## REQUESTED ACTION

Authorize the Department of Administrative Services, Bureau of Purchase and Property to amend the State Contract with Cellco Partnership d/b/a Verizon Wireless of Basking Ridge, NJ (Vendor No. 177660) for the provision of wireless, cellular and data service by adding to Exhibit B service plans for National Security, Public Safety, and First Responders. The contract was originally approved by Governor and Executive Council on June 15, 2016, Item 94, amended by the First Amendment on June 6, 2018, Item #167, and amended by the Second Amendment on February 20, 2019, Item 102 and effective upon Governor and Council through March 31, 2020.

Funding shall be provided through individual agency expenditures, none of which shall be permitted unless there are sufficient appropriated funds to cover the expenditure.

## EXPLANATION

The State currently utilizes three contracts for Wireless Cellular and Data Services which are set to expire on March 31, 2020 and one contract with AT&T for First Responder Network Authority (FirstNet). This amendment will allow national security, public safety, and first responder wireless cellular and data plans for State agencies, and eligible participants, that require these services when local or nationwide emergencies and disasters occur who utilize the Verizon network for the wireless cellular and data requirements.

Based on the foregoing, I am respectfully recommending approval of the contract amendment with Cellco Partnership d/b/a Verizon Wireless.

Respectfully submitted,

Charles M. Arlinghaus

 FOR WIRELESS CELLULAR AND DATA SERVICES  
 CONTRACT # 8002046**

This Third Amendment (hereinafter referred to as the "Amendment"), dated this 14th day of May, 2019, is by and between the State of New Hampshire, Department of Administrative Services (hereinafter referred to as "the State") and Cellco Partnership d/b/a Verizon (hereinafter referred to as "the Contractor") for Wireless Cellular and Data Services.

WHEREAS, pursuant to an agreement approved by Governor and Executive Council on June 15, 2016, item #94, effective July 1, 2016 and set to expire March 31, 2020, (hereinafter referred to as "the Agreement"), which was first amended on June 6, 2018, item #167 and second amended on February 20, 2019, item #102, the Contractor agreed to perform certain wireless cellular and data services for the State in consideration of payment by the State of certain sums as specified therein; and

WHEREAS, pursuant to Section 18 of the Agreement, the Agreement may be amended by an instrument in writing executed by both parties;

NOW, THEREFORE, for and in consideration of the mutual promises set forth in this Amendment and the underlying Agreement, the parties do mutually agree as follows:

1. Amend Exhibit B, Payment Terms, add the following National Security, Public Safety, and First Responders plan:
