Requested Action

Authorize the Department of Safety (DOS), Division of State Police, to enter into a contract amendment with NIIT Technologies, Inc., (VC# 165248-B001) 1050 Crown Pointe Pkwy, Suite 500, Atlanta, GA 30338, in the amount of \$162,026.00, increasing the contract amount from \$349,434.00 to a total of \$511,460.00, for the purpose of continuing one temporary consultant position to assist during the Virtual Private Network (VPN) rollout in preparing the courts for their future integration into the J-One project. The contract was originally approved by Governor and Council on February 28, 2014, as item #60, and a contract amendment was approved on October 21, 2015, as item #47. Effective upon Governor and Council approval through September 30, 2017. Funding source: 9% Federal Funds/91% Agency Income.

Funds are available in the SFY2016 operating budget and contingent upon availability and continued appropriations in SFY2017 with the authority to adjust between fiscal years through the Budget Office if needed and justified.

Explanation

This contract amendment provides for continuing one temporary consultant position to assist during the Virtual Private Network (VPN) rollout in preparing the local law enforcement for their future integration into the J-One project. The J-One project continues to be rolled out to all the local law enforcement agencies and requires the work of one consultant to assist with the VPN rollout portion of the project. Due to the shortage of DoIT personnel with the requisite skills necessary to support this critical application, it is imperative that this consultant be provided. The VPN project is replacing or providing connectivity between the State, municipalities, and counties via virtual private network connections and is replacing the existing (and costly) frame relay connections currently in use in most of these locations. This will result in considerable cost savings to the State and localities, as well as providing enhanced data communication capabilities via J-One.

The VPN project is part of the larger effort called J-One, which is a multi-phased effort to electronically connect the different levels (State, county, and local) and components (law enforcement, prosecutorial, courts, and corrections) together to enhance efficiency and effectiveness in the system as a whole. The J-One project will also enhance safety for both the public and those serving the public by ensuring that the data that already traverses the system is available in a timely and accessible manner.

The technical consultant resource provided under this contract will work closely with DOS, DOIT, J-ONE personnel, and local law enforcement contractors to implement virtual private networks that support software changes necessary due to legislative mandated changes as well as efficiencies to streamline business processes (e.g., as in the J-ONE project that affects DOS, State

Police, and the Courts with enhanced information). The original estimated timeframe for implementing all VPN connections has met with many challenges due to the various levels of technical support engaged by the local law enforcement community. Currently, the VPN project is approximately fifty percent complete.

The following information is provided in accordance with the comptroller's instructional memorandum dated September 12, 1981.

- 1) List of personnel involved: One IT Network Specialist.
- 2) Nature, Need, and Duration: Person with technical expertise is needed to assist in configuration in Virtual Private Networks at the local law enforcement level during the rollout of the VPN project portion of J-One. This person will have specific expertise in network infrastructure and network security consistent with the needs of criminal justice information (CJI). The need for the work is limited to the time during the build-out of the network only. The VPN is a more cost effective alternative for both the State and municipalities to the current frame-relay method of communication.
- 3) Relationship to existing agency programs: The VPN project is related to the One Justice Network (J-One), a project to connect and facilitate communication between different entities within the criminal justice community in New Hampshire, i.e., law enforcement, prosecution, courts, and corrections.
- 4) Has a similar program been requested of the legislature and denied? No.
- 5) Why wasn't funding included in the agency's budget request? The level of assistance that is required was not anticipated at the time that the project was planned. Without the technical assistance, migration to VPN will be slowed or in some cases impossible.
- 6) Can portions of the grant funds be utilized? Yes, but the pace of the project will be impacted and some municipalities may not be serviced if assistance is not available.
- 7) Estimate the funds required to continue this position: Once the migration is complete, the position will no longer be needed.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

Dear Commissioner Barthelmes:

This letter represents formal notification that the Department of Information Technology (DoIT) has approved your request to amend a contract with NIIT Technologies Inc. (NIIT), as described below and referenced as DoIT No. 2014-028B.

This is an authorization to amend a contract with NIIT in order to fund an extension of services through September 30, 2017. Amendment A extended the contract end date to provide additional time for the rollout of the Virtual Private Network (VPN) to take place but did not provide funding. This amendment increases the contract by \$162,026 from \$349,434 to \$511,460. The purpose of this contract is to provide assistance to the Department of Safety during the VPN rollout in preparing municipalities for their future integration into the J-One project. It will become effective upon Governor and Executive Council approval through September 30, 2017.

A copy of this letter should accompany the Department of Safety's submission to the Governor and Executive Council for approval.

Sincerely,

A handwritten signature in black ink, appearing to read 'Denis Goulet', with a long horizontal flourish extending to the right.

CONTRACT 2014-028
CONTRACT AMENDMENT B**

WHEREAS, pursuant to an Agreement approved by Governor and Council, as a result of RFP #2014-028, on February 28, 2013, Item #60, as amended by Contract Amendment A, on Oct 21, 2015, Item #47, (herein after referred to as the "Agreement"), NIIT Technologies, Inc. (NIIT) agreed to supply support services to J-ONE & J-ONE related systems upon the terms and conditions specified in the Agreement and in consideration of payment by the Department of Information Technology (hereinafter referred to as the "Department") acting for the benefit of the Department of Safety, certain sums as specified therein;

WHEREAS, the State requires the services of a trained and knowledgeable consultant for twenty-four (24) months to assist with the Virtual Private Network rollout. Due to the shortage of DoIT personnel with the requisite skills necessary to support this critical application and extend other applications requiring similar technologies (Vision – DOS mainframe replacement project), it is imperative that this consultant be provided through September 30, 2017.

WHEREAS, pursuant to the Agreement Section 10.18: Amendment and the provisions of the Agreement, the Agreement may be modified or amended only by a written instrument executed by the parties thereto and approved by the Governor and Executive Council;

WHEREAS, the Vendor and the Department have agreed to amend the Agreement in certain respects;

WHEREAS, the Department wishes to increase the contract price limitation.

NOW THEREFORE, in consideration of the foregoing, and the covenants and conditions contained in the Agreement and set forth herein, the parties agree as follows:

Contract Agreement/General Provisions is hereby amended as follows:

1. Amend Section 1.8 of the General Provisions of the Agreement by increasing the Price Limitation by \$162,026 from \$349,434 to \$511,460.
2. Exhibit B: of the Agreement is hereby amended as described below:

2.1. Replace Paragraph 1.1: *Not to Exceed* in its entirety as follows:

1.1 Not to Exceed

This is a Not to Exceed Contract with pricing Not to Exceed (NTE) \$511,460 for the period from the Effective Date through September 30, 2017. NIIT shall be responsible for performing its obligations in accordance with the Contract.

2.2. Replace Paragraph 2: *Total Contract Price* in its entirety as follows:

2. TOTAL CONTRACT PRICE

Notwithstanding any provision in the Contract to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments made by the State exceed \$511,460 ("Total Contract Price") as defined in the Contract Agreement Part 1, General Provisions Section 1.8: Price Limitation. The payment by the State of the total Contract price shall be the only, and the complete reimbursement to NIIT for all fees and expenses, of whatever nature, incurred by NIIT in the performance hereof.

Requested Action

Authorize the Department of Safety (DOS), Division of State Police, to retroactively amend the contract with NIIT Technologies, Inc., (VC# 165248-B001) 1050 Crown Pointe Pkwy, Suite 500, Atlanta, GA 30338, previously approved by Governor and Council on February 28, 2014, Item #60, by extending the end date only from September 30, 2015 to September 30, 2017 for the purpose of providing continued technical assistance with the Virtual Private Network (VPN) rollout project. Funding source: 14% Federal Funds/86% Agency Income.

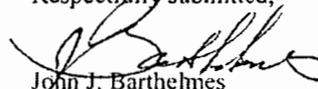

Explanation

This request is retroactive due to administrative delays in processing changes to required documentation and required approvals from other agencies. This contract amendment extending the end date through September 30, 2017 provides for continued technical assistance with the Virtual Private Network (VPN) rollout project. This technical consulting resource works closely with Department of Safety, Department of Information Technology, and J-ONE personnel to continue the work on the final stages of the VPN project. Due to the shortage of DoIT personnel with the requisite skills necessary to support this critical application and extend other applications requiring similar technologies (such as the upgrade that is currently being undertaken at the Division of Motor Vehicles called "Vision"), it is imperative that this consultant continue to be provided. The VPN project replaces or provides connectivity between the State and municipalities and counties via virtual private network connections and replaces the existing (and costly) frame relay connections currently in use in most of these locations. This will result in considerable cost savings to the State and localities, as well as providing enhanced data communication capabilities via J-One.

