The
Annual Report
of the
BANK COMMISSIONER

174th Edition
Year Ending 2018

His Excellency, Governor Christopher T. Sununu
And the Honorable Council
State House
Concord, New Hampshire 03301

Dear Governor Sununu and Council:

I am pleased to present to you this 174th Annual Report of the Bank Commissioner. As required by RSA 383:15, this report contains background information on each entity under the supervision of the Banking Department, lists the significant events and issues we addressed during the year, and highlights important statistics and trends regarding the industries regulated by the department.

This report shows that New Hampshire's strong economy continues to attract the attention of financial institutions from neighboring states as several out-of-state banks opened new depository branch locations and/or loan production offices here in 2018. New Hampshire consumers and small businesses benefit directly from the resulting increase in competition for their business.

Non-depository trust companies also continue to show great interest in New Hampshire but, in this case, it is state laws relative to drafting trust documents and chartering and regulating trust companies they find attractive. One particularly appealing aspect is the flexibility to locate the headquarters of a New Hampshire trust company anywhere in the world – which brings global exposure to the state's business-friendly environment.

Another indicator of a strong state economy is the willingness of community leaders to invest in and open new community banks. So-called "de novo" bank applications have been rare occurrences since the Great Recession of 2008 and 2009. Yet, in 2018, the Banking Department began considering New Hampshire's second such effort since 2014. Indeed, nationwide, only 15 new banks were opened since 2014, none of them in any New England state other than New Hampshire.

The employees of the Banking Department are proud of their contribution to the effort to maintain our vibrant state economy. Thank you for your trust in us as we pursue the department's statutory mission to protect consumers through effective and efficient regulation of the entities under the department's jurisdiction.

Respectfully submitted,

Gerald H. Little
Bank Commissioner

Foreword

The one hundred seventy-fourth annual report of the Bank Commissioner contains management, financial information and locations of banks, credit unions, and other financial institutions operating under state charter. This report also contains information concerning debt adjusters, money transmitters, mortgage bankers and brokers, mortgage servicers, retail sellers, sales finance companies, and small loan lenders.

Mission Statement

The New Hampshire Banking Department is committed to protecting the public's interest through the professional supervision of the financial services it regulates.

Functions of the Banking Department

The Bank Commissioner is responsible for the general supervision of all New Hampshire chartered and licensed financial institutions through the operation of the New Hampshire Banking Department. The Banking Department contains five divisions: Banking, Trust Supervision, Consumer Credit, Legal, and Operations.

The Banking and Trust Supervision Divisions charter, supervise, and examine all state-chartered banks, credit unions, trust companies, and family trust companies in New Hampshire.

The Consumer Credit Division licenses, examines, and regulates companies that provide consumer credit, such as mortgage bankers, mortgage brokers, mortgage servicers, retail auto sellers, sales finance companies, money transmitters, debt adjusters, and small loan lenders.

Working in conjunction with the Banking, Trust Supervision, and Consumer Credit Divisions, the Legal Division investigates consumer complaints and unlicensed or unchartered activity. The Legal Division may commence enforcement actions against financial entities that violate state or federal laws or regulations. The Bank Commissioner has the authority to order consumer restitution as part of those enforcement actions.

The Operations Division supports the daily functions of the Banking Department.

Noble Trust Company in Liquidation

The Bank Commissioner continues to act in his capacity as Liquidator of Noble Trust Company, although he anticipates that his responsibilities as Liquidator will conclude in 2019. On November 16, 2018, the Liquidator filed a motion seeking authority to distribute the additional cash that the Liquidator deemed available for distribution. The Court granted that Motion on November 30, 2018, and the Liquidator made distributions of approximately \$1.4 million shortly thereafter. This distribution resulted in claimants recovering nearly 56 percent of their principal. The Liquidator has completed marshaling the assets and concluding other ongoing legal matters. The Liquidator anticipates filing a Motion to conclude the liquidation proceeding shortly. That motion will also seek authority to make one final small distribution, which will result in bringing claimants over the 56% recovery rate.
