Community needs assessments;

7.2.2. Public health performance assessments;

7.2.3. The development of regional health improvement plans.

7.3. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

8. Required Meetings & Trainings

8.1. The Contractor shall attend meetings and trainings facilitated by the MCHS that include, but are not limited to:

8.1.1. MCHS Agency Directors' meetings;

8.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year, which may require attendance by agency quality improvement staff;

8.1.3. MCHS Agency Medical Services Directors' meetings.

9. Workplans, Outcome Reports & Additional Reporting Requirements

9.1. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a Performance Measure Outcome Report (plan for improvement) per directions from MCHS.

9.2. The Contractor shall submit an annual Workplan for the two quality improvement project(s) that demonstrates improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.3. The Contractor shall submit at least one (1) annual Workplan that includes a detailed description of the enabling services funded by this contract. This shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.4. The Contractor shall complete the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st of each contract year.

9.5. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

9.6. The Contractor shall submit the following per contract period:

9.6.1. DPHS Budget Form;

9.6.2. Budget Justification;

9.6.3. Sources of Revenue;

9.6.4. Program Staff List, which includes staff titles.

9.7. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9.8. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

9.8.1. Survey template;

9.8.2. Method by which the results were obtained.

10. On-Site Reviews

10.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

10.1.1. Systems of governance;

10.1.2. Administration;

10.1.3. Data collection and submission;

10.1.4. Clinical and financial management;

10.1.5. Delivery of education services.

10.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

10.2.1. Client records;

10.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

10.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Exhibit A-1 – Amendment #4

1. MATERNAL AND CHILD HEALTH SECTION (MCHS) PRIMARY CARE HOMELESS PERFORMANCE MEASURES

1.1. Definitions

1.1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

1.1.1.1. The calendar year (January 1st through December 31st); or

1.1.1.2. The state fiscal year (July 1st through June 30th).

1.1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.1.4. **NQF** – National Quality Forum

1.1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.1.6. **UDS** – Uniform Data System

1.1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. MCHS PRIMARY CARE HOMELESS PERFORMANCE MEASURES

2.1. Preventive Health: Depression Screening

2.1.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (NQF 0418, UDS).

2.1.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.1.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

2.1.1.3. Denominator: All patients 12 years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.1.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.1.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.2. Preventive Health: Obesity Screening

Contractor Initials: [illegible]
Date: 5/10/17

2.2.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (NQF 0421, UDS).

2.2.1.1. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.2.1.2. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

2.2.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.2.1.4. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

2.3. **Preventive Health: Tobacco Screening**

2.3.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year or prior year AND who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.3.1.1. Numerator: number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco use one or more times during their most recent visit OR within twenty-four (24) months of the most recent visit and received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.3.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.3.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.3.1.4. Definitions:

2.3.1.4.1. Tobacco Use: Includes any type of tobacco

2.3.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

2.4. **At Risk Population: Hypertension**

2.4.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90mmHG) during the measurement year** (NQF 0018).

2.4.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm HG at the time of their last measurement.

2.4.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension (must have been diagnosed with hypertension 6 or more months before the measurement date) who had at least one (1) medical visit during the measurement year. (Excludes pregnant women and patients with End Stage Renal Disease.)

2.5. **Patient Safety: Falls Screening**

2.5.1. **Percent of patients aged 65 years and older who were screened for fall risk at least once within 12 months** (NH MCHS).

2.5.1.1. Numerator: Patients who were screened for fall risk at least once within the measurement year.

2.5.1.2. Denominator: All patients aged 65 years and older seen by a health care provider within the measurement year.

2.6. **SBIRT**

2.6.1. Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services (NH MCHS).

2.6.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention and/or referral to services.

2.6.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.6.1.3. Denominator: Number of patients aged 18 years and older seen for annual/preventive visit within the measurement year.

2.6.1.4. Definitions:

2.6.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.6.1.4.2. Brief Intervention: Includes guidance or counseling.

2.6.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

Contractor Initials: HRT
Date: 5/10/17

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A – Amendment #4, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov) #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #4, Scope of Services, in accordance with Exhibit B-1 Amendment #4.
4. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
5. Payment for said services shall be made as follows:
   5.1. The Contractor will submit an invoice by the tenth (10^{th}) working day of each month, which identifies and requests reimbursement for Authorized expenses incurred in the prior month.
   5.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   5.3. The invoice must be submitted by mail or e-mail to:

   Financial Manager
   Department of Health and Human Services
   129 Pleasant Street
   Concord, NH 03301

   E-mail: dphscontractbilling@dhhs.state.nh.us
6. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.
7. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
8. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
9. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budget in Exhibit B-1 - Budget Amendment #4 that is within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

Families First

support for families...health care for all

Mission Statement

Families First Health and Support Center contributes to the health and well-being of the Seacoast community by providing a broad range of health and family services to all, regardless of ability to pay.

Vision Statement

We envision a strong community that provides fully for the health and well-being of all its members.

Guiding Principles

Families First will:

- offer a broad array of health and family services to meet evolving community needs;
- meet a standard of excellence in all services;
- ensure that no one is turned away due to inability to pay;
- treat clients respectfully and with concern for dignity;
- integrate services wherever possible;
- partner with other organizations to help realize our vision.

FINANCIAL STATEMENTS

June 30, 2016 and 2015

With Independent Auditor's Report

BerryDunn

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Families First of the Greater Seacoast

We have audited the accompanying financial statements of Families First of the Greater Seacoast, which comprise the balance sheets as of June 30, 2016 and 2015, and the related statements of operations, changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Families First of the Greater Seacoast as of June 30, 2016 and 2015, and the results of its operations, changes in its net assets and its cash flows for the years then ended, in accordance with U.S. generally accepted accounting principles.

Cash paid for interest	$ -	$ 6,666

The accompanying notes are an integral part of these financial statements.

1. Summary of Significant Accounting Policies

Organization

Families First of the Greater Seacoast (Organization) is a non-stock, not-for-profit corporation organized in New Hampshire. The Organization is a Federally Qualified Health Center (FQHC) which provides comprehensive medical and family support services, including primary care, dental, well child care, substance abuse counseling, parenting education, and home visitation programs to residents of the Seacoast region (New Hampshire and Maine).

Income Taxes

The Organization is a public charity under Section 501(c)(3) of the Internal Revenue Code. As a public charity, the Organization is exempt from state and federal income taxes on income earned in accordance with its tax-exempt purpose. Unrelated business income is subject to state and federal income tax. Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the financial statements.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits and petty cash funds and exclude amounts whose use is limited by Board designation or donor-imposed restrictions.

Allowance for Uncollectible Accounts

Patient accounts receivable are stated at the amount management expects to collect from outstanding balances. Patient accounts receivable are reduced by an allowance for uncollectible accounts. In evaluating the collectibility of patient accounts receivable, the Organization analyzes its past history and identifies trends for each funding source. Management regularly reviews data about revenue in evaluating the sufficiency of the allowance for uncollectible accounts. Amounts not collected after all reasonable collection efforts have been exhausted are applied against the allowance for uncollectible accounts. The Organization has not changed its methodology for estimating the allowance for uncollectible accounts.

A reconciliation of the allowance for uncollectible accounts at June 30 is as follows:

	2016	2015
Balance, beginning of year	$ 54,489	$ 51,984
Provision	63,508	37,705
Write-offs	(55,842)	(35,200)
Balance, end of year	$ 62,155	$ 54,489

The increase in provision is primarily due to an increase in patient balances over 120 days old.

Grants Receivable

Grants receivable are stated at the amount management expects to collect from outstanding balances. All such amounts are considered collectible.

Investments

The Organization reports investments at fair value, and has elected to report all gains and losses in the excess (deficiency) of revenues over expenses to simplify the presentation of these amounts in the statement of operations. Investments include donor endowment funds and board-designated assets. Accordingly, investments have been classified as non-current assets on the accompanying balance sheet regardless of maturity or liquidity. The Organization has established policies governing long-term investments, which are held within several investment accounts, based on the purposes for those investment accounts and their earnings.

Investment income and the change in fair value are included in the excess of revenue over expenses, unless otherwise stipulated by the donor or State Law.

Investments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. As such, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the balance sheets.

Investment in Limited Liability Company

The Organization is one of eight partners who have each made a capital contribution of $500 to Primary Health Care Partners, LLC (PHCP) during 2015. The Organization's investment in PHCP is reported using the equity method and the investment amounted to $16,204 and $- at June 30, 2016 and 2015, respectively.

Assets Limited As To Use

Assets limited as to use include assets designated by the Board of Directors for future use and donor-restricted contributions to be held in perpetuity.

Property and Equipment

Property and equipment acquisitions are recorded at cost. Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method.

Gifts of long-lived assets, such as land, buildings, or equipment, are reported as unrestricted net assets and excluded from the excess of revenues over expenses unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as temporarily restricted net assets. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets include contributions and grants for which donor-imposed restrictions have not been met. Assets are released from restrictions as expenditures are made in line with restrictions called for under the terms of the donor.

Permanently restricted net assets have been restricted by donors to be maintained by the Organization in perpetuity, the income of which is primarily available for operations.

Patient Service Revenue

Patient service revenue is reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

Charity Care

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, they are not reported as net patient service revenue.

Donated Goods and Services

Various program help and support for the daily operations of the Organization's programs were provided by the general public of the communities served by the Organization. Donated supplies and services are recorded at their estimated fair values on the date of receipt. Donated supplies and services amounted to $294,007 and $147,044 for the years ended June 30, 2016 and 2015, respectively.

Donor-Restricted Gifts

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of operations as "net assets released from restrictions." Donor-restricted contributions whose restrictions are met in the same year as received are reflected as unrestricted contributions in the accompanying financial statements.

Promises to Give

Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Given the short term nature of the pledges, they are not discounted and no reserve for uncollectible pledges has been established. Conditional promises to give are not included as support until the conditions are substantially met.

Functional Expenses

The Organization provides various services to residents within its geographic location. Expenses related to providing these services are as follows:

	2016	2015
Program services	**$ 5,202,419**	$ 4,706,160
Administrative and general	**621,430**	574,957
Fundraising	**156,959**	139,268
Total	**$ 5,980,808**	$ 5,420,385

Excess of Revenue Over Expenses

The statements of operations reflect the excess of revenue over expenses. Changes in unrestricted net assets which are excluded from the excess of revenue over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which, by donor restriction, were to be used for the purposes of acquiring such assets).

Subsequent Events

For purposes of the preparation of these financial statements, management has considered transactions or events occurring through November 9, 2016, the date that the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

2. Investments

Investments, stated at fair value, consisted of the following:

	2016	2015
Long-term investments	$ 156,031	$ 99,769
Assets limited as to use	1,450,076	1,541,850
Total investments	$ 1,606,107	$ 1,641,619

Fair Value of Financial Instruments

Financial Accounting Standards Board Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants and also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The fair value hierarchy within ASC Topic 820 distinguishes three levels of inputs that may be utilized when measuring fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect an entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The following table sets forth by level, within the fair value hierarchy, the Organization's investments at fair value:

	Investments at Fair Value as of June 30, 2016			
	Level 1	Level 2	Level 3	Total
Money market funds	$ 6,504	-	-	6,504
Mutual funds	1,599,603	-	-	1,599,603
Total investments	$ 1,606,107	$ -	$ -	$ 1,606,107

	Investments at Fair Value as of June 30, 2015			
	Level 1	Level 2	Level 3	Total
Money market funds	18,248	-	-	18,248
Mutual funds	1,623,371	-	-	1,623,371
Total investments	$ 1,641,619	$ -	$ -	$ 1,641,619

Investment income and gains (losses) for cash equivalents and investments consist of the following:

	2016	2015
Unrestricted net assets		
Investment income	$ 3,057	$ 2,452
Change in fair value of investments	(5,851)	(3,756)
Restricted net assets		
Investment income	25,187	23,575
Change in fair value of investments	(46,053)	(26,114)
Total	$ (23,660)	$ (3,843)

3. Assets Limited as to Use

Assets limited as to use consist of the following:

	2016	2015
Designated by the governing board		
For future use	$ 73,142	$ 212,115
Donor-restricted endowment		
Temporarily restricted earnings	176,247	267,234
Permanently restricted principal	1,200,687	1,200,687
Total	$ 1,450,076	$ 1,680,036

Assets limited as to use consisted of the following:

	2016	2015
Cash and cash equivalents	$ -	$ 138,186
Investments	1,450,076	1,541,850
Total	$ 1,450,076	$ 1,680,036

4. Pledges Receivable

Pledges receivable consisted of the following:

	2016	2015
Scheduled amounts due in:		
Less than one year	$ 197,507	$ 275,467

Pledges receivable have not been discounted as the amount is not material to the financial statements as a whole. The Organization believes all pledges are fully collectible.

5. Property and Equipment

Property and equipment consisted of the following:

	2016	2015
Leasehold improvements	$ 179,031	$ 179,031
Furniture, fixtures, and equipment	1,037,550	799,559
Total cost	1,216,581	978,590
Less accumulated depreciation	(643,115)	(559,807)
Property and equipment, net	$ 573,466	$ 418,783

6. Line of Credit

The Organization has a $250,000 line of credit with a local bank through May 1, 2017. The line of credit is collateralized by accounts receivable. The interest rate at June 30, 2016 was 3.50%. There was no outstanding balance at June 30, 2016 and 2015.

7. Temporarily and Permanently Restricted Net Assets

Temporarily and permanently restricted net assets consisted of the following:

	2016	2015
Temporarily restricted		
Unrestricted pledges receivable	$ 213,711	$ 275,467
Program services	95,565	88,724
Endowment earnings	176,247	267,234
Total temporarily restricted	$ 485,523	$ 631,425
Permanently restricted		
Endowment	$ 1,200,687	$ 1,200,687

8. Endowments

Interpretation of Relevant Law

There were no board-designated endowments. The Organization's endowments primarily consist of an investment portfolio managed by the Investment Sub-Committee. As required by U.S. GAAP, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Organization has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as a donor-restricted endowment (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent donor-restricted endowment gifts and (c) accumulations to the donor-restricted endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund, if any, is classified as temporarily restricted net assets until those amounts are appropriated for expenditure in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

(1) The duration and preservation of the fund;
(2) The purposes of the Organization and the donor-restricted endowment fund;
(3) General economic conditions;
(4) The possible effect of inflation and deflation;
(5) The expected total return from income and the appreciation of investments;
(6) Other resources of the Organization; and
(7) The investment policies of the Organization.

Spending Policy

The Organization has a policy of appropriating for expenditure an amount equal to 5% of the endowment fund's average fair market value over the prior 20 quarters. The earnings on the endowment fund are to be used for operations.

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires the Organization to retain as a fund of perpetual duration. There were no such deficiencies as of June 30, 2016 and 2015.

Return Objectives and Risk Parameters

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed or meet designated benchmarks while incurring a reasonable and prudent level of investment risk.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Organization targets a diversified asset allocation that places a balanced emphasis on equity-based and income-based investments to achieve its long-term return objectives within prudent risk constraints.

Endowment Net Asset Composition by Type of Fund

The endowment net asset composition by type of fund is as follows:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
2016				
Donor-restricted endowment funds	$ -	$ 176,247	$ 1,200,687	$ 1,376,934
2015				
Donor-restricted endowment funds	$ -	$ 267,234	$ 1,200,687	$ 1,467,921

The Organization had the following endowment-related activities:

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Endowment net assets, June 30, 2015	$ -	$ 267,234	$ 1,200,687	$ 1,467,921
Investment return				
Investment income	-	25,187	-	25,187
Change in fair value of investments	-	(46,053)	-	(46,053)
Appropriation of endowment assets for expenditures	-	(70,121)	-	(70,121)
Endowment net assets, June 30, 2016	$ -	$ 176,247	$ 1,200,687	$ 1,376,934

	Unrestricted	Temporarily Restricted	Permanently Restricted	Total
Endowment net assets, June 30, 2014	$ -	$ 336,328	$ 1,200,687	$ 1,537,015
Investment return				
Investment income	-	23,575	-	23,575
Change in fair value of investments	-	(26,114)	-	(26,114)
Appropriation of endowment assets for expenditures	-	(66,555)	-	(66,555)
Endowment net assets, June 30, 2015	$ -	$ 267,234	$ 1,200,687	$ 1,467,921

9. Patient Service Revenue

Patient service revenue follows:

	2016	2015
Medicare	$ 267,336	$ 215,538
Medicaid	1,595,264	1,307,387
Third-party payers and private pay	764,525	629,423
Total patient service revenue	$ 2,627,125	$ 2,152,348

The Organization has agreements with the Centers for Medicare and Medicaid Services (Medicare and New Hampshire and Maine Medicaid). Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. The Organization believes that it is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare and Medicaid programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known.

A summary of the payment arrangements with major third-party payers follows:

Medicare

Effective July 1, 2015, the Organization began to be reimbursed for the care of qualified patients on a prospective basis, with retroactive settlements related to vaccine costs only. The prospective payment is based on a geographically-adjusted rate determined by federal guidelines. Prior to July 1, 2015, the Organization was reimbursed at specified interim contractual rates during the year. Differences between the Medicare interim contractual rate and the cost of care as defined by the Principles of Reimbursement governing the program were determined and settled on a retrospective basis. Overall, reimbursement was and continues to be subject to a maximum allowable rate per visit. The Organization's Medicare cost reports have been audited by the Medicare administrative contractor through June 30, 2014.

Medicaid and Other Payers

The Organization also has entered into payment agreements with Medicaid and certain commercial insurance carriers, health maintenance organizations and preferred provider organizations. The basis for payment to the Organization under these agreements includes prospectively-determined rates per visit, discounts from established charges and capitated arrangements for primary care services on a per-member, per-month basis.

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. The Organization estimates the costs associated with providing charity care by calculating the ratio of total cost to total charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. The estimated cost of providing services to patients under the Organization charity care policy amounted to approximately $1,222,000 and $1,661,100 for the years ended June 30, 2016 and 2015, respectively.

The Organization is able to provide these services with a component of funds received through local community support and federal and state grants.

10. Retirement Plan

The Organization has a defined contribution plan under Internal Revenue Code Section 401(k) that covers substantially all employees. Employer discretionary contributions are funded at a percentage of eligible employees' salaries. The Organization contributed $94,241 for the year ended June 30, 2016. The Organization did not incur expenses under the plan for the years ended June 30, 2015.

11. Concentration of Risk

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payer agreements. The mix of medical patient service revenue receivables from patients and third-party payers was as follows as of June 30:

	2016	2015
Medicare	**15 %**	11 %
Medicaid	**45 %**	42 %
Other	**40 %**	47 %
	100 %	100 %

12. Commitments and Contingencies

Medical Malpractice Insurance

The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of the year ended June 30, 2016, there were no known malpractice claims outstanding which, in the opinion of management, will be settled for amounts in excess of both FTCA and additional medical malpractice insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew the additional medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

Leases

The Organization leases office space and certain other office equipment under noncancelable operating leases. Future minimum lease payments under these leases are as follows:

2017	$ 159,973
2018	86,659
2019	7,848
Total	$ 254,480

Rental expense amounted to $142,017 and $133,381 for the years ended June 30, 2016 and 2015, respectively. Rent expense includes a charge per square foot for utilities and housekeeping services.

PROFESSIONAL OBJECTIVE

A position in **Senior Financial Management** providing the opportunity to make a strong contribution to organizational goals though continued development of professional management and financial skills.

QUALIFICATIONS PROFILE

Experience/ Skills:

Chief Financial Officer: Assure the financial integrity of the agency.

Related skills and practices include:

- Preparing and monitoring required financial statements and reports
- Developing and revising comprehensive annual agency budgets
- Developing and updating the Administrative and Fiscal Internal Control Policies and Procedures Manual
- Supervising support staff which includes: payroll, accounts payable, accounts receivable, finance clerk, network administrator, receptionist and building maintenance
- Advising agency management and the Board of Directors in regards to fiscal planning, cost analysis auditing systems and financial reporting requirements
- Acting as the lead administrative staff for banking and investment functions, grant management and auditing functions; i.e. external and funding sources
- Reviewing and analyzing plant and equipment needs and negotiating the purchase of major equipment and financing

Computers:

- Windows-based PC's with various accounting software including Microsoft Great Plains Solomon
- Equation Solvers: Microsoft Office: Word, Excel and Outlook

Administration:

- Ensuring compliance with all applicable laws, standards, and reporting requirements of funding sources
- Preparing grant financial reports and documentations

Education:

Master Degree in Business Administration, 1989
Southern New Hampshire University – Manchester, New Hampshire

Bachelor of Science Degree in Business Administration-Accounting, 1974
Thomas College – Waterville, Maine

Accomplishments/Strengths:

- Extensive accounting, auditing and management consulting skills
- Excellent troubleshooting and analytical skills
- Well organized and proficient with details
- Excellent interpersonal and team skills

PROFESSIONAL EXPERIENCE

January 2008 to present — FAMILIES FIRST OF THE GREATER SEACOAST, Portsmouth, NH

Finance Director

July 2000 to June 2007 — INDEPENDENCE ASSOCIATION, INC, Brunswick, Maine

Director of Finance & Administration

An agency that provides residential housing and day programs to adults and children with disabilities.

Accomplishments:

- Streamlined and updated audit procedures to assure successful audits
- Responsible for smooth computer conversion to Great Plains Solomon accounting software
- Maintained and increased profits from services

November 1995 to July 2000 — METHODIST CONFERENCE HOME, INC, Rockland, Maine

Finance Manager

A senior housing agency with programs such as housing services, housing management, senior citizen meals and regional transportation.

Accomplishments:

- Involved in obtaining finance and operating funds to build an upscale senior housing facility
- Instituted financial administrative policies
- Obtained line of credit for operations.
- Computerized the accounting systems

May 1988 to November 1995 — PROFESSIONAL MANAGEMENT ASSOCIATES, Portland, Maine

Partner and Management Consultant

A business offering a wide range of management and accounting services to professionals and small to medium-sized business, both non-profit and for profit.

Clientele:

- Small to mid-size business, i.e. food industry and pharmacies
- Health care providers; i.e. physicians, dentists, chiropractors, hospitals and veterinarians.

Accomplishments:

- Increased profits for companies through new financial management policies and procedures.

State of New Hampshire
Department of Health and Human Services
Amendment #3 to the Primary Care Services for the Homeless Contract

This 3rd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #3") dated this, 20th day of October, 2016 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Families First of the Greater Seacoast. (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 100 Campus Drive, Suite 12, Portsmouth, New Hampshire 03801.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 6, 2012 (Item #69), and amended on May 8, 2014 (Item #34B), and on June 24, 2015 (Item #58) the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to Exhibit B Amendment #2, paragraph 10, notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2, and within the Price Limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council, and

WHEREAS, the State and the Department agree to adjust budget amounts between State Fiscal Years 2016 and 2017, within the Price Limitation and within the Completion Date.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

1. Except as specifically amended and modified by the terms and conditions in this Amendment #3, the obligations of the parties shall remain in full force and effect in accordance with the terms and conditions set forth in the Contract as referenced above.

2. Delete in its entirety Exhibit B-2 Amendment #2, and replace with Exhibit B-2 Amendment #3.

3. Delete in its entirety Exhibit B-4 Amendment #2, and replace with Exhibit B-4 Amendment #3.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

NH DIVISION OF Public Health Services

Nicholas A. Toumpas
Commissioner

Marcella Jordan Bobinsky
Acting Director

June 1, 2015

Her Excellency, Governor Margaret Wood Hassen
And the Honorable Executive Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to enter into **sole source** amendments with the vendors listed in the table below for the provision of primary care services, breast and cervical cancer screening services and screening, brief intervention and referral to treatment for alcohol and drug misuse by increasing the total price limitation by $8,986,056 from $10,143,156 to $19,129,212 and extending the completion date from June 30, 2015 to June 30, 2017 upon Governor and Executive Council approval. 75.2% General Funds / 24.8% Federal Funds

The original contract, approved in 2012, included a two (2) year renewal option. The Department exercised a one (1) year renewal in 2014. The Department is now seeking to extend the contracts for two (2) two additional years through these sole source amendments. The Governor and Executive Council approved the original contracts and subsequent amendments as follows:

Vendor & Vendor Number	Location	G&C Approval	Amended	Current Budget	Increase/ (Decrease)	Modified Budget Amount
Ammonoosuc Community Health Services, Inc. (177755-R001)	North Grafton/ South Coos	6/20/12 (Item #128)	5/8/14 (Item #34A)	$667,687	$540,879	$1,208,566

Please see attachment for fiscal details.

EXPLANATION

These amendments are **sole source** because the Department is renewing the contracts for two (2) additional years after exercising a one (1) year renewal option in 2014 as allowable in Exhibit C, Special Provisions, paragraph 17 of the contracts, and adding to the scope of services for community health centers that provide primary care services, statewide.

This package includes sixteen (16) of sixteen (16) contracts being amended.

Community health centers provide primary health care services that include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. These vendors deliver primary and preventive health care services to underserved people who face barriers to accessing health care due to issues such as a lack of insurance, inability to pay, language barriers and geographic isolation.

In addition to medical care, community health centers are unique among primary care providers for the array of enabling patient-centered services such as care coordination, translation services, transportation, outreach, eligibility assistance, and health education. These services assist individuals to overcome barriers to obtaining the care they need to achieve their optimal health.

Breast and cervical cancer screening services are provided as part of the preventative health care services in the community health care centers. Breast and cervical cancer screening services include clinical examinations, pap smears and referral for mammography. Through these services, individuals with abnormal test results receive additional coverage or

diagnostic work-ups and, if necessary, coordination of care from initial diagnosis through obtaining necessary treatment.

The vendors, through these amendments, will add infrastructure to provide screening, brief intervention and referral to treatment services for early identification of problematic drug and alcohol use of individuals receiving primary care services. Developing the infrastructure to provide these additional services will enable community health centers to refer those individuals who need specialized treatment to other community service agencies, which will result in optimal coordination and continuity of care.

Vendors will use funding to train staff, hire new medical assistants and/or qualified behavioral health staff necessary to institute and/or review screening, brief intervention and referral to treatment services. Staff training will include the integration of primary care and behavioral health teams to ensure program activities are conducted with fidelity to the Screening, Brief Intervention and Referral to Treatment model adopted by the United States Department of Health and Human Services, Substance Abuse and Mental Health Services Administration. Vendors will also purchase supplies and equipment that will be used specifically for integrating these services into everyday practices. Additionally, the vendors will utilize funding to support activities that will assist with building, modifying and/or enhancing technology based care approaches and electronic health record systems in order to include, extend, track and record these additional mental health services.

A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. This request includes three (3) vendors who provide primary care and universal screening services to homeless individuals, who otherwise would have no access to health care. These agreements provide funds to community health centers for services as a last resort. Vendors are required to make every effort to bill all other payers including but not limited to private and commercial insurances, Medicare, and Medicaid prior to billing the Department through these contracts.

Should Governor and Executive Council not authorize this request, low-income individuals statewide may not have adequate access to primary care services. Some women may not receive recommended breast and cervical cancer screenings, which would increase their risk of having an untreatable stage of cancer. Additionally, undetected alcohol and drug misuse could result in increases of alcohol and drug related accidents and deaths, which would negatively impact NH citizens.

Area Served: Statewide.

Source of Funds: 75.2% General Funds

24.8% Federal Funds (CFDA #93.959, Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA) Block Grants for Prevention and Treatment of Substance Abuse. FAIN #T1010035-14; CFDA #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds. State of New Hampshire
Department of Health and Human Services
Amendment #2 to the Primary Care Services for the Homeless Contract

This 2nd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #2") dated this, 30th day of April, 2015 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Families First of the Greater Seacoast (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 100 Campus Drive, Suite 12, Portsmouth, New Hampshire 03570.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 6, 2012 (Item #68) and amended by an agreement (Amendment #1 to the Contract) approved on May 8, 2014 (Item #34B), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 of the Agreement, and Exhibit C, Special Provisions, Paragraph 17, the State may amend the contract terms and conditions and renew the contract for two (2) additional years by written agreement of the parties and approval of the Governor and Executive Council; and

WHEREAS, the parties agree to extend the contract for two additional years, add services to Exhibit A, Scope of Services and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:
   June 30, 2017
2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:
   $458,638
3. Form P-37, General Provisions, Item 1.9, Contracting Officer for State Agency, to read:
   Eric D. Borrin
4. Form P-37, General Provisions, Item 1.10, State Agency Telephone Number, to read:
   (603) 271-9558
5. Delete Exhibit A, Scope of Services and Exhibit A-1 Amendment 1, Scope of Services and replace with Exhibit A – Amendment #2.
6. Delete Exhibit A-1 Amendment #1 - Performance Measures and replace with Exhibit A-1 Amendment #2 – Performance Measures.

7. Delete Exhibit B, Purchase of Services Contract Price and replace with Exhibit B – Amendment #2, Method and Conditions Precedent to Payment.
8. Add Exhibit B-1, Primary Care Budget Form through Exhibit B-4, SBIRT Budget Form.
9. Standard Exhibit D, Certification Regarding Drug-Free Workplace Requirements, Period Covered by this Certification, to read:

   From 7/1/2012 to 6/30/2017

10. Standard Exhibit E, Certification Regarding Lobbying, Contract Period, to read:

    July 1, 2012 through June 30, 2017

11. Delete Standard Exhibit G, Certification Regarding the Americans with Disabilities Act Compliance, and replace with Exhibit G, Certification of Compliance with Requirements Pertaining to Federal Nondiscrimination, Equal Treatment of Faith-Based Organizations and Whistleblower Protections.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Scope of Services

1. **Provisions Applicable to All Services**

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. The Contractor shall utilize flexible hours and minimal use of appointment systems to provide primary care and enabling services to homeless individuals and families through the use of permanent office based locations and/or mobile or temporary delivery locations.

1.5. The Contractor shall serve target populations that include individuals who:

1.5.1. Are uninsured.

1.5.2. Are underinsured.

1.5.3. Are low-income, which is defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5.4. Lack housing including an individual whose primary residence during the night is a supervised public or private facility (e.g., shelters) that provides temporary living accommodations.

1.5.5. Are residents in transitional housing.

1.5.6. Are unable to maintain their housing situation and are forced to stay with a series of friends and/or extended family members may be considered homeless. \

1.5.7. Are to be released from a prison or a hospital who may also be considered homeless if they do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

1.6. The Contractor shall continue to provide primary care and enabling services to individuals described in Section 1.5.4 through Section 1.5.7 above for three hundred sixty-four (364) calendar days following the individual's placement in permanent housing.

1.7. The Contractor shall provide **Screening, Brief Intervention and Referrals to Treatment** (SBIRT) Services to all individuals described in Section 1.4 through Section 1.6, above.

1.8. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.8.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.8.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.8.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care or SBIRT Services for new patients is limited or closed for more than a one month period.

2.2. The Contractor shall maintain documentation for each individual receiving services described in this contract that includes, but is not limited to:

2.2.1. Family income.

2.2.2. Family size.

2.2.3. Income in relation to the Federal Poverty Guidelines.

2.3. The Contractor shall assist individuals with completing a Medicaid application when income calculations indicate possible Medicaid eligibility.

2.4. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.5. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.5.1. Update the sliding fee scale on an annual basis every when new Federal Poverty Guidelines are released.

2.5.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. These services can be

designed to meet the unique and identified needs of the homeless populations within the contracted service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services.

3.1.2. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.1.3. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.1.4. Assessment of need for:

3.1.4.1. Tobacco cessation, including referral to NH Quitworks, as appropriate.

3.1.4.2. Social services.

3.1.4.3. Nutrition services, including WIC, as appropriate.

3.1.4.4. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which shall include, but not be limited to:

3.2.1. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.2.2. Care facilitated by registries, information technology, health information exchange and other means to assure that patients get the necessary care when and where they need and want it in a culturally and linguistically appropriate manner.