The VPN project is part of the larger effort called J-One, which is a multi-phased effort to electronically connect the different levels (State, county and local) and components (law enforcement, prosecutorial, courts and corrections) together to enhance efficiency and effectiveness in the system as a whole. This project will also enhance safety for both the public and those serving the public by ensuring that the data that already traverses the system is available in a timely and accessible manner.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Dear Commissioner Barthelmes:

This letter represents formal notification that the Department of Information Technology (DoIT) has approved your request to amend a contract with NIIT Technologies Inc. (NIIT), as described below and referenced as DoIT No. 2014-028A.

This is an authorization to amend a contract with NIIT in order to extend the contract end date from September 30, 2015 to September 30, 2017. The purpose of this contract is to provide assistance to the Department of Safety during the Virtual Private Network (VPN) rollout in preparing the courts for their future integration into the J-One project. This contract amendment does not increase the contract value and will be effective upon Governor and Council approval through September 30, 2017.

A copy of this letter should accompany the Department of Safety submission to the Governor and Executive Council for approval.

Sincerely,

RSRC: 405921		

Explanation

The purpose of this contract is to provide for one consultant for twenty-one (21) months to assist with the VPN rollout. Due to the shortage of DoIT personnel with the requisite skills necessary to support this critical application and extend other applications requiring similar technologies (such as the upgrade that is currently being undertaken at the Division of Motor Vehicles called "Vision"), it is imperative that this consultant be provided. The VPN project intends to replace or provide connectivity between the State and municipalities and counties via virtual private network connections and replace the existing (and costly) frame relay connections currently in use in most of these locations. This will result in considerable cost savings to the State and localities, as well as providing enhanced data communication capabilities via J-ONE.

The VPN project is part of the larger effort called J-ONE, which is a multi-phased effort to electronically connect the different levels (State, county and local) and components (law enforcement, prosecutorial, courts and corrections) together to enhance efficiency and effectiveness in the system as a whole. This project will also enhance safety for both the public and those serving the public by ensuring that the data that already traverses the system is available in a timely and accessible manner.

This technical consulting resource contemplated under this contract will work closely with DOS, DOIT, and J-ONE personnel to define business requirements; design, write and test programs; and implement programs that support software changes necessary due to legislative mandated changes as well as efficiencies to streamline business processes (e.g., as in the J-ONE project that affects DOS, State Police, and the Courts with enhanced information).

A Request for Proposal, DOS RFP 2014-028, DOS J-ONE VPN Staff Augmentation, was issued per State purchasing requirements asking for technical consulting services for VPN rollout across the State. Responses were received from Elegant

Her Excellency, Governor Margaret Wood Hassan
and the Honorable Executive Council

Enterprise-Wide Solutions; Relational IT, Inc.; and NIIT Technologies, Inc. The bids were evaluated on cost per hour for the consultant, the consultant's qualifications and experience, and the company's viability. The evaluators were the Project Manager for the J-ONE project, the IT Manager for DOS, and the IT Lead for DOS. After consultant interviews with the three companies, NIIT Technologies was chosen as the best value to the State.

The following information is provided in accordance with the comptroller's instructional memorandum dated September 12, 1981.

- 1) *List of personnel involved:* One IT Network Specialist.
- 2) *Nature, Need, and Duration:* Person with technical expertise is needed to assist in configuration in virtual private networks at the local law enforcement level during the rollout of the VPN project portion of J-ONE. This person will have specific expertise in network infrastructure and network security consistent with the needs of criminal justice information (CJI). The need for the work is limited to the time during the build-out of the network only. The VPN is a more cost effective alternative for both the State and municipalities to the current frame-relay method of communication.
- 3) *Relationship to existing agency programs:* The VPN project is related to the One Justice Network (J-ONE), a project to connect and facilitate communication between different entities within the criminal justice community in New Hampshire, i.e., law enforcement, prosecution, courts, and corrections.
- 4) *Has a similar program been requested of the legislature and denied?* No.
- 5) *Why wasn't funding included in the agency's budget request?* The level of assistance that is required was not anticipated at the time that the project was planned. Without the technical assistance, migration to VPN will be slowed or in some cases impossible.
- 6) *Can portions of the grant funds be utilized?* Yes, but the pace of the project will be impacted and some municipalities may not be serviced if assistance is not available.
- 7) *Estimate the funds required to continue this position:* Once the migration is complete, the position will no longer be needed.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Dear Commissioner Barthelmes:

This letter represents formal notification that the Department of Information Technology (DoIT) has approved your request to contract with NIIT Technologies Inc. (NIIT), as described below and referenced as DoIT No. 2014-028.

