Funds are anticipated to be available in State Fiscal Years 2016 in the following accounts, upon availability and continued appropriation of funds in the future operating budget, with authority to adjust amounts within the price limitation and adjust encumbrances between State Fiscal Years through the Budget Office if needed and justified, without approval from Governor and Executive Council.

Please see attachment for fiscal details.

EXPLANATION

These Amendments are **sole source** because the Department wants to add a new scope of work to the current contracts for work to be completed by September 30, 2015. This does not allow for enough time for the procurement process.

These Amendments are part of the Department's overall strategy to respond to the opioid epidemic that continues to negatively impact New Hampshire's individuals, families, and communities. In 2014 there were 325 opioid overdose deaths in New Hampshire with the death toll for 2015 trending toward a significant increase in the number of overdose deaths.

Approval of these Amendments will allow the Contractors to utilize federal funds from the Substance Abuse and Mental Health Services Administration to improve current services and expand capacity for new services for the substance use disorder treatment and recovery support services. The Contractors will be able to improve and expand upon services by training staff in evidence-based practices for new or current treatment services, purchasing new program materials to implement new evidence-based practices, and hiring consultants to assist with obtaining facility licenses to provide new services and with designing new programs. The Contractors will be able to improve and expand upon business functions by upgrading computer systems and software to allow for 3rd party billing and clinical record keeping in an electronic health record, that result in more efficient operations and increased staff time to provide more treatment services.

In combination with other Department strategies such as increased prevention services and education and media campaigns, the work of these Contractors will result in serving more clients with more effective substance use disorder treatment and recovery support services that will help mitigate negative impacts of the opioid epidemic such as overdoses.

One vendor's contract with Grafton County is not being amended because Federal restrictions prevent these funds being used to serve incarcerated clients, which is the only population that Grafton County serves.

The vendors were originally selected for these agreements through a competitive bid process. The original contracts for SFY 2013 were approved by Governor and Counsel on June 20, 2012, (Items 96, 97, 99 – 110, 112). Amendments for SFY 2014 were approved on June 5, 2013 (Item # 102A), except Grafton County approved on July 10, 2013 (Item # 50) and The Youth Council on June 19, 2013 (Item #134), Amendments for SFY 2015 were approved on June 28, 2014 (Item #99), and December 23, 2014 (Item #16) for two vendors (Tri County Community Action Program and Phoenix House of New England), and June 4, 2015 by the Attorney General for one vendor (Families in Transition), and Amendments for July 1, 2015 to December 31, 2015 were approved on June 24, 2015 (Item #29).

A scanned copy of these Amendments, including the Governor and Executive Council letters and accompanying documentation from the original agreement and subsequent amendments will be available on-line, once posted to the meeting agenda for the Governor and Executive Council, at http://sos.nh.gov/GC2.aspx.

Should the Governor and Executive Council determine to not authorize these Amendments, the Contractors would not have sufficient resources to promote, implement and provide the array of services necessary to provide individuals with substance use disorders the necessary tools to achieve, enhance and sustain recovery. This would result in fewer clients being able to access effective, efficient, substance use disorder treatment services resulting in continued substance use. In addition, failure to obligate the Federal funds in the Substance Abuse Prevention and Treatment Block Grant to community based programs to provide alcohol and other drug treatment services could result in the loss of Federal Block Grant funds made available for these services.

Area served: Statewide.

Source of Funds: 100% Federal Funds from the United States Department of Health and Human Services, Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant, CFDA #93.959, Federal Award Identification Number TI010035-14.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Kathleen A. Dunn, MPH
Associate Commissioner

State of New Hampshire
Department of Health and Human Services
Amendment #4 to the Substance Use Disorder Treatment and Recovery Support Services Contract

This fourth Amendment to the Substance Use Disorder Treatment and Recovery Support Services contract (hereinafter referred to as "Amendment 4") dated July 16, 2015, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Greater Nashua Council on Alcoholism (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 615 Amherst Street, Nashua, NH 03060.

WHEREAS, pursuant to an agreement approved by the Governor and Executive Council on June 20, 2012, (Item #110) (hereinafter referred to as "Contract"), and amended by an agreement (Amendment #1 to the Contract) approved on June 5, 2013 (Item #102A), (Amendment #2 to the Contract) approved on June 18, 2014 (Item #99), and (Amendment #3 to the Contract) approved on June 24, 2015 (Item #29) by Governor and Executive Council, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified;

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract;

WHEREAS, pursuant to the Agreement (section 18 of the General Provisions of the Form P-37), the Agreement may be modified or amended only by written instrument executed by the parties thereto and approved by the Governor and Executive Council;

WHEREAS, the State and the Contractor agree to add scope of work and to increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties agree as follows:

1. Except as specifically amended and modified by the terms and conditions in this Amendment #4, the obligations of the parties shall remain in full force and effect in accordance with the terms and conditions set forth in the Contract as referenced above.

2. Amend General Provisions (Form P-37), Block 1.8 Price Limitation to read: $4,843,837.00.

3. Add Exhibit A-1, Scope of Services.

4. Delete in its entirety Exhibit B Amendment #3, Methods and Conditions Precedent to Payment and replace with Exhibit B Amendment #4, Methods and Conditions Precedent to Payment.

Contractor Initials: JV
Date: 7/17/15

This amendment shall be effective upon the date of Governor and Executive Council approval.

IN WITNESS WHEREOF, the parties have set their hands as of the date written below,

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall complete the Scope of Work described in Exhibit A-1 from the effective date of Amendment #4 through September 30, 2015.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

2. Scope of Services

2.1. The Contractor shall provide for Department approval, within 5 business days from the effective date of the Amendment #4, a plan that describes the scope of work that will be provided to improve current services and/or to expand capacity for substance use disorder treatment and recovery support services, as defined in Section 2.2. below.

2.1.1. The Contractor may amend the Department approved plan, defined in Section 2.1 above, by submitting an amended plan to the Department for approval, before the end date in Section 1.1. above.

2.2. The Contractor shall complete at least one of the Improving Current Services and Expanding Capacity projects from the four Categories listed below (Sections 2.2.1 through 2.2.4):

2.2.1. Improving Existing Facilities such as, but not limited to:

2.2.1.1. Installing camera systems to increase safety for clients and staff.

2.2.2. Purchasing Equipment, Software, and Program Supplies such as, but not limited to:

2.2.2.1. Replacing equipment that is not in good working order to improve staff efficiency and client safety;

2.2.2.2. Purchasing equipment to support new staff being hired to expand service capacity;

2.2.2.3. Purchasing equipment to improve the treatment experience for clients;

2.2.2.4. Purchasing computers to allow clients to look for work and otherwise prepare to transition back into and contribute to the community;

2.2.2.5. Purchasing Electronic Medical Record, Billing, and other software systems to increase efficiency and meet Federal requirements;

Contractor Initials MV
Date 7/17/15

2.2.2.6. Purchasing toiletries and other necessities for clients who are not yet able to purchase these on their own.

2.2.3. Purchasing Program Materials (curricula, journals, books, etc.) such as:

2.2.3.1. Replacing program materials that are outdated, worn out and/or depleted;

2.2.3.2. Purchasing new program materials to implement and/or expand evidence based practices for new and current programs.

2.2.4. Paying for Staff/Consultant Costs such as, but not limited to:

2.2.4.1. Temporarily increasing the hours of existing staff to complete short-term projects, such as developing policies, procedures, protocols, forms and case management formats for new programs to expand capacity;

2.2.4.2. Training new and existing staff to implement and/or expand evidence based practices for new and current programs;

2.2.4.3. Hiring consultants to assist with obtaining necessary licensures and designing new programming to expand capacity;

2.2.4.4. Staff or consultant time to survey the service gaps in the community and develop strategies and programming for filling those gaps;

2.2.4.5. Covering the initial costs of hiring new staff to increase efficiency by filling current gaps in program staffing or to expand capacity.

2.2.5. The Contractor may propose an alternate Improving Current Services and Expanding Capacity project(s) that is not list above in Sections 2.2.1 through 2.2.4. and that is compliance with the Catalog of Domestic Assistance ##93.959.

2.3. The Contractor will submit a progress report to the Department by September 10, 2015 against the defined plan approved by the Department.

Method and Conditions Precedent to Payment

I. Funding

The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A Amendment #3, Scope of Services and Exhibit A-1, Scope of Services.

A. Funding for Exhibit A, Amendment #3

For the period of July 1, 2015 through December 31, 2015, funding for Exhibit A Amendment #3 is funded by various sources as a percentage of the total amount of $753,002.00 as follows:

- 46% Federal Funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant (CFDA #93.959);
- 22% General Governor's Commission on Alcohol and Drug Abuse Prevention, Intervention and Treatment Funds; and
- 32% General funds.

The Contractor agrees to provide the services in Exhibit A Amendment #3, Scope of Services in compliance with funding requirements above.

The Contractor shall comply with Sections II through VIII for payment and invoicing instructions for services provided in Exhibit A Amendment #3.

B. Funding for Exhibit A-1, Scope of Services

From the effective date of Amendment #4 through September 30, 2015, the State shall pay the Contractor an amount not to exceed $20,000, for the services provided by the Contractor pursuant to Exhibit A-1, Scope of Services.

Funding is 100% Federal Funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant (CFDA #93.959);

The Contractor agrees to provide the services in Exhibit A-1, Scope of Services in compliance with funding requirements.

The Contractor shall comply with Section IX for payment and invoicing instructions for services provided in Exhibit A-1, Scope of Services.

II. Payment Methodology

The Contractor will be reimbursed for providing and delivering the services identified in Exhibit A Amendment #3, section B. The following terms and conditions detailed in this Exhibit B Amendment #3 will apply to all services unless expressly stated otherwise.

The Contractor will use and apply all contract funds from the State for costs and expenses as detailed in the Service Reimbursement Table below. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. Effective July 1, 2014, the contractor will receive a payment for each service at the rates and within the limits described below. For clients receiving DHHS supported services, the contractor may not charge the client, any 3rd party payor, and DHHS a combined rate that is more than the rate established by BDAS for that level of service or any other fees. These parties shall be charged in the following order:

1. The maximum allowed charge will be billed to the client's insurer, if applicable.
2. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
3. The balance of the maximum allowed charge, after deducting the client's portion and insurance payment, if applicable, shall be charged to DHHS.

* The Contractor will bill the per diem rate for Intensive Outpatient Treatment services only on those days when the client attends individual and/or group counseling associated with the program. It is expected that each day of attendance includes a minimum of 3 hours of group and/or individual counseling services.

**Attempted Contact is at least 3 attempts to contact a client over the course of at least one week.

*** A unit is equal to 15 minutes of service

It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. **Failure to meet this requirement may result in amendment to or termination of the contract. At a minimum, contractors must provide the array of services they contracted to provide for in SFY15.**

III. Performance Incentives:

A. Access to Services:

Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received and shall conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact. For each client who screens eligible for services and starts receiving services, whether for the identified level of care or interim services, within 10 business days following the eligibility screening, the treatment contractor will receive an incentive payment of $75.00. Access incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

B. Completion:

For each client who is discharged from the program because they have completed treatment or transferred to another treatment provider as recorded in the Discharge Type field of the WITS Discharge Module, the treatment contractor will receive an incentive payment of $75.00. Completion incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

C. Client Outcomes:

If a client who was discharged from the program meets at least 3 of the Outcome criteria below in the 3rd and/or 6th month post-discharge, as evidenced by the WITS Follow-Up module, the treatment contractor will receive an incentive payment in the amount of $50. The 3rd month post discharge is considered to be 60 – 120 days post discharge. The 6th month post discharge is considered to be 150 – 210 days post discharge. Outcomes incentives will be calculated and paid on a monthly basis for clients meeting criteria in the previous calendar month. It is expected that at least 50% of discharged clients will be contacted for 3 and/or 6 month follow-up over the contract year.

i. Abstinence: The client reports reduced or no substance use in the past 30 days.
ii. Employment/Education: The client reports increased or retained employment or the client reports returning to or staying in school.
iii. Crime and Criminal Justice: The client reports no arrests in the past 30 days.
iv. Stability in Housing: The client reports being in stable housing.
v. Social Connectedness: The client reports engagement in Recovery Support Services, Care Coordination, and/or Community Based Support Groups in the past 30 days.

D. Performance Incentive Payout Limits:

Performance incentives are limited to no more than 6% of the total contract amount annually. The total amount paid out during the contract year will never exceed the total contract amount. DHHS is not obligated to make payment for any incentives that occur outside of the current contract year; however, incentives may be carried over to future contract years at the discretion of DHHS.

E. Failure to Meet Deliverables:

The Contractor shall comply with all contract requirements as detailed in Exhibit A section B, Required Services. Upon determination that Contractor may not be meeting the required deliverables, within two (2) weeks BDAS will provide a written correction action plan. Within two (2) weeks of notification of the corrective action plan, Contractor will provide a written remedial plan. BDAS will monitor the corrective actions for 60 days. Failure to meet requirements of the corrective action plan within 60 days may result in withholding of any or all payments or termination of the contract.

F. Invoicing & Billing:

The Contractor shall complete all billing for all services (except for Medication Assisted Treatment Staff Time for Phase I and Phase II), defined in this Agreement through the WITS system according to protocols established by BDAS.

The Contractor will use the Department supplied billing sheet to complete billing for Medication Assisted Treatment Staff Time for Phase I and Phase II.

The Contractor shall have written authorization from the State prior to using contract funds to purchase or lease any equipment with a cost in excess of two thousand five hundred dollars ($2500) and with a useful life beyond one year.

IV. Allocation of Funding:

It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. The contractor is prohibited from spending down more than the sum of the total contract amount that includes the cost of the client services and related incentives.

V. Availability of Alternative Funding:

The New Hampshire Department of Health and Human Services may terminate or amend the contract should alternate third party payors, including Medicaid, the New Hampshire Health Protection Program and/or insurance available on the New Hampshire Insurance Exchange cover any of the services included in this contract.

VI. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds:

The Contractor agrees to use the SAPT funds as the payment of last resort.
Restrictions on SAPT Block Grant on State and Contractor expenditures include:
The State may not:

- Provide inpatient hospital services except under those conditions outlined in the regulations.
- Make cash payments to intended recipients of substance abuse services.
- Purchase or improve land.
- Purchase, construct, or permanently improve buildings or other facilities.
- Purchase major medical equipment.
- Satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds. (in-kind)
- Provide financial assistance to any entity other than a public or non-profit private entity.
- Provide individuals with hypodermic needles or syringes.
- Expend more than the amount of Block Grant funds expended in FFY91 for treatment services provided in penal or correctional institutions of the State.

The Contractor shall not:

- Use any federal funds provided under this contract for the purpose of conducting testing for the etiologic agent for Human Immunodeficiency Virus (HIV) unless such testing is accompanied by appropriate pre and post-test counseling.
- Use any federal funds provided under this contract for the purpose of conducting any form of needle exchange, free needle programs or the distribution of bleach for the cleaning of needles for intravenous drug abusers.

VII. Charitable Choice:

Federal Charitable Choice statutory provisions ensure that religious organizations are able to equally compete for Federal substance abuse funding administered by SAMHSA, without impairing the religious character of such organizations and without diminishing the religious freedom of SAMHSA beneficiaries (see 42 USC 300x-65 and 42 CFR Part 54 and Part 54a, 45 CFR Part 96, Charitable Choice Provisions and Regulations). Charitable Choice statutory provisions of the Public Health Service Act enacted by Congress in 2000 are applicable to the SAPT Block Grant program. No funds provided directly from SAMHSA or the relevant State or local government to organizations participating in applicable programs may be expended for inherently religious activities, such as worship, religious instruction, or proselytization. If an organization conducts such activities, it must offer them separately, in time or location, from the programs or services for which it receives funds directly from SAMHSA or the relevant State or

local government under any applicable program, and participation must be voluntary for the program beneficiaries.

VIII. Notwithstanding paragraph 18 of the General Provisions of this Agreement P-37, an amendment limited to adjusting amounts within the budgets and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of Governor and Executive Council.