3.2.3. An integrated model of primary care that may include, but is not limited to:

3.2.3.1. Behavioral health

3.2.3.2. Oral health.

3.2.3.3. Use of navigators and case management.

3.2.3.4. Co-location of services and system-level integration of care and fiscal accountability.

3.3. The Contractor may provide enabling services, if the budget allows, which are non-clinical services that support the delivery of basic primary care services and facilitate access to comprehensive patient care as well as social services. The Contractor can facilitate enabling services that include, but are not limited to:

3.3.1. Case management.

3.3.2. Benefit counseling.

3.3.3. Eligibility assistance.

3.3.4. Health education and supportive counseling.

3.3.5. Interpretation.

3.3.6. Outreach.

3.3.7. Transportation.

3.3.8. Education of patients and the community regarding the availability and appropriate use of health services.

3.4. The Contractor must elect to do at least one (1) quality improvement project which consists of systematic and continuous actions that lead to measurable improvements in health care services and the health status of targeted patient groups. The Contractor shall facilitate a minimum of one (1) quality improvement project that includes, but is not limited to:

3.4.1. Enhancing clinical workflow/improve patient outcomes by methods that may include, but are not limited to:

3.4.1.1. Alerts.

3.4.1.2. Guidelines.

3.4.1.3. Diagnostic support.

3.4.1.4. Patient registries.

3.4.1.5. Collaborative learning sessions, etc.)

3.4.2. Implementing projects that lead to measurable improvements on any of the performance measures and indicators identified in Exhibit A-1 Amendment #2

3.4.3. Utilizing defined improvement processes to coordinate quality improvement activities.

3.4.4. Identifying and defining specific goals and objectives to be achieved in the project period.

4. Screening, Brief Intervention, and Referral to Treatment (SBIRT) Services

4.1. The Contractor shall develop the infrastructure necessary to provide and record Screening, Brief Intervention, and Referral to Treatment (SBIRT) services related to substance use for all eligible individuals ages nineteen (19) to sixty-five (65) years and for all pregnant women, regardless of age, receiving services in Section 3 and/or Section 4. The Contractor shall:

4.1.1. Provide training to integrated primary care and behavioral health teams to ensure SBIRT activities are conducted with fidelity to the model in Section 5.1.

4.1.2. Modify and/or adapt current Electronic Health Records (EHR) systems in order to track SBIRT:

4.1.2.1. Activities

4.1.2.2. Completions.

4.1.2.3. Recommendations and referrals.

4.1.2.4. Follow-ups.

4.1.3. Utilize Substance Use Disorder (SUD) codes in the EHR for billing that shall:

4.1.3.1. Enable submission for payment through NH Managed Care/Medicaid and other insurance companies.

4.1.3.2. Allow the generation of reports.

4.2. The Contractor shall implement SBIRT services by ensuring sufficient qualified staff are available to conduct SBIRT services according to the SBIRT model described by the Centers for Disease Control (CDC), available on-line at http/www.dcd.gov/ncddd/fasd/documents/aloholsbiimplementationguide.pdf. The Contractor shall:

4.2.1. Implement SBIRT services by including SBIRT activities in daily operations.

4.2.2. Use one or more of the screening instruments listed in Appendix E of "Systems-Level Implementation of Screening, Brief Intervention and Referral to Treatment. TAP 33" (2013 edition) (http://www.integration.samhsa.gov/sbirt/TAP33.pdf) and document screening in the electronic health record (EHR).

4.2.3. Conduct brief interventions with patients who screen positive for potential substance use concerns and document activities in the EHR.

4.2.4. Refer patients to Substance Use Disorder (SUD) treatment services as necessary, and ensure each patient has connected with the specific service provider by documenting in the EHR, which is audited to ensure appropriate follow up.

4.2.5. Conduct SBIRT with covered populations that include all adults on an annual basis and pregnant women on a trimester basis.

4.3. Coordinate care between community health center (CHC) services and external treatment providers by collaborating with entities that provide SUD treatment services not available at the CHC. The Contractor shall:

4.3.1. Obtain client consents to contact service providers in order to resolve any barriers to accessing services.

4.3.2. Refer patients for SUD services, as needed.

4.3.3. Follow up with patient and/or SUD service provider to ensure appropriate services are provided.

4.3.4. Work with Regional Public Health Networks (RPHNs) to identify new SUD referral resources as they become available.

4.4. The Contractor shall test SBIRT fidelity with a subset of the target population prior to full implementation for all adults ages nineteen (19) to sixty-five (65) annually and pregnant women at each trimester.

5. Staffing

5.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH licenses whether directly employed, contracted or subcontracted.

5.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

5.3. The Contractor shall ensure staff delivering SBIRT services have, at minimum, one of the following:

5.3.1. Masters prepared behavioral health practitioners. This includes individuals licensed under the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board.

5.3.2. Masters prepared and in the process of obtaining a license from the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board, while under the supervision of a licensed practitioner of the same profession.

5.3.3. Physicians or Advanced Practice Registered Nurses licensed to practice in NH.

5.3.4. Physician Assistants or other practitioners under the supervision of a Physician licensed to practice in NH.

5.4. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services in writing and include a copy of the individual's resume, within one month of hired.

5.5. The Contractor shall notify the MCHS, in writing, when:

5.5.1. Any critical position is vacant for more than one month.

5.5.2. There is not adequate staffing to perform all required services for more than one month.

6. Coordination of Services

6.1. The Contractor shall coordinate with other service providers within the community, where possible, including but not limited to collaboration with interagency referrals and to deliver coordination of care.

6.2. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

6.2.1. Community needs assessments.

6.2.2. Public health performance assessments.

6.2.3. The development of regional health improvement plans.

6.3. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

7. Required Meetings & Trainings

7.1. The Contractor shall attend meetings and trainings facilitated by the MCHS and BCCP programs that include, but are not limited to:

7.1.1. MCHS Agency Directors' meetings.

7.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year.

7.1.3. MCHS Agency Medical Services Directors' meetings.

8. Workplans, Outcome Reports & Additional Reporting Requirements

8.1. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a corrective action plan per directions from MCHS.

8.2. The Contractor shall submit an annual Workplan and Workplan Outcome Report for the quality improvement project(s) that demonstrates improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

8.3. If utilizing any portion of this contract for enabling services, the Contractor shall submit an annual Workplan and Workplan Outcome Report that includes at least one (1) performance measure for each type of enabling service provided. This shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

8.4. The Contractor shall complete the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st.

8.5. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

8.6. The Contractor shall submit quarterly Outcome Reports for SBIRT services according to the schedule and instructions provided by the MCHS. The Contractor shall:

8.6.1. Collect information that includes, but is not limited to:

8.6.1.1. Description of staff training, including but not limited to:

8.6.1.1.1. Content of training.

8.6.1.1.2. Number of staff trained.

8.6.1.2. The number of:

8.6.1.2.1. Qualified staff conducting SBIRT

8.6.1.2.2. SBIRT billing codes developed.

8.6.1.2.3. SBIRT services billed to insurance.

8.6.1.3. Updates on any changes, enhancements or adaptations to SBIRT procedures in:

8.6.1.3.1. Technology based systems.

8.6.1.3.2. Staffing.

8.6.1.3.3. Coding and billing.

8.6.1.4. The total number of clients receiving SBIRT delineated by:

8.6.1.4.1. Percentage of clients receiving only screening.

8.6.1.4.2. Percentage of clients receiving brief interventions.

8.6.1.4.3. Percentage of clients referred for more intensive services who initiated services.

8.6.1.4.4. Percentage of clients referred for more intensive services who had problems connecting to services.

8.7. The Contractor shall submit an annual report on April 30th in each year a contract amendment or renewal is not required that includes, but is not limited to:

8.7.1. DPHS Budget Form.

8.7.2. Budget Justification.

8.7.3. Sources of Revenue.

8.7.4. Program Staff List, which includes staff titles

8.8. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

8.9. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

8.9.1. Survey template.

8.9.2. Method by which the results were obtained.

9. On-Site Reviews

9.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

9.1.1. Systems of governance.

9.1.2. Administration.

9.1.3. Data collection and submission.

9.1.4. Clinical and financial management.

9.1.5. Delivery of education services.

9.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

9.2.1. Client records.

9.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

9.2.3. SBIRT documentation, which includes but is not limited to:

9.2.3.1. SBIRT policies and procedures.

9.2.3.2. Staff credentials for all staff delivering SBIRT services

9.2.3.3. SBIRT procedures utilized and documented in patient records.

9.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Exhibit A-1 – Amendment #2

1. PRIMARY CARE PERFORMANCE MEASURES

1.1. Breastfeeding

1.1.1. **Percent of infants who are ever breastfed** (Title V PM #10).

1.1.1.1. Numerator: Infants who were ever breastfed or received breast milk

1.1.1.2. Denominator: All infants born in a state fiscal year

1.2. Preventive Health: Lead Screening

1.2.1. **Percent of children 2 years of age who had one or more capillary or venous lead blood test for lead poisoning by their second birthday.** (CMS, Hedis).

1.2.1.1. Numerator: At least one capillary or venous blood test on or before the child's second birthday.

1.2.1.2. Denominator: Children who turn 2 years old during the state fiscal year.

1.3. Preventive Health: Adolescent Well-Care Visit

1.3.1. **Percent of adolescents, 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year** (Hedis, Title V PM #7).

1.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

1.3.1.2. Denominator: Number of adolescents, ages 12 through 21 years of age.

1.4. Preventive Health: Depression Screening

1.4.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (ACO 18, NQF 0418).

1.4.1.1. Numerator: Patients who are screened for clinical depression using an age-appropriate standardized depression screening tool AND if positive, a follow-up plan documented.

1.4.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.1.3. Denominator: All patients 12 years and older.

1.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

Contractor Initials _____
Date 5/13/15

1.4.2. **Maternal Depression Screening** (Developmental: not required for FY 16)

1.4.2.1. **Percentage of women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen.**

1.4.2.1.1. Numerator: Women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool and screen negative.

AND

Women who are screened for depression during the post-partum visit using an appropriate standardized depression screening tool, screen positive, AND have a follow-up plan documented.

1.4.2.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.2.1.3. Denominator: All women who are at least 6 weeks post-partum in a state fiscal year.

1.4.2.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

1.5. **Preventive Health: Obesity Screening**

1.5.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (ACO 16, NQF 0421, HRSA UDS).

1.5.1.1. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

1.5.1.2. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters.

1.5.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist,

occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

1.5.1.4. Denominator: All patients aged 18 years and older who had at least one medical visit during the state fiscal year.

1.5.2. Percent of patients aged 2 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (HRSA UDS).

1.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

1.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

1.6. **Preventive Health: Tobacco Screening**

1.6.1. Percent of patients aged 18 years and older who were screened for tobacco use one or more times within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user (ACO 17, NQF 0028, HRSA UDS).

1.6.1.1. Numerator: Patients who were screened for tobacco use at least once within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.1.2. Definitions:

1.6.1.2.1. Tobacco Use: Includes any type of tobacco

1.6.1.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.1.3. Denominator: All patients aged 18 years and older seen for at least two visits ever

1.6.2. **Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user** (Title V, PM #15).

1.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.2.2. Definitions:

1.6.2.2.1. Tobacco Use: Includes any type of tobacco

1.6.2.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.2.3. Denominator: All women who delivered a live birth in a state fiscal year

1.7. **At Risk Population: Hypertension**

1.7.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90 mm Hg) during the measurement year** (ACO 28, NQF 0018).

1.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm Hg at the time of their last measurement.

1.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)

1.8. **Patient Safety: Falls Screening**

1.8.1. **Percent of patients aged 65 years and older who were screened for future fall risk at least once within 12 months** (ACO 13, NQF0101).

1.8.1.1. Numerator: Patients who were screened for future fall risk at least once within 12 months.

1.8.1.2. Definition of Fall: a sudden, unintentional change in position causing an individual to land at a lower level, on an object, the floor, or the ground, other than as a consequence of a sudden onset of paralysis, epileptic seizure, or overwhelming external force.

1.8.1.3. Numerator note: Patients are considered at risk for future falls if they have had 2 or more falls in the past year or any fall with injury in the past year.

1.8.1.4. Denominator: All patients aged 65 years and older

1.8.1.5. Excluded from denominator population: (Exclusion only applied if patient was not screened for future fall risk) Documentation of medical reason(s) for not screening for future fall risk (e.g. patient is not ambulatory)

2. SBIRT PERFORMANCE MEASURES

2.1. **Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services**

2.1.1. **Numerator:** Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention or referral to services.

2.1.2. Definitions

2.1.2.1. Substance Use: Includes any type of alcohol or drug.

2.1.2.2. Brief Intervention: Includes guidance or counseling.

2.1.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

2.1.3. Denominator: Number of patients aged 18 years and older seen for annual visit within 12 months.

2.2. **Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program AND if positive, received a brief intervention or referral to services**

2.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

2.2.2. Definitions:

2.2.2.1. Substance Use: Includes any type of alcohol or drug.

2.2.2.2. Brief Intervention: Includes guidance or counseling.

2.2.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

2.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the state fiscal year.

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov):
   2.1. #93.959, Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA) Block Grants for Prevention and Treatment of Substance Abuse.
   2.2. #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #2, Scope of Services, in accordance with Exhibit B-1 Amendment #2 through Exhibit B-4 Amendment #2.
4. The Contractor shall use and apply the amount in the SBIRT line item in Exhibit B-2 and Exhibit B-4 on actual SBIRT services provided.
5. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
6. Payment for said services shall be made as follows:
   6.1. The Contractor will submit an invoice by the tenth (10th) working day of each month, which identifies and requests reimbursement for:
      6.1.1. Authorized expenses incurred in the prior month.
      6.1.2. The units of SBIRT services provided, in accordance with Exhibit A – Amendment #2, Section 4.2.2 through Section 4.2.5 and Section 4.3.1 through Section 4.3.3, which shall be paid on a fee-for-service basis at the following rates:
         6.1.2.1. $29.86 for each unit of service that is 15-30 minutes.
         6.1.2.2. $57.31 for each unit of service that is more than 30 minutes.
   6.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   6.3. The invoice must be submitted by mail or e-mail to:

      Financial Manager
      Department of Health and Human Services
      129 Pleasant Street
      Concord, NH 03301

      E-mail: dphscontractbilling@dhhs.state.nh.us
7. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.

Contractor Initials: [illegible]
Date: 5/13/15

8. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
9. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
10. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #2 through Exhibit B-4 Amendment #2 and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

GF Revolving Funds
50% General Funds

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to amend agreements with 3 vendors by increasing the total price limitation by $319,787 from $356,000 to $675,787 to provide primary care services for individuals experiencing homelessness. This amount includes a request to **retroactively** enter into **sole-source** amendments in an amount of $53,170, effective **retroactive** to July, 1, 2013 through June 30, 2014 and to exercise a one-year renewal option with the same 3 vendors in an amount of $266,617, extending the completion date from June 30, 2014 to June 30, 2015, effective upon Governor and Council approval. Two of these agreements were originally approved by Governor and Council on June 6, 2012, Item numbers 68 and 69, and one agreement was originally approved by Governor and Council on June 20, 2012, Item number 124.

Summary of contracted amounts by vendor:

Vendor	Location	SFY 2014 Amount	SFY 2015 Amount	Total Increase
Families First of Greater Seacoast	Rockingham County	17,194	86,219	103,413
Harbor Homes	Southern Hillsborough	17,706	88,787	106,493
Manchester Health Dept.	Greater Manchester	18,270	91,611	109,881
TOTAL		**53,170**	**266,617**	**319,787**

Funds to support this request are available in the following accounts for SFY 2014 and SFY 2015, with authority to adjust amounts within the price limitation and amend the related terms of the contract without further approval from Governor and Executive Council.

05-95-90-902010-5190 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF POPULATION HEALTH AND COMMUNITY SERVICES, MATERNAL AND CHILD HEALTH

See attachment for financial details

EXPLANATION

Approval is requested **retroactive** to July 1, 2013. The services provided by these contracts are consistent with prior contracts and were included in the operating budget for SFY 2014 and SFY 2015. Contracts were delayed, however, since the exact amount of funding available was only recently

determined. The SFY 2014 amendments are **sole source** because they exceed more than 10% of the original contract amount.

This requested action seeks approval of 3 amendments to continue office-based and mobile primary care services for individuals experiencing homelessness. In the interest of efficiency, the contract amendments are being bundled as they are providing the same services, and because of the size of the resulting Governor and Council submission, the copies provided are abbreviated in the interest of saving resources. The Councilors and the public can view the entire submission package on the Secretary of State's website.

Primary health care services for the homeless include preventive and episodic health care for acute and chronic health conditions for adults. Community health agencies provide primary health care, substance abuse referral, intervention and counseling and social services at locations accessible to people who are homeless. They provide emergency care with referrals to hospitals for inpatient services and/or other needed services. Community health agencies engage in outreach activities to assist difficult-to-reach homeless persons in accessing care and provide assistance in establishing eligibility for entitlement programs and housing.

Community health agencies that receive support through the Division of Public Health Services deliver primary health care services for the homeless specialize in serving people who face barriers to accessing health care, due to issues such as extreme poverty, a lack of insurance, language barriers, behavioral and mental health diagnoses, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. Racial and ethnic minorities and immigrants experience homelessness at a rate far disproportionate to that of the general population. Community health agencies demonstrate competencies in engaging these individuals by not only addressing their specific linguistic and cultural needs, but also their unique vulnerabilities and situations. The services provided help individuals overcome barriers to getting the care they need and achieving their optimal health.

Should Governor and Executive Council not authorize this Request, homeless individuals in Rockingham and Hillsborough counties may not have adequate access to primary care services. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities.

Contracts were awarded to Community Health Agencies through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from February 3, 2012 through March 8, 2012 soliciting proposals to cover all of Rockingham and Hillsborough counties. In addition, a bidder's conference, conference call, and web conference were held on February 9, 2012 to alert agencies to this bid.

Three proposals were received in response to the posting. There were no competing applications for the Rockingham and Hillsborough counties solicited in the Requests for Proposals. Three professionals, who work internal and external to the Department of Health and Human Services, scored each proposal. All reviewers have experience either in clinical settings, providing community-based family support services, and or managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health homeless services; quality assurance and performance improvement; chronic and communicable diseases; and public health

infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. Scores were averaged and all proposals were recommended for funding. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, these competitively procured Agreements have the option to renew for two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council. The Department is exercising one year of this renewal option.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. All Primary Health Care for the Homeless vendors are making adequate progress in meeting clinical performance measures and the Department wishes to continue working with the vendors for another year.

The performance measures as described in the contract amendment Exhibit A – Amendment 1 – Performance Measures, will be used to continue to measure the effectiveness of the agreement.

Area to be served is Hillsborough and Rockingham counties.

Source of Funds: 5.59% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau and 94.41% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

José Thier Montero, MD, MHCDS
Director

State of New Hampshire
Department of Health and Human Services
Amendment #1 to the
Families First of the Greater Seacoast

This 1st Amendment to the Families First of the Greater Seacoast contract (hereinafter referred to as "Amendment One") dated this 17th day of March, 2014, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Families First of the Greater Seacoast (hereinafter referred to as "the Contractor"), a corporation with a place of business at 100 Campus Drive, Suite 12, Portsmouth, New Hampshire 03801.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 6, 2012, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18, the State may modify the scope of work and the payment schedule of the contract by written agreement of the parties;

WHEREAS, the Department desires to provide additional primary health care services for the homeless, preventive and episodic health care for acute and chronic health conditions for people of all ages.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

- Form P-37, to change:
  Block 1.7 to read: June 30, 2015
  Block 1.8 to read: $218,537

- Exhibit A, Scope of Services to add:
  Exhibit A – Amendment 1

- Exhibit B, Purchase of Services, Contract Price, to add:

  Paragraph 1.1 to Paragraph 1:
  The contract price shall increase by $17,194 for SFY 2014 and $86,219 for SFY 2015.

  Paragraph 1.2 to Paragraph 1:
  Funding is available as follows:
- $17,194 from 05-95-90-902010-5190-102-500731, 100% General Funds;

Contractor Initials: [illegible]
Date: 3/17/14

- $86,219 from 05-95-90-902010-5190-102-500731, 6.7% Federal Funds from the US Department of Health and Human Services Administration, Maternal and Child Health Bureau, CFDA #93.994 and 93.3% General Funds;

  Add Paragraph 8
  8. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjustments to amounts between and among account numbers, within the price limitation, may be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

- Budget, to add:
  Exhibit B-1 (2014) - Amendment 1,
  Exhibit B-1 (2015) - Amendment 1

This amendment shall be in effect July 1, 2013, effective upon the date of Governor and Executive Council approval.

APPROVED G&C #69
DATE 6/6/12

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, Bureau of Population Health and Community Services, Maternal and Child Health Section to enter into an agreement with Families First of the Greater Seacoast (Vendor #166629-B001), 100 Campus Drive, Suite 12, Portsmouth, New Hampshire 03801, in an amount not to exceed $115,124.00, to provide primary care services for individuals experiencing homelessness, to be effective July 1, 2012 or date of Governor and Council approval, whichever is later, through June 30, 2014. Funds are available in the following account for SFY 2013, and are anticipated to be available in SFY 2014 upon the availability and continued appropriation of funds in the future operating budget.

05-95-90-902010-5190 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS DIVISION OF PUBLIC HEALTH, BUREAU OF POPULATION HEALTH AND COMMUNITY SERVICES, MATERNAL AND CHILD HEALTH

Fiscal Year	Class/Object	Class Title	Job Number	Total Amount
SFY 2013	102-500731	Contracts for Program Services	90080000	$57,562
SFY 2014	102-500731	Contracts for Program Services	90080000	$57,562
			Sub-Total	$115,124

EXPLANATION

Funds in this agreement will be used to provide outreach and case management services, primary medical and dental care, 24-hour emergency services, mental health and substance abuse counseling and treatment to people who are experiencing homelessness.

Community health agencies deliver primary and preventive health care services to underserved people who face barriers to accessing health care, such as a lack of insurance, inability to pay, cultural and ethnic issues, and geographic isolation. However, there are people whose needs have not been fully met in traditional office-based health care centers. In particular, the needs of homeless individuals and families are far more complex than the general population. People who are homeless suffer from health care problems at more than double the rate of individuals with stable housing. Homeless individuals also experience barriers trying to access mainstream health care often due to a lack of transportation and the limited hours of service available at most community health agencies.

In New Hampshire, 4,942 individuals were sheltered in one of the State-Funded Shelters across the state in State Fiscal Year 2011.[1] Of those who received services, 3,311 were single adults, 691 adults were in 528 families with 940 children; 634 were victims of domestic violence.[2] An additional 728 individuals were the "hidden homeless," those persons who are temporarily doubled up, "couch surfing," or living precariously in overcrowded or unsafe conditions.[3]

Homeless individuals are burdened with additional needs including mental illness, substance abuse and chronic health conditions such as HIV/AIDS. Nationally, health conditions such as hypertension, diabetes, depression and alcohol and substance abuse rank among the highest diagnoses.[4]

This funding will support a multidisciplinary approach to delivering care to individuals experiencing homelessness, combining aggressive street outreach with an integrated system of primary care, mental health and substance abuse services, case management, and client advocacy. Particular emphasis is placed on coordinating efforts with other community providers and social service agencies.

Should Governor and Executive Council not authorize this Request, a minimum of 1,540 low-income homeless individuals from the Rockingham area may not have access to primary care services. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities.

Families First of the Greater Seacoast was selected for this project to serve the Rockingham area through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from February 3, 2012 through March 8, 2012 soliciting proposals to cover all of Rockingham and Hillsborough counties. In addition, a bidder's conference, conference call, and web conference were held on February 9, 2012 to alert agencies to this bid.

Three proposals were received in response to the posting. There were no competing applications for the Rockingham and Hillsborough counties solicited in the Requests for Proposals. Three professionals, who work internal and external to the Department of Health and Human Services, scored each proposal. All reviewers have experience either in clinical settings, providing community-based family support services, and or managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health homeless services; quality assurance and performance improvement; chronic and communicable diseases; and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. Scores were averaged and all proposals were recommended for funding. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two additional years, contingent upon satisfactory delivery of services, available funding,

Exhibit C

SPECIAL PROVISIONS

1. **Contractors Obligations:** The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

2. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

3. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

4. **Documentation:** In addition to the determination forms, required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

5. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

6. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

7. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

8. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractor's costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party fundors for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party fundors, the Department may elect to:

    8.1 Renegotiate the rates for payment hereunder, in which event new rates shall be established;

Contractor Initials: [illegible]
Date 3/27/12

8.2 Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

8.3 Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

9. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:

   9.1 **Fiscal Records:** Books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

   9.2 **Statistical Records:** Statistical, enrollment, attendance, or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

   9.3 **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

10. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.

    10.1 **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.

    10.2 **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

11. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directed connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Contractor Initials: [illegible]
Date: 3/21/12

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

12. **Reports: Fiscal and Statistical:** The Contractor agrees to submit the following reports at the following times if requested by the Department

    12.1 Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.

    12.2 Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

13. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

14. **Credits:** All documents, notices, press releases, research reports, and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:

    14.1 The preparation of this (report, document, etc.), was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, Division of Public Health Services, with funds provided in part or in whole by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

15. **Operation of Facilities:** Compliance with Laws and Regulations: In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the Contractor with respect to the operation of the facility or the provision of the services at such facility. If any government license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

Date: _____

16. **Insurance:** Select either (1) or (2) below:

As referenced in the Request for Proposal, Comprehensive General Liability Insurance Acknowledgement Form, the Insurance requirement checked under this section is applicable to this contract:

Insurance Requirement for (1) - 501(c) (3) contractors whose annual gross amount of contract work with the State does not exceed $500,000, per RSA 21-I:13, XIV, (Supp. 2006): The general liability insurance requirements of standard state contracts for contractors that qualify for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the state does not exceed $500,000, is comprehensive general liability insurance in amounts of not less than $1,000,000 per claim or occurrence and $2,000,000 in the aggregate. *These amounts may NOT be modified.*

X (1) The contractor certifies that it IS a 501(c) (3) contractor whose annual total amount of contract work with the State of New Hampshire does not exceed $500,000.

Insurance Requirement for (2) - All other contractors who do not qualify for RSA 21-I:13, XIV, (Supp. 2006), Agreement P-37 General Provisions, 14.1 and 14.1.1. Insurance and Bond, shall apply: The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, both for the benefits of the State, the following insurance: comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per incident or occurrence. *These amounts MAY be modified if the State of NH determines contract activities are a risk of lower liability.*

☐ (2) The contractor certifies it does NOT qualify for insurance requirements under RSA 21-I:13, XIV (Supp. 2006).

17. **Renewal:**

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two (2) additional year(s), contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

18. **Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:**

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

Date: 2/27/15

19. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

Department of Health and Human Services
Amendment #4 to the Primary Care Services Contract

This 4th Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #4") dated this, 1st day of May, 2017 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Goodwin Community Health (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 311 Route 108, Somersworth, New Hampshire 03878.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #135) as amended by an agreement (Amendment #1 to the Contract) approved by the Governor and Executive Council on May 8, 2014 (Item #34A), as amended by an agreement (Amendment #2 to the Contract) approved by the Governor and Executive Council on June 24, 2015 (Item #58), as amended by an agreement (Amendment #3 to the Contract) approved by the Department on December 21, 2016; the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 of the Agreement the State may amend the contract terms and conditions by written agreement of the parties and approval of the Governor and Executive Council; and

WHEREAS, the parties agree to extend the contract for nine (9) months, add services to Exhibit A, Scope of Services and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:
   March 31, 2018
2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:
   $2,190,701
3. Add Exhibit A- Amendment #4, Scope of Services.
4. Add Exhibit A-1 – Amendment #4, Performance Measures
5. Add Exhibit B – Amendment #4, Method and Conditions Precedent to Payment.
6. Add Exhibit B-1 – Amendment #4 MCHS Budget.
7. Add Exhibit B-2 – Amendment #4, BCCP Budget.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. Office-based and enabling **Primary Care** services shall be provided individuals and families who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income, which is defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. **Breast and Cervical Cancer Screening** Services shall be provided to women ages twenty-one(21) through sixty-four (64) who are:

1.5.1. Uninsured.

1.5.2. Underinsured.

1.5.3. Low-income, which is defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.6. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.6.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.6.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.6.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

Contractor's Initials: JL

Date 5-23-17

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care or Breast and Cervical Cancer Screening Services for new patients is limited or closed for more than thirty (30) consecutive days or any sixty (60) non-consecutive days.

2.2. The Contractor shall assist individuals with completing a Medicaid/Expanded Medicaid or other health insurance application when income calculations indicate possible eligibility.

2.3. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.4. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.4.1. Update the sliding fee scale on an annual basis when new Federal Poverty Guidelines are released.

2.4.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services.

3.1.2. Perinatal services, including but not limited to access to obstetrical services either on-site or by referral.

3.1.3. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.1.4. Integrated Behavioral Health Services.

3.1.5. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.1.6. Assessment of need and follow-up/referral as indicated for:

3.1.6.1. Tobacco cessation, including referral to QuitWorks-NH, www.QuitWorksNH.org.

3.1.6.2. Social services.

3.1.6.3. Chronic Disease management, including disease specific referral and self-management education, which may include, but is not limited to referral to Diabetes Self-

Contractor's Initials: JL

Date 5-23-17

Management Education (DSME), as recommended by the American Diabetes Association.

3.1.6.4. Nutrition services, including WIC, as appropriate.

3.1.6.5. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.1.6.6. Screening, Brief Intervention and Referral to Treatment (SBIRT) services, including but not limited to contact with the Regional Public Health Network Continuum of Care Development Initiative.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which includes but is not limited to access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.3. The Contractor shall provide enabling services, which are non-clinical services that support the delivery of basic primary care and services, and facilitate access to comprehensive patient care as well as social services. The Contractor shall facilitate enabling services that include, but are not limited to:

3.3.1. Case management, which may include but is not limited to, care facilitated by registries; information technology; health information exchanged; and other services that ensure patients receive necessary care when and where it is needed and wanted 8in a culturally and linguistically appropriate manner.

3.3.2. Benefit counseling.

3.3.3. Eligibility assistance.

3.3.4. Health education and supportive counseling.

3.3.5. Interpretation.

3.3.6. Outreach, which may include but is not limited to the use of community health workers.

3.3.7. Transportation.

3.3.8. Education of patients and the community regarding the availability and appropriate use of health services.

4. Breast and Cervical Cancer Screening Services

4.1. The Contract shall develop work plans based on performance measures in Exhibit A-1 – Amendment #3 that include activities related to:

4.1.1. The provision of breast and cervical cancer screening.

4.1.2. The promotion of breast and cervical cancer screening.

4.2. The Contractor shall implement evidence-based interventions outlined in the Centers for Disease Control and Prevention Guide to Community Preventative Services (http://www.thecommunityguide.org/index/html) to support the provision and promotion of breast and cervical cancer screening rates, including but not limited to provider reminder systems and patient reminders.

4.3. The Contractor shall provide breast and cervical cancer screening for the early detection of breast and cervical cancer in accordance with the policies and procedures outlined in the BCCP Policy and Procedure Manual, following nationally accepted screening recommendations. Screenings shall include but not be limited to:

4.3.1. Clinical pelvic examinations.

4.3.2. Clinical breast examinations.

4.3.3. Mammograms.

4.3.4. Pap and HPV tests, if appropriate.

4.3.5. Referrals for diagnostic and treatment services, as necessary.

4.4. The Contractor shall provide services to the number of individuals as follows:

4.4.1. 75% of all mammograms shall be provided to women ages fifty (50) to sixty-four (64) at all screening sites.

4.4.2. A maximum of 25% of all mammograms shall be provided to women under the age of fifty (50) at all screening sites.

4.4.3. 20% of newly enrolled women for Pap tests shall be provided at all screening sites to women who have not had a Pap test in over five (5) years.

4.5. The Contractor shall ensure all referrals are made in accordance with the minimum standards outlined in the BCCP Policy and Procedure Manual to facilities that provide approved and certified laboratory, pathology, radiology and surgical services. The Contractor shall ensure:

4.5.1. Mammography units are accredited by the American College of Radiology and FDA certified under MQSA.

4.5.2. Laboratories are CLIA certified.

4.6. The Contractor shall ensure all services and case management activities are completed in accordance with the BCCP Policy and Procedure Manual, including but not limited to follow-up and tracking of all client tests results and referrals.

4.7. The Contractor shall provide screening promotion for all eligible individuals, which includes, but is not limited to:

4.7.1. Patient navigation services that assist individuals to overcome health systems barriers and facilitate timely access to:

4.7.1.1. Quality breast and cervical cancer screening.

4.7.1.2. Breast and cervical cancer diagnostics.

4.7.1.3. Initiation of breast and cervical cancer treatment, when applicable.

4.7.1.4. Assurance that patient navigation services are terminated when the patient:

4.7.1.4.1. Completes screening and has normal results.

4.7.1.4.2. Completes diagnostic testing and has normal results.

4.7.1.4.3. Initiates breast and/or cervical cancer treatment or refuses treatment.

4.7.2. Patient navigation services shall include, but not be limited to:

4.7.2.1. A written assessment of individual client barriers.

4.7.2.2. Client education and support.

4.7.2.3. Assistance with resolving client barriers, including but not limited to transportation and translation services, as appropriate.

4.7.2.4. Tracking and follow-up to monitor client progress in completing screening, diagnostic testing, and initiation of treatment, as needed.

4.7.2.5. A minimum of two contacts with the client, either in person or by telephone.

4.7.2.6. Collecting data to evaluate the primary outcomes of patient navigation, which shall include adherence to screening, diagnostic testing and cancer treatment initiation.

4.7.2.7. Tracking of patients lost to follow-up, as appropriate.

5. Quality Improvement

5.1. The Contractor shall conduct a minimum of two (2) quality improvement projects which consist of systematic and continuous actions that lead to measurable improvement in health care services and the health status of targeted patient groups. The Contractor shall ensure:

5.1.1. One (1) quality improvement project focuses on the performance measure as designated by the Department.

5.1.2. One (1) quality improvement project is based on previous performance outcomes needing improvement, as selected by the Contractor.

5.2. The Contractor shall utilize Quality Improvement (QI) science to develop and implement a QI Workplan for each QI project, which shall include but not be limited to:

5.2.1. Specific goals and objectives for the project period.

5.2.2. Evaluation methods to demonstrate improvements in the quality, efficiency, and effectiveness of patient care.

5.3. The Contractor may utilize activities in QI projects that enhance clinical workflow and improve patient outcomes, which may include but are not limited to:

5.3.1. EMR prompts/alerts.

5.3.2. Protocols/Guidelines.

5.3.3. Diagnostic support.

5.3.4. Patient registries.

5.3.5. Collaborative learning sessions.

6. Staffing

6.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH licenses whether directly employed, contracted or subcontracted.

6.2. The Contractor shall employ a medical services director with special training and experience in primary care services who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

6.3. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services in writing and include a copy of the individual's resume, within thirty (30) days of hire.

6.4. The Contractor shall notify the MCHS, in writing, when:

6.4.1. Any critical position is vacant for more than thirty (30) days.

6.4.2. There is not adequate staffing to perform all required services for more than thirty (30) consecutive days or any sixty (60) nonconsecutive days.

6.5. The Contractor may deliver breast and cervical cancer screening navigation services through a combination of staff, which may include the provision of outreach and education by lay persons with clinical case management services provided by either:

6.5.1. A registered nurse who:

6.5.1.1. Is licensed with the NH Board of nursing; or

6.5.1.2. Has attained bachelor's degree from a recognized college or university.

6.5.2. A nurse who is working under the direct supervision of a registered nurse, as described in Section 6.5.1.

7. Coordination of Services

7.1. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

7.1.1. Community needs assessments.

7.1.2. Public health performance assessments.

7.1.3. The development of regional health improvement plans.

7.2. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

8. Required Meetings & Trainings

8.1. The Contractor shall attend meetings and trainings facilitated by the MCHS and BCCP programs that include, but are not limited to:

8.1.1. MCHS Agency Directors' meetings.

8.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year.

8.1.3. MCHS Agency Medical Services Directors' meetings.

8.1.4. BCCP Site Coordinators' annual meetings.

9. Workplans, Outcome Reports & Additional Reporting Requirements

9.1. The Contractor shall provide an annual BCCP Performance Workplan and Workplan Outcomes Report according to the schedule and instructions provided by the BCCP, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule.

Contractor's Initials: JL

Date 5-23-17

9.2. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a corrective action plan per directions from MCHS.

9.3. The Contractor shall submit a Performance Measure Outcome Report, which details the plan for improvement when a performance measure targeted goal is not met.

9.4. The Contractor shall submit an annual Workplan for the two (2) quality improvement projects that demonstrate improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.5. The Contractor shall submit at least one (1) annual Workplan that includes a detailed description of the enabling services funded by this contract. This shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.6. The Contractor shall collect and submit the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st of each contract year.

9.7. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

9.8. The Contractor shall submit an annual report on April 30th in each year a contract amendment or renewal is not required that includes, but is not limited to:

9.8.1. DPHS Budget Form.

9.8.2. Budget Justification.

9.8.3. Sources of Revenue.

9.8.4. Program Staff List, which includes staff titles

9.9. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9.10. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

Contractor's Initials: _____

Date 5-23-1

9.10.1. Survey template.

9.10.2. Method by which the results were obtained.

10. On-Site Reviews

10.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

10.1.1. Systems of governance.

10.1.2. Administration.

10.1.3. Data collection and submission.

10.1.4. Clinical and financial management.

10.1.5. Delivery of education services.

10.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

10.2.1. Client records.

10.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

10.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Exhibit A-1 – Amendment #4

1. MATERNAL AND CHILD HEALTH SECTION (MCHS) PRIMARY CARE PERFORMANCE MEASURES

1.1. Definitions

1.1.1. **Measurement Year** – Measurement Year consists of 365 days and is defined as either:

1.1.1.1. The calendar year (January 1st through December 31st); or

1.1.1.2. The state fiscal year (July 1st through June 30th).

1.1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.1.4. **NQF** – National Quality Forum

1.1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.1.6. **UDS** – Uniform Data System

1.1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. MCHS PRIMARY CARE PERFORMANCE MEASURES

2.1. Breastfeeding

2.1.1. **Percent of infants who are ever breastfed** (Title V PM #4).

2.1.1.1. Numerator: All patient infants who were ever breastfed or received breast milk.

2.1.1.2. Numerator Note: The American Academy of Pediatrics recommends all infants exclusively breastfeed for about six (6) months as human milk supports optimal growth and development by providing all required nutrients during that time.

2.1.1.3. Denominator: All patient infants born in the measurement year.

2.2. Preventive Health: Lead Screening

2.2.1. **Percent of children 3 years of age who had two or more capillary or venous lead blood test for lead poisoning by their third birthday.** (NH MCHS).

2.2.1.1. Numerator: All patient children who received at least one capillary or venous lead screening test between nine (9) months to eighteen (18) months of age **AND** one (1) capillary or venous lead screening test between nineteen (19) to thirty (30) months of age.

2.2.1.2. Denominator: All patient children who turned three (3) years old during the measurement year that had at least one (1) medical visit during the measurement year.

2.3. Preventive Health: Adolescent Well-Care Visit

Contractor Initials: _____
Date: 5-23-17

2.3.1. **Percent of adolescents, 12 through 21 years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year** (HEDIS,).

2.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one (1) comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

2.3.1.2. Denominator: Number of patient adolescents, ages 12 through 21 years of age by the end of the measurement year.

2.4. **Preventive Health: Depression Screening**

2.4.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (NQF 0418, UDS).

2.4.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.4.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

2.4.1.3. Denominator: All patients 12 years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.4.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.4.2. **Maternal Depression Screening**

2.4.2.1. **Percentage of women who are screened for clinical depression during any visit up to twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen (**NH MCHS**).**

2.4.2.1.1. Numerator: Women who are screened for clinical depression during the first twelve (12) weeks following delivery using an appropriate standardized depression screening tool AND if screened positive have documented follow-up plan.

2.4.2.1.2. Numerator Note: Numerator includes women who screened negative PLUS women who screened positive AND have documented follow-up plan.

2.4.2.1.3. Denominator: All women who had any office visit up to twelve (12) weeks following delivery during the measurement year.

2.4.2.1.4. Denominator Exception: Documentation of depression screening not performed due to medical contraindicated or patient refusal.

2.4.2.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.5. **Preventive Health: Obesity Screening**

2.5.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (NQF 0421, UDS).

2.5.1.1. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

2.5.1.2. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.5.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.5.1.4. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

2.5.2. Percent of patients aged 3 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (UDS).

2.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

2.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

2.6. **Preventive Health: Tobacco Screening**

2.6.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year or prior year AND who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.6.1.1. Numerator: number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco use one or more times during their most recent visit OR within twenty-four (24) months of the most recent visit and received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.6.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.6.1.4. Definitions:

2.6.1.4.1. Tobacco Use: Includes any type of tobacco.

2.6.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy.

2.6.2. **Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user** (NH MCHS).

2.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

2.6.2.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.6.2.3. Denominator: All women who delivered a live birth in the measurement year.

2.6.2.4. Definitions:

2.6.2.4.1. Tobacco Use: Includes any type of tobacco

2.6.2.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

2.7. **At Risk Population: Hypertension**

2.7.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90mmHG) during the measurement year** (NQF 0018).

2.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm HG at the time of their last measurement.

2.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension (must have been diagnosed with hypertension 6 or more months before the measurement date) who had at least one (1) medical visit during the measurement year. (Excludes pregnant women and patients with End Stage Renal Disease.)

2.8. **Patient Safety: Falls Screening**

2.8.1. **Percent of patients aged 65 years and older who were screened for fall risk at least once within 12 months** (NH MCHS).

2.8.1.1. Numerator: Patients who were screened for fall risk at least once within the measurement year.

2.8.1.2. Denominator: All patients aged 65 years and older seen by a health care provider within the measurement year.

2.9. **SBIRT**

2.9.1. SBIRT – Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services (NHMCHS).

2.9.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention and/or referral to services.

2.9.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.1.3. Denominator: Number of patients aged 18 years and older seen for annual/preventive visit within the measurement year.

2.9.1.4. Definitions:

2.9.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.9.1.4.2. Brief Intervention: Includes guidance or counseling.

2.9.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

2.9.2. Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program AND if positive, received a brief intervention or referral to services (NH MCHS)**.**

2.9.3. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

2.9.4. Numerator Note: numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.9.5. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the measurement year.

2.9.6. Definitions:

2.9.6.1. Substance Use: Includes any type of alcohol or drug.

2.9.6.2. Brief Intervention: Includes guidance or counseling.

2.9.6.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A – Amendment #4, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov):
   2.1. #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds.
   2.2. #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #4, Scope of Services, in accordance with Exhibit B-1 Amendment #4 through Exhibit B-2 Amendment #4.
4. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
5. Payment for said services shall be made as follows:
   5.1. The Contractor will submit an invoice by the tenth (10^{th}) working day of each month, which identifies and requests reimbursement for authorized expenses incurred in the prior month.
   5.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   5.3. The invoice must be submitted by mail or e-mail to:

   Financial Manager
   Department of Health and Human Services
   129 Pleasant Street
   Concord, NH 03301

   E-mail: dphscontractbilling@dhhs.state.nh.us
6. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.
7. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
8. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
9. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #4 through Exhibit B-2 Amendment #4 and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

Department of State

CERTIFICATE

I, William M. Gardner, Secretary of State of the State of New Hampshire, do hereby certify that GOODWIN COMMUNITY HEALTH is a New Hampshire Nonprofit Corporation registered to transact business in New Hampshire on August 18, 1971. I further certify that all fees and documents required by the Secretary of State's office have been received and is in good standing as far as this office is concerned.

Business ID: 65587

IN TESTIMONY WHEREOF,
I hereto set my hand and cause to be affixed
the Seal of the State of New Hampshire,
this 3rd day of April A.D. 2017.

William M. Gardner
Secretary of State

CERTIFICATE OF VOTE

I, David B. Staples, of Goodwin Community Health, do hereby certify that:

1. I am the duly elected Board Chair of Goodwin Community Health;

2. The following are true copies of two resolutions duly adopted at a meeting of the Board of Directors of Goodwin Community Health, duly held on January 17, 2017;

   Resolved: That this corporation enter into a contract with the State of New Hampshire, acting through its Department of Health and Human Services for the provision of Public Health Services.

   Resolved: That the Chief Executive Officer, Janet Laatsch, is hereby authorized on behalf of this Corporation to enter into the said contract with the State and to execute any and all documents, agreements and other instruments, and any amendments, revisions, or modifications thereto, as he/she may deem necessary, desirable or appropriate.

3. The foregoing resolutions have not been amended or revoked and remain in full force and effect as of May 23, 2017.

IN WITNESS WHEREOF, I have hereunto set my hand as the Board Chair of Goodwin Community Health this 23rd day of May, 2017.

David B. Staples, DDS, Board Chair

STATE OF NH

COUNTY OF STRAFFORD

The foregoing instrument was acknowledged before me this 23rd day of May, 2017 by David B. Staples, DDS.

INDEPENDENT AUDITOR'S REPORT

Board of Directors
Goodwin Community Health and Subsidiary

Report on Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Goodwin Community Health and Subsidiary (the Organization), which comprise the consolidated balance sheets as of June 30, 2016 and 2015, and the related consolidated statements of operations and changes in net assets and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with U.S. generally accepted accounting principles; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Goodwin Community Health and Subsidiary as of June 30, 2016 and 2015, and the results of their operaitons, changes in their net assets and their cash flows for the years then ended in accordance with U.S. generally accepted accounting principles.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 13, 2016 on our consideration of Goodwin Community Health and Subsidiary's internal control over financial reporting and on our tests of their compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Goodwin Community Health and Subsidiary's internal control over financial reporting and compliance.

The accompanying notes are an integral part of these consolidated financial statements.

Organization

Goodwin Community Health (GCH) is a non-stock, not-for-profit corporation organized in New Hampshire. GCH is a Federally Qualified Health Center (FQHC) which provides prenatal care, social support, and public health services to low-income persons.

Subsidiary

Great Bay Mental Health Associates, Inc. (GBMHA), a wholly-owned, for-profit subsidiary, is engaged in providing mental health services in the Strafford County, New Hampshire community through its employees and independent contractors who are qualified and licensed to practice in the State of New Hampshire.

1. Summary of Significant Accounting Policies

Principles of Consolidation

The consolidated financial statements include the accounts of GCH and its subsidiary, GBMHA (collectively, the Organization). All significant intercompany balances and transactions have been eliminated in consolidation.

Discontinued Operations

On December 31, 2015, the Organization sold GBMHA's name and phone numbers, furniture and equipment, and medical and business supplies to Wentworth-Douglass Physician Corporation, a New Hampshire not-for-profit corporation, for $164,738. The Organization maintained GBMHA's cash and cash equivalents, insurance claims, federal tax identification number, tax refunds, accounts receivable, goodwill, and the business books and records.

The Organization's consolidated financial statements reflect GBMHA's assets, revenues, gain, losses and expenses and cash flows as discontinued operations as of and for the years ended June 30, 2016 and 2015.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes

GCH is a public charity under Section 501(c)(3) of the Internal Revenue Code. As a public charity, GCH is exempt from state and federal income taxes on income earned in accordance with its tax-exempt purpose. Unrelated business income is subject to state and federal income tax. GBMHA is a non-exempt organization and files applicable Form 1120 (corporate return). No provision for income taxes was necessary for the years ended June 30, 2016 and 2015.

Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the consolidated financial statements. The Organization is subject to U.S. federal and state examinations by tax authorities for the years ended June 30, 2012 through June 30, 2016.

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits and petty cash funds.

Allowance for Uncollectible Accounts

Patient accounts receivable are stated at the amount management expects to collect from outstanding balances. Patient accounts receivable are reduced by an allowance for uncollectible accounts. In evaluating the collectability of patient accounts receivable, the Organization analyzes its past history and identifies trends for each funding source. Management regularly reviews data about revenue in evaluating the sufficiency of the allowance for uncollectible accounts. Amounts not collected after all reasonable collection efforts have been exhausted are applied against the allowance for uncollectible accounts. The Organization has not changed its methodology for estimating the allowance for uncollectible accounts during 2016 or 2015.

A reconciliation of the allowance for uncollectible accounts at June 30 is as follows:

	2016	2015
Balance, beginning of year	$ **81,378**	$ 88,420
Provision	**331,787**	255,044
Write-offs	**(284,170)**	(262,086)
Balance, end of year	$ **128,995**	$ 81,378

The increase in the allowance is primarily due to an increase in the amount due from patients with commercial insurance as a result of increased deductibles and co-pays.

Grants Receivable

Grants receivable are stated at the amount management expects to collect from outstanding balances. All such amounts are considered collectible.

Inventory

Inventory consisting of pharmaceutical drugs is valued using the retail method and is measured at the lower of cost or market.

Investments

Investments consist of certificates of deposit with a maturity in excess of one year.

Investment in Limited Liability Company

The Organization is one of eight partners who have each made a capital contribution of $500 to Primary Health Care Partners, LLC (PHCP) during 2015. The Organization's investment in PHCP is reported using the equity method and the investment amounted to $16,203 at June 30, 2016.

Property and Equipment

Property and equipment acquisitions are recorded at cost. Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method.

Gifts of long-lived assets, such as land, buildings, or equipment, are reported as unrestricted net assets and excluded from the excess of revenues over expenses, unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as temporarily restricted net assets. Absent explicit donor stipulations about how long those long-lived assets must be maintained, expirations of donor restrictions are reported when the donated or acquired long-lived assets are placed in service.

Patient Service Revenue

Patient service revenue is reported at the estimated net realizable amounts from patients, third-party payers, and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payers. Retroactive adjustments are accrued on an estimated basis in the period the related services are rendered and adjusted in future periods as final settlements are determined.

Charity Care

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, they are not reported as net patient service revenue.

340B Drug Pricing Program

The Organization, as an FQHC, is eligible to participate in the 340B Drug Pricing Program. The program requires drug manufacturers to provide outpatient drugs to FQHC's and other identified entities at a reduced price. The Organization operates a pharmacy and also contracts with local pharmacies under this program. The local pharmacies dispense drugs to eligible patients of the Organization and bill Medicare and commercial insurances on behalf of the Organization. Reimbursement received by the contracted pharmacies is remitted to the Organization, less dispensing and administrative fees. Gross revenue generated from the program is included in patient service revenue. Contracted expenses and drug costs incurred related to the program are included in other operating expenses. Expenses related to the operation of the Organization's pharmacy are categorized in the applicable operating expense classifications.

Donor-Restricted Gifts

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statements of operations as "net assets released from restrictions." Donor-restricted contributions whose restrictions are met in the same year as received are reflected as unrestricted contributions in the accompanying consolidated financial statements.

Functional Expenses

The Organization provides various services to residents within its geographic location. Expenses related to providing these services are as follows:

	2016	2015
Program services	**$ 7,042,192**	$ 6,377,552
Administrative and general	**1,301,950**	1,160,709
Fundraising	**259,101**	180,836
Total	**$ 8,603,243**	$ 7,719,097

Excess of Revenue Over Expenses

The consolidated statements of operations reflect the excess of revenue over expenses. Changes in unrestricted net assets which are excluded from the excess of revenue over expenses, consistent with industry practice, include contributions of long-lived assets (including assets acquired using contributions which, by donor restriction, were to be used for the purposes of acquiring such assets).

Subsequent Events

For purposes of the preparation of these consolidated financial statements, management has considered transactions or events occurring through December 13, 2016, the date that the consolidated financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the consolidated financial statements.

2. Property and Equipment

Property and equipment consisted of the following:

	2016	2015
Land	$ 718,427	$ 718,427
Building and improvements	5,802,958	5,670,162
Furniture, fixtures, and equipment	1,449,887	1,364,376
Total cost	7,971,272	7,752,965
Less accumulated depreciation	1,907,627	1,698,003
Total cost, less accumulated depreciation	6,063,645	6,054,962
Construction in progress	-	92,721
Property and equipment, net	$ 6,063,645	$ 6,147,683

The Organization's facility was built and renovated with federal grant funding under the ARRA - Capital Improvement Program and ACA - Capital Development Program. In accordance with the grant agreements, a Notice of Federal Interest (NFI) was required to be filed in the appropriate official records of the jurisdiction in which the property is located. The NFI is designed to notify any prospective buyer or creditor that the Federal Government has a financial interest in the real property acquired under the aforementioned grant; that the property may not be used for any purpose inconsistent with that authorized by the grant program statute and applicable regulations; that the property may not be mortgaged or otherwise used as collateral without the written permission of the Associate Administrator of the Office of Federal Assistance Management, Health Resources and Services Administration (OFAM, HRSA); and that the property may not be sold or transferred to another party without the written permission of the Associate Administrator of OFAM and HRSA.

Upon obtaining the mortgage included in Note 4 below on the Organization's facility, the Organization received the required written permission from OFAM and HRSA where by HRSA subordinated its Federal Interest in the property to the bank.

3. Line of Credit

The Organization has a $200,000 line of credit with Frisbie Memorial Hospital. The line of credit is interest-free, unsecured, and due on demand. The outstanding balances on the line of credit at June 30, 2016 and 2015 were $- and $56,500, respectively.

4. Long-Term Debt

Long-term debt consists of the following:

	2016	2015
Variable-rate note payable to a local bank, payable in monthly installments of $4,464, including interest at 4.75%, through December 2018, at which time the interest will be adjusted to the Federal Home Loan Bank of Boston Rate plus 2.5% and every five years thereafter through December 2029, collateralized by real estate which is subject to a Notice of Federal Interest (see Note 2).	$ 529,279	$ 556,504
Note payable to a not-for-profit corporation, payable in monthly installments of $8,069, including interest at 5.25%, through September 2017, collateralized by real estate which is subject to a Notice of Federal Interest (see Note 2) and all other assets. The note was paid in full during 2016.	-	205,217
Note payable to a local bank, payable in monthly installments of $1,860, including interest at 4.75%, through January 2019, collateralized by all assets. The note was paid in full during 2016.	-	73,251
Note payable to the New Hampshire Health and Education Facilities Authority, payable in monthly installments of $1,709, including interest at 1.00%, through July 2016. The note is unsecured.	-	22,093
Variable-rate note payable to a local bank, payable in monthly installments of $596, including interest at Prime plus 1.5% with a 4% floor, currently at 4.75%, through June 2017, collateralized by all assets of GBMHA and an unlimited corporate guaranty of GCH.	-	12,956
Total long-term debt	529,279	870,021
Less current maturities	27,490	161,740
Long-term debt, less current maturities	$ 501,789	$ 708,281

The Organization is required to meet certain administrative and financial covenants under various loan agreements included above. The Organization is in compliance with all loan covenants at June 30, 2016.

Maturities of long-term debt for the next five years are as follows:

2017	$ 27,490
2018	30,124
2019	31,587
2020	33,120
2021	34,728

5. Patient Service Revenue

Patient service revenue is as follows:

	2016	2015
Medicare	**$ 728,783**	$ 638,547
Medicaid	**2,930,718**	3,131,251
Third-party payers and private pay	**2,240,792**	2,131,634
Medical and dental patient service revenue	**5,900,293**	5,901,432
340B pharmacy revenue	**696,710**	244,614
Total patient service revenue	**$ 6,597,003**	$ 6,146,046

The Organization has agreements with the Centers for Medicare & Medicaid Services (Medicare) and New Hampshire Medicaid. Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. Management believes that the Organization is in compliance with all laws and regulations. Compliance with such laws and regulations can be subject to future government review and interpretation, as well as significant regulatory action including fines, penalties and exclusion from the Medicare and Medicaid programs. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in patient service revenue in the year that such amounts become known.

A summary of the payment arrangements with major third-party payers follows:

Medicare

Effective July 1, 2015, the Organization began to be reimbursed for the care of qualified patients on a prospective basis, with retroactive settlements related to vaccine costs only. The prospective payment is based on a geographically adjusted rate determined by federal guidelines. Prior to July 1, 2015, the Organization was reimbursed at specified interim contractual rates during the year. Differences between the Medicare interim contractual rate and the cost of care as defined by the Principles of Reimbursement governing the program were determined and settled on a retrospective basis. Overall, reimbursement was and continues to be subject to a maximum allowable rate per visit. The Organization's Medicare cost reports have been audited by the Medicare administrative contractor through June 30, 2015.

Medicaid and Other Payers

The Organization also has entered into payment agreements with Medicaid and certain commercial insurance carriers, health maintenance organizations and preferred provider organizations. The basis for payment to the Organization under these agreements includes prospectively-determined rates per visit, discounts from established charges and capitated arrangements for primary care services on a per-member, per-month basis.

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. The Organization estimates the costs associated with providing charity care by calculating the ratio of total cost to total charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. The estimated cost of providing services to patients under the Organization charity care policy amounted to approximately $485,000 and $486,000 for the years ended June 30, 2016 and 2015, respectively.

The Organization is able to provide these services with a component of funds received through local community support and federal and state grants.

6. Retirement Plan

The Organization has a defined contribution plan under Internal Revenue Code Section 401(k) that covers substantially all employees. In 2011, the Organization temporarily suspended the employer match. During 2016, the match was reinstated and contributions amounted to $22,668.

7. WIC Food Vouchers

The Organization acts as a conduit for the State of New Hampshire's Special Supplemental Food Program for Women, Infants and Children (WIC). This program is funded by the U.S. Department of Agriculture (Code of Federal Domestic Assistance #10.565). The value of food vouchers distributed by the Organization was $1,463,583 and $1,570,536 for the years ended June 30, 2016 and 2015, respectively. These amounts are not included in the accompanying consolidated financial statements as they are not part of the contract the Organization has with the State of New Hampshire for the WIC program.

8. Concentration of Risk

The Organization has cash deposits in major financial institutions which exceed federal depository insurance limits. The financial institutions have a strong credit rating and management believes the credit risk related to these deposits is minimal.

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payer agreements. At June 30, 2016 and 2015, New Hampshire Medicaid represented 29% and 31%, respectively, and Medicare represented 18% and 9%, respectively, of gross accounts receivable. No other individual payer source exceeded 10% of the gross accounts receivable balance.

9. Malpractice Insurance

The Organization is protected from medical malpractice risk as an FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of June 30, 2016, there were no known malpractice claims outstanding which, in the opinion of management, will be settled for amounts in excess of both FTCA and insurance coverage, nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew the additional medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

GOODWIN COMMUNITY HEALTH AND SUBSIDIARY

Notes to Schedule of Expenditures of Federal Awards

Year Ended June 30, 2016

1. Basis of Presentation

The schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of Goodwin Community Health and Subsidiary The information in this schedule is presented in accordance with the requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Goodwin Community Health and Subsidiary.

2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Pass-through entity identifying numbers are presented where available. Goodwin Community Health and Subsidiary has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Goodwin Community Health and Subsidiary

We have audited, in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Goodwin Community Health and Subsidiary (the Organization), which comprise the balance sheet as of June 30, 2016, and the related statements of operations and changes in net assets and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated December 13, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR THE MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors
Goodwin Community Health and Subsidiary

Report on Compliance for the Major Federal Program

We have audited Goodwin Community Health and Subsidiary's (the Organization) compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on its major federal program for the year ended June 30, 2016. The Organization's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for the Organization's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with U.S. generally accepted auditing standards; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on the Major Federal Program

In our opinion, Goodwin Community Health and Subsidiary complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2016.

Board of Directors
Goodwin Community Health and Subsidiary

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on the major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Honduras brigade team member - residency	2004

OTHER INTERESTS

Spending time with family - wife Autumn and kids, reading, string bass and guitar, backpacking, soccer, bluegrass music, involvement at church

Cathleen B. Smith

EDUCATION:

St. Joseph's College of Maine, Masters of Science in Nursing in Administration-expected completion July 2017
Assumption College, Worcester, MA (1994), Bachelor of Science in Liberal Studies (cum laude)
Great Bay Community College, Stratham, NH (2010), Associate in Science, Nursing Program (cum laude)
Becker College, Worcester, MA (1990), Associate in Science, Paralegal Studies

LICENSING/CERTIFICATIONS/AWARDS:

- RN for State of NH expires Aug. 2017
- Basic Life Support for Healthcare Provider and AHA BLS Instructor expires Apr. 2018
- Certificate in Medication Safety Essentials from Purdue University College of Pharmacy
- New Hampshire Nursing Association 2013 Nominee for Award in Professional Advancement

MEDICAL EXPERIENCE:

Goodwin Community Health, Somersworth, NH (Jan. 2014-present)
Director of QI and Population Health (Aug. 2016-present)

- Manage and collaborate with Clinical Nurse Mgr., Care Coordination Mgr. and Data Analyst to help achieve strategic goals and enhance clinical operations/programs.
- Oversee agency's Quality Management program and help to build a reputation of excellence while pursing the Triple Aim.
- Facilitate implementation of new programs/services resulting from grants and/or changes to federal and state requirements.
- Oversee the development and maintenance of written policies and procedures in collaboration with providers and staff to guide daily operations. Oversee agency staff training as co-chair for Staff Training Committee.
- Participate in committees such as Risk Management, Strategic Planning, Customer Service, CHAN User Group.

Manager of Population Health Analytics (Oct. 2015-Aug. 2016)

- Designed and maintained a system that identifies high risk/high utilization patients and established clinical pathways
- Oversaw incentives awarded to insurance carriers and increased incentive payments.
- Managed Data Analyst while ensuring business receives optimal revenue from insurance company incentives relating to quality measures and care coordination.
- Maintained CQI dashboard and performed PDSA cycles to improve patient outcomes and performance measures.

Nurse Quality Improvement Manager (Jan. 2014-Oct. 2015)

- Manage Data Analyst and Community Health Worker while ensuring business receives optimal revenue from insurance company incentives relating to quality measures and care coordination.
- Responsible for redesign of Quality Improvement dashboard, providing reports to the Board of Directors, reviewing monthly QI reports, analyzing the data, performing quality audits, identifying and resolving data issues and demonstrating requirements of regulatory agencies, professional standard and managed care organizations are meet. Demonstrated improvement in several quality measures in just seven months.
- Perform comprehensive case management and care coordination for chronically ill and high utilizing patients to improve customer care and cost per patient ratios. Increased compliance in asthma patients by 9%.
- Develop and implement strategies and best practices for care coordination in support of strategic goals, clinical operations and clinical programs to support quality initiatives and improved customer service.
- Demonstrate leadership abilities by engaging the care team of providers, nurse care managers and medical assistants in the process of quality improvement by establishing "Champions" for quality indicators to identify gaps in a process and help foster a culture of continuous improvement.
- Write, revise, and organize policies and procedures in accordance with best practices and supporting patient centered medical home model of care and responsible for all staff training and building competencies to enhance job descriptions and accountability.
- Handle complaints for organization while looking for areas of opportunity to improve customer satisfaction.
- Assisted in redesign of office workflow to improve care management opportunities resulting in increased productivity. Familiar with Lean and Six Sigma methodology.

- Active participant in Screening and Brief Intervention Referral to Treatment task force and Behavioral Health Expansion task force to ensure integrated behavioral health to all patients, including adolescent and prenatal population.
- Project lead for various quality improvement grants, such as Million Hearts, with demonstrated areas of improvement.
- Member of Continuous Quality Improvement Committee, Customer Service Committee, Safety Committee and Compliance Committee.

Community Health Access Network, Newmarket, NH
Data Analyst (Oct. 2015-July 2016)
- Analyzed Crystal Reports and Clinical Quality Reports for accuracy.

Wentworth-Douglass Hospital, Dover, NH
Staff Nurse-RN3 (July 2010-May 2014)
- Provided care and promoted optimum outcomes for medical surgical patients while supporting Joint Commission's National Patient Safety Goals.
- Specialized competency in cardiac telemetry monitoring and caring for stroke patients.
- Educated and counseled patients/families regarding health, medication regimen, treatment, exercise, smoking cessation, nutrition, stress management and healthy lifestyle behaviors.
- Worked collaboratively with physicians and other hospital staff to achieve optimum patient care.
- Functioned as resource nurse facilitating hourly rounds, physician rounds and multi-disciplinary rounds, assigned beds for admissions and transfers, oriented new staff, communicated with admission liaison and nursing supervisors and supported care plans and nurse sensitive indicator initiatives while maintaining a calm, caring and positive environment to a 32 bed unit.
- Schedule Coordinator of nursing unit for 30+ nurses, which involved organizing shifts based on need, updating schedule based on personnel changes, record keeping for personnel files.

