**EXPLANATION**

In Federal Fiscal Year 2015, Congress increased the amount of funds available to the States from the Crime Victims Fund to be used to support programs providing direct services to victims of crime. The increase in funds to New Hampshire allowed the Department to allocate almost \$6 million additional funds from FFY2015 and almost \$6.5 million in additional funds from FFY2016 over the course of the four-year grant period for each Federal Fiscal Year award.

1. One priority for the allocation of the funds was to increase subgrants to existing core direct service providers that crime victims rely upon to obtain mental health services and case management. Northern Human Services for Carroll, Colebrook and Berlin provide such services as well as outreach and training to service providers in the North Country.
2. The Department of Justice sent out an open Request for Proposals (RFP) for \$3.6 million to entities providing direct services to victims of crime. The Department made available \$1.2 million for direct services to each of the following groups: domestic violence victims, sexual assault victims and child abuse victims. Northern Human Services Conway applied for, and was awarded, funding to provide counseling services and trauma informed treatment to child abuse victims in the Littleton NH Region.

In the event that federal funds become no longer available, general funds will not be requested to support this program.

Please let me know if you have any questions concerning this request. Your consideration is greatly appreciated.

Respectfully submitted,

Gordon J. MacDonald  
Attorney General

16. Restrictions and certifications regarding non-disclosure agreements and related matters no Subrecipient under this award, or entity that receives a procurement contract or

subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information. The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

- a. In accepting this award, the recipient—
  - i. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
  - ii. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.
- b. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--
  - i. it represents that— it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
  - ii. it has made appropriate inquiry, or otherwise has an adequate

iii. factual basis, to support this representation; and  
it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

17. The Subrecipient agency understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of any contract or subaward to either the Association of Community Organizations for Reform Now (ACORN) or its subsidiaries, without the express prior written approval of the NH Department of Justice and the Office of Justice Programs.
18. The Subrecipient assures that federal funds received for this grant program will not be used to supplant existing funds otherwise available for this victim assistance program.
19. Equipment purchased with VOCA funds shall be listed by the Subrecipient on the agency inventory. The inventory must include the item description, serial number, cost, percentage of federal VOCA funds, and location. The Subrecipient agrees that the title to any equipment purchased with VOCA funds will revert back to the New Hampshire Department of Justice, Grants Management Unit, when it is no longer being used for the VOCA program purposes for which it was acquired.
20. The Subrecipient agrees that if a financial audit of the agency is performed, whether it be an audit under 2 CFR or not, the Subrecipient agrees to provide a copy of the audit and any associated management letters to the New Hampshire Department of Justice, Grants Management Unit.
21. The Subrecipient assures that in the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination within the three years prior to the

receipt of the federal financial assistance and after a due process hearing against the Subrecipient on the grounds of race, color, religion, national origin, sex, age, or disability, a copy of the finding will be submitted to the New Hampshire Department of Justice, Grants Management Unit and to the U.S. Department of Justice, Office for Civil Rights, Office of Justice Programs, 810 7th Street, NW, Washington, D.C. 20531. For additional information regarding your obligations under civil rights please reference the state website at <http://www.doj.nh.gov/grants-management/civil-rights.htm> and understand if you are awarded funding from this office, civil rights compliance will be monitored by this office, and the Office for Civil Rights, Office of Justice Programs, U.S. Department of Justice.

22. The Subrecipient must certify that Limited English Proficiency persons have meaningful access to any services provided by this program. National origin discrimination includes discrimination on the basis of limited English proficiency (LEP). Meaningful access may entail providing language assistance services, including oral and written translation when necessary. The U.S. Department of Justice has issued guidance for grantees to help them comply with these requirements. The guidance document can be accessed on the Internet at [www.lep.gov](http://www.lep.gov).
23. The subrecipient, if a non-profit organization, agrees to make its financial statements available online (either on the subrecipient's website, or the NH Department of Justice's, or another publicly available website). Organizations that have Federal 501 (c) 3 tax status are considered in compliance with this requirement, with no further action needed, to the extent that such organization files IRS Form 990 or similar tax document (e.g., 990-EZ), as several sources already provide searchable online databases of such financial statements.
24. The Subrecipient, if a non-profit organization, must certify their non-profit status by submitting a statement to NH Department of Justice: 1) affirmatively asserting that the recipient is a non-profit organization and 2) indicating that the Subrecipient has on file and available upon audit one of the following:
  - A copy of the organization's 501 (c) 3 designation letter, or:
  - A letter from the State of NH stating that the Subrecipient is a non-profit organization operating within the state, or:
  - A copy of the sub-grantee's state certificate of incorporation that substantiates its non-profit status

Subrecipient that are local non-profit affiliates of state or national non-profits should also have a statement by the parent organization that the Subrecipient is a local non-profit

affiliate.

25. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award). The recipient, and any subrecipient at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient. The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <http://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.
26. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events. The subrecipient at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences. Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Post award Requirements" in the "2015 DOJ Grants Financial Guide").
27. Requirement for data on performance and effectiveness under the award  
the recipient must collect and maintain data that measure the performance and effectiveness of activities under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act, and other applicable laws.
28. OJP Training Guiding Principles  
Any training or training materials that the Subrecipient at any tier -- develops or

delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <http://ojp.gov/funding/ojptrainingguidingprinciples.htm>.

29. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2016) The Subrecipient at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2016, are set out at: <http://ojp.gov/funding/Explore/FY2016-AppropriationsLawRestrictions.htm> and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact their grant manager for guidance, and may not proceed without the express prior written approval of the grant manager and OJP.
30. Subrecipient will authorize representatives of the Office for Victims of Crime and/or the Office of the Chief Financial Officer access to and the right to examine all records, books, paper or documents related to the VOCA grant.
31. Certification regarding debarment, suspension ineligibility, and voluntary exclusion  
A person may be debarred or suspended for any of the causes listed in 28 CFR §67.305 and §67.405. A person who is debarred or suspended shall be excluded from Federal financial and non-financial assistance and benefits under Federal programs and activities. Debarment or suspension of a participant in a program by one Federal agency shall have government wide effect. For purposes of this certification, "prospective lower tier participant" shall refer to the Subrecipient.

Instructions for Certification:

- a) By signing and submitting this proposal, the prospective lower tier participant is providing the certification as set out.
- b) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or

debarment.

- c) The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- d) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.
- e) The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
- f) The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- g) A participant in a covered transaction may rely upon a certification of a prospective participant in lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.
- h) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- i) Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

By signing this document, you are certifying that neither your agency, nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in any transaction by any Federal department or agency.

Failure to submit an approved EEOP or Certification is a violation of the Program Guidelines and Conditions and may result in suspension or termination of funding, until such time as the Subrecipient is in compliance. Additional information on EEOP requirements may be found here: [http://ojp.gov/about/ocr/faq\\_eeop.htm](http://ojp.gov/about/ocr/faq_eeop.htm)

This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward). The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <http://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$150,000)), and are incorporated by reference here.

Gentlemen:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

We have further determined you can reasonably be expected to be an organization of the type described in sections 170(b)(1)(A)(vi) and 509(a)(1). Accordingly, for your first two tax years, you will be treated as an organization which is not a private foundation.

At the end of your first two tax years, however, you must establish with the Internal Revenue Service that for such two years you were in fact an organization of the type described in section 170(b)(1)(A)(vi). If you establish this fact with the Service, you will be classified as a section 509(a)(1) organization for all purposes beginning with the first day of your third tax year and you must normally meet the requirements of section 170(b)(1)(A)(vi) thereafter. If, however, you do not meet the requirements of section 170(b)(1)(A)(vi) for your first two tax years, you will be classified as a private foundation as of the first day of your third tax year. Furthermore, you will be treated as a private foundation as of the first day of your first tax year for purposes of sections 507(d) and 4940.

Grantors and donors may rely on the determination that you are not a private foundation for your first two tax years, unless notice that you will no longer be treated as a section 509(a)(1) organization is published in the Internal Revenue Bulletin. However, a grantor or donor may not rely on such determination if he was in part responsible for, or was aware of, the act or failure to act that resulted in your loss of section 509(a)(1) status, or acquired knowledge that the Internal Revenue Service had given notice that you would be removed from classification as a section 509(a)(1) organization.

You are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. You are not liable for the taxes imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible under sections 2055, 2106, and 2522 of the Code.

If your sources of support, or your purposes, character, or method of operation is changed, you must let us know so we can consider the effect of the change on your status. Also, you must inform us of all changes in your name or address.

If your gross receipts each year are normally more than \$5,000, you are required to file Form 990, Return of Organization Exempt From Income Tax, by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, for failure to file a return on time.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Please keep this determination letter in your permanent records.

