TESTIMONIALS FROM SUPERIOR OFFICERS AND OFFICIALS

“ When State Police asked if we had an investigator in-house who could review the case and provide input, one name came to mind, Todd Flanagan.....Words cannot express Todd’s dedication and perseverance in investigating this case. I truly believe that his skills were a significant reason Noyes was finally arrested. An arrest which finally provided Celina’s family and community with some answers regarding Celina’s horrendous murder”

Excerpt from a letter written by then Associate Attorney General Jane Young to Attorney General Joseph Foster, March 7, 2017, following the arrest of Wendell Noyes for the murder of Celina Cass, W. Stewartstown, NH.

“The State of New Hampshire is fortunate to have you in the community and is grateful for your commitment”

Excerpt from Citation Issued by Governor John Lynch, December 28, 2011

“His honesty and hard work were an inspiration to many of us at the Attorney General’s Office”

Excerpt from letter written by Assistant NH Attorney General Michael Delaney, July 24, 2001.

“Detective Flanagan’s dedication to his profession is a credit to himself and the department that he represents. Without his tireless and thorough investigation the defendant may have gone unpunished for the sense of terror that his acts brought to the residents of the City of Concord.”

Written by Assistant Merrimack County Attorney George Waldron, May 16, 2007

“Todd is truly one of our very best investigators and a great asset to the community.”

Written by Concord Police Chief Robert Barry, December 5, 2008
