His Excellency, Governor Christopher T. Sununu
and the Honorable Executive Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Natural and Cultural Resources, Division of Parks and Recreation, to make a **RETROACTIVE** and **SOLE SOURCE** payment to AC Electric Corp. (VC #175253), Auburn, ME in the amount of \$21,914.59 for emergency repairs to a snowmaking motor for Cannon Mountain Ski Area upon Governor and Executive Council approval per invoice dated November 21, 2018. **100% Cannon Mountain Capital Improvement Fund**

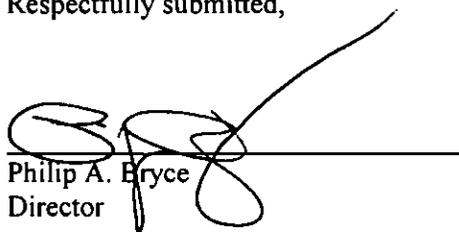

Funding is available as follows:

EXPLANATION

With the opening of Cannon Mountain Ski Area fast approaching, it was imperative to have emergency repairs performed on one of its primary snowmaking (water) pump motors due to the unexpected breakdown of the motor and the timeliness needed for it to be in operation prior to and in preparation for the opening of the season. For this reason, it was determined by the staff on site and the general manager with approval from the department Business Administrator to proceed to have the work performed by AC Electric Corp. (AC Electric) on an emergency basis. AC Electric, the vendor of choice for this repair, was already under contract to perform three (3) other motor overhauls for the Ski Area, possessed the necessary equipment and expertise to perform the work efficiently, and was already making haul trips between Cannon Mountain and its Auburn, Maine facility. With this work having been performed immediately to address a time-sensitive operating concern, the department respectfully requests permission to make a retroactive and sole source payment to this contractor. No general funds were utilized for this project.

Respectfully submitted,

Philip A. Bryce
Director

Concurred,

Sarah L. Stewart