Sincerely yours,

*William E. Williams*

National origin discrimination includes discrimination on the basis of limited English proficiency (LEP). Meaningful access may entail providing language assistance services, including oral and written translation when necessary. The U.S. Department of Justice has issued guidance for grantees to help them comply with these requirements. The guidance document can be accessed on the Internet at [www.lep.gov](http://www.lep.gov).
23. The subrecipient, if a non-profit organization, agrees to make its financial statements available online (either on the subrecipient's website, or the NH Department of Justice's, or another publicly available website). Organizations that have Federal 501 (c) 3 tax status are considered in compliance with this requirement, with no further action needed, to the extent that such organization files IRS Form 990 or similar tax document (e.g., 990-EZ), as several sources already provide searchable online databases of such financial statements.
24. The Subrecipient, if a non-profit organization, must certify their non-profit status by submitting a statement to NH Department of Justice: 1) affirmatively asserting that the recipient is a non-profit organization and 2) indicating that the Subrecipient has on file and available upon audit one of the following:
  - A copy of the organization's 501 (c) 3 designation letter, or:
  - A letter from the State of NH stating that the Subrecipient is a non-profit organization operating within the state, or:
  - A copy of the sub-grantee's state certificate of incorporation that substantiates its non-profit status

Subrecipient that are local non-profit affiliates of state or national non-profits should also have a statement by the parent organization that the Subrecipient is a local non-profit

affiliate.

25. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award). The recipient, and any subrecipient at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient. The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <http://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.
26. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events. The subrecipient at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences. Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Post award Requirements" in the "2015 DOJ Grants Financial Guide").
27. Requirement for data on performance and effectiveness under the award  
the recipient must collect and maintain data that measure the performance and effectiveness of activities under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPR) and the GPR Modernization Act, and other applicable laws.
28. OJP Training Guiding Principles  
Any training or training materials that the Subrecipient at any tier -- develops or

delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <http://ojp.gov/funding/ojptrainingguidingprinciples.htm>.

29. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2016) The Subrecipient at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2016, are set out at: <http://ojp.gov/funding/Explore/FY2016-AppropriationsLawRestrictions.htm> and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact their grant manager for guidance, and may not proceed without the express prior written approval of the grant manager and OJP.
30. Subrecipient will authorize representatives of the Office for Victims of Crime and/or the Office of the Chief Financial Officer access to and the right to examine all records, books, paper or documents related to the VOCA grant.
31. Certification regarding debarment, suspension ineligibility, and voluntary exclusion  
A person may be debarred or suspended for any of the causes listed in 28 CFR §67.305 and §67.405. A person who is debarred or suspended shall be excluded from Federal financial and non-financial assistance and benefits under Federal programs and activities. Debarment or suspension of a participant in a program by one Federal agency shall have government wide effect. For purposes of this certification, "prospective lower tier participant" shall refer to the Subrecipient.

Instructions for Certification:

- a) By signing and submitting this proposal, the prospective lower tier participant is providing the certification as set out.
- b) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or

debarment.

- c) The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- d) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.
- e) The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
- f) The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- g) A participant in a covered transaction may rely upon a certification of a prospective participant in lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.
- h) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- i) Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

By signing this document, you are certifying that neither your agency, nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in any transaction by any Federal department or agency.

32. Certification Regarding EEOP Required:

If required, within 30 days from the date of the award, the Subrecipient will submit for approval, an acceptable Equal Employment Opportunity Plan (EEOP) as required by 28 CFR 42.301 et seq. or a Certification Form to both the NH DOJ and the Office of Civil Rights, Office of Justice Programs, US DOJ at 810 7th Street, NW, Washington, DC 20531. Failure to submit an approved EEOP or Certification is a violation of the Program Guidelines and Conditions and may result in suspension or termination of funding, until such time as the Subrecipient is in compliance. Additional information on EEOP requirements may be found here: [http://ojp.gov/about/ocr/faq\\_eeop.htm](http://ojp.gov/about/ocr/faq_eeop.htm)

33. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed \$150,000. The Subrecipient at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, \$150,000). This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward). The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <http://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$150,000)), and are incorporated by reference here.

Gentlemen:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

We have further determined you can reasonably be expected to be an organization of the type described in sections 170(b)(1)(A)(vi) and 509(a)(1). Accordingly, for your first two tax years, you will be treated as an organization which is not a private foundation.