This is an authorization to contract with NIIT for the purpose of hiring one temporary consultant to assist during the Virtual Private Network (VPN) rollout in preparing the courts for their future integration into the J-One project. The VPN project will replace or provide connectivity between the State, municipalities and counties via virtual private network connections and replace the existing (and costly) frame relay connections currently in use in most of these locations. This will result in considerable cost savings and will provide enhanced data communication capabilities via J-One. This contract will be effective upon Governor and Council approval through September 30, 2015. The contract value is \$319,434.

A copy of this letter should accompany the Department of Safety submission to the Governor and Executive Council for approval.

Sincerely,

Peter C. Hastings

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

- 8.1.1 failure to perform the Services satisfactorily or on schedule;
- 8.1.2 failure to submit any report required hereunder; and/or
- 8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

- 8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;
- 8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;
- 8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or
- 8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

9. DATA/ACCESS/CONFIDENTIALITY/PRESERVATION.

9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. TERMINATION. In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of

termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS. The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the N.H. Department of Administrative Services. None of the Services shall be subcontracted by the Contractor without the prior written consent of the State.

13. INDEMNIFICATION. The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

- 14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:
 - 14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than \$250,000 per claim and \$2,000,000 per occurrence; and
 - 14.1.2 fire and extended coverage insurance covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.
- 14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.
- 14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer

identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than fifteen (15) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each certificate(s) of insurance shall contain a clause requiring the insurer to endeavor to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than ten (10) days prior written notice of cancellation or modification of the policy.

15. WORKERS' COMPENSATION.

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A (*"Workers' Compensation"*).

15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire.

19. CONSTRUCTION OF AGREEMENT AND TERMS.

This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

4.8 Records Retention and Access Requirements

NIIT Technologies Inc. shall agree to the conditions of all applicable State and federal laws and regulations, which are incorporated herein by reference, regarding retention and access requirements, including without limitation, retention policies consistent with the Federal Acquisition Regulations (FAR) Subpart 4.7 Contractor Records Retention.

NIIT Technologies Inc. and any of its Subcontractors shall maintain books, records, documents, and other evidence of accounting procedures and practices, which properly and sufficiently reflect all direct and indirect costs invoiced in the performance of their respective obligations under the Contract. NIIT Technologies Inc. and its Subcontractors shall retain all such records for three (3) years following termination of the Contract, including any extensions. Records relating to any litigation matters regarding the Contract shall be kept for one (1) year following the termination of litigation, including the termination of all appeals or the expiration of the appeal period.

Upon prior notice and subject to reasonable time frames, all such records shall be subject to inspection, examination, audit and copying by personnel so authorized by the State and federal officials so authorized by law, rule, regulation or Contract, as applicable. During the term of this Contract, access to these items will be provided within Merrimack County of the State of New Hampshire, unless otherwise agreed by the State. Delivery of and access to such records will be at no cost to the State during the three (3) year period following termination of the Contract and one (1) year term following litigation relating to the Contract, including all appeals or the expiration of the appeal period. NIIT Technologies Inc. shall include the record retention and review requirements of this section in any of its subcontracts.

The State agrees that books, records, documents, and other evidence of accounting procedures and practices related to NIIT Technologies Inc. cost structure and profit factors shall be excluded from the State's review unless the cost or any other material issued under the Contract is calculated or derived from these factors.

4.9 Accounting Requirements

NIIT Technologies Inc. shall maintain an accounting system in accordance with generally accepted accounting principles. The costs applicable to the Contract shall be ascertainable from the accounting system.

4.10 Background Checks

The State may, at its sole expense, conduct background screening of NIIT Technologies Inc. personnel, identified and assigned. Background screening shall be completed before such personnel begin providing services. The State shall maintain the confidence of such background screening results in accordance with Contract Section 9: *Use of State's Information, Confidentiality*.

5. DELIVERABLES

NIIT Technologies Inc. shall provide the State with fully qualified IT Consultant personnel with knowledge and experience as declared in the Vendor Proposal Response, Section IV: *Corporate Qualifications* to State of NH Request for Proposal (RFP) 2014-028 fulfilling the Requirements stated in the RFP Appendix C: *Requirements and Deliverables*, Section C-1: *Requirements*, working on site for full business days on projects as directed by the State Project Manager as required under the Contract Documents.