Clinical Risk Manager (Per Diem Oct. 2013-Jan. 2014)
- Filled in for Clinical Risk Manager during department transition.
- Reviewed hospital and multi practice occurrences for potential risk.
- Ensured compliance with legislation and corporate policies and assisted with policy change.
- Maintained a facility-wide incident reporting system. Familiar with NextGen, Soarian, Midas, Excel and Word

Clinical Practice Innovation Teams:
- Medication Task Force-Trained and educated staff of the importance of medication reconciliation and compliance with the Joint Commission's 2012 National Patient Safety Goal. Conducted chart audits and reinforced education with staff.
- Fall Prevention Lean Six Sigma Project-Followed through on action plans and assisted with data collection to help prevent falls with injury as part of Joint Commission's National Patient Safety Goals. Implemented new policies and procedures based on the team's recommendations on two inpatient floors and educated staff.
- Collaborative Practice Committee-Improved patient outcomes, assured reliable delivery of evidence based care and established and implemented care protocols and models. Played active role in developing a new policy regarding insertion and removal of indwelling urinary catheters, resulting in a nurse driven protocol. Provided presentation to all inpatient staff regarding early warning signs of patient deterioration.
- Co-chaired Unit Based Practice Council Committee-Developed and implemented "Roles of the Resource Nurse" for new nursing unit.

ADDITIONAL EXPERIENCE
Sun Life Financial, Wellesley Hills, MA (Feb. 1994-Oct.1997 and Sept. 2000-July 2001)
Account Executive for Small Group Unit
- Chosen as core team member to start up small business unit and developed workflow for new product group.
- Performed contract review for Life, Short and Long Term Disability sales for small business groups.
- Knowledge of and experience with applying Group Benefits policies/practices and interpreting contracts/benefit provisions, as well as general knowledge of Group Benefits.
- Prepared and performed training presentations to sales force.
- Reviewed applicant's medical history as it related to evidence of insurability.
- Team leader for process improvement projects.

Sr. Claims Examiner, Group Long Term Disability
- Managed high volume disability claims accurately and timely while administering quality customer service.

- Communicated with claimants, medical/legal professionals, claims staff and others to assess disability status and approved or denied liability on claims as defined by the contract.
- Efficiently responded to written and telephonic inquires regarding status of disability claims.

Liberty Mutual, Dover, NH (Jan. 1998-Aug. 1998)

Underwriter, Life and Disability Unit

- Underwrote Life, Short and Long Disability for large business groups.
- Reviewed Life and Disability contracts and provided technical support to internal departments and sales force.

Shannon, Ford & Peters, Worcester, MA (June 1990-Feb. 1994)

Paralegal

- Focused on personal injury, workers' compensation and general liability claims.

State of New Hampshire
Department of Health and Human Services
Amendment #3 to the Primary Care Services Contract

This 3rd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #3") dated this, 20th day of October, 2016 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Goodwin Community Health. (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 311 Route 108, Somersworth, New Hampshire, 03878.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #135), and amended on May 8, 2014 (Item #34A), and on June 24, 2015 (Item #58) the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to Exhibit B Amendment #2, paragraph 10, notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2, and within the Price Limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council, and

WHEREAS, the State and the Department agree to adjust budget amounts between State Fiscal Years 2016 and 2017, within the Price Limitation and within the Completion Date.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

1. Except as specifically amended and modified by the terms and conditions in this Amendment #3, the obligations of the parties shall remain in full force and effect in accordance with the terms and conditions set forth in the Contract as referenced above.

2. Delete in its entirety Exhibit B-3 Amendment #2, and replace with Exhibit B-3 Amendment #3.

3. Delete in its entirety Exhibit B-6 Amendment #2, and replace with Exhibit B-6 Amendment #3.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Nicholas A. Toumpas
Commissioner

Marcella Jordan Bobinsky
Acting Director

June 1, 2015

Her Excellency, Governor Margaret Wood Hassen
And the Honorable Executive Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to enter into **sole source** amendments with the vendors listed in the table below for the provision of primary care services, breast and cervical cancer screening services and screening, brief intervention and referral to treatment for alcohol and drug misuse by increasing the total price limitation by $8,986,056 from $10,143,156 to $19,129,212 and extending the completion date from June 30, 2015 to June 30, 2017 upon Governor and Executive Council approval. 75.2% General Funds / 24.8% Federal Funds

The original contract, approved in 2012, included a two (2) year renewal option. The Department exercised a one (1) year renewal in 2014. The Department is now seeking to extend the contracts for two (2) two additional years through these sole source amendments. The Governor and Executive Council approved the original contracts and subsequent amendments as follows:

Vendor & Vendor Number	Location	G&C Approval	Amended	Current Budget	Increase/ (Decrease)	Modified Budget Amount
Ammonoosuc Community Health Services, Inc. (177755-R001)	North Grafton/ South Coos	6/20/12 (Item #128)	5/8/14 (Item #34A)	$667,687	$540,879	$1,208,566

Please see attachment for fiscal details.

EXPLANATION

These amendments are **sole source** because the Department is renewing the contracts for two (2) additional years after exercising a one (1) year renewal option in 2014 as allowable in Exhibit C, Special Provisions, paragraph 17 of the contracts, and adding to the scope of services for community health centers that provide primary care services, statewide.

This package includes sixteen (16) of sixteen (16) contracts being amended.

Community health centers provide primary health care services that include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. These vendors deliver primary and preventive health care services to underserved people who face barriers to accessing health care due to issues such as a lack of insurance, inability to pay, language barriers and geographic isolation.

In addition to medical care, community health centers are unique among primary care providers for the array of enabling patient-centered services such as care coordination, translation services, transportation, outreach, eligibility assistance, and health education. These services assist individuals to overcome barriers to obtaining the care they need to achieve their optimal health.

Breast and cervical cancer screening services are provided as part of the preventative health care services in the community health care centers. Breast and cervical cancer screening services include clinical examinations, pap smears and referral for mammography. Through these services, individuals with abnormal test results receive additional coverage or

diagnostic work-ups and, if necessary, coordination of care from initial diagnosis through obtaining necessary treatment.

The vendors, through these amendments, will add infrastructure to provide screening, brief intervention and referral to treatment services for early identification of problematic drug and alcohol use of individuals receiving primary care services. Developing the infrastructure to provide these additional services will enable community health centers to refer those individuals who need specialized treatment to other community service agencies, which will result in optimal coordination and continuity of care.

Vendors will use funding to train staff, hire new medical assistants and/or qualified behavioral health staff necessary to institute and/or review screening, brief intervention and referral to treatment services. Staff training will include the integration of primary care and behavioral health teams to ensure program activities are conducted with fidelity to the Screening, Brief Intervention and Referral to Treatment model adopted by the United States Department of Health and Human Services, Substance Abuse and Mental Health Services Administration. Vendors will also purchase supplies and equipment that will be used specifically for integrating these services into everyday practices. Additionally, the vendors will utilize funding to support activities that will assist with building, modifying and/or enhancing technology based care approaches and electronic health record systems in order to include, extend, track and record these additional mental health services.

A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. This request includes three (3) vendors who provide primary care and universal screening services to homeless individuals, who otherwise would have no access to health care. These agreements provide funds to community health centers for services as a last resort. Vendors are required to make every effort to bill all other payers including but not limited to private and commercial insurances, Medicare, and Medicaid prior to billing the Department through these contracts.

Should Governor and Executive Council not authorize this request, low-income individuals statewide may not have adequate access to primary care services. Some women may not receive recommended breast and cervical cancer screenings, which would increase their risk of having an untreatable stage of cancer. Additionally, undetected alcohol and drug misuse could result in increases of alcohol and drug related accidents and deaths, which would negatively impact NH citizens.

Area Served: Statewide.

Source of Funds: 75.2% General Funds

Department of Health and Human Services
Amendment #2 to the Primary Care Services Contract

This 2nd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #2") dated this, 30th day of April, 2015 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Goodwin Community Health (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 311 Route 108, Somersworth, New Hampshire 03878.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #135) and amended by an agreement (Amendment #1 to the Contract) approved on May 8, 2014 (Item #34A), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 of the Agreement, and Exhibit C, Special Provisions, Paragraph 17, the State may amend the contract terms and conditions and renew the contract for two (2) additional years by written agreement of the parties and approval of the Governor and Executive Council; and

WHEREAS, the parties agree to extend the contract for two additional years, add services to Exhibit A, Scope of Services and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:
   June 30, 2017
2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:
   $1,920,915
3. Form P-37, General Provisions, Item 1.9, Contracting Officer for State Agency, to read:
   Eric D. Borrin
4. Form P-37, General Provisions, Item 1.10, State Agency Telephone Number, to read:
   (603) 271-9558
5. Delete Exhibit A, Scope of Services and Exhibit A-1 Amendment 1, Scope of Services and replace with Exhibit A – Amendment #2.
6. Delete Exhibit A-1 Amendment #1 - Performance Measures and replace with Exhibit A-1 Amendment #2 – Performance Measures.

7. Delete Exhibit B, Purchase of Services Contract Price and replace with Exhibit B – Amendment #2, Method and Conditions Precedent to Payment.
8. Add Exhibit B-1, Budget Form Primary Care through Exhibit B-6, Budget Form SBIRT.
9. Standard Exhibit D, Certification Regarding Drug-Free Workplace Requirements, Period Covered by this Certification, to read:

   From 7/1/2012 to 6/30/2017

10. Standard Exhibit E, Certification Regarding Lobbying, Contract Period, to read:

    July 1, 2012 through June 30, 2017

11. Delete Standard Exhibit G, Certification Regarding the Americans with Disabilities Act Compliance, and replace with Exhibit G, Certification of Compliance with Requirements Pertaining to Federal Nondiscrimination, Equal Treatment of Faith-Based Organizations and Whistleblower Protections.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Scope of Services

1. **Provisions Applicable to All Services**

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. Office-based and enabling **Primary Care** services shall be provided individuals and families who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income, which is defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. **Breast and Cervical Cancer Screening** Services shall be provided to women ages twenty-one(21) through sixty-four (64) who are:

1.5.1. Uninsured.

1.5.2. Underinsured.

1.5.3. Low-income, which is defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.6. **Screening, Brief Intervention and Referrals to Treatment** (SBIRT) Services shall be provided to all individuals who seek services described in Section 1.4 and Section 1.5, above.

1.7. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.7.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

Contractor's Initials: JL

Date 5-13-15

1.7.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.7.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care or Breast and Cervical Cancer Screening Services for new patients is limited or closed for more than a one month period.

2.2. The Contractor shall maintain documentation for each individual receiving services described in this contract that includes, but is not limited to:

2.2.1. Family income.

2.2.2. Family size.

2.2.3. Income in relation to the Federal Poverty Guidelines.

2.3. The Contractor shall assist individuals with completing a Medicaid application when income calculations indicate possible Medicaid eligibility.

2.4. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.5. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.5.1. Update the sliding fee scale on an annual basis when new Federal Poverty Guidelines are released.

2.5.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services.

3.1.2. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.1.3. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.1.4. Assessment of need for:

3.1.4.1. Tobacco cessation, including referral to NH Quitworks, as appropriate.

3.1.4.2. Social services.

Contractor's Initials JC

Date 5-13-15

3.1.4.3. Nutrition services, including WIC, as appropriate.

3.1.4.4. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which shall include, but not be limited to:

3.2.1. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.2.2. Care facilitated by registries, information technology, health information exchange and other means to assure that patients get the necessary care when and where they need and want it in a culturally and linguistically appropriate manner.

3.2.3. An integrated model of primary care that may include, but is not limited to:

3.2.3.1. Behavioral health.

3.2.3.2. Oral health.

3.2.3.3. Use of navigators and case management.

3.2.3.4. Co-location of services and system-level integration of care and fiscal accountability.

3.3. The Contractor can choose to provide enabling services, if the budget allows, which are non-clinical services that support the delivery of basic primary care and services, and facilitate access to comprehensive patient care as well as social services. The Contractor can facilitate enabling services that include, but are not limited to:

3.3.1. Case management.

3.3.2. Benefit counseling.

3.3.3. Eligibility assistance.

3.3.4. Health education and supportive counseling.

3.3.5. Interpretation.

3.3.6. Outreach.

3.3.7. Transportation.

3.3.8. Education of patients and the community regarding the availability and appropriate use of health services.

3.4. The Contractor must elect to do at least one (1) quality improvement project which consists of systematic and continuous actions that lead to measurable improvement in health care services and the health status of targeted patient groups. The Contractor shall facilitate a minimum of one (1) quality improvement project that includes, but is not limited to:

3.4.1. Enhancing clinical workflow/improve patient outcomes by methods that may include, but are not limited to:

3.4.1.1. Alerts.

3.4.1.2. Guidelines.

3.4.1.3. Diagnostic support.

3.4.1.4. Patient registries.

3.4.1.5. Collaborative learning sessions, etc.)

3.4.2. Implementing projects that lead to measurable improvements on any of the performance measures and indicators identified in Exhibit A-1 Amendment #2

3.4.3. Utilizing defined improvement processes to coordinate quality improvement activities.

3.4.4. Identifying and defining specific goals and objectives to be achieved in the project period.

4. Breast and Cervical Cancer Screening Services

4.1. The Contract shall develop work plans based on performance measures in Exhibit A-1 that include activities related to:

4.1.1. The provision of breast and cervical cancer screening.

4.1.2. The promotion of breast and cervical cancer screening.

4.2. The Contractor shall implement evidence-based interventions outlined in the Centers for Disease Control and Prevention Guide to Community Preventative Services (http://www.thecommunityguide.org/index/html) to support the provision and promotion of breast and cervical cancer screening rates, including but not limited to provider reminder systems and patient reminders.

4.3. The Contractor shall provide breast and cervical cancer screening for the early detection of breast and cervical cancer in accordance with the policies and procedures outlined in the BCCP Policy and Procedure Manual, following nationally accepted screening recommendations. Screenings shall include but not be limited to:

4.3.1. Clinical pelvic examinations.

4.3.2. Clinical breast examinations.

4.3.3. Mammograms.

4.3.4. Pap and HPV tests, if appropriate.

4.3.5. Referrals for diagnostic and treatment services, as necessary.

4.4. The Contractor shall provide services to the number of individuals as follows:

4.4.1. 75% of all mammograms shall be provided to women ages fifty (50) to sixty-four (64) at all screening sites.

4.4.2. A maximum of 25% of all mammograms shall be provided to women under the age of fifty (50) at all screening sites.

4.4.3. 20% of newly enrolled women for Pap tests shall be provided at all screening sites to women who have not had a Pap test in over five (5) years.

4.5. The Contractor shall ensure all referrals are made in accordance with the minimum standards outlined in the BCCP Policy and Procedure Manual to facilities that provide approved and certified laboratory, pathology, radiology and surgical services. The Contractor shall ensure:

4.5.1. Mammography units are accredited by the American College of Radiology and FDA certified under MQSA.

4.5.2. Laboratories are CLIA certified.

4.6. The Contractor shall ensure all services and case management activities are completed in accordance with the BCCP Policy and Procedure Manual, including but not limited to follow-up and tracking of all client tests results and referrals.

4.7. The Contractor shall provide screening promotion for all eligible individuals, which includes, but is not limited to:

4.7.1. Patient navigation services that assist individuals to overcome health systems barriers and facilitate timely access to:

4.7.1.1. Quality breast and cervical cancer screening.

4.7.1.2. Breast and cervical cancer diagnostics.

4.7.1.3. Initiation of breast and cervical cancer treatment, when applicable.

4.7.1.4. Assurance that patient navigation services are terminated when the patient:

4.7.1.4.1. Completes screening and has normal results.

4.7.1.4.2. Completes diagnostic testing and has normal results.

4.7.1.4.3. Initiates breast and/or cervical cancer treatment or refuses treatment.

4.7.2. Patient navigation services shall include, but not be limited to:

4.7.2.1. A written assessment of individual client barriers.

4.7.2.2. Client education and support.

4.7.2.3. Assistance with resolving client barriers, including but not limited to transportation and translation services, as appropriate.

4.7.2.4. Tracking and follow-up to monitor client progress in completing screening, diagnostic testing, and initiation of treatment, as needed.

4.7.2.5. A minimum of two contacts with the client, either in person or by telephone.

4.7.2.6. Collecting data to evaluate the primary outcomes of patient navigation, which shall include adherence to screening, diagnostic testing and cancer treatment initiation.

4.7.2.7. Tracking of patients lost to follow-up, as appropriate.

5. Screening, Brief Intervention, and Referral to Treatment (SBIRT) Services

5.1. The Contractor shall develop the infrastructure necessary to provide and record Screening, Brief Intervention, and Referral to Treatment (SBIRT) services related to substance use for all eligible individuals ages nineteen (19) to sixty-five (65) years and for all pregnant women, regardless of age, receiving services in Section 3 and/or Section 4. The Contractor shall:

5.1.1. Provide training to integrated primary care and behavioral health teams to ensure SBIRT activities are conducted with fidelity to the model in Section 5.1.

5.1.2. Modify and/or adapt current Electronic Health Records (EHR) systems in order to track SBIRT:

5.1.2.1. Activities

5.1.2.2. Completions.

5.1.2.3. Recommendations and referrals.

5.1.2.4. Follow-ups.

5.1.3. Utilize Substance Use Disorder (SUD) codes in the EHR for billing that shall:

5.1.3.1. Enable submission for payment through NH Managed Care/Medicaid and other insurance companies.

5.1.3.2. Allow the generation of reports.

5.2. The Contractor shall implement SBIRT services by ensuring sufficient qualified staff are available to conduct SBIRT services according to the SBIRT model described by the Centers for Disease Control (CDC), available on-line at http/www.dcd.gov/ncddd/fasd/documents/alcholsbiimplementationguide.pdf. The Contractor shall:

5.2.1. Implement SBIRT services by including SBIRT activities in daily operations.

5.2.2. Use one or more of the screening instruments listed in Appendix E of "Systems-Level Implementation of Screening, Brief Intervention and Referral to Treatment. TAP 33" (2013 edition) (http://www.integration.samhsa.gov/sbirt/TAP33.pdf) and document screening in the electronic health record (EHR).

5.2.3. Conduct brief interventions with patients who screen positive for potential substance use concerns and document activities in the EHR.

5.2.4. Refer patients to Substance Use Disorder (SUD) treatment services as necessary, and ensure each patient has connected with the specific service

Contractor's Initials JL

Date 5-13-18

provider by documenting in the EHR, which is audited to ensure appropriate follow up.

5.2.5. Conduct SBIRT with covered populations that include all adults on an annual basis and pregnant women on a trimester basis.

5.3. Coordinate care between community health center (CHC) services and external treatment providers by collaborating with entities that provide SUD treatment services not available at the CHC. The Contractor shall:

5.3.1. Obtain client consents to contact service providers in order to resolve any barriers to accessing services.

5.3.2. Refer patients for SUD services, as needed.

5.3.3. Follow up with patient and/or SUD service provider to ensure appropriate services are provided.

5.3.4. Work with Regional Public Health Networks (RPHNs) to identify new SUD referral resources as they become available.

5.4. The Contractor shall test SBIRT fidelity with a subset of the target population prior to full implementation for all adults ages nineteen (19) to sixty-five (65) annually and pregnant women at each trimester.

6. Staffing

6.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH licenses whether directly employed, contracted or subcontracted.

6.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

6.3. The Contractor shall ensure staff delivering SBIRT services have, at minimum, one of the following:

6.3.1. Masters prepared behavioral health practitioners. This includes individuals licensed under the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board.

6.3.2. Masters prepared and in the process of obtaining a license from the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board, while under the supervision of a licensed practitioner of the same profession.

6.3.3. Physicians or Advanced Practice Registered Nurses licensed to practice in NH.

6.3.4. Physician Assistants or other practitioners under the supervision of a Physician licensed to practice in NH.

6.4. The Contractor may deliver breast and cervical cancer screening navigation services through a combination of staff, which may include the provision of outreach and education by lay persons with clinical case management services provided by either:

6.4.1. A registered nurse who:

6.4.1.1. Is licensed with the NH Board of nursing; or

6.4.1.2. Has attained bachelor's degree from a recognized college or university.

6.4.2. A nurse who is working under the direct supervision of a registered nurse, as described in Section 6.4.1.

6.5. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services in writing and include a copy of the individual's resume, within one month of hired.

6.6. The Contractor shall notify the MCHS, in writing, when:

6.6.1. Any critical position is vacant for more than one month.

6.6.2. There is not adequate staffing to perform all required services for more than one month.

7. Coordination of Services

7.1. The Contractor shall coordinate referrals for continued care of treatment, or breast or cervical healthcare, with other service providers within the community, where possible.

7.2. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

7.2.1. Community needs assessments.

7.2.2. Public health performance assessments.

7.2.3. The development of regional health improvement plans.

7.3. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

8. Required Meetings & Trainings

8.1. The Contractor shall attend meetings and trainings facilitated by the MCHS and BCCP programs that include, but are not limited to:

8.1.1. MCHS Agency Directors' meetings.

8.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year.

Contractor's Initials: JL

Date 5-13-15

8.1.3. MCHS Agency Medical Services Directors' meetings.

8.1.4. BCCP Site Coordinators' annual meetings.

9. Workplans, Outcome Reports & Additional Reporting Requirements

9.1. The Contractor shall provide an annual BCCP Performance Workplan and Workplan Outcomes Report according to the schedule and instructions provided by the BCCP, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule.

9.2. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a corrective action plan per directions from MCHS.

9.3. The Contractor shall submit an annual Workplan and Workplan Outcome Report for the quality improvement project(s) that demonstrates improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.4. If utilizing any portion of this contract for enabling services, the Contractor shall submit an annual Workplan and Workplan Outcome Report that includes at least one (1) performance measure for each type of enabling service provided. This shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.5. The Contractor shall complete the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st.

9.6. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

9.7. The Contractor shall submit monthly Outcome Reports for SBIRT services according to the schedule and instructions provided by the MCHS. The Contractor shall:

9.7.1. Collect information that includes, but is not limited to:

9.7.1.1. Description of the training provided, including but not limited to:

9.7.1.1.1. The content of the training provided.

9.7.1.1.2. The number of staff who received training.

9.7.1.2. The number of:

9.7.1.2.1. Qualified staff conducting SBIRT

Contractor's Initials: [illegible]

Date 5-13-15

9.7.1.2.2. SBIRT billing codes developed.

9.7.1.2.3. SBIRT services billed to insurance.

9.7.1.3. Updates on any changes, enhancements or adaptations to SBIRT procedures in:

9.7.1.3.1. Technology based systems.

9.7.1.3.2. Staffing.

9.7.1.3.3. Coding and billing.

9.7.1.4. The total number of clients receiving SBIRT delineated by:

9.7.1.4.1. Percentage of clients receiving only screening.

9.7.1.4.2. Percentage of clients receiving brief interventions.

9.7.1.4.3. Percentage of clients referred for more intensive services who initiated services.

9.7.1.4.4. Percentage of clients referred for more intensive services who had problems connecting to services.

9.8. The Contractor shall submit an annual report on April 30th in each year a contract amendment or renewal is not required that includes, but is not limited to:

9.8.1. DPHS Budget Form.

9.8.2. Budget Justification.

9.8.3. Sources of Revenue.

9.8.4. Program Staff List, which includes staff titles

9.9. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9.10. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

9.10.1. Survey template.

9.10.2. Method by which the results were obtained.

10. On-Site Reviews

10.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

10.1.1. Systems of governance.

10.1.2. Administration.

10.1.3. Data collection and submission.

10.1.4. Clinical and financial management.

Contractor's Initials: JR

Date: 5-13-15

10.1.5. Delivery of education services.

10.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

10.2.1. Client records.

10.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

10.2.3. SBIRT documentation, which includes but is not limited to:

10.2.3.1. SBIRT policies and procedures.

10.2.3.2. Staff credentials for all staff delivering SBIRT services

10.2.3.3. SBIRT procedures utilized and documented in patient records.

10.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Contractor's Initials: [illegible]

Exhibit A-1 – Amendment #2

1. PRIMARY CARE PERFORMANCE MEASURES

1.1. Breastfeeding

1.1.1. **Percent of infants who are ever breastfed** (Title V PM #10).

1.1.1.1. Numerator: Infants who were ever breastfed or received breast milk

1.1.1.2. Denominator: All infants born in a state fiscal year

1.2. Preventive Health: Lead Screening

1.2.1. **Percent of children 2 years of age who had one or more capillary or venous lead blood test for lead poisoning by their second birthday.** (CMS, Hedis).

1.2.1.1. Numerator: At least one capillary or venous blood test on or before the child's second birthday.

1.2.1.2. Denominator: Children who turn 2 years old during the state fiscal year.

1.3. Preventive Health: Adolescent Well-Care Visit

1.3.1. **Percent of adolescents, 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year** (Hedis, Title V PM #7).

1.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

1.3.1.2. Denominator: Number of adolescents, ages 12 through 21 years of age.

1.4. Preventive Health: Depression Screening

1.4.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (ACO 18, NQF 0418).

1.4.1.1. Numerator: Patients who are screened for clinical depression using an age-appropriate standardized depression screening tool AND if positive, a follow-up plan documented.

1.4.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.1.3. Denominator: All patients 12 years and older.

1.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

Contractor Initials: JL

Date: 5-13-15

1.4.2. **Maternal Depression Screening** (Developmental: not required for FY 16)

1.4.2.1. **Percentage of women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen.**

1.4.2.1.1. Numerator: Women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool and screen negative.

AND

Women who are screened for depression during the post-partum visit using an appropriate standardized depression screening tool, screen positive, AND have a follow-up plan documented.

1.4.2.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.2.1.3. Denominator: All women who are at least 6 weeks post-partum in a state fiscal year.

1.4.2.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

1.5. **Preventive Health: Obesity Screening**

1.5.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (ACO 16, NQF 0421, HRSA UDS).

1.5.1.1. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

1.5.1.2. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters.

1.5.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist,

occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

1.5.1.4. Denominator: All patients aged 18 years and older who had at least one medical visit during the state fiscal year.

1.5.2. Percent of patients aged 2 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (HRSA UDS).

1.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

1.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

1.6. **Preventive Health: Tobacco Screening**

1.6.1. Percent of patients aged 18 years and older who were screened for tobacco use one or more times within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user (ACO 17, NQF 0028, HRSA UDS).

1.6.1.1. Numerator: Patients who were screened for tobacco use at least once within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.1.2. Definitions:

1.6.1.2.1. Tobacco Use: Includes any type of tobacco

1.6.1.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.1.3. Denominator: All patients aged 18 years and older seen for at least two visits ever

1.6.2. Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user (Title V, PM #15).

1.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.2.2. Definitions:

1.6.2.2.1. Tobacco Use: Includes any type of tobacco

1.6.2.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.2.3. Denominator: All women who delivered a live birth in a state fiscal year

1.7. **At Risk Population: Hypertension**

1.7.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90 mm Hg) during the measurement year** (ACO 28, NQF 0018).

1.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm Hg at the time of their last measurement.

1.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)

1.8. **Patient Safety: Falls Screening**

1.8.1. **Percent of patients aged 65 years and older who were screened for future fall risk at least once within 12 months** (ACO 13, NQF0101).

1.8.1.1. Numerator: Patients who were screened for future fall risk at least once within 12 months.

1.8.1.2. Definition of Fall: a sudden, unintentional change in position causing an individual to land at a lower level, on an object, the floor, or the ground, other than as a consequence of a sudden onset of paralysis, epileptic seizure, or overwhelming external force.

1.8.1.3. Numerator note: Patients are considered at risk for future falls if they have had 2 or more falls in the past year or any fall with injury in the past year.

1.8.1.4. Denominator: All patients aged 65 years and older

1.8.1.5. Excluded from denominator population: (Exclusion only applied if patient was not screened for future fall risk) Documentation of medical reason(s) for not screening for future fall risk (e.g. patient is not ambulatory)

2. BCCP PERFORMANCE MEASURES

2.1. BCCP Performance Measure #1

2.1.1. **Measure:*** 78% of female patients age 24 through 64 years of age screened for cervical cancer per USPSTF guidelines.

2.1.2. **Numerator** – Number of female patients 24 through 29 years of age who have had a documented pap in the past 3 years AND female patients 30-64 who have either had a pap in the past 3 years OR an HPV test and a pap in the past 5 years

2.1.3. **Denominator** – Number of female patients 24 through 64 years of age who have had a visit in the past year and do not have evidence of having had a total hysterectomy.

2.1.4. **Data Source:** Chart audits or query of 100% of the **total** population of patients as described in the denominator.

2.1.5. *Measure based on the UDS measure

2.1.6. **Healthy People 2020 National Target is 93%

2.2. BCCP Performance Measure #2

2.2.1. **Measure:*** 75% of female patients age 52 through 74 years of age screened for breast cancer per USPSTF guidelines.

2.2.2. **Numerator** – Number of female patients 52 through 74 years of age who have had a documented mammogram in the past 24 months.

2.2.3. **Denominator** – Number of female patients 52 through 74 years of age who have had a visit in the past year and do not have evidence of having had a bilateral mastectomy.

2.2.4. **Data Source:** Chart audits or query of 100% of the **total** population of patients as described in the denominator.

2.2.5. *Measure based on the USPSTF Guidelines

2.2.6. ** Healthy People 2020 National Target is 81.1%

3. SBIRT PERFORMANCE MEASURES

3.1. **Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services**

3.1.1. **Numerator:** Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention or referral to services.

3.1.2. Definitions

3.1.2.1. Substance Use: Includes any type of alcohol or drug.

3.1.2.2. Brief Intervention: Includes guidance or counseling.

3.1.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

3.1.3. Denominator: Number of patients aged 18 years and older seen for annual visit within 12 months.

3.2. **Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program AND if positive, received a brief intervention or referral to services**

3.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

3.2.2. Definitions:

3.2.2.1. Substance Use: Includes any type of alcohol or drug.

3.2.2.2. Brief Intervention: Includes guidance or counseling.

3.2.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

3.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the state fiscal year.

Contractor Initials: RL
Date: 5-13-15

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov):
   - 2.1. #93.959, Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA) Block Grants for Prevention and Treatment of Substance Abuse.
   - 2.2. #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds.
   - 2.3. #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #2, Scope of Services, in accordance with Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2.
4. The Contractor shall use and apply the amount in the SBIRT line item in Exhibit B-3 and Exhibit B-6 on actual SBIRT services provided.
5. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
6. Payment for said services shall be made as follows:
   - 6.1. The Contractor will submit an invoice by the tenth (10^{th}) working day of each month, which identifies and requests reimbursement for:
     - 6.1.1. Authorized expenses incurred in the prior month.
     - 6.1.2. The units of SBIRT services provided, in accordance with Exhibit A – Amendment #2, Section 5.2.2 through Section 5.2.5 and Section 5.3.1 through Section 5.3.3, which shall be paid on a fee-for-service basis at the following rates:
       - 6.1.2.1. $29.86 for each unit of service that is 15-30 minutes.
       - 6.1.2.2. $57.31 for each unit of service that is more than 30 minutes.
   - 6.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   - 6.3. The invoice must be submitted by mail or e-mail to:

     Financial Manager
     Department of Health and Human Services
     129 Pleasant Street
     Concord, NH 03301

     E-mail: dphscontractbilling@dhhs.state.nh.us

Contractor Initials: RL
Date 5-13-15

7. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.
8. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
9. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
10. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2 and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to amend agreements with 13 vendors by increasing the total price limitation by $4,293,569 from $5,173,800 to $9,467,369 to provide primary care services. This amount includes a request to **retroactively** enter into **sole-source** amendments in an amount of $648,347, effective **retroactive** to July, 1, 2013 through June 30, 2014 and to exercise a one-year renewal option with the same 13 vendors in an amount of $3,645,222, extending the completion date from June 30, 2014 to June 30, 2015, effective upon Governor and Council approval. Twelve of these agreements were originally approved by Governor and Council on June 20, 2012, Item numbers 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, and one agreement was originally approved by Governor and Council on July 11, 2012, Item number 31.

Summary of contracted amounts by vendor:

Vendor	Location	SFY 2014 Amount	SFY 2015 Amount	Total Increase
Ammonoosuc Community Health	North Grafton/ South Coos	$42,661	$254,172	$296,833
Concord Hospital, Inc.	Merrimack/ Hillsborough	$64,413	$376,377	$440,790
Coos County Family Health	Eastern Coos	$24,351	$159,685	$184,036
Families First of the Greater Seacoast	Seacoast Area	$41,892	$242,094	$283,986
Goodwin Community Health	Strafford County	$74,293	$420,579	$494,872
Health First Family Care Center	Central/Eastern Belknap	$55,968	$292,214	$348,182
Indian Stream Health Center	Northern Coos & Colebrook	$18,030	$100,409	$118,439
Lamprey Health Care, Inc.	Central Southern/Eastern NH	$119,828	$654,249	$774,077
Manchester Community Health Center	Greater Manchester Area	$71,392	$407,637	$479,029
Mid-State Health Center	Central Northern Belknap	$35,001	$175,511	$210,512
The New London Hospital, Inc.	Sullivan County	$39,566	$225,093	$264,659
Weeks Medical Center	Western Coos	$20,652	$113,557	$134,209
White Mountain Community Health	Northern Carroll	$40,300	$223,645	$263,945
TOTAL		**$648,347**	**$3,645,222**	**$4,293,569**

Funds to support this request are available in the following accounts for SFY 2014 and SFY 2015, with authority to adjust amounts within the price limitation and amend the related terms of the contract without further approval from Governor and Executive Council.