At the end of your first two tax years, however, you must establish with the Internal Revenue Service that for such two years you were in fact an organization of the type described in section 170(b)(1)(A)(vi). If you establish this fact with the Service, you will be classified as a section 509(a)(1) organization for all purposes beginning with the first day of your third tax year and you must normally meet the requirements of section 170(b)(1)(A)(vi) thereafter. If, however, you do not meet the requirements of section 170(b)(1)(A)(vi) for your first two tax years, you will be classified as a private foundation as of the first day of your third tax year. Furthermore, you will be treated as a private foundation as of the first day of your first tax year for purposes of sections 507(d) and 4940.

Grantors and donors may rely on the determination that you are not a private foundation for your first two tax years, unless notice that you will no longer be treated as a section 509(a)(1) organization is published in the Internal Revenue Bulletin. However, a grantor or donor may not rely on such determination if he was in part responsible for, or was aware of, the act or failure to act that resulted in your loss of section 509(a)(1) status, or acquired knowledge that the Internal Revenue Service had given notice that you would be removed from classification as a section 509(a)(1) organization.

You are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. You are not liable for the taxes imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible under sections 2055, 2106, and 2522 of the Code.

If your sources of support, or your purposes, character, or method of operation is changed, you must let us know so we can consider the effect of the change on your status. Also, you must inform us of all changes in your name or address.

If your gross receipts each year are normally more than \$5,000, you are required to file Form 990, Return of Organization Exempt From Income Tax, by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, for failure to file a return on time.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Please keep this determination letter in your permanent records.

Sincerely yours,

*William E. Williams*

4. EFFECTIVE DATE: COMPLETION OF PROJECT.
  - 4.1. This Agreement, and all obligations of the parties hereunder, shall become effective on the date on the date of approval of this Agreement by the Governor and Council of the State of New Hampshire if required (block 1.17), or upon signature by the State Agency as shown in block 1.14 ("the effective date").

The State shall withhold from the amount otherwise payable to the Subrecipient under this subparagraph 5.3 those sums required, or permitted, to be withheld pursuant to N.H. RSA 80:7 through 7-c.
  - 5.4. The payment by the State of the Grant amount shall be the only, and the complete payment to the Subrecipient for all expenses, of whatever nature, incurred by the Subrecipient in the performance hereof, and shall be the only, and the complete, compensation to the Subrecipient for the Project. The State shall have no liabilities to the Subrecipient other than the Grant Amount.
  - 5.5. Notwithstanding anything in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made, hereunder exceed the Grant limitation set forth in block 1.8 of these general provisions.
6. COMPLIANCE BY SUBRECIPIENT WITH LAWS AND REGULATIONS. In connection with the performance of the Project, the Subrecipient shall comply with all statutes, laws regulations, and orders of federal, state, county, or municipal authorities which shall impose any obligations or duty upon the Subrecipient, including the acquisition of any and all necessary permits.
7. RECORDS and ACCOUNTS.
  - 7.1. Between the Effective Date and the date three (3) years after the Completion Date the Subrecipient shall keep detailed accounts of all expenses incurred in connection with the Project, including, but not limited to, costs of administration, transportation, insurance, telephone calls, and clerical materials and services. Such accounts shall be supported by receipts, invoices, bills and other similar documents.
  - 7.2. Between the Effective Date and the date three (3) years after the Completion Date, at any time during the Subrecipient's normal business hours, and as often as the State shall demand, the Subrecipient shall make available to the State all records pertaining to matters covered by this Agreement. The Subrecipient shall permit the State to audit, examine, and reproduce such records, and to make audits of all contracts, invoices, materials, payrolls, records of personnel, data (as that term is hereinafter defined), and other information relating to all matters covered by this Agreement. As used in this paragraph, "Subrecipient" includes all persons, natural or fictional, affiliated with, controlled by, or under common ownership with, the entity identified as the Subrecipient in block 1.3 of these provisions.
8. PERSONNEL.

  - 8.2. The Subrecipient shall not hire, and it shall not permit any subcontractor, subgrantee, or other person, firm or corporation with whom it is engaged in a combined effort to perform the Project, to hire any person who has a contractual relationship with the State, or who is a State officer or employee, elected or appointed.
  - 8.3. The Grant Officer shall be the representative of the State hereunder. In the event of any dispute hereunder, the interpretation of this Agreement by the Grant Officer, and his/her decision on any dispute, shall be final.

