REQUESTED ACTION

Authorize the New Hampshire Fish and Game Department to enter into a contract with M.H. Beecy Appraisal Services (Vendor Code 153741), Manchester, NH, to conduct two (2) appraisals to Uniform Standards for Federal Land Acquisition for properties in Stratham and Stark, NH, in the amount of \$6,400 effective upon Governor and Council approval through February 15, 2013. Funding is 75% Federal; 25% Other (Wildlife Habitat and Estuarine Reserve Funds).

Funding for this purchase is available in the Wildlife Habitat Conservation and Marine Resources Program accounts, as follows:

03 75 75 751520-2155	Wildlife Program – Wildlife Habitat Conservation	
		<u>FY 13</u>
020-07500-21550000-305-500845	Habitat Acquisition and Management	\$3,400.00
03 75 75 753020-2289	Marine Resources Program-Estuarine Reserve	
		<u>FY 13</u>
020-07500-22890000-102-500731	Contracts for Program Services	\$3,000.00

EXPLANATION

These appraisals are requested as part of the due diligence necessary for the Department to secure federal funds to purchase properties in Stratham and Stark. The Stratham property is a 0.4 acre in-holding on a Wildlife Management Area on the Squamscott River. The purchase of the property will ensure that a seasonal camp located on the property will not impact the wildlife habitat values of the WMA or the water quality of the surrounding salt marsh and Squamscott River.

Her Excellency, Governor Margaret Wood Hassen
and the Honorable Council

December 26, 2012

Page 2 of 2

The property in Stark is 95.5 acres located between Route 110 with frontage on both sides of the Upper Ammonoosuc River. This property has extensive areas of highest ranked habitat by ecologic condition in the state as identified in the NH Wildlife Action Plan.

Solicitation for bids for these two projects was done individually. The Stratham parcel solicitation was sent to 4 qualified appraisers on November 9, 2012. M.H. Beecy Appraisal Services was the low bidder.

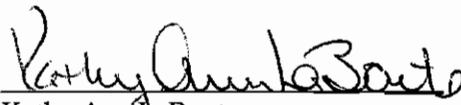

On November 30, 2012 four qualified appraisers were contacted and asked to submit a bid for an appraisal to federal standards to be done in two steps. The first step is to undertake a summary appraisal to enable the Department to enter into negotiations with the landowner. Appraisers were also asked to include, as step two, the cost of upgrading the appraisal to federal standards if the Department signs a purchase and sales agreement with the landowners. M.H. Beecy Appraisal Services submitted the lowest bid on this proposal as well. Ms. Beecy has an excellent record of producing accurate work within time frames required.

Pending completion of the appraisal, the Department will seek funding through the Federal Aid in Wildlife and Sport Fish Restoration Program to permanently conserve the targeted property.

Respectfully submitted,

Glenn Normandeau
Executive Director