EXPLANATION

Approval is requested **retroactive** to July 1, 2013. The services provided by these contracts are consistent with prior contracts and were included in the operating budget for SFY 2014 and SFY 2015. Contracts were delayed, however, since the exact amount of funding available was only recently determined. The SFY 2014 amendments are **sole source** because they exceed more than 10% of the original contract amount.

This requested action seeks approval of 13 amendments that represents $4,293,569 total anticipated to be spent statewide to continue breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. In the interest of efficiency, the contract amendments are being bundled as they are providing the same services, and because of the size of the resulting Governor and Council submission, the copies provided are abbreviated in the interest of saving resources. The Councilors and the public can view the entire submission package on the Secretary of State's website.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

In addition, breast and cervical cancers continue to be ongoing public health issues for New Hampshire. The Division of Public Health Services, Breast and Cervical Cancer Screening Program

provides support for breast and cervical cancer screening services that include clinical examinations, pap smears and referral for mammography. Through this program, women found to have abnormal screening results, following their testing, receive additional coverage for diagnostic work-up and, if necessary, have their care coordinated through the initiation of treatment.

Should Governor and Executive Council not authorize this Request, low-income individuals statewide may not have adequate access to primary care services, and eligible women may not receive recommended breast and cervical cancer screenings. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. Additionally women that receive recommended breast and cervical cancer screenings are at lower risk of late diagnosis of breast and cervical cancers.

Contracts were awarded to Primary Care agencies through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by teams of three professionals. All reviewers have between three to 20 years' experience managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were averaged and all proposals were recommended for funding. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, these competitively procured Agreements have the option to renew for two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council. The Department is exercising one year of this renewal option.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. All Primary Care vendors are making adequate progress in meeting clinical performance measures and the Departments wishes to continue working with the vendors for another year.

The performance measures as described in the contract amendment Exhibit A – Amendment 1 – Performance Measures, will be used to continue to measure the effectiveness of the agreement.

Area to be served is statewide.

Source of Funds: 13.09% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau; Centers for Disease Control and Prevention and 86.91% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

State of New Hampshire
Department of Health and Human Services
Amendment #1 to the
Goodwin Community Health

This 1st Amendment to the Goodwin Community Health, contract (hereinafter referred to as "Amendment One") dated this 11 day of March, 2014, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Goodwin Community Health, (hereinafter referred to as "the Contractor"), a corporation with a place of business at 311 Route 108, Somersworth, New Hampshire 03878.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18, the State may modify the scope of work and the payment schedule of the contract by written agreement of the parties;

WHEREAS, the Department desires to provide additional primary health care services for preventive and episodic health care for acute and chronic health conditions for people of all ages.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

- Form P-37, to change:
  Block 1.7 to read: June 30, 2015
  Block 1.8 to read: $1,095,268

- Exhibit A, Scope of Services to add:
  Exhibit A – Amendment 1

- Exhibit B, Purchase of Services, Contract Price, to add:

  Paragraph 1.1 to Paragraph 1:
  The contract price shall increase by $74,293 for SFY 2014 and $420,579 for SFY 2015.

  Paragraph 1.2 to Paragraph 1:
  Funding is available as follows:
- $74,293 from 05-95-90-902010-5190-102-500731, 100% General Funds;
- $372,533 from 05-95-90-902010-5190-102-500731, 6.7% Federal Funds from the US Department of Health and Human Services Administration, Maternal and Child Health Bureau, CFDA #93.994 and 93.3% General Funds;

Contractor Initials: JA
Date: 3/11/14

- $48,046 from 05-95-90-902010-5659-102-500731, 100% Federal Funds from the US Department of Health and Human Services, Centers for Disease Control and Prevention, CFDA #93.283;

  Add Paragraph 8
  8. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjustments to amounts between and among account numbers, within the price limitation, may be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

- Budget, to add:
  Exhibit B-1 (2014) - Amendment 1,
  Exhibit B-1 (2015) - Amendment 1

This amendment shall be in effect July 1, 2013, effective upon the date of Governor and Executive Council approval.

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, Bureau of Population Health and Community Services, Maternal and Child Health Section, to enter into an agreement with Goodwin Community Health (Vendor #154703-B001), 311 Route 108, Somersworth, New Hampshire 03878, in an amount not to exceed $600,396.00, to provide primary care services and breast and cervical cancer screening, to be effective July 1, 2012 or date of Governor and Executive Council approval, whichever is later, through June 30, 2014. Funds are available in the following accounts for SFY 2013, and are anticipated to be available in SFY 2014 upon the availability and continued appropriation of funds in the future operating budgets.

05-95-90-902010-5190 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF POPULATION HEALTH AND COMMUNITY SERVICES, MATERNAL AND CHILD HEALTH

			Sub-Total	$102,972
			Total	$600,396

EXPLANATION

Funds in this agreement will be used to provide breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. This agreement provides funds for services as a last resort; contractor is required to make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. For example, in State Fiscal Year 2011:

- 88% of eligible children served were enrolled in Medicaid/Healthy Kids Gold.
- 86% of children 24-35 months, served received the appropriate schedule of immunizations.
- 82% of infants born to women served received prenatal care beginning in the first trimester of pregnancy.

In addition, breast and cervical cancers continue to be ongoing public health issues for New Hampshire. The Division of Public Health Services, Breast and Cervical Cancer Screening Program provides support for breast and cervical cancer screening services that include clinical examinations, pap smears and referral for mammography. Through this program, women found to have abnormal screening results, following their testing, receive additional coverage for diagnostic work-up and, if necessary, have their care coordinated through the initiation of treatment.

Should Governor and Executive Council not authorize this Request, a minimum of 6,000 low-income individuals from Strafford County may not have access to primary care services, and eligible women may not receive recommended breast and cervical cancer screenings. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. Additionally women that receive recommended breast and cervical cancer screenings are at lower risk of late diagnosis of breast and cervical cancers.

Goodwin Community Health was selected for this project through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by three professionals, who work internal and external to the Department of Health and Human Services. All reviewers have between three to twenty years experience either in clinical settings, providing community-based family support services, and managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were averaged and all proposals were recommended for funding. In those instances where scores were less than ideal, agency specific remedial actions were recommended and completed. Some primary care agencies are being funded at levels higher than they requested. Agencies were instructed to develop budgets based on previous allocations. While some proposed budgets higher than what was available for funding, others proposed budgets lower than what was available. There was an increase in breast and cervical cancer screening funds that bidders were unaware of when they drafted budgets. Adjustments were made accordingly for those agencies that proposed budgets at levels lower than available funds. This is a contract where that situation occurred. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council. These services were contracted previously with this agency in SFY 2011 and SFY 2012 in the amount of $983,024. This represents a decrease of $382,628. The decrease is due to budget reductions.

The performance measures used to measure the effectiveness of the agreement are attached.

Area served: Strafford County.

Source of Funds: 33.68% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau and 66.32% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Prenatal (PN) Performance Measure #1

Measure: Percent of infants born to women receiving prenatal care beginning in the first trimester of pregnancy.

Primary Care Prenatal (PN) Performance Measure #2

Measure: Percent of pregnant women identified as cigarette smokers that are referred to QuitWorks-New Hampshire.

Primary Care Prenatal (PN) Performance Measure #3

Measure: Percent of pregnant women who were screened, using a formal valid screening tool, for alcohol and other drug use during every trimester the patient was enrolled.

Primary Care Child Health Direct (CH – D) Performance Measure #1

Measure: Percent of eligible children enrolled in Medicaid

Primary Care Child Health Direct (CH – D) Performance Measure #2

Measure: Percent of at-risk children who were screened for blood lead between 18 and 30 months of age

Primary Care Child Health Direct (CH – D) Performance Measure #3

Measure: Percent of children age two to nineteen years receiving primary care preventive health services with a Body Mass Index (BMI) percentile greater than or equal to the 85th percentile with documented discussion of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Primary Care Child Health Direct (CH – D) Performance Measure #4

Measure: Percent of eligible infants and children with client record documentation of enrollment in Women Infant Children Program.

Primary Care Child Health Direct (CH – D) Performance Measure #5

Measure: Percent of infants who were exclusively breastfed for the first three months, at their four month well baby visit.

Primary Care Financial (PC) Performance Measure #1

Measure: Patient Payor Mix

Primary Care Financial (PC) Performance Measure #2

Measure: Accounts Receivables (AR) Days

Primary Care Financial (PC) Performance Measure #3

Measure: Current Ratio

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Clinical Adolescent (PC-C) Performance Measure #1

Measure: Percent of adolescents aged 10-21 years who received annual health maintenance visits in the past 12 months.

Primary Care Clinical Prenatal (PC-C) Performance Measure #2

Measure: Percent of women and adolescent girls aged 15-44 who take a multi-vitamin with folic acid.

Subject: Primary Care Services

NH Department of Health and Human Services

Exhibit C

SPECIAL PROVISIONS

1. **Contractors Obligations:** The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

2. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

3. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

4. **Documentation:** In addition to the determination forms, required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

5. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

6. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

7. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

8. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractor's costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party fundors for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party fundors, the Department may elect to:

    8.1 Renegotiate the rates for payment hereunder, in which event new rates shall be established;

8.2 Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

8.3 Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

9. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:

9.1 **Fiscal Records:** Books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

9.2 **Statistical Records:** Statistical, enrollment, attendance, or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

9.3 **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

10. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.

10.1 **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.

10.2 **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

11. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directed connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Contractor Initials: [illegible]

Date [illegible]

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

12. **Reports: Fiscal and Statistical:** The Contractor agrees to submit the following reports at the following times if requested by the Department

12.1 Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.

12.2 Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

13. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

14. **Credits:** All documents, notices, press releases, research reports, and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:

14.1 The preparation of this (report, document, etc.), was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, Division of Public Health Services, with funds provided in part or in whole by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

15. **Operation of Facilities:** Compliance with Laws and Regulations: In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the Contractor with respect to the operation of the facility or the provision of the services at such facility. If any government license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

Date 3/21/17

16. Insurance: Select either (1) or (2) below:

As referenced in the Request for Proposal, Comprehensive General Liability Insurance Acknowledgement Form, the Insurance requirement checked under this section is applicable to this contract:

Insurance Requirement for (1) - 501(c) (3) contractors whose annual gross amount of contract work with the State does not exceed $500,000, per RSA 21-I:13, XIV, (Supp. 2006): The general liability insurance requirements of standard state contracts for contractors that qualify for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the state does not exceed $500,000, is comprehensive general liability insurance in amounts of not less than $1,000,000 per claim or occurrence and $2,000,000 in the aggregate. *These amounts may NOT be modified.*

X (1) The contractor certifies that it **IS** a 501(c) (3) contractor whose annual total amount of contract work with the State of New Hampshire does **not** exceed $500,000.

Insurance Requirement for (2) - All other contractors who do not qualify for RSA 21-I:13, XIV, (Supp. 2006), Agreement P-37 General Provisions, 14.1 and 14.1.1. Insurance and Bond, shall apply: The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, both for the benefits of the State, the following insurance: comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per incident or occurrence. *These amounts MAY be modified if the State of NH determines contract activities are a risk of lower liability.*

(2) The contractor certifies it does **NOT** qualify for insurance requirements under RSA 21-I:13, XIV (Supp. 2006).

17. Renewal:

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two (2) additional year(s), contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

18. Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

Date 3-26-12

19. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

State of New Hampshire
Department of Health and Human Services
Amendment #3 to the Primary Care Services for the Homeless Contract

This 3rd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #3") dated this, 1st day of May, 2017 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Harbor Homes, Inc. (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 45 High Street, Nashua, NH 03060.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 6, 2012 (Item #68); as amended by an agreement (Amendment #1 to the Contract) approved by the Governor and Executive Council on May 8, 2014 (Item #34B); as amended by an agreement (Amendment #2 to the Contract) approved by the Governor and Executive Council on June 24, 2015 (Item #58); the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 of the Agreement the State may amend the contract terms and conditions by written agreement of the parties and approval of the Governor and Executive Council; and

WHEREAS, the parties agree to extend the contract for nine (9) months, add services to the scope of services, and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree to amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:

   March 31, 2018
2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:

   $491,006
3. Add Exhibit A- Amendment #3, Scope of Services.
4. Add Exhibit A-1 – Amendment #3, Performance Measures
5. Add Exhibit B – Amendment #3, Method and Conditions Precedent to Payment.
6. Add Exhibit B-1 – Amendment #3 MCHS Budget.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. The Contractor shall utilize flexible hours and minimal use of appointment systems to provide **primary care and enabling** services to homeless individuals and families through the use of permanent office based locations and/or mobile or temporary delivery locations.

1.5. The Contractor shall serve target populations that include individuals who:

1.5.1. Are uninsured;

1.5.2. Are underinsured;

1.5.3. Are low-income, which is defined as $\leq$ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines;

1.5.4. Lack housing including an individual whose primary residence during the night is a supervised public or private facility (e.g., shelters) that provides temporary living accommodations;

1.5.5. Are residents in transitional housing;

1.5.6. Are unable to maintain their housing situation and are forced to stay with a series of friends and/or extended family members, hence are considered homeless;

1.5.7. Are to be released from a prison or a hospital and do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

1.6. The Contractor shall continue to provide primary care and enabling services to individuals described in Section 1.5.4 through Section 1.5.7 above for three

hundred sixty-four (364) calendar days following the individual's placement in permanent housing.

1.7. The Contractor shall provide **Screening, Brief Intervention and Referrals to Treatment** (SBIRT) Services to all individuals described in Section 1.4 through Section 1.6, above.

1.8. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.8.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases;

1.8.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control;

1.8.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care, Enabling or SBIRT Services for new patients is limited or closed for more than a one month period.

2.2. The Contractor shall maintain documentation for each individual receiving services described in this contract that includes, but is not limited to:

2.2.1. Family income;

2.2.2. Family size;

2.2.3. Income in relation to the Federal Poverty Guidelines.

2.3. The Contractor shall assist individuals with completing a Medicaid/Expanded Medicaid or other health insurance application when income calculations indicate possible Medicaid eligibility.

2.4. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.5. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.5.1. Update the sliding fee scale on an annual basis every when new Federal Poverty Guidelines are released;

2.5.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. These services can be designed to meet the unique and identified needs of

the homeless populations within the contracted service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services;

3.1.2. Behavioral health services;

3.1.3. Preventive services, screenings and health education in accordance with established, documented state or national guidelines;

3.1.4. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral;

3.1.5. Assessment of need and follow-up/referral as indicated for:

3.1.5.1. Tobacco cessation, including referral to QuitWorks-NH, www.QuitWorksNH.org;

3.1.5.2. Social services;

3.1.5.3. Chronic Disease management, including disease specific referral and self-management education such as referral to Diabetes Self-Management education (DSME) as recommended by American Diabetes Association;

3.1.5.4. Nutrition services, including WIC, as appropriate;

3.1.5.5. SBIRT services, including a connection with the Regional Public Health Network Continuum of Care Development Initiative;

3.1.5.6. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which shall include, but not be limited to:

3.2.1. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract;

3.2.2. Care coordination facilitated by registries, information technology, health information exchange and other means to assure that patients get the necessary care when and where they need and want it in a culturally and linguistically appropriate manner.

3.2.3. An integrated model of primary care that may include, but is not limited to:

3.2.3.1. Behavioral health;

3.2.3.2. Oral health;

3.2.3.3. Use of navigators and case management;

3.2.3.4. Co-location of services and system-level integration of care and fiscal accountability.

4. Enabling Services

4.1. The Contractor shall provide enabling services, which are non-clinical services that support the delivery of basic primary care services and facilitate access to comprehensive patient care as well as social services. The Contractor can facilitate enabling services that include, but are not limited to:

4.1.1. Case management;

4.1.2. Benefit counseling;

4.1.3. Eligibility assistance;

4.1.4. Health education and supportive counseling;

4.1.5. Interpretation/Translation;

4.1.6. Outreach which can include the use of community health workers;

4.1.7. Transportation;

4.1.8. Education of patients and the community regarding the availability and appropriate use of health services.

5. Quality Improvement

5.1. The Contractor shall conduct a minimum of two (2) quality improvement projects which consist of systematic and continuous actions that lead to measurable improvement in health care services and the health status of targeted patient groups. The Contractor shall ensure:

5.1.1. One (1) quality improvement project focuses on the performance measure as designated by the Department.

5.1.2. One (1) quality improvement project is based on previous performance outcomes needing improvement, as selected by the Contractor.

5.2. The Contractor shall utilize Quality Improvement (QI) science to develop and implement a QI Workplan for each QI project, which shall include but not be limited to:

5.2.1. Specific goals and objectives for the project period.

5.2.2. Evaluation methods to demonstrate improvements in the quality, efficiency, and effectiveness of patient care.

5.3. The Contractor may utilize activities in QI projects that enhance clinical workflow and improve patient outcomes, which may include but are not limited to:

5.3.1. EMR prompts/alerts.

5.3.2. Protocols/Guidelines.

5.3.3. Diagnostic support.

5.3.4. Patient registries.

5.3.5. Collaborative learning sessions.

6. Staffing

6.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH licenses whether directly employed, contracted or subcontracted.

6.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

6.3. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services in writing and include a copy of the individual's resume, within one month of hired.

6.4. The Contractor shall notify the MCHS, in writing, when:

6.4.1. Any critical position is vacant for more than thirty (30) consecutive days;

6.4.2. There is not adequate staffing to perform all required services for more than thirty (30) consecutive days.

7. Coordination of Services

7.1. The Contractor shall coordinate with other service providers within the community, where possible, including but not limited to collaboration with interagency referrals and to deliver coordination of care.

7.2. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

7.2.1. Community needs assessments;

7.2.2. Public health performance assessments;

7.2.3. The development of regional health improvement plans.

7.3. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

8. Required Meetings & Trainings

8.1. The Contractor shall attend meetings and trainings facilitated by the MCHS that include, but are not limited to:

8.1.1. MCHS Agency Directors' meetings;

8.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year, which may require attendance by agency quality improvement staff;

8.1.3. MCHS Agency Medical Services Directors' meetings.

9. Workplans, Outcome Reports & Additional Reporting Requirements

9.1. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a Performance Measure Outcome Report (plan for improvement) per directions from MCHS.

9.2. The Contractor shall submit an annual Workplan for the two quality improvement project(s) that demonstrates improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.3. The Contractor shall submit at least one (1) annual Workplan that includes a detailed description of the enabling services funded by this contract. This shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.4. The Contractor shall complete the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st of each contract year.

9.5. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

9.6. The Contractor shall submit the following per contract period:

9.6.1. DPHS Budget Form;

9.6.2. Budget Justification;

9.6.3. Sources of Revenue;

9.6.4. Program Staff List, which includes staff titles.

9.7. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9.8. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

9.8.1. Survey template;

9.8.2. Method by which the results were obtained.

10. On-Site Reviews

10.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

10.1.1. Systems of governance;

10.1.2. Administration;

10.1.3. Data collection and submission;

10.1.4. Clinical and financial management;

10.1.5. Delivery of education services.

10.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

10.2.1. Client records;

10.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

10.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Exhibit A-1 – Amendment #3

1. MATERNAL AND CHILD HEALTH SECTION (MCHS) PRIMARY CARE HOMELESS PERFORMANCE MEASURES

1.1. **Definitions**

1.1.1. **Measurement Year** – Measurement Year consists of 365 and is defined as either:

1.1.1.1. The calendar year (January 1st through December 31st); or

1.1.1.2. The state fiscal year (July 1st through June 30th).

1.1.2. **Medical Visit** – Medical visit is defined as any office visit including all well-care and acute-care visits.

1.1.3. **HEDIS** – Healthcare Effectiveness Data and Information Set

1.1.4. **NQF** – National Quality Forum

1.1.5. **Title V** – Federal Maternal and Child Health Services Block Grant

1.1.6. **UDS** – Uniform Data System

1.1.7. **NH MCHS** – New Hampshire Maternal and Child Health Section

2. MCHS PRIMARY CARE HOMELESS PERFORMANCE MEASURES

2.1. **Preventive Health: Depression Screening**

2.1.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (NQF 0418, UDS).

2.1.1.1. Numerator: Patients twelve (12) years and older who are screened for clinical depression using an age-appropriate standardized depression screening tool **AND** if positive, a follow-up plan documented.

2.1.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented follow-up plan.

2.1.1.3. Denominator: All patients 12 years and older by the end of the measurement year who had at least one (1) medical visit during the measurement year.

2.1.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

2.1.1.5. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as suicide risk assessment and/or referral to practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

2.2. **Preventive Health: Obesity Screening**

Contractor Initials: RK
Date: 5/8/17

2.2.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (NQF 0421, UDS).

2.2.1.1. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters (Normal BMI + abnormal BMI with documented plan).

2.2.1.2. Denominator: All patients aged 18 years and older who had at least one (1) medical visit during the measurement year.

2.2.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist, occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

2.2.1.4. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

2.3. **Preventive Health: Tobacco Screening**

2.3.1. Percent of patients aged 18 years and older who were screened for tobacco use at least once during the measurement year or prior year AND who received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user (UDS).

2.3.1.1. Numerator: number of patients in the denominator for whom documentation demonstrates that patients were queried about their tobacco use one or more times during their most recent visit OR within twenty-four (24) months of the most recent visit and received tobacco cessation counseling intervention and/or pharmacotherapy if identified as a tobacco user.

2.3.1.2. Numerator Note: Numerator equals queried non-smokers PLUS queried smokers with documented counseling intervention and/or pharmacotherapy.

2.3.1.3. Denominator: All patients aged 18 years and older during the measurement year, with at least one (1) medical visit during the measurement year, and with at least two (2) medical visits ever.

2.3.1.4. Definitions:

2.3.1.4.1. Tobacco Use: Includes any type of tobacco

2.3.1.4.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

2.4. **At Risk Population: Hypertension**

2.4.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90mmHG) during the measurement year** (NQF 0018).

2.4.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm HG at the time of their last measurement.

2.4.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension (must have been diagnosed with hypertension 6 or more months before the measurement date) who had at least one (1) medical visit during the measurement year. (Excludes pregnant women and patients with End Stage Renal Disease.)

2.5. **Patient Safety: Falls Screening**

2.5.1. **Percent of patients aged 65 years and older who were screened for fall risk at least once within 12 months** (NH MCHS).

2.5.1.1. Numerator: Patients who were screened for fall risk at least once within the measurement year.

2.5.1.2. Denominator: All patients aged 65 years and older seen by a health care provider within the measurement year.

2.6. **SBIRT**

2.6.1. Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services (NHMCHS).

2.6.1.1. Numerator: Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention and/or referral to services.

2.6.1.2. Numerator Note: Numerator equals screened negative PLUS screened positive who have documented brief intervention and/or referral to services.

2.6.1.3. Denominator: Number of patients aged 18 years and older seen for annual/preventive visit within the measurement year.

2.6.1.4. Definitions:

2.6.1.4.1. Substance Use: Includes any type of alcohol or drug.

2.6.1.4.2. Brief Intervention: Includes guidance or counseling.

2.6.1.4.3. Referral to Services: includes any recommendation of direct referral for substance abuse services.

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A – Amendment #3, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov) #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #3, Scope of Services, in accordance with Exhibit B-1 Budget - Amendment #3.
4. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
5. Payment for said services shall be made as follows:
   5.1. The Contractor will submit an invoice by the tenth (10^{th}) working day of each month, which identifies and requests reimbursement for authorized expenses incurred in the prior month.
   5.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   5.3. The invoice must be submitted by mail or e-mail to:

        Financial Manager
        Department of Health and Human Services
        129 Pleasant Street
        Concord, NH 03301

        E-mail: dphscontractbilling@dhhs.state.nh.us
6. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.
7. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
8. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
9. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budget in Exhibit B-1 Budget Amendment #3 that is within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Harbor Homes, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Harbor Homes, Inc., which comprise the statement of financial position as of June 30, 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of

expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Harbor Homes, Inc. as of June 30, 2016, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Harbor Homes, Inc.'s fiscal year 2015 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated December 10, 2015. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2015 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 2, 2016 on our consideration of the Harbor Homes, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Harbor Homes Inc.'s internal control over financial reporting and compliance.

Debt forgiveness	$ 98,087	$ -

The accompanying notes are an integral part of these financial statements.

1. Organization:

Harbor Homes, Inc. (the Organization) is a nonprofit organization that creates and provides quality residential and supportive services for persons (and their families) challenged by mental illness and/or homelessness in the State of New Hampshire. Programs include mainstream housing, permanent housing, transitional housing, and emergency shelter, as well as comprehensive support services that include peer support programs, job training, a paid employment program, and social and educational activities.

In addition to housing and supportive services, the Organization runs a health care clinic that is a Federally Qualified Health Center (FQHC) offering primary medical services to the homeless and/or low-income individuals.

2. Summary of Significant Accounting Policies:

The following is a summary of significant accounting policies of the Organization used in preparing and presenting the accompanying financial statements.

Comparative Financial Information

The accompanying financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with Accounting Principles Generally Accepted in the United States of America (GAAP). Accordingly, such information should be read in conjunction with the audited financial statements for the year ended June 30, 2016, from which the summarized information was derived.

Accounting for Contributions and Financial Statement Presentation

The Organization follows *Accounting for Contributions Received and Contributions Made* and *Financial Statements of Not-for-Profit Organizations* as required by the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC). Under these guidelines, the Organization is required to distinguish between contributions that increase permanently restricted net assets, temporarily restricted net assets, and unrestricted net assets. It also requires recognition of contributions, including contributed services, meeting certain criteria at fair values. These reporting standards establish standards for financial statements of not-for-profit

organizations and require a Statement of Financial Position, a Statement of Activities, a Statement of Functional Expenses, and a Statement of Cash Flows.

Basis of Accounting

Revenues and expenses are reported on the accrual basis of accounting. Under this basis, revenues, other than contributions, and expenses are reported when incurred, without regard to the date of receipt or payment of cash. Contributions are reported in accordance with FASB ASC *Accounting for Contributions Received and Contributions Made*.

Restricted and Unrestricted Revenue

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Investments

The Organization carries investments in marketable securities with readily determinable fair values and all investments in debt securities at their fair values in the Statement of Financial Position. Unrealized gains and losses are included in the change in net assets in the accompanying Statement of Activities.

Allowance for Doubtful Accounts

The adequacy of the allowance for doubtful accounts for receivables is reviewed on an ongoing basis by the Organization's management and adjusted as required through the provision for doubtful accounts (bad debt expense). In determining the amount required in the allowance, management has taken into account a variety of factors.

Patient Services Receivables, Net

Patient services receivables result from the health care services provided by the Organization's Federally Qualified Health Care Center. Additions to the allowance for doubtful accounts result from the provision for bad debts. Accounts written off as uncollectible are deducted from the allowance for doubtful accounts. The amount of the allowance for doubtful accounts is based upon management's assessment of historical and expected net collections, business and economic conditions, trends in Medicare and Medicaid health care coverage, and other indicators.

For receivables associated with services provided to patients who have third-party coverage, which includes patients with deductible and copayment balances due for which third-party coverage exists for part of the bill, the Organization analyzes contractually due amounts and provides an allowance for doubtful collections and a provision for doubtful collections, if necessary. For receivables associated with self-pay patients, the Organization records a significant provision for doubtful collections in the period of service on the basis of its past experience, which indicates that many patients are unable to pay the portion of their bill for which they are financially responsible. The difference between the billed rates and the amounts actually collected after all reasonable collections efforts have been exhausted is charged off against the allowance for doubtful collections. The Organization has not changed its financial assistance policy in 2016. The Organization does not maintain a material allowance for doubtful collections from third-party payors, nor did it have significant write-offs from third-party payors.

Property and Equipment

Property and equipment is recorded at cost or, if donated, at estimated fair market value at the date of donation. Major additions and improvements are capitalized, while ordinary maintenance and repairs are charged to expense. Depreciation is provided using the straight-line method over the estimated useful lives of the related assets. Assets not in service are not depreciated.

Patient Service Revenues, Net

Patient service revenues, net is reported at the estimated net realizable amounts from patients, third-party payors, and others for services rendered. Self-pay revenue is recorded at published charges with charitable allowances deducted to arrive at net self-pay revenue. All other patient services revenue is recorded at published charges with contractual allowances deducted to arrive at patient services, net. Reimbursement rates are subject to revisions under the provisions of reimbursement regulations. Adjustments for such revisions are recognized in the fiscal year incurred. Included in third-party receivables are the outstanding uncompensated care pool payments.

Charity Care

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Since the Organization does not pursue collection of amounts determined to qualify as charity care, these amounts are reported as deductions from revenue (see Note 25).

Functional Expenses

The costs of providing various programs and activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Donated Services

The Organization receives donated services from a variety of unpaid volunteers assisting the Organization in its programs. No amounts have been recognized in the accompanying statement of activities because the criteria for recognition of such volunteer effort under generally accepted accounting principles have not been satisfied.

Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual amounts could differ from those estimates.

Tax Status

Harbor Homes, Inc. is exempt from federal income tax under Section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3). The Organization has also been classified as an entity that is not a private foundation within the meaning of Section 509(a) and qualifies for deductible contributions.

The Organization follows FASB ASC 740-10, *Accounting for Uncertainty in Income Taxes*, which clarifies the accounting for uncertainty in income

taxes and prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. FASB ASC 740-10 did not have a material impact on the Organization's financial statements.

The Organization's Federal Form 990 (Return of Organization Exempt From Income Tax) is subject to examination by the IRS, generally for three years after they were filed.

The Organization recognizes interest related to unrecognized tax benefits in interest expense and penalties that are included within reported expenses. During the year ended June 30, 2016, the Organization had no interest or penalties accrued related to unrecognized tax benefits.

Reclassifications

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year financial statements.

3. Concentration of Credit Risk - Cash and Cash Equivalents:

The carrying amount of the Organization's deposits with financial institutions was $463,745 at June 30, 2016. The difference between the carrying amount and the bank balance represents reconciling items such as deposits in transit and outstanding checks, which have not been processed by the bank at June 30, 2016. The bank balance is categorized as follows:

Insured by FDIC	$ 577,016
Insured by SIPC	970
Total Bank Balance	$ 577,986

4. Investments:

The Organization's investments are reported on the basis of quoted market prices and consist of the following at June 30, 2016:

	Cost	Market Value	Unrealized Gain or (Loss) To Date
Stocks	$ 8,890	$ 8,890	$ -
Total	$ 8,890	$ 8,890	$ -

5. Receivables, Net:

Accounts receivable at June 30, 2016 consists of the following:

	Receivable	Allowance	Net
Grants	$ 699,014	$ -	$ 699,014
Medicaid	59,271	-	59,271
Other	67,229	-	67,229
Residents	108,263	(74,177)	34,086
Security deposits	2,739	-	2,739
Total	$ 936,516	$ (74,177)	$ 862,339

Patient accounts receivable, related to the Organization's federally qualified health care center, consisted of the following at June 30, 2016:

	Receivable	Allowance	Net
Medicaid	$ 336,379	$ (92,737)	$ 243,642
Medicare	70,942	(888)	70,054
Other	268,500	(133,728)	134,772
Total	$ 675,821	$ (227,353)	$ 448,468

6. Due From Related Organizations:

Due from related organizations represents amounts due to Harbor Homes, Inc. from related entities whereby common control is shared with the same Board of Directors (See Note 20). These balances exist because certain receipts and disbursements of the related organizations flow through the Harbor Homes, Inc. main operating cash account. The related organizations and their balances at June 30, 2016 are as follows:

Current:	
Healthy at Home	$ 52,208
Southern NH HIV/AIDS Task Force	7,941
Greater Nashua Council on Alcoholism	88,464
HH Ownership, Inc.	18,161
Harbor Homes III, Inc.	13,692
Subtotal current	180,466
Noncurrent:	
Milford Regional Counseling Services, Inc.	40,324
Harbor Homes II, Inc.	125,305
Welcoming Light, Inc.	152,988
Subtotal noncurrent	318,617
Total	$ 499,083

Although management believes the above receivables to be collectible, there is significant risk that the noncurrent portion may not be.

