State of New Hampshire

DEPARTMENT OF SAFETY
OFFICE OF THE COMMISSIONER
33 HAZEN DR. CONCORD, NH 03305
603/271-2791

JOHN J. BARTHELMES
COMMISSIONER

September 11, 2014

Her Excellency, Governor Margaret Wood Hassan
and the Honorable Council
State House
Concord, New Hampshire 03301

Requested Action

Pursuant to RSA 21-P:43, the Department of Safety, Division of Homeland Security and Emergency Management requests authorization to enter into a grant agreement with School Administrative Unit (SAU) #12/Londonderry School District (VC#177429-B002) for the purchase and installation of school emergency notification software at six (6) schools (800 devices) and fourteen (14) police cruisers for a total amount of \$6,240.00. Effective upon Governor and Council approval through September 30, 2015. Funding source: 100% Federal Funds.

Funding is available in the SFY 2015 operating budget as follows:

02-23-23-236010-80920000	Dept. of Safety	Homeland Sec-Emer Mgmt	100% EMPG Local Match
072-500577	Grants to Schools - Federal		
Activity Code: 23EM138092			\$ 6,240.00

Explanation

This software will enhance communication between the school and the Police Department by enabling school computers to connect to and alert dispatch (via a desktop icon) immediately without going through E-911. The project includes the following schools: Moose Hill School, South Elementary School, Matthew Thornton Elementary School, North Elementary School, Londonderry Middle School and Londonderry High School. The grant listed above is funded from the FFY'13 Emergency Management Performance Grant (EMPG), which was awarded to the Department of Safety, Division of Homeland Security and Emergency Management (HSEM) from the Federal Emergency Management Agency (FEMA). The grant funds are to be used to measurably improve all-hazard planning and preparedness capabilities/activities, to include mitigation, preparedness, response, and recovery initiatives at the state and local level. Grant guidance and applications are sent out to all Emergency Management Directors and other qualified organizations in the State. Grantees submit applications to this office, which are reviewed by the HSEM Planning Chief, Assistant Planning Chief and Field Representatives and approved by the HSEM Director. The criteria for approval are based on grant eligibility in accordance with FFY'13 grant guidance and the documented needs of the local jurisdictions; a copy of this guidance is attached.

The Emergency Management Performance Grants are 50% federally funded by FEMA with a 50% match requirement supplied by the grantee. The grantee acknowledges their match obligation as part of Exhibit A to the grant agreement.

In the event that Federal Funds are no longer available, General Funds and/or Highway Funds will not be requested to support this program.

Respectfully submitted,

John J. Barthelmes
Commissioner of Safety

**New Hampshire Homeland Security and Emergency Management (NHHSEM)
Emergency Management Performance Grant (EMPG) Guidance
FFY 2013**

(Grant Performance Period: October 1, 2012 through September 30, 2015)

The purpose of the FY 2013 Emergency Management Performance Grant (EMPG) Program is to assist State and Local Governments and other eligible agencies in preparing for all hazards. EMPG focuses on Planning, Organization/Administrative, Equipment, Training, Exercises, Mitigation and Maintenance/Sustainment to enhance and sustain all-hazards emergency management capabilities.

As part of the FY 2013 EMPG Program, DHS-FEMA identified an overarching *priority*:

Advancing “Whole Community” Security and Emergency Management: “Whole Community” fosters a national emergency management approach and considers all aspects of a community to effectively prepare for, protect against, respond to, recover from, and mitigate against any terrorist attack or natural disaster. As the country experiences threats of terrorist attacks (foreign and domestic) and natural disasters, communities are challenged to develop collective, local abilities to withstand the potential impacts of these events, respond quickly, and recover in a way that sustains or improves the community’s overall well-being. Achieving this collective capacity calls for innovative approaches across the community, including emergency management to build up existing practices, institutions, and organizations that help make local communities successful, and that can leverage this infrastructure if and when an incident occurs.

Effectiveness Measures – Quarterly Progress Reporting: As part of the EMPG Program administration, grantees are ***required*** to provide quarterly reports that provide sufficient detail for NH HSEM to measure progress of the funded project(s). The EMPG Quarterly Report form is available on NH HSEM’s website at: <http://www.nh.gov/safety/divisions/hsem/grants/documents/empg-quarterly-form.doc>

Cost Match: The EMPG Program has a 50 percent (50%) Federal and 50 percent (50%) Local cost match (cash or in-kind) requirement. Unless otherwise authorized by law, Federal funds cannot be matched with other Federal funds. To meet matching requirements, the grantee contributions must be *reasonable, allowable, allocable, and necessary* under the grant program and must comply with all Federal requirements and regulations.

Allowable Costs: EMPG funding is available for projects that fall into the categories of – ***Planning, Organization/Administrative, Equipment, Training, Exercises, Mitigation and Maintenance & Sustainment.*** The following list of possible projects and activities is meant to guide you in selecting projects for an EMPG grant submission. This list of suggested projects is not intended to be all-inclusive. Local communities or agencies may have other specific projects and activities that reflect specific local needs based on local capability assessments and local hazards.

Planning

FY 2013 EMPG Program funds may be used for a range of emergency management planning activities. Planning provides a methodical way to engage the whole community in thinking through the life cycle of potential crises, determining required capabilities, and establishing a framework for roles and responsibilities. Planning must include participation from all stakeholders in the community who are able to contribute critical perspectives and may have a role in executing the plan. Planning should be flexible enough to address incidents of varying types and magnitudes.