10. CONDITIONAL NATURE OR AGREEMENT. Notwithstanding anything in this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability or continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available or appropriated funds. In the event of a reduction or termination of those funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Subrecipient notice of such termination.
11. EVENT OF DEFAULT: REMEDIES.
  - 11.1. Any one or more of the following acts or omissions of the Subrecipient shall constitute an event of default hereunder (hereinafter referred to as "Events of Default"):

  - 11.2. Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:
    - 11.2.1 Give the Subrecipient a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Subrecipient notice of termination; and
    - 11.2.2 Give the Subrecipient a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the Subrecipient during the period from the date of such notice until such time as the State determines that the Subrecipient has cured the Event of Default shall never be paid to the Subrecipient; and
    - 11.2.3 Set off against any other obligation the State may owe to the Subrecipient any damages the State suffers by reason of any Event of Default; and
    - 11.2.4 Treat the agreement as breached and pursue any of its remedies at law or in equity, or both.
12. TERMINATION.
  - 12.1. In the event of any early termination of this Agreement for any reason other than the completion of the Project, the Subrecipient shall deliver to the Grant Officer, not later than fifteen (15) days after the date of termination, a report (hereinafter referred to as the "Termination Report") describing in detail all Project Work performed, and the Grant Amount earned, to and including the date of termination.
  - 12.2. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Subrecipient to receive that portion of the Grant amount earned to and including the date of termination.
  - 12.3. In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Subrecipient from any and all liability for damages sustained or incurred by the State as a result of the Subrecipient's breach of its obligations hereunder.
  - 12.4. Notwithstanding anything in this Agreement to the contrary, either the State or, except where notice default has been given to the Subrecipient hereunder, the Subrecipient, may terminate this Agreement without cause upon thirty (30) days written notice.
13. CONFLICT OF INTEREST. No officer, member of employee of the Subrecipient, and no representative, officer or employee of the State of New Hampshire or of the governing body of the locality or localities in which the Project is to be performed, who exercises any functions or responsibilities in the

- approval of the undertaking or carrying out of such Project, shall participate in any decision relating to this Agreement which affects his or her personal interest or the interest of any corporation, partnership, or association in which he or she is directly or indirectly interested, nor shall he or she have any personal or pecuniary interest, direct or indirect, in this Agreement or the proceeds thereof.
14. SUBRECIPIENT'S RELATION TO THE STATE. Gentlemen:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

We have further determined you can reasonably be expected to be an organization of the type described in sections 170(b)(1)(A)(vi) and 509(a)(1). Accordingly, for your first two tax years, you will be treated as an organization which is not a private foundation.

At the end of your first two tax years, however, you must establish with the Internal Revenue Service that for such two years you were in fact an organization of the type described in section 170(b)(1)(A)(vi). If you establish this fact with the Service, you will be classified as a section 509(a)(1) organization for all purposes beginning with the first day of your third tax year and you must normally meet the requirements of section 170(b)(1)(A)(vi) thereafter. If, however, you do not meet the requirements of section 170(b)(1)(A)(vi) for your first two tax years, you will be classified as a private foundation as of the first day of your third tax year. Furthermore, you will be treated as a private foundation as of the first day of your first tax year for purposes of sections 507(d) and 4940.

Grantors and donors may rely on the determination that you are not a private foundation for your first two tax years, unless notice that you will no longer be treated as a section 509(a)(1) organization is published in the Internal Revenue Bulletin. However, a grantor or donor may not rely on such determination if he was in part responsible for, or was aware of, the act or failure to act that resulted in your loss of section 509(a)(1) status, or acquired knowledge that the Internal Revenue Service had given notice that you would be removed from classification as a section 509(a)(1) organization.

You are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. You are not liable for the taxes imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible under sections 2055, 2106, and 2522 of the Code.

If your sources of support, or your purposes, character, or method of operation is changed, you must let us know so we can consider the effect of the change on your status. Also, you must inform us of all changes in your name or address.

If your gross receipts each year are normally more than \$5,000, you are required to file Form 990, Return of Organization Exempt From Income Tax, by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, for failure to file a return on time.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Please keep this determination letter in your permanent records.