IX. Payment and Invoicing Instructions for Exhibit A-1, Scope of Services

A. Payment for said services shall be made as follows:

i. The Contractor will submit one invoice by October 10, 2015, which identifies and requests reimbursement for authorized expenses incurred for the period defined in Section "I. Funding, B. Funding for Exhibit A-1," above.

ii. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.
The invoice must be submitted to:
Financial Manager
Department of Health and Human Services,
Bureau of Drug and Alcohol Services
105 Pleasant Street
Concord, NH 03301

B. The invoice shall include an itemized listing of expenses, amounts and dates when the expenses incurred.

C. The Contractor shall provide supporting documentation to support evidence of actual expenditures identified on the invoice and in accordance with the Department approved project, such as but not limited to: a copy of the approval from the Department to expend the funding; a detailed description of the scope of work that was completed; copies of invoices for purchases; and/or the names of the Contractor's staff, dates and hours worked, and amounts being billed for the specific project.

D. Allowable costs and expenses shall be determined by the Department in accordance with applicable state and federal laws and regulations.

E. The Contractor shall not bill for reimbursement of expenses incurred before or after the period defined in Section "I. Funding, B. Funding for Exhibit A-1," above.

F. The Contractor shall obtain Department approval prior to incurring the expense to provide the scope of work described in the Department approved plan.

G. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this contract may be withheld, in whole, or in part, in the event of noncompliance with any State of Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.

H. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds are defined in Section "VI Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds," above.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Greater Nashua Council on Alcoholism

Report on the Financial Statements

We have audited the accompanying financial statements of Greater Nashua Council on Alcoholism, which comprise the statement of financial position as of June 30, 2014, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit

procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Greater Nashua Council on Alcoholism, Inc. as of June 30, 2014, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Greater Nashua Council on Alcoholism, Inc.'s fiscal year June 30, 2013 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated December 9, 2013. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2013 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 15, 2015 on our consideration of the Greater Nashua Council on Alcoholism's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Greater Nashua Council on Alcoholism's internal control over financial reporting and compliance.

GREATER NASHUA COUNCIL ON ALCOHOLISM

Notes to the Financial Statements

1. Organization:

Greater Nashua Council on Alcoholism (the Organization) is a nonprofit organization providing recovery support services which are evidence-based, gender-specific, and culturally competent. The programs include residential, transitional housing, outpatient, intensive outpatient, family-based substance abuse services, pregnant and parenting women and children and offender re-entry services initiative.

2. Summary of Significant Accounting Policies:

The following is a summary of significant accounting policies of the Organization used in preparing and presenting the accompanying financial statements.

Accounting for Contributions and Financial Statement Presentation

The Organization follows *Accounting for Contributions Received and Contributions Made* and *Financial Statements of Not-for-Profit Organizations* as required by the Financial Accounting Standards Board Accounting Standards Codification (FASB ASC). Under these guidelines, the Organization is required to distinguish between contributions that increase permanently restricted net assets, temporarily restricted net assets, and unrestricted net assets. It also requires recognition of contributions, including contributed services, meeting certain criteria at fair values. These reporting standards establish standards for financial statements of not-for-profit organizations and require a Statement of Financial Position, a Statement of Activities, a Statement of Functional Expenses, and a Statement of Cash Flows.

Basis of Accounting

Revenues and expenses are reported on the accrual basis of accounting. Under this basis, revenues, other than contributions, and expenses are reported when incurred, without regard to the date of receipt or payment of cash. Contributions are reported in accordance with FASB ASC *Accounting for Contributions Received and Contributions Made.*

Restricted and Unrestricted Revenue

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Allowance for Doubtful Accounts

The adequacy of the allowance for doubtful accounts for receivables is reviewed on an ongoing basis by the Organization's management and adjusted as required through the provision for doubtful accounts (bad debt expense). In determining the amount required in the allowance account for the year ended June 30, 2014, management has taken into account a variety of factors.

Property, Equipment and Depreciation

Property and equipment is recorded at cost or, if donated, at estimated fair market value at the date of donation. Major additions and improvements are capitalized, while ordinary maintenance and repairs are charged to expense. Depreciation is provided using the straight-line method over the estimated useful lives of the related assets. Assets not in service are not depreciated.

Functional Expenses

The costs of providing various programs and activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Donated Services

The Organization receives donated services from a variety of unpaid volunteers assisting the Organization in its programs. No amounts have been recognized in the accompanying Statement of Activities because the criteria for recognition of such volunteer effort under generally accepted accounting principles have not been satisfied.

Contributions of donated services that create or enhance nonfinancial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at their fair values in the period received.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual amounts could differ from those estimates.

Tax Status

Greater Nashua Council on Alcoholism is exempt from federal income tax under Section 501(a) of the Internal Revenue Code as an organization described in Section 501(c)(3). The Organization has also been classified as an entity that is not a private foundation within the meaning of Section 509(a) and qualifies for deductible contributions.

The Organization follows FASB ASC 740-10, *Accounting for Uncertainty in Income Taxes*, which clarifies the accounting for uncertainty in income taxes and prescribes a recognition threshold and measurement attribute for financial statement recognition and measurement of tax positions taken or expected to be taken in a tax return. FASB ASC 740-10 did not have a material impact on the Organization's financial statements.

The Organization's Federal Form 990 (Return of Organization Exempt From Income Tax) is subject to examination by the IRS, generally for three years after they were filed.

The Organization recognizes interest related to unrecognized tax benefits in interest expense and penalties that are included within reported expenses. During the year ended June 30, 2014, the Organization had no interest or penalties accrued related to unrecognized tax benefits.

Reclassifications

Certain accounts in the prior-year financial statements have been reclassified for comparative purposes to conform with the presentation in the current-year financial statements.

3. Concentration of Credit Risk - Cash and Cash Equivalents:

The carrying amount of the Organization's deposits with financial institutions was $97,004 and $113,829 at June 30, 2014 and 2013, respectively. The difference between the carrying amount and the bank balance represents reconciling items such as deposits in transit and outstanding checks, which have not been processed by the bank. The bank balance is categorized as follows:

	2014	2013
Insured by FDIC	$ 115,750	$ 153,103
Total Bank Balance	$ 115,750	$ 153,103

4. Accounts Receivable, Net:

Accounts receivable at June 30, 2014 and 2013 consist mainly of amounts due from clients for services and miscellaneous charges.

5. Property, Equipment and Depreciation:

A summary of the major components of property and equipment is presented below:

Depreciation expense for the years ended June 30, 2014 and 2013 totaled $196,091 and $199,349, respectively.

The estimated useful lives of the depreciable assets are as follows:

Assets	Years
Building and improvements	30
Land improvements	15
Furniture and fixtures	5 - 7
Equipment	5
Vehicles	5

6. Reserve for Replacements:

Reserve for replacements consist of funds required by the New Hampshire Housing Finance Authority and is used for the replacement of property with prior approval.

7. Accrued Expenses and Other Liabilities:

Accrued expenses and other liabilities consist of the following:

	2014	2013
Accrued payroll and related liabilities	$ 105,848	$ 94,111
Accrued interest	11,346	10,601
HAS liability	148	-
Other accruals	30	880
Total	$ 117,372	$ 105,592

8. Due to Related Organizations:

Due to related organizations represents long-term liabilities due to related entities whereby common control is shared with the same Board of Directors. The related organizations and their balances at June 30, 2014 are as follows:

	2014	2013
Current:		
Harbor Homes, Inc.	$ 55,249	$ 35,584
Healthy at Home, Inc.	95,440	94,930
Southern New Hampshire HIV/AIDS Task Force	27,055	2,193
Total	$ 177,744	$ 132,707

9. Mortgages Payable:

Long-term debt as of June 30, 2014 consisted of the following:

A mortgage payable to a local bank, due in monthly installments of $10,133, including principal and interest at 5.00% for the first three years, adjusting on each three year anniversary date based on the prevailing three year Federal Home Loan Bank Amortizing Advance Rate plus three and one-quarter percent, maturing in 2042, secured by real property.	$ 1,821,818
A mortgage payable to New Hampshire Community Loan Fund, Inc., due in monthly installments of $13,850, including principal and interest at 8.00%, maturing in 2032, secured by real property, guaranteed by a related organization.	1,850,170
A mortgage payable to NCB Capital Impact, due in 60 monthly consecutive installments of accrued and unpaid interest at 5.25%, requiring a principal reduction of $100,000 per annum, maturing in 2015, secured by real property, guaranteed by a related organization.	200,000
Total	3,871,988
Less amount due within one year	(150,022)
Long term debt, net of current portion	$ 3,721,966

The following is a summary of future payments on the previously mentioned long-term debt.

Year	Amount
2015	$ 150,022
2016	153,162
2017	56,553
2018	60,151
2019	63,992
Thereafter	3,388,108
Total	$ 3,871,988

10. Mortgages Payable, Deferred:

The Organization has received special financing to partially fund a new building. These notes are interest free for thirty years with principal payments calculated annually at the discretion of the lender. The balance of these notes at June 30, 2014 and 2013 was $1,885,000.

11. Transactions with Related Parties:

The Organization offers counseling services to the clients of related organizations. These services are provided whenever requested.

The Organization receives janitorial and maintenance services performed by clients of Harbor Homes, Inc., a related organization. The Organization also receives payroll services from the related organization.

The Organization is considered a commonly controlled organization with several related entities by way of its common board of directors. However, management feels that the principal prerequisites for preparing combined financial statements are not met, and therefore more meaningful separate statements have been prepared.

12. Net Assets Released from Restriction:

There were no restricted net assets during the year ended June 30, 2014, and as a result, no net assets were released from restrictions.

13. Retirement Plan:

After one year of continuous service with the Organization, employees may contribute a portion of their wages to a Section 403(b) retirement plan. The

Organization matches a percentage of the employee contribution based on years of service. Total matching contributions paid by the Organization for the years ended June 30, 2014 and 2013 were $26,267 and $20,927, respectively.

14. Operating Leases:

The Organization leases office equipment under non-cancellable lease agreements that are scheduled to expire at various times through 2015. Equipment rental expense totaled $9,500 for the year ended June 30, 2014. Estimated future minimum lease payments on these leases are as follows:

Year	Amount
2015	$ 10,409
2016	224
Total	$ 10,633

15. Concentration of Risk:

A material part of the Organization's revenue is dependent upon support from the State of New Hampshire and Medicaid, the loss of which would have a materially adverse effect on the Organization. During the year ended June 30, 2014, the State of New Hampshire accounted for 65% and Medicaid accounted for 26% of total revenues.

16. Fair Value Measurements:

FASB ASC, *Fair Value Measurements*, provides guidance for using fair value to measure assets and liabilities. *Fair Value Measurements* applies whenever other standards require or permit assets or liabilities to be measured at their fair market value. The standard does not expand the use of fair value in any new circumstances. Under *Fair Value Measurements*, fair value refers to the price that would be received from the sale of an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. *Fair Value Measurements* clarifies the principle that fair value should be based on the assumptions market participants would use when pricing the asset or liability and establishes a fair value hierarchy that prioritizes the information used to develop those assumptions.

Under *Fair Value Measurements*, the Organization categorizes its fair value estimates based on a hierarchical framework associated with three levels of

price transparency utilized in measuring financial instruments at fair value. Classification is based on the lowest level of input that is significant to the fair value of the instrument. The three levels are as follows:

- Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. The types of financial instruments included in Level 1 are highly liquid instruments with quoted prices;

- Level 2 - Inputs from active markets, other than quoted prices for identical instruments, are used to model fair value. Significant inputs are directly observable from active markets for substantially the full term of the asset or liability being valued; and

- Level 3 - Pricing inputs significant to the valuation are unobservable. Inputs are developed based on the best information available; however, significant judgment is required by management in developing the inputs.

The estimated fair value of the Organization's financial instruments is presented in the following table:

	Carrying Value	Fair Value	Level One	Level Two	Level Three
Mortgages payable	$ 3,871,988	$ 3,871,988	$ -	$ 3,871,988	$ -
Mortgages payable, deferred	1,885,000	1,885,000	-	1,885,000	-
Due to related organizations	177,744	177,744	-	-	177,744
Total liabilities	$ 5,934,732	$ 5,934,732	$ -	$ 5,756,988	$ 177,744

The carrying amounts of cash and cash equivalents approximate fair value because of the short maturity of those financial instruments.

	Fair Value Measurements Using Significant Unobservable Inputs Level Three Due to
Beginning balance June 30, 2013	$ 132,707
Advances	114,210
Reductions	(69,173)
Ending balance June 30, 2014	$ 177,744

17. Subsequent Events:

In accordance with the provisions set forth by FASB ASC, Subsequent Events, events and transactions from July 1, 2014 through January 15, 2015, the date the financial statements were available to be issued, have been evaluated by management for disclosure.

On August 20, 2014, the Organization entered into a revolving line of credit agreement with the bank. Under this agreement $250,000 is available to the Organization to provide for working capital requirements through September 30, 2016. Monthly interest only payments are required at a variable rate, adjusting daily at the Wall Street Journal Prime Rate plus 1.0%. Harbor Homes, Inc., a related party (see note 11), shall provide an unlimited and unconditional guaranty of payment.

Management has determined that there were no material events other than those noted above, that would require disclosure in the Organization's financial statements through this date.

Scope of Services

A. Population Served

The Contractor will provide substance use disorder treatment services to New Hampshire residents who:

- meet diagnostic, financial, and other eligibility criteria, as defined in Section C, Clients Eligible for Treatment Services; and
- Reside in any city or town, or who are homeless, in New Hampshire.

B. Required Treatment Services

The Contractor will provide treatment services as identified in the **Service Table** below. An "X" denotes the services that the Contractor will provide to eligible individuals in accordance with all applicable laws, rules, and regulations and terms and conditions of this Agreement.

Service Table	
Required Services	**Treatment Services**
X	***Outpatient Treatment (ASAM Level 1)*** - Substance abuse treatment services provided in individual and group counseling sessions in a non-residential setting. Clients may be enrolled in outpatient treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. Outpatient Treatment providers must provide assessment to all clients to determine the appropriate ASAM (October 2013) level of care. If this level is higher than ASAM Level 1, the outpatient provider must refer the client to the appropriate level of care and provide interim services until the client is able to enter the appropriate level of care.
X	***Outpatient Treatment (ASAM Level 1) – Pregnant & Parenting Women*** – Outpatient Treatment as identified above provided to pregnant & parenting women.
X	***Intensive Outpatient Treatment (ASAM Level 2.1)*** – A combination of individual and group substance abuse treatment services conducted in an outpatient setting for a minimum of 3 hours of direct client treatment services per day for a minimum of three days per week. Clients receiving less than this level of service should be enrolled in an outpatient program. Clients may be enrolled in intensive outpatient treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. No client shall be admitted to an ASAM Level 2.1 program without first having an evaluation and referral from an ASAM Level 1 provider.
X	***Intensive Outpatient Treatment (ASAM Level 2.1) – Pregnant & Parenting Women*** - Intensive Outpatient Treatment as identified above provided to pregnant & parenting women.

Service Table	
Required Services	**Treatment Services**
X	***Low-Intensity Residential Treatment (ASAM Level 3.1)*** Residential substance abuse treatment services are designed to support individuals in the early stages of recovery that need this residential level of care and/or are homeless. The goal of these programs is to prepare clients to become self-sufficient in the community. Clients may be enrolled in low-intensity residential treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. Residents typically work in the community and may pay a portion of their room and board. No client shall be admitted to an ASAM Level 3.1 program without first having an evaluation and referral from an ASAM Level 1 provider.
X	***Low-Intensity Residential Treatment (ASAM Level 3.1) – Pregnant Women*** - Low-Intensity Residential Treatment as identified above provided to pregnant & parenting women.
X	***High-Intensity Residential – Adult (ASAM Level 3.5, Formerly: Residential – Treatment Adult) and Medium Intensity Residential – Adolescent (ASAM Level 3.5, Formerly: Residential – Treatment Adolescent)*** - Short-term residential substance abuse treatment designed to assist individuals who require a more intensive level of service in a structured setting and/or individuals that may be homeless. Admission is on a voluntary basis. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. No client shall be admitted to an ASAM Level 3.5 program without first having an evaluation and referral from an ASAM Level 1 provider.
X	***High-Intensity Residential – Adult (ASAM Level 3.5, Formerly: Residential – Treatment Adult) and Medium Intensity Residential – Adolescent (ASAM Level 3.5, Formerly: Residential – Treatment Adolescent) - Pregnant Women*** - High-Intensity Residential – Adult and Medium Intensity Residential – Adolescent as identified above provided to pregnant women.
X	***Specialty Residential Treatment for Pregnant & Parenting Women (ASAM Level 3.5)*** - Residential treatment services for pregnant and parenting women and their children. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. No client shall be admitted to an ASAM Level 3.5 program without first having an evaluation and referral from an ASAM Level 1 provider.

