In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

Contractor Name: Harbor Homes Inc.

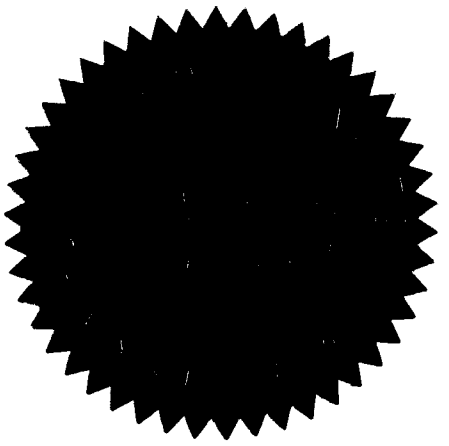
5/13/15
Date

Name: Peter Kelleher
Title: President & CEO

State of New Hampshire
Department of State

CERTIFICATE

I, William M. Gardner, Secretary of State of the State of New Hampshire, do hereby certify that HARBOR HOMES, INC. is a New Hampshire nonprofit corporation formed February 15, 1980. I further certify that it is in good standing as far as this office is concerned, having filed the return(s) and paid the fees required by law.



In TESTIMONY WHEREOF, I hereto set my hand and cause to be affixed the Seal of the State of New Hampshire, this 9th day of April, A.D. 2015

William M. Gardner

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Harbor Homes, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Harbor Homes, Inc., which comprise the statement of financial position as of June 30, 2014, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Harbor Homes, Inc. as of June 30, 2014, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Harbor Homes, Inc.'s fiscal year 2013 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated December 9, 2013. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2013 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 15, 2015 on our consideration of the Harbor Homes, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to

provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Harbor Homes Inc.'s internal control over financial reporting and compliance.

Melanson Heath

Interest paid	$ 429,621	$ 377,285
Non-cash financing activities	$ 518,515	$ 2,584,700

The accompanying notes are an integral part of these financial statements.

1. Organization:

Harbor Homes, Inc. (the Organization) is a nonprofit organization that creates and provides quality residential and supportive services for persons (and their families) challenged by mental illness and/or homelessness in the State of New Hampshire. Programs include mainstream housing, permanent housing, transitional housing, and emergency shelter, as well as comprehensive support services that include peer support programs, job training, a paid employment program, and social and educational activities.

In addition to housing and supportive services, the Organization runs a health care clinic that is a Federally Qualified Health Center (FQHC) offering primary medical services to the homeless and/or low-income individuals.

2. Summary of Significant Accounting Policies:

The following is a summary of significant accounting policies of the Organization used in preparing and presenting the accompanying financial statements.

Accounting for Contributions and Financial Statement Presentation

The Organization follows *Accounting for Contributions Received and Contributions Made* and *Financial Statements of Not-for-Profit Organizations* as required by the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC). Under these guidelines, the Organization is required to distinguish between contributions that increase permanently restricted net assets, temporarily restricted net assets, and unrestricted net assets. It also requires recognition of contributions, including contributed services, meeting certain criteria at fair values. These reporting standards establish standards for financial statements of not-for-profit organizations and require a Statement of Financial Position, a Statement of Activities, a Statement of Functional Expenses, and a Statement of Cash Flows.

Basis of Accounting

Revenues and expenses are reported on the accrual basis of accounting. Under this basis, revenues, other than contributions, and expenses are reported when incurred, without regard to the date of receipt or payment of cash. Contributions are reported in accordance with FASB ASC *Accounting for Contributions Received and Contributions Made.*

Restricted and Unrestricted Revenue

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Allowance for Doubtful Accounts

The adequacy of the allowance for doubtful accounts for receivables is reviewed on an ongoing basis by the Organization's management and adjusted as required through the provision for doubtful accounts (bad debt expense). In determining the amount required in the allowance account for the year ended June 30, 2014, management has taken into account a variety of factors.

Property and Equipment

Property and equipment is recorded at cost or, if donated, at estimated fair market value at the date of donation. Major additions and improvements are capitalized, while ordinary maintenance and repairs are charged to expense. Depreciation is provided using the straight-line method over the estimated useful lives of the related assets. Assets not in service are not depreciated.

Functional Expenses

The costs of providing various programs and activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Donated Services

The Organization receives donated services from a variety of unpaid volunteers assisting the Organization in its programs. No amounts have been recognized in the accompanying statement of activities because the criteria for recognition of such volunteer effort under generally accepted accounting principles have not been satisfied.

Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual amounts could differ from those estimates.

Tax Status

Harbor Homes, Inc. is exempt from federal income tax under Section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3). The Organization has also been classified as an entity that is not a private foundation within the meaning of Section 509(a) and qualifies for deductible contributions.

The Organization follows FASB ASC 740-10, *Accounting for Uncertainty in Income Taxes*, which clarifies the accounting for uncertainty in income taxes and prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. FASB ASC 740-10 did not have a material impact on the Organization's financial statements.

The Organization's Federal Form 990 (Return of Organization Exempt From Income Tax) is subject to examination by the IRS, generally for three years after they were filed.

The Organization recognizes interest related to unrecognized tax benefits in interest expense and penalties that are included within reported expenses. During the year ended June 30, 2014, the Organization had no interest or penalties accrued related to unrecognized tax benefits.

Reclassifications

Certain accounts in the prior year financial statements have been reclassified for comparative purposes to conform to the presentation in the current year financial statements.

3. Concentration of Credit Risk - Cash and Cash Equivalents:

The carrying amount of the Organization's deposits with financial institutions was $170,394 at June 30, 2014. The difference between the carrying amount and the bank balance represents reconciling items such as deposits in transit

and outstanding checks, which have not been processed by the bank at June 30, 2014. The bank balance is categorized as follows:

Insured by FDIC	$ 419,349
Insured by SIPC	63,986
Uninsured and uncollateralized	494,999
Total Bank Balance	$ 978,334

4. Accounts Receivable, Net:

Accounts receivable at June 30, 2014 consists of the following:

	Receivable	Allowance	Net
HUD I Program:			
Residents	$ 45	$ -	$ 45
Total	$ 45	$ -	$ 45
HUD VI Program:			
Residents	$ 9,276	$ (4,310)	$ 4,966
Total	$ 9,276	$ (4,310)	$ 4,966
Program Operations:			
Residents	$ 57,196	$ (34,761)	$ 22,435
Security deposits	5,910	-	5,910
Medicaid	289,010	(80,635)	208,375
Grants	912,543	-	912,543
Insurance	212,771	(137,009)	75,762
Patients	327,509	(281,115)	46,394
Other	161,555	-	161,555
Total	$ 1,966,494	$ (533,520)	$ 1,432,974

5. Due To/From Related Organizations:

Due to/from related organizations represents amounts due to and from Harbor Homes, Inc. from related entities whereby common control is shared with the same Board of Directors. These balances exist because certain receipts and disbursements of the related organizations flow through the Harbor Homes, Inc. main operating cash account. The related organizations and their balances at June 30, 2014 are as follows:

	Due to	Due From
Current:		
Healthy at Home	$ 116,304	$ -
Southern NH HIV/AIDS Task Force	44,564	-
HH Ownership, Inc.	-	13,032
Harbor Homes III, Inc.	-	11,490
Subtotal current	160,868	24,522
Noncurrent:		
Greater Nashua Council on Alcoholism	-	55,249
Milford Regional Counseling Services, Inc.	-	41,415
Harbor Homes II, Inc.	-	126,044
Welcoming Light, Inc.	-	129,794
Subtotal noncurrent	-	352,502
Total	$ 160,868	$ 377,024

Although management believes the above receivables to be collectible, there is significant risk that the noncurrent portion may not be.

6. Prepaid Expenses:

Prepaid expenses consist of the following items:

	HUD I Program	HUD VI Program	Program Operations
Prepaid insurance	$ -	$ -	$ 9,470
Prepaid HRA	-	-	9,079
Prepaid other	-	-	10,026
Total	$ -	$ -	$ 28,575

7. Property, Equipment and Depreciation:

A summary of the major components of property and equipment is presented below:

	HUD I Program	HUD VI Program	Program Operations
Construction in progress	$ -	$ -	$ 4,442,919
Land	49,484	54,750	1,642,956
Land improvements	12,290	-	-
Buildings	253,233	257,403	15,862,625
Building improvements	89,762	1,500	995,166
Software	-	-	320,366
Vehicles	-	-	211,878
Furniture and fixtures	-	-	162,183
Equipment	18,695	-	163,297
Medical equipment	-	-	65,761
Subtotal	423,464	313,653	23,867,151
Less: accumulated depreciation	(342,112)	(21,626)	(4,241,523)
Total	$ 81,352	$ 292,027	$ 19,625,628

Depreciation expense for the year ended June 30, 2014 totaled $635,816.

The estimated useful lives of the depreciable assets are as follows:

Assets	Years
Land improvements	15
Buildings and improvements	10 - 40
Software	3
Vehicles	3
Furniture and fixtures	5 - 7
Equipment and medical equipment	5 - 7

8. Restricted Deposits and Funded Reserves:

Restricted deposits and funded reserves consist of escrow accounts and reserves which are held for various purposes. The following is a summary of the restricted accounts:

	HUD I Program	HUD VI Program	Program Operations
Security deposits	$ 2,329	$ 565	$ 40,880
Reserve for replacements	43,069	28,455	200,609
Residual receipt deposits	2,771	1,613	-
Total	$ 48,169	$ 30,633	$ 241,489

Security deposits held will be returned to tenants when they vacate. Reserve for replacement accounts are required by the Department of Housing and Urban Development (HUD) and the City of Nashua and are used for the replacement of property with prior approval. Residual receipt deposits are required by the Department of Housing and Urban Development and are to be used at the discretion of HUD.

9. Beneficial Interest:

The Organization has a beneficial interest in the Harbor Homes, Inc. Fund (the Fund), a component fund of the New Hampshire Charitable Foundation's (the Foundation) Nashua Region. The Organization will receive distributions from the Fund based on a spending allocation, which is a percentage of the assets set by the Foundation and reviewed annually. The current spending percentage is 4.5% of the market value (using a 20-quarter average) of the Fund. At June 30, 2014, the value of the fund was $148,204.

10. Accrued Expenses:

Accrued and other liabilities include the following:

	HUD I Program	HUD VI Program	Program Operations
Mortgage interest	$ 1,262	$ 1,348	$ -
Payroll and related taxes	-	-	324,646
Compensated absences - vacation time	-	-	319,591
Compensated absences - personal time	-	-	30,934
Other	416	-	26,479
Total	$ 1,678	$ 1,348	$ 701,650

11. Line of Credit:

At June 30, 2014, the Organization had a $500,000 line of credit available from TD Bank, N. A., secured by all assets. The Organization is required, at a minimum, to make monthly interest payments to TD Bank, N. A. at the bank's base rate plus 1.00%, adjusted daily. As of June 30, 2014 the credit line had an outstanding balance of $400,868, at an interest rate of 4.25%.

12. Security Deposits:

Security deposits are comprised of tenant security deposits and other miscellaneous deposits. Tenant security deposits are held in a separate bank account in the name of the Organization. These deposits will be returned to residents when they leave the facility. Interest will be returned to residents who have had over one year of continuous tenancy.

13. Mortgages Payable, Tax Credits:

Mortgages payable, tax credits consist of a mortgage payable to the Community Development Finance Authority through the Community Development Investment Program, payable through the sale of tax credits to donor organizations, maturing in 2020, secured by real property located at 59 Factory Street in Nashua, NH. This amount is amortized over 10 years at zero percent interest. The amount due at June 30, 2014 is $142,410.

14. Mortgages Payable:

Mortgages payable as of June 30, 2014 consisted of the following:

A mortgage payable to Merrimack County Savings Bank, due in monthly installments of $7,879, including principal and interest at an adjustable rate of for the initial ten years based on the then prevailing 10/30 Federal Home Loan Bank Amortizing Advance Rate plus 3.00% and resetting in year 11 based on the then prevailing 10/20 Federal Home Loan Bank Amortizing Advance Rate plus 3.00%, maturing in 2043, secured by real property located at 335 Somerville Street in Manchester, NH.	$ 1,205,963
A mortgage payable to Merrimack County Savings Bank, due in monthly installments of $6,193, including principal and interest at an adjustable rate of 4.57% for twenty years, maturing in 2043, secured by real property located at 335 Somerville Street in Manchester, NH.	1,203,460
A mortgage payable to Merrimack County Savings Bank, due in monthly installments of $7,768, including principal and interest at 7.05%, maturing in 2040, secured by real property located at 59 Factory Street in Nashua, NH.	1,110,556
A mortgage payable to Merrimack County Savings Bank, due in monthly installments of $6,391, including principal and interest at 6.75%, maturing in 2031, secured by real property located at 45 High Street in Nashua, NH.	738,239

(continued)

(continued)

A mortgage payable to Merrimack County Savings Bank, due in monthly installments of $5,126, including principal and interest at 6.97%, maturing in 2036, secured by real property located at 46 Spring Street in Nashua, NH.	691,879
A mortgage payable to Merrimack County Savings Bank, due in monthly installments of $3,996, including principal and interest at 4.75%, maturing in 2036, secured by real property located at 46 Spring Street in Nashua, NH.	657,895
A mortgage payable to TD Bank, due in monthly installments of $5,387, including principal and interest at 7.27%, maturing in 2025, secured by real property located on Maple Street in Nashua, NH.	491,188
A mortgage payable to Merrimack County Savings Bank, due in monthly installments of $2,692, including principal and interest at 4.75%, maturing in 2040, secured by real property located at 59 Factory Street in Nashua, NH.	484,279
A mortgage payable to Merrimack County Savings Bank, due in monthly installments of $2,077, including principal and interest at 5.57% for the first five years, then adjusting in June 2015, 2020, 2025, and 2030 to the Federal Home Loan Bank Community Development Advance Rate in effect, plus 2.75%, maturing in 2035, secured by real property located at 189 Kinsley Street in Nashua, NH.	309,995
A mortgage payable to Mascoma Savings Bank, fsb., due in monthly installments of $1,731, including principal and interest at 7.00% maturing in 2036, secured by real property located at 7 Trinity Street in Claremont, NH.	234,613
A mortgage payable to the Department of Housing and Urban Development, due in monthly installments of $2,385, including principal and interest at 9.25%, maturing in 2022, secured by real property located at 3 Winter Street in Nashua, NH.	163,597

(continued)

(continued)

A mortgage payable to Merrimack County Savings Bank, due in monthly installments of $1,144, including principal and interest at a variable rate (5.61% at June 30, 2012), maturing in 2029, secured by real property located at 24 Mulberry Street in Nashua, NH.	136,232
A mortgage payable to Merrimack County Savings Bank, due in monthly installments of $779, including principal and interest at 7.20% for the first five years, then adjusting in April 2012, 2017, 2022, 2027, and 2032 to the Federal Home Loan Bank Community Development Advance Rate in effect, plus 225 basis points, maturing in 2037, secured by real property located at 4 New Have Drive, Unit 202 in Nashua, NH.	102,597
A mortgage payable to Merrimack County Savings Bank, due in monthly installments of $1,283, including principal and interest at 3.73%, maturing in 2035, secured by real property located at 59 Factory Street in Nashua, NH.	52,136
Total	7,582,629
Less amount due within one year	(198,801)
Mortgages payable, net of current portion	$ 7,383,828

The following is a summary of future payments on the previously mentioned long-term debt.

Year	Amount
2015	$ 198,801
2016	213,090
2017	225,721
2018	222,296
2019	235,277
Thereafter	6,487,444
Total	$ 7,582,629

15. Mortgages Payable, Deferred:

The Organization has deferred mortgages outstanding at June 30, 2014 totaling $5,332,834. These loans are not required to be repaid unless the

Organization is in default with the terms of the loan agreements or if an operating surplus occurs within that program.

Several of these loans are special financing from the New Hampshire Housing Finance Authority (NHHFA) to fund specific projects. These notes are interest free for thirty years with principal payments calculated annually at the discretion of the lender.

The following is a list of deferred mortgages payable at June 30, 2014:

	Program Operations
City of Manchester:	
Somerville Street property	$ 300,000
Total City of Manchester	300,000
City of Nashua:	
Factory Street property	580,000
Spring Street property	491,000
Charles Street property	98,087
High Street fire system	65,000
Total City of Nashua	1,234,087
Federal Home Loan Bank (FHLB):	
Factory Street property	400,000
Somerville Street property	400,000
Spring Street property	398,747
Total FHLB	1,198,747
NHHFA:	
Factory Street property	1,000,000
Spring Street property	550,000
Charles Street property	50,000
Somerville Street property	1,000,000
Total NHHFA	2,600,000
Total Mortgages Payable, Deferred	$ 5,332,834

16. Temporarily Restricted Net Assets:

Temporarily restricted net assets are available for the following purposes at June 30, 2014:

Purpose		Amount
Art supplies	$	350
Dalianis bricks		735
HVRP		6,479
Operation brightside		2,000
SCOAP		3,139
Thanksgiving		693
Veterans computers		5,630
2014 Christmas gifts		300
2014 mainstream		30,088
2014 PEC		88
2014 standdown		40
Total	$	49,542

Net assets were released from restrictions by incurring expenses satisfying the restricted purpose or by the passage of time.

17. Transactions with Related Parties:

The Organization's clients perform janitorial services for Harbor Homes HUD I, II and III, Inc., Welcoming Light, Inc., Milford Regional Counseling Services, Inc., Healthy at Home, Inc., Greater Nashua Council on Alcoholism, and Southern NH HIV/AIDS Task Force, related organizations. These services are billed to the related organizations and reported as revenues in the accompanying financial statements.

The Organization currently has several contracts with Healthy at Home, Inc. to receive various skilled nursing services, CNA services and companion services for its clients. All of the contracts are based on per diem fees ranging from $16 per hour for companion services, to $100 per visit for skilled nursing services.

The Organization is a corporate guarantor for Greater Nashua Council on Alcoholism in relation to two mortgages on their Amherst Street property. The guaranties consist of one mortgage in the amount of $1,850,170 and another mortgage in the amount of $200,000.

During the year, the Organization rented office space, under tenant at will agreements, to Southern NH HIV/AIDS Task Force, and Healthy at Home, Inc., related parties. The rental income under these agreements totaled $24,816 and $60,000, respectively, for fiscal year 2014.

Harbor Homes, Inc. receives management fees from the related HUD projects.

The Organization is considered a commonly controlled organization with several related entities by way of its common board of directors. However,

management feels that the principal prerequisites for preparing combined financial statements are not met, and therefore more meaningful separate statements have been prepared.

The following are the commonly controlled organizations:

Harbor Homes II, Inc.
Harbor Homes III, Inc.
HH Ownership, Inc.
Welcoming Light, Inc.
Milford Regional Counseling Services, Inc.
Healthy at Home, Inc.
Greater Nashua Council on Alcoholism
Southern NH HIV/AIDS Task Force

18. Employee Benefit Plan:

After one year of continuous service with the Organization, employees may contribute a portion of their wages to a Section 403(b) retirement plan. The Organization matches a percentage of the employee contribution based on years of service. Total matching contributions paid by the Organization for the year ended June 30, 2014 were $117,680.

In addition to the retirement plan noted above, the Organization also has a Section 457 deferred compensation plan with a value of $40,936 at June 30, 2014.

19. Concentration of Risk:

The Organization receives 36%, 16%, 14% and 5% of its revenue from the Department of Health and Human Services, the Department of Housing and Urban Development, the Department of Veterans Affairs, and Medicaid, respectively.

20. Fair Value Measurements:

FASB ASC, *Fair Value Measurements*, provides guidance for using fair value to measure assets and liabilities. *Fair Value Measurements* applies whenever other standards require or permit assets or liabilities to be measured at their fair market value. The standard does not expand the use of fair value in any new circumstances. Under *Fair Value Measurements*, fair value refers to the price that would be received from the sale of an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. *Fair Value Measurements* clarifies the principle that fair value should be based on the assumptions market participants would use when pricing the asset or liability and establishes a fair value hierarchy that prioritizes the information used to develop those assumptions.

Under *Fair Value Measurements*, the Organization categorizes its fair value estimates based on a hierarchical framework associated with three levels of price transparency utilized in measuring financial instruments at fair value. Classification is based on the lowest level of input that is significant to the fair value of the instrument. The three levels are as follows:

- Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. The types of financial instruments included in Level 1 are highly liquid instruments with quoted prices;

- Level 2 - Inputs from active markets, other than quoted prices for identical instruments, are used to model fair value. Significant inputs are directly observable from active markets for substantially the full term of the asset or liability being valued; and

- Level 3 - Pricing inputs significant to the valuation are unobservable. Inputs are developed based on the best information available; however, significant judgment is required by management in developing the inputs.

The estimated fair value of the Organization's financial instruments is presented in the following table:

	Carrying Value	Fair Value	Level One	Level Two	Level Three
Due from related organizations	$ 377,024	$ 377,024	$ -	$ -	$ 377,024
Beneficial interest	148,204	148,204	-	-	148,204
Total assets	$ 525,228	$ 525,228	$ -	$ -	$ 525,228

(continued)

(continued)

	Carrying Value	Fair Value	Level One	Level Two	Level Three

Total liabilities	$ 13,619,609	$ 13,619,609	$ -	$ 13,316,331	$ 303,278

	Fair Value Measurements Using Significant Unobservable Inputs Level 3			
	Due from related organizations	Beneficial Interest	Due to related organizations	Mortgages Payable, Tax Credits
Beginning balance June 30, 2013	$ 307,546	$ 128,237	$ 151,521	$ 163,453
Advances	468,396	19,967	279,276	-
Reductions	(398,918)	-	(269,929)	(21,043)
Ending balance June 30, 2014	$ 377,024	$ 148,204	$ 160,868	$ 142,410

Due to the short term nature of the financial instruments, the book value approximates fair value.

21. Healthcare Clinic:

Patient service revenue is recorded as services provided. The Healthcare Clinic (The Clinic) establishes fees for services to patients based on a sliding fee scale. Contractual allowances are recorded based on patients served in the period the related services are rendered.

The Clinic has a policy of providing free care to patients who are unable to pay. Such patients are identified based on financial information obtained from the patients prior to the services being rendered. The approximate amount of free care services provided was $552,000 for the year ended June 30, 2014. The Clinic billed a third-party payer approximately $424,000 during the fiscal year.

Patient accounts receivable are recorded less allowances for doubtful accounts and net of contractual allowances. The Clinic provides for losses on patient accounts receivable using the allowance method. Receivables are considered impaired if full payments are not expected in accordance with contractual terms. The net balance as of June 30, 2014 was approximately $120,000.

22. Subsequent Events:

Subsequent to year end, the Organization was awarded a $9.9m grant, over two and a half years, through the Housing Prevention Rapid Rehousing Program funded by the Bureau of Behavioral Health. In addition, the Organization was awarded a $1.2m grant, over three years, from the Substance Abuse and Mental Health Services Administration.

In September and October of 2014, the Organization sold two condominiums that were no longer required for the Permanent Housing Program.

On August 20, 2014, the Organization provided an unlimited and unconditional guaranty on a revolving line of credit agreement for a related party (see note 11). Under this agreement $250,000 is available to the related organization to provide for working capital requirements through September 30, 2016.

In accordance with the provisions set forth by FASB ASC, *Subsequent Events*, events and transactions from July 1, 2014 through January 15, 2015, the date the financial statements were available to be issued, have been evaluated by management for disclosure.

23. Change in Net Assets:

During fiscal year 2014, the Organization received approximately $4,046,000 in grant funding for the rehabilitation of the property housing the Harbor Care Health and Wellness Center. This on-time grant contributed to the change in net assets (approximately $4,067,000) for fiscal year 2014.

Senior member of the Regional Management Team, and also a member of the Nashua Medical Group Board of Governors.

PROGRAM DIRECTOR **1988-1990**
Partial Hospitalization Program, Brookside Hospital Nashua, NH
Developed program components, structure, policies and procedures. Implemented FTE and budgetary control and supervised treatment staff. Initiated referral network and maintained marketing and referral relationships within the Greater Nashua community. Facilitated groups, provided case management and individual counseling including initial assessments. Monitored case management and utilization review processes with insurers.

PROGRAM DIRECTOR – SUBSTANCE ABUSE CLINIC **1985-1988**
Department of the Army West Germany
Developed comprehensive preventive substance abuse program. Coordinated efforts with schools, civic organizations, civilian agencies and military organizations in order to integrate preventive education efforts. Supervised clinical and support staff of two treatment clinics. Maintained referral relationships with commanders.

ARMY COMMUNITY SERVICE DIRECTOR **1983-1985**
Department of the Army West Germany
Developed comprehensive community support agency. Responsible for staffing and budgetary concerns. Composed informational publications, prepared financial and statistical reports and submitted budget requests to the U. S. government for agency funding. Responsible for FAP (Family Advocacy Program).

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to amend agreements with 3 vendors by increasing the total price limitation by $319,787 from $356,000 to $675,787 to provide primary care services for individuals experiencing homelessness. This amount includes a request to **retroactively** enter into **sole-source** amendments in an amount of $53,170, effective **retroactive** to July, 1, 2013 through June 30, 2014 and to exercise a one-year renewal option with the same 3 vendors in an amount of $266,617, extending the completion date from June 30, 2014 to June 30, 2015, effective upon Governor and Council approval. Two of these agreements were originally approved by Governor and Council on June 6, 2012, Item numbers 68 and 69, and one agreement was originally approved by Governor and Council on June 20, 2012, Item number 124.

Summary of contracted amounts by vendor:

Vendor	Location	SFY 2014 Amount	SFY 2015 Amount	Total Increase
Families First of Greater Seacoast	Rockingham County	17,194	86,219	103,413
Harbor Homes	Southern Hillsborough	17,706	88,787	106,493
Manchester Health Dept.	Greater Manchester	18,270	91,611	109,881
TOTAL		**53,170**	**266,617**	**319,787**

Funds to support this request are available in the following accounts for SFY 2014 and SFY 2015, with authority to adjust amounts within the price limitation and amend the related terms of the contract without further approval from Governor and Executive Council.

05-95-90-902010-5190 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF POPULATION HEALTH AND COMMUNITY SERVICES, MATERNAL AND CHILD HEALTH

See attachment for financial details

EXPLANATION

Approval is requested **retroactive** to July 1, 2013. The services provided by these contracts are consistent with prior contracts and were included in the operating budget for SFY 2014 and SFY 2015. Contracts were delayed, however, since the exact amount of funding available was only recently

determined. The SFY 2014 amendments are **sole source** because they exceed more than 10% of the original contract amount.

This requested action seeks approval of 3 amendments to continue office-based and mobile primary care services for individuals experiencing homelessness. In the interest of efficiency, the contract amendments are being bundled as they are providing the same services, and because of the size of the resulting Governor and Council submission, the copies provided are abbreviated in the interest of saving resources. The Councilors and the public can view the entire submission package on the Secretary of State's website.

Primary health care services for the homeless include preventive and episodic health care for acute and chronic health conditions for adults. Community health agencies provide primary health care, substance abuse referral, intervention and counseling and social services at locations accessible to people who are homeless. They provide emergency care with referrals to hospitals for inpatient services and/or other needed services. Community health agencies engage in outreach activities to assist difficult-to-reach homeless persons in accessing care and provide assistance in establishing eligibility for entitlement programs and housing.

Community health agencies that receive support through the Division of Public Health Services deliver primary health care services for the homeless specialize in serving people who face barriers to accessing health care, due to issues such as extreme poverty, a lack of insurance, language barriers, behavioral and mental health diagnoses, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. Racial and ethnic minorities and immigrants experience homelessness at a rate far disproportionate to that of the general population. Community health agencies demonstrate competencies in engaging these individuals by not only addressing their specific linguistic and cultural needs, but also their unique vulnerabilities and situations. The services provided help individuals overcome barriers to getting the care they need and achieving their optimal health.

Should Governor and Executive Council not authorize this Request, homeless individuals in Rockingham and Hillsborough counties may not have adequate access to primary care services. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities.

Contracts were awarded to Community Health Agencies through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from February 3, 2012 through March 8, 2012 soliciting proposals to cover all of Rockingham and Hillsborough counties. In addition, a bidder's conference, conference call, and web conference were held on February 9, 2012 to alert agencies to this bid.

Three proposals were received in response to the posting. There were no competing applications for the Rockingham and Hillsborough counties solicited in the Requests for Proposals. Three professionals, who work internal and external to the Department of Health and Human Services, scored each proposal. All reviewers have experience either in clinical settings, providing community-based family support services, and or managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health homeless services; quality assurance and performance improvement; chronic and communicable diseases; and public health

infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. Scores were averaged and all proposals were recommended for funding. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, these competitively procured Agreements have the option to renew for two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council. The Department is exercising one year of this renewal option.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. All Primary Health Care for the Homeless vendors are making adequate progress in meeting clinical performance measures and the Department wishes to continue working with the vendors for another year.

The performance measures as described in the contract amendment Exhibit A – Amendment 1 – Performance Measures, will be used to continue to measure the effectiveness of the agreement.

Area to be served is Hillsborough and Rockingham counties.

Source of Funds: 5.59% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau and 94.41% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

José Thier Montero, MD, MHCDS
Director

State of New Hampshire
Department of Health and Human Services
Amendment #1 to the
Harbor Homes, Inc.

This 1st Amendment to the Harbor Homes, Inc., contract (hereinafter referred to as "Amendment One") dated this 18th day of March, 2014, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Harbor Homes, Inc., (hereinafter referred to as "the Contractor"), a corporation with a place of business at 45 High Street, Nashua, New Hampshire 03060.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 6, 2012, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18, the State may modify the scope of work and the payment schedule of the contract by written agreement of the parties;

WHEREAS, the Department desires to provide additional primary health care services for the homeless, preventive and episodic health care for acute and chronic health conditions for people of all ages.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

- Form P-37, to change:
  Block 1.7 to read: June 30, 2015
  Block 1.8 to read: $225,045

- Exhibit A, Scope of Services to add:
  Exhibit A – Amendment 1

- Exhibit B, Purchase of Services, Contract Price, to add:

  Paragraph 1.1 to Paragraph 1:
  The contract price shall increase by $17,706 for SFY 2014 and $88,787 for SFY 2015.

  Paragraph 1.2 to Paragraph 1:
  Funding is available as follows:
- $17,706 from 05-95-90-902010-5190-102-500731, 100% General Funds;
- $88,787 from 05-95-90-902010-5190-102-500731, 6.7% Federal Funds from the US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau, CFDA #93.994 and 93.3% General Funds;

Contractor Initials: [illegible]
Date: 3/18/14

Add Paragraph 8
8. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjustments to amounts between and among account numbers, within the price limitation, may be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

- Budget, to add:
  Exhibit B-1 (2014) - Amendment 1,
  Exhibit B-1 (2015) - Amendment 1

This amendment shall be in effect July 1, 2013, effective upon the date of Governor and Executive Council approval.

Scope of Services

The Department desires to provide additional primary health care services for the homeless, preventive and episodic health care for acute and chronic health conditions for people of all ages.

The Contractor shall:

I. General Provisions

A) Eligibility and Income Determination

1. Primary care services will be provided to homeless, low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire. Using flexible hours and minimal use of appointment systems, services may be provided in:
   - Permanent office based locations
   - Mobile or temporary delivery locations

2. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new or existing patients for more than a one month period.

3. The Contractor shall document, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete the most recent version of the 800P form with the client.

4. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, approved in advance by the Division of Public Health Services (DPHS), for low-income patients. Signage must state that no client will be denied services for inability to pay.

   a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, submitted to and approved by DPHS.

5. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid for all reimbursable services rendered.

B) **Numbers Served**

1. The contract funds shall be expended to provide the above services to a minimum of 560 users with 1,776 medical encounters, as defined in the Data and Reporting Requirements for State Fiscal Year 2014. Clinical service reimbursements shall not exceed the Medicare rate.

C) **Culturally and Linguistically Appropriate Standards of Care**

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services.

Cultural appropriateness in dealing with homeless populations not only addresses the specific linguistic and cultural needs of minorities, but also includes sensitivity to their unique vulnerabilities. Cultural sensitivity recognizes the distrust of providers and institutions often felt by people in these situations. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. When feasible and appropriate, provide clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provide to them without language assistance.

4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.

5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation 45 CFR 80.3(b) (2). The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) **State and Federal Laws**

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated thereunder.

E) **Relevant Policies and Guidelines**

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

2. Primary Care for the Homeless funds shall be targeted to homeless populations in need. Homeless populations are defined as follows:

   - Individuals who lack housing including an individual whose primary residence during the night is a supervised public or private facility (e.g., shelters) that provides temporary living accommodations

   - Individuals who are residents in transitional housing.

   - Individuals who are unable to maintain their housing situation and are forced to stay with a series of friends and/or extended family members may be considered homeless.

   - Individuals who are to be released from a prison or a hospital may also be considered homeless if they do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

   - Individuals may continue receiving primary care services for one year following placement in permanent housing.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP) or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.

4. The Contractor shall carry out the work as described in the performance work plan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) Publications Funded Under Contract

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, electronic) produced, reproduced or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14.1).

G) Subcontractors

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing and approve the subcontractual agreement, prior to initiation of the subcontract.

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. Minimal Standards of Core Services

A) Service Requirements

1. Medical Home

The Contractor shall provide a Medical Home that:

a) Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.

b) Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.

2. Primary Care Services

The Contractor shall provide primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, ARNP, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, oral health, and behavioral health specialty providers.

b) Referral to WIC Nutrition Program for all eligible pregnant women, infants, and children.

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.

d) Access to a healthcare provider, directly or by referral or subcontract, by telephone twenty-four hours per day, seven days per week.

e) Assessment of psychosocial risk for all clients at least annually and for children at scheduled preventive care visits, including, at a minimum, age appropriate guidance for injury prevention, domestic violence, adequacy of food and housing, care and welfare of children, transportation needs, and provision of necessary social services to address the priority needs and safety issues of clients and families.

f Falls prevention screening for patients 65 years and older using the algorithm and guidelines of the American Geriatric Society.

g) Behavioral health care directly or by referral to an agency or provider with a sliding fee scale.

h) Nutrition assessment for all clients as part of the health maintenance visit. Therapeutic nutrition services shall be provided as indicated directly or by referral to an agency or provider with a sliding fee scale. These services shall be recorded in the medical record.

i) Formal arrangements with a local hospital for emergency care must be in place and reviewed annually.

j) Assisted living and skilled nursing facility care by referral.

k) Oral screening, as part of the annual health maintenance visit, for all clients 21 years and older to note obvious dental decay and soft tissue abnormalities with a reminder to the patient that poor oral health impacts total health.

l) Diagnosis and management of pediatric and adult patients with asthma provided according to National Heart Lung Blood Institute, National Asthma Education and Prevention Program, Expert Panel Report 3: Guidelines for the Diagnosis and Management of Asthma, 2007.

3. Reproductive Health Services

The Contractor shall provide or arrange referral for prenatal, internatal and preconception medical care, social services, nutrition services, education and nursing care to all women of childbearing age. Preconceptional care includes the preconception, internatal and postpartum periods in women's health. It is recommended that preconceptional and internatal care visits focus on maintaining or achieving the optimal health of the mother, lowering the risk of future adverse pregnancy outcomes, the family's future plans, and how additional children fit into that plan. Preconceptional counseling may be done during an office, group or home visit.

a) In the event prenatal care is not provided directly by the Contractor, a formal Memorandum of Agreement for coordinated referral to an appropriately qualified provider must be maintained.

b) If provided directly, prenatal care shall, at minimum, be in accordance with the Guidelines for Perinatal Care, sixth or most current edition, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists (ACOG), and /or the Centers for Disease Control.

c) Genetic Screening:

i. A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

ii. All pregnant women entering care prior to 20 weeks gestation shall be offered voluntary genetic screening for fetal chromosomal abnormalities following the recommendations found in the ACOG Compendium of Selected Publications (2006) or more recent supplements. The Contractor shall be responsible for referral to appropriate genetic testing and counseling services for any woman found to have a positive screening test.

d) Age appropriate reproductive health care shall, at a minimum, be provided in accordance with the American College of Obstetricians and Gynecologists, Guidelines for Adolescent Preventive Services (GAPS) or the USDHHS Centers for Disease Control (CDC) current guidelines.

e) Family planning counseling for prevention of subsequent pregnancy following an infant's birth shall be discussed with the infant's mother at the first postpartum visit and at the infant's 2-month visit and other visits as appropriate. Rationale for birth intervals of 18-24 months shall be presented.

f) A referral to a Title X Family Planning Clinic or other reproductive health care provider shall be made as appropriate.

4. Services for Children and Adolescents

The Contractor shall provide as a minimum, comprehensive and age-appropriate health care, screenings, and health education according to the American Academy of Pediatrics' most recent periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", *Third* Edition or most recent. Children and adolescent visits shall include:

a) The World Health Organization (WHO) growth charts shall be used to monitor growth for infants and children birth up to age 2 years. The Centers for Disease Control and Prevention (CDC) growth charts shall be used for children age 2 years and older.

b) Blood lead testing shall be performed in accordance with "New Hampshire Childhood Lead Poisoning Screening and Management Guidelines", issued by the New Hampshire Department of Health and Human Services, 2009 or subsequent revisions.

c) All children enrolled in either Medicaid, Head Start, or the Women, Infant, and Children (WIC) Program and/or who are ≤ 185% poverty, regardless of town of residence, are required to have a blood lead test at ages one and two years. All children ages three to six years who have not been previously tested shall have a blood lead test performed.

d) All children shall be screened for iron deficiency anemia as outlined in the Centers for Disease Control and Prevention document "Recommendations to Prevent and Control Iron Deficiency in the United States (4/2/98)".

e) Age-appropriate anticipatory guidance, dietary guidance, and feeding practice counseling for optimal oral health shall be provided at each well child visit according to the American Academy of Pediatrics' periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent edition. Starting at age 6 months, it is recommended that all children receive an oral health assessment at every well child visit and a referral for the child's first visit to the dentist by age one as recommended by the American Academy of Pediatrics and the American Academy of Pediatric Dentistry.

f) Supplemental fluoride shall be prescribed as needed based upon the fluoride levels in the child's drinking water supply. The fluoride dosage regimen accepted by the American Academy of Pediatrics shall be followed. No fluoride shall be prescribed without obtaining water from private wells or noting the presence or absence of fluoride in the public water supply. Supplemental fluoride may include bottled water containing fluoride and topical applications such as varnishes.

g) For infants enrolled in WIC Nutrition Program, parents shall be referred to WIC for breastfeeding support and referral to the WIC Nutrition Program peer counselors.

5. Sexually Transmitted Infections

Primary Care Services shall provide age appropriate screening and treatment for sexually transmitted infections.

a) Treatment for sexually transmitted infections shall be provided according to the United States Centers for Disease Control Sexually Transmitted Diseases Treatment Guidelines, 2010 or subsequent revisions.

b) All clients, including women, shall be offered HIV testing following the most current recommendations of the United States Centers for Disease Control.

c) The contractor shall be responsible for ensuring referral to appropriate treatment services for any woman found to screen positive.

d) Appropriate risk reduction counseling shall be provided based on client needs.

6. Substance Use Services

a) A substance use screening history using a formal, validated screening tool shall be obtained for all clients as soon after entry into care as possible. Substance use counseling or other substance abuse intervention, treatment, or recovery services by an appropriately credentialed provider shall be provided on-site, or by referral, to clients with identified needs for these services. For these identified clients, ongoing primary care services should include follow up monitoring relative to substance abuse.

b) All clients, including pregnant women, identified as smokers shall receive counseling using the 5 A's (ask, advise, assess, assist, and arrange) treatment available through the NH Tobacco Helpline as cited in the U.S. Public Health Service report, "Tobacco Use and Dependence", 2008 or "Smoking Cessation During Pregnancy: A Clinician's Guide to Helping Pregnant Women Quit Smoking", American College of Obstetricians and Gynecologists, 2011. With prior approval, agencies may also opt to participate in the DPHS best practice initiative of the 2A's and R (ask, advise and refer).

7. Immunizations

a) The Contractor shall adhere to the most current version of the "Recommended Immunization Schedule for Adults (19 years and older) by Age and Medical Condition - United States", approved by the Advisory Committee on Immunization Practices, the American College of Obstetricians and Gynecologists, and the American Academy of Family Physicians.

b) The Contractor shall administer vaccines according to the most current version of the "Recommended Immunization Schedule for Persons Aged 0 Through 6 Years - United States", and "Recommended Immunization Schedule for Persons Aged 7 Through 18 Years – United States" approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians, based upon availability of vaccine from the New Hampshire Immunization Program.

8. Prenatal Genetic Screening

a) A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

b) All pregnant women should be offered voluntary genetic screening for fetal chromosomal abnormalities at the appropriate time following recommendations found in the American College of Obstetricians and Gynecologists' "Screening for Fetal Chromosomal Abnormalities (2007)" or more recent guidelines. The Contractor shall be responsible for ensuring referral to appropriate genetic testing and counseling for any woman found to have a positive screening test.

9. Additional Requirements

a) The Contractor's Medical Director shall participate in the development and approval of specific guidelines for medical care that supplement minimal clinical standards. Supplemental guidelines should be reviewed, signed and dated annually, and updated as indicated.

b) Contractors considering clinical or sociological research using clients as subjects must adhere to the legal requirements governing human subjects research. Contractors must inform the DPHS, MCHS prior to initiating any research related to this contract.

c) The Contractor shall provide information to all employees annually about the Medical Reserve Corps Unit within their Public Health Region to enhance recruitment.

d) The Contractor shall provide information to all employees annually regarding the Emergency System for the Advance Registration of Volunteer Health Professionals (ESAR-VHP) managed by the NH Department of Health and Human Services' Emergency Services Unit, to enhance recruitment.

B) Staffing Provisions

The Contractor shall have, at minimum, the following positions:

a) executive director

b) financial director

c) registered nurse

d) clinical coordinator

e) medical service director (or by contract)

f) nutritionist (on site or by referral)

g) social worker

Agencies are required to provide direct services by the following professionals:

a) physician, advanced registered nurse practitioner, or physician's assistant

b) registered nurse

c) clinical coordinator

d) social worker

1. Qualifications

All health and allied health professionals shall have the appropriate New Hampshire licenses whether directly employed, contracted, or subcontracted.

In addition the following minimum qualifications shall be met for:

a) Registered Nurse

   a. A registered nurse licensed in the state of New Hampshire, Bachelor's degree preferred. Minimum of one year experience in a community health setting.

b) Nutritionists:

   a. A Bachelor's degree in nutritional sciences or dietetics, or a Master's degree in nutritional sciences, nutrition education, or public health nutrition or current Registered Dietitian status in accordance with the Commission on dietetic Registration of the American Dietetic Association.

   b. Individuals who perform functions similar to a nutritionist but do not meet the above qualifications shall not use the title of nutritionist.

c) Social Workers shall have:

a. A Bachelor's or Master's degree in social work or Bachelor's or Master's degree in a related social science or human behavior field. A minimum of one year of experience in a community health or social services setting is preferred.

b. Individuals who perform functions similar to a social worker but do not meet the above qualifications shall not use the title of social worker.

d) Clinical Coordinators shall be:

a. A registered nurse (RN), physician, physician assistant or nurse practitioner with a license to practice in New Hampshire.

b. The coordinator is a clinical position that oversees and takes responsibility for the clinical and administrative functions of each program.

c. Coordinator may be responsible for more than one MCH funded program.

2. New Hires

The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing within one month of hire when a new administrator, clinical coordinator or any staff person essential to carrying out contracted services is hired to work in the program. A resume of the employee shall accompany the aforesaid notification.

3. Vacancies

a) The Contractor must notify the MCHS in writing if any critical position is vacant for more than one month, or if at any time funded under this contract does not have adequate staffing to perform all required services for more than one month. This may be done through a budget revision.

b) Before an agency hires new program personnel that do not meet the required staff qualifications, the agency shall notify the MCHS in writing requesting a waiver of the applicable staffing requirements. The Section may grant waivers based on the need of the program, individuals' experience, and additional training.

C) Coordination of Services

1. The Contractor shall coordinate, where possible, with other service providers within the contractor's community. At a minimum, such collaboration shall include interagency referrals and coordination of care.

2. The Contractor shall engage in outreach activities to identify homeless individuals and educate them about the availability of primary care services. This should be done in coordination with other service providers, when appropriate.

3. The Contractor shall participate in activities in the Public Health Region in which they provide services as appropriate. These activities enhance the integration of community-based public health prevention and health care initiatives that are being implemented by the contractor and may include community needs assessments, public health performance assessments, and/or the development of regional health improvement plans.

4. The Contractor agrees to participate in and coordinate with public health activities as requested by the Division of Public Health during any disease outbreak and/or emergency, natural or man-made, affecting the public's health.

5. The Contractor is responsible for case management of the client enrolled in the program and for program follow-up activities. Case management services shall promote effective and efficient organization and utilization of resources to assure access to necessary comprehensive medical, nutritional, and social services for clients.

6. The Contractor shall assure that appropriate, responsive, and timely referrals and linkages for other needed services are made, carried through, and documented. Such services shall include, but not be limited to: dental services, genetic counseling, high risk prenatal services, mental health, social services, including domestic violence crisis centers, substance abuse services; and family planning services, Early Supports and Services Program, local WIC/CSF Program, Home Visiting New Hampshire Programs and health and social service agencies which serve children and families in need of those services.

D) Meetings and Trainings

The contractor will be responsible for sending staff to meetings and training required by the MCHS program, including but not limited to:

1. MCHS Agency Directors' meetings

2. MCHS Agency Medical Directors meetings

III. Quality or Performance Improvement (QI/PI)

A) Workplans

1. Performance Workplans are required for this program and are used to monitor achievement of standard measures of performance of the services provided under this contract. The workplans are a key component of the RHPCS and the MCHS performance-based contracting system and of this contract. Outcomes shall be reported by clinical site.

2. Submit Performance Workplans and Workplan Outcome reports according to the schedule and instructions provided by the MCHS. The MCHS shall notify the Contractor at least 30 days in advance of any changes in the submission schedule.

3. The Contractor shall incorporate required and developmental performance measures, defined by the MCHS into the agency's Performance Workplan. Reports on Workplan Progress/Outcomes shall detail the Performance Workplan and activities that monitor and evaluate the agency's progress toward performance measure targets.

4. The Contractor shall comply with modifications and/or additions to the workplan and annual report format as requested by RHPCS and MCHS. MCHS will provide the contractor with reasonable notice of such changes.

5. Agencies contracting for Primary Care Services must submit the workplans for Primary Care Clinical and Financial, Child Health, and Prenatal Care.

B) Additional Reporting Requirements

In addition to Performance Workplans, the Contractor shall submit to MCHS and the following data and information listed below which are used to monitor program performance:

1. In years when contracts or amendments are not required, the DPHS Budget Form, Budget Justification, Sources of Revenue and Program Staff list forms must be completed according to the relevant instructions and submitted as requested by DPHS and, at minimum, by April 30 of each year.

2. The Sources of Revenue report must be resubmitted at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

3. Completed Uniform Data Set (UDS) tables reflecting program performance in the previous calendar year, by March 31 of each year.

4. If prenatal care is provided, Perinatal Client Data Form (PCDF) shall be submitted electronically according to the instructions set forth by the MCHS.

5. A copy of the agency's updated Sliding Fee Scale including the amount(s) of any client fees and the schedule of discounts must be submitted by March 31st of each year. The agency's sliding fee scale must be updated annually based on the US DHHS Poverty guidelines as published in the Federal Register.
6. An annual summary of program-specific patient satisfaction results obtained during the prior contract period and the method by which the results were obtained shall be submitted annually as an addendum to the Workplan Outcome/Progress reports.

C) On-site reviews

1. The contractor shall allow a team or person authorized by the Division of Public Health Services to periodically review the contractor's systems of governance, administration, data collection and submission, clinical and financial management, and delivery of education services in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include client record reviews to measure compliance with this exhibit.
3. The contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. On-Site reviews may be waived or abbreviated at the discretion of MCHS, upon submission of satisfactory reports of reviews such as Health Services Resources Administration (HRSA): Office of Performance Review (OPR), or reviews from nationally accreditation organizations such as the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), Medicare, the Community Health Accreditation Program (CHAP), or Accreditation Association for Ambulatory Healthcare (AAAHC). Abbreviated reviews will focus on any deficiencies found in previous reviews, issues of compliance with this exhibit, and actions to strengthen performance as outlined in the agency Performance Workplan.

PRIMARY CARE FOR THE HOMELESS PERFORMANCE MEASURE DEFINITIONS Fiscal Year 2015

Primary Care for the Homeless Performance Indicator #1

Measure: Patient Payor Mix

Goal: To allow monitoring of payment method trends at State funded primary care sites for the homeless.

Definition: Patients enrolled in Medicare, Medicaid, Commercial insurance, or uninsured that have had at least one visit/encounter during the last reporting period.

Data Source: Provided by agency

Note: An encounter is face-to-face contact between a user and a provider who exercises independent judgment in the provision of services to the individual (UDS Table Definition).

PRIMARY CARE FOR THE HOMELESS
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Primary Care for the Homeless Performance Measure #1

Measure: Percent of clients who received at least one formal, validated depression screening annually while enrolled in the program.

Goal: All clients enrolled in the Homeless program will receive formal, validated screening for depression and supports in accessing follow up evaluation and care if necessary.

Definition: **Numerator-**
The number of clients in the denominator who received a formal, validated depression screening at least quarterly while enrolled in the program.

Denominator-
Total number of client encounters.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

PRIMARY CARE FOR THE HOMELESS PERFORMANCE MEASURE DEFINITIONS Fiscal Year 2015

Primary Care for the Homeless Performance Measure #2

Measure: Percent of clients who had positive screening results and were further evaluated for depression.

Goal: All clients enrolled in the Homeless program will receive formal, validated screening for depression and supports in accessing follow up evaluation and care if necessary.

Definition: **Numerator-**
The number of clients in the denominator who received further evaluation for depression.

Denominator-
Total number of clients served in the past fiscal year that required further evaluation for depression as indicated by a formal, validated depression screening instrument.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

PRIMARY CARE FOR THE HOMELESS PERFORMANCE MEASURE DEFINITIONS Fiscal Year 2015

Primary Care for the Homeless Performance Measure #3

Measure: Percent of adult client encounters with blood pressure recorded.

Goal: All clients enrolled in the Primacy Care for the Homeless program will receive consistent, high quality care for hypertension.

Definition: **Numerator-**
The number of adult clients in the denominator who have their blood pressure documented at each encounter.

Denominator-
Total number of adult clients served in the past fiscal year.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

PRIMARY CARE FOR THE HOMELESS PERFORMANCE MEASURE DEFINITIONS Fiscal Year 2015

Primary Care for the Homeless Performance Measure #4

Measure:* 58%** of adult patients 18 – 85 years of age diagnosed with hypertension will have a blood pressure measurement less than 140/90 mm at the time of their last measurement.

Goal: To ensure patients diagnosed with hypertension are adequately controlled.

Definition: **Numerator-**
Number of patients from the denominator with blood pressure measurement less than 140/90 mm at the time of their last measurement.

Denominator-
Number of patients age 18 – 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

*Measure based on the National Quality Forum 0018

**2020 National Target 61.2%

PRIMARY CARE FOR THE HOMELESS PERFORMANCE MEASURE DEFINITIONS Fiscal Year 2015

Primary Care for the Homeless Performance Measure #5

Measure: Percent of adult clients with a documented formal, validated screening for alcohol or other substance abuse annually while enrolled in the program.

Goal: All clients enrolled in the Primacy Care for the Homeless program will receive formal, validated screening for alcohol and substance abuse in accessing follow up evaluation and care if necessary.

Definition: **Numerator-**
The number of clients in the denominator who received a formal, validated screening for alcohol or other drug substance abuse at least annually while enrolled in the program.

Denominator-
Total number of clients served in the past fiscal year.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

PRIMARY CARE FOR THE HOMELESS PERFORMANCE MEASURE DEFINITIONS Fiscal Year 2015

Primary Care for the Homeless Performance Measure #6

Measure: Percent of adult clients who had positive screening results and received treatment for alcohol or substance abuse.

Goal: All clients enrolled in the Primacy Care for the Homeless program will receive formal, validated screening for alcohol and substance abuse in accessing follow up evaluation and care if necessary.

Definition: **Numerator-**
The number of clients who received treatment, directly by the agency or through referral, for treatment of alcohol or other substance abuse.

Denominator-
Total number of clients identified with an alcohol or other substance abuse problem.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

Exhibit B-1 (2014) - Amendment 1
Budget

New Hampshire Department of Health and Human Services

Bidder/Contractor Name: Harbor Homes, Inc.

Budget Request for: MCH Primary Care
(Name of RFP)

Budget Period: SFY 2014

1. Total Salary/Wages	$ 12,700.00	$ -	$ 12,700.00

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, Bureau of Population Health and Community Services, Maternal and Child Health Section to enter into an agreement with Harbor Homes, Inc. (Vendor #155358-B001), 45 High Street, Nashua, New Hampshire 03060, in an amount not to exceed $118,552.00, to provide primary care services for individuals experiencing homelessness, to be effective July 1, 2012 or date of Governor and Council approval, whichever is later, through June 30, 2014. Funds are available in the following account for SFY 2013, and are anticipated to be available in SFY 2014 upon the availability and continued appropriation of funds in the future operating budget.

05-95-90-902010-5190 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF POPULATION HEALTH AND COMMUNITY SERVICES, MATERNAL AND CHILD HEALTH

Fiscal Year	Class/Object	Class Title	Job Number	Total Amount
SFY 2013	102-500731	Contracts for Program Services	90080000	$59,276
SFY 2014	102-500731	Contracts for Program Services	90080000	$59,276
			Sub-Total	$118,552

EXPLANATION

Funds in this agreement will be used to provide outreach and case management services, primary medical and dental care, 24-hour emergency services, mental health and substance abuse counseling and treatment to people who are experiencing homelessness.

Typically, community health agencies deliver primary and preventive health care services to underserved people who face barriers to accessing health care, such as a lack of insurance, inability to pay, cultural and ethnic issues, and geographic isolation. However, there are populations whose needs are not traditionally fully met in an office-based health care center. In particular, homeless individuals and families needs are far more complex. People who are homeless suffer from health care problems at more than double the rate of individuals with stable

housing. Homeless individuals also experience barriers trying to access mainstream health care often due to a lack of transportation and the limited hours of service available at most community health agencies.

In New Hampshire, 4,942 individuals were sheltered in one of the State-Funded Shelters across the state in State Fiscal Year 2011.[1] Of those who received services, 3,311 were single adults, 691 adults were in 528 families with 940 children; 634 were victims of domestic violence.[2] An additional 728 individuals were the "hidden homeless," those persons who are temporarily doubled up, "couch surfing," or living precariously in overcrowded or unsafe conditions.[3]

The goals of this funding include a multidisciplinary approach to delivering care to individuals experiencing homelessness, combining aggressive street outreach with an integrated system of primary care, mental health and substance abuse services, case management, and client advocacy. Particular emphasis is placed on coordinating efforts with other community providers and social service agencies.

Should Governor and Executive Council not authorize this Request, a minimum of 2,004 low-income homeless individuals from the Southern Hillsborough County area may not have access to primary care services. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities.

Harbor Homes, Inc. was selected for this project through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from February 3, 2012 through March 8, 2012 soliciting proposals to cover all of Rockingham and Hillsborough counties. In addition, a bidder's conference, conference call, and web conference were held on February 9, 2012 to alert agencies to this bid.

Three proposals were received in response to the posting. There were no competing applications for the Rockingham and Hillsborough counties solicited in the Requests for Proposals. Three professionals, who work internal and external to the Department of Health and Human Services, scored each proposal. All reviewers have experience either in clinical settings, providing community-based family support services, and or managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health homeless services; quality assurance and performance improvement; chronic and communicable diseases; and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. Scores were averaged and all proposals were recommended for funding. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council. This is the initial agreement with this Contractor for these services.

The performance measures used to measure the effectiveness of the agreement are attached.

Exhibit A

Scope of Services

Primary Care Services for the Homeless

CONTRACT PERIOD: July 1, 2012 or date of G&C approval, whichever is later, through June 30, 2014

CONTRACTOR NAME: Harbor Homes, Inc.

ADDRESS: 45 High Street
Nashua, New Hampshire 03060
President and Chief Executive Officer: Peter Kelleher
TELEPHONE: 603-882-3616

The Contractor shall:

I. General Provisions

A) Eligibility and Income Determination

1. Primary care services will be provided to homeless, low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire. Using flexible hours and minimal use of appointment systems, services may be provided in:
   - Permanent office based locations
   - Mobile or temporary delivery locations

2. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new or existing patients for more than a one month period.

3. The Contractor shall document, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete the most recent version of the 800P form with the client.

4. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, *approved in advance by the Division of Public Health Services (DPHS),* for low-income patients. *Signage must state that no client will be denied services for inability to pay.*

   a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, *submitted to* and approved by DPHS.

5. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private *and commercial* insurances, Medicare, and Medicaid for all reimbursable services rendered.

Contractor Initials: [illegible]
Date: 4/9/12

B) Numbers Served

1. The contract funds shall be expended to provide the above services to a minimum of 1,002 users with 1,002 medical encounters, as defined in the Data and Reporting Requirements for State Fiscal Year 2013. Clinical service reimbursements shall not exceed the Medicare rate.

C) **Culturally and Linguistically Appropriate Standards of Care**

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services.

Cultural appropriateness in dealing with homeless populations not only addresses the specific linguistic and cultural needs of minorities, but also includes sensitivity to their unique vulnerabilities. Cultural sensitivity recognizes the distrust of providers and institutions often felt by people in these situations. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. When feasible and appropriate, provide clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provide to them without language assistance.

4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.

5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation 45 CFR 80.3(b) (2). The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) **State and Federal Laws**

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. *The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301*, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated thereunder.

Contractor Initials: _____

Date 4/19/12

E) **Relevant Policies and Guidelines**

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

2. Primary Care for the Homeless funds shall be targeted to homeless populations in need. Homeless populations are defined as follows:

   - Individuals who lack housing including an individual whose primary residence during the night is a supervised public or private facility (e.g., shelters) that provides temporary living accommodations

   - Individuals who are residents in transitional housing.

   - Individuals who are unable to maintain their housing situation and are forced to stay with a series of friends and/or extended family members may be considered homeless.

   - Individuals who are to be released from a prison or a hospital may also be considered homeless if they do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

   - Individuals may continue receiving primary care services for one year following placement in permanent housing.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP) or the *Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.*

4. The Contractor shall carry out the work as described in the performance work plan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) **Publications Funded Under Contract**

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, *electronic*) produced, reproduced or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14.1).

G) **Subcontractors**

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing *and approve the subcontractual agreement*, prior to initiation of the subcontract.

Contractor Initials: _____

Date: 4/9/12

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. Minimal Standards of Core Services

A) Service Requirements

1. Medical Home

The Contractor shall provide a Medical Home that.

a) *Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.*

b) *Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.*

2. Primary Care Services

The Contractor shall provide primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, ARNP, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, *oral health,* and behavioral health specialty providers.

b) Referral to WIC Nutrition Program for all eligible pregnant women, infants, and children.

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.

d) Access to a healthcare provider, directly or by referral or subcontract, by telephone twenty-four hours per day, seven days per week.

e) Assessment of psychosocial risk for all clients at least annually and for children at scheduled preventive care visits, including, at a minimum, age appropriate guidance for injury prevention, domestic violence, adequacy of food and housing, care and welfare of children, transportation needs, and provision of necessary social services to address the priority needs and safety issues of clients and families.

f) Falls prevention screening for patients 65 years and older using the algorithm and guidelines of the American Geriatric Society.

g) Behavioral health care directly or by referral to an agency or provider with a sliding fee scale.

h) *Nutrition assessment for all clients as part of the health maintenance visit.* Therapeutic nutrition services shall be provided *as indicated* directly or by referral to an agency or provider with a sliding fee scale. These services shall be recorded in the medical record.

i) Formal arrangements with a local hospital for emergency care must be in place and reviewed annually.

Contractor Initials: _____
Date: 4/9/12

j) Assisted living and skilled nursing facility care by referral.

k) Oral screening, as part of the annual health maintenance visit, for all clients 19 years and older to note obvious dental decay and soft tissue abnormalities with a reminder to the patient that poor oral health impacts total health. as part of the health maintenance visit.

l) Diagnosis and management of pediatric and adult patients with asthma provided according to National Heart Lung Blood Institute, National Asthma Education and Prevention Program, Expert Panel Report 3: Guidelines for the Diagnosis and Management of Asthma, 2007.

3. Reproductive Health Services

The Contractor shall provide or arrange referral for prenatal, internatal and preconception medical care, social services, nutrition services, education and nursing care to all women of childbearing age. Preconceptional care includes the preconception, internatal and postpartum periods in women's health. It is recommended that preconceptional and internatal care visits focus on maintaining or achieving the optimal health of the mother, lowering the risk of future adverse pregnancy outcomes, the family's future plans, and how additional children fit into that plan. Preconceptional counseling may be done during an office, group or home visit.

a) In the event prenatal care is not provided directly by the Contractor, a formal Memorandum/a of Agreement for coordinated referral to an appropriately qualified provider must be maintained.

b) If provided directly, prenatal care shall, at minimum, be in accordance with the *Guidelines for Perinatal Care, sixth* or most current edition, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists (ACOG), and /or the Centers for Disease Control.

c) Genetic Screening:
   i. A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.
   ii. All pregnant women entering care prior to 20 weeks gestation shall be offered voluntary genetic screening for fetal chromosomal abnormalities following the recommendations found in the ACOG Compendium of Selected Publications (2006) or more recent supplements. The Contractor shall be responsible for referral to appropriate genetic testing and counseling services for any woman found to have a positive screening test.

d) Age appropriate reproductive health care shall, at a minimum, be provided in accordance with the American College of Obstetricians and Gynecologists, *Guidelines for Adolescent Preventive Services (GAPS)* or the USDHHS Centers for Disease Control (CDC) current guidelines.

e) Family planning counseling for prevention of subsequent pregnancy following an infant's birth shall be discussed with the infant's mother *at the first postpartum visit and at the infant's 2-month visit and other visits as appropriate.* Rationale for birth intervals of 18-24 months shall be presented.

f) A referral to a Title X Family Planning Clinic or other reproductive health care provider shall be made as appropriate.

Contractor Initials: IK

Date 4/9/12

4. Services for Children and Adolescents

The Contractor shall provide as a minimum, comprehensive and age-appropriate health care, screenings, and health education according to the American Academy of Pediatrics' most recent periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", *Third* Edition or most recent. Children and adolescent visits shall include:

a) Blood lead testing shall be performed in accordance with "New Hampshire Childhood Lead Poisoning Screening and Management Guidelines", issued by the New Hampshire Department of Health and Human Services, *2009* or subsequent revisions.

b) All children enrolled in either Healthy Kids-Gold or the Women, Infant, and Children (WIC) Program and/or who are ≤ 185% poverty, regardless of town of residence, are required to have a blood lead test at ages one and two years. All children ages three to six years who have not been previously tested shall have a capillary or venous blood lead test performed.

c) All children shall be screened for iron deficiency anemia as outlined in the Centers for Disease Control and Prevention document "Recommendations to Prevent and Control Iron Deficiency in the United States (4/2/98)".

d) Age-appropriate anticipatory guidance, dietary guidance, and *feeding practice counseling* for optimal oral health shall be provided at each well child visit according to the American Academy of Pediatrics' periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent edition. Starting at age 6 months, it is recommended that all children receive an oral health assessment at every well child visit.

e) *Supplemental* fluoride shall be prescribed as needed based upon the fluoride levels in the child's *drinking* water supply. The fluoride dosage regimen accepted by the American Academy of Pediatrics shall be followed. No fluoride shall be prescribed without obtaining water from private wells or noting the presence or absence of fluoride in the public water supply. *Supplemental fluoride may include bottled water containing fluoride and topical applications such as varnishes.*

f) *For infants enrolled in WIC Nutrition Program, parents shall be referred to WIC for breastfeeding support and referral to the WIC Nutrition Program peer counselors.*

5. Sexually Transmitted Infections

Primary Care Services shall provide age appropriate screening and treatment for sexually transmitted infections.

a) Treatment for sexually transmitted infections shall be provided according to the United States Centers for Disease Control Sexually Transmitted Diseases Treatment Guidelines, *2010* or subsequent revisions.

b) All clients, including women, shall be offered HIV testing following the most current recommendations of the United States Centers for Disease Control.

c) The contractor shall be responsible for ensuring referral to appropriate treatment services for any woman found to screen positive.

d) Appropriate risk reduction counseling shall be provided based on client needs.

Contractor Initials: [illegible]

Date: 4/9/12

6. Substance Use Services

a) A substance use screening history using a formal, validated screening tool shall be obtained for all clients as soon after entry into care as possible. Substance use counseling *or other substance abuse intervention, treatment, or recovery services* by an appropriately credentialed provider shall be provided on-site, or by referral, to clients with identified needs for these services. *For these identified clients, ongoing primary care services should include follow up monitoring relative to substance abuse.*

b) All clients, including pregnant women, identified as smokers shall receive counseling *using the 5 A's (ask, advise, assess, assist, and arrange) treatment available through the NH Tobacco Helpline* as cited in the U.S. Public Health Service report, "Tobacco Use and Dependence", *2008* or "Smoking Cessation During Pregnancy: A Clinician's Guide to Helping Pregnant Women Quit Smoking", American College of Obstetricians and Gynecologists, *2011. With prior approval, agencies may also opt to participate in the DPHS best practice initiative of the 2A's and R (ask, advise and refer).*

7. Immunizations

a) The Contractor shall adhere to the most current version of the "Recommended Adult Immunization Schedule United States", approved by the Advisory Committee on Immunization Practices, the American College of Obstetricians and Gynecologists, and the American Academy of Family Physicians.

b) The Contractor shall administer vaccines according to the most current version of the *"Recommended Immunization Schedule for Persons Aged 0 Through 6 Years - United States", and "Recommended Immunization Schedule for Persons Aged 7 Through 18 Years – United States"* approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians, based upon availability of vaccine from the New Hampshire Immunization Program.

8. Prenatal Genetic Screening

a) A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

b) All pregnant women should be offered voluntary genetic screening for fetal chromosomal abnormalities at the appropriate time following recommendations found in the American College of Obstetricians and Gynecologists' "Screening for Fetal Chromosomal Abnormalities (2007)" or more recent guidelines. The Contractor shall be responsible for ensuring referral to appropriate genetic testing and counseling for any woman found to have a positive screening test.

9. Additional Requirements

a) The Contractor's Medical Director shall participate in the development and approval of specific guidelines for medical care that supplement minimal clinical standards. Supplemental guidelines should be reviewed, signed and dated annually, and updated as indicated.

b) Contractors considering clinical or sociological research using clients as subjects must adhere to the legal requirements governing human subjects research. Contractors must inform the DPHS, MCHS prior to initiating any research related to this contract.

c) The Contractor shall provide information to all employees annually about the Medical Reserve Corps Unit within their Public Health Region to enhance recruitment.

d) *The Contractor shall provide information to all employees annually regarding the Emergency System for the Advance Registration of Volunteer Health Professionals (ESAR-VHP) managed by the NH Department of Health and Human Services' Emergency Services Unit, to enhance recruitment.*

B) Staffing Provisions

The Contractor shall have, at minimum, the following positions:

a) executive director

b) financial director

c) registered nurse

d) clinical coordinator

e) medical ***service*** director (or by contract)

f) nutritionist (on site or by referral)

g) social worker

Agencies are required to provide direct services by the following professionals:

a) physician, advanced registered nurse practitioner, or physician's assistant

b) registered nurse

c) clinical coordinator

d) social worker

1. Qualifications

All health and allied health professionals shall have the appropriate New Hampshire licenses whether directly employed, contracted, or subcontracted.

In addition the following minimum qualifications shall be met for:

a) Registered Nurse
   a. A registered nurse licensed in the state of New Hampshire, Bachelor's degree preferred. Minimum of one year experience in a community health setting.

b) Nutritionists:
   a. A Bachelor's degree in nutritional sciences or dietetics, or a Master's degree in nutritional sciences, nutrition education, or public health nutrition or current Registered Dietitian status in accordance with the Commission on dietetic Registration of the American Dietetic Association.

   b. Individuals who perform functions similar to a nutritionist but do not meet the above qualifications shall not use the title of nutritionist.

c) Social Workers shall have:

Contractor Initials: PK

Date: 4/9/12

a. A Bachelor's or Master's degree in social work or Bachelor's or Master's degree in a related social science or human behavior field. A minimum of one year of experience in a community health or social services setting is preferred.

b. Individuals who perform functions similar to a social worker but do not meet the above qualifications shall not use the title of social worker.

d) Clinical Coordinators shall be:

a. A registered nurse (RN), physician, physician assistant or nurse practitioner with a license to practice in New Hampshire.

b. The coordinator is a clinical position that oversees and takes responsibility for the clinical and administrative functions of each program.

c. Coordinator may be responsible for more than one MCH funded program.

2. New Hires

The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing within one month of hire when a new administrator, clinical coordinator or any staff person essential to carrying out contracted services is hired to work in the program. A resume of the employee shall accompany the aforesaid notification.

3. Vacancies

a) The Contractor must notify the MCHS in writing if any critical position is vacant for more than one month, or if at any time funded under this contract does not have adequate staffing to perform all required services for more than one month. This may be done through a budget revision.

b) Before an agency hires new program personnel that do not meet the required staff qualifications, the agency shall notify the MCHS in writing requesting a waiver of the applicable staffing requirements. The Section may grant waivers based on the need of the program, individuals' experience, and additional training.

C) Coordination of Services

1. The Contractor shall coordinate, where possible, with other service providers within the contractor's community. At a minimum, such collaboration shall include interagency referrals and coordination of care.

2. The Contractor shall engage in outreach activities to identify homeless individuals and educate them about the availability of primary care services. This should be done in coordination with other service providers, when appropriate.

3. The Contractor shall participate in activities *in the Public Health Region in which they provide services* as appropriate. These activities enhance the integration of community-based public health prevention and health care initiatives that are being implemented by the contractor and may include community needs assessments, public health performance assessments, and/or the development of regional health improvement plans.

4. The Contractor agrees to *participate in and* coordinate with public health activities as requested by the Division of Public Health during any *disease outbreak* and/or *emergency*, natural or man-made, affecting the public's health.

Contractor Initials: _____

Date 4/9/12

5. The Contractor is responsible for case management of the client enrolled in the program and for program follow-up activities. Case management services shall promote effective and efficient organization and utilization of resources to assure access to necessary comprehensive medical, nutritional, and social services for clients.

6. The Contractor shall assure that *appropriate, responsive, and timely* referrals and linkages for other needed services are made, carried through, and documented. Such services shall include, but not be limited to: dental services, genetic counseling, high risk prenatal services, mental health, social services, including domestic violence crisis centers, substance abuse services; and family planning services, Early Supports and Services Program, local WIC/CSF Program, Home Visiting New Hampshire Programs and health and social service agencies which serve children and families in need of those services.

D) Meetings and Trainings

The contractor will be responsible for sending staff to meetings and training required by the MCHS program, including but not limited to:

1. MCHS Agency Directors' meetings

2. MCHS Agency Medical Directors meetings

III. Quality or Performance Improvement (QI/PI)

A) Workplans

1. Performance Workplans are required for this program and are used to monitor achievement of standard measures of performance of the services provided under this contract. The workplans are a key component of the RHPCS and the MCHS performance-based contracting system and of this contract. *Outcomes shall be reported by clinical site.*

2. Submit Performance Workplans and Workplan Outcome reports according to the schedule and instructions provided by the MCHS. The MCHS shall notify the Contractor at least 30 days in advance of any changes in the submission schedule.

3. The Contractor shall incorporate required and developmental performance measures, defined by the MCHS into the agency's Performance Workplan. Reports on Workplan Progress/Outcomes shall detail the Performance Workplan and activities that monitor and evaluate the agency's progress toward performance measure targets.

4. The Contractor shall comply with modifications and/or additions to the workplan and annual report format as requested by RHPCS and MCHS. *MCHS* will provide the contractor with reasonable notice of such changes.

5. Agencies contracting for Primary Care Services must submit the workplans for Primary Care *Clinical and Financial*, Child Health, and Prenatal Care.

B) Additional Reporting Requirements

In addition to Performance Workplans, the Contractor shall submit to MCHS and the following data *and information listed below which are* used to monitor program performance:

1. In years when contracts or amendments are not required, the DPHS Budget Form, Budget Justification, Sources of Revenue and Program Staff list forms must be completed according to

the relevant instructions and submitted as requested by DPHS and, at minimum, by April 30 of each year.

2. The Sources of Revenue report must be resubmitted at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

3. Completed Uniform Data Set (UDS) tables reflecting program performance in the previous calendar year, by March 31 of each year.

4. If prenatal care is provided, Perinatal Client Data Form (PCDF) shall be submitted electronically according to the instructions set forth by the MCHS.

5. A copy of the agency's updated Sliding Fee Scale including the amount(s) of any client fees and the schedule of discounts must be submitted by March 31st of each year. The agency's sliding fee scale must be updated annually based on the US DHHS Poverty guidelines as published in the Federal Register.

6. An annual summary of program-specific patient satisfaction results obtained during the prior contract period and the method by which the results were obtained shall be submitted annually as an addendum to the Workplan Outcome/Progress reports.

C) **On-site reviews**

1. The contractor shall allow a team or person authorized by the Division of Public Health Services to periodically review the contractor's systems of governance, administration, data collection and submission, clinical and financial management, and delivery of education services in order to assure systems are adequate to provide the contracted services.

2. Reviews shall include client record reviews to measure compliance with this exhibit.

3. The contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.

4. On-Site reviews may be waived or abbreviated at the discretion of MCHS, upon submission of satisfactory reports of reviews such as Health Services Resources Administration (HRSA): Office of Performance Review (OPR), or reviews from nationally accreditation organizations such as the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), Medicare, the Community Health Accreditation Program (CHAP), or Accreditation Association for Ambulatory Healthcare (AAAHC). Abbreviated reviews will focus on any deficiencies found in previous reviews, issues of compliance with this exhibit, and actions to strengthen performance as outlined in the agency Performance Workplan.

Exhibit B

Purchase of Services
Contract Price

Primary Care Services for the Homeless

CONTRACT PERIOD: July 1, 2012 or date of G&C approval, whichever is later, through June 30, 2014

CONTRACTOR NAME: Harbor Homes, Inc.

ADDRESS: 45 High Street
Nashua, New Hampshire 03060
President and Chief Executive Officer: Peter Kelleher
TELEPHONE: 603-882-3616

Vendor #155358-B001 Job #90080000 Appropriation #010090-51900000-102-500731

1. The total amount of all payments made to the Contractor for cost and expenses incurred in the performance of the services during the period of the contract shall not exceed:

   $118,552 for Primary Care Services for the Homeless, funded from 19.95% federal funds from the US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau (CFDA #93.994) and 80.05% general funds.

TOTAL: $118,552

2. The Contractor agrees to use and apply all contract funds from the State for direct and indirect costs and expenses including, but not limited to, personnel costs and operating expenses related to the Services, as detailed in the attached budgets. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. The Contractor agrees not to use or apply such funds for capital additions or improvements, entertainment costs, or any other costs not approved by the State.

3. This is a cost-reimbursement contract based on an approved budget for the contract period. Reimbursement shall be made monthly based on actual costs incurred during the month up to an amount not greater than one-twelfth of the contract amount. Reimbursement greater than one-twelfth of the contract amount in any month shall require prior, written permission from the State.

4. Invoices shall be submitted by the Contractor to the State in a form satisfactory to the State for each of the Service category budgets. Said invoices shall be submitted within twenty (20) working days following the end of the month during which the contract activities were completed, and the final invoice shall be due to the State no later than sixty (60) days after the contract Completion Date. Said invoice shall contain a description of all allowable costs and expenses incurred by the Contractor during the contract period.

5. Payment will be made by the State agency subsequent to approval of the submitted invoice and if sufficient funds are available in the Service category budget line items submitted by the Contractor to cover the costs and expenses incurred in the performances of the services.

6. The Contractor may amend the contract budget for any Service category through line item increases, decreases, or the creation of new line items provided these amendments do not exceed the contract price for that particular Service category. Such amendments shall only be made upon written request to and written approval by the State. Budget revisions will not be accepted after June 20th of each contract year.

Contractor Initials: [signature]
Date: 4/9/12

7. The Contractor shall have written authorization from the State prior to using contract funds to purchase any equipment with a cost in excess of three hundred dollars ($300) and with a useful life beyond one year.

Exhibit C

SPECIAL PROVISIONS

1. **Contractors Obligations:** The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

2. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

3. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

4. **Documentation:** In addition to the determination forms, required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

5. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

6. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

7. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

8. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractor's costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party fundors for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party fundors, the Department may elect to:

    8.1 Renegotiate the rates for payment hereunder, in which event new rates shall be established;

Contractor Initials: AK
Date: 4/9/12

8.2 Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

8.3 Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

9. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:

9.1 **Fiscal Records:** Books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

9.2 **Statistical Records:** Statistical, enrollment, attendance, or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

9.3 **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

10. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.

10.1 **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.

10.2 **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

11. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directed connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Contractor Initials: PK
Date: 4/9/12

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

12. **Reports: Fiscal and Statistical:** The Contractor agrees to submit the following reports at the following times if requested by the Department

12.1 Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.

12.2 Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

13. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

14. **Credits:** All documents, notices, press releases, research reports, and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:

14.1 The preparation of this (report, document, etc.), was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, Division of Public Health Services, with funds provided in part or in whole by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

15. **Operation of Facilities:** Compliance with Laws and Regulations: In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the Contractor with respect to the operation of the facility or the provision of the services at such facility. If any government license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

Contractor Initials: PK

Date: 4/9/12

16. **Insurance:** Select either (1) or (2) below:

As referenced in the Request for Proposal, Comprehensive General Liability Insurance Acknowledgement Form, the Insurance requirement checked under this section is applicable to this contract:

Insurance Requirement for (1) - 501(c) (3) contractors whose annual gross amount of contract work with the State does not exceed $500,000, per RSA 21-I:13, XIV, (Supp. 2006): The general liability insurance requirements of standard state contracts for contractors that qualify for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the state does not exceed $500,000, is comprehensive general liability insurance in amounts of not less than $1,000,000 per claim or occurrence and $2,000,000 in the aggregate. *These amounts may NOT be modified.*

X (1) The contractor certifies that it **IS** a 501(c) (3) contractor whose annual total amount of contract work with the State of New Hampshire does **not** exceed $500,000.

Insurance Requirement for (2) - All other contractors who do not qualify for RSA 21-I:13, XIV, (Supp. 2006), Agreement P-37 General Provisions, 14.1 and 14.1.1. Insurance and Bond, shall apply: The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, both for the benefits of the State, the following insurance: comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per incident or occurrence. *These amounts MAY be modified if the State of NH determines contract activities are a risk of lower liability.*

☐ (2) The contractor certifies it does **NOT** qualify for insurance requirements under RSA 21-I:13, XIV (Supp. 2006).

17. **Renewal:**

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two (2) additional year(s), contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

18. **Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:**

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

Date: 4/9/12

19. **Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;**

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

Contractor Initials: PV

Date: 4/9/12

SPECIAL PROVISIONS – DEFINITIONS

As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean the section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Whenever federal or state laws, regulations, rules, orders, and policies, etc., are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc., as they may be amended or revised from time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

Standard Exhibit D

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act to 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I – FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES – CONTRACTORS
US DEPARTMENT OF EDUCATION – CONTRACTORS
US DEPARTMENT OF AGRICULTURE – CONTRACTORS

This certification is required by the regulations implementing Sections 5151-51-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). the January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630 of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services,
129 Pleasant Street
Concord, NH 03301

1) The grantee certifies that it will or will continue to provide a drug-free workplace by:

   (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

   (b) Establishing an ongoing drug-free awareness program to inform employee's about:

      (1) The dangers of drug abuse in the workplace;
      (2) The grantee's policy of maintaining a drug-free workplace;
      (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
      (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

   (c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

   (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:

      (1) Abide by the terms of the statement; and

Contractor Initials: [illegible]
Date: 4/9/12

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph (d) (2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).

2) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, State, zip code) (list each location) .

CERTIFICATION REGARDING LOBBYING

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES – CONTRACTORS
US DEPARTMENT OF EDUCATION – CONTRACTORS
US DEPARTMENT OF AGRICULTURE – CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

Contract Period: 7/1/12 or date of G&C Approval, whichever is later, through 6/30/14

The undersigned certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

(2) If any funds, other than Federal appropriated funds, have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions, attached and identified as Standard Exhibit E-I.

(3) The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions, execute the following Certification:

Instructions for Certification

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transition. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transition," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntary excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rule implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction", "provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

Contractor Initials: [illegible]
Date: 4/9/12

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

1. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

   a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

   b. have not within a three-year period preceding this proposal (contract) been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

   c. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph 1 b of this certification; and

   d. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

2. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

Lower Tier Covered Transactions

By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:

(a) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

(b) where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion – Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

State of New Hampshire
Department of Health and Human Services
Amendment #2 to the Primary Care Services Contract

This 2nd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #2") dated this, 30th day of April, 2015 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Indian Stream Health Care, Inc. (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business located at 141 Corliss Lane, Colebrook, NH 03576.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #125) and amended by an agreement (Amendment #1 to the Contract) approved on May 8, 2014 (Item #34A), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 of the Agreement, and Exhibit C, Special Provisions, Paragraph 17, the State may amend the contract terms and conditions and renew the contract for two (2) additional years by written agreement of the parties and approval of the Governor and Executive Council; and

WHEREAS, the parties agree to extend the contract for two additional years, add services to Exhibit A, Scope of Services and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:
   June 30, 2017
2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:
   $498,394
3. Form P-37, General Provisions, Item 1.9, Contracting Officer for State Agency, to read:
   Eric D. Borrin
4. Form P-37, General Provisions, Item 1.10, State Agency Telephone Number, to read:
   (603) 271-9558
5. Delete Exhibit A, Scope of Services and Exhibit A-1 Amendment 1, Scope of Services and replace with Exhibit A – Amendment #2.
6. Delete Exhibit A-1 Amendment #1 - Performance Measures and replace with Exhibit A-1 Amendment #2 – Performance Measures.

7. Delete Exhibit B, Purchase of Services Contract Price and replace with Exhibit B – Amendment #2, Method and Conditions Precedent to Payment.
8. Add Exhibit B-1, Budget Form Primary Care through Exhibit B-6, Budget Form SBIRT.
9. Standard Exhibit D, Certification Regarding Drug-Free Workplace Requirements, Period Covered by this Certification, to read:

   From 7/1/2012 to 6/30/2017
10. Standard Exhibit E, Certification Regarding Lobbying, Contract Period, to read:

    July 1, 2012 through June 30, 2017
11. Delete Standard Exhibit G, Certification Regarding the Americans with Disabilities Act Compliance, and replace with Exhibit G, Certification of Compliance with Requirements Pertaining to Federal Nondiscrimination, Equal Treatment of Faith-Based Organizations and Whistleblower Protections.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. Office-based and enabling **Primary Care** services shall be provided individuals and families who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income, which is defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. **Breast and Cervical Cancer Screening** Services shall be provided to women ages twenty-one(21) through sixty-four (64) who are:

1.5.1. Uninsured.

1.5.2. Underinsured.

1.5.3. Low-income, which is defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.6. **Screening, Brief Intervention and Referrals to Treatment** (SBIRT) Services shall be provided to all individuals who seek services described in Section 1.4 and Section 1.5, above.

1.7. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.7.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.7.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.7.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care or Breast and Cervical Cancer Screening Services for new patients is limited or closed for more than a one month period.

2.2. The Contractor shall maintain documentation for each individual receiving services described in this contract that includes, but is not limited to:

2.2.1. Family income.

2.2.2. Family size.

2.2.3. Income in relation to the Federal Poverty Guidelines.

2.3. The Contractor shall assist individuals with completing a Medicaid application when income calculations indicate possible Medicaid eligibility.

2.4. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.5. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.5.1. Update the sliding fee scale on an annual basis when new Federal Poverty Guidelines are released.

2.5.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services.

3.1.2. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.1.3. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.1.4. Assessment of need for:

3.1.4.1. Tobacco cessation, including referral to NH Quitworks, as appropriate.

3.1.4.2. Social services.

3.1.4.3. Nutrition services, including WIC, as appropriate.

3.1.4.4. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which shall include, but not be limited to:

3.2.1. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.2.2. Care facilitated by registries, information technology, health information exchange and other means to assure that patients get the necessary care when and where they need and want it in a culturally and linguistically appropriate manner.

3.2.3. An integrated model of primary care that may include, but is not limited to:

3.2.3.1. Behavioral health.

3.2.3.2. Oral health.

3.2.3.3. Use of navigators and case management.

3.2.3.4. Co-location of services and system-level integration of care and fiscal accountability.

3.3. The Contractor can choose to provide enabling services, if the budget allows, which are non-clinical services that support the delivery of basic primary care and services, and facilitate access to comprehensive patient care as well as social services. The Contractor can facilitate enabling services that include, but are not limited to:

3.3.1. Case management.

3.3.2. Benefit counseling.

3.3.3. Eligibility assistance.

3.3.4. Health education and supportive counseling.

3.3.5. Interpretation.

3.3.6. Outreach.

3.3.7. Transportation.

3.3.8. Education of patients and the community regarding the availability and appropriate use of health services.

3.4. The Contractor must elect to do at least one (1) quality improvement project which consists of systematic and continuous actions that lead to measurable improvement in health care services and the health status of targeted patient groups. The Contractor shall facilitate a minimum of one (1) quality improvement project that includes, but is not limited to:

3.4.1. Enhancing clinical workflow/improve patient outcomes by methods that may include, but are not limited to:

3.4.1.1. Alerts.

3.4.1.2. Guidelines.

3.4.1.3. Diagnostic support.

3.4.1.4. Patient registries.

3.4.1.5. Collaborative learning sessions, etc.)

3.4.2. Implementing projects that lead to measurable improvements on any of the performance measures and indicators identified in Exhibit A-1 Amendment #2

3.4.3. Utilizing defined improvement processes to coordinate quality improvement activities.

3.4.4. Identifying and defining specific goals and objectives to be achieved in the project period.

4. Breast and Cervical Cancer Screening Services

4.1. The Contract shall develop work plans based on performance measures in Exhibit A-1 that include activities related to:

4.1.1. The provision of breast and cervical cancer screening.

4.1.2. The promotion of breast and cervical cancer screening.

4.2. The Contractor shall implement evidence-based interventions outlined in the Centers for Disease Control and Prevention Guide to Community Preventative Services (http://www.thecommunityguide.org/index/html) to support the provision and promotion of breast and cervical cancer screening rates, including but not limited to provider reminder systems and patient reminders.

4.3. The Contractor shall provide breast and cervical cancer screening for the early detection of breast and cervical cancer in accordance with the policies and procedures outlined in the BCCP Policy and Procedure Manual, following nationally accepted screening recommendations. Screenings shall include but not be limited to:

4.3.1. Clinical pelvic examinations.

4.3.2. Clinical breast examinations.

4.3.3. Mammograms.

4.3.4. Pap and HPV tests, if appropriate.

4.3.5. Referrals for diagnostic and treatment services, as necessary.

4.4. The Contractor shall provide services to the number of individuals as follows:

4.4.1. 75% of all mammograms shall be provided to women ages fifty (50) to sixty-four (64) at all screening sites.

4.4.2. A maximum of 25% of all mammograms shall be provided to women under the age of fifty (50) at all screening sites.

4.4.3. 20% of newly enrolled women for Pap tests shall be provided at all screening sites to women who have not had a Pap test in over five (5) years.

4.5. The Contractor shall ensure all referrals are made in accordance with the minimum standards outlined in the BCCP Policy and Procedure Manual to facilities that provide approved and certified laboratory, pathology, radiology and surgical services. The Contractor shall ensure:

4.5.1. Mammography units are accredited by the American College of Radiology and FDA certified under MQSA.

4.5.2. Laboratories are CLIA certified.

4.6. The Contractor shall ensure all services and case management activities are completed in accordance with the BCCP Policy and Procedure Manual, including but not limited to follow-up and tracking of all client tests results and referrals.

4.7. The Contractor shall provide screening promotion for all eligible individuals, which includes, but is not limited to:

4.7.1. Patient navigation services that assist individuals to overcome health systems barriers and facilitate timely access to:

4.7.1.1. Quality breast and cervical cancer screening.

4.7.1.2. Breast and cervical cancer diagnostics.

4.7.1.3. Initiation of breast and cervical cancer treatment, when applicable.

4.7.1.4. Assurance that patient navigation services are terminated when the patient:

4.7.1.4.1. Completes screening and has normal results.

4.7.1.4.2. Completes diagnostic testing and has normal results.

4.7.1.4.3. Initiates breast and/or cervical cancer treatment or refuses treatment.

4.7.2. Patient navigation services shall include, but not be limited to:

4.7.2.1. A written assessment of individual client barriers.

4.7.2.2. Client education and support.

4.7.2.3. Assistance with resolving client barriers, including but not limited to transportation and translation services, as appropriate.

4.7.2.4. Tracking and follow-up to monitor client progress in completing screening, diagnostic testing, and initiation of treatment, as needed.

4.7.2.5. A minimum of two contacts with the client, either in person or by telephone.

4.7.2.6. Collecting data to evaluate the primary outcomes of patient navigation, which shall include adherence to screening, diagnostic testing and cancer treatment initiation.

4.7.2.7. Tracking of patients lost to follow-up, as appropriate.

5. Screening, Brief Intervention, and Referral to Treatment (SBIRT) Services

5.1. The Contractor shall develop the infrastructure necessary to provide and record Screening, Brief Intervention, and Referral to Treatment (SBIRT) services related to substance use for all eligible individuals ages nineteen (19) to sixty-five (65) years and for all pregnant women, regardless of age, receiving services in Section 3 and/or Section 4. The Contractor shall:

5.1.1. Provide training to integrated primary care and behavioral health teams to ensure SBIRT activities are conducted with fidelity to the model in Section 5.1.

5.1.2. Modify and/or adapt current Electronic Health Records (EHR) systems in order to track SBIRT:

5.1.2.1. Activities

5.1.2.2. Completions.

5.1.2.3. Recommendations and referrals.

5.1.2.4. Follow-ups.

5.1.3. Utilize Substance Use Disorder (SUD) codes in the EHR for billing that shall:

5.1.3.1. Enable submission for payment through NH Managed Care/Medicaid and other insurance companies.

5.1.3.2. Allow the generation of reports.

5.2. The Contractor shall implement SBIRT services by ensuring sufficient qualified staff are available to conduct SBIRT services according to the SBIRT model described by the Centers for Disease Control (CDC), available on-line at http/www.dcd.gov/ncddd/fasd/documents/aloholsbiimplementationguide.pdf. The Contractor shall:

5.2.1. Implement SBIRT services by including SBIRT activities in daily operations.

5.2.2. Use one or more of the screening instruments listed in Appendix E of "Systems-Level Implementation of Screening, Brief Intervention and Referral to Treatment. TAP 33" (2013 edition) (http://www.integration.samhsa.gov/sbirt/TAP33.pdf) and document screening in the electronic health record (EHR).

5.2.3. Conduct brief interventions with patients who screen positive for potential substance use concerns and document activities in the EHR.

5.2.4. Refer patients to Substance Use Disorder (SUD) treatment services as necessary, and ensure each patient has connected with the specific service

provider by documenting in the EHR, which is audited to ensure appropriate follow up.

5.2.5. Conduct SBIRT with covered populations that include all adults on an annual basis and pregnant women on a trimester basis.

5.3. Coordinate care between community health center (CHC) services and external treatment providers by collaborating with entities that provide SUD treatment services not available at the CHC. The Contractor shall:

5.3.1. Obtain client consents to contact service providers in order to resolve any barriers to accessing services.

5.3.2. Refer patients for SUD services, as needed.

5.3.3. Follow up with patient and/or SUD service provider to ensure appropriate services are provided.

5.3.4. Work with Regional Public Health Networks (RPHNs) to identify new SUD referral resources as they become available.

5.4. The Contractor shall test SBIRT fidelity with a subset of the target population prior to full implementation for all adults ages nineteen (19) to sixty-five (65) annually and pregnant women at each trimester.

6. Staffing

6.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH licenses whether directly employed, contracted or subcontracted.

6.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

6.3. The Contractor shall ensure staff delivering SBIRT services have, at minimum, one of the following:

6.3.1. Masters prepared behavioral health practitioners. This includes individuals licensed under the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board.

6.3.2. Masters prepared and in the process of obtaining a license from the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board, while under the supervision of a licensed practitioner of the same profession.

6.3.3. Physicians or Advanced Practice Registered Nurses licensed to practice in NH.

6.3.4. Physician Assistants or other practitioners under the supervision of a Physician licensed to practice in NH.

6.4. The Contractor may deliver breast and cervical cancer screening navigation services through a combination of staff, which may include the provision of outreach and education by lay persons with clinical case management services provided by either:

6.4.1. A registered nurse who:

6.4.1.1. Is licensed with the NH Board of nursing; or

6.4.1.2. Has attained bachelor's degree from a recognized college or university.

6.4.2. A nurse who is working under the direct supervision of a registered nurse, as described in Section 6.4.1.

6.5. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services in writing and include a copy of the individual's resume, within one month of hired.

6.6. The Contractor shall notify the MCHS, in writing, when:

6.6.1. Any critical position is vacant for more than one month.

6.6.2. There is not adequate staffing to perform all required services for more than one month.

7. Coordination of Services

7.1. The Contractor shall coordinate referrals for continued care of treatment, or breast or cervical healthcare, with other service providers within the community, where possible.

7.2. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

7.2.1. Community needs assessments.

7.2.2. Public health performance assessments.

7.2.3. The development of regional health improvement plans.

7.3. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

8. Required Meetings & Trainings

8.1. The Contractor shall attend meetings and trainings facilitated by the MCHS and BCCP programs that include, but are not limited to:

8.1.1. MCHS Agency Directors' meetings.

8.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year.

8.1.3. MCHS Agency Medical Services Directors' meetings.

8.1.4. BCCP Site Coordinators' annual meetings.

9. Workplans, Outcome Reports & Additional Reporting Requirements

9.1. The Contractor shall provide an annual BCCP Performance Workplan and Workplan Outcomes Report according to the schedule and instructions provided by the BCCP, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule.

9.2. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a corrective action plan per directions from MCHS.

9.3. The Contractor shall submit an annual Workplan and Workplan Outcome Report for the quality improvement project(s) that demonstrates improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.4. If utilizing any portion of this contract for enabling services, the Contractor shall submit an annual Workplan and Workplan Outcome Report that includes at least one (1) performance measure for each type of enabling service provided. This shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.5. The Contractor shall complete the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st.

9.6. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

9.7. The Contractor shall submit monthly Outcome Reports for SBIRT services according to the schedule and instructions provided by the MCHS. The Contractor shall:

9.7.1. Collect information that includes, but is not limited to:

9.7.1.1. Description of the training provided, including but not limited to:

9.7.1.1.1. The content of the training provided.

9.7.1.1.2. The number of staff who received training.

9.7.1.2. The number of:

9.7.1.2.1. Qualified staff conducting SBIRT

9.7.1.2.2. SBIRT billing codes developed.

9.7.1.2.3. SBIRT services billed to insurance.

9.7.1.3. Updates on any changes, enhancements or adaptations to SBIRT procedures in:

9.7.1.3.1. Technology based systems.

9.7.1.3.2. Staffing.

9.7.1.3.3. Coding and billing.

9.7.1.4. The total number of clients receiving SBIRT delineated by:

9.7.1.4.1. Percentage of clients receiving only screening.

9.7.1.4.2. Percentage of clients receiving brief interventions.

9.7.1.4.3. Percentage of clients referred for more intensive services who initiated services.

9.7.1.4.4. Percentage of clients referred for more intensive services who had problems connecting to services.

9.8. The Contractor shall submit an annual report on April 30th in each year a contract amendment or renewal is not required that includes, but is not limited to:

9.8.1. DPHS Budget Form.

9.8.2. Budget Justification.

9.8.3. Sources of Revenue.

9.8.4. Program Staff List, which includes staff titles

9.9. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9.10. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

9.10.1. Survey template.

9.10.2. Method by which the results were obtained.

10. On-Site Reviews

10.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

10.1.1. Systems of governance.

10.1.2. Administration.

10.1.3. Data collection and submission.

10.1.4. Clinical and financial management.

Contractor's Initials: JWB

Date 5-27-15

10.1.5. Delivery of education services.

10.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

10.2.1. Client records.

10.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

10.2.3. SBIRT documentation, which includes but is not limited to:

10.2.3.1. SBIRT policies and procedures.

10.2.3.2. Staff credentials for all staff delivering SBIRT services

10.2.3.3. SBIRT procedures utilized and documented in patient records.

10.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Exhibit A-1 – Amendment #2

1. PRIMARY CARE PERFORMANCE MEASURES

1.1. Breastfeeding

1.1.1. **Percent of infants who are ever breastfed** (Title V PM #10).

1.1.1.1. Numerator: Infants who were ever breastfed or received breast milk

1.1.1.2. Denominator: All infants born in a state fiscal year

1.2. Preventive Health: Lead Screening

1.2.1. **Percent of children 2 years of age who had one or more capillary or venous lead blood test for lead poisoning by their second birthday.** (CMS, Hedis).

1.2.1.1. Numerator: At least one capillary or venous blood test on or before the child's second birthday.

1.2.1.2. Denominator: Children who turn 2 years old during the state fiscal year.

1.3. Preventive Health: Adolescent Well-Care Visit

1.3.1. **Percent of adolescents, 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year** (Hedis, Title V PM #7).

1.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

1.3.1.2. Denominator: Number of adolescents, ages 12 through 21 years of age.

1.4. Preventive Health: Depression Screening

1.4.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (ACO 18, NQF 0418).

1.4.1.1. Numerator: Patients who are screened for clinical depression using an age-appropriate standardized depression screening tool AND if positive, a follow-up plan documented.

1.4.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.1.3. Denominator: All patients 12 years and older.

1.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

1.4.2. **Maternal Depression Screening** (Developmental: not required for FY 16)

1.4.2.1. **Percentage of women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen.**

1.4.2.1.1. Numerator: Women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool and screen negative.

AND

Women who are screened for depression during the post-partum visit using an appropriate standardized depression screening tool, screen positive, AND have a follow-up plan documented.

1.4.2.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.2.1.3. Denominator: All women who are at least 6 weeks post-partum in a state fiscal year.

1.4.2.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

1.5. **Preventive Health: Obesity Screening**

1.5.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (ACO 16, NQF 0421, HRSA UDS).

1.5.1.1. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

1.5.1.2. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters.

1.5.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist,

occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

1.5.1.4. Denominator: All patients aged 18 years and older who had at least one medical visit during the state fiscal year.

1.5.2. Percent of patients aged 2 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (HRSA UDS).

1.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

1.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

1.6. **Preventive Health: Tobacco Screening**

1.6.1. Percent of patients aged 18 years and older who were screened for tobacco use one or more times within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user (ACO 17, NQF 0028, HRSA UDS).

1.6.1.1. Numerator: Patients who were screened for tobacco use at least once within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.1.2. Definitions:

1.6.1.2.1. Tobacco Use: Includes any type of tobacco

1.6.1.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.1.3. Denominator: All patients aged 18 years and older seen for at least two visits ever

1.6.2. **Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user** (Title V, PM #15).

1.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.2.2. Definitions:

1.6.2.2.1. Tobacco Use: Includes any type of tobacco

1.6.2.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.2.3. Denominator: All women who delivered a live birth in a state fiscal year

1.7. **At Risk Population: Hypertension**

1.7.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90 mm Hg) during the measurement year** (ACO 28, NQF 0018).

1.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm Hg at the time of their last measurement.

1.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)

1.8. **Patient Safety: Falls Screening**

1.8.1. **Percent of patients aged 65 years and older who were screened for future fall risk at least once within 12 months** (ACO 13, NQF0101).

1.8.1.1. Numerator: Patients who were screened for future fall risk at least once within 12 months.

1.8.1.2. Definition of Fall: a sudden, unintentional change in position causing an individual to land at a lower level, on an object, the floor, or the ground, other than as a consequence of a sudden onset of paralysis, epileptic seizure, or overwhelming external force.

1.8.1.3. Numerator note: Patients are considered at risk for future falls if they have had 2 or more falls in the past year or any fall with injury in the past year.

1.8.1.4. Denominator: All patients aged 65 years and older

1.8.1.5. Excluded from denominator population: (Exclusion only applied if patient was not screened for future fall risk) Documentation of medical reason(s) for not screening for future fall risk (e.g. patient is not ambulatory)

2. BCCP PERFORMANCE MEASURES

2.1. BCCP Performance Measure #1

2.1.1. **Measure:*** 78% of female patients age 24 through 64 years of age screened for cervical cancer per USPSTF guidelines.

2.1.2. **Numerator** – Number of female patients 24 through 29 years of age who have had a documented pap in the past 3 years AND female patients 30-64 who have either had a pap in the past 3 years OR an HPV test and a pap in the past 5 years

2.1.3. **Denominator** – Number of female patients 24 through 64 years of age who have had a visit in the past year and do not have evidence of having had a total hysterectomy.

2.1.4. **Data Source:** Chart audits or query of 100% of the **total** population of patients as described in the denominator.

2.1.5. *Measure based on the UDS measure

2.1.6. **Healthy People 2020 National Target is 93%

2.2. BCCP Performance Measure #2

2.2.1. **Measure:*** 75% of female patients age 52 through 74 years of age screened for breast cancer per USPSTF guidelines.

2.2.2. **Numerator** – Number of female patients 52 through 74 years of age who have had a documented mammogram in the past 24 months.

2.2.3. **Denominator** – Number of female patients 52 through 74 years of age who have had a visit in the past year and do not have evidence of having had a bilateral mastectomy.

2.2.4. **Data Source:** Chart audits or query of 100% of the **total** population of patients as described in the denominator.

2.2.5. *Measure based on the USPSTF Guidelines

2.2.6. ** Healthy People 2020 National Target is 81.1%

3. SBIRT PERFORMANCE MEASURES

3.1. **Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services**

3.1.1. **Numerator:** Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention or referral to services.

3.1.2. Definitions

3.1.2.1. Substance Use: Includes any type of alcohol or drug.

3.1.2.2. Brief Intervention: Includes guidance or counseling.

3.1.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

3.1.3. Denominator: Number of patients aged 18 years and older seen for annual visit within 12 months.

3.2. **Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program AND if positive, received a brief intervention or referral to services**

3.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

3.2.2. Definitions:

3.2.2.1. Substance Use: Includes any type of alcohol or drug.

3.2.2.2. Brief Intervention: Includes guidance or counseling.

3.2.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

3.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the state fiscal year.

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov):
   2.1. #93.959, Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA) Block Grants for Prevention and Treatment of Substance Abuse.
   2.2. #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds.
   2.3. #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #2, Scope of Services, in accordance with Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2.
4. The Contractor shall use and apply the amount in the SBIRT line item in Exhibit B-3 and Exhibit B-6 on actual SBIRT services provided.
5. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
6. Payment for said services shall be made as follows:
   6.1. The Contractor will submit an invoice by the tenth (10^{th}) working day of each month, which identifies and requests reimbursement for:
      6.1.1. Authorized expenses incurred in the prior month.
      6.1.2. The units of SBIRT services provided, in accordance with Exhibit A – Amendment #2, Section 5.2.2 through Section 5.2.5 and Section 5.3.1 through Section 5.3.3, which shall be paid on a fee-for-service basis at the following rates:
         6.1.2.1. $29.86 for each unit of service that is 15-30 minutes.
         6.1.2.2. $57.31 for each unit of service that is more than 30 minutes.
   6.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   6.3. The invoice must be submitted by mail or e-mail to:

      Financial Manager
      Department of Health and Human Services
      129 Pleasant Street
      Concord, NH 03301

      E-mail: dphscontractbilling@dhhs.state.nh.us

7. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.
8. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
9. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
10. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2 and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

Independent Auditors' Report

Board of Directors
Indian Stream Health Center, Inc.
Colebrook, New Hampshire

We have audited the accompanying financial statements of Indian Stream Health Center, Inc., which comprise the balance sheets as of December 31, 2013 and 2012, the related statements of operations, changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Indian Stream Health Center, Inc. as of December 31, 2013 and 2012, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 25, 2014, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and important for assessing the results of our audit.

(See accompanying notes to these financial statements)

INDIAN STREAM HEALTH CENTER, INC.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013 AND 2012

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Indian Stream Health Center, Inc., "the Organization," is a non-stock, not-for-profit corporation organized in New Hampshire. The Organization is a Federally Qualified Health Center (FQHC) which provides outpatient health care and disease prevention services to residents of rural communities located in New Hampshire, Vermont, and Maine.

Income Taxes

The Organization is a public charity under Section 501(c)(3) of the Internal Revenue Code. As a public charity, the Organization is exempt from state and federal income taxes on income earned in accordance with its tax exempt purpose. Unrelated business income is subject to state and federal income tax. Management has evaluated the Organization's tax positions and concluded that the Organization has no unrelated business income or uncertain tax positions that require adjustment to the financial statements. Management believes the Organization is no longer subject to income tax examinations for years prior to 2010.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include highly liquid investments with an original maturity of three months or less, excluding assets limited as to use.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounts Receivable

Accounts receivable are reduced by an allowance for doubtful accounts. In evaluating the collectability of accounts receivable, the Organization analyzes its past history and identifies trends for all funding sources in the aggregate. Balances in excess of 120 days are 100% reserved. Management regularly reviews data about revenue in evaluating the sufficiency of the allowance for doubtful accounts. Amounts not collected after all reasonable collection efforts have been exhausted are applied against the allowance for doubtful accounts. The Organization has not changed its methodology.

A reconciliation of the allowance for doubtful accounts follows:

	2013	2012
Balance, beginning of year	$ 277,454	$ 176,585
Provision	171,120	182,856
Write-offs	(242,568)	(81,987)
Balance, end of year	$ 206,006	$ 277,454

Decrease in allowance for doubtful accounts is primarily a result of a decrease in balances greater than 120 days due to increased write-offs during the year.

Inventory

Inventory consists of pharmaceutical drugs which are valued at the lower of cost or market.

Assets Limited as to Use

Assets limited as to use include Federal 330 grant monies designated for working capital and assets restricted by donors for future property purchases and consisted of cash and cash equivalents. The donor restricted assets were used during 2013 for the construction of the in-house pharmacy.

Property and Equipment

Property and equipment are carried at cost, less accumulated depreciation. Maintenance repairs and minor renewals are expensed as incurred and renewals and betterments are capitalized. Depreciation is computed on the straight-line method and is provided over the estimated useful life of each class of depreciable asset.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets are those whose use by the Organization has been limited by donors for a specific time or purpose.

Permanently restricted net assets are restricted by donors to be maintained by the Organization in perpetuity. The Organization has no permanently restricted net assets at December 31, 2013 and 2012.

Donor Restricted Gifts

Unconditional promises to give cash and other assets are reported at fair value at the date the promise is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets.

When a donor restriction expires, that is when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of operations as net assets released from restrictions. Donor-restricted contributions whose restrictions are met within the same year as received are reflected as unrestricted contributions in the Organization's financial statements.

Promises to Give

Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in contribution revenue. Conditional promises to give are not included as support until the conditions are substantially met.

Patient Service Revenue

The Organization has agreements with third-party payers that provide for payments to the Organization at amounts different from its established rates. A summary of the payment arrangements with major third-party payers follows:

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Patient Service Revenue (Continued)

- Medicare -- Primary care services rendered to Medicare program beneficiaries are reimbursed under cost reimbursement methodology. The Organization is reimbursed at a tentative encounter rate with final settlement determined after submission of annual cost reports by the Organization and audits thereof by the Medicare fiscal intermediary. The Organization's Medicare cost reports have been retroactively settled by the Medicare fiscal intermediary through December 31, 2012.

- Vermont Medicaid -- Primary care services rendered to Vermont Medicaid program beneficiaries are reimbursed under cost reimbursement methodology. The Organization is reimbursed at a tentative rate with final settlement determined after submission of annual cost reports by the Organization and audits thereof by the Medicaid fiscal intermediary. The Organization's Vermont Medicaid cost reports have been retroactively settled by the Medicaid fiscal intermediary through June 30, 2010.

- Other payers -- The Organization also has entered into payment agreements with certain commercial insurance carriers, health maintenance Organizations and preferred provider Organizations. The basis for payment to the Organization under these agreements includes prospectively determined rates per visit, discounts from established charges and capitated arrangements for primary care services on a per member, per month basis.

Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. Compliance with such laws and regulations can be subject to future government review and interpretation as well as significant regulatory action including fines, penalties and exclusion from the Medicare and Medicaid programs. The Organization believes that it is in substantial compliance with all applicable laws and regulations. However, there is at least a reasonable possibility that recorded estimates could change by a material amount in the near term. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in net patient service revenues in the year that such amounts become known. The differences between amounts previously estimated and amounts subsequently determined to be recoverable from third-party payers increased patient service revenues by approximately $46,973 and $143,534 for the years ended December 31, 2013 and 2012, respectively.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Patient Service Revenue (Continued)

The Organization, as a FQHC, is eligible to participate in the 340B Drug Pricing Program. The program requires drug manufacturers to provide outpatient drugs to FQHC's and other identified entities at a reduced price. The Organization operates a pharmacy and also contracts with local pharmacies under this program. The local pharmacies dispense drugs to eligible patients of the Organization and bill Medicare and commercial insurances on behalf of the Organization. Reimbursement received by the pharmacies is remitted to the Organization, less dispensing and administrative fees. Gross revenue generated from the program is included in patient service revenue. Contracted expenses incurred related to the program are included in other operating expenses. Expenses related to the operation of the Organization's pharmacy are categorized in the applicable operating expense classifications.

Excess (Deficit) of Revenue Over Expenses

The statements of operations reflect the excess (deficit) of revenues over expenses. Changes in unrestricted net assets, which are excluded from the excess (deficit) of revenues over expenses, consistent with industry practice, contributions of long-lived assets (including assets acquired using contributions which, by donor restriction were to be used for the purposes of acquiring such assets).

NOTE 2 ASSETS LIMITED AS TO USE

The composition and purpose of assets limited as to use at December 31, 2013 and 2012 follows:

	2013	2012
Cash and cash equivalents	$ 65,000	$ 145,129
Pledges receivable	-	4,800
Total	$ 65,000	$ 149,929
Working capital (Federal 330 monies)	$ 65,000	$ -
Donor restricted:		
Temporarily restricted (Note 6)	-	149,929
Total	$ 65,000	$ 149,929

Cash and cash equivalents included in assets limited as to use are not included in cash and cash equivalents for cash flow purposes or in the concentration of risk disclosure.

NOTE 3 PROPERTY AND EQUIPMENT

The cost and accumulated depreciation of property and equipment at December 31, 2013 and 2012 follows:

	2013	2012
Land	$ 30,000	$ 30,000
Building and improvements	1,838,822	1,164,880
Furniture and equipment	100,920	128,314
Total Cost	1,969,742	1,323,194
Less accumulated depreciation	275,888	239,382
Property and Equipment, Net	1,693,854	1,083,812
Construction in progress	3,990	249,974
Total Property and Equipment, Net	$ 1,697,844	$ 1,333,786

In 2010 the Organization made renovations to the building with Federal grant funding under the ARRA - Capital Improvement Program. In 2013 the Organization began building a pharmacy with Federal grant funding under the ACA - Capital Development Program. In accordance with the grant agreements, a Notice of Federal Interest (NFI) is required to be filed in the appropriate official records of the jurisdiction in which the property is located. The NFI is designed to notify any prospective buyer or creditor that the Federal Government has a financial interest in the real property acquired under the aforementioned grant; that the property may not be used for any purpose inconsistent with that authorized by the grant program statute and applicable regulations; that the property may not be mortgaged or otherwise used as collateral without the written permission of the Associate Administrator of the Office of Federal Assistance Management, Health Resources and Services Administration (OFAM, HRSA); and that the property may not be sold or transferred to another party without the written permission of the Associate Administrator of OFAM and HRSA.

NOTE 4 LINE OF CREDIT

The Organization has a $130,000 line of credit with a local bank, payable on demand through June 2014. The line of credit is secured by the Organization's business assets with interest at the prime rate plus 1% (4.25% at December 31, 2013). There was no balance outstanding at December 31, 2013 and 2012.

NOTE 5 LONG-TERM DEBT

A summary of notes payable at December 31, 2013 and 2012 follows:

	2013	2012
Note payable to Dartmouth-Hitchcock Clinic (DHC) with an interest rate of 3.75% with monthly payments of principal and interest of $1,595 through April 2019. The original principal balance was $288,000 with $100,000 of the original principal not subject to interest and which was forgiven on April 1, 2008, 2009 and 2010 in $33,333 increments. The Organization made a $100,000 advance payment to principal on December 31, 2012.	$ -	$ 7,771
Mortgage payable to a local bank with an interest rate fixed at 4.6%, with monthly payments of principal and interest of $2,466 through December 2023, secured by a first mortgage on the building with 90% of balance guaranteed by the United States Department of Agriculture. The Organization made a $141,000 advance payment to principal on December 24, 2013 and modified the terms of the loan as reflected above.	236,807	383,894
Construction loan payable to a local bank with an interest rate fixed at 4.6%, with monthly payments of principal and interest of $1,962 through December 2023, secured by a second Mortgage on the building with 90% of balance guaranteed by the United States Department of Agriculture. The Organization made a $116,000 advance payment to principal on December 24, 2013 and modified the terms of the loan as reflected above.	188,521	308,841
Total long-term debt	425,328	700,506
Less current maturities	36,182	17,877
Total Long-term Debt Excluding Current Maturities	$ 389,146	$ 682,629

NOTE 5 LONG-TERM DEBT (CONTINUED)

Scheduled principal repayments on long-term debt for the next five years and thereafter follows:

December 31,	
2014	$ 36,182
2015	37,322
2016	38,898
2017	40,540
2018	42,253
Thereafter	230,133
Total	$ 425,328

NOTE 6 TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets consisted of the following as of December 31, 2013 and 2012:

	2013	2012
Pledges for capital improvements from the capital campaign	$ -	$ 4,800
Contributions for capital acquisition	-	145,129
Total	$ -	$ 149,929

NOTE 7 PATIENT SERVICE REVENUE

A summary of patient service fees for the years ended December 31, 2013 and 2012 follows:

	2013	2012
Medicare	$ 925,670	$ 817,687
Medicaid	425,825	422,850
Third party payers and private pay	477,553	446,882
Medical patient service revenue	1,829,048	1,687,419
340B pharmacy revenue	1,224,985	1,110,409
Total Patient Service Revenue	$ 3,054,033	$ 2,797,828

NOTE 7 PATIENT SERVICE REVENUE (CONTINUED)

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, the revenue is recorded net of the free care allowance. The Organization estimates the costs associated with providing charity care by calculating the ratio of total cost to total gross charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. The estimated cost of providing services to patients under the Organization's charity care policy amounted to $324,638 and $272,007 for the years ended December 31, 2013 and 2012, respectively.

The Organization is able to provide these services with a component of funds received through local community support and federal and state grants.

NOTE 8 FUNCTIONAL EXPENSES

The Organization provides various services to residents within its geographic location. Expenses related to providing these services for the years ended December 31, 2013 and 2012 follows:

	2013	2012
Program services	$ 3,165,961	$ 2,824,389
Administrative and general	676,141	582,843
Total	$ 3,842,102	$ 3,407,232

NOTE 9 MALPRACTICE INSURANCE

The Organization is protected from medical malpractice risk as a FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of the year ended December 31, 2013, there were no known malpractice claims outstanding which in the opinion of management, will be settled for amounts in excess of both FTCA and gap insurance coverage nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew the additional medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

NOTE 10 RETIREMENT PLAN

During 2013, the Organization established a SIMPLE IRA defined contribution plan. The Organization made contributions to the plan in the amount of $24,365 for the year ended December 31, 2013.

NOTE 11 CONCENTRATION OF RISK

The Organization has cash deposits in major financial institutions in excess of $250,000, which exceeds federal depository insurance limits. The financial institution has a strong credit rating and management believes the credit risk related to these deposits is minimal.

The Organization grants credit without collateral to its patients, most of who are local residents and are insured under third-party payer agreements. The mix of accounts receivable from patients and third-party payers at December 31, 2013 follows:

Medicare	53%
Medicaid	14%
Other	33%
Total	100%

NOTE 12 PRIOR YEAR COMPARATIVE AMOUNTS

Certain prior year comparative amounts were reclassified to be consistent with current year presentation.

NOTE 13 SUBSEQUENT EVENTS

For financial reporting purposes, subsequent events have been evaluated by management through June 25, 2014, which is the date the financial statements were available to be issued.

INDIAN STREAM HEALTH CENTER, INC.

SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

The accompanying notes are an integral part of this schedule.

INDIAN STREAM HEALTH CENTER, INC.

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

FOR THE YEAR ENDED DECEMBER 31, 2013

NOTE 1 BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards, "the Schedule", includes the federal grant activity of Indian Stream Health Center, Inc., "the Organization", under programs of the federal government for the year ended December 31, 2013. The information in this schedule is presented in accordance with the requirements of the Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Because the schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-122, *Cost Principles for Non-Profit Organizations*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule, if any, represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Pass-through entity identifying numbers are presented where available.

LISA R. MACCINI

WORK EXPERIENCE

2014-2015 *Quality Assurance RN*

Working at a Federally Qualified Health Center that uses a team based approach to care providing general nursing leadership, working collaboratively with physicians and multidisciplinary team members, promoting the quality management plan as directed. Responsibilities include PCMH process and evaluation and implementation, management of group appointment programs (Chronic Disease Self Management and Annual Wellness Visits) and provision of support to the QA/Clinical Operations Director, which includes chart reviews, reporting and program management.

2010-2014 *Primary Care and Case Management RN*

Worked at a Federally Qualified Health Center providing direct patient care to patients of all ages involving vital sign assessment, past medical history documentation, medication reconciliation, dressing changes, medication administration, and care management services. These services included referrals coordination, prior authorizations from insurance companies for medications and diagnostic procedures, and individual care management as necessary.

2008-2010 *Personal Caregiver*

Rehabilitated following fractured hips, medication management, wound vac care, hospice care and dementia care.

2006-2008 New England Rehabilitation Hospital Portland, ME

Acute Rehabilitation Liaison per diem

Responsibilities include conducting comprehensive screenings of patients to determine if the patient meets criteria for acute rehabilitation after disabling injury or serious illness, including chart review, discussion with healthcare personnel, and a meeting with the patient and/or family to address pertinent information, concerns, and questions.

2006-2008 Healthy Futures Winthrop, ME

Nurse Health Advocate

Responsible for promoting healthier lifestyles for individuals in our four communities through medication counseling, blood pressure clinics, dietary

counseling, encouraging regular exercise, home visits, acting as liaison between individuals and their physicians. I served on community Wellness Committees and Pandemic committees.

2004-2006 Hackett Hill Healthcare Center Manchester, NH

Nurse Liaison

Responsibilities include evaluation of patients at area hospitals, serving as member of the intake decision making team, facility networking and marketing. The average daily census increased 5.4% since my hire.

1996-2003 Cigna Healthcare Concord, NH

Clinical Nurse Reviewer

Responsible for medical record review to insure proper billing, formulated a comprehensive durable medical equipment list, which was, upon completion, used company-wide. Served as a liaison between the Utilization Management Department and the Claims Processing Department. Received Circle of Excellence Awards, nominated by my peers, in 1997, 1998, and 2003.

1993-1997 Optima Health, Elliot Hospital Campus Manchester, NH

Pediatric RN

Per diem staff RN in pediatrics. Floated to the neonatal intensive care unit and maternity. Served on the scheduling and staffing committee and the per diem committee.

1989-1992 Dunbarton Elementary School

School Nurse

1979-1993 Catholic Medical Center Manchester, NH

Pediatric RN

Started as a full time staff RN in Pediatrics eventually being promoted to the full time assistant head nurse in pediatrics. Floated as needed in emergency room, intensive care unit, maternity and medical-surgical units.

1978-1979 Concord Hospital Concord, NH

Adolescent Unit Charge Nurse

Full time charge nurse in an adolescent unit.

EDUCATION

See attachment for financial details

EXPLANATION

Approval is requested **retroactive** to July 1, 2013. The services provided by these contracts are consistent with prior contracts and were included in the operating budget for SFY 2014 and SFY 2015. Contracts were delayed, however, since the exact amount of funding available was only recently determined. The SFY 2014 amendments are **sole source** because they exceed more than 10% of the original contract amount.

This requested action seeks approval of 13 amendments that represents $4,293,569 total anticipated to be spent statewide to continue breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. In the interest of efficiency, the contract amendments are being bundled as they are providing the same services, and because of the size of the resulting Governor and Council submission, the copies provided are abbreviated in the interest of saving resources. The Councilors and the public can view the entire submission package on the Secretary of State's website.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

In addition, breast and cervical cancers continue to be ongoing public health issues for New Hampshire. The Division of Public Health Services, Breast and Cervical Cancer Screening Program

provides support for breast and cervical cancer screening services that include clinical examinations, pap smears and referral for mammography. Through this program, women found to have abnormal screening results, following their testing, receive additional coverage for diagnostic work-up and, if necessary, have their care coordinated through the initiation of treatment.

Should Governor and Executive Council not authorize this Request, low-income individuals statewide may not have adequate access to primary care services, and eligible women may not receive recommended breast and cervical cancer screenings. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. Additionally women that receive recommended breast and cervical cancer screenings are at lower risk of late diagnosis of breast and cervical cancers.

Contracts were awarded to Primary Care agencies through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by teams of three professionals. All reviewers have between three to 20 years' experience managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were averaged and all proposals were recommended for funding. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, these competitively procured Agreements have the option to renew for two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council. The Department is exercising one year of this renewal option.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. All Primary Care vendors are making adequate progress in meeting clinical performance measures and the Departments wishes to continue working with the vendors for another year.

The performance measures as described in the contract amendment Exhibit A – Amendment 1 – Performance Measures, will be used to continue to measure the effectiveness of the agreement.

Area to be served is statewide.

Source of Funds: 13.09% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau; Centers for Disease Control and Prevention and 86.91% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Brook Dupee for

State of New Hampshire
Department of Health and Human Services
Amendment #1 to the
Indian Stream Health Center, Inc.

This 1st Amendment to the Indian Stream Health Center, Inc., contract (hereinafter referred to as "Amendment One") dated this 11th day of March, 2014, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Indian Stream Health Center, Inc., (hereinafter referred to as "the Contractor"), a corporation with a place of business at 141 Corliss Lane, Colebrook, New Hampshire 03576.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18, the State may modify the scope of work and the payment schedule of the contract by written agreement of the parties;

WHEREAS, the Department desires to provide additional primary health care services for preventive and episodic health care for acute and chronic health conditions for people of all ages.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

- Form P-37, to change:
  Block 1.7 to read: June 30, 2015
  Block 1.8 to read: $259,157

- Exhibit A, Scope of Services to add:
  Exhibit A – Amendment 1

- Exhibit B, Purchase of Services, Contract Price, to add:

  Paragraph 1.1 to Paragraph 1:
  The contract price shall increase by $18,030 for SFY 2014 and $100,409 for SFY 2015.

  Paragraph 1.2 to Paragraph 1:
  Funding is available as follows:
- $18,030 from 05-95-90-902010-5190-102-500731, 100% General Funds;
- $90,409 from 05-95-90-902010-5190-102-500731, 6.7% Federal Funds from the US Department of Health and Human Services Administration, Maternal and Child Health Bureau, CFDA #93.994 and 93.3% General Funds;

Contractor Initials: SMP

Scope of Services

The Department desires to continue the relationship with the primary care agencies to provide additional primary health care services for preventive and episodic health care for acute and chronic health conditions for people of all ages.

I. General Provisions

A) Eligibility and Income Determination

1. Office-based primary care services will be provided to low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire.

2. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new patients for more than a one month period.

3. The Contractor shall document annually, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete with the client the most recent version of the 800P form.

4. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, approved in advance by the Division of Public Health Services (DPHS), for low-income patients. Signage must state that no client will be denied services for inability to pay.

    a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, submitted to and approved by DPHS prior to implementation.

5. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered.

B) Numbers Served

1. The contract funds shall be expended to provide the above services to a minimum of 350 users annually with 2100 medical encounters, as defined in the Data and Reporting Requirements. Clinical service reimbursements shall not exceed the Medicare rate.

C) Culturally and Linguistically Appropriate Standards of Care

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. Provide clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.

4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.

5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation 45 CFR 80.3(b) (2). The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) State and Federal Laws

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated hereunder.

E) Relevant Policies and Guidelines

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

2. Primary Care funds shall be targeted to populations in need. Populations in need are defined as follows:

   a) uninsured;

   b) under-insured;

   c) families and individuals with significant psychosocial and economic risk, including low income status;

   d) all life cycles including perinatal, child, adolescent, adult, and elderly who meet one or more of the above criteria.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.

4. The Contractor shall have an agency emergency preparedness and response plan in accordance with HRSA Health Center Emergency Management Program Expectations, Document #2007-15 or most recent version. Such plan shall also include a Continuity of Operations plan.

5. The Contractor shall carry out the work as described in the performance Workplan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

6. No Workplan is required by the Breast and Cervical Cancer Program (BCCP). The contractor shall be required to respond to the Quality Improvement Feedback Report twice a year.

7. The Contractor shall carry out the work as described in the Supplemental Funding Form submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) Publications Funded Under Contract

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, electronic) produced, reproduced, or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14).

G) Subcontractors

If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing and approve the subcontractual agreement, prior to initiation of the subcontract.

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing and approve the subcontractual agreement, prior to initiation of the subcontract.

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. Minimal Standards of Core Services

A. Service Requirements

1. Medical Home

The Contractor shall provide a Medical Home that:

a) Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.

b) Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.

2. Primary Care Services

The Contractor shall provide office-based primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, APRN, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, oral health, and behavioral health specialty providers.

b) Referral to the WIC Nutrition Program for all eligible pregnant women, infants and children.

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.

d) Access to a healthcare provider, directly or by referral or subcontract, by telephone twenty-four hours per day, seven days per week.

e) Assessment of psychosocial risk for all clients at least annually and for children at scheduled preventive care visits, including, at a minimum, age appropriate assessment of safety in the home, domestic violence, adequacy of food and housing, care and welfare of children, transportation needs, and provision of necessary social services to address the priority needs and safety issues of clients and families.

f) Falls prevention screening for patients 65 years and older using the algorithm and guidelines of the American Geriatrics Society.

g) Behavioral health care directly or by referral to an agency or provider with a sliding fee scale.

h) Nutrition assessment for all clients as part of the health maintenance visit. Therapeutic nutrition services shall be provided as indicated directly or by referral to an agency or provider with a sliding fee scale. These services shall be recorded in the medical record.

i) Formal arrangements with a local hospital for emergency care must be in place and reviewed annually.

j) Home health care directly or by referral to an agency or provider with a sliding fee scale.

k) Assisted living and skilled nursing facility care by referral.

l) Oral screening annually for all clients 21 years and older to note obvious dental decay and soft tissue abnormalities with a reminder to the patient that poor oral health impacts total health.

m) Diagnosis and management of pediatric and adult patients with asthma provided according to National Heart Lung Blood Institute, National Asthma Education and Prevention Program, Expert Panel Report 3: Guidelines for the Diagnosis and Management of Asthma, 2007.

3. Reproductive Health Services

The Contractor shall provide prenatal, interconceptional and preconception medical care, social services, nutrition services, education, and nursing care to all women of childbearing age. Preconceptional care includes the preconception, interconceptional, and postpartum periods in women's health. It is recommended that preconceptional and interconceptional care visits focus on maintaining or achieving the optimal health of the mother, lowering the risk of future adverse pregnancy outcomes, the family's future plans, and how additional children fit into that plan. Preconceptional counseling may be done during an office, group or home visit.

a) In the event prenatal care is not provided directly by the Contractor a formal Memorandum/a of Agreement for coordinated referral to an appropriately qualified provider must be maintained.

b) Prenatal care shall, at minimum, be provided in accordance with the Guidelines for Perinatal Care, sixth or most current edition, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists, and /or the Centers for Disease Control.

c) Age appropriate reproductive health care shall, at a minimum, be provided in accordance with the American College of Obstetricians and Gynecologists, or the USDHHS Centers for Disease Control (CDC) current guidelines.

d) Pregnant women enrolled in the WIC Nutrition Program shall be referred to WIC for breastfeeding education and referral to the WIC Nutrition Program peer counselors.

e. Family planning counseling for prevention of subsequent pregnancy following an infant's birth shall be discussed with the infant's mother at the first postpartum visit and at the infant's 2-month visit and other visits as appropriate. Rationale for birth intervals of 18-24 months shall be presented.

f) A referral to a Title X Family Planning Clinic or other reproductive health care provider shall be made as appropriate.

4. Services for Children and Adolescents

The Contractor shall provide as a minimum, comprehensive and age-appropriate health care, screenings, and health education according to the American Academy of Pediatrics' most recent periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of

Infants, Children, and Adolescents", Third Edition or most recent. Children and adolescent visits shall include:

a) The World Health Organization (WHO) growth charts shall be used to monitor growth for infants and children birth up to age 2 years. The Centers for Disease Control and Prevention (CDC) growth charts shall be used for children age 2 years and older.

b) Blood lead testing shall be performed in accordance with "New Hampshire Childhood Lead Poisoning Screening and Management Guidelines", issued by the New Hampshire Department of Health and Human Services, 2009 or subsequent revisions.

c) All children enrolled in either Medicaid, Head Start, or the Women, Infant, and Children (WIC) Program and/or who are ≤ 185%_poverty, regardless of town of residence, are required to have a blood lead test at ages one and two years. All children ages three to six years who have not been previously tested shall have a blood lead test performed.

d) All children shall be screened for iron deficiency anemia as outlined in the Centers for Disease Control and Prevention document "Recommendations to Prevent and Control Iron Deficiency in the United States (4/2/98)".

e) Age-appropriate anticipatory guidance, dietary guidance, and *feeding practice counseling* for optimal oral health shall be provided at each well child visit according to the American Academy of Pediatrics' periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent edition. Starting at age 6 months, it is recommended that all children receive an oral health assessment at every well child visit, and a referral for the child's first visit to the dentist by age one as recommended by the American Academy of Pediatrics and the American Academy of Pediatric Dentistry.

f) Supplemental fluoride shall be prescribed as needed based upon the fluoride levels in the child's drinking water supply. The fluoride dosage regimen accepted by the American Academy of Pediatrics shall be followed. No fluoride shall be prescribed without obtaining water from private wells or noting the presence or absence of fluoride in the public water supply. Supplemental fluoride may include bottled water containing fluoride and topical applications such as varnishes.

g) For infants enrolled in the WIC Nutrition Program, parents shall be referred to WIC for breastfeeding support and referral to the WIC Nutrition Program peer counselors.

5. Sexually Transmitted Infections

Primary Care Services shall provide age appropriate screening and treatment of sexually transmitted infections.

a) Treatment for sexually transmitted infections shall be provided according to the United States Centers for Disease Control Sexually Transmitted Diseases Treatment Guidelines, 2010 or subsequent revisions.

b) All clients, including women, shall be offered HIV testing following the most current recommendations of the United States Centers for Disease Control.

c) The contractor shall be responsible for ensuring referral to appropriate treatment services for any woman found to screen positive.

d) Appropriate risk reduction counseling shall be provided based on client needs.

6. Substance Use Services

a) A substance use screening history using a formal, validated screening tool shall be obtained for all clients as soon after entry into care as possible. Substance use counseling or other substance abuse intervention, treatment, or recovery services by an appropriately credentialed provider shall be provided on-site, or by referral, to clients with identified needs for these services. For these identified clients, ongoing primary care services should include follow up monitoring relative to substance abuse.

b) All clients, including pregnant women, identified as smokers shall receive counseling using the 5A's (ask, advise, assess, assist, and arrange) treatment available through the NH Tobacco Helpline as cited in the US Public Health Services report "Tobacco Use and Dependence", 2008, or "Smoking Cessation During Pregnancy: A Clinician's Guide to Helping Pregnant Women Quit Smoking", American College of Obstetricians and Gynecologists, 2011. With prior approval, agencies may also opt to participate in the DPHS best practice initiative of the 2A's and R (ask, advise and refer).

7. Immunizations

a) The Contractor shall adhere to the most current version of the "Recommended Adult Immunization Schedule for Adults (19 years and older) by Age and Medical Condition - United States", approved by the Advisory Committee on Immunization Practices, the American College of Obstetricians and Gynecologists, and the American Academy of Family Physicians.

b) The Contractor shall administer vaccines according to the most current version of the "Recommended Immunization Schedule for Persons Aged 0 Through 6 Years - United States", and "Recommended Immunization Schedule for Persons Aged 7 Through 18 Years – United States" approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians, based upon availability of vaccine from the New Hampshire Immunization Program.

8. Prenatal Genetic Screening

a) A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

b) All pregnant women should be offered voluntary genetic screening for fetal chromosomal abnormalities at the appropriate time following recommendations found in the American College of Obstetricians and Gynecologists' "Screening for Fetal Chromosomal Abnormalities (2007)" or more recent guidelines. The Contractor shall be responsible for ensuring referral to appropriate genetic testing and counseling for any woman found to have a positive screening test.

9. Additional Requirements

a) The Contractor's Medical Director shall participate in the development and approval of specific guidelines for medical care that supplement minimal clinical standards. Supplemental guidelines should be reviewed, signed, and dated annually, and updated as indicated.

b) Contractors considering clinical or sociological research using clients as subjects must adhere to the legal requirements governing human subjects research. Contractors must inform the DPHS, MCHS prior to initiating any research related to this contract.

c) The Contractor shall provide information to all employees annually about the Medical Reserve Corps Unit within their Public Health Region to enhance recruitment.

d) The Contractor shall provide information to all employees annually regarding the Emergency System for the Advance Registration of Volunteer Health Professionals (ESAR-VHP) managed by the NH Department of Health and Human Services' Emergency Services Unit, to enhance recruitment.

B) Staffing Provisions

The Contractor shall have, at minimum, the following staff positions:

a) executive director

b) fiscal director

c) registered nurse

d) clinical coordinator

e) medical service director

f) nutritionist (on site or by referral)

g) social worker

Staff positions required to provide direct services on-site include:

a) registered nurse

b) clinical coordinator

c) social worker

1. Qualifications

All health and allied health professionals shall have the appropriate New Hampshire licenses whether directly employed, contracted, or subcontracted.

In addition the following minimum qualifications shall be met for:

a) Registered Nurse
   a. A registered nurse licensed in the state of New Hampshire, Bachelor's degree preferred. Minimum of one-year experience in a community health setting.

b) Nutritionists:
   a. A Bachelor's degree in nutritional sciences or dietetics, or a Master's degree in nutritional sciences, nutrition education, or public health nutrition or current Registered Dietitian status in accordance with the Commission on dietetic Registration of the American Dietetic Association.
   b. Individuals who perform functions similar to a nutritionist but do not meet the above qualifications shall not use the title of nutritionist.

c) Social Workers shall have:
   a. A Bachelor's or Master's degree in social work or Bachelor's or Master's degree in a related social science or human behavior field. A minimum of one year of experience in a community health or social services setting is preferred.
   b. Individuals who perform functions similar to a social worker but do not meet the above qualifications shall not use the title of social worker.

d) Clinical Coordinators shall be:
   a. A registered nurse (RN), physician, physician assistant, or nurse practitioner with a license to practice in New Hampshire.
   b. The coordinator is a clinical position that oversees and takes responsibility for the clinical and administrative functions of each program.
   c. The coordinator may be responsible for more than one MCH funded program.

2. New Hires

The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing within one month of hire when a new administrator, clinical coordinator, or any staff person essential to carrying out contracted services is hired to work in the program. A resume of the employee shall accompany the aforesaid notification.

3. Vacancies

   a) The Contractor must notify the MCHS in writing if any critical position is vacant for more than one month, or if at any time funded under this contract does not have adequate staffing to perform all required services for more than one month. This may be done through a budget revision.

   b) Before an agency hires new program personnel that do not meet the required staff qualifications, the agency shall notify the MCHS in writing requesting a waiver of the applicable staffing requirements. The Section may grant waivers based on the need of the program, individuals' experience, and additional training.

C) Coordination of Services

1. The Contractor shall coordinate, where possible, with other service providers within the contractor's community. At a minimum, such collaboration shall include interagency referrals and coordination of care.

2. The Contractor shall participate in activities in the Public Health Region in which they provide services as appropriate. These activities enhance the integration of community-based public health prevention and health care initiatives that are being implemented by the contractor and may include community needs assessments, public health performance assessments, and/or the development of regional health improvement plans.

3. The Contractor agrees to participate in and coordinate public health activities as requested by the Division of Public Health Services during any disease outbreak and/or emergency, natural or man-made, affecting the public's health.

4. The Contractor is responsible for case management of the client enrolled in the program and for program follow-up activities. Case management services shall promote effective and efficient organization and utilization
of resources to assure access to necessary comprehensive medical, nutritional, and social services for clients.

5. The Contractor shall assure that appropriate, responsive, and timely referrals and linkages for other needed services are made, carried through, and documented. Such services shall include, but not be limited to: dental services, genetic counseling, high risk prenatal services, mental health, social services, including domestic violence crisis centers, substance abuse services; and family planning services, Early Supports and Services Program, local WIC/CSF Program, Home Visiting New Hampshire Programs and health and social service agencies which serve children and families in need of those services.

D) Meetings and Trainings

The contractor will be responsible for sending staff to meetings and training required by the MCHS program, including but not limited to:

1. MCHS Agency Directors' meetings
2. Prenatal and Child Health Coordinators' meetings
3. MCHS Agency Medical Services Directors' meetings

III. Quality or Performance Improvement (QI/PI)

A) Workplans

1. Performance Workplans are required for this program and are used to monitor achievement of standard measures of performance of the services provided under this contract. The workplans are a key component of the RHPCS and the MCHS performance-based contracting system and of this contract. Outcomes shall be reported by clinical site.
2. Performance Workplans and Workplan Outcome reports according to the schedule and instructions provided by the MCHS. The MCHS shall notify the Contractor at least 30 days in advance of any changes in the submission schedule.
3. The Contractor shall incorporate required and developmental performance measures, defined by the MCHS into the agency's Performance Workplan. Reports on Workplan Progress/Outcomes shall detail the Performance Workplan plans and activities that monitor and evaluate the agency's progress toward performance measure targets.
4. The Contractor shall comply with modifications and/or additions to the workplan and annual report format as requested by RHPCS and MCHS. MCHS will provide the contractor with reasonable notice of such changes.
5. Agencies contracting for Primary Care Services must submit the workplans for Primary Care Clinical and Financial, Child Health, and Prenatal Care.

B) Additional Reporting requirements

In addition to Performance Workplans, the Contractor shall submit to MCHS the following data and information listed below which are used to monitor program performance:

1. In years when contracts or amendments are not required, the DPHS Budget Form, Budget Justification, Sources of Revenue and Program Staff list forms must be

completed according to the relevant instructions and submitted as requested by DPHS and, at minimum, by April 30 of each year.

2. The Sources of Revenue report must be resubmitted at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

3. Completed Uniform Data Set (UDS) tables reflecting program performance in the previous calendar year, by March 31 of each year.

4. The Perinatal Client Data Form (PCDF) shall be submitted electronically according to the instructions set forth by the MCHS.

5. A copy of the agency's updated Sliding Fee Scale including the amount(s) of any client fees and the schedule of discounts must be submitted by March 31st of each year. The agency's sliding fee scale must be updated annually based on the US DHHS Poverty guidelines as published in the Federal Register.

6. An annual summary of program-specific patient satisfaction results obtained during the prior contract period and the method by which the results were obtained shall be submitted annually as an addendum to the Workplan Outcome/Progress reports.

C) On-site reviews

1. The contractor shall allow a team or person authorized by the Division of Public Health Services to periodically review the contractor's systems of governance, administration, data collection and submission, clinical and financial management, and delivery of education services in order to assure systems are adequate to provide the contracted services.

2. Reviews shall include client record reviews to measure compliance with this exhibit.

3. The contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.

4. On-Site reviews may be waived or abbreviated at the discretion of MCHS, upon submission of satisfactory reports of reviews such as Health Services Resources Administration (HRSA): Office of Performance Review (OPR), or reviews from nationally accreditation organizations such as the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), Medicare, the Community Health Accreditation Program (CHAP), Accreditation Association for Ambulatory Healthcare (AAAHC), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey. Abbreviated reviews will focus on any deficiencies found in previous reviews, issues of compliance with this exhibit, and actions to strengthen performance as outlined in the agency Performance Workplan.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE CHILD HEALTH DIRECT CARE SERVICES PERFORMANCE MEASURE DEFINITIONS Fiscal Year 2015

Please note, for all measures, the following should be used **unless otherwise indicated:**

- Less than 19 years of age
- Served within the scope of this MCH contract during State Fiscal Year 2015 (July 1, 2014 – June 30, 2015)
- Each client can only be counted once (unduplicated)

Child Health Direct (CH – D) Performance Measure #1

Measure: 92%* of eligible children will be enrolled in Medicaid

Goal: To increase access to health care for children through the provision of health insurance

Definition: **Numerator-**
Of those in the denominator, the number of children enrolled in Medicaid.

Denominator-
Number of children who meet all of the following criteria:

- Less than 19 years of age
- Had 3 or more visits/encounters** during the reporting period
- As of the last visit during the reporting period were eligible for Medicaid

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**An encounter is face to face contact between a user and a provider who exercises independent judgment in the provision of services to the individual (UDS Table Definition).

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #2

Measure: 85%* of at-risk** children who were screened for blood lead between 18 and 30 months of age

Goal: To prevent childhood lead poisoning through early identification of lead exposure

Definition: **Numerator-**
Of those in the denominator, number of children screened for blood lead by capillary or venous on or after their 18-month birthday and prior to their 30-month birthday.

Denominator-
Number of at-risk** children who reached age 30 months during the reporting period. If discharged prior to 30 months, do not include in denominator.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**At risk = During the reporting period, the children were 18-29 months of age, and fit at least one of the following criteria:

- "Low income" (less than 185% poverty guidelines)
- Over 185% and resided in a town considered needing "Universal" screening per NH Childhood Lead Poisoning Prevention Program
- Over 185%, resided in a town considered "Target" and had a positive response to the risk questionnaire
- Refugee children -A refugee is defined as a person outside of his or her country of nationality who is unable or unwilling to return because of persecution or a well-founded fear of persecution on account of race, religion, nationality, membership in a particular social group, or political opinion (U.S. Citizenship and Immigration Services definition).

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #3

Measure: 71%* of children age two to nineteen years receiving primary care preventive health services with a Body Mass Index (BMI) percentile greater than or equal to the 85%ile with documented discussion of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Goal: To increase the percent of children receiving primary care preventive health services who have an elevated BMI percentile who receive guidance about promoting a healthier lifestyle.

Definition: **Numerator-**
Of those in the denominator, the number of children who had documentation in their medical record of there being discussion at least once during the reporting period of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Denominator-
Number of children who turned twenty-four months during or before the reporting period, up to the age of nineteen years, with one or more well child visit after their twenty-fourth month of age within the reporting year, and had an age and gender appropriate BMI percentile greater than or equal to the 85 % percentile at least once during the reporting period.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

Rationale: Children between the 85th – 94th percentiles BMI are encouraged to have 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks. (Discussion of the importance of family meal time, limiting eating out, consuming a healthy breakfast, preparing own foods, and promotion of breastfeeding is also encouraged.) American Academy of Pediatrics' guidance for Prevention and Treatment of Childhood Overweight and Obesity, (http://www.aap.org/obesity/health_professionals.html), from AAP Policy Statement: *Prevention of Pediatric Overweight and Obesity* and the AAP endorsed Expert Committee Recommendations Regarding the Prevention, Assessment, and Treatment of Children and Adolescent Overweight and Obesity, 2007.

*Target based on 2012 & 2013 Data Trend Table averages.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) #4

Measure: 75%* of eligible** infants and children with client record documentation of enrollment in WIC

Goal: To increase access to nutrition education, breastfeeding support, and healthy food through enrollment in the WIC Nutrition Program

Definition: **Numerator -**
Of those in the denominator, the number of infants and children who, as of the last well child visit during the reporting period, had client record documentation that infant or child was enrolled in WIC.

Denominator -
Unduplicated number of infants and children less than 5 years of age, enrolled in the agency, during the reporting period, who were eligible** for WIC.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**WIC Eligibility Requirements:

- Infants, and children up to their fifth birthday
- Must be income eligible (income guidelines are up to 185% of federal gross income, and are based on family size)

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #5

Measure: 23%* of infants who were exclusively** breastfed for the first three months, at their four month well baby visit

Goal: To provide optimum nutrition to infants in their first three months of life

Definition: **Numerator -**
Of those in the denominator, the number of infants who had client record documentation that the infant had been exclusively breastfed for their first three months when checked at their four month well baby visit.

Denominator -
Number of infants who received one or more visits during or before the reporting period and were seen for a four-month well baby visit during the reporting period.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

Benmarks: 2011 PedNSS (WIC) exclusive at 3 months: NH 22.9%, National (2010) 10.7%
2013 CDC Report Card (NIS, provisional 2010 births): NH 49.5%, National 37.7%
Healthy People 2020 goal: 44%

Rationale: The AAP recommends exclusive breastfeeding for about 6 months, with continuation of breastfeeding for 1 year or longer as mutually desired by mother and infant, a recommendation concurred to by the World Health Organization and the Institute of Medicine. (American Academy of Pediatrics Policy Statement on Breastfeeding and the Use of Human Milk, 2012)

*Target based on 2012 & 2013 Data Trend Table averages.
**Exclusive means breast milk only, no supplemental formula, cereal/baby food, or water/fluids.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE: ADULT

PERFORMANCE MEASURES DEFINITIONS

State Fiscal Year 2015

Primary Care: Adult Performance Measure #1

Measure:*	58%** of adult patients 18 – 85 years of age diagnosed with hypertension will have a blood pressure measurement less than 140/90*** mm at the time of their last measurement.
Goal:	To ensure patients diagnosed with hypertension are adequately controlled.
Definition:	**Numerator-** Number of patients from the denominator with blood pressure measurement less than 140/90 mm at the time of their last measurement. **Denominator-** Number of patients age 18 – 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

*Measure based on the National Quality Forum 0018

**Health People 2020 National Target is 61.2%

***Both the numerator and denominator must be less that 140/90 mm

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE CLINICAL
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Primary Care Clinical Adolescent (PC-C) Performance Measure #1

Measure:	61%* of adolescents aged 11-21 years received an annual health maintenance visits in the past 12 months.
Goal:	To enhance adolescent health by assuring annual, recommended, adolescent well -visits.
Definition:	**Numerator-** Number of adolescents in the denominator who received an annual health maintenance "well" visit during the reporting year. **Denominator-** Total number of adolescents aged 11-21 years who were enrolled in the primary care clinic as primary care clients during the reporting year period.
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

***Target based on 2012 & 2013 Data Trend Table averages.**

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Primary Care Clinical Prenatal (PC-C) Performance Measure #2

Measure:	31%* of women and adolescent girls aged 15-44 take multi-vitamins with folic acid.
Goal:	To enhance pregnancy outcomes by reducing neural tube defects.
Definition:	**Numerator-** The number of women and adolescent girls aged 15-44 who take a multi-vitamin with folic acid. **Denominator-** The number of women and adolescent girls aged 15-44 who were seen in primary care for a well visit in the past year.
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

***Target based on 2012 & 2013 Data Trend Table averages.**

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE - FINANCIAL
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Primary Care (PC) Performance Measure #1

Measure: Patient Payor Mix

Goal: To allow monitoring of payment method trends at State funded primary care sites.

Definition: Patients enrolled in Medicare, Medicaid, Commercial insurance, or uninsured.

Data Source: Provided by agency

Primary Care (PC) Performance Measure #2

Measure: Accounts Receivables (AR) Days

Goal: To allow monitoring of financial sustainability trends at State funded primary care sites.

Definition: AR Days: Net Patient Accounts Receivable **multiplied by** 365 **divided by** Net Patient Revenue

Data Source: Provided by agency

Primary Care (PC) Performance Measure #3

Measure: Current Ratio

Goal: To allow monitoring of financial sustainability trends at State funded primary care sites.

Definition: Current Ratio = Current Assets **divided by** Current Liabilities

Data Source: Provided by agency

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRENATAL
PERFORMANCE MEASURES DEFINITIONS
State Fiscal Year 2015

Prenatal (PN) Performance Measure #1

Measure:	85%* of pregnant women who are enrolled in the agency's prenatal program will begin prenatal care during the first trimester of pregnancy.
Goal:	To enhance pregnancy outcomes by assuring early entrance into prenatal care.
Definition:	**Numerator-** Number of women in the denominator who had a documented prenatal visit during the first trimester (on or before 13.6 weeks gestation). **Denominator-** Number of women enrolled in the agency prenatal program who gave birth during the reporting year.
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

* Target based on 2012 & 2013 Data Trend Table averages.

Prenatal (PN) Performance Measure #2

Measure:	20%* of pregnant women who are identified as cigarette smokers will be referred to QuitWorks-New Hampshire.
Goal:	To reduce tobacco use during pregnancy through focused tobacco use cessation activities at public health prenatal clinics.
Definition:	**Numerator-** Number of women in the denominator who received at least one referral to QuitWorks-New Hampshire during pregnancy. **A referral is defined as signing the patient up for QuitWorks-NH via phone, fax, or EMR. It is <u>not defined as</u> discussing QuitWorks-NH with the patient and encouraging her to sign up.** **Denominator-** Number of women enrolled in the agency prenatal program and identified as tobacco users who gave birth during the reporting year.

Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

*Target set in consultation with the NH Tobacco Program & FY13 Data Trend Table average.

Prenatal (PN) Performance Measure #3

Measure:	79%* of pregnant women will be screened, using a formal valid screening tool, for alcohol and other substance use during every trimester they are enrolled in the prenatal program.
Goal:	To reduce prenatal substance use through systematic screening and identification.
Definition:	**Numerator-** Number of women in the denominator who were screened for substance and alcohol use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program. **Denominator-** Number of women enrolled in the agency prenatal program and who gave birth during the reporting year.
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

* Target based on 2012 & 2013 Data Trend Table averages.

ITEM # 125

His Excellency, Governor John H. Lynch
and the Honorable Executive Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, Bureau of Population Health and Community Services, Maternal and Child Health Section, to enter into an agreement with Indian Stream Health Center, Inc. (Vendor #165274-B001), 141 Corliss Lane, Colebrook New Hampshire 03576, in an amount not to exceed $140,718, to provide primary care services, to be effective July 1, 2012 or date of Governor and Executive Council approval, whichever is later, through June 30, 2014. Funds are available in the following accounts for SFY 2013, and are anticipated to be available in SFY 2014 upon the availability and continued appropriation of funds in the future operating budgets.

05-95-90-902010-5190 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF POPULATION HEALTH AND COMMUNITY SERVICES, MATERNAL AND CHILD HEALTH

SFY 2014	102-500731	Contracts for Program Services	90080000	$60,359
			Sub-Total	$120,718

05-95-90-901010-5149 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF PUBLIC HEALTH SYSTEMS, POLICY AND PERFORMANCE, RURAL HEALTH AND PRIMARY CARE

Fiscal Year	Class/Object	Class Title	Job Number	Total Amount
SFY 2013	102-500731	Contracts for Program Services	90073001	$10,000
SFY 2014	102-500731	Contracts for Program Services	90073001	$10,000
			Sub-Total	$20,000
			Total	$140,718

EXPLANATION

Funds in this agreement will be used to provide breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. This agreement provides funds for services as a last resort; contractor is required to make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. For example, in State Fiscal Year 2011:

- 88% of eligible children served were enrolled in Medicaid/Healthy Kids Gold.
- 86% of children 24-35 months, served received the appropriate schedule of immunizations.
- 82% of infants born to women served received prenatal care beginning in the first trimester of pregnancy.

Should Governor and Executive Council not authorize this Request, a minimum of 8,919 low-income individuals from the Northern Coos County and Colebrook area may not have access to primary care services. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities.

Indian Stream Health Center, Inc. was selected for this project through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by three professionals, who work internal and external to the Department of Health and Human Services. All reviewers have between three to twenty years experience either in clinical settings, providing community-based family support services, and managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were

averaged and all proposals were recommended for funding. In those instances where scores were less than ideal, agency specific remedial actions were recommended and completed. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council. These services were contracted previously with this agency in SFY 2011 and SFY 2012 in the amount of $230,586. This represents a decrease of $89,868. The decrease is due to budget reductions.

The performance measures used to measure the effectiveness of the agreement are attached.

Area served: Northern Coos County and Colebrook area.

Source of Funds: 17.11% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau and 82.89% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

José Thier Montero, MD
Director

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Prenatal (PN) Performance Measure #1

Measure: Percent of infants born to women receiving prenatal care beginning in the first trimester of pregnancy.

Primary Care Prenatal (PN) Performance Measure #2

Measure: Percent of pregnant women identified as cigarette smokers that are referred to QuitWorks-New Hampshire.

Primary Care Prenatal (PN) Performance Measure #3

Measure: Percent of pregnant women who were screened, using a formal valid screening tool, for alcohol and other drug use during every trimester the patient was enrolled.

Primary Care Child Health Direct (CH – D) Performance Measure #1

Measure: Percent of eligible children enrolled in Medicaid

Primary Care Child Health Direct (CH – D) Performance Measure #2

Measure: Percent of at-risk children who were screened for blood lead between 18 and 30 months of age

Primary Care Child Health Direct (CH – D) Performance Measure #3

Measure: Percent of children age two to nineteen years receiving primary care preventive health services with a Body Mass Index (BMI) percentile greater than or equal to the 85th percentile with documented discussion of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Primary Care Child Health Direct (CH – D) Performance Measure #4

Measure: Percent of eligible infants and children with client record documentation of enrollment in Women Infant Children Program.

Primary Care Child Health Direct (CH – D) Performance Measure #5

Measure: Percent of infants who were exclusively breastfed for the first three months, at their four month well baby visit.

Primary Care Financial (PC) Performance Measure #1

Measure: Patient Payor Mix

Primary Care Financial (PC) Performance Measure #2

Measure: Accounts Receivables (AR) Days

Primary Care Financial (PC) Performance Measure #3

Measure: Current Ratio

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Clinical Adolescent (PC-C) Performance Measure #1

Measure: Percent of adolescents aged 10-21 years who received annual health maintenance visits in the past 12 months.

Primary Care Clinical Prenatal (PC-C) Performance Measure #2

Measure: Percent of women and adolescent girls aged 15-44 who take a multi-vitamin with folic acid.

Subject: Primary Care Services

AGREEMENT

The State of New Hampshire and the Contractor hereby mutually agree as follows:

GENERAL PROVISIONS

SHARON L. CLEVELAND, Notary Public
My Commission Expires March 4, 2014

1.13.2 Name and Title of Notary or Justice of the Peace

SHARON CLEVELAND: NOTARY PUBLIC

1.14 State Agency Signature	**1.15 Name and Title of State Agency Signatory** Joan H. Ascheim, Bureau Chief
1.16 Approval by the N.H. Department of Administration, Division of Personnel *(if applicable)* By:	Director, On:
1.17 Approval by the Attorney General (Form, Substance and Execution) By: Jeanne P. Herrick, Attorney	On: 8 May 2012
1.18 Approval by the Governor and Executive Council By:	On:

2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.
3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, this Agreement, and all obligations of the parties hereunder, shall not become effective until the date the Governor and Executive Council approve this Agreement ("Effective Date").
3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.
5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.
5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.
5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.
5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.
6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. In addition, the Contractor shall comply with all applicable copyright laws.
6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.
6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.
7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.
7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.
7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

Contractor Initials: SMP
Date: 3/28/17

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

9. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. TERMINATION. In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS. The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the N.H. Department of Administrative Services. None of the Services shall be subcontracted by the Contractor without the prior written consent of the State.

13. INDEMNIFICATION. The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per occurrence; and

14.1.2 fire and extended coverage insurance covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than fifteen (15) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each

Contractor Initials: SMP
Date: 3/28/12

certificate(s) of insurance shall contain a clause requiring the insurer to endeavor to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than ten (10) days prior written notice of cancellation or modification of the policy.

15. WORKERS' COMPENSATION.
15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("Workers' Compensation").
15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire.

19. CONSTRUCTION OF AGREEMENT AND TERMS. This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

I. General Provisions

A) Eligibility and Income Determination

1. Office-based primary care services will be provided to low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire.

2. Breast and Cervical Cancer screening services will be provided to low-income (defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), New Hampshire women age 18 – 64, *uninsured or underinsured.*

3. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new patients for more than a one month period.

4. The Contractor shall document annually, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete with the client the most recent version of the 800P form.

5. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, approved in advance by the Division of Public Health Services (DPHS), for low-income patients. Signage must state that no client will be denied services for inability to pay.

    a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, submitted to and approved by DPHS *prior to implementation.*

6. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered.

Contractor Initials: SMP

Date: 3/29/12

B) Numbers Served

1. The contract funds shall be expended to provide the above services to a minimum of 850 users annually with 2100 medical encounters, as defined in the Data and Reporting Requirements. Breast and Cervical Cancer Screening for eligible women, as defined by the Breast and Cervical Cancer Program (BCCP), shall be provided to 60 women annually and billed directly to the BCCP. Clinical service reimbursements shall not exceed the Medicare rate.

C) Culturally and Linguistically Appropriate Standards of Care

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. *Provide* clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.

4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.

5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation 45 CFR 80.3(b) (2). The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) State and Federal Laws

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated hereunder.

E) Relevant Policies and Guidelines

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

Contractor Initials: SMP

Date: 3/25/10

2. Primary Care funds shall be targeted to populations in need. Populations in need are defined as follows:

   a) uninsured;

   b) under-insured;

   c) families and individuals with significant psychosocial and economic risk, including low income status;

   d) all life cycles including perinatal, child, adolescent, adult, and elderly who meet one or more of the above criteria.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.

4. *The Contractor shall have an agency emergency preparedness and response plan in accordance with HRSA Health Center Emergency Management Program Expectations, Document #2007-15 or most recent version. Such plan shall also include a Continuity of Operations plan.*

5. The Contractor shall carry out the work as described in the performance Workplan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

6. No Workplan is required by the Breast and Cervical Cancer Program (BCCP). The contractor shall be required to respond to the Quality Improvement Feedback Report twice a year.

7. The Contractor shall carry out the work as described in the Supplemental Funding Form submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) Publications Funded Under Contract

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, *electronic*) produced, reproduced, or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14).

G) Subcontractors

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing *and approve the subcontractual agreement*, prior to initiation of the subcontract.

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. Minimal Standards of Core Services

A) Service Requirements

1. *Medical Home*

The Contractor shall provide a Medical Home that:

a) *Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.*

b) *Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.*

2. Primary Care Services

The Contractor shall provide office-based primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, APRN, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, *oral health*, and behavioral health specialty providers.

b) *Referral to the WIC Nutrition Program for all eligible pregnant women, infants and children.*

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.

d) Access to a healthcare provider, directly or by referral or subcontract, by telephone twenty-four hours per day, seven days per week.

e) Assessment of psychosocial risk for all clients at least annually and for children at scheduled preventive care visits, including, at a minimum, age appropriate assessment of safety in the home, domestic violence, adequacy of food and housing, care and welfare of children, transportation needs, and provision of necessary social services to address the priority needs and safety issues of clients and families.

f) Falls prevention screening for patients 65 years and older using the algorithm and guidelines of the American Geriatrics Society.

g) Behavioral health care directly or by referral to an agency or provider with a sliding fee scale.

h) *Nutrition assessment for all clients as part of the health maintenance visit.* Therapeutic nutrition services shall be provided *as indicated* directly or by referral to an agency or provider with a sliding fee scale. These services shall be recorded in the medical record.

i) Formal arrangements with a local hospital for emergency care must be in place and reviewed annually.

Contractor Initials: SMP
Date: 3/28/12

j) Home health care directly or by referral to an agency or provider with a sliding fee scale.

k) Assisted living and skilled nursing facility care by referral.

l) *Oral screening annually for all clients 19 years and older to note obvious dental decay and soft tissue abnormalities with a reminder to the patient that poor oral health impacts total health.*

m) *Diagnosis and management of pediatric and adult patients with asthma provided according to National Heart Lung Blood Institute, National Asthma Education and Prevention Program, Expert Panel Report 3: Guidelines for the Diagnosis and Management of Asthma, 2007.*

2. Breast and Cervical Cancer Screening

a) Women age 18 to 64 who are eligible for Breast and Cervical Cancer Program (BCCP) services according to income (equal to or under 250% of poverty, underinsured/uninsured) *and insurance status* criteria shall be provided the following services:

i. cervical cancer screening including a pelvic examination and Pap smear;
ii. annual breast cancer screening including a clinical breast exam, mammogram and,
iii. referrals for diagnostic and treatment services based on screening results,
iv. case management services.

b) All referrals under this provision shall be to approved certified laboratory, pathology, radiology, and surgical services. Mammography units shall be accredited by the American College of Radiology, and must be FDA certified under MQSA. Laboratories shall be CLIA certified.

c) All services shall be provided in accordance with the Breast and Cervical Cancer Program (BCCP) Policy and Procedure Manual.

d) Follow-up and tracking of all tests done, and referrals made shall be provided in accordance with the minimum standards outlined in the Breast and Cervical Cancer Program Policy and Procedure Manual.

e) All services for women enrolled in the Breast and Cervical Cancer Program (BCCP) shall be billed directly to the BCCP in accordance with protocols established by the Breast and Cervical Cancer Program.

3. Reproductive Health Services

The Contractor shall provide prenatal, interconceptional and preconception medical care, social services, nutrition services, education, and nursing care to all women of childbearing age. Preconceptional care includes the preconception, interconceptional, and postpartum periods in women's health. It is recommended that preconceptional and interconceptional care visits focus on maintaining or achieving the optimal health of the mother, lowering the risk of future adverse pregnancy outcomes, the family's future plans, and how additional children fit into that plan. Preconceptional counseling may be done during an office, group or home visit.

a) In the event prenatal care is not provided directly by the Contractor a formal Memorandum/a of Agreement for coordinated referral to an appropriately qualified provider must be maintained.

b) Prenatal care shall, at minimum, be provided in accordance with the Guidelines for Perinatal Care, sixth or most current edition, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists, and /or the Centers for Disease Control.

Contractor Initials: SMP
Date: 3/28/12

c) Age appropriate reproductive health care shall, at a minimum, be provided in accordance with the American College of Obstetricians and Gynecologists, or the USDHHS Centers for Disease Control (CDC) current guidelines.

d) *Pregnant women enrolled in the WIC Nutrition Program shall be referred to WIC for breastfeeding education and referral to the WIC Nutrition Program peer counselors.*

e. Family planning counseling for prevention of subsequent pregnancy following an infant's birth shall be discussed with the infant's mother *at the first postpartum visit and at the infant's 2-month visit and other visits as appropriate.* Rationale for birth intervals of 18-24 months shall be presented.

f) A referral to a Title X Family Planning Clinic or other reproductive health care provider shall be made as appropriate.

4. Services for Children and Adolescents

The Contractor shall provide as a minimum, comprehensive and age-appropriate health care, screenings, and health education according to the American Academy of Pediatrics' most recent periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent. Children and adolescent visits shall include:

a) Blood lead testing shall be performed in accordance with "New Hampshire Childhood Lead Poisoning Screening and Management Guidelines", issued by the New Hampshire Department of Health and Human Services, 2009 or subsequent revisions.

b) All children enrolled in either Healthy Kids-Gold or the Women, Infant, and Children (WIC) Program and/or who are ≤ 185% poverty, regardless of town of residence, are required to have a blood lead test at ages one and two years. All children ages three to six years who have not been previously tested shall have a capillary or venous blood lead test performed.

c) All children shall be screened for iron deficiency anemia as outlined in the Centers for Disease Control and Prevention document "Recommendations to Prevent and Control Iron Deficiency in the United States (4/2/98)".

d) Age-appropriate anticipatory guidance, dietary guidance, and *feeding practice counseling* for optimal oral health shall be provided at each well child visit according to the American Academy of Pediatrics' periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent edition. Starting at age 6 months, it is recommended that all children receive an oral health assessment at every well child visit.

e) Supplemental fluoride shall be prescribed as needed based upon the fluoride levels in the child's *drinking* water supply. The fluoride dosage regimen accepted by the American Academy of Pediatrics shall be followed. No fluoride shall be prescribed without obtaining water from private wells or noting the presence or absence of fluoride in the public water supply. *Supplemental fluoride may include bottled water containing fluoride and topical applications such as varnishes.*

f) *For infants enrolled in the WIC Nutrition Program, parents shall be referred to WIC for breastfeeding support and referral to the WIC Nutrition Program peer counselors.*

Contractor Initials: SMP
Date: 3/28/12

5. Sexually Transmitted Infections

Primary Care Services shall provide age appropriate screening and treatment of sexually transmitted infections.

a) Treatment for sexually transmitted infections shall be provided according to the United States Centers for Disease Control Sexually Transmitted Diseases Treatment Guidelines, 2010 or subsequent revisions.

b) All clients, including women, shall be offered HIV testing following the most current recommendations of the United States Centers for Disease Control.

c) The contractor shall be responsible for ensuring referral to appropriate treatment services for any woman found to screen positive.

d) Appropriate risk reduction counseling shall be provided based on client needs.

6. Substance Use Services

a) A substance use screening history using a formal, validated screening tool shall be obtained for all clients as soon after entry into care as possible. Substance use counseling *or other substance abuse intervention, treatment, or recovery services* by an appropriately credentialed provider shall be provided on-site, or by referral, to clients with identified needs for these services. ***For these identified clients, ongoing primary care services should include follow up monitoring relative to substance abuse.***

b) All clients, including pregnant women, identified as smokers shall receive counseling *using the 5A's (ask, advise, assess, assist, and arrange) treatment available through the NH Tobacco Helpline* as cited in the US Public Health Services report "Tobacco Use and Dependence", 2008, or "Smoking Cessation During Pregnancy: *A Clinician's Guide to Helping Pregnant Women Quit Smoking*", American College of Obstetricians and Gynecologists, 2011. *With prior approval, agencies may also opt to participate in the DPHS best practice initiative of the 2A's and R.(ask, advise and refer).*

7. Immunizations

a) The Contractor shall adhere to the most current version of the "Recommended Adult Immunization Schedule United States", approved by the Advisory Committee on Immunization Practices, the American College of Obstetricians and Gynecologists, and the American Academy of Family Physicians.

b) The Contractor shall administer vaccines according to the most current version of the *"Recommended Immunization Schedule for Persons Aged 0 Through 6 Years - United States", and "Recommended Immunization Schedule for Persons Aged 7 Through 18 Years – United States"* approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians, based upon availability of vaccine from the New Hampshire Immunization Program.

8. Prenatal Genetic Screening

a) A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

b) All pregnant women should be offered voluntary genetic screening for fetal chromosomal abnormalities at the appropriate time following recommendations found in the American College of Obstetricians and Gynecologists' "Screening for Fetal Chromosomal

Contractor Initials: SMP

Date: 3/28/12

Abnormalities (2007)" or more recent guidelines. The Contractor shall be responsible for ensuring referral to appropriate genetic testing and counseling for any woman found to have a positive screening test.

9. Additional Requirements

a) The Contractor's Medical Director shall participate in the development and approval of specific guidelines for medical care that supplement minimal clinical standards. Supplemental guidelines should be reviewed, signed, and dated annually, and updated as indicated.

b) Contractors considering clinical or sociological research using clients as subjects must adhere to the legal requirements governing human subjects research. Contractors must inform the DPHS, MCHS prior to initiating any research related to this contract.

c) *The Contractor shall provide information to all employees annually about the Medical Reserve Corps Unit within their Public Health Region to enhance recruitment.*

d) *The Contractor shall provide information to all employees annually regarding the Emergency System for the Advance Registration of Volunteer Health Professionals (ESAR-VHP) managed by the NH Department of Health and Human Services' Emergency Services Unit, to enhance recruitment.*

B) Staffing Provisions

The Contractor shall have, at minimum, the following staff positions:

a) executive director

b) fiscal director

c) registered nurse

d) clinical coordinator

e) medical service director

f) nutritionist *(on site or by referral)*

g) social worker

Staff positions required to provide direct services on-site include:

a) registered nurse

b) clinical coordinator

c) social worker

1. Qualifications

All health and allied health professionals shall have the appropriate New Hampshire licenses whether directly employed, contracted, or subcontracted.

In addition the following minimum qualifications shall be met for:

a) Registered Nurse

Contractor Initials: SMP
Date: 3/28/12

a. A registered nurse licensed in the state of New Hampshire, Bachelor's degree preferred. Minimum of one-year experience in a community health setting.

b) Nutritionists:
   a. A Bachelor's degree in nutritional sciences or dietetics, or a Master's degree in nutritional sciences, nutrition education, or public health nutrition or current Registered Dietitian status in accordance with the Commission on dietetic Registration of the American Dietetic Association.

   b. Individuals who perform functions similar to a nutritionist but do not meet the above qualifications shall not use the title of nutritionist.

c) Social Workers shall have:
   a. A Bachelor's or Master's degree in social work or Bachelor's or Master's degree in a related social science or human behavior field. A minimum of one year of experience in a community health or social services setting is preferred.

   b. Individuals who perform functions similar to a social worker but do not meet the above qualifications shall not use the title of social worker.

d) Clinical Coordinators shall be:
   a. A registered nurse (RN), physician, physician assistant, or nurse practitioner with a license to practice in New Hampshire.
   b. The coordinator is a clinical position that oversees and takes responsibility for the clinical and administrative functions of each program.
   c. The coordinator may be responsible for more than one MCH funded program.

2. New Hires

The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing within one month of hire when a new administrator, clinical coordinator, or any staff person essential to carrying out contracted services is hired to work in the program. A resume of the employee shall accompany the aforesaid notification.

3. Vacancies

a) The Contractor must notify the MCHS in writing if any critical position is vacant for more than one month, or if at any time funded under this contract does not have adequate staffing to perform all required services for more than one month. This may be done through a budget revision.

b) Before an agency hires new program personnel that do not meet the required staff qualifications, the agency shall notify the MCHS in writing requesting a waiver of the applicable staffing requirements. The Section may grant waivers based on the need of the program, individuals' experience, and additional training.

C) Coordination of Services

1. The Contractor shall coordinate, where possible, with other service providers within the contractor's community. At a minimum, such collaboration shall include interagency referrals and coordination of care.

2. The Contractor shall participate in activities *in the Public Health Region in which they provide services* as appropriate. These activities enhance the integration of community-based public health

Contractor Initials: SMP
Date: 3/28/12

prevention and health care initiatives that are being implemented by the contractor and may include community needs assessments, public health performance assessments, and/or the development of regional health improvement plans.

3. The Contractor agrees to *participate* in and coordinate public health activities as requested by the Division of Public Health Services during any *disease outbreak* and/or *emergency*, natural or man made, affecting the public's health.

4. The Contractor is responsible for case management of the client enrolled in the program and for program follow-up activities. Case management services shall promote effective and efficient organization and utilization of resources to assure access to necessary comprehensive medical, nutritional, and social services for clients.

5. The Contractor shall assure that *appropriate, responsive, and timely* referrals and linkages for other needed services are made, carried through, and documented. Such services shall include, but not be limited to: dental services, genetic counseling, high risk prenatal services, mental health, social services, including domestic violence crisis centers, substance abuse services; and family planning services, Early Supports and Services Program, local WIC/CSF Program, Home Visiting New Hampshire Programs and health and social service agencies which serve children and families in need of those services.

D) Meetings and Trainings

The contractor will be responsible for sending staff to meetings and training required by the MCHS program, including but not limited to:

1. MCHS Agency Directors' meetings

2. Prenatal and Child Health Coordinators' meetings

3. MCHS Agency Medical Services Directors' meetings

III. Quality or Performance Improvement (QI/PI)

A) Workplans

1. Performance Workplans are required for this program and are used to monitor achievement of standard measures of performance of the services provided under this contract. The workplans are a key component of the RHPCS and the MCHS performance-based contracting system and of this contract. Outcomes shall be reported by clinical site.

2. Submit Performance Workplans and Workplan Outcome reports according to the schedule and instructions provided by the MCHS. The MCHS shall notify the Contractor at least 30 days in advance of any changes in the submission schedule.

3. The Contractor shall incorporate required and developmental performance measures, defined by the MCHS into the agency's Performance Workplan. Reports on Workplan Progress/Outcomes shall detail the Performance Workplan plans and activities that monitor and evaluate the agency's progress toward performance measure targets.

4. The Contractor shall comply with modifications and/or additions to the workplan and annual report format as requested by RHPCS and MCHS. MCHS will provide the contractor with reasonable notice of such changes.

5. Agencies contracting for Primary Care Services must submit the workplans for Primary Care *Clinical and Financial*, Child Health, and Prenatal Care.

Contractor Initials: SMP
Date: 3/28/13

B) Additional Reporting requirements

In addition to Performance Workplans, the Contractor shall submit to MCHS the following data and information listed below which are used to monitor program performance:

1. In years when contracts or amendments are not required, the DPHS Budget Form, Budget Justification, Sources of Revenue and Program Staff list forms must be completed according to the relevant instructions and submitted as requested by DPHS and, at minimum, by April 30 of each year.

2. The Sources of Revenue report must be resubmitted at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

3. Completed Uniform Data Set (UDS) tables reflecting program performance in the previous calendar year, by March 31 of each year.

4. The Perinatal Client Data Form (PCDF) shall be submitted electronically according to the instructions set forth by the MCHS.

5. A copy of the agency's updated Sliding Fee Scale including the amount(s) of any client fees and the schedule of discounts must be submitted by March 31st of each year. The agency's sliding fee scale must be updated annually based on the US DHHS Poverty guidelines as published in the Federal Register.

6. An annual summary of program-specific patient satisfaction results obtained during the prior contract period and the method by which the results were obtained shall be submitted annually as an addendum to the Workplan Outcome/Progress reports.

C) On-site reviews

1. The contractor shall allow a team or person authorized by the Division of Public Health Services to periodically review the contractor's systems of governance, administration, data collection and submission, clinical and financial management, and delivery of education services in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include client record reviews to measure compliance with this exhibit.
3. The contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. On-Site reviews may be waived or abbreviated at the discretion of MCHS, upon submission of satisfactory reports of reviews such as Health Services Resources Administration (HRSA): Office of Performance Review (OPR), or reviews from nationally accreditation organizations such as the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), Medicare, the Community Health Accreditation Program (CHAP), Accreditation Association for Ambulatory Healthcare (AAAHC), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey. Abbreviated reviews will focus on any deficiencies found in previous reviews, issues of compliance with this exhibit, and actions to strengthen performance as outlined in the agency Performance Workplan.

NH Department of Health and Human Services

Exhibit B

Purchase of Services
Contract Price

Primary Care Services

CONTRACT PERIOD: July 1, 2012 or date of G&C approval, whichever is later, through June 30, 2014

CONTRACTOR NAME: **Indian Stream Health Center, Inc.**

ADDRESS: **141 Corliss Lane**
Colebrook, New Hampshire 03576
Chief Executive Officer: **Shirley Powell**
TELEPHONE: **603-388-2422**

Vendor #165274-B001 Job #90080000 Appropriation #010-090-5190000-102-500731
#90073001 #010-090-51490000-102-500731

1. The total amount of all payments made to the Contractor for cost and expenses incurred in the performance of the services during the period of the contract shall not exceed:

   $120,718 for Primary Care Services, funded from 19.95% federal funds from the US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau (CFDA #93.994) and 80.05% general funds.

   $20,000 for Primary Care Services, funded from 100% general funds.

TOTAL: $140,718

2. The Contractor agrees to use and apply all contract funds from the State for direct and indirect costs and expenses including, but not limited to, personnel costs and operating expenses related to the Services, as detailed in the attached budgets. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. The Contractor agrees not to use or apply such funds for capital additions or improvements, entertainment costs, or any other costs not approved by the State.

3. This is a cost-reimbursement contract based on an approved budget for the contract period. Reimbursement shall be made monthly based on actual costs incurred during the month up to an amount not greater than one-twelfth of the contract amount. Reimbursement greater than one-twelfth of the contract amount in any month shall require prior, written permission from the State.

4. Invoices shall be submitted by the Contractor to the State in a form satisfactory to the State for each of the Service category budgets. Said invoices shall be submitted within twenty (20) working days following the end of the month during which the contract activities were completed, and the final invoice shall be due to the State no later than sixty (60) days after the contract Completion Date. Said invoice shall contain a description of all allowable costs and expenses incurred by the Contractor during the contract period.

5. Payment will be made by the State agency subsequent to approval of the submitted invoice and if sufficient funds are available in the Service category budget line items submitted by the Contractor to cover the costs and expenses incurred in the performances of the services.

6. The Contractor may amend the contract budget for any Service category through line item increases, decreases, or the creation of new line items provided these amendments do not exceed the contract price for that particular

Contractor Initials: SMP
Date: 5/28/12

Service category. Such amendments shall only be made upon written request to and written approval by the State. Budget revisions will not be accepted after June 20th of each contract year.

7. The Contractor shall have written authorization from the State prior to using contract funds to purchase any equipment with a cost in excess of three hundred dollars ($300) and with a useful life beyond one year.

The remainder of this page is intentionally left blank.

Exhibit C

SPECIAL PROVISIONS

1. **Contractors Obligations:** The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

2. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

3. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

4. **Documentation:** In addition to the determination forms, required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

5. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

6. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

7. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

8. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractor's costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party fundors for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party fundors, the Department may elect to:

    8.1 Renegotiate the rates for payment hereunder, in which event new rates shall be established;

Contractor Initials: SMP

Date: 3/25/13

8.2 Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

8.3 Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

9. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:

9.1 **Fiscal Records:** Books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

9.2 **Statistical Records:** Statistical, enrollment, attendance, or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

9.3 **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

10. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.

10.1 **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.

10.2 **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

11. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directed connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Contractor Initials: [illegible]

Date: 3/28/19

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

12. **Reports: Fiscal and Statistical**: The Contractor agrees to submit the following reports at the following times if requested by the Department

    12.1 Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.

    12.2 Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

13. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

14. **Credits:** All documents, notices, press releases, research reports, and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:

    14.1 The preparation of this (report, document, etc.), was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, Division of Public Health Services, with funds provided in part or in whole by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

15. **Operation of Facilities:** Compliance with Laws and Regulations: In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the Contractor with respect to the operation of the facility or the provision of the services at such facility. If any government license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

Contractor Initials: SYM P
Date: 3/25/12

16. **Insurance:** Select either (1) or (2) below:

As referenced in the Request for Proposal, Comprehensive General Liability Insurance Acknowledgement Form, the Insurance requirement checked under this section is applicable to this contract:

Insurance Requirement for (1) - 501(c) (3) contractors whose annual gross amount of contract work with the State does not exceed $500,000, per RSA 21-I:13, XIV, (Supp. 2006): The general liability insurance requirements of standard state contracts for contractors that qualify for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the state does not exceed $500,000, is comprehensive general liability insurance in amounts of not less than $1,000,000 per claim or occurrence and $2,000,000 in the aggregate. *These amounts may NOT be modified.*

X (1) The contractor certifies that it **IS** a 501(c) (3) contractor whose annual total amount of contract work with the State of New Hampshire does **not** exceed $500,000.

Insurance Requirement for (2) - All other contractors who do not qualify for RSA 21-I:13, XIV, (Supp. 2006), Agreement P-37 General Provisions, 14.1 and 14.1.1. Insurance and Bond, shall apply: The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, both for the benefits of the State, the following insurance: comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per incident or occurrence. *These amounts MAY be modified if the State of NH determines contract activities are a risk of lower liability.*

☐ (2) The contractor certifies it does **NOT** qualify for insurance requirements under RSA 21-I:13, XIV (Supp. 2006).

17. **Renewal:**

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two (2) additional year(s), contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

18. **Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:**

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

Contractor Initials: SMP
Date: 3/28/12

19. **Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;**

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

Contractor Initials: GMP

Date: 3/28/12

SPECIAL PROVISIONS – DEFINITIONS

As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean the section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Whenever federal or state laws, regulations, rules, orders, and policies, etc., are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc., as they may be amended or revised from time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

Standard Exhibit D

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act to 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I – FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES – CONTRACTORS
US DEPARTMENT OF EDUCATION – CONTRACTORS
US DEPARTMENT OF AGRICULTURE – CONTRACTORS

This certification is required by the regulations implementing Sections 5151-51-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). the January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630 of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services,
129 Pleasant Street
Concord, NH 03301

1) The grantee certifies that it will or will continue to provide a drug-free workplace by:

   (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

   (b) Establishing an ongoing drug-free awareness program to inform employee's about:

      (1) The dangers of drug abuse in the workplace;
      (2) The grantee's policy of maintaining a drug-free workplace;
      (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
      (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

   (c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

   (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:

      (1) Abide by the terms of the statement; and

Contractor Initials: SMP
Date: 3/28/12

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(c) Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph (d) (2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).

2) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, State, zip code) (list each location)

CERTIFICATION REGARDING LOBBYING

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES – CONTRACTORS
US DEPARTMENT OF EDUCATION – CONTRACTORS
US DEPARTMENT OF AGRICULTURE – CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

Contract Period: **7/1/12** or date of G&C Approval, whichever is later, through **6/30/14**

The undersigned certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

(2) If any funds, other than Federal appropriated funds, have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions, attached and identified as Standard Exhibit E-I.

(3) The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Standard Exhibit F

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions, execute the following Certification:

Instructions for Certification

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transition. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transition," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntary excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rule implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction", "provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

Contractor Initials: SMP
Date: 3/08/12

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

1. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

   a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

   b. have not within a three-year period preceding this proposal (contract) been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

   c. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph 1 b of this certification; and

   d. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

2. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

Lower Tier Covered Transactions

By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:

(a) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

(b) where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion – Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

State of New Hampshire
Department of Health and Human Services
Amendment #2 to the Primary Care Services Contract

This 2nd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #2") dated this, 30th day of April, 2015 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Lamprey Health Care, Inc. (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business located at 207 South Main Street, Newmarket, New Hampshire 03857.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #136) and amended by an agreement (Amendment #1 to the Contract) approved on May 8, 2014 (Item #34A), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 of the Agreement, and Exhibit C, Special Provisions, Paragraph 17, the State may amend the contract terms and conditions and renew the contract for two (2) additional years by written agreement of the parties and approval of the Governor and Executive Council; and

WHEREAS, the parties agree to extend the contract for two additional years, add services to Exhibit A, Scope of Services and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:
   June 30, 2017
2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:
   $2,995,708
3. Form P-37, General Provisions, Item 1.9, Contracting Officer for State Agency, to read:
   Eric D. Borrin
4. Form P-37, General Provisions, Item 1.10, State Agency Telephone Number, to read:
   (603) 271-9558
5. Delete Exhibit A, Scope of Services and Exhibit A-1 Amendment 1, Scope of Services and replace with Exhibit A – Amendment #2.
6. Delete Exhibit A-1 Amendment #1 - Performance Measures and replace with Exhibit A-1 Amendment #2 – Performance Measures.

A. Ashton-Savage
5/18/15

7. Delete Exhibit B, Purchase of Services Contract Price and replace with Exhibit B – Amendment #2, Method and Conditions Precedent to Payment.
8. Add Exhibit B-1, Budget Form Primary Care through Exhibit B-6, Budget Form SBIRT.
9. Standard Exhibit D, Certification Regarding Drug-Free Workplace Requirements, Period Covered by this Certification, to read:

   From 7/1/2012 to 6/30/2017
10. Standard Exhibit E, Certification Regarding Lobbying, Contract Period, to read:

    July 1, 2012 through June 30, 2017
11. Delete Standard Exhibit G, Certification Regarding the Americans with Disabilities Act Compliance, and replace with Exhibit G, Certification of Compliance with Requirements Pertaining to Federal Nondiscrimination, Equal Treatment of Faith-Based Organizations and Whistleblower Protections.

A. Ashton-Savage
5/18/15

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. Office-based and enabling **Primary Care** services shall be provided individuals and families who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income, which is defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. **Breast and Cervical Cancer Screening** Services shall be provided to women ages twenty-one(21) through sixty-four (64) who are:

1.5.1. Uninsured.

1.5.2. Underinsured.

1.5.3. Low-income, which is defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.6. **Screening, Brief Intervention and Referrals to Treatment** (SBIRT) Services shall be provided to all individuals who seek services described in Section 1.4 and Section 1.5, above.

1.7. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.7.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

Contractor's Initials: AHS

Date 5/18/15

1.7.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.7.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care or Breast and Cervical Cancer Screening Services for new patients is limited or closed for more than a one month period.

2.2. The Contractor shall maintain documentation for each individual receiving services described in this contract that includes, but is not limited to:

2.2.1. Family income.

2.2.2. Family size.

2.2.3. Income in relation to the Federal Poverty Guidelines.

2.3. The Contractor shall assist individuals with completing a Medicaid application when income calculations indicate possible Medicaid eligibility.

2.4. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.5. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.5.1. Update the sliding fee scale on an annual basis when new Federal Poverty Guidelines are released.

2.5.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services.

3.1.2. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.1.3. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.1.4. Assessment of need for:

3.1.4.1. Tobacco cessation, including referral to NH Quitworks, as appropriate.

3.1.4.2. Social services.

3.1.4.3. Nutrition services, including WIC, as appropriate.

3.1.4.4. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which shall include, but not be limited to:

3.2.1. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.2.2. Care facilitated by registries, information technology, health information exchange and other means to assure that patients get the necessary care when and where they need and want it in a culturally and linguistically appropriate manner.

3.2.3. An integrated model of primary care that may include, but is not limited to:

3.2.3.1. Behavioral health.

3.2.3.2. Oral health.

3.2.3.3. Use of navigators and case management.

3.2.3.4. Co-location of services and system-level integration of care and fiscal accountability.

3.3. The Contractor can choose to provide enabling services, if the budget allows, which are non-clinical services that support the delivery of basic primary care and services, and facilitate access to comprehensive patient care as well as social services. The Contractor can facilitate enabling services that include, but are not limited to:

3.3.1. Case management.

3.3.2. Benefit counseling.

3.3.3. Eligibility assistance.

3.3.4. Health education and supportive counseling.

3.3.5. Interpretation.

3.3.6. Outreach.

3.3.7. Transportation.

3.3.8. Education of patients and the community regarding the availability and appropriate use of health services.

3.4. The Contractor must elect to do at least one (1) quality improvement project which consists of systematic and continuous actions that lead to measurable improvement in health care services and the health status of targeted patient groups. The Contractor shall facilitate a minimum of one (1) quality improvement project that includes, but is not limited to:

3.4.1. Enhancing clinical workflow/improve patient outcomes by methods that may include, but are not limited to:

3.4.1.1. Alerts.

3.4.1.2. Guidelines.

3.4.1.3. Diagnostic support.

3.4.1.4. Patient registries.

3.4.1.5. Collaborative learning sessions, etc.)

3.4.2. Implementing projects that lead to measurable improvements on any of the performance measures and indicators identified in Exhibit A-1 Amendment #2

3.4.3. Utilizing defined improvement processes to coordinate quality improvement activities.

3.4.4. Identifying and defining specific goals and objectives to be achieved in the project period.

4. Breast and Cervical Cancer Screening Services

4.1. The Contract shall develop work plans based on performance measures in Exhibit A-1 that include activities related to:

4.1.1. The provision of breast and cervical cancer screening.

4.1.2. The promotion of breast and cervical cancer screening.

4.2. The Contractor shall implement evidence-based interventions outlined in the Centers for Disease Control and Prevention Guide to Community Preventative Services (http://www.thecommunityguide.org/index/html) to support the provision and promotion of breast and cervical cancer screening rates, including but not limited to provider reminder systems and patient reminders.

4.3. The Contractor shall provide breast and cervical cancer screening for the early detection of breast and cervical cancer in accordance with the policies and procedures outlined in the BCCP Policy and Procedure Manual, following nationally accepted screening recommendations. Screenings shall include but not be limited to:

4.3.1. Clinical pelvic examinations.

4.3.2. Clinical breast examinations.

4.3.3. Mammograms.

4.3.4. Pap and HPV tests, if appropriate.

4.3.5. Referrals for diagnostic and treatment services, as necessary.

4.4. The Contractor shall provide services to the number of individuals as follows:

4.4.1. 75% of all mammograms shall be provided to women ages fifty (50) to sixty-four (64) at all screening sites.

Contractor's Initials: AAS

Date 5/18/15

4.4.2. A maximum of 25% of all mammograms shall be provided to women under the age of fifty (50) at all screening sites.

4.4.3. 20% of newly enrolled women for Pap tests shall be provided at all screening sites to women who have not had a Pap test in over five (5) years.

4.5. The Contractor shall ensure all referrals are made in accordance with the minimum standards outlined in the BCCP Policy and Procedure Manual to facilities that provide approved and certified laboratory, pathology, radiology and surgical services. The Contractor shall ensure:

4.5.1. Mammography units are accredited by the American College of Radiology and FDA certified under MQSA.

4.5.2. Laboratories are CLIA certified.

4.6. The Contractor shall ensure all services and case management activities are completed in accordance with the BCCP Policy and Procedure Manual, including but not limited to follow-up and tracking of all client tests results and referrals.

4.7. The Contractor shall provide screening promotion for all eligible individuals, which includes, but is not limited to:

4.7.1. Patient navigation services that assist individuals to overcome health systems barriers and facilitate timely access to:

4.7.1.1. Quality breast and cervical cancer screening.

4.7.1.2. Breast and cervical cancer diagnostics.

4.7.1.3. Initiation of breast and cervical cancer treatment, when applicable.

4.7.1.4. Assurance that patient navigation services are terminated when the patient:

4.7.1.4.1. Completes screening and has normal results.

4.7.1.4.2. Completes diagnostic testing and has normal results.

4.7.1.4.3. Initiates breast and/or cervical cancer treatment or refuses treatment.

4.7.2. Patient navigation services shall include, but not be limited to:

4.7.2.1. A written assessment of individual client barriers.

4.7.2.2. Client education and support.

4.7.2.3. Assistance with resolving client barriers, including but not limited to transportation and translation services, as appropriate.

4.7.2.4. Tracking and follow-up to monitor client progress in completing screening, diagnostic testing, and initiation of treatment, as needed.

4.7.2.5. A minimum of two contacts with the client, either in person or by telephone.

Contractor's Initials: AAS

Date 5/18/15

4.7.2.6. Collecting data to evaluate the primary outcomes of patient navigation, which shall include adherence to screening, diagnostic testing and cancer treatment initiation.

4.7.2.7. Tracking of patients lost to follow-up, as appropriate.

5. Screening, Brief Intervention, and Referral to Treatment (SBIRT) Services

5.1. The Contractor shall develop the infrastructure necessary to provide and record Screening, Brief Intervention, and Referral to Treatment (SBIRT) services related to substance use for all eligible individuals ages nineteen (19) to sixty-five (65) years and for all pregnant women, regardless of age, receiving services in Section 3 and/or Section 4. The Contractor shall:

5.1.1. Provide training to integrated primary care and behavioral health teams to ensure SBIRT activities are conducted with fidelity to the model in Section 5.1.

5.1.2. Modify and/or adapt current Electronic Health Records (EHR) systems in order to track SBIRT:

5.1.2.1. Activities

5.1.2.2. Completions.

5.1.2.3. Recommendations and referrals.

5.1.2.4. Follow-ups.

5.1.3. Utilize Substance Use Disorder (SUD) codes in the EHR for billing that shall:

5.1.3.1. Enable submission for payment through NH Managed Care/Medicaid and other insurance companies.

5.1.3.2. Allow the generation of reports.

5.2. The Contractor shall implement SBIRT services by ensuring sufficient qualified staff are available to conduct SBIRT services according to the SBIRT model described by the Centers for Disease Control (CDC), available on-line at http/www.dcd.gov/ncddd/fasd/documents/aloholsbiimplementationguide.pdf. The Contractor shall:

5.2.1. Implement SBIRT services by including SBIRT activities in daily operations.

5.2.2. Use one or more of the screening instruments listed in Appendix E of "Systems-Level Implementation of Screening, Brief Intervention and Referral to Treatment. TAP 33" (2013 edition) (http://www.integration.samhsa.gov/sbirt/TAP33.pdf) and document screening in the electronic health record (EHR).

5.2.3. Conduct brief interventions with patients who screen positive for potential substance use concerns and document activities in the EHR.

5.2.4. Refer patients to Substance Use Disorder (SUD) treatment services as necessary, and ensure each patient has connected with the specific service

provider by documenting in the EHR, which is audited to ensure appropriate follow up.

5.2.5. Conduct SBIRT with covered populations that include all adults on an annual basis and pregnant women on a trimester basis.

5.3. Coordinate care between community health center (CHC) services and external treatment providers by collaborating with entities that provide SUD treatment services not available at the CHC. The Contractor shall:

5.3.1. Obtain client consents to contact service providers in order to resolve any barriers to accessing services.

5.3.2. Refer patients for SUD services, as needed.

5.3.3. Follow up with patient and/or SUD service provider to ensure appropriate services are provided.

5.3.4. Work with Regional Public Health Networks (RPHNs) to identify new SUD referral resources as they become available.

5.4. The Contractor shall test SBIRT fidelity with a subset of the target population prior to full implementation for all adults ages nineteen (19) to sixty-five (65) annually and pregnant women at each trimester.

6. Staffing

6.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH licenses whether directly employed, contracted or subcontracted.

6.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

6.3. The Contractor shall ensure staff delivering SBIRT services have, at minimum, one of the following:

6.3.1. Masters prepared behavioral health practitioners. This includes individuals licensed under the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board.

6.3.2. Masters prepared and in the process of obtaining a license from the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board, while under the supervision of a licensed practitioner of the same profession.

6.3.3. Physicians or Advanced Practice Registered Nurses licensed to practice in NH.

6.3.4. Physician Assistants or other practitioners under the supervision of a Physician licensed to practice in NH.

6.4. The Contractor may deliver breast and cervical cancer screening navigation services through a combination of staff, which may include the provision of outreach and education by lay persons with clinical case management services provided by either:

6.4.1. A registered nurse who:

6.4.1.1. Is licensed with the NH Board of nursing; or

6.4.1.2. Has attained bachelor's degree from a recognized college or university.

6.4.2. A nurse who is working under the direct supervision of a registered nurse, as described in Section 6.4.1.

6.5. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services in writing and include a copy of the individual's resume, within one month of hired.

6.6. The Contractor shall notify the MCHS, in writing, when:

6.6.1. Any critical position is vacant for more than one month.

6.6.2. There is not adequate staffing to perform all required services for more than one month.

7. Coordination of Services

7.1. The Contractor shall coordinate referrals for continued care of treatment, or breast or cervical healthcare, with other service providers within the community, where possible.

7.2. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

7.2.1. Community needs assessments.

7.2.2. Public health performance assessments.

7.2.3. The development of regional health improvement plans.

7.3. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

8. Required Meetings & Trainings

8.1. The Contractor shall attend meetings and trainings facilitated by the MCHS and BCCP programs that include, but are not limited to:

8.1.1. MCHS Agency Directors' meetings.

8.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year.

8.1.3. MCHS Agency Medical Services Directors' meetings.

8.1.4. BCCP Site Coordinators' annual meetings.

9. Workplans, Outcome Reports & Additional Reporting Requirements

9.1. The Contractor shall provide an annual BCCP Performance Workplan and Workplan Outcomes Report according to the schedule and instructions provided by the BCCP, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule.

9.2. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a corrective action plan per directions from MCHS.

9.3. The Contractor shall submit an annual Workplan and Workplan Outcome Report for the quality improvement project(s) that demonstrates improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.4. If utilizing any portion of this contract for enabling services, the Contractor shall submit an annual Workplan and Workplan Outcome Report that includes at least one (1) performance measure for each type of enabling service provided. This shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.5. The Contractor shall complete the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st.

9.6. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

9.7. The Contractor shall submit monthly Outcome Reports for SBIRT services according to the schedule and instructions provided by the MCHS. The Contractor shall:

9.7.1. Collect information that includes, but is not limited to:

9.7.1.1. Description of the training provided, including but not limited to:

9.7.1.1.1. The content of the training provided.

9.7.1.1.2. The number of staff who received training.

9.7.1.2. The number of:

9.7.1.2.1. Qualified staff conducting SBIRT

Contractor's Initials: AMB

Date 5/18/15

9.7.1.2.2. SBIRT billing codes developed.

9.7.1.2.3. SBIRT services billed to insurance.

9.7.1.3. Updates on any changes, enhancements or adaptations to SBIRT procedures in:

9.7.1.3.1. Technology based systems.

9.7.1.3.2. Staffing.

9.7.1.3.3. Coding and billing.

9.7.1.4. The total number of clients receiving SBIRT delineated by:

9.7.1.4.1. Percentage of clients receiving only screening.

9.7.1.4.2. Percentage of clients receiving brief interventions.

9.7.1.4.3. Percentage of clients referred for more intensive services who initiated services.

9.7.1.4.4. Percentage of clients referred for more intensive services who had problems connecting to services.

9.8. The Contractor shall submit an annual report on April 30th in each year a contract amendment or renewal is not required that includes, but is not limited to:

9.8.1. DPHS Budget Form.

9.8.2. Budget Justification.

9.8.3. Sources of Revenue.

9.8.4. Program Staff List, which includes staff titles

9.9. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9.10. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

9.10.1. Survey template.

9.10.2. Method by which the results were obtained.

10. On-Site Reviews

10.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

10.1.1. Systems of governance.

10.1.2. Administration.

10.1.3. Data collection and submission.

10.1.4. Clinical and financial management.

10.1.5. Delivery of education services.

10.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

10.2.1. Client records.

10.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

10.2.3. SBIRT documentation, which includes but is not limited to:

10.2.3.1. SBIRT policies and procedures.

10.2.3.2. Staff credentials for all staff delivering SBIRT services

10.2.3.3. SBIRT procedures utilized and documented in patient records.

10.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Contractor's Initials: AMS

Date 5/18/15

Exhibit A-1 – Amendment #2

1. PRIMARY CARE PERFORMANCE MEASURES

1.1. Breastfeeding

1.1.1. **Percent of infants who are ever breastfed** (Title V PM #10).

1.1.1.1. Numerator: Infants who were ever breastfed or received breast milk

1.1.1.2. Denominator: All infants born in a state fiscal year

1.2. Preventive Health: Lead Screening

1.2.1. **Percent of children 2 years of age who had one or more capillary or venous lead blood test for lead poisoning by their second birthday.** (CMS, Hedis).

1.2.1.1. Numerator: At least one capillary or venous blood test on or before the child's second birthday.

1.2.1.2. Denominator: Children who turn 2 years old during the state fiscal year.

1.3. Preventive Health: Adolescent Well-Care Visit

1.3.1. **Percent of adolescents, 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year** (Hedis, Title V PM #7).

1.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

1.3.1.2. Denominator: Number of adolescents, ages 12 through 21 years of age.

1.4. Preventive Health: Depression Screening

1.4.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (ACO 18, NQF 0418).

1.4.1.1. Numerator: Patients who are screened for clinical depression using an age-appropriate standardized depression screening tool AND if positive, a follow-up plan documented.

1.4.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.1.3. Denominator: All patients 12 years and older.

1.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

Contractor Initials: AMS
Date: 5/18/15

1.4.2. **Maternal Depression Screening** (Developmental: not required for FY 16)

1.4.2.1. **Percentage of women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen.**

1.4.2.1.1. Numerator: Women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool and screen negative.

AND

Women who are screened for depression during the post-partum visit using an appropriate standardized depression screening tool, screen positive, AND have a follow-up plan documented.

1.4.2.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.2.1.3. Denominator: All women who are at least 6 weeks post-partum in a state fiscal year.

1.4.2.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

1.5. **Preventive Health: Obesity Screening**

1.5.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (ACO 16, NQF 0421, HRSA UDS).

1.5.1.1. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

1.5.1.2. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters.

1.5.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist,

occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

1.5.1.4. Denominator: All patients aged 18 years and older who had at least one medical visit during the state fiscal year.

1.5.2. Percent of patients aged 2 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (HRSA UDS).

1.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

1.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

1.6. **Preventive Health: Tobacco Screening**

1.6.1. Percent of patients aged 18 years and older who were screened for tobacco use one or more times within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user (ACO 17, NQF 0028, HRSA UDS).

1.6.1.1. Numerator: Patients who were screened for tobacco use at least once within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.1.2. Definitions:

1.6.1.2.1. Tobacco Use: Includes any type of tobacco

1.6.1.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.1.3. Denominator: All patients aged 18 years and older seen for at least two visits ever

1.6.2. **Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user** (Title V, PM #15).

1.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.2.2. Definitions:

1.6.2.2.1. Tobacco Use: Includes any type of tobacco

1.6.2.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.2.3. Denominator: All women who delivered a live birth in a state fiscal year

1.7. **At Risk Population: Hypertension**

1.7.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90 mm Hg) during the measurement year** (ACO 28, NQF 0018).

1.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm Hg at the time of their last measurement.

1.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)

1.8. **Patient Safety: Falls Screening**

1.8.1. **Percent of patients aged 65 years and older who were screened for future fall risk at least once within 12 months** (ACO 13, NQF0101).

1.8.1.1. Numerator: Patients who were screened for future fall risk at least once within 12 months.

1.8.1.2. Definition of Fall: a sudden, unintentional change in position causing an individual to land at a lower level, on an object, the floor, or the ground, other than as a consequence of a sudden onset of paralysis, epileptic seizure, or overwhelming external force.

1.8.1.3. Numerator note: Patients are considered at risk for future falls if they have had 2 or more falls in the past year or any fall with injury in the past year.

1.8.1.4. Denominator: All patients aged 65 years and older

1.8.1.5. Excluded from denominator population: (Exclusion only applied if patient was not screened for future fall risk) Documentation of medical reason(s) for not screening for future fall risk (e.g. patient is not ambulatory)

2. BCCP PERFORMANCE MEASURES

2.1. BCCP Performance Measure #1

2.1.1. **Measure:*** 78% of female patients age 24 through 64 years of age screened for cervical cancer per USPSTF guidelines.

2.1.2. **Numerator –** Number of female patients 24 through 29 years of age who have had a documented pap in the past 3 years AND female patients 30-64 who have either had a pap in the past 3 years OR an HPV test and a pap in the past 5 years

2.1.3. **Denominator –** Number of female patients 24 through 64 years of age who have had a visit in the past year and do not have evidence of having had a total hysterectomy.

2.1.4. **Data Source:** Chart audits or query of 100% of the **total** population of patients as described in the denominator.

2.1.5. *Measure based on the UDS measure

2.1.6. **Healthy People 2020 National Target is 93%

2.2. BCCP Performance Measure #2

2.2.1. **Measure:*** 75% of female patients age 52 through 74 years of age screened for breast cancer per USPSTF guidelines.

2.2.2. **Numerator –** Number of female patients 52 through 74 years of age who have had a documented mammogram in the past 24 months.

2.2.3. **Denominator –** Number of female patients 52 through 74 years of age who have had a visit in the past year and do not have evidence of having had a bilateral mastectomy.

2.2.4. **Data Source:** Chart audits or query of 100% of the **total** population of patients as described in the denominator.

2.2.5. *Measure based on the USPSTF Guidelines

2.2.6. ** Healthy People 2020 National Target is 81.1%

Contractor Initials: AMS
Date: 5/18/15

3. SBIRT PERFORMANCE MEASURES

3.1. **Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services**

3.1.1. **Numerator:** Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention or referral to services.

3.1.2. Definitions

3.1.2.1. Substance Use: Includes any type of alcohol or drug.

3.1.2.2. Brief Intervention: Includes guidance or counseling.

3.1.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

3.1.3. Denominator: Number of patients aged 18 years and older seen for annual visit within 12 months.

3.2. **Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program AND if positive, received a brief intervention or referral to services**

3.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

3.2.2. Definitions:

3.2.2.1. Substance Use: Includes any type of alcohol or drug.

3.2.2.2. Brief Intervention: Includes guidance or counseling.

3.2.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

3.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the state fiscal year.

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov):
   - 2.1. #93.959, Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA) Block Grants for Prevention and Treatment of Substance Abuse.
   - 2.2. #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds.
   - 2.3. #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #2, Scope of Services, in accordance with Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2.
4. The Contractor shall use and apply the amount in the SBIRT line item in Exhibit B-3 and Exhibit B-6 on actual SBIRT services provided.
5. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
6. Payment for said services shall be made as follows:
   - 6.1. The Contractor will submit an invoice by the tenth (10^{th}) working day of each month, which identifies and requests reimbursement for:
     - 6.1.1. Authorized expenses incurred in the prior month.
     - 6.1.2. The units of SBIRT services provided, in accordance with Exhibit A – Amendment #2, Section 5.2.2 through Section 5.2.5 and Section 5.3.1 through Section 5.3.3, which shall be paid on a fee-for-service basis at the following rates:
       - 6.1.2.1. $29.86 for each unit of service that is 15-30 minutes.
       - 6.1.2.2. $57.31 for each unit of service that is more than 30 minutes.
   - 6.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   - 6.3. The invoice must be submitted by mail or e-mail to:

     Financial Manager
     Department of Health and Human Services
     129 Pleasant Street
     Concord, NH 03301

     E-mail: dphscontractbilling@dhhs.state.nh.us

Contractor Initials: AAS
Date: 5/18/15

7. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.
8. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
9. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
10. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2 and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

Contractor Name:

LAMPREY
HEALTH CARE

Our Mission

"Stay focused on the mission." ~Naveen Jain

Lamprey Health Care's Mission is to provide high quality primary medical care and health related services with an emphasis on prevention and lifestyle management to all individuals regardless of ability to pay.

This is the driving force behind all we do. But what does it really mean?

Mission Focus

High Quality

You will always receive the best care at Lamprey Health Care. Take a look at our Quality of Care section to see what we are up to right now to provide you with the high quality care you deserve.

Prevention and Lifestyle Management

Our staff works to engage patients in their health care. You can expect to have your health team work to develop a plan to improve your health and teach you how to prevent illness and stay healthy. You will be an active participant in your health care plan.

Regardless of Ability to Pay

Everyone deserves to be healthy! You will never be turned away from Lamprey because you don't have insurance. Our patient advocates work with patients, looking at each individual's personal situation to find programs, services and solutions.

Independent Auditors' Report on Consolidated Financial Statements

Board of Directors
Lamprey Health Care, Inc. and
Friends of Lamprey Health Care, Inc.
Newmarket, New Hampshire

We have audited the accompanying consolidated financial statements of Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc., which comprise the balance sheets as of September 30, 2014 and 2013, the related statements of operations, changes in net assets, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc. as of September 30, 2014 and 2013, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statements are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the consolidating statements are fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 23, 2014, on our consideration of the Association's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and important for assessing the results of our audit.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

SEPTEMBER 30, 2014 AND 2013

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Lamprey Health Care, Inc. "LHC" is a private non-stock, non-profit corporation organized in New Hampshire. The Organization is a Federally Qualified Health Center (FQHC) whose primary purpose is to provide quality based family health and medical services to residents of Southern New Hampshire without regard to the patient's ability to pay for these services.

Subsidiary

Friends of Lamprey Health Care, Inc. "FLHC" is a non-stock, non-profit corporation organized in New Hampshire. FLHC's primary purpose is to support Lamprey Health Care, Inc. FLHC is also the property owner of LHC's Newmarket administrative and program offices. LHC is the sole member of FLHC.

Principles of Consolidation

The consolidated financial statements include the accounts of LHC and its subsidiary, FLHC. These agencies are collectively referred to as "the Organization." All significant intercompany balances and transactions have been eliminated in consolidation.

Income Taxes

Both LHC and FLHC are public charities under Section 501(c)(3) of the Internal Revenue Code. As public charities, the entities are exempt from state and federal income taxes on income earned in accordance with its tax exempt purpose. Unrelated business income is subject to state and federal income tax. Management has evaluated each entity's tax position and concluded that there is no unrelated business income or uncertain tax positions that require adjustment to the consolidated financial statements. Management believes the Agency is no longer subject to income tax examinations for years prior to 2011.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and Cash Equivalents

Cash and cash equivalents include highly liquid investments with an original maturity of three months or less, excluding assets limited as to use. Short-term highly liquid investments with an original maturity of more than three months are classified as temporary investments.

Accounts Receivable

Accounts receivable are reduced by an allowance for doubtful accounts. In evaluating the collectability of accounts receivable, the Organization analyzes its past history and identifies trends for all funding sources in the aggregate. In addition, balances in excess of one year are 100% reserved. Management regularly reviews data about revenue and payor mix in evaluating the sufficiency of the allowance for doubtful accounts. Amounts not collected after all reasonable collection efforts have been exhausted are applied against the allowance for doubtful accounts. The Organization has not changed its methodology for estimating the allowance for doubtful accounts during the years ended September 30, 2014 and 2013.

A reconciliation of the allowance for doubtful accounts follows:

	2014	2013
Balance, beginning of year	$ 136,707	$ 133,624
Provision	495,147	401,602
Write-offs	(400,020)	(398,519)
Balance, end of year	$ 231,834	$ 136,707

The increase in in the allowance for doubtful accounts is primarily related to an increase in the age of the accounts receivable balances due to industry wide delays in state reimbursement and certain managed care providers, particularly related to health care reform.

Assets Limited As to Use

Assets limited as to use include assets set aside under loan agreements for repairs and maintenance on the real property collateralizing the loan and assets designated by the board of directors and donor restricted contributions.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Property and Equipment

Property and equipment are carried at cost, less accumulated depreciation. Maintenance repairs and minor renewals are expensed as incurred and renewals and betterments are capitalized. Depreciation is computed on the straight-line method and is provided over the estimated useful life of each class of depreciable asset.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets include contribution and grants for which donor-imposed restrictions have not been met. Assets are released from restrictions as expenditures are made in line with restrictions called for under the terms of the donor.

Permanently restricted net assets are restricted by donors to be maintained by the Organization in perpetuity. There were no permanently restricted net assets.

Gifts of Long-lived Assets

Gifts of long-lived assets, such as land, buildings, or equipment, are reported as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets or used to extinguish debt related to long-lived assets, are reported as restricted support. In the absence of explicit donor stipulations about how long those long-lived assets must be maintained, expiration of donor restrictions are reported when the donated, acquired long-lived assets are placed in service, or when gifts of cash are used for the extinguishment of debt related to the long-lived assets.

Patient Service Revenue

The Organization has agreements with third-party payers that provide for payments to the Organization at amounts different from its established rates. A summary of the payment arrangements with major third-party payers follows:

- Medicare -- Primary care services rendered to Medicare program beneficiaries are reimbursed under cost reimbursement methodology. The Organization is reimbursed at a tentative encounter rate with final settlement determined after submission of annual cost reports by the Organization and audits thereof by the Medicare fiscal intermediary. The Organization's Medicare cost reports have been retroactively settled by the Medicare Administrative Contractor through June 30, 2012.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Patient Service Revenue (Continued)

- Other payers -- The Organization also has entered into payment agreements with Medicaid, certain commercial insurance carriers, health maintenance Organizations and preferred provider Organizations. The basis for payment to the Organization under these agreements includes prospectively determined rates per visit and discounts from established charges.

Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. Compliance with such laws and regulations can be subject to future government review and interpretation as well as significant regulatory action including fines, penalties and exclusion from the Medicare and Medicaid programs. The Organization believes that it is in substantial compliance with all applicable laws and regulations. However, there is at least a reasonable possibility that recorded estimates could change by a material amount in the near term. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in other operating revenue in the year that such amounts become known. The Organization recorded a favorable change from prior year third party cost report estimates amounting to $26,724 and $208,822 for the years ended September 30, 2014 and 2013, respectively.

The Organization, as a FQHC, is eligible to participate in the 340B Drug Pricing Program. The program requires drug manufacturers to provide outpatient drugs to FQHC's and other identified entities at a reduced price. The Organization contracts with local pharmacies under this program. The local pharmacies dispense drugs to eligible patients of the Organization and bill Medicare and commercial insurances on behalf of the Organization. Reimbursement received by the pharmacies is remitted to the Organization, less dispensing and administrative fees. Gross revenue generated from the program is included in patient service revenue. Contracted expenses incurred related to the program are included in other operating expenses.

Excess of Revenue Over Expenses

The statement of operations includes excess of revenue over expenses. Changes in unrestricted net assets, which are excluded from excess of revenue over expenses, consistent with industry practice, include the change in fair value of financial instruments and contributions of long-lived assets (including assets acquired using contributions and grants which by donor restriction were to be used for the purposes of acquiring such assets).

NOTE 2 ASSETS LIMITED AS TO USE

Assets limited as to use is composed of cash and cash equivalents and consisted of the following at September 30, 2014 and 2013:

	2014	2013
United States Department of Agriculture:		
Rural Development loan agreements	$ 142,359	$ 167,094
Designated by the governing board:		
Capital	210,000	210,000
Working capital (federal monies)	507,000	507,000
Transportation	26,882	26,882
Ann Peters health care access	6,085	6,085
ICD-10 implementation	796,082	796,082
Donor restricted:		
Temporarily (Note 6)	258,133	270,383
Total	$ 1,946,541	$ 1,983,526

Cash and cash equivalents included in assets limited as to use are not considered cash and cash equivalents for cash flow purposes.

NOTE 3 PROPERTY AND EQUIPMENT

The cost and accumulated depreciation of property and equipment at September 30, 2014 and 2013 follows:

	2014	2013
Land	$ 1,146,784	$ 1,138,520
Building and improvements	10,345,448	10,331,023
Furniture and equipment	1,841,962	1,842,019
Total Cost	13,334,195	13,311,562
Less, accumulated depreciation	5,304,137	5,064,501
Total Property and Equipment, Net	$ 8,030,057	$ 8,247,061

NOTE 3 PROPERTY AND EQUIPMENT (CONTINUED)

In 2011 the Organization made renovations to certain buildings with Federal grant funding under the ARRA - Facility Improvement Program. In accordance with the grant agreement, a Notice of Federal Interest (NFI) is required to be filed in the appropriate official records of the jurisdiction in which the property is located. The NFI is designed to notify any prospective buyer or creditor that the Federal Government has a financial interest in the real property acquired under the aforementioned grant; that the property may not be used for any purpose inconsistent with that authorized by the grant program statute and applicable regulations; that the property may not be mortgaged or otherwise used as collateral without the written permission of the Associate Administrator of the Office of Federal Assistance Management, Health Resources and Services Administration (OFAM, HRSA); and that the property may not be sold or transferred to another party without the written permission of the Associate Administrator of OFAM and HRSA.

NOTE 4 LINE OF CREDIT

The Organization has an available $1,000,000 revolving line of credit from a local bank through May 2016, with an effective interest rate of 3.25%. The line of credit is secured by all business assets. There was no outstanding balance at September 30, 2014 and 2013, respectively.

NOTE 5 LONG-TERM DEBT

A summary of notes payable at September 30, 2014 and 2013 follows:

	2014	2013
Promissory note payable to TD Bank, N.A. See terms outlined below	$ 958,515	$ 973,273
A 4.375% promissory note payable to the Rural Development Organization, paid in monthly installments of $5,000, which includes interest through December 2036. The note is secured by all tangible property owned by the Organization.	850,409	872,676

NOTE 5 LONG-TERM DEBT (CONTINUED)

	2014	2013
A 5.375% promissory note payable to the Rural Development Organization, paid in monthly installments of $4,949, which includes interest through June 2026. The note is secured by real estate owned by the Organization.	516,396	547,142
A 4.75% promissory note payable to the Rural Development Organization, paid in monthly installments of $1,892, which includes interest, through November 2033. The note is secured by real estate owned by the Organization.	284,631	293,610
A 6.00% promissory note payable to the Rural Development Organization, paid in monthly installments of $3,000, which includes interest, through November 2019. The note is secured by real estate owned by the Organization. The note was paid in full in August 2014.	-	157,764
Total Long-term Debt	2,609,951	2,844,465
Less current maturities	82,770	106,330
Long-term Debt Excluding Current Maturities	$ 2,527,181	$ 2,738,135

During 2012, the Organization obtained a $1,000,000 promissory note with TD Bank, N.A. to finance the construction of the medical facility in Nashua, New Hampshire. The note is secured by the real estate. Payments of interest only at 4.25% were due on the note during the construction phase of the note through January 2013, at which time the note converted to a ten year balloon note to be paid at the amortization rate of 30 years with monthly principal payments of $1,345 plus interest at 85% of the one month LIBOR rate plus 2.125% through January 2022 when the balloon payment is due. During 2012, the Organization obtained an interest rate swap agreement for the ten year period that limits the potential rate fluctuation and essentially fixes the rate at 4.13%. The fair market value of the interest rate swap agreement was a liability of $6,405 and $3,563 at September 30, 2014 and 2013, respectively.

NOTE 5 LONG-TERM DEBT (CONTINUED)

New Hampshire Health and Educational Facilities Authority (NH HEFA) is participating in the lending for thirty percent of the promissory note, amounting to $300,000. Under the NH HEFA program, the interest rate on that portion is not subject to the swap agreement and is a variable rate based on 50% of the interest rate charged by the local banking institution, which is 85% of the one month LIBOR rate plus 2.125%.

The Organization is required to meet certain annual minimum covenants as defined in the loan agreement with TD Bank. The covenants were met at September 30, 2014.

Scheduled principal repayments on long-term debt for the next five years and thereafter follows:

September 30,	
2015	$ 82,770
2016	86,453
2017	90,313
2018	94,356
2019	99,144
Thereafter	2,156,915
Total	$ 2,609,951

NOTE 6 TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets at September 30, 2014 and 2013 follows:

	2014	2013
Temporarily restricted for:		
Diabetes	$ 12,157	$ 20,303
Capital acquisitions	389,284	402,617
Total	$ 401,441	$ 422,920

The composition of temporarily restricted net assets at September 30, 2014 and 2013 follows:

	2014	2013
Assets limited as to use	$ 258,133	$ 270,383
Property and equipment	143,308	152,537
Total	$ 401,441	$ 422,920

NOTE 7 PATIENT SERVICE REVENUE

A summary of patient service revenue for the years ended September 30, 2014 and 2013 follows:

	2014	2013
Medical patient service revenue	$ 7,315,803	$ 6,801,083
340B pharmacy revenue	12,433	-
Total Patient Service Revenue	$ 7,328,236	$ 6,801,083

The Organization provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, the revenue is recorded net of the free care allowance. The Organization estimates the costs associated with providing charity care by calculating the ratio of total cost to total gross charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. The estimated cost of providing services to patients under the Organization's charity care policy amounted to $1,484,937 and $1,787,696 for the years ended September 30, 2014 and 2013, respectively.

The Organization is able to provide these services with a component of funds received through local community support and federal and state grants. Local community support consists of contributions and United Way and municipal appropriations.

NOTE 8 FUNCTIONAL EXPENSES

The Organization provides various services to residents within its geographic location. Expenses related to providing these services for the years ended September 30, 2014 and 2013 follows:

	2014	2013
Program services	$10,338,279	$10,572,681
Administrative and general	1,724,278	1,802,973
Total	$12,062,557	$12,375,654

NOTE 9 RETIREMENT PLAN

The Organization sponsors a defined contribution plan under Section 403(b) of the Internal Revenue Code. Contributions to the plan amounted to $344,393 and $361,208 for the years ended September 30, 2014 and 2013, respectively.

NOTE 10 CONCENTRATION OF RISK

The Organization has cash deposits in major financial institutions in excess of $250,000, which exceeds federal depository insurance limits. The financial institution has a strong credit rating and management believes the credit risk related to these deposits is minimal. The Organization purchases overnight securities backed by the Federal Government on a daily basis. Funds are re-deposited with interest the following business morning.

At September 30, 2014, Medicare represented 15% and Medicaid represented 29% of gross accounts receivable. No other individual payer source exceeded 10% of the gross accounts receivable balance.

NOTE 11 MALPRACTICE INSURANCE

The Organization is protected from medical malpractice risk as a FQHC under the Federal Tort Claims Act (FTCA). The Organization has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of the year ended September 30, 2014, there were no known malpractice claims outstanding which in the opinion of management, will be settled for amounts in excess of both FTCA and medical malpractice insurance coverage; nor are there any unasserted claims or incidents which require loss accrual. The Organization intends to renew medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

NOTE 12 SUBSEQUENT EVENTS

For financial reporting purposes, subsequent events have been evaluated by management through December 23, 2014, which is the date the financial statements were available to be issued.

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

FOR THE YEAR ENDED SEPTEMBER 30, 2014

NOTE 1 BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards, "the Schedule", includes the federal grant activity of Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc., "the Organization", under programs of the federal government for the year ended September 30, 2014. The information in this schedule is presented in accordance with the requirements of the Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Because the schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-122, *Cost Principles for Non-Profit Organizations*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule, if any, represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Pass-through entity identifying numbers are presented where available.

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Board of Directors
Lamprey Health Care, Inc. and
Friends of Lamprey Health Care, Inc.
Newmarket, New Hampshire

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc., which comprise the balance sheet as of September 30, 2014, and the related statements of operations, changes in net assets, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated December 23, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance

Board of Directors
Lamprey Health Care, Inc. and
Friends of Lamprey Health Care, Inc.
Newmarket, New Hampshire

Report on Compliance for Each Major Federal Program

We have audited Lamprey Health Care, Inc. and Friends of Lamprey Health Care, Inc.'s compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended September 30, 2014. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred.

An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2014.

Report on Internal Control Over Compliance

Management is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

- Engaging with leaders and stakeholders at the local, state and national levels to ensure that Lamprey is at the forefront of innovative, high quality health care delivery.

Lowell Community Health Center – Lowell, MA **2009 to 2013**

Chief Financial Officer

- Responsible for the integrity of financial information and systems for this Federally Qualified Health Center, employing 315 staff and providing over 120,000 visits annually. Upgraded financial and administrative infrastructure to meet requirements during a time of rapid expansion.
- Lead the financing and budget development for a $42 million capital facility project to include: traditional debt, multiple tax credit sources, federal grants, loan guarantees, and private funds.
- Directed key projects for: 340(b) pharmacy implementation; 403(b) tax deferred savings plan; multiple federal stimulus grants; and revised operating budget development.
- Representative to the Lowell General PHO for managed care contract negotiation
- Recruited and managed a team of five directors to oversee and manage four support and one programmatic department

Manchester Community Health Center – Manchester, NH **1999 to 2009**

Chief Financial Officer

- Recruited by the CEO to bring structure and process to the functional areas of the Center's financial operations. Provided direction and oversight to key business areas; General Administration, Patient Registration, Human Resources, FTCA/Legal and Medical Records.
- Responsible for the development of key programs, Corporate Compliance, HIPAA, selection of a new practice management system. Supported Joint Commission accreditation and the implementation of an electronic medical record system.

- Led the development of financing for the Center's new facility.

Greater Lawrence Family Health Center – Lawrence, MA **1993 to 1998**

Controller **1997 to 1998**

Accounting Manager **1995 to 1997**

Senior Accountant/Analyst **1993 to 1995**

- Progressively responsible for all day to day financial operations of a Federally Qualified Health Center, including: Accounts Payable, Payroll, General Ledger, Cash Management, Cost Reporting, Patient Accounts, and Financial Reporting. Presented budgets, analysis, projections and periodic reporting to the Board of Directors.
- Key leader for projects involving: selection of new financial accounting software; selection of new practice management system; provider productivity measurement and analysis and group purchasing. Oversaw budget of $5 million construction project.
- Developed reimbursement model for an innovative Family Practice Residency program.

EXPERIENCE

Chief Fiscal Officer/Chief Information Officer **April 1981 to Present**
Lamprey Health Care, Inc., Newmarket, NH

- Facilitated the operational planning and budgeting and implementation for $12+ million Federally Qualified Health Center (FQHC). Net income was within 1% of budget for all years.
- Negotiated financing for the construction of eight medical/administrative facilities.
- Raised funds and implemented Electronic Health Record for four medical sites.
- Implemented Health Information Exchange for network of 10 FQHC's
- Played key role in discussion with New Hampshire's Department of Health and Human Services (DHHS) to insure adequate APM reimbursement for FQHC's in State of NH including the development of an FQHC billing manual.
- Led Accounting and IT Departments in the screening and hiring of audit professionals for 403B, annual and Security audits.
- Negotiated with managed care companies on contracts for commercial and Medicaid managed care.
- Researched and implemented 403B vendors with focus on performance and compliance.
- Developed an analysis of needs and possible vendors for insurance services, moving business to an A+ broker with a cost savings of 10%.
- Centralized purchasing role for the agency, standardizing supplies ordered with savings of 15%.
-

Network Information Officer
Community Health Access Network **July 1996 to present**

- Instrumental in the formation of a Health Center Controlled Network (HCCN), Community Health Access Network (CHAN), to standardize clinical operations between 10 FQHC's.
- Led the implementation of EHR at 10 member sites.
- Played key role in a major security upgrade to the CHAN infrastructure.
- Assisted in the development of standards for HCCN's through a Health Resources and Services Administration (HRSA) funded program focused on the expansion of HCCN's.

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to amend agreements with 13 vendors by increasing the total price limitation by $4,293,569 from $5,173,800 to $9,467,369 to provide primary care services. This amount includes a request to **retroactively** enter into **sole-source** amendments in an amount of $648,347, effective **retroactive** to July, 1, 2013 through June 30, 2014 and to exercise a one-year renewal option with the same 13 vendors in an amount of $3,645,222, extending the completion date from June 30, 2014 to June 30, 2015, effective upon Governor and Council approval. Twelve of these agreements were originally approved by Governor and Council on June 20, 2012, Item numbers 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, and one agreement was originally approved by Governor and Council on July 11, 2012, Item number 31.

Summary of contracted amounts by vendor:

Vendor	Location	SFY 2014 Amount	SFY 2015 Amount	Total Increase
Ammonoosuc Community Health	North Grafton/ South Coos	$42,661	$254,172	$296,833
Concord Hospital, Inc.	Merrimack/ Hillsborough	$64,413	$376,377	$440,790
Coos County Family Health	Eastern Coos	$24,351	$159,685	$184,036
Families First of the Greater Seacoast	Seacoast Area	$41,892	$242,094	$283,986
Goodwin Community Health	Strafford County	$74,293	$420,579	$494,872
Health First Family Care Center	Central/Eastern Belknap	$55,968	$292,214	$348,182
Indian Stream Health Center	Northern Coos & Colebrook	$18,030	$100,409	$118,439
Lamprey Health Care, Inc.	Central Southern/Eastern NH	$119,828	$654,249	$774,077
Manchester Community Health Center	Greater Manchester Area	$71,392	$407,637	$479,029
Mid-State Health Center	Central Northern Belknap	$35,001	$175,511	$210,512
The New London Hospital, Inc.	Sullivan County	$39,566	$225,093	$264,659
Weeks Medical Center	Western Coos	$20,652	$113,557	$134,209
White Mountain Community Health	Northern Carroll	$40,300	$223,645	$263,945
TOTAL		**$648,347**	**$3,645,222**	**$4,293,569**

Funds to support this request are available in the following accounts for SFY 2014 and SFY 2015, with authority to adjust amounts within the price limitation and amend the related terms of the contract without further approval from Governor and Executive Council.

05-95-90-902010-5190 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF POPULATION HEALTH AND COMMUNITY SERVICES, MATERNAL AND CHILD HEALTH

05-95-90-901010-7965 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF PUBLIC HEALTH SYSTEMS, POLICY & PERFORMANCE, RURAL HEALTH AND PRIMARY CARE

See attachment for financial details

EXPLANATION

Approval is requested **retroactive** to July 1, 2013. The services provided by these contracts are consistent with prior contracts and were included in the operating budget for SFY 2014 and SFY 2015. Contracts were delayed, however, since the exact amount of funding available was only recently determined. The SFY 2014 amendments are **sole source** because they exceed more than 10% of the original contract amount.

This requested action seeks approval of 13 amendments that represents $4,293,569 total anticipated to be spent statewide to continue breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. In the interest of efficiency, the contract amendments are being bundled as they are providing the same services, and because of the size of the resulting Governor and Council submission, the copies provided are abbreviated in the interest of saving resources. The Councilors and the public can view the entire submission package on the Secretary of State's website.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

In addition, breast and cervical cancers continue to be ongoing public health issues for New Hampshire. The Division of Public Health Services, Breast and Cervical Cancer Screening Program

provides support for breast and cervical cancer screening services that include clinical examinations, pap smears and referral for mammography. Through this program, women found to have abnormal screening results, following their testing, receive additional coverage for diagnostic work-up and, if necessary, have their care coordinated through the initiation of treatment.

Should Governor and Executive Council not authorize this Request, low-income individuals statewide may not have adequate access to primary care services, and eligible women may not receive recommended breast and cervical cancer screenings. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. Additionally women that receive recommended breast and cervical cancer screenings are at lower risk of late diagnosis of breast and cervical cancers.

Contracts were awarded to Primary Care agencies through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by teams of three professionals. All reviewers have between three to 20 years' experience managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were averaged and all proposals were recommended for funding. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, these competitively procured Agreements have the option to renew for two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council. The Department is exercising one year of this renewal option.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. All Primary Care vendors are making adequate progress in meeting clinical performance measures and the Departments wishes to continue working with the vendors for another year.

The performance measures as described in the contract amendment Exhibit A – Amendment 1 – Performance Measures, will be used to continue to measure the effectiveness of the agreement.

Area to be served is statewide.

Source of Funds: 13.09% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau; Centers for Disease Control and Prevention and 86.91% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Brook Dupee for

José Thier Montero, MD, MHCDS
Director

State of New Hampshire
Department of Health and Human Services
Amendment #1 to the
Lamprey Health Care, Inc.

This 1st Amendment to the Lamprey Health Care, Inc., contract (hereinafter referred to as "Amendment One") dated this 12 day of March, 2014, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Lamprey Health Care, Inc., (hereinafter referred to as "the Contractor"), a corporation with a place of business at 207 South Main Street, Newmarket, New Hampshire 03857.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18, the State may modify the scope of work and the payment schedule of the contract by written agreement of the parties;

WHEREAS, the Department desires to provide additional primary health care services for preventive and episodic health care for acute and chronic health conditions for people of all ages.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

- Form P-37, to change:
  Block 1.7 to read: June 30, 2015
  Block 1.8 to read: $1,696,513

- Exhibit A, Scope of Services to add:
  Exhibit A – Amendment 1

- Exhibit B, Purchase of Services, Contract Price, to add:

  Paragraph 1.1 to Paragraph 1:
  The contract price shall increase by $119,828 for SFY 2014 and $654,249 for SFY 2015.

  Paragraph 1.2 to Paragraph 1:
  Funding is available as follows:
- $119,828 from 05-95-90-902010-5190-102-500731, 100% General Funds;
- $600,864 from 05-95-90-902010-5190-102-500731, 6.7% Federal Funds from the US Department of Health and Human Services Administration, Maternal and Child Health Bureau, CFDA #93.994 and 93.3% General Funds;

Contractor Initials:
Date: 3.12.14

- $53,385 from 05-95-90-902010-5659-102-500731, 100% Federal Funds from the US Department of Health and Human Services, Centers for Disease Control and Prevention, CFDA #93.283;

  Add Paragraph 8
  8. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjustments to amounts between and among account numbers, within the price limitation, may be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

- Budget, to add:
  Exhibit B-1 (2014) - Amendment 1,
  Exhibit B-1 (2015) - Amendment 1

This amendment shall be in effect July 1, 2013, effective upon the date of Governor and Executive Council approval.

Contractor Initials:
Date: 3-12-14

Scope of Services

The Department desires to continue the relationship with the primary care agencies to provide additional primary health care services for preventive and episodic health care for acute and chronic health conditions for people of all ages.

I. General Provisions

A) Eligibility and Income Determination

1. Office-based primary care services will be provided to low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire.

2. Breast and Cervical Cancer screening services will be provided to low-income (defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), New Hampshire women age 21– 64, uninsured or underinsured. BCCP changes.

3. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new patients for more than a one month period.

4. The Contractor shall document annually, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete with the client the most recent version of the 800P form.

5. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, approved in advance by the Division of Public Health Services (DPHS), for low-income patients. Signage must state that no client will be denied services for inability to pay.

    a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, submitted to and approved by DPHS prior to implementation.

6. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered.

B) Numbers Served

1. The contract funds shall be expended to provide the above services to a minimum of 1,200 users annually with 3,265 medical encounters, as defined in the Data and Reporting Requirements. Breast and Cervical Cancer Screening for eligible women, as defined by the Breast and Cervical Cancer Program (BCCP), shall be provided to 300 women annually and billed directly to the BCCP. Clinical service reimbursements shall not exceed the Medicare rate.

C) Culturally and Linguistically Appropriate Standards of Care

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. Provide clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.

4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.

5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation 45 CFR 80.3(b) (2). The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) State and Federal Laws

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated hereunder.

E) Relevant Policies and Guidelines

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

2. Primary Care funds shall be targeted to populations in need. Populations in need are defined as follows:

   a) uninsured;

   b) under-insured;

   c) families and individuals with significant psychosocial and economic risk, including low income status;

   d) all life cycles including perinatal, child, adolescent, adult, and elderly who meet one or more of the above criteria.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.

4. The Contractor shall have an agency emergency preparedness and response plan in accordance with HRSA Health Center Emergency Management Program Expectations, Document #2007-15 or most recent version. Such plan shall also include a Continuity of Operations plan.

5. The Contractor shall carry out the work as described in the performance Workplan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

6. No Workplan is required by the Breast and Cervical Cancer Program (BCCP). The contractor shall be required to respond to the Quality Improvement Feedback Report twice a year.

7. The Contractor shall carry out the work as described in the Supplemental Funding Form submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) Publications Funded Under Contract

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, electronic) produced, reproduced, or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14).

G) Subcontractors

If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing and approve the subcontractual agreement, prior to initiation of the subcontract.

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing and approve the subcontractual agreement, prior to initiation of the subcontract.

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. Minimal Standards of Core Services

A. Service Requirements

1. Medical Home

The Contractor shall provide a Medical Home that:

a) Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.

b) Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.

2. Primary Care Services

The Contractor shall provide office-based primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, APRN, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, oral health, and behavioral health specialty providers.

b) Referral to the WIC Nutrition Program for all eligible pregnant women, infants and children.

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.

d) Access to a healthcare provider, directly or by referral or subcontract, by telephone twenty-four hours per day, seven days per week.

e) Assessment of psychosocial risk for all clients at least annually and for children at scheduled preventive care visits, including, at a minimum, age appropriate assessment of safety in the home, domestic violence, adequacy of food and housing, care and welfare of children, transportation needs, and provision of necessary social services to address the priority needs and safety issues of clients and families.

f) Falls prevention screening for patients 65 years and older using the algorithm and guidelines of the American Geriatrics Society.

g) Behavioral health care directly or by referral to an agency or provider with a sliding fee scale.

h) Nutrition assessment for all clients as part of the health maintenance visit. Therapeutic nutrition services shall be provided as indicated directly or by referral to an agency or provider with a sliding fee scale. These services shall be recorded in the medical record.

i) Formal arrangements with a local hospital for emergency care must be in place and reviewed annually.

j) Home health care directly or by referral to an agency or provider with a sliding fee scale.

k) Assisted living and skilled nursing facility care by referral.

l) Oral screening annually for all clients 21 years and older to note obvious dental decay and soft tissue abnormalities with a reminder to the patient that poor oral health impacts total health.

m) Diagnosis and management of pediatric and adult patients with asthma provided according to National Heart Lung Blood Institute, National Asthma Education and Prevention Program, Expert Panel Report 3: Guidelines for the Diagnosis and Management of Asthma, 2007.

3. Breast and Cervical Cancer Screening

a) Women age 21 to 64 who are eligible for Breast and Cervical Cancer Program (BCCP) services according to income (equal to or under 250% of poverty, underinsured/uninsured) and insurance status criteria shall be provided the following services, following USPSTF screening recommendations:

i. cervical cancer screening including a pelvic examination and Pap smear;
ii. breast cancer screening including a clinical breast exam, mammogram and,
iii. referrals for diagnostic and treatment services based on screening results,
iv. case management services.

b) All referrals under this provision shall be to approved certified laboratory, pathology, radiology, and surgical services. Mammography units shall be accredited by the American College of Radiology, and must be FDA certified under MQSA. Laboratories shall be CLIA certified.

c) All services shall be provided in accordance with the Breast and Cervical Cancer Program (BCCP) Policy and Procedure Manual.

d) Follow-up and tracking of all tests done, and referrals made shall be provided in accordance with the minimum standards outlined in the Breast and Cervical Cancer Program Policy and Procedure Manual.

e) All services for women enrolled in the Breast and Cervical Cancer Program (BCCP) shall be billed directly to the BCCP in accordance with protocols established by the Breast and Cervical Cancer Program.

f) The Contractor shall provide the NH Breast and Cervical Cancer Program with breast and cervical cancer screening rates for all women served by the practice as requested, but not more than twice per SFY.

g) The contractor shall work with the NH Breast and Cervical Cancer Program staff to increase the breast and cervical cancer screening rates among all women serviced by the practice.

4. Reproductive Health Services

The Contractor shall provide prenatal, interconceptional and preconception medical care, social services, nutrition services, education, and nursing care to all women of childbearing age. Preconceptional care includes the preconception, interconceptional, and postpartum periods in women's health. It is recommended that preconceptional and interconceptional care visits focus on maintaining or achieving the optimal health of the mother, lowering the risk of future adverse pregnancy outcomes, the family's future plans, and how additional children fit into that plan. Preconceptional counseling may be done during an office, group or home visit.

a) In the event prenatal care is not provided directly by the Contractor a formal Memorandum/a of Agreement for coordinated referral to an appropriately qualified provider must be maintained.

b) Prenatal care shall, at minimum, be provided in accordance with the Guidelines for Perinatal Care, sixth or most current edition, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists, and /or the Centers for Disease Control.

c) Age appropriate reproductive health care shall, at a minimum, be provided in accordance with the American College of Obstetricians and Gynecologists, or the USDHHS Centers for Disease Control (CDC) current guidelines.

d) Pregnant women enrolled in the WIC Nutrition Program shall be referred to WIC for breastfeeding education and referral to the WIC Nutrition Program peer counselors.

e. Family planning counseling for prevention of subsequent pregnancy following an infant's birth shall be discussed with the infant's mother at the first postpartum visit and at the infant's 2-month visit and other visits as appropriate. Rationale for birth intervals of 18-24 months shall be presented.

f) A referral to a Title X Family Planning Clinic or other reproductive health care provider shall be made as appropriate.

5. Services for Children and Adolescents

The Contractor shall provide as a minimum, comprehensive and age-appropriate health care, screenings, and health education according to the American Academy of Pediatrics' most recent periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent. Children and adolescent visits shall include:

a) The World Health Organization (WHO) growth charts shall be used to monitor growth for infants and children birth up to age 2 years. The Centers for Disease Control and Prevention (CDC) growth charts shall be used for children age 2 years and older.

b) Blood lead testing shall be performed in accordance with "New Hampshire Childhood Lead Poisoning Screening and Management Guidelines", issued by the New Hampshire Department of Health and Human Services, 2009 or subsequent revisions.

c) All children enrolled in either Medicaid, Head Start, or the Women, Infant, and Children (WIC) Program and/or who are ≤ 185%_poverty, regardless of town of residence, are required to have a blood lead test at ages one and two years. All children ages three to six years who have not been previously tested shall have a blood lead test performed.

d) All children shall be screened for iron deficiency anemia as outlined in the Centers for Disease Control and Prevention document "Recommendations to Prevent and Control Iron Deficiency in the United States (4/2/98)".

e) Age-appropriate anticipatory guidance, dietary guidance, and *feeding practice counseling* for optimal oral health shall be provided at each well child visit according to the American Academy of Pediatrics' periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent edition. Starting at age 6 months, it is recommended that all children receive an oral health assessment at every well child visit, and a referral for the child's first visit to the dentist by age one as recommended by the American Academy of Pediatrics and the American Academy of Pediatric Dentistry.

f) Supplemental fluoride shall be prescribed as needed based upon the fluoride levels in the child's drinking water supply. The fluoride dosage regimen accepted by the American Academy of Pediatrics shall be followed. No fluoride shall be prescribed without obtaining water from private wells or noting the presence or absence of fluoride in the public water supply. Supplemental fluoride may include bottled water containing fluoride and topical applications such as varnishes.

g) For infants enrolled in the WIC Nutrition Program, parents shall be referred to WIC for breastfeeding support and referral to the WIC Nutrition Program peer counselors.

6. Sexually Transmitted Infections

Primary Care Services shall provide age appropriate screening and treatment of sexually transmitted infections.

a) Treatment for sexually transmitted infections shall be provided according to the United States Centers for Disease Control Sexually Transmitted Diseases Treatment Guidelines, 2010 or subsequent revisions.

b) All clients, including women, shall be offered HIV testing following the most current recommendations of the United States Centers for Disease Control.

c) The contractor shall be responsible for ensuring referral to appropriate treatment services for any woman found to screen positive.

d) Appropriate risk reduction counseling shall be provided based on client needs.

7. Substance Use Services

a) A substance use screening history using a formal, validated screening tool shall be obtained for all clients as soon after entry into care as possible. Substance use counseling or other substance abuse intervention, treatment, or recovery services by an appropriately credentialed provider shall be provided on-site, or by referral, to clients with identified needs for these services. For these identified clients, ongoing primary care services should include follow up monitoring relative to substance abuse.

b) All clients, including pregnant women, identified as smokers shall receive counseling using the 5A's (ask, advise, assess, assist, and arrange) treatment available through the NH Tobacco Helpline as cited in the US Public Health Services report "Tobacco Use and Dependence", 2008, or "Smoking Cessation During Pregnancy: A Clinician's Guide to Helping Pregnant Women Quit Smoking", American College of Obstetricians and Gynecologists, 2011. With prior approval, agencies may also opt to participate in the DPHS best practice initiative of the 2A's and R (ask, advise and refer).

8. Immunizations

a) The Contractor shall adhere to the most current version of the "Recommended Adult Immunization Schedule for Adults (19 years and older) by Age and Medical Condition - United States", approved by the Advisory Committee on Immunization Practices, the American College of Obstetricians and Gynecologists, and the American Academy of Family Physicians.

b) The Contractor shall administer vaccines according to the most current version of the "Recommended Immunization Schedule for Persons Aged 0 Through 6 Years - United States", and "Recommended Immunization Schedule for Persons Aged 7 Through 18 Years – United States" approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians, based upon availability of vaccine from the New Hampshire Immunization Program.

9. Prenatal Genetic Screening

a) A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

b) All pregnant women should be offered voluntary genetic screening for fetal chromosomal abnormalities at the appropriate time following recommendations found in the American College of Obstetricians and Gynecologists' "Screening for Fetal Chromosomal Abnormalities (2007)" or more recent guidelines. The Contractor shall be responsible for ensuring referral to appropriate genetic testing and counseling for any woman found to have a positive screening test.

10. Additional Requirements

a) The Contractor's Medical Director shall participate in the development and approval of specific guidelines for medical care that supplement minimal clinical standards. Supplemental guidelines should be reviewed, signed, and dated annually, and updated as indicated.

b) Contractors considering clinical or sociological research using clients as subjects must adhere to the legal requirements governing human subjects research. Contractors must inform the DPHS, MCHS prior to initiating any research related to this contract.

c) The Contractor shall provide information to all employees annually about the Medical Reserve Corps Unit within their Public Health Region to enhance recruitment.

d) The Contractor shall provide information to all employees annually regarding the Emergency System for the Advance Registration of Volunteer Health Professionals (ESAR-VHP) managed by the NH Department of Health and Human Services' Emergency Services Unit, to enhance recruitment.

B) Staffing Provisions

The Contractor shall have, at minimum, the following staff positions:

a) executive director

b) fiscal director

c) registered nurse

d) clinical coordinator

e) medical service director

f) nutritionist (on site or by referral)

g) social worker

Staff positions required to provide direct services on-site include:

a) registered nurse

b) clinical coordinator

c) social worker

1. Qualifications

All health and allied health professionals shall have the appropriate New Hampshire licenses whether directly employed, contracted, or subcontracted.

In addition the following minimum qualifications shall be met for:

a) Registered Nurse
   a. A registered nurse licensed in the state of New Hampshire, Bachelor's degree preferred. Minimum of one-year experience in a community health setting.

b) Nutritionists:
   a. A Bachelor's degree in nutritional sciences or dietetics, or a Master's degree in nutritional sciences, nutrition education, or public health nutrition or current Registered Dietitian status in accordance with the Commission on dietetic Registration of the American Dietetic Association.
   b. Individuals who perform functions similar to a nutritionist but do not meet the above qualifications shall not use the title of nutritionist.

c) Social Workers shall have:
   a. A Bachelor's or Master's degree in social work or Bachelor's or Master's degree in a related social science or human behavior field. A minimum of one year of experience in a community health or social services setting is preferred.
   b. Individuals who perform functions similar to a social worker but do not meet the above qualifications shall not use the title of social worker.

d) Clinical Coordinators shall be:
   a. A registered nurse (RN), physician, physician assistant, or nurse practitioner with a license to practice in New Hampshire.
   b. The coordinator is a clinical position that oversees and takes responsibility for the clinical and administrative functions of each program.
   c. The coordinator may be responsible for more than one MCH funded program.

2. New Hires

The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing within one month of hire when a new administrator, clinical coordinator, or any staff person essential to carrying out contracted services is hired to work in the program. A resume of the employee shall accompany the aforesaid notification.

3. Vacancies

   a) The Contractor must notify the MCHS in writing if any critical position is vacant for more than one month, or if at any time funded under this contract does not have adequate staffing to perform all required services for more than one month. This may be done through a budget revision.

   b) Before an agency hires new program personnel that do not meet the required staff qualifications, the agency shall notify the MCHS in writing requesting a waiver of the applicable staffing requirements. The Section may grant waivers based on the need of the program, individuals' experience, and additional training.

C) Coordination of Services

1. The Contractor shall coordinate, where possible, with other service providers within the contractor's community. At a minimum, such collaboration shall include interagency referrals and coordination of care.

2. The Contractor shall participate in activities in the Public Health Region in which they provide services as appropriate. These activities enhance the integration of community-based public health prevention and health care initiatives that are being implemented by the contractor and may include community needs assessments, public health performance assessments, and/or the development of regional health improvement plans.

3. The Contractor agrees to participate in and coordinate public health activities as requested by the Division of Public Health Services during any disease outbreak and/or emergency, natural or man-made, affecting the public's health.

4. The Contractor is responsible for case management of the client enrolled in the program and for program follow-up activities. Case management services shall promote effective and efficient organization and utilization of resources to assure access to necessary comprehensive medical, nutritional, and social services for clients.

5. The Contractor shall assure that appropriate, responsive, and timely referrals and linkages for other needed services are made, carried through, and documented. Such services shall include, but not be limited to: dental services, genetic counseling, high risk prenatal services, mental health, social services, including domestic violence crisis centers, substance abuse services; and family planning services, Early Supports and Services Program, local WIC/CSF Program, Home Visiting New Hampshire Programs and health and social service agencies which serve children and families in need of those services.

D) Meetings and Trainings

The contractor will be responsible for sending staff to meetings and training required by the MCHS program, including but not limited to:

1. MCHS Agency Directors' meetings
2. Prenatal and Child Health Coordinators' meetings
3. MCHS Agency Medical Services Directors' meetings

III. Quality or Performance Improvement (QI/PI)

A) Workplans

1. Performance Workplans are required for this program and are used to monitor achievement of standard measures of performance of the services provided under this contract. The workplans are a key component of the RHPCS and the MCHS performance-based contracting system and of this contract. Outcomes shall be reported by clinical site.
2. Performance Workplans and Workplan Outcome reports according to the schedule and instructions provided by the MCHS. The MCHS shall notify the Contractor at least 30 days in advance of any changes in the submission schedule.
3. The Contractor shall incorporate required and developmental performance measures, defined by the MCHS into the agency's Performance Workplan. Reports on Workplan Progress/Outcomes shall detail the Performance Workplan plans and activities that monitor and evaluate the agency's progress toward performance measure targets.
4. The Contractor shall comply with modifications and/or additions to the workplan and annual report format as requested by RHPCS and MCHS. MCHS will provide the contractor with reasonable notice of such changes.
5. Agencies contracting for Primary Care Services must submit the workplans for Primary Care Clinical and Financial, Child Health, and Prenatal Care.

B) Additional Reporting requirements

In addition to Performance Workplans, the Contractor shall submit to MCHS the following data and information listed below which are used to monitor program performance:

1. In years when contracts or amendments are not required, the DPHS Budget Form, Budget Justification, Sources of Revenue and Program Staff list forms must be

completed according to the relevant instructions and submitted as requested by DPHS and, at minimum, by April 30 of each year.

2. The Sources of Revenue report must be resubmitted at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

3. Completed Uniform Data Set (UDS) tables reflecting program performance in the previous calendar year, by March 31 of each year.

4. The Perinatal Client Data Form (PCDF) shall be submitted electronically according to the instructions set forth by the MCHS.

5. A copy of the agency's updated Sliding Fee Scale including the amount(s) of any client fees and the schedule of discounts must be submitted by March 31st of each year. The agency's sliding fee scale must be updated annually based on the US DHHS Poverty guidelines as published in the Federal Register.

6. An annual summary of program-specific patient satisfaction results obtained during the prior contract period and the method by which the results were obtained shall be submitted annually as an addendum to the Workplan Outcome/Progress reports.

C) On-site reviews

1. The contractor shall allow a team or person authorized by the Division of Public Health Services to periodically review the contractor's systems of governance, administration, data collection and submission, clinical and financial management, and delivery of education services in order to assure systems are adequate to provide the contracted services.

2. Reviews shall include client record reviews to measure compliance with this exhibit.

3. The contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.

4. On-Site reviews may be waived or abbreviated at the discretion of MCHS, upon submission of satisfactory reports of reviews such as Health Services Resources Administration (HRSA): Office of Performance Review (OPR), or reviews from nationally accreditation organizations such as the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), Medicare, the Community Health Accreditation Program (CHAP), Accreditation Association for Ambulatory Healthcare (AAAHC), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey. Abbreviated reviews will focus on any deficiencies found in previous reviews, issues of compliance with this exhibit, and actions to strengthen performance as outlined in the agency Performance Workplan.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE CHILD HEALTH DIRECT CARE SERVICES
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Please note, for all measures, the following should be used **unless otherwise indicated:**

- Less than 19 years of age
- Served within the scope of this MCH contract during State Fiscal Year 2015 (July 1, 2014 – June 30, 2015)
- Each client can only be counted once (unduplicated)

Child Health Direct (CH – D) Performance Measure #1

Measure: 92%* of eligible children will be enrolled in Medicaid

Goal: To increase access to health care for children through the provision of health insurance

Definition: **Numerator-**
Of those in the denominator, the number of children enrolled in Medicaid.

Denominator-
Number of children who meet all of the following criteria:

- Less than 19 years of age
- Had 3 or more visits/encounters** during the reporting period
- As of the last visit during the reporting period were eligible for Medicaid

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**An encounter is face to face contact between a user and a provider who exercises independent judgment in the provision of services to the individual (UDS Table Definition).

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #2

Measure: 85%* of at-risk** children who were screened for blood lead between 18 and 30 months of age

Goal: To prevent childhood lead poisoning through early identification of lead exposure

Definition: **Numerator-**
Of those in the denominator, number of children screened for blood lead by capillary or venous on or after their 18-month birthday and prior to their 30-month birthday.

Denominator-
Number of at-risk** children who reached age 30 months during the reporting period. If discharged prior to 30 months, do not include in denominator.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**At risk = During the reporting period, the children were 18-29 months of age, and fit at least one of the following criteria:

- "Low income" (less than 185% poverty guidelines)
- Over 185% and resided in a town considered needing "Universal" screening per NH Childhood Lead Poisoning Prevention Program
- Over 185%, resided in a town considered "Target" and had a positive response to the risk questionnaire
- Refugee children -A refugee is defined as a person outside of his or her country of nationality who is unable or unwilling to return because of persecution or a well-founded fear of persecution on account of race, religion, nationality, membership in a particular social group, or political opinion (U.S. Citizenship and Immigration Services definition).

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #3

Measure: 71%* of children age two to nineteen years receiving primary care preventive health services with a Body Mass Index (BMI) percentile greater than or equal to the 85%ile with documented discussion of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Goal: To increase the percent of children receiving primary care preventive health services who have an elevated BMI percentile who receive guidance about promoting a healthier lifestyle.

Definition:

Numerator-
Of those in the denominator, the number of children who had documentation in their medical record of there being discussion at least once during the reporting period of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Denominator-
Number of children who turned twenty-four months during or before the reporting period, up to the age of nineteen years, with one or more well child visit after their twenty-fourth month of age within the reporting year, and had an age and gender appropriate BMI percentile greater than or equal to the 85 % percentile at least once during the reporting period.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

Rationale: Children between the 85th – 94th percentiles BMI are encouraged to have 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks. (Discussion of the importance of family meal time, limiting eating out, consuming a healthy breakfast, preparing own foods, and promotion of breastfeeding is also encouraged.) American Academy of Pediatrics' guidance for Prevention and Treatment of Childhood Overweight and Obesity, (http://www.aap.org/obesity/health_professionals.html), from AAP Policy Statement: *Prevention of Pediatric Overweight and Obesity* and the AAP endorsed Expert Committee Recommendations Regarding the Prevention, Assessment, and Treatment of Children and Adolescent Overweight and Obesity, 2007.

*Target based on 2012 & 2013 Data Trend Table averages.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) #4

Measure: 75%* of eligible** infants and children with client record documentation of enrollment in WIC

Goal: To increase access to nutrition education, breastfeeding support, and healthy food through enrollment in the WIC Nutrition Program

Definition: **Numerator** -
Of those in the denominator, the number of infants and children who, as of the last well child visit during the reporting period, had client record documentation that infant or child was enrolled in WIC.

Denominator -
Unduplicated number of infants and children less than 5 years of age, enrolled in the agency, during the reporting period, who were eligible** for WIC.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**WIC Eligibility Requirements:

- Infants, and children up to their fifth birthday
- Must be income eligible (income guidelines are up to 185% of federal gross income, and are based on family size)

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #5

Measure: 23%* of infants who were exclusively** breastfed for the first three months, at their four month well baby visit

Goal: To provide optimum nutrition to infants in their first three months of life

Definition: **Numerator -**
Of those in the denominator, the number of infants who had client record documentation that the infant had been exclusively breastfed for their first three months when checked at their four month well baby visit.

Denominator -
Number of infants who received one or more visits during or before the reporting period and were seen for a four-month well baby visit during the reporting period.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

Benmarks: 2011 PedNSS (WIC) exclusive at 3 months: NH 22.9%, National (2010) 10.7%
2013 CDC Report Card (NIS, provisional 2010 births): NH 49.5%, National 37.7%
Healthy People 2020 goal: 44%

Rationale: The AAP recommends exclusive breastfeeding for about 6 months, with continuation of breastfeeding for 1 year or longer as mutually desired by mother and infant, a recommendation concurred to by the World Health Organization and the Institute of Medicine. (American Academy of Pediatrics Policy Statement on Breastfeeding and the Use of Human Milk, 2012)

*Target based on 2012 & 2013 Data Trend Table averages.
**Exclusive means breast milk only, no supplemental formula, cereal/baby food, or water/fluids.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE: ADULT

PERFORMANCE MEASURES DEFINITIONS

State Fiscal Year 2015

Primary Care: Adult Performance Measure #1

Measure:*	58%** of adult patients 18 – 85 years of age diagnosed with hypertension will have a blood pressure measurement less than 140/90*** mm at the time of their last measurement.
Goal:	To ensure patients diagnosed with hypertension are adequately controlled.
Definition:	**Numerator-** Number of patients from the denominator with blood pressure measurement less than 140/90 mm at the time of their last measurement. **Denominator-** Number of patients age 18 – 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

*Measure based on the National Quality Forum 0018

**Health People 2020 National Target is 61.2%

***Both the numerator and denominator must be less that 140/90 mm

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE CLINICAL PERFORMANCE MEASURE DEFINITIONS Fiscal Year 2015

Primary Care Clinical Adolescent (PC-C) Performance Measure #1

Measure: 61%* of adolescents aged 11-21 years received an annual health maintenance visits in the past 12 months.

Goal: To enhance adolescent health by assuring annual, recommended, adolescent well -visits.

Definition:

Numerator-
Number of adolescents in the denominator who received an annual health maintenance "well" visit during the reporting year.

Denominator-
Total number of adolescents aged 11-21 years who were enrolled in the primary care clinic as primary care clients during the reporting year period.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

***Target based on 2012 & 2013 Data Trend Table averages.**

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Primary Care Clinical Prenatal (PC-C) Performance Measure #2

Measure:	31%* of women and adolescent girls aged 15-44 take multi-vitamins with folic acid.
Goal:	To enhance pregnancy outcomes by reducing neural tube defects.
Definition:	**Numerator-** The number of women and adolescent girls aged 15-44 who take a multi-vitamin with folic acid. **Denominator-** The number of women and adolescent girls aged 15-44 who were seen in primary care for a well visit in the past year.
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

***Target based on 2012 & 2013 Data Trend Table averages.**

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE - FINANCIAL
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Primary Care (PC) Performance Measure #1

Measure: Patient Payor Mix

Goal: To allow monitoring of payment method trends at State funded primary care sites.

Definition: Patients enrolled in Medicare, Medicaid, Commercial insurance, or uninsured.

Data Source: Provided by agency

Primary Care (PC) Performance Measure #2

Measure: Accounts Receivables (AR) Days

Goal: To allow monitoring of financial sustainability trends at State funded primary care sites.

Definition: AR Days: Net Patient Accounts Receivable **multiplied by** 365 **divided by** Net Patient Revenue

Data Source: Provided by agency

Primary Care (PC) Performance Measure #3

Measure: Current Ratio

Goal: To allow monitoring of financial sustainability trends at State funded primary care sites.

Definition: Current Ratio = Current Assets **divided by** Current Liabilities

Data Source: Provided by agency

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRENATAL
PERFORMANCE MEASURES DEFINITIONS
State Fiscal Year 2015

Prenatal (PN) Performance Measure #1

Measure: 85%* of pregnant women who are enrolled in the agency's prenatal program will begin prenatal care during the first trimester of pregnancy.

Goal: To enhance pregnancy outcomes by assuring early entrance into prenatal care.

Definition:

Numerator-
Number of women in the denominator who had a documented prenatal visit during the first trimester (on or before 13.6 weeks gestation).

Denominator-
Number of women enrolled in the agency prenatal program who gave birth during the reporting year.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

* Target based on 2012 & 2013 Data Trend Table averages.

Prenatal (PN) Performance Measure #2

Measure: 20%* of pregnant women who are identified as cigarette smokers will be referred to QuitWorks-New Hampshire.

Goal: To reduce tobacco use during pregnancy through focused tobacco use cessation activities at public health prenatal clinics.

Definition:

Numerator-
Number of women in the denominator who received at least one referral to QuitWorks-New Hampshire during pregnancy.

A referral is defined as signing the patient up for QuitWorks-NH via phone, fax, or EMR. It is <u>not defined as</u> discussing QuitWorks-NH with the patient and encouraging her to sign up.

Denominator-
Number of women enrolled in the agency prenatal program and identified as tobacco users who gave birth during the reporting year.

Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

*Target set in consultation with the NH Tobacco Program & FY13 Data Trend Table average.

Prenatal (PN) Performance Measure #3

Measure:	79%* of pregnant women will be screened, using a formal valid screening tool, for alcohol and other substance use during every trimester they are enrolled in the prenatal program.
Goal:	To reduce prenatal substance use through systematic screening and identification.
Definition:	**Numerator-** Number of women in the denominator who were screened for substance and alcohol use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program. **Denominator-** Number of women enrolled in the agency prenatal program and who gave birth during the reporting year.
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

* Target based on 2012 & 2013 Data Trend Table averages.

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, Bureau of Population Health and Community Services, Maternal and Child Health Section, to enter into an agreement with Lamprey Health Care, Inc. (Vendor #177677-B001), 207 South Main Street, Newmarket, New Hampshire 03857, in an amount not to exceed $922,436.00, to provide primary care services and breast and cervical cancer screening, to be effective July 1, 2012 or date of Governor and Executive Council approval, whichever is later, through June 30, 2014. Funds are available in the following accounts for SFY 2013, and are anticipated to be available in SFY 2014 upon the availability and continued appropriation of funds in the future operating budgets.

			Sub-Total	$120,134
			Total	$922,436

EXPLANATION

Funds in this agreement will be used to provide breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. This agreement provides funds for services as a last resort; contractor is required to make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. For example, in State Fiscal Year 2011:

- 88% of eligible children served were enrolled in Medicaid/Healthy Kids Gold.
- 86% of children 24-35 months, served received the appropriate schedule of immunizations.
- 82% of infants born to women served received prenatal care beginning in the first trimester of pregnancy.

In addition, breast and cervical cancers continue to be ongoing public health issues for New Hampshire. The Division of Public Health Services, Breast and Cervical Cancer Screening Program provides support for breast and cervical cancer screening services that include clinical examinations, pap smears and referral for mammography. Through this program, women found to have abnormal screening results, following their testing, receive additional coverage for diagnostic work-up and, if necessary, have their care coordinated through the initiation of treatment.

Should Governor and Executive Council not authorize this Request, a minimum of 32,570 low-income individuals from the following areas Amherst, Brookline, Hollis, Hudson, Litchfield, Lyndeborough, Merrimack, Milford, Mount Vernon, Nashua, Pelham, Wilton, Barrington, Brentwood, Candia, Chester, Danville, Exeter, Fremont, Lee, Newfields, Newmarket, Northwood, Nottingham, Raymond and Stratham may not have access to primary care services, and eligible women may not receive recommended breast and cervical cancer screenings. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. Additionally women that receive recommended breast and cervical cancer screenings are at lower risk of late diagnosis of breast and cervical cancers.

Lamprey Health Care, Inc. was selected for this project through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by three professionals, who work internal and external to the Department of Health and Human Services. All reviewers have between three to twenty years experience either in clinical settings, providing community-based family support services, and managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were averaged and all proposals were recommended for funding. In those instances where scores were less than ideal, agency specific remedial actions were recommended and completed. Some primary care agencies are being funded at levels higher than they requested. Agencies were instructed to develop budgets based on previous allocations. While some proposed budgets higher than what was available for funding, others proposed budgets lower than what was available. There was an increase in breast and cervical cancer screening funds that bidders were unaware of when they drafted budgets. Adjustments were made accordingly for those agencies that proposed budgets at levels lower than available funds. This is a contract where that situation occurred. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council. These services were contracted previously with this agency in SFY 2011 and SFY 2012 in the amount of $1,478,362. This represents a decrease of $555,926. The decrease is due to budget reductions.

The performance measures used to measure the effectiveness of the agreement are attached.

Area served: Amherst, Brookline, Hollis, Hudson, Litchfield, Lyndeborough, Merrimack, Milford, Mount Vernon, Nashua, Pelham, Wilton, Barrington, Brentwood, Candia, Chester, Danville, Exeter, Fremont, Lee, Newfields, Newmarket, Northwood, Nottingham, Raymond and Stratham.

Source of Funds: 30.38% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau and 69.62% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

José Thier Montero, MD
Director

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Prenatal (PN) Performance Measure #1

Measure: Percent of infants born to women receiving prenatal care beginning in the first trimester of pregnancy.

Primary Care Prenatal (PN) Performance Measure #2

Measure: Percent of pregnant women identified as cigarette smokers that are referred to QuitWorks-New Hampshire.

Primary Care Prenatal (PN) Performance Measure #3

Measure: Percent of pregnant women who were screened, using a formal valid screening tool, for alcohol and other drug use during every trimester the patient was enrolled.

Primary Care Child Health Direct (CH – D) Performance Measure #1

Measure: Percent of eligible children enrolled in Medicaid

Primary Care Child Health Direct (CH – D) Performance Measure #2

Measure: Percent of at-risk children who were screened for blood lead between 18 and 30 months of age

Primary Care Child Health Direct (CH – D) Performance Measure #3

Measure: Percent of children age two to nineteen years receiving primary care preventive health services with a Body Mass Index (BMI) percentile greater than or equal to the 85th percentile with documented discussion of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Primary Care Child Health Direct (CH – D) Performance Measure #4

Measure: Percent of eligible infants and children with client record documentation of enrollment in Women Infant Children Program.

Primary Care Child Health Direct (CH – D) Performance Measure #5

Measure: Percent of infants who were exclusively breastfed for the first three months, at their four month well baby visit.

Primary Care Financial (PC) Performance Measure #1

Measure: Patient Payor Mix

Primary Care Financial (PC) Performance Measure #2

Measure: Accounts Receivables (AR) Days

Primary Care Financial (PC) Performance Measure #3

Measure: Current Ratio

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Clinical Adolescent (PC-C) Performance Measure #1

Measure: Percent of adolescents aged 10-21 years who received annual health maintenance visits in the past 12 months.

Primary Care Clinical Prenatal (PC-C) Performance Measure #2

Measure: Percent of women and adolescent girls aged 15-44 who take a multi-vitamin with folic acid.

Subject: Primary Care Services

AGREEMENT

The State of New Hampshire and the Contractor hereby mutually agree as follows:

Exhibit A

Scope of Services

Primary Care Services

CONTRACT PERIOD: July 1, 2012 or date of G&C approval, whichever is later, through June 30, 2014

CONTRACTOR NAME: Lamprey Health Care, Inc.

ADDRESS: 207 South Main Street
Newmarket, New Hampshire 03857
Chief Executive Officer: Ann Peters
TELEPHONE: 603-659-2494

The Contractor shall:

I. General Provisions

A) Eligibility and Income Determination

1. Office-based primary care services will be provided to low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire.

2. Breast and Cervical Cancer screening services will be provided to low-income (defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), New Hampshire women age 18 – 64, *uninsured or underinsured*.

3. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new patients for more than a one month period.

4. The Contractor shall document annually, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete with the client the most recent version of the 800P form.

5. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, approved in advance by the Division of Public Health Services (DPHS), for low-income patients. Signage must state that no client will be denied services for inability to pay.

   a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, submitted to and approved by DPHS *prior to implementation.*

6. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered.

B) Numbers Served

1. The contract funds shall be expended to provide the above services to a minimum of 16,285 users annually with 70,075 medical encounters, as defined in the Data and Reporting Requirements. Breast and Cervical Cancer Screening for eligible women, as defined by the Breast and Cervical Cancer Program (BCCP), shall be provided to 300 women annually and billed directly to the BCCP. Clinical service reimbursements shall not exceed the Medicare rate.

C) **Culturally and Linguistically Appropriate Standards of Care**

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. *Provide* clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.

4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.

5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation 45 CFR 80.3(b) (2). The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) **State and Federal Laws**

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated hereunder.

E) **Relevant Policies and Guidelines**

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

2. Primary Care funds shall be targeted to populations in need. Populations in need are defined as follows:

   a) uninsured;

   b) under-insured;

   c) families and individuals with significant psychosocial and economic risk, including low income status;

   d) all life cycles including perinatal, child, adolescent, adult, and elderly who meet one or more of the above criteria.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.

4. *The Contractor shall have an agency emergency preparedness and response plan in accordance with HRSA Health Center Emergency Management Program Expectations, Document #2007-15 or most recent version. Such plan shall also include a Continuity of Operations plan.*

5. The Contractor shall carry out the work as described in the performance Workplan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

6. No Workplan is required by the Breast and Cervical Cancer Program (BCCP). The contractor shall be required to respond to the Quality Improvement Feedback Report twice a year.

7. The Contractor shall carry out the work as described in the Supplemental Funding Form submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) Publications Funded Under Contract

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, *electronic*) produced, reproduced, or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14).

G) Subcontractors

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing *and approve the subcontractual agreement*, prior to initiation of the subcontract.

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. Minimal Standards of Core Services

A) Service Requirements

1. *Medical Home*

The Contractor shall provide a Medical Home that:

a) *Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.*

b) *Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.*

2. Primary Care Services

The Contractor shall provide office-based primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, APRN, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, *oral health*, and behavioral health specialty providers.

b) *Referral to the WIC Nutrition Program for all eligible pregnant women, infants and children.*

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.

d) Access to a healthcare provider, directly or by referral or subcontract, by telephone twenty-four hours per day, seven days per week.

e) Assessment of psychosocial risk for all clients at least annually and for children at scheduled preventive care visits, including, at a minimum, age appropriate assessment of safety in the home, domestic violence, adequacy of food and housing, care and welfare of children, transportation needs, and provision of necessary social services to address the priority needs and safety issues of clients and families.

f) Falls prevention screening for patients 65 years and older using the algorithm and guidelines of the American Geriatrics Society.

g) Behavioral health care directly or by referral to an agency or provider with a sliding fee scale.

h) *Nutrition assessment for all clients as part of the health maintenance visit.* Therapeutic nutrition services shall be provided *as indicated* directly or by referral to an agency or provider with a sliding fee scale. These services shall be recorded in the medical record.

i) Formal arrangements with a local hospital for emergency care must be in place and reviewed annually.

j) Home health care directly or by referral to an agency or provider with a sliding fee scale.

k) Assisted living and skilled nursing facility care by referral.

l) *Oral screening annually for all clients 19 years and older to note obvious dental decay and soft tissue abnormalities with a reminder to the patient that poor oral health impacts total health*

m) *Diagnosis and management of pediatric and adult patients with asthma provided according to National Heart Lung Blood Institute, National Asthma Education and Prevention Program, Expert Panel Report 3: Guidelines for the Diagnosis and Management of Asthma, 2007.*

2. Breast and Cervical Cancer Screening

a) Women age 18 to 64 who are eligible for Breast and Cervical Cancer Program (BCCP) services according to income (equal to or under 250% of poverty, underinsured/uninsured) *and insurance status* criteria shall be provided the following services:

i. cervical cancer screening including a pelvic examination and Pap smear;
ii. annual breast cancer screening including a clinical breast exam, mammogram and,
iii. referrals for diagnostic and treatment services based on screening results,
iv. case management services.

b) All referrals under this provision shall be to approved certified laboratory, pathology, radiology, and surgical services. Mammography units shall be accredited by the American College of Radiology, and must be FDA certified under MQSA. Laboratories shall be CLIA certified.

c) All services shall be provided in accordance with the Breast and Cervical Cancer Program (BCCP) Policy and Procedure Manual.

d) Follow-up and tracking of all tests done, and referrals made shall be provided in accordance with the minimum standards outlined in the Breast and Cervical Cancer Program Policy and Procedure Manual.

e) All services for women enrolled in the Breast and Cervical Cancer Program (BCCP) shall be billed directly to the BCCP in accordance with protocols established by the Breast and Cervical Cancer Program.

3. Reproductive Health Services

The Contractor shall provide prenatal, interconceptional and preconception medical care, social services, nutrition services, education, and nursing care to all women of childbearing age. Preconceptional care includes the preconception, interconceptional, and postpartum periods in women's health. It is recommended that preconceptional and interconceptional care visits focus on maintaining or achieving the optimal health of the mother, lowering the risk of future adverse pregnancy outcomes, the family's future plans, and how additional children fit into that plan. Preconceptional counseling may be done during an office, group or home visit.

a) In the event prenatal care is not provided directly by the Contractor a formal Memorandum/a of Agreement for coordinated referral to an appropriately qualified provider must be maintained.

b) Prenatal care shall, at minimum, be provided in accordance with the Guidelines for Perinatal Care, sixth or most current edition, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists, and /or the Centers for Disease Control.

c) Age appropriate reproductive health care shall, at a minimum, be provided in accordance with the American College of Obstetricians and Gynecologists, or the USDHHS Centers for Disease Control (CDC) current guidelines.

d) *Pregnant women enrolled in the WIC Nutrition Program shall be referred to WIC for breastfeeding education and referral to the WIC Nutrition Program peer counselors.*

e. Family planning counseling for prevention of subsequent pregnancy following an infant's birth shall be discussed with the infant's mother *at the first postpartum visit and at the infant's 2-month visit and other visits as appropriate.* Rationale for birth intervals of 18-24 months shall be presented.

f) A referral to a Title X Family Planning Clinic or other reproductive health care provider shall be made as appropriate.

4. Services for Children and Adolescents

The Contractor shall provide as a minimum, comprehensive and age-appropriate health care, screenings, and health education according to the American Academy of Pediatrics' most recent periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent. Children and adolescent visits shall include:

a) Blood lead testing shall be performed in accordance with "New Hampshire Childhood Lead Poisoning Screening and Management Guidelines", issued by the New Hampshire Department of Health and Human Services, 2009 or subsequent revisions.

b) All children enrolled in either Healthy Kids-Gold or the Women, Infant, and Children (WIC) Program and/or who are ≤ 185% poverty, regardless of town of residence, are required to have a blood lead test at ages one and two years. All children ages three to six years who have not been previously tested shall have a capillary or venous blood lead test performed.

c) All children shall be screened for iron deficiency anemia as outlined in the Centers for Disease Control and Prevention document "Recommendations to Prevent and Control Iron Deficiency in the United States (4/2/98)".

d) Age-appropriate anticipatory guidance, dietary guidance, and *feeding practice counseling* for optimal oral health shall be provided at each well child visit according to the American Academy of Pediatrics' periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent edition. Starting at age 6 months, it is recommended that all children receive an oral health assessment at every well child visit.

e) Supplemental fluoride shall be prescribed as needed based upon the fluoride levels in the child's *drinking* water supply. The fluoride dosage regimen accepted by the American Academy of Pediatrics shall be followed. No fluoride shall be prescribed without obtaining water from private wells or noting the presence or absence of fluoride in the public water supply. *Supplemental fluoride may include bottled water containing fluoride and topical applications such as varnishes.*

f) *For infants enrolled in the WIC Nutrition Program, parents shall be referred to WIC for breastfeeding support and referral to the WIC Nutrition Program peer counselors.*

5. Sexually Transmitted Infections

Primary Care Services shall provide age appropriate screening and treatment of sexually transmitted infections.

a) Treatment for sexually transmitted infections shall be provided according to the United States Centers for Disease Control Sexually Transmitted Diseases Treatment Guidelines, 2010 or subsequent revisions.

b) All clients, including women, shall be offered HIV testing following the most current recommendations of the United States Centers for Disease Control.

c) The contractor shall be responsible for ensuring referral to appropriate treatment services for any woman found to screen positive.

d) Appropriate risk reduction counseling shall be provided based on client needs.

6. Substance Use Services

a) A substance use screening history using a formal, validated screening tool shall be obtained for all clients as soon after entry into care as possible. Substance use counseling *or other substance abuse intervention, treatment, or recovery services* by an appropriately credentialed provider shall be provided on-site, or by referral, to clients with identified needs for these services. *For these identified clients, ongoing primary care services should include follow up monitoring relative to substance abuse.*

b) All clients, including pregnant women, identified as smokers shall receive counseling *using the 5A's (ask, advise, assess, assist, and arrange) treatment available through the NH Tobacco Helpline* as cited in the US Public Health Services report "Tobacco Use and Dependence", 2008, or "Smoking Cessation During Pregnancy: *A Clinician's Guide to Helping Pregnant Women Quit Smoking*", American College of Obstetricians and Gynecologists, 2011. *With prior approval, agencies may also opt to participate in the DPHS best practice initiative of the 2A's and R (ask, advise and refer).*

7. Immunizations

a) The Contractor shall adhere to the most current version of the "Recommended Adult Immunization Schedule United States", approved by the Advisory Committee on Immunization Practices, the American College of Obstetricians and Gynecologists, and the American Academy of Family Physicians.

b) The Contractor shall administer vaccines according to the most current version of the *"Recommended Immunization Schedule for Persons Aged 0 Through 6 Years - United States", and "Recommended Immunization Schedule for Persons Aged 7 Through 18 Years – United States"* approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians, based upon availability of vaccine from the New Hampshire Immunization Program.

8. Prenatal Genetic Screening

a) A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

b) All pregnant women should be offered voluntary genetic screening for fetal chromosomal abnormalities at the appropriate time following recommendations found in the American College of Obstetricians and Gynecologists' "Screening for Fetal Chromosomal

Abnormalities (2007)" or more recent guidelines. The Contractor shall be responsible for ensuring referral to appropriate genetic testing and counseling for any woman found to have a positive screening test.

9. Additional Requirements

a) The Contractor's Medical Director shall participate in the development and approval of specific guidelines for medical care that supplement minimal clinical standards. Supplemental guidelines should be reviewed, signed, and dated annually, and updated as indicated.

b) Contractors considering clinical or sociological research using clients as subjects must adhere to the legal requirements governing human subjects research. Contractors must inform the DPHS, MCHS prior to initiating any research related to this contract.

c) *The Contractor shall provide information to all employees annually about the Medical Reserve Corps Unit within their Public Health Region to enhance recruitment.*

d) *The Contractor shall provide information to all employees annually regarding the Emergency System for the Advance Registration of Volunteer Health Professionals (ESAR-VHP) managed by the NH Department of Health and Human Services' Emergency Services Unit, to enhance recruitment.*

B) Staffing Provisions

The Contractor shall have, at minimum, the following staff positions:

a) executive director

b) fiscal director

c) registered nurse

d) clinical coordinator

e) medical service director

f) nutritionist *(on site or by referral)*

g) social worker

Staff positions required to provide direct services on-site include:

a) registered nurse

b) clinical coordinator

c) social worker

1. Qualifications

All health and allied health professionals shall have the appropriate New Hampshire licenses whether directly employed, contracted, or subcontracted.

In addition the following minimum qualifications shall be met for:

a) Registered Nurse

a. A registered nurse licensed in the state of New Hampshire. Bachelor's degree preferred. Minimum of one-year experience in a community health setting.

b) Nutritionists:
   a. A Bachelor's degree in nutritional sciences or dietetics, or a Master's degree in nutritional sciences, nutrition education, or public health nutrition or current Registered Dietitian status in accordance with the Commission on dietetic Registration of the American Dietetic Association.

   b. Individuals who perform functions similar to a nutritionist but do not meet the above qualifications shall not use the title of nutritionist.

c) Social Workers shall have:
   a. A Bachelor's or Master's degree in social work or Bachelor's or Master's degree in a related social science or human behavior field. A minimum of one year of experience in a community health or social services setting is preferred.

   b. Individuals who perform functions similar to a social worker but do not meet the above qualifications shall not use the title of social worker.

d) Clinical Coordinators shall be:
   a. A registered nurse (RN), physician, physician assistant, or nurse practitioner with a license to practice in New Hampshire.

   b. The coordinator is a clinical position that oversees and takes responsibility for the clinical and administrative functions of each program.

   c. The coordinator may be responsible for more than one MCH funded program.

2. New Hires

   The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing within one month of hire when a new administrator, clinical coordinator, or any staff person essential to carrying out contracted services is hired to work in the program. A resume of the employee shall accompany the aforesaid notification.

3. Vacancies

   a) The Contractor must notify the MCHS in writing if any critical position is vacant for more than one month, or if at any time funded under this contract does not have adequate staffing to perform all required services for more than one month. This may be done through a budget revision.

   b) Before an agency hires new program personnel that do not meet the required staff qualifications, the agency shall notify the MCHS in writing requesting a waiver of the applicable staffing requirements. The Section may grant waivers based on the need of the program, individuals' experience, and additional training.

C) Coordination of Services

1. The Contractor shall coordinate, where possible, with other service providers within the contractor's community. At a minimum, such collaboration shall include interagency referrals and coordination of care.

2. The Contractor shall participate in activities *in the Public Health Region in which they provide services* as appropriate. These activities enhance the integration of community-based public health

prevention and health care initiatives that are being implemented by the contractor and may include community needs assessments, public health performance assessments, and/or the development of regional health improvement plans.

3. The Contractor agrees to *participate* in and coordinate public health activities as requested by the Division of Public Health Services during any *disease outbreak* and/or *emergency*, natural or man made, affecting the public's health.

4. The Contractor is responsible for case management of the client enrolled in the program and for program follow-up activities. Case management services shall promote effective and efficient organization and utilization of resources to assure access to necessary comprehensive medical, nutritional, and social services for clients.

5. The Contractor shall assure that *appropriate, responsive, and timely* referrals and linkages for other needed services are made, carried through, and documented. Such services shall include, but not be limited to: dental services, genetic counseling, high risk prenatal services, mental health, social services, including domestic violence crisis centers, substance abuse services; and family planning services, Early Supports and Services Program, local WIC/CSF Program, Home Visiting New Hampshire Programs and health and social service agencies which serve children and families in need of those services.

D) Meetings and Trainings

The contractor will be responsible for sending staff to meetings and training required by the MCHS program, including but not limited to:

1. MCHS Agency Directors' meetings

2. Prenatal and Child Health Coordinators' meetings

3. MCHS Agency Medical Services Directors' meetings

III. Quality or Performance Improvement (QI/PI)

A) Workplans

1. Performance Workplans are required for this program and are used to monitor achievement of standard measures of performance of the services provided under this contract. The workplans are a key component of the RHPCS and the MCHS performance-based contracting system and of this contract. Outcomes shall be reported by clinical site.

2. Submit Performance Workplans and Workplan Outcome reports according to the schedule and instructions provided by the MCHS. The MCHS shall notify the Contractor at least 30 days in advance of any changes in the submission schedule.

3. The Contractor shall incorporate required and developmental performance measures, defined by the MCHS into the agency's Performance Workplan. Reports on Workplan Progress/Outcomes shall detail the Performance Workplan plans and activities that monitor and evaluate the agency's progress toward performance measure targets.

4. The Contractor shall comply with modifications and/or additions to the workplan and annual report format as requested by RHPCS and MCHS. MCHS will provide the contractor with reasonable notice of such changes.

5. Agencies contracting for Primary Care Services must submit the workplans for Primary Care *Clinical and Financial*, Child Health, and Prenatal Care.

B) Additional Reporting requirements

In addition to Performance Workplans, the Contractor shall submit to MCHS the following data and information listed below which are used to monitor program performance:

1. In years when contracts or amendments are not required, the DPHS Budget Form, Budget Justification, Sources of Revenue and Program Staff list forms must be completed according to the relevant instructions and submitted as requested by DPHS and, at minimum, by April 30 of each year.

2. The Sources of Revenue report must be resubmitted at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

3. Completed Uniform Data Set (UDS) tables reflecting program performance in the previous calendar year, by March 31 of each year.

4. The Perinatal Client Data Form (PCDF) shall be submitted electronically according to the instructions set forth by the MCHS.

5. A copy of the agency's updated Sliding Fee Scale including the amount(s) of any client fees and the schedule of discounts must be submitted by March 31st of each year. The agency's sliding fee scale must be updated annually based on the US DHHS Poverty guidelines as published in the Federal Register.

6. An annual summary of program-specific patient satisfaction results obtained during the prior contract period and the method by which the results were obtained shall be submitted annually as an addendum to the Workplan Outcome/Progress reports.

C) **On-site reviews**

1. The contractor shall allow a team or person authorized by the Division of Public Health Services to periodically review the contractor's systems of governance, administration, data collection and submission, clinical and financial management, and delivery of education services in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include client record reviews to measure compliance with this exhibit.
3. The contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. On-Site reviews may be waived or abbreviated at the discretion of MCHS, upon submission of satisfactory reports of reviews such as Health Services Resources Administration (HRSA): Office of Performance Review (OPR), or reviews from nationally accreditation organizations such as the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), Medicare, the Community Health Accreditation Program (CHAP), Accreditation Association for Ambulatory Healthcare (AAAHC), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey. Abbreviated reviews will focus on any deficiencies found in previous reviews, issues of compliance with this exhibit, and actions to strengthen performance as outlined in the agency Performance Workplan.

NH Department of Health and Human Services

Exhibit B

Purchase of Services
Contract Price

Primary Care Services

CONTRACT PERIOD: July 1, 2012 or date of G&C approval, whichever is later, through June 30, 2014

CONTRACTOR NAME: **Lamprey Health Care, Inc.**

ADDRESS: **207 South Main Street**
Newmarket, New Hampshire 03857
Chief Executive Officer: **Ann Peters**
TELEPHONE: **603-659-2494**

Vendor #177677-B001 Job #90080000 #90080081 Appropriation #010-090-51900000-102-500731 #010-090-56590000-102-500731

1. The total amount of all payments made to the Contractor for cost and expenses incurred in the performance of the services during the period of the contract shall not exceed:

   $802,302 for Primary Care Services, funded from 19.95% federal funds from the US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau (CFDA #93.994) and 80.05% general funds.

   $120,134 for Breast and Cervical Cancer Screening, funded from 100% federal funds from the Center for Disease Control (CFDA #93.283).

TOTAL: $922,436

2. The Contractor agrees to use and apply all contract funds from the State for direct and indirect costs and expenses including, but not limited to, personnel costs and operating expenses related to the Services, as detailed in the attached budgets. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. The Contractor agrees not to use or apply such funds for capital additions or improvements, entertainment costs, or any other costs not approved by the State.

3. This is a cost-reimbursement contract based on an approved budget for the contract period. Reimbursement shall be made monthly based on actual costs incurred during the month up to an amount not greater than one-twelfth of the contract amount. Reimbursement greater than one-twelfth of the contract amount in any month shall require prior, written permission from the State.

4. Invoices shall be submitted by the Contractor to the State in a form satisfactory to the State for each of the Service category budgets. Said invoices shall be submitted within twenty (20) working days following the end of the month during which the contract activities were completed, and the final invoice shall be due to the State no later than sixty (60) days after the contract Completion Date. Said invoice shall contain a description of all allowable costs and expenses incurred by the Contractor during the contract period.

5. Payment will be made by the State agency subsequent to approval of the submitted invoice and if sufficient funds are available in the Service category budget line items submitted by the Contractor to cover the costs and expenses incurred in the performances of the services.

Contractor Initials: ELC

Date: 3-28-2012

6. The Contractor may amend the contract budget for any Service category through line item increases, decreases, or the creation of new line items provided these amendments do not exceed the contract price for that particular Service category. Such amendments shall only be made upon written request to and written approval by the State. Budget revisions will not be accepted after June 20th of each contract year.

7. The Contractor shall have written authorization from the State prior to using contract funds to purchase any equipment with a cost in excess of three hundred dollars ($300) and with a useful life beyond one year.

The remainder of this page is intentionally left blank.

Contractor Initials: EJC

Date: 3-28-2012

Exhibit C

SPECIAL PROVISIONS

1. **Contractors Obligations:** The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

2. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

3. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

4. **Documentation:** In addition to the determination forms, required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

5. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

6. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

7. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

8. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractor's costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party fundors for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party fundors, the Department may elect to:

    8.1 Renegotiate the rates for payment hereunder, in which event new rates shall be established;

Contractor Initials: ELC

Date: 3/29/2012

8.2 Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

8.3 Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

9. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:

9.1 **Fiscal Records:** Books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

9.2 **Statistical Records:** Statistical, enrollment, attendance, or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

9.3 **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

10. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.

10.1 **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.

10.2 **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

11. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directed connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Contractor Initials: ELC

Date: 3/28/2012

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

12. **Reports: Fiscal and Statistical**: The Contractor agrees to submit the following reports at the following times if requested by the Department

12.1 Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.

12.2 Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

13. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

14. **Credits:** All documents, notices, press releases, research reports, and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:

14.1 The preparation of this (report, document, etc.), was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, Division of Public Health Services, with funds provided in part or in whole by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

15. **Operation of Facilities:** Compliance with Laws and Regulations: In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the Contractor with respect to the operation of the facility or the provision of the services at such facility. If any government license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

16. **Insurance:** Select either (1) or (2) below:

As referenced in the Request for Proposal, Comprehensive General Liability Insurance Acknowledgement Form, the Insurance requirement checked under this section is applicable to this contract:

Insurance Requirement for (1) - 501(c) (3) contractors whose annual gross amount of contract work with the State does not exceed $500,000, per RSA 21-I:13, XIV, (Supp. 2006): The general liability insurance requirements of standard state contracts for contractors that qualify for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the state does not exceed $500,000, is comprehensive general liability insurance in amounts of not less than $1,000,000 per claim or occurrence and $2,000,000 in the aggregate. *These amounts may NOT be modified.*

X (1) The contractor certifies that it **IS** a 501(c) (3) contractor whose annual total amount of contract work with the State of New Hampshire does **not** exceed $500,000.

Insurance Requirement for (2) - All other contractors who do not qualify for RSA 21-I:13, XIV, (Supp. 2006), Agreement P-37 General Provisions, 14.1 and 14.1.1. Insurance and Bond, shall apply: The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, both for the benefits of the State, the following insurance: comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per incident or occurrence. *These amounts MAY be modified if the State of NH determines contract activities are a risk of lower liability.*

☐ (2) The contractor certifies it does **NOT** qualify for insurance requirements under RSA 21-I:13, XIV (Supp. 2006).

17. **Renewal:**

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two (2) additional year(s), contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

18. **Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:**

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

Contractor Initials: [illegible]

Date: 3/29/2012

19. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

Contractor Initials: ELC

Date: 3 28 2012

SPECIAL PROVISIONS – DEFINITIONS

As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean the section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Whenever federal or state laws, regulations, rules, orders, and policies, etc., are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc., as they may be amended or revised from time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

Standard Exhibit D

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act to 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I – FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES – CONTRACTORS
US DEPARTMENT OF EDUCATION – CONTRACTORS
US DEPARTMENT OF AGRICULTURE – CONTRACTORS

This certification is required by the regulations implementing Sections 5151-51-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). the January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630 of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services,
129 Pleasant Street
Concord, NH 03301

1) The grantee certifies that it will or will continue to provide a drug-free workplace by:

   (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

   (b) Establishing an ongoing drug-free awareness program to inform employee's about:

      (1) The dangers of drug abuse in the workplace;
      (2) The grantee's policy of maintaining a drug-free workplace;
      (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
      (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

   (c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

   (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:

      (1) Abide by the terms of the statement; and

Contractor Initials: EC

Date: 3-28-2012

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph (d) (2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).

2) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, State, zip code) (list each location)

Standard Exhibit E

CERTIFICATION REGARDING LOBBYING

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES – CONTRACTORS
US DEPARTMENT OF EDUCATION – CONTRACTORS
US DEPARTMENT OF AGRICULTURE – CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

Contract Period: 7/1/12 or date of G&C Approval, whichever is later, through 6/30/14

The undersigned certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

(2) If any funds, other than Federal appropriated funds, have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions, attached and identified as Standard Exhibit E-I.

(3) The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Standard Exhibit F

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions, execute the following Certification:

Instructions for Certification

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transition. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transition," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntary excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rule implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction", "provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

Contractor Initials: EJC

Date: 3-25-2012

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

1. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

   a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

   b. have not within a three-year period preceding this proposal (contract) been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

   c. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph 1 b of this certification; and

   d. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

2. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

Lower Tier Covered Transactions

By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:

(a) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

(b) where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion – Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

State of New Hampshire
Department of Health and Human Services
Amendment #2 to the Primary Care Services Contract

This 2nd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #2") dated this, 30th day of April, 2015 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Goodwin Community Health (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 311 Route 108, Somersworth, New Hampshire 03878.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #135) and amended by an agreement (Amendment #1 to the Contract) approved on May 8, 2014 (Item #34A), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 of the Agreement, and Exhibit C, Special Provisions, Paragraph 17, the State may amend the contract terms and conditions and renew the contract for two (2) additional years by written agreement of the parties and approval of the Governor and Executive Council; and

WHEREAS, the parties agree to extend the contract for two additional years, add services to Exhibit A, Scope of Services and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:
   June 30, 2017
2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:
   $1,920,915
3. Form P-37, General Provisions, Item 1.9, Contracting Officer for State Agency, to read:
   Eric D. Borrin
4. Form P-37, General Provisions, Item 1.10, State Agency Telephone Number, to read:
   (603) 271-9558
5. Delete Exhibit A, Scope of Services and Exhibit A-1 Amendment 1, Scope of Services and replace with Exhibit A – Amendment #2.
6. Delete Exhibit A-1 Amendment #1 - Performance Measures and replace with Exhibit A-1 Amendment #2 – Performance Measures.

7. Delete Exhibit B, Purchase of Services Contract Price and replace with Exhibit B – Amendment #2, Method and Conditions Precedent to Payment.
8. Add Exhibit B-1, Budget Form Primary Care through Exhibit B-6, Budget Form SBIRT.
9. Standard Exhibit D, Certification Regarding Drug-Free Workplace Requirements, Period Covered by this Certification, to read:

   From 7/1/2012 to 6/30/2017

10. Standard Exhibit E, Certification Regarding Lobbying, Contract Period, to read:

    July 1, 2012 through June 30, 2017

11. Delete Standard Exhibit G, Certification Regarding the Americans with Disabilities Act Compliance, and replace with Exhibit G, Certification of Compliance with Requirements Pertaining to Federal Nondiscrimination, Equal Treatment of Faith-Based Organizations and Whistleblower Protections.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. Office-based and enabling **Primary Care** services shall be provided individuals and families who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income, which is defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. **Breast and Cervical Cancer Screening** Services shall be provided to women ages twenty-one(21) through sixty-four (64) who are:

1.5.1. Uninsured.

1.5.2. Underinsured.

1.5.3. Low-income, which is defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.6. **Screening, Brief Intervention and Referrals to Treatment** (SBIRT) Services shall be provided to all individuals who seek services described in Section 1.4 and Section 1.5, above.

1.7. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.7.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

Contractor's Initials: [signature]

Date 5-13-15

1.7.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.7.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care or Breast and Cervical Cancer Screening Services for new patients is limited or closed for more than a one month period.

2.2. The Contractor shall maintain documentation for each individual receiving services described in this contract that includes, but is not limited to:

2.2.1. Family income.

2.2.2. Family size.

2.2.3. Income in relation to the Federal Poverty Guidelines.

2.3. The Contractor shall assist individuals with completing a Medicaid application when income calculations indicate possible Medicaid eligibility.

2.4. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.5. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.5.1. Update the sliding fee scale on an annual basis when new Federal Poverty Guidelines are released.

2.5.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services.

3.1.2. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.1.3. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.1.4. Assessment of need for:

3.1.4.1. Tobacco cessation, including referral to NH Quitworks, as appropriate.

3.1.4.2. Social services.

3.1.4.3. Nutrition services, including WIC, as appropriate.

3.1.4.4. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which shall include, but not be limited to:

3.2.1. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.2.2. Care facilitated by registries, information technology, health information exchange and other means to assure that patients get the necessary care when and where they need and want it in a culturally and linguistically appropriate manner.

3.2.3. An integrated model of primary care that may include, but is not limited to:

3.2.3.1. Behavioral health.

3.2.3.2. Oral health.

3.2.3.3. Use of navigators and case management.

3.2.3.4. Co-location of services and system-level integration of care and fiscal accountability.

3.3. The Contractor can choose to provide enabling services, if the budget allows, which are non-clinical services that support the delivery of basic primary care and services, and facilitate access to comprehensive patient care as well as social services. The Contractor can facilitate enabling services that include, but are not limited to:

3.3.1. Case management.

3.3.2. Benefit counseling.

3.3.3. Eligibility assistance.

3.3.4. Health education and supportive counseling.

3.3.5. Interpretation.

3.3.6. Outreach.

3.3.7. Transportation.

3.3.8. Education of patients and the community regarding the availability and appropriate use of health services.

3.4. The Contractor must elect to do at least one (1) quality improvement project which consists of systematic and continuous actions that lead to measurable improvement in health care services and the health status of targeted patient groups. The Contractor shall facilitate a minimum of one (1) quality improvement project that includes, but is not limited to:

3.4.1. Enhancing clinical workflow/improve patient outcomes by methods that may include, but are not limited to:

3.4.1.1. Alerts.

3.4.1.2. Guidelines.

3.4.1.3. Diagnostic support.

3.4.1.4. Patient registries.

3.4.1.5. Collaborative learning sessions, etc.)

3.4.2. Implementing projects that lead to measurable improvements on any of the performance measures and indicators identified in Exhibit A-1 Amendment #2

3.4.3. Utilizing defined improvement processes to coordinate quality improvement activities.

3.4.4. Identifying and defining specific goals and objectives to be achieved in the project period.

4. Breast and Cervical Cancer Screening Services

4.1. The Contract shall develop work plans based on performance measures in Exhibit A-1 that include activities related to:

4.1.1. The provision of breast and cervical cancer screening.

4.1.2. The promotion of breast and cervical cancer screening.

4.2. The Contractor shall implement evidence-based interventions outlined in the Centers for Disease Control and Prevention Guide to Community Preventative Services (http://www.thecommunityguide.org/index/html) to support the provision and promotion of breast and cervical cancer screening rates, including but not limited to provider reminder systems and patient reminders.

4.3. The Contractor shall provide breast and cervical cancer screening for the early detection of breast and cervical cancer in accordance with the policies and procedures outlined in the BCCP Policy and Procedure Manual, following nationally accepted screening recommendations. Screenings shall include but not be limited to:

4.3.1. Clinical pelvic examinations.

4.3.2. Clinical breast examinations.

4.3.3. Mammograms.

4.3.4. Pap and HPV tests, if appropriate.

4.3.5. Referrals for diagnostic and treatment services, as necessary.

4.4. The Contractor shall provide services to the number of individuals as follows:

4.4.1. 75% of all mammograms shall be provided to women ages fifty (50) to sixty-four (64) at all screening sites.

4.4.2. A maximum of 25% of all mammograms shall be provided to women under the age of fifty (50) at all screening sites.

4.4.3. 20% of newly enrolled women for Pap tests shall be provided at all screening sites to women who have not had a Pap test in over five (5) years.

4.5. The Contractor shall ensure all referrals are made in accordance with the minimum standards outlined in the BCCP Policy and Procedure Manual to facilities that provide approved and certified laboratory, pathology, radiology and surgical services. The Contractor shall ensure:

4.5.1. Mammography units are accredited by the American College of Radiology and FDA certified under MQSA.

4.5.2. Laboratories are CLIA certified.

4.6. The Contractor shall ensure all services and case management activities are completed in accordance with the BCCP Policy and Procedure Manual, including but not limited to follow-up and tracking of all client tests results and referrals.

4.7. The Contractor shall provide screening promotion for all eligible individuals, which includes, but is not limited to:

4.7.1. Patient navigation services that assist individuals to overcome health systems barriers and facilitate timely access to:

4.7.1.1. Quality breast and cervical cancer screening.

4.7.1.2. Breast and cervical cancer diagnostics.

4.7.1.3. Initiation of breast and cervical cancer treatment, when applicable.

4.7.1.4. Assurance that patient navigation services are terminated when the patient:

4.7.1.4.1. Completes screening and has normal results.

4.7.1.4.2. Completes diagnostic testing and has normal results.

4.7.1.4.3. Initiates breast and/or cervical cancer treatment or refuses treatment.

4.7.2. Patient navigation services shall include, but not be limited to:

4.7.2.1. A written assessment of individual client barriers.

4.7.2.2. Client education and support.

4.7.2.3. Assistance with resolving client barriers, including but not limited to transportation and translation services, as appropriate.

4.7.2.4. Tracking and follow-up to monitor client progress in completing screening, diagnostic testing, and initiation of treatment, as needed.

4.7.2.5. A minimum of two contacts with the client, either in person or by telephone.

4.7.2.6. Collecting data to evaluate the primary outcomes of patient navigation, which shall include adherence to screening, diagnostic testing and cancer treatment initiation.

4.7.2.7. Tracking of patients lost to follow-up, as appropriate.

5. Screening, Brief Intervention, and Referral to Treatment (SBIRT) Services

5.1. The Contractor shall develop the infrastructure necessary to provide and record Screening, Brief Intervention, and Referral to Treatment (SBIRT) services related to substance use for all eligible individuals ages nineteen (19) to sixty-five (65) years and for all pregnant women, regardless of age, receiving services in Section 3 and/or Section 4. The Contractor shall:

5.1.1. Provide training to integrated primary care and behavioral health teams to ensure SBIRT activities are conducted with fidelity to the model in Section 5.1.

5.1.2. Modify and/or adapt current Electronic Health Records (EHR) systems in order to track SBIRT:

5.1.2.1. Activities

5.1.2.2. Completions.

5.1.2.3. Recommendations and referrals.

5.1.2.4. Follow-ups.

5.1.3. Utilize Substance Use Disorder (SUD) codes in the EHR for billing that shall:

5.1.3.1. Enable submission for payment through NH Managed Care/Medicaid and other insurance companies.

5.1.3.2. Allow the generation of reports.

5.2. The Contractor shall implement SBIRT services by ensuring sufficient qualified staff are available to conduct SBIRT services according to the SBIRT model described by the Centers for Disease Control (CDC), available on-line at http/www.dcd.gov/ncddd/fasd/documents/aloholsbiimplementationguide.pdf. The Contractor shall:

5.2.1. Implement SBIRT services by including SBIRT activities in daily operations.

5.2.2. Use one or more of the screening instruments listed in Appendix E of "Systems-Level Implementation of Screening, Brief Intervention and Referral to Treatment. TAP 33" (2013 edition) (http://www.integration.samhsa.gov/sbirt/TAP33.pdf) and document screening in the electronic health record (EHR).

5.2.3. Conduct brief interventions with patients who screen positive for potential substance use concerns and document activities in the EHR.

5.2.4. Refer patients to Substance Use Disorder (SUD) treatment services as necessary, and ensure each patient has connected with the specific service

provider by documenting in the EHR, which is audited to ensure appropriate follow up.

5.2.5. Conduct SBIRT with covered populations that include all adults on an annual basis and pregnant women on a trimester basis.

5.3. Coordinate care between community health center (CHC) services and external treatment providers by collaborating with entities that provide SUD treatment services not available at the CHC. The Contractor shall:

5.3.1. Obtain client consents to contact service providers in order to resolve any barriers to accessing services.

5.3.2. Refer patients for SUD services, as needed.

5.3.3. Follow up with patient and/or SUD service provider to ensure appropriate services are provided.

5.3.4. Work with Regional Public Health Networks (RPHNs) to identify new SUD referral resources as they become available.

5.4. The Contractor shall test SBIRT fidelity with a subset of the target population prior to full implementation for all adults ages nineteen (19) to sixty-five (65) annually and pregnant women at each trimester.

6. Staffing

6.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH licenses whether directly employed, contracted or subcontracted.

6.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

6.3. The Contractor shall ensure staff delivering SBIRT services have, at minimum, one of the following:

6.3.1. Masters prepared behavioral health practitioners. This includes individuals licensed under the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board.

6.3.2. Masters prepared and in the process of obtaining a license from the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board, while under the supervision of a licensed practitioner of the same profession.

6.3.3. Physicians or Advanced Practice Registered Nurses licensed to practice in NH.

6.3.4. Physician Assistants or other practitioners under the supervision of a Physician licensed to practice in NH.

6.4. The Contractor may deliver breast and cervical cancer screening navigation services through a combination of staff, which may include the provision of outreach and education by lay persons with clinical case management services provided by either:

6.4.1. A registered nurse who:

6.4.1.1. Is licensed with the NH Board of nursing; or

6.4.1.2. Has attained bachelor's degree from a recognized college or university.

6.4.2. A nurse who is working under the direct supervision of a registered nurse, as described in Section 6.4.1.

6.5. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services in writing and include a copy of the individual's resume, within one month of hired.

6.6. The Contractor shall notify the MCHS, in writing, when:

6.6.1. Any critical position is vacant for more than one month.

6.6.2. There is not adequate staffing to perform all required services for more than one month.

7. Coordination of Services

7.1. The Contractor shall coordinate referrals for continued care of treatment, or breast or cervical healthcare, with other service providers within the community, where possible.

7.2. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

7.2.1. Community needs assessments.

7.2.2. Public health performance assessments.

7.2.3. The development of regional health improvement plans.

7.3. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

8. Required Meetings & Trainings

8.1. The Contractor shall attend meetings and trainings facilitated by the MCHS and BCCP programs that include, but are not limited to:

8.1.1. MCHS Agency Directors' meetings.

8.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year.

8.1.3. MCHS Agency Medical Services Directors' meetings.

8.1.4. BCCP Site Coordinators' annual meetings.

9. Workplans, Outcome Reports & Additional Reporting Requirements

9.1. The Contractor shall provide an annual BCCP Performance Workplan and Workplan Outcomes Report according to the schedule and instructions provided by the BCCP, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule.

9.2. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a corrective action plan per directions from MCHS.

9.3. The Contractor shall submit an annual Workplan and Workplan Outcome Report for the quality improvement project(s) that demonstrates improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.4. If utilizing any portion of this contract for enabling services, the Contractor shall submit an annual Workplan and Workplan Outcome Report that includes at least one (1) performance measure for each type of enabling service provided. This shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.5. The Contractor shall complete the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st.

9.6. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

9.7. The Contractor shall submit monthly Outcome Reports for SBIRT services according to the schedule and instructions provided by the MCHS. The Contractor shall:

9.7.1. Collect information that includes, but is not limited to:

9.7.1.1. Description of the training provided, including but not limited to:

9.7.1.1.1. The content of the training provided.

9.7.1.1.2. The number of staff who received training.

9.7.1.2. The number of:

9.7.1.2.1. Qualified staff conducting SBIRT

Contractor's Initials: [illegible]

Date 5-13-15

9.7.1.2.2. SBIRT billing codes developed.

9.7.1.2.3. SBIRT services billed to insurance.

9.7.1.3. Updates on any changes, enhancements or adaptations to SBIRT procedures in:

9.7.1.3.1. Technology based systems.

9.7.1.3.2. Staffing.

9.7.1.3.3. Coding and billing.

9.7.1.4. The total number of clients receiving SBIRT delineated by:

9.7.1.4.1. Percentage of clients receiving only screening.

9.7.1.4.2. Percentage of clients receiving brief interventions.

9.7.1.4.3. Percentage of clients referred for more intensive services who initiated services.

9.7.1.4.4. Percentage of clients referred for more intensive services who had problems connecting to services.

9.8. The Contractor shall submit an annual report on April 30th in each year a contract amendment or renewal is not required that includes, but is not limited to:

9.8.1. DPHS Budget Form.

9.8.2. Budget Justification.

9.8.3. Sources of Revenue.

9.8.4. Program Staff List, which includes staff titles

9.9. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9.10. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

9.10.1. Survey template.

9.10.2. Method by which the results were obtained.

10. On-Site Reviews

10.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

10.1.1. Systems of governance.

10.1.2. Administration.

10.1.3. Data collection and submission.

10.1.4. Clinical and financial management.

Contractor's Initials: JR

Date 5-13-18

10.1.5. Delivery of education services.

10.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

10.2.1. Client records.

10.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

10.2.3. SBIRT documentation, which includes but is not limited to:

10.2.3.1. SBIRT policies and procedures.

10.2.3.2. Staff credentials for all staff delivering SBIRT services

10.2.3.3. SBIRT procedures utilized and documented in patient records.

10.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Exhibit A-1 – Amendment #2

1. PRIMARY CARE PERFORMANCE MEASURES

1.1. Breastfeeding

1.1.1. **Percent of infants who are ever breastfed** (Title V PM #10).

1.1.1.1. Numerator: Infants who were ever breastfed or received breast milk

1.1.1.2. Denominator: All infants born in a state fiscal year

1.2. Preventive Health: Lead Screening

1.2.1. **Percent of children 2 years of age who had one or more capillary or venous lead blood test for lead poisoning by their second birthday.** (CMS, Hedis).

1.2.1.1. Numerator: At least one capillary or venous blood test on or before the child's second birthday.

1.2.1.2. Denominator: Children who turn 2 years old during the state fiscal year.

1.3. Preventive Health: Adolescent Well-Care Visit

1.3.1. **Percent of adolescents, 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year** (Hedis, Title V PM #7).

1.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

1.3.1.2. Denominator: Number of adolescents, ages 12 through 21 years of age.

1.4. Preventive Health: Depression Screening

1.4.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (ACO 18, NQF 0418).

1.4.1.1. Numerator: Patients who are screened for clinical depression using an age-appropriate standardized depression screening tool AND if positive, a follow-up plan documented.

1.4.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.1.3. Denominator: All patients 12 years and older.

1.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

Contractor Initials: TR

Date: 5-13-15

1.4.2. **Maternal Depression Screening** (Developmental: not required for FY 16)

1.4.2.1. **Percentage of women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen.**

1.4.2.1.1. Numerator: Women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool and screen negative.

AND

Women who are screened for depression during the post-partum visit using an appropriate standardized depression screening tool, screen positive, AND have a follow-up plan documented.

1.4.2.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.2.1.3. Denominator: All women who are at least 6 weeks post-partum in a state fiscal year.

1.4.2.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

1.5. **Preventive Health: Obesity Screening**

1.5.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (ACO 16, NQF 0421, HRSA UDS).

1.5.1.1. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

1.5.1.2. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters.

1.5.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist,

occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

1.5.1.4. Denominator: All patients aged 18 years and older who had at least one medical visit during the state fiscal year.

1.5.2. Percent of patients aged 2 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (HRSA UDS).

1.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

1.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

1.6. **Preventive Health: Tobacco Screening**

1.6.1. Percent of patients aged 18 years and older who were screened for tobacco use one or more times within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user (ACO 17, NQF 0028, HRSA UDS).

1.6.1.1. Numerator: Patients who were screened for tobacco use at least once within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.1.2. Definitions:

1.6.1.2.1. Tobacco Use: Includes any type of tobacco

1.6.1.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.1.3. Denominator: All patients aged 18 years and older seen for at least two visits ever

1.6.2. **Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user** (Title V, PM #15).

1.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.2.2. Definitions:

1.6.2.2.1. Tobacco Use: Includes any type of tobacco

1.6.2.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.2.3. Denominator: All women who delivered a live birth in a state fiscal year

1.7. **At Risk Population: Hypertension**

1.7.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90 mm Hg) during the measurement year** (ACO 28, NQF 0018).

1.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm Hg at the time of their last measurement.

1.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)

1.8. **Patient Safety: Falls Screening**

1.8.1. **Percent of patients aged 65 years and older who were screened for future fall risk at least once within 12 months** (ACO 13, NQF0101).

1.8.1.1. Numerator: Patients who were screened for future fall risk at least once within 12 months.

1.8.1.2. Definition of Fall: a sudden, unintentional change in position causing an individual to land at a lower level, on an object, the floor, or the ground, other than as a consequence of a sudden onset of paralysis, epileptic seizure, or overwhelming external force.

1.8.1.3. Numerator note: Patients are considered at risk for future falls if they have had 2 or more falls in the past year or any fall with injury in the past year.

1.8.1.4. Denominator: All patients aged 65 years and older

1.8.1.5. Excluded from denominator population: (Exclusion only applied if patient was not screened for future fall risk) Documentation of medical reason(s) for not screening for future fall risk (e.g. patient is not ambulatory)

2. BCCP PERFORMANCE MEASURES

2.1. BCCP Performance Measure #1

2.1.1. **Measure:*** 78% of female patients age 24 through 64 years of age screened for cervical cancer per USPSTF guidelines.

2.1.2. **Numerator** – Number of female patients 24 through 29 years of age who have had a documented pap in the past 3 years AND female patients 30-64 who have either had a pap in the past 3 years OR an HPV test and a pap in the past 5 years

2.1.3. **Denominator** – Number of female patients 24 through 64 years of age who have had a visit in the past year and do not have evidence of having had a total hysterectomy.

2.1.4. **Data Source:** Chart audits or query of 100% of the **total** population of patients as described in the denominator.

2.1.5. *Measure based on the UDS measure

2.1.6. **Healthy People 2020 National Target is 93%

2.2. BCCP Performance Measure #2

2.2.1. **Measure:*** 75% of female patients age 52 through 74 years of age screened for breast cancer per USPSTF guidelines.

2.2.2. **Numerator** – Number of female patients 52 through 74 years of age who have had a documented mammogram in the past 24 months.

2.2.3. **Denominator** – Number of female patients 52 through 74 years of age who have had a visit in the past year and do not have evidence of having had a bilateral mastectomy.

2.2.4. **Data Source:** Chart audits or query of 100% of the **total** population of patients as described in the denominator.

2.2.5. *Measure based on the USPSTF Guidelines

2.2.6. ** Healthy People 2020 National Target is 81.1%

Contractor Initials: JR
Date: 6-13-15

3. SBIRT PERFORMANCE MEASURES

3.1. **Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services**

3.1.1. **Numerator:** Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention or referral to services.

3.1.2. Definitions

3.1.2.1. Substance Use: Includes any type of alcohol or drug.

3.1.2.2. Brief Intervention: Includes guidance or counseling.

3.1.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

3.1.3. Denominator: Number of patients aged 18 years and older seen for annual visit within 12 months.

3.2. **Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program AND if positive, received a brief intervention or referral to services**

3.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

3.2.2. Definitions:

3.2.2.1. Substance Use: Includes any type of alcohol or drug.

3.2.2.2. Brief Intervention: Includes guidance or counseling.

3.2.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

3.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the state fiscal year.

Contractor Initials: RL
Date: 5-13-15

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov):
   2.1. #93.959, Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA) Block Grants for Prevention and Treatment of Substance Abuse.
   2.2. #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds.
   2.3. #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #2, Scope of Services, in accordance with Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2.
4. The Contractor shall use and apply the amount in the SBIRT line item in Exhibit B-3 and Exhibit B-6 on actual SBIRT services provided.
5. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
6. Payment for said services shall be made as follows:
   6.1. The Contractor will submit an invoice by the tenth (10^{th}) working day of each month, which identifies and requests reimbursement for:
      6.1.1. Authorized expenses incurred in the prior month.
      6.1.2. The units of SBIRT services provided, in accordance with Exhibit A – Amendment #2, Section 5.2.2 through Section 5.2.5 and Section 5.3.1 through Section 5.3.3, which shall be paid on a fee-for-service basis at the following rates:
         6.1.2.1. $29.86 for each unit of service that is 15-30 minutes.
         6.1.2.2. $57.31 for each unit of service that is more than 30 minutes.
   6.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   6.3. The invoice must be submitted by mail or e-mail to:

Financial Manager
Department of Health and Human Services
129 Pleasant Street
Concord, NH 03301

E-mail: dphscontractbilling@dhhs.state.nh.us

Contractor Initials: RL
Date: 5-13-15

7. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.
8. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
9. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
10. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2 and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

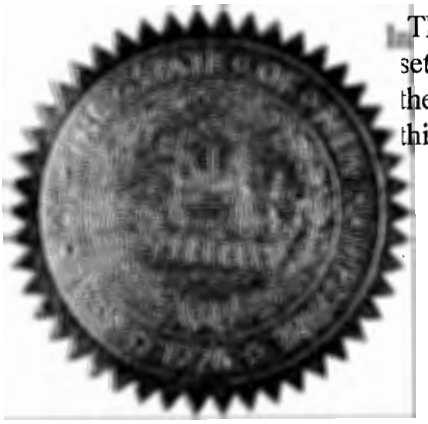
CERTIFICATE

I, William M. Gardner, Secretary of State of the State of New Hampshire, do hereby certify that Goodwin Community Health is a New Hampshire nonprofit corporation formed August 18, 1971. I further certify that it is in good standing as far as this office is concerned, having filed the return(s) and paid the fees required by law.



IN TESTIMONY WHEREOF, I hereto set my hand and cause to be affixed the Seal of the State of New Hampshire, this 1st day of April A.D. 2015

William M. Gardner
Secretary of State

CERTIFICATE OF VOTE

I, David Staples, DDS, of the Goodwin Community Health, do hereby certify that:

1. I am the duly elected Board Chair of the Goodwin Community Health;

2. The following are true copies of two resolutions duly adopted at a meeting of the Board of Directors of Goodwin Community Health, duly held on January 8, 2015;

   Resolved: That this corporation enter into a contract with the State of New Hampshire, acting through its Department of Health and Human Services for the provision of Public Health Services.

   Resolved: That the Chief Executive Officer, Janet Laatsch, is hereby authorized on behalf of this Corporation to enter into the said contract with the State and to execute any and all documents, agreements and other instruments, and any amendments, revisions, or modifications thereto, as he/she may deem necessary, desirable or appropriate.

3. The foregoing resolutions have not been amended or revoked and remain in full force and effect as of May 13, 2015.

IN WITNESS WHEREOF, I have hereunto set my hand as the Board Chair of the Goodwin Community Health this 13 day of May, 2015.

Independent Auditors' Report

Board of Directors
Goodwin Community Health
and Subsidiary
Somersworth, New Hampshire

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Goodwin Community Health and Subsidiary (the Center) which comprise the consolidated statements of financial position as of June 30, 2014 and 2013, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors
Goodwin Community Health and Subsidiary

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Goodwin Community Health and Subsidiary as of June 30, 2014 and 2013, and the consolidated changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating schedules on pages 17 through 19 are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

The accompanying notes are an integral part of these consolidated financial statements.

Notes to Consolidated Financial Statements

June 30, 2014 and 2013

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Goodwin Community Health, a nonprofit corporation, was incorporated in 1971 in the state of New Hampshire to provide prenatal care, social support and public health services to low-income persons. Goodwin Community Health's revenues come primarily from patient service fees, including third party payers, federal and state government support and non-government organization grants.

These consolidated financial statements also include the financial statements of Great Bay Mental Health Associates, Inc. (Great Bay), a wholly-owned for-profit subsidiary, engaged in providing mental health services in the Strafford County, New Hampshire community through its employees and independent contractors who are qualified and licensed to practice in the State of New Hampshire. All material inter-company transactions and balances have been eliminated in consolidation. Goodwin Community Health and Great Bay are collectively referred to as "the Center".

Basis of Presentation

The consolidated financial statements of the Center have been prepared using the accrual method of accounting in accordance with professional standards. Under those standards, the Center is required to report information regarding its consolidated financial position and activities according to three classes of net assets; unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Unrestricted net assets are those that are not subject to donor-imposed stipulations. Temporarily restricted net assets are those whose use by the Center has been limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled or otherwise removed by actions of the Center. Permanently restricted net assets are those that are subject to donor-imposed stipulations that they be maintained permanently by the Center. The Center had no permanently restricted net assets at June 30, 2014 and 2013.

Use of Estimates

The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from the estimates.

Consolidated Statement of Activities

The Center has classified the consolidated statements of activities into two categories, operating and non-operating. The operating category represents the normal recurring activities of the Center. The non-operating activity captures non-recurring activity primarily related to gains and losses from the sale of property and equipment and income from rental activities.

Net Patient Service Revenue

Revenue is recorded at the Center's standard charges for patient services rendered. Under the terms of agreements with Medicare, Medicaid and other third party payors, reimbursement for the care of program beneficiaries may differ from the Center's standard charges. Differences are recorded as contractual adjustments, which are reflected as an adjustment to patient service revenue together with patient discounts. Credit is extended without collateral.

Notes to Consolidated Financial Statements

June 30, 2014 and 2013

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Charity Care

The Center provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Since the Center does not pursue collection of amounts determined to qualify as charity care, these amounts are reported as deductions from revenue (see Note 10).

Grants and Contracts

The Center receives funding from the federal Public Health Service Agency for its medical operations under a Bureau of Primary Health Care (BPHC) grant program. Since the BPHC grant is available for use in the majority of the Center's operations, it is reported as unrestricted in the consolidated financial statements.

Support received under grants and contracts with governmental agencies and private foundations is reported as revenue when terms of the agreement have been met.

Grants received for the purpose of acquiring long-lived assets are reported as support that increases temporarily restricted assets. The Center has adopted a policy of implying a time restriction on such grants that expire over the assets' useful life.

Contributions

Contributions, including pledges, are recognized as revenues in the period received. The Center reports contributions of cash and other assets received with donor-imposed time or purpose restrictions as temporarily restricted support. When a donor restriction expires, i.e., when a stipulated time restriction or purpose restriction ends, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Contributions received with donor-imposed restrictions that are met in the same year as received are reported as unrestricted revenues.

Management has evaluated its outstanding pledges at the end of June 30, 2014 and 2013, and has determined that all amounts are fully collectible and an allowance for uncollectible contributions is not considered necessary.

Advertising and Promotion

The Center expenses its advertising and promotion costs as incurred.

Cash and Cash Equivalents

For the purpose of reporting cash flows, the Center considers all unrestricted highly liquid debt instruments purchased with an initial maturity of three months or less to be cash equivalents.

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance based on its assessment of the current status of contractual allowances and of individual accounts. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. At June 30, 2014 and 2013, the allowance for doubtful accounts was $88,420 and $137,852, respectively.

Notes to Consolidated Financial Statements

June 30, 2014 and 2013

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Accounts Receivable – Continued

In evaluating the collectability of accounts receivable, the Center analyzes its past history and identifies trends for each of its major payor sources of revenue to estimate the appropriate allowance for doubtful accounts and provision for bad debts. Management regularly reviews data about these major payor sources of revenue in evaluating the sufficiency of the allowance for doubtful accounts. For receivables associated with services provided to patients who have third-party coverage, the Center analyzes contractually due amounts and provides an allowance for doubtful accounts and a provision for bad debts, if necessary. For receivables associated with self-pay patients which includes both patients without insurance and patients with deductible and copayment balances due for which third-party coverage exists for part of the bill, the Center records a significant provision for bad debts in the period of service on the basis of its past experience, which indicates that many patients are unable or unwilling to pay the portion of their bill for which they are financially responsible. The difference between the standard rates and the amounts actually collected after all reasonable collection efforts have been exhausted is charged off against the allowance for doubtful accounts.

The Center's allowance for doubtful accounts methodology for self-pay patients remained consistent with prior year. The Center allows for 100% of patient account receivables over 90 days, 75% over 60 days and 50% under 60 days. The Center's allowance account decreased by $49,432 from fiscal year 2013 to fiscal year 2014. In addition, the Center's provision for bad debts for self-pay patients increased $28,455 from $275,559 for fiscal year 2013 to $304,004 for fiscal year 2014. The changes were the result of positive trends experienced in the collection of amounts from self-pay patients in fiscal year 2014. The Center has not changed its charity care or uninsured discount policies during fiscal years 2014 and 2013.

Property and Equipment

Property and equipment are stated at cost. Depreciation is being provided by use of the straight-line method over the estimated useful lives of assets ranging from three to forty years.

Goodwill

Goodwill represents the excess of cost over fair value of net assets acquired through the acquisition of Great Bay. In accordance with professional standards, no amortization of goodwill will be taken as the Center evaluates the goodwill on an annual basis for potential impairment.

Income Taxes

Goodwin Community Health is a nonprofit organization as described in Section 501(c)(3) of the Internal Revenue Code and as such is exempt from federal income taxes on related income pursuant to Section 501(a) of the IRS Code. Great Bay is a nonexempt organization and files applicable Form 1120 (corporate return). No provision for income taxes was necessary as of June 30, 2014 and 2013.

Management evaluated the Center's tax positions and concluded that the Center had taken no uncertain tax positions that required adjustment to the consolidated financial statements. The Center does not expect that unrecognized tax benefits arising from tax positions will change significantly within the next twelve months. The Center is subject to U.S. federal and state examinations by tax authorities for years ended June 30, 2011 through June 30, 2014.

Notes to Consolidated Financial Statements

June 30, 2014 and 2013

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

Functional Expenses

The expenses of providing the various programs and other activities have been summarized on a functional basis in the consolidated statement of functional expenses. Accordingly, expenses have been allocated among the programs and supporting services benefited. Expenses that can be identified with a specific program and support service are allocated directly. Other expenses that are common to several functions are allocated according to statistical bases.

Reclassifications

Certain amounts in the 2013 financial statement have been reclassified to conform to the 2014 presentation. There was no effect on the 2013 change in net assets as a result of such reclassifications.

NOTE 2 – CASH AND CASH EQUIVALENTS

The Center maintains cash balances in a local financial institution. These accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000. At various times throughout the year, the Center's cash balances exceeded FDIC insurance. The Center has not experienced any losses in such accounts and management believes it is not exposed to any significant credit risk.

NOTE 3 – ACCOUNTS RECEIVABLE

The composition of accounts receivable at June 30, were as follows:

	2014	2013
Medicare	$ 41,067	$ 37,570
Medicaid	145,010	17,944
MaineCare	4,576	11,070
Private Insurance	132,783	75,673
Patients	156,782	211,015
Other	25,906	14,520
	506,124	367,792
Less: allowance for doubtful accounts	(88,420)	(137,852)
	$417,704	$229,940

NOTE 4 – GRANTS RECEIVABLE

Grants receivable as presented on the consolidated statements of financial position represent payment due on grants and contracts from state and federal agencies and other organizations and are considered fully collectible by management as of June 30, 2014 and 2013.

Notes to Consolidated Financial Statements

June 30, 2014 and 2013

NOTE 5 – PLEDGES RECEIVABLE

Pledges receivable are summarized as follows at June 30:

	2014	2013
General operations	$ 6,000	$15,599
Capital campaign	11,461	20,931
	$17,461	$36,530
Amounts due in:		
Less than one year	$ 9,451	$25,036
One to five years	8,010	11,494
	$17,461	$36,530

The discount rate was not material and therefore not applied in 2014 and 2013 and an allowance for uncollectible pledges was not considered necessary at June 30, 2014 and 2013.

NOTE 6 – COST SETTLEMENT – MEDICARE

The Center renders services to individuals who are beneficiaries of the Federal Medicare program. Charges for services to beneficiaries of this program were billed to the Medicare intermediary. Settlements for differences between the interim rates paid by Medicare and the Center's actual cost for rendering care are based on annual cost report filings. The estimated amounts due to or from this program is reflected in the accompanying consolidated financial statements as cost settlement receivable or payable and are recorded as an increase or decrease to patient service revenue in the year the related care is rendered.

Any adjustments to the estimates as a result of final determination by the intermediary are recorded as increases or decreases to patient service revenue in the year of final determination.

NOTE 7 – PROPERTY AND EQUIPMENT

The following summarizes property and equipment at June 30:

	2014	2013
Building and improvements	$5,670,162	$5,670,162
Land	718,427	718,427
Equipment and furniture	1,331,701	1,331,701
	7,720,290	7,720,290
Less: accumulated depreciation	(1,444,256)	(1,172,424)
	$6,276,034	$6,547,866

Notes to Consolidated Financial Statements

June 30, 2014 and 2013

NOTE 8 – LINES OF CREDIT

Goodwin Community Health maintained a $150,000 line of credit with a financial institution. Interest is at the Wall Street Journal prime rate plus 1% with a floor rate of 6.25% (6.25% at June 30, 2014 and 2013, respectively). The line of credit was due on demand and secured by substantially all the assets of Goodwin Community Health. The outstanding balance on the line of credit at June 30, 2013 was $132,280. The balance was paid in full and the line of credit closed during the year ended June 30, 2014.

Goodwin Community Health maintains a $200,000 line of credit with Frisbie Memorial Hospital. The line of credit is interest free , unsecured and due on demand. The outstanding balances on the line of credit at June 30, 2014 and 2013 were $193,500 and $195,000, respectively.

NOTE 9 – LONG-TERM DEBT

Long-term debt consisted of the following at June 30:

	2014	2013
Note payable to a financial institution payable in 240 monthly installments, initial payments of $4,464 including interest at a fixed rate of 4.75% until December 2018 at which time monthly payments shall be adjusted to reflect changes in interest rates, due December 2029. The note is secured by real estate. **	$ 584,049	$ 607,470
Note payable to a financial institution payable in 60 monthly installments of $596 including variable interest based on People's United Bank Prime Rate plus 1.50 percentage points over the index, currently at 4.75%, due June 2017, secured by all assets of Great Bay and an unlimited corporate guaranty of Goodwin Community Health.	19,307	25,359
Note payable to a not-for-profit corporation. The note is secured by real estate and substantially all the assets of the Center. An allonge dated September 19, 2012 extended the maturity date from July 1, 2014 to September 1, 2017 and converted the payment schedule to monthly principal and interest payments of $8,069 with interest at 5.25%. **	288,858	368,172
Note payable to a not-for-profit corporation payable in monthly installments of $1,709 including interest at a fixed rate of 1.00% due July 2016. The note is unsecured.	42,275	62,256
Note payable to a financial institution payable in 60 monthly installments of $1,860 including interest at a fixed rate of 4.75% due January 2019. The note is secured by all assets. **	90,112	-
	1,024,601	1,063,257
Less: Current portion	154,716	128,157
	$ 869,885	$ 935,100

Notes to Consolidated Financial Statements

June 30, 2014 and 2013

NOTE 9 – LONG-TERM DEBT – CONTINUED

** The notes are subject to various administrative and financial covenants which the Center was in compliance with at June 30, 2014.

Future minimum principal payments as of June 30, 2014 are as follows:

2015	$ 154,716
2016	163,841
2017	148,442
2018	75,730
2019	43,045
Thereafter	438,827
	$1,024,601

NOTE 10 – PATIENT SERVICE REVENUE

The Center recognizes patient service revenue associated with services provided to patients who have third-party payor coverage on the basis of contractual rates for the services rendered. It recognizes significant amounts of patient service revenue at the time services are rendered even though it does not assess the patient's ability to pay. For uninsured patients who do not qualify for charity care, the Center recognizes revenue on the basis of its standard rates for services provided. On the basis of historical experience, a significant portion of the Center's uninsured patients will be unable or unwilling to pay for the services provided. Accordingly, the Center records a significant provision for bad debts related to uninsured patients in the period the services are provided. Patient service revenue, net of contractual allowances and discounts, recognized in the period from these major payor sources, is as follows:

	2014	2013
Gross patient service revenue	$6,078,965	$5,723,972
Contractual adjustments	(737,859)	(619,738)
Charity care	(542,126)	(636,207)
Patient service revenue	$4,798,980	$4,468,027

The Center accepts patients regardless of their ability to pay. A patient is classified as a charity patient by reference to certain established policies, which define charity services as those services for which no payment is anticipated. In assessing a patient's eligibility for charity care, the Center uses federally established poverty guidelines. The Center is required to provide a full discount to patients with annual incomes at or below 100% of the poverty guidelines. For those patients with income between 100% and 200% of poverty guidelines, fees must be charged in accordance with a sliding scale discount policy based on family size and income. No discounts may be provided to patients with incomes over 200% of federal poverty guidelines.

Charity care is measured based on services provided at established rates but is not included in net patient service revenue. Costs and expenses incurred in providing these services are included in operating expenses. The Center determines the costs associated with providing charity care by calculating a ratio of costs to gross charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. Under this methodology, the estimated costs of caring for charity care patients for the years ended June 30, 2014 and June 30, 2013 were approximately $680,000 and $790,000, respectively. Charges for services rendered to individuals from whom payment is expected and ultimately not received are written off as part of the provision for bad debts.

Notes to Consolidated Financial Statements

June 30, 2014 and 2013

NOTE 11 – TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets consisted of the following at June 30:

	2014	2013
Grants for construction costs	$5,107,237	$5,245,938
Grants for equipment	246,178	347,524
Grants for regional network	49,105	
Pledges receivable	17,461	36,530
	$5,419,981	$5,629,992

NOTE 12 – GRANTS, CONTRACTS AND CONTRIBUTION REVENUE

Grants, contracts and contributions included in operating revenue and support in the consolidated statements of activities consisted of the following at June 30:

	2014	2013
U.S. Department of Health and Human Services		
Community Health Center Grant	$ 983,748	$ 808,480
State of New Hampshire		
Family Planning	114,834	130,905
Primary Care	323,005	248,712
Public Health	150,103	
Oral Health	34,778	18,077
Substance Abuse & Prevention		74,237
Breast and Cervical Cancer Screening	37,255	31,102
Woman, Infants, and Children	433,714	452,980
	1,093,689	956,013
Wentworth Douglass Hospital	150,000	125,000
NH Charitable Foundation	50,000	104,554
Other grants and contributions	198,356	177,344
	398,356	406,898
	$2,475,793	$2,171,391

NOTE 13 – DEFINED CONTRIBUTION 401(k) PLAN

The Center sponsors a defined contribution 401(k) plan for all eligible employees. Employer discretionary matching contributions are 100% of contributions up to 3% of eligible employees' salaries. In September 2010, the Center temporarily suspended the employer match.

NOTE 14 – LEASES

The Center is lessor under several non-cancelable leases for certain office space in its Somersworth, New Hampshire location. The leases call for monthly rental payments ranging from $225 to $863 and expire in April 2016.

The Center leased office space as a tenant at will. Rent expense was $6,600 for the years ended June 30, 2014 and 2013.

Notes to Consolidated Financial Statements

June 30, 2014 and 2013

NOTE 15 – WIC FOOD VOUCHERS

The Center acts as a conduit for the State of New Hampshire's Special Supplemental Food Program for Women, Infants and Children (WIC). This program is funded by the U.S. Department of Agriculture (C.F.D.A 10.557). The value of food vouchers distributed by the Center was $1,572,910 and $1,644,806 for the years ended June 30, 2014 and 2013, respectively. These amounts are included in the accompanying consolidated financial statements.

NOTE 16 – CONTINGENCIES

Notice of Federal Interest

During the year ended June 30, 2011, the Center received federal grant funding totaling $4,957,300 under the ARRA - Facilities Improvement Program for construction of a new health center building. The project was completed and the building was placed in service in May 2011. In accordance with the grant agreement, a Notice of Federal Interest (NFI) is required to be recorded in the appropriate official records of the jurisdiction in which the property is located. The NFI is designed to notify any prospective buyer or creditor that the Federal Government has a financial interest in the real property acquired under the aforementioned grant; that the property may not be used for any purpose inconsistent with that authorized by the grant program statute and applicable regulations; that the property may not be mortgaged or otherwise used as collateral without the written permission of the Associate Administrator of the Office of Federal Assistance Management, Health Resources and Services Administration (OFAM, HRSA); and that the property may not be sold or transferred to another party without the written permission of the Associate Administrator of OFAM and HRSA.

Mortgage Deed

During the year ended June 30, 2011, the Center was the beneficiary of an award by the New Hampshire Community Development Finance Authority (CDFA) of $108,000 in the form of Community Development Investment Program (CDIP) funds. The grant was awarded for the purposes of development and construction of a new health center building. On August 4, 2011, a mortgage deed was given to guarantee a long-term benefit to low and moderate-income individuals, by requiring that the property remain in the ownership of the Center, or another non-profit entity approved by CDFA, for a period of ten years. In the event the project property is sold to a third party, not approved by CDFA, an amount equal to the total amount of CDIP funds disbursed by CDFA ($108,000) will be repaid to CDFA.

NOTE 17 – EVALUATION OF SUBSEQUENT EVENTS

Management has evaluated subsequent events through November 25, 2014, the date the consolidated financial statements were available to be issued.

Consolidating Schedule of Financial Position

June 30, 2014

Jannell Levine, MS, RN

Professional Experience

Goodwin Community Health, Somersworth, NH Nov. 2006-present

Director of Patient Services and Quality Improvement (May 2012-present)

- Facilitate and implement clinical quality improvement initiatives in accordance with the mission, goals and objectives of GCH.
- Collaborate with Providers, Medical Director, Managers and Support Staff to ensure that day to day operations of the health center run smoothly and that patients receive high quality care.
- Improve patient outcomes by training staff on standard operating procedures, evidence based practices, customer service skills and by providing patient education.
- Successfully coordinated and managed the 2012 GCH application to be certified as a Patient Centered Medical Home.
- Facilitate monthly CQI and Customer Service Committee meetings, and report to the board monthly regarding the committee initiatives.
- Continuously review, revise and implement changes to GCH policies and procedures as new workflow changes are required as a result of Medical Home, Meaningful Use, Managed Care, and Internal Improvements.
- Address and resolve all patient complaints.
- Supervise Nursing Staff, Medication Assistance Coordinator, QI Nurse Coordinator, BCCP Coordinator, Baby Steps Consultant and Community Outreach Worker. Collaborate with these staff to ensure their programs run smoothly and efficiently.

Registered Nurse/Care Manager (Nov. 2006-May 2012)

- Provide quality nursing care to patients ranging in age from infants to elderly in a community health care setting. Duties include telephone triage, patient assessment, injection administration, patient education, monitor lab and test results, vaccine management, medication dispensing and case management of patients to promote comprehensive patient care.
- Assess, triage and treat patients appropriately based on their current medical needs. Triage patients via telephone, schedule appointments as needed, and provide with education related to their medical issue.
- Provide comprehensive education to patients in order to assist them in health promotion and disease prevention.
- Assist patients to develop, maintain, and evaluate goals for management of both acute and chronic disease.
- Collaborate with providers and support staff to promote a team-based approach to management of patients' current health and disease states.
- Facilitate the proper administration of vaccinations to children and adults through screening and education of patients.
- Review and update various nursing policies and procedures as needed.
- Actively participated in the process of implementing Mental Health Integration to GCH. Served as Mental Health Care Manager and assisted in all aspects of program development.
- Member of the Medical Home Committee, actively participating in the process of achieving Medical Home Certification for GCH.

Exeter Hospital, Exeter, NH Feb.-Nov. 2006

Registered Nurse

- Staff RN on a busy 15 bed Telemetry unit.
- Provided quality direct patient care to both medical-surgical and progressive care patients—responsibilities included patient assessment, medication administration, dressing changes, IV insertion, creation and implementation of care plans, documentation, supervision of nursing assistants, patient and family education and all other aspects of nursing care.
- Managed and implemented care for patients in varying states of acuity, including the care of critically ill, terminally ill, palliative and stable patients.

[redacted]

- Educated patients regarding medications, upcoming procedures, health maintenance, disease management and lifestyle modifications.
- Collaborated with interdisciplinary team members to coordinate and plan care.

Boston Children's Hospital, Boston, MA Oct. 2000-Sept. 2003

Special Events Coordinator (Sept. 2002-Sept. 2003)

- Managed all aspects of the first *Miles for Miracles Walk* including strategic planning, marketing, participant, team and volunteer recruitment, web and collateral development, and logistical design.
- Planned, organized and implemented walk-related activities, such as committee meetings and receptions.
- Collaborated with technical consultants to develop a specialized computer database created exclusively for the walk, managed the system and trained staff on program methods and techniques.
- Served as the walk's primary contact for more than 2,000 participants, developing and managing effective systems for registering, providing guidance and advising walkers on fundraising strategies and best practices.
- Created and implemented a special walker recognition program, including incentives for top fundraisers.
- Supervised staff, temporary help, and volunteers.

Development Associate (Oct 2000-Sept. 2002))

- Coordinated all aspects of the 2002 Kids at Heart Marathon program, generating $800,000. Responsibilities included organizing and facilitating the application process, producing all marketing materials and newsletters, recruiting patient families and qualified runners, coordinating two receptions, and managing the Advisory Committee.
- Recruited and managed more than 200 volunteers for the 2001 and 2002 WBZ-Children's Hospital Telethon.
- Assisted in the organization of donor cultivation and stewardship events including developing and maintaining invitation lists, confirming attendance, securing speakers, VIPs, and meeting space, preparing event briefing materials, staffing the events, confirming event arrangements, and managing follow up.
- Maintained the budget for four programs, processed invoices and consolidated monthly budget reports, assisted in the development of budget plans.
- Drafted original donor acknowledgements, meeting agendas/minutes, and other correspondence.
- Organized and facilitated monthly meetings for Development Associates.

Education

University of New Hampshire, Durham, NH December 2006

- Master's of Science in Nursing
- GPA 3.88

University of New Hampshire, Durham, NH May 2000

- B.A. Communications and Political Science
- GPA 3.67
- Personally financed 100% of education through employment, scholarships, and loans.

Certifications and Membership

- Current NH Registered Nurse License, licensed since January 2006
- American Heart Association BLS for the Healthcare Provider

Computer Skills

- Proficient in Logician (EMR), Microsoft Word, Excel, PowerPoint and Outlook

See attachment for financial details

EXPLANATION

Approval is requested **retroactive** to July 1, 2013. The services provided by these contracts are consistent with prior contracts and were included in the operating budget for SFY 2014 and SFY 2015. Contracts were delayed, however, since the exact amount of funding available was only recently determined. The SFY 2014 amendments are **sole source** because they exceed more than 10% of the original contract amount.

This requested action seeks approval of 13 amendments that represents $4,293,569 total anticipated to be spent statewide to continue breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. In the interest of efficiency, the contract amendments are being bundled as they are providing the same services, and because of the size of the resulting Governor and Council submission, the copies provided are abbreviated in the interest of saving resources. The Councilors and the public can view the entire submission package on the Secretary of State's website.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

In addition, breast and cervical cancers continue to be ongoing public health issues for New Hampshire. The Division of Public Health Services, Breast and Cervical Cancer Screening Program

provides support for breast and cervical cancer screening services that include clinical examinations, pap smears and referral for mammography. Through this program, women found to have abnormal screening results, following their testing, receive additional coverage for diagnostic work-up and, if necessary, have their care coordinated through the initiation of treatment.

Should Governor and Executive Council not authorize this Request, low-income individuals statewide may not have adequate access to primary care services, and eligible women may not receive recommended breast and cervical cancer screenings. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. Additionally women that receive recommended breast and cervical cancer screenings are at lower risk of late diagnosis of breast and cervical cancers.

Contracts were awarded to Primary Care agencies through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by teams of three professionals. All reviewers have between three to 20 years' experience managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were averaged and all proposals were recommended for funding. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, these competitively procured Agreements have the option to renew for two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council. The Department is exercising one year of this renewal option.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. All Primary Care vendors are making adequate progress in meeting clinical performance measures and the Departments wishes to continue working with the vendors for another year.

The performance measures as described in the contract amendment Exhibit A – Amendment 1 – Performance Measures, will be used to continue to measure the effectiveness of the agreement.

Area to be served is statewide.

Source of Funds: 13.09% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau; Centers for Disease Control and Prevention and 86.91% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

José Thier Montero, MD, MHCDS
Director

Approved by:
Nicholas A. Toumpas
Commissioner

State of New Hampshire
Department of Health and Human Services
Amendment #1 to the
Goodwin Community Health

This 1st Amendment to the Goodwin Community Health, contract (hereinafter referred to as "Amendment One") dated this 11 day of March, 2014, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Goodwin Community Health, (hereinafter referred to as "the Contractor"), a corporation with a place of business at 311 Route 108, Somersworth, New Hampshire 03878.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18, the State may modify the scope of work and the payment schedule of the contract by written agreement of the parties;

WHEREAS, the Department desires to provide additional primary health care services for preventive and episodic health care for acute and chronic health conditions for people of all ages.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

- Form P-37, to change:
  Block 1.7 to read: June 30, 2015
  Block 1.8 to read: $1,095,268

- Exhibit A, Scope of Services to add:
  Exhibit A – Amendment 1

- Exhibit B, Purchase of Services, Contract Price, to add:

  Paragraph 1.1 to Paragraph 1:
  The contract price shall increase by $74,293 for SFY 2014 and $420,579 for SFY 2015.

  Paragraph 1.2 to Paragraph 1:
  Funding is available as follows:
- $74,293 from 05-95-90-902010-5190-102-500731, 100% General Funds;
- $372,533 from 05-95-90-902010-5190-102-500731, 6.7% Federal Funds from the US Department of Health and Human Services Administration, Maternal and Child Health Bureau, CFDA #93.994 and 93.3% General Funds;

Contractor Initials: JA
Date: 3/11/14

- $48,046 from 05-95-90-902010-5659-102-500731, 100% Federal Funds from the US Department of Health and Human Services, Centers for Disease Control and Prevention, CFDA #93.283;

  Add Paragraph 8
  8. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjustments to amounts between and among account numbers, within the price limitation, may be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

- Budget, to add:
  Exhibit B-1 (2014) - Amendment 1,
  Exhibit B-1 (2015) - Amendment 1

This amendment shall be in effect July 1, 2013, effective upon the date of Governor and Executive Council approval.

EXHIBIT A – AMENDMENT 1

Scope of Services

The Department desires to continue the relationship with the primary care agencies to provide additional primary health care services for preventive and episodic health care for acute and chronic health conditions for people of all ages.

I. General Provisions

A) Eligibility and Income Determination

1. Office-based primary care services will be provided to low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire.

2. Breast and Cervical Cancer screening services will be provided to low-income (defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), New Hampshire women age 21– 64, uninsured or underinsured. BCCP changes.

3. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new patients for more than a one month period.

4. The Contractor shall document annually, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete with the client the most recent version of the 800P form.

5. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, approved in advance by the Division of Public Health Services (DPHS), for low-income patients. Signage must state that no client will be denied services for inability to pay.

    a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, submitted to and approved by DPHS prior to implementation.

6. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered.

B) Numbers Served

1. The contract funds shall be expended to provide the above services to a minimum of 3000 users annually with 9000 medical encounters, as defined in the Data and Reporting Requirements. Breast and Cervical Cancer Screening for eligible women, as defined by the Breast and Cervical Cancer Program (BCCP), shall be provided to 300 women annually and billed directly to the BCCP. Clinical service reimbursements shall not exceed the Medicare rate.

C) Culturally and Linguistically Appropriate Standards of Care

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. Provide clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.

4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.

5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation 45 CFR 80.3(b) (2). The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) State and Federal Laws

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated hereunder.

E) Relevant Policies and Guidelines

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

2. Primary Care funds shall be targeted to populations in need. Populations in need are defined as follows:

   a) uninsured;

   b) under-insured;

   c) families and individuals with significant psychosocial and economic risk, including low income status;

   d) all life cycles including perinatal, child, adolescent, adult, and elderly who meet one or more of the above criteria.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.

4. The Contractor shall have an agency emergency preparedness and response plan in accordance with HRSA Health Center Emergency Management Program Expectations, Document #2007-15 or most recent version. Such plan shall also include a Continuity of Operations plan.

5. The Contractor shall carry out the work as described in the performance Workplan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

6. No Workplan is required by the Breast and Cervical Cancer Program (BCCP). The contractor shall be required to respond to the Quality Improvement Feedback Report twice a year.

7. The Contractor shall carry out the work as described in the Supplemental Funding Form submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) Publications Funded Under Contract

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, electronic) produced, reproduced, or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14).

G) Subcontractors

If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing and approve the subcontractual agreement, prior to initiation of the subcontract.

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing and approve the subcontractual agreement, prior to initiation of the subcontract.

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. Minimal Standards of Core Services

A. Service Requirements

1. Medical Home

The Contractor shall provide a Medical Home that:

a) Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.

b) Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.

2. Primary Care Services

The Contractor shall provide office-based primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, APRN, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, oral health, and behavioral health specialty providers.

b) Referral to the WIC Nutrition Program for all eligible pregnant women, infants and children.

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.

d) Access to a healthcare provider, directly or by referral or subcontract, by telephone twenty-four hours per day, seven days per week.

e) Assessment of psychosocial risk for all clients at least annually and for children at scheduled preventive care visits, including, at a minimum, age appropriate assessment of safety in the home, domestic violence, adequacy of food and housing, care and welfare of children, transportation needs, and provision of necessary social services to address the priority needs and safety issues of clients and families.

f) Falls prevention screening for patients 65 years and older using the algorithm and guidelines of the American Geriatrics Society.

g) Behavioral health care directly or by referral to an agency or provider with a sliding fee scale.

h) Nutrition assessment for all clients as part of the health maintenance visit. Therapeutic nutrition services shall be provided as indicated directly or by referral to an agency or provider with a sliding fee scale. These services shall be recorded in the medical record.

i) Formal arrangements with a local hospital for emergency care must be in place and reviewed annually.

j) Home health care directly or by referral to an agency or provider with a sliding fee scale.

k) Assisted living and skilled nursing facility care by referral.

l) Oral screening annually for all clients 21 years and older to note obvious dental decay and soft tissue abnormalities with a reminder to the patient that poor oral health impacts total health.

m) Diagnosis and management of pediatric and adult patients with asthma provided according to National Heart Lung Blood Institute, National Asthma Education and Prevention Program, Expert Panel Report 3: Guidelines for the Diagnosis and Management of Asthma, 2007.

3. Breast and Cervical Cancer Screening

a) Women age 21 to 64 who are eligible for Breast and Cervical Cancer Program (BCCP) services according to income (equal to or under 250% of poverty, underinsured/uninsured) and insurance status criteria shall be provided the following services, following USPSTF screening recommendations:

i. cervical cancer screening including a pelvic examination and Pap smear;
ii. breast cancer screening including a clinical breast exam, mammogram and,
iii. referrals for diagnostic and treatment services based on screening results,
iv. case management services.

b) All referrals under this provision shall be to approved certified laboratory, pathology, radiology, and surgical services. Mammography units shall be accredited by the American College of Radiology, and must be FDA certified under MQSA. Laboratories shall be CLIA certified.

c) All services shall be provided in accordance with the Breast and Cervical Cancer Program (BCCP) Policy and Procedure Manual.

d) Follow-up and tracking of all tests done, and referrals made shall be provided in accordance with the minimum standards outlined in the Breast and Cervical Cancer Program Policy and Procedure Manual.

e) All services for women enrolled in the Breast and Cervical Cancer Program (BCCP) shall be billed directly to the BCCP in accordance with protocols established by the Breast and Cervical Cancer Program.

f) The Contractor shall provide the NH Breast and Cervical Cancer Program with breast and cervical cancer screening rates for all women served by the practice as requested, but not more than twice per SFY.

g) The contractor shall work with the NH Breast and Cervical Cancer Program staff to increase the breast and cervical cancer screening rates among all women serviced by the practice.

4. Reproductive Health Services

The Contractor shall provide prenatal, interconceptional and preconception medical care, social services, nutrition services, education, and nursing care to all women of childbearing age. Preconceptional care includes the preconception, interconceptional, and postpartum periods in women's health. It is recommended that preconceptional and interconceptional care visits focus on maintaining or achieving the optimal health of the mother, lowering the risk of future adverse pregnancy outcomes, the family's future plans, and how additional children fit into that plan. Preconceptional counseling may be done during an office, group or home visit.

a) In the event prenatal care is not provided directly by the Contractor a formal Memorandum/a of Agreement for coordinated referral to an appropriately qualified provider must be maintained.

b) Prenatal care shall, at minimum, be provided in accordance with the Guidelines for Perinatal Care, sixth or most current edition, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists, and /or the Centers for Disease Control.

c) Age appropriate reproductive health care shall, at a minimum, be provided in accordance with the American College of Obstetricians and Gynecologists, or the USDHHS Centers for Disease Control (CDC) current guidelines.

d) Pregnant women enrolled in the WIC Nutrition Program shall be referred to WIC for breastfeeding education and referral to the WIC Nutrition Program peer counselors.

e. Family planning counseling for prevention of subsequent pregnancy following an infant's birth shall be discussed with the infant's mother at the first postpartum visit and at the infant's 2-month visit and other visits as appropriate. Rationale for birth intervals of 18-24 months shall be presented.

f) A referral to a Title X Family Planning Clinic or other reproductive health care provider shall be made as appropriate.

5. Services for Children and Adolescents

The Contractor shall provide as a minimum, comprehensive and age-appropriate health care, screenings, and health education according to the American Academy of Pediatrics' most recent periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent. Children and adolescent visits shall include:

a) The World Health Organization (WHO) growth charts shall be used to monitor growth for infants and children birth up to age 2 years. The Centers for Disease Control and Prevention (CDC) growth charts shall be used for children age 2 years and older.

b) Blood lead testing shall be performed in accordance with "New Hampshire Childhood Lead Poisoning Screening and Management Guidelines", issued by the New Hampshire Department of Health and Human Services, 2009 or subsequent revisions.

c) All children enrolled in either Medicaid, Head Start, or the Women, Infant, and Children (WIC) Program and/or who are ≤ 185%_poverty, regardless of town of residence, are required to have a blood lead test at ages one and two years. All children ages three to six years who have not been previously tested shall have a blood lead test performed.

d) All children shall be screened for iron deficiency anemia as outlined in the Centers for Disease Control and Prevention document "Recommendations to Prevent and Control Iron Deficiency in the United States (4/2/98)".

e) Age-appropriate anticipatory guidance, dietary guidance, and *feeding practice counseling* for optimal oral health shall be provided at each well child visit according to the American Academy of Pediatrics' periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent edition. Starting at age 6 months, it is recommended that all children receive an oral health assessment at every well child visit, and a referral for the child's first visit to the dentist by age one as recommended by the American Academy of Pediatrics and the American Academy of Pediatric Dentistry.

f) Supplemental fluoride shall be prescribed as needed based upon the fluoride levels in the child's drinking water supply. The fluoride dosage regimen accepted by the American Academy of Pediatrics shall be followed. No fluoride shall be prescribed without obtaining water from private wells or noting the presence or absence of fluoride in the public water supply. Supplemental fluoride may include bottled water containing fluoride and topical applications such as varnishes.

g) For infants enrolled in the WIC Nutrition Program, parents shall be referred to WIC for breastfeeding support and referral to the WIC Nutrition Program peer counselors.

6. Sexually Transmitted Infections

Primary Care Services shall provide age appropriate screening and treatment of sexually transmitted infections.

a) Treatment for sexually transmitted infections shall be provided according to the United States Centers for Disease Control Sexually Transmitted Diseases Treatment Guidelines, 2010 or subsequent revisions.

b) All clients, including women, shall be offered HIV testing following the most current recommendations of the United States Centers for Disease Control.

c) The contractor shall be responsible for ensuring referral to appropriate treatment services for any woman found to screen positive.

d) Appropriate risk reduction counseling shall be provided based on client needs.

7. Substance Use Services

a) A substance use screening history using a formal, validated screening tool shall be obtained for all clients as soon after entry into care as possible. Substance use counseling or other substance abuse intervention, treatment, or recovery services by an appropriately credentialed provider shall be provided on-site, or by referral, to clients with identified needs for these services. For these identified clients, ongoing primary care services should include follow up monitoring relative to substance abuse.

b) All clients, including pregnant women, identified as smokers shall receive counseling using the 5A's (ask, advise, assess, assist, and arrange) treatment available through the NH Tobacco Helpline as cited in the US Public Health Services report "Tobacco Use and Dependence", 2008, or "Smoking Cessation During Pregnancy: A Clinician's Guide to Helping Pregnant Women Quit Smoking", American College of Obstetricians and Gynecologists, 2011. With prior approval, agencies may also opt to participate in the DPHS best practice initiative of the 2A's and R (ask, advise and refer).

8. Immunizations

a) The Contractor shall adhere to the most current version of the "Recommended Adult Immunization Schedule for Adults (19 years and older) by Age and Medical Condition - United States", approved by the Advisory Committee on Immunization Practices, the American College of Obstetricians and Gynecologists, and the American Academy of Family Physicians.

b) The Contractor shall administer vaccines according to the most current version of the "Recommended Immunization Schedule for Persons Aged 0 Through 6 Years - United States", and "Recommended Immunization Schedule for Persons Aged 7 Through 18 Years – United States" approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians, based upon availability of vaccine from the New Hampshire Immunization Program.

9. Prenatal Genetic Screening

a) A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

b) All pregnant women should be offered voluntary genetic screening for fetal chromosomal abnormalities at the appropriate time following recommendations found in the American College of Obstetricians and Gynecologists' "Screening for Fetal Chromosomal Abnormalities (2007)" or more recent guidelines. The Contractor shall be responsible for ensuring referral to appropriate genetic testing and counseling for any woman found to have a positive screening test.

10. Additional Requirements

a) The Contractor's Medical Director shall participate in the development and approval of specific guidelines for medical care that supplement minimal clinical standards. Supplemental guidelines should be reviewed, signed, and dated annually, and updated as indicated.

b) Contractors considering clinical or sociological research using clients as subjects must adhere to the legal requirements governing human subjects research. Contractors must inform the DPHS, MCHS prior to initiating any research related to this contract.

c) The Contractor shall provide information to all employees annually about the Medical Reserve Corps Unit within their Public Health Region to enhance recruitment.

d) The Contractor shall provide information to all employees annually regarding the Emergency System for the Advance Registration of Volunteer Health Professionals (ESAR-VHP) managed by the NH Department of Health and Human Services' Emergency Services Unit, to enhance recruitment.

B) Staffing Provisions

The Contractor shall have, at minimum, the following staff positions:

a) executive director

b) fiscal director

c) registered nurse

d) clinical coordinator

e) medical service director

f) nutritionist (on site or by referral)

g) social worker

Staff positions required to provide direct services on-site include:

a) registered nurse

b) clinical coordinator

c) social worker

1. Qualifications

All health and allied health professionals shall have the appropriate New Hampshire licenses whether directly employed, contracted, or subcontracted.

In addition the following minimum qualifications shall be met for:

a) Registered Nurse
   a. A registered nurse licensed in the state of New Hampshire, Bachelor's degree preferred. Minimum of one-year experience in a community health setting.

b) Nutritionists:
   a. A Bachelor's degree in nutritional sciences or dietetics, or a Master's degree in nutritional sciences, nutrition education, or public health nutrition or current Registered Dietitian status in accordance with the Commission on dietetic Registration of the American Dietetic Association.
   b. Individuals who perform functions similar to a nutritionist but do not meet the above qualifications shall not use the title of nutritionist.

c) Social Workers shall have:
   a. A Bachelor's or Master's degree in social work or Bachelor's or Master's degree in a related social science or human behavior field. A minimum of one year of experience in a community health or social services setting is preferred.
   b. Individuals who perform functions similar to a social worker but do not meet the above qualifications shall not use the title of social worker.

d) Clinical Coordinators shall be:
   a. A registered nurse (RN), physician, physician assistant, or nurse practitioner with a license to practice in New Hampshire.
   b. The coordinator is a clinical position that oversees and takes responsibility for the clinical and administrative functions of each program.
   c. The coordinator may be responsible for more than one MCH funded program.

2. New Hires

The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing within one month of hire when a new administrator, clinical coordinator, or any staff person essential to carrying out contracted services is hired to work in the program. A resume of the employee shall accompany the aforesaid notification.

3. Vacancies

   a) The Contractor must notify the MCHS in writing if any critical position is vacant for more than one month, or if at any time funded under this contract does not have adequate staffing to perform all required services for more than one month. This may be done through a budget revision.

   b) Before an agency hires new program personnel that do not meet the required staff qualifications, the agency shall notify the MCHS in writing requesting a waiver of the applicable staffing requirements. The Section may grant waivers based on the need of the program, individuals' experience, and additional training.

C) Coordination of Services

1. The Contractor shall coordinate, where possible, with other service providers within the contractor's community. At a minimum, such collaboration shall include interagency referrals and coordination of care.

2. The Contractor shall participate in activities in the Public Health Region in which they provide services as appropriate. These activities enhance the integration of community-based public health prevention and health care initiatives that are being implemented by the contractor and may include community needs assessments, public health performance assessments, and/or the development of regional health improvement plans.

3. The Contractor agrees to participate in and coordinate public health activities as requested by the Division of Public Health Services during any disease outbreak and/or emergency, natural or man-made, affecting the public's health.

4. The Contractor is responsible for case management of the client enrolled in the program and for program follow-up activities. Case management services shall promote effective and efficient organization and utilization of resources to assure access to necessary comprehensive medical, nutritional, and social services for clients.

5. The Contractor shall assure that appropriate, responsive, and timely referrals and linkages for other needed services are made, carried through, and documented. Such services shall include, but not be limited to: dental services, genetic counseling, high risk prenatal services, mental health, social services, including domestic violence crisis centers, substance abuse services; and family planning services, Early Supports and Services Program, local WIC/CSF Program, Home Visiting New Hampshire Programs and health and social service agencies which serve children and families in need of those services.

D) Meetings and Trainings

The contractor will be responsible for sending staff to meetings and training required by the MCHS program, including but not limited to:

1. MCHS Agency Directors' meetings
2. Prenatal and Child Health Coordinators' meetings
3. MCHS Agency Medical Services Directors' meetings

III. Quality or Performance Improvement (QI/PI)

A) Workplans

1. Performance Workplans are required for this program and are used to monitor achievement of standard measures of performance of the services provided under this contract. The workplans are a key component of the RHPCS and the MCHS performance-based contracting system and of this contract. Outcomes shall be reported by clinical site.
2. Performance Workplans and Workplan Outcome reports according to the schedule and instructions provided by the MCHS. The MCHS shall notify the Contractor at least 30 days in advance of any changes in the submission schedule.
3. The Contractor shall incorporate required and developmental performance measures, defined by the MCHS into the agency's Performance Workplan. Reports on Workplan Progress/Outcomes shall detail the Performance Workplan plans and activities that monitor and evaluate the agency's progress toward performance measure targets.
4. The Contractor shall comply with modifications and/or additions to the workplan and annual report format as requested by RHPCS and MCHS. MCHS will provide the contractor with reasonable notice of such changes.
5. Agencies contracting for Primary Care Services must submit the workplans for Primary Care Clinical and Financial, Child Health, and Prenatal Care.

B) Additional Reporting requirements

In addition to Performance Workplans, the Contractor shall submit to MCHS the following data and information listed below which are used to monitor program performance:

1. In years when contracts or amendments are not required, the DPHS Budget Form, Budget Justification, Sources of Revenue and Program Staff list forms must be

completed according to the relevant instructions and submitted as requested by DPHS and, at minimum, by April 30 of each year.

2. The Sources of Revenue report must be resubmitted at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

3. Completed Uniform Data Set (UDS) tables reflecting program performance in the previous calendar year, by March 31 of each year.

4. The Perinatal Client Data Form (PCDF) shall be submitted electronically according to the instructions set forth by the MCHS.

5. A copy of the agency's updated Sliding Fee Scale including the amount(s) of any client fees and the schedule of discounts must be submitted by March 31st of each year. The agency's sliding fee scale must be updated annually based on the US DHHS Poverty guidelines as published in the Federal Register.

6. An annual summary of program-specific patient satisfaction results obtained during the prior contract period and the method by which the results were obtained shall be submitted annually as an addendum to the Workplan Outcome/Progress reports.

C) On-site reviews

1. The contractor shall allow a team or person authorized by the Division of Public Health Services to periodically review the contractor's systems of governance, administration, data collection and submission, clinical and financial management, and delivery of education services in order to assure systems are adequate to provide the contracted services.

2. Reviews shall include client record reviews to measure compliance with this exhibit.

3. The contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.

4. On-Site reviews may be waived or abbreviated at the discretion of MCHS, upon submission of satisfactory reports of reviews such as Health Services Resources Administration (HRSA): Office of Performance Review (OPR), or reviews from nationally accreditation organizations such as the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), Medicare, the Community Health Accreditation Program (CHAP), Accreditation Association for Ambulatory Healthcare (AAAHC), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey. Abbreviated reviews will focus on any deficiencies found in previous reviews, issues of compliance with this exhibit, and actions to strengthen performance as outlined in the agency Performance Workplan.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE CHILD HEALTH DIRECT CARE SERVICES
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Please note, for all measures, the following should be used **unless otherwise indicated:**

- Less than 19 years of age
- Served within the scope of this MCH contract during State Fiscal Year 2015 (July 1, 2014 – June 30, 2015)
- Each client can only be counted once (unduplicated)

Child Health Direct (CH – D) Performance Measure #1

Measure: 92%* of eligible children will be enrolled in Medicaid

Goal: To increase access to health care for children through the provision of health insurance

Definition: **Numerator-**
Of those in the denominator, the number of children enrolled in Medicaid.

Denominator-
Number of children who meet all of the following criteria:

- Less than 19 years of age
- Had 3 or more visits/encounters** during the reporting period
- As of the last visit during the reporting period were eligible for Medicaid

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**An encounter is face to face contact between a user and a provider who exercises independent judgment in the provision of services to the individual (UDS Table Definition).

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #2

Measure: 85%* of at-risk** children who were screened for blood lead between 18 and 30 months of age

Goal: To prevent childhood lead poisoning through early identification of lead exposure

Definition: **Numerator-**
Of those in the denominator, number of children screened for blood lead by capillary or venous on or after their 18-month birthday and prior to their 30-month birthday.

Denominator-
Number of at-risk** children who reached age 30 months during the reporting period. If discharged prior to 30 months, do not include in denominator.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**At risk = During the reporting period, the children were 18-29 months of age, and fit at least one of the following criteria:

- "Low income" (less than 185% poverty guidelines)
- Over 185% and resided in a town considered needing "Universal" screening per NH Childhood Lead Poisoning Prevention Program
- Over 185%, resided in a town considered "Target" and had a positive response to the risk questionnaire
- Refugee children -A refugee is defined as a person outside of his or her country of nationality who is unable or unwilling to return because of persecution or a well-founded fear of persecution on account of race, religion, nationality, membership in a particular social group, or political opinion (U.S. Citizenship and Immigration Services definition).

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #3

Measure: 71%* of children age two to nineteen years receiving primary care preventive health services with a Body Mass Index (BMI) percentile greater than or equal to the 85%ile with documented discussion of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Goal: To increase the percent of children receiving primary care preventive health services who have an elevated BMI percentile who receive guidance about promoting a healthier lifestyle.

Definition: **Numerator-**
Of those in the denominator, the number of children who had documentation in their medical record of there being discussion at least once during the reporting period of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Denominator-
Number of children who turned twenty-four months during or before the reporting period, up to the age of nineteen years, with one or more well child visit after their twenty-fourth month of age within the reporting year, and had an age and gender appropriate BMI percentile greater than or equal to the 85 % percentile at least once during the reporting period.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

Rationale: Children between the 85th – 94th percentiles BMI are encouraged to have 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks. (Discussion of the importance of family meal time, limiting eating out, consuming a healthy breakfast, preparing own foods, and promotion of breastfeeding is also encouraged.) American Academy of Pediatrics' guidance for Prevention and Treatment of Childhood Overweight and Obesity, (http://www.aap.org/obesity/health_professionals.html), from AAP Policy Statement: *Prevention of Pediatric Overweight and Obesity* and the AAP endorsed Expert Committee Recommendations Regarding the Prevention, Assessment, and Treatment of Children and Adolescent Overweight and Obesity, 2007.

*Target based on 2012 & 2013 Data Trend Table averages.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) #4

Measure: 75%* of eligible** infants and children with client record documentation of enrollment in WIC

Goal: To increase access to nutrition education, breastfeeding support, and healthy food through enrollment in the WIC Nutrition Program

Definition: **Numerator -**
Of those in the denominator, the number of infants and children who, as of the last well child visit during the reporting period, had client record documentation that infant or child was enrolled in WIC.

Denominator -
Unduplicated number of infants and children less than 5 years of age, enrolled in the agency, during the reporting period, who were eligible** for WIC.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**WIC Eligibility Requirements:

- Infants, and children up to their fifth birthday
- Must be income eligible (income guidelines are up to 185% of federal gross income, and are based on family size)

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #5

Measure: 23%* of infants who were exclusively** breastfed for the first three months, at their four month well baby visit

Goal: To provide optimum nutrition to infants in their first three months of life

Definition: **Numerator -**
Of those in the denominator, the number of infants who had client record documentation that the infant had been exclusively breastfed for their first three months when checked at their four month well baby visit.

Denominator -
Number of infants who received one or more visits during or before the reporting period and were seen for a four-month well baby visit during the reporting period.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

Benmarks: 2011 PedNSS (WIC) exclusive at 3 months: NH 22.9%, National (2010) 10.7%
2013 CDC Report Card (NIS, provisional 2010 births): NH 49.5%, National 37.7%
Healthy People 2020 goal: 44%

Rationale: The AAP recommends exclusive breastfeeding for about 6 months, with continuation of breastfeeding for 1 year or longer as mutually desired by mother and infant, a recommendation concurred to by the World Health Organization and the Institute of Medicine. (American Academy of Pediatrics Policy Statement on Breastfeeding and the Use of Human Milk, 2012)

*Target based on 2012 & 2013 Data Trend Table averages.
**Exclusive means breast milk only, no supplemental formula, cereal/baby food, or water/fluids.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE: ADULT

PERFORMANCE MEASURES DEFINITIONS

State Fiscal Year 2015

Primary Care: Adult Performance Measure #1

Measure:*	58%** of adult patients 18 – 85 years of age diagnosed with hypertension will have a blood pressure measurement less than 140/90*** mm at the time of their last measurement.
Goal:	To ensure patients diagnosed with hypertension are adequately controlled.
Definition:	**Numerator-** Number of patients from the denominator with blood pressure measurement less than 140/90 mm at the time of their last measurement. **Denominator-** Number of patients age 18 – 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

*Measure based on the National Quality Forum 0018

**Health People 2020 National Target is 61.2%

***Both the numerator and denominator must be less that 140/90 mm

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE CLINICAL
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Primary Care Clinical Adolescent (PC-C) Performance Measure #1

Measure: 61%* of adolescents aged 11-21 years received an annual health maintenance visits in the past 12 months.

Goal: To enhance adolescent health by assuring annual, recommended, adolescent well -visits.

Definition:

Numerator-
Number of adolescents in the denominator who received an annual health maintenance "well" visit during the reporting year.

Denominator-
Total number of adolescents aged 11-21 years who were enrolled in the primary care clinic as primary care clients during the reporting year period.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

***Target based on 2012 & 2013 Data Trend Table averages.**

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Primary Care Clinical Prenatal (PC-C) Performance Measure #2

Measure:	31%* of women and adolescent girls aged 15-44 take multi-vitamins with folic acid.
Goal:	To enhance pregnancy outcomes by reducing neural tube defects.
Definition:	**Numerator-** The number of women and adolescent girls aged 15-44 who take a multi-vitamin with folic acid. **Denominator-** The number of women and adolescent girls aged 15-44 who were seen in primary care for a well visit in the past year.
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

***Target based on 2012 & 2013 Data Trend Table averages.**

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE - FINANCIAL
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Primary Care (PC) Performance Measure #1

Measure: Patient Payor Mix

Goal: To allow monitoring of payment method trends at State funded primary care sites.

Definition: Patients enrolled in Medicare, Medicaid, Commercial insurance, or uninsured.

Data Source: Provided by agency

Primary Care (PC) Performance Measure #2

Measure: Accounts Receivables (AR) Days

Goal: To allow monitoring of financial sustainability trends at State funded primary care sites.

Definition: AR Days: Net Patient Accounts Receivable **multiplied by** 365 **divided by** Net Patient Revenue

Data Source: Provided by agency

Primary Care (PC) Performance Measure #3

Measure: Current Ratio

Goal: To allow monitoring of financial sustainability trends at State funded primary care sites.

Definition: Current Ratio = Current Assets **divided by** Current Liabilities

Data Source: Provided by agency

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRENATAL
PERFORMANCE MEASURES DEFINITIONS
State Fiscal Year 2015

Prenatal (PN) Performance Measure #1

Measure:	85%* of pregnant women who are enrolled in the agency's prenatal program will begin prenatal care during the first trimester of pregnancy.
Goal:	To enhance pregnancy outcomes by assuring early entrance into prenatal care.
Definition:	**Numerator-** Number of women in the denominator who had a documented prenatal visit during the first trimester (on or before 13.6 weeks gestation). **Denominator-** Number of women enrolled in the agency prenatal program who gave birth during the reporting year.
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

* Target based on 2012 & 2013 Data Trend Table averages.

Prenatal (PN) Performance Measure #2

Measure:	20%* of pregnant women who are identified as cigarette smokers will be referred to QuitWorks-New Hampshire.
Goal:	To reduce tobacco use during pregnancy through focused tobacco use cessation activities at public health prenatal clinics.
Definition:	**Numerator-** Number of women in the denominator who received at least one referral to QuitWorks-New Hampshire during pregnancy. **A referral is defined as signing the patient up for QuitWorks-NH via phone, fax, or EMR. It is not defined as discussing QuitWorks-NH with the patient and encouraging her to sign up.** **Denominator-** Number of women enrolled in the agency prenatal program and identified as tobacco users who gave birth during the reporting year.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

*Target set in consultation with the NH Tobacco Program & FY13 Data Trend Table average.

Prenatal (PN) Performance Measure #3

Measure:	79%* of pregnant women will be screened, using a formal valid screening tool, for alcohol and other substance use during every trimester they are enrolled in the prenatal program.
Goal:	To reduce prenatal substance use through systematic screening and identification.
Definition:	**Numerator-** Number of women in the denominator who were screened for substance and alcohol use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program. **Denominator-** Number of women enrolled in the agency prenatal program and who gave birth during the reporting year.
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

* Target based on 2012 & 2013 Data Trend Table averages.

NH DIVISION OF Public Health Services
Improving health, preventing disease, reducing costs for all

Nicholas A. Toumpas
Commissioner

José Thier Montero
Director

May 8, 2012

APPROVED G&C # 135
DATE 6/20/12

His Excellency, Governor John H. Lynch
and the Honorable Executive Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, Bureau of Population Health and Community Services, Maternal and Child Health Section, to enter into an agreement with Goodwin Community Health (Vendor #154703-B001), 311 Route 108, Somersworth, New Hampshire 03878, in an amount not to exceed $600,396.00, to provide primary care services and breast and cervical cancer screening, to be effective July 1, 2012 or date of Governor and Executive Council approval, whichever is later, through June 30, 2014. Funds are available in the following accounts for SFY 2013, and are anticipated to be available in SFY 2014 upon the availability and continued appropriation of funds in the future operating budgets.

05-95-90-902010-5190 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF POPULATION HEALTH AND COMMUNITY SERVICES, MATERNAL AND CHILD HEALTH

SFY 2014	102-500731	Contracts for Program Services	90080081	$51,486
			Sub-Total	$102,972
			Total	$600,396

EXPLANATION

Funds in this agreement will be used to provide breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. This agreement provides funds for services as a last resort; contractor is required to make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. For example, in State Fiscal Year 2011:

- 88% of eligible children served were enrolled in Medicaid/Healthy Kids Gold.
- 86% of children 24-35 months, served received the appropriate schedule of immunizations.
- 82% of infants born to women served received prenatal care beginning in the first trimester of pregnancy.

In addition, breast and cervical cancers continue to be ongoing public health issues for New Hampshire. The Division of Public Health Services, Breast and Cervical Cancer Screening Program provides support for breast and cervical cancer screening services that include clinical examinations, pap smears and referral for mammography. Through this program, women found to have abnormal screening results, following their testing, receive additional coverage for diagnostic work-up and, if necessary, have their care coordinated through the initiation of treatment.

Should Governor and Executive Council not authorize this Request, a minimum of 6,000 low-income individuals from Strafford County may not have access to primary care services, and eligible women may not receive recommended breast and cervical cancer screenings. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. Additionally women that receive recommended breast and cervical cancer screenings are at lower risk of late diagnosis of breast and cervical cancers.

Goodwin Community Health was selected for this project through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by three professionals, who work internal and external to the Department of Health and Human Services. All reviewers have between three to twenty years experience either in clinical settings, providing community-based family support services, and managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were averaged and all proposals were recommended for funding. In those instances where scores were less than ideal, agency specific remedial actions were recommended and completed. Some primary care agencies are being funded at levels higher than they requested. Agencies were instructed to develop budgets based on previous allocations. While some proposed budgets higher than what was available for funding, others proposed budgets lower than what was available. There was an increase in breast and cervical cancer screening funds that bidders were unaware of when they drafted budgets. Adjustments were made accordingly for those agencies that proposed budgets at levels lower than available funds. This is a contract where that situation occurred. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council. These services were contracted previously with this agency in SFY 2011 and SFY 2012 in the amount of $983,024. This represents a decrease of $382,628. The decrease is due to budget reductions.

The performance measures used to measure the effectiveness of the agreement are attached.

Area served: Strafford County.

Source of Funds: 33.68% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau and 66.32% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

José Thier Montero, MD
Director

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Prenatal (PN) Performance Measure #1

Measure: Percent of infants born to women receiving prenatal care beginning in the first trimester of pregnancy.

Primary Care Prenatal (PN) Performance Measure #2

Measure: Percent of pregnant women identified as cigarette smokers that are referred to QuitWorks-New Hampshire.

Primary Care Prenatal (PN) Performance Measure #3

Measure: Percent of pregnant women who were screened, using a formal valid screening tool, for alcohol and other drug use during every trimester the patient was enrolled.

Primary Care Child Health Direct (CH – D) Performance Measure #1

Measure: Percent of eligible children enrolled in Medicaid

Primary Care Child Health Direct (CH – D) Performance Measure #2

Measure: Percent of at-risk children who were screened for blood lead between 18 and 30 months of age

Primary Care Child Health Direct (CH – D) Performance Measure #3

Measure: Percent of children age two to nineteen years receiving primary care preventive health services with a Body Mass Index (BMI) percentile greater than or equal to the 85th percentile with documented discussion of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Primary Care Child Health Direct (CH – D) Performance Measure #4

Measure: Percent of eligible infants and children with client record documentation of enrollment in Women Infant Children Program.

Primary Care Child Health Direct (CH – D) Performance Measure #5

Measure: Percent of infants who were exclusively breastfed for the first three months, at their four month well baby visit.

Primary Care Financial (PC) Performance Measure #1

Measure: Patient Payor Mix

Primary Care Financial (PC) Performance Measure #2

Measure: Accounts Receivables (AR) Days

Primary Care Financial (PC) Performance Measure #3

Measure: Current Ratio

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Clinical Adolescent (PC-C) Performance Measure #1

Measure: Percent of adolescents aged 10-21 years who received annual health maintenance visits in the past 12 months.

Primary Care Clinical Prenatal (PC-C) Performance Measure #2

Measure: Percent of women and adolescent girls aged 15-44 who take a multi-vitamin with folic acid.

1.17 Approval by the Attorney General (Form, Substance and Execution) By: Jeanne P. Herrick, Attorney	On: 15 May 2012
1.18 Approval by the Governor and Executive Council By:	On:

2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.
3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, this Agreement, and all obligations of the parties hereunder, shall not become effective until the date the Governor and Executive Council approve this Agreement ("Effective Date").
3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.
5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.
5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.
5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.
5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.
6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. In addition, the Contractor shall comply with all applicable copyright laws.
6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.
6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.
7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.
7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.
7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

Contractor Initials: TA
Date: 3/26/17

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

9. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. TERMINATION. In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS. The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the N.H. Department of Administrative Services. None of the Services shall be subcontracted by the Contractor without the prior written consent of the State.

13. INDEMNIFICATION. The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per occurrence; and

14.1.2 fire and extended coverage insurance covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than fifteen (15) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each

Contractor Initials: JA
Date: 3/26/12

certificate(s) of insurance shall contain a clause requiring the insurer to endeavor to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than ten (10) days prior written notice of cancellation or modification of the policy.

15. WORKERS' COMPENSATION.
15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("Workers' Compensation").
15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire.

19. CONSTRUCTION OF AGREEMENT AND TERMS. This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

Contractor Initials: TA
Date: 3/26/12

NH Department of Health and Human Services

Exhibit A

Scope of Services

Primary Care Services

CONTRACT PERIOD: July 1, 2012 or date of G&C approval, whichever is later, through June 30, 2014

CONTRACTOR NAME: Goodwin Community Health

ADDRESS: 311 Route 108
Somersworth, New Hampshire 03878
Executive Director: Janet Atkins
TELEPHONE: 603-953-0065

The Contractor shall:

I. General Provisions

A) Eligibility and Income Determination

1. Office-based primary care services will be provided to low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire.

2. Breast and Cervical Cancer screening services will be provided to low-income (defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), New Hampshire women age 18 – 64, *uninsured or underinsured*.

3. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new patients for more than a one month period.

4. The Contractor shall document annually, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete with the client the most recent version of the 800P form.

5. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, approved in advance by the Division of Public Health Services (DPHS), for low-income patients. Signage must state that no client will be denied services for inability to pay.

    a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, submitted to and approved by DPHS *prior to implementation.*

6. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered.

Contractor Initials: JK

Date: 3/26/12

B) Numbers Served

1. The contract funds shall be expended to provide the above services to a minimum of 300 users annually with 1000 medical encounters, as defined in the Data and Reporting Requirements. Breast and Cervical Cancer Screening for eligible women, as defined by the Breast and Cervical Cancer Program (BCCP), shall be provided to 300 women annually and billed directly to the BCCP. Clinical service reimbursements shall not exceed the Medicare rate.

C) Culturally and Linguistically Appropriate Standards of Care

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. *Provide* clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.

4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.

5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation 45 CFR 80.3(b) (2). The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) State and Federal Laws

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated hereunder.

E) Relevant Policies and Guidelines

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

Contractor Initials: [illegible]

Date: [illegible]

2. Primary Care funds shall be targeted to populations in need. Populations in need are defined as follows:

   a) uninsured;

   b) under-insured;

   c) families and individuals with significant psychosocial and economic risk, including low income status;

   d) all life cycles including perinatal, child, adolescent, adult, and elderly who meet one or more of the above criteria.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.

4. *The Contractor shall have an agency emergency preparedness and response plan in accordance with HRSA Health Center Emergency Management Program Expectations, Document #2007-15 or most recent version. Such plan shall also include a Continuity of Operations plan.*

5. The Contractor shall carry out the work as described in the performance Workplan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

6. No Workplan is required by the Breast and Cervical Cancer Program (BCCP). The contractor shall be required to respond to the Quality Improvement Feedback Report twice a year.

7. The Contractor shall carry out the work as described in the Supplemental Funding Form submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) Publications Funded Under Contract

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, *electronic*) produced, reproduced, or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14).

G) Subcontractors

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing *and approve the subcontractual agreement,* prior to initiation of the subcontract.

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. Minimal Standards of Core Services

A) Service Requirements

1. *Medical Home*

The Contractor shall provide a Medical Home that:

a) *Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.*

b) *Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.*

2. Primary Care Services

The Contractor shall provide office-based primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, APRN, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, *oral health*, and behavioral health specialty providers.

b) *Referral to the WIC Nutrition Program for all eligible pregnant women, infants and children.*

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.

d) Access to a healthcare provider, directly or by referral or subcontract, by telephone twenty-four hours per day, seven days per week.

e) Assessment of psychosocial risk for all clients at least annually and for children at scheduled preventive care visits, including, at a minimum, age appropriate assessment of safety in the home, domestic violence, adequacy of food and housing, care and welfare of children, transportation needs, and provision of necessary social services to address the priority needs and safety issues of clients and families.

f) Falls prevention screening for patients 65 years and older using the algorithm and guidelines of the American Geriatrics Society.

g) Behavioral health care directly or by referral to an agency or provider with a sliding fee scale.

h) *Nutrition assessment for all clients as part of the health maintenance visit.* Therapeutic nutrition services shall be provided *as indicated* directly or by referral to an agency or provider with a sliding fee scale. These services shall be recorded in the medical record.

i) Formal arrangements with a local hospital for emergency care must be in place and reviewed annually.

Contractor Initials: JH

Date: 3/26/12

j) Home health care directly or by referral to an agency or provider with a sliding fee scale.

k) Assisted living and skilled nursing facility care by referral.

l) *Oral screening annually for all clients 19 years and older to note obvious dental decay and soft tissue abnormalities with a reminder to the patient that poor oral health impacts total health.*

m) *Diagnosis and management of pediatric and adult patients with asthma provided according to National Heart Lung Blood Institute, National Asthma Education and Prevention Program, Expert Panel Report 3: Guidelines for the Diagnosis and Management of Asthma, 2007.*

2. Breast and Cervical Cancer Screening

a) Women age 18 to 64 who are eligible for Breast and Cervical Cancer Program (BCCP) services according to income (equal to or under 250% of poverty, underinsured/uninsured) *and insurance status* criteria shall be provided the following services:

i. cervical cancer screening including a pelvic examination and Pap smear;
ii. annual breast cancer screening including a clinical breast exam, mammogram and,
iii. referrals for diagnostic and treatment services based on screening results,
iv. case management services.

b) All referrals under this provision shall be to approved certified laboratory, pathology, radiology, and surgical services. Mammography units shall be accredited by the American College of Radiology, and must be FDA certified under MQSA. Laboratories shall be CLIA certified.

c) All services shall be provided in accordance with the Breast and Cervical Cancer Program (BCCP) Policy and Procedure Manual.

d) Follow-up and tracking of all tests done, and referrals made shall be provided in accordance with the minimum standards outlined in the Breast and Cervical Cancer Program Policy and Procedure Manual.

e) All services for women enrolled in the Breast and Cervical Cancer Program (BCCP) shall be billed directly to the BCCP in accordance with protocols established by the Breast and Cervical Cancer Program.

3. Reproductive Health Services

The Contractor shall provide prenatal, interconceptional and preconception medical care, social services, nutrition services, education, and nursing care to all women of childbearing age. Preconceptional care includes the preconception, interconceptional, and postpartum periods in women's health. It is recommended that preconceptional and interconceptional care visits focus on maintaining or achieving the optimal health of the mother, lowering the risk of future adverse pregnancy outcomes, the family's future plans, and how additional children fit into that plan. Preconceptional counseling may be done during an office, group or home visit.

a) In the event prenatal care is not provided directly by the Contractor a formal Memorandum/a of Agreement for coordinated referral to an appropriately qualified provider must be maintained.

b) Prenatal care shall, at minimum, be provided in accordance with the Guidelines for Perinatal Care, sixth or most current edition, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists, and /or the Centers for Disease Control.

Contractor Initials: JA

Date: 3/7/12

c) Age appropriate reproductive health care shall, at a minimum, be provided in accordance with the American College of Obstetricians and Gynecologists, or the USDHHS Centers for Disease Control (CDC) current guidelines.

d) *Pregnant women enrolled in the WIC Nutrition Program shall be referred to WIC for breastfeeding education and referral to the WIC Nutrition Program peer counselors.*

e. Family planning counseling for prevention of subsequent pregnancy following an infant's birth shall be discussed with the infant's mother *at the first postpartum visit and at the infant's 2-month visit and other visits as appropriate.* Rationale for birth intervals of 18-24 months shall be presented.

f) A referral to a Title X Family Planning Clinic or other reproductive health care provider shall be made as appropriate.

4. Services for Children and Adolescents

The Contractor shall provide as a minimum, comprehensive and age-appropriate health care, screenings, and health education according to the American Academy of Pediatrics' most recent periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent. Children and adolescent visits shall include:

a) Blood lead testing shall be performed in accordance with "New Hampshire Childhood Lead Poisoning Screening and Management Guidelines", issued by the New Hampshire Department of Health and Human Services, 2009 or subsequent revisions.

b) All children enrolled in either Healthy Kids-Gold or the Women, Infant, and Children (WIC) Program and/or who are ≤ 185% poverty, regardless of town of residence, are required to have a blood lead test at ages one and two years. All children ages three to six years who have not been previously tested shall have a capillary or venous blood lead test performed.

c) All children shall be screened for iron deficiency anemia as outlined in the Centers for Disease Control and Prevention document "Recommendations to Prevent and Control Iron Deficiency in the United States (4/2/98)".

d) Age-appropriate anticipatory guidance, dietary guidance, and *feeding practice counseling* for optimal oral health shall be provided at each well child visit according to the American Academy of Pediatrics' periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent edition. Starting at age 6 months, it is recommended that all children receive an oral health assessment at every well child visit.

e) Supplemental fluoride shall be prescribed as needed based upon the fluoride levels in the child's *drinking* water supply. The fluoride dosage regimen accepted by the American Academy of Pediatrics shall be followed. No fluoride shall be prescribed without obtaining water from private wells or noting the presence or absence of fluoride in the public water supply. *Supplemental fluoride may include bottled water containing fluoride and topical applications such as varnishes.*

f) *For infants enrolled in the WIC Nutrition Program, parents shall be referred to WIC for breastfeeding support and referral to the WIC Nutrition Program peer counselors.*

5. Sexually Transmitted Infections

Primary Care Services shall provide age appropriate screening and treatment of sexually transmitted infections.

a) Treatment for sexually transmitted infections shall be provided according to the United States Centers for Disease Control Sexually Transmitted Diseases Treatment Guidelines, 2010 or subsequent revisions.

b) All clients, including women, shall be offered HIV testing following the most current recommendations of the United States Centers for Disease Control.

c) The contractor shall be responsible for ensuring referral to appropriate treatment services for any woman found to screen positive.

d) Appropriate risk reduction counseling shall be provided based on client needs.

6. Substance Use Services

a) A substance use screening history using a formal, validated screening tool shall be obtained for all clients as soon after entry into care as possible. Substance use counseling *or other substance abuse intervention, treatment, or recovery services* by an appropriately credentialed provider shall be provided on-site, or by referral, to clients with identified needs for these services. *For these identified clients, ongoing primary care services should include follow up monitoring relative to substance abuse.*

b) All clients, including pregnant women, identified as smokers shall receive counseling *using the 5A's (ask, advise, assess, assist, and arrange) treatment available through the NH Tobacco Helpline* as cited in the US Public Health Services report "Tobacco Use and Dependence", 2008, or "Smoking Cessation During Pregnancy: *A Clinician's Guide to Helping Pregnant Women Quit Smoking*", American College of Obstetricians and Gynecologists, 2011. *With prior approval, agencies may also opt to participate in the DPHS best practice initiative of the 2A's and R (ask, advise and refer).*

7. Immunizations

a) The Contractor shall adhere to the most current version of the "Recommended Adult Immunization Schedule United States", approved by the Advisory Committee on Immunization Practices, the American College of Obstetricians and Gynecologists, and the American Academy of Family Physicians.

b) The Contractor shall administer vaccines according to the most current version of the *"Recommended Immunization Schedule for Persons Aged 0 Through 6 Years - United States", and "Recommended Immunization Schedule for Persons Aged 7 Through 18 Years – United States"* approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians, based upon availability of vaccine from the New Hampshire Immunization Program.

8. Prenatal Genetic Screening

a) A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

b) All pregnant women should be offered voluntary genetic screening for fetal chromosomal abnormalities at the appropriate time following recommendations found in the American College of Obstetricians and Gynecologists' "Screening for Fetal Chromosomal

Contractor Initials: JA

Date: 2/21/17

Abnormalities (2007)" or more recent guidelines. The Contractor shall be responsible for ensuring referral to appropriate genetic testing and counseling for any woman found to have a positive screening test.

9. Additional Requirements

a) The Contractor's Medical Director shall participate in the development and approval of specific guidelines for medical care that supplement minimal clinical standards. Supplemental guidelines should be reviewed, signed, and dated annually, and updated as indicated.

b) Contractors considering clinical or sociological research using clients as subjects must adhere to the legal requirements governing human subjects research. Contractors must inform the DPHS, MCHS prior to initiating any research related to this contract.

c) *The Contractor shall provide information to all employees annually about the Medical Reserve Corps Unit within their Public Health Region to enhance recruitment.*

d) *The Contractor shall provide information to all employees annually regarding the Emergency System for the Advance Registration of Volunteer Health Professionals (ESAR-VHP) managed by the NH Department of Health and Human Services' Emergency Services Unit, to enhance recruitment.*

B) Staffing Provisions

The Contractor shall have, at minimum, the following staff positions:

a) executive director

b) fiscal director

c) registered nurse

d) clinical coordinator

e) medical service director

f) nutritionist *(on site or by referral)*

g) social worker

Staff positions required to provide direct services on-site include:

a) registered nurse

b) clinical coordinator

c) social worker

1. Qualifications

All health and allied health professionals shall have the appropriate New Hampshire licenses whether directly employed, contracted, or subcontracted.

In addition the following minimum qualifications shall be met for:

a) Registered Nurse

Contractor Initials: JK

Date: 3/26/12

a. A registered nurse licensed in the state of New Hampshire, Bachelor's degree preferred. Minimum of one-year experience in a community health setting.

b) Nutritionists:
   a. A Bachelor's degree in nutritional sciences or dietetics, or a Master's degree in nutritional sciences, nutrition education, or public health nutrition or current Registered Dietitian status in accordance with the Commission on dietetic Registration of the American Dietetic Association.

   b. Individuals who perform functions similar to a nutritionist but do not meet the above qualifications shall not use the title of nutritionist.

c) Social Workers shall have:
   a. A Bachelor's or Master's degree in social work or Bachelor's or Master's degree in a related social science or human behavior field. A minimum of one year of experience in a community health or social services setting is preferred.

   b. Individuals who perform functions similar to a social worker but do not meet the above qualifications shall not use the title of social worker.

d) Clinical Coordinators shall be:
   a. A registered nurse (RN), physician, physician assistant, or nurse practitioner with a license to practice in New Hampshire.
   b. The coordinator is a clinical position that oversees and takes responsibility for the clinical and administrative functions of each program.
   c. The coordinator may be responsible for more than one MCH funded program.

2. New Hires

The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing within one month of hire when a new administrator, clinical coordinator, or any staff person essential to carrying out contracted services is hired to work in the program. A resume of the employee shall accompany the aforesaid notification.

3. Vacancies

a) The Contractor must notify the MCHS in writing if any critical position is vacant for more than one month, or if at any time funded under this contract does not have adequate staffing to perform all required services for more than one month. This may be done through a budget revision.

b) Before an agency hires new program personnel that do not meet the required staff qualifications, the agency shall notify the MCHS in writing requesting a waiver of the applicable staffing requirements. The Section may grant waivers based on the need of the program, individuals' experience, and additional training.

C) **Coordination of Services**

1. The Contractor shall coordinate, where possible, with other service providers within the contractor's community. At a minimum, such collaboration shall include interagency referrals and coordination of care.

2. The Contractor shall participate in activities *in the Public Health Region in which they provide services* as appropriate. These activities enhance the integration of community-based public health

prevention and health care initiatives that are being implemented by the contractor and may include community needs assessments, public health performance assessments, and/or the development of regional health improvement plans.

3. The Contractor agrees to *participate* in and coordinate public health activities as requested by the Division of Public Health Services during any *disease outbreak* and/or *emergency*, natural or man made, affecting the public's health.

4. The Contractor is responsible for case management of the client enrolled in the program and for program follow-up activities. Case management services shall promote effective and efficient organization and utilization of resources to assure access to necessary comprehensive medical, nutritional, and social services for clients.

5. The Contractor shall assure that *appropriate, responsive, and timely* referrals and linkages for other needed services are made, carried through, and documented. Such services shall include, but not be limited to: dental services, genetic counseling, high risk prenatal services, mental health, social services, including domestic violence crisis centers, substance abuse services; and family planning services, Early Supports and Services Program, local WIC/CSF Program, Home Visiting New Hampshire Programs and health and social service agencies which serve children and families in need of those services.

D) Meetings and Trainings

The contractor will be responsible for sending staff to meetings and training required by the MCHS program, including but not limited to:

1. MCHS Agency Directors' meetings

2. Prenatal and Child Health Coordinators' meetings

3. MCHS Agency Medical Services Directors' meetings

III. Quality or Performance Improvement (QI/PI)

A) Workplans

1. Performance Workplans are required for this program and are used to monitor achievement of standard measures of performance of the services provided under this contract. The workplans are a key component of the RHPCS and the MCHS performance-based contracting system and of this contract. Outcomes shall be reported by clinical site.

2. Submit Performance Workplans and Workplan Outcome reports according to the schedule and instructions provided by the MCHS. The MCHS shall notify the Contractor at least 30 days in advance of any changes in the submission schedule.

3. The Contractor shall incorporate required and developmental performance measures, defined by the MCHS into the agency's Performance Workplan. Reports on Workplan Progress/Outcomes shall detail the Performance Workplan and activities that monitor and evaluate the agency's progress toward performance measure targets.

4. The Contractor shall comply with modifications and/or additions to the workplan and annual report format as requested by RHPCS and MCHS. MCHS will provide the contractor with reasonable notice of such changes.

5. Agencies contracting for Primary Care Services must submit the workplans for Primary Care *Clinical and Financial*, Child Health, and Prenatal Care.

B) Additional Reporting requirements

In addition to Performance Workplans, the Contractor shall submit to MCHS the following data and information listed below which are used to monitor program performance:

1. In years when contracts or amendments are not required, the DPHS Budget Form, Budget Justification, Sources of Revenue and Program Staff list forms must be completed according to the relevant instructions and submitted as requested by DPHS and, at minimum, by April 30 of each year.

2. The Sources of Revenue report must be resubmitted at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

3. Completed Uniform Data Set (UDS) tables reflecting program performance in the previous calendar year, by March 31 of each year.

4. The Perinatal Client Data Form (PCDF) shall be submitted electronically according to the instructions set forth by the MCHS.

5. A copy of the agency's updated Sliding Fee Scale including the amount(s) of any client fees and the schedule of discounts must be submitted by March 31st of each year. The agency's sliding fee scale must be updated annually based on the US DHHS Poverty guidelines as published in the Federal Register.

6. An annual summary of program-specific patient satisfaction results obtained during the prior contract period and the method by which the results were obtained shall be submitted annually as an addendum to the Workplan Outcome/Progress reports.

C) On-site reviews

1. The contractor shall allow a team or person authorized by the Division of Public Health Services to periodically review the contractor's systems of governance, administration, data collection and submission, clinical and financial management, and delivery of education services in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include client record reviews to measure compliance with this exhibit.
3. The contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. On-Site reviews may be waived or abbreviated at the discretion of MCHS, upon submission of satisfactory reports of reviews such as Health Services Resources Administration (HRSA): Office of Performance Review (OPR), or reviews from nationally accreditation organizations such as the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), Medicare, the Community Health Accreditation Program (CHAP), Accreditation Association for Ambulatory Healthcare (AAAHC), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey. Abbreviated reviews will focus on any deficiencies found in previous reviews, issues of compliance with this exhibit, and actions to strengthen performance as outlined in the agency Performance Workplan.

NH Department of Health and Human Services

Exhibit B

Purchase of Services
Contract Price

Primary Care Services

CONTRACT PERIOD: July 1, 2012 or date of G&C approval, whichever is later, through June 30, 2014

CONTRACTOR NAME: **Goodwin Community Health**

ADDRESS: **311 Route 108**
Somersworth, New Hampshire 03878
Executive Director: **Janet Atkins**
TELEPHONE: **603-953-0065**

Vendor #154703-B001 | Job #90080000 #90080081 | Appropriation #010-090-51900000-102-500731 #010-090-56590000-102-500731

1. The total amount of all payments made to the Contractor for cost and expenses incurred in the performance of the services during the period of the contract shall not exceed:

   $497,424 for Primary Care Services, funded from 19.95% federal funds from the US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau (CFDA #93.994) and 80.05% general funds.

   $102,972 for Breast and Cervical Cancer Screening, funded from 100% federal funds from the Center for Disease Control (CFDA #93.283).

TOTAL: $600,396

2. The Contractor agrees to use and apply all contract funds from the State for direct and indirect costs and expenses including, but not limited to, personnel costs and operating expenses related to the Services, as detailed in the attached budgets. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. The Contractor agrees not to use or apply such funds for capital additions or improvements, entertainment costs, or any other costs not approved by the State.

3. This is a cost-reimbursement contract based on an approved budget for the contract period. Reimbursement shall be made monthly based on actual costs incurred during the month up to an amount not greater than one-twelfth of the contract amount. Reimbursement greater than one-twelfth of the contract amount in any month shall require prior, written permission from the State.

4. Invoices shall be submitted by the Contractor to the State in a form satisfactory to the State for each of the Service category budgets. Said invoices shall be submitted within twenty (20) working days following the end of the month during which the contract activities were completed, and the final invoice shall be due to the State no later than sixty (60) days after the contract Completion Date. Said invoice shall contain a description of all allowable costs and expenses incurred by the Contractor during the contract period.

5. Payment will be made by the State agency subsequent to approval of the submitted invoice and if sufficient funds are available in the Service category budget line items submitted by the Contractor to cover the costs and expenses incurred in the performances of the services.

Contractor Initials: [illegible]

Date: 3/27/12

6. The Contractor may amend the contract budget for any Service category through line item increases, decreases, or the creation of new line items provided these amendments do not exceed the contract price for that particular Service category. Such amendments shall only be made upon written request to and written approval by the State. Budget revisions will not be accepted after June 20th of each contract year.

7. The Contractor shall have written authorization from the State prior to using contract funds to purchase any equipment with a cost in excess of three hundred dollars ($300) and with a useful life beyond one year.

The remainder of this page is intentionally left blank.

Contractor Initials: _____

Date: 3/7/12

Exhibit C

SPECIAL PROVISIONS

1. **Contractors Obligations:** The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

2. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

3. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

4. **Documentation:** In addition to the determination forms, required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

5. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

6. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

7. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

8. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractor's costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party fundors for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party fundors, the Department may elect to:

    8.1 Renegotiate the rates for payment hereunder, in which event new rates shall be established;

Contractor Initials: JLL
Date: 3/22/12

8.2 Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

8.3 Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

9. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:

9.1 **Fiscal Records:** Books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

9.2 **Statistical Records:** Statistical, enrollment, attendance, or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

9.3 **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

10. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.

10.1 **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.

10.2 **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

11. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directed connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Contractor Initials: JH

Date: 3/26/12

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

12. **Reports: Fiscal and Statistical**: The Contractor agrees to submit the following reports at the following times if requested by the Department

    12.1 Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.

    12.2 Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

13. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

14. **Credits:** All documents, notices, press releases, research reports, and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:

    14.1 The preparation of this (report, document, etc.), was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, Division of Public Health Services, with funds provided in part or in whole by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

15. **Operation of Facilities:** Compliance with Laws and Regulations: In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the Contractor with respect to the operation of the facility or the provision of the services at such facility. If any government license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

Contractor Initials: JLA

Date: 3/26/12

16. **Insurance:** Select either (1) or (2) below:

As referenced in the Request for Proposal, Comprehensive General Liability Insurance Acknowledgement Form, the Insurance requirement checked under this section is applicable to this contract:

Insurance Requirement for (1) - 501(c) (3) contractors whose annual gross amount of contract work with the State does not exceed $500,000, per RSA 21-I:13, XIV, (Supp. 2006): The general liability insurance requirements of standard state contracts for contractors that qualify for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the state does not exceed $500,000, is comprehensive general liability insurance in amounts of not less than $1,000,000 per claim or occurrence and $2,000,000 in the aggregate. *These amounts may NOT be modified.*

X (1) The contractor certifies that it **IS** a 501(c) (3) contractor whose annual total amount of contract work with the State of New Hampshire does **not** exceed $500,000.

Insurance Requirement for (2) - All other contractors who do not qualify for RSA 21-I:13, XIV, (Supp. 2006), Agreement P-37 General Provisions, 14.1 and 14.1.1. Insurance and Bond, shall apply: The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, both for the benefits of the State, the following insurance: comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per incident or occurrence. *These amounts MAY be modified if the State of NH determines contract activities are a risk of lower liability.*

(2) The contractor certifies it does **NOT** qualify for insurance requirements under RSA 21-I:13, XIV (Supp. 2006).

17. **Renewal:**

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two (2) additional year(s), contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

18. Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

Contractor Initials: JA
Date: 3-26-12

19. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

Contractor Initials: JA

Date: 3/26/12

SPECIAL PROVISIONS – DEFINITIONS

As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean the section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Whenever federal or state laws, regulations, rules, orders, and policies, etc., are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc., as they may be amended or revised from time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

Standard Exhibit D

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act to 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I – FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES – CONTRACTORS
US DEPARTMENT OF EDUCATION – CONTRACTORS
US DEPARTMENT OF AGRICULTURE – CONTRACTORS

This certification is required by the regulations implementing Sections 5151-51-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). the January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630 of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services,
129 Pleasant Street
Concord, NH 03301

1) The grantee certifies that it will or will continue to provide a drug-free workplace by:

   (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

   (b) Establishing an ongoing drug-free awareness program to inform employee's about:

      (1) The dangers of drug abuse in the workplace;
      (2) The grantee's policy of maintaining a drug-free workplace;
      (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
      (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

   (c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

   (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:

      (1) Abide by the terms of the statement; and

Contractor Initials: [illegible]
Date: 3/21/13

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph (d) (2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).

2) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, State, zip code) (list each location)

CERTIFICATION REGARDING LOBBYING

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES – CONTRACTORS
US DEPARTMENT OF EDUCATION – CONTRACTORS
US DEPARTMENT OF AGRICULTURE – CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

Contract Period: 7/1/12 or date of G&C Approval, whichever is later, through 6/30/14

The undersigned certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

(2) If any funds, other than Federal appropriated funds, have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions, attached and identified as Standard Exhibit E-I.

(3) The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Standard Exhibit F

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions, execute the following Certification:

Instructions for Certification

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transition. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transition," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntary excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rule implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction", "provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

Contractor Initials: [illegible]

Date: 2/26/12

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

1. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

   a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

   b. have not within a three-year period preceding this proposal (contract) been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

   c. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph 1 b of this certification; and

   d. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

2. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

Lower Tier Covered Transactions

By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:

(a) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

(b) where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion – Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

State of New Hampshire
Department of Health and Human Services
Amendment #2 to the Primary Care Services for the Homeless Contract

This 2nd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #2") dated this, 30th day of April, 2015 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and the City of Manchester Health Department. (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 152 Elm Street, Manchester, NH 03101.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #124) and amended by an agreement (Amendment #1 to the Contract) approved on May 8, 2014 (Item #34B), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 of the Agreement, and Exhibit C, Special Provisions, Paragraph 17, the State may amend the contract terms and conditions and renew the contract for two (2) additional years by written agreement of the parties and approval of the Governor and Executive Council; and

WHEREAS, the parties agree to extend the contract for two additional years, add services to Exhibit A, Scope of Services and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:
   June 30, 2017
2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:
   $482,374
3. Form P-37, General Provisions, Item 1.9, Contracting Officer for State Agency, to read:
   Eric D. Borrin
4. Form P-37, General Provisions, Item 1.10, State Agency Telephone Number, to read:
   (603) 271-9558
5. Delete Exhibit A, Scope of Services and Exhibit A-1 Amendment 1, Scope of Services and replace with Exhibit A – Amendment #2.
6. Delete Exhibit A-1 Amendment #1 - Performance Measures and replace with Exhibit A-1 Amendment #2 – Performance Measures.

7. Delete Exhibit B, Purchase of Services Contract Price and replace with Exhibit B – Amendment #2, Method and Conditions Precedent to Payment.
8. Add Exhibit B-1, Primary Care Budget Form through Exhibit B-6, SBIRT Budget Form.
9. Standard Exhibit D, Certification Regarding Drug-Free Workplace Requirements, Period Covered by this Certification, to read:

   From 7/1/2012 to 6/30/2017
10. Standard Exhibit E, Certification Regarding Lobbying, Contract Period, to read:

    July 1, 2012 through June 30, 2017
11. Delete Standard Exhibit G, Certification Regarding the Americans with Disabilities Act Compliance, and replace with Exhibit G, Certification of Compliance with Requirements Pertaining to Federal Nondiscrimination, Equal Treatment of Faith-Based Organizations and Whistleblower Protections.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. The Contractor shall utilize flexible hours and minimal use of appointment systems to provide **primary care and enabling** services to homeless individuals and families through the use of permanent office based locations and/or mobile or temporary delivery locations.

1.5. The Contractor shall serve target populations that include individuals who:

1.5.1. Are uninsured.

1.5.2. Are underinsured.

1.5.3. Are low-income, which is defined as $\leq$ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5.4. Lack housing including an individual whose primary residence during the night is a supervised public or private facility (e.g., shelters) that provides temporary living accommodations.

1.5.5. Are residents in transitional housing.

1.5.6. Are unable to maintain their housing situation and are forced to stay with a series of friends and/or extended family members may be considered homeless. \

1.5.7. Are to be released from a prison or a hospital who may also be considered homeless if they do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

Contractor Initials: J. F.
Date 6/8/15

1.6. The Contractor shall continue to provide primary care and enabling services to individuals described in Section 1.5.4 through Section 1.5.7 above for three hundred sixty-four (364) calendar days following the individual's placement in permanent housing.

1.7. The Contractor shall provide **Screening, Brief Intervention and Referrals to Treatment** (SBIRT) Services to all individuals described in Section 1.4 through Section 1.6, above.

1.8. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.8.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.8.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.8.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care or SBIRT Services for new patients is limited or closed for more than a one month period.

2.2. The Contractor shall maintain documentation for each individual receiving services described in this contract that includes, but is not limited to:

2.2.1. Family income.

2.2.2. Family size.

2.2.3. Income in relation to the Federal Poverty Guidelines.

2.3. The Contractor shall assist individuals with completing a Medicaid application when income calculations indicate possible Medicaid eligibility.

2.4. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.5. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.5.1. Update the sliding fee scale on an annual basis every when new Federal Poverty Guidelines are released.

2.5.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. These services can be

designed to meet the unique and identified needs of the homeless populations within the contracted service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services.

3.1.2. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.1.3. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.1.4. Assessment of need for:

3.1.4.1. Tobacco cessation, including referral to NH Quitworks, as appropriate.

3.1.4.2. Social services.

3.1.4.3. Nutrition services, including WIC, as appropriate.

3.1.4.4. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which shall include, but not be limited to:

3.2.1. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.2.2. Care facilitated by registries, information technology, health information exchange and other means to assure that patients get the necessary care when and where they need and want it in a culturally and linguistically appropriate manner.

3.2.3. An integrated model of primary care that may include, but is not limited to:

3.2.3.1. Behavioral health

3.2.3.2. Oral health.

3.2.3.3. Use of navigators and case management.

3.2.3.4. Co-location of services and system-level integration of care and fiscal accountability.

3.3. The Contractor may provide enabling services, if the budget allows, which are non-clinical services that support the delivery of basic primary care services and facilitate access to comprehensive patient care as well as social services. The Contractor can facilitate enabling services that include, but are not limited to:

3.3.1. Case management.

3.3.2. Benefit counseling.

3.3.3. Eligibility assistance.

3.3.4. Health education and supportive counseling.

3.3.5. Interpretation.

3.3.6. Outreach.

3.3.7. Transportation.

3.3.8. Education of patients and the community regarding the availability and appropriate use of health services.

3.4. The Contractor must elect to do at least one (1) quality improvement project which consists of systematic and continuous actions that lead to measurable improvements in health care services and the health status of targeted patient groups. The Contractor shall facilitate a minimum of one (1) quality improvement project that includes, but is not limited to:

3.4.1. Enhancing clinical workflow/improve patient outcomes by methods that may include, but are not limited to:

3.4.1.1. Alerts.

3.4.1.2. Guidelines.

3.4.1.3. Diagnostic support.

3.4.1.4. Patient registries.

3.4.1.5. Collaborative learning sessions, etc.)

3.4.2. Implementing projects that lead to measurable improvements on any of the performance measures and indicators identified in Exhibit A-1 Amendment #2

3.4.3. Utilizing defined improvement processes to coordinate quality improvement activities.

3.4.4. Identifying and defining specific goals and objectives to be achieved in the project period.

4. Screening, Brief Intervention, and Referral to Treatment (SBIRT) Services

4.1. The Contractor shall develop the infrastructure necessary to provide and record Screening, Brief Intervention, and Referral to Treatment (SBIRT) services related to substance use for all eligible individuals ages nineteen (19) to sixty-five (65) years and for all pregnant women, regardless of age, receiving services in Section 3 and/or Section 4. The Contractor shall:

4.1.1. Provide training to integrated primary care and behavioral health teams to ensure SBIRT activities are conducted with fidelity to the model in Section 5.1.

4.1.2. Modify and/or adapt current Electronic Health Records (EHR) systems in order to track SBIRT:

4.1.2.1. Activities

4.1.2.2. Completions.

4.1.2.3. Recommendations and referrals.

Contractor Initials: J.G.
Date 6/18/15

4.1.2.4. Follow-ups.

4.1.3. Utilize Substance Use Disorder (SUD) codes in the EHR for billing that shall:

4.1.3.1. Enable submission for payment through NH Managed Care/Medicaid and other insurance companies.

4.1.3.2. Allow the generation of reports.

4.2. The Contractor shall implement SBIRT services by ensuring sufficient qualified staff are available to conduct SBIRT services according to the SBIRT model described by the Centers for Disease Control (CDC), available on-line at http/www.dcd.gov/ncddd/fasd/documents/aloholsbiimplementationguide.pdf. The Contractor shall:

4.2.1. Implement SBIRT services by including SBIRT activities in daily operations.

4.2.2. Use one or more of the screening instruments listed in Appendix E of "Systems-Level Implementation of Screening, Brief Intervention and Referral to Treatment. TAP 33" (2013 edition) (http://www.integration.samhsa.gov/sbirt/TAP33.pdf) and document screening in the electronic health record (EHR).

4.2.3. Conduct brief interventions with patients who screen positive for potential substance use concerns and document activities in the EHR.

4.2.4. Refer patients to Substance Use Disorder (SUD) treatment services as necessary, and ensure each patient has connected with the specific service provider by documenting in the EHR, which is audited to ensure appropriate follow up.

4.2.5. Conduct SBIRT with covered populations that include all adults on an annual basis and pregnant women on a trimester basis.

4.3. Coordinate care between community health center (CHC) services and external treatment providers by collaborating with entities that provide SUD treatment services not available at the CHC. The Contractor shall:

4.3.1. Obtain client consents to contact service providers in order to resolve any barriers to accessing services.

4.3.2. Refer patients for SUD services, as needed.

4.3.3. Follow up with patient and/or SUD service provider to ensure appropriate services are provided.

4.3.4. Work with Regional Public Health Networks (RPHNs) to identify new SUD referral resources as they become available.

4.4. The Contractor shall test SBIRT fidelity with a subset of the target population prior to full implementation for all adults ages nineteen (19) to sixty-five (65) annually and pregnant women at each trimester.

5. Staffing

5.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH licenses whether directly employed, contracted or subcontracted.

5.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

5.3. The Contractor shall ensure staff delivering SBIRT services have, at minimum, one of the following:

5.3.1. Masters prepared behavioral health practitioners. This includes individuals licensed under the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board.

5.3.2. Masters prepared and in the process of obtaining a license from the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board, while under the supervision of a licensed practitioner of the same profession.

5.3.3. Physicians or Advanced Practice Registered Nurses licensed to practice in NH.

5.3.4. Physician Assistants or other practitioners under the supervision of a Physician licensed to practice in NH.

5.4. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services in writing and include a copy of the individual's resume, within one month of hired.

5.5. The Contractor shall notify the MCHS, in writing, when:

5.5.1. Any critical position is vacant for more than one month.

5.5.2. There is not adequate staffing to perform all required services for more than one month.

6. Coordination of Services

6.1. The Contractor shall coordinate with other service providers within the community, where possible, including but not limited to collaboration with interagency referrals and to deliver coordination of care.

6.2. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

6.2.1. Community needs assessments.

6.2.2. Public health performance assessments.

6.2.3. The development of regional health improvement plans.

6.3. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

7. Required Meetings & Trainings

7.1. The Contractor shall attend meetings and trainings facilitated by the MCHS and BCCP programs that include, but are not limited to:

7.1.1. MCHS Agency Directors' meetings.

7.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year.

7.1.3. MCHS Agency Medical Services Directors' meetings.

8. Workplans, Outcome Reports & Additional Reporting Requirements

8.1. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a corrective action plan per directions from MCHS.

8.2. The Contractor shall submit an annual Workplan and Workplan Outcome Report for the quality improvement project(s) that demonstrates improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

8.3. If utilizing any portion of this contract for enabling services, the Contractor shall submit an annual Workplan and Workplan Outcome Report that includes at least one (1) performance measure for each type of enabling service provided. This shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

8.4. The Contractor shall complete the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st.

8.5. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

8.6. The Contractor shall submit quarterly Outcome Reports for SBIRT services according to the schedule and instructions provided by the MCHS. The Contractor shall:

8.6.1. Collect information that includes, but is not limited to:

8.6.1.1. Description of staff training, including but not limited to:

8.6.1.1.1. Content of training.

Contractor Initials: J.G.
Date 6/8/15

8.6.1.1.2. Number of staff trained.

8.6.1.2. The number of:

8.6.1.2.1. Qualified staff conducting SBIRT

8.6.1.2.2. SBIRT billing codes developed.

8.6.1.2.3. SBIRT services billed to insurance.

8.6.1.3. Updates on any changes, enhancements or adaptations to SBIRT procedures in:

8.6.1.3.1. Technology based systems.

8.6.1.3.2. Staffing.

8.6.1.3.3. Coding and billing.

8.6.1.4. The total number of clients receiving SBIRT delineated by:

8.6.1.4.1. Percentage of clients receiving only screening.

8.6.1.4.2. Percentage of clients receiving brief interventions.

8.6.1.4.3. Percentage of clients referred for more intensive services who initiated services.

8.6.1.4.4. Percentage of clients referred for more intensive services who had problems connecting to services.

8.7. The Contractor shall submit an annual report on April 30th in each year a contract amendment or renewal is not required that includes, but is not limited to:

8.7.1. DPHS Budget Form.

8.7.2. Budget Justification.

8.7.3. Sources of Revenue.

8.7.4. Program Staff List, which includes staff titles

8.8. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

8.9. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

8.9.1. Survey template.

8.9.2. Method by which the results were obtained.

9. On-Site Reviews

9.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

9.1.1. Systems of governance.

Contractor Initials: J. G.
Date 6/18/15

9.1.2. Administration.

9.1.3. Data collection and submission.

9.1.4. Clinical and financial management.

9.1.5. Delivery of education services.

9.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

9.2.1. Client records.

9.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

9.2.3. SBIRT documentation, which includes but is not limited to:

9.2.3.1. SBIRT policies and procedures.

9.2.3.2. Staff credentials for all staff delivering SBIRT services

9.2.3.3. SBIRT procedures utilized and documented in patient records.

9.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Contractor Initials: J.G.
Date 6/8/15

Exhibit A-1 – Amendment #2

1. PRIMARY CARE PERFORMANCE MEASURES

1.1. Breastfeeding

1.1.1. **Percent of infants who are ever breastfed** (Title V PM #10).

1.1.1.1. Numerator: Infants who were ever breastfed or received breast milk

1.1.1.2. Denominator: All infants born in a state fiscal year

1.2. Preventive Health: Lead Screening

1.2.1. **Percent of children 2 years of age who had one or more capillary or venous lead blood test for lead poisoning by their second birthday.** (CMS, Hedis).

1.2.1.1. Numerator: At least one capillary or venous blood test on or before the child's second birthday.

1.2.1.2. Denominator: Children who turn 2 years old during the state fiscal year.

1.3. Preventive Health: Adolescent Well-Care Visit

1.3.1. **Percent of adolescents, 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year** (Hedis, Title V PM #7).

1.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

1.3.1.2. Denominator: Number of adolescents, ages 12 through 21 years of age.

1.4. Preventive Health: Depression Screening

1.4.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (ACO 18, NQF 0418).

1.4.1.1. Numerator: Patients who are screened for clinical depression using an age-appropriate standardized depression screening tool AND if positive, a follow-up plan documented.

1.4.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.1.3. Denominator: All patients 12 years and older.

1.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

Contractor Initials: J.G.
Date: 6/8/15

1.4.2. **Maternal Depression Screening** (Developmental: not required for FY 16)

1.4.2.1. **Percentage of women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen.**

1.4.2.1.1. Numerator: Women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool and screen negative.

AND

Women who are screened for depression during the post-partum visit using an appropriate standardized depression screening tool, screen positive, AND have a follow-up plan documented.

1.4.2.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.2.1.3. Denominator: All women who are at least 6 weeks post-partum in a state fiscal year.

1.4.2.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

1.5. **Preventive Health: Obesity Screening**

1.5.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (ACO 16, NQF 0421, HRSA UDS).

1.5.1.1. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

1.5.1.2. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters.

1.5.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist,

Contractor Initials: J.G.
Date: 6/8/15

occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

1.5.1.4. Denominator: All patients aged 18 years and older who had at least one medical visit during the state fiscal year.

1.5.2. Percent of patients aged 2 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (HRSA UDS).

1.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

1.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

1.6. **Preventive Health: Tobacco Screening**

1.6.1. Percent of patients aged 18 years and older who were screened for tobacco use one or more times within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user (ACO 17, NQF 0028, HRSA UDS).

1.6.1.1. Numerator: Patients who were screened for tobacco use at least once within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.1.2. Definitions:

1.6.1.2.1. Tobacco Use: Includes any type of tobacco

1.6.1.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.1.3. Denominator: All patients aged 18 years and older seen for at least two visits ever

1.6.2. **Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user** (Title V, PM #15).

1.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.2.2. Definitions:

1.6.2.2.1. Tobacco Use: Includes any type of tobacco

1.6.2.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.2.3. Denominator: All women who delivered a live birth in a state fiscal year

1.7. **At Risk Population: Hypertension**

1.7.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90 mm Hg) during the measurement year** (ACO 28, NQF 0018).

1.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm Hg at the time of their last measurement.

1.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)

1.8. **Patient Safety: Falls Screening**

1.8.1. **Percent of patients aged 65 years and older who were screened for future fall risk at least once within 12 months** (ACO 13, NQF0101).

1.8.1.1. Numerator: Patients who were screened for future fall risk at least once within 12 months.

1.8.1.2. Definition of Fall: a sudden, unintentional change in position causing an individual to land at a lower level, on an object, the floor, or the ground, other than as a consequence of a sudden onset of paralysis, epileptic seizure, or overwhelming external force.

1.8.1.3. Numerator note: Patients are considered at risk for future falls if they have had 2 or more falls in the past year or any fall with injury in the past year.

1.8.1.4. Denominator: All patients aged 65 years and older

1.8.1.5. Excluded from denominator population: (Exclusion only applied if patient was not screened for future fall risk) Documentation of medical reason(s) for not screening for future fall risk (e.g. patient is not ambulatory)

Contractor Initials: J.G.

Date: 6/8/15

2. SBIRT PERFORMANCE MEASURES

2.1. **Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services**

2.1.1. **Numerator:** Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention or referral to services.

2.1.2. Definitions

2.1.2.1. Substance Use: Includes any type of alcohol or drug.

2.1.2.2. Brief Intervention: Includes guidance or counseling.

2.1.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

2.1.3. Denominator: Number of patients aged 18 years and older seen for annual visit within 12 months.

2.2. **Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program AND if positive, received a brief intervention or referral to services**

2.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

2.2.2. Definitions:

2.2.2.1. Substance Use: Includes any type of alcohol or drug.

2.2.2.2. Brief Intervention: Includes guidance or counseling.

2.2.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

2.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the state fiscal year.

Contractor Initials: J.G.
Date: 6/18/15

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov):
   2.1. #93.959, Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA) Block Grants for Prevention and Treatment of Substance Abuse.
   2.2. #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #2, Scope of Services, in accordance with Exhibit B-1 Amendment #2 through Exhibit B-4 Amendment #2.
4. The Contractor shall use and apply the amount in the SBIRT line item in Exhibit B-2 and Exhibit B-4 on actual SBIRT services provided.
5. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
6. Payment for said services shall be made as follows:
   6.1. The Contractor will submit an invoice by the tenth (10^{th}) working day of each month, which identifies and requests reimbursement for:
      6.1.1. Authorized expenses incurred in the prior month.
      6.1.2. The units of SBIRT services provided, in accordance with Exhibit A – Amendment #2, Section 4.2.2 through Section 4.2.5 and Section 4.3.1 through Section 4.3.3, which shall be paid on a fee-for-service basis at the following rates:
         6.1.2.1. $29.86 for each unit of service that is 15-30 minutes.
         6.1.2.2. $57.31 for each unit of service that is more than 30 minutes.
   6.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   6.3. The invoice must be submitted by mail or e-mail to:

      Financial Manager
      Department of Health and Human Services
      129 Pleasant Street
      Concord, NH 03301

      E-mail: dphscontractbilling@dhhs.state.nh.us
7. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.

Contractor Initials: J.G.
Date: 6/8/15

8. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
9. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
10. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #2 through Exhibit B-4 Amendment #2 and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to amend agreements with 3 vendors by increasing the total price limitation by $319,787 from $356,000 to $675,787 to provide primary care services for individuals experiencing homelessness. This amount includes a request to **retroactively** enter into **sole-source** amendments in an amount of $53,170, effective **retroactive** to July, 1, 2013 through June 30, 2014 and to exercise a one-year renewal option with the same 3 vendors in an amount of $266,617, extending the completion date from June 30, 2014 to June 30, 2015, effective upon Governor and Council approval. Two of these agreements were originally approved by Governor and Council on June 6, 2012, Item numbers 68 and 69, and one agreement was originally approved by Governor and Council on June 20, 2012, Item number 124.

Summary of contracted amounts by vendor:

Vendor	Location	SFY 2014 Amount	SFY 2015 Amount	Total Increase
Families First of Greater Seacoast	Rockingham County	17,194	86,219	103,413
Harbor Homes	Southern Hillsborough	17,706	88,787	106,493
Manchester Health Dept.	Greater Manchester	18,270	91,611	109,881
TOTAL		**53,170**	**266,617**	**319,787**

Funds to support this request are available in the following accounts for SFY 2014 and SFY 2015, with authority to adjust amounts within the price limitation and amend the related terms of the contract without further approval from Governor and Executive Council.

05-95-90-902010-5190 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF POPULATION HEALTH AND COMMUNITY SERVICES, MATERNAL AND CHILD HEALTH

See attachment for financial details

EXPLANATION

Approval is requested **retroactive** to July 1, 2013. The services provided by these contracts are consistent with prior contracts and were included in the operating budget for SFY 2014 and SFY 2015. Contracts were delayed, however, since the exact amount of funding available was only recently

determined. The SFY 2014 amendments are **sole source** because they exceed more than 10% of the original contract amount.

This requested action seeks approval of 3 amendments to continue office-based and mobile primary care services for individuals experiencing homelessness. In the interest of efficiency, the contract amendments are being bundled as they are providing the same services, and because of the size of the resulting Governor and Council submission, the copies provided are abbreviated in the interest of saving resources. The Councilors and the public can view the entire submission package on the Secretary of State's website.

Primary health care services for the homeless include preventive and episodic health care for acute and chronic health conditions for adults. Community health agencies provide primary health care, substance abuse referral, intervention and counseling and social services at locations accessible to people who are homeless. They provide emergency care with referrals to hospitals for inpatient services and/or other needed services. Community health agencies engage in outreach activities to assist difficult-to-reach homeless persons in accessing care and provide assistance in establishing eligibility for entitlement programs and housing.

Community health agencies that receive support through the Division of Public Health Services deliver primary health care services for the homeless specialize in serving people who face barriers to accessing health care, due to issues such as extreme poverty, a lack of insurance, language barriers, behavioral and mental health diagnoses, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. Racial and ethnic minorities and immigrants experience homelessness at a rate far disproportionate to that of the general population. Community health agencies demonstrate competencies in engaging these individuals by not only addressing their specific linguistic and cultural needs, but also their unique vulnerabilities and situations. The services provided help individuals overcome barriers to getting the care they need and achieving their optimal health.

Should Governor and Executive Council not authorize this Request, homeless individuals in Rockingham and Hillsborough counties may not have adequate access to primary care services. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities.

Contracts were awarded to Community Health Agencies through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from February 3, 2012 through March 8, 2012 soliciting proposals to cover all of Rockingham and Hillsborough counties. In addition, a bidder's conference, conference call, and web conference were held on February 9, 2012 to alert agencies to this bid.

Three proposals were received in response to the posting. There were no competing applications for the Rockingham and Hillsborough counties solicited in the Requests for Proposals. Three professionals, who work internal and external to the Department of Health and Human Services, scored each proposal. All reviewers have experience either in clinical settings, providing community-based family support services, and or managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health homeless services; quality assurance and performance improvement; chronic and communicable diseases; and public health

infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. Scores were averaged and all proposals were recommended for funding. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, these competitively procured Agreements have the option to renew for two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council. The Department is exercising one year of this renewal option.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. All Primary Health Care for the Homeless vendors are making adequate progress in meeting clinical performance measures and the Department wishes to continue working with the vendors for another year.

The performance measures as described in the contract amendment Exhibit A – Amendment 1 – Performance Measures, will be used to continue to measure the effectiveness of the agreement.

Area to be served is Hillsborough and Rockingham counties.

Source of Funds: 5.59% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau and 94.41% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

José Thier Montero, MD, MHCDS
Director

State of New Hampshire
Department of Health and Human Services
Amendment #1 to the
Manchester Health Department

This 1st Amendment to the Manchester Health Department contract (hereinafter referred to as "Amendment One") dated this 3rd day of April, 2014, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Manchester Health Department (hereinafter referred to as "the Contractor"), a corporation with a place of business at 1528 Elm Street, Manchester, New Hampshire 03101.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18, the State may modify the scope of work and the payment schedule of the contract by written agreement of the parties;

WHEREAS, the Department desires to provide additional primary health care services for the homeless, preventive and episodic health care for acute and chronic health conditions for people of all ages.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

- Form P-37, to change:
  Block 1.7 to read: June 30, 2015
  Block 1.8 to read: $232,205

- Exhibit A, Scope of Services to add:
  Exhibit A – Amendment 1

- Exhibit B, Purchase of Services, Contract Price, to add:

  Paragraph 1.1 to Paragraph 1:
  The contract price shall increase by $18,270 for SFY 2014 and $91,611 for SFY 2015.

  Paragraph 1.2 to Paragraph 1:
  Funding is available as follows:
- $18,270 from 05-95-90-902010-5190-102-500731, 100% General Funds;
- $91,611 from 05-95-90-902010-5190-102-500731, 6.7% Federal Funds from the US Department of Health and Human Services Administration, Maternal and Child Health Bureau, CFDA #93.994 and 93.3% General Funds;

Contractor Initials: J.G.
Date: 4/3/14

Add Paragraph 8
8. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjustments to amounts between and among account numbers, within the price limitation, may be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

- Budget, to add:
  Exhibit B-1 (2014) - Amendment 1,
  Exhibit B-1 (2015) - Amendment 1

This amendment shall be in effect July 1, 2013, effective upon the date of Governor and Executive Council approval.

Contractor Initials: J. G.
Date: 4/3/14

Scope of Services

The Department desires to provide additional primary health care services for the homeless, preventive and episodic health care for acute and chronic health conditions for people of all ages.

The Contractor shall:

I. **General Provisions**

A) Eligibility and Income Determination

1. Primary care services will be provided to homeless, low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire. Using flexible hours and minimal use of appointment systems, services may be provided in:
   - Permanent office based locations
   - Mobile or temporary delivery locations
2. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new or existing patients for more than a one month period.
3. The Contractor shall document, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete the most recent version of the 800P form with the client.
4. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, approved in advance by the Division of Public Health Services (DPHS), for low-income patients. Signage must state that no client will be denied services for inability to pay.
   a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, submitted to and approved by DPHS.
5. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid for all reimbursable services rendered.

B) **Numbers Served**

1. The contract funds shall be expended to provide the above services to a minimum of 4,000 users with 3,000 medical encounters, as defined in the Data and Reporting Requirements for State Fiscal Year FY15. Clinical service reimbursements shall not exceed the Medicare rate.

C) **Culturally and Linguistically Appropriate Standards of Care**

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services.

Cultural appropriateness in dealing with homeless populations not only addresses the specific linguistic and cultural needs of minorities, but also includes sensitivity to their unique vulnerabilities. Cultural sensitivity recognizes the distrust of providers and institutions often felt by people in these situations. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. When feasible and appropriate, provide clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provide to them without language assistance.

4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.

5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation 45 CFR 80.3(b) (2). The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) State and Federal Laws

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated thereunder.

E) Relevant Policies and Guidelines

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

2. Primary Care for the Homeless funds shall be targeted to homeless populations in need. Homeless populations are defined as follows:

   - Individuals who lack housing including an individual whose primary residence during the night is a supervised public or private facility (e.g., shelters) that provides temporary living accommodations

   - Individuals who are residents in transitional housing.

   - Individuals who are unable to maintain their housing situation and are forced to stay with a series of friends and/or extended family members may be considered homeless.

   - Individuals who are to be released from a prison or a hospital may also be considered homeless if they do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

   - Individuals may continue receiving primary care services for one year following placement in permanent housing.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP) or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.

4. The Contractor shall carry out the work as described in the performance work plan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) Publications Funded Under Contract

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, electronic) produced, reproduced or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14.1).

G) Subcontractors

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing and approve the subcontractual agreement, prior to initiation of the subcontract.

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. Minimal Standards of Core Services

A) Service Requirements

1. Medical Home

The Contractor shall provide a Medical Home that:

a) Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.

b) Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.

2. Primary Care Services

The Contractor shall provide primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, ARNP, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, oral health, and behavioral health specialty providers.

b) Referral to WIC Nutrition Program for all eligible pregnant women, infants, and children.

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.

d) Access to a healthcare provider, directly or by referral or subcontract, by telephone twenty-four hours per day, seven days per week.

e) Assessment of psychosocial risk for all clients at least annually and for children at scheduled preventive care visits, including, at a minimum, age appropriate guidance for injury prevention, domestic violence, adequacy of food and housing, care and welfare of children, transportation needs, and provision of necessary social services to address the priority needs and safety issues of clients and families.

f Falls prevention screening for patients 65 years and older using the algorithm and guidelines of the American Geriatric Society.

g) Behavioral health care directly or by referral to an agency or provider with a sliding fee scale.

h) Nutrition assessment for all clients as part of the health maintenance visit. Therapeutic nutrition services shall be provided as indicated directly or by referral to an agency or provider with a sliding fee scale. These services shall be recorded in the medical record.

i) Formal arrangements with a local hospital for emergency care must be in place and reviewed annually.

j) Assisted living and skilled nursing facility care by referral.

k) Oral screening, as part of the annual health maintenance visit, for all clients 21 years and older to note obvious dental decay and soft tissue abnormalities with a reminder to the patient that poor oral health impacts total health.

l) Diagnosis and management of pediatric and adult patients with asthma provided according to National Heart Lung Blood Institute, National Asthma Education and Prevention Program, Expert Panel Report 3: Guidelines for the Diagnosis and Management of Asthma, 2007.

3. Reproductive Health Services

The Contractor shall provide or arrange referral for prenatal, internatal and preconception medical care, social services, nutrition services, education and nursing care to all women of childbearing age. Preconceptional care includes the preconception, internatal and postpartum periods in women's health. It is recommended that preconceptional and internatal care visits focus on maintaining or achieving the optimal health of the mother, lowering the risk of future adverse pregnancy outcomes, the family's future plans, and how additional children fit into that plan. Preconceptional counseling may be done during an office, group or home visit.

a) In the event prenatal care is not provided directly by the Contractor, a formal Memorandum of Agreement for coordinated referral to an appropriately qualified provider must be maintained.

b) If provided directly, prenatal care shall, at minimum, be in accordance with the Guidelines for Perinatal Care, sixth or most current edition, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists (ACOG), and /or the Centers for Disease Control.

c) Genetic Screening:

i. A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

ii. All pregnant women entering care prior to 20 weeks gestation shall be offered voluntary genetic screening for fetal chromosomal abnormalities following the recommendations found in the ACOG Compendium of Selected Publications (2006) or more recent supplements. The Contractor shall be responsible for referral to appropriate genetic testing and counseling services for any woman found to have a positive screening test.

d) Age appropriate reproductive health care shall, at a minimum, be provided in accordance with the American College of Obstetricians and Gynecologists, Guidelines for Adolescent Preventive Services (GAPS) or the USDHHS Centers for Disease Control (CDC) current guidelines.

e) Family planning counseling for prevention of subsequent pregnancy following an infant's birth shall be discussed with the infant's mother at the first postpartum visit and at the infant's 2-month visit and other visits as appropriate. Rationale for birth intervals of 18-24 months shall be presented.

f) A referral to a Title X Family Planning Clinic or other reproductive health care provider shall be made as appropriate.

4. Services for Children and Adolescents

The Contractor shall provide as a minimum, comprehensive and age-appropriate health care, screenings, and health education according to the American Academy of Pediatrics' most recent periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", *Third* Edition or most recent. Children and adolescent visits shall include:

a) The World Health Organization (WHO) growth charts shall be used to monitor growth for infants and children birth up to age 2 years. The Centers for Disease Control and Prevention (CDC) growth charts shall be used for children age 2 years and older.

b) Blood lead testing shall be performed in accordance with "New Hampshire Childhood Lead Poisoning Screening and Management Guidelines", issued by the New Hampshire Department of Health and Human Services, 2009 or subsequent revisions.

c) All children enrolled in either Medicaid, Head Start, or the Women, Infant, and Children (WIC) Program and/or who are ≤185% poverty, regardless of town of residence, are required to have a blood lead test at ages one and two years. All children ages three to six years who have not been previously tested shall have a blood lead test performed.

d) All children shall be screened for iron deficiency anemia as outlined in the Centers for Disease Control and Prevention document "Recommendations to Prevent and Control Iron Deficiency in the United States (4/2/98)".

e) Age-appropriate anticipatory guidance, dietary guidance, and feeding practice counseling for optimal oral health shall be provided at each well child visit according to the American Academy of Pediatrics' periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent edition. Starting at age 6 months, it is recommended that all children receive an oral health assessment at every well child visit and a referral for the child's first visit to the dentist by age one as recommended by the American Academy of Pediatrics and the American Academy of Pediatric Dentistry.

f) Supplemental fluoride shall be prescribed as needed based upon the fluoride levels in the child's drinking water supply. The fluoride dosage regimen accepted by the American Academy of Pediatrics shall be followed. No fluoride shall be prescribed without obtaining water from private wells or noting the presence or absence of fluoride in the public water supply. Supplemental fluoride may include bottled water containing fluoride and topical applications such as varnishes.

g) For infants enrolled in WIC Nutrition Program, parents shall be referred to WIC for breastfeeding support and referral to the WIC Nutrition Program peer counselors.

5. Sexually Transmitted Infections

Primary Care Services shall provide age appropriate screening and treatment for sexually transmitted infections.

a) Treatment for sexually transmitted infections shall be provided according to the United States Centers for Disease Control Sexually Transmitted Diseases Treatment Guidelines, 2010 or subsequent revisions.

b) All clients, including women, shall be offered HIV testing following the most current recommendations of the United States Centers for Disease Control.

c) The contractor shall be responsible for ensuring referral to appropriate treatment services for any woman found to screen positive.

d) Appropriate risk reduction counseling shall be provided based on client needs.

6. Substance Use Services

a) A substance use screening history using a formal, validated screening tool shall be obtained for all clients as soon after entry into care as possible. Substance use counseling or other substance abuse intervention, treatment, or recovery services by an appropriately credentialed provider shall be provided on-site, or by referral, to clients with identified needs for these services. For these identified clients, ongoing primary care services should include follow up monitoring relative to substance abuse.

b) All clients, including pregnant women, identified as smokers shall receive counseling using the 5 A's (ask, advise, assess, assist, and arrange) treatment available through the NH Tobacco Helpline as cited in the U.S. Public Health Service report, "Tobacco Use and Dependence", 2008 or "Smoking Cessation During Pregnancy: A Clinician's Guide to Helping Pregnant Women Quit Smoking", American College of Obstetricians and Gynecologists, 2011. With prior approval, agencies may also opt to participate in the DPHS best practice initiative of the 2A's and R (ask, advise and refer).

7. Immunizations

a) The Contractor shall adhere to the most current version of the "Recommended Immunization Schedule for Adults (19 years and older) by Age and Medical Condition - United States", approved by the Advisory Committee on Immunization Practices, the American College of Obstetricians and Gynecologists, and the American Academy of Family Physicians.

b) The Contractor shall administer vaccines according to the most current version of the "Recommended Immunization Schedule for Persons Aged 0 Through 6 Years - United States", and "Recommended Immunization Schedule for Persons Aged 7 Through 18 Years – United States" approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians, based upon availability of vaccine from the New Hampshire Immunization Program.

8. Prenatal Genetic Screening

a) A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

b) All pregnant women should be offered voluntary genetic screening for fetal chromosomal abnormalities at the appropriate time following recommendations found in the American College of Obstetricians and Gynecologists' "Screening for Fetal Chromosomal Abnormalities (2007)" or more recent guidelines. The Contractor shall be responsible for ensuring referral to appropriate genetic testing and counseling for any woman found to have a positive screening test.

9. Additional Requirements

a) The Contractor's Medical Director shall participate in the development and approval of specific guidelines for medical care that supplement minimal clinical standards. Supplemental guidelines should be reviewed, signed and dated annually, and updated as indicated.

b) Contractors considering clinical or sociological research using clients as subjects must adhere to the legal requirements governing human subjects research. Contractors must inform the DPHS, MCHS prior to initiating any research related to this contract.

c) The Contractor shall provide information to all employees annually about the Medical Reserve Corps Unit within their Public Health Region to enhance recruitment.

d) The Contractor shall provide information to all employees annually regarding the Emergency System for the Advance Registration of Volunteer Health Professionals (ESAR-VHP) managed by the NH Department of Health and Human Services' Emergency Services Unit, to enhance recruitment.

B) Staffing Provisions

The Contractor shall have, at minimum, the following positions:

a) executive director

b) financial director

c) registered nurse

d) clinical coordinator

e) medical service director (or by contract)

f) nutritionist (on site or by referral)

g) social worker

Agencies are required to provide direct services by the following professionals:

a) physician, advanced registered nurse practitioner, or physician's assistant

b) registered nurse

c) clinical coordinator

d) social worker

1. Qualifications

All health and allied health professionals shall have the appropriate New Hampshire licenses whether directly employed, contracted, or subcontracted.

In addition the following minimum qualifications shall be met for:

a) Registered Nurse

a. A registered nurse licensed in the state of New Hampshire, Bachelor's degree preferred. Minimum of one year experience in a community health setting.

b) Nutritionists:

a. A Bachelor's degree in nutritional sciences or dietetics, or a Master's degree in nutritional sciences, nutrition education, or public health nutrition or current Registered Dietitian status in accordance with the Commission on dietetic Registration of the American Dietetic Association.

b. Individuals who perform functions similar to a nutritionist but do not meet the above qualifications shall not use the title of nutritionist.

c) Social Workers shall have:

a. A Bachelor's or Master's degree in social work or Bachelor's or Master's degree in a related social science or human behavior field. A minimum of one year of experience in a community health or social services setting is preferred.

b. Individuals who perform functions similar to a social worker but do not meet the above qualifications shall not use the title of social worker.

d) Clinical Coordinators shall be:

a. A registered nurse (RN), physician, physician assistant or nurse practitioner with a license to practice in New Hampshire.

b. The coordinator is a clinical position that oversees and takes responsibility for the clinical and administrative functions of each program.

c. Coordinator may be responsible for more than one MCH funded program.

2. New Hires

The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing within one month of hire when a new administrator, clinical coordinator or any staff person essential to carrying out contracted services is hired to work in the program. A resume of the employee shall accompany the aforesaid notification.

3. Vacancies

a) The Contractor must notify the MCHS in writing if any critical position is vacant for more than one month, or if at any time funded under this contract does not have adequate staffing to perform all required services for more than one month. This may be done through a budget revision.

b) Before an agency hires new program personnel that do not meet the required staff qualifications, the agency shall notify the MCHS in writing requesting a waiver of the applicable staffing requirements. The Section may grant waivers based on the need of the program, individuals' experience, and additional training.

C) Coordination of Services

1. The Contractor shall coordinate, where possible, with other service providers within the contractor's community. At a minimum, such collaboration shall include interagency referrals and coordination of care.

2. The Contractor shall engage in outreach activities to identify homeless individuals and educate them about the availability of primary care services. This should be done in coordination with other service providers, when appropriate.

3. The Contractor shall participate in activities in the Public Health Region in which they provide services as appropriate. These activities enhance the integration of community-based public health prevention and health care initiatives that are being implemented by the contractor and may include community needs assessments, public health performance assessments, and/or the development of regional health improvement plans.

4. The Contractor agrees to participate in and coordinate with public health activities as requested by the Division of Public Health during any disease outbreak and/or emergency, natural or man-made, affecting the public's health.

5. The Contractor is responsible for case management of the client enrolled in the program and for program follow-up activities. Case management services shall promote effective and efficient organization and utilization of resources to assure access to necessary comprehensive medical, nutritional, and social services for clients.

6. The Contractor shall assure that appropriate, responsive, and timely referrals and linkages for other needed services are made, carried through, and documented. Such services shall include, but not be limited to: dental services, genetic counseling, high risk prenatal services, mental health, social services, including domestic violence crisis centers, substance abuse services; and family planning services, Early Supports and Services Program, local WIC/CSF Program, Home Visiting New Hampshire Programs and health and social service agencies which serve children and families in need of those services.

D) Meetings and Trainings

The contractor will be responsible for sending staff to meetings and training required by the MCHS program, including but not limited to:

1. MCHS Agency Directors' meetings

2. MCHS Agency Medical Directors meetings

III. <u>Quality or Performance Improvement (QI/PI)</u>

A) Workplans

1. Performance Workplans are required for this program and are used to monitor achievement of standard measures of performance of the services provided under this contract. The workplans are a key component of the RHPCS and the MCHS performance-based contracting system and of this contract. Outcomes shall be reported by clinical site.

2. Submit Performance Workplans and Workplan Outcome reports according to the schedule and instructions provided by the MCHS. The MCHS shall notify the Contractor at least 30 days in advance of any changes in the submission schedule.

3. The Contractor shall incorporate required and developmental performance measures, defined by the MCHS into the agency's Performance Workplan. Reports on Workplan Progress/Outcomes shall detail the Performance Workplan and activities that monitor and evaluate the agency's progress toward performance measure targets.

4. The Contractor shall comply with modifications and/or additions to the workplan and annual report format as requested by RHPCS and MCHS. MCHS will provide the contractor with reasonable notice of such changes.

5. Agencies contracting for Primary Care Services must submit the workplans for Primary Care Clinical and Financial, Child Health, and Prenatal Care.

B) Additional Reporting Requirements

In addition to Performance Workplans, the Contractor shall submit to MCHS and the following data and information listed below which are used to monitor program performance:

1. In years when contracts or amendments are not required, the DPHS Budget Form, Budget Justification, Sources of Revenue and Program Staff list forms must be completed according to the relevant instructions and submitted as requested by DPHS and, at minimum, by April 30 of each year.

2. The Sources of Revenue report must be resubmitted at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

3. Completed Uniform Data Set (UDS) tables reflecting program performance in the previous calendar year, by March 31 of each year.

4. If prenatal care is provided, Perinatal Client Data Form (PCDF) shall be submitted electronically according to the instructions set forth by the MCHS.

5. A copy of the agency's updated Sliding Fee Scale including the amount(s) of any client fees and the schedule of discounts must be submitted by March 31st of each year. The agency's sliding fee scale must be updated annually based on the US DHHS Poverty guidelines as published in the Federal Register.
6. An annual summary of program-specific patient satisfaction results obtained during the prior contract period and the method by which the results were obtained shall be submitted annually as an addendum to the Workplan Outcome/Progress reports.

C) On-site reviews

1. The contractor shall allow a team or person authorized by the Division of Public Health Services to periodically review the contractor's systems of governance, administration, data collection and submission, clinical and financial management, and delivery of education services in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include client record reviews to measure compliance with this exhibit.
3. The contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. On-Site reviews may be waived or abbreviated at the discretion of MCHS, upon submission of satisfactory reports of reviews such as Health Services Resources Administration (HRSA): Office of Performance Review (OPR), or reviews from nationally accreditation organizations such as the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), Medicare, the Community Health Accreditation Program (CHAP), or Accreditation Association for Ambulatory Healthcare (AAAHC). Abbreviated reviews will focus on any deficiencies found in previous reviews, issues of compliance with this exhibit, and actions to strengthen performance as outlined in the agency Performance Workplan.

PRIMARY CARE FOR THE HOMELESS PERFORMANCE MEASURE DEFINITIONS Fiscal Year 2015

Primary Care for the Homeless Performance Indicator #1

Measure: Patient Payor Mix

Goal: To allow monitoring of payment method trends at State funded primary care sites for the homeless.

Definition: Patients enrolled in Medicare, Medicaid, Commercial insurance, or uninsured that have had at least one visit/encounter during the last reporting period.

Data Source: Provided by agency

Note: An encounter is face-to-face contact between a user and a provider who exercises independent judgment in the provision of services to the individual (UDS Table Definition).

PRIMARY CARE FOR THE HOMELESS PERFORMANCE MEASURE DEFINITIONS Fiscal Year 2015

Primary Care for the Homeless Performance Measure #1

Measure: Percent of clients who received at least one formal, validated depression screening annually while enrolled in the program.

Goal: All clients enrolled in the Homeless program will receive formal, validated screening for depression and supports in accessing follow up evaluation and care if necessary.

Definition: **Numerator-**
The number of clients in the denominator who received a formal, validated depression screening at least quarterly while enrolled in the program.

Denominator-
Total number of client encounters.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

PRIMARY CARE FOR THE HOMELESS PERFORMANCE MEASURE DEFINITIONS Fiscal Year 2015

Primary Care for the Homeless Performance Measure #2

Measure: Percent of clients who had positive screening results and were further evaluated for depression.

Goal: All clients enrolled in the Homeless program will receive formal, validated screening for depression and supports in accessing follow up evaluation and care if necessary.

Definition: **Numerator-**
The number of clients in the denominator who received further evaluation for depression.

Denominator-
Total number of clients served in the past fiscal year that required further evaluation for depression as indicated by a formal, validated depression screening instrument.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

PRIMARY CARE FOR THE HOMELESS PERFORMANCE MEASURE DEFINITIONS Fiscal Year 2015

Primary Care for the Homeless Performance Measure #3

Measure: Percent of adult client encounters with blood pressure recorded.

Goal: All clients enrolled in the Primacy Care for the Homeless program will receive consistent, high quality care for hypertension.

Definition: **Numerator-**
The number of adult clients in the denominator who have their blood pressure documented at each encounter.

Denominator-
Total number of adult clients served in the past fiscal year.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

PRIMARY CARE FOR THE HOMELESS PERFORMANCE MEASURE DEFINITIONS Fiscal Year 2015

Primary Care for the Homeless Performance Measure #4

Measure:* 58%** of adult patients 18 – 85 years of age diagnosed with hypertension will have a blood pressure measurement less than 140/90 mm at the time of their last measurement.

Goal: To ensure patients diagnosed with hypertension are adequately controlled.

Definition: **Numerator-**
Number of patients from the denominator with blood pressure measurement less than 140/90 mm at the time of their last measurement.

Denominator-
Number of patients age 18 – 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

*Measure based on the National Quality Forum 0018

**2020 National Target 61.2%

PRIMARY CARE FOR THE HOMELESS PERFORMANCE MEASURE DEFINITIONS Fiscal Year 2015

Primary Care for the Homeless Performance Measure #5

Measure: Percent of adult clients with a documented formal, validated screening for alcohol or other substance abuse annually while enrolled in the program.

Goal: All clients enrolled in the Primacy Care for the Homeless program will receive formal, validated screening for alcohol and substance abuse in accessing follow up evaluation and care if necessary.

Definition: **Numerator-**
The number of clients in the denominator who received a formal, validated screening for alcohol or other drug substance abuse at least annually while enrolled in the program.

Denominator-
Total number of clients served in the past fiscal year.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

PRIMARY CARE FOR THE HOMELESS PERFORMANCE MEASURE DEFINITIONS Fiscal Year 2015

Primary Care for the Homeless Performance Measure #6

Measure: Percent of adult clients who had positive screening results and received treatment for alcohol or substance abuse.

Goal: All clients enrolled in the Primacy Care for the Homeless program will receive formal, validated screening for alcohol and substance abuse in accessing follow up evaluation and care if necessary.

Definition: **Numerator-**
The number of clients who received treatment, directly by the agency or through referral, for treatment of alcohol or other substance abuse.

