His Excellency, Governor Christopher T. Sununu  
and the Honorable Executive Council  
New Hampshire State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Pursuant to RSA 21-I:80, I(b), authorize the Department of Natural and Cultural Resources, Division of Parks and Recreation, Cannon Mountain Aerial Tramway and Ski Area (Cannon Mountain) to enter into a **Sole Source** contract with Doppelmayr USA, Inc. (VC #169529), Salt Lake City, UT in an amount not to exceed \$40,000 for Lift Maintenance and Electronic Services on an As-Needed Basis at Cannon Mountain and Franconia Notch State Park effective upon Governor and Executive Council approval through June 30, 2023. 100% Agency Income.

Funding is available in account, Cannon Mountain, as follows:

	<u>FY 2022</u>	<u>FY 2023</u>
03-035-035-351510-37030000-103-500736 – Contracts for Op Services	\$20,000	\$20,000

**EXPLANATION**

Cannon Mountain operates seven (7) Doppelmayr Garaventa (Doppelmayr) manufactured lifts and one (1) eighty-passenger Aerial Tramway. Agudio of Italy, the manufacturer of the current aerial tramway system, is now a subsidiary of Doppelmayr. Lift maintenance and lift electronic services that are outside of our normal scope or capability are occasionally required in order to maintain regularly scheduled operations. This sole source contract with Doppelmayr is to provide Cannon Mountain the ability to efficiently respond to beyond-ordinary emergency situations that may occur while running the ski area. We very often call upon Doppelmayr while in-season for minor (but critical) troubleshooting and repair projects that reach beyond our typical scope or expertise, and it's these often smaller-scale (ex. 4-figure cost) projects that we're trying to get ahead of when it comes to timely contracting and payment.

Doppelmayr is Cannon Mountain's primary aerial tramway and lift contractor, is only one of just two primary lift contractors with offices in North America, and operates the only known aerial tramway repair division within all of the Americas known as the "Doppelmayr Tramway Division."

Doppelmayr has built and installed the majority of Cannon Mountain's aerial lifts and has performed all of the major aerial tramway system work over at least the last two decades. Additionally, Doppelmayr owns Frey Stan electrical which comprises all of the Tramway's primary electrical and safety systems and Agudio who is our Tram II (current) system manufacturer. Doppelmayr is very well aware of our on-site systems, weather patterns and topography, and works seamlessly with our existing team.

The Attorney General's Office has reviewed and approved this contact as to form, substance and execution.

Respectfully submitted,

Philip A. Bryce  
Director

Concurred,

Sarah L. Stewart  
Commissioner

3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

**4. CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds affected by any state or federal legislative or executive action that reduces, eliminates or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope for Services provided in EXHIBIT B, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to reduce or terminate the Services under this Agreement immediately upon giving the Contractor notice of such reduction or termination. **5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.**

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT C which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete

compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

**6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.**

6.1 In connection with the performance of the Services, the Contractor shall comply with all applicable statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal employment opportunity laws. **7. PERSONNEL.**

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

## 8. EVENT OF DEFAULT/REMEDIES.

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 give the Contractor a written notice specifying the Event of Default and set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.3. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

## 9. TERMINATION.

9.1 Notwithstanding paragraph 8, the State may, at its sole discretion, terminate the Agreement for any reason, in whole or in part, by thirty (30) days written notice to the Contractor that the State is exercising its option to terminate the Agreement.

9.2 In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall, at the State's discretion, deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT B. In addition, at the State's discretion, the Contractor shall, within 15 days of notice of early termination, develop and

Contractor, or subcontractors, including but not limited to the negligence, reckless or intentional conduct. The State shall not be liable for any costs incurred by the Contractor arising under this paragraph 13. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

#### 14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and continuously maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:
