His Excellency and Honorable Councilors:

REQUESTED ACTION

The contract is to be effective upon the date of Governor and Council approval through February 1, 2024. Funding is 100% Special Utility Assessment.

EXPLANATION

The DOE respectfully requests authority to enter into a contract in an amount not to exceed \$335,820.00 with River Consulting Group, Inc., a consulting firm specializing in utility litigation consulting services. The New Hampshire Department of Energy (DOE), under RSA 12-P:2, is tasked with representing its positions before the New Hampshire Public Utilities Commission (Commission), and is authorized to complete the record for consideration by the Commission when it must determine whether the services provided by electric, natural gas, water, and sewer utilities through their distribution networks are adequate for their customers' needs, and whether those services are provided at just and reasonable rates.

The DOE will deploy the expertise of River Consulting Group to present a complete and balanced record for Commission review of the engineering aspects of utility investments primarily in two forums: Least Cost Integrated Resource Plans (LCIRPs) pursuant to RSA 378:37-40, and requests for cost recovery during Rate Cases pursuant to RSA 378:27-28.

LCIRP proceedings allow the Commission to prospectively review whether a utilities' resource portfolio and planned investments will offer service at the lowest reasonable cost to ratepayers. Eversource and Liberty Electric both have LCIRPs describing next five years of planned investments pending before the Commission, with procedural schedules set to reanimate in January 2022. See, DE 20-161 and DE 21-004. Rate cases and related step adjustments allow the Commission to retrospectively review whether system investments have been prudently decided upon, managed, are used and useful, and may be eligible for recovery in customer rates. Eversource, Liberty Electric, and Unitil will be filing step adjustments during the first half of 2022 to request recovery of revenues associated with certain plant placed into service during 2021; the revenue requirement increase associated with each Company's request is expected to be \$9.3M, \$1.8M, and \$2.7M, respectively.¹

On July 6, 2021, the Department's Regulatory Support Division (Division) issued an internal memorandum recommending issuance of a Request for Proposals (RFP) for an outside consultant to assist the DOE in its review of distribution system engineering and planning. Upon consultation with the Department of Justice, the proposed RFP was separated into two different RFPs, one addressing electric distribution system engineering and planning and the other addressing natural gas distribution system engineering and planning. On September 16, 2021, the DOE issued RFP #2021-016 for an outside consultant to assist the DOE in its review of electric distribution system engineering and planning. Proposals responsive to the RFP were to be received by the DOE no later than October 14, 2021. The notice of the RFP was published in the Union Leader for three days and was posted on the DOE's website.

The DOE received two responses to its RFP. An evaluation team made up of the Regulatory Division Director, an Administrator, and a Staff Attorney/Hearings Examiner reviewed the two RFP responses. The bid responses were scored using the selection criteria identified in the RFP, weighted as follows: employee and subcontractor qualifications (maximum of 20 points); proposed scope of work (maximum 25 points); jurisdictional experience (maximum 25 points); cost of consulting services (maximum 20 points); and responsiveness to the RFP (maximum 10 points). River Consulting Group, Inc. was the highest scoring bidder at 76 points versus a 68 point score for the second highest bidder response.

The contract amount will not affect the General Fund. Funds will be assessed pursuant to RSA 365:37, II, which permits the DOE to obtain experts and assess the costs to any electric and/or natural gas utilities who are mandatory parties to a proceeding.

Your consideration of this request is appreciated.

Respectfully submitted,

Jared S. Chicoine
Interim Commissioner

In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. The State shall not be required to transfer funds from any other account or source to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT.

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. The Contractor shall also comply with all applicable intellectual property laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3. The Contractor agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 give the Contractor a written notice specifying the Event of Default, treat the Agreement as breached, terminate the Agreement and pursue any of its remedies at law or in equity, or both.

9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement, for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

For purposes of this paragraph, a Change of Control shall constitute assignment. "Change of Control" means (a) merger, consolidation, or a transaction or series of related transactions in which a third party, together with its affiliates, becomes the direct or indirect owner of fifty percent (50%) or more of the voting shares or similar equity interests, or combined voting power of the Contractor, or (b) the sale of all or substantially all of the assets of the Contractor.

12.2 None of the Services shall be subcontracted by the Contractor without prior written notice and consent of the State. The State is entitled to copies of all subcontracts and assignment agreements and shall not be bound by any provisions contained in a subcontract or an assignment agreement to which it is not a party.

13. **INDEMNIFICATION.** Unless otherwise exempted by law, the Contractor shall indemnify and hold harmless the State, its officers and employees, from and against any and all claims, liabilities and costs for any personal injury or property damages, patent or copyright infringement, or other claims asserted against the State, its officers or employees, which arise out of (or which may be claimed to arise out of) the acts or omission of the Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein
