REQUESTED ACTION

Authorize the Department of Health and Human Services, New Hampshire Hospital (NHH) to enter into a **RETROACTIVE, SOLE SOURCE** agreement to secure temporary physician services from Dartmouth-Hitchcock Clinic (Vendor # 174379), allocated as \$16,000 for State Fiscal Year 2016 and \$48,000 for State Fiscal Year 2017, in an amount not to exceed \$64,000, effective May 4, 2016 upon Governor and Executive Council approval through December 31, 2016.

Funds to support this request are available in the following account(s) for State Fiscal Year 2016, and are anticipated to be available in State Fiscal Year 2017 upon the availability and continued appropriation of funds in future operating budgets, with authority to adjust amounts between State Fiscal Years without further approval from the Governor and Executive Council, if needed and justified.

Fiscal Year	Class/Account	Class Title	Amount
2016	101-500729	Medical Payments to Providers	\$16,000
2017	101-500729	Medical Payments to Providers	\$48,000
		Total	\$64,000

EXPLANATION

The purpose of this request is to seek authorization to enter into a **retroactive, sole source** agreement due to the urgent need to fund a part-time general medical physician to meet critical clinical needs of NHH clients. This request is necessary for several reasons.

They include:

- Since May 2013, the Chief Medical Director position has been vacant and ongoing attempts to fill the position have been unsuccessful. The loss of this position had left the hospital with one (1) full-time general medical physician, and one (1) part-time general medical physician to cover services required on a 24/7/365 basis.

- Most recently, on May 2, 2016, the full-time general medical physician was placed on Administrative Leave due to temporary suspension of his medical license unrelated to his activities at NHH.
- To fill the gap left by the full-time physician on leave, NHH's part-time physician was solicited to provide additional hours. The result was unsuccessful; therefore, NHH was left without appropriate credentialed general medical physician coverage putting NHH at risk of non-compliance with state, federal, and Joint Commission accreditation requirements.
- Advanced Practice Registered Nurse (APRN) services are also at risk without adequate general medical physician oversight.
- The hospital's initial short-term physician coverage solution necessitated patient referral to a local hospital at a much higher cost than would have been provided by in-house physicians.

In summary, due to the urgent nature of the situation for the aforementioned reasons, it was necessary to act quickly to a) ensure patients are able to receive necessary medical services, b) meet coverage needs at the lowest possible cost to NH taxpayers, and c) avoid risk of non-compliance.

Therefore, to improve otherwise unfavorable outcomes described above, Dartmouth-Hitchcock Clinic was approached and agreed to the contract herein to provide physician services coverage assistance. This contract is proposed until a more permanent physician resource is in place, including the availability of anticipated services sought through an RFP issued in February 2016 for Physician, Clinical and Administrative Services at NHH (RFP-2017-OCOM-01-PHYSI). The expectation is the proposed RFP-based contract which includes two (2) full-time physician services positions (one (1) general medical director and one (1) general medical physician) will eventually provide relief for the hospital; however, with the bidder review ongoing and a contract and effective date not yet finalized, the solution provided within this contract is the most viable option to secure critical general medical physician services and maintain compliance with federal, state and accreditation requirements.

Accordingly, Dartmouth-Hitchcock Clinic has agreed to provide NHH contracted part-time physician services beginning May 4, 2016 which allows for the necessary 5-day credentialing process to initiate medical staff privileges and commence mandatory staff orientation and training.

The contract term is proposed through December 31, 2016 to allow time to finalize the Physician, Clinical and Administrative Services RFP mentioned above. In an effort to improve the transition between this contract and the services available under the proposed RFP-based contract, beginning August 1, 2016, service will be on an "as needed" basis, at the hospital's option, subject to ten (10) business days advance notice to the Dartmouth-Hitchcock Clinic prior to the start of the first day of each calendar month through December.

Should Governor and Executive Council not approve this request, NHH will incur higher costs due to referrals to a local hospital for physician services, and risk non-compliance with state, federal and Joint Commission requirements.

The geographic area to be served: New Hampshire Hospital's Acute Psychiatric Facility available to clients statewide.

Source of Funds: 28% Federal Funds from the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services, Medical Assistance Program, Catalog of Federal Domestic Assistance (CFDA) #93.778; 32% General Funds, and 40% Other Funds (Provider Fees).

In the event that Federal Funds and Other Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Robert J. MacLeod
Chief Executive Officer

- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.
 - g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

 - j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.
 - k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests.  - l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Exhibit I

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.
- b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.
- c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.
- c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.
- d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

Exhibit I

- e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.
- f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) l, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.
