8.1. Except where inconsistent with federal requirements, state procedures and practices will apply to funds disbursed by CDFA, and local procedures and practices will apply to funds disbursed by units of local government.

8.2. Cash Advances: Cash advances to Grantee shall be approved only to the extent necessary to satisfy the actual, immediate cash requirements of Grantee in carrying out the purpose of the approved program or project. The timing and amount of cash advances shall be as close as is administratively feasible to the actual disbursements by Grantee for direct program costs and the proportionate share of any allowable indirect costs. Cash advances made by Grantee to subrecipients shall conform to the same standards of timing and amount as apply to advances to Grantee including the furnishing of reports of cash disbursements and balances.

8.3. Fiscal Control: Grantee must establish fiscal control and fund accounting procedures which assure proper disbursement of, and accounting for, grant funds and any required non-federal expenditures. This responsibility applies to funds disbursed by subrecipients and contractors as well as to funds disbursed in direct operations of Grantee. Grantee shall be required to maintain a financial management system which complies with 24 CFR 85.20 or such equivalent system as CDFA may require. Requests for payment shall be made according to CDFA's CDBG Implementation Guide.

9. **PROCUREMENT.** Grantee and any Subrecipient procurement procedures shall be in accordance with state and local procurement practices and regulations, provided that procurements made with Grant Funds adhere, as a minimum, to the standards set forth in 24 CFR 85.36. Grantee shall not use debarred, suspended or ineligible contractors or subrecipients as provided in 24 CFR 570.489 (l).

10.2. Financial reports, including a statement detailing all Grant or Project Costs (as hereinafter defined) which have been incurred since the prior request for reimbursement, shall be submitted with each request for reimbursement and with the Closeout Report via CDFA's Grants Management System (GMS). Financial Reports shall be submitted on forms provided by CDFA.

Within thirty (30) days after the Completion Date, a Closeout Report shall be submitted via the Grants Management System (GMS) which summarizes the results of the Grant Activities, showing in particular how the Grant Activities have been performed. The Closeout Report shall be in the form required or specified by CDFA.
- 10.4. The Audited Financial Reports shall be prepared in accordance with the regulations (24 CFR Part 44) which implement OMB Circular A-133. The audited financial report shall be submitted within thirty (30) days of the completion of said report to CDFA.
- 10.5. Where the Grantee is not subject to the requirements of OMB Circular A-133, one of the following options will be chosen by CDFA:
 - A. Within ninety (90) days after the Completion or Termination Date two (2) copies of an audited financial report shall be submitted to CDFA. Said audit shall be conducted utilizing the guidelines set forth in "Standards for Audit of Governmental Organizations, Programs, Activities, and Functions" by the Comptroller General of the United States.
 - B. CDFA will conduct a financial Review-in-Lieu of Audit within ninety (90) days after the Completion Date of the Project.
- 10.6. Where the length of the grant period exceeds twenty-four (24) months, there shall be an interim audit performed and submitted.

 - 11.1.1. Records of Direct Work: Detailed records of all direct work performed by its personnel under this Agreement.
 - 11.1.2. Fiscal Records: Books, records, documents and other statistical data evidencing, and permitting a determination to be made by CDFA of all Project Costs and other expenses incurred by the Grantee and all income received or collected by the Grantee, during the performance of the Project Activities. The said records shall be maintained in accordance with accounting procedures and practices acceptable to CDFA, and which sufficiently and properly reflect all such costs and expenses, and shall include, without limitation, all ledgers, books, audits, records and original evidence of costs such as purchase requisitions and orders, invoices, vouchers, bills, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls and other records requested or required by CDFA.

Such records shall be retained for a period of three (3) years following completion of the project and receipt of final payment by the Grantee, or until an audit is completed and all questions arising therefrom are resolved, whichever is later

12. TERMINATION; REMEDIES

- 12.1. Inability to Perform; Termination by Grantee. As a result of causes beyond its control, and notwithstanding the exercise of good faith and diligence in the performance of its obligations hereunder, if it shall become necessary for Grantee to terminate this Agreement, Grantee shall give CDFA fifteen (15) days advance written notice of such termination, in which event the Agreement shall terminate at the expiration of said fifteen (15) days.

- 12.2. Termination Without Default. In the event of termination without default and upon receipt, acceptance and approval by CDFA of the Termination Report, as referenced in the General Provisions, Grantee shall receive payment for all Project Costs incurred in the performance of Grant Activities completed up to and including the date of termination and for which payment had not previously been made including, but not limited to, all reasonable expenses incurred in the preparation of the Termination Report; provided, however, that in the event that any payments have been made hereunder in excess of Project Costs incurred up to and including the date of termination of the Agreement, CDFA shall offset any payments to be made hereunder against such payments, and if applicable, Grantee shall refund to CDFA the amount of any excess funds it retains after such offset.
- 12.3. Termination for Default. In the event of termination for default or other violation of Program requirements, CDFA shall, upon receipt, acceptance and approval of the Termination Report submitted by Grantee, pay Grantee for Project Costs incurred up to and including the date of termination (subject to off-set against funds paid to Grantee hereunder and to the refund of any excess funds); provided, however, that in such event the amount of such payment shall be determined solely by CDFA; and provided, further, that in no event shall the making of any such payments relieve Grantee of any liability for damages sustained or incurred by CDFA as a result of Grantee's breach of its obligations hereunder, or relieve Grantee of responsibility to seek return of Grant Funds from any Subrecipient or Beneficiary where applicable.
- 12.4. Limitation on Grantee Liability for Subgranted Funds. Notwithstanding anything in this Agreement to the contrary and absent the presence of fraud or negligence on the part of Grantee in enforcing its rights and obligations under the terms of any subrecipient agreement, the sole obligation of Grantee with respect to the return of Grant Funds, in the event of default on a grant condition or other termination of the Project or event requiring return of Grant Funds, shall be to make a good faith effort to return to the State of New Hampshire all grant funds paid to Subrecipient through Grantee. Grantee shall make good faith efforts to enforce the legal obligations entered into with the Subrecipient as provided herein, to call upon the collateral held by itself or others, and exercise due diligence in its efforts in bringing about the satisfaction of the grant obligations and, having done so, it shall not be required to look to any other funds or its tax base to recoup grant funds not recovered from the Subrecipient.
- 12.5. Assignment to CDFA and Payment of Expenses and Costs. Grantee hereby agrees that, in the event it fails to enforce the provisions of any Subrecipient Agreement or fails to cure an Event of Default resulting in termination of this Agreement or the Project, Grantee shall, upon demand by CDFA, assign and convey to CDFA all or any of its rights, title and interest, or delegate to CDFA all or any of its obligations under the Subrecipient Agreement and any Mortgage, Promissory Note, Security Agreement or other agreement as applicable. Such delegation or assignment shall be effective only in the event of a default by Subrecipient or Beneficiary in its or their obligations under the Subrecipient Agreement or other agreement. In the event that CDFA assumes any of the obligations of Grantee as provided herein, Grantee shall pay all costs and expenses incurred by CDFA in the enforcement of the Subrecipient Agreement, collection upon any loan, mortgage or other security, or in curing any Event of Default.
- 12.6. Where the Grant Agreement or Subrecipient Agreement is terminated or the Project is otherwise terminated due to a default, inability to perform, or reason other than project completion and Grant Funds are required to be returned by Grantee, the disposition of Grant Funds to be returned shall be determined solely by CDFA.

13. ADDITIONAL GRANT REQUIREMENTS

- 13.1. Grantee shall prepare and adopt a written Code of Ethics governing the performance of its employees engaged in the procurement of supplies, equipment, construction and services consistent with the requirements of 24 CFR 85.36(b)(3). The Code of Ethics shall be prepared in the form shown in the CDBG Implementation Guide, and shall be formally adopted prior to requesting Grant funds. The Grantee shall also comply with the conflict of interest policy consistent with the requirements of 24 CFR 570.489(h) and approved by CDFA.
- 13.2. Grantee shall prepare and adopt a financial management plan, approved by CDFA, which describes Grantee's system for receiving and expending the grant funds including the internal controls, which shall

ensure compliance with Section 8 of this Grant Agreement. The plan shall be formally adopted prior to requesting Grant funds.

- 13.3. Grantee shall submit to CDFA all required documentation of Low and Moderate Income benefit in accordance with the reporting requirements herein. The information shall be provided on the Periodic Progress Report, as found in the Community Development Block Grant Program (CDBG) Implementation Guide.
- 13.4. CDFA shall have the right to terminate all or any part of its obligations under this Agreement in the event that any official, employee, architect, engineer, attorney, or inspector of, or for the Grantee, or any governmental official or representative becomes directly or indirectly interested financially in the acquisition of any materials or equipment, or in any construction of the Project, or in the furnishing of any service to or in connection with the Project, or any benefit arising therefrom.
- 13.5. Where the Grant Agreement is terminated or the Project is otherwise terminated due to a default, inability to perform, or reason other than project completion and Grant Funds are required to be returned by Grantee, the disposition of Grant Funds to be returned shall be determined solely by CDFA.
- 13.6. Excessive Force by Law Enforcement Agencies. Grantee certifies that it has adopted and enforces a policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in nonviolent civil rights demonstrations in accordance with Section 519 of Public Law 101-144.
- 13.7. Lobbying. Grantee certifies that:
- (1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
 - (2) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard form - LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
 - (3) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

13.8 Notice To Prospective Subcontractors Of Requirement For Certifications Of Nonsegregated Facilities. Certification of Nonsegregated Facilities as required by the May 9, 1967, Order of the Secretary of Labor (32 FR 7439, May 19, 1967) on Elimination of Segregated Facilities, by the Secretary of Labor. The Certification may be submitted either for each subcontract or for all subcontracts during a period (i.e., quarterly, semiannually, or annually).

