## EXPLANATION

The New Hampshire Commission for Human Rights (NHCHR) respectfully requests that the above expenditure class in the specified accounting unit be increased for the amounts noted, in excess of the 3/12<sup>th</sup> limitation established pursuant to Chapter 145, subparagraph I, (a), Laws of 2019.

The deficit projected through the end of the continuing resolution, September 30, 2019, is the result of anticipated payroll obligations, which will exceed the 25% level of funding for FY 2019, as reflected in the NHCHR agency budget request for the FY 2020-2021 biennium.

The primary driver for the shortfall expected in the payroll line is the timing of the State's bi-weekly payroll processing schedule that places 7 pay periods in the 3 month span of the Continuing Resolution. (This seventh payroll is one of two extra monthly pay periods of our annual 26 pay period cycle, which places three FY 2020 payrolls in the months of August 2019 and January 2020.)

Listed below are answers to standard questions required of all Fiscal Committee item requests, related to RSA 9:16-a, "Transfers authorized", RSA 14:30-a, VI "Expenditure of funds over \$100,000 from any Non State Source", or RSA 124:15, "Positions Authorized", or both, and all emergency requests pursuant to "Chapter 145, subparagraph I, (a), Laws of 2019, making temporary appropriations for the expenses and encumbrances of the State of New Hampshire":

**1. Is the action required of this request a result of the Continuing Resolution for FY 2020?**

Yes, this request is a result of the Continuing Resolution. This action would not have been requested if the FY 2020-2021 Operating Budget proposal had been approved.

**2. If this request is retroactive, what is the significance and importance of the action being effective from an earlier date?** This request is not retroactive.

**3. Is this a previously funded and ongoing program established through Fiscal Committee and Governor and Executive Council action? (If so, include as an attachment the original documents as approved and cite the specific dates of authorization and end dates for each action as part of your answer to this question.)** This request is not related to prior Fiscal Committee and/or Governor and Council actions.

**4. Was funding for this program included in the FY 2018-2019 enacted Budget or requested and denied?** Appropriate funding for salaries and benefits was requested and authorized in the FY 2018-2019 enacted budget.

**5. Is this program in total or in part, included in the vetoed FY 2020-2021 Operating Budget proposal currently pending for your department, or was it requested and denied?** The total funding needs to support the part-time salaries for NHCHR was requested and included in the FY 2020-2021 Operating Budget proposal currently pending.

**6. Does this program include, either positions or consultants, and if so are the positions filled, vacant, or have offers pending? (Please provide details for each position and note whether consultant contracts have been awarded.)** This request is the result of the need for additional funding to support the cost of two filled part-time positions.

**7. What would be the effect should this program be discontinued or not initiated as a result of this request being denied?** The State is obligated to make payment to individuals for the work that they perform on our behalf. The denial of the request

would necessitate that NHCHR prepare a transfer request in accordance with RSA 9:16-a to address the anticipated shortfall in part-time payroll.

Thank you for your consideration of this request.

Very truly yours,