Service Table	
Required Services	**Treatment Services**
X	***Recovery Support Services:*** Group or individual services that are consistent with an individual's recovery plan that prevent relapse and enhance or remove barriers to recovery. Examples of recovery support services include, but are not limited to: assisting clients with enrollment in Medicaid, the New Hampshire Health Protection Program (NHHPP), or private insurance, anger management, financial management, communication skills, spiritual support, parenting skills, health management, case management, organization and time management, recovery coaching, recovery mentoring, stress management, and vocational services. Programs may focus on a single recovery support service or provide a curriculum that includes an array of recovery support services. Types of Recovery Support Services are listed below:
X	• Continuous recovery monitoring services are regular follow-ups with clients to assess the status of the client's recovery, identify any needs the client may have and help the client to address those needs, and provide early intervention for client's who have relapsed or who's recovery is otherwise at risk.
	• Enhanced Services are specialized services that remove barriers to a client's participation in treatment. Examples of these services are child care while a parent is participating in treatment or transportation to and/or from the treatment site.
X	***Recovery Support Services*** as identified above provided to pregnant & parenting women.
X	***Medication Assisted Treatment with Buprenorphine*** – **Phase I** The Contractor will develop a work plan, for DHHS approval, for integrating medication assisted treatment with buprenorphine into the treatment services denoted by an "X" described above. The Contract may seek technical assistance in developing this plan through the New Hampshire Center for Excellence. The Contractor will bill for staff time only, as described in Exhibit B, during Phase 1. The Contractor's work plan will include at a minimum the following: • The steps to be taken to begin offering medication assisted treatment with buprenorphine, including the responsible individuals and expected timing. • The provider(s) you will work with for prescription and medical oversight of buprenorphine, including a Memorandum of Understanding with each provider regarding billing and payment practices and how the parties will interact to ensure that integrated care is provided.
X	***Medication Assisted Treatment with Buprenorphine – Phase II*** The Contractor will Implement the Phase 1 work plan upon DHHS approval, which includes the administration of the physician service and medication to clients. The Contractor will bill for staff time (only for continued planning of the service delivery), physicians visits, and medication as described in Exhibit B, during Phase 2. Medication Assisted Treatment Services provided in Phase 2 are subject to all contract provisions described in this Agreement.

C. ***Required Provisions for Services***

Priority Admission:

1) The Contractor shall give admission preference to pregnant women and women with dependent children, even if the children are not in their custody, as long as parental rights have not been terminated, including the provision of interim services within the required 48 hour time frame.
2) Individuals who have been administered Narcan to reverse the effects of an opioid overdose either in the 14 days prior to screening or in the period between screening and admission to the program.
3) Individuals with a history of injection drug use including the provision of interim services within 14 days.
4) Individuals with a primary diagnosis of a substance use disorder, which may also include a co-occurring mental health disorder.
5) Individuals with substance use co-occuring mental health disorders.
6) Individuals with Opioid Use Disorders.

Required Outreach:

New Hampshire Department of Health & Human Services (DHHS) programs receiving federal treatment Block Grant funds requires that Contractors must publicize services available to pregnant or parenting women and injection drug users in need of substance abuse treatment and that these individuals receive preference for admission to treatment. This may be done as follows, but is not limited to, street outreach programs, ongoing public service announcements (radio/television), regular advertisements in local/regional print media, posters placed in targeted areas, and frequent notification of availability of such treatment distributed to the network of community based organizations, health care providers and social service agencies. The Contractor will submit their outreach plans to DHHS through the Bureau of Drug and Alcohol Services (BDAS) within 60 days of contract effective date.

Health Facilities Administration Licensing Requirements:

Housing programs with substance abuse treatment services at the same location will need to secure necessary licensing as a Residential Rehabilitation Facility by the DHHS Bureau of Health Facilities Administration, as appropriate, see He-P 807 at the following link: (http://www.gencourt.state.nh.us/rules/state_agencies/he-p800.html). Any contractor with an American Society of Addiction Medicine (ASAM) (October 2013) Level 3.3 or higher level program must secure this licensing for all Level 3 programs housed within the same facility as the Level 3.3 program. In the case of residential treatment and housing at the same site, residential programs must be in compliance with the most recent DHHS requirements relative to the Institute for Mental Disease (IMD) Exclusion.

Capacity Reporting:

The Contractor must contact BDAS, as agent for DHHS, when their capacity has reached 90% within 5 business days. The Contractor must refer pregnant women to the State when the Contractor has insufficient capacity to provide services to any such pregnant women who seek the services of the program. Sending e-mail to the BDAS Clinical Services Unit Administrator may complete this notification process.

Access to Services:

Programs above ASAM Level 1 may not accept clients in the absence of a recommendation to the program's level of care based on an evaluation by and ASAM Level 1 provider. ASAM Level

Contractor Initials: RV
Date: 5/11/15

1 programs may not provide services other than evaluation until an evaluation has been completed and a level of care recommendation established. The required evaluation may be conducted by any ASAM Level 1 provider, regardless of DHHS contract status, but will only be DHHS reimbursed for DHHS contracted providers.
The Contractor shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within 2 business days following the day the call was received. If a client contacts the contractor and has not obtained an evaluation and ASAM Level of Care recommendation, the contractor shall refer the client to an ASAM Level 1 provider to obtain this. If the client has obtained and evaluation and ASAM Level of Care recommendation from an ASAM Level 1 provider, but the contractor cannot provide that level of care to the client, the contractor shall refer the client to a program that can provide the appropriate ASAM level of care. If the contractor is an ASAM Level 1 provider or if the client's ASAM Level of Care recommendation is consistent with the level of care provided by the contractor, the contractor is required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.

Those who have screened eligible for evaluation services will be seen for the initial evaluation within 5 business days and a final evaluation narrative and ASAM level of care recommendation and referral will be completed within 10 business days.
Those who have completed an evaluation and ASAM level of care recommendation and referral and screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days following the eligibility screening. If the client is not able to access interim services at the contractor's agency for geographic or other reasons, the client should be referred to a DHHS funded provider where they are able to access interim services.

Contractors receiving grant funds from DHHS will not discriminate against clients who are using legitimate medications to assist their recovery and will not have policies that allow them to refuse admission to treatment or to discharge clients from treatment based on the use of appropriately prescribed medications and various opiate replacement therapies, including, but not limited to, methadone and buprenorphine, as well as other forms of medication-assisted treatment for co-occurring substance abuse and mental health disorders.

Clients Eligible for Treatment Services:
In order to be eligible for DHHS supported services, a client must meet all eligibility criteria described below. Eligibility determination shall be conducted as follows:

1. Substance Use Disorder, Financial Eligibility & Residency Screening: The contractor shall complete the eligibility screening module in the Web Information Technology System (WITS) to determine if the client meets residency, financial, and substance use disorder potential eligibility requirements:
    a. Residency: The client must be a resident of New Hampshire or homeless in New Hampshire to be eligible for DHHS supported services; and
    b. Financial Eligibility: The client's income must be below 400% of Federal Poverty Level (FPL) to be eligible for DHHS supported services based on the sliding fee scale described below. Once the screening has been completed, the contractor shall print the associated attestation and have the client sign this document. A copy of the signed attestation shall be maintained in the client file. The client's financial eligibility shall be reassessed no less than every 120 days.; and

Contractor Initials: RV
Date: 5/11/15

c. Potential for a Substance Use Disorder: The client must screen positive for a potential substance use disorder to be eligible for DHHS funded services.

2. Evaluation: No client shall be eligible for treatment services without first having an evaluation and referral from an ASAM Level 1 provider. The required evaluation may be conducted by any ASAM Level 1 provider, regardless of DHHS contract status, but will only be DHHS reimbursed for DHHS contracted providers. If this evaluation is completed by a contracted provider, the evaluation shall include administration of either the ASI or GAIN.
   a. Substance Use Disorder: This evaluation shall be used to determine if the client meets Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition (DSM5) criteria for a substance use disorder. Clients who meet DSM5 criteria for a substance use disorder are eligible for DHHS funded services. Client who do not meet these criteria are not eligible for DHHS funded services.
   b. Level of Care: For clients who have met all other eligibility requirements, this evaluation shall be used to determine the appropriate level of care for the client based on ASAM (October 2013) criteria. The client is eligible for DHHS funded services at the assessed level of care unless such a level of care is unavailable or the client chooses to enter a lower level of care. If the assessed level of care in unavailable, the client may choose to enter the next higher level of care
3. Medicaid/NHHPP Eligibility: The contractor shall determine whether or not the client is eligible for Medicaid/NHHPP coverage for the identified level of care. If the client is not eligible for Medicaid/NHHPP coverage for the identified level of care, the client may be eligible for DHHS funded services. If the client is eligible for Medicaid/NHHPP coverage for the identified level of care, the client is not eligible for DHHS funded services. The provider shall assist the client with the Medicaid/NHHPP enrollment process if they are believed to be eligible for these programs.
4. Insurance Coverage: The contractor shall determine whether or not the client has insurance that will cover services at the identified level of care. If the client does not have insurance that will reimburse for these services at a rate equal to or greater than the DHHS rate, the client is eligible for DHHS funded services. If the client has insurance that will reimburse for these services at an amount equal or greater to the DHHS reimbursement rate, the client is not eligible for DHHS funded services. The contractor may not charge the combination of the client, any 3rd party payor, and DHHS more than the maximum charge allowed, which is the DHHS rate for the service in those instances in which DHHS pays any portion of the service fee. These parties shall be charged in the following order:
   a. The maximum allowed charge will be billed to the client's insurer, if applicable.
   b. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
   c. The balance of the maximum allowed charge after deducting the client's portion and the insurance payment, if applicable, shall be charged to DHHS.
5. Medication Assisted Treatment with Buprenorphine eligibility: Only those clients who are simultaneously engaged in other clinical services with the provider are eligible for these services.

Sliding Fee Scale:

The contractor shall not charge the combination of the client, any 3rd party payor and BDAS an amount greater than the maximum rate allowed for each service. All reasonable efforts shall be

made to collect payment of bills. A client's inability to pay shall not preclude admission to the program and treatment.

- Client Income is 0% - 138% of FPL: 100% of the allowed charge less any amount paid for by insurance.
- Client Income is 139% - 149% of FPL: 92% of the allowed charge less any amount paid for by insurance.
- Client Income is 150% - 199% of FPL: 88% of the allowed charge less any amount paid for by insurance.
- Client Income is 200% - 249% of FPL: 75% of the allowed charge less any amount paid for by insurance.
- Client Income is 250% - 299% of FPL: 60% of the allowed charge less any amount paid for by insurance.
- Client Income is 300% - 349% of FPL: 43% of the allowed charge less any amount paid for by insurance.
- Client Income is 350% - 399% of FPL: 33% of the allowed charge less any amount paid for by insurance.

With respect to minority age individuals, a minor child shall not be denied services as a result of the parent's unwillingness to pay the fee or the minor child's decision to receive confidential services pursuant to RSA 318-B:12-a.

Waiting List Management:

When a person who is pregnant or an injection substance abuser seeks treatment and there are no appropriate treatment services available within the required time frame as outlined below, interim services **must** be made available. The Contractor agrees to maintain the wait list management system in WITS that includes a unique patient identifier and include information on dates of requests for admission to treatment, provision of interim services and source for those services, referrals made for treatment or interim services, and disposition of clients on the waiting list.

- The waiting list must contain a mechanism that identifies and counts the number of applicants who present and are determined to be appropriate for substance abuse treatment but are unable to be placed as there is no capacity;
- Maintain contact with individuals awaiting admission; and,
- Admit or transfer waiting list clients at the earliest possible time to an appropriate treatment program within a reasonable geographic area.

The Contractor shall remove a client awaiting treatment from the waiting list only when one of the following conditions exists:

- Such persons cannot be located for admission into treatment *or*
- Such persons refuse treatment.

Specific Interim Services for Pregnant Women, Women with Dependent Children and Injection Drug Users:

The Contractor agrees to contact the BDAS Clinical Services Unit if a pregnant women and women with dependent children or individuals with a history of injection drug use, cannot be accepted into treatment within specific time frames, and agrees that interim services will be provided or facilitated by the Contractor. Interim services for pregnant women must include counseling on the effects of alcohol and drug use on the fetus, referrals for prenatal care, and

counseling and education about HIV and tuberculosis. Interim services for injection drug users must also include counseling and education in the risks of needle sharing, about the risks of transmission to sexual partners and infants, and referral for HIV, Hepatitis C and tuberculosis screening/testing. All interim services shall be documented in the client's clinical record in the WITS system.

Interim Services for other Clients:
The Contractor shall provide, or refer the client to, interim services until level of service identified in the level of care assessment is available and/or the client is willing and assessed as being sufficiently motivated to take advantage of the proposed level of service or interim services. If the client is not able to access interim services at the contractor's agency for geographic or other reasons, the client shall be referred to a DHHS funded provider where they are able to access interim services.

Services to pregnant and parenting women:
The Contractor further agrees that childcare will be made available to women who are in treatment with their dependent children, either through on-site care or through arrangements with an off-site legal childcare provider. Other services required are as follows:

- The family is treated as a unit and, therefore, admits both women and their children into treatment services, if appropriate.
- The Contractor shall provide or arrange for primary medical care for women who are receiving substance abuse services, including prenatal care.
- The Contractor shall provide or arrange for childcare while the women are receiving services even if the children are not in their custody, as long as parental rights have not been terminated.
- The Contractor shall provide or arrange for primary pediatric care for the women's children, including immunizations.
- The Contractor shall provide or arrange for gender-specific substance abuse treatment and other therapeutic interventions for women that may address issues of relationships, sexual abuse, physical abuse, and parenting, and childcare while the women are receiving these services.
- The Contractor shall provide or arrange for therapeutic interventions for children in custody of women in treatment, which may, among other things, address the children's developmental needs, their issues of sexual and physical abuse, and neglect.
- The Contractor shall provide or arrange for sufficient case management and transportation services to ensure that the women and their children have access to the services provided for above.
- If a pregnant, pregnant injection drug using or Injection Drug Using person refuses treatment or says (s)he is not interested in treatment, the wait list report shall be completed with the engagement activities attempted.
- If a pregnant, pregnant injection drug using or Injection Drug Using person no shows or cancels treatment, interim services must be provided, as stipulated above and the wait list report shall be completed that demonstrates the activities of follow up, engagement and substance abuse treatment services offered.

Relationship(s) with Primary Health Care:
The Contractor shall arrange and coordinate services and exchange of information with other health care providers and agencies which:

- Identifies the client's current Primary Care Provider (PCP) at screening and/or intake.
- If the client has no current PCP, the Contractor shall identify available provider(s) in the client's local area such as a federally qualified community health center, community health center, or other local health services.
- Obtains client/patient authorization to communicate with PCP office.
- If no authorization is completed initially, the Contractor shall educate client as to the importance of engaging the PCP in ongoing care and address the client's concerns as part of treatment, with goal of obtaining authorization before discharge.
- Sends the discharge summary to PCP and offers to discuss recovery issues with the provider.
- Arranges (or has the client arrange) a post-discharge appointment with PCP for the client/patient for follow-up of the substance use disorder.

Tobacco Cessation:
The Contractor shall have policies and procedures for both client and Contractor staff, that not only creates a tobacco-free environment as required by law, but to offer tobacco cessation tools and programming. Tobacco use, in and of itself, shall not be grounds for administrative discharge from the program. Initially, all clients shall be assessed for motivation in stopping the use of tobacco products. Providers may tap into resources such as the DPHS Tobacco Prevention & Control Program (TPCP) and the certified tobacco cessation counselors available through the QuitLine. Other resources for providers include:

Breathe New Hampshire
145 Hollis St., Unit C
Manchester, NH 03101
603-669-2411 (phone) or 1-800-835-8647

The New Hampshire Medicaid program covers:

- Nicotine Replacement Therapy (NRT) Gum,
- NRT Patch,
- NRT Nasal Spray,
- NRT Lozenge,
- NRT Inhaler,
- Varenicline (Chantix),
- Bupropion (Zyban),
- Group Counseling and/or
- Individual Counseling. Up to 12 individual counseling sessions are covered per year through a mental health provider (Note: These sessions would NOT be in addition to other mental health counseling sessions under Medicaid). Pregnant women also have the option of group counseling. For more information, visit the website at: http://www.dhhs.state.nh.us/DHHS/MEDICAIDPROGRAM/default.htm

Tuberculosis:
The Contractor shall make available tuberculosis services (defined as screening, counseling, testing, and treatment) directly, or through other providers, to each client receiving treatment. In the case of an individual denied admission due to lack of capacity, the substance abuse treatment Contractor will refer the individual to another provider of tuberculosis services if appropriate. All Contractor providing residential services shall make available, either on-site or through agreements with health care providers, tuberculosis services, including screening,

testing, counseling and referral for medical treatment.

Physical location and facilities:
For the purpose of providing the services described in Section II of the Scope of Services, the Contractor shall obtain and maintain a suitable space complying with all fire, health, and safety codes to include handicapped accessibility and being wheelchair accessible.

The Contractor shall obtain written prior approval of DHHS, acting through BDAS, before entering into any agreement concerning relocation of the service site.

Culturally and Linguistically Appropriate Standards of Care:
DHHS recognizes that culture and language have considerable impact on how consumers access services. Culturally and linguistically diverse populations experience barriers in efforts to access services. To ensure equal access to quality services, DHHS expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.
2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.
3. When feasible and appropriate, provide clients of Limited English Proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.
4. The Contractor is responsible for reasonable accommodations in arranging for interpreter services for hearing impaired clients.
5. The Contractor offers consumers or clients a forum through which those individuals have the opportunity to provide feedback to the Contractor regarding cultural and linguistic issues that may deserve response.

Compliance with State and Federal Laws:
The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. All services provided pursuant to this Contract shall be subject to the most current proposed or formalized rules and regulations promulgated by DHHS, pursuant to RSA 541-A.
2. The Contractor shall maintain adherence to federal and state confidentiality laws specifically: 42 CFR Part 2B, N.H. RSA 318 B:12 and N.H. RSA 172:8-A and the Health Insurance Portability and Accountability Act (HIPAA): *http://www.hhs.gov/ocr/privacy/*
3. The Contractor shall meet the standards outlined in NH Administrative Rule He-A 300, Certification and Operation of Alcohol and other Drug Disorder Treatment Programs. This administrative rule is currently expired and under revision. The Contractor should plan to meet the requirements as outlined in the expired rule until the revisions are completed. He-A 300 can be viewed on the RFP link to this document *http://www.dhhs.nh.gov/business/rfp/index.htm*.
4. The Contractor shall, upon the direction of the State, provide court-ordered evaluation in their catchment area and a sliding scale fee shall apply and the inability to pay shall not interfere with the completion and submission of the court-ordered evaluation and shall,

Contractor Initials: RV
Date: 5/11/15

upon the direction of the State, offer treatment to those individuals pursuant to RSA 172:13.

5. Contractors considering research, including research conducted by student interns, using individuals served by this contract as subjects must adhere to the legal requirements governing human subjects' research. Contractors must inform the DHHS via contact with BDAS prior to initiating any research involving subjects or participants related to this contract. In addition, research conducted on subjects served by this contract may need to be approved by the New Hampshire Department of Health & Human Services Committee for the Protection of Human Subjects (NH DHHS CPHS) see http://www.dhhs.nh.gov/irb/

Client Stabilization:
The Contractor will be expected to arrange for medical clearance for all clients receiving treatment services supported by DHHS administered by BDAS to assure that they are not at risk for acute withdrawal from alcohol and certain drugs. The Contractor shall be expected to provide a range of integrated services that include withdrawal management services that follow detoxification guidelines outlined in Treatment Improvement Protocol (TIP) #45, Detoxification and Substance Abuse Treatment and ASAM guidelines.

Clinical Services:
The Contractor shall provide the following:

a. A minimum of one (1) substance abuse counselor on site each day of the week during primary treatment hours. The substance abuse counselor shall have a bachelor's degree or equivalent in social work/psychology, guidance or nursing and/or a certificate in the field of addiction studies from an approved educational institution or educational/life experience.
b. A minimum of one (1) substance abuse support staff on site each day of the week during all hours not covered by a substance abuse counselor. The substance abuse support staff must have a high school or General Equivalency Diploma (GED). Preference is given to individuals who have completed additional courses or taken training in substance use disorders or other health fields.
c. An intake/admission coordinator on site Monday through Friday of each week. The intake/admission coordinator shall have one (1) years' work experience in the field of addiction studies.
d. A full-time Executive Director, not filling any of the positions described above.

Evaluation:
No client shall be eligible for treatment services without first having an evaluation and referral from an ASAM Level 1 provider. The required evaluation may be conducted by any ASAM Level 1 provider, regardless of DHHS contract status, but will only be DHHS reimbursed for DHHS contracted providers. If this evaluation is completed by a contracted provider, the evaluation shall include administration of either the ASI or GAIN.

Assessment of Risk for Self-Harm/Suicide: The Contractor shall have policies and practices for assessing risk of self-harm at all phases of treatment, such as at initial contact, during screening, intake, admission, on-going treatment services and at discharge, and a process for referral when necessary to include referrals to mental health services.

Use of Best Practices: The Contractor is required to use the Addiction Severity Index (ASI) or Global Appraisal of Individual Needs (GAIN) assessment tools, the SAMHSA/NIDA MATRS treatment-planning model and the WITS electronic case management system.

The Contractor shall develop policies, programs and protocols in accordance with SAMHSA guidelines as outlined in the Treatment Improvement Protocols (TIPs) and Technical Assistance Publications (TAPs). These publications can be downloaded from http://www.kap.samhsa.gov/products/manuals/index.htm

Relevant Policies and Guidelines:
The services provided for in this agreement shall be in addition to the services provided for in any other agreement between the State of New Hampshire, any of its agencies, or any of its officers, and the Contractor.

Without limiting the generality of any other provisions of this agreement, the Contractor shall cooperate fully with, and answer all questions of representatives of the State conducting any periodic or special review of the performance of the Contractor or any inspection of the facilities of the Contractor.

Publications Funded Under Contract:
All products produced under this contract are in the public domain. All products (written, video, audio) produced, reproduced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution, or use. The Contract shall credit DHHS on all materials produced under this contract.

Student Internships:
The Contractor shall establish policies and procedures related to student interns that address minimum coursework, experience and core competencies for those interns having direct contact with individuals served by this contract. Student interns shall complete an approved ethics course prior to beginning the internship.

Staff Licensing Requirements:
The ratio of licensed to non-licensed service providers shall be as follows:
Agencies must have at least one Licensed, or Masters Licensed, Alcohol and Drug Counselor (LADC/MLADC) for each two unlicensed counselors providing substance abuse treatment services and a sufficient number of MLADCs or LADCs with the Licensed Clinical Supervision (LCS) credential to adequately provide for clinical supervision of all clinical staff. This requirement shall be met by the Contractor no later than six (6) months after the date of the Contract effective date.

Updated resumes, which clearly indicate the staff member is employed by the Contractor, including current positions of staff supported by funds provided through this Contract, shall be forwarded to the BDAS as agent for DHHS. The documentation shall include a copy of the New Hampshire Alcohol and Drug Counselor License.

Staff Certification Requirements:
In addition to the requirements for LADCs, all Contractor milieu staff in residential settings and transitional living programs and staff providing recovery support aftercare group services shall

Contractor Initials: [illegible]
Date: 5/11/15

be a LADC, MLADC, or Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification under RSA 330-C (http://www.gencourt.state.nh.us/rsa/html/NHTOC/NHTOC-XXX-330-C.htm). Certification must be completed within six (6) months of the contract's approval date.

Staff providing recovery support services are expected to be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification. Peer recovery support services made available through Recovery Community Organizations (RCOs), under agreement with BDAS on behalf of DHHS, shall be provided by individuals certified by those organizations (CRSW not required for peer recovery support services).

Supervision:
Ongoing clinical supervision will include weekly discussion of cases with suggestions for resources or therapeutic approaches, co-therapy, and periodic assessment of progress. When enough candidates are under supervision, group supervision may be included to help optimize the learning experience.

The content of supervision must include knowledge, skills, values, and ethics with specific application to the practice issues faced by the supervisee, including the core functions as described in the Twelve Core Functions of Alcohol and Drug Counseling.

The content of supervision must also include the standards of practice and ethical conduct, with particular emphasis given to the counselor's role and appropriate responsibilities, professional boundaries, and power dynamics.

Staffing Changes:
BDAS as agent for DHHS shall be notified of changes in key personnel with updated resumes that clearly indicate the staff member is employed by the Contractor submitted within five (5) working days. Key personnel are those staff for whom at least 10% of their work time is spent providing alcohol or other drug abuse treatment services.

1. New Hires: The Contractor shall notify BDAS on behalf of DHHS in writing within one month of hire when a new administrator or coordinator or any staff person essential to carrying out this scope of services is hired to work in the program. A resume of the employee, which clearly indicates the staff member is employed by the Contractor, shall accompany this notification.

2. Vacancies: The Contractor shall notify BDAS on behalf of DHHS in writing within 14 calendar days, if at any time, any site funded under this agreement does not have adequate staffing to perform all required services for more than one month.

Other Requirements:
The Contractor shall attend trainings and/or meetings as requested by DHHS.

Regional Network Participation:
The Contractor will designate administrative level staff to regularly participate in the Regional Network and contribute to overall regional network strategic planning, monitoring, evaluation, and cross systems communication efforts, and the development of a regional substance

misuse/abuse Continuum of Care. The Contractor is highly encouraged to serve on one of the work groups and/or leadership groups and contribute to data collection, regional strategic planning and evaluation. Participation will be measured by the annual Partner Survey (http://www.partnertool.net/) administered by NH Center for Excellence under contract with BDAS as agent for DHHS.

Performance Measures:
All treatment programs under contract with BDAS on behalf of DHHS are required to report on the National Outcome Measures (NOMs) established by the SAMHSA, as required in the Federal Substance Abuse Prevention and Treatment Block Grant, via the WITS (electronic case management) system. The Department of Health and Human Services reserves the right to consider Contractor performance across all of the domains in future funding decisions.

Data and Reporting Requirements:
1. Without limiting the generality of any other provisions of this agreement, the Contractor shall provide any periodic or special reports required by the DHHS.
2. The Contractor shall notify BDAS, as an authorized agent of DHHS, whenever the Contractor has reached ninety percent capacity to admit new clients. In addition the Contractor shall have a waiting list management policy in accordance with the SAPT Block Grant requirements. This 90% notification process will become automatic when this operation is fully functional in WITS.
3. The Contractor shall notify DHHS through BDAS, within one working day, if sufficient capacity is not available to provide treatment services to a pregnant woman, parenting woman or injection drug user within the required time frames and a referral elsewhere is not successful and interim services cannot be provided.
4. The Contractor shall comply with all research and/or information systems development activities for the electronic case management/Web Information Technology System (CM/WITS) conducted by, or authorized by, DHHS.
5. The Contractor shall administer any client surveys, client evaluations including the addiction Severity Index (ASI) or the Global Appraisal of Individual Needs (GAIN), client treatment outcome instruments, the M.A.T.R.S. Treatment Planning Tool, as required by DHHS.
6. The Contractor must have the ability to communicate and submit required reports via the Web-based submission system and/or e-mail, for treatment s and recovery support services and interim services. All required clinical and documentation activities shall be entered in WITS unless specifically granted an exception by BDAS on behalf of DHHS.

Critical Incident/Sentinel Event Reporting:
The Department's Sentinel Event policy is contained in the following link: http://www.dhhs.nh.gov/dcbcs/sentinel.htm

Division of Community Based Care Services (DCBCS) Sentinel Event Notification:
The preceding events require the immediate verbal notification to the BDAS Assistant Administrator or Clinical Services Unit Administrator upon the discovery of a sentinel event involving an individual(s) receiving services through a DHHS substance use disorder treatment Contractor.

Since the initial and immediate verbal notification of a sentinel event is likely to include protected health information (PHI) as identified below, the Contractor of services to individuals receiving services funded by the DHHS shall disclose PHI in a private and secure manner. Contractors

and vendors should not leave voice-mail messages, but instead make direct telephone contact with the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee. If direct telephone contact is not possible, a voice mail message may be left without protected health information, such as medications and relevant medical and psychiatric diagnoses. As soon as possible after the initial verbal notification, the Contractor will mail or fax a completed *Sentinel Event Reporting Form* as directed in this protocol.

Notification shall include the following:

1. Name and phone number of the individual reporting.
2. Name, date of birth (DOB), medications and all relevant medical and psychiatric diagnoses of individual(s) involved;
3. Location, date, and time of event;
4. Description of the event including what, when, where, how, and other relevant information and identification of any other individuals involved;
5. Legal status of the individual involved with regard to guardianship and power of attorney;
6. Community, guardian, family and/or families' knowledge of the event; and
7. Contractor contact person and contact information.

It shall be the responsibility of the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee to notify the DCBCS Quality Improvement Director by e-mail as soon as the BDAS Clinical Administrator or designee becomes aware a Sentinel Event has occurred. The DCBCS Quality Improvement Director shall make immediate notification to the Commissioner. Internal e-mails within the Department may contain PHI and all Department employees will utilize safeguards to ensure the privacy of the PHI as stated in the DHHS General Manual Health Insurance Portability and Accountability Act (HIPAA) policy #504.

Each DCBCS contractor recognizes its responsibility to report evidence of neglect, abuse or exploitation to the appropriate regulatory agencies as required by RSA 161-F: 42-57 and RSA 169-C:29. In any case of known or suspected neglect, abuse or exploitation, the Contractor aware of the situation shall follow all applicable rules relative to individual rights protection procedures.

Written follow up information is to be forwarded by the reporting Contractor to the appropriate BDAS Administrator listed below within 72 hours by completing the *Sentinel Event Reporting Form.* To protect clients' confidential information, reporting Contractors should submit the *Sentinel Event Reporting Form* either by fax to the BDAS Assistant Administrator or the BDAS Clinical Services Unit Administrator by a mail service that provides delivery confirmation.

Bureau of Drug and Alcohol Services
Assistant Administrator
105 Pleasant Street
Concord, NH 03301
Or by fax to the BDAS Administrator's Office at 271-6105;

Follow-up information is the responsibility of the Contractor and should be submitted in a way as to protect clients' confidential information such as by mail with delivery confirmation and should include:

1. The *Sentinel Event Reporting Form found at the following link:* www.dhhs.nh.gov/dcbcs/documents/sentinelform.pdf
2. Additional details as they are learned or if the status of the situation changes; and

Contractor Initials: [illegible]
Date: 5/11/15

3. Copies of newspaper articles.

Additionally, DHHS requires critical incident reporting. The Contractor shall report all critical incidents/sentinel events to the BDAS Clinical Services Unit Administrator immediately via telephone. Every effort shall be made to reach the BDAS administrator directly. If a voice message is necessary, sufficient provider contact information shall be provided so that DHHS is able to reach the reporter, or other responsible staff, immediately.

A critical incident includes, but is not limited to, any child or adult protective services report to the Division of Children, Youth and Families (DCYF), or the Bureau of Elderly and Adult Services (BEAS), respectively, regarding any incident involving 1) a staff/employee to youth or client, 2) youth to youth, or 3) client to client. This includes incidents that occur while a client is on leave, or on a pass, from the Contractor and may be off site at the time the incident occurred.

A sentinel event is an unexpected occurrence involving the death or serious physical or psychological injury, or risk thereof, signaling the need for immediate investigation and response.

Death or any serious injury or medical emergency regarding staff or clients that requires emergency medical attention (EMT or other emergency personnel at the Contractor's site, or a hospital emergency room visit), or any crime reportable to law enforcement, or any other serious incident must also be reported to DHHS as described below.

Reportable sentinel events include, but are not limited to, any occurrence that meets any of the following criteria:

1. An unanticipated death or permanent loss of function, not related to the natural course of an individual's illness or underlying condition.
2. Homicide or suicide of any individual receiving DHHS funded care, treatment or services, that had been discharged from a Department funded program or facility within 30 days of the event, or has been evaluated by a service Contractor within the preceding 30 days;
3. Sexual assault or rape of any individual receiving DHHS funded care, treatment or services by another client or employee of any Department funded program or facility where there is an act that was witnessed or there is sufficient clinical evidence obtained by the Contractor to support allegation of nonconsensual sexual contact.
4. Unauthorized departure of an individual receiving DHHS funded services, from a facility providing care, resulting in death or permanent loss of function.
5. Medication error that results in death, paralysis, coma, or other permanent loss of function.
6. Delay or failure to provide DHHS funded Contractor services that result in death or permanent loss of function.
7. Abuse as a result of the willful infliction of injury, unreasonable confinement, intimidation, or punishment with resulting physical harm, or mental anguish. This includes staff neglect or indifference to infliction of injury or intimidation of one individual by another.
8. Neglect as a result of the failure to provide the goods and services necessary to avoid physical harm, mental anguish or mental illness.
9. Assault of or by a client of the Contractor that results in the injury of the person or another person of such severity that medical attention is required.
10. Arson resulting in property loss.

11. High profile events, which may include media coverage and/or police involvement.

On-Site Reviews:

1. The Contractor shall allow a team or person authorized by DHHS to periodically review the Contractor's systems of governance, administration, data collection and submission, clinical, and financial management in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include, but not be limited to, client record reviews to measure compliance with this exhibit.
3. The Contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. DHHS staff shall contact the Contractor in advance of the site visit, so that the Contractor shall have sufficient time to prepare any guidance/reporting systems or logs that will be reviewed at the site visit.

Method and Conditions Precedent to Payment

I. Funding

The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A Amendment #3, Scope of Services.

For the period of July 1, 2015 through December 31, 2015, funding for this Agreement is funded by various sources as a percentage of the total amount of $ $753,002.00 as follows:

- 65% Federal Funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant (CFDA #93.959);
- 15% General Governor's Commission on Alcohol and Drug Abuse Prevention, Intervention and Treatment Funds; and
- 20% General funds.

The Contractor agrees to provide the services in Exhibit A Amendment #3, Scope of Services in compliance with funding requirements above.

II. Payment Methodology

The Contractor will be reimbursed for providing and delivering the services identified in Exhibit A Amendment #3, section B. The following terms and conditions detailed in this Exhibit B Amendment #3 will apply to all services unless expressly stated otherwise.

The Contractor will use and apply all contract funds from the State for costs and expenses as detailed in the Service Reimbursement Table below. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. Effective July 1, 2014, the contractor will receive a payment for each service at the rates and within the limits described below. For clients receiving DHHS supported services, the contractor may not charge the client, any 3rd party payor, and DHHS a combined rate that is more than the rate established by BDAS for that level of service or any other fees. These parties shall be charged in the following order:

1. The maximum allowed charge will be billed to the client's insurer, if applicable.
2. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
3. The balance of the maximum allowed charge, after deducting the client's portion and insurance payment, if applicable, shall be charged to DHHS.

The remainder of this page is left intentionally blank.

Contractor Initials _____

Date 5/11/15

* The Contractor will bill the per diem rate for Intensive Outpatient Treatment services only on those days when the client attends individual and/or group counseling associated with the program. It is expected that each day of attendance includes a minimum of 3 hours of group and/or individual counseling services.

**Attempted Contact is at least 3 attempts to contact a client over the course of at least one week.

*** A unit is equal to 15 minutes of service

It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. **Failure to meet this requirement may result in amendment to or termination of the contract. At a minimum, contractors must provide the array of services they contracted to provide for in SFY15.**

III. Performance Incentives:

A. Access to Services:

Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received and shall conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact. For each client who screens eligible for services and starts receiving services, whether for the identified level of care or interim services, within 10 business days following the eligibility screening, the treatment contractor will receive an incentive payment of $75.00. Access incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

B. Completion:

For each client who is discharged from the program because they have completed treatment or transferred to another treatment provider as recorded in the Discharge Type field of the WITS Discharge Module, the treatment contractor will receive an incentive payment of $75.00. Completion incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

C. Client Outcomes:

If a client who was discharged from the program meets at least 3 of the Outcome criteria below in the 3rd and/or 6th month post-discharge, as evidenced by the WITS Follow-Up module, the treatment contractor will receive an incentive payment in the amount of $50. The 3rd month post discharge is considered to be 60 – 120 days post discharge. The 6th month post discharge is considered to be 150 – 210 days post discharge. Outcomes incentives will be calculated and paid on a monthly basis for clients meeting criteria in the previous calendar month. It is expected that at least 50% of discharged clients will be contacted for 3 and/or 6 month follow-up over the contract year.

i. Abstinence: The client reports reduced or no substance use in the past 30 days.

ii. Employment/Education: The client reports increased or retained employment or the client reports returning to or staying in school.
iii. Crime and Criminal Justice: The client reports no arrests in the past 30 days.
iv. Stability in Housing: The client reports being in stable housing.
v. Social Connectedness: The client reports engagement in Recovery Support Services, Care Coordination, and/or Community Based Support Groups in the past 30 days.

D. Performance Incentive Payout Limits:
Performance incentives are limited to no more than 6% of the total contract amount annually. The total amount paid out during the contract year will never exceed the total contract amount. DHHS is not obligated to make payment for any incentives that occur outside of the current contract year; however, incentives may be carried over to future contract years at the discretion of DHHS.

E. Failure to Meet Deliverables:
The Contractor shall comply with all contract requirements as detailed in Exhibit A section B, Required Services. Upon determination that Contractor may not be meeting the required deliverables, within two (2) weeks BDAS will provide a written correction action plan. Within two (2) weeks of notification of the corrective action plan, Contractor will provide a written remedial plan. BDAS will monitor the corrective actions for 60 days. Failure to meet requirements of the corrective action plan within 60 days may result in withholding of any or all payments or termination of the contract.

F. Invoicing & Billing:
The Contractor shall complete all billing for all services (except for Medication Assisted Treatment Staff Time for Phase I and Phase II), defined in this Agreement through the WITS system according to protocols established by BDAS.

The Contractor will use the Department supplied billing sheet to complete billing for Medication Assisted Treatment Staff Time for Phase I and Phase II.

The Contractor shall have written authorization from the State prior to using contract funds to purchase or lease any equipment with a cost in excess of two thousand five hundred dollars ($2500) and with a useful life beyond one year.

IV. Allocation of Funding:
It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. The contractor is prohibited from spending down more than the sum of the total contract amount that includes the cost of the client services and related incentives.

V. Availability of Alternative Funding:
The New Hampshire Department of Health and Human Services may terminate or amend the contract should alternate third party payors, including Medicaid, the New Hampshire Health Protection Program and/or insurance available on the New Hampshire Insurance Exchange cover any of the services included in this contract.

VI. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds:

The Contractor agrees to use the SAPT funds as the payment of last resort.
Restrictions on SAPT Block Grant on State and Contractor expenditures include:
The State may not:

- Provide inpatient hospital services except under those conditions outlined in the regulations.
- Make cash payments to intended recipients of substance abuse services.
- Purchase or improve land.
- Purchase, construct, or permanently improve buildings or other facilities.
- Purchase major medical equipment.
- Satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds. (in-kind)
- Provide financial assistance to any entity other than a public or non-profit private entity.
- Provide individuals with hypodermic needles or syringes.
- Expend more than the amount of Block Grant funds expended in FFY91 for treatment services provided in penal or correctional institutions of the State.

The Contractor shall not:

- Use any federal funds provided under this contract for the purpose of conducting testing for the etiologic agent for Human Immunodeficiency Virus (HIV) unless such testing is accompanied by appropriate pre and post-test counseling.
- Use any federal funds provided under this contract for the purpose of conducting any form of needle exchange, free needle programs or the distribution of bleach for the cleaning of needles for intravenous drug abusers.

VII. Charitable Choice:

Federal Charitable Choice statutory provisions ensure that religious organizations are able to equally compete for Federal substance abuse funding administered by SAMHSA, without impairing the religious character of such organizations and without diminishing the religious freedom of SAMHSA beneficiaries (see 42 USC 300x-65 and 42 CFR Part 54 and Part 54a, 45 CFR Part 96, Charitable Choice Provisions and Regulations). Charitable Choice statutory provisions of the Public Health Service Act enacted by Congress in 2000 are applicable to the SAPT Block Grant program. No funds provided directly from SAMHSA or the relevant State or local government to organizations participating in applicable programs may be expended for inherently religious activities, such as worship, religious instruction, or proselytization. If an organization conducts such activities, it must offer them separately, in time or location, from the programs or services for which it receives funds directly from SAMHSA or the relevant State or local government under any applicable program, and participation must be voluntary for the program beneficiaries.

VIII. Notwithstanding paragraph 18 of the General Provisions of this Agreement P-37, an amendment limited to adjusting amounts within the budgets and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of Governor and Executive Council.

SPECIAL PROVISIONS

Contractors Obligations: The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
   7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
   7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

8. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:
   8.1. Fiscal Records: books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.
   8.2. Statistical Records: Statistical, enrollment, attendance or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.
   8.3. Medical Records: Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

9. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.
   9.1. Audit and Review: During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.
   9.2. Audit Liabilities: In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

10. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

11. **Reports:** Fiscal and Statistical: The Contractor agrees to submit the following reports at the following times if requested by the Department.
    11.1. Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.
    11.2. Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

12. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

13. **Credits:** All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:
    13.1. The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

14. **Prior Approval and Copyright Ownership:** All materials (written, video, audio) produced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution or use. The DHHS will retain copyright ownership for any and all original materials produced, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports. Contractor shall not reproduce any materials produced under the contract without prior written approval from DHHS.

15. **Operation of Facilities: Compliance with Laws and Regulations:** In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

16. **Equal Employment Opportunity Plan (EEOP):** The Contractor will provide an Equal Employment Opportunity Plan (EEOP) to the Office for Civil Rights, Office of Justice Programs (OCR), if it has received a single award of $500,000 or more. If the recipient receives $25,000 or more and has 50 or

more employees, it will maintain a current EEOP on file and submit an EEOP Certification Form to the OCR, certifying that its EEOP is on file. For recipients receiving less than $25,000, or public grantees with fewer than 50 employees, regardless of the amount of the award, the recipient will provide an EEOP Certification Form to the OCR certifying it is not required to submit or maintain an EEOP. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption. EEOP Certification Forms are available at: http://www.ojp.usdoj/about/ocr/pdfs/cert.pdf.

17. **Limited English Proficiency (LEP):** As clarified by Executive Order 13166, Improving Access to Services for persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with the Omnibus Crime Control and Safe Streets Act of 1968 and Title VI of the Civil Rights Act of 1964, Contractors must take reasonable steps to ensure that LEP persons have meaningful access to its programs.

18. **Pilot Program for Enhancement of Contractor Employee Whistleblower Protections:** The following shall apply to all contracts that exceed the Simplified Acquisition Threshold as defined in 48 CFR 2.101 (currently, $150,000)

CONTRACTOR EMPLOYEE WHISTLEBLOWER RIGHTS AND REQUIREMENT TO INFORM EMPLOYEES OF WHISTLEBLOWER RIGHTS (SEP 2013)

(a) This contract and employees working on this contract will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239) and FAR 3.908.

(b) The Contractor shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation.

(c) The Contractor shall insert the substance of this clause, including this paragraph (c), in all subcontracts over the simplified acquisition threshold.

19. **Subcontractors:** DHHS recognizes that the Contractor may choose to use subcontractors with greater expertise to perform certain health care services or functions for efficiency or convenience, but the Contractor shall retain the responsibility and accountability for the function(s). Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.
When the Contractor delegates a function to a subcontractor, the Contractor shall do the following:
    19.1. Evaluate the prospective subcontractor's ability to perform the activities, before delegating the function
    19.2. Have a written agreement with the subcontractor that specifies activities and reporting responsibilities and how sanctions/revocation will be managed if the subcontractor's performance is not adequate
    19.3. Monitor the subcontractor's performance on an ongoing basis

19.4. Provide to DHHS an annual schedule identifying all subcontractors, delegated functions and responsibilities, and when the subcontractor's performance will be reviewed
19.5. DHHS shall, at its discretion, review and approve all subcontracts.

If the Contractor identifies deficiencies or areas for improvement are identified, the Contractor shall take corrective action.

DEFINITIONS
As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean that section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Wherever federal or state laws, regulations, rules, orders, and policies, etc. are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc. as they may be amended or revised from the time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

REVISIONS TO GENERAL PROVISIONS

1. Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:

   4. CONDITIONAL NATURE OF AGREEMENT.
   Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A Amendment #3, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

2. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

   10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

   10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

   10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

   10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

   10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

3. Subparagraph 14.1.1 of the General Provisions of this contract, is deleted and the following subparagraph is added:

   14.1.1 Comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $1,000,000 per occurrence with additional general liability umbrella coverage of not less than $5,000,000.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   1.2. Establishing an ongoing drug-free awareness program to inform employees about
      1.2.1. The dangers of drug abuse in the workplace;
      1.2.2. The grantee's policy of maintaining a drug-free workplace;
      1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
      1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
      1.4.1. Abide by the terms of the statement; and
      1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted
   1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
   1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABLITY ACT
BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

X	***Recovery Support Services:*** Group or individual services that are consistent with an individual's recovery plan that prevent relapse and enhance or remove barriers to recovery. Examples of recovery support services include, but are not limited to: assisting clients with enrollment in Medicaid, the New Hampshire Health Protection Program (NHHPP), or private insurance, anger management, financial management, communication skills, spiritual support, parenting skills, health management, case management, organization and time management, recovery coaching, recovery mentoring, stress management, and vocational services. Programs may focus on a single recovery support service or provide a curriculum that includes an array of recovery support services. Types of Recovery Support Services are listed below:
X	• Continuous recovery monitoring services are regular follow-ups with clients to assess the status of the client's recovery, identify any needs the client may have and help the client to address those needs, and provide early intervention for client's who have relapsed or who's recovery is otherwise at risk.
	• Enhanced Services are specialized services that remove barriers to a client's participation in treatment. Examples of these services are child care while a parent is participating in treatment or transportation to and/or from the treatment site.
X	***Recovery Support Services*** as identified above provided to pregnant & parenting women.

C. *Required Services*

Priority Admission:

1) The Contractor shall give admission preference to pregnant women and women with dependent children, even if the children are not in their custody, as long as parental rights have not been terminated, including the provision of interim services within the required 48 hour time frame.
2) Individuals with a history of injection drug use including the provision of interim services within 14 days.
3) Individuals with a primary diagnosis of a substance use disorder, which may also include a co-occurring mental health disorder.
4) Individuals on medication-assisted treatment for co-occurring substance abuse and mental health disorders or various opiate replacement therapies, including, but not limited to, methadone, buprenorphine and naltrexone.

Required Outreach:

New Hampshire Department of Health & Human Services (DHHS) programs receiving federal treatment Block Grant funds requires that Contractors must publicize services available to pregnant or parenting women and injection drug users in need of substance abuse treatment and that these individuals receive preference for admission to treatment. This may be done as follows, but is not limited to, street outreach programs, ongoing public service announcements (radio/television), regular advertisements in local/regional print media, posters placed in targeted areas, and frequent notification of availability of such treatment distributed to the network of community based organizations, health care providers and social service agencies. The Contractor will submit their outreach plans to DHHS through the Bureau of Drug and Alcohol Services (BDAS) within 60 days of contract effective date.

Health Facilities Administration Licensing Requirements:

Housing programs with substance abuse treatment services at the same location will need to secure necessary licensing as a Residential Rehabilitation Facility by the DHHS Bureau of Health Facilities Administration, as appropriate, see He-P 807 at the following link: (http://www.gencourt.state.nh.us/rules/state_agencies/he-p800.html). Any contractor with an American Society of Addiction Medicine (ASAM) (October 2013) Level 3.3 or higher level program must secure this licensing for all Level 3 programs housed within the same facility as the Level 3.3 program. In the case of residential treatment and housing at the same site, residential programs should plan to treat no more than 16 pregnant or parenting women at any given time to comply with federal Medicaid restrictions on Institute for Mental Diseases (IMD) exclusion criteria. This restriction would not apply to programs in which the client's residence is in a separate location from the treatment program.