Denominator-
Total number of clients identified with an alcohol or other substance abuse problem.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

ITEM # 124

His Excellency, Governor John H. Lynch
and the Honorable Executive Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, Bureau of Population Health and Community Services, Maternal and Child Health Section to enter into an agreement with Manchester Health Department (Vendor #177433-B009), 1528 Elm Street, Manchester, New Hampshire 03101, in an amount not to exceed $122,324.00, to provide primary care services for individuals experiencing homelessness, to be effective July 1, 2012 or date of Governor and Council approval, whichever is later, through June 30, 2014. Funds are available in the following account for SFY 2013, and are anticipated to be available in SFY 2014 upon the availability and continued appropriation of funds in the future operating budget.

05-95-90-902010-5190 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF POPULATION HEALTH AND COMMUNITY SERVICES, MATERNAL AND CHILD HEALTH

Fiscal Year	Class/Object	Class Title	Job Number	Total Amount
SFY 2013	102-500731	Contracts for Program Services	90080000	$61,162
SFY 2014	102-500731	Contracts for Program Services	90080000	$61,162
			Sub-Total	$122,324

EXPLANATION

Funds in this agreement will be used to provide outreach and case management services, primary medical and dental care, 24-hour emergency services, mental health and substance abuse counseling and treatment to people who are experiencing homelessness. This agreement provides funds for services as a last resort; contractor is required to make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid.

Community health agencies deliver primary and preventive health care services to underserved people who face barriers to accessing health care, such as a lack of insurance, inability to pay, cultural and ethnic issues, and geographic isolation. However, there are people whose needs have not been fully met in traditional office-based health care centers. In particular, the needs of homeless individuals and families are far more complex than the general population. People who are homeless suffer from health care problems at more than double the rate of individuals with stable housing. Homeless individuals also experience barriers trying to access mainstream health care often due to a lack of transportation and the limited hours of service available at most community health agencies.

In New Hampshire, 4,979 individuals were sheltered in one of the State-Funded Shelters across the state in State Fiscal Year 2011. [1] Of those who received services, 3,311 were single adults, 691 adults were in 528 families with 940 children; 634 were victims of domestic violence.[2] An additional 728 individuals were the "hidden homeless," those persons who are temporarily doubled up, "couch surfing," or living precariously in overcrowded or unsafe conditions.[3]

Homeless individuals are burdened with additional needs including mental illness, substance abuse and chronic health conditions such as HIV/AIDS. Nationally, health conditions such as hypertension, diabetes, depression and alcohol and substance abuse rank among the highest diagnoses.[4]

This funding will support a multidisciplinary approach to delivering care to individuals experiencing homelessness, combining aggressive street outreach with an integrated system of primary care, mental health and substance abuse services, case management, and client advocacy. Particular emphasis is placed on coordinating efforts with other community providers and social service agencies.

Should Governor and Executive Council not authorize this Request, a minimum of 2,000 low-income homeless individuals from the Greater Manchester area of Hillsborough County may not have access to primary care services. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities.

Manchester Health Department was selected for this project to serve the Greater Manchester area of Hillsborough County through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from February 3, 2012 through March 8, 2012 soliciting proposals to cover all of Rockingham and Hillsborough counties. In addition, a bidder's conference, conference call, and web conference were held on February 9, 2012 to alert agencies to this bid.

Three proposals were received in response to the posting. There were no competing applications for the Rockingham and Hillsborough counties solicited in the Requests for Proposals. Three professionals, who work internal and external to the Department of Health and Human Services, scored each proposal. All reviewers have experience either in clinical settings, providing community-based family support services, and or managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health homeless services; quality assurance and performance improvement; chronic and communicable diseases; and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. Scores were averaged and all proposals were recommended for funding. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two additional years, contingent upon satisfactory delivery of services, available funding,

agreement of the parties and approval of the Governor and Executive Council. These services were contracted previously with this agency in SFY 2011 and SFY 2012 in the amount of $198,184. This represents a decrease of $75,860. The decrease is due to budget reductions.

The performance measures used to measure the effectiveness of the agreement are attached.

Area served: Greater Manchester area of Hillsborough County.

Source of Funds: 19.95% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau and 80.05% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

1.18 Approval by the Governor and Executive Council By:	On:

2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.
3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, this Agreement, and all obligations of the parties hereunder, shall not become effective until the date the Governor and Executive Council approve this Agreement ("Effective Date").
3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.
5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.
5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.
5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.
5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.
6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. In addition, the Contractor shall comply with all applicable copyright laws.
6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.
6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.
7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.
7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.
7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

Contractor Initials: J.G.
Date: 5/9/12

8. EVENT OF DEFAULT/REMEDIES.
8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):
8.1.1 failure to perform the Services satisfactorily or on schedule;
8.1.2 failure to submit any report required hereunder; and/or
8.1.3 failure to perform any other covenant, term or condition of this Agreement.
8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:
8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;
8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;
8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or
8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

9. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.
9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.
9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.
9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. TERMINATION. In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS. The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the N.H. Department of Administrative Services. None of the Services shall be subcontracted by the Contractor without the prior written consent of the State.

13. INDEMNIFICATION. The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.
14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:
14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per occurrence; and
14.1.2 fire and extended coverage insurance covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.
14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.
14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than fifteen (15) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each

Contractor Initials: JG.
Date: 5/9/12

certificate(s) of insurance shall contain a clause requiring the insurer to endeavor to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than ten (10) days prior written notice of cancellation or modification of the policy.

15. WORKERS' COMPENSATION.
15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("Workers' Compensation").
15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire.

19. CONSTRUCTION OF AGREEMENT AND TERMS. This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreemcnt shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

Date: 5/9/12

NH Department of Health and Human Services

Exhibit A

Scope of Services

Primary Care Services for the Homeless

CONTRACT PERIOD: July 1, 2012 or date of G&C approval, whichever is later, through June 30, 2014

CONTRACTOR NAME: **Manchester Health Department**

ADDRESS: **1528 Elm Street**
Manchester, New Hampshire 03101
Public Health Director: **Timothy Soucy**
TELEPHONE: **603-624-6466**

The Contractor shall:

I. General Provisions

A) Eligibility and Income Determination

1. Primary care services will be provided to homeless, low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire. Using flexible hours and minimal use of appointment systems, services may be provided in:
   - Permanent office based locations
   - Mobile or temporary delivery locations

2. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new or existing patients for more than a one month period.

3. The Contractor shall document, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete the most recent version of the 800P form with the client.

4. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, *approved in advance by the Division of Public Health Services (DPHS),* for low-income patients. *Signage must state that no client will be denied services for inability to pay.*

   a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, *submitted to* and approved by DPHS.

5. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private *and commercial* insurances, Medicare, and Medicaid for all reimbursable services rendered.

Contractor Initials: J.G.
Date: 5/9/12

B) Numbers Served

1. The contract funds shall be expended to provide the above services to a minimum of 1000 users with 3000 medical encounters, as defined in the Data and Reporting Requirements for State Fiscal Year 2013. Clinical service reimbursements shall not exceed the Medicare rate.

C) Culturally and Linguistically Appropriate Standards of Care

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services.

Cultural appropriateness in dealing with homeless populations not only addresses the specific linguistic and cultural needs of minorities, but also includes sensitivity to their unique vulnerabilities. Cultural sensitivity recognizes the distrust of providers and institutions often felt by people in these situations. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. When feasible and appropriate, provide clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provide to them without language assistance.

4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.

5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation 45 CFR 80.3(b) (2). The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) State and Federal Laws

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. *The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301*, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated thereunder.

Contractor Initials: J.G.
Date: 5/9/12

E) Relevant Policies and Guidelines

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

2. Primary Care for the Homeless funds shall be targeted to homeless populations in need. Homeless populations are defined as follows:

   - Individuals who lack housing including an individual whose primary residence during the night is a supervised public or private facility (e.g., shelters) that provides temporary living accommodations

   - Individuals who are residents in transitional housing.

   - Individuals who are unable to maintain their housing situation and are forced to stay with a series of friends and/or extended family members may be considered homeless.

   - Individuals who are to be released from a prison or a hospital may also be considered homeless if they do not have a stable housing situation to which they can return, especially if they were considered to be homeless prior to incarceration or hospitalization.

   - Individuals may continue receiving primary care services for one year following placement in permanent housing.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP) or the *Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.*

4. The Contractor shall carry out the work as described in the performance work plan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) Publications Funded Under Contract

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, *electronic*) produced, reproduced or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14.1).

G) Subcontractors

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing *and approve the subcontractual agreement*, prior to initiation of the subcontract.

Contractor Initials: JG.
Date: 5/9/12

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. Minimal Standards of Core Services

A) Service Requirements

1. Medical Home

The Contractor shall provide a Medical Home that:

a) *Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.*

b) *Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.*

2. Primary Care Services

The Contractor shall provide primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, ARNP, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, *oral health,* and behavioral health specialty providers.

b) Referral to WIC Nutrition Program for all eligible pregnant women, infants, and children.

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.

d) Access to a healthcare provider, directly or by referral or subcontract, by telephone twenty-four hours per day, seven days per week.

e) Assessment of psychosocial risk for all clients at least annually and for children at scheduled preventive care visits, including, at a minimum, age appropriate guidance for injury prevention, domestic violence, adequacy of food and housing, care and welfare of children, transportation needs, and provision of necessary social services to address the priority needs and safety issues of clients and families.

f) Falls prevention screening for patients 65 years and older using the algorithm and guidelines of the American Geriatric Society.

g) Behavioral health care directly or by referral to an agency or provider with a sliding fee scale.

h) *Nutrition assessment for all clients as part of the health maintenance visit.* Therapeutic nutrition services shall be provided *as indicated* directly or by referral to an agency or provider with a sliding fee scale. These services shall be recorded in the medical record.

i) Formal arrangements with a local hospital for emergency care must be in place and reviewed annually.

Contractor Initials: J.G.

Date: 5/9/12

j) Assisted living and skilled nursing facility care by referral.

k) Oral screening, as part of the annual health maintenance visit, for all clients 19 years and older to note obvious dental decay and soft tissue abnormalities with a reminder to the patient that poor oral health impacts total health. as part of the health maintenance visit.

l) Diagnosis and management of pediatric and adult patients with asthma provided according to National Heart Lung Blood Institute, National Asthma Education and Prevention Program, Expert Panel Report 3: Guidelines for the Diagnosis and Management of Asthma, 2007.

3. Reproductive Health Services

The Contractor shall provide or arrange referral for prenatal, internatal and preconception medical care, social services, nutrition services, education and nursing care to all women of childbearing age. Preconceptional care includes the preconception, internatal and postpartum periods in women's health. It is recommended that preconceptional and internatal care visits focus on maintaining or achieving the optimal health of the mother, lowering the risk of future adverse pregnancy outcomes, the family's future plans, and how additional children fit into that plan. Preconceptional counseling may be done during an office, group or home visit.

a) In the event prenatal care is not provided directly by the Contractor, a formal Memorandum/a of Agreement for coordinated referral to an appropriately qualified provider must be maintained.

b) If provided directly, prenatal care shall, at minimum, be in accordance with the *Guidelines for Perinatal Care, sixth* or most current edition, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists (ACOG), and /or the Centers for Disease Control.

c) Genetic Screening:
   i. A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.
   ii. All pregnant women entering care prior to 20 weeks gestation shall be offered voluntary genetic screening for fetal chromosomal abnormalities following the recommendations found in the ACOG Compendium of Selected Publications (2006) or more recent supplements. The Contractor shall be responsible for referral to appropriate genetic testing and counseling services for any woman found to have a positive screening test.

d) Age appropriate reproductive health care shall, at a minimum, be provided in accordance with the American College of Obstetricians and Gynecologists, *Guidelines for Adolescent Preventive Services (GAPS)* or the USDHHS Centers for Disease Control (CDC) current guidelines.

e) Family planning counseling for prevention of subsequent pregnancy following an infant's birth shall be discussed with the infant's mother *at the first postpartum visit and at the infant's 2-month visit and other visits as appropriate.* Rationale for birth intervals of 18-24 months shall be presented.

f) A referral to a Title X Family Planning Clinic or other reproductive health care provider shall be made as appropriate.

Contractor Initials: J.G.
Date: 5/9/12

4. Services for Children and Adolescents

The Contractor shall provide as a minimum, comprehensive and age-appropriate health care, screenings, and health education according to the American Academy of Pediatrics' most recent periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", *Third* Edition or most recent. Children and adolescent visits shall include:

a) Blood lead testing shall be performed in accordance with "New Hampshire Childhood Lead Poisoning Screening and Management Guidelines", issued by the New Hampshire Department of Health and Human Services, *2009* or subsequent revisions.

b) All children enrolled in either Healthy Kids-Gold or the Women, Infant, and Children (WIC) Program and/or who are $\leq$ 185% poverty, regardless of town of residence, are required to have a blood lead test at ages one and two years. All children ages three to six years who have not been previously tested shall have a capillary or venous blood lead test performed.

c) All children shall be screened for iron deficiency anemia as outlined in the Centers for Disease Control and Prevention document "Recommendations to Prevent and Control Iron Deficiency in the United States (4/2/98)".

d) Age-appropriate anticipatory guidance, dietary guidance, and *feeding practice counseling* for optimal oral health shall be provided at each well child visit according to the American Academy of Pediatrics' periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent edition. Starting at age 6 months, it is recommended that all children receive an oral health assessment at every well child visit.

e) *Supplemental* fluoride shall be prescribed as needed based upon the fluoride levels in the child's *drinking* water supply. The fluoride dosage regimen accepted by the American Academy of Pediatrics shall be followed. No fluoride shall be prescribed without obtaining water from private wells or noting the presence or absence of fluoride in the public water supply. *Supplemental fluoride may include bottled water containing fluoride and topical applications such as varnishes.*

f) *For infants enrolled in WIC Nutrition Program, parents shall be referred to WIC for breastfeeding support and referral to the WIC Nutrition Program peer counselors.*

5. Sexually Transmitted Infections

Primary Care Services shall provide age appropriate screening and treatment for sexually transmitted infections.

a) Treatment for sexually transmitted infections shall be provided according to the United States Centers for Disease Control Sexually Transmitted Diseases Treatment Guidelines, *2010* or subsequent revisions.

b) All clients, including women, shall be offered HIV testing following the most current recommendations of the United States Centers for Disease Control.

c) The contractor shall be responsible for ensuring referral to appropriate treatment services for any woman found to screen positive.

d) Appropriate risk reduction counseling shall be provided based on client needs.

Contractor Initials: J.G.

Date: 5/9/12

6. Substance Use Services

a) A substance use screening history using a formal, validated screening tool shall be obtained for all clients as soon after entry into care as possible. Substance use counseling *or other substance abuse intervention, treatment, or recovery services* by an appropriately credentialed provider shall be provided on-site, or by referral, to clients with identified needs for these services. *For these identified clients, ongoing primary care services should include follow up monitoring relative to substance abuse.*

b) All clients, including pregnant women, identified as smokers shall receive counseling *using the 5 A's (ask, advise, assess, assist, and arrange) treatment available through the NH Tobacco Helpline* as cited in the U.S. Public Health Service report, "Tobacco Use and Dependence", *2008* or "Smoking Cessation During Pregnancy: A Clinician's Guide to Helping Pregnant Women Quit Smoking", American College of Obstetricians and Gynecologists, *2011. With prior approval, agencies may also opt to participate in the DPHS best practice initiative of the 2A's and R (ask, advise and refer).*

7. Immunizations

a) The Contractor shall adhere to the most current version of the "Recommended Adult Immunization Schedule United States", approved by the Advisory Committee on Immunization Practices, the American College of Obstetricians and Gynecologists, and the American Academy of Family Physicians.

b) The Contractor shall administer vaccines according to the most current version of the *"Recommended Immunization Schedule for Persons Aged 0 Through 6 Years - United States", and "Recommended Immunization Schedule for Persons Aged 7 Through 18 Years – United States"* approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians, based upon availability of vaccine from the New Hampshire Immunization Program.

8. Prenatal Genetic Screening

a) A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

b) All pregnant women should be offered voluntary genetic screening for fetal chromosomal abnormalities at the appropriate time following recommendations found in the American College of Obstetricians and Gynecologists' "Screening for Fetal Chromosomal Abnormalities (2007)" or more recent guidelines. The Contractor shall be responsible for ensuring referral to appropriate genetic testing and counseling for any woman found to have a positive screening test.

9. Additional Requirements

a) The Contractor's Medical Director shall participate in the development and approval of specific guidelines for medical care that supplement minimal clinical standards. Supplemental guidelines should be reviewed, signed and dated annually, and updated as indicated.

b) Contractors considering clinical or sociological research using clients as subjects must adhere to the legal requirements governing human subjects research. Contractors must inform the DPHS, MCHS prior to initiating any research related to this contract.

c) The Contractor shall provide information to all employees annually about the Medical Reserve Corps Unit within their Public Health Region to enhance recruitment.

Contractor Initials: J.G.

Date: 5/9/12

d) *The Contractor shall provide information to all employees annually regarding the Emergency System for the Advance Registration of Volunteer Health Professionals (ESAR-VHP) managed by the NH Department of Health and Human Services' Emergency Services Unit, to enhance recruitment.*

B) Staffing Provisions

The Contractor shall have, at minimum, the following positions:

a) executive director

b) financial director

c) registered nurse

d) clinical coordinator

e) medical *service* director (or by contract)

f) nutritionist (on site or by referral)

g) social worker

Agencies are required to provide direct services by the following professionals:

a) physician, advanced registered nurse practitioner, or physician's assistant

b) registered nurse

c) clinical coordinator

d) social worker

1. Qualifications

All health and allied health professionals shall have the appropriate New Hampshire licenses whether directly employed, contracted, or subcontracted.

In addition the following minimum qualifications shall be met for:

a) Registered Nurse
   a. A registered nurse licensed in the state of New Hampshire, Bachelor's degree preferred. Minimum of one year experience in a community health setting.

b) Nutritionists:
   a. A Bachelor's degree in nutritional sciences or dietetics, or a Master's degree in nutritional sciences, nutrition education, or public health nutrition or current Registered Dietitian status in accordance with the Commission on dietetic Registration of the American Dietetic Association.

   b. Individuals who perform functions similar to a nutritionist but do not meet the above qualifications shall not use the title of nutritionist.

c) Social Workers shall have:

Contractor Initials: J.G.
Date: 5/9/12

a. A Bachelor's or Master's degree in social work or Bachelor's or Master's degree in a related social science or human behavior field. A minimum of one year of experience in a community health or social services setting is preferred.

b. Individuals who perform functions similar to a social worker but do not meet the above qualifications shall not use the title of social worker.

d) Clinical Coordinators shall be:

a. A registered nurse (RN), physician, physician assistant or nurse practitioner with a license to practice in New Hampshire.

b. The coordinator is a clinical position that oversees and takes responsibility for the clinical and administrative functions of each program.

c. Coordinator may be responsible for more than one MCH funded program.

2. New Hires

The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing within one month of hire when a new administrator, clinical coordinator or any staff person essential to carrying out contracted services is hired to work in the program. A resume of the employee shall accompany the aforesaid notification.

3. Vacancies

a) The Contractor must notify the MCHS in writing if any critical position is vacant for more than one month, or if at any time funded under this contract does not have adequate staffing to perform all required services for more than one month. This may be done through a budget revision.

b) Before an agency hires new program personnel that do not meet the required staff qualifications, the agency shall notify the MCHS in writing requesting a waiver of the applicable staffing requirements. The Section may grant waivers based on the need of the program, individuals' experience, and additional training.

C) Coordination of Services

1. The Contractor shall coordinate, where possible, with other service providers within the contractor's community. At a minimum, such collaboration shall include interagency referrals and coordination of care.

2. The Contractor shall engage in outreach activities to identify homeless individuals and educate them about the availability of primary care services. This should be done in coordination with other service providers, when appropriate.

3. The Contractor shall participate in activities *in the Public Health Region in which they provide services* as appropriate. These activities enhance the integration of community-based public health prevention and health care initiatives that are being implemented by the contractor and may include community needs assessments, public health performance assessments, and/or the development of regional health improvement plans.

4. The Contractor agrees to *participate in and* coordinate with public health activities as requested by the Division of Public Health during any *disease outbreak* and/or *emergency*, natural or man-made, affecting the public's health.

Contractor Initials: JG

Date: 5/9/12

5. The Contractor is responsible for case management of the client enrolled in the program and for program follow-up activities. Case management services shall promote effective and efficient organization and utilization of resources to assure access to necessary comprehensive medical, nutritional, and social services for clients.

6. The Contractor shall assure that *appropriate, responsive, and timely* referrals and linkages for other needed services are made, carried through, and documented. Such services shall include, but not be limited to: dental services, genetic counseling, high risk prenatal services, mental health, social services, including domestic violence crisis centers, substance abuse services; and family planning services, Early Supports and Services Program, local WIC/CSF Program, Home Visiting New Hampshire Programs and health and social service agencies which serve children and families in need of those services.

D) Meetings and Trainings

The contractor will be responsible for sending staff to meetings and training required by the MCHS program, including but not limited to:

1. MCHS Agency Directors' meetings

2. MCHS Agency Medical Directors meetings

III. Quality or Performance Improvement (QI/PI)

A) Workplans

1. Performance Workplans are required for this program and are used to monitor achievement of standard measures of performance of the services provided under this contract. The workplans are a key component of the RHPCS and the MCHS performance-based contracting system and of this contract. *Outcomes shall be reported by clinical site.*

2. Submit Performance Workplans and Workplan Outcome reports according to the schedule and instructions provided by the MCHS. The MCHS shall notify the Contractor at least 30 days in advance of any changes in the submission schedule.

3. The Contractor shall incorporate required and developmental performance measures, defined by the MCHS into the agency's Performance Workplan. Reports on Workplan Progress/Outcomes shall detail the Performance Workplan and activities that monitor and evaluate the agency's progress toward performance measure targets.

4. The Contractor shall comply with modifications and/or additions to the workplan and annual report format as requested by RHPCS and MCHS. *MCHS* will provide the contractor with reasonable notice of such changes.

5. Agencies contracting for Primary Care Services must submit the workplans for Primary Care *Clinical and Financial*, Child Health, and Prenatal Care.

B) Additional Reporting Requirements

In addition to Performance Workplans, the Contractor shall submit to MCHS and the following data *and information listed below which are* used to monitor program performance:

1. In years when contracts or amendments are not required, the DPHS Budget Form, Budget Justification, Sources of Revenue and Program Staff list forms must be completed according to

Contractor Initials: J.G.
Date: 5/9/12

the relevant instructions and submitted as requested by DPHS and, at minimum, by April 30 of each year.

2. The Sources of Revenue report must be resubmitted at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

3. Completed Uniform Data Set (UDS) tables reflecting program performance in the previous calendar year, by March 31 of each year.

4. If prenatal care is provided, Perinatal Client Data Form (PCDF) shall be submitted electronically according to the instructions set forth by the MCHS.

5. A copy of the agency's updated Sliding Fee Scale including the amount(s) of any client fees and the schedule of discounts must be submitted by March 31st of each year. The agency's sliding fee scale must be updated annually based on the US DHHS Poverty guidelines as published in the Federal Register.

6. An annual summary of program-specific patient satisfaction results obtained during the prior contract period and the method by which the results were obtained shall be submitted annually as an addendum to the Workplan Outcome/Progress reports.

C) **On-site reviews**

1. The contractor shall allow a team or person authorized by the Division of Public Health Services to periodically review the contractor's systems of governance, administration, data collection and submission, clinical and financial management, and delivery of education services in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include client record reviews to measure compliance with this exhibit.
3. The contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. On-Site reviews may be waived or abbreviated at the discretion of MCHS, upon submission of satisfactory reports of reviews such as Health Services Resources Administration (HRSA): Office of Performance Review (OPR), or reviews from nationally accreditation organizations such as the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), Medicare, the Community Health Accreditation Program (CHAP), or Accreditation Association for Ambulatory Healthcare (AAAHC). Abbreviated reviews will focus on any deficiencies found in previous reviews, issues of compliance with this exhibit, and actions to strengthen performance as outlined in the agency Performance Workplan.

Exhibit B

Purchase of Services
Contract Price

Primary Care Services for the Homeless

CONTRACT PERIOD: July 1, 2012 or date of G&C approval, whichever is later, through June 30, 2014

CONTRACTOR NAME: **Manchester Health Department**

ADDRESS: **1528 Elm Street**
Manchester, New Hampshire 03101
Public Health Director: **Timothy Soucy**
TELEPHONE: **603-624-6466**

Vendor #177433-B009 Job #90080000 Appropriation #010-090-51900000-102-500731

1. The total amount of all payments made to the Contractor for cost and expenses incurred in the performance of the services during the period of the contract shall not exceed:

   $122,324 for Primary Care Services for the Homeless, funded from 19.95% federal funds from the US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau (CFDA #93.994) and 80.05% general funds.

TOTAL: $122,324

2. The Contractor agrees to use and apply all contract funds from the State for direct and indirect costs and expenses including, but not limited to, personnel costs and operating expenses related to the Services, as detailed in the attached budgets. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. The Contractor agrees not to use or apply such funds for capital additions or improvements, entertainment costs, or any other costs not approved by the State.

3. This is a cost-reimbursement contract based on an approved budget for the contract period. Reimbursement shall be made monthly based on actual costs incurred during the month up to an amount not greater than one-twelfth of the contract amount. Reimbursement greater than one-twelfth of the contract amount in any month shall require prior, written permission from the State.

4. Invoices shall be submitted by the Contractor to the State in a form satisfactory to the State for each of the Service category budgets. Said invoices shall be submitted within twenty (20) working days following the end of the month during which the contract activities were completed, and the final invoice shall be due to the State no later than sixty (60) days after the contract Completion Date. Said invoice shall contain a description of all allowable costs and expenses incurred by the Contractor during the contract period.

5. Payment will be made by the State agency subsequent to approval of the submitted invoice and if sufficient funds are available in the Service category budget line items submitted by the Contractor to cover the costs and expenses incurred in the performances of the services.

6. The Contractor may amend the contract budget for any Service category through line item increases, decreases, or the creation of new line items provided these amendments do not exceed the contract price for that particular Service category. Such amendments shall only be made upon written request to and written approval by the State. Budget revisions will not be accepted after June 20th of each contract year.

Contractor Initials: J.G.
Date: 5/4/12

7. The Contractor shall have written authorization from the State prior to using contract funds to purchase any equipment with a cost in excess of three hundred dollars ($300) and with a useful life beyond one year.

The remainder of this page is intentionally left blank.

Exhibit C

SPECIAL PROVISIONS

1. **Contractors Obligations:** The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

2. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

3. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

4. **Documentation:** In addition to the determination forms, required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

5. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

6. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

7. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

8. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractor's costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party fundors for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party fundors, the Department may elect to:

    8.1 Renegotiate the rates for payment hereunder, in which event new rates shall be established;

Contractor Initials: J.G.
Date: 5/9/12

8.2 Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

8.3 Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

9. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:

9.1 **Fiscal Records:** Books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

9.2 **Statistical Records:** Statistical, enrollment, attendance, or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

9.3 **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

10. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.

10.1 **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.

10.2 **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

11. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directed connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Contractor Initials: J.G.
Date: 5/9/12

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

12. **Reports: Fiscal and Statistical**: The Contractor agrees to submit the following reports at the following times if requested by the Department

    12.1 Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.

    12.2 Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

13. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

14. **Credits:** All documents, notices, press releases, research reports, and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:

    14.1 The preparation of this (report, document, etc.), was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, Division of Public Health Services, with funds provided in part or in whole by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

15. **Operation of Facilities:** Compliance with Laws and Regulations: In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the Contractor with respect to the operation of the facility or the provision of the services at such facility. If any government license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

Contractor Initials: J.G.
Date: 5/9/12

16. **Insurance:** Select either (1) or (2) below:

As referenced in the Request for Proposal, Comprehensive General Liability Insurance Acknowledgement Form, the Insurance requirement checked under this section is applicable to this contract:

Insurance Requirement for (1) - 501(c) (3) contractors whose annual gross amount of contract work with the State does not exceed $500,000, per RSA 21-I:13, XIV, (Supp. 2006): The general liability insurance requirements of standard state contracts for contractors that qualify for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the state does not exceed $500,000, is comprehensive general liability insurance in amounts of not less than $1,000,000 per claim or occurrence and $2,000,000 in the aggregate. *These amounts may NOT be modified.*

(1) The contractor certifies that it **IS** a 501(c) (3) contractor whose annual total amount of contract work with the State of New Hampshire does **not** exceed $500,000.

Insurance Requirement for (2) - All other contractors who do not qualify for RSA 21-I:13, XIV, (Supp. 2006), Agreement P-37 General Provisions, 14.1 and 14.1.1. Insurance and Bond, shall apply: The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, both for the benefits of the State, the following insurance: comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per incident or occurrence. *These amounts MAY be modified if the State of NH determines contract activities are a risk of lower liability.*

X (2) The contractor certifies it does **NOT** qualify for insurance requirements under RSA 21-I:13, XIV (Supp. 2006).

The State of New Hampshire determined that the contract activities are of a low risk of liability, and the parties waive the requirement of paragraph 14 of the P-37 in that the contractor provide comprehensive general liability insurance in the amount of $2 million per incident and instead, accept general liability insurance provided by contractor in the amount of 275,000 per incident.

17. **Renewal:**

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two (2) additional year(s), contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

18. **Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:**

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any

Contractor Initials: J.G.
Date: 5/9/12

other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

19. **Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;**

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

Contractor Initials: J.G.
Date: 5/9/12

SPECIAL PROVISIONS – DEFINITIONS

As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean the section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Whenever federal or state laws, regulations, rules, orders, and policies, etc., are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc., as they may be amended or revised from time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

Standard Exhibit D

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act to 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I – FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES – CONTRACTORS
US DEPARTMENT OF EDUCATION – CONTRACTORS
US DEPARTMENT OF AGRICULTURE – CONTRACTORS

This certification is required by the regulations implementing Sections 5151-51-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). the January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630 of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services,
129 Pleasant Street
Concord, NH 03301

1) The grantee certifies that it will or will continue to provide a drug-free workplace by:

   (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

   (b) Establishing an ongoing drug-free awareness program to inform employee's about:

      (1) The dangers of drug abuse in the workplace;
      (2) The grantee's policy of maintaining a drug-free workplace;
      (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
      (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

   (c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

   (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:

      (1) Abide by the terms of the statement; and

Contractor Initials: J.G.
Date: 5/9/12

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph (d) (2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).

2) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, State, zip code) (list each location)

CERTIFICATION REGARDING LOBBYING

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES – CONTRACTORS
US DEPARTMENT OF EDUCATION – CONTRACTORS
US DEPARTMENT OF AGRICULTURE – CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

Contract Period: **7/1/12** or date of G&C Approval, whichever is later, through **6/30/14**

The undersigned certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

(2) If any funds, other than Federal appropriated funds, have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions, attached and identified as Standard Exhibit E-I.

(3) The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

Standard Exhibit F

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions, execute the following Certification:

Instructions for Certification

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transition. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transition," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntary excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rule implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction", "provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

Contractor Initials: J.G.

Date: 5/9/12

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

1. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

   a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

   b. have not within a three-year period preceding this proposal (contract) been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

   c. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph 1 b of this certification; and

   d. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

2. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

Lower Tier Covered Transactions

By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:

(a) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

(b) where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion – Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

State of New Hampshire
Department of Health and Human Services
Amendment #2 to the Primary Care Services Contract

This 2nd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #2") dated this, 30th day of April, 2015 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Manchester Community Health Center (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 145 Hollis Street Manchester, New Hampshire 03101.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #32 and amended by an agreement (Amendment #1 to the Contract) approved on May 8, 2014 (Item #34A), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 of the Agreement, and Exhibit C, Special Provisions, Paragraph 17, the State may amend the contract terms and conditions and renew the contract for two (2) additional years by written agreement of the parties and approval of the Governor and Executive Council; and;

WHEREAS, the parties agree to extend the contract for two additional years, add services to Exhibit A, Scope of Services and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:
   June 30, 2017
2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:
   $2,486,564
3. Form P-37, General Provisions, Item 1.9, Contracting Officer for State Agency, to read:
   Eric D. Borrin
4. Form P-37, General Provisions, Item 1.10, State Agency Telephone Number, to read:
   (603) 271-9558
5. Delete Exhibit A, Scope of Services and Exhibit A-1 Amendment 1, Scope of Services and replace with Exhibit A – Amendment #2.
6. Delete Exhibit A-1 Amendment #1 - Performance Measures and replace with Exhibit A-1 Amendment #2 – Performance Measures.

7. Delete Exhibit B, Purchase of Services Contract Price and replace with Exhibit B – Amendment #2, Method and Conditions Precedent to Payment.
8. Add Exhibit B-1, Budget Form Primary Care through Exhibit B-6, Budget Form SBIRT.
9. Standard Exhibit D, Certification Regarding Drug-Free Workplace Requirements, Period Covered by this Certification, to read:

   From 7/1/2012 to 6/30/2017
10. Standard Exhibit E, Certification Regarding Lobbying, Contract Period, to read:

    July 1, 2012 through June 30, 2017
11. Delete Standard Exhibit G, Certification Regarding the Americans with Disabilities Act Compliance, and replace with Exhibit G, Certification of Compliance with Requirements Pertaining to Federal Nondiscrimination, Equal Treatment of Faith-Based Organizations and Whistleblower Protections.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Title:

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. Office-based and enabling **Primary Care** services shall be provided individuals and families who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income, which is defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.5. **Breast and Cervical Cancer Screening** Services shall be provided to women ages twenty-one(21) through sixty-four (64) who are:

1.5.1. Uninsured.

1.5.2. Underinsured.

1.5.3. Low-income, which is defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines.

1.6. **Screening, Brief Intervention and Referrals to Treatment** (SBIRT) Services shall be provided to all individuals who seek services described in Section 1.4 and Section 1.5, above.

1.7. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.7.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.7.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.7.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

Contractor Initials: MC
Date: 5/14/15

2.1. The Contractor shall notify the Department, in writing, if access to Primary Care or Breast and Cervical Cancer Screening Services for new patients is limited or closed for more than a one month period.

2.2. The Contractor shall maintain documentation for each individual receiving services described in this contract that includes, but is not limited to:

2.2.1. Family income.

2.2.2. Family size.

2.2.3. Income in relation to the Federal Poverty Guidelines.

2.3. The Contractor shall assist individuals with completing a Medicaid application when income calculations indicate possible Mediciad eligibility.

2.4. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.5. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.5.1. Update the sliding fee scale on an annual basis when new Federal Poverty Guidelines are released.

2.5.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services.

3.1.2. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.1.3. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.1.4. Assessment of need for:

3.1.4.1. Tobacco cessation, including referral to NH Quitworks, as appropriate.

3.1.4.2. Social services.

3.1.4.3. Nutrition services, including WIC, as appropriate.

3.1.4.4. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which shall include, but not be limited to:

3.2.1. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.2.2. Care facilitated by registries, information technology, health information exchange and other means to assure that patients get the necessary care when and where they need and want it in a culturally and linguistically appropriate manner.

3.2.3. An integrated model of primary care that may include, but is not limited to:

3.2.3.1. Behavioral health

3.2.3.2. Oral health.

3.2.3.3. Use of navigators and case management.

3.2.3.4. Co-location of services and system-level integration of care and fiscal accountability.

3.3. The Contractor can choose to provide enabling services, if the budget allows, which are non-clinical services that support the delivery of basic primary care and services, and facilitate access to comprehensive patient care as well as social services. The Contractor can facilitate enabling services that include, but are not limited to:

3.3.1. Case management.

3.3.2. Benefit counseling.

3.3.3. Eligibility assistance.

3.3.4. Health education and supportive counseling.

3.3.5. Interpretation.

3.3.6. Outreach.

3.3.7. Transportation.

3.3.8. Education of patients and the community regarding the availability and appropriate use of health services.

3.4. The Contractor must elect to do at least two quality improvement project which consists of systematic and continuous actions that lead to measurable improvement in health care services and the health status of targeted patient groups. One quality improvement project should focus on pediatrics and the other on adult health. The Contractor shall facilitate quality improvement according to the following:

3.4.1. Enhancing clinical workflow/improve patient outcomes by methods that may include, but are not limited to:

3.4.2. Alerts.

3.4.3. Guidelines.

3.4.4. Diagnostic support.

3.4.5. Patient registries.

3.4.6. Collaborative learning sessions.

3.4.7. Implementing projects that lead to measurable improvements on any of the performance measures and indicators identified in Exhibit A-1 Amendment #2

3.4.8. Utilizing defined improvement processes to coordinate quality improvement activities.

3.4.9. Identifying and defining specific goals and objectives to be achieved in the project period.

4. Breast and Cervical Cancer Screening Services

4.1. The Contract shall develop work plans based on performance measures in Exhibit A-1 that include activities related to:

4.1.1. The provision of breast and cervical cancer screening.

4.1.2. The promotion of breast and cervical cancer screening.

4.2. The Contractor shall implement evidence-based interventions outlined in the Centers for Disease Control and Prevention Guide to Community Preventive Services (http://www.thecommunityguide.org/index/html) to support the provision and promotion of breast and cervical cancer screening rates, including but not limited to provider reminder systems and patient reminders.

4.3. The Contractor shall provide breast and cervical cancer screening for the early detection of breast and cervical cancer in accordance with the policies and procedures outlined in the BCCP Policy and Procedure Manual, following nationally accepted screening recommendations. Screenings shall include but not be limited to:

4.3.1. Clinical pelvic examinations.

4.3.2. Clinical breast examinations.

4.3.3. Mammograms.

4.3.4. Pap and HPV tests, if appropriate.

4.3.5. Referrals for diagnostic and treatment services, as necessary.

4.4. The Contractor shall provide services to the number of individuals as follows:

4.4.1. 75% of all mammograms shall be provided to women ages fifty (50) to sixty-four (64) at all screening sites.

4.4.2. A maximum of 25% of all mammograms shall be provided to women under the age of fifty (50) at all screening sites.

4.4.3. 20% of newly enrolled women for Pap tests shall be provided at all screening sites to women who have not had a Pap test in over five (5) years.

4.5. The Contractor shall ensure all referrals are made in accordance with the minimum standards outlined in the BCCP Policy and Procedure Manual to facilities that provide approved and certified laboratory, pathology, radiology and surgical services. The Contractor shall ensure:

4.5.1. Mammography units are accredited by the American College of Radiology and FDA certified under MQSA.

4.5.2. Laboratories are CLIA certified.

4.6. The Contractor shall ensure all services and case management activities are completed in accordance with the BCCP Policy and Procedure Manual, including but not limited to follow-up and tracking of all client tests results and referrals.

4.7. The Contractor shall provide screening promotion for all eligible individuals, which includes, but is not limited to:

4.7.1. Patient navigation services that assist individuals to overcome health systems barriers and facilitate timely access to:

4.7.1.1. Quality breast and cervical cancer screening.

4.7.1.2. Breast and cervical cancer diagnostics.

4.7.1.3. Initiation of breast and cervical cancer treatment, when applicable.

4.7.1.4. Assurance that patient navigation services are terminated when the patient:

4.7.1.4.1. Completes screening and has normal results.

4.7.1.4.2. Completes diagnostic testing and has normal results.

4.7.1.4.3. Initiates breast and/or cervical cancer treatment or refuses treatment.

4.7.2. Patient navigation services shall include, but not be limited to:

4.7.2.1. A written assessment of individual client barriers.

4.7.2.2. Client education and support.

4.7.2.3. Assistance with resolving client barriers, including but not limited to transportation and translation services, as appropriate.

4.7.2.4. Tracking and follow-up to monitor client progress in completing screening, diagnostic testing, and initiation of treatment, as needed.

4.7.2.5. A minimum of two contacts with the client, either in person or by telephone.

4.7.2.6. Collecting data to evaluate the primary outcomes of patient navigation, which shall include adherence to screening, diagnostic testing and cancer treatment initiation.

4.7.2.7. Tracking of patients lost to follow-up, as appropriate.

5. Screening, Brief Intervention, and Referral to Treatment (SBIRT) Services

5.1. The Contractor shall develop the infrastructure necessary to provide and record Screening, Brief Intervention, and Referral to Treatment (SBIRT) services related to substance use for all eligible individuals ages nineteen (19) to sixty-five (65) years receiving services in Section 3 and/or Section 4. The Contractor shall:

5.1.1. Provide training to integrated primary care and behavioral health teams to ensure SBIRT activities are conducted with fidelity to the model in Section 5.1.

5.1.2. Modify and/or adapt current Electronic Health Records (EHR) systems in order to track SBIRT:

5.1.2.1. Activities

5.1.2.2. Completions.

5.1.2.3. Actions.

5.1.2.4. Recommendations.

5.1.2.5. Follow-ups.

5.1.3. Utilize Substance Use Disorder (SUD) codes in the EHR for billing that shall:

5.1.3.1. Enable submission for payment through NH Managed Care/Medicaid and other insurance companies.

5.1.3.2. Allow the generation of reports..

5.2. The Contractor shall implement SBIRT services by ensuring sufficient qualified staff are available to conduct SBIRT services according to the SBIRT model described by the Centers for Disease Control (CDC), available on-line at http/www.dcd.gov/ncddd/fasd/documents/aloholsbiimplementationguide.pdf. The Contractor shall:

5.2.1. Implement SBIRT services by including SBIRT activities in daily operations.

5.2.2. Use one or more of the screening instruments listed in Appendix E of "Systems-Level Implementation of Screening, Brief Intervention and Referral to Treatment. TAP 33" (2013 edition) (http://www.integration.samhsa.gov/sbirt/TAP33.pdf) and document screening in the electronic medical record (EMR).

5.2.3. Conduct brief interventions with patients who screen positive for potential substance use concerns and document activities in the EHR

5.2.4. Refer patients to Substance Use Disorder (SUD) treatment services as necessary, and ensure each patient has connected with the specific service provider by documenting in the EHR, which is audited to ensure appropriate follow up.

5.2.5. Conduct SBIRT with covered populations that include all adults on an annual basis and pregnant women on a trimester basis.

5.3. Coordinate care between community health center (CHC) services and external treatment providers by collaborating with entities that provide SUD treatment services not available at the CHC. The Contractor shall:

5.3.1. Obtain client consents to contact service providers in order to resolve any barriers to accessing services.

5.3.2. Refer patients for SUD services, as needed.

5.3.3. Follow up with patient and/or SUD service provider to ensure appropriate services are provided.

5.3.4. Work with Regional Public Health Networks (RPHNs) to identify new SUD referral resources as they become available.

5.4. The Contractor shall test SBIRT fidelity with a subset of the target population prior to full implementation for all adults ages nineteen (19) to sixty-five (65) annually and pregnant women at each trimester.

6. Staffing

6.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH professional licenses whether directly employed, contracted or subcontracted.

6.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

6.3. The Contractor shall ensure staff delivering SBIRT services have, at minimum, one of the following:

6.3.1. Masters prepared behavioral health practitioners. This includes individuals licensed under the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board.

6.3.2. Masters prepared and in the process of obtaining a license from the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board, while under the supervision of a licensed practitioner of the same profession.

6.3.3. Physicians or Advanced Practice Registered Nurses licensed to practice in NH.

6.3.4. Physician Assistants or other practitioners under the supervision of a Physician licensed to practice medicine in NH.

6.4. The Contractor may deliver breast and cervical cancer screening navigation services through a combination of staff, which may include but is not limited to:

6.4.1. Outreach and education by lay persons with clinical case management services provided by a registered nurse who:

6.4.1.1. Is currently licensed as a registered nurse to practice in the State of NH; or

6.4.1.1.1. Has attained a bachelor's degree from a recognized college or university; or

6.4.1.1.2. Is working under the direct supervision of a registered nurse licensed to practice in the State of NH.

6.5. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services in writing and include a copy of the individual's resume, within one month of being hired.

6.6. The Contractor shall notify the MCHS, in writing, when:

6.6.1. Any critical position is vacant for more than one month.

6.6.2. There is not adequate staffing to perform all required services for more than one month.

7. Coordination of Services

7.1. The Contractor shall coordinate referrals for continued care with other service providers within the community, where possible.

7.2. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

7.2.1. Community needs assessments.

7.2.2. Public health performance assessments.

7.2.3. The development of regional health improvement plans.

7.3. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

8. Required Meetings & Trainings

8.1. The Contractor shall attend meetings and trainings facilitated by the MCHS and BCCP programs that include, but are not limited to:

8.1.1. MCHS Agency Directors' meetings.

8.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year.

8.1.3. MCHS Agency Medical Services Directors' meetings.

8.1.4. BCCP Site Coordinators' annual meetings.

9. Workplans, Outcome Reports & Additional Reporting Requirements

9.1. The Contractor shall provide an annual BCCP Performance Workplan and Workplan Outcomes Report according to the schedule and instructions provided by the BCCP, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule.

9.2. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per year according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a corrective action plan per directions from MCHS.

9.3. The Contractor shall submit an annual Workplan and Workplan Outcome Report for the quality improvement project(s) that demonstrates improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.4. If utilizing any portion of this contract for enabling services, the Contractor shall submit an annual Workplan and Workplan Outcome Report that includes at least one (1) performance measure for each type of enabling service provided, which shall be developed and submitted to the Department according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

9.5. The Contractor shall complete the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st.

9.6. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

9.7. The Contractor shall submit monthly Outcome Reports for SBIRT services according to the schedule and instructions provided by the MCHS. The Contractor shall:

9.7.1. Collect information that includes, but is not limited to:

9.7.1.1. Description of trainings, which includes but is not limited to:

9.7.1.1.1. Content of the trainings.

9.7.1.1.2. Number of staff that attended trainings.

9.7.1.2. The number of:

9.7.1.2.1. Qualified staff conducting SBIRT

9.7.1.2.2. SBIRT billing codes developed.

9.7.1.2.3. SBIRT services billed to insurance.

9.7.1.3. Updates on any changes, enhancements or adaptations to SBIRT procedures in:

9.7.1.3.1. Technology based systems.

9.7.1.3.2. Staffing.

9.7.1.3.3. Coding and billing.

9.7.1.4. The total number of clients receiving SBIRT delineated by:

9.7.1.4.1. Percentage of clients receiving only screening.

9.7.1.4.2. Percentage of clients receiving brief interventions.

9.7.1.4.3. Percentage of clients referred for more intensive services who initiated services.

9.7.1.4.4. Percentage of clients referred for more intensive services who had problems connecting to services.

9.8. The Contractor shall submit an annual report on April 30th in each year a contract amendment or renewal is not required that includes, but is not limited to:

9.8.1. DPHS Budget Form.

9.8.2. Budget Justification.

9.8.3. Sources of Revenue.

9.8.4. Program Staff List, which includes staff titles

9.9. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

9.10. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

9.10.1. Survey template.

9.10.2. Method by which the results were obtained.

10. On-Site Reviews

10.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

10.1.1. Systems of governance.

10.1.2. Administration.

10.1.3. Data collection and submission.

10.1.4. Clinical and financial management.

10.1.5. Delivery of education services.

10.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

10.2.1. Client records.

10.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

10.2.3. SBIRT documentation, which includes but is not limited to:

10.2.3.1. SBIRT policies and procedures.

10.2.3.2. Staff credentials for all staff delivering SBIRT services

10.2.3.3. SBIRT procedures utilized and documented in patient records.

10.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Exhibit A-1 – Amendment #2

1. PRIMARY CARE PERFORMANCE MEASURES

1.1. Breastfeeding

1.1.1. **Percent of infants who are ever breastfed** (Title V PM #10).

1.1.1.1. Numerator: Infants who were ever breastfed or received breast milk

1.1.1.2. Denominator: All infants born in a state fiscal year

1.2. Preventive Health: Lead Screening

1.2.1. **Percent of children 2 years of age who had one or more capillary or venous lead blood test for lead poisoning by their second birthday.** (CMS, Hedis).

1.2.1.1. Numerator: At least one capillary or venous blood test on or before the child's second birthday.

1.2.1.2. Denominator: Children who turn 2 years old during the state fiscal year.

1.3. Preventive Health: Adolescent Well-Care Visit

1.3.1. **Percent of adolescents, 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year** (Hedis, Title V PM #7).

1.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

1.3.1.2. Denominator: Number of adolescents, ages 12 through 21 years of age.

1.4. Preventive Health: Depression Screening

1.4.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (ACO 18, NQF 0418).

1.4.1.1. Numerator: Patients who are screened for clinical depression using an age-appropriate standardized depression screening tool AND if positive, a follow-up plan documented.

1.4.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.1.3. Denominator: All patients 12 years and older.

1.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

Contractor Initials: ka
Date: 5/14/15

1.4.2. **Maternal Depression Screening** (Developmental: not required for FY 16)

1.4.2.1. **Percentage of women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen.**

1.4.2.1.1. Numerator: Women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool and screen negative.

AND

Women who are screened for depression during the post-partum visit using an appropriate standardized depression screening tool, screen positive, AND have a follow-up plan documented.

1.4.2.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.2.1.3. Denominator: All women who are at least 6 weeks post-partum in a state fiscal year.

1.4.2.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

1.5. **Preventive Health: Obesity Screening**

1.5.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (ACO 16, NQF 0421, HRSA UDS).

1.5.1.1. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

1.5.1.2. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters.

1.5.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist,

occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

1.5.1.4. Denominator: All patients aged 18 years and older who had at least one medical visit during the state fiscal year.

1.5.2. Percent of patients aged 2 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (HRSA UDS).

1.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

1.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

1.6. **Preventive Health: Tobacco Screening**

1.6.1. Percent of patients aged 18 years and older who were screened for tobacco use one or more times within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user (ACO 17, NQF 0028, HRSA UDS).

1.6.1.1. Numerator: Patients who were screened for tobacco use at least once within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.1.2. Definitions:

1.6.1.2.1. Tobacco Use: Includes any type of tobacco

1.6.1.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.1.3. Denominator: All patients aged 18 years and older seen for at least two visits ever

1.6.2. **Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user** (Title V, PM #15).

1.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.2.2. Definitions:

1.6.2.2.1. Tobacco Use: Includes any type of tobacco

1.6.2.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.2.3. Denominator: All women who delivered a live birth in a state fiscal year

1.7. **At Risk Population: Hypertension**

1.7.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90 mm Hg) during the measurement year** (ACO 28, NQF 0018).

1.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm Hg at the time of their last measurement.

1.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)

1.8. **Patient Safety: Falls Screening**

1.8.1. **Percent of patients aged 65 years and older who were screened for future fall risk at least once within 12 months** (ACO 13, NQF0101).

1.8.1.1. Numerator: Patients who were screened for future fall risk at least once within 12 months.

1.8.1.2. Definition of Fall: a sudden, unintentional change in position causing an individual to land at a lower level, on an object, the floor, or the ground, other than as a consequence of a sudden onset of paralysis, epileptic seizure, or overwhelming external force.

1.8.1.3. Numerator note: Patients are considered at risk for future falls if they have had 2 or more falls in the past year or any fall with injury in the past year.

1.8.1.4. Denominator: All patients aged 65 years and older

1.8.1.5. Excluded from denominator population: (Exclusion only applied if patient was not screened for future fall risk) Documentation of medical reason(s) for not screening for future fall risk (e.g. patient is not ambulatory)

2. BCCP PERFORMANCE MEASURES

2.1. BCCP Performance Measure #1

2.1.1. **Measure:*** 78% of female patients age 24 through 64 years of age screened for cervical cancer per USPSTF guidelines.

2.1.2. **Numerator –** Number of female patients 24 through 29 years of age who have had a documented pap in the past 3 years AND female patients 30-64 who have either had a pap in the past 3 years OR an HPV test and a pap in the past 5 years

2.1.3. **Denominator –** Number of female patients 24 through 64 years of age who have had a visit in the past year and do not have evidence of having had a total hysterectomy.

2.1.4. **Data Source:** Chart audits or query of 100% of the **total** population of patients as described in the denominator.

2.1.5. *Measure based on the UDS measure

2.1.6. **Healthy People 2020 National Target is 93%

2.2. BCCP Performance Measure #2

2.2.1. **Measure:*** 75% of female patients age 52 through 74 years of age screened for breast cancer per USPSTF guidelines.

2.2.2. **Numerator –** Number of female patients 52 through 74 years of age who have had a documented mammogram in the past 24 months.

2.2.3. **Denominator –** Number of female patients 52 through 74 years of age who have had a visit in the past year and do not have evidence of having had a bilateral mastectomy.

2.2.4. **Data Source:** Chart audits or query of 100% of the **total** population of patients as described in the denominator.

2.2.5. *Measure based on the USPSTF Guidelines

2.2.6. ** Healthy People 2020 National Target is 81.1%

Contractor Initials: JL

3. SBIRT PERFORMANCE MEASURES

3.1. **Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services**

3.1.1. **Numerator:** Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention or referral to services.

3.1.2. Definitions

3.1.2.1. Substance Use: Includes any type of alcohol or drug.

3.1.2.2. Brief Intervention: Includes guidance or counseling.

3.1.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

3.1.3. Denominator: Number of patients aged 18 years and older seen for annual visit within 12 months.

3.2. **Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program AND if positive, received a brief intervention or referral to services**

3.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

3.2.2. Definitions:

3.2.2.1. Substance Use: Includes any type of alcohol or drug.

3.2.2.2. Brief Intervention: Includes guidance or counseling.

3.2.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

3.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the state fiscal year.

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov):
   - 2.1. #93.959, Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA) Block Grants for Prevention and Treatment of Substance Abuse.
   - 2.2. #93.752, Department of Health & Human Services, Centers for Disease Control and Prevention, Cancer Prevention and Control Programs for State, Territorial and Tribal Organizations financed in part by Prevention and Public Health Funds.
   - 2.3. #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #2, Scope of Services, in accordance with Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2.
4. The Contractor shall use and apply the amount in the SBIRT line item in Exhibit B-3 and Exhibit B-6 on actual SBIRT services provided.
5. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
6. Payment for said services shall be made as follows:
   - 6.1. The Contractor will submit an invoice by the tenth (10^{th}) working day of each month, which identifies and requests reimbursement for:
     - 6.1.1. Authorized expenses incurred in the prior month.
     - 6.1.2. The units of SBIRT services provided, in accordance with Exhibit A – Amendment #2, Section 5.2.2 through Section 5.2.5 and Section 5.3.1 through Section 5.3.3, which shall be paid on a fee-for-service basis at the following rates:
       - 6.1.2.1. $29.86 for each unit of service that is 15-30 minutes.
       - 6.1.2.2. $57.31 for each unit of service that is more than 30 minutes.
   - 6.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   - 6.3. The invoice must be submitted by mail or e-mail to:

     Financial Manager
     Department of Health and Human Services
     129 Pleasant Street
     Concord, NH 03301

     E-mail: dphscontractbilling@dhhs.state.nh.us

Contractor Initials: VLL
Date: 5/14/15

7. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.
8. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
9. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
10. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #2 through Exhibit B-6 Amendment #2 and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

Independent Auditors' Report on Financial Statements

Board of Directors
Manchester Community Health Center
Manchester, New Hampshire

We have audited the accompanying financial statements of Manchester Community Health Center, which comprise the balance sheets as of June 30, 2014 and 2013, and the related statements of operations, changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Manchester Community Health Center as of June 30, 2014 and 2013, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Health Centers, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 7, 2014, on our consideration of the Association's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and important for assessing the results of our audit.

Concord, New Hampshire

(See accompanying notes to these financial statements)

MANCHESTER COMMUNITY HEALTH CENTER

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2014 AND 2013

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Manchester Community Health Center, "the Health Center," is a non-stock, not-for-profit corporation organized in New Hampshire. The Health Center is a Federally Qualified Health Center (FQHC) providing high-quality, comprehensive family oriented primary health-care services, which meet the needs of a diverse community regardless of age, ethnicity or income.

Income Taxes

The Health Center is a public charity under Section 501(c)(3) of the Internal Revenue Code. As a public charity, the Health Center is exempt from state and federal income taxes on income earned in accordance with its tax exempt purpose. Unrelated business income is subject to state and federal income tax. Management has evaluated the Health Center's tax positions and concluded that the Health Center has no unrelated business income or uncertain tax positions that require adjustment to the financial statements. Management believes the Health Center is no longer subject to income tax examinations for years prior to 2011.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include highly liquid investments with an original maturity of three months or less, excluding assets limited as to use. Short-term highly liquid investments with an original maturity of more than three months are classified as temporary investments.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounts Receivable

Accounts receivable are reduced by an allowance for uncollectible accounts. In evaluating the collectability of accounts receivable, the Health Center uses a set percentage. Management evaluates the percentage of collections using a rolling twelve month average on a monthly basis. The Health Center has not changed its methodology for estimating the allowance for doubtful accounts.

A reconciliation of the allowance for uncollectible accounts at June 30, 2014 and 2013 follows:

	2014	2013
Balance, beginning of year	$ 360,000	$ 360,000
Provision for bad debts	205,317	173,402
Write-offs	(190,317)	(173,402)
Balance, end of year	$ 375,000	$ 360,000

Assets Limited as to Use

Assets limited as to use include assets designated by the board of directors and donor restricted grants and contributions.

Property and Equipment

Property and equipment are carried at cost, less accumulated depreciation. Maintenance repairs and minor renewals are expensed as incurred and renewals and betterments are capitalized. Depreciation is computed on the straight-line method and is provided over the estimated useful life of each class of depreciable asset.

Temporarily and Permanently Restricted Net Assets

Temporarily restricted net assets include contribution and grants for which donor-imposed restrictions have not been met. Assets are released from restrictions as expenditures are made in line with restrictions called for under the terms of the donor. Restricted contributions and grants for capital acquisitions are released from restriction over the life of the related asset acquired in accordance with the reporting of related asset's depreciation expense. Restricted contributions and grants released are reported as unrestricted revenue and support.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Temporarily and Permanently Restricted Net Assets (Continued)

Permanently restricted net assets are restricted by donors to be maintained by the Health Center in perpetuity. The Health Center has no permanently restricted net assets at June 30, 2014 and 2013.

Donor-Restricted Gifts

Unconditional promises to give cash and other assets to the Health Center are reported at fair market value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported as fair value at the date the gift is received. The gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified as unrestricted net assets released from restriction. Donor-restricted contributions whose restrictions are met within the same year as received are reported as unrestricted contributions in the accompanying financial statements.

Patient Service Revenue

The Organization has agreements with third-party payers that provide for payments to the Organization at amounts different from its established rates. A summary of the payment arrangements with major third-party payers follows:

- Medicare -- Primary care services rendered to Medicare program beneficiaries are reimbursed under cost reimbursement methodology. The Health Center is reimbursed at a tentative encounter rate with final settlement determined after submission of annual cost reports by the Health Center and audits thereof by the Medicare administrative contractor. The Health Center's Medicare cost reports have been retroactively settled by the Medicare administrative contractor through June 30, 2012.

- Other payers -- The Health Center also has entered into payment agreements with Medicaid, certain commercial insurance carriers, health maintenance organizations and preferred provider organizations. The basis for payment to the Health Center under these agreements includes prospectively determined rates per visit, and discounts from established charges.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Patient Service Revenue (Continued)

Laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. Compliance with such laws and regulations can be subject to future government review and interpretation as well as significant regulatory action including fines, penalties and exclusion from the Medicare and Medicaid programs. The Health Center believes that it is in substantial compliance with all applicable laws and regulations. However, there is at least a reasonable possibility that recorded estimates could change by a material amount in the near term. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in net patient service revenues in the year that such amounts become known. The differences between amounts previously estimated and amounts subsequently determined to be recoverable from third-party payers increased patient service revenues by approximately $4,848 and $41,423 for the years ended June 30, 2014 and 2013, respectively.

The Health Center, as a FQHC, is eligible to participate in the 340B Drug Pricing Program. The program requires drug manufacturers to provide outpatient drugs to FQHC's and other identified entities at a reduced price. The Health Center contracts with local pharmacies under this program. The local pharmacies dispense drugs to eligible patients of the Health Center and bill Medicare and commercial insurances on behalf of the Health Center. Reimbursement received by the pharmacies is remitted to the Health Center, less dispensing and administrative fees. Gross revenue generated from the program is included in patient service revenue. Contracted expenses incurred related to the program are included in other operating expenses.

Excess of Revenue Over Expenses

The statement of operations includes the excess of revenue over expenses. Changes in unrestricted net assets, which are excluded from the excess of revenue over expenses, consistent with industry practice, include unrealized gains and losses on investments other than trading securities, and contributions of long-lived assets (including assets acquired using contributions which by donor restriction were to be used for the purposes of acquiring such assets).

NOTE 2 ASSETS LIMITED AS TO USE

Assets limited as to use is composed of cash and cash equivalents and consisted of the following at June 30, 2014 and 2013:

	2014	2013
Board designated:		
Working capital (Federal 330 monies)	$ -	$ 150,000
Future capital	50,000	-
Donor restricted:		
Temporarily	51,136	61,197
Total	$ 101,136	$ 211,197

Cash and cash equivalents included in assets limited as to use are not considered cash and cash equivalents for cash flow purposes.

NOTE 3 PROPERTY AND EQUIPMENT

The cost and accumulated depreciation of property and equipment at June 30, 2014 and 2013 follows:

	2014	2013
Land	$ 81,000	$ 81,000
Building and leasehold improvements	2,756,571	2,707,810
Medical equipment	205,201	185,668
Furniture and equipment	1,016,001	860,928
Total cost	4,058,773	3,835,406
Less accumulated depreciation	1,165,367	988,362
Property and Equipment, Net	$ 2,893,406	$ 2,847,044

NOTE 4 LINE OF CREDIT

The Health Center has a $300,000 line of credit demand note with a local banking institution, which renews annually in December. The line of credit is secured by all assets and a second mortgage on the Health Center's real property. The interest rate on the line is set at the British Bankers' Association LIBOR plus 4% (4.154% at June 30, 2014). There was no outstanding balance at June 30, 2014 and 2013, respectively.

NOTE 5 NOTES PAYABLE

Long-term debt consisted of the following at June 30, 2014 and 2013:

	2014	2013
Note payable, with a bank (see terms below)	$ 1,363,717	$ 1,393,497
Less current maturities	36,800	21,300
Total Long-term Debt	$ 1,326,917	$ 1,372,197

On July 22, 2008, the Health Center obtained a $1,500,000 promissory note with RBS Citizens, N. A. for the purchase of the medical and office facility in Manchester, New Hampshire. The note is secured by the real estate. The note was a five-year balloon note due July 22, 2014 to be paid at the amortization rate of 30 years. The Health Center refinanced the note on December 6, 2013. The refinanced note is a five-year balloon note due 12/1/2018 to be paid at the amortization rate of 25 years. The note is borrowed at a variable interest rate with margins adjusted annually on July 1 based on the Health Center's achievement of two operating performance milestones (3.2542% at June 30, 2014).

New Hampshire Health and Educational Facilities Authority (NH HEFA) is participating in the lending for thirty percent of the refinanced promissory note, amounting to $414,534. Under the NH HEFA program, the interest rate on that portion is approximately 30% of the interest rate charged by RBS Citizens, N. A.

The Health Center is required to meet an annual minimum working capital and debt service coverage ratio as defined in the loan agreement with RBS Citizens, N. A. In the event of default, RBS Citizens, N. A. has the option to terminate the agreement and immediately request payment of the outstanding debt without notice of any kind to the Health Center. The covenants were met at June 30, 2014.

Scheduled principal repayments on long-term debt for the next five years follows:

Year Ending June 30,	Long-Term Debt
2015	$ 36,800
2016	37,382
2017	38,652
2018	39,965
2019	1,210,918
Total	$ 1,363,717

NOTE 6 TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets consisted of the following at June 30, 2014 and 2013:

	2014	2013
United Way-Last Resort Manchester Community Medical Fund	$ 1,005	$ 2,207
Merger costs	14,045	-
Behavioral health	583	-
Center for Excellence for Culturally Effective Care	31,274	-
Medicare FQHC APCP Demonstration Project	4,230	3,990
New access point	-	55,000
Capital improvements (expended)	196,600	257,236
Total	$ 247,737	$ 318,433

NOTE 7 PATIENT SERVICE REVENUE

A summary of patient service revenue for the years ended June 30, 2014 and 2013 follows:

	2014	2013
Medicare	$ 479,894	$ 419,236
Medicaid	3,170,576	2,569,299
Patient and patient health insurance	1,003,522	866,928
Medical patient service revenue	4,653,992	3,855,463
340B pharmacy revenue	113,277	-
Total Patient Service Revenue	$ 4,767,269	$ 3,855,463

The Health Center provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Health Center does not pursue collection of amounts determined to qualify as charity care, the revenue is recorded net of the free care allowance. The Health Center estimates the costs associated with providing charity care by calculating the ratio of total cost to total gross charges, and then multiplying that ratio by the gross uncompensated charges associated with providing care to patients eligible for free care. The estimated cost of providing services to patients under the Health Center's charity care policy amounted to $1,721,704 and $1,459,027 for the years ended June 30, 2014 and 2013, respectively.

The Health Center is able to provide these services with a component of funds received through local community support and federal and state grants. Local community support consists of contributions and United Way and municipal appropriations.

NOTE 8 FUNCTIONAL EXPENSES

The Health Center provides various services to residents within its geographic location. Expenses related to providing these services for the years ended June 30, 2014 and 2013 follows:

	2014	2013
Program services	$ 6,644,962	$ 5,198,285
Administrative and general	1,102,338	962,564
Total	$ 7,747,300	$ 6,160,849

NOTE 9 RETIREMENT PLAN

The Health Center sponsors a defined contribution plan under Section 403(b) of the Internal Revenue Code. Contributions to the plan amounted to $124,789 and $107,301 for the years ended June 30, 2014 and 2013, respectively.

NOTE 10 COMMITMENTS

Leases that do not meet the criteria for capitalization are classified as operating leases with related rentals charged to operations as incurred.

The following is a schedule by year of future minimum lease payments under operating leases for the Health Center at the year ended June 30, 2014, that have initial or remaining lease terms in excess of one year.

Year Ending June 30,	Minimum Lease Payments
2015	$ 127,321
2016	111,812
2017	74,299
2018	70,604
2019	72,016
Thereafter	362,094
Total	$ 818,146

Rental expense amounted to $99,880 and $41,591 for the years ended June 30, 2014 and 2013, respectively.

NOTE 11 MALPRACTICE INSURANCE

The Health Center is protected from medical malpractice risk as a FQHC under the Federal Tort Claims Act (FTCA). The Health Center has additional medical malpractice insurance, on a claims-made basis, for coverage outside the scope of the protection of the FTCA. As of the year ended June 30, 2014, there were no known malpractice claims outstanding which in the opinion of management, will be settled for amounts in excess of both FTCA and gap insurance coverage nor are there any unasserted claims or incidents which require loss accrual. The Health Center intends to renew the additional medical malpractice insurance coverage on a claims-made basis and anticipates that such coverage will be available.

NOTE 12 CONCENTRATION OF RISK

The Health Center has cash deposits in major financial institutions in excess of $250,000, which exceeds federal depository insurance limits. The financial institutions have a strong credit rating and management believes the credit risk related to these deposits is minimal.

The Health Center grants credit without collateral to its patients, most of who are local residents and are insured under third-party payer agreements. At June 30, 2014, Medicaid and Medicare represented 53% and 11% of gross accounts receivable, respectively. No other individual payer source exceeded 10% of the gross accounts receivable balance.

NOTE 13 PRIOR YEAR COMPARATIVE AMOUNTS

Certain prior year comparative amounts have been reclassified to be consistent with current year presentations. Certain other prior year amounts have been reclassified for the correction of an error. The impact of the reclassification was to reduce the excess of revenue over expenses and net assets by $45,198.

NOTE 14 SUBSEQUENT EVENTS

On May 20, 2014 the Health Center entered into an asset transfer agreement with Child Health Services, "CHS", a New Hampshire not-for-profit corporation, in which the Health Center would acquire substantially all of CHS's assets and liabilities, excluding CHS's endowment funds. It is anticipated the acquisition will be completed during fiscal year 2015.

For financial reporting purposes, subsequent events have been evaluated by management through October 7, 2014, which is the date the financial statements were available to be issued.

MANCHESTER COMMUNITY HEALTH CENTER

SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

FOR THE YEAR ENDED JUNE 30, 2014

The accompanying notes are an integral part of this schedule.

MANCHESTER COMMUNITY HEALTH CENTER

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

FOR THE YEAR ENDED JUNE 30, 2014

NOTE 1 BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards, "the Schedule", includes the federal grant activity of Manchester Community Health Center, "the Health Center", under programs of the federal government for the year ended June 30, 2014. The information in this schedule is presented in accordance with the requirements of the Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Because the schedule presents only a selected portion of the operations of the Health Center, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Health Center.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING PRINCIPLES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-122, *Cost Principles for Non-Profit Organizations*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule, if any, represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Pass-through entity identifying numbers are presented where available.

NOTE 3 SUBRECIPIENTS

Of the federal expenditures presented in the schedule, the Health Center provided federal awards to subrecipients as follows:

Program Title	CFDA Number	Amount Provided to Subrecipients
Project LAUNCH	93.243	$ 113,915

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

Board of Directors
Manchester Community Health Center
Manchester, New Hampshire

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Manchester Community Health Center, which comprise the balance sheets as of June 30, 2014 , and the related statements of operations, changes in net assets, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 7, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Health Center's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Health Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Health Center's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Health Center's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards.*

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditors' Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance

Board of Directors
Manchester Community Health Center
Manchester, New Hampshire

Report on Compliance for Each Major Federal Program

We have audited Manchester Community Health Center's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the Health Center's major federal programs for the year ended June 30, 2014. The Health Center's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the Health Center's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Health Center's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Health Center's compliance.

Opinion on Each Major Federal Program

In our opinion, the Health Center complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2014.

Report on Internal Control Over Compliance

Management is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Health Center's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Health Center's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

MANCHESTER COMMUNITY HEALTH CENTER

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

FOR THE YEAR ENDED JUNE 30, 2014

Section I - Summary of Auditor's Results

A. Financial Statements

1. Type of auditor's report issued	Unmodified
2. Internal control over financial reporting:	
• Material weakness(es) identified?	No
• Significant deficiencies identified?	None Reported
3. Noncompliance material to financial statements noted?	No

B. Federal Awards

1. Internal control over major programs:	
• Material weakness(es) identified?	No
• Significant deficiencies identified?	None Reported
2. Type of auditor's report issued on compliance for major programs	Unmodified
3. Any audit findings disclosed that are required to be reported in accordance with Section 510(a) of OMB Circular A-133?	No

C. Major Programs

Health Center Cluster	93.224
Project LAUNCH	93.243

D. Dollar threshold used to distinguish between Type A and Type B programs	$300,000
E. Auditee qualified as low-risk auditee?	Yes

MANCHESTER COMMUNITY HEALTH CENTER

SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)

FOR THE YEAR ENDED JUNE 30, 2014

Section II - Findings and Questioned Costs

A. Financial Statements

There were no financial statement findings for the year ended June 30, 2014.

B. Federal Awards

There were no Federal awards findings for the year ended June 30, 2014.

Section III - Prior Findings and Questioned Costs for the Year Ended June 30, 2013

A. Financial Statements

2013-1 Accounts Receivable and Revenue Recognition

Condition:

Accounts receivable and revenue were not recorded in the appropriate accounting period.

Recommendations:

We recommend management evaluate the differences between date of entry and date of service and potential reporting and posting challenges presented by either method. Once evaluated, we recommend management develop internal control procedures to ensure charges and related adjustments are reported in the appropriate period.

Current Status:

Management evaluated the differences between the two reporting mechanisms and adopted the report that best ensured revenue was posted to the appropriate period and developed internal control procedures to also ensure charges and any related adjustments are reported in the appropriate period.

Section III – Prior Findings and Questioned Costs for the Year Ended June 30, 2013 (Continued)

B. Federal Awards

2013-1 Accounts Receivable and Revenue Recognition

Same as financial statement findings reported above.

MANCHESTER
community
HEALTH CENTER

Mission, Vision and Core Values

Mission

To improve the health and well-being of our patients and the communities we serve by leading the effort to eliminate health disparities by providing exceptional primary and preventive healthcare and support services which are accessible to all.

Vision

MCHC will become the provider of choice for comprehensive primary health care by achieving the triple aim of better health outcomes, better patient care, and lowered costs through using innovative care models and strong community partnerships. MCHC will meet our mission by using evidence-based care that is patient-centered, engages families, removes barriers, and promotes well-being and healthy lifestyles through patient empowerment and education.

Core Values

We will promote wellness, provide exceptional care, and offer outstanding services so that our patients achieve and maintain their best possible health. We will do this through fostering an environment of respect, integrity and caring for all stakeholders in our organization.

SUMMARY: **Experienced results-oriented in ambulatory healthcare with strong work ethic and proven leadership skills**

LICENSES:

- Registered Nurse

ACCOMPLISHMENTS:

- Clinical Quality Leader
- Coordinator of Board of Directors Patient Care Assessment Committee
- Promoted to Senior Management Team 2008
- Infection Control Practitioner
- JCAHO Survey/PPR (Periodic Performance Review) Leader
- Coordinator Nursing Task Force
- Project Lead-Patient Centered Medical Home Recognition –Level 3
- Chair Quality and Standards Committee
- Chair Nursing Peer Review and Competency committee
- Core Team member Project 01 (electronic health record conversion)
- Developed Nursing Evidence Based Guidelines and Peer Review Committee
- Coordinate Provider Peer Review
- Coordinate Clinical Guidelines Committee

EXPERIENCE:

04/2013-present **Lowell Community Health Center**

- Chief Quality Officer
- Responsible for Joint Commission Accreditation, Health Resources Services Administration Clinical Quality Measures, Patient-Centered Medical Home Level 3 recognition and implementation for high volume, diverse patient population

2009-present **Lowell Community Health Center**
Lowell, Massachusetts

Chief of Clinical Operations

- In conjunction with Chief Medical Officer, responsible oversight for a busy, public community health center with internal medicine, family practice, pediatrics, OB/GYN, HIV, Family Planning, Behavior Health Services and School-based health centers with over 144 thousand visits annually

2007-2009

Director Family Practice, Prenatal and Women Services

- Responsible for the clinical, fiscal and administrative operation of ambulatory care services totaling over 15,000 patient visits annually
- Manage 5 grants with 3 departmental budgets
- Recruited, interviewed, hired, trained and supervised staff.
- Manage 47 employees of various disciplines including physician, nurse midwife, nursing and clinical support

2004-2007

Quality Nurse Manager and Infection Control Practitioner

- Develop Medication Management System
- Responsible for Infection Control Plan development and system-wide implementation
- Develop Employee Bloodbourne Pathogen Exposure Plan
- Developed Staff Infection Control Trainings
- N95 Fit testing initiated for LCHC employees

Clinical Manager of Metta (family primary care practice focusing on Southeast Asian population)

- Responsible for clinical operation of busy ambulatory primary care department Providing direct patient care services with over 8000 visits annually
- Responsible for clinical operation of RHAP (MDPH Refugee Health Assessment Program)

1998-2004

Department Manager (Women's Reproductive Health)

- Coordinated clinic and staff schedules.
- Recruited, interviewed, hired, trained and supervised staff.
- Participated in monthly Department Manager and Quality Improvement Meetings.
- Maintained compliance with state and federal grants.
- Conducted monthly staff meetings and internal quality improvement audits.
- Assessed staff training needs and scheduled In-Service education.
- Developed and implemented protocols and logbooks.
- Conducted follow-up on patients with abnormal pap smears.
- Performed clinical nursing duties related to family planning.

1994-2000 **Cardiology Associates of Greater Lowell**

Senior Registered Nurse

Coagulation management/PN/INR tracking of over 100 patients

- Thallium Stress Tests
- Exercise tolerance testing
- Trans-telephonic pacemaker testing
- Direct patient office care for primary and cardiology patients

1989-1994 **Healthworks**

Lowell, Massachusetts

Family Planning Staff Nurse
Abnormal Pap Management Coordinator
Clinical Nurse Manager

- Direct family planning service provider for busy family planning clinic
- Designed and implemented abnormal pap management system

1982-1989 **St. John Hospital/Saints Memorial Medical Center**

Staff/Charge Nurse

- Emergency Department triage and critical care 1984-1989
- Charge nurse for 30 bed medical-surgical unit 1982-84
- Assumed charge responsibility of busy ambulatory emergency department
- Nominated for Staff Nurse award for Clinical Excellence in Emergency Nursing
- Served as a preceptor in a 112 hour program for Senior Nursing Students

- Program Development

Professional experience

2013-Present: **President and CEO**- Manchester Community Health Center

- Oversee all service programs provided by MCHC to ensure that client needs are met and quality standards are maintained and monitored in an efficient, cost effective manner by: supervising program personnel; annually assessing relevance of current programs to community needs; achieving and maintaining appropriate accreditation and/or licenses for programs.
- Ensure that MCHC services are consistent with its mission, vision, and strategic plan to ensure that programming is relevant to existing and emerging client and community needs.
- With the Board Strategic Planning Committee, develop and assist with the planning, execution and evaluation of a fund raising program. Establish and maintain a rapport with corporate sponsors, major contributors, directors, volunteers, civic organizations, and other parties in which the Center does business.
- Recommend a staffing pattern to ensure efficient management and operation of all programs and activities.
- Serve as the primary staff resource for MCHC Board of Directors to ensure effective use of and communication with trustees.
- Ensure that MCHC activities are operated in a cost-effective, efficient manner to ensure ongoing financial stability
- Call and preside at regular meetings with staff to ensure adequate communication between staff, to give the opportunity to share ideas and concerns, to coordinate efforts, and to ensure appropriate standardization of policies and procedures.

- Recommend and communicate necessary policies and procedures to ensure adherence to management, program service, fiscal and accounting standards, and standards of good personnel procedures.

- Develop, coordinate, and maintain effective relationships between MCHC and other groups (such as State legislature, public and private health, welfare and service agencies, media, etc.,) to create public and professional understanding and support of the organization's objectives and activities.

2000-2013: **Director of Operations**- Manchester Community Health Center, Manchester, NH. In collaboration with other Senior Management staff, the DOO assumes responsibility for the day-to-day management of operations of the health center:

- Responsible for multiple departments, including Ancillary Staff, Nursing, Medical Assistants, Medical Records, Volunteers, Interpreters, and Business Office Staff.
- Collaborate with other senior management team members in overseeing health center operations, policy and program development, staff supervision, and overall program management of the organization.
- Maintaining continuity and quality of care for clients, including oversight of Patient Satisfaction programs, and co-responsibility for implementation of Quality Improvement Initiatives. Responsible for Patient Centered Medical Home and Meaningful Use activities.
- Primary responsibility for data analysis related to quality of care initiatives
- Key role in the development of center-wide goals and representing the Health Center in various community settings.
- Project Manager for the EMR (Electronic Medical Record)called Centricity (EMR & PM) including initial setup and implementation, ongoing support and development
- Participate in Board of Directors meetings, and several board and staff committees, including Safety, Personnel, Ethics, Strategic Planning, QI, Corporate Compliance, Medical Advisory Committee
- Direct staff and management team supervision, grant writing, project management, regulatory compliance, community collaborations, cultural competency, budget development, and other operational activities.
- Facilitation of employee satisfaction survey development, administration and response
- Oversight and development of ancillary services including interpretation, transportation, nutrition, dental collaboration grants and behavioral health.
- Special initiatives including Medical Home certification, Meaningful Use planning, Joint Commission accreditation, and similar ventures

1997-2000: **Family Services Manager**- Manchester Community Health Center, Manchester, NH. Responsible for the management of the behavioral health services, care management, nutrition, interpretation, and coordination of ancillary services programming.

1996-1997: **Crisis Outreach Counselor**- Manchester Community Health Center, Manchester, NH. Provided crisis intervention and short-term counseling to patients identified by provider staff as high risk. Complete psycho-social intakes on new patients. Performed outreach services to patients who had fallen out of care. Coordinated care with medical team and behavioral health staff.

1995-1996: **Substance Abuse Clinician I**- Habit Management Institute, Lawrence, MA.

- Substance Abuse individual counseling
- Methadone treatment planning
- Substance abuse education
- Facilitation of support groups
- Admission/discharge planning, and community networking.

1993-1995: **Case Manager/Volunteer Coordinator, Fundraising Coordinator**- River Valley AIDS Project, Springfield, MA.

- Volunteer Program Coordinator responsibilities included developing and maintaining a volunteer program for the agency, networking, training, design and implementation, volunteer support, and monthly billing/statistics.
- Development Coordinator responsibilities included creating a fundraising donor base, initiating the development of new fundraising events, facilitating relationships with corporate sponsors, maintaining quarterly newsletters, and facilitating the following committees: Anthology Committee, Dinner for Friends Committee, Gay Men's Focus Group, Fundraising Committee, and the Children Orphaned by AIDS Committee.
- During first year of employment functioned as a Case Manager, with responsibilities including referrals, trainings, translation, support groups, counseling, advocacy, and monthly billing. Created the first public Resource Library for HIV/AIDS in Western MA, developed a donation program, and developed a Speaker's Bureau program, as well as supervised interns and trained new staff.

1990-1993: **Rape Crisis Counselor, Children's Advocate/Counselor**- YWCA, Springfield, MA.

- Rape Crisis Counselor: responsible for essentially all aspects of programming including statistics for grant reporting, billing records, case records, and individual, couples and family counseling services. Also responsible for legal and medical advocacy, educational trainings, and hotline/on-call responsibilities. Facilitated four support groups for adults, teens, Spanish speaking women, and teenagers who had re-perpetrated their sexual abuse.
- Children's Counselor/Advocate: responsible for individual counseling, a children's support group, parenting classes, and working with the referral needs of the children in the battered women's shelter. As a member of the Counseling team: answered hotline calls, provided individual counseling, kept case files, ran in-house support groups, and provided traditional case management.

Major Accomplishments – Concord School District (SAU#8)

Coordinated search, selection and implementation process for new financial / human resources software
Established a new chart of accounts to better meet District needs and comply with GAAP and State Handbook II guidelines
Introduced internal controls which successfully reduced the Management Letter comments by 100% from 38 to -0-
Obtained approval of $3.68m in Qualified School Construction Bond funding - savings of approx. $1m in interest
Created detailed financial model for costing all components of proposals during collective bargaining negotiations
Established a standardized procedure manual for use district-wide in the management of Student Activity Accounts
Established monthly process to export financial expenditure data for ease of analysis using Excel Pivot Tables
Refined budget process and created materials for Board presentation and public hearings
Positioned District to be able to bond $62.5m for a facility project independently; Secured Moody's rating of Aa2 in 2010
Issued $55m in bonds including Build America Bonds; Affirmed Aa2 Moody's rating; Secured first Standard & Poor's rating of AA-
Saved $8.5m in interest expense on $55m bond issue through interest rebates

Major Accomplishments – SAU #19

Implementation of Annual Benefit Fairs
Negotiation of District Wide Copier Upgrade Plan
Staff Retention and Development
Implementation of Internal Controls
Financial Tracking / Reporting of Building Projects
Search and Selection of Finance/HR Software
District Savings Through:
* Resolution of Outstanding IRS Issues upon hire
* Implementation of Health Insurance Reconciliation
* Implementation of COBRA Tracking Process
* Bond Refunding resulting in $340k+ in savings
* Implementation of GASB 34 In-house / No Consultant Fees
* Negotiation of a 3-Year Rate Guarantee for Life & LTD Coverage
* Renegotiated a 66-Month Fixed Fee Copier Contract Resulting in $26K in Savings Over Prior Contract
* Improved Goffstown School District's Bond Rating from A3 in 1998 to A2 in 2001

Major Accomplishments – Easter Seal Society

Active in Financial Turnaround of Not-for-Profit Organization
Assisted in Merger of $5 Million NY Organization
Implemented Weekly Financial Information
Roll out of Drilldown Process & Networked Financial Information
Successful IRS Audits – No Adjustments
Conversion to Client / Server / Financial Software
Successful Financial & A-133 Audits
430% increase in Short Term Cash
Recipient of Awards for Outstanding Service

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, to amend agreements with 13 vendors by increasing the total price limitation by $4,293,569 from $5,173,800 to $9,467,369 to provide primary care services. This amount includes a request to **retroactively** enter into **sole-source** amendments in an amount of $648,347, effective **retroactive** to July, 1, 2013 through June 30, 2014 and to exercise a one-year renewal option with the same 13 vendors in an amount of $3,645,222, extending the completion date from June 30, 2014 to June 30, 2015, effective upon Governor and Council approval. Twelve of these agreements were originally approved by Governor and Council on June 20, 2012, Item numbers 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, and one agreement was originally approved by Governor and Council on July 11, 2012, Item number 31.

Summary of contracted amounts by vendor:

Vendor	Location	SFY 2014 Amount	SFY 2015 Amount	Total Increase
Ammonoosuc Community Health	North Grafton/ South Coos	$42,661	$254,172	$296,833
Concord Hospital, Inc.	Merrimack/ Hillsborough	$64,413	$376,377	$440,790
Coos County Family Health	Eastern Coos	$24,351	$159,685	$184,036
Families First of the Greater Seacoast	Seacoast Area	$41,892	$242,094	$283,986
Goodwin Community Health	Strafford County	$74,293	$420,579	$494,872
Health First Family Care Center	Central/Eastern Belknap	$55,968	$292,214	$348,182
Indian Stream Health Center	Northern Coos & Colebrook	$18,030	$100,409	$118,439
Lamprey Health Care, Inc.	Central Southern/Eastern NH	$119,828	$654,249	$774,077
Manchester Community Health Center	Greater Manchester Area	$71,392	$407,637	$479,029
Mid-State Health Center	Central Northern Belknap	$35,001	$175,511	$210,512
The New London Hospital, Inc.	Sullivan County	$39,566	$225,093	$264,659
Weeks Medical Center	Western Coos	$20,652	$113,557	$134,209
White Mountain Community Health	Northern Carroll	$40,300	$223,645	$263,945
TOTAL		**$648,347**	**$3,645,222**	**$4,293,569**

Funds to support this request are available in the following accounts for SFY 2014 and SFY 2015, with authority to adjust amounts within the price limitation and amend the related terms of the contract without further approval from Governor and Executive Council.

05-95-90-902010-5190 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF POPULATION HEALTH AND COMMUNITY SERVICES, MATERNAL AND CHILD HEALTH

See attachment for financial details

EXPLANATION

Approval is requested **retroactive** to July 1, 2013. The services provided by these contracts are consistent with prior contracts and were included in the operating budget for SFY 2014 and SFY 2015. Contracts were delayed, however, since the exact amount of funding available was only recently determined. The SFY 2014 amendments are **sole source** because they exceed more than 10% of the original contract amount.

This requested action seeks approval of 13 amendments that represents $4,293,569 total anticipated to be spent statewide to continue breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. In the interest of efficiency, the contract amendments are being bundled as they are providing the same services, and because of the size of the resulting Governor and Council submission, the copies provided are abbreviated in the interest of saving resources. The Councilors and the public can view the entire submission package on the Secretary of State's website.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

In addition, breast and cervical cancers continue to be ongoing public health issues for New Hampshire. The Division of Public Health Services, Breast and Cervical Cancer Screening Program

provides support for breast and cervical cancer screening services that include clinical examinations, pap smears and referral for mammography. Through this program, women found to have abnormal screening results, following their testing, receive additional coverage for diagnostic work-up and, if necessary, have their care coordinated through the initiation of treatment.

Should Governor and Executive Council not authorize this Request, low-income individuals statewide may not have adequate access to primary care services, and eligible women may not receive recommended breast and cervical cancer screenings. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. Additionally women that receive recommended breast and cervical cancer screenings are at lower risk of late diagnosis of breast and cervical cancers.

Contracts were awarded to Primary Care agencies through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by teams of three professionals. All reviewers have between three to 20 years' experience managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were averaged and all proposals were recommended for funding. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, these competitively procured Agreements have the option to renew for two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council. The Department is exercising one year of this renewal option.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. All Primary Care vendors are making adequate progress in meeting clinical performance measures and the Departments wishes to continue working with the vendors for another year.

The performance measures as described in the contract amendment Exhibit A – Amendment 1 – Performance Measures, will be used to continue to measure the effectiveness of the agreement.

Area to be served is statewide.

Source of Funds: 13.09% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau; Centers for Disease Control and Prevention and 86.91% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Brook Dupee for

José Thier Montero, MD, MHCDS
Director

State of New Hampshire
Department of Health and Human Services
Amendment #1 to the
Manchester Community Health Center

This 1st Amendment to the Manchester Community Health Center contract (hereinafter referred to as "Amendment One") dated this 12th day of March, 2014, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Manchester Community Health Center (hereinafter referred to as "the Contractor"), a corporation with a place of business at 145 Hollis Street, Manchester, New Hampshire 03101.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18, the State may modify the scope of work and the payment schedule of the contract by written agreement of the parties;

WHEREAS, the Department desires to provide additional primary health care services for preventive and episodic health care for acute and chronic health conditions for people of all ages.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

- Form P-37, to change:
  Block 1.7 to read: June 30, 2015
  Block 1.8 to read: $1,051,425

- Exhibit A, Scope of Services to add:
  Exhibit A – Amendment 1

- Exhibit B, Purchase of Services, Contract Price, to add:

  Paragraph 1.1 to Paragraph 1:
  The contract price shall increase by $71,392 for SFY 2014 and $407,637 for SFY 2015.

  Paragraph 1.2 to Paragraph 1:
  Funding is available as follows:
- $71,392 from 05-95-90-902010-5190-102-500731, 100% General Funds;
- $357,989 from 05-95-90-902010-5190-102-500731, 6.7% Federal Funds from the US Department of Health and Human Services Administration, Maternal and Child Health Bureau, CFDA #93.994 and 93.3% General Funds;

Contractor Initials:
Date: 3/12/14

- $49,648 from 05-95-90-902010-5659-102-500731, 100% Federal Funds from the US Department of Health and Human Services, Centers for Disease Control and Prevention, CFDA #93.283;

  Add Paragraph 8
  8. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjustments to amounts between and among account numbers, within the price limitation, may be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

- Budget, to add:
  Exhibit B-1 (2014) - Amendment 1,
  Exhibit B-1 (2015) - Amendment 1

This amendment shall be in effect July 1, 2013, effective upon the date of Governor and Executive Council approval.

Scope of Services

The Department desires to continue the relationship with the primary care agencies to provide additional primary health care services for preventive and episodic health care for acute and chronic health conditions for people of all ages.

I. General Provisions

A) Eligibility and Income Determination

1. Office-based primary care services will be provided to low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire.

2. Breast and Cervical Cancer screening services will be provided to low-income (defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), New Hampshire women age 21– 64, uninsured or underinsured. BCCP changes.

3. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new patients for more than a one month period.