7. Prepaid Expenses:

Prepaid expenses consist of the following items:

Prepaid deposits	$ 78,884
Prepaid HRA	62,610
Prepaid other	19,419
Total	$ 160,913

8. Property, Equipment and Depreciation:

A summary of the major components of property and equipment is presented below:

Land	$ 1,747,190
Land improvements	12,290
Buildings	16,130,760
Building improvements	6,013,576
Software	443,476
Vehicles	211,878
Furniture and fixtures	148,622
Equipment	372,116
Dental equipment	141,716
Medical equipment	58,022
Subtotal	25,279,646
Less: accumulated depreciation	(6,139,851)
Total	$ 19,139,795

Depreciation expense for the year ended June 30, 2016 totaled $993,171.

The estimated useful lives of the depreciable assets are as follows:

Assets	Years
Land improvements	15
Buildings and improvements	10 - 40
Software	3
Vehicles	3
Furniture and fixtures	5 - 7
Equipment and medical equipment	5 - 7

9. Restricted Deposits and Funded Reserves:

Restricted deposits and funded reserves consist of escrow accounts and reserves which are held for various purposes. The following is a summary of the restricted accounts:

Security deposits	$ 28,949
Reserve for replacements	349,466
Residual receipt deposits	4,368
Total	$ 382,783

Security deposits held will be returned to tenants when they vacate. Reserve for replacement accounts are required by the Department of Housing and Urban Development (HUD) and the City of Nashua and are used for the replacement of property with prior approval. Residual receipt deposits are required by the Department of Housing and Urban Development and are to be used at the discretion of HUD.

10. Beneficial Interest:

The Organization has a beneficial interest in the Harbor Homes, Inc. Fund (the Fund), a component fund of the New Hampshire Charitable Foundation's (the Foundation) Nashua Region. The Organization will receive distributions from the Fund based on a spending allocation, which is a percentage of the assets set by the Foundation and reviewed annually. The current spending percentage is 4.5% of the market value (using a 20-quarter average) of the Fund. At June 30, 2016, the value of the fund was $143,756.

11. Accrued Expenses:

Accrued expenses include the following:

Mortgage interest	$ 2,328
Payroll and related taxes	293,486
Compensated absences - vacation time	444,852
Compensated absences - personal time	48,461
Total	$ 789,127

12. Line of Credit:

At June 30, 2016, the Organization had a $1,000,000 of credit available from TD Bank, N. A. due February 28, 2017, secured by all assets. The Organization is required, at a minimum, to make monthly interest payments to

TD Bank, N. A. at the bank's base rate plus 1% adjusted daily. As of June 30, 2016, the credit line had an outstanding balance of $100,100 at an interest rate of 4.50%.

13. Deferred Revenue:

In 2016, the Organization entered an agreement with the State of New Hampshire to request a portion of the subsequent month's rent, in advance, for cash flow purposes. Deferred revenue represents July 2016 rents requested and advanced from the State of New Hampshire in June 2016.

14. Security Deposits:

Security deposits are comprised of tenant security deposits and other miscellaneous deposits. Tenant security deposits are held in a separate bank account in the name of the Organization. These deposits will be returned to residents when they leave the facility. Interest will be returned to residents who have had over one year of continuous tenancy.

15. Capital Leases:

The Organization is the lessee of certain equipment under a capital lease expiring in November of 2017. Future minimum lease payments under this lease are as follows:

Year	Amount
2017	$ 47,985
2018	13,446
Total	$ 61,431

At June 30, 2016, equipment of $132,000, net of amortization of $8,800, related to this capital lease.

16. Mortgages Payable, Tax Credits:

Mortgages payable, tax credits consist of a mortgage payable to the Community Development Finance Authority through the Community Development Investment Program, payable through the sale of tax credits to donor organizations, maturing in 2020, secured by real property located at 59 Factory Street in Nashua, NH. This amount is amortized over ten years at zero percent interest. The amount due at June 30, 2016 is $100,323.

17. Mortgages Payable:

Mortgages payable as of June 30, 2016 consisted of the following:

A mortgage payable to Merrimack County Savings Bank, due in monthly installments of $7,879, including principal and interest at an adjustable rate of for the initial ten years based on the then prevailing 10/30 Federal Home Loan Bank Amortizing Advance Rate plus 3.00% and resetting in year 11 based on the then prevailing 10/20 Federal Home Loan Bank Amortizing Advance Rate plus 3.00%, maturing in 2043, secured by real property located at 335 Somerville Street in Manchester, NH.	$ 1,178,370
A mortgage payable to Merrimack County Savings Bank, due in monthly installments of $6,193, including principal and interest at an adjustable rate of 4.57% for twenty years, maturing in 2043, secured by real property located at 335 Somerville Street in Manchester, NH.	1,163,073
A mortgage payable to Merrimack County Savings Bank, due in monthly installments of $7,768, including principal and interest at 7.05%, maturing in 2040, secured by real property located at 59 Factory Street in Nashua, NH.	1,078,572
A mortgage payable to Merrimack County Savings Bank, due in monthly installments of $6,391, including principal and interest at 6.75%, maturing in 2031, secured by real property located at 45 High Street in Nashua, NH.	673,666

Total	7,188,991
Less amount due within one year	(256,680)
Mortgages payable, net of current portion	$ 6,932,311

The following is a summary of future payments on the previously mentioned long-term debt.

Year	Amount
2017	$ 256,680
2018	224,455
2019	235,277
2020	249,072
2021	263,737
Thereafter	5,959,770
Total	$ 7,188,991

18. Mortgages Payable, Deferred:

The Organization has deferred mortgages outstanding at June 30, 2016 totaling $5,217,096. These loans are not required to be repaid unless the Organization is in default with the terms of the loan agreements or if an operating surplus occurs within that program.

Several of these loans are special financing from the New Hampshire Housing Finance Authority (NHHFA) to fund specific projects. These notes are interest free for thirty years with principal payments calculated annually at the discretion of the lender.

The following is a list of deferred mortgages payable at June 30, 2016:

City of Manchester:	
Somerville Street property	$ 300,000
Total City of Manchester	300,000
City of Nashua:	
Factory Street property	580,000
Spring Street property	491,000
High Street fire system	65,000
Total City of Nashua	1,136,000
Federal Home Loan Bank (FHLB):	
Factory Street property	400,000
Somerville Street property	400,000
Spring Street property	398,747
Total FHLB	1,198,747
NHHFA:	
Factory Street property	1,000,000
Spring Street property*	550,000
Charles Street property	32,349
Somerville Street property	1,000,000
Total NHHFA	2,582,349
Total Mortgages Payable, Deferred	$ 5,217,096

* During fiscal year 2016, the Organization was out of compliance with the income eligibility terms of the loan agreement due to a tenant obtaining a higher income wage after entrance to the program. The lender is aware of the noncompliance and it is expected that this temporary noncompliance will be resolved when the specific tenant moves out.

19. Temporarily Restricted Net Assets:

Temporarily restricted net assets are available for the following purposes at June 30, 2016:

Purpose		Amount
Above and beyond	$	600
Art supplies		750
Claremont		15,000
Client transportation		1,826
Christmas gifts		400
Dalianis bricks		735
Dentrix		10,000
Gilmore Center		39,332
Operation brightside		2,000
PEC		108
People's United grant		8,250
SCOAP		2,205
Software		50,553
Standdown		2,325
Thanksgiving		978
Veterans computers		5,630
Unitarian Church end homelessness		6,445
Total	$	147,137

Net assets were released from restrictions by incurring expenses satisfying the restricted purpose or by the passage of time.

20. Transactions with Related Parties:

The Organization's clients perform janitorial services for Harbor Homes HUD I, II and III, Inc., Welcoming Light, Inc., Milford Regional Counseling Services, Inc., Healthy at Home, Inc., Greater Nashua Council on Alcoholism, and Southern NH HIV/AIDS Task Force, related organizations. These services are billed to the related organizations and reported as revenues in the accompanying financial statements.

The Organization currently has several contracts with Healthy at Home, Inc. to receive various skilled nursing services, CNA services and companion services for its clients. All of the contracts are based on per diem fees, ranging from $16 per hour for companion services to $100 per visit for skilled nursing services.

During the year, the Organization rented office space, under tenant at will agreements, to Southern NH HIV/AIDS Task Force, Greater Nashua Council on Alcoholism, and Healthy at Home, Inc., related parties. The rental income under these agreements totaled $32,696, $23,136 and $54,336, respectively, for fiscal year 2016.

Harbor Homes, Inc. receives management fees from the related HUD projects.

The Organization is considered a commonly controlled organization with several related entities by way of its common board of directors. However, management feels that the principal prerequisites for preparing combined financial statements are not met, and therefore more meaningful separate statements have been prepared.

The following are the commonly controlled organizations:

Harbor Homes II, Inc.
Harbor Homes III, Inc.
HH Ownership, Inc.
Welcoming Light, Inc.
Milford Regional Counseling Services, Inc.
Healthy at Home, Inc.
Greater Nashua Council on Alcoholism
Southern NH HIV/AIDS Task Force

21. Deferred Compensation Plans:

The Organization maintains a 403(b) retirement plan. Upon meeting the eligibility criteria, employees can contribute a portion of their wages to the plan. The Organization matches a percentage of the employee contribution based on years of service. Total matching contributions paid by the Organization for the year ended June 30, 2016 were $235,265.

The Organization maintains a deferred compensation plan for certain employees and directors (the "SA Plan"). The deferred compensation liability under the SA Plan was $107,215 as of June 30, 2016 and was recorded as a long-term liability. This liability is offset by a corresponding long-term asset.

22. Concentration of Risk:

The Organization received revenue as follows:

Federal grants	$	17%
State, local, and other agencies		23%
Department of Housing and Urban Development		18%
Department of Veterans Affairs		14%
Medicaid		8%
All other support and revenue		20%
Total	$	100%

23. Legal Settlement, Net:

In 2011, the State of New Hampshire removed the ability to bill for certain Medicaid services and the Organization filed suit. The Organization settled with the State in 2015 and was awarded $1,350,000 in fiscal year 2016. The settlement was received net of legal fees.

24. Fair Value Measurements:

FASB ASC, *Fair Value Measurements*, provides guidance for using fair value to measure assets and liabilities. *Fair Value Measurements* applies whenever other standards require or permit assets or liabilities to be measured at their fair market value. The standard does not expand the use of fair value in any new circumstances. Under *Fair Value Measurements*, fair value refers to the price that would be received from the sale of an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. *Fair Value Measurements* clarifies the principle that fair value should be based on the assumptions market participants would use when pricing the asset or liability and establishes a fair value hierarchy that prioritizes the information used to develop those assumptions.

Under *Fair Value Measurements*, the Organization categorizes its fair value estimates based on a hierarchical framework associated with three levels of price transparency utilized in measuring financial instruments at fair value. Classification is based on the lowest level of input that is significant to the fair value of the instrument. The three levels are as follows:

- Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. The types of financial instruments included in Level 1 are highly liquid instruments with quoted prices;

- Level 2 - Inputs from active markets, other than quoted prices for identical instruments, are used to model fair value. Significant inputs are directly observable from active markets for substantially the full term of the asset or liability being valued; and

- Level 3 - Pricing inputs significant to the valuation are unobservable. Inputs are developed based on the best information available; however, significant judgment is required by management in developing the inputs.

The estimated fair value of the Organization's financial instruments is presented in the following table:

	Carrying Value	Fair Value	Level One	Level Two	Level Three
Investments	$ 8,890	$ 8,890	$ 8,890	$ -	$ -
Due from related organizations	499,083	499,083	-	-	499,083
Beneficial interest	143,756	143,756	-	-	143,756
Deferred compensation plan	100,591	100,591	100,591	-	-
Total assets	$ 752,320	$ 752,320	$ 109,481	$ -	$ 642,839
Line of credit	$ 100,100	$ 100,100	$ -	$ 100,100	$ -
Capital leases payable	61,431	61,431	-	61,431	-
Mortgages payable, tax credits	100,323	100,323	-	-	100,323
Mortgages payable	7,188,991	7,188,991	-	7,188,991	-
Mortgages payable, deferred	5,217,096	5,217,096	-	5,217,096	-
Total liabilities	$ 12,667,941	$ 12,667,941	$ -	$ 12,567,618	$ 100,323

	Fair Value Measurements Using Significant Unobservable Inputs Level 3			
	Due from related organizations	Beneficial Interest	Due to related organizations	Mortgages Payable, Tax Credits
Beginning balance June 30, 2015	$ 409,638	$ 149,503	$ 109,364	$ 121,367
Advances	505,581	-	151,998	-
Reductions	(416,136)	(5,747)	(261,362)	(21,044)
Ending balance June 30, 2016	$ 499,083	$ 143,756	$ -	$ 100,323

25. Patient Service Revenue, Net:

The Organization recognizes patient services revenue associated with services provided to patients who have Medicaid, Medicare, third-party payor, and managed care plans coverage on the basis of contractual rates for services rendered. For uninsured self-pay patients that do not qualify for charity care, the Organization recognizes revenue on the basis of its standard rates for services provided or on the basis of discounted rates if negotiated or provided by the Organization's policy. Charity care services are computed using a sliding fee scale based on patient income and family size. On the basis of historical experience, a significant portion of the Organization's uninsured patients will be unable or unwilling to pay for the services provided. Thus, the Organization records a provision for bad debts related to uninsured patients in the period the services are provided.

The Organization accepts patients regardless of their ability to pay. A patient is classified as a charity patient by reference to certain established policies, which define charity services as those costs for which no payment is anticipated. The Organization uses federally established poverty guidelines to assess the level of discount provided to the patient. The Organization is required to provide a full discount to patients with annual incomes at or below 100% of the poverty guidelines, but may charge a nominal copay. If the patient is unable to pay the copay, the amount is written off to charity care. All patients are charged in accordance with a sliding fee discount program based on household size and household income. No discounts may be provided to patients with incomes over 200% of federal poverty guidelines.

Patient services revenue, net of provision for bad debts and contractual allowances and discounts, consists of the following:

	2016				2015
	Gross Charges	Contractual Allowances	Charitable Care Allowances	Net Patient Service Revenue	Net Patient Service Revenue
Medicaid	$ 1,881,339	$ (721,905)	$ -	$ 1,159,434	$ 676,037
Medicare	581,152	(334,815)	-	246,337	145,904
Third-party	915,313	(486,832)	-	428,481	121,007
Sliding fee/free care	188,069	-	(130,794)	57,275	13,929
Self-pay	215,915	-	(75,503)	140,412	123,384
Subtotal	3,781,788	(1,543,552)	(206,297)	2,031,939	1,080,261
Provision for bad debts				(295,664)	(187,064)
Total				$ 1,736,275	$ 893,197

26. Rent Expense:

The Organization has multiple grants requiring the payment of rents on behalf of the consumer. Rent expense totaling approximately $5.0m is comprised of leases held in the Organization's name and the responsibility of the Organization, leases in consumers' names, or rents paid as client assistance.

27. Contingencies:

The health care industry is subject to numerous laws and regulations of federal, state, and local governments. Compliance with these laws and regulations is subject to future government review and interpretation, as well as regulatory actions unknown or unasserted at this time. Government activity continues to increase with respect to investigations and allegations concerning possible violations by healthcare providers of fraud and abuse statutes and regulations, which could result in the imposition of significant fines and penalties, as well as significant repayments for patient service previously billed. Management is not aware of any material incidents of noncompliance; however, the possible future financial effects of this matter on the Organization, if any, are not presently determinable.

28. Subsequent Events:

In accordance with the provisions set forth by FASB ASC, *Subsequent Events*, events and transactions from July 1, 2016 through November 2, 2016, the date the financial statements were available to be issued, have been evaluated by management for disclosure.

On August 17, 2016, the Organization entered into a revolving line of credit agreement. Under this agreement, $500,000 is available to the Organization to provide for working capital requirements through February 18, 2017.

Nashua, NH
Maintains private practice of approximately 40 clients. Coordinates care with primary care physicians and others. Coordinates treatment with managed care companies.

DIRECTOR OF REGIONAL BEHAVIORAL HEALTH QM **1997-1999**
The Hitchcock Clinic **Bedford, NH**
Developed and maintained a Quality Management Program complying with NCQA standards for four Behavioral Health sites. Developed and implemented program expansion. Identified staffing requirements and facilitated subsequent downsizing to ensure cost effectiveness. Liaison between the Clinic and insurance plans. Monitored and supervised utilization review for the Southern Region, evaluating the medical necessity, case management and continuation of care. Recommended by insurance reviewers to other organizations for consultation services in order to assist these agencies in their compliance processes. Developed effective medical records protocols.

COORDINATOR OF MULTICULTURAL COUNSELING PROGRAM **1998-1999**
Rivier College Nashua, NH
Coordinates the Bilingual/Multicultural Counseling Program in both guidance counseling and mental health fields. Recruits and advises professional students from local multicultural agencies. Developing a diversity-training program for use in area schools and businesses to enhance multicultural awareness. Instructor in Graduate Counseling Program.

CLINICAL DIRECTOR **1990-1997**
The Hitchcock Clinic Nashua, NH
Developed and implemented program policies and procedures. Managed FTE and budgetary control while providing effective leadership to the staff. Improved out-referral system, while reducing out-referral expenditures. Developed cooperative collaboration measures with insurers' UM Departments. Supervised a staff of thirty employees. Senior member of the Regional Management Team, and also a member of the Nashua Medical Group Board of Governors.

PROGRAM DIRECTOR **1988-1990**
Partial Hospitalization Program, Brookside Hospital Nashua, NH
Developed program components, structure, policies and procedures. Implemented FTE and budgetary control and supervised treatment staff. Initiated referral network and maintained marketing and referral relationships within the Greater Nashua community. Facilitated groups, provided case management and individual counseling including initial assessments. Monitored case management and utilization review processes with insurers.

PROGRAM DIRECTOR – SUBSTANCE ABUSE CLINIC **1985-1988**
Department of the Army West Germany
Developed comprehensive preventive substance abuse program. Coordinated efforts with schools, civic organizations, civilian agencies and military organizations in order to integrate preventive education efforts. Supervised clinical and support staff of two treatment clinics. Maintained referral relationships with commanders.

ARMY COMMUNITY SERVICE DIRECTOR **1983-1985**
Department of the Army West Germany
Developed comprehensive community support agency. Responsible for staffing and budgetary concerns. Composed informational publications, prepared financial and statistical reports and submitted budget requests to the U. S. government for agency funding. Responsible for FAP (Family Advocacy Program).

Item #58

June 1, 2015

Her Excellency, Governor Margaret Wood Hassen
And the Honorable Executive Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to enter into **sole source** amendments with the vendors listed in the table below for the provision of primary care services, breast and cervical cancer screening services and screening, brief intervention and referral to treatment for alcohol and drug misuse by increasing the total price limitation by $8,986,056 from $10,143,156 to $19,129,212 and extending the completion date from June 30, 2015 to June 30, 2017 upon Governor and Executive Council approval. 75.2% General Funds / 24.8% Federal Funds

The original contract, approved in 2012, included a two (2) year renewal option. The Department exercised a one (1) year renewal in 2014. The Department is now seeking to extend the contracts for two (2) two additional years through these sole source amendments. The Governor and Executive Council approved the original contracts and subsequent amendments as follows:

Vendor & Vendor Number	Location	G&C Approval	Amended	Current Budget	Increase/ (Decrease)	Modified Budget Amount
Ammonoosuc Community Health Services, Inc. (177755-R001)	North Grafton/ South Coos	6/20/12 (Item #128)	5/8/14 (Item #34A)	$667,687	$540,879	$1,208,566

Please see attachment for fiscal details.

EXPLANATION

These amendments are **sole source** because the Department is renewing the contracts for two (2) additional years after exercising a one (1) year renewal option in 2014 as allowable in Exhibit C, Special Provisions, paragraph 17 of the contracts, and adding to the scope of services for community health centers that provide primary care services, statewide.

This package includes sixteen (16) of sixteen (16) contracts being amended.

Community health centers provide primary health care services that include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. These vendors deliver primary and preventive health care services to underserved people who face barriers to accessing health care due to issues such as a lack of insurance, inability to pay, language barriers and geographic isolation.

In addition to medical care, community health centers are unique among primary care providers for the array of enabling patient-centered services such as care coordination, translation services, transportation, outreach, eligibility assistance, and health education. These services assist individuals to overcome barriers to obtaining the care they need to achieve their optimal health.

Breast and cervical cancer screening services are provided as part of the preventative health care services in the community health care centers. Breast and cervical cancer screening services include clinical examinations, pap smears and referral for mammography. Through these services, individuals with abnormal test results receive additional coverage or

diagnostic work-ups and, if necessary, coordination of care from initial diagnosis through obtaining necessary treatment.

The vendors, through these amendments, will add infrastructure to provide screening, brief intervention and referral to treatment services for early identification of problematic drug and alcohol use of individuals receiving primary care services. Developing the infrastructure to provide these additional services will enable community health centers to refer those individuals who need specialized treatment to other community service agencies, which will result in optimal coordination and continuity of care.

Vendors will use funding to train staff, hire new medical assistants and/or qualified behavioral health staff necessary to institute and/or review screening, brief intervention and referral to treatment services. Staff training will include the integration of primary care and behavioral health teams to ensure program activities are conducted with fidelity to the Screening, Brief Intervention and Referral to Treatment model adopted by the United States Department of Health and Human Services, Substance Abuse and Mental Health Services Administration. Vendors will also purchase supplies and equipment that will be used specifically for integrating these services into everyday practices. Additionally, the vendors will utilize funding to support activities that will assist with building, modifying and/or enhancing technology based care approaches and electronic health record systems in order to include, extend, track and record these additional mental health services.

A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. This request includes three (3) vendors who provide primary care and universal screening services to homeless individuals, who otherwise would have no access to health care. These agreements provide funds to community health centers for services as a last resort. Vendors are required to make every effort to bill all other payers including but not limited to private and commercial insurances, Medicare, and Medicaid prior to billing the Department through these contracts.

Should Governor and Executive Council not authorize this request, low-income individuals statewide may not have adequate access to primary care services. Some women may not receive recommended breast and cervical cancer screenings, which would increase their risk of having an untreatable stage of cancer. Additionally, undetected alcohol and drug misuse could result in increases of alcohol and drug related accidents and deaths, which would negatively impact NH citizens.

Area Served: Statewide.

Source of Funds: 75.2% General Funds

24.8% Federal Funds (CFDA #93.959, Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA) Block Grants for Prevention and Treatment of Substance Abuse. FAIN #T1010035-14; CFDA #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds. State of New Hampshire
Department of Health and Human Services
Amendment #2 to the Primary Care Services for the Homeless Contract

This 2nd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #2") dated this, 30th day of April, 2015 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Harbor Homes, Inc. (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 45 High Street, Nashua, NH 03060.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 6, 2012 (Item #68) and amended by an agreement (Amendment #1 to the Contract) approved on May 8, 2014 (Item #34B), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 of the Agreement, and Exhibit C, Special Provisions, Paragraph 17, the State may amend the contract terms and conditions and renew the contract for two (2) additional years by written agreement of the parties and approval of the Governor and Executive Council; and

WHEREAS, the parties agree to extend the contract for two additional years, add services to Exhibit A, Scope of Services and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:
   June 30, 2017
2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:
   $434,438
3. Form P-37, General Provisions, Item 1.9, Contracting Officer for State Agency, to read:
   Eric D. Borrin
4. Form P-37, General Provisions, Item 1.10, State Agency Telephone Number, to read:
   (603) 271-9558
5. Delete Exhibit A, Scope of Services and Exhibit A-1 Amendment 1, Scope of Services and replace with Exhibit A – Amendment #2.
6. Delete Exhibit A-1 Amendment #1 - Performance Measures and replace with Exhibit A-1 Amendment #2 – Performance Measures.

7. Delete Exhibit B, Purchase of Services Contract Price and replace with Exhibit B – Amendment #2, Method and Conditions Precedent to Payment.
8. Add Exhibit B-1, Primary Care Budget Form through Exhibit B-4, SBIRT Budget Form.
9. Standard Exhibit D, Certification Regarding Drug-Free Workplace Requirements, Period Covered by this Certification, to read:

   From 7/1/2012 to 6/30/2017
10. Standard Exhibit E, Certification Regarding Lobbying, Contract Period, to read:

    July 1, 2012 through June 30, 2017
11. Delete Standard Exhibit G, Certification Regarding the Americans with Disabilities Act Compliance, and replace with Exhibit G, Certification of Compliance with Requirements Pertaining to Federal Nondiscrimination, Equal Treatment of Faith-Based Organizations and Whistleblower Protections.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Title:

Scope of Services

1. **Provisions Applicable to All Services**

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. The Contractor shall utilize flexible hours and minimal use of appointment systems to provide **primary care and enabling** services to homeless individuals and families through the use of permanent office based locations and/or mobile or temporary delivery locations.

1.5. The Contractor shall serve target populations that include individuals who:

1.5.1. Are uninsured.

1.5.2. Are underinsured.

1.5.3. Are low-income, which is defined as $\leq$ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5.4. Lack housing including an individual whose primary residence during the night is a supervised public or private facility (e.g., shelters) that provides temporary living accommodations.

1.5.5. Are residents in transitional housing.

1.5.6. Are unable to maintain their housing situation and are forced to stay with a series of friends and/or extended family members may be considered homeless. \

1.5.7. Are to be released from a prison or a hospital who may also be considered homeless if they do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

Contractor Initials: [signature]
Date 5/13/15

1.6. The Contractor shall continue to provide primary care and enabling services to individuals described in Section 1.5.4 through Section 1.5.7 above for three hundred sixty-four (364) calendar days following the individual's placement in permanent housing.

1.7. The Contractor shall provide **Screening, Brief Intervention and Referrals to Treatment** (SBIRT) Services to all individuals described in Section 1.4 through Section 1.6, above.

1.8. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.8.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.8.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.8.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care or SBIRT Services for new patients is limited or closed for more than a one month period.

2.2. The Contractor shall maintain documentation for each individual receiving services described in this contract that includes, but is not limited to:

2.2.1. Family income.

2.2.2. Family size.

2.2.3. Income in relation to the Federal Poverty Guidelines.

2.3. The Contractor shall assist individuals with completing a Medicaid application when income calculations indicate possible Medicaid eligibility.

2.4. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.5. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.5.1. Update the sliding fee scale on an annual basis every when new Federal Poverty Guidelines are released.

2.5.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. These services can be

designed to meet the unique and identified needs of the homeless populations within the contracted service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services.

3.1.2. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.1.3. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.1.4. Assessment of need for:

3.1.4.1. Tobacco cessation, including referral to NH Quitworks, as appropriate.

3.1.4.2. Social services.

3.1.4.3. Nutrition services, including WIC, as appropriate.

3.1.4.4. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which shall include, but not be limited to:

3.2.1. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.2.2. Care facilitated by registries, information technology, health information exchange and other means to assure that patients get the necessary care when and where they need and want it in a culturally and linguistically appropriate manner.

3.2.3. An integrated model of primary care that may include, but is not limited to:

3.2.3.1. Behavioral health

3.2.3.2. Oral health.

3.2.3.3. Use of navigators and case management.

3.2.3.4. Co-location of services and system-level integration of care and fiscal accountability.

3.3. The Contractor may provide enabling services, if the budget allows, which are non-clinical services that support the delivery of basic primary care services and facilitate access to comprehensive patient care as well as social services. The Contractor can facilitate enabling services that include, but are not limited to:

3.3.1. Case management.

3.3.2. Benefit counseling.

3.3.3. Eligibility assistance.

3.3.4. Health education and supportive counseling.

3.3.5. Interpretation.

3.3.6. Outreach.

3.3.7. Transportation.

3.3.8. Education of patients and the community regarding the availability and appropriate use of health services.

3.4. The Contractor must elect to do at least one (1) quality improvement project which consists of systematic and continuous actions that lead to measurable improvements in health care services and the health status of targeted patient groups. The Contractor shall facilitate a minimum of one (1) quality improvement project that includes, but is not limited to:

3.4.1. Enhancing clinical workflow/improve patient outcomes by methods that may include, but are not limited to:

3.4.1.1. Alerts.

3.4.1.2. Guidelines.

3.4.1.3. Diagnostic support.

3.4.1.4. Patient registries.

3.4.1.5. Collaborative learning sessions, etc.)

3.4.2. Implementing projects that lead to measurable improvements on any of the performance measures and indicators identified in Exhibit A-1 Amendment #2

3.4.3. Utilizing defined improvement processes to coordinate quality improvement activities.

3.4.4. Identifying and defining specific goals and objectives to be achieved in the project period.

4. Screening, Brief Intervention, and Referral to Treatment (SBIRT) Services

4.1. The Contractor shall develop the infrastructure necessary to provide and record Screening, Brief Intervention, and Referral to Treatment (SBIRT) services related to substance use for all eligible individuals ages nineteen (19) to sixty-five (65) years and for all pregnant women, regardless of age, receiving services in Section 3 and/or Section 4. The Contractor shall:

4.1.1. Provide training to integrated primary care and behavioral health teams to ensure SBIRT activities are conducted with fidelity to the model in Section 5.1.

4.1.2. Modify and/or adapt current Electronic Health Records (EHR) systems in order to track SBIRT:

4.1.2.1. Activities

4.1.2.2. Completions.

4.1.2.3. Recommendations and referrals.

4.1.2.4. Follow-ups.

4.1.3. Utilize Substance Use Disorder (SUD) codes in the EHR for billing that shall:

4.1.3.1. Enable submission for payment through NH Managed Care/Medicaid and other insurance companies.

4.1.3.2. Allow the generation of reports.

4.2. The Contractor shall implement SBIRT services by ensuring sufficient qualified staff are available to conduct SBIRT services according to the SBIRT model described by the Centers for Disease Control (CDC), available on-line at http/www.dcd.gov/ncddd/fasd/documents/aloholsbiimplementationguide.pdf. The Contractor shall:

4.2.1. Implement SBIRT services by including SBIRT activities in daily operations.

4.2.2. Use one or more of the screening instruments listed in Appendix E of "Systems-Level Implementation of Screening, Brief Intervention and Referral to Treatment. TAP 33" (2013 edition) (http://www.integration.samhsa.gov/sbirt/TAP33.pdf) and document screening in the electronic health record (EHR).

4.2.3. Conduct brief interventions with patients who screen positive for potential substance use concerns and document activities in the EHR.

4.2.4. Refer patients to Substance Use Disorder (SUD) treatment services as necessary, and ensure each patient has connected with the specific service provider by documenting in the EHR, which is audited to ensure appropriate follow up.

4.2.5. Conduct SBIRT with covered populations that include all adults on an annual basis and pregnant women on a trimester basis.

4.3. Coordinate care between community health center (CHC) services and external treatment providers by collaborating with entities that provide SUD treatment services not available at the CHC. The Contractor shall:

4.3.1. Obtain client consents to contact service providers in order to resolve any barriers to accessing services.

4.3.2. Refer patients for SUD services, as needed.

4.3.3. Follow up with patient and/or SUD service provider to ensure appropriate services are provided.

4.3.4. Work with Regional Public Health Networks (RPHNs) to identify new SUD referral resources as they become available.

4.4. The Contractor shall test SBIRT fidelity with a subset of the target population prior to full implementation for all adults ages nineteen (19) to sixty-five (65) annually and pregnant women at each trimester.

5. Staffing

5.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH licenses whether directly employed, contracted or subcontracted.

5.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

5.3. The Contractor shall ensure staff delivering SBIRT services have, at minimum, one of the following:

5.3.1. Masters prepared behavioral health practitioners. This includes individuals licensed under the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board.

5.3.2. Masters prepared and in the process of obtaining a license from the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board, while under the supervision of a licensed practitioner of the same profession.

5.3.3. Physicians or Advanced Practice Registered Nurses licensed to practice in NH.

5.3.4. Physician Assistants or other practitioners under the supervision of a Physician licensed to practice in NH.

5.4. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services in writing and include a copy of the individual's resume, within one month of hired.