Planning activities may include, but are not limited to, the following:

- **Create/update your Local Emergency Operations Plan (LEOP) **** consistent with the Comprehensive Preparedness Guide (CPG) 101 v.2 November 2010 which serves as the foundation for State and local emergency planning. CPG 101 can be found at:
http://www.fema.gov/pdf/about/divisions/npd/CPG_101_V2.pdf.
- **Develop/Enhance an All-Hazards Mitigation Plan**** for your community, approvable by the Federal Emergency Management Agency (FEMA).
- Community-based planning to advance “whole community” security and emergency management.
- Modify existing incident management and emergency operations plans.
- Develop/enhance comprehensive emergency management plans.
- Develop/enhance large-scale and catastrophic event incident plans.
- Develop/enhance logistics and resource management plans.
- Develop/enhance local evacuation plans, including alerts/warning, crisis communications, sheltering, and re-entry.
- Develop/enhance volunteer and/or donations management plans.
- Prepare a hazard mitigation project proposal for submission to NH HSEM.
- Develop/enhance dam emergency action plans.
- Develop/enhance a Continuity of Operations Plan (COOP)/Continuity of Government Plan (COG), following the DHS program guidance.
- Develop a local debris management plan.
- Develop/enhance a local shelter plan.
- Develop/enhance emergency management and operations plans to integrate citizen/volunteer and other non-governmental organization resources and participation.
- Develop/enhance other response and recovery plans, following the DHS program guidance.

**** A community must have the following two plans in place before NH HSEM will consider funding other projects: an updated LEOP and a FEMA approvable All-Hazards Mitigation Plan. Applicants may apply for funding for these plans in conjunction with other items.**

Organization/Administrative

EMPG Program funds may be used for all-hazards emergency management operations, staffing, and other day-to-day activities in support of emergency management. Proposed staffing activities should be linked to accomplishing emergency management-related projects and activities. This grant is project-driven.

Organization/Administrative projects & activities may include, but are not limited to, the following:

- Maintain/upgrade an Emergency Operations Center and/or alternate EOC capable of accommodating staff to respond to local emergencies.
- Establish and maintain a call-down list for EOC staff.
- Establish and maintain emergency response/recovery resource lists.
- Develop or update Emergency Management mutual aid agreements with a focus on damage assessment, debris removal, etc.
- Logistics and Resource Management, following the DHS program guidance.
- Develop and maintain written duties and responsibilities for Emergency Operations Center (EOC) staff positions and agency representatives (Checklist/Job Action Sheets).
- Develop and maintain Public-Private sector partnerships.
- Conduct a hazard analysis and risk assessment.
- Supply preparation.
- Develop public education and awareness information (i.e., brochures & pamphlets).
- Develop and maintain a list of private non-profit organizations within your local jurisdiction to ensure that these organizations are included in requests for public assistance funds.
- Develop/enhance financial and administrative procedures for use before, during, and after disaster events in support of a comprehensive emergency management program.
- Develop or update procedures for tracking of disaster-related expenses by local agencies.
- Program evaluations.
- Develop/enhance systems to monitor training programs.

Equipment

Allowable equipment categories for the FY 2013 EMPG Program are listed on the web-based version of the Authorized Equipment List (AEL) on the Responder Knowledge Base (RKB), which is sponsored by FEMA at <http://www.rkb.us>. Unless otherwise stated, equipment must meet all mandatory regulatory and/or FEMA-adopted standards to be eligible for purchase using these funds. In addition, agencies will be responsible for obtaining and maintaining all necessary certifications and licenses for the requested equipment.

The **select allowable equipment** includes equipment from the following AEL Categories:

- [04] Information Technology
- [05] Cyber Security Enhancement Equipment
- [06] Interoperable Communications Equipment (see note below)
- [07] Detection Equipment
- [10] Power Equipment (i.e., generators)**
- [11] CBRNE Reference Materials
- [12] CBRNE Incident Response Vehicles ***
- [14] Physical Security Enhancement Equipment
- [19] CBRNE Logistical Support Equipment
- [21] Other Authorized Equipment (i.e., equipment to support an EOC)

**** Generators** - Generators for Dept. of Public Works facilities are considered LOW priority. NH HSEM cannot fund DPW “fuel depot” facilities. However, if the facility is previously identified in their Local Emergency Operations Plan as a shelter or Emergency Operations Center (EOC) (and this can be proven) then you may submit an application with the understanding that it would be considered after all other higher priority projects are processed. Generators are still allowed for sewer & water facilities, critical communication structures (i.e., towers with communication equipment), shelters, and EOCs. Contact the State EMPG Program Manager or your assigned HSEM Field Rep for eligibility of other “critical infrastructure” not listed here.

***** Incident Response Vehicles** – Even though this equipment is eligible under the FEMA Authorized Equipment List (AEL), NH HSEM has a policy in place NOT to fund incident response vehicles.

If you have questions concerning the eligibility of equipment not specifically addressed in the AEL, please contact the State EMPG Program Manager for clarification.

NOTE: Grantees that are using FY 2013 EMPG Program funds to support emergency communications activities should comply with the *FY 2013 SAFECOM Guidance on Emergency Communication Grants*. The guidance provides recommendations to grantees seeking funding for interoperable emergency communications projects, including allowable costs, items to consider when funding emergency communications projects, grants management best practices for emergency communications grants, and information on standards that ensure greater interoperability. The guidance is intended to ensure that Federally-funded investments are compatible and support national goals and objectives for improving interoperability nationwide. SAFECOM guidance can be found at <http://www.safecomprogram.gov/library/lists/library/DispForm.aspx?ID=334>.

The recipient shall also ensure projects support the Statewide Communication Interoperability Plan (SCIP).

Training

FY 2013 EMPG Program funds may be used for a range of emergency management-related training activities to enhance the capabilities of State and local emergency management personnel through the establishment, support, conduct, and attendance of training. Training should foster the development of a community oriented approach to emergency management that emphasizes engagement at the community level, strengthens best practices, and provides a path toward building sustainable resilience.

Training Activities may include, but are not limited to, the following:

- Attending training courses at the Emergency Management Institute.
- Attending a “field delivered” training course conducted by NH Fire Academy.
- Attending other local, state, or nationally sponsored training event that provides skills or knowledge relevant to emergency management.
- Completing FEMA Independent Study (IS) Courses.
- Identify and train a pre-identified local damage assessment team.
- Participation in NIMS/ICS Training
- Attending other FEMA-approved emergency management training
- Participation mass evacuation training at local and State levels.

Allowable training-related costs include the following:

Funds Used to Develop, Deliver, and Evaluate Training - Includes costs related to administering the training: planning, scheduling, facilities, materials and supplies, reproduction of materials, and equipment.

- **Overtime and Backfill** - The entire amount of overtime costs, including payments related to backfilling personnel, which are the direct result of attendance at FEMA and/or approved training courses and programs are allowable. These costs are allowed only to the extent the payment for such services is in accordance with the policies of the State or unit(s) of local government and has the approval of the State or the awarding agency, whichever is applicable. In no case is dual compensation allowable. That is, an employee of a unit of government may not receive compensation from their unit or agency of government AND from an award for a single period of time (e.g., 1:00 p.m. to 5:00 p.m.), even though such work may benefit both activities.
- **Travel** - Travel costs (e.g., airfare, mileage, per diem, hotel) are allowable as expenses by employees who are on travel status for official business related to approved training.

Exercises

Exercises implemented with grant funds should evaluate performance of the capabilities required to respond to the exercise scenario. Exercise activities should follow HSEEP Guidance which can be found at <https://hseep.dhs.gov>. Grantees are encouraged to develop exercises that test their Local EOPs. *Before applying for EMPG funds for an exercise, please contact the State's Exercise/Training Officer on availability for HSEEP funding which is 100% compared to 50% under EMPG.*

Allowable exercise-related costs include:

- Conduct multi-agency EOC exercise (tabletop or functional) and forward report to include after action reports to NH HSEM (external evaluation of exercise is strongly encouraged). Exercises might involve any of the following scenarios:
 - Hurricane Exercise
 - Terrorism Exercise
 - Severe Storm Exercise
- Conduct a communications exercise.
- Participate in a multi-state or multi-jurisdictional exercise.
- Observe or evaluate a State or local exercise outside your local jurisdiction.
- Assist local agencies and commercial enterprises (nursing homes, dams, prisons, schools, etc.) in developing, executing and evaluating their exercise.
- Assist local hospitals in developing, executing and evaluating mass care, hazmat, terrorism, and special events exercises.
- Funds Used to Design, Develop, Conduct and Evaluate an Exercise - This includes costs related to planning, meeting space and other meeting costs, facilitation costs, materials and supplies, travel, and documentation. Grantees are encouraged to use free public space/locations/facilities, whenever available, prior to the rental of space/locations/facilities.
- Hiring of Contractors/Consultants – Contractors/consultants may be hired to support direct exercise activities. The services of contractors/consultants may also be procured to support the design, development, conduct and evaluation of exercises.
- Overtime and Backfill - The entire amount of overtime costs, including payments related to backfilling personnel, which are the direct result of time spent on the design, development and conduct of exercises are allowable expenses. These costs are allowed only to the extent the payment for such services is in accordance with the policies of the State or unit(s) of local government and has the approval of the State or the awarding agency, whichever is applicable. In no case is dual compensation allowable. That is, an employee of a unit of government may not receive compensation from their unit or agency of government AND from an award for a single period of time (e.g., 1:00 p.m. to 5:00 p.m.), even though such work may benefit both activities.
- Supplies - Supplies are items that are expended or consumed during the course of the planning and conduct of the exercise projects (e.g., copying paper, gloves, tape, non-sterile masks, and disposable protective equipment).
- Other Items - These costs are limited to items consumed in direct support of exercise activities such as the rental of space/locations for planning and conducting an exercise, rental of equipment (e.g., portable toilets, tents), and the procurement of gasoline, exercise signs, badges, and other essential nondurable goods. Grantees are encouraged to use free public space/locations, whenever available, prior to the rental of space/locations.

Exercises (cont.)

Unauthorized exercise-related costs include:

- Reimbursement for the maintenance and/or wear and tear costs of general use vehicles (e.g., construction vehicles) and emergency response apparatus (e.g., fire trucks, ambulances). The only vehicle costs that are reimbursable are fuel/gasoline or mileage.
- Equipment that is purchased for permanent installation and/or use, beyond the scope of exercise conduct (e.g., electronic messaging signs).
- Durable and non-durable goods purchased for installation and/or use beyond the scope of exercise conduct.

Mitigation

Prior to applying for EMPG funds to do a Mitigation Project, it is recommended to first inquire on hazard mitigation-type grants through the State Hazard Mitigation Officer at hazmitplanning@dos.nh.gov.

Mitigation Activities may include:

- Brick and mortar projects, such as, installing drainage ditches, enlarging culverts, or installing riprap. No annual maintenance activities allowed, such as brush removal, or drainage clearing.
- Communications activities, such as communications studies, compatibility studies, and/or purchasing of communications equipment for interoperability.

Maintenance and Sustainment

The use of FEMA preparedness grant funds for maintenance contracts, warranties, repair or replacement costs, upgrades, and user fees are allowable under all active and future grant awards, unless otherwise noted. Grantees are reminded that **supplanting is not permitted under the EMPG Program**. Maintenance contracts and warranties, repair and replacement costs, upgrades, and/or user fees for equipment that was not originally purchased with preparedness (EMPG) grant funding may not be subsequently paid for with preparedness (EMPG) grant funding.

Maintenance and Sustainment may include:

- Maintenance Contracts and Warranties - To increase the useful life of the equipment, FEMA has determined that maintenance contracts and warranties may be purchased using grant funding from one Fiscal Year to cover equipment purchased with funding from a different Fiscal Year. The use of grant funding for the purchase of maintenance contracts and warranties must meet the following conditions:
 - Maintenance contracts and warranties may only be purchased for equipment that has been purchased using FEMA preparedness grant funding
 - To avoid supplementing Congressional appropriations for specific programs, maintenance contracts and warranties must be purchased using funds from the same grant program used to purchase the original equipment
 - The term of the Maintenance Contract shall not exceed the period of performance of the grant to which the contract is being charged.
 - Warranties are allowed to be purchased up front and can exceed the grant's period of performance.

Maintenance and Sustainment

Maintenance and Sustainment may include (cont.):

- Repair and Replacement Costs - The cost of repair and replacement parts for equipment purchased using FEMA preparedness grant funding is an allowable expense.
 - Repair and replacement parts may only be purchased for equipment that has been purchased using FEMA preparedness grant funding
 - To avoid supplementing Congressional appropriations for specific programs, repair and replacement parts must be purchased using the same grant program used to purchase the original equipment
- Upgrades - FEMA preparedness grant funding may be used to upgrade previously purchased allowable equipment. For example, if the grantee purchased risk management software with EMPG Program funds in FY 2009 and would like to use FY 2013 grant funding to upgrade the software, this is allowable.
 - Upgrades may only be purchased for equipment that has been purchased using FEMA preparedness grant funding.
 - To avoid supplementing Congressional appropriations for specific programs, upgrades must be purchased using the same grant program used to purchase the original equipment.
- User fees - User fees are viewed as costs for specific services required to maintain and provide continued operation of equipment or systems. An example would be the recurring service fees associated with handheld radios or mobile data computers
 - User fees may only be paid for equipment that has been purchased using FEMA preparedness grant funding
 - To avoid supplementing congressional appropriations for specific programs, user fees must be paid for using the same grant program used to purchase the original equipment.
 - The service time purchased shall not exceed the period of performance of the grant to which the user fee is being charged.

Metropolitan Medical Response System (MMRS) Grant Program

MMRS Grant Programs:

Although no longer funded as discrete grant programs, all activities and costs allowed under the Metropolitan Medical Response System (MMRS) grant program are allowable costs under the FY 2013 EMPG Program. Before applying, please contact the EMPG Program Manager to discuss project eligibility and availability of funds.

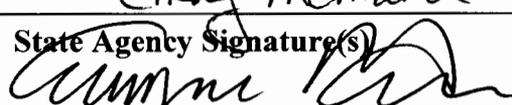

Unallowable Costs/Items Not Funded

- General administrative projects. Administrative expenses must be directly connected to a specific Emergency Management-related project.
- The same/similar project will not be funded year after year.
- Expenditures for weapons systems and ammunition.
- Costs to support the hiring of sworn public safety officers for the purposes of fulfilling traditional public safety duties or to supplant traditional public safety positions and responsibilities.
- Activities unrelated to the completion and implementation of the EMPG Program.
- Other items not in accordance with the portions of the AEL and allowable costs listed above.
- Emergency Response Vehicles (i.e., command vehicles, mobile EOCs)
- Construction projects

GRANT AGREEMENT

The State of New Hampshire and the Grantee hereby
Mutually agree as follows:
GENERAL PROVISIONS

1. Identification and Definitions.

1.1. State Agency Name NH Department of Safety, Homeland Security and Emergency Management		1.2. State Agency Address 33 Hazen Drive Concord, NH 03305	
1.3. Grantee Name SAU 12 Londonderry School District (VC# 177429-B002)		1.4. Grantee Address 268B Mammoth Rd, Londonderry, NH 03053	
1.5. Effective Date G&C Approval	1.6. Completion Date September 30, 2015	1.7. Audit Date N/A	1.8. Grant Limitation \$ 6,240.00
1.9. Grant Officer for State Agency Cindy Richard, EMPG Program Manager		1.10. State Agency Telephone Number (603) 223-3627	
"By signing this form we certify that we have complied with any public meeting requirement for acceptance of this grant, including if applicable RSA 31:95-b."			
1.11. Grantee Signature 1 		1.12. Name & Title of Grantee Signor 1 Peter J. Curran ^{12/23/14} 12/23/14	
Grantee Signature 2		Name & Title of Grantee Signor 2	
Grantee Signature 3		Name & Title of Grantee Signor 3	
1.13. Acknowledgment: State of New Hampshire, County of Rockingham, on 8/12/14 before the undersigned officer, personally appeared the person identified in block 1.12., known to me (or satisfactorily proven) to be the person whose name is signed in block 1.11., and acknowledged that he/she executed this document in the capacity indicated in block 1.12.			
1.13.1. Signature of Notary Public or Justice of the Peace (Seal)  8/12/14			
1.13.2. Name & Title of Notary Public or Justice of the Peace Cindy McMahon - Notary Public CINDY D. McMAHON, Notary Public My Commission Expires August 10, 2014			
1.14. State Agency Signature(s) 		1.15. Name & Title of State Agency Signor(s) Elizabeth A. Bielecki, Director of Administration	
1.16. Approval by Attorney General (Form, Substance and Execution)			
By: 		Assistant Attorney General, On: 9/12/14	
1.17. Approval by Governor and Council			
By:		On: / /	

2. **SCOPE OF WORK:** In exchange for grant funds provided by the State of New Hampshire, acting through the Agency identified in block 1.1 (hereinafter referred to as "the State"), pursuant to RSA 21-P:36, the Grantee identified in block 1.3 (hereinafter referred to as "the Grantee"), shall perform that work identified and more particularly described in the scope of work attached hereto as EXHIBIT A (the scope of work being hereinafter referred to as "the Project").

3. AREA COVERED. Except as otherwise specifically provided for herein, the Grantee shall perform the Project in, and with respect to, the State of New Hampshire.
4. EFFECTIVE DATE: COMPLETION OF PROJECT.
 - 4.1. This Agreement, and all obligations of the parties hereunder, shall become effective on the date in block 1.5 or on the date of approval of this Agreement by the Governor and Council of the State of New Hampshire whichever is later (hereinafter referred to as "the effective date").
 - 4.2. Except as otherwise specifically provided herein, the Project, including all reports required by this Agreement, shall be completed in ITS entirety prior to the date in block 1.6 (hereinafter referred to as "the Completion Date").
5. GRANT AMOUNT: LIMITATION ON AMOUNT: VOUCHERS: PAYMENT.
 - 5.1. The Grant Amount is identified and more particularly described in EXHIBIT B, attached hereto.
 - 5.2. The manner of, and schedule of payment shall be as set forth in EXHIBIT B.
 - 5.3. In accordance with the provisions set forth in EXHIBIT B, and in consideration of the satisfactory performance of the Project, as determined by the State, and as limited by subparagraph 5.5 of these general provisions, the State shall pay the Grantee the Grant Amount. The State shall withhold from the amount otherwise payable to the Grantee under this subparagraph 5.3 those sums required, or permitted, to be withheld pursuant to N.H. RSA 80:7 through 7-c.
 - 5.4. The payment by the State of the Grant amount shall be the only, and the complete payment to the Grantee for all expenses, of whatever nature, incurred by the Grantee in the performance hereof, and shall be the only, and the complete, compensation to the Grantee for the Project. The State shall have no liabilities to the Grantee other than the Grant Amount.
 - 5.5. Notwithstanding anything in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made, hereunder exceed the Grant limitation set forth in block 1.8 of these general provisions.
6. COMPLIANCE BY GRANTEE WITH LAWS AND REGULATIONS. In connection with the performance of the Project, the Grantee shall comply with all statutes, laws regulations, and orders of federal, state, county, or municipal authorities which shall impose any obligations or duty upon the Grantee, including the acquisition of any and all necessary permits.
7. RECORDS and ACCOUNTS.
 - 7.1. Between the Effective Date and the date seven (7) years after the Completion Date the Grantee shall keep detailed accounts of all expenses incurred in connection with the Project, including, but not limited to, costs of administration, transportation, insurance, telephone calls, and clerical materials and services. Such accounts shall be supported by receipts, invoices, bills and other similar documents.
 - 7.2. Between the Effective Date and the date seven (7) years after the Completion Date, at any time during the Grantee's normal business hours, and as often as the State shall demand, the Grantee shall make available to the State all records pertaining to matters covered by this Agreement. The Grantee shall permit the State to audit, examine, and reproduce such records, and to make audits of all contracts, invoices, materials, payrolls, records of personnel, data (as that term is hereinafter defined), and other information relating to all matters covered by this Agreement. As used in this paragraph, "Grantee" includes all persons, natural or fictional, affiliated with, controlled by, or under common ownership with, the entity identified as the Grantee in block 1.3 of these general provisions.
8. PERSONNEL.
 - 8.1. The Grantee shall, at its own expense, provide all personnel necessary to perform the Project. The Grantee warrants that all personnel engaged in the Project shall be qualified to perform such Project, and shall be properly licensed and authorized to perform such Project under all applicable laws.
 - 8.2. The Grantee shall not hire, and it shall not permit any subcontractor, subgrantee, or other person, firm or corporation with whom it is engaged in a combined effort to perform the Project, to hire any person who has a contractual relationship with the State, or who is a State officer or employee, elected or appointed.
 - 8.3. The Grant Officer shall be the representative of the State hereunder. In the event of any dispute hereunder, the interpretation of this Agreement by the Grant Officer, and his/her decision on any dispute, shall be final.
9. DATA: RETENTION OF DATA: ACCESS.
 - 9.1. As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, paper, and documents, all whether finished or unfinished.
- 9.2. Between the Effective Date and the Completion Date the Grantee shall grant to the State, or any person designated by it, unrestricted access to all data for examination, duplication, publication, translation, sale, disposal, or for any other purpose whatsoever.
- 9.3. No data shall be subject to copyright in the United States or any other country by anyone other than the State.
- 9.4. On and after the Effective Date all data, and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason, whichever shall first occur.
- 9.5. The State, and anyone it shall designate, shall have unrestricted authority to publish, disclose, distribute and otherwise use, in whole or in part, all data.
10. CONDITIONAL NATURE OR AGREEMENT. Notwithstanding anything in this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability or continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available or appropriated funds. In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Grantee notice of such termination.
11. EVENT OF DEFAULT: REMEDIES.
 - 11.1. Any one or more of the following acts or omissions of the Grantee shall constitute an event of default hereunder (hereinafter referred to as "Events of Default"):
 - 11.1.1 Failure to perform the Project satisfactorily or on schedule; or
 - 11.1.2 Failure to submit any report required hereunder; or
 - 11.1.3 Failure to maintain, or permit access to, the records required hereunder; or
 - 11.1.4 Failure to perform any of the other covenants and conditions of this Agreement.
 - 11.2. Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:
 - 11.2.1 Give the Grantee a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Grantee notice of termination; and
 - 11.2.2 Give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and
 - 11.2.3 Set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and
 - 11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.
12. TERMINATION.
 - 12.1. In the event of any early termination of this Agreement for any reason other than the completion of the Project, the Grantee shall deliver to the Grant Officer, not later than fifteen (15) days after the date of termination, a report (hereinafter referred to as the "Termination Report") describing in detail all Project Work performed, and the Grant Amount earned, to and including the date of termination.
 - 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Grantee to receive that portion of the Grant amount earned to and including the date of termination.
 - 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.
 - 12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.
13. CONFLICT OF INTEREST. No officer, member of employee of the Grantee, and no representative, officer or employee of the State of New Hampshire or of the governing body of the locality or localities in which the Project is to be performed, who exercises any functions or responsibilities in the review or

- approval of the undertaking or carrying out of such Project, shall participate in any decision relating to this Agreement which affects his or her personal interest or the interest of any corporation, partnership, or association in which he or she is directly or indirectly interested, nor shall he or she have any personal or pecuniary interest, direct or indirect, in this Agreement or the proceeds thereof.
14. GRANTEE'S RELATION TO THE STATE. In the performance of this Agreement the Grantee, its employees, and any subcontractor or subgrantee of the Grantee are in all respects independent contractors, and are neither agents nor employees of the State. Neither the Grantee nor any of its officers, employees, agents, members, subcontractors or subgrantees, shall have authority to bind the State nor are they entitled to any of the benefits, workmen's compensation or emoluments provided by the State to its employees.
15. ASSIGNMENT AND SUBCONTRACTS. The Grantee shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the State. None of the Project Work shall be subcontracted or subgranted by the Grantee other than as set forth in Exhibit A without the prior written consent of the State.
16. INDEMNIFICATION. The Grantee shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based on, resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Grantee or Subcontractor, or subgrantee or other agent of the Grantee. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.
17. INSURANCE AND BOND.
- 17.1 The Grantee shall, at its own expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:
- 17.1.1 Statutory workmen's compensation and employees liability insurance for all employees engaged in the performance of the Project, and
- 17.1.2 Comprehensive public liability insurance against all claims of bodily injuries, death or property damage, in amounts not less than \$2,000,000 for bodily injury or death any one incident, and \$500,000 for property damage in any one incident; and
- 17.2. The policies described in subparagraph 17.1 of this paragraph shall be the standard form employed in the State of New Hampshire, issued by underwriters acceptable to the State, and authorized to do business in the State of New Hampshire. Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than ten (10) days after written notice thereof has been received by the State.
18. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure of waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.
19. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses first above given.
20. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Council of the State of New Hampshire.
21. CONSTRUCTION OF AGREEMENT AND TERMS. This Agreement shall be construed in accordance with the law of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assignees. The captions and contents of the "subject" blank are used only as a matter of convenience, and are not to be considered a part of this Agreement or to be used in determining the intent of the parties hereto.
22. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.
23. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire agreement and understanding between the parties, and supersedes all prior agreements and understandings relating hereto.
24. SPECIAL PROVISIONS. The additional provisions set forth in Exhibit C hereto are incorporated as part of this agreement.

EXHIBIT A

Scope of Services

1. The Department of Safety, Division of Homeland Security and Emergency Management (hereinafter referred to as "the State") is awarding the SAU 12 Londonderry School District (hereinafter referred to as "the Grantee") \$6,240.00 to purchase and install emergency notification software at: Moose Hill School, South Elementary School, Matthew Thornton Elementary School, North Elementary School, Londonderry Middle School and Londonderry High School and fourteen police cruisers.
2. "The Grantee" agrees that the project grant period ends September 30, 2015 and that a final performance and expenditure report will be sent to "the State" by October 31, 2015.
3. "The Grantee" agrees to comply with all applicable federal and state laws, rules, regulations, and requirements.
4. "The Grantee" shall maintain financial records, supporting documents, and all other pertinent records for a period of seven (7) years from the grant period end date. In these records, "the Grantee" shall maintain documentation of the 50% cost share required by this grant.

LONDONDERRY SCHOOL DISTRICT

School Administrative Unit (SAU) No. 12, Londonderry, New Hampshire

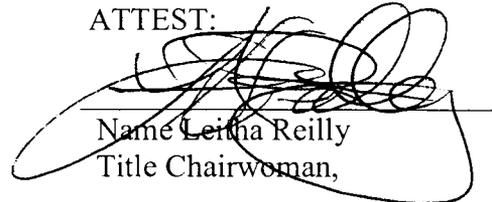

CERTIFICATE OF AUTHORITY
September 10, 2014

I/We, Londonderry School Board, Chairwoman, of Londonderry, NH, hereby certify that Peter J. Curro, SAU No. 12 Business Administrator, had authority to sign and enter into a grant agreement with the State of NH Department of Safety, Division of Homeland Security and Emergency Management on August 12, 2014, for SAU No. 12, and, further, hereby authorize Peter J. Curro to execute any and all contract and agreements related to the N.H. Emergency Management Performance Grant Agreement.

I/We further attest that Peter J. Curro was granted authority prior to the day the grant agreement amendment was signed (August 12, 2014) and it has not been amended or repealed as of the day the amendment was signed.

A True Copy of the Record,

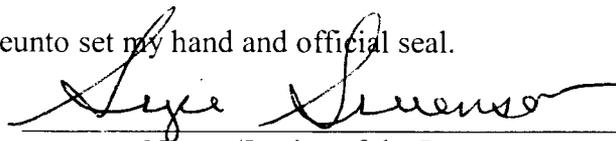

ATTEST:

Name Leitha Reilly
Title Chairwoman,

State: New Hampshire
County: Rockingham

On this 10th day of September 2014, before me, Leitha Reilly (notary's name), the undersigned officers, personally appeared (list of Governing Body names) known to me to be the persons whose name is signed on the foregoing document and acknowledged to me that they signed voluntarily for its stated purpose and that it was their free act and deed.

In witness thereof, I hereunto set my hand and official seal.

Notary/Justice of the Peace
Commission Expires: SUZIE SWENSON, Notary Public
My Commission Expires January 15, 2019

5 A concurrent meeting of the School Administrative Unit No. 12 School Board and the Londonderry School District School Board was held on **Tuesday, August 5, 2014** at 7:00PM at the Londonderry Town Office, Moose Hill Conference Room, 268B Mammoth Road, Londonderry, NH. In attendance were School Board members Mrs. Reilly, Mr. Laferriere, Mr. Lekas and Mr. Young. Also in attendance were Superintendent Nate Greenberg, Business Administrator Peter Curro, and Substitute School Board Secretary Elaine Allen

10

1. **Call To Order** Mrs. Reilly called the meeting to order at 7:00pm

2. **Pledge of Allegiance** Peter Curro led the pledge of allegiance

15 3. **Questions, Announcements and Presentations**

Item 3.2 was first because Marybeth Samoisette, who was part of item 3.1, had not arrived for the meeting. Mrs. Reilly stated that if she arrives later, she will have her present then.

20 **3.2 Bus Contract Presentation – Peter Curro and Greg Stinson**

This is a discussion with Mr. Curro and Mr. Stinson to present an alternative suggestion to a cleaner bus transportation that the board asked for. The proposal is asking for an extension of our existing contract for 6 years to provide a 10 year municipal lease. It proves an optimal pricing from the municipal lease side. It provides a lower cost of transportation for propane buses for the district. It provides a brand new fleet. He reviews the presentation that has details of the 10 year lease. By optimizing going out to 10 years, the district would own the equipment and decide on the next step with evaluating the equipment and make decisions to whether to keep the equipment. Mr. Curro added that he did run the concept by insurance carrier and Gordon Graham, who is our attorney for business affairs. Both stated that today we are not the owners of the buses and asked what the liability issues are or increases liabilities with being an owner. Both stated that it would be a very slight increase in liability on district side for doing this verses standard contract with the busing company. This should not stop the board from considering this. It would be a management service organization instead of the running the whole transportation operation. Mr. Curro stated that we need to know from Board if there would be more interest. Mr. Young stated that this would be a major change. He feels that this should be opened for re-bid at the end of the current contract with STA. We have kept the fleet young and now we are going to say we are going to a 10 year fleet. He believes it should be open to all bidders. Mr. Laferriere has concerns similar to Mr. Young; recycle of buses is all good. The 10 year span would see a difference in the buses with new technology; concern with what it will be with 10 year old technology. Basing is on 40 buses with increase development could see the increase in buses which is a concern. He thinks we should go out to bid and 10 year fleet and going into business makes him a little nervous. Mr. Lekas asked what would happen to a bus was removed. Mr. Stinson stated then STA would be responsible to replace the bus. Mrs. Reilly asked what if we have less, are we locked into 40 buses? Mr. Stinson would explore with leasing company to have a way to replace buses throughout the 10 years. The difference would be that district would be footing the bill for the buses; everything else would stay the same. Mr. Laferriere asked if this includes labor rates. Mr. Stinson stated it is part of the agreement. Mr. Laferriere stated that undercoating the buses to help with caring for the buses and other areas to be included and considered. Mr. Lekas asked what if we are not happy with your services. Mr. Stinson stated it is part of the agreement with them. Mr. Curro stated what the process is to go through if you are not happy with STA. Mrs. Reilly asked if there were any school districts using their large fleet with propane buses. Mr. Stinson said yes; one in Sanford, Maine which is start up this year. Mrs. Reilly asked if there is a way to stagger the fleet to keep up with the technology. Mr. Stinson stated that this would be needed to discuss and put it in writing. Mrs. Reilly stated that change is different and it is a potentially viable alternative if the terms were right. She would like to have another discussion. Mr. Greenberg made the suggestion over the next couple of weeks Board to submit questions and get answers from STA to have them discuss again in October add as a discussion item. We thought that prior to budget here is something different to consider. Mr. Laferriere asked if the current fleet able to have a conversion to the propane. Mr. Stinson said the fleet is not able to be converted to propane.