6. WARRANTY

6.1 Services

NIIT Technologies Inc. shall warrant all Services provided in the Contract Documents. All Services shall be provided expeditiously, in a professional manner and will comply in accordance with the Specifications listed in the RFP Appendix C: *Requirements and Deliverables*, Section 6: *General Contract Requirements*, and RFP Appendix G: *General Standards and Requirement*.

6.2 Personnel

NIIT Technologies Inc. shall warrant that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

6.3 Warranty Period

NIIT Technologies Inc. shall warrant all Services and personnel, engaged under the Contract as a result of the RFP, for the duration of the Contract period.

7. INTELLECTUAL PROPERTY

The State shall hold ownership, title, and rights in any Custom Software developed in connection with the performance of obligations under the Contract, or modifications to the Software and their associated Documentation.

NIIT Technologies Inc. shall be free to use its general knowledge, skills, experience, and any other ideas, concepts, know-how, and techniques that are acquired or used in the course of its performance under the Contract.

8. WORK FOR HIRE

In performing its obligations under the Contract, the State and NIIT Technologies Inc. agree that any work created or prepared by NIIT Technologies Inc. personnel within the scope of their employment, or a work specially ordered or commissioned for use as a contribution to a collective work, shall be considered a work for hire. As such, it shall be considered the sole property of the State.

8.1 Computer Use

In consideration for receiving access to and use of the computer facilities, network, licensed or developed software, software maintained or operated by any of the State entities, systems, equipment, Documentation, information, reports, or data of any kind (hereinafter "Information"), Vendor understands and agrees to the following rules:

- a. Every Authorized User has the responsibility to assure the protection of Information from unauthorized access, misuse, theft, damage, destruction, modification, or disclosure.
- b. That information shall be used solely for conducting official State business, and all other use or access is strictly forbidden including, but not limited to, personal, or other private and non-State use and that at no time shall Vendor access or attempt to access any information without having the express authority to do so.
- c. That at no time shall Vendor access or attempt to access any information in a manner inconsistent with the approved policies, procedures, and /or agreements relating to system entry/access.

- d. That all software licensed, developed, or being evaluated by the State cannot be copied, shared, distributed, sub-licensed, modified, reverse engineered, rented, or sold, and that at all times Vendor must use utmost care to protect and keep such software strictly confidential in accordance with the license or any other Agreement executed by the State. Only equipment or software owned, licensed, or being evaluated by the State, can be used by the Vendor. Personal software (including but not limited to palmtop sync software) shall not be installed on any equipment.
- e. That if the Vendor is found to be in violation of any of the above-stated rules, the User may face removal from the State Contract, and/or criminal or civil prosecution, if the act constitutes a violation of law.

8.2 Email Use

Mail and other electronic communication messaging systems are State of New Hampshire property and are to be used for business purposes only. Email is defined as "internal Email systems" or "State-funded Email systems". Vendors understand and agree that use of email shall follow State standard policy (available upon request).

8.3 Internet/Intranet Use

The Internet/Intranet is to be used for access to and distribution of information in direct support of the business of the State of New Hampshire according to State standard policy (available upon request).

9. USE OF STATE'S INFORMATION, CONFIDENTIALITY

9.1 Use of State's Information

In performing its obligations under the Contract, NIIT Technologies Inc. may gain access to information of the State, including State Confidential Information. "State Confidential Information" shall include, but not be limited to, information exempted from public disclosure under New Hampshire RSA Chapter 91-A: *Access to Public Records and Meetings* (see e.g. RSA Chapter 91-A:5 *Exemptions*). NIIT Technologies Inc. shall not use the State Confidential Information developed or obtained during the performance of, or acquired, or developed by reason of the Contract, except as is directly connected to and necessary for NIIT Technologies Inc. performance under the Contract, unless otherwise permitted under the Contract.

9.2 State Confidential Information

NIIT Technologies Inc. shall maintain the confidentiality of and protect from unauthorized use, disclosure, publication, and reproduction (collectively "release"), all State Confidential Information that becomes available to NIIT Technologies Inc. in connection with its performance under the Contract, regardless of its form. Subject to applicable federal or State laws and regulations, Confidential Information shall not include information which: (i) shall have otherwise become publicly available other than as a result of disclosure by the receiving party in breach hereof; (ii) was disclosed to the receiving party on a non-confidential basis from a source other than the disclosing party, which the receiving party believes is not prohibited from disclosing such information as a result of an obligation in favor of the disclosing party; (iii) is developed by the receiving party independently of, or was known by the receiving party prior to, any disclosure of such information made by the disclosing party; or (iv) is disclosed with the written consent of the disclosing party. A receiving party also may disclose Confidential Information to the extent required by an order of a court of competent jurisdiction.