5.5. The Contractor shall notify the MCHS, in writing, when:

5.5.1. Any critical position is vacant for more than one month.

5.5.2. There is not adequate staffing to perform all required services for more than one month.

6. Coordination of Services

6.1. The Contractor shall coordinate with other service providers within the community, where possible, including but not limited to collaboration with interagency referrals and to deliver coordination of care.

6.2. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

6.2.1. Community needs assessments.

6.2.2. Public health performance assessments.

6.2.3. The development of regional health improvement plans.

6.3. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

7. Required Meetings & Trainings

7.1. The Contractor shall attend meetings and trainings facilitated by the MCHS and BCCP programs that include, but are not limited to:

7.1.1. MCHS Agency Directors' meetings.

7.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year.

7.1.3. MCHS Agency Medical Services Directors' meetings.

8. Workplans, Outcome Reports & Additional Reporting Requirements

8.1. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a corrective action plan per directions from MCHS.

8.2. The Contractor shall submit an annual Workplan and Workplan Outcome Report for the quality improvement project(s) that demonstrates improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

8.3. If utilizing any portion of this contract for enabling services, the Contractor shall submit an annual Workplan and Workplan Outcome Report that includes at least one (1) performance measure for each type of enabling service provided. This shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

8.4. The Contractor shall complete the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st.

8.5. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

8.6. The Contractor shall submit quarterly Outcome Reports for SBIRT services according to the schedule and instructions provided by the MCHS. The Contractor shall:

8.6.1. Collect information that includes, but is not limited to:

8.6.1.1. Description of staff training, including but not limited to:

8.6.1.1.1. Content of training.

Contractor Initials: _____

Date 5/13/15

8.6.1.1.2. Number of staff trained.

8.6.1.2. The number of:

8.6.1.2.1. Qualified staff conducting SBIRT

8.6.1.2.2. SBIRT billing codes developed.

8.6.1.2.3. SBIRT services billed to insurance.

8.6.1.3. Updates on any changes, enhancements or adaptations to SBIRT procedures in:

8.6.1.3.1. Technology based systems.

8.6.1.3.2. Staffing.

8.6.1.3.3. Coding and billing.

8.6.1.4. The total number of clients receiving SBIRT delineated by:

8.6.1.4.1. Percentage of clients receiving only screening.

8.6.1.4.2. Percentage of clients receiving brief interventions.

8.6.1.4.3. Percentage of clients referred for more intensive services who initiated services.

8.6.1.4.4. Percentage of clients referred for more intensive services who had problems connecting to services.

8.7. The Contractor shall submit an annual report on April 30th in each year a contract amendment or renewal is not required that includes, but is not limited to:

8.7.1. DPHS Budget Form.

8.7.2. Budget Justification.

8.7.3. Sources of Revenue.

8.7.4. Program Staff List, which includes staff titles

8.8. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

8.9. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

8.9.1. Survey template.

8.9.2. Method by which the results were obtained.

9. On-Site Reviews

9.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

9.1.1. Systems of governance.

Contractor Initials: AK
Date 5/13/15

9.1.2. Administration.

9.1.3. Data collection and submission.

9.1.4. Clinical and financial management.

9.1.5. Delivery of education services.

9.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

9.2.1. Client records.

9.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

9.2.3. SBIRT documentation, which includes but is not limited to:

9.2.3.1. SBIRT policies and procedures.

9.2.3.2. Staff credentials for all staff delivering SBIRT services

9.2.3.3. SBIRT procedures utilized and documented in patient records.

9.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Exhibit A-1 – Amendment #2

1. PRIMARY CARE PERFORMANCE MEASURES

1.1. Breastfeeding

1.1.1. **Percent of infants who are ever breastfed** (Title V PM #10).

1.1.1.1. Numerator: Infants who were ever breastfed or received breast milk

1.1.1.2. Denominator: All infants born in a state fiscal year

1.2. Preventive Health: Lead Screening

1.2.1. **Percent of children 2 years of age who had one or more capillary or venous lead blood test for lead poisoning by their second birthday.** (CMS, Hedis).

1.2.1.1. Numerator: At least one capillary or venous blood test on or before the child's second birthday.

1.2.1.2. Denominator: Children who turn 2 years old during the state fiscal year.

1.3. Preventive Health: Adolescent Well-Care Visit

1.3.1. **Percent of adolescents, 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year** (Hedis, Title V PM #7).

1.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

1.3.1.2. Denominator: Number of adolescents, ages 12 through 21 years of age.

1.4. Preventive Health: Depression Screening

1.4.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (ACO 18, NQF 0418).

1.4.1.1. Numerator: Patients who are screened for clinical depression using an age-appropriate standardized depression screening tool AND if positive, a follow-up plan documented.

1.4.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.1.3. Denominator: All patients 12 years and older.

1.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

Contractor Initials: _____

Date: 5/13/15

1.4.2. **Maternal Depression Screening** (Developmental: not required for FY 16)

1.4.2.1. **Percentage of women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen.**

1.4.2.1.1. Numerator: Women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool and screen negative.

AND

Women who are screened for depression during the post-partum visit using an appropriate standardized depression screening tool, screen positive, AND have a follow-up plan documented.

1.4.2.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.2.1.3. Denominator: All women who are at least 6 weeks post-partum in a state fiscal year.

1.4.2.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

1.5. **Preventive Health: Obesity Screening**

1.5.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (ACO 16, NQF 0421, HRSA UDS).

1.5.1.1. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

1.5.1.2. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters.

1.5.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist,

occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

1.5.1.4. Denominator: All patients aged 18 years and older who had at least one medical visit during the state fiscal year.

1.5.2. Percent of patients aged 2 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (HRSA UDS).

1.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

1.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

1.6. **Preventive Health: Tobacco Screening**

1.6.1. Percent of patients aged 18 years and older who were screened for tobacco use one or more times within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user (ACO 17, NQF 0028, HRSA UDS).

1.6.1.1. Numerator: Patients who were screened for tobacco use at least once within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.1.2. Definitions:

1.6.1.2.1. Tobacco Use: Includes any type of tobacco

1.6.1.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.1.3. Denominator: All patients aged 18 years and older seen for at least two visits ever

1.6.2. **Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user** (Title V, PM #15).

1.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.2.2. Definitions:

1.6.2.2.1. Tobacco Use: Includes any type of tobacco

1.6.2.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.2.3. Denominator: All women who delivered a live birth in a state fiscal year

1.7. **At Risk Population: Hypertension**

1.7.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90 mm Hg) during the measurement year** (ACO 28, NQF 0018).

1.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm Hg at the time of their last measurement.

1.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)

1.8. **Patient Safety: Falls Screening**

1.8.1. **Percent of patients aged 65 years and older who were screened for future fall risk at least once within 12 months** (ACO 13, NQF0101).

1.8.1.1. Numerator: Patients who were screened for future fall risk at least once within 12 months.

1.8.1.2. Definition of Fall: a sudden, unintentional change in position causing an individual to land at a lower level, on an object, the floor, or the ground, other than as a consequence of a sudden onset of paralysis, epileptic seizure, or overwhelming external force.

1.8.1.3. Numerator note: Patients are considered at risk for future falls if they have had 2 or more falls in the past year or any fall with injury in the past year.

1.8.1.4. Denominator: All patients aged 65 years and older

1.8.1.5. Excluded from denominator population: (Exclusion only applied if patient was not screened for future fall risk) Documentation of medical reason(s) for not screening for future fall risk (e.g. patient is not ambulatory)

2. SBIRT PERFORMANCE MEASURES

2.1. **Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services**

2.1.1. **Numerator:** Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention or referral to services.

2.1.2. Definitions

2.1.2.1. Substance Use: Includes any type of alcohol or drug.

2.1.2.2. Brief Intervention: Includes guidance or counseling.

2.1.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

2.1.3. Denominator: Number of patients aged 18 years and older seen for annual visit within 12 months.

2.2. **Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program AND if positive, received a brief intervention or referral to services**

2.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

2.2.2. Definitions:

2.2.2.1. Substance Use: Includes any type of alcohol or drug.

2.2.2.2. Brief Intervention: Includes guidance or counseling.

2.2.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

2.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the state fiscal year.

Date: 5/13/15

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov):
   2.1. #93.959, Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA) Block Grants for Prevention and Treatment of Substance Abuse.
   2.2. #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #2, Scope of Services, in accordance with Exhibit B-1 Amendment #2 through Exhibit B-4 Amendment #2.
4. The Contractor shall use and apply the amount in the SBIRT line item in Exhibit B-2 and Exhibit B-4 on actual SBIRT services provided.
5. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
6. Payment for said services shall be made as follows:
   6.1. The Contractor will submit an invoice by the tenth (10^{th}) working day of each month, which identifies and requests reimbursement for:
      6.1.1. Authorized expenses incurred in the prior month.
      6.1.2. The units of SBIRT services provided, in accordance with Exhibit A – Amendment #2, Section 4.2.2 through Section 4.2.5 and Section 4.3.1 through Section 4.3.3, which shall be paid on a fee-for-service basis at the following rates:
         6.1.2.1. $29.86 for each unit of service that is 15-30 minutes.
         6.1.2.2. $57.31 for each unit of service that is more than 30 minutes.
   6.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   6.3. The invoice must be submitted by mail or e-mail to:

      Financial Manager
      Department of Health and Human Services
      129 Pleasant Street
      Concord, NH 03301

      E-mail: dphscontractbilling@dhhs.state.nh.us
7. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.

Contractor Initials: [signature]
Date: 5/13/15

8. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
9. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
10. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #2 through Exhibit B-4 Amendment #2 and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to amend agreements with 3 vendors by increasing the total price limitation by $319,787 from $356,000 to $675,787 to provide primary care services for individuals experiencing homelessness. This amount includes a request to **retroactively** enter into **sole-source** amendments in an amount of $53,170, effective **retroactive** to July, 1, 2013 through June 30, 2014 and to exercise a one-year renewal option with the same 3 vendors in an amount of $266,617, extending the completion date from June 30, 2014 to June 30, 2015, effective upon Governor and Council approval. Two of these agreements were originally approved by Governor and Council on June 6, 2012, Item numbers 68 and 69, and one agreement was originally approved by Governor and Council on June 20, 2012, Item number 124.

Summary of contracted amounts by vendor:

Vendor	Location	SFY 2014 Amount	SFY 2015 Amount	Total Increase
Families First of Greater Seacoast	Rockingham County	17,194	86,219	103,413
Harbor Homes	Southern Hillsborough	17,706	88,787	106,493
Manchester Health Dept.	Greater Manchester	18,270	91,611	109,881
TOTAL		**53,170**	**266,617**	**319,787**

Funds to support this request are available in the following accounts for SFY 2014 and SFY 2015, with authority to adjust amounts within the price limitation and amend the related terms of the contract without further approval from Governor and Executive Council.

05-95-90-902010-5190 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF POPULATION HEALTH AND COMMUNITY SERVICES, MATERNAL AND CHILD HEALTH

See attachment for financial details

EXPLANATION

Approval is requested **retroactive** to July 1, 2013. The services provided by these contracts are consistent with prior contracts and were included in the operating budget for SFY 2014 and SFY 2015. Contracts were delayed, however, since the exact amount of funding available was only recently

determined. The SFY 2014 amendments are **sole source** because they exceed more than 10% of the original contract amount.

This requested action seeks approval of 3 amendments to continue office-based and mobile primary care services for individuals experiencing homelessness. In the interest of efficiency, the contract amendments are being bundled as they are providing the same services, and because of the size of the resulting Governor and Council submission, the copies provided are abbreviated in the interest of saving resources. The Councilors and the public can view the entire submission package on the Secretary of State's website.

Primary health care services for the homeless include preventive and episodic health care for acute and chronic health conditions for adults. Community health agencies provide primary health care, substance abuse referral, intervention and counseling and social services at locations accessible to people who are homeless. They provide emergency care with referrals to hospitals for inpatient services and/or other needed services. Community health agencies engage in outreach activities to assist difficult-to-reach homeless persons in accessing care and provide assistance in establishing eligibility for entitlement programs and housing.

Community health agencies that receive support through the Division of Public Health Services deliver primary health care services for the homeless specialize in serving people who face barriers to accessing health care, due to issues such as extreme poverty, a lack of insurance, language barriers, behavioral and mental health diagnoses, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. Racial and ethnic minorities and immigrants experience homelessness at a rate far disproportionate to that of the general population. Community health agencies demonstrate competencies in engaging these individuals by not only addressing their specific linguistic and cultural needs, but also their unique vulnerabilities and situations. The services provided help individuals overcome barriers to getting the care they need and achieving their optimal health.

Should Governor and Executive Council not authorize this Request, homeless individuals in Rockingham and Hillsborough counties may not have adequate access to primary care services. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities.

Contracts were awarded to Community Health Agencies through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from February 3, 2012 through March 8, 2012 soliciting proposals to cover all of Rockingham and Hillsborough counties. In addition, a bidder's conference, conference call, and web conference were held on February 9, 2012 to alert agencies to this bid.

Three proposals were received in response to the posting. There were no competing applications for the Rockingham and Hillsborough counties solicited in the Requests for Proposals. Three professionals, who work internal and external to the Department of Health and Human Services, scored each proposal. All reviewers have experience either in clinical settings, providing community-based family support services, and or managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health homeless services; quality assurance and performance improvement; chronic and communicable diseases; and public health

infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. Scores were averaged and all proposals were recommended for funding. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, these competitively procured Agreements have the option to renew for two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council. The Department is exercising one year of this renewal option.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. All Primary Health Care for the Homeless vendors are making adequate progress in meeting clinical performance measures and the Department wishes to continue working with the vendors for another year.

The performance measures as described in the contract amendment Exhibit A – Amendment 1 – Performance Measures, will be used to continue to measure the effectiveness of the agreement.

Area to be served is Hillsborough and Rockingham counties.

Source of Funds: 5.59% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau and 94.41% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

José Thier Montero, MD, MHCDS
Director

State of New Hampshire
Department of Health and Human Services
Amendment #1 to the
Harbor Homes, Inc.

This 1st Amendment to the Harbor Homes, Inc., contract (hereinafter referred to as "Amendment One") dated this 18th day of March, 2014, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Harbor Homes, Inc., (hereinafter referred to as "the Contractor"), a corporation with a place of business at 45 High Street, Nashua, New Hampshire 03060.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 6, 2012, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18, the State may modify the scope of work and the payment schedule of the contract by written agreement of the parties;

WHEREAS, the Department desires to provide additional primary health care services for the homeless, preventive and episodic health care for acute and chronic health conditions for people of all ages.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

- Form P-37, to change:
  Block 1.7 to read: June 30, 2015
  Block 1.8 to read: $225,045

- Exhibit A, Scope of Services to add:
  Exhibit A – Amendment 1

- Exhibit B, Purchase of Services, Contract Price, to add:

  Paragraph 1.1 to Paragraph 1:
  The contract price shall increase by $17,706 for SFY 2014 and $88,787 for SFY 2015.

  Paragraph 1.2 to Paragraph 1:
  Funding is available as follows:
- $17,706 from 05-95-90-902010-5190-102-500731, 100% General Funds;
- $88,787 from 05-95-90-902010-5190-102-500731, 6.7% Federal Funds from the US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau, CFDA #93.994 and 93.3% General Funds;

Contractor Initials: [illegible]
Date: 3/18/14

Add Paragraph 8
8. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjustments to amounts between and among account numbers, within the price limitation, may be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

- Budget, to add:
  Exhibit B-1 (2014) - Amendment 1,
  Exhibit B-1 (2015) - Amendment 1

This amendment shall be in effect July 1, 2013, effective upon the date of Governor and Executive Council approval.

Scope of Services

The Department desires to provide additional primary health care services for the homeless, preventive and episodic health care for acute and chronic health conditions for people of all ages.

The Contractor shall:

I. General Provisions

A) Eligibility and Income Determination

1. Primary care services will be provided to homeless, low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire. Using flexible hours and minimal use of appointment systems, services may be provided in:
   - Permanent office based locations
   - Mobile or temporary delivery locations
2. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new or existing patients for more than a one month period.
3. The Contractor shall document, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete the most recent version of the 800P form with the client.
4. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, approved in advance by the Division of Public Health Services (DPHS), for low-income patients. Signage must state that no client will be denied services for inability to pay.
   a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, submitted to and approved by DPHS.
5. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid for all reimbursable services rendered.

B) **Numbers Served**

1. The contract funds shall be expended to provide the above services to a minimum of 560 users with 1,776 medical encounters, as defined in the Data and Reporting Requirements for State Fiscal Year 2014. Clinical service reimbursements shall not exceed the Medicare rate.

C) **Culturally and Linguistically Appropriate Standards of Care**

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services.

Cultural appropriateness in dealing with homeless populations not only addresses the specific linguistic and cultural needs of minorities, but also includes sensitivity to their unique vulnerabilities. Cultural sensitivity recognizes the distrust of providers and institutions often felt by people in these situations. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. When feasible and appropriate, provide clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provide to them without language assistance.

4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.

5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation 45 CFR 80.3(b) (2). The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) **State and Federal Laws**

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated thereunder.

E) **Relevant Policies and Guidelines**

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

2. Primary Care for the Homeless funds shall be targeted to homeless populations in need. Homeless populations are defined as follows:

   - Individuals who lack housing including an individual whose primary residence during the night is a supervised public or private facility (e.g., shelters) that provides temporary living accommodations

   - Individuals who are residents in transitional housing.

   - Individuals who are unable to maintain their housing situation and are forced to stay with a series of friends and/or extended family members may be considered homeless.

   - Individuals who are to be released from a prison or a hospital may also be considered homeless if they do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

   - Individuals may continue receiving primary care services for one year following placement in permanent housing.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP) or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.

4. The Contractor shall carry out the work as described in the performance work plan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) **Publications Funded Under Contract**

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, electronic) produced, reproduced or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14.1).

G) **Subcontractors**

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing and approve the subcontractual agreement, prior to initiation of the subcontract.

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. **Minimal Standards of Core Services**

A) **Service Requirements**

1. Medical Home

The Contractor shall provide a Medical Home that:

a) Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.

b) Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.

2. Primary Care Services

The Contractor shall provide primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, ARNP, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, oral health, and behavioral health specialty providers.

b) Referral to WIC Nutrition Program for all eligible pregnant women, infants, and children.

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.

d) Access to a healthcare provider, directly or by referral or subcontract, by telephone twenty-four hours per day, seven days per week.

e) Assessment of psychosocial risk for all clients at least annually and for children at scheduled preventive care visits, including, at a minimum, age appropriate guidance for injury prevention, domestic violence, adequacy of food and housing, care and welfare of children, transportation needs, and provision of necessary social services to address the priority needs and safety issues of clients and families.

f Falls prevention screening for patients 65 years and older using the algorithm and guidelines of the American Geriatric Society.

g) Behavioral health care directly or by referral to an agency or provider with a sliding fee scale.

h) Nutrition assessment for all clients as part of the health maintenance visit. Therapeutic nutrition services shall be provided as indicated directly or by referral to an agency or provider with a sliding fee scale. These services shall be recorded in the medical record.

i) Formal arrangements with a local hospital for emergency care must be in place and reviewed annually.

j) Assisted living and skilled nursing facility care by referral.

k) Oral screening, as part of the annual health maintenance visit, for all clients 21 years and older to note obvious dental decay and soft tissue abnormalities with a reminder to the patient that poor oral health impacts total health.

l) Diagnosis and management of pediatric and adult patients with asthma provided according to National Heart Lung Blood Institute, National Asthma Education and Prevention Program, Expert Panel Report 3: Guidelines for the Diagnosis and Management of Asthma, 2007.

3. Reproductive Health Services

The Contractor shall provide or arrange referral for prenatal, internatal and preconception medical care, social services, nutrition services, education and nursing care to all women of childbearing age. Preconceptional care includes the preconception, internatal and postpartum periods in women's health. It is recommended that preconceptional and internatal care visits focus on maintaining or achieving the optimal health of the mother, lowering the risk of future adverse pregnancy outcomes, the family's future plans, and how additional children fit into that plan. Preconceptional counseling may be done during an office, group or home visit.

a) In the event prenatal care is not provided directly by the Contractor, a formal Memorandum of Agreement for coordinated referral to an appropriately qualified provider must be maintained.

b) If provided directly, prenatal care shall, at minimum, be in accordance with the Guidelines for Perinatal Care, sixth or most current edition, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists (ACOG), and /or the Centers for Disease Control.

c) Genetic Screening:

i. A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

ii. All pregnant women entering care prior to 20 weeks gestation shall be offered voluntary genetic screening for fetal chromosomal abnormalities following the recommendations found in the ACOG Compendium of Selected Publications (2006) or more recent supplements. The Contractor shall be responsible for referral to appropriate genetic testing and counseling services for any woman found to have a positive screening test.

d) Age appropriate reproductive health care shall, at a minimum, be provided in accordance with the American College of Obstetricians and Gynecologists, Guidelines for Adolescent Preventive Services (GAPS) or the USDHHS Centers for Disease Control (CDC) current guidelines.

e) Family planning counseling for prevention of subsequent pregnancy following an infant's birth shall be discussed with the infant's mother at the first postpartum visit and at the infant's 2-month visit and other visits as appropriate. Rationale for birth intervals of 18-24 months shall be presented.

f) A referral to a Title X Family Planning Clinic or other reproductive health care provider shall be made as appropriate.

4. Services for Children and Adolescents

The Contractor shall provide as a minimum, comprehensive and age-appropriate health care, screenings, and health education according to the American Academy of Pediatrics' most recent periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", *Third* Edition or most recent. Children and adolescent visits shall include:

a) The World Health Organization (WHO) growth charts shall be used to monitor growth for infants and children birth up to age 2 years. The Centers for Disease Control and Prevention (CDC) growth charts shall be used for children age 2 years and older.

b) Blood lead testing shall be performed in accordance with "New Hampshire Childhood Lead Poisoning Screening and Management Guidelines", issued by the New Hampshire Department of Health and Human Services, 2009 or subsequent revisions.

c) All children enrolled in either Medicaid, Head Start, or the Women, Infant, and Children (WIC) Program and/or who are ≤ 185% poverty, regardless of town of residence, are required to have a blood lead test at ages one and two years. All children ages three to six years who have not been previously tested shall have a blood lead test performed.

d) All children shall be screened for iron deficiency anemia as outlined in the Centers for Disease Control and Prevention document "Recommendations to Prevent and Control Iron Deficiency in the United States (4/2/98)".

e) Age-appropriate anticipatory guidance, dietary guidance, and feeding practice counseling for optimal oral health shall be provided at each well child visit according to the American Academy of Pediatrics' periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent edition. Starting at age 6 months, it is recommended that all children receive an oral health assessment at every well child visit and a referral for the child's first visit to the dentist by age one as recommended by the American Academy of Pediatrics and the American Academy of Pediatric Dentistry.

f) Supplemental fluoride shall be prescribed as needed based upon the fluoride levels in the child's drinking water supply. The fluoride dosage regimen accepted by the American Academy of Pediatrics shall be followed. No fluoride shall be prescribed without obtaining water from private wells or noting the presence or absence of fluoride in the public water supply. Supplemental fluoride may include bottled water containing fluoride and topical applications such as varnishes.

g) For infants enrolled in WIC Nutrition Program, parents shall be referred to WIC for breastfeeding support and referral to the WIC Nutrition Program peer counselors.

5. Sexually Transmitted Infections

Primary Care Services shall provide age appropriate screening and treatment for sexually transmitted infections.

a) Treatment for sexually transmitted infections shall be provided according to the United States Centers for Disease Control Sexually Transmitted Diseases Treatment Guidelines, 2010 or subsequent revisions.

b) All clients, including women, shall be offered HIV testing following the most current recommendations of the United States Centers for Disease Control.

c) The contractor shall be responsible for ensuring referral to appropriate treatment services for any woman found to screen positive.

d) Appropriate risk reduction counseling shall be provided based on client needs.

6. Substance Use Services

a) A substance use screening history using a formal, validated screening tool shall be obtained for all clients as soon after entry into care as possible. Substance use counseling or other substance abuse intervention, treatment, or recovery services by an appropriately credentialed provider shall be provided on-site, or by referral, to clients with identified needs for these services. For these identified clients, ongoing primary care services should include follow up monitoring relative to substance abuse.

b) All clients, including pregnant women, identified as smokers shall receive counseling using the 5 A's (ask, advise, assess, assist, and arrange) treatment available through the NH Tobacco Helpline as cited in the U.S. Public Health Service report, "Tobacco Use and Dependence", 2008 or "Smoking Cessation During Pregnancy: A Clinician's Guide to Helping Pregnant Women Quit Smoking", American College of Obstetricians and Gynecologists, 2011. With prior approval, agencies may also opt to participate in the DPHS best practice initiative of the 2A's and R (ask, advise and refer).

7. Immunizations

a) The Contractor shall adhere to the most current version of the "Recommended Immunization Schedule for Adults (19 years and older) by Age and Medical Condition - United States", approved by the Advisory Committee on Immunization Practices, the American College of Obstetricians and Gynecologists, and the American Academy of Family Physicians.

b) The Contractor shall administer vaccines according to the most current version of the "Recommended Immunization Schedule for Persons Aged 0 Through 6 Years - United States", and "Recommended Immunization Schedule for Persons Aged 7 Through 18 Years – United States" approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians, based upon availability of vaccine from the New Hampshire Immunization Program.

8. Prenatal Genetic Screening

a) A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

b) All pregnant women should be offered voluntary genetic screening for fetal chromosomal abnormalities at the appropriate time following recommendations found in the American College of Obstetricians and Gynecologists' "Screening for Fetal Chromosomal Abnormalities (2007)" or more recent guidelines. The Contractor shall be responsible for ensuring referral to appropriate genetic testing and counseling for any woman found to have a positive screening test.

9. Additional Requirements

a) The Contractor's Medical Director shall participate in the development and approval of specific guidelines for medical care that supplement minimal clinical standards. Supplemental guidelines should be reviewed, signed and dated annually, and updated as indicated.

b) Contractors considering clinical or sociological research using clients as subjects must adhere to the legal requirements governing human subjects research. Contractors must inform the DPHS, MCHS prior to initiating any research related to this contract.

c) The Contractor shall provide information to all employees annually about the Medical Reserve Corps Unit within their Public Health Region to enhance recruitment.

d) The Contractor shall provide information to all employees annually regarding the Emergency System for the Advance Registration of Volunteer Health Professionals (ESAR-VHP) managed by the NH Department of Health and Human Services' Emergency Services Unit, to enhance recruitment.

B) Staffing Provisions

The Contractor shall have, at minimum, the following positions:

a) executive director

b) financial director

c) registered nurse

d) clinical coordinator

e) medical service director (or by contract)

f) nutritionist (on site or by referral)

g) social worker

Agencies are required to provide direct services by the following professionals:

a) physician, advanced registered nurse practitioner, or physician's assistant

b) registered nurse

c) clinical coordinator

d) social worker

1. Qualifications

All health and allied health professionals shall have the appropriate New Hampshire licenses whether directly employed, contracted, or subcontracted.

In addition the following minimum qualifications shall be met for:

a) Registered Nurse

a. A registered nurse licensed in the state of New Hampshire, Bachelor's degree preferred. Minimum of one year experience in a community health setting.

b) Nutritionists:

a. A Bachelor's degree in nutritional sciences or dietetics, or a Master's degree in nutritional sciences, nutrition education, or public health nutrition or current Registered Dietitian status in accordance with the Commission on dietetic Registration of the American Dietetic Association.

b. Individuals who perform functions similar to a nutritionist but do not meet the above qualifications shall not use the title of nutritionist.

c) Social Workers shall have:

a. A Bachelor's or Master's degree in social work or Bachelor's or Master's degree in a related social science or human behavior field. A minimum of one year of experience in a community health or social services setting is preferred.

b. Individuals who perform functions similar to a social worker but do not meet the above qualifications shall not use the title of social worker.

d) Clinical Coordinators shall be:

a. A registered nurse (RN), physician, physician assistant or nurse practitioner with a license to practice in New Hampshire.

b. The coordinator is a clinical position that oversees and takes responsibility for the clinical and administrative functions of each program.

c. Coordinator may be responsible for more than one MCH funded program.

2. New Hires

The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing within one month of hire when a new administrator, clinical coordinator or any staff person essential to carrying out contracted services is hired to work in the program. A resume of the employee shall accompany the aforesaid notification.

3. Vacancies

a) The Contractor must notify the MCHS in writing if any critical position is vacant for more than one month, or if at any time funded under this contract does not have adequate staffing to perform all required services for more than one month. This may be done through a budget revision.

b) Before an agency hires new program personnel that do not meet the required staff qualifications, the agency shall notify the MCHS in writing requesting a waiver of the applicable staffing requirements. The Section may grant waivers based on the need of the program, individuals' experience, and additional training.

C) Coordination of Services

1. The Contractor shall coordinate, where possible, with other service providers within the contractor's community. At a minimum, such collaboration shall include interagency referrals and coordination of care.

2. The Contractor shall engage in outreach activities to identify homeless individuals and educate them about the availability of primary care services. This should be done in coordination with other service providers, when appropriate.

3. The Contractor shall participate in activities in the Public Health Region in which they provide services as appropriate. These activities enhance the integration of community-based public health prevention and health care initiatives that are being implemented by the contractor and may include community needs assessments, public health performance assessments, and/or the development of regional health improvement plans.

4. The Contractor agrees to participate in and coordinate with public health activities as requested by the Division of Public Health during any disease outbreak and/or emergency, natural or man-made, affecting the public's health.

5. The Contractor is responsible for case management of the client enrolled in the program and for program follow-up activities. Case management services shall promote effective and efficient organization and utilization of resources to assure access to necessary comprehensive medical, nutritional, and social services for clients.

6. The Contractor shall assure that appropriate, responsive, and timely referrals and linkages for other needed services are made, carried through, and documented. Such services shall include, but not be limited to: dental services, genetic counseling, high risk prenatal services, mental health, social services, including domestic violence crisis centers, substance abuse services; and family planning services, Early Supports and Services Program, local WIC/CSF Program, Home Visiting New Hampshire Programs and health and social service agencies which serve children and families in need of those services.

D) Meetings and Trainings

The contractor will be responsible for sending staff to meetings and training required by the MCHS program, including but not limited to:

1. MCHS Agency Directors' meetings

2. MCHS Agency Medical Directors meetings

III. Quality or Performance Improvement (QI/PI)

A) Workplans

1. Performance Workplans are required for this program and are used to monitor achievement of standard measures of performance of the services provided under this contract. The workplans are a key component of the RHPCS and the MCHS performance-based contracting system and of this contract. Outcomes shall be reported by clinical site.

2. Submit Performance Workplans and Workplan Outcome reports according to the schedule and instructions provided by the MCHS. The MCHS shall notify the Contractor at least 30 days in advance of any changes in the submission schedule.

3. The Contractor shall incorporate required and developmental performance measures, defined by the MCHS into the agency's Performance Workplan. Reports on Workplan Progress/Outcomes shall detail the Performance Workplan and activities that monitor and evaluate the agency's progress toward performance measure targets.

4. The Contractor shall comply with modifications and/or additions to the workplan and annual report format as requested by RHPCS and MCHS. MCHS will provide the contractor with reasonable notice of such changes.

5. Agencies contracting for Primary Care Services must submit the workplans for Primary Care Clinical and Financial, Child Health, and Prenatal Care.

B) Additional Reporting Requirements

In addition to Performance Workplans, the Contractor shall submit to MCHS and the following data and information listed below which are used to monitor program performance:

1. In years when contracts or amendments are not required, the DPHS Budget Form, Budget Justification, Sources of Revenue and Program Staff list forms must be completed according to the relevant instructions and submitted as requested by DPHS and, at minimum, by April 30 of each year.

2. The Sources of Revenue report must be resubmitted at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

3. Completed Uniform Data Set (UDS) tables reflecting program performance in the previous calendar year, by March 31 of each year.

4. If prenatal care is provided, Perinatal Client Data Form (PCDF) shall be submitted electronically according to the instructions set forth by the MCHS.