Sincerely yours,

12. The Subrecipient agrees that all services will be provided at no charge to victims unless a

If permission to generate program income is granted, the Subrecipient agrees that there must be a sliding scale that starts at zero, and that all program income will be totally expended on grant allowable activities by the end of the funding cycle.

13. The Subrecipient agrees to assist victims in applying for Victims Compensation benefits. 16. Restrictions and certifications regarding non-disclosure agreements and related matters no Subrecipient under this award, or entity that receives a procurement contract or

subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information. The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

- a. In accepting this award, the recipient—
  - i. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
  - ii. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.
- b. If the recipient does or is authorized under this award to make subawards ("subgrants"), procurement contracts, or both--
  - i. it represents that— it has determined that no other entity that the recipient's application proposes may or will receive award funds (whether through a subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
  - ii. it has made appropriate inquiry, or otherwise has an adequate

- iii. factual basis, to support this representation; and  
it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the federal agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.
17. The Subrecipient agency understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of any contract or subaward to either the Association of Community Organizations for Reform Now (ACORN) or its subsidiaries, without the express prior written approval of the NH Department of Justice and the Office of Justice Programs.
18. The Subrecipient assures that federal funds received for this grant program will not be used to supplant existing funds otherwise available for this victim assistance program.
19. Equipment purchased with VOCA funds shall be listed by the Subrecipient on the agency inventory. The inventory must include the item description, serial number, cost, percentage of federal VOCA funds, and location. The Subrecipient agrees that the title to any equipment purchased with VOCA funds will revert back to the New Hampshire Department of Justice, Grants Management Unit, when it is no longer being used for the VOCA program purposes for which it was acquired.
20. The Subrecipient agrees that if a financial audit of the agency is performed, whether it be an audit under 2 CFR or not, the Subrecipient agrees to provide a copy of the audit and any associated management letters to the New Hampshire Department of Justice, Grants Management Unit.
21. The Subrecipient assures that in the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination within the three years prior to the

receipt of the federal financial assistance and after a due process hearing against the Subrecipient on the grounds of race, color, religion, national origin, sex, age, or disability, a copy of the finding will be submitted to the New Hampshire Department of Justice, Grants Management Unit and to the U.S. Department of Justice, Office for Civil Rights, Office of Justice Programs, 810 7th Street, NW, Washington, D.C. 20531. For additional information regarding your obligations under civil rights please reference the state website at <http://www.doj.nh.gov/grants-management/civil-rights.htm> and understand if you are awarded funding from this office, civil rights compliance will be monitored by this office, and the Office for Civil Rights, Office of Justice Programs, U.S. Department of Justice.

22. The Subrecipient must certify that Limited English Proficiency persons have meaningful access to any services provided by this program. National origin discrimination includes discrimination on the basis of limited English proficiency (LEP). Meaningful access may entail providing language assistance services, including oral and written translation when necessary. The U.S. Department of Justice has issued guidance for grantees to help them comply with these requirements. The guidance document can be accessed on the Internet at [www.lep.gov](http://www.lep.gov).
23. The subrecipient, if a non-profit organization, agrees to make its financial statements available online (either on the subrecipient's website, or the NH Department of Justice's, or another publicly available website). Organizations that have Federal 501 (c) 3 tax status are considered in compliance with this requirement, with no further action needed, to the extent that such organization files IRS Form 990 or similar tax document (e.g., 990-EZ), as several sources already provide searchable online databases of such financial statements.
24. The Subrecipient, if a non-profit organization, must certify their non-profit status by submitting a statement to NH Department of Justice: 1) affirmatively asserting that the recipient is a non-profit organization and 2) indicating that the Subrecipient has on file and available upon audit one of the following:
  - A copy of the organization's 501 (c) 3 designation letter, or:
  - A letter from the State of NH stating that the Subrecipient is a non-profit organization operating within the state, or:
  - A copy of the sub-grantee's state certificate of incorporation that substantiates its non-profit status

Subrecipient that are local non-profit affiliates of state or national non-profits should also have a statement by the parent organization that the Subrecipient is a local non-profit

affiliate.

25. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award). The recipient, and any subrecipient at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of recipients, subrecipients or individuals defined (for purposes of this condition) as "employees" of the recipient or of any subrecipient. The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <http://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.
26. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events. The subrecipient at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences. Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Post award Requirements" in the "2015 DOJ Grants Financial Guide").
27. Requirement for data on performance and effectiveness under the award  
the recipient must collect and maintain data that measure the performance and effectiveness of activities under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act, and other applicable laws.
28. OJP Training Guiding Principles  
Any training or training materials that the Subrecipient at any tier -- develops or

delivers with OJP award funds must adhere to the OJP Training Guiding Principles for Grantees and Subgrantees, available at <http://ojp.gov/funding/ojptrainingguidingprinciples.htm>.

29. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2016) The Subrecipient at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2016, are set out at: <http://ojp.gov/funding/Explore/FY2016-AppropriationsLawRestrictions.htm> and are incorporated by reference here. Should a question arise as to whether a particular use of federal funds by a recipient (or a subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact their grant manager for guidance, and may not proceed without the express prior written approval of the grant manager and OJP.
30. Subrecipient will authorize representatives of the Office for Victims of Crime and/or the Office of the Chief Financial Officer access to and the right to examine all records, books, paper or documents related to the VOCA grant.
31. Certification regarding debarment, suspension ineligibility, and voluntary exclusion  
A person may be debarred or suspended for any of the causes listed in 28 CFR §67.305 and §67.405. A person who is debarred or suspended shall be excluded from Federal financial and non-financial assistance and benefits under Federal programs and activities. Debarment or suspension of a participant in a program by one Federal agency shall have government wide effect. For purposes of this certification, "prospective lower tier participant" shall refer to the Subrecipient.

Instructions for Certification:

- a) By signing and submitting this proposal, the prospective lower tier participant is providing the certification as set out.
- b) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or

debarment.

- c) The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- d) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.
- e) The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
- f) The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transactions," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- g) A participant in a covered transaction may rely upon a certification of a prospective participant in lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may check the Nonprocurement List.
- h) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- i) Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntary excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

By signing this document, you are certifying that neither your agency, nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in any transaction by any Federal department or agency.

32. Certification Regarding EEOP Required:

If required, within 30 days from the date of the award, the Subrecipient will submit for approval, an acceptable Equal Employment Opportunity Plan (EEOP) as required by 28 CFR 42.301 et seq. or a Certification Form to both the NH DOJ and the Office of Civil Rights, Office of Justice Programs, US DOJ at 810 7th Street, NW, Washington, DC 20531. Failure to submit an approved EEOP or Certification is a violation of the Program Guidelines and Conditions and may result in suspension or termination of funding, until such time as the Subrecipient is in compliance. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a procurement "contract" (and therefore does not consider a subaward). The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at <http://ojp.gov/funding/Explore/NoncompetitiveProcurement.htm> (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed \$150,000)), and are incorporated by reference here.

Gentlemen:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

We have further determined you can reasonably be expected to be an organization of the type described in sections 170(b)(1)(A)(vi) and 509(a)(1). Accordingly, for your first two tax years, you will be treated as an organization which is not a private foundation.

At the end of your first two tax years, however, you must establish with the Internal Revenue Service that for such two years you were in fact an organization of the type described in section 170(b)(1)(A)(vi). If you establish this fact with the Service, you will be classified as a section 509(a)(1) organization for all purposes beginning with the first day of your third tax year and you must normally meet the requirements of section 170(b)(1)(A)(vi) thereafter. If, however, you do not meet the requirements of section 170(b)(1)(A)(vi) for your first two tax years, you will be classified as a private foundation as of the first day of your third tax year. Furthermore, you will be treated as a private foundation as of the first day of your first tax year for purposes of sections 507(d) and 4940.

Grantors and donors may rely on the determination that you are not a private foundation for your first two tax years, unless notice that you will no longer be treated as a section 509(a)(1) organization is published in the Internal Revenue Bulletin. However, a grantor or donor may not rely on such determination if he was in part responsible for, or was aware of, the act or failure to act that resulted in your loss of section 509(a)(1) status, or acquired knowledge that the Internal Revenue Service had given notice that you would be removed from classification as a section 509(a)(1) organization.

You are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. You are not liable for the taxes imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible under sections 2055, 2106, and 2522 of the Code.

If your sources of support, or your purposes, character, or method of operation is changed, you must let us know so we can consider the effect of the change on your status. Also, you must inform us of all changes in your name or address.

If your gross receipts each year are normally more than \$5,000, you are required to file Form 990, Return of Organization Exempt From Income Tax, by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, for failure to file a return on time.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

Please keep this determination letter in your permanent records.

Sincerely yours,