**STATE OF NEW HAMPSHIRE
DEPARTMENT OF SAFETY
DOS VPN ROLLOUT, RFP 2014-028
CONTRACT AGREEMENT- Part 2**

Any disclosure of the State Confidential Information shall require prior written approval of the State. NIIT Technologies Inc. shall immediately notify the State if any request, subpoena or other legal process is served upon NIIT Technologies Inc. regarding the State Confidential Information, and NIIT Technologies Inc. shall cooperate with the State in any effort it undertakes to contest the request, subpoena or other legal process at no additional cost to the State.

In the event of unauthorized release of the State Confidential Information, NIIT Technologies Inc. shall immediately notify the State, and the State may immediately pursue any remedy at law and in equity, including, but not limited to, injunctive relief.

9.3 NIIT Technologies Inc. Confidential Information

Insofar as NIIT Technologies Inc. seeks to maintain the confidentiality of its confidential, or proprietary information, NIIT Technologies Inc. must clearly identify in writing the information it claims to be confidential or proprietary. NIIT Technologies Inc. acknowledges that the State is subject to State and federal laws governing disclosure of information including, but not limited to, New Hampshire RSA Chapter 91-A. The State shall maintain the confidentiality of the identified confidential information insofar as it is consistent with applicable state and federal laws or regulations, including but not limited to, New Hampshire RSA Chapter 91-A. In the event the State receives a request for the information identified by NIIT Technologies Inc. as confidential, the State shall notify NIIT Technologies Inc. and specify the date the State will be releasing the requested information. At the request of the State, NIIT Technologies Inc. shall cooperate and assist the State with collection and review of NIIT Technologies Inc. information at no additional expense to the State. Any effort to prohibit or enjoin the release of the information shall be NIIT Technologies Inc. sole responsibility and at NIIT Technologies Inc. sole expense. If NIIT Technologies Inc. fails to obtain a court order enjoining the disclosure, the State shall release the information on the date specified in the State's notice to NIIT Technologies Inc. without any State liability to NIIT Technologies Inc.

9.4 Survival

This Contract Section 9, *Use of State's Information, Confidentiality*, shall survive termination or Contract conclusion.

10. GENERAL PROVISIONS

10.1 Conditional Nature of Contract

Notwithstanding any provision in the Contract to the contrary, all obligations of the State, including, without limitation, the continuance of payments, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments in excess of such available appropriated funds. In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate the Contract immediately upon giving NIIT Technologies Inc. notice of such termination.

The State shall not be required to transfer funds from any other account to the account identified in block 1.6: *Account No.* of the *Contract Agreement* in the event funds in that account are reduced or unavailable.

10.5.3 John J. Barthelmes, DOS Commissioner, shall be the State's representative. In the event of any dispute governing the interpretation of the Contract, the CIO's decision shall represent the final position of the State.

10.6 Dispute Resolution

Prior to the filing of any formal proceedings with respect to a dispute (other than an action seeking injunctive relief with respect to intellectual property rights or Confidential Information), the party believing itself aggrieved (the "Invoking Party") shall call for progressive management involvement in the dispute negotiation by written notice to the other party. Such notice shall be without prejudice to the Invoking Party's right to any other remedy permitted by this Contract.

The parties shall use all reasonable efforts to arrange personal meetings and/or telephone conferences as needed, at mutually convenient times and places, between negotiators for the parties at the following successive management levels, each of which shall have a period of allotted time as specified below in which to attempt to resolve the dispute:

Dispute Resolution Responsibility and Schedule Table

LEVEL	THE CONTRACTOR	THE STATE	CUMULATIVE ALLOTTED TIME
Primary	Deepak Pant, Consultant	Keith Lohmann, State Project Manager (PM)	5 Business Days
First	Anand Jacob Cherian, VP	Kevin O'Brien, DOS Operations Chief	10 Business Days
Second	Lalit Dhingra, President	John J. Barthelmes, DOS Commissioner	15 Business Days

The allotted time for the first level negotiations shall begin on the date the Invoking Party's notice is received by the other party. Subsequent allotted time is days from the date that the original Invoking Party's notice is received by the other party.