Capacity Reporting:

The Contractor must contact BDAS, as agent for DHHS, when their capacity has reached 90% within 5 business days. The Contractor must refer pregnant women to the State when the Contractor has insufficient capacity to provide services to any such pregnant women who seek the services of the program. Sending e-mail to the BDAS Clinical Services Unit Administrator may complete this notification process.

Access to Services:
The Contractor shall respond to calls requesting treatment and/or transitional living program services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within 2 business days following the day the call was received.

The Contractor is required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.

Those who have screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days follow the eligibility screening. If the client is not able to access interim services at the contractor's agency for geographic or other reasons, the client should be referred to a DHHS funded provider where they are able to access interim services.

Contractors receiving grant funds from DHHS will not discriminate against clients who are using legitimate medications to assist their recovery and will not have policies that allow them to refuse admission to treatment or to discharge clients from treatment based on the use of appropriately prescribed medications and various opiate replacement therapies, including, but not limited to, methadone and buprenorphine, as well as other forms of medication-assisted treatment for co-occurring substance abuse and mental health disorders.

Clients Eligible for Treatment Services:
In order to be eligible for DHHS supported services, a client must meet all eligibility criteria described below. Eligibility determination shall be conducted as follows:

1. Substance Use Disorder, Financial Eligibility & Residency Screening: The contractor shall complete the eligibility screening module in the Web Information Technology System (WITS) to determine if the client meets residency, financial, and substance use disorder potential eligibility requirements:
    a. Residency: The client must be a resident of New Hampshire or homeless in New Hampshire to be eligible for DHHS supported services; and
    b. Financial Eligibility: The client's income must be below 400% of Federal Poverty Level (FPL) to be eligible for DHHS supported services based on the sliding fee scale described below. Once the screening has been completed, the contractor shall print the associated attestation and have the client sign this document. A copy of the signed attestation shall be maintained in the client file. The client's financial eligibility shall be reassessed no less than every 120 days.; and
    c. Potential for a Substance Use Disorder: The client must screen positive for a potential substance use disorder to be eligible for DHHS funded services.
2. Evaluation: The contractor shall conduct a full substance abuse evaluation, which includes administration of either the Addiction Severity Index (ASI) in WITS or Global Appraisal of Individual Needs (GAIN).
    a. Substance Use Disorder: This evaluation shall be used to determine if the client meets Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition (DSM5) criteria for a substance use disorder. Clients who meet DSM5 criteria for a substance use disorder are eligible for DHHS funded services. Client who do not meet these criteria are not eligible for DHHS funded services.

b. Level of Care: For clients who have met all other eligibility requirements, this evaluation shall be used to determine the appropriate level of care for the client based on ASAM (October 2013) criteria. The client is eligible for DHHS funded services at the assessed level of care unless such a level of care is unavailable or the client chooses to enter a lower level of care. If the assessed level of care in unavailable, the client may choose to enter the next higher level of care.

3. Medicaid/NHHPP Eligibility: The contractor shall determine whether or not the client is eligible for Medicaid/NHHPP coverage for the identified level of care. If the client is not eligible for Medicaid/NHHPP coverage for the identified level of care, the client may be eligible for DHHS funded services. If the client is eligible for Medicaid/NHHPP coverage for the identified level of care, the client is not eligible for DHHS funded services.
4. Insurance Coverage: The contractor shall determine whether or not the client has insurance that will cover services at the identified level of care. If the client does not have insurance that will reimburse for these services at a rate equal to or greater than the DHHS rate, the client is eligible for DHHS funded services. If the client has insurance that will reimburse for these services at an amount equal or greater to the DHHS reimbursement rate, the client is not eligible for DHHS funded services. The contractor may not charge the combination of the client, any 3rd party payor, and DHHS more than the maximum charge allowed. These parties shall be charged in the following order:
    a. The maximum allowed charge will be billed to the client's insurer, if applicable.
    b. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
    c. The balance of the maximum allowed charge after deducting the client's portion and the insurance payment, if applicable, shall be charged to DHHS.

Sliding Fee Scale:

The contractor shall not charge the combination of the client, any 3rd party payor and BDAS an amount greater than the maximum rate allowed for each service. All reasonable efforts shall be made to collect payment of bills. A client's inability to pay shall not preclude admission to the program and treatment.

- Client Income is 0% - 138% of FPL: 100% of the allowed charge less any amount paid for by insurance.
- Client Income is 139% - 149% of FPL: 92% of the allowed charge less any amount paid for by insurance.
- Client Income is 150% - 199% of FPL: 88% of the allowed charge less any amount paid for by insurance.
- Client Income is 200% - 249% of FPL: 75% of the allowed charge less any amount paid for by insurance.
- Client Income is 250% - 299% of FPL: 60% of the allowed charge less any amount paid for by insurance.
- Client Income is 300% - 349% of FPL: 43% of the allowed charge less any amount paid for by insurance.
- Client Income is 350% - 399% of FPL: 33% of the allowed charge less any amount paid for by insurance.

With respect to minority age individuals, a minor child shall not be denied services as a result of the parent's unwillingness to pay the fee or the minor child's decision to receive confidential services pursuant to RSA 318-B:12-a.

Waiting List Management:
When a person who is pregnant or an injection substance abuser seeks treatment and there are no appropriate treatment services available within the required time frame as outlined below, interim services **must** be made available. The Contractor agrees to maintain the wait list management system in WITS that includes a unique patient identifier and include information on dates of requests for admission to treatment, provision of interim services and source for those services, referrals made for treatment or interim services, and disposition of clients on the waiting list.

- The waiting list must contain a mechanism that identifies and counts the number of applicants who present and are determined to be appropriate for substance abuse treatment but are unable to be placed as there is no capacity;
- Maintain contact with individuals awaiting admission; and,
- Admit or transfer waiting list clients at the earliest possible time to an appropriate treatment program within a reasonable geographic area.

The Contractor shall remove a client awaiting treatment from the waiting list only when one of the following conditions exists:

- Such persons cannot be located for admission into treatment *or*
- Such persons refuse treatment.

Specific Interim Services for Pregnant Women, Women with Dependent Children and Injection Drug Users:
The Contractor agrees to contact the BDAS Clinical Services Unit if a pregnant women and women with dependent children or individuals with a history of injection drug use, cannot be accepted into treatment within specific time frames, and agrees that interim services will be provided or facilitated by the Contractor. Interim services for pregnant women must include counseling on the effects of alcohol and drug use on the fetus, referrals for prenatal care, and counseling and education about HIV and tuberculosis. Interim services for injection drug users must also include counseling and education in the risks of needle sharing, about the risks of transmission to sexual partners and infants, and referral for HIV, Hepatitis C and tuberculosis screening/testing. All interim services shall be documented in the client's clinical record in the WITS system.

Interim Services for other Clients:
The Contractor shall provide, or refer the client to, interim services until level of service identified in the level of care assessment is available and/or the client is willing and assessed as being sufficiently motivated to take advantage of the proposed level of service or interim services. If the client is not able to access interim services at the contractor's agency for geographic or other reasons, the client shall be referred to a DHHS funded provider where they are able to access interim services.

Services to pregnant and parenting women:
The Contractor further agrees that childcare will be made available to women who are in treatment with their dependent children, either through on-site care or through arrangements with an off-site legal childcare provider. Other services required are as follows:

- The family is treated as a unit and, therefore, admits both women and their children into treatment services, if appropriate.
- The Contractor shall provide or arrange for primary medical care for women who are receiving substance abuse services, including prenatal care.
- The Contractor shall provide or arrange for childcare while the women are receiving services even if the children are not in their custody, as long as parental rights have not been terminated.
- The Contractor shall provide or arrange for primary pediatric care for the women's children, including immunizations.
- The Contractor shall provide or arrange for gender-specific substance abuse treatment and other therapeutic interventions for women that may address issues of relationships, sexual abuse, physical abuse, and parenting, and childcare while the women are receiving these services.
- The Contractor shall provide or arrange for therapeutic interventions for children in custody of women in treatment, which may, among other things, address the children's developmental needs, their issues of sexual and physical abuse, and neglect.
- The Contractor shall provide or arrange for sufficient case management and transportation services to ensure that the women and their children have access to the services provided for above.
- If a pregnant, pregnant injection drug using or Injection Drug Using person refuses treatment or says (s)he is not interested in treatment, the wait list report shall be completed with the engagement activities attempted.
- If a pregnant, pregnant injection drug using or Injection Drug Using person no shows or cancels treatment, interim services must be provided, as stipulated above and the wait list report shall be completed that demonstrates the activities of follow up, engagement and substance abuse treatment services offered.

Relationship(s) with Primary Health Care:
The Contractor shall arrange and coordinate services and exchange of information with other health care providers and agencies which:

- Identifies the client's current Primary Care Provider (PCP) at screening and/or intake.
- If the client has no current PCP, the Contractor shall identify available provider(s) in the client's local area such as a federally qualified community health center, community health center, or other local health services.
- Obtains client/patient authorization to communicate with PCP office.
- If no authorization is completed initially, the Contractor shall educate client as to the importance of engaging the PCP in ongoing care and address the client's concerns as part of treatment, with goal of obtaining authorization before discharge.
- Sends the discharge summary to PCP and offers to discuss recovery issues with the provider.
- Arranges (or has the client arrange) a post-discharge appointment with PCP for the client/patient for follow-up of the substance use disorder.

Tobacco Cessation:
The Contractor shall have policies and procedures for both client and Contractor staff, that not only creates a tobacco-free environment as required by law, but to offer tobacco cessation tools and programming. Tobacco use, in and of itself, shall not be grounds for administrative discharge from the program. Initially, all clients shall be assessed for motivation in stopping the use of tobacco products. Providers may tap into resources such as the DPHS Tobacco Prevention & Control Program (TPCP) and

the certified tobacco cessation counselors available through the QuitLine. Other resources for providers include:

Breathe New Hampshire
145 Hollis St., Unit C
Manchester, NH 03101
603-669-2411 (phone) or 1-800-835-8647

The New Hampshire Medicaid program covers:

- Nicotine Replacement Therapy (NRT) Gum,
- NRT Patch,
- NRT Nasal Spray,
- NRT Lozenge,
- NRT Inhaler,
- Varenicline (Chantix),
- Bupropion (Zyban),
- Group Counseling and/or

Up to 12 individual counseling sessions are covered per year through a mental health provider (Note: These sessions would NOT be in addition to other mental health counseling sessions under Medicaid). Pregnant women also have the option of group counseling. For more information, visit the website at: http://www.dhhs.state.nh.us/DHHS/MEDICAIDPROGRAM/default.htm

Tuberculosis:
The Contractor shall make available tuberculosis services (defined as screening, counseling, testing, and treatment) directly, or through other providers, to each client receiving treatment. In the case of an individual denied admission due to lack of capacity, the substance abuse treatment Contractor will refer the individual to another provider of tuberculosis services if appropriate. All Contractor providing residential services shall make available, either on-site or through agreements with health care providers, tuberculosis services, including screening, testing, counseling and referral for medical treatment.

Physical location and facilities:
For the purpose of providing the services described in Section II of the Scope of Services, the Contractor shall obtain and maintain a suitable space complying with all fire, health, and safety codes to include handicapped accessibility and being wheelchair accessible.

The Contractor shall obtain written prior approval of DHHS, acting through BDAS, before entering into any agreement concerning relocation of the service site.

Culturally and Linguistically Appropriate Standards of Care:
DHHS recognizes that culture and language have considerable impact on how consumers access services. Culturally and linguistically diverse populations experience barriers in efforts to access services. To ensure equal access to quality services, DHHS expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.
2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. When feasible and appropriate, provide clients of Limited English Proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.
4. The Contractor is responsible for reasonable accommodations in arranging for interpreter services for hearing impaired clients.
5. The Contractor offers consumers or clients a forum through which those individuals have the opportunity to provide feedback to the Contractor regarding cultural and linguistic issues that may deserve response.

Compliance with State and Federal Laws:

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. All services provided pursuant to this Contract shall be subject to the most current proposed or formalized rules and regulations promulgated by DHHS, pursuant to RSA 541-A.
2. The Contractor shall maintain adherence to federal and state confidentiality laws specifically: 42 CFR Part 2B, N.H. RSA 318 B:12 and N.H. RSA 172:8-A and the Health Insurance Portability and Accountability Act (HIPAA): *http://www.hhs.gov/ocr/privacy/*
3. The Contractor shall meet the standards outlined in NH Administrative Rule He-A 300, Certification and Operation of Alcohol and other Drug Disorder Treatment Programs. This administrative rule is currently expired and under revision. The Contractor should plan to meet the requirements as outlined in the expired rule until the revisions are completed. He-A 300 can be viewed on the RFP link to this document *http://www.dhhs.nh.gov/business/rfp/index.htm*.
4. The Contractor shall, upon the direction of the State, provide court-ordered evaluation in their catchment area and a sliding scale fee shall apply and the inability to pay shall not interfere with the completion and submission of the court-ordered evaluation and shall, upon the direction of the State, offer treatment to those individuals pursuant to RSA 172:13.
5. Contractors considering research, including research conducted by student interns, using individuals served by this contract as subjects must adhere to the legal requirements governing human subjects' research. Contractors must inform the DHHS via contact with BDAS prior to initiating any research involving subjects or participants related to this contract. In addition, research conducted on subjects served by this contract may need to be approved by the New Hampshire Department of Health & Human Services Committee for the Protection of Human Subjects (NH DHHS CPHS) see *http://www.dhhs.nh.gov/irb/*

Client Stabilization:

The Contractor will be expected to arrange for medical clearance for all clients receiving treatment services supported by DHHS administered by BDAS to assure that they are not at risk for acute withdrawal from alcohol and certain drugs. The Contractor shall be expected to provide a range of integrated services that include withdrawal management services that follow detoxification guidelines outlined in Treatment Improvement Protocol (TIP) #45, Detoxification and Substance Abuse Treatment and ASAM guidelines.

Clinical Services:
The Contractor shall provide the following:

a. A minimum of one (1) substance abuse counselor on site each day of the week during primary treatment hours. The substance abuse counselor shall have a bachelor's degree or equivalent in social work/psychology, guidance or nursing and/or a certificate in the field of addiction studies from an approved educational institution or educational/life experience.
b. A minimum of one (1) substance abuse support staff on site each day of the week during all hours not covered by a substance abuse counselor. The substance abuse support staff must have a high school or General Equivalency Diploma (GED). Preference is given to individuals who have completed additional courses or taken training in substance use disorders or other health fields.
c. An intake/admission coordinator on site Monday through Friday of each week. The intake/admission coordinator shall have one (1) years' work experience in the field of addiction studies.
d. A full-time Executive Director, not filling any of the positions described above.

Evaluation:
The contractor shall conduct a full substance abuse evaluation, which includes administration of either the ASI or GAIN to determine eligibility for services. This evaluation must be updated every 120 days or when the client transitions to a different level of care.

Assessment of Risk for Self-Harm/Suicide: The Contractor shall have policies and practices for assessing risk of self-harm at all phases of treatment, such as at initial contact, during screening, intake, admission, on-going treatment services and at discharge, and a process for referral when necessary to include referrals to mental health services.

The Contractor shall develop policies, programs and protocols in accordance with SAMHSA guidelines as outlined in the Treatment Improvement Protocols (TIPs) and Technical Assistance Publications (TAPs). These publications can be downloaded from http://www.kap.samhsa.gov/products/manuals/index.htm .

Use of Best Practices: The Contractor is required to use the Addiction Severity Index (ASI) or Global Appraisal of Individual Needs (GAIN) assessment tools, the SAMHSA/NIDA MATRS treatment-planning model and the WITS electronic case management system.