55 7:30 pm Marybeth Samoisette arrived at the meeting.

5 Mr. Young recommends that they move up 6.7 and 6.8 to discuss next.

✱ 6.7 To see what action(s) the Board will take regarding approval of COPsync911 Contract

10 Lt. Gandia was present to discuss the COPsync911 program. Mr. Curro discussed that the test of the COPsync911 which was requested by the board at the last school board meeting was conducted and was successful. The program was installed at the high school principal's office, the police dispatch, Bobby Jones' computer, a cruiser and Mr. Curro's office. We had the high school principal send off an alarm. It hit all the devices that the program was loaded, about three seconds. They were able to send texts to Mr. Parent and he was able to send text to them. They felt the process worked. Lt. Gandia discussed the shortening of the window of opportunity to respond to a call with this program. The COPSync911 does that. This layer system helps with early notification. The core concept here is early notification, getting them to the school as soon as possible, getting our resources there and deployed in a timely, efficient manner. The police department applied for a grant which covers basically half the cost of the system for installation for the school side and police department side. The grant has some rules and regulations that have to be met that is very stringently which is outlined in the grant. Mr. Laferriere asked when will you be fully operational and will all police cars have this software. Lt. Gandia still needs to have the governor's counsel give the green light for the grant. Grant approved should be available in September. About 15 20 14 patrol cruisers would have the software installed in them and dispatch. Mr. Laferriere asked how many cruisers do we have. Lt. Gandia said there are 18 cruisers. It is being installed on the line cruisers not the detectives. Mr. Laferriere asked how fast will we get this installed in the district and fully functional. Mr. Curro stated that if all goes according to the dates on the grant it should be operational at the end of September. Town side would be easy, it is the 400 or so district wide devices that would need the install. It is an easy install. Mr. Laferriere asked if the state is picking this up. Lt. Gandia stated that there is talk that the state police are picking this up. This is a state wide grant. It is being encouraged that all municipalities pick this up including state police. Kensington is operational with it; Windham police department is looking to go operational with this in the near future. Mr. Laferriere asked how the fire department is included in this. Lt. Gandia stated that the police department is working with the fire department right now. Mr. Laferriere asked if the fire department would have this as well. Lt. Gandia stated that the police department would be in charge with fire department as a backup resource and would be notified through the police department. Mr. Young asked what the total cost to the taxpayers is. Mr. Curro stated the first year is \$1800 per location for us—7 locations including the district office. The years after that is \$1200— all inclusive per location. Mr. Young asked what it is for the town side. Lt Gandia stated that the cost is per unit and slightly cheaper. The total cost per year is about \$1600. Mr. Young stated that the grant is for 50% of the cost. 25 30 35 Lt. Gandia stated that is correct. Mrs. Reilly asked if the grant does not go through, would the police department still go forward. Lt. Gandia would still recommend proceeding if the grant does not go through. ***Mr. Young would like to make a motion to support and vote to approve COPSync911 and allow the school district to move forward with the program district wide at cost of \$12,600. Mr. Laferriere seconded the motion. Motion passed 4-0-0.***

40 ✱ 6.8 To see what action(s) the Board will take regarding approval of EMPS Grant Agreement (regarding COPsync911)

45 ***Mr. Young made the motion to accept the EMPS Grant contingent on passing with the Executive Counsel. The grant will provide up to 50% of the cost of the program for the first year. Mr. Laferriere seconded motion. Motion passed 4-0-0.*** Mr. Greenberg stated that Lt. Gandia has been absolutely fantastic with this. He exemplifies the cooperation that we have between the school district and the police department. He and other members of the police department have been just great with this in setting everything up and working with us. Mr. Laferriere thanked him for setting up the proof of concept.

TITLE I

THE STATE AND ITS GOVERNMENT

CHAPTER 21-P

DEPARTMENT OF SAFETY

Homeland Security and Emergency Management

Section 21-P:43

21-P:43 Appropriations and Authority to Accept Services, Gifts, Grants, and Loans. – Each political subdivision may make appropriations in the manner provided by law for making appropriations for the ordinary expenses of such political subdivision for the payment of expenses of its local organization for emergency management. Whenever the federal government or any federal agency or officer offers to the state, or through the state to any of its political subdivisions, services, equipment, supplies, materials, or funds by way of gift, grant, or loan for purposes of emergency management the state, acting through the governor, commissioner, or such political subdivision, acting with the consent of the governor and through its executive officer, city council, or board of selectmen, may accept such offer, subject to the terms of the offer and the rules and regulations, if any, of the agency making the offer. Whenever any person, firm or corporation offers to the state or to any of its political subdivisions services, equipment, supplies, materials, or funds by way of gift, grant, or loan for purposes of emergency management the state, acting through the governor, or such political subdivision, acting through its executive officer, city council, or board of selectmen, may accept such offer, subject to its terms.
