This grant agreement provides the funding for the Town of Loudon to purchase and install a generator, electrical system upgrade, and HVAC system for the Town's Local Emergency Operations Center (EOC). The grant listed above is funded from the FFY 2017 Emergency Management Performance Grant (EMPG), which was awarded to the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) from the Federal Emergency Management Agency (FEMA). **Selectmen's Meeting Minutes
Tuesday, September 4, 2018**

Present: Chairman Fiske, Selectman Miller and Selectman Prescott.

- I. Chairman Fiske called the meeting to order at 6:00 PM.
- II. Selectman Miller made a motion to accept the meeting minutes for August 28, 2018 as written. Seconded by Selectman Prescott. All in favor. Motion carried.
- III. The Board met with Police Chief Kris Burgess and Officer Jeff Cain regarding a contract for Deerfield Fair. Mr. Cain explained that he would like to do detail work for the Deerfield Fair on his OHRV as he has for many years. Since he no longer works for the Town of Pittsfield and is working for Loudon he is asking the Selectmen to sign the contract. He explained that foot patrols are paid directly from the Fair Association but the OHRV officers are paid through their town. Selectman
- IV. Prescott asked why they would want to assume that liability. Chairman Fiske said the contract is for payment of \$40 for the officer; he asked if Mr. Cain would object to \$37 per hour which is paid for all other details. Mr. Cain said he would not object. Chief Burgess said he received notification of availability for shifts other than the OHRV; he asked if his officers can take shifts if they want to. Selectman Miller said this wouldn't be any different than other details. Mr. Cain said the officers for the foot patrol would be paid directly by the Deerfield Fair Association not through the town. Selectman Prescott said he is not in favor of signing the contract for the OHRV's due to liability. Chairman Fiske asked if they could look this over and have an answer for Chief Burgess and Mr. Cain next Tuesday; they agreed. Jason Landry said it would be nice to see an officer from this town at the fair.
- V. The Board met with Police Chief Kristoffer Burgess.
 - a. Chief Burgess explained that his waiting for one more part for the speed trailer; it should be up and running this week. He said he will get it out on Lesmerises Road as soon as possible. Selectman Miller asked that the Selectmens office be notified as soon as it is up and running so that information can be forwarded to the Selectmen.
 - b. Chief Burgess said he has a meeting next Wednesday at the track to discuss the September race numbers. Chairman Fiske said he heard that the anticipated number is 15,000 people. Chief Burgess said his schedule is based on that number. Chief Wright said he has three people on Friday and Saturday night; he doesn't want them policing.
 - c. Chief Burgess said he has a meeting at the track with John Mortimer regarding the half marathon.
 - d. Chief Burgess said he has grand jury duty next Thursday.
 - e. Chief Burgess said Officer Nye will be out for about two more weeks.
 - f. Selectman Miller asked Chief Burgess to review the September schedule; there is an employee that is working a lot of hours in one week.
- VI. Chairman Fiske recognized Moderator Sharon Drake, Supervisors of the Checklist Francine Clave, Lynn Riel and Marge Schoonmaker and Town Clerk Wendy Young.

Chairman Fiske said the Board needs to be alerted as to where elections are going to be held. Mrs. Drake explained that she was only recently told that the September 11th election was going to be held at the fire station instead of town hall. She said she had announced in March at town meeting that the elections would be at the town hall. Mrs. Drake said it's too late to change it at this point so the September 11th election will be at the fire station but the November election will be at town hall. Mrs. Drake apologized to Chief Wright and the Board for the confusion. Selectman Miller said changing locations is confusing for people. Mrs. Drake asked Chief Wright if he would post on the sign on Cooper Street where the elections will be held. Selectman Prescott said he brought this up because he went to the election class and read the book and found that the Board should step up because they have responsibilities when it comes to elections. Chairman Fiske thanked the election officials for coming in.

- VII. Chairman Fiske opened the public hearing for acceptance of unanticipated funds. Chief Wright explained that there were many steps to get to this point. He explained that the town's portion of the 50% soft match is race pay for the last two years. Selectman Prescott said he would like to read the contract. Chief Wright gave it to them. Selectman Prescott asked what will happen to the items being replaced. Chief Wright said the generator can be used at another town building, most of the rest will be upgrades to existing items.

Selectman Miller made a motion that the Town of Loudon Board of Selectmen, in a majority vote, accept the terms of the Emergency Management Performance Grant as presented in the amount of \$143,380.00 to upgrade the local Emergency Operations Center to include the purchase and installation of a generator, electrical system upgrade, and a heating, ventilation, and air conditioning (HVAC) system. Furthermore, the Board acknowledges that the total cost of this project will be \$286,760.00, in which the town will be responsible for a 50% match (\$143,380.00). Seconded by Selectman Prescott. All in favor. Motion carried. The Board signed the agreement.

- a. Mr. Pickering said the tree on Upper City Road is gone.
 - b. Mr. Pickering said two trucks failed inspection and will be going to Donovan's for leaf springs.
 - c. Mr. Pickering said he left a message for Matt Bouchard and he's trying to get a hold of Brian Magoon about the two trees that need to come down at the cemeteries.
 - d. Mr. Pickering said there is a beaver problem on Oak Hill road. He has contacted someone about taking care of it.
 - e. Mr. Pickering said they have been grading roads. Chairman Fiske said they are looking good.
 - f. Selectman Prescott said he received a complaint about Gilmanton Road. He said the resident complained that there is a sunk-in catch basin, and the road is rough and needs to be graded. He also complained that no roadside mowing has been done. Mr. Pickering said he will get up there and take a look.
 - g. Selectman Miller thanked Mr. Pickering for fixing the electrical box in the rec field.

CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex³) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex³ is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex³ is entitled to the categories of coverage set forth below. In addition, Primex³ may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex³, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex³ Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only. Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex³. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