Care Coordination:
The Contractor is required to assess each client's need/appropriateness for residential transitional living services and to **refer all clients for care coordination services** made available through the Access to Recovery (ATR) initiative administered by the BDAS so long as this initiative remains available on behalf of DHHS that would commence following the initial course of treatment. Contractors are required to address motivational issues with clients for them to participate effectively in the care coordination and recovery support services. Contractors are required to have clients sign the "ATR Client Participation Agreement" (made available by BDAS), indicating that they either agree or opt out of participating in these services. The contractor will facilitate all clients who agree to participate in these services to complete the Client Participation Agreement and upon obtaining a signed release of information, refer clients to an ATR Care Coordinator Program at least two weeks prior to anticipated date of discharge (dis-enrollment) from services. Assessing the need for aftercare services is expected to take place while

the client is involved within the most recent episode of care, with a referral being made and accepted by the care coordination service prior to the client being discharged.

The Contractor must provide the following for use by the care coordination program:

- Private space for interviewing/meeting with clients.
- Access to internet (either wired or wireless) in the meeting space
- Telephone in the meeting space and
- A contact person at the Contractor's site for logistics.

It is the expectation of the BDAS at DHHS that, upon completion of appropriate signed releases, the Contractor will provide the care coordination program with necessary information from the clinical record (evaluation, treatment plan, progress notes, etc.) for the care coordination program to develop a service plan with the client.

All alcohol and other drug treatment providers under contract with the BDAS on behalf of DHHS are required to address with all clients, the need for continuing services. This includes clinically managed low-intensity treatment programs under contract with the BDAS on behalf of DHHS as well as care coordination and recovery support services made available through DHHS contracted providers; the ATR initiative administered by BDAS, so long as this initiative remains available; and/or any other resources that become available to pay for these services that would commence following the initial course of treatment. The referral for these services should take place prior to discharge from the initial course of treatment.

Relevant Policies and Guidelines:
The services provided for in this agreement shall be in addition to the services provided for in any other agreement between the State of New Hampshire, any of its agencies, or any of its officers, and the Contractor.

Without limiting the generality of any other provisions of this agreement, the Contractor shall cooperate fully with, and answer all questions of representatives of the State conducting any periodic or special review of the performance of the Contractor or any inspection of the facilities of the Contractor.

Publications Funded Under Contract:
All products produced under this contract are in the public domain. All products (written, video, audio) produced, reproduced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution, or use. The Contract shall credit DHHS on all materials produced under this contract.

Student Internships:
The Contractor shall establish policies and procedures related to student interns that address minimum coursework, experience and core competencies for those interns having direct contact with individuals served by this contract. Student interns shall complete an approved ethics course prior to beginning the internship.

Staff Licensing Requirements:
The ratio of licensed to non-licensed service providers shall be as follows:
Agencies must have at least one Licensed, or Masters Licensed, Alcohol and Drug Counselor (LADC/MLADC) for each two unlicensed counselors providing substance abuse treatment services and a sufficient number of MLADCs or LADCs with the Licensed Clinical Supervision (LCS) credential to adequately provide for clinical supervision of all clinical staff. This requirement shall be met by the Contractor no later than six (6) months after the date of the Contract effective date.

Updated resumes, which clearly indicate the staff member is employed by the Contractor, including current positions of staff supported by funds provided through this Contract, shall be forwarded to the BDAS as agent for DHHS. The documentation shall include a copy of the New Hampshire Alcohol and Drug Counselor License.

Staff Certification Requirements:
In addition to the requirements for LADCs, all Contractor milieu staff in residential settings and transitional living programs and staff providing recovery support aftercare group services shall be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification under RSA 330-C (http://www.gencourt.state.nh.us/rsa/html/NHTOC/NHTOC-XXX-330-C.htm). Certification must be completed within six (6) months of the contract's approval date.

Staff providing recovery support services are expected to be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification. Peer recovery support services made available through Recovery Community Organizations (RCOs), under agreement with BDAS on behalf of DHHS, shall be provided by individuals certified by those organizations (CRSW not required for peer recovery support services).

Supervision:
Ongoing clinical supervision will include weekly discussion of cases with suggestions for resources or therapeutic approaches, co-therapy, and periodic assessment of progress. When enough candidates are under supervision, group supervision may be included to help optimize the learning experience.

The content of supervision must include knowledge, skills, values, and ethics with specific application to the practice issues faced by the supervisee, including the core functions as described in the Twelve Core Functions of Alcohol and Drug Counseling.

The content of supervision must also include the standards of practice and ethical conduct, with particular emphasis given to the counselor's role and appropriate responsibilities, professional boundaries, and power dynamics.

Staffing Changes:
BDAS as agent for DHHS shall be notified of changes in key personnel with updated resumes that clearly indicate the staff member is employed by the Contractor submitted within five (5) working days. Key personnel are those staff for whom at least 10% of their work time is spent providing alcohol or other drug abuse treatment services.

1. New Hires: The Contractor shall notify BDAS on behalf of DHHS in writing within one month of hire when a new administrator or coordinator or any staff person essential to carrying out this scope of services is hired to work in the program. A resume of the employee, which clearly indicates the staff member is employed by the Contractor, shall accompany this notification.

2. Vacancies: The Contractor shall notify BDAS on behalf of DHHS in writing within 14 calendar days, if at any time, any site funded under this agreement does not have adequate staffing to perform all required services for more than one month.

Other Requirements:
The Contractor shall attend trainings and/or meetings as requested by DHHS.

ATR and Recovery Support Services:
All DHHS funded treatment and recovery support service providers must also be approved Access to Recovery (ATR) providers, so long as the ATR initiative remains available, as this will be the source of funding for these recovery support services through the Voucher Management System (VMS). Information on becoming an ATR provider can be found on the DHHS website: http://www.dhhs.nh.gov/dcbcs/bdas/atr/becomingprovider.htm

Regional Network Participation:
The Contractor will designate administrative level staff to regularly participate in the Regional Network and contribute to overall regional network strategic planning, monitoring, evaluation, and cross systems communication efforts. The Contractor is highly encouraged to serve on one of the work groups and contribute to data collection, regional strategic planning and evaluation. Participation will be measured by the annual Partner Survey (http://www.partnertool.net/) administered by NH Center for Excellence under contract with BDAS as agent for DHHS.

Performance Measures:
All treatment programs under contract with BDAS on behalf of DHHS are required to report on the National Outcome Measures (NOMs) established by the SAMHSA, as required in the Federal Substance Abuse Prevention and Treatment Block Grant, via the WITS (electronic case management) system. The Department of Health and Human Services reserves the right to consider Contractor performance across all of the domains in future funding decisions.

Data and Reporting Requirements:
1. Without limiting the generality of any other provisions of this agreement, the Contractor shall provide any periodic or special reports required by the DHHS.
2. The Contractor shall notify BDAS, as an authorized agent of DHHS, whenever the Contractor has reached ninety percent capacity to admit new clients. In addition the Contractor shall have a waiting list management policy in accordance with the SAPT Block Grant requirements. This 90% notification process will become automatic when this operation is fully functional in WITS.
3. The Contractor shall notify DHHS through BDAS, within one working day, if sufficient capacity is not available to provide treatment services to a pregnant woman, parenting woman or injection drug user within the required time frames and a referral elsewhere is not successful and interim services cannot be provided.

4. The Contractor shall comply with all research and/or information systems development activities for the electronic case management/Web Information Technology System (CM/WITS) conducted by, or authorized by, DHHS.
5. The Contractor shall administer any client surveys, client evaluations including the addiction Severity Index (ASI) or the Global Appraisal of Individual Needs (GAIN), client treatment outcome instruments, the M.A.T.R.S. Treatment Planning Tool, as required by DHHS.
6. The Contractor must have the ability to communicate and submit required reports via the Web-based submission system and/or e-mail, for treatment s and recovery support services and interim services. All required clinical and documentation activities shall be entered in WITS unless specifically granted an exception by BDAS on behalf of DHHS.

Critical Incident/Sentinel Event Reporting:
The Department's Sentinel Event policy is contained in the following link: http://www.dhhs.nh.gov/dcbcs/sentinel.htm

Division of Community Based Care Services (DCBCS) Sentinel Event Notification:
The preceding events require the immediate verbal notification to the BDAS Assistant Administrator or Clinical Services Unit Administrator upon the discovery of a sentinel event involving an individual(s) receiving services through a DHHS substance use disorder treatment Contractor.

Since the initial and immediate verbal notification of a sentinel event is likely to include protected health information (PHI) as identified below, the Contractor of services to individuals receiving services funded by the DHHS shall disclose PHI in a private and secure manner. Contractors and vendors should not leave voice-mail messages, but instead make direct telephone contact with the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee. If direct telephone contact is not possible, a voice mail message may be left without protected health information, such as medications and relevant medical and psychiatric diagnoses. As soon as possible after the initial verbal notification, the Contractor will mail or fax a completed *Sentinel Event Reporting Form* as directed in this protocol.

Notification shall include the following:
1. Name and phone number of the individual reporting.
2. Name, date of birth (DOB), medications and all relevant medical and psychiatric diagnoses of individual(s) involved;
3. Location, date, and time of event;
4. Description of the event including what, when, where, how, and other relevant information and identification of any other individuals involved;
5. Legal status of the individual involved with regard to guardianship and power of attorney;
6. Community, guardian, family and/or families' knowledge of the event; and
7. Contractor contact person and contact information.

It shall be the responsibility of the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee to notify the DCBCS Quality Improvement Director by e-mail as soon as the BDAS Clinical Administrator or designee becomes aware a Sentinel Event has occurred. The DCBCS Quality Improvement Director shall make immediate notification to the Commissioner. Internal e-mails within the Department may contain PHI and all Department employees will utilize safeguards to ensure the privacy

of the PHI as stated in the DHHS General Manual Health Insurance Portability and Accountability Act (HIPAA) policy #504.

Each DCBCS contractor recognizes its responsibility to report evidence of neglect, abuse or exploitation to the appropriate regulatory agencies as required by RSA 161-F: 42-57 and RSA 169-C:29. In any case of known or suspected neglect, abuse or exploitation, the Contractor aware of the situation shall follow all applicable rules relative to individual rights protection procedures.

Written follow up information is to be forwarded by the reporting Contractor to the appropriate BDAS Administrator listed below within 72 hours by completing the *Sentinel Event Reporting Form.* To protect clients' confidential information, reporting Contractors should submit the *Sentinel Event Reporting Form* either by fax to the BDAS Assistant Administrator or the BDAS Clinical Services Unit Administrator by a mail service that provides delivery confirmation.

Bureau of Drug and Alcohol Services
Assistant Administrator
105 Pleasant Street
Concord, NH 03301
Or by fax to the BDAS Administrator's Office at 271-6105;

Follow-up information is the responsibility of the Contractor and should be submitted in a way as to protect clients' confidential information such as by mail with delivery confirmation and should include:

1. The *Sentinel Event Reporting Form(www.dhhs.nh.gov/dcbcs/documents/sentinelform.pdf)*;
2. Additional details as they are learned or if the status of the situation changes; and,
3. Copies of newspaper articles.

Additionally, DHHS requires critical incident reporting. The Contractor shall report all critical incidents/sentinel events to the BDAS Clinical Services Unit Administrator immediately via telephone. Every effort shall be made to reach the BDAS administrator directly. If a voice message is necessary, sufficient provider contact information shall be provided so that DHHS is able to reach the reporter, or other responsible staff, immediately.

A critical incident includes, but is not limited to, any child or adult protective services report to the Division of Children, Youth and Families (DCYF), or the Bureau of Elderly and Adult Services (BEAS), respectively, regarding any incident involving 1) a staff/employee to youth or client, 2) youth to youth, or 3) client to client. This includes incidents that occur while a client is on leave, or on a pass, from the Contractor and may be off site at the time the incident occurred.

A sentinel event is an unexpected occurrence involving the death or serious physical or psychological injury, or risk thereof, signaling the need for immediate investigation and response.

Death or any serious injury or medical emergency regarding staff or clients that requires emergency medical attention (EMT or other emergency personnel at the Contractor's site, or a hospital emergency room visit), or any crime reportable to law enforcement, or any other serious incident must also be reported to DHHS as described below.

Reportable sentinel events include, but are not limited to, any occurrence that meets any of the following criteria:

1. An unanticipated death or permanent loss of function, not related to the natural course of an individual's illness or underlying condition.
2. Homicide or suicide of any individual receiving DHHS funded care, treatment or services, that had been discharged from a Department funded program or facility within 30 days of the event, or has been evaluated by a service Contractor within the preceding 30 days;
3. Sexual assault or rape of any individual receiving DHHS funded care, treatment or services by another client or employee of any Department funded program or facility where there is an act that was witnessed or there is sufficient clinical evidence obtained by the Contractor to support allegation of nonconsensual sexual contact.
4. Unauthorized departure of an individual receiving DHHS funded services, from a facility providing care, resulting in death or permanent loss of function.
5. Medication error that results in death, paralysis, coma, or other permanent loss of function.
6. Delay or failure to provide DHHS funded Contractor services that result in death or permanent loss of function.
7. Abuse as a result of the willful infliction of injury, unreasonable confinement, intimidation, or punishment with resulting physical harm, or mental anguish. This includes staff neglect or indifference to infliction of injury or intimidation of one individual by another.
8. Neglect as a result of the failure to provide the goods and services necessary to avoid physical harm, mental anguish or mental illness.
9. Assault of or by a client of the Contractor that results in the injury of the person or another person of such severity that medical attention is required.
10. Arson resulting in property loss.
11. High profile events, which may include media coverage and/or police involvement.

On-Site Reviews:

1. The Contractor shall allow a team or person authorized by DHHS to periodically review the Contractor's systems of governance, administration, data collection and submission, clinical, and financial management in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include, but not be limited to, client record reviews to measure compliance with this exhibit.
3. The Contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. DHHS staff shall contact the Contractor in advance of the site visit, so that the Contractor shall have sufficient time to prepare any guidance/reporting systems or logs that will be reviewed at the site visit.

Method and Conditions Precedent to Payment

The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A, Scope of Services, and in accordance with Exhibit B.

Effective July 1, 2014 through June 30, 2015, funds in the amount $424,813 for Specialty Residential Treatment for Pregnant & Parenting Women shall be used to cover cost of services not covered by Medicaid. Contractors providing Specialty Residential Treatment for Pregnant & Parenting Women may bill DHHS for "Specialty Residential Treatment for Pregnant & Parenting Women (ASAM Level 3.5): Room & Board Only" when a client's treatment is being covered by Medicaid/New Hampshire Health Protection Program. If the client requires treatment in the specialty program beyond Medicaid/New Hampshire Health Protection Program coverage limits, the provider may bill DHHS for both "Specialty Residential Treatment for Pregnant & Parenting Women (ASAM Level 3.5): Room & Board Only" and "Specialty Residential Treatment for Pregnant & Parenting Women (ASAM Level 3.5): Clinical Services".

Funding for this Agreement is funded by various sources as a percentage of the total amount of $1,356,945 as follows:

- 61 % Federal Funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant (CFDA #93.959);
- 16 % General Governor's Commission on Alcohol and Drug Abuse Prevention, Intervention and Treatment Funds; and
- 23 % General funds.

I. Payment Methodology

The Contractor shall be reimbursed for providing and delivering the services listed in Exhibit A, paragraph B. The following terms and conditions detailed in this Exhibit B shall apply to all services unless expressly stated otherwise.

The Contractor shall agree to use and apply all contract funds from the State for costs and expenses as detailed in the Service Reimbursement Table below. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. Starting in State Fiscal Year 2015 (effective July 1, 2014) the contractor will receive a payment for each service at the rates and within the limits described below. For clients receiving DHHS supported services, the contractor may not charge the client, any 3rd party payor, and DHHS a combined rate that is more than the rate established by BDAS for that level of service or any other fees. These parties shall be charged in the following order:

1. The maximum allowed charge will be billed to the client's insurer, if applicable.
2. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
3. The balance of the maximum allowed charge, after deducting the client's portion and insurance payment, if applicable, shall be charged to DHHS.

* Providers may bill the per diem rate for Intensive Outpatient Treatment services only on those days when the client attends individual and/or group counseling associated with the program. It is expected that each day of attendance includes a minimum of 3 hours of group and/or individual counseling services.

**Attempted Contact is at least 3 attempts to contact a client over the course of at least one week.

*** A unit is equal to 15 minutes of service

Contractor Initials: _____
Date: 5/21/14

It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. Failure to meet this requirement may result in amendment to or termination of the contract. At a minimum, contractors must provide the array of services they contracted to provide for in SFY14.