4. The Contractor shall document annually, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete with the client the most recent version of the 800P form.

5. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, approved in advance by the Division of Public Health Services (DPHS), for low-income patients. Signage must state that no client will be denied services for inability to pay.

    a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, submitted to and approved by DPHS prior to implementation.

6. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered.

B) Numbers Served

1. The contract funds shall be expended to provide the above services to a minimum of 9,425 users annually with 37,620 medical encounters, as defined in the Data and Reporting Requirements. Breast and Cervical Cancer Screening for eligible women, as defined by the Breast and Cervical Cancer Program (BCCP), shall be provided to 279 women annually and billed directly to the BCCP. Clinical service reimbursements shall not exceed the Medicare rate.

C) Culturally and Linguistically Appropriate Standards of Care

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. Provide clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.

4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.

5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation 45 CFR 80.3(b) (2). The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) State and Federal Laws

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated hereunder.

E) Relevant Policies and Guidelines

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

2. Primary Care funds shall be targeted to populations in need. Populations in need are defined as follows:

   a) uninsured;

   b) under-insured;

   c) families and individuals with significant psychosocial and economic risk, including low income status;

   d) all life cycles including perinatal, child, adolescent, adult, and elderly who meet one or more of the above criteria.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.

4. The Contractor shall have an agency emergency preparedness and response plan in accordance with HRSA Health Center Emergency Management Program Expectations, Document #2007-15 or most recent version. Such plan shall also include a Continuity of Operations plan.

5. The Contractor shall carry out the work as described in the performance Workplan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

6. No Workplan is required by the Breast and Cervical Cancer Program (BCCP). The contractor shall be required to respond to the Quality Improvement Feedback Report twice a year.

7. The Contractor shall carry out the work as described in the Supplemental Funding Form submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) Publications Funded Under Contract

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, electronic) produced, reproduced, or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14).

G) Subcontractors

If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing and approve the subcontractual agreement, prior to initiation of the subcontract.

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing and approve the subcontractual agreement, prior to initiation of the subcontract.

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. Minimal Standards of Core Services

A. Service Requirements

1. Medical Home

The Contractor shall provide a Medical Home that:

a) Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.

b) Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.

2. Primary Care Services

The Contractor shall provide office-based primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, APRN, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, oral health, and behavioral health specialty providers.

b) Referral to the WIC Nutrition Program for all eligible pregnant women, infants and children.

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.

d) Access to a healthcare provider, directly or by referral or subcontract, by telephone twenty-four hours per day, seven days per week.

e) Assessment of psychosocial risk for all clients at least annually and for children at scheduled preventive care visits, including, at a minimum, age appropriate assessment of safety in the home, domestic violence, adequacy of food and housing, care and welfare of children, transportation needs, and provision of necessary social services to address the priority needs and safety issues of clients and families.

f) Falls prevention screening for patients 65 years and older using the algorithm and guidelines of the American Geriatrics Society.

g) Behavioral health care directly or by referral to an agency or provider with a sliding fee scale.

h) Nutrition assessment for all clients as part of the health maintenance visit. Therapeutic nutrition services shall be provided as indicated directly or by referral to an agency or provider with a sliding fee scale. These services shall be recorded in the medical record.

i) Formal arrangements with a local hospital for emergency care must be in place and reviewed annually.

j) Home health care directly or by referral to an agency or provider with a sliding fee scale.

k) Assisted living and skilled nursing facility care by referral.

l) Oral screening annually for all clients 21 years and older to note obvious dental decay and soft tissue abnormalities with a reminder to the patient that poor oral health impacts total health.

m) Diagnosis and management of pediatric and adult patients with asthma provided according to National Heart Lung Blood Institute, National Asthma Education and Prevention Program, Expert Panel Report 3: Guidelines for the Diagnosis and Management of Asthma, 2007.

3. Breast and Cervical Cancer Screening

a) Women age 21 to 64 who are eligible for Breast and Cervical Cancer Program (BCCP) services according to income (equal to or under 250% of poverty, underinsured/uninsured) and insurance status criteria shall be provided the following services, following USPSTF screening recommendations:

i. cervical cancer screening including a pelvic examination and Pap smear;
ii. breast cancer screening including a clinical breast exam, mammogram and,
iii. referrals for diagnostic and treatment services based on screening results,
iv. case management services.

b) All referrals under this provision shall be to approved certified laboratory, pathology, radiology, and surgical services. Mammography units shall be accredited by the American College of Radiology, and must be FDA certified under MQSA. Laboratories shall be CLIA certified.

c) All services shall be provided in accordance with the Breast and Cervical Cancer Program (BCCP) Policy and Procedure Manual.

d) Follow-up and tracking of all tests done, and referrals made shall be provided in accordance with the minimum standards outlined in the Breast and Cervical Cancer Program Policy and Procedure Manual.

e) All services for women enrolled in the Breast and Cervical Cancer Program (BCCP) shall be billed directly to the BCCP in accordance with protocols established by the Breast and Cervical Cancer Program.

f) The Contractor shall provide the NH Breast and Cervical Cancer Program with breast and cervical cancer screening rates for all women served by the practice as requested, but not more than twice per SFY.

g) The contractor shall work with the NH Breast and Cervical Cancer Program staff to increase the breast and cervical cancer screening rates among all women serviced by the practice.

4. Reproductive Health Services

The Contractor shall provide prenatal, interconceptional and preconception medical care, social services, nutrition services, education, and nursing care to all women of childbearing age. Preconceptional care includes the preconception, interconceptional, and postpartum periods in women's health. It is recommended that preconceptional and interconceptional care visits focus on maintaining or achieving the optimal health of the mother, lowering the risk of future adverse pregnancy outcomes, the family's future plans, and how additional children fit into that plan. Preconceptional counseling may be done during an office, group or home visit.

a) In the event prenatal care is not provided directly by the Contractor a formal Memorandum/a of Agreement for coordinated referral to an appropriately qualified provider must be maintained.

b) Prenatal care shall, at minimum, be provided in accordance with the Guidelines for Perinatal Care, sixth or most current edition, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists, and /or the Centers for Disease Control.

c) Age appropriate reproductive health care shall, at a minimum, be provided in accordance with the American College of Obstetricians and Gynecologists, or the USDHHS Centers for Disease Control (CDC) current guidelines.

d) Pregnant women enrolled in the WIC Nutrition Program shall be referred to WIC for breastfeeding education and referral to the WIC Nutrition Program peer counselors.

e. Family planning counseling for prevention of subsequent pregnancy following an infant's birth shall be discussed with the infant's mother at the first postpartum visit and at the infant's 2-month visit and other visits as appropriate. Rationale for birth intervals of 18-24 months shall be presented.

f) A referral to a Title X Family Planning Clinic or other reproductive health care provider shall be made as appropriate.

5. Services for Children and Adolescents

The Contractor shall provide as a minimum, comprehensive and age-appropriate health care, screenings, and health education according to the American Academy of Pediatrics' most recent periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent. Children and adolescent visits shall include:

a) The World Health Organization (WHO) growth charts shall be used to monitor growth for infants and children birth up to age 2 years. The Centers for Disease Control and Prevention (CDC) growth charts shall be used for children age 2 years and older.

b) Blood lead testing shall be performed in accordance with "New Hampshire Childhood Lead Poisoning Screening and Management Guidelines", issued by the New Hampshire Department of Health and Human Services, 2009 or subsequent revisions.

c) All children enrolled in either Medicaid, Head Start, or the Women, Infant, and Children (WIC) Program and/or who are ≤ 185%_poverty, regardless of town of residence, are required to have a blood lead test at ages one and two years. All children ages three to six years who have not been previously tested shall have a blood lead test performed.

d) All children shall be screened for iron deficiency anemia as outlined in the Centers for Disease Control and Prevention document "Recommendations to Prevent and Control Iron Deficiency in the United States (4/2/98)".

e) Age-appropriate anticipatory guidance, dietary guidance, and *feeding practice counseling* for optimal oral health shall be provided at each well child visit according to the American Academy of Pediatrics' periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent edition. Starting at age 6 months, it is recommended that all children receive an oral health assessment at every well child visit, and a referral for the child's first visit to the dentist by age one as recommended by the American Academy of Pediatrics and the American Academy of Pediatric Dentistry.

f) Supplemental fluoride shall be prescribed as needed based upon the fluoride levels in the child's drinking water supply. The fluoride dosage regimen accepted by the American Academy of Pediatrics shall be followed. No fluoride shall be prescribed without obtaining water from private wells or noting the presence or absence of fluoride in the public water supply. Supplemental fluoride may include bottled water containing fluoride and topical applications such as varnishes.

g) For infants enrolled in the WIC Nutrition Program, parents shall be referred to WIC for breastfeeding support and referral to the WIC Nutrition Program peer counselors.

6. Sexually Transmitted Infections

Primary Care Services shall provide age appropriate screening and treatment of sexually transmitted infections.

a) Treatment for sexually transmitted infections shall be provided according to the United States Centers for Disease Control Sexually Transmitted Diseases Treatment Guidelines, 2010 or subsequent revisions.

b) All clients, including women, shall be offered HIV testing following the most current recommendations of the United States Centers for Disease Control.

c) The contractor shall be responsible for ensuring referral to appropriate treatment services for any woman found to screen positive.

d) Appropriate risk reduction counseling shall be provided based on client needs.

7. Substance Use Services

a) A substance use screening history using a formal, validated screening tool shall be obtained for all clients as soon after entry into care as possible. Substance use counseling or other substance abuse intervention, treatment, or recovery services by an appropriately credentialed provider shall be provided on-site, or by referral, to clients with identified needs for these services. For these identified clients, ongoing primary care services should include follow up monitoring relative to substance abuse.

b) All clients, including pregnant women, identified as smokers shall receive counseling using the 5A's (ask, advise, assess, assist, and arrange) treatment available through the NH Tobacco Helpline as cited in the US Public Health Services report "Tobacco Use and Dependence", 2008, or "Smoking Cessation During Pregnancy: A Clinician's Guide to Helping Pregnant Women Quit Smoking", American College of Obstetricians and Gynecologists, 2011. With prior approval, agencies may also opt to participate in the DPHS best practice initiative of the 2A's and R (ask, advise and refer).

8. Immunizations

a) The Contractor shall adhere to the most current version of the "Recommended Adult Immunization Schedule for Adults (19 years and older) by Age and Medical Condition - United States", approved by the Advisory Committee on Immunization Practices, the American College of Obstetricians and Gynecologists, and the American Academy of Family Physicians.

b) The Contractor shall administer vaccines according to the most current version of the "Recommended Immunization Schedule for Persons Aged 0 Through 6 Years - United States", and "Recommended Immunization Schedule for Persons Aged 7 Through 18 Years – United States" approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians, based upon availability of vaccine from the New Hampshire Immunization Program.

9. Prenatal Genetic Screening

a) A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

b) All pregnant women should be offered voluntary genetic screening for fetal chromosomal abnormalities at the appropriate time following recommendations found in the American College of Obstetricians and Gynecologists' "Screening for Fetal Chromosomal Abnormalities (2007)" or more recent guidelines. The Contractor shall be responsible for ensuring referral to appropriate genetic testing and counseling for any woman found to have a positive screening test.

10. Additional Requirements

a) The Contractor's Medical Director shall participate in the development and approval of specific guidelines for medical care that supplement minimal clinical standards. Supplemental guidelines should be reviewed, signed, and dated annually, and updated as indicated.

b) Contractors considering clinical or sociological research using clients as subjects must adhere to the legal requirements governing human subjects research. Contractors must inform the DPHS, MCHS prior to initiating any research related to this contract.

c) The Contractor shall provide information to all employees annually about the Medical Reserve Corps Unit within their Public Health Region to enhance recruitment.

d) The Contractor shall provide information to all employees annually regarding the Emergency System for the Advance Registration of Volunteer Health Professionals (ESAR-VHP) managed by the NH Department of Health and Human Services' Emergency Services Unit, to enhance recruitment.

B) Staffing Provisions

The Contractor shall have, at minimum, the following staff positions:

a) executive director

b) fiscal director

c) registered nurse

d) clinical coordinator

e) medical service director

f) nutritionist (on site or by referral)

g) social worker

Staff positions required to provide direct services on-site include:

a) registered nurse

b) clinical coordinator

c) social worker

1. Qualifications

All health and allied health professionals shall have the appropriate New Hampshire licenses whether directly employed, contracted, or subcontracted.

In addition the following minimum qualifications shall be met for:

a) Registered Nurse
   a. A registered nurse licensed in the state of New Hampshire, Bachelor's degree preferred. Minimum of one-year experience in a community health setting.

b) Nutritionists:
   a. A Bachelor's degree in nutritional sciences or dietetics, or a Master's degree in nutritional sciences, nutrition education, or public health nutrition or current Registered Dietitian status in accordance with the Commission on dietetic Registration of the American Dietetic Association.
   b. Individuals who perform functions similar to a nutritionist but do not meet the above qualifications shall not use the title of nutritionist.

c) Social Workers shall have:
   a. A Bachelor's or Master's degree in social work or Bachelor's or Master's degree in a related social science or human behavior field. A minimum of one year of experience in a community health or social services setting is preferred.
   b. Individuals who perform functions similar to a social worker but do not meet the above qualifications shall not use the title of social worker.

d) Clinical Coordinators shall be:
   a. A registered nurse (RN), physician, physician assistant, or nurse practitioner with a license to practice in New Hampshire.
   b. The coordinator is a clinical position that oversees and takes responsibility for the clinical and administrative functions of each program.
   c. The coordinator may be responsible for more than one MCH funded program.

2. New Hires

The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing within one month of hire when a new administrator, clinical coordinator, or any staff person essential to carrying out contracted services is hired to work in the program. A resume of the employee shall accompany the aforesaid notification.

3. Vacancies

   a) The Contractor must notify the MCHS in writing if any critical position is vacant for more than one month, or if at any time funded under this contract does not have adequate staffing to perform all required services for more than one month. This may be done through a budget revision.

   b) Before an agency hires new program personnel that do not meet the required staff qualifications, the agency shall notify the MCHS in writing requesting a waiver of the applicable staffing requirements. The Section may grant waivers based on the need of the program, individuals' experience, and additional training.

C) Coordination of Services

1. The Contractor shall coordinate, where possible, with other service providers within the contractor's community. At a minimum, such collaboration shall include interagency referrals and coordination of care.

2. The Contractor shall participate in activities in the Public Health Region in which they provide services as appropriate. These activities enhance the integration of community-based public health prevention and health care initiatives that are being implemented by the contractor and may include community needs assessments, public health performance assessments, and/or the development of regional health improvement plans.

3. The Contractor agrees to participate in and coordinate public health activities as requested by the Division of Public Health Services during any disease outbreak and/or emergency, natural or man-made, affecting the public's health.

4. The Contractor is responsible for case management of the client enrolled in the program and for program follow-up activities. Case management services shall promote effective and efficient organization and utilization of resources to assure access to necessary comprehensive medical, nutritional, and social services for clients.

5. The Contractor shall assure that appropriate, responsive, and timely referrals and linkages for other needed services are made, carried through, and documented. Such services shall include, but not be limited to: dental services, genetic counseling, high risk prenatal services, mental health, social services, including domestic violence crisis centers, substance abuse services; and family planning services, Early Supports and Services Program, local WIC/CSF Program, Home Visiting New Hampshire Programs and health and social service agencies which serve children and families in need of those services.

D) Meetings and Trainings

The contractor will be responsible for sending staff to meetings and training required by the MCHS program, including but not limited to:

1. MCHS Agency Directors' meetings
2. Prenatal and Child Health Coordinators' meetings
3. MCHS Agency Medical Services Directors' meetings

III. Quality or Performance Improvement (QI/PI)

A) Workplans

1. Performance Workplans are required for this program and are used to monitor achievement of standard measures of performance of the services provided under this contract. The workplans are a key component of the RHPCS and the MCHS performance-based contracting system and of this contract. Outcomes shall be reported by clinical site.
2. Performance Workplans and Workplan Outcome reports according to the schedule and instructions provided by the MCHS. The MCHS shall notify the Contractor at least 30 days in advance of any changes in the submission schedule.
3. The Contractor shall incorporate required and developmental performance measures, defined by the MCHS into the agency's Performance Workplan. Reports on Workplan Progress/Outcomes shall detail the Performance Workplan plans and activities that monitor and evaluate the agency's progress toward performance measure targets.
4. The Contractor shall comply with modifications and/or additions to the workplan and annual report format as requested by RHPCS and MCHS. MCHS will provide the contractor with reasonable notice of such changes.
5. Agencies contracting for Primary Care Services must submit the workplans for Primary Care Clinical and Financial, Child Health, and Prenatal Care.

B) Additional Reporting requirements

In addition to Performance Workplans, the Contractor shall submit to MCHS the following data and information listed below which are used to monitor program performance:

1. In years when contracts or amendments are not required, the DPHS Budget Form, Budget Justification, Sources of Revenue and Program Staff list forms must be

completed according to the relevant instructions and submitted as requested by DPHS and, at minimum, by April 30 of each year.

2. The Sources of Revenue report must be resubmitted at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

3. Completed Uniform Data Set (UDS) tables reflecting program performance in the previous calendar year, by March 31 of each year.

4. The Perinatal Client Data Form (PCDF) shall be submitted electronically according to the instructions set forth by the MCHS.

5. A copy of the agency's updated Sliding Fee Scale including the amount(s) of any client fees and the schedule of discounts must be submitted by March 31st of each year. The agency's sliding fee scale must be updated annually based on the US DHHS Poverty guidelines as published in the Federal Register.

6. An annual summary of program-specific patient satisfaction results obtained during the prior contract period and the method by which the results were obtained shall be submitted annually as an addendum to the Workplan Outcome/Progress reports.

C) On-site reviews

1. The contractor shall allow a team or person authorized by the Division of Public Health Services to periodically review the contractor's systems of governance, administration, data collection and submission, clinical and financial management, and delivery of education services in order to assure systems are adequate to provide the contracted services.

2. Reviews shall include client record reviews to measure compliance with this exhibit.

3. The contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.

4. On-Site reviews may be waived or abbreviated at the discretion of MCHS, upon submission of satisfactory reports of reviews such as Health Services Resources Administration (HRSA): Office of Performance Review (OPR), or reviews from nationally accreditation organizations such as the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), Medicare, the Community Health Accreditation Program (CHAP), Accreditation Association for Ambulatory Healthcare (AAAHC), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey. Abbreviated reviews will focus on any deficiencies found in previous reviews, issues of compliance with this exhibit, and actions to strengthen performance as outlined in the agency Performance Workplan.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE CHILD HEALTH DIRECT CARE SERVICES
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Please note, for all measures, the following should be used **unless otherwise indicated:**

- Less than 19 years of age
- Served within the scope of this MCH contract during State Fiscal Year 2015 (July 1, 2014 – June 30, 2015)
- Each client can only be counted once (unduplicated)

Child Health Direct (CH – D) Performance Measure #1

Measure: 92%* of eligible children will be enrolled in Medicaid

Goal: To increase access to health care for children through the provision of health insurance

Definition: **Numerator-**
Of those in the denominator, the number of children enrolled in Medicaid.

Denominator-
Number of children who meet all of the following criteria:

- Less than 19 years of age
- Had 3 or more visits/encounters** during the reporting period
- As of the last visit during the reporting period were eligible for Medicaid

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**An encounter is face to face contact between a user and a provider who exercises independent judgment in the provision of services to the individual (UDS Table Definition).

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #2

Measure: 85%* of at-risk** children who were screened for blood lead between 18 and 30 months of age

Goal: To prevent childhood lead poisoning through early identification of lead exposure

Definition: **Numerator-**
Of those in the denominator, number of children screened for blood lead by capillary or venous on or after their 18-month birthday and prior to their 30-month birthday.

Denominator-
Number of at-risk** children who reached age 30 months during the reporting period. If discharged prior to 30 months, do not include in denominator.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**At risk = During the reporting period, the children were 18-29 months of age, and fit at least one of the following criteria:

- "Low income" (less than 185% poverty guidelines)
- Over 185% and resided in a town considered needing "Universal" screening per NH Childhood Lead Poisoning Prevention Program
- Over 185%, resided in a town considered "Target" and had a positive response to the risk questionnaire
- Refugee children -A refugee is defined as a person outside of his or her country of nationality who is unable or unwilling to return because of persecution or a well-founded fear of persecution on account of race, religion, nationality, membership in a particular social group, or political opinion (U.S. Citizenship and Immigration Services definition).

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #3

Measure: 71%* of children age two to nineteen years receiving primary care preventive health services with a Body Mass Index (BMI) percentile greater than or equal to the 85%ile with documented discussion of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Goal: To increase the percent of children receiving primary care preventive health services who have an elevated BMI percentile who receive guidance about promoting a healthier lifestyle.

Definition: **Numerator-**
Of those in the denominator, the number of children who had documentation in their medical record of there being discussion at least once during the reporting period of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Denominator-
Number of children who turned twenty-four months during or before the reporting period, up to the age of nineteen years, with one or more well child visit after their twenty-fourth month of age within the reporting year, and had an age and gender appropriate BMI percentile greater than or equal to the 85 % percentile at least once during the reporting period.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

Rationale: Children between the 85th – 94th percentiles BMI are encouraged to have 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks. (Discussion of the importance of family meal time, limiting eating out, consuming a healthy breakfast, preparing own foods, and promotion of breastfeeding is also encouraged.) American Academy of Pediatrics' guidance for Prevention and Treatment of Childhood Overweight and Obesity, (http://www.aap.org/obesity/health_professionals.html), from AAP Policy Statement: *Prevention of Pediatric Overweight and Obesity* and the AAP endorsed Expert Committee Recommendations Regarding the Prevention, Assessment, and Treatment of Children and Adolescent Overweight and Obesity, 2007.

*Target based on 2012 & 2013 Data Trend Table averages.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) #4

Measure: 75%* of eligible** infants and children with client record documentation of enrollment in WIC

Goal: To increase access to nutrition education, breastfeeding support, and healthy food through enrollment in the WIC Nutrition Program

Definition: **Numerator -**
Of those in the denominator, the number of infants and children who, as of the last well child visit during the reporting period, had client record documentation that infant or child was enrolled in WIC.

Denominator -
Unduplicated number of infants and children less than 5 years of age, enrolled in the agency, during the reporting period, who were eligible** for WIC.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**WIC Eligibility Requirements:

- Infants, and children up to their fifth birthday
- Must be income eligible (income guidelines are up to 185% of federal gross income, and are based on family size)

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #5

Measure: 23%* of infants who were exclusively** breastfed for the first three months, at their four month well baby visit

Goal: To provide optimum nutrition to infants in their first three months of life

Definition: **Numerator -**
Of those in the denominator, the number of infants who had client record documentation that the infant had been exclusively breastfed for their first three months when checked at their four month well baby visit.

Denominator -
Number of infants who received one or more visits during or before the reporting period and were seen for a four-month well baby visit during the reporting period.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

Benmarks: 2011 PedNSS (WIC) exclusive at 3 months: NH 22.9%, National (2010) 10.7%
2013 CDC Report Card (NIS, provisional 2010 births): NH 49.5%, National 37.7%
Healthy People 2020 goal: 44%

Rationale: The AAP recommends exclusive breastfeeding for about 6 months, with continuation of breastfeeding for 1 year or longer as mutually desired by mother and infant, a recommendation concurred to by the World Health Organization and the Institute of Medicine. (American Academy of Pediatrics Policy Statement on Breastfeeding and the Use of Human Milk, 2012)

*Target based on 2012 & 2013 Data Trend Table averages.
**Exclusive means breast milk only, no supplemental formula, cereal/baby food, or water/fluids.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE: ADULT

PERFORMANCE MEASURES DEFINITIONS

State Fiscal Year 2015

Primary Care: Adult Performance Measure #1

Measure:*	58%** of adult patients 18 – 85 years of age diagnosed with hypertension will have a blood pressure measurement less than 140/90*** mm at the time of their last measurement.
Goal:	To ensure patients diagnosed with hypertension are adequately controlled.
Definition:	**Numerator-** Number of patients from the denominator with blood pressure measurement less than 140/90 mm at the time of their last measurement. **Denominator-** Number of patients age 18 – 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

*Measure based on the National Quality Forum 0018

**Health People 2020 National Target is 61.2%

***Both the numerator and denominator must be less that 140/90 mm

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE CLINICAL
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Primary Care Clinical Adolescent (PC-C) Performance Measure #1

Measure: 61%* of adolescents aged 11-21 years received an annual health maintenance visits in the past 12 months.

Goal: To enhance adolescent health by assuring annual, recommended, adolescent well -visits.

Definition:

Numerator-
Number of adolescents in the denominator who received an annual health maintenance "well" visit during the reporting year.

Denominator-
Total number of adolescents aged 11-21 years who were enrolled in the primary care clinic as primary care clients during the reporting year period.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

***Target based on 2012 & 2013 Data Trend Table averages.**

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Primary Care Clinical Prenatal (PC-C) Performance Measure #2

Measure:	31%* of women and adolescent girls aged 15-44 take multi-vitamins with folic acid.
Goal:	To enhance pregnancy outcomes by reducing neural tube defects.
Definition:	**Numerator-** The number of women and adolescent girls aged 15-44 who take a multi-vitamin with folic acid. **Denominator-** The number of women and adolescent girls aged 15-44 who were seen in primary care for a well visit in the past year.
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

***Target based on 2012 & 2013 Data Trend Table averages.**

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE - FINANCIAL
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Primary Care (PC) Performance Measure #1

Measure: Patient Payor Mix

Goal: To allow monitoring of payment method trends at State funded primary care sites.

Definition: Patients enrolled in Medicare, Medicaid, Commercial insurance, or uninsured.

Data Source: Provided by agency

Primary Care (PC) Performance Measure #2

Measure: Accounts Receivables (AR) Days

Goal: To allow monitoring of financial sustainability trends at State funded primary care sites.

Definition: AR Days: Net Patient Accounts Receivable **multiplied by** 365 **divided by** Net Patient Revenue

Data Source: Provided by agency

Primary Care (PC) Performance Measure #3

Measure: Current Ratio

Goal: To allow monitoring of financial sustainability trends at State funded primary care sites.

Definition: Current Ratio = Current Assets **divided by** Current Liabilities

Data Source: Provided by agency

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRENATAL
PERFORMANCE MEASURES DEFINITIONS
State Fiscal Year 2015

Prenatal (PN) Performance Measure #1

Measure:	85%* of pregnant women who are enrolled in the agency's prenatal program will begin prenatal care during the first trimester of pregnancy.
Goal:	To enhance pregnancy outcomes by assuring early entrance into prenatal care.
Definition:	**Numerator-** Number of women in the denominator who had a documented prenatal visit during the first trimester (on or before 13.6 weeks gestation). **Denominator-** Number of women enrolled in the agency prenatal program who gave birth during the reporting year.
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

* Target based on 2012 & 2013 Data Trend Table averages.

Prenatal (PN) Performance Measure #2

Measure:	20%* of pregnant women who are identified as cigarette smokers will be referred to QuitWorks-New Hampshire.
Goal:	To reduce tobacco use during pregnancy through focused tobacco use cessation activities at public health prenatal clinics.
Definition:	**Numerator-** Number of women in the denominator who received at least one referral to QuitWorks-New Hampshire during pregnancy. **A referral is defined as signing the patient up for QuitWorks-NH via phone, fax, or EMR. It is <u>not defined as</u> discussing QuitWorks-NH with the patient and encouraging her to sign up.** **Denominator-** Number of women enrolled in the agency prenatal program and identified as tobacco users who gave birth during the reporting year.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

*Target set in consultation with the NH Tobacco Program & FY13 Data Trend Table average.

Prenatal (PN) Performance Measure #3

Measure:	79%* of pregnant women will be screened, using a formal valid screening tool, for alcohol and other substance use during every trimester they are enrolled in the prenatal program.
Goal:	To reduce prenatal substance use through systematic screening and identification.
Definition:	**Numerator-** Number of women in the denominator who were screened for substance and alcohol use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program. **Denominator-** Number of women enrolled in the agency prenatal program and who gave birth during the reporting year.
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

* Target based on 2012 & 2013 Data Trend Table averages.

Exhibit B-1 (2014) -Amendment 1
Budget

New Hampshire Department of Health and Human Services

Bidder/Contractor Name: Manchester Community Health Center

Budget Request for: MCH Primary Care
(Name of RFP)

Budget Period: SFY 2014

Line Item	Direct Incremental	Indirect Fixed	Total	Allocation Method for Indirect/Fixed Cost
1. Total Salary/Wages	$ 71,392.00	$ -	$ 71,392.00	
2. Employee Benefits	$ -	$ -	$ -	
3. Consultants	$ -	$ -	$ -

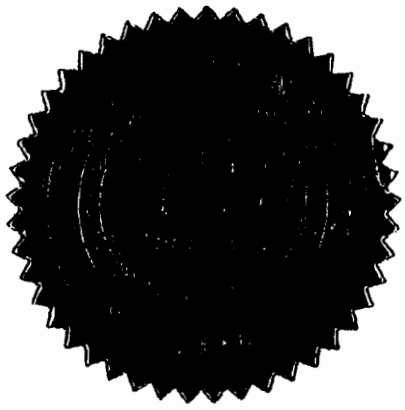
Department of State

CERTIFICATE

I, William M. Gardner, Secretary of State of the State of New Hampshire, do hereby certify that MANCHESTER COMMUNITY HEALTH CENTER is a New Hampshire nonprofit corporation formed May 7, 1992. I further certify that it is in good standing as far as this office is concerned, having filed the return(s) and paid the fees required by law.



In TESTIMONY WHEREOF, I hereto set my hand and cause to be affixed the Seal of the State of New Hampshire, this 20th day of May A.D. 2013

William M. Gardner
Secretary of State

WITHOUT SEAL

CERTIFICATE OF VOTE

I, Anthony J. Chismark, of Manchester Community Health Center, do hereby certify that:

1. I am the duly elected Board President of Manchester Community Health Center;

2. The following are true copies of two resolutions duly adopted at a meeting of the Board of Directors of the corporation, duly held on March 4, 2014;

   RESOLVED: That this corporation enters into contracts with the State of New Hampshire, acting through its Department of Health and Human Services, Division of Public Health Services.

   RESOLVED: That the President / CEO is hereby authorized on behalf of this corporation to enter into said contracts with the State and to execute any and all documents, agreements, and other instruments; and any amendments, revisions, or modifications thereto, as he/she may deem necessary, desirable, or appropriate. Kris McCracken is the duly elected President / CEO of the corporation.

3. The foregoing resolutions have not been amended or revoked and remain in full force and effect as of March 12, 2014.

IN WITNESS WHEREOF, I have hereunto set my hand as the Board President of the corporation this 12th day of March, 2014.

Board President

STATE OF New Hampshire

COUNTY OF Hillsborough

The foregoing instrument was acknowledged before me this 12 day of March, 2014 by Anthony Chismark.

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, Bureau of Population Health and Community Services, Maternal and Child Health Section, to enter into an agreement with Manchester Community Health Center (Vendor #157274-B001), 145 Hollis Street, Manchester, New Hampshire 03101, in an amount not to exceed $572,396.00, to provide primary care services and breast and cervical cancer screening, to be effective July 1, 2012 or date of Governor and Executive Council approval, whichever is later, through June 30, 2014. Funds are available in the following accounts for SFY 2013, and are anticipated to be available in SFY 2014 upon the availability and continued appropriation of funds in the future operating budgets.

05-95-90-902010-5190 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF POPULATION HEALTH AND COMMUNITY SERVICES, MATERNAL AND CHILD HEALTH

SFY 2014	102-500731	Contracts for Program Services	90080081	$47,196
			Sub-Total	$94,392
			Total	$572,396

EXPLANATION

Funds in this agreement will be used to provide breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. This agreement provides funds for services as a last resort; contractor is required to make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. For example, in State Fiscal Year 2011:

- 88% of eligible children served were enrolled in Medicaid/Healthy Kids Gold.
- 86% of children 24-35 months, served received the appropriate schedule of immunizations.
- 82% of infants born to women served received prenatal care beginning in the first trimester of pregnancy.

In addition, breast and cervical cancers continue to be ongoing public health issues for New Hampshire. The Division of Public Health Services, Breast and Cervical Cancer Screening Program provides support for breast and cervical cancer screening services that include clinical examinations, pap smears and referral for mammography. Through this program, women found to have abnormal screening results, following their testing, receive additional coverage for diagnostic work-up and, if necessary, have their care coordinated through the initiation of treatment.

Should Governor and Executive Council not authorize this Request, a minimum of 16,050 low-income individuals from the Greater Manchester area may not have access to primary care services, and eligible women may not receive recommended breast and cervical cancer screenings. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. Additionally women that receive recommended breast and cervical cancer screenings are at lower risk of late diagnosis of breast and cervical cancers.

Manchester Community Health Center was selected for this project through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by three professionals, who work internal and external to the Department of Health and Human Services. All reviewers have between three to twenty years experience either in clinical settings, providing community-based family support services, and managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were averaged and all proposals were recommended for funding. In those instances where scores were less than ideal, agency specific remedial actions were recommended and completed. Some primary care agencies are being funded at levels higher than they requested. Agencies were instructed to develop budgets based on previous allocations. While some proposed budgets higher than what was available for funding, others proposed budgets lower than what was available. There was an increase in breast and cervical cancer screening funds that bidders were unaware of when they drafted budgets. Adjustments were made accordingly for those agencies that proposed budgets at levels lower than available funds. This is a contract where that situation occurred. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council. These services were contracted previously with this agency in SFY 2011 and SFY 2012 in the amount of $903,136. This represents a decrease of $330,740. The decrease is due to budget reductions.

The performance measures used to measure the effectiveness of the agreement are attached.

Area served: Greater Manchester.

Source of Funds: 33.15% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau and 66.85% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

José Thier Montero, MD
Director

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Prenatal (PN) Performance Measure #1

Measure: Percent of infants born to women receiving prenatal care beginning in the first trimester of pregnancy.

Primary Care Prenatal (PN) Performance Measure #2

Measure: Percent of pregnant women identified as cigarette smokers that are referred to QuitWorks-New Hampshire.

Primary Care Prenatal (PN) Performance Measure #3

Measure: Percent of pregnant women who were screened, using a formal valid screening tool, for alcohol and other drug use during every trimester the patient was enrolled.

Primary Care Child Health Direct (CH – D) Performance Measure #1

Measure: Percent of eligible children enrolled in Medicaid

Primary Care Child Health Direct (CH – D) Performance Measure #2

Measure: Percent of at-risk children who were screened for blood lead between 18 and 30 months of age

Primary Care Child Health Direct (CH – D) Performance Measure #3

Measure: Percent of children age two to nineteen years receiving primary care preventive health services with a Body Mass Index (BMI) percentile greater than or equal to the 85th percentile with documented discussion of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Primary Care Child Health Direct (CH – D) Performance Measure #4

Measure: Percent of eligible infants and children with client record documentation of enrollment in Women Infant Children Program.

Primary Care Child Health Direct (CH – D) Performance Measure #5

Measure: Percent of infants who were exclusively breastfed for the first three months, at their four month well baby visit.

Primary Care Financial (PC) Performance Measure #1

Measure: Patient Payor Mix

Primary Care Financial (PC) Performance Measure #2

Measure: Accounts Receivables (AR) Days

Primary Care Financial (PC) Performance Measure #3

Measure: Current Ratio

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Clinical Adolescent (PC-C) Performance Measure #1

Measure: Percent of adolescents aged 10-21 years who received annual health maintenance visits in the past 12 months.

Primary Care Clinical Prenatal (PC-C) Performance Measure #2

Measure: Percent of women and adolescent girls aged 15-44 who take a multi-vitamin with folic acid.

Subject: Primary Care Services

AGREEMENT

The State of New Hampshire and the Contractor hereby mutually agree as follows:

Exhibit A

Scope of Services

Primary Care Services

CONTRACT PERIOD: July 1, 2012 or date of G&C approval, whichever is later, through June 30, 2014

CONTRACTOR NAME: **Manchester Community Health Center**

ADDRESS: **145 Hollis Street**
Manchester, New Hampshire 03101
President/Chief Executive Officer: **Edward George**
TELEPHONE: **603-935-5213**

The Contractor shall:

I. General Provisions

A) Eligibility and Income Determination

1. Office-based primary care services will be provided to low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire.

2. Breast and Cervical Cancer screening services will be provided to low-income (defined as ≤ 250% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), New Hampshire women age 18 – 64, *uninsured or underinsured*.

3. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new patients for more than a one month period.

4. The Contractor shall document annually, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete with the client the most recent version of the 800P form.

5. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, approved in advance by the Division of Public Health Services (DPHS), for low-income patients. Signage must state that no client will be denied services for inability to pay.

    a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, submitted to and approved by DPHS *prior to implementation.*

6. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered.

Contractor Initials: EG
Date: 4/3/12

B) Numbers Served

1. The contract funds shall be expended to provide the above services to a minimum of 8,025 users annually with 37,930 medical encounters, as defined in the Data and Reporting Requirements. Breast and Cervical Cancer Screening for eligible women, as defined by the Breast and Cervical Cancer Program (BCCP), shall be provided to 310 women annually and billed directly to the BCCP. Clinical service reimbursements shall not exceed the Medicare rate.

C) **Culturally and Linguistically Appropriate Standards of Care**

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. *Provide* clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.

4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.

5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation 45 CFR 80.3(b) (2). The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) **State and Federal Laws**

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated hereunder.

E) **Relevant Policies and Guidelines**

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

Contractor Initials: [signature]
Date: 4/3/17

2. Primary Care funds shall be targeted to populations in need. Populations in need are defined as follows:

   a) uninsured;

   b) under-insured;

   c) families and individuals with significant psychosocial and economic risk, including low income status;

   d) all life cycles including perinatal, child, adolescent, adult, and elderly who meet one or more of the above criteria.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.

4. *The Contractor shall have an agency emergency preparedness and response plan in accordance with HRSA Health Center Emergency Management Program Expectations, Document #2007-15 or most recent version. Such plan shall also include a Continuity of Operations plan.*

5. The Contractor shall carry out the work as described in the performance Workplan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

6. No Workplan is required by the Breast and Cervical Cancer Program (BCCP). The contractor shall be required to respond to the Quality Improvement Feedback Report twice a year.

7. The Contractor shall carry out the work as described in the Supplemental Funding Form submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) Publications Funded Under Contract

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, *electronic*) produced, reproduced, or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14).

G) Subcontractors

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing *and approve the subcontractual agreement,* prior to initiation of the subcontract.

Contractor Initials: [signature]
Date: 4/3/17

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. Minimal Standards of Core Services

A) Service Requirements

1. *Medical Home*

The Contractor shall provide a Medical Home that:

a) *Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.*

b) ***Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.***

2. Primary Care Services

The Contractor shall provide office-based primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, APRN, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, *oral health*, and behavioral health specialty providers.

b) ***Referral to the WIC Nutrition Program for all eligible pregnant women, infants and children.***

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.

d) Access to a healthcare provider, directly or by referral or subcontract, by telephone twenty-four hours per day, seven days per week.

e) Assessment of psychosocial risk for all clients at least annually and for children at scheduled preventive care visits, including, at a minimum, age appropriate assessment of safety in the home, domestic violence, adequacy of food and housing, care and welfare of children, transportation needs, and provision of necessary social services to address the priority needs and safety issues of clients and families.

f) Falls prevention screening for patients 65 years and older using the algorithm and guidelines of the American Geriatrics Society.

g) Behavioral health care directly or by referral to an agency or provider with a sliding fee scale.

h) *Nutrition assessment for all clients as part of the health maintenance visit.* Therapeutic nutrition services shall be provided *as indicated* directly or by referral to an agency or provider with a sliding fee scale. These services shall be recorded in the medical record.

i) Formal arrangements with a local hospital for emergency care must be in place and reviewed annually.

Contractor Initials: [signature]

Date: 4/3/17

j) Home health care directly or by referral to an agency or provider with a sliding fee scale.

k) Assisted living and skilled nursing facility care by referral.

l) *Oral screening annually for all clients 19 years and older to note obvious dental decay and soft tissue abnormalities with a reminder to the patient that poor oral health impacts total health.*

m) *Diagnosis and management of pediatric and adult patients with asthma provided according to National Heart Lung Blood Institute, National Asthma Education and Prevention Program, Expert Panel Report 3: Guidelines for the Diagnosis and Management of Asthma, 2007.*

2. Breast and Cervical Cancer Screening

a) Women age 18 to 64 who are eligible for Breast and Cervical Cancer Program (BCCP) services according to income (equal to or under 250% of poverty, underinsured/uninsured) *and insurance status* criteria shall be provided the following services:

i. cervical cancer screening including a pelvic examination and Pap smear;
ii. annual breast cancer screening including a clinical breast exam, mammogram and,
iii. referrals for diagnostic and treatment services based on screening results,
iv. case management services.

b) All referrals under this provision shall be to approved certified laboratory, pathology, radiology, and surgical services. Mammography units shall be accredited by the American College of Radiology, and must be FDA certified under MQSA. Laboratories shall be CLIA certified.

c) All services shall be provided in accordance with the Breast and Cervical Cancer Program (BCCP) Policy and Procedure Manual.

d) Follow-up and tracking of all tests done, and referrals made shall be provided in accordance with the minimum standards outlined in the Breast and Cervical Cancer Program Policy and Procedure Manual.

e) All services for women enrolled in the Breast and Cervical Cancer Program (BCCP) shall be billed directly to the BCCP in accordance with protocols established by the Breast and Cervical Cancer Program.

3. Reproductive Health Services

The Contractor shall provide prenatal, interconceptional and preconception medical care, social services, nutrition services, education, and nursing care to all women of childbearing age. Preconceptional care includes the preconception, interconceptional, and postpartum periods in women's health. It is recommended that preconceptional and interconceptional care visits focus on maintaining or achieving the optimal health of the mother, lowering the risk of future adverse pregnancy outcomes, the family's future plans, and how additional children fit into that plan. Preconceptional counseling may be done during an office, group or home visit.

a) In the event prenatal care is not provided directly by the Contractor a formal Memorandum/a of Agreement for coordinated referral to an appropriately qualified provider must be maintained.

b) Prenatal care shall, at minimum, be provided in accordance with the Guidelines for Perinatal Care, sixth or most current edition, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists, and /or the Centers for Disease Control.

Contractor Initials: CAB

Date: 4/3/12

c) Age appropriate reproductive health care shall, at a minimum, be provided in accordance with the American College of Obstetricians and Gynecologists, or the USDHHS Centers for Disease Control (CDC) current guidelines.

d) *Pregnant women enrolled in the WIC Nutrition Program shall be referred to WIC for breastfeeding education and referral to the WIC Nutrition Program peer counselors.*

e. Family planning counseling for prevention of subsequent pregnancy following an infant's birth shall be discussed with the infant's mother *at the first postpartum visit and at the infant's 2-month visit and other visits as appropriate.* Rationale for birth intervals of 18-24 months shall be presented.

f) A referral to a Title X Family Planning Clinic or other reproductive health care provider shall be made as appropriate.

4. Services for Children and Adolescents

The Contractor shall provide as a minimum, comprehensive and age-appropriate health care, screenings, and health education according to the American Academy of Pediatrics' most recent periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent. Children and adolescent visits shall include:

a) Blood lead testing shall be performed in accordance with "New Hampshire Childhood Lead Poisoning Screening and Management Guidelines", issued by the New Hampshire Department of Health and Human Services, 2009 or subsequent revisions.

b) All children enrolled in either Healthy Kids-Gold or the Women, Infant, and Children (WIC) Program and/or who are ≤ 185% poverty, regardless of town of residence, are required to have a blood lead test at ages one and two years. All children ages three to six years who have not been previously tested shall have a capillary or venous blood lead test performed.

c) All children shall be screened for iron deficiency anemia as outlined in the Centers for Disease Control and Prevention document "Recommendations to Prevent and Control Iron Deficiency in the United States (4/2/98)".

d) Age-appropriate anticipatory guidance, dietary guidance, and *feeding practice counseling* for optimal oral health shall be provided at each well child visit according to the American Academy of Pediatrics' periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent edition. Starting at age 6 months, it is recommended that all children receive an oral health assessment at every well child visit.

e) Supplemental fluoride shall be prescribed as needed based upon the fluoride levels in the child's *drinking* water supply. The fluoride dosage regimen accepted by the American Academy of Pediatrics shall be followed. No fluoride shall be prescribed without obtaining water from private wells or noting the presence or absence of fluoride in the public water supply. *Supplemental fluoride may include bottled water containing fluoride and topical applications such as varnishes.*

f) *For infants enrolled in the WIC Nutrition Program, parents shall be referred to WIC for breastfeeding support and referral to the WIC Nutrition Program peer counselors.*

Contractor Initials: [signature]
Date: 4/3/17

5. Sexually Transmitted Infections

Primary Care Services shall provide age appropriate screening and treatment of sexually transmitted infections.

a) Treatment for sexually transmitted infections shall be provided according to the United States Centers for Disease Control Sexually Transmitted Diseases Treatment Guidelines, 2010 or subsequent revisions.

b) All clients, including women, shall be offered HIV testing following the most current recommendations of the United States Centers for Disease Control.

c) The contractor shall be responsible for ensuring referral to appropriate treatment services for any woman found to screen positive.

d) Appropriate risk reduction counseling shall be provided based on client needs.

6. Substance Use Services

a) A substance use screening history using a formal, validated screening tool shall be obtained for all clients as soon after entry into care as possible. Substance use counseling *or other substance abuse intervention, treatment, or recovery services* by an appropriately credentialed provider shall be provided on-site, or by referral, to clients with identified needs for these services. ***For these identified clients, ongoing primary care services should include follow up monitoring relative to substance abuse.***

b) All clients, including pregnant women, identified as smokers shall receive counseling ***using the 5A's (ask, advise, assess, assist, and arrange) treatment available through the NH Tobacco Helpline*** as cited in the US Public Health Services report "Tobacco Use and Dependence", 2008, or "Smoking Cessation During Pregnancy: *A Clinician's Guide to Helping Pregnant Women Quit Smoking*", American College of Obstetricians and Gynecologists, 2011. ***With prior approval, agencies may also opt to participate in the DPHS best practice initiative of the 2A's and R (ask, advise and refer).***

7. Immunizations

a) The Contractor shall adhere to the most current version of the "Recommended Adult Immunization Schedule United States", approved by the Advisory Committee on Immunization Practices, the American College of Obstetricians and Gynecologists, and the American Academy of Family Physicians.

b) The Contractor shall administer vaccines according to the most current version of the *"Recommended Immunization Schedule for Persons Aged 0 Through 6 Years - United States", and "Recommended Immunization Schedule for Persons Aged 7 Through 18 Years – United States"* approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians, based upon availability of vaccine from the New Hampshire Immunization Program.

8. Prenatal Genetic Screening

a) A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

b) All pregnant women should be offered voluntary genetic screening for fetal chromosomal abnormalities at the appropriate time following recommendations found in the American College of Obstetricians and Gynecologists' "Screening for Fetal Chromosomal

Contractor Initials:

Date 4/3/17

Abnormalities (2007)" or more recent guidelines. The Contractor shall be responsible for ensuring referral to appropriate genetic testing and counseling for any woman found to have a positive screening test.

9. Additional Requirements

a) The Contractor's Medical Director shall participate in the development and approval of specific guidelines for medical care that supplement minimal clinical standards. Supplemental guidelines should be reviewed, signed, and dated annually, and updated as indicated.

b) Contractors considering clinical or sociological research using clients as subjects must adhere to the legal requirements governing human subjects research. Contractors must inform the DPHS, MCHS prior to initiating any research related to this contract.

c) *The Contractor shall provide information to all employees annually about the Medical Reserve Corps Unit within their Public Health Region to enhance recruitment.*

d) *The Contractor shall provide information to all employees annually regarding the Emergency System for the Advance Registration of Volunteer Health Professionals (ESAR-VHP) managed by the NH Department of Health and Human Services' Emergency Services Unit, to enhance recruitment.*

B) Staffing Provisions

The Contractor shall have, at minimum, the following staff positions:

a) executive director

b) fiscal director

c) registered nurse

d) clinical coordinator

e) medical service director

f) nutritionist *(on site or by referral)*

g) social worker

Staff positions required to provide direct services on-site include:

a) registered nurse

b) clinical coordinator

c) social worker

1. Qualifications

All health and allied health professionals shall have the appropriate New Hampshire licenses whether directly employed, contracted, or subcontracted.

In addition the following minimum qualifications shall be met for:

a) Registered Nurse

Contractor Initials: [illegible]

Date: 4/3/17

a. A registered nurse licensed in the state of New Hampshire, Bachelor's degree preferred. Minimum of one-year experience in a community health setting.

b) Nutritionists:
   a. A Bachelor's degree in nutritional sciences or dietetics, or a Master's degree in nutritional sciences, nutrition education, or public health nutrition or current Registered Dietitian status in accordance with the Commission on dietetic Registration of the American Dietetic Association.

   b. Individuals who perform functions similar to a nutritionist but do not meet the above qualifications shall not use the title of nutritionist.

c) Social Workers shall have:
   a. A Bachelor's or Master's degree in social work or Bachelor's or Master's degree in a related social science or human behavior field. A minimum of one year of experience in a community health or social services setting is preferred.

   b. Individuals who perform functions similar to a social worker but do not meet the above qualifications shall not use the title of social worker.

d) Clinical Coordinators shall be:
   a. A registered nurse (RN), physician, physician assistant, or nurse practitioner with a license to practice in New Hampshire.
   b. The coordinator is a clinical position that oversees and takes responsibility for the clinical and administrative functions of each program.
   c. The coordinator may be responsible for more than one MCH funded program.

2. New Hires

The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing within one month of hire when a new administrator, clinical coordinator, or any staff person essential to carrying out contracted services is hired to work in the program. A resume of the employee shall accompany the aforesaid notification.

3. Vacancies

a) The Contractor must notify the MCHS in writing if any critical position is vacant for more than one month, or if at any time funded under this contract does not have adequate staffing to perform all required services for more than one month. This may be done through a budget revision.

b) Before an agency hires new program personnel that do not meet the required staff qualifications, the agency shall notify the MCHS in writing requesting a waiver of the applicable staffing requirements. The Section may grant waivers based on the need of the program, individuals' experience, and additional training.

C) Coordination of Services

1. The Contractor shall coordinate, where possible, with other service providers within the contractor's community. At a minimum, such collaboration shall include interagency referrals and coordination of care.

2. The Contractor shall participate in activities *in the Public Health Region in which they provide services* as appropriate. These activities enhance the integration of community-based public health

Contractor Initials: _____
Date: 4/13/17

prevention and health care initiatives that are being implemented by the contractor and may include community needs assessments, public health performance assessments, and/or the development of regional health improvement plans.

3. The Contractor agrees to *participate* in and coordinate public health activities as requested by the Division of Public Health Services during any *disease outbreak* and/or *emergency*, natural or man made, affecting the public's health.

4. The Contractor is responsible for case management of the client enrolled in the program and for program follow-up activities. Case management services shall promote effective and efficient organization and utilization of resources to assure access to necessary comprehensive medical, nutritional, and social services for clients.

5. The Contractor shall assure that *appropriate, responsive, and timely* referrals and linkages for other needed services are made, carried through, and documented. Such services shall include, but not be limited to: dental services, genetic counseling, high risk prenatal services, mental health, social services, including domestic violence crisis centers, substance abuse services; and family planning services, Early Supports and Services Program, local WIC/CSF Program, Home Visiting New Hampshire Programs and health and social service agencies which serve children and families in need of those services.

D) Meetings and Trainings

The contractor will be responsible for sending staff to meetings and training required by the MCHS program, including but not limited to:

1. MCHS Agency Directors' meetings

2. Prenatal and Child Health Coordinators' meetings

3. MCHS Agency Medical Services Directors' meetings

III. Quality or Performance Improvement (QI/PI)

A) Workplans

1. Performance Workplans are required for this program and are used to monitor achievement of standard measures of performance of the services provided under this contract. The workplans are a key component of the RHPCS and the MCHS performance-based contracting system and of this contract. Outcomes shall be reported by clinical site.

2. Performance Workplans and Workplan Outcome reports according to the schedule and instructions provided by the MCHS. The MCHS shall notify the Contractor at least 30 days in advance of any changes in the submission schedule.

3. The Contractor shall incorporate required and developmental performance measures, defined by the MCHS into the agency's Performance Workplan. Reports on Workplan Progress/Outcomes shall detail the Performance Workplan plans and activities that monitor and evaluate the agency's progress toward performance measure targets.

4. The Contractor shall comply with modifications and/or additions to the workplan and annual report format as requested by RHPCS and MCHS. MCHS will provide the contractor with reasonable notice of such changes.

5. Agencies contracting for Primary Care Services must submit the workplans for Primary Care *Clinical and Financial*, Child Health, and Prenatal Care.

Contractor Initials: [signature]
Date: 4/3/17

B) Additional Reporting requirements

In addition to Performance Workplans, the Contractor shall submit to MCHS the following data and information listed below which are used to monitor program performance:

1. In years when contracts or amendments are not required, the DPHS Budget Form, Budget Justification, Sources of Revenue and Program Staff list forms must be completed according to the relevant instructions and submitted as requested by DPHS and, at minimum, by April 30 of each year.

2. The Sources of Revenue report must be resubmitted at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

3. Completed Uniform Data Set (UDS) tables reflecting program performance in the previous calendar year, by March 31 of each year.

4. The Perinatal Client Data Form (PCDF) shall be submitted electronically according to the instructions set forth by the MCHS.

5. A copy of the agency's updated Sliding Fee Scale including the amount(s) of any client fees and the schedule of discounts must be submitted by March 31st of each year. The agency's sliding fee scale must be updated annually based on the US DHHS Poverty guidelines as published in the Federal Register.

6. An annual summary of program-specific patient satisfaction results obtained during the prior contract period and the method by which the results were obtained shall be submitted annually as an addendum to the Workplan Outcome/Progress reports.

C) On-site reviews

1. The contractor shall allow a team or person authorized by the Division of Public Health Services to periodically review the contractor's systems of governance, administration, data collection and submission, clinical and financial management, and delivery of education services in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include client record reviews to measure compliance with this exhibit.
3. The contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. On-Site reviews may be waived or abbreviated at the discretion of MCHS, upon submission of satisfactory reports of reviews such as Health Services Resources Administration (HRSA): Office of Performance Review (OPR), or reviews from nationally accreditation organizations such as the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), Medicare, the Community Health Accreditation Program (CHAP), Accreditation Association for Ambulatory Healthcare (AAAHC), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey. Abbreviated reviews will focus on any deficiencies found in previous reviews, issues of compliance with this exhibit, and actions to strengthen performance as outlined in the agency Performance Workplan.

Exhibit B

Purchase of Services
Contract Price

Primary Care Services

CONTRACT PERIOD: July 1, 2012 or date of G&C approval, whichever is later, through June 30, 2014

CONTRACTOR NAME: **Manchester Community Health Center**

ADDRESS: **145 Hollis Street**
Manchester, New Hampshire 03101
President/Chief Executive Officer: **Edward George**
TELEPHONE: **603-935-5213**

Vendor #157274-B001 Job #90080000 #90080081 Appropriation #010-090-51900000-102-500731 #010-090-56590000-102-500731

1. The total amount of all payments made to the Contractor for cost and expenses incurred in the performance of the services during the period of the contract shall not exceed:

   $478,004 for Primary Care Services, funded from 19.95% federal funds from the US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau (CFDA #93.994) and 80.05% general funds.

   $94,392 for Breast and Cervical Cancer Screening, funded from 100% federal funds from the Center for Disease Control (CFDA #93.283).

TOTAL: $572,396

2. The Contractor agrees to use and apply all contract funds from the State for direct and indirect costs and expenses including, but not limited to, personnel costs and operating expenses related to the Services, as detailed in the attached budgets. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. The Contractor agrees not to use or apply such funds for capital additions or improvements, entertainment costs, or any other costs not approved by the State.

3. This is a cost-reimbursement contract based on an approved budget for the contract period. Reimbursement shall be made monthly based on actual costs incurred during the month up to an amount not greater than one-twelfth of the contract amount. Reimbursement greater than one-twelfth of the contract amount in any month shall require prior, written permission from the State.

4. Invoices shall be submitted by the Contractor to the State in a form satisfactory to the State for each of the Service category budgets. Said invoices shall be submitted within twenty (20) working days following the end of the month during which the contract activities were completed, and the final invoice shall be due to the State no later than sixty (60) days after the contract Completion Date. Said invoice shall contain a description of all allowable costs and expenses incurred by the Contractor during the contract period.

5. Payment will be made by the State agency subsequent to approval of the submitted invoice and if sufficient funds are available in the Service category budget line items submitted by the Contractor to cover the costs and expenses incurred in the performances of the services.

Contractor Initials:
Date: 4/3/12

6. The Contractor may amend the contract budget for any Service category through line item increases, decreases, or the creation of new line items provided these amendments do not exceed the contract price for that particular Service category. Such amendments shall only be made upon written request to and written approval by the State. Budget revisions will not be accepted after June 20th of each contract year.

7. The Contractor shall have written authorization from the State prior to using contract funds to purchase any equipment with a cost in excess of three hundred dollars ($300) and with a useful life beyond one year.

The remainder of this page is intentionally left blank.

Contractor Initials:

Date: 4/20/17

Exhibit C

SPECIAL PROVISIONS

1. **Contractors Obligations:** The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

2. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

3. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

4. **Documentation:** In addition to the determination forms, required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

5. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

6. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

7. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

8. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractor's costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party fundors for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party fundors, the Department may elect to:

    8.1 Renegotiate the rates for payment hereunder, in which event new rates shall be established;

Contractor Initials:

Date: 4/3/17

8.2 Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

8.3 Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

9. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:

9.1 **Fiscal Records:** Books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

9.2 **Statistical Records:** Statistical, enrollment, attendance, or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

9.3 **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

10. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.

10.1 **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.

10.2 **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

11. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directed connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Contractor Initials: [signature]

Date: 4/3/17

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

12. **Reports: Fiscal and Statistical**: The Contractor agrees to submit the following reports at the following times if requested by the Department

12.1 Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.

12.2 Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

13. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

14. **Credits:** All documents, notices, press releases, research reports, and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:

14.1 The preparation of this (report, document, etc.), was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, Division of Public Health Services, with funds provided in part or in whole by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

15. **Operation of Facilities:** Compliance with Laws and Regulations: In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the Contractor with respect to the operation of the facility or the provision of the services at such facility. If any government license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

Contractor Initials: _____

Date: 4/3/12

16. **Insurance:** Select either (1) or (2) below:

As referenced in the Request for Proposal, Comprehensive General Liability Insurance Acknowledgement Form, the Insurance requirement checked under this section is applicable to this contract:

Insurance Requirement for (1) - 501(c) (3) contractors whose annual gross amount of contract work with the State does not exceed $500,000, per RSA 21-I:13, XIV, (Supp. 2006): The general liability insurance requirements of standard state contracts for contractors that qualify for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the state does not exceed $500,000, is comprehensive general liability insurance in amounts of not less than $1,000,000 per claim or occurrence and $2,000,000 in the aggregate. *These amounts may NOT be modified.*

X (1) The contractor certifies that it **IS** a 501(c) (3) contractor whose annual total amount of contract work with the State of New Hampshire does **not** exceed $500,000.

Insurance Requirement for (2) - All other contractors who do not qualify for RSA 21-I:13, XIV, (Supp. 2006), Agreement P-37 General Provisions, 14.1 and 14.1.1. Insurance and Bond, shall apply: The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, both for the benefits of the State, the following insurance: comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per incident or occurrence. *These amounts MAY be modified if the State of NH determines contract activities are a risk of lower liability.*

☐ (2) The contractor certifies it does **NOT** qualify for insurance requirements under RSA 21-I:13, XIV (Supp. 2006).

17. **Renewal:**

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two (2) additional year(s), contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

18. **Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:**

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

Contractor Initials: [signature]
Date: 4/23/12

19. **Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;**

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

SPECIAL PROVISIONS – DEFINITIONS

As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean the section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Whenever federal or state laws, regulations, rules, orders, and policies, etc., are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc., as they may be amended or revised from time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

Standard Exhibit D

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act to 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I – FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES – CONTRACTORS
US DEPARTMENT OF EDUCATION – CONTRACTORS
US DEPARTMENT OF AGRICULTURE – CONTRACTORS

This certification is required by the regulations implementing Sections 5151-51-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). the January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630 of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services,
129 Pleasant Street
Concord, NH 03301

1) The grantee certifies that it will or will continue to provide a drug-free workplace by:

   (a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

   (b) Establishing an ongoing drug-free awareness program to inform employee's about:

      (1) The dangers of drug abuse in the workplace;
      (2) The grantee's policy of maintaining a drug-free workplace;
      (3) Any available drug counseling, rehabilitation, and employee assistance programs; and
      (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

   (c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

   (d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:

      (1) Abide by the terms of the statement; and

Contractor Initials: [signature]
Date: 4/3/17

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph (d) (2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).

2) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Place of Performance (street address, city, county, State, zip code) (list each location)

CERTIFICATION REGARDING LOBBYING

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Section 319 of Public Law 101-121, Government wide Guidance for New Restrictions on Lobbying, and 31 U.S.C. 1352, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

US DEPARTMENT OF HEALTH AND HUMAN SERVICES – CONTRACTORS
US DEPARTMENT OF EDUCATION – CONTRACTORS
US DEPARTMENT OF AGRICULTURE – CONTRACTORS

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

Contract Period: **7/1/12** or date of G&C Approval, whichever is later, through **6/30/14**

The undersigned certifies, to the best of his or her knowledge and belief, that:

(1) No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

(2) If any funds, other than Federal appropriated funds, have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions, attached and identified as Standard Exhibit E-I.

(3) The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions, execute the following Certification:

Instructions for Certification

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transition. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transition," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntary excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rule implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction", "provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

Contractor Initials: 

Date 

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

1. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:

   a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

   b. have not within a three-year period preceding this proposal (contract) been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

   c. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph 1 b of this certification; and

   d. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

2. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

Lower Tier Covered Transactions

By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:

(a) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

(b) where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion – Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

State of New Hampshire
Department of Health and Human Services
Amendment #2 to the Primary Care Services Contract

This 2nd Amendment to the Primary Care Services contract (hereinafter referred to as "Amendment #2") dated this, 30th day of April, 2015 is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Mid-State Health Center (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 101 Boulder Point Drive, Suite 1, Plymouth, NH 03264.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012 (Item #126) and amended by an agreement (Amendment #1 to the Contract) approved on May 8, 2014 (Item #34A), the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 of the Agreement, and Exhibit C Paragraph 17, the State may amend the contract terms and conditions and renew the contract for two (2) additional years by written agreement of the parties and approval of the Governor and Executive Council; and

WHEREAS, the parties agree to extend the contract for two additional years, add services to Exhibit A, Scope of Services and increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

1. Form P-37, General Provisions, Item 1.7, Completion Date, to read:
   June 30, 2017
2. Form P-37, General Provisions, Item 1.8, Price Limitation, to read:
   $851,673
3. Form P-37, General Provisions, Item 1.9, Contracting Officer for State Agency, to read:
   Eric D. Borrin
4. Form P-37, General Provisions, Item 1.10, State Agency Telephone Number, to read:
   (603) 271-9558
5. Delete Exhibit A, Scope of Services and Exhibit A-1 Amendment 1, Scope of Services and replace with Exhibit A – Amendment #2.
6. Delete Exhibit A-1 Amendment #1 - Performance Measures and replace with Exhibit A-1 Amendment #2 – Performance Measures.

7. Delete Exhibit B, Purchase of Services Contract Price and replace with Exhibit B – Amendment #2, Method and Conditions Precedent to Payment.
8. Add Exhibit B-1, Budget Form Primary Care through Exhibit B-4, Budget Form SBIRT.
9. Standard Exhibit D, Certification Regarding Drug-Free Workplace Requirements, Period Covered by this Certification, to read:

   From 7/1/2012 to 6/30/2017
10. Standard Exhibit E, Certification Regarding Lobbying, Contract Period, to read:

    July 1, 2012 through June 30, 2017
11. Delete Standard Exhibit G, Certification Regarding the Americans with Disabilities Act Compliance, and replace with Exhibit G, Certification of Compliance with Requirements Pertaining to Federal Nondiscrimination, Equal Treatment of Faith-Based Organizations and Whistleblower Protections.

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall submit a detailed description of the language assistance services they will provide to persons with limited English proficiency to ensure meaningful access to their programs and/or services within ten (10) days of the contract effective date.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

1.3. The Contractor shall maximize billing to private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered. The Department shall be the payer of last resort.

1.4. Office-based and enabling **Primary Care** services shall be provided to individuals and families who are:

1.4.1. Uninsured.

1.4.2. Underinsured.

1.4.3. Low-income, which is defined as $\leq$ 185% of the U.S. Department of Health **and Human Services (USDHHS), Poverty Guidelines.**

1.5. **Screening, Brief Intervention and Referrals to Treatment** (SBIRT) Services shall be provided to all individuals who seek services described in Section 1.4 and Section 1.5, above.

1.6. The Contractor shall remain in compliance with all relevant state and federal laws, including but not limited to:

1.6.1. NH RSA 141-C and Administrative Rule He-P 301, adopted 6/3/08, which requires the reporting of all communicable diseases.

1.6.2. NH RSA 169:C, Child Protection Act; NH RSA 161-F46, Protective Services to Adults, NH RSA 631:6, Assault and Related Offences, and RSA 130:A, Lead Paint Poisoning and Control.

1.6.3. NH RSA 141-C and the Immunization Rules promulgated, hereunder.

2. Eligibility Determination Services

2.1. The Contractor shall maintain documentation for each individual receiving services described in this contract that includes, but is not limited to:

2.1.1. Family income.

2.1.2. Family size.

2.1.3. Income in relation to the Federal Poverty Guidelines.

2.2. The Contractor shall assist individuals with completing a Medicaid application when income calculations indicate possible Medicaid eligibility. .

2.3. The Contractor shall post a notice in a public and conspicuous location that no individual will be denied services for an inability to pay.

2.4. The Contractor shall implement and update a sliding fee scale for services in accordance with the Federal Poverty Guidelines. The Contractor shall:

2.4.1. Update the sliding fee scale on an annual basis when new Federal Poverty Guidelines are released.

2.4.2. Provide the updated sliding fee scale to the Department for review and approval prior to implementation.

3. Primary Care Services

3.1. The Contractor shall ensure primary care services are provided by a NH licensed MD, DO, APRN or PA to eligible individuals in the service area. Primary care services shall include, but are not limited to:

3.1.1. Reproductive health services.

3.1.2. Preventive services, screenings and health education in accordance with established, documented state or national guidelines.

3.1.3. Pathology, radiology, surgical and CLIA certified laboratory services either on-site or by referral.

3.1.4. Assessment of need for:

3.1.4.1. Tobacco cessation, including referral to NH Quitworks, as appropriate.

3.1.4.2. Social services.

3.1.4.3. Nutrition services, including WIC, as appropriate.

3.1.4.4. Referrals to health, home care, oral health and behavioral health specialty providers who offer sliding scale fees, when available.

3.2. The Contractor shall provide case management for individuals enrolled for primary care services, which shall include, but not be limited to:

3.2.1. Access to a healthcare provider by telephone twenty-four (24) hours per day, seven (7) days per week, directly, by referral or subcontract.

3.2.2. Care facilitated by registries, information technology, health information exchange and other means to assure that patients get the necessary

care when and where they need and want it in a culturally and linguistically appropriate manner.

3.2.3. An integrated model of primary care that may include, but is not limited to:

3.2.3.1. Behavioral health

3.2.3.2. Oral health.

3.2.3.3. Use of navigators and case management.

3.2.3.4. Co-location of services and system-level integration of care and fiscal accountability.

3.3. The Contractor may provide enabling services, if the budget allows, which are non-clinical services that support the delivery of basic primary care and services and facilitate access to comprehensive patient care as well as social services. The Contractor may facilitate enabling services that include, but are not limited to:

3.3.1. Case management.

3.3.2. Benefit counseling.

3.3.3. Eligibility assistance.

3.3.4. Health education and supportive counseling.

3.3.5. Interpretation.

3.3.6. Outreach.

3.3.7. Transportation.

3.3.8. Education of patients and the community regarding the availability and appropriate use of health services.

3.4. The Contractor must elect to do at least one (1) quality improvement project which consists of systematic and continuous actions that lead to measurable improvements in health care services and the health status of targeted patient groups. The Contractor shall facilitate a minimum of one (1) quality improvement project that includes, but is not limited to:

3.4.1. Enhancing clinical workflow/improve patient outcomes by methods that may include, but are not limited to:

3.4.1.1. Alerts.

3.4.1.2. Guidelines.

3.4.1.3. Diagnostic support.

3.4.1.4. Patient registries.

3.4.1.5. Collaborative learning sessions, etc.)

3.4.2. Implementing projects that lead to measurable improvements on any of the performance measures and indicators identified in Exhibit A-1 Amendment #2

3.4.3. Utilizing defined improvement processes to coordinate quality improvement activities.

3.4.4. Identifying and defining specific goals and objectives to be achieved in the project period.

4. Screening, Brief Intervention, and Referral to Treatment (SBIRT) Services

4.1. The Contractor shall develop the infrastructure necessary to provide and record Screening, Brief Intervention, and Referral to Treatment (SBIRT) services related to substance use for all eligible individuals ages nineteen (19) to sixty-five (65) years and for all pregnant women, regardless of age, receiving services in Section 3 and/or Section 4. The Contractor shall:

4.1.1. Provide training to integrated primary care and behavioral health teams to ensure SBIRT activities are conducted with fidelity to the model in Section 4.2.

4.1.2. Modify and/or adapt current Electronic Health Records (EHR) systems in order to track SBIRT:

4.1.2.1. Activities

4.1.2.2. Completions.

4.1.2.3. Recommendations and referrals.

4.1.2.4. Follow-ups.

4.1.3. Utilize Substance Use Disorder (SUD) codes in the EHR for billing that shall:

4.1.3.1. Enable submission for payment through NH Managed Care/Medicaid and other insurance companies.

4.1.3.2. Allow the generation of reports.

4.2. The Contractor shall implement SBIRT services by ensuring sufficient qualified staff are available to conduct SBIRT services according to the SBIRT model described by the Centers for Disease Control (CDC), available on-line at http/www.dcd.gov/ncddd/fasd/documents/aloholsbiimplementationguide.pdf. The Contractor shall:

4.2.1. Implement SBIRT services by including SBIRT activities in daily operations.

4.2.2. Use one or more of the screening instruments listed in Appendix E of "Systems-Level Implementation of Screening, Brief Intervention and Referral to Treatment. TAP 33" (2013 edition) (http://www.integration.samhsa.gov/sbirt/TAP33.pdf) and document screening in the electronic medical record (EMR).

4.2.3. Conduct brief interventions with patients who screen positive for potential substance use concerns and document activities in the EHR

4.2.4. Refer patients to Substance Use Disorder (SUD) treatment services as necessary, and ensure each patient has connected with the specific service provider by documenting in the EHR, which is audited to ensure appropriate follow up.

4.2.5. Conduct SBIRT with covered populations that include all adults on an annual basis and pregnant women on a trimester basis.

4.3. Coordinate care between community health center (CHC) services and external treatment providers by collaborating with entities that provide SUD treatment services not available at the CHC. The Contractor shall:

4.3.1. Obtain client consents to contact service providers in order to resolve any barriers to accessing services.

4.3.2. Refer patients for SUD services, as needed.

4.3.3. Follow up with patient and/or SUD service provider to ensure appropriate services are provided.

4.3.4. Work with Regional Public Health Networks (RPHNs) to identify new SUD referral resources as they become available.

4.4. The Contractor shall test SBIRT fidelity with a subset of the target population prior to full implementation for all adults ages nineteen (19) to sixty-five (65) annually and pregnant women at each trimester.

5. Staffing

5.1. The Contractor shall ensure all health and allied health professions have the appropriate current NH licenses whether directly employed, contracted or subcontracted.

5.2. The Contractor shall employ a medical services director with special training and experience in primary care who shall participate in quality improvement activities and be available to other staff for consultation, as needed.

5.3. The Contractor shall ensure staff delivering SBIRT services have, at minimum, one of the following:

5.3.1. Masters prepared behavioral health practitioners. This includes individuals licensed under the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board.

5.3.2. Masters prepared and in the process of obtaining a license from the Mental Health Board, Psychology Board, or Alcohol and Drug Use Professional Board, while under the supervision of a licensed practitioner of the same profession.

5.3.3. Physicians or Advanced Practice Registered Nurses licensed to practice in NH.

5.3.4. Physician Assistants or other practitioners under the supervision of a Physician licensed to practice in NH.

5.4. The Contractor shall notify the Maternal and Child Health Section (MCHS) of any newly hired administrator, clinical coordinator or any staff person essential to carrying out contracted services in writing and include a copy of the individual's resume, within one month of hired.

5.5. The Contractor shall notify the MCHS, in writing, when:

5.5.1. Any critical position is vacant for more than one month.

5.5.2. There is not adequate staffing to perform all required services for more than one month.

6. Coordination of Services

6.1. The Contractor shall coordinate with other service providers within the community, where possible, including but not limited to collaboration with interagency referrals and to deliver coordination of care.

6.2. The Contractor shall participate in activities within the Public Health Region, as appropriate, to enhance the integration of community-based public health prevention and healthcare initiatives being implemented, including but not limited to:

6.2.1. Community needs assessments.

6.2.2. Public health performance assessments.

6.2.3. The development of regional health improvement plans.

6.3. The Contractor shall participate in and coordinate public health activities as requested by the Department, during any disease outbreak and/or emergency that affects the public's health.

7. Required Meetings & Trainings

7.1. The Contractor shall attend meetings and trainings facilitated by the MCHS and BCCP programs that include, but are not limited to:

Contractor Initials: SB
Date: 5-26-15

7.1.1. MCHS Agency Directors' meetings.

7.1.2. MCHS Primary Care Coordinators' meetings, which are held two (2) times per year.

7.1.3. MCHS Agency Medical Services Directors' meetings.

8. Workplans, Outcome Reports & Additional Reporting Requirements

8.1. The Contractor shall submit MCHS Data Trend Tables (DTT), which correspond to the MCHS performance measures two (2) times per according to the schedule and instructions provided by MCHS, unless otherwise notified at least thirty (30) days prior of any changes in the submission schedule. If a performance measure's targeted goal is not met, the Contractor must submit a corrective action plan per directions from MCHS.

8.2. The Contractor shall submit an annual Workplan and Workplan Outcome Report for the quality improvement project(s) that demonstrates improved clinical workflow/patient outcomes, which shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

8.3. If utilizing any portion of this contract for enabling services, the Contractor shall submit an annual Workplan and Workplan Outcome Report that includes at least one (1) performance measure for each type of enabling service provided. This shall be developed and submitted according to the schedule and instructions provided by MCHS. The Contractor shall be notified at least thirty (30) days in advance of any changes in the submission schedule.

8.4. The Contractor shall complete the Uniform Data Set (UDS) tables that reflect program performance for the previous calendar year no later than March 31st.

8.5. The Contractor shall submit the Perinatal Client Data Form (PCDF) on a quarterly basis in an electronic format according to the instructions set forth by the MCHS.

8.6. The Contractor shall submit monthly Outcome Reports for SBIRT services according to the schedule and instructions provided by the MCHS. The Contractor shall:

8.6.1. Collect information that includes, but is not limited to:

8.6.1.1. Description of trainings conducted, which includes but is not limited to:

8.6.1.1.1. Content of trainings.

8.6.1.1.2. Number of staff that attended trainings.

8.6.1.2. The number of:

8.6.1.2.1. Qualified staff conducting SBIRT

8.6.1.2.2. SBIRT billing codes developed.

8.6.1.2.3. SBIRT services billed to insurance.

8.6.1.3. Updates on any changes, enhancements or adaptations to SBIRT procedures in:

8.6.1.3.1. Technology based systems.

8.6.1.3.2. Staffing.

8.6.1.3.3. Coding and billing.

8.6.1.4. The total number of clients receiving SBIRT delineated by:

8.6.1.4.1. Percentage of clients receiving only screening.

8.6.1.4.2. Percentage of clients receiving brief interventions.

8.6.1.4.3. Percentage of clients referred for more intensive services who initiated services.

8.6.1.4.4. Percentage of clients referred for more intensive services who had problems connecting to services.

8.7. The Contractor shall submit an annual report on April 30th in each year a contract amendment or renewal is not required that includes, but is not limited to:

8.7.1. DPHS Budget Form.

8.7.2. Budget Justification.

8.7.3. Sources of Revenue.

8.7.4. Program Staff List, which includes staff titles

8.8. The Contractor shall resubmit a Sources of Revenue report at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

8.9. The Contractor shall provide an annual summary of patient satisfaction survey results obtained during the prior contract period. The Contractor shall ensure the summary includes:

8.9.1. Survey template.

8.9.2. Method by which the results were obtained.

9. On-Site Reviews

9.1. The Contractor shall allow a team or person authorized by the Department to periodically review the Contractor's:

9.1.1. Systems of governance.

9.1.2. Administration.

9.1.3. Data collection and submission.

9.1.4. Clinical and financial management.

9.1.5. Delivery of education services.

9.2. The Contractor shall cooperate with the Department to ensure information needed for the reviews is accessible and provided. The Contractor shall ensure information includes, but is not limited to:

9.2.1. Client records.

9.2.2. Documentation of approved enabling services and quality improvement projects, including process and outcome evaluations.

9.2.3. SBIRT documentation, which includes but is not limited to:

9.2.3.1. SBIRT policies and procedures.

9.2.3.2. Staff credentials for all staff delivering SBIRT services

9.2.3.3. SBIRT procedures utilized and documented in patient records.

9.3. The Contract shall take corrective actions as advised by the review team if services provided are not in compliance with the contract requirements.

Exhibit A-1 – Amendment #2

1. PRIMARY CARE PERFORMANCE MEASURES

1.1. Breastfeeding

1.1.1. **Percent of infants who are ever breastfed** (Title V PM #10).

1.1.1.1. Numerator: Infants who were ever breastfed or received breast milk

1.1.1.2. Denominator: All infants born in a state fiscal year

1.2. Preventive Health: Lead Screening

1.2.1. **Percent of children 2 years of age who had one or more capillary or venous lead blood test for lead poisoning by their second birthday.** (CMS, Hedis).

1.2.1.1. Numerator: At least one capillary or venous blood test on or before the child's second birthday.

1.2.1.2. Denominator: Children who turn 2 years old during the state fiscal year.

1.3. Preventive Health: Adolescent Well-Care Visit

1.3.1. **Percent of adolescents, 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year** (Hedis, Title V PM #7).

1.3.1.1. Numerator: Number of adolescents, ages 12 through 21 years of age who had at least one comprehensive well-care visit with a PCP or an OB/GYN practitioner during the measurement year.

1.3.1.2. Denominator: Number of adolescents, ages 12 through 21 years of age.

1.4. Preventive Health: Depression Screening

1.4.1. **Percentage of patients ages 12 and older screened for clinical depression using an age appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen** (ACO 18, NQF 0418).

1.4.1.1. Numerator: Patients who are screened for clinical depression using an age-appropriate standardized depression screening tool AND if positive, a follow-up plan documented.

1.4.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.1.3. Denominator: All patients 12 years and older.

1.4.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

Contractor Initials: SB
Date: 5/21/15

1.4.2. **Maternal Depression Screening** (Developmental: not required for FY 16)

1.4.2.1. **Percentage of women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool AND if positive, a follow-up plan is documented on the date of the positive screen.**

1.4.2.1.1. Numerator: Women who are screened for clinical depression during the post-partum visit using an appropriate standardized depression screening tool and screen negative.

AND

Women who are screened for depression during the post-partum visit using an appropriate standardized depression screening tool, screen positive, AND have a follow-up plan documented.

1.4.2.1.2. Definition of Follow-Up Plan: Proposed outline of treatment to be conducted as a result of clinical depression screen. Such follow-up must include further evaluation if screen is positive and may include documentation of a future appointment, education, additional evaluation such as Suicide Risk Assessment and/or referral to a practitioner who is qualified to diagnose and treat depression, and/or notification of primary care provider.

1.4.2.1.3. Denominator: All women who are at least 6 weeks post-partum in a state fiscal year.

1.4.2.1.4. Denominator Exception: Depression screening not performed due to medical contraindicated or patient refusal.

1.5. **Preventive Health: Obesity Screening**

1.5.1. **Percentage of patients aged 18 years and older with a calculated BMI in the past six months or during the current visit documented in the medical record AND if the most recent BMI is outside of normal parameters, a follow-up plan is documented** (ACO 16, NQF 0421, HRSA UDS).

1.5.1.1. Normal parameters: Age 65 and older BMI $\geq$ 23 and < 30

Age 18 through 64 BMI $\geq$ 18.5 and < 25

1.5.1.2. Numerator: Patients with BMI calculated within the past six months or during the current visit and a follow-up plan documented if the BMI is outside of parameters.

1.5.1.3. Definition of Follow-Up Plan: Proposed outline of follow-up plan to be conducted as a result of BMI outside of normal parameters. The follow-up plan can include documentation of a future appointment, education, referral (such as registered dietician, nutritionist,

occupational therapist, primary care physician, exercise physiologist, mental health provider, surgeon, etc.), prescription of/administration of dietary supplements, exercise counseling, nutrition counseling, etc.

1.5.1.4. Denominator: All patients aged 18 years and older who had at least one medical visit during the state fiscal year.

1.5.2. Percent of patients aged 2 through 17 who had evidence of BMI percentile documentation AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year (HRSA UDS).

1.5.2.1. Numerator: Number of patients in the denominator who had their BMI percentile (not just BMI or height and weight) documented during the measurement year AND who had documentation of counseling for nutrition AND who had documentation of counseling for physical activity during the measurement year.

1.5.2.2. Denominator: Number of patients who were one year after their second birthday (i.e., were 3 years of age) through adolescents who were aged up to one year past their 16th birthday (i.e., up until they were 17) at some point during the measurement year, who had at least one medical visit during the reporting year, and were seen by the health center for the first time prior to their 17th birthday.

1.6. **Preventive Health: Tobacco Screening**

1.6.1. Percent of patients aged 18 years and older who were screened for tobacco use one or more times within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user (ACO 17, NQF 0028, HRSA UDS).

1.6.1.1. Numerator: Patients who were screened for tobacco use at least once within 24 months AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.1.2. Definitions:

1.6.1.2.1. Tobacco Use: Includes any type of tobacco

1.6.1.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.1.3. Denominator: All patients aged 18 years and older seen for at least two visits ever

1.6.2. **Percent of women who are screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user** (Title V, PM #15).

1.6.2.1. Numerator: Pregnant women who were screened for tobacco use during each trimester AND who received tobacco cessation counseling intervention if identified as a tobacco user.

1.6.2.2. Definitions:

1.6.2.2.1. Tobacco Use: Includes any type of tobacco

1.6.2.2.2. Cessation Counseling Intervention: Includes counseling or pharmacotherapy

1.6.2.3. Denominator: All women who delivered a live birth in a state fiscal year

1.7. **At Risk Population: Hypertension**

1.7.1. **Percentage of patients aged 18 through 85 years of age who had a diagnosis of hypertension and whose blood pressure was adequately controlled (<140/90 mm Hg) during the measurement year** (ACO 28, NQF 0018).

1.7.1.1. Numerator: Number of patients from the denominator with blood pressure measurement less than 140/90 mm Hg at the time of their last measurement.

1.7.1.2. Denominator: Number of patients age 18 through 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)

1.8. **Patient Safety: Falls Screening**

1.8.1. **Percent of patients aged 65 years and older who were screened for future fall risk at least once within 12 months** (ACO 13, NQF0101).

1.8.1.1. Numerator: Patients who were screened for future fall risk at least once within 12 months.

1.8.1.2. Definition of Fall: a sudden, unintentional change in position causing an individual to land at a lower level, on an object, the floor, or the ground, other than as a consequence of a sudden onset of paralysis, epileptic seizure, or overwhelming external force.

1.8.1.3. Numerator note: Patients are considered at risk for future falls if they have had 2 or more falls in the past year or any fall with injury in the past year.

1.8.1.4. Denominator: All patients aged 65 years and older

1.8.1.5. Excluded from denominator population: (Exclusion only applied if patient was not screened for future fall risk) Documentation of medical reason(s) for not screening for future fall risk (e.g. patient is not ambulatory)

2. SBIRT PERFORMANCE MEASURES

2.1. **Percent of patients aged 18 years and older who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, received a brief intervention or referral to services**

2.1.1. **Numerator:** Number of patients in the denominator who were screened for substance use, using a formal valid screening tool, during an annual physical AND if positive, who received a brief intervention or referral to services.

2.1.2. Definitions

2.1.2.1. Substance Use: Includes any type of alcohol or drug.

2.1.2.2. Brief Intervention: Includes guidance or counseling.

2.1.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

2.1.3. Denominator: Number of patients aged 18 years and older seen for annual visit within 12 months.

2.2. **Percent of pregnant women who were screened, using a formal valid screening tool, for substance use, during every trimester they are enrolled in the prenatal program AND if positive, received a brief intervention or referral to services**

2.2.1. Numerator: Number of women in the denominator who were screened for substance use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program AND if positive, received a brief intervention or referral to services

2.2.2. Definitions:

2.2.2.1. Substance Use: Includes any type of alcohol or drug.

2.2.2.2. Brief Intervention: Includes guidance or counseling.

2.2.2.3. Referral to Services: Includes any recommendation of direct referral for substance abuse service.

2.2.3. Denominator: Number of women enrolled in the agency prenatal program and who had a live birth during the state fiscal year.

Contractor Initials: SB
Date: 5-26-15

Method and Conditions Precedent to Payment

1. The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A, Scope of Services.
2. This contract is funded with general and federal funds. Department access to supporting funding for this project is dependent upon the criteria set forth in the Catalog of Federal Domestic Assistance (CFDA) (https://www.cfda.gov):
   2.1. #93.959, Department of Health and Human Services, Substance Abuse and Mental Health Services (SAMHSA) Block Grants for Prevention and Treatment of Substance Abuse.
   2.2. #93.994, Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Services Block Grant to the States.
3. The Contractor shall use and apply all contract funds for allowable direct and indirect costs to provide services in Exhibit A – Amendment #2, Scope of Services, in accordance with Exhibit B-1 Amendment #2 through Exhibit B-4 Amendment #2.
4. The Contractor shall use and apply the amount in the SBIRT line item in Exhibit B-2 and Exhibit B-4 on actual SBIRT services provided.
5. The Contractor shall not use or apply contract funds for capital additions or improvements, entertainment costs, or any other costs not approved by the Department.
6. Payment for said services shall be made as follows:
   6.1. The Contractor will submit an invoice by the tenth (10^{th}) working day of each month, which identifies and requests reimbursement for:
      6.1.1. Authorized expenses incurred in the prior month.
      6.1.2. The units of SBIRT services provided, in accordance with Exhibit A – Amendment #2, Section 4.2.2 through Section 4.2.5 and Section 4.3.1 through Section 4.3.3, which shall be paid on a fee-for-service basis at the following rates:
         6.1.2.1. $29.86 for each unit of service that is 15-30 minutes.
         6.1.2.2. $57.31 for each unit of service that is more than 30 minutes.
   6.2. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
   6.3. The invoice must be submitted by mail or e-mail to:

      Financial Manager
      Department of Health and Human Services
      129 Pleasant Street
      Concord, NH 03301

      E-mail: dphscontractbilling@dhhs.state.nh.us
7. A final payment request shall be submitted no later than forty (40) days from the Form P37, General Provisions, Contract Completion Date, Block 1.7.

Contractor Initials: SB
Date: 5-26-15

8. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this Contract may be withheld, in whole or in part, in the event of noncompliance with any State or Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.
9. When the contract price limitation is reached, the program shall continue to operate at full capacity at no charge to the State of New Hampshire for the duration of the contract period.
10. Notwithstanding paragraph 18 of the Form P-37, General Provisions, an amendment limited to transfer the funds within the budgets in Exhibit B-1 Amendment #2 through Exhibit B-4 Amendment #2 and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

Contractor Name:

5-26-15
Date

Sharon Beaty
Name: Sharon Beaty
Title: CEO, Mid-State Health Center

State of New Hampshire
Department of State

CERTIFICATE

I, William M. Gardner, Secretary of State of the State of New Hampshire, do hereby certify that Mid-State Health Center is a New Hampshire nonprofit corporation formed January 9, 1998. I further certify that it is in good standing as far as this office is concerned, having filed the return(s) and paid the fees required by law.

In TESTIMONY WHEREOF, I hereto set my hand and cause to be affixed the Seal of the State of New Hampshire, this 7th day of April, A.D. 2015

William M. Gardner
Secretary of State

CERTIFICATE OF VOTE

I, Ann Blair, do hereby certify that:
(Name of the elected Officer of the Agency; cannot be contract signatory)

1. I am a duly elected Officer of Mid-State Health Center.
(Agency Name)

2. The following is a true copy of the resolution duly adopted at a meeting of the Board of Directors of the Agency duly held on 04/23/13:
(Date)

RESOLVED: That the Chief Executive Officer
(Title of Contract Signatory)

is hereby authorized on behalf of this Agency to enter into the said contract with the State and to execute any and all documents, agreements and other instruments, and any amendments, revisions, or modifications thereto, as he/she may deem necessary, desirable or appropriate.

3. The forgoing resolutions have not been amended or revoked, and remain in full force and effect as of the 26th day of May, 2015.
(Date Contract Signed)

4. Sharon Beaty is the duly elected Chief Executive Officer
(Name of Contract Signatory) (Title of Contract Signatory)

of the Agency.

Ann Blair
(Signature of the Elected Officer)

STATE OF NEW HAMPSHIRE

County of Grafton

The forgoing instrument was acknowledged before me this 26th day of May, 2015,

By Ann Blair.
(Name of Elected Officer of the Agency)

CONDITIONS

This Company binds the kind(s) of insurance stipulated on the reverse side. The Insurance is subject to the terms, conditions and limitations of the policy(ies) in current use by the Company.

This binder may be cancelled by the Insured by surrender of this binder or by written notice to the Company stating when cancellation will be effective. This binder may be cancelled by the Company by notice to the Insured in accordance with the policy conditions. This binder is cancelled when replaced by a policy. If this binder is not replaced by a policy, the Company is entitled to charge a premium for the binder according to the Rules and Rates in use by the Company.

