REQUESTED ACTION

Authorize the New Hampshire Department of Education to enter into a **sole source** contract with North Country Education Services Agency (NCES), Gorham, NH (vendor code 154707), in the amount of \$45,000 to provide supplemental educational support and technical assistance for students of the migrant education program. This contract, with an option to renew for two (2) additional fiscal years, will be effective upon Governor and Council approval through June 30, 2022. 100% Federal Funds.

Funds to support this request are available in FY 22 in the accounts titled Title I-C Migrant Education and Migrant Education Consortium, as follows:

	<u>FY 22</u>
06-56-56-562010-25120000-072-509073 Grants-Federal	\$30,000
06-56-56-562010-25130000-072-509073 Grants-Federal	\$15,000

EXPLANATION

The Department is requesting a **sole source** contract as NCES has been providing educational services in New Hampshire since 1969 and has extensive knowledge in administering the statewide migrant education program in collaboration with the department's Migrant Education Program staff. NCES has successfully facilitated the operation of the program to ensure both timely and effective provision of services to migrant students and their families.

The New Hampshire Migrant Education Program is a supplemental educational program that provides services to highly mobile students who have unique educational needs (authorized under Title I, Part C, Section 1301-1309 of the Elementary and Secondary Education Act of 1965, as amended by the Every Student Succeeds Act (ESSA) of 2015).

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
Page 2 of 2

The Migrant Education Program addresses the unique educational barriers faced by migrant workers and their families in the State. Migrant students are some of the most disadvantaged children and youth nationwide. Many are out-of-school, and those in school are often at risk of failing or dropping out due to frequent moves, cultural differences, and language barriers. The purpose of the program is to ensure that migrant students have equal opportunity to reach challenging academic standards and graduate with a high school diploma or equivalent. The goal is to prepare these students for responsible citizenship, further learning, and productive employment. In order to do this, the Department must identify and provide supplementary educational services to eligible migrant children and youth in the State of New Hampshire.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Frank Edelbut
Commissioner of Education

In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds.