Prior to the award of any construction contract or subcontract exceeding \$10,000, which is not exempt from the provisions of the Equal Opportunity clause, Grantee shall require the prospective prime contractor and each prime contractor shall require each subcontractor to submit the following certification:

13.8.1 By the submission of this bid, the bidder, offer or, applicant or subcontractor certifies that he/she does not maintain or provide for his/her employees any segregated facilities at any of his/her establishments, and that he/she does not permit his/her employees to perform their

services at any location, under his/her control where segregated facilities are maintained.

13.8.2 He/she certifies further that he/she will not maintain or provide for his/her employees any segregated facilities at any of his/her establishments, and that he/she will not permit his/her employees to perform their services at any location, under his/her control, where segregated facilities are maintained. The bidder, offer or, applicant, or subcontractor agrees that a breach of this certification is a violation of the Equal Opportunity clause in this contract. As used in this certification, the term "segregated facilities" means any waiting rooms, work areas, rest rooms and wash rooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas, parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, creed, color or national origin, because of habit, local custom, or otherwise. He/she further agrees that (except where he/she has obtained identical certifications from proposed subcontractors for specific time periods) he/she will obtain identical certifications from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity clause; that he/she will retain such certifications in his/her files, and that he/she will forward the following notice to such proposed subcontractors (except where the proposed subcontractors have submitted identical certifications for specific time periods).

NOTE: The penalty for making false statements in offers is prescribed in 18 USC 1001.

13.9 Publicity and Signage.

This recognition shall include, but not be limited to, print/electronic media, publications, interviews, brochures, website, etc.

CDFA logo may not be any smaller than 50% of the size of the largest logo displayed. This requirement can be waived if no other partner/entity requires worksite signage and creating signage solely for CDFA poses a hardship. Alternative – If none of these are applicable/feasible, an alternative display of the CDFA logo or public recognition agreeable to CDFA.

"Administrative Project Costs" shall mean all expenses directly or indirectly incurred by Grantee in the performance of the Project Activities, as determined by CDFA to be eligible and allowable for payment in accordance with allowable administrative project cost standards set forth in OMB Circular A-87 as revised from time to time, and with the rules, regulations, and guidelines established by CDFA. Administrative project costs include but are not limited to: preparation of environmental review, record keeping, reporting, audits, and oversight of Project construction and compliance with all federal, state, and local laws, rules, and regulations and this contract. In no event shall Administrative Project Costs exceed fifteen (15) percent of the total Grant funds allowed. With respect to a nonprofit subrecipient, such subrecipient shall meet the requirements of OMB Circular A-122.
- 1.2. Delivery Costs: If applicable to this Agreement, the term "Delivery Costs" shall mean all reimbursable costs incurred by a Subrecipient as set forth in Attachment I, "Sources and Uses" in connection with a regional revolving loan fund that are directly related to the preparation and execution of loan documents and to the monitoring and administration of the loan provisions, and which are allowable by the New Hampshire Community Development Block Grant program rules.

- 1.4. Review by CDFA; Disallowance of Costs: At any time during the performance of the Project Activities, and upon receipt of the Progress Reports, Closeout Report, or Audited Financial Report, CDFA may review all Project Costs incurred by Grantee or any Subrecipient and all payments made to date. Upon such review, CDFA shall disallow any items of expense which are not determined to be allowable or are determined to be in excess of actual expenditures, and shall, by written notice specifying the disallowed expenditures, inform Grantee of any such disallowance. If CDFA disallows costs for which payment has not yet been made, it shall refuse to pay such costs. If payment has been made with respect to costs which are subsequently disallowed, CDFA may deduct the amount of disallowed costs from any future payments under this Agreement or require that Grantee refund to CDFA the amount of the disallowed costs.

2. METHOD AND TERMS OF REIMBURSEMENT FOR PROJECT COSTS

- 2.1. When Project Funds May Be Released. CDFA shall not disburse any funds for the purposes of this Project until such time as all agreements specified in Exhibit A and any other agreements or documents specified pursuant to this Agreement are fully executed and received, and where applicable are reviewed and approved in writing by CDFA. - 2.2. Timing of Payments. Upon thirty (30) days of the receipt, review, and approval by CDFA of financial reports and requests for reimbursement from Grantee specifying all Project Costs incurred, CDFA agrees to reimburse Grantee for Project Costs, except that reimbursement may be withheld until CDFA determines that a particular project activity or portion of the project activity hereunder has been satisfactorily completed.

- 4.5. Transfers over ten percent of the full value of the grant from one approved activity to other approved activities or outside the target area, or the addition of one or more new activities requires an amendment to this grant agreement. Grantee shall hold a public hearing in accordance with RSA 4: C: 14 II(b) submitting a request for an amendment involving twenty-five (25) percent or more of the full value of the grant.

4.6. Up to \$206,342 of Grant Funds may be applied by Grantee for costs related to the Project Activity (Clearance and Demolition).

Further, I have examined the foregoing Grant Agreement and the actions taken by said Grantee and have determined that Grantee's official representative has been duly authorized to execute this Grant Agreement and that the execution thereof is in all respects due and proper and in accordance with the laws of the said State and applicable federal laws. In addition, for grants involving projects to be carried out on property not owned by Grantee, there are no legal impediments that will prevent full performance by the Grantee. Further, it is my opinion that the said Grant Agreement constitutes a legal and binding obligation of Grantee in accordance with the terms thereof.

Dated at Conway, NH this 4th day of January 2013

C. David Weathers, Chairman, Board of Selectmen

Name and Title of Officer Authorized to Sign

IN WITNESS WHEREOF, I have hereunto set my hand as the Town Clerk of Conway, New Hampshire this 2nd day of January, 2013.

Rhoda A. Quint, Town Clerk

Town of Conway – Transvale Acres - \$266,342 – (Housing)

The Town of Conway is requesting \$266,342 in CDBG funds for the Transvale Acres Buy-out Project. CDBG funds will be used to match Federal Emergency Management Agency (FEMA) funds to acquire at least 13 homes that were substantially damaged by Tropical Storm Irene in August of 2011. This is a FEMA voluntary buy-out program that will purchase a residence for 75% of the homes pre-storm market value. CDBG would pay for the other 25% to allow those homeowners to get full market value. In order to be eligible for CDBG funds the homeowner must be low- or moderate-income (< 80% of median family income). Those homes that will be purchased will be demolished and the land will be returned to green space permanently.

Transvale Acres is a neighborhood that was developed prior to flood plain ordinances. The area is 98% within the floodplain and 50% within the floodway of the Saco River. During Tropical Storm Irene, more than 100 buildings were damaged or destroyed in Transvale Acres. Homes were evacuated and 22 people had to be rescued during the storm. Flooding damage ranged from contamination to the river from flooded septic systems, electrical hazards, and debris pollution including flammable gas tanks loosened and set free to travel the river. Governor John Lynch toured Transvale Acres after Tropical Storm Irene and requested it be declared a disaster area.

The Town's goal is to reduce or eliminate year round residences in the flood way portion of Transvale Acres, but to allow continued recreational use. The floodplain portion will likely continue to be occupied with residences but as they are repaired or rebuilt they will have to comply with National Flood Insurance program (NFIP) rules. This project will not solve the problem of residences in the floodplain/floodway in Transvale Acres, but it will remove those that were most impacted and therefore most hazardous. All units to be purchased are uninhabitable and have been for more than a year.

At the time of, and after, the storm destroyed the homes the residents received various relocation benefits. In addition, the FEMA Buy-Out program is a voluntary program. As approximately half of the units were tenant occupied, a relocation budget is being requested just in case it is determined that relocation benefits are to be paid, or were inadequate. If the relocation funds are not required, or expended in full, we will request they be used to purchase an additional property(s) or returned to CDFA.

They can't rebuild, and selling their damaged properties at their current value would be a further hardship. The Buy-Out Program is a chance for them to sell at a pre-disaster assessed value, and a chance for the town to remove these life and safety hazards permanently.

The Town is prepared to progress very quickly with this project once the funding is approved. There are no other sources of grant funding available for this project. FEMA will pay 75% of the acquisition/demolition cost but the Town needs to match the remaining 25%. The Town is requesting CDBG funds as it has no other alternatives for the matching funds.

Summary

- The application scored **342** points;
- All of the households benefitting from this project will be low - and moderate –income (LMI);
- The homes to be purchased are uninhabitable and dangerous to other residents;
- CDBG funds will allow LMI homeowners to receive full market value instead of 75%;
- It is highly unlikely that those who are participating in the buyout program would be able to build again due to the cost and difficulty of complying with flood plain regulations;
- The project will support the Town's goal to reduce or eliminate year round residences in the flood way portion of Transvale Acres.