5. A copy of the agency's updated Sliding Fee Scale including the amount(s) of any client fees and the schedule of discounts must be submitted by March 31st of each year. The agency's sliding fee scale must be updated annually based on the US DHHS Poverty guidelines as published in the Federal Register.
6. An annual summary of program-specific patient satisfaction results obtained during the prior contract period and the method by which the results were obtained shall be submitted annually as an addendum to the Workplan Outcome/Progress reports.

C) On-site reviews

1. The contractor shall allow a team or person authorized by the Division of Public Health Services to periodically review the contractor's systems of governance, administration, data collection and submission, clinical and financial management, and delivery of education services in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include client record reviews to measure compliance with this exhibit.
3. The contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. On-Site reviews may be waived or abbreviated at the discretion of MCHS, upon submission of satisfactory reports of reviews such as Health Services Resources Administration (HRSA): Office of Performance Review (OPR), or reviews from nationally accreditation organizations such as the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), Medicare, the Community Health Accreditation Program (CHAP), or Accreditation Association for Ambulatory Healthcare (AAAHC). Abbreviated reviews will focus on any deficiencies found in previous reviews, issues of compliance with this exhibit, and actions to strengthen performance as outlined in the agency Performance Workplan.

PRIMARY CARE FOR THE HOMELESS PERFORMANCE MEASURE DEFINITIONS Fiscal Year 2015

Primary Care for the Homeless Performance Indicator #1

Measure: Patient Payor Mix

Goal: To allow monitoring of payment method trends at State funded primary care sites for the homeless.

Definition: Patients enrolled in Medicare, Medicaid, Commercial insurance, or uninsured that have had at least one visit/encounter during the last reporting period.

Data Source: Provided by agency

Note: An encounter is face-to-face contact between a user and a provider who exercises independent judgment in the provision of services to the individual (UDS Table Definition).

PRIMARY CARE FOR THE HOMELESS
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Primary Care for the Homeless Performance Measure #1

Measure: Percent of clients who received at least one formal, validated depression screening annually while enrolled in the program.

Goal: All clients enrolled in the Homeless program will receive formal, validated screening for depression and supports in accessing follow up evaluation and care if necessary.

Definition: **Numerator-**
The number of clients in the denominator who received a formal, validated depression screening at least quarterly while enrolled in the program.

Denominator-
Total number of client encounters.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

PRIMARY CARE FOR THE HOMELESS PERFORMANCE MEASURE DEFINITIONS Fiscal Year 2015

Primary Care for the Homeless Performance Measure #2

Measure: Percent of clients who had positive screening results and were further evaluated for depression.

Goal: All clients enrolled in the Homeless program will receive formal, validated screening for depression and supports in accessing follow up evaluation and care if necessary.

Definition: **Numerator-**
The number of clients in the denominator who received further evaluation for depression.

Denominator-
Total number of clients served in the past fiscal year that required further evaluation for depression as indicated by a formal, validated depression screening instrument.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

PRIMARY CARE FOR THE HOMELESS
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Primary Care for the Homeless Performance Measure #3

Measure: Percent of adult client encounters with blood pressure recorded.

Goal: All clients enrolled in the Primacy Care for the Homeless program will receive consistent, high quality care for hypertension.

Definition: **Numerator-**
The number of adult clients in the denominator who have their blood pressure documented at each encounter.

Denominator-
Total number of adult clients served in the past fiscal year.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

PRIMARY CARE FOR THE HOMELESS
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Primary Care for the Homeless Performance Measure #4

Measure:* 58%** of adult patients 18 – 85 years of age diagnosed with hypertension will have a blood pressure measurement less than 140/90 mm at the time of their last measurement.

Goal: To ensure patients diagnosed with hypertension are adequately controlled.

Definition: **Numerator-**
Number of patients from the denominator with blood pressure measurement less than 140/90 mm at the time of their last measurement.

Denominator-
Number of patients age 18 – 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

*Measure based on the National Quality Forum 0018

**2020 National Target 61.2%

PRIMARY CARE FOR THE HOMELESS PERFORMANCE MEASURE DEFINITIONS Fiscal Year 2015

Primary Care for the Homeless Performance Measure #5

Measure: Percent of adult clients with a documented formal, validated screening for alcohol or other substance abuse annually while enrolled in the program.

Goal: All clients enrolled in the Primacy Care for the Homeless program will receive formal, validated screening for alcohol and substance abuse in accessing follow up evaluation and care if necessary.

Definition: **Numerator-**
The number of clients in the denominator who received a formal, validated screening for alcohol or other drug substance abuse at least annually while enrolled in the program.

Denominator-
Total number of clients served in the past fiscal year.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

PRIMARY CARE FOR THE HOMELESS
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Primary Care for the Homeless Performance Measure #6

Measure: Percent of adult clients who had positive screening results and received treatment for alcohol or substance abuse.

Goal: All clients enrolled in the Primacy Care for the Homeless program will receive formal, validated screening for alcohol and substance abuse in accessing follow up evaluation and care if necessary.

Definition: **Numerator-**
The number of clients who received treatment, directly by the agency or through referral, for treatment of alcohol or other substance abuse.

Denominator-
Total number of clients identified with an alcohol or other substance abuse problem.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, Bureau of Population Health and Community Services, Maternal and Child Health Section to enter into an agreement with Harbor Homes, Inc. (Vendor #155358-B001), 45 High Street, Nashua, New Hampshire 03060, in an amount not to exceed $118,552.00, to provide primary care services for individuals experiencing homelessness, to be effective July 1, 2012 or date of Governor and Council approval, whichever is later, through June 30, 2014. Funds are available in the following account for SFY 2013, and are anticipated to be available in SFY 2014 upon the availability and continued appropriation of funds in the future operating budget.

05-95-90-902010-5190 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF POPULATION HEALTH AND COMMUNITY SERVICES, MATERNAL AND CHILD HEALTH

Fiscal Year	Class/Object	Class Title	Job Number	Total Amount
SFY 2013	102-500731	Contracts for Program Services	90080000	$59,276
SFY 2014	102-500731	Contracts for Program Services	90080000	$59,276
			Sub-Total	$118,552

EXPLANATION

Funds in this agreement will be used to provide outreach and case management services, primary medical and dental care, 24-hour emergency services, mental health and substance abuse counseling and treatment to people who are experiencing homelessness.

Typically, community health agencies deliver primary and preventive health care services to underserved people who face barriers to accessing health care, such as a lack of insurance, inability to pay, cultural and ethnic issues, and geographic isolation. However, there are populations whose needs are not traditionally fully met in an office-based health care center. In particular, homeless individuals and families needs are far more complex. People who are homeless suffer from health care problems at more than double the rate of individuals with stable

housing. Homeless individuals also experience barriers trying to access mainstream health care often due to a lack of transportation and the limited hours of service available at most community health agencies.

In New Hampshire, 4,942 individuals were sheltered in one of the State-Funded Shelters across the state in State Fiscal Year 2011.[1] Of those who received services, 3,311 were single adults, 691 adults were in 528 families with 940 children; 634 were victims of domestic violence.[2] An additional 728 individuals were the "hidden homeless," those persons who are temporarily doubled up, "couch surfing," or living precariously in overcrowded or unsafe conditions.[3]

The goals of this funding include a multidisciplinary approach to delivering care to individuals experiencing homelessness, combining aggressive street outreach with an integrated system of primary care, mental health and substance abuse services, case management, and client advocacy. Particular emphasis is placed on coordinating efforts with other community providers and social service agencies.

Should Governor and Executive Council not authorize this Request, a minimum of 2,004 low-income homeless individuals from the Southern Hillsborough County area may not have access to primary care services. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities.

Harbor Homes, Inc. was selected for this project through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from February 3, 2012 through March 8, 2012 soliciting proposals to cover all of Rockingham and Hillsborough counties. In addition, a bidder's conference, conference call, and web conference were held on February 9, 2012 to alert agencies to this bid.

Three proposals were received in response to the posting. There were no competing applications for the Rockingham and Hillsborough counties solicited in the Requests for Proposals. Three professionals, who work internal and external to the Department of Health and Human Services, scored each proposal. All reviewers have experience either in clinical settings, providing community-based family support services, and or managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health homeless services; quality assurance and performance improvement; chronic and communicable diseases; and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. Scores were averaged and all proposals were recommended for funding. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council. This is the initial agreement with this Contractor for these services.

The performance measures used to measure the effectiveness of the agreement are attached.

Exhibit A

Scope of Services

Primary Care Services for the Homeless

CONTRACT PERIOD: July 1, 2012 or date of G&C approval, whichever is later, through June 30, 2014

CONTRACTOR NAME: Harbor Homes, Inc.

ADDRESS: 45 High Street
Nashua, New Hampshire 03060
President and Chief Executive Officer: Peter Kelleher
TELEPHONE: 603-882-3616

The Contractor shall:

I. General Provisions

A) Eligibility and Income Determination

1. Primary care services will be provided to homeless, low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire. Using flexible hours and minimal use of appointment systems, services may be provided in:
   - Permanent office based locations
   - Mobile or temporary delivery locations

2. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new or existing patients for more than a one month period.

3. The Contractor shall document, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete the most recent version of the 800P form with the client.

4. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, *approved in advance by the Division of Public Health Services (DPHS),* for low-income patients. *Signage must state that no client will be denied services for inability to pay.*

   a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, *submitted to* and approved by DPHS.

5. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private *and commercial* insurances, Medicare, and Medicaid for all reimbursable services rendered.

Contractor Initials: PW
Date: 4/9/12

B) Numbers Served

1. The contract funds shall be expended to provide the above services to a minimum of 1,002 users with 1,002 medical encounters, as defined in the Data and Reporting Requirements for State Fiscal Year 2013. Clinical service reimbursements shall not exceed the Medicare rate.

C) Culturally and Linguistically Appropriate Standards of Care

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services.

Cultural appropriateness in dealing with homeless populations not only addresses the specific linguistic and cultural needs of minorities, but also includes sensitivity to their unique vulnerabilities. Cultural sensitivity recognizes the distrust of providers and institutions often felt by people in these situations. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. When feasible and appropriate, provide clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provide to them without language assistance.

4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.

5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation *45 CFR 80.3(b) (2)*. The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) State and Federal Laws

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. *The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301*, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated thereunder.

Contractor Initials: RK

Date 4/19/12

E) **Relevant Policies and Guidelines**

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

2. Primary Care for the Homeless funds shall be targeted to homeless populations in need. Homeless populations are defined as follows:

   - Individuals who lack housing including an individual whose primary residence during the night is a supervised public or private facility (e.g., shelters) that provides temporary living accommodations

   - Individuals who are residents in transitional housing.

   - Individuals who are unable to maintain their housing situation and are forced to stay with a series of friends and/or extended family members may be considered homeless.

   - Individuals who are to be released from a prison or a hospital may also be considered homeless if they do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

   - Individuals may continue receiving primary care services for one year following placement in permanent housing.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP) or the *Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.*

4. The Contractor shall carry out the work as described in the performance work plan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) **Publications Funded Under Contract**

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, *electronic*) produced, reproduced or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14.1).

G) **Subcontractors**

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing *and approve the subcontractual agreement*, prior to initiation of the subcontract.

Contractor Initials: _____

Date: 4/9/12

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. Minimal Standards of Core Services

A) Service Requirements

1. Medical Home

The Contractor shall provide a Medical Home that.

a) *Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.*

b) *Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.*

2. Primary Care Services

The Contractor shall provide primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, ARNP, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, *oral health,* and behavioral health specialty providers.

b) Referral to WIC Nutrition Program for all eligible pregnant women, infants, and children.

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.

d) Access to a healthcare provider, directly or by referral or subcontract, by telephone twenty-four hours per day, seven days per week.

e) Assessment of psychosocial risk for all clients at least annually and for children at scheduled preventive care visits, including, at a minimum, age appropriate guidance for injury prevention, domestic violence, adequacy of food and housing, care and welfare of children, transportation needs, and provision of necessary social services to address the priority needs and safety issues of clients and families.

f) Falls prevention screening for patients 65 years and older using the algorithm and guidelines of the American Geriatric Society.

g) Behavioral health care directly or by referral to an agency or provider with a sliding fee scale.

h) *Nutrition assessment for all clients as part of the health maintenance visit.* Therapeutic nutrition services shall be provided *as indicated* directly or by referral to an agency or provider with a sliding fee scale. These services shall be recorded in the medical record.

i) Formal arrangements with a local hospital for emergency care must be in place and reviewed annually.

Contractor Initials: PV
Date: 4/9/12

j) Assisted living and skilled nursing facility care by referral.

k) Oral screening, as part of the annual health maintenance visit, for all clients 19 years and older to note obvious dental decay and soft tissue abnormalities with a reminder to the patient that poor oral health impacts total health. as part of the health maintenance visit.

l) Diagnosis and management of pediatric and adult patients with asthma provided according to National Heart Lung Blood Institute, National Asthma Education and Prevention Program, Expert Panel Report 3: Guidelines for the Diagnosis and Management of Asthma, 2007.

3. Reproductive Health Services

The Contractor shall provide or arrange referral for prenatal, internatal and preconception medical care, social services, nutrition services, education and nursing care to all women of childbearing age. Preconceptional care includes the preconception, internatal and postpartum periods in women's health. It is recommended that preconceptional and internatal care visits focus on maintaining or achieving the optimal health of the mother, lowering the risk of future adverse pregnancy outcomes, the family's future plans, and how additional children fit into that plan. Preconceptional counseling may be done during an office, group or home visit.

a) In the event prenatal care is not provided directly by the Contractor, a formal Memorandum/a of Agreement for coordinated referral to an appropriately qualified provider must be maintained.

b) If provided directly, prenatal care shall, at minimum, be in accordance with the *Guidelines for Perinatal Care, sixth* or most current edition, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists (ACOG), and /or the Centers for Disease Control.

c) Genetic Screening:
   i. A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.
   ii. All pregnant women entering care prior to 20 weeks gestation shall be offered voluntary genetic screening for fetal chromosomal abnormalities following the recommendations found in the ACOG Compendium of Selected Publications (2006) or more recent supplements. The Contractor shall be responsible for referral to appropriate genetic testing and counseling services for any woman found to have a positive screening test.

d) Age appropriate reproductive health care shall, at a minimum, be provided in accordance with the American College of Obstetricians and Gynecologists, *Guidelines for Adolescent Preventive Services (GAPS)* or the USDHHS Centers for Disease Control (CDC) current guidelines.

e) Family planning counseling for prevention of subsequent pregnancy following an infant's birth shall be discussed with the infant's mother *at the first postpartum visit and at the infant's 2-month visit and other visits as appropriate.* Rationale for birth intervals of 18-24 months shall be presented.

f) A referral to a Title X Family Planning Clinic or other reproductive health care provider shall be made as appropriate.

Contractor Initials: IK

Date 4/9/12

4. Services for Children and Adolescents

The Contractor shall provide as a minimum, comprehensive and age-appropriate health care, screenings, and health education according to the American Academy of Pediatrics' most recent periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", *Third* Edition or most recent. Children and adolescent visits shall include:

a) Blood lead testing shall be performed in accordance with "New Hampshire Childhood Lead Poisoning Screening and Management Guidelines", issued by the New Hampshire Department of Health and Human Services, *2009* or subsequent revisions.

b) All children enrolled in either Healthy Kids-Gold or the Women, Infant, and Children (WIC) Program and/or who are ≤ 185% poverty, regardless of town of residence, are required to have a blood lead test at ages one and two years. All children ages three to six years who have not been previously tested shall have a capillary or venous blood lead test performed.

c) All children shall be screened for iron deficiency anemia as outlined in the Centers for Disease Control and Prevention document "Recommendations to Prevent and Control Iron Deficiency in the United States (4/2/98)".

d) Age-appropriate anticipatory guidance, dietary guidance, and *feeding practice counseling* for optimal oral health shall be provided at each well child visit according to the American Academy of Pediatrics' periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent edition. Starting at age 6 months, it is recommended that all children receive an oral health assessment at every well child visit.

e) *Supplemental* fluoride shall be prescribed as needed based upon the fluoride levels in the child's *drinking* water supply. The fluoride dosage regimen accepted by the American Academy of Pediatrics shall be followed. No fluoride shall be prescribed without obtaining water from private wells or noting the presence or absence of fluoride in the public water supply. *Supplemental fluoride may include bottled water containing fluoride and topical applications such as varnishes.*

f) *For infants enrolled in WIC Nutrition Program, parents shall be referred to WIC for breastfeeding support and referral to the WIC Nutrition Program peer counselors.*

5. Sexually Transmitted Infections

Primary Care Services shall provide age appropriate screening and treatment for sexually transmitted infections.

a) Treatment for sexually transmitted infections shall be provided according to the United States Centers for Disease Control Sexually Transmitted Diseases Treatment Guidelines, *2010* or subsequent revisions.

b) All clients, including women, shall be offered HIV testing following the most current recommendations of the United States Centers for Disease Control.

c) The contractor shall be responsible for ensuring referral to appropriate treatment services for any woman found to screen positive.

d) Appropriate risk reduction counseling shall be provided based on client needs.

Contractor Initials: _____

Date: 4/9/12

6. Substance Use Services

a) A substance use screening history using a formal, validated screening tool shall be obtained for all clients as soon after entry into care as possible. Substance use counseling *or other substance abuse intervention, treatment, or recovery services* by an appropriately credentialed provider shall be provided on-site, or by referral, to clients with identified needs for these services. *For these identified clients, ongoing primary care services should include follow up monitoring relative to substance abuse.*

b) All clients, including pregnant women, identified as smokers shall receive counseling *using the 5 A's (ask, advise, assess, assist, and arrange) treatment available through the NH Tobacco Helpline* as cited in the U.S. Public Health Service report, "Tobacco Use and Dependence", *2008* or "Smoking Cessation During Pregnancy: A Clinician's Guide to Helping Pregnant Women Quit Smoking", American College of Obstetricians and Gynecologists, *2011. With prior approval, agencies may also opt to participate in the DPHS best practice initiative of the 2A's and R (ask, advise and refer).*

7. Immunizations

a) The Contractor shall adhere to the most current version of the "Recommended Adult Immunization Schedule United States", approved by the Advisory Committee on Immunization Practices, the American College of Obstetricians and Gynecologists, and the American Academy of Family Physicians.

b) The Contractor shall administer vaccines according to the most current version of the *"Recommended Immunization Schedule for Persons Aged 0 Through 6 Years - United States", and "Recommended Immunization Schedule for Persons Aged 7 Through 18 Years – United States"* approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians, based upon availability of vaccine from the New Hampshire Immunization Program.

8. Prenatal Genetic Screening

a) A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

b) All pregnant women should be offered voluntary genetic screening for fetal chromosomal abnormalities at the appropriate time following recommendations found in the American College of Obstetricians and Gynecologists' "Screening for Fetal Chromosomal Abnormalities (2007)" or more recent guidelines. The Contractor shall be responsible for ensuring referral to appropriate genetic testing and counseling for any woman found to have a positive screening test.

9. Additional Requirements

a) The Contractor's Medical Director shall participate in the development and approval of specific guidelines for medical care that supplement minimal clinical standards. Supplemental guidelines should be reviewed, signed and dated annually, and updated as indicated.

b) Contractors considering clinical or sociological research using clients as subjects must adhere to the legal requirements governing human subjects research. Contractors must inform the DPHS, MCHS prior to initiating any research related to this contract.

c) The Contractor shall provide information to all employees annually about the Medical Reserve Corps Unit within their Public Health Region to enhance recruitment.

Contractor Initials: DK

Date: 4/9/12

d) *The Contractor shall provide information to all employees annually regarding the Emergency System for the Advance Registration of Volunteer Health Professionals (ESAR-VHP) managed by the NH Department of Health and Human Services' Emergency Services Unit, to enhance recruitment.*

B) **Staffing Provisions**

The Contractor shall have, at minimum, the following positions:

a) executive director

b) financial director

c) registered nurse

d) clinical coordinator

e) medical *service* director (or by contract)

f) nutritionist (on site or by referral)

g) social worker

Agencies are required to provide direct services by the following professionals:

a) physician, advanced registered nurse practitioner, or physician's assistant

b) registered nurse

c) clinical coordinator

d) social worker

1. Qualifications

All health and allied health professionals shall have the appropriate New Hampshire licenses whether directly employed, contracted, or subcontracted.

In addition the following minimum qualifications shall be met for:

a) Registered Nurse
   a. A registered nurse licensed in the state of New Hampshire, Bachelor's degree preferred. Minimum of one year experience in a community health setting.

b) Nutritionists:
   a. A Bachelor's degree in nutritional sciences or dietetics, or a Master's degree in nutritional sciences, nutrition education, or public health nutrition or current Registered Dietitian status in accordance with the Commission on dietetic Registration of the American Dietetic Association.

   b. Individuals who perform functions similar to a nutritionist but do not meet the above qualifications shall not use the title of nutritionist.

c) Social Workers shall have:

Contractor Initials: PK

Date: 4/9/12

a. A Bachelor's or Master's degree in social work or Bachelor's or Master's degree in a related social science or human behavior field. A minimum of one year of experience in a community health or social services setting is preferred.

b. Individuals who perform functions similar to a social worker but do not meet the above qualifications shall not use the title of social worker.

d) Clinical Coordinators shall be:

a. A registered nurse (RN), physician, physician assistant or nurse practitioner with a license to practice in New Hampshire.

b. The coordinator is a clinical position that oversees and takes responsibility for the clinical and administrative functions of each program.

c. Coordinator may be responsible for more than one MCH funded program.

2. New Hires

The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing within one month of hire when a new administrator, clinical coordinator or any staff person essential to carrying out contracted services is hired to work in the program. A resume of the employee shall accompany the aforesaid notification.

3. Vacancies

a) The Contractor must notify the MCHS in writing if any critical position is vacant for more than one month, or if at any time funded under this contract does not have adequate staffing to perform all required services for more than one month. This may be done through a budget revision.

b) Before an agency hires new program personnel that do not meet the required staff qualifications, the agency shall notify the MCHS in writing requesting a waiver of the applicable staffing requirements. The Section may grant waivers based on the need of the program, individuals' experience, and additional training.

C) Coordination of Services

1. The Contractor shall coordinate, where possible, with other service providers within the contractor's community. At a minimum, such collaboration shall include interagency referrals and coordination of care.

2. The Contractor shall engage in outreach activities to identify homeless individuals and educate them about the availability of primary care services. This should be done in coordination with other service providers, when appropriate.

3. The Contractor shall participate in activities *in the Public Health Region in which they provide services* as appropriate. These activities enhance the integration of community-based public health prevention and health care initiatives that are being implemented by the contractor and may include community needs assessments, public health performance assessments, and/or the development of regional health improvement plans.

4. The Contractor agrees to *participate in and* coordinate with public health activities as requested by the Division of Public Health during any *disease outbreak* and/or *emergency*, natural or man-made, affecting the public's health.

Contractor Initials: [illegible]

Date 4/9/12

5. The Contractor is responsible for case management of the client enrolled in the program and for program follow-up activities. Case management services shall promote effective and efficient organization and utilization of resources to assure access to necessary comprehensive medical, nutritional, and social services for clients.

6. The Contractor shall assure that *appropriate, responsive, and timely* referrals and linkages for other needed services are made, carried through, and documented. Such services shall include, but not be limited to: dental services, genetic counseling, high risk prenatal services, mental health, social services, including domestic violence crisis centers, substance abuse services; and family planning services, Early Supports and Services Program, local WIC/CSF Program, Home Visiting New Hampshire Programs and health and social service agencies which serve children and families in need of those services.

D) Meetings and Trainings

The contractor will be responsible for sending staff to meetings and training required by the MCHS program, including but not limited to:

1. MCHS Agency Directors' meetings

2. MCHS Agency Medical Directors meetings

III. Quality or Performance Improvement (QI/PI)

A) Workplans

1. Performance Workplans are required for this program and are used to monitor achievement of standard measures of performance of the services provided under this contract. The workplans are a key component of the RHPCS and the MCHS performance-based contracting system and of this contract. *Outcomes shall be reported by clinical site.*

2. Submit Performance Workplans and Workplan Outcome reports according to the schedule and instructions provided by the MCHS. The MCHS shall notify the Contractor at least 30 days in advance of any changes in the submission schedule.

3. The Contractor shall incorporate required and developmental performance measures, defined by the MCHS into the agency's Performance Workplan. Reports on Workplan Progress/Outcomes shall detail the Performance Workplan and activities that monitor and evaluate the agency's progress toward performance measure targets.

4. The Contractor shall comply with modifications and/or additions to the workplan and annual report format as requested by RHPCS and MCHS. *MCHS* will provide the contractor with reasonable notice of such changes.

5. Agencies contracting for Primary Care Services must submit the workplans for Primary Care *Clinical and Financial*, Child Health, and Prenatal Care.

B) Additional Reporting Requirements

In addition to Performance Workplans, the Contractor shall submit to MCHS and the following data *and information listed below which are* used to monitor program performance:

1. In years when contracts or amendments are not required, the DPHS Budget Form, Budget Justification, Sources of Revenue and Program Staff list forms must be completed according to

the relevant instructions and submitted as requested by DPHS and, at minimum, by April 30 of each year.

2. The Sources of Revenue report must be resubmitted at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

3. Completed Uniform Data Set (UDS) tables reflecting program performance in the previous calendar year, by March 31 of each year.

4. If prenatal care is provided, Perinatal Client Data Form (PCDF) shall be submitted electronically according to the instructions set forth by the MCHS.

5. A copy of the agency's updated Sliding Fee Scale including the amount(s) of any client fees and the schedule of discounts must be submitted by March 31st of each year. The agency's sliding fee scale must be updated annually based on the US DHHS Poverty guidelines as published in the Federal Register.

6. An annual summary of program-specific patient satisfaction results obtained during the prior contract period and the method by which the results were obtained shall be submitted annually as an addendum to the Workplan Outcome/Progress reports.

C) **On-site reviews**

1. The contractor shall allow a team or person authorized by the Division of Public Health Services to periodically review the contractor's systems of governance, administration, data collection and submission, clinical and financial management, and delivery of education services in order to assure systems are adequate to provide the contracted services.

2. Reviews shall include client record reviews to measure compliance with this exhibit.

3. The contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.

4. On-Site reviews may be waived or abbreviated at the discretion of MCHS, upon submission of satisfactory reports of reviews such as Health Services Resources Administration (HRSA): Office of Performance Review (OPR), or reviews from nationally accreditation organizations such as the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), Medicare, the Community Health Accreditation Program (CHAP), or Accreditation Association for Ambulatory Healthcare (AAAHC). Abbreviated reviews will focus on any deficiencies found in previous reviews, issues of compliance with this exhibit, and actions to strengthen performance as outlined in the agency Performance Workplan.

NH Department of Health and Human Services

Exhibit B

Purchase of Services
Contract Price

Primary Care Services for the Homeless

CONTRACT PERIOD: July 1, 2012 or date of G&C approval, whichever is later, through June 30, 2014

CONTRACTOR NAME: Harbor Homes, Inc.

ADDRESS: 45 High Street
Nashua, New Hampshire 03060
President and Chief Executive Officer: Peter Kelleher
TELEPHONE: 603-882-3616

Vendor #155358-B001 Job #90080000 Appropriation #010090-51900000-102-500731

1. The total amount of all payments made to the Contractor for cost and expenses incurred in the performance of the services during the period of the contract shall not exceed:

   $118,552 for Primary Care Services for the Homeless, funded from 19.95% federal funds from the US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau (CFDA #93.994) and 80.05% general funds.

TOTAL: $118,552

2. The Contractor agrees to use and apply all contract funds from the State for direct and indirect costs and expenses including, but not limited to, personnel costs and operating expenses related to the Services, as detailed in the attached budgets. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. The Contractor agrees not to use or apply such funds for capital additions or improvements, entertainment costs, or any other costs not approved by the State.

3. This is a cost-reimbursement contract based on an approved budget for the contract period. Reimbursement shall be made monthly based on actual costs incurred during the month up to an amount not greater than one-twelfth of the contract amount. Reimbursement greater than one-twelfth of the contract amount in any month shall require prior, written permission from the State.

4. Invoices shall be submitted by the Contractor to the State in a form satisfactory to the State for each of the Service category budgets. Said invoices shall be submitted within twenty (20) working days following the end of the month during which the contract activities were completed, and the final invoice shall be due to the State no later than sixty (60) days after the contract Completion Date. Said invoice shall contain a description of all allowable costs and expenses incurred by the Contractor during the contract period.

5. Payment will be made by the State agency subsequent to approval of the submitted invoice and if sufficient funds are available in the Service category budget line items submitted by the Contractor to cover the costs and expenses incurred in the performances of the services.

6. The Contractor may amend the contract budget for any Service category through line item increases, decreases, or the creation of new line items provided these amendments do not exceed the contract price for that particular Service category. Such amendments shall only be made upon written request to and written approval by the State. Budget revisions will not be accepted after June 20th of each contract year.

Exhibit C

SPECIAL PROVISIONS

1. **Contractors Obligations:** The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

2. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

3. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

4. **Documentation:** In addition to the determination forms, required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

5. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

6. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

7. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

8. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractor's costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party fundors for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party fundors, the Department may elect to:

   8.1 Renegotiate the rates for payment hereunder, in which event new rates shall be established;

Contractor Initials AK

Date 4/4/12

8.2 Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

8.3 Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

9. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:

9.1 **Fiscal Records:** Books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

9.2 **Statistical Records:** Statistical, enrollment, attendance, or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

9.3 **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

10. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.

10.1 **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.

10.2 **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

11. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directed connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Contractor Initials: PK

Date: 4/9/12

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

12. **Reports: Fiscal and Statistical**: The Contractor agrees to submit the following reports at the following times if requested by the Department

12.1 Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.

12.2 Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

13. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

14. **Credits:** All documents, notices, press releases, research reports, and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:

14.1 The preparation of this (report, document, etc.), was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, Division of Public Health Services, with funds provided in part or in whole by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

15. **Operation of Facilities:** Compliance with Laws and Regulations: In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the Contractor with respect to the operation of the facility or the provision of the services at such facility. If any government license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

Date: 4/19/12

16. **Insurance:** Select either (1) or (2) below:

As referenced in the Request for Proposal, Comprehensive General Liability Insurance Acknowledgement Form, the Insurance requirement checked under this section is applicable to this contract:

Insurance Requirement for (1) - 501(c) (3) contractors whose annual gross amount of contract work with the State does not exceed $500,000, per RSA 21-I:13, XIV, (Supp. 2006): The general liability insurance requirements of standard state contracts for contractors that qualify for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the state does not exceed $500,000, is comprehensive general liability insurance in amounts of not less than $1,000,000 per claim or occurrence and $2,000,000 in the aggregate. *These amounts may NOT be modified.*

X (1) The contractor certifies that it **IS** a 501(c) (3) contractor whose annual total amount of contract work with the State of New Hampshire does **not** exceed $500,000.

Insurance Requirement for (2) - All other contractors who do not qualify for RSA 21-I:13, XIV, (Supp. 2006), Agreement P-37 General Provisions, 14.1 and 14.1.1. Insurance and Bond, shall apply: The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, both for the benefits of the State, the following insurance: comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per incident or occurrence. *These amounts MAY be modified if the State of NH determines contract activities are a risk of lower liability.*

☐ (2) The contractor certifies it does **NOT** qualify for insurance requirements under RSA 21-I:13, XIV (Supp. 2006).

17. **Renewal:**

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two (2) additional year(s), contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

18. **Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:**

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

Date: 4/4/12

19. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

SPECIAL PROVISIONS – DEFINITIONS

As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean the section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Whenever federal or state laws, regulations, rules, orders, and policies, etc., are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc., as they may be amended or revised from time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

Standard Exhibit D

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act to 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I – FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES – CONTRACTORS
US DEPARTMENT OF EDUCATION – CONTRACTORS
US DEPARTMENT OF AGRICULTURE – CONTRACTORS

This certification is required by the regulations implementing Sections 5151-51-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). the January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630 of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services,
129 Pleasant Street
Concord, NH 03301

1) The grantee certifies that it will or will continue to provide a drug-free workplace by:

   (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

   (b) Establishing an ongoing drug-free awareness program to inform employee's about:

      (1) The dangers of drug abuse in the workplace;
      (2) The grantee's policy of maintaining a drug-free workplace;
      (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
      (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

   (c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

   (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:

      (1) Abide by the terms of the statement; and

Contractor Initials

Date: 4/9/12

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph (d) (2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).

2) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, State, zip code) (list each location)