Applicable in California

When this form is used to provide insurance in the amount of one million dollars ($1,000,000) or more, the title of the form is changed from "Insurance Binder" to "Cover Note".

Applicable in Delaware

The mortgagee or Obligee of any mortgage or other instrument given for the purpose of creating a lien on real property shall accept as evidence of insurance a written binder issued by an authorized insurer or its agent if the binder includes or is accompanied by: the name and address of the borrower; the name and address of the lender as loss payee; a description of the insured real property; a provision that the binder may not be canceled within the term of the binder unless the lender and the insured borrower receive written notice of the cancellation at least ten (10) days prior to the cancellation; except in the case of a renewal of a policy subsequent to the closing of the loan, a paid receipt of the full amount of the applicable premium, and the amount of insurance coverage.

Chapter 21 Title 25 Paragraph 2119

Applicable in Florida

Except for Auto Insurance coverage, no notice of cancellation or nonrenewal of a binder is required unless the duration of the binder exceeds 60 days. For auto insurance, the insurer must give 5 days prior notice, unless the binder is replaced by a policy or another binder in the same company.

Applicable in Nevada

Any person who refuses to accept a binder which provides coverage of less than $1,000,000.00 when proof is required: (A) Shall be fined not more than $500.00, and (B) is liable to the party presenting the binder as proof of insurance for actual damages sustained therefrom.

Mission Statement

Mid-State Health Center provides sound primary medical care to the community, accessible to all regardless of the ability to pay.

Vision for the Future

- Patients are satisfied, knowledgeable, and involved in their health care.
- MSHC develops collaborative relationships with the medical community.
- Facilities are comfortable, functional and accessible.
- Working environment is characterized by professional behavior, mutual respect and focused on finding solutions to problems.
- Operates in a manner that results in financial stability, enhances efficiency, respects the importance of the working environment and supports a premier teaching experience.

Core Values

- Holds employees and clinicians to high ethical and professional standards
- Commits to creating a healthier community
- Provides high-quality medical care
- Respects the privacy of the provider-patient relationship
- Supports continuing education at all levels of the organization
- Recognizes the importance of employees' need to lead healthy and balanced lives
- Respects and considers the opinions of all stakeholders
- Board members are actively involved, interested and committed to the success of MSHC

Independent Auditors' Report

To the Board of Trustees of
Mid-State Health Center and Subsidiary:

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Mid-State Health Center and Subsidiary, which comprise the consolidated statements of financial position as of June 30, 2014 and 2013, and the related consolidated statements of activities and changes in net assets and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Organization's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Tyler, Simms & St. Sauveur, P.C. • 19 Morgan Drive • Lebanon, NH 03766 • Ph. 603-653-0044 • Fax 603-653-0209
www.tss-cpa.com

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Mid-State Health Center and Subsidiary as of June 30, 2014 and 2013, and the results of their operations, changes in net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying supplemental Schedule of Expenditures of Federal Awards on pages 21-30 is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations and is not a required part of the financial statements. The consolidating information is also presented on pages 31-36 for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of the Organization's management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 13, 2014, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Consolidated Statements of Cash Flows (continued)

For the Years Ended June 30, 2014 and 2013

Supplemental Disclosures of Cash Flow Information

	2014	2013
Cash payments for:		
Interest	$ 198,020	$ 197,436
State taxes	$ 2,228	$ 2,610

Supplemental Disclosures of Non-Cash Transactions

During 2014, the Organization refinanced various obligations through the issuance of long-term notes payable totaling $2,904,000 (see Note 10).

During 2014, the Organization recognized an in-kind contribution in the amount of $482,417, representing forgiveness of the Organization's outstanding balance on a certain note payable at the time of the contribution (see Note 10).

During 2013, the Organization purchased certain equipment through the issuance of capital leases totaling $7,132.

During 2013, the Organization purchased land through the issuance of a long-term note payable in the amount of $152,000.

The accompanying notes to financial statements are an integral part of these statements.

1. Summary of Significant Accounting Policies:

Organization

Mid-State Health Center ("MSHC"), is a physician practice which provides health care to a large number of Medicare, Medicaid and charity care patients on an outpatient basis. MSHC maintains facilities in Plymouth and Bristol, New Hampshire. During fiscal year 2014, MSHC was approved as a Federally Qualified Health Center (FQHC), which helps non-profit health care organizations that serve predominately uninsured or medically underserved populations through increased Medicare and Medicaid reimbursement rates.

The consolidated financial statements include the accounts of CRDC Plymouth Community Development Corporation (CRDC Plymouth), collectively, "the Organization".

Effective September 23, 2010, the Organization was transferred a sole member interest in CRDC Plymouth, which owns the 19,500 square foot operating facility that was developed to house the Organization, providing medical services to the underserved community in the Plymouth, New Hampshire region.

During the year ended June 30, 2012, after having participating in a pilot program with the New Hampshire Citizens Health Initiative (NHCHI) the Organization was officially recognized as a medical home.

Basis of Statement Presentation

The consolidated financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The consolidated financial statements have been prepared consistent with the American Institute of Certified Public Accountants *Audit and Accounting Guide, Health Care Organizations* (Audit Guide). All significant intercompany transactions between MSHC and CRDC Plymouth have been eliminated in consolidation.

Classes of Net Assets

The Organization reports information regarding its consolidated financial position and activities to three classes of net assets; unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

(1) Unrestricted Net Assets are not subject to donor-imposed stipulations.
(2) Temporarily Restricted Net Assets are subject to donor-imposed stipulations that may or will be met by actions of the Organization and/or the passage of time. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as temporarily restricted net assets until the Organization satisfies the donor imposed restriction. Absent explicit donor stipulations about how long-lived assets must be maintained, the Organization reports expirations of donor restrictions over the remaining useful life of the donated or acquired long-lived asset.
(3) Permanently Restricted Net Assets are subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally, the donors of these assets permit the institution to use all or part of the income earned on related investments for general or specific purposes. There were no permanently restricted net assets as of June 30, 2014 and 2013.

1. **Summary of Significant Accounting Policies (continued):**

Contractual Arrangements with Third-Party Payors

The Medicare and Medicaid programs pay the Organization for services at predetermined rates by treatment. The Organization is reimbursed for Medicare cost reimbursable items at a tentative rate with final settlement determined after the submission of annual cost reports and audits thereof by the Medicare fiscal intermediary. Changes in Medicare and Medicaid programs or reduction of funding levels for programs could have an adverse effect on future amounts recognized as net patient service revenue.

The laws and regulations governing the Medicare and Medicaid programs are complex and subject to interpretation. As a result, there is at least a reasonable possibility that recorded estimates will change by a material amount in the near term.

The Organization also enters into preferred provider agreements with certain commercial insurance carriers. Payment arrangements to the Organization under these agreements include discounted charges and fee schedule payments.

Net Patient Service Revenue

Net patient service revenue is reported at the estimated net realizable amounts from patients, third-party payors and others for services rendered, including estimated retroactive adjustments under reimbursement agreements with third-party payors.

Charity Care

The Organization provides care to patients who meet certain criteria under its charity care policy with minimal charge or at amounts less than its established rates. Because the Organization does not pursue collection of amounts determined to qualify as charity care, they are not reported as revenue.

Estimates

The Organization uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could differ from those estimates.

Income Taxes

The Organization is a not-for-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code (Code) and is exempt from Federal income taxes on related income pursuant to Section 501(a) of the Code.

The Organization accounts for its uncertain tax positions in accordance with the accounting methods under ASC Subtopic 740-10. The UTP rules prescribe a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken in an organization's tax return. The Organization believes that it has appropriate support for the tax positions taken and, as such, does not have any uncertain tax positions that might result in a material impact on the Organization's statements of financial position, activities and changes in net assets and cash flows. The Organization's management believes it is no longer subject to examinations for the years prior to 2010.

1. Summary of Significant Accounting Policies (continued):

Cash and Cash Equivalents

Cash and cash equivalents include demand deposits, petty cash funds and investments with a maturity of three months or less, and exclude amounts whose use is limited by Board designation or other arrangements under trust agreements or with third-party payors.

Receivables

Patient receivables are carried at their estimated collectible amounts. Patient credit is generally extended on a short-term basis; thus, patient receivables do not bear interest.

Patient receivables are periodically evaluated for collectability based on credit history and current financial condition. The Organization uses the allowance method to account for uncollectible accounts receivable.

Property and Equipment

Property and equipment acquisitions are recorded at cost. Property and equipment donated for Organization operations are recorded at fair value at the date of receipt. Expenditures for repairs and maintenance are expensed when incurred and betterments are capitalized.

Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method. Equipment under capital leases is amortized on the straight-line method over the life of the capital lease. Such amortization is included in depreciation and amortization in the financial statements.

Estimated useful lives are as follows:

	YEARS
Buildings	5 - 40
Leasehold improvements	5
Equipment	3 - 7
Furniture and fixtures	5 - 15
Capital leases	3 - 15

The Organization reviews the carrying value of property and equipment for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. In cases where undiscounted expected future cash flows are less than carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of assets. The factors considered by management in performing this assessment include current operating results, trends and prospects, as well as the effects of obsolescence, demand, competition and other economic factors.

Concentration of Credit Risk

Financial instruments that potentially expose the Organization to concentrations of credit and market risks consist primarily of cash. The Organization has not experienced any losses on its cash.

1. Summary of Significant Accounting Policies (continued):

Fair Value of Financial Instruments

The carrying amount of cash, patient accounts receivable, accounts and notes payable and accrued expenses approximates fair value.

Advertising

Advertising costs are charged to operations when incurred. Total advertising expense for the years ended June 30, 2014 and 2013 was $20,370 and $15,440, respectively.

Functional Allocation of Expenses

Expenses that can be identified with specific program or supporting services are charged directly to the related program or supporting service. Expenses that are associated with more than one program, or supporting service are allocated based on an evaluation by management.

Reclassification

Certain reclassifications have been made to the 2013 consolidated financial statements to conform to the 2014 presentation. Such reclassifications had no effect on the previously reported change in net assets.

Recent Accounting Pronouncements

In April 2013, the FASB issued Accounting Standards Update (ASU) No. 2013-06, *Not-for-Profit Entities (Topic 958) - Services Received from Personnel of an Affiliate.* The objective of the amendments in this ASU is to specify the guidance that the NFP apply for recognizing and measuring services received from personnel of an affiliate. More specifically, the amendments in this ASU apply to a NFP that receives services from personnel of an affiliate that directly benefit the recipient NFP and for which the affiliate does not charge the recipient NFP. The amendments in this ASU require a recipient NFP to recognize all services received from personnel of an affiliate that directly benefit the recipient NFP. Those services should be measured at the cost recognized by the affiliate for the personnel providing those services. However, if measuring a service received from personnel of an affiliate at cost will significantly overstate or understate the value of the service received, the recipient NFP may elect to recognize that service received at either: (a) the cost recognized by the affiliate for the personnel providing that service, or (b) the fair value of that service. The amendments in this ASU are effective prospectively for fiscal years beginning after June 15, 2014, and interim and annual periods thereafter. A recipient NFP may apply the amendments using a modified retrospective approach under which all prior periods presented upon the date should be adjusted, but no adjustment should be made to the beginning balance of net assets of the earliest period presented. Early adoption is permitted.

2. Charity Care:

The Organization maintains records to identify and monitor the level of charity care they provide. These records include the amount of charges foregone for services and supplies furnished under their charity care policies. The total cost estimate is based on an overall cost to charge ratio applied against gross charity care charges. The net cost of charity care provided was approximately $401,000 and $371,000 for the years ended June 30, 2014 and 2013, respectively. Gross patient service revenue provided on a charity care basis was approximately 5.7% and 5.6% for the years ended June 30, 2014 and 2013, respectively.

2. Charity Care (continued):

The Organization estimates its cost of charity care by applying the percentage of operating expenses to unrestricted revenues and gains to the gross charges foregone. In 2014 and 2013, 832 and 751 patients received charity care out of a total of 10,148 and 10,093 patients, respectively. The Organization provides health care services to residents of Plymouth, New Hampshire and the surrounding area, without regard to the individual's ability to pay for their services.

Determination of eligibility for charity care is granted on a sliding fee basis. Patients with family income less than 100% of the Community Services Administration Income Poverty Guidelines shall only be responsible for a nominal fee assessed by the Organization and not the balance of their account for services received. Those with family income at least equal to 101%, but not exceeding 138% of the Federal Poverty Guidelines, shall be responsible for a $20 fee for each encounter. Those with family income at least equal to 139%, but not exceeding 160% of the guidelines, will be responsible for a $30 fee for each encounter. Those with family income at least equal to 161%, but not exceeding 180% of the guidelines, will be responsible for a 440 fee for each encounter. Those with family income at least equal to 181%, but not exceeding 200% of the guidelines, will be responsible for a $50 fee for each encounter.

Third-Party Payor Losses – In addition, the Organization incurred losses in the treatment of Medicare and Medicaid patients. Both of these government programs reimburse for medical services at less than billed charges to provide those services. In 2014 and 2013, the Organization incurred losses of $1,035,162 and $989,213, respectively, related to treating Medicare and Medicaid patients.

3. Net Patient Service Revenue and Patient Accounts Receivable:

Net Patient Service Revenue – Net patient service revenue is reported net of contractual allowances, allowance for bad debts and other discounts as follows for the years ended June 30:

	2014	2013
Gross patient service revenue	$ 7,335,081	$ 7,461,836
Third-party payor settlements	83,825	45,373
Less: Contractual allowances and discounts	2,118,873	2,092,968
Net patient service revenue before provision for bad debts	5,300,033	5,414,241
Less: Provision for bad debt	348,130	367,681
Net patient service revenue	$ 4,951,903	$ 5,046,560

Net Patient Service Revenue by Payor Source

The Organization's net patient service revenue before provision for bad debts was comprised of the following for the years ended June 30:

	2014	2013
Governmental payors	$ 2,544,332	$ 2,486,638
Other third-party payors	2,478,023	2,597,334
Self-pay	277,678	330,269
Total all payors	$ 5,300,033	$ 5,414,241

3. Net Patient Service Revenue and Patient Accounts Receivable (continued):

Patient Accounts Receivable – Patient accounts receivable is reported net of estimated contractual allowances and allowance for doubtful accounts, as follows, as of June 30:

	2014	2013
Patient accounts receivable	$ 1,042,117	$ 781,700
Less: Estimated contractual allowances	269,602	209,564
Less: Estimated allowance for doubtful accounts	208,000	183,107
Patient accounts receivable, net	$ 564,515	$ 389,029

Patient accounts receivable are reduced by an allowance for doubtful accounts. In evaluating the collectability of accounts receivable, the Organization analyzes its past history and identifies trends for each of its major payor sources of revenue to estimate the appropriate allowance for doubtful accounts and provision for bad debts. Management regularly reviews data about these major payor sources of revenue in evaluating the sufficiency of the allowance for doubtful accounts. For receivables associated with service provided to patients who have third-party coverage, the Organization analyzes contractually due amounts and provides an allowance for doubtful accounts and a provision for bad debts, if necessary. For receivables associated with self-pay patients, including both patients without insurance and patients with deductible and copayment balances due for which third-party coverage exists for only part of the bill, the Organization records a significant provision for bad debts in the period of service on the basis of its past experience, which indicates that many patients are unable or unwilling to pay the portion of their bill for which they are financially responsible. The difference between the standard rates and the amounts actually collected after all reasonable collection efforts have been exhausted is charged off against the allowance for doubtful accounts.

4. Estimated Third-Party Settlements:

Provision has been made for estimated adjustments that may result from final settlement of reimbursable amounts as may be required upon completion and audit of related cost finding reports under terms of contracts with the Center for Medicare and Medicaid Services and the New Hampshire Division of Welfare (Medicaid). Differences between estimated adjustments and amounts determined to be recoverable or payable are accounted for as income or expense in the year that such amounts become known.

5. Grants and State Contracts:

The Organization receives various reimbursement grants from the federal government, State of New Hampshire and other public and private agencies. The following is a summary of the grant activity for the years ended June 30:

	Total Award	Earned Grant and State Contract Revenue 2014	Earned Grant and State Contract Revenue 2013	Outstanding Receivable 2014	Outstanding Receivable 2013	Deferred Grants and State Contract Revenue 2014	Deferred Grants and State Contract Revenue 2013
HPHC Quality Grant - 2013	$ 71,755	$ 35,877	$ 17,939	$ 17,939	$ 53,816	$ 17,939	$ 53,816

NH Primary Care Contract - 2014	152,176	152,176	-	54,530	117,175	-	117,675
NH Primary Care Contract - 2015	175,511	-	-	175,511		175,511	-
Emergency Preparedness Grant - 2013	91,000	-	88,659	-	21,166	-	-
Emergency Preparedness Grant - 2014	175,269	175,269	-	23,109	151,380	-	151,380
Emergency Preparedness Grant - 2015	151,880	-	-	151,880		151,880	-
Other Grant and Contract Awards	-	57,985	30,895	37,324	-	44,263	-
	$ 2,527,774	$ 1,136,271	$ 387,597	$ 972,793	$ 391,025	$ 768,760	$ 322,871

6. Property and Equipment:

Property and equipment consisted of the following as of June 30:

	2014	2013
Land	$ 525,773	$ 525,773
Buildings	6,338,876	4,089,569
Leasehold improvements	97,798	97,798
Furniture, fixtures and equipment	820,047	729,819
Projects in progress	-	228,658
	7,782,494	5,671,617
Less: Accumulated depreciation	1,191,389	1,201,434
	$ 6,591,105	$ 4,470,183

Depreciation and amortization expense, including amortization expense on capital lease obligations, for the years ended June 30, 2014 and 2013 amounted to $164,054 and $182,945, respectively.

7. Deferred Financing Costs:

Costs related to obtaining financing are deferred and reported net of accumulated amortization. Amortized is recognized on a straight-line basis over the period the related obligations are outstanding.

In August 2006, the Organization recognized financing costs related to the financing of CRDC Plymouth's land purchase and building construction ("2006 Financing") totaling $151,642. The 2006 Financing matured during 2014. Accumulated amortization as of June 30, 2013 was $149,711. Amortization expense associated with the 2006 Financing included in interest expense was $1,931 and $21,663 for the years ended June 30, 2014 and 2013, respectively.

In August 2013, the Organization recognized financing costs related to the mortgaging of its Plymouth facility totaling $49,015. The obligation has a term of 240 months and matures in August 2033. Accumulated amortization and amortization expense included in interest expense as of and for the year ended June 30, 2014 was $2,247.

In August 2013, the Organization recognized financing costs related to the issuance of a note payable totaling $6,000. The obligation has a term of 60 months and matures in August 2016. Accumulated amortization and amortization expense included in interest expense as of and for the year ended June 30, 2014 was $1,833.

8. Other Assets:

Included in other assets are capitalized legal fees related to the rental agreement and potential purchase of the building the Organization currently occupies in the amount of $9,163. Amortization expense related to the capitalized fees for the years ended June 30, 2014 and 2013 was $916. Accumulated amortization was $7,328 and $6,412 as of June 30, 2014 and 2013, respectively.

9. Line of Credit:

The Organization had an available line of credit with a maximum borrowing amount of $100,000 as of June 30, 2014. The line carries an interest rate equal to 5.25% (prime plus 2%). The line is secured by all business assets. The line was not drawn upon as of June 30, 2014 and 2013.

10. Long-Term Debt:

In August 2006, CRDC Plymouth entered into certain long-term debt arrangements to purchase land in Plymouth, New Hampshire and finance the construction of a 19,500 square foot operating facility that houses a substantial portion of the Organization's operations, providing medical services to the underserved community in the Plymouth, New Hampshire region. Details of the project financing follow.

During 2013, MSHC entered into two debt arrangements with Woodsville Guarantee Savings Bank to purchase land in Bristol, New Hampshire and finance the construction of a new facility for operations. During 2014, the Organization refinanced the Woodsville Guarantee Savings notes payable with a construction loan. The new loan had an advancement amount of up to $2,700,000, with 23 interest only payments commencing in October 2013 at a rate of 5% and a balloon payment due September 2015 for all unpaid principal and accrued unpaid interest. Details of the project financing follow.

10. **Long-Term Debt (continued):**

Long-term debt consisted of the following at June 30:

	2014	2013
CCML Investment Fund II, LLC note payable, maturing August 2013, referred to as the "CRDC Plymouth Loan 1", principal and interest payable in 85 monthly installments of $5,253 through August 1, 2013, CRDC Plymouth is required to refinance the then outstanding unpaid principal as of August 4, 2013, interest is charged at a rate of 5.514% (see Note 10a).	$ -	$ 958,589
CCML Investment Fund II, LLC note payable, maturing August 2013, referred to as the "CRDC Plymouth Loan 2", principal and interest payable in 85 monthly installments of $9,440 through August 1, 2013, CRDC Plymouth is required to refinance the then outstanding unpaid principal as of August 4, 2013, interest is charged at a rate of 5.514% (see Note 10a).	-	1,722,548
CCML Investment Fund II, LLC note payable, maturing August 2013, referred to as the "CRDC Plymouth Loan 3", principal and interest payable in 227 monthly installments of $2,646 through July 1, 2026, CRDC Plymouth is required to refinance the then outstanding unpaid principal as of August 1, 2016, interest is charged at a rate of 5.514% (see Note 10b).	-	482,770
NH Electric Cooperative, Inc. interest free note payable, maturing September 2013, principal payable in 72 monthly installments of $2,083 through August 1, 2013, and one lump sum payment of $203,750 on September 1, 2013 (see Note 10c).	-	210,000
Capital Regional Development Council note payable, maturing September 2013, principal and interest payable in 36 monthly installments of $2,842 through September 23, 2013. Interest is charged at a rate of 5%.	-	8,467
Woodsville Guarantee Savings Bank note payable, principal and interest payable in 288 monthly installments of $941. Interest is charged at a rate of 4.25%. The note was repaid in full during 2014.	-	149,560
Woodsville Guarantee Savings interim note payable, principal and interest payable in three monthly installments of $50,033 interest is charged at a rate of 5.5%. The note was repaid in full during 2014.	-	150,100

10. **Long-Term Debt (continued):**

	2014	2013
Woodsville Guarantee Savings Bank note payable, maturing September 2015, 23 interest only payments at a rate of 5%, 1 balloon payment of principal and accrued unpaid interest (see Note 10d).	2,110,002	-
Woodsville Guarantee Savings Bank note payable, maturing August 2033, principal and interest payable in 240 monthly installments of $18,194 through August 2033. Interest is charged at a rate of 5.25% (see Note 10a).	2,634,916	-
Woodsville Guarantee Savings Bank note payable, maturing August 2018, principal and interest payable in 60 monthly installments of $3,757 through August 2018. Interest is charged at a rate of 4% (see Note 10b).	172,765	-
Capital Regional Development Council note payable, maturing August 2016, 36 interest only payments at a rate of 6%, Pending compliance with provisions of the loan agreement The outstanding principle of the note will be forgiven in August 2016.	250,000	-
Total debt	5,167,683	3,682.034
Less: current portion	120,827	113,926
Long-term debt, less current portion	$ 5,046,856	$ 3,568,108

10a In August 2013, the Organization refinanced the CCML Investment Fund II, LLC CRDC Plymouth loans 1 and 2 with Woodsville Guarantee Savings Bank by entering into a $2,700,000 first mortgage note payable, "WGSB Loan 1", principal and interest payable in 240 monthly installments of $18,194, maturing August 2033, interest charged at a rate of 5.25%.

10b In August 2013, the CCML Investment Fund II, LLC contributed its interest in the outstanding balance on the CRDC Plymouth Loan 3 to MSHC resulting in contribution income of $482,417.

10c In August 2013, the Organization refinanced the NH Electric Cooperative, Inc. note payable with Woodsville Guarantee Savings Bank. The new $204,000 note, "WGSB Loan 2", matures August 2018, principal and interest payable in 60 monthly installments of $3,757 and interest charged at a rate of 4.0%. The WGSB Loan 2 is secured by a second mortgage against the Organization's Plymouth Facility.

10d In September 2013, the Organization refinanced the Woodsville Guarantee Savings Bank interim note payable with a construction loan. The new loan had an advancement amount of up to $2,700,000, and called for interest only payments at a rate of 5% beginning October 2013, for 23 consecutive months, and 1 balloon payment of principal and accrued unpaid interest due September 2015. Advances on the construction loan totaled $2,110,002.

10. Long-Term Debt (continued):

Future maturities of long-term debt are as follows as of June 30, 2014:

2015	$ 120,827
2016	2,236,820
2017	383,110
2018	139,720
2019	108,525
Thereafter	2,178,681
	$ 5,167,683

11. Capital Lease Obligations:

The Organization has entered into capital lease obligations on certain equipment. The terms of the leases are between three and four years expiring at various times through 2016. Accordingly, the Organization has recorded the transactions as capital lease obligations. For the years ended June 30, 2014 and 2013, amortization expense totaling $6,658 and $7,768, respectively, was included in depreciation and amortization expense. The cost basis of all equipment under capital leases was $23,968 as of June 30, 2014 and 2013.

The following is a schedule, by year, of future minimum lease payments under the capital leases as of June 30, 2014:

2015	$ 7,581
2016	2,754
Total mimimum lease payments	10,335
LESS: Amount representing interest	621
Present value of minimum lease payments	9,714
LESS: Current portion	7,581
Long-term capital lease obligations	$ 2,133

12. Commitments and Contingencies:

Litigation – The Organization is involved in litigation arising in the ordinary course of business. Prior to July 1, 2009, the Organization and two former employees of the Organization had been jointly named, alongside a related party, in a malpractice and wrongful death lawsuit. As of June 30, 2014, the outcome and potential liability in relation to the suit were unknown. Management believes the Organization is not at material risk of loss related to the suit and as such has not provided for an estimate of loss.

Operating Leases:

Speare Memorial Hospital – The Organization leases office space from Speare Memorial Hospital (SMH). Rent expense related to the lease for the years ended June 30, 2014 and 2013 was $31,815 and $31,296, respectively

12. Commitments and Contingencies (continued):

Prior to November 15, 2003, Mid-State Health Center (MSHC), formerly known as Speare Medical Associates, was a subsidiary of SMH. Effective November 15, 2003, the Board of Directors of SMH approved a resolution to relinquish control of MSHC to allow MSHC the opportunity to apply for FQHC status to enhance their ability to provide health services to the population of the community. SMH has provided financial assistance to MSHC over the years, including working capital grants and a loan. For the years ended June 30, 2014 and 2013, SMH provided community benefit grants of $228,000, by varying monthly cash receipts in addition to foregoing collection of certain outstanding payables, primarily related to the monthly rental payments and operating expenses.

Speare Memorial Hospital – The Organization has an outstanding balance on a line of credit provided by SMH of $75,000. The funds were initially advanced to establish a lease deposit account with CRDC Plymouth on behalf of the Organization. The line calls for interest at the greater of 2% or the interest earned on the deposit account. The line was repaid subsequent to June 30, 2014 (see Note 18).

13. Concentration of Credit Risk:

The Organization grants credit without collateral to its patients, most of whom are local residents and are insured under third-party payor agreements. The mix of receivables from patients and third-party payors was as follows at June 30:

	2014	2013
Medicare	29.2%	31.0%
Medicaid	14.0%	9.8%
Blue Cross	15.7%	11.8%
Patients	17.2%	20.5%
Other third-party payors	23.9%	26.9%
	100.0%	100.0%

The mix of gross patient service revenue from patients and third-party payors was as follows at June 30:

	2014	2013
Medicare	35.5%	34.4%
Medicaid	9.9%	9.8%
Blue Cross	21.5%	22.2%
Patients	9.9%	10.4%
Other third-party payors	23.2%	23.2%
	100.0%	100.0%

14. Retirement Program:

During 2007, the Organization adopted a tax sheltered annuity plan under 403(b) of the Code for eligible employees. Eligible employees are specified as those who normally work more than 20 hours per week and are not classified as independent contractors. The Organization provides for matching of employee contributions, 50% of the first 6% contributed. Contributions to the plan for the years ended June 30, 2014 and 2013 were $80,322 and $72,303, respectively.

15. Other Operating Revenue:

The following summarizes components of other operating revenue for the years ended June 30:

	2014	2013
Other operating revenue:		
Montessori Center	$ 130,721	$ 134,628
Pharmacy income - 340B	940,488	563,389
Accountable Care Organization	112,375	115,740
Other operating revenue	165,509	116,799
	$ 1,349,093	$ 930,556

During April 2012, the Organization began participating in the first Medicare Shared Savings Program, sponsored by the Center for Medicare Services (CMS). The North Country Accountable Care Organization (ACO) was designated by CMS to be a beneficiary in the program, of which the Organization is involved in a collaborative relationship. The ACO aims to create financial incentives for physicians, hospitals and other healthcare providers to better coordinate care and improve the health of Medicare beneficiaries while lowering their costs. The funds available for the program are distributed to the ACO based upon an agreed-upon amount; the ACO then distributes to the participants based upon need. For the period of April 2012 to June 2014, the Organization received funds from the ACO based on a pre-determined amount of $6 per patient per month basis. The Organization has not been notified of available funding for the program for period beginning after June 30, 2014.

16. Health Insurance:

The Organization offers health insurance benefits to all employees under available Health Maintenance Organization (HMO) and Preferred Provider Organization (PPO) plans. Deductibles under the HMO and PPO plans in aggregate are $2,500 and $3,000, respectively. The Organization is obligated to pay a certain portion of the deductible required under either plan once the employee's portion has been fully exhausted. For the HMO and PPO plans, the maximum portion of the deductible the Organization is potentially obligated for is $500 and $1,000, respectively. The total deductible expense incurred during the years ended June 30, 2014 and 2013 was $5,206 and $7,846, respectively.

The Organization provides for an accrual based on the aggregate amount of the liability for reported claims and an estimated liability for claims incurred but not yet reported. At June 30, 2014 and 2013, "accrued expenses and other current liabilities" include an accrued liability related to these plans of $8,600.

17. Related Party:

During 2011, the Organization was gifted a sole membership interest in CRDC Plymouth (see Note 1). As a result of the gift, management of the Organization was required to determine the fair value of the underlying assets gifted to and liabilities assumed by the Organization and determine if the transaction contained a differential from the existing book values as of the date of the gift.

Management utilized valuation techniques for medical office space to determine an estimated fair value per square foot resulting in a differential attributed to the building in the amount of $847,145. The differential will be amortized over the life of the building asset it was attributed to. Amortization related to the differential for both years ended June 30, 2014 and 2013 was $23,104, included in depreciation and amortization in the consolidated statement of activities.

18. Subsequent Events:

The Organization has reviewed events occurring after June 30, 2014 through November 13, 2014, the date the board of trustees accepted the final draft of the consolidated financial statements and made them available to be issued. The Organization has not identified events requiring disclosure that have occurred between the period of June 30, 2014 and the report date, November 13, 2014. The Organization has not reviewed events occurring after the report date for their potential impact on the information contained in these consolidated financial statements.

In July 2014, the Organization repaid its outstanding line of credit of $75,000 to SMH.

In August 2014, the Organization received an adjustment in the amount of $66,617 to its original HRSA grant award of $812,500. The adjustment is applicable for the original budget period of November 2013 through January 2015.

In August 2014, the Organization received an expanded service adjustment to its original HRSA grant award of $812,500. The adjustment is applicable for the budget period of November 2013 through January 2015.

In October 2014, the Organization received an adjustment in the amount of $72,728 to its original HRSA grant award of $812,500. The adjustment is applicable for the budget period of November 2014 through October 2015.

The accompanying notes to financial statements are an integral part of this schedule.

MID-STATE HEALTH CENTER

Notes to Schedule of Expenditures of Federal Awards

For the Year Ended June 30, 2014

1. Basis of Presentation:

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the federal grant activity of MSHC under programs of the federal government for the year ended June 30, 2014.

The information in the schedule is presented in accordance with the requirements of the Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Since the schedule presents only a selected portion of the operations of MSHC, it is not intended to and does not present the statement of financial position, statement of activities and changes in net assets or cash flows of MSHC.

2. Significant Accounting Policies:

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-122, *Cost Principles for Non-profit Organizations*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Schedule includes Catalog of Federal Domestic Assistance (CFDA) and pass-through award numbers when available.

Report 1

Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

To the Board of Trustees of
Mid-State Health Center:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Mid-State Health Center ("MSHC") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2014, and the related statements of activities and changes in net assets and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 13, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered MSHC's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of MHSC's internal control. Accordingly, we do not express an opinion on the effectiveness of MSHC's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

www.tss-cpa.com

Independent Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* (continued)

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and questioned costs that we consider to be significant deficiencies, 2014-001 and 2014-002.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether MSHC's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings and questioned costs as items 2014-001 and 2014-002.

We noted certain other matters that we reported to management of MSHC in a separate letter dated November 13, 2014.

Mid-State Health Center's Response to Findings

MSHC's response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. MSHC's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report 2

Independent Auditors' Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by *OMB Circular A-133*

To the Board of Trustees of
Mid-State Health Center:

Report on Compliance for Each Major Federal Program

We have audited Mid-State Health Center's ("MSHC") compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of MSHC's major federal programs for the year ended June 30, 2014. MHSC's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of MSHC's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about MSHC's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of MSHC's compliance.

Tyler, Simms & St. Sauveur, P.C. • 19 Morgan Drive • Lebanon, NH 03766 • Ph 603-653-0044 • Fax 603-653-0209
www.tss-cpa.com

Independent Auditors' Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by *OMB Circular A-133* (continued)

Opinion on Each Major Federal Program

In our opinion, MSHC complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2014.

Other Matters

The results of our auditing procedures disclosed an instance of noncompliance, which is required to be reported in accordance with OMB Circular A-133 and which is described in the accompanying schedule of findings and questioned costs as item 2014-002. Our opinion on each major federal program is not modified with respect to this matter.

MSHC's response to the noncompliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. MSHC's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Report on Internal Control Over Compliance

Management of MSHC is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered MSHC's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of MSHC's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Independent Auditors' Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by *OMB Circular A-133* (continued)

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, we identified a certain deficiency in internal control over compliance, as described in the accompanying schedule of findings and questioned costs as item 2014-002, that we consider to be a significant deficiency.

MSHC's response to the internal control over compliance finding identified in our audit is described in the accompanying schedule of findings and questioned costs. MSHC's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

MID-STATE HEALTH CENTER
Schedule of Findings and Questioned Costs
As of and For the Year Ended June 30, 2014

SECTION I - SUMMARY OF AUDITORS' RESULTS

Financial Statements

Type of auditors' report issued	*Unmodified*
Internal control over financial reporting:	
Material weakness identified	____ Yes __X__ No
Significant deficiencies identified that are not considered to be material weaknesses	__X__ Yes ____ None reported
Non-compliance material to financial statements noted	____ Yes __X__ No

Federal Awards

Internal control over major programs:	
Material weakness identified	____ Yes __X__ No
Significant deficiencies identified that are not considered to be material weaknesses	__X__ Yes ____ None reported
Type of auditors' report issued on compliance for major programs	*Unmodified*
Any audit findings disclosed that are required to be reported in accordance with Section .510(a) of Circular A-133	____ Yes __X__ No

Identification of major programs:

Federal CFDA Number	Name of Federal/Local Program
93.224	Consolidated Health Centers
93.912	Rural Health Care Services Outreach, Rural Health Network Development and Small Health Care Provider Quality Improvement Program

Dollar threshold used to distinguish between Type A and Type B programs	$300,000
Auditee qualified as low-risk auditee?	____ Yes __X__ No

SECTION II - SUMMARY OF AUDITORS' RESULTS

2014-001

Criteria: There should be a patient accounts receivable credit balance policy, to ensure proper handling of patient overpayments and compliance with New Hampshire's abandoned property rules.

Condition: There is no patient accounts receivable credit balance policy and the credit balances are significant.

Context: Patient accounts receivable credit balances were observed in the aging, totaled and compared to the overall financial statements. Management was asked if a credit balance policy existed.

Effect: MSHC has significant amounts owed to patients or third parties and may not be complying with New Hampshire's abandoned property rules.

Cause: Due to the size of the accounting department, it has been difficult over the past year to bring the credit balance down to a reasonable balance.

Recommendation: MSHC should adopt a credit balance policy and implement procedures to monitor and control accounts receivable credit balances.

Views of responsible officials and planned corrective actions: MSHC will monitor new credit balances and will review old credit balances in accounts receivable in order to determine those credit balances requiring refund to a patient or third party payor.

2014-002

Criteria: There should be segregation of duties.

Condition: Many critical duties are combined and given to available employees.

Context: Inquiry of management of the internal controls in place.

Effect: Lack of segregation of duties causes checks and balances to be lost and does not allow for the best control environment possible.

Cause: There are limited number of people working in the accounting office.

Recommendation: Duties should be segregated, however, we understand that the Entity's resources are limited. The Entity should maintain a general understanding that, wherever possible, additional controls should be implemented to mitigate the risk of error in the financial statements.

Views of responsible officials and planned corrective actions: MSHC hired a second bookkeeper subsequent to year-end in order to segregate more duties. A policy will also be created for the approval process of any journal entries made by the CFO to be approved by the finance committee.

SECTION III - FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

2014-002

See finding 2014-002 under Section II - Summary of Auditors' Results

SECTION IV - PRIOR YEAR AUDIT FINDINGS

2013-001

Criteria: The patient accounts receivable aging and subsidiary ledgers must agree to the general ledger.

Condition: The auditee now reconciles all patient accounts receivable aging and subsidiary ledgers to the general ledger.

2013-002 Repeated as 2014-001

2013-003 Repeated as 2014-002

SHARON BEATY

Career Objective
To apply administrative and financial expertise in the health-care industry, encouraging positive relationships between a growing physician community and its associated medical system, and promoting capabilities of service providers to treat patients effectively while improving financial viability and profitability

Credentials
FACMPE, Fellow of the American College of Medical Practice Executives
Master of Business Administration, Baylor University Bachelor of Science in Chemistry, Texas Tech University

Summary of Qualifications
Expertise in strategic planning, financial management and analysis and contract negotiations with providers and managed-care entities. Administrative skills, specifically in management of medical facilities. Experience in operations, finance, and billing including regulatory compliance and legislative issues. Understanding of ancillary services and procedures. Knowledge of Medicare/ Medicaid and third-party-payor billing/ filing requirements. Computer literacy, both software and hardware. Communication and personnel management expertise.

Professional Experience

October 2002 to Present
Chief Executive Officer, Mid-State Health Center, Plymouth, New Hampshire. Direct operations for three clinic sites including strategic planning, marketing, budgeting, contracting and physician management. Develop programs for physician recruitment and retention as well as physician compensation plans. Provide venues for financial reporting and analysis and improvement of revenue streams while assuring access to care for local populations. Attained FQHC Look-Alike status and planned for new facility.

October 1999 to October 2002
Vice President for Business Development, Central Kansas Medical Center, Great Bend, Kansas (as of April 2001) Direct all hospital-owned and contracted practices, strategic planning, marketing, managed-care contracting, billing, and accounts receivable. Responsibilities include direction of outlying operations for multiple specialists, labs, radiology, pathology, and physician recruitment. Develop strategies for physician retention and provision of administrative support and expertise for local physician groups, including contract negotiation. . To expand availability of primary care, recently opened an additional family practice, including acquisition of facility and installation of paperless medical record system.

Director of Clinics and Physician Recruitment, Central Kansas Medical Center, Great Bend, Kansas Administered hospital-owned rural health practices, including strategic planning, marketing, managed-care contracting, billing and accounts receivable. Developed outlying operations for multiple specialists. Act as physician recruiter, developing strategies for physician retention and providing administrative support and expertise for local physician groups, including contract negotiation. Improved internal medicine practice, reducing losses by 55% in first year, with projection of 10% profit (above physician salaries) for coming budget

year. Developed hospital-owned family practice in adjacent community, remodeling building to house practice and separate specialty clinic.

January 1998 to October 1999
Administrator, Abilene Lung Physicians, Abilene, Texas Full responsibility for management of practice including long-term planning, managed care contracting, accounts receivable, accounts payable, maintenance of computer software (including formatting and design of system) and hardware, payroll, personnel, and retirement planning. Served as consultant to other physician groups concerning billing and insurance claims, as well as cost reporting for rural health clinics.

July 1994 to December 1997
Administrator, Rolling Plains Rural Health Clinic and Rolling Plains Physicians Office, Sweetwater, Texas Merged six individual physician practices, including two nurse practitioners, full-reference laboratory, radiology department, and forty employees. Developed and installed systems for billing, collections, and personnel management, including provisions for rural health clinic status, cost reporting and billing. Increased revenues by more than 80% in two and one-half years while maintaining profitability of above 50%. Oversaw all aspects of design and construction of new facility, from initial planning to transition management, including development of financing package and all contracting.

May 1981 to July 1994
Private consultant for professional offices Consulted for professional practices including medical practices: Researched needs for software and hardware. Purchased and installed computer systems. Evaluated office management performance and recommended and implemented solutions for office problems or limitations. Served on the elected board of the Nolan County Hospital District, 1991-1993.

September 1979 to May 1981
Research Assistant, Center for Private Enterprise and Entrepreneurship, Hankamer School of Business, Baylor University, Waco, Texas. Interviewed and surveyed national sample of entrepreneurs and their lifetime experiences while pursuing graduate studies.

January 1974 to September 1979
Laboratory Director, Rolling Plains Memorial Hospital, Sweetwater, Texas Served on Joint Commission Accreditation Committee, and assisted hospital administrator with public relations. Recognized future needs for administrative expertise that would be required for medical service industry to adapt to a new era. Resigned to acquire MBA.

Memberships and Interests
Fellow in American College of Medical Practice Executives, Medical Group Management Association, National Assoc. of Rural Health Clinics, Rotary International, former member of Taylor County Board of American Heart Association, former board member of West Texas Girl Scout Council, enjoy skiing and scuba diving as well as musical interests and community theatre.

See attachment for financial details

EXPLANATION

Approval is requested **retroactive** to July 1, 2013. The services provided by these contracts are consistent with prior contracts and were included in the operating budget for SFY 2014 and SFY 2015. Contracts were delayed, however, since the exact amount of funding available was only recently determined. The SFY 2014 amendments are **sole source** because they exceed more than 10% of the original contract amount.

This requested action seeks approval of 13 amendments that represents $4,293,569 total anticipated to be spent statewide to continue breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. In the interest of efficiency, the contract amendments are being bundled as they are providing the same services, and because of the size of the resulting Governor and Council submission, the copies provided are abbreviated in the interest of saving resources. The Councilors and the public can view the entire submission package on the Secretary of State's website.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

In addition, breast and cervical cancers continue to be ongoing public health issues for New Hampshire. The Division of Public Health Services, Breast and Cervical Cancer Screening Program

provides support for breast and cervical cancer screening services that include clinical examinations, pap smears and referral for mammography. Through this program, women found to have abnormal screening results, following their testing, receive additional coverage for diagnostic work-up and, if necessary, have their care coordinated through the initiation of treatment.

Should Governor and Executive Council not authorize this Request, low-income individuals statewide may not have adequate access to primary care services, and eligible women may not receive recommended breast and cervical cancer screenings. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities. Additionally women that receive recommended breast and cervical cancer screenings are at lower risk of late diagnosis of breast and cervical cancers.

Contracts were awarded to Primary Care agencies through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by teams of three professionals. All reviewers have between three to 20 years' experience managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were averaged and all proposals were recommended for funding. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, these competitively procured Agreements have the option to renew for two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council. The Department is exercising one year of this renewal option.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. All Primary Care vendors are making adequate progress in meeting clinical performance measures and the Departments wishes to continue working with the vendors for another year.

The performance measures as described in the contract amendment Exhibit A – Amendment 1 – Performance Measures, will be used to continue to measure the effectiveness of the agreement.

Area to be served is statewide.

Source of Funds: 13.09% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau; Centers for Disease Control and Prevention and 86.91% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Brook Dupee for

José Thier Montero, MD, MHCDS
Director

Approved by:

Nicholas A. Toumpas
Commissioner

State of New Hampshire
Department of Health and Human Services
Amendment #1 to the
Mid-State Health Center

This 1st Amendment to the Mid-State Health Center contract (hereinafter referred to as "Amendment One") dated this 13th day of March, 2014, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Mid-State Health Center (hereinafter referred to as "the Contractor"), a corporation with a place of business at 101 Boulder Point Drive, Suite 1, Plymouth, New Hampshire 03264.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18, the State may modify the scope of work and the payment schedule of the contract by written agreement of the parties;

WHEREAS, the Department desires to provide additional primary health care services for preventive and episodic health care for acute and chronic health conditions for people of all ages.

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

To amend as follows:

- Form P-37, to change:
  Block 1.7 to read: June 30, 2015
  Block 1.8 to read: $444,862

- Exhibit A, Scope of Services to add:
  Exhibit A – Amendment 1

- Exhibit B, Purchase of Services, Contract Price, to add:

  Paragraph 1.1 to Paragraph 1:
  The contract price shall increase by $35,001 for SFY 2014 and $175,511 for SFY 2015.

  Paragraph 1.2 to Paragraph 1:
  Funding is available as follows:
- $35,001 from 05-95-90-902010-5190-102-500731, 100% General Funds;
- $175,511 from 05-95-90-902010-5190-102-500731, 6.7% Federal Funds from the US Department of Health and Human Services Administration, Maternal and Child Health Bureau, CFDA #93.994 and 93.3% General Funds;

Contractor Initials: SB
Date: 3-13-14

- Add Paragraph 8
- 8. Notwithstanding paragraph 18 of the General Provisions P-37, an amendment limited to adjustments to amounts between and among account numbers, within the price limitation, may be made by written agreement of both parties and may be made without obtaining approval of the Governor and Executive Council.

- Budget, to add:
  Exhibit B-1 (2014) - Amendment 1,
  Exhibit B-1 (2015) - Amendment 1

This amendment shall be in effect July 1, 2013, effective upon the date of Governor and Executive Council approval.

EXHIBIT A – AMENDMENT 1

Scope of Services

The Department desires to continue the relationship with the primary care agencies to provide additional primary health care services for preventive and episodic health care for acute and chronic health conditions for people of all ages.

I. General Provisions

A) Eligibility and Income Determination

1. Office-based primary care services will be provided to low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire.

2. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new patients for more than a one month period.

3. The Contractor shall document annually, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete with the client the most recent version of the 800P form.

4. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, approved in advance by the Division of Public Health Services (DPHS), for low-income patients. Signage must state that no client will be denied services for inability to pay.

    a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, submitted to and approved by DPHS prior to implementation.

5. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered.

B) Numbers Served

1. The contract funds shall be expended to provide the above services to a minimum of 1000 users annually with 4000 medical encounters, as defined in the Data and Reporting Requirements. Clinical service reimbursements shall not exceed the Medicare rate.

C) Culturally and Linguistically Appropriate Standards of Care

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. Provide clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understandl and participate in the care or in the services provided to them without language assistance.

4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.

5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation 45 CFR 80.3(b) (2). The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) State and Federal Laws

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated hereunder.

E) Relevant Policies and Guidelines

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

2. Primary Care funds shall be targeted to populations in need. Populations in need are defined as follows:

   a) uninsured;

   b) under-insured;

   c) families and individuals with significant psychosocial and economic risk, including low income status;

   d) all life cycles including perinatal, child, adolescent, adult, and elderly who meet one or more of the above criteria.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.

4. The Contractor shall have an agency emergency preparedness and response plan in accordance with HRSA Health Center Emergency Management Program Expectations, Document #2007-15 or most recent version. Such plan shall also include a Continuity of Operations plan.

5. The Contractor shall carry out the work as described in the performance Workplan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

6. No Workplan is required by the Breast and Cervical Cancer Program (BCCP). The contractor shall be required to respond to the Quality Improvement Feedback Report twice a year.

7. The Contractor shall carry out the work as described in the Supplemental Funding Form submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) Publications Funded Under Contract

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, electronic) produced, reproduced, or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14).

G) Subcontractors

If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing and approve the subcontractual agreement, prior to initiation of the subcontract.

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing and approve the subcontractual agreement, prior to initiation of the subcontract.

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. Minimal Standards of Core Services

A. Service Requirements

1. Medical Home

The Contractor shall provide a Medical Home that:

a) Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.

b) Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.

2. Primary Care Services

The Contractor shall provide office-based primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, APRN, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, oral health, and behavioral health specialty providers.

b) Referral to the WIC Nutrition Program for all eligible pregnant women, infants and children.

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.

d) Access to a healthcare provider, directly or by referral or subcontract, by telephone twenty-four hours per day, seven days per week.

e) Assessment of psychosocial risk for all clients at least annually and for children at scheduled preventive care visits, including, at a minimum, age appropriate assessment of safety in the home, domestic violence, adequacy of food and housing, care and welfare of children, transportation needs, and provision of necessary social services to address the priority needs and safety issues of clients and families.

f) Falls prevention screening for patients 65 years and older using the algorithm and guidelines of the American Geriatrics Society.

g) Behavioral health care directly or by referral to an agency or provider with a sliding fee scale.

h) Nutrition assessment for all clients as part of the health maintenance visit. Therapeutic nutrition services shall be provided as indicated directly or by referral to an agency or provider with a sliding fee scale. These services shall be recorded in the medical record.

i) Formal arrangements with a local hospital for emergency care must be in place and reviewed annually.

j) Home health care directly or by referral to an agency or provider with a sliding fee scale.

k) Assisted living and skilled nursing facility care by referral.

l) Oral screening annually for all clients 21 years and older to note obvious dental decay and soft tissue abnormalities with a reminder to the patient that poor oral health impacts total health.

m) Diagnosis and management of pediatric and adult patients with asthma provided according to National Heart Lung Blood Institute, National Asthma Education and Prevention Program, Expert Panel Report 3: Guidelines for the Diagnosis and Management of Asthma, 2007.

3. Reproductive Health Services

The Contractor shall provide prenatal, interconceptional and preconception medical care, social services, nutrition services, education, and nursing care to all women of childbearing age. Preconceptional care includes the preconception, interconceptional, and postpartum periods in women's health. It is recommended that preconceptional and interconceptional care visits focus on maintaining or achieving the optimal health of the mother, lowering the risk of future adverse pregnancy outcomes, the family's future plans, and how additional children fit into that plan. Preconceptional counseling may be done during an office, group or home visit.

a) In the event prenatal care is not provided directly by the Contractor a formal Memorandum/a of Agreement for coordinated referral to an appropriately qualified provider must be maintained.

b) Prenatal care shall, at minimum, be provided in accordance with the Guidelines for Perinatal Care, sixth or most current edition, the American Academy of Pediatrics, the American College of Obstetricians and Gynecologists, and /or the Centers for Disease Control.

c) Age appropriate reproductive health care shall, at a minimum, be provided in accordance with the American College of Obstetricians and Gynecologists, or the USDHHS Centers for Disease Control (CDC) current guidelines.

d) Pregnant women enrolled in the WIC Nutrition Program shall be referred to WIC for breastfeeding education and referral to the WIC Nutrition Program peer counselors.

e. Family planning counseling for prevention of subsequent pregnancy following an infant's birth shall be discussed with the infant's mother at the first postpartum visit and at the infant's 2-month visit and other visits as appropriate. Rationale for birth intervals of 18-24 months shall be presented.

f) A referral to a Title X Family Planning Clinic or other reproductive health care provider shall be made as appropriate.

4. Services for Children and Adolescents

The Contractor shall provide as a minimum, comprehensive and age-appropriate health care, screenings, and health education according to the American Academy of Pediatrics' most recent periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of

Infants, Children, and Adolescents", Third Edition or most recent. Children and adolescent visits shall include:

a) The World Health Organization (WHO) growth charts shall be used to monitor growth for infants and children birth up to age 2 years. The Centers for Disease Control and Prevention (CDC) growth charts shall be used for children age 2 years and older.

b) Blood lead testing shall be performed in accordance with "New Hampshire Childhood Lead Poisoning Screening and Management Guidelines", issued by the New Hampshire Department of Health and Human Services, 2009 or subsequent revisions.

c) All children enrolled in either Medicaid, Head Start, or the Women, Infant, and Children (WIC) Program and/or who are ≤ 185% poverty, regardless of town of residence, are required to have a blood lead test at ages one and two years. All children ages three to six years who have not been previously tested shall have a blood lead test performed.

d) All children shall be screened for iron deficiency anemia as outlined in the Centers for Disease Control and Prevention document "Recommendations to Prevent and Control Iron Deficiency in the United States (4/2/98)".

e) Age-appropriate anticipatory guidance, dietary guidance, and *feeding practice counseling* for optimal oral health shall be provided at each well child visit according to the American Academy of Pediatrics' periodicity schedule "Recommendations for Preventive Pediatric Health Care" and "Bright Futures - Guidelines for Health Supervision of Infants, Children, and Adolescents", Third Edition or most recent edition. Starting at age 6 months, it is recommended that all children receive an oral health assessment at every well child visit, and a referral for the child's first visit to the dentist by age one as recommended by the American Academy of Pediatrics and the American Academy of Pediatric Dentistry.

f) Supplemental fluoride shall be prescribed as needed based upon the fluoride levels in the child's drinking water supply. The fluoride dosage regimen accepted by the American Academy of Pediatrics shall be followed. No fluoride shall be prescribed without obtaining water from private wells or noting the presence or absence of fluoride in the public water supply. Supplemental fluoride may include bottled water containing fluoride and topical applications such as varnishes.

g) For infants enrolled in the WIC Nutrition Program, parents shall be referred to WIC for breastfeeding support and referral to the WIC Nutrition Program peer counselors.

5. Sexually Transmitted Infections

Primary Care Services shall provide age appropriate screening and treatment of sexually transmitted infections.

a) Treatment for sexually transmitted infections shall be provided according to the United States Centers for Disease Control Sexually Transmitted Diseases Treatment Guidelines, 2010 or subsequent revisions.

b) All clients, including women, shall be offered HIV testing following the most current recommendations of the United States Centers for Disease Control.

c) The contractor shall be responsible for ensuring referral to appropriate treatment services for any woman found to screen positive.

d) Appropriate risk reduction counseling shall be provided based on client needs.

6. Substance Use Services

a) A substance use screening history using a formal, validated screening tool shall be obtained for all clients as soon after entry into care as possible. Substance use counseling or other substance abuse intervention, treatment, or recovery services by an appropriately credentialed provider shall be provided on-site, or by referral, to clients with identified needs for these services. For these identified clients, ongoing primary care services should include follow up monitoring relative to substance abuse.

b) All clients, including pregnant women, identified as smokers shall receive counseling using the 5A's (ask, advise, assess, assist, and arrange) treatment available through the NH Tobacco Helpline as cited in the US Public Health Services report "Tobacco Use and Dependence", 2008, or "Smoking Cessation During Pregnancy: A Clinician's Guide to Helping Pregnant Women Quit Smoking", American College of Obstetricians and Gynecologists, 2011. With prior approval, agencies may also opt to participate in the DPHS best practice initiative of the 2A's and R (ask, advise and refer).

7. Immunizations

a) The Contractor shall adhere to the most current version of the "Recommended Adult Immunization Schedule for Adults (19 years and older) by Age and Medical Condition - United States", approved by the Advisory Committee on Immunization Practices, the American College of Obstetricians and Gynecologists, and the American Academy of Family Physicians.

b) The Contractor shall administer vaccines according to the most current version of the "Recommended Immunization Schedule for Persons Aged 0 Through 6 Years - United States", and "Recommended Immunization Schedule for Persons Aged 7 Through 18 Years – United States" approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians, based upon availability of vaccine from the New Hampshire Immunization Program.

8. Prenatal Genetic Screening

a) A genetic screening history shall be obtained on all prenatal clients as soon after entry into care as possible.

b) All pregnant women should be offered voluntary genetic screening for fetal chromosomal abnormalities at the appropriate time following recommendations found in the American College of Obstetricians and Gynecologists' "Screening for Fetal Chromosomal Abnormalities (2007)" or more recent guidelines. The Contractor shall be responsible for ensuring referral to appropriate genetic testing and counseling for any woman found to have a positive screening test.

9. Additional Requirements

a) The Contractor's Medical Director shall participate in the development and approval of specific guidelines for medical care that supplement minimal clinical standards. Supplemental guidelines should be reviewed, signed, and dated annually, and updated as indicated.

b) Contractors considering clinical or sociological research using clients as subjects must adhere to the legal requirements governing human subjects research. Contractors must inform the DPHS, MCHS prior to initiating any research related to this contract.

c) The Contractor shall provide information to all employees annually about the Medical Reserve Corps Unit within their Public Health Region to enhance recruitment.

d) The Contractor shall provide information to all employees annually regarding the Emergency System for the Advance Registration of Volunteer Health Professionals (ESAR-VHP) managed by the NH Department of Health and Human Services' Emergency Services Unit, to enhance recruitment.

B) Staffing Provisions

The Contractor shall have, at minimum, the following staff positions:

a) executive director

b) fiscal director

c) registered nurse

d) clinical coordinator

e) medical service director

f) nutritionist (on site or by referral)

g) social worker

Staff positions required to provide direct services on-site include:

a) registered nurse

b) clinical coordinator

c) social worker

1. Qualifications

All health and allied health professionals shall have the appropriate New Hampshire licenses whether directly employed, contracted, or subcontracted.

In addition the following minimum qualifications shall be met for:

a) Registered Nurse
   a. A registered nurse licensed in the state of New Hampshire, Bachelor's degree preferred. Minimum of one-year experience in a community health setting.

b) Nutritionists:
   a. A Bachelor's degree in nutritional sciences or dietetics, or a Master's degree in nutritional sciences, nutrition education, or public health nutrition or current Registered Dietitian status in accordance with the Commission on dietetic Registration of the American Dietetic Association.
   b. Individuals who perform functions similar to a nutritionist but do not meet the above qualifications shall not use the title of nutritionist.

c) Social Workers shall have:
   a. A Bachelor's or Master's degree in social work or Bachelor's or Master's degree in a related social science or human behavior field. A minimum of one year of experience in a community health or social services setting is preferred.
   b. Individuals who perform functions similar to a social worker but do not meet the above qualifications shall not use the title of social worker.

d) Clinical Coordinators shall be:
   a. A registered nurse (RN), physician, physician assistant, or nurse practitioner with a license to practice in New Hampshire.
   b. The coordinator is a clinical position that oversees and takes responsibility for the clinical and administrative functions of each program.
   c. The coordinator may be responsible for more than one MCH funded program.

2. New Hires

The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing within one month of hire when a new administrator, clinical coordinator, or any staff person essential to carrying out contracted services is hired to work in the program. A resume of the employee shall accompany the aforesaid notification.

3. Vacancies

   a) The Contractor must notify the MCHS in writing if any critical position is vacant for more than one month, or if at any time funded under this contract does not have adequate staffing to perform all required services for more than one month. This may be done through a budget revision.

   b) Before an agency hires new program personnel that do not meet the required staff qualifications, the agency shall notify the MCHS in writing requesting a waiver of the applicable staffing requirements. The Section may grant waivers based on the need of the program, individuals' experience, and additional training.

C) Coordination of Services

1. The Contractor shall coordinate, where possible, with other service providers within the contractor's community. At a minimum, such collaboration shall include interagency referrals and coordination of care.

2. The Contractor shall participate in activities in the Public Health Region in which they provide services as appropriate. These activities enhance the integration of community-based public health prevention and health care initiatives that are being implemented by the contractor and may include community needs assessments, public health performance assessments, and/or the development of regional health improvement plans.

3. The Contractor agrees to participate in and coordinate public health activities as requested by the Division of Public Health Services during any disease outbreak and/or emergency, natural or man-made, affecting the public's health.

4. The Contractor is responsible for case management of the client enrolled in the program and for program follow-up activities. Case management services shall promote effective and efficient organization and utilization of resources to assure access to necessary comprehensive medical, nutritional, and social services for clients.

5. The Contractor shall assure that appropriate, responsive, and timely referrals and linkages for other needed services are made, carried through, and documented. Such services shall include, but not be limited to: dental services, genetic counseling, high risk prenatal services, mental health, social services, including domestic violence crisis centers, substance abuse services; and family planning services, Early Supports and Services Program, local WIC/CSF Program, Home Visiting New Hampshire Programs and health and social service agencies which serve children and families in need of those services.

D) Meetings and Trainings

The contractor will be responsible for sending staff to meetings and training required by the MCHS program, including but not limited to:

1. MCHS Agency Directors' meetings
2. Prenatal and Child Health Coordinators' meetings
3. MCHS Agency Medical Services Directors' meetings

III. Quality or Performance Improvement (QI/PI)

A) Workplans

1. Performance Workplans are required for this program and are used to monitor achievement of standard measures of performance of the services provided under this contract. The workplans are a key component of the RHPCS and the MCHS performance-based contracting system and of this contract. Outcomes shall be reported by clinical site.
2. Performance Workplans and Workplan Outcome reports according to the schedule and instructions provided by the MCHS. The MCHS shall notify the Contractor at least 30 days in advance of any changes in the submission schedule.
3. The Contractor shall incorporate required and developmental performance measures, defined by the MCHS into the agency's Performance Workplan. Reports on Workplan Progress/Outcomes shall detail the Performance Workplan plans and activities that monitor and evaluate the agency's progress toward performance measure targets.
4. The Contractor shall comply with modifications and/or additions to the workplan and annual report format as requested by RHPCS and MCHS. MCHS will provide the contractor with reasonable notice of such changes.
5. Agencies contracting for Primary Care Services must submit the workplans for Primary Care Clinical and Financial, Child Health, and Prenatal Care.

B) Additional Reporting requirements

In addition to Performance Workplans, the Contractor shall submit to MCHS the following data and information listed below which are used to monitor program performance:

1. In years when contracts or amendments are not required, the DPHS Budget Form, Budget Justification, Sources of Revenue and Program Staff list forms must be

completed according to the relevant instructions and submitted as requested by DPHS and, at minimum, by April 30 of each year.

2. The Sources of Revenue report must be resubmitted at any point when changes in revenue threaten the ability of the agency to carry out the planned program.

3. Completed Uniform Data Set (UDS) tables reflecting program performance in the previous calendar year, by March 31 of each year.

4. The Perinatal Client Data Form (PCDF) shall be submitted electronically according to the instructions set forth by the MCHS.

5. A copy of the agency's updated Sliding Fee Scale including the amount(s) of any client fees and the schedule of discounts must be submitted by March 31st of each year. The agency's sliding fee scale must be updated annually based on the US DHHS Poverty guidelines as published in the Federal Register.

6. An annual summary of program-specific patient satisfaction results obtained during the prior contract period and the method by which the results were obtained shall be submitted annually as an addendum to the Workplan Outcome/Progress reports.

C) On-site reviews

1. The contractor shall allow a team or person authorized by the Division of Public Health Services to periodically review the contractor's systems of governance, administration, data collection and submission, clinical and financial management, and delivery of education services in order to assure systems are adequate to provide the contracted services.

2. Reviews shall include client record reviews to measure compliance with this exhibit.

3. The contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.

4. On-Site reviews may be waived or abbreviated at the discretion of MCHS, upon submission of satisfactory reports of reviews such as Health Services Resources Administration (HRSA): Office of Performance Review (OPR), or reviews from nationally accreditation organizations such as the Joint Commission for the Accreditation of Health Care Organizations (JCAHO), Medicare, the Community Health Accreditation Program (CHAP), Accreditation Association for Ambulatory Healthcare (AAAHC), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey. Abbreviated reviews will focus on any deficiencies found in previous reviews, issues of compliance with this exhibit, and actions to strengthen performance as outlined in the agency Performance Workplan.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE CHILD HEALTH DIRECT CARE SERVICES
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Please note, for all measures, the following should be used **unless otherwise indicated:**

- Less than 19 years of age
- Served within the scope of this MCH contract during State Fiscal Year 2015 (July 1, 2014 – June 30, 2015)
- Each client can only be counted once (unduplicated)

Child Health Direct (CH – D) Performance Measure #1

Measure: 92%* of eligible children will be enrolled in Medicaid

Goal: To increase access to health care for children through the provision of health insurance

Definition: **Numerator-**
Of those in the denominator, the number of children enrolled in Medicaid.

Denominator-
Number of children who meet all of the following criteria:

- Less than 19 years of age
- Had 3 or more visits/encounters** during the reporting period
- As of the last visit during the reporting period were eligible for Medicaid

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**An encounter is face to face contact between a user and a provider who exercises independent judgment in the provision of services to the individual (UDS Table Definition).

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #2

Measure: 85%* of at-risk** children who were screened for blood lead between 18 and 30 months of age

Goal: To prevent childhood lead poisoning through early identification of lead exposure

Definition: **Numerator-**
Of those in the denominator, number of children screened for blood lead by capillary or venous on or after their 18-month birthday and prior to their 30-month birthday.

Denominator-
Number of at-risk** children who reached age 30 months during the reporting period. If discharged prior to 30 months, do not include in denominator.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**At risk = During the reporting period, the children were 18-29 months of age, and fit at least one of the following criteria:

- "Low income" (less than 185% poverty guidelines)
- Over 185% and resided in a town considered needing "Universal" screening per NH Childhood Lead Poisoning Prevention Program
- Over 185%, resided in a town considered "Target" and had a positive response to the risk questionnaire
- Refugee children -A refugee is defined as a person outside of his or her country of nationality who is unable or unwilling to return because of persecution or a well-founded fear of persecution on account of race, religion, nationality, membership in a particular social group, or political opinion (U.S. Citizenship and Immigration Services definition).

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #3

Measure: 71%* of children age two to nineteen years receiving primary care preventive health services with a Body Mass Index (BMI) percentile greater than or equal to the 85%ile with documented discussion of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Goal: To increase the percent of children receiving primary care preventive health services who have an elevated BMI percentile who receive guidance about promoting a healthier lifestyle.

Definition: **Numerator-**
Of those in the denominator, the number of children who had documentation in their medical record of there being discussion at least once during the reporting period of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Denominator-
Number of children who turned twenty-four months during or before the reporting period, up to the age of nineteen years, with one or more well child visit after their twenty-fourth month of age within the reporting year, and had an age and gender appropriate BMI percentile greater than or equal to the 85 % percentile at least once during the reporting period.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

Rationale: Children between the 85th – 94th percentiles BMI are encouraged to have 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks. (Discussion of the importance of family meal time, limiting eating out, consuming a healthy breakfast, preparing own foods, and promotion of breastfeeding is also encouraged.) American Academy of Pediatrics' guidance for Prevention and Treatment of Childhood Overweight and Obesity, (http://www.aap.org/obesity/health_professionals.html), from AAP Policy Statement: *Prevention of Pediatric Overweight and Obesity* and the AAP endorsed Expert Committee Recommendations Regarding the Prevention, Assessment, and Treatment of Children and Adolescent Overweight and Obesity, 2007.

*Target based on 2012 & 2013 Data Trend Table averages.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) #4

Measure: 75%* of eligible** infants and children with client record documentation of enrollment in WIC

Goal: To increase access to nutrition education, breastfeeding support, and healthy food through enrollment in the WIC Nutrition Program

Definition: **Numerator -**
Of those in the denominator, the number of infants and children who, as of the last well child visit during the reporting period, had client record documentation that infant or child was enrolled in WIC.

Denominator -
Unduplicated number of infants and children less than 5 years of age, enrolled in the agency, during the reporting period, who were eligible** for WIC.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

*Target based on 2012 & 2013 Data Trend Table averages.
**WIC Eligibility Requirements:

- Infants, and children up to their fifth birthday
- Must be income eligible (income guidelines are up to 185% of federal gross income, and are based on family size)

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Child Health Direct (CH – D) Performance Measure #5

Measure: 23%* of infants who were exclusively** breastfed for the first three months, at their four month well baby visit

Goal: To provide optimum nutrition to infants in their first three months of life

Definition: **Numerator -**
Of those in the denominator, the number of infants who had client record documentation that the infant had been exclusively breastfed for their first three months when checked at their four month well baby visit.

Denominator -
Number of infants who received one or more visits during or before the reporting period and were seen for a four-month well baby visit during the reporting period.

Data Source: Chart audit or query of 100% of the **total** population of patients as described in the denominator.

Benmarks: 2011 PedNSS (WIC) exclusive at 3 months: NH 22.9%, National (2010) 10.7%
2013 CDC Report Card (NIS, provisional 2010 births): NH 49.5%, National 37.7%
Healthy People 2020 goal: 44%

Rationale: The AAP recommends exclusive breastfeeding for about 6 months, with continuation of breastfeeding for 1 year or longer as mutually desired by mother and infant, a recommendation concurred to by the World Health Organization and the Institute of Medicine. (American Academy of Pediatrics Policy Statement on Breastfeeding and the Use of Human Milk, 2012)

*Target based on 2012 & 2013 Data Trend Table averages.
**Exclusive means breast milk only, no supplemental formula, cereal/baby food, or water/fluids.

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE: ADULT

PERFORMANCE MEASURES DEFINITIONS

State Fiscal Year 2015

Primary Care: Adult Performance Measure #1

Measure:*	58%** of adult patients 18 – 85 years of age diagnosed with hypertension will have a blood pressure measurement less than 140/90*** mm at the time of their last measurement.
Goal:	To ensure patients diagnosed with hypertension are adequately controlled.
Definition:	**Numerator-** Number of patients from the denominator with blood pressure measurement less than 140/90 mm at the time of their last measurement. **Denominator-** Number of patients age 18 – 85 with diagnosed hypertension must have been diagnosed with hypertension 6 or more months before the measurement date. (Excludes pregnant women and patients with End Stage Renal Disease.)
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

*Measure based on the National Quality Forum 0018

**Health People 2020 National Target is 61.2%

***Both the numerator and denominator must be less that 140/90 mm

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE CLINICAL PERFORMANCE MEASURE DEFINITIONS Fiscal Year 2015

Primary Care Clinical Adolescent (PC-C) Performance Measure #1

Measure: 61%* of adolescents aged 11-21 years received an annual health maintenance visits in the past 12 months.

Goal: To enhance adolescent health by assuring annual, recommended, adolescent well -visits.

Definition:

Numerator-
Number of adolescents in the denominator who received an annual health maintenance "well" visit during the reporting year.

Denominator-
Total number of adolescents aged 11-21 years who were enrolled in the primary care clinic as primary care clients during the reporting year period.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

***Target based on 2012 & 2013 Data Trend Table averages.**

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

Primary Care Clinical Prenatal (PC-C) Performance Measure #2

Measure:	31%* of women and adolescent girls aged 15-44 take multi-vitamins with folic acid.
Goal:	To enhance pregnancy outcomes by reducing neural tube defects.
Definition:	**Numerator-** The number of women and adolescent girls aged 15-44 who take a multi-vitamin with folic acid. **Denominator-** The number of women and adolescent girls aged 15-44 who were seen in primary care for a well visit in the past year.
Data Source:	Chart audits or query of 100% of the **total** population of patients as described in the denominator.

***Target based on 2012 & 2013 Data Trend Table averages.**

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRIMARY CARE - FINANCIAL
PERFORMANCE MEASURE DEFINITIONS
Fiscal Year 2015

Primary Care (PC) Performance Measure #1

Measure: Patient Payor Mix

Goal: To allow monitoring of payment method trends at State funded primary care sites.

Definition: Patients enrolled in Medicare, Medicaid, Commercial insurance, or uninsured.

Data Source: Provided by agency

Primary Care (PC) Performance Measure #2

Measure: Accounts Receivables (AR) Days

Goal: To allow monitoring of financial sustainability trends at State funded primary care sites.

Definition: AR Days: Net Patient Accounts Receivable **multiplied by** 365 **divided by** Net Patient Revenue

Data Source: Provided by agency

Primary Care (PC) Performance Measure #3

Measure: Current Ratio

Goal: To allow monitoring of financial sustainability trends at State funded primary care sites.

Definition: Current Ratio = Current Assets **divided by** Current Liabilities

Data Source: Provided by agency

EXHIBIT A– AMENDMENT 1 - PERFORMANCE MEASURES

PRENATAL
PERFORMANCE MEASURES DEFINITIONS
State Fiscal Year 2015

Prenatal (PN) Performance Measure #1

Measure: 85%* of pregnant women who are enrolled in the agency's prenatal program will begin prenatal care during the first trimester of pregnancy.

Goal: To enhance pregnancy outcomes by assuring early entrance into prenatal care.

Definition:

Numerator-
Number of women in the denominator who had a documented prenatal visit during the first trimester (on or before 13.6 weeks gestation).

Denominator-
Number of women enrolled in the agency prenatal program who gave birth during the reporting year.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

* Target based on 2012 & 2013 Data Trend Table averages.

Prenatal (PN) Performance Measure #2

Measure: 20%* of pregnant women who are identified as cigarette smokers will be referred to QuitWorks-New Hampshire.

Goal: To reduce tobacco use during pregnancy through focused tobacco use cessation activities at public health prenatal clinics.

Definition:

Numerator-
Number of women in the denominator who received at least one referral to QuitWorks-New Hampshire during pregnancy.

A referral is defined as signing the patient up for QuitWorks-NH via phone, fax, or EMR. It is not defined as discussing QuitWorks-NH with the patient and encouraging her to sign up.

Denominator-
Number of women enrolled in the agency prenatal program and identified as tobacco users who gave birth during the reporting year.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

*Target set in consultation with the NH Tobacco Program & FY13 Data Trend Table average.

Prenatal (PN) Performance Measure #3

Measure: 79%* of pregnant women will be screened, using a formal valid screening tool, for alcohol and other substance use during every trimester they are enrolled in the prenatal program.

Goal: To reduce prenatal substance use through systematic screening and identification.

Definition: **Numerator-** Number of women in the denominator who were screened for substance and alcohol use, using a formal and valid screening tool, during each trimester that they were enrolled in the prenatal program.

Denominator- Number of women enrolled in the agency prenatal program and who gave birth during the reporting year.

Data Source: Chart audits or query of 100% of the **total** population of patients as described in the denominator.

* Target based on 2012 & 2013 Data Trend Table averages.

NH DIVISION OF Public Health Services
Improving health, preventing disease, reducing costs for all

Nicholas A. Toumpas
Commissioner

José Thier Montero
Director

May 10, 2012

APPROVED BY _____
DATE 6/20/12
PAGE 16
ITEM # 126

His Excellency, Governor John H. Lynch
and the Honorable Executive Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

Authorize the Department of Health and Human Services, Division of Public Health Services, Bureau of Population Health and Community Services, Maternal and Child Health Section, to enter into an agreement with Mid-State Health Center (Vendor #158055-B001), 101 Boulder Point Drive, Suite 1, Plymouth, New Hampshire 03264, in an amount not to exceed $234,350.00, to provide primary care services, to be effective July 1, 2012 or date of Governor and Executive Council approval, whichever is later, through June 30, 2014. Funds are available in the following account for SFY 2013, and are anticipated to be available in SFY 2014 upon the availability and continued appropriation of funds in the future operating budget.

05-95-90-902010-5190 HEALTH AND SOCIAL SERVICES, DEPT OF HEALTH AND HUMAN SVS, HHS: DIVISION OF PUBLIC HEALTH, BUREAU OF POPULATION HEALTH AND COMMUNITY SERVICES, MATERNAL AND CHILD HEALTH

Fiscal Year	Class/Object	Class Title	Job Number	Total Amount
SFY 2013	102-500731	Contracts for Program Services	90080000	$117,175
SFY 2014	102-500731	Contracts for Program Services	90080000	$117,175
			Total	$234,350

EXPLANATION

Funds in this agreement will be used to provide breast and cervical cancer screening and office-based primary care services for low-income and uninsured families. This agreement provides funds for services as a last resort; contractor is required to make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid.

Primary health care services include preventive and episodic health care for acute and chronic health conditions for people of all ages, including pregnant women, children, adolescents, adults, and the elderly. Community health agencies that receive support through the Division of Public Health Services deliver primary and preventive health care services to underserved people who face barriers to accessing health care, due to issues such as a lack of insurance, inability to pay, language barriers, and geographic isolation. In addition to medical care, community health centers are unique among primary care providers for the array of patient-centered services they offer, including care coordination, translation, transportation, outreach, eligibility assistance, and health education. These services help individuals overcome barriers to getting the care they need and achieving their

optimal health. One area of particular success has been in ensuring that eligible families maintain consistent enrollment in Medicaid for their children. Community health centers provide support for families in filling out applications and ensuring that children have continuity of care.

Community health agencies throughout New Hampshire have demonstrated success in meeting the health care needs of the uninsured and under-insured citizens of the state. Division of Public Health Services funded primary care providers participate in rigorous quality improvement efforts utilizing standard performance measures that focus attention on improving health outcomes for patients. For example, in State Fiscal Year 2011:

- 88% of eligible children served were enrolled in Medicaid/Healthy Kids Gold.
- 86% of children 24-35 months, served received the appropriate schedule of immunizations.
- 82% of infants born to women served received prenatal care beginning in the first trimester of pregnancy.

Should Governor and Executive Council not authorize this Request, a minimum of 1,450 low-income individuals from the following areas Alexandria, Ashland, Bridgewater, Bristol, Campton, Danbury, Dorchester, Ellsworth, Groton, Hebron, Holderness, New Hampton, Plymouth, Rumney, Thornton, Wentworth and Woodstock may not have access to primary care services. A strong primary care infrastructure reduces costs for uncompensated care, improves health outcomes, and reduces health disparities.

Mid-State Health Center was selected for this project through a competitive bid process. A Request for Proposals was posted on the Department of Health and Human Services' web site from January 10, 2012 through February 16, 2012. In addition, a bidder's conference, conference call, and web conference were held on January 19, 2012 to alert agencies to this bid.

Thirteen proposals were received in response to the posting. Each proposal was scored by three professionals, who work internal and external to the Department of Health and Human Services. All reviewers have between three to twenty years experience either in clinical settings, providing community-based family support services, and managing agreements with vendors for various public health programs. Areas of specific expertise include maternal and child health; quality assurance and performance improvement; chronic and communicable diseases and public health infrastructure. The reviewers used a standardized form to score agencies' relevant experience and capacity to carry out the activities outlined in the proposal. Reviewers look for realistic targets when scoring performance measures in addition to detailed workplans including evaluation components. Budgets were reviewed to be reasonable, justified and consistent with the intent of the program goals and outcomes. There were no competing applications within each of the separate service areas. Scores were averaged and all proposals were recommended for funding. In those instances where scores were less than ideal, agency specific remedial actions were recommended and completed. The Bid Summary is attached.

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for two additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Executive Council. These services were contracted previously with this agency in SFY 2011 and SFY 2012 in the amount of $397,700. This represents a decrease of $163,350. The decrease is due to budget reductions.

The performance measures used to measure the effectiveness of the agreement are attached.

Area served: Alexandria, Ashland, Bridgewater, Bristol, Campton, Danbury, Dorchester, Ellsworth, Groton, Hebron, Holderness, New Hampton, Plymouth, Rumney, Thornton, Wentworth and Woodstock.

Source of Funds: 19.95% Federal Funds from US Department of Health and Human Services, Health Resources and Services Administration, Maternal and Child Health Bureau and 80.05% General Funds.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

José Thier Montero, MD
Director

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Prenatal (PN) Performance Measure #1

Measure: Percent of infants born to women receiving prenatal care beginning in the first trimester of pregnancy.

Primary Care Prenatal (PN) Performance Measure #2

Measure: Percent of pregnant women identified as cigarette smokers that are referred to QuitWorks-New Hampshire.

Primary Care Prenatal (PN) Performance Measure #3

Measure: Percent of pregnant women who were screened, using a formal valid screening tool, for alcohol and other drug use during every trimester the patient was enrolled.

Primary Care Child Health Direct (CH – D) Performance Measure #1

Measure: Percent of eligible children enrolled in Medicaid

Primary Care Child Health Direct (CH – D) Performance Measure #2

Measure: Percent of at-risk children who were screened for blood lead between 18 and 30 months of age

Primary Care Child Health Direct (CH – D) Performance Measure #3

Measure: Percent of children age two to nineteen years receiving primary care preventive health services with a Body Mass Index (BMI) percentile greater than or equal to the 85th percentile with documented discussion of encouraging 5 servings of fruits and vegetables/day, 2 hours or less of screen time, 1 hour or more of physical activity and 0 sugared drinks.

Primary Care Child Health Direct (CH – D) Performance Measure #4

Measure: Percent of eligible infants and children with client record documentation of enrollment in Women Infant Children Program.

Primary Care Child Health Direct (CH – D) Performance Measure #5

Measure: Percent of infants who were exclusively breastfed for the first three months, at their four month well baby visit.

Primary Care Financial (PC) Performance Measure #1

Measure: Patient Payor Mix

Primary Care Financial (PC) Performance Measure #2

Measure: Accounts Receivables (AR) Days

Primary Care Financial (PC) Performance Measure #3

Measure: Current Ratio

Primary Care Performance Measures

State Fiscal Year 2013

Primary Care Clinical Adolescent (PC-C) Performance Measure #1

Measure: Percent of adolescents aged 10-21 years who received annual health maintenance visits in the past 12 months.

Primary Care Clinical Prenatal (PC-C) Performance Measure #2

Measure: Percent of women and adolescent girls aged 15-44 who take a multi-vitamin with folic acid.

Notary Public-New Hampshire
My Commission Expires
March 16, 2016

1.14 State Agency Signature Joan H. Ascheim	**1.15 Name and Title of State Agency Signatory** Joan H. Ascheim, Bureau Chief
1.16 Approval by the N.H. Department of Administration, Division of Personnel *(if applicable)* By:	Director, On:
1.17 Approval by the Attorney General (Form, Substance and Execution) By: Jeanne P. Herrick, Attorney	On: 29 May 2012
1.18 Approval by the Governor and Executive Council By:	On:

2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.
3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the Governor and Executive Council of the State of New Hampshire, this Agreement, and all obligations of the parties hereunder, shall not become effective until the date the Governor and Executive Council approve this Agreement ("Effective Date").
3.2 If the Contractor commences the Services prior to the Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/ PAYMENT.
5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.
5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.
5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.
5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/ EQUAL EMPLOYMENT OPPORTUNITY.
6.1 In connection with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. In addition, the Contractor shall comply with all applicable copyright laws.
6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.
6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provisions of Executive Order No. 11246 ("Equal Employment Opportunity"), as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.
7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.
7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.
7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

Contractor Initials: SB
Date: 4-4-12

8. EVENT OF DEFAULT/REMEDIES.
8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):
8.1.1 failure to perform the Services satisfactorily or on schedule;
8.1.2 failure to submit any report required hereunder; and/or
8.1.3 failure to perform any other covenant, term or condition of this Agreement.
8.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:
8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;
8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;
8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or
8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

9. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.
9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.
9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.
9.3 Confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. TERMINATION. In the event of an early termination of this Agreement for any reason other than the completion of the Services, the Contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the attached EXHIBIT A.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the Contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the Contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS. The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the N.H. Department of Administrative Services. None of the Services shall be subcontracted by the Contractor without the prior written consent of the State.

13. INDEMNIFICATION. The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of this Agreement.

14. INSURANCE.
14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:
14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per occurrence; and
14.1.2 fire and extended coverage insurance covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.
14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.
14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than fifteen (15) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each

Contractor Initials: SB
Date: 4-4-13

certificate(s) of insurance shall contain a clause requiring the insurer to endeavor to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than ten (10) days prior written notice of cancellation or modification of the policy.

15. WORKERS' COMPENSATION.
15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the Contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("Workers' Compensation").
15.2 To the extent the Contractor is subject to the requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 281-A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire.

19. CONSTRUCTION OF AGREEMENT AND TERMS. This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

Contractor Initials: SB
Date: 4-4-12

NH Department of Health and Human Services

Exhibit A

Scope of Services

Primary Care Services

CONTRACT PERIOD: July 1, 2012 or date of G&C approval, whichever is later, through June 30, 2014

CONTRACTOR NAME: **Mid-State Health Center**

ADDRESS: **101 Boulder Point Drive, Suite 1**
Plymouth, New Hampshire 03264
Chief Executive Officer: **Sharon Beaty**
TELEPHONE: **603-536-4099**

The Contractor shall:

I. General Provisions

A) Eligibility and Income Determination

1. Office-based primary care services will be provided to low-income individuals and families (defined as ≤ 185% of the U.S. Department of Health and Human Services (USDHHS), Poverty Guidelines, updated annually and effective as of July 1 of each year), in the State of New Hampshire.

2. The Contractor shall notify the Maternal and Child Health Section (MCHS) in writing if, at any time, the practice is closed to new patients, or maintains a wait list for new patients, or any other mechanism is used that limits access for new patients for more than a one month period.

3. The Contractor shall document annually, for each client enrolled in the program, family income and family size, and calculate percentage of the federal poverty level. If calculations indicate that the client may be eligible for enrollment in Medicaid, the Contractor shall complete with the client the most recent version of the 800P form.

4. The Contractor shall implement, and post in a public and conspicuous location, a sliding fee payment schedule, approved in advance by the Division of Public Health Services (DPHS), for low-income patients. Signage must state that no client will be denied services for inability to pay.

    a. As an alternative, the contractor may post, in a public and conspicuous location, a notice to clients that a sliding fee scale is available and that no client will be denied services for inability to pay. The sliding fee scale must be updated annually based on USDHHS Poverty guidelines as published in the Federal Register, submitted to and approved by DPHS *prior to implementation.*

5. The primary care contract entered into here shall be the payer of last resort. The contractor shall make every effort to bill all other payers including but not limited to: private and commercial insurances, Medicare, and Medicaid, for all reimbursable services rendered.

Contractor Initials: SB
Date: 6-5-12

B) Numbers Served

1. The contract funds shall be expended to provide the above services to a minimum of 73 users annually with 394 medical encounters, as defined in the Data and Reporting Requirements. Clinical service reimbursements shall not exceed the Medicare rate.

C) **Culturally and Linguistically Appropriate Standards of Care**

The Department of Health and Human Services (DHHS) recognizes that culture and language have considerable impact on how consumers access and respond to public health services. Culturally and linguistically diverse populations experience barriers in efforts to access health services. To ensure equal access to quality health services, the Division of Public Health Services (DPHS) expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. *Provide* clients of limited English proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.

4. Offer consumers a forum through which clients have the opportunity to provide feedback to providers and organizations regarding cultural and linguistic issues that may deserve response.

5. The contractor shall maintain a program policy that sets forth compliance with Title VI, Language Efficiency and Proficiency Citation 45 CFR 80.3(b) (2). The policy shall describe the way in which the items listed above were addressed and shall indicate the circumstances in which interpretation services are provided and the method of providing service (e.g. trained interpreter, staff person who speaks the language of the client, language line).

D) **State and Federal Laws**

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. The Contractor shall report all cases of communicable diseases according to New Hampshire RSA 141-C and He-P 301, adopted 6/3/08.

2. Persons employed by the contractor shall comply with the reporting requirements of New Hampshire RSA 169:C, Child Protection Act; RSA 161:F46, Protective Services to Adults, RSA 631:6, Assault and Related Offences and RSA 130:A, Lead Paint Poisoning and Control.

3. Immunizations shall be conducted in accordance with RSA 141-C and the Immunization Rules promulgated hereunder.

E) **Relevant Policies and Guidelines**

1. The Contractor shall design and provide the services described above to meet the unique and identified health needs of the populations within the contracted service area.

2. Primary Care funds shall be targeted to populations in need. Populations in need are defined as follows:

Contractor Initials: SB
Date: 5-12

a) uninsured;

b) under-insured;

c) families and individuals with significant psychosocial and economic risk, including low income status;

d) all life cycles including perinatal, child, adolescent, adult, and elderly who meet one or more of the above criteria.

3. The Contractor shall design and implement systems of governance, administration, financial management, information management, and clinical services which are adequate to assure the provision of contracted services, and to meet the data and reporting requirements. These systems shall meet the most current minimum standards described in at least one of the following: Health Resources and Services Administration (HRSA) Office of Performance Review protocols, Joint Commission on Accreditation of Health Care Organizations (JCAHO), Accreditation Association for Ambulatory Healthcare (AAAHC), Community Health Accreditation Program (CHAP), or the Centers for Medicare and Medicaid Services (CMS) Rural Health Clinic Survey.

4. *The Contractor shall have an agency emergency preparedness and response plan in accordance with HRSA Health Center Emergency Management Program Expectations, Document #2007-15 or most recent version. Such plan shall also include a Continuity of Operations plan.*

5. The Contractor shall carry out the work as described in the performance Workplan submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

6. The Contractor shall carry out the work as described in the Supplemental Funding Form submitted with the proposal and approved by the Rural Health and Primary Care Section (RHPCS), and the Maternal and Child Health Section (MCHS).

F) Publications Funded Under Contract

1. The DHHS and/or its funders will retain COPYRIGHT ownership for any and all original materials produced with DHHS contract funding, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports.

2. All documents (written, video, audio, *electronic*) produced, reproduced, or purchased under the contract shall have prior approval from DPHS before printing, production, distribution, or use.

3. The Contractor shall credit DHHS on all materials produced under this contract following the instructions outlined in Exhibit C (14).

G) Subcontractors

1. If any services required by this Exhibit are provided, in whole or in part, by a subcontracted agency or provider, the Division of Public Health Services (DPHS), Maternal and Child Health Section must be notified in writing *and approve the subcontractual agreement*, prior to initiation of the subcontract.

Contractor Initials: SB

Date: 6-5-12

2. In addition, the original DPHS contractor will remain liable for all requirements included in this Exhibit and carried out by subcontractors.

II. Minimal Standards of Core Services

A) Service Requirements

1. *Medical Home*

The Contractor shall provide a Medical Home that:

a) ***Facilitates partnerships between individual patients and their personal physicians, and when appropriate, the patient's family.***

b) ***Provides care facilitated by registries, information technology, health information exchange, and other means to assure that patients get the indicated care when and where they need and want it in a culturally and linguistically appropriate manner.***

2. Primary Care Services

The Contractor shall provide office-based primary care services to populations in need who reside in the contractor's service area. Primary care services shall include:

a) Health care provided by a New Hampshire licensed MD, DO, APRN, or PA, including diagnosis and treatment of acute and chronic illnesses within the scope of family practice; preventive services, screenings, and health education according to established, documented state or national guidelines; assessment of need for social and nutrition services, and appropriate referrals to health, ***oral health***, and behavioral health specialty providers.

b) ***Referral to the WIC Nutrition Program for all eligible pregnant women, infants and children.***

c) In-hospital care for conditions within the scope of family practice must be provided at a hospital, within the agency service area, through a staff clinician with full hospital privileges, or in the alternative, through a formal referral and admissions procedure available to clients on a 24 hour/7 day a week basis.