10.7 Termination

10.7.1 Termination for Default

Unless otherwise provided in the Contract, the State shall provide NIIT Technologies Inc. written notice of default, and NIIT Technologies Inc. must cure the default within thirty (30) days ("Cure Period"). If NIIT Technologies Inc. fails to cure the default within the Cure Period, the State may, at its sole discretion, terminate the Contract, declare NIIT Technologies Inc. in default, and pursue its remedies at law or in equity or both.

10.7.2 In the event the State declares NIIT Technologies Inc. in default under any provision of the Contract, the State may, at a minimum, take any or all of the following actions:

10.7.2.1 Set off against any other obligations the State may owe to NIIT Technologies Inc., under this Contract;

10.7.2.2 Procure Services that are the subject of the Contract from another source and NIIT Technologies Inc. shall be liable for reimbursing the State for the replacement Services, and all administrative costs directly related to procuring the Services from another source, such as costs of competitive bidding, mailing, advertising, applicable fees, charges or penalties, and staff time costs, all of which shall be subject to the limitation of liability set forth in this Contract; and

10.7.2.3 Treat the Contract as breached and pursue any of its remedies at law or in equity, or both.

10.7.3 In the event of default by the State, NIIT Technologies Inc. shall provide the State with written notice of default, and the State shall cure the default within thirty (30) days of its receipt of the notice of default, unless otherwise extended by NIIT Technologies Inc.

10.7.4 No remedy conferred under the Contract Documents is intended to be exclusive of any other remedy, and each remedy is cumulative and in addition to every other remedy in the Contract Documents. The State's election or non-election of any or more remedies shall not constitute a waiver of its right to pursue other legally available remedies.

10.8 Termination for Convenience

10.8.1 The State may, at its sole discretion, terminate the Contract, in whole or in part, by thirty (30) days written notice to NIIT Technologies Inc. In the event of such termination for convenience, the State shall pay NIIT Technologies Inc. the agreed upon price, if separately stated, for Deliverables for which Acceptance has been given by the State. Amounts for Services provided prior to the date of termination for which no separate price is stated under the Contract will be paid, in whole or in part, generally in accordance with Exhibit B, *Price and Payment Schedule*, of the Contract.

10.8.2 During the thirty (30) day period, NIIT Technologies Inc. shall wind down and cease its Services as quickly and efficiently as reasonably possible, without performing unnecessary Services or activities and by minimizing negative effects on the State from such winding down and cessation of Services.

10.9 Termination for Conflict of Interest

10.9.1 The State may terminate the Contract by written notice if it determines that a conflict of interest exists. In such case, the State shall be entitled to a pro-rated refund of any current development, support and maintenance. The State shall pay all other contracted payments that would have become due and payable if NIIT Technologies Inc. did not know, or reasonably did not know, of the conflict.

10.9.2 In the event the Contract is terminated as provided above and NIIT Technologies Inc. knew or should have known of such a conflict, the State shall be entitled to declare NIIT Technologies Inc. in default, and to pursue remedies available at law and in equity.

10.10.1 Upon termination of the Contract, the State, in addition to any other rights provided in the Contract, may require NIIT Technologies Inc. to deliver to the State any property, including without limitation, Software and Written Deliverables, for such part of the Contract as has been terminated.

10.10.2. After receipt of a notice of termination, and except as otherwise directed by the State, NIIT Technologies Inc. shall:

- a. Stop work under the Contract on the date, and to the extent specified, in the notice;
- b. Promptly, but in no event longer than thirty (30) days after termination, terminate its orders and subcontracts related to the work which has been terminated and settle all outstanding liabilities, and all claims arising out of such termination of orders and subcontracts, with the approval or ratification of the State to the extent required, which approval or ratification shall be final for the purpose of this Section;
- c. Take such action as the State directs that is reasonable and customary under the circumstances, or as necessary to preserve and protect the property related to the Contract which is in the possession of NIIT Technologies Inc. and in which the State has an interest;
- d. Transfer possession, as applicable, to the State and deliver in the manner, at the times, and to the extent directed by the State, any property which is required to be furnished to the State and which has been accepted or requested by the State; and
- e. Provide written Certification to the State that NIIT Technologies Inc. has surrendered to the State all said property.

10.11 Force Majeure

Neither NIIT Technologies Inc. nor the State shall be responsible for delays or failures in performance resulting from events beyond the control of such party and without fault or negligence of such party. Such events shall include, but not be limited to, acts of God, strikes, lock outs, riots, and acts of War, epidemics, acts of Government, fire, power failures, nuclear accidents, earthquakes, and unusually severe weather.

Except in the event of the foregoing, Force Majeure events shall not include NIIT Technologies Inc. inability to hire or provide personnel needed for NIIT Technologies Inc. performance under the Contract.

10.12 Assignment, Delegation and Subcontracts

NIIT Technologies Inc. shall not assign, delegate, subcontract, or otherwise transfer any of its interest, rights or duties under the Contract without the prior written consent of the State. Such consent will not be unreasonably withheld. Any attempted transfer, assignment, delegation, or other transfer made without the State's prior written consent shall be null and void.

10.12.2 NIIT Technologies Inc. shall remain wholly responsible for performance of the entire Contract regardless of whether assignees, delegates, Subcontractors or other transferees ("Assigns") are used, unless otherwise agreed to in writing by the State and the Assigns fully assumes in writing any and all obligations and liabilities under the Contract from the Effective Date. In the absence of a written assumption of full obligations and liabilities of the Contract, any permitted

assignment, delegation, subcontract or other transfer shall not relieve NIIT Technologies Inc. of any of its obligations under the Contract; nor affect any remedies available to the State against NIIT Technologies Inc. that may arise from any event of default; and the State will consider NIIT Technologies Inc. to be the sole point of contact with regard to all contractual matters, including payment of any and all charges resulting from the Contract. Any attempted transfer, assignment, delegation, or other transfer made without the State's prior written consent shall be null and void, and may constitute an event of default at the sole discretion of the State.

10.12.3 Notwithstanding the foregoing, nothing herein shall prohibit NIIT Technologies Inc. from assigning the Contract to the successor of all or substantially all of the assets of the business of NIIT Technologies Inc. provided that the successor fully assumes in writing all obligations and responsibilities under the Contract. In the event that NIIT Technologies Inc. should change ownership, as permitted under this Contract Section 10.12.3, the State shall have the option of continuing under the Contract with NIIT Technologies Inc., its successors or assigns for the full remaining term of the Contract; continuing under the Contract with NIIT Technologies Inc., or its successors or assigns for such period of time as determined necessary by the State; or immediately terminating the Contract without liability to NIIT Technologies Inc., its successors or assigns.

10.13 Indemnification

10.13.1 General

NIIT Technologies Inc. shall indemnify, defend and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of NIIT Technologies Inc., its personnel or agents in connection with NIIT Technologies Inc. performance of the Contract.

10.13.2 State's Immunity

Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State.

10.13.3 Survival

This Contract Section 10.13, *Indemnification*, shall survive termination of this Agreement.

10.14 Limitation of Liability

10.14.1 State

Subject to applicable laws and regulations, in no event, shall the State be liable for any consequential, special, indirect, incidental, punitive, or exemplary damages. Subject to applicable laws and regulations and the Contract, the State's liability to NIIT Technologies Inc. shall not exceed \$319,434.00, the total Contract price set forth in Contract Agreement Part 1 General Provisions Section 1.8.

2. TOTAL CONTRACT PRICE

Notwithstanding any provision in the Contract to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments made by the State exceed \$319,434.00 ("Total Contract Price") as defined in the Contract Agreement Part 1, General Provisions Section 1.8: *Price Limitation*. The payment by the State of the total Contract price shall be the only, and the complete reimbursement to NIIT for all fees and expenses, of whatever nature, incurred by NIIT in the performance hereof.

3. INVOICING

NIIT shall submit monthly invoices based upon the actual hours worked in a month by the IT Consultant personnel, as supplied by NIIT and permitted by the Contract and the terms listed herein. All invoices shall be subject to the State's prior written approval, which shall not be unreasonably withheld.

NIIT shall only submit invoices for Services as permitted by the Contract. Invoices must be in a format as determined by the State and contain detailed information, including without limitation: itemization of each Service and identification of the Service for which payment is sought.

Upon acceptance of a properly documented invoice, the State will pay the invoice within thirty (30) days of invoice issuance. Invoices will not be backdated and shall be promptly dispatched.

If the State receives an invoice and the amount on the invoice is calculated incorrectly, the State shall notify NIIT of the alleged error prior to the due date of such payment. The State and NIIT agree to use commercially reasonable efforts to resolve the invoicing error within fifteen (15) days from such notification to NIIT. The State shall promptly pay upon resolution of such dispute or within such