1. **Performance Incentives:**

A. Access to Services:

Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received and shall conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact. For each client who screens eligible for services and starts receiving services, whether for the identified level of care or interim services, within 10 business days following the eligibility screening, the treatment contractor will receive an incentive payment of $75.00. Access incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

B. Completion:

For each client who is discharged from the program because they have completed treatment or transferred to another treatment provider as recorded in the Discharge Type field of the WITS Discharge Module, the treatment contractor will receive an incentive payment of $75.00. Completion incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

C. Client Outcomes:

If a client who was discharged from the program meets at least 3 of the Outcome criteria below in the 3rd and/or 6th month post-discharge, as evidenced by the WITS Follow-Up module, the treatment contractor will receive an incentive payment in the amount of $50. The 3rd month post discharge is considered to be 60 – 120 days post discharge. The 6th month post discharge is considered to be 150 – 210 days post discharge. Outcomes incentives will be calculated and paid on a monthly basis for clients meeting criteria in the previous calendar month. It is expected that at least 50% of discharged clients will be contacted for 3 and/or 6 month follow-up over the contract year.

i. Abstinence: The client reports reduced or no substance use in the past 30 days.
ii. Employment/Education: The client reports increased or retained employment or the client reports returning to or staying in school.
iii. Crime and Criminal Justice: The client reports no arrests in the past 30 days.
iv. Stability in Housing: The client reports being in stable housing.
v. Social Connectedness: The client reports engagement in Recovery Support Services, Care Coordination, and/or Community Based Support Groups in the past 30 days.

D. Performance Incentive Payout Limits:

Performance incentives are limited to no more than 6% of the total contract amount annually. The total amount paid out during the contract year will never exceed the total contract amount. DHHS is not obligated to make payment for any incentives that occur outside of the current contract year; however, incentives may be carried over to future contract years at the discretion of DHHS.

2. Failure to Meet Deliverables:

The Contractor shall comply with all contract requirements as detailed in Exhibit A section B, Required Services. Upon determination that Contractor may not be meeting the required deliverables, within two (2) weeks BDAS will provide a written correction action plan. Within two (2) weeks of notification of the corrective action plan, Contractor will provide a written remedial plan. BDAS will monitor the corrective actions for 60 days. Failure to meet requirements of the corrective action plan within 60 days may result in withholding of any or all payments or termination of the contract.

3. Invoicing & Billing:

All billing shall be completed via the WITS system according to protocols established by BDAS.

The Contractor shall have written authorization from the State prior to using contract funds to purchase or lease any equipment with a cost in excess of two thousand five hundred dollars ($2500) and with a useful life beyond one year.

II. Allocation of Funding:

It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. The contractor is prohibited from spending down more than the sum of the total contract amount that includes the cost of the client services and related incentives.

III. Availability of Alternative Funding:

The New Hampshire Department of Health and Human Services may terminate or amend the contract should alternate third party payors, including Medicaid, the New Hampshire Health Protection Program and/or insurance available on the New Hampshire Insurance Exchange cover any of the services included in this contract.

IV. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds:

The Contractor agrees to use the SAPT funds as the payment of last resort.

Restrictions on SAPT Block Grant on State and Contractor expenditures include:
The State may not:

- Provide inpatient hospital services except under those conditions outlined in the regulations.
- Make cash payments to intended recipients of substance abuse services.
- Purchase or improve land.
- Purchase, construct, or permanently improve buildings or other facilities.
- Purchase major medical equipment.
- Satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds. (in-kind)
- Provide financial assistance to any entity other than a public or non-profit private entity.
- Provide individuals with hypodermic needles or syringes.

- Expend more than the amount of Block Grant funds expended in FFY91 for treatment services provided in penal or correctional institutions of the State.

The Contractor shall not:

- Use any federal funds provided under this contract for the purpose of conducting testing for the etiologic agent for Human Immunodeficiency Virus (HIV) unless such testing is accompanied by appropriate pre and post-test counseling.
- Use any federal funds provided under this contract for the purpose of conducting any form of needle exchange, free needle programs or the distribution of bleach for the cleaning of needles for intravenous drug abusers.

V. Charitable Choice:

Federal Charitable Choice statutory provisions ensure that religious organizations are able to equally compete for Federal substance abuse funding administered by SAMHSA, without impairing the religious character of such organizations and without diminishing the religious freedom of SAMHSA beneficiaries (see 42 USC 300x-65 and 42 CFR Part 54 and Part 54a, 45 CFR Part 96, Charitable Choice Provisions and Regulations). Charitable Choice statutory provisions of the Public Health Service Act enacted by Congress in 2000 are applicable to the SAPT Block Grant program. No funds provided directly from SAMHSA or the relevant State or local government to organizations participating in applicable programs may be expended for inherently religious activities, such as worship, religious instruction, or proselytization. If an organization conducts such activities, it must offer them separately, in time or location, from the programs or services for which it receives funds directly from SAMHSA or the relevant State or local government under any applicable program, and participation must be voluntary for the program beneficiaries.

VI. Notwithstanding paragraph 18 of the General Provisions of this Agreement P-37, an amendment limited to adjusting amounts within the budgets and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of Governor and Executive Council.

Department of Health and Human Services
Amendment #1 to the Substance Abuse Treatment and Recovery Support Services Contract

This first Amendment to the Substance Abuse Treatment and Recovery Support Services contract (hereinafter referred to as "Amendment #1") dated this April 24th day of 2013, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Greater Nashua Council on Alcoholism, Inc. (hereinafter referred to as "the Contractor"), a nonprofit corporation with a place of business at 615 Amherst Street, Nashua, NH 03060.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 and Exhibit C, Paragraph 17, the State may, extend the agreement by one year by written agreement of the parties;

WHEREAS the State desires to have the Contractor continue to provide the services as specified in the agreement for another one year period;

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

1) Amendment and modification of P-37 "Agreement";
   a) Change Completion date in Block 1.7 of the P-37 to read June 30, 2014.
   b) Change Price Limitation in Block 1.8 of the P-37 to read $ 2,713,890.00

2) Amendment and modification of Exhibit A;
   a) **Delete** "CONTRACT PERIOD: July 1, 2012, or date of G&C approval, whichever is later, Through June 30, 2013"
   b) **Change** II A **from:** "The contractor shall provide treatment services in the geographic area(s)/location(s) as specified below:"
      Change to: "The contractor shall provide treatment services, in each State Fiscal Year, in the geographic area(s)/location(s) as specified below:"
   c) **Change** II B Group Recovery Support Services **from**: "Contractors, with the exception of those agencies that only offer outpatient services, are required to develop the capacity for group recovery support aftercare services for a minimum of 50% of the number treatment clients (including outpatient and transitional living program clients) they are under contract to serve. These group recovery support services are for clients discharged from substance use disorder (SUD) treatment services provided under contract with BDAS on behalf of DHHS, which may include clients that had received SUD treatment from the Contractor or a different agency. Contractors are only allowed to access these services for their clients or clients that had received SUD treatment from a different agency through the statewide care coordination program under agreement with BDAS on behalf of DHHS."

Change to: "Contractors, with the exception of those agencies that only offer outpatient services, are required to develop the capacity for group recovery support aftercare services for a minimum of 25% of the number treatment clients (including outpatient and transitional living program clients) they are under contract to serve. These group recovery support services are for clients discharged from substance use disorder (SUD) treatment services provided under contract with BDAS on behalf of DHHS, which may include clients that had received SUD treatment from the Contractor or a different agency. Contractors are only allowed to access these services for their clients or clients that had received SUD treatment from a different agency through the statewide care coordination program under agreement with BDAS on behalf of DHHS."

EXPLANATION

The purpose of this agreement is to provide a continuum of substance abuse treatment services such as community based outpatient, intensive outpatient, residential, transitional living, and recovery support services, including specialized treatment services for pregnant and parenting women and their children, in the Greater Nashua area.

Client eligibility for treatment services is targeted at those either unable to pay for services or able to pay only part of the cost of services, and who has or is suspected of having an alcohol or other drug abuse problem, and who is a resident of the State of New Hampshire or is homeless in NH. All clients discharged from treatment services supported by this contract will be referred to care coordination and recovery-support aftercare services as clinically appropriate, supported separately by the Federal Access to Recovery Grant.

The State is migrating toward a Resiliency and Recovery Oriented Systems of Care. Recovery-oriented systems of care are networks of organizations, agencies and community members that coordinate a wide spectrum of services to prevent, intervene in, and treat substance use problems and disorders. In addition, this contract will allow the State to improve the quality and array of services available to clients. Quality improvement efforts include the exchange of data and information that will support "data driven" prevention and treatment programming to better address the needs to the region.

The New Hampshire Office of Energy and Planning reported the 2009 Population Estimates of New Hampshire Cities and Towns as 1,324,575. The National Survey on Drug Use and Health commissioned by the Substance Abuse and Mental Health Services Administration in 2008/2009 reported the following demographic data for New Hampshire:

- Alcohol Abuse: 97,630 (7% of population)
- Alcohol dependence: 44,850 (3% of population)
- Illicit Drug Abuse: 43,810 (3% of population)
- Illicit Drug Dependence: 32,240 (2% of population)
- Substance Abuse: 126,630 (10% of population)
- Needing but not receiving treatment for alcohol abuse: 93,990 (7% of population)
- Needing but not receiving treatment for illicit drug use: 39,390 (3% of population)

In addition, the New Hampshire Medical Examiner office reported 172 drug related overdose deaths in NH during 2010. The New Hampshire Administrative Office of the Courts reported 9,500 arrests and 5,000 convictions for Driving While Impaired in 2009. Approximately 90% of individuals arrested for Driving While Impaired have an underlying substance abuse disorder according to the National Institute on Alcohol Abuse and Alcoholism.

Should the Governor and Executive Council determine to not authorize this Request, agencies would not have sufficient resources to promote, implement and provide the array of services necessary to provide individuals with substance use disorders the necessary tools to achieve, enhance and sustain recovery. In addition, failure to obligate the federal funds in the Substance Abuse Prevention and Treatment Block Grant to community based programs to provide alcohol and other drug treatment service would place that Block Grant in jeopardy.

Greater Nashua Council on Alcoholism D/B/A Keystone Hall was selected for this agreement through a competitive bid process. A Request for Proposals was posted on the Department's web site on March 6, 2012 through April 2, 2012. In addition, a bidder's conference was held on March 12, 2012.

A total of 19 proposals were received. A review committee of three professionals reviewed each proposal. All reviewers have between three to twenty years experience managing agreements with vendors for various public health programs. Areas of specific expertise include: maternal and child health; substance abuse prevention and treatment; chronic and communicable diseases; and public health infrastructure. Eighteen of the proposals were selected for funding based on review criteria that included availability of funds, consistency with stated funding priorities, technical score, and equitable geographic distribution. The agency that was not selected did not meet the minimum scoring criteria established for funding. The Bid Summary is attached.

This request covers services for the period July 1, 2012 to June 30, 2013, with an option to renew for one additional year, pending availability of funding, the agreement of the parties and approval of Governor and Council. These services were contracted previously with this agency in State Fiscal Year 2012 in the amount of $1,356,945.00. This agreement represents level funding.

The following performance measures will be used to measure the effectiveness of the agreement:

- Utilization criteria will be applied exclusively on a month-by-month basis according to the criteria below.

i. Contracts running at 90% to 100% of utilization in a given month will be reimbursed at 100% of the contracted rate for that month.
ii. Contracts running at 80% to 89% of utilization in a given month will be reimbursed at rate of 95% of the contracted rate for that month.
iii. Contracts running below 80% of utilization in a given month will be reimbursed at the rate of utilization for that month (for example for a given month in which utilization was 59% the contractor would be reimbursed at 59% of the contracted rate for that month).

- Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received. The following Access Criteria must be met for a minimum of 80% of prospective clients (from clients or referring agencies) for the month in which billing is being submitted:

i. Treatment contractors are required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.
ii. Those who have screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days follow the eligibility screening.

- A minimum of 70% of clients, which have completed or otherwise are no longer receiving services, will have met the minimum retention standards for the modality of services received as noted below:

i. Have completed a minimum of 6 sessions of outpatient treatment services (OP)
ii. Have completed a minimum of 8 days of intensive outpatient treatment services (IOP) – only those days in which a client has participated in minimum of 10 units (2.5 hours) of service per day (12 units per day is the standard for IOP services) may be counted.
iii. Have completed a minimum of 14 days of residential treatment service
iv. Has completed a minimum of 28 days in a transitional living/halfway house residential program.

Area served: Greater Nashua area.

Source of Funds: 61.43% Federal Funds from Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant, 36.32% General Funds and 2.25% Other (Highway) Funds.

In the event that the Federal or Other Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Nancy L. Rollins

2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the governor and Executive Council of the State of new Hampshire, this Agreement, and all obligations of the parties hereunder, shall not become effective until the date the Governor and Executive Council approve this Agreement ("Effective Date"). Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in the block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/EQUAL EMPLOYMENT OPPORTUNITY

6.1 In connections with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. In addition, the Contractor shall comply with all applicable copyright laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provision of Executive Order No. 11246 ("Equal Employment Opportunity") as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

Contractor Initials: [illegible]
Date: 5/23/12

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

9. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the state, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

9.3 confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. TERMINATION. In the event of an early termination of this agreement for any reason other than the completion of the Services, the contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the Attached EXHIBIT A.

11. CONTRACTOR'S RELATION TO THE STATE.

In the performance of this Agreement the contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the N.H. Department of Administrative services. None of the Services shall be subcontracted by the Contractor without the prior written consent of the State.

13. INDEMNIFICATION. The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of the Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per occurrence; and

14.1.2 fire and extended coverage insurance covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than fifteen (15) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each

Contractor Initials: [illegible]
Date: 5/23/12

Certificates (s) of insurance shall contain a clause requiring the insurer to endeavor to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than ten (10) days prior to written notice of cancellation or modification of the policy.

15. WORKERS' COMPENSATION

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("Workers' Compensation").

15.2 To the extent the contractor is subject to the Requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 2810A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United State Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire.

19. CONSTRUCTION OF AGREEMENT AND TERMS. This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to the express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

B. Required Services

Priority Admission:

1) The Contractor shall give admission preference to pregnant women and women with dependent children, even if the children are not in their custody, as long as parental rights have not been terminated, including the provision of interim services within the required 48 hour time frame.
2) Individuals with a history of injection drug use including the provision of interim services within 14 days.

3) Individuals with a primary diagnosis of a substance use disorder, which may also include a co-occurring mental health disorder.
4) Individuals on medication-assisted treatment for co-occurring substance abuse and mental health disorders or various opiate replacement therapies, including, but not limited to, methadone, buprenorphine and naltrexone.

Required Outreach:
New Hampshire Department of Health & Human Services (DHHS) programs receiving federal treatment Block Grant funds requires that Contractors must publicize services available to pregnant or parenting women and injection drug users in need of substance abuse treatment and that these individuals receive preference for admission to treatment. This may be done as follows, but is not limited to, street outreach programs, ongoing public service announcements (radio/television), regular advertisements in local/regional print media, posters placed in targeted areas, and frequent notification of availability of such treatment distributed to the network of community based organizations, health care providers and social service agencies. The Contractor will submit their outreach plans to DHHS through the Bureau of Drug and Alcohol Services (BDAS) within 60 days of contract effective date.

Health Facilities Administration Licensing Requirements:
Housing programs with substance abuse treatment services at the same location will need to secure necessary licensing as a Residential Rehabilitation Facility by the DHHS Bureau of Health Facilities Administration, as appropriate, see He-P 807 at the following link: (http://www.gencourt.state.nh.us/rules/state_agencies/he-p800.html). In the case of residential treatment and housing at the same site, residential programs should plan to treat no more than 16 pregnant or parenting women at any given time to comply with federal Medicaid restrictions on Institute for Mental Diseases (IMD) exclusion criteria. This restriction would not apply to programs in which the client's residence is in a separate location from the treatment program.

Capacity Reporting:
The Contractor must contact BDAS, as agent for DHHS, when their capacity has reached 90% within 5 business days. The Contractor must refer pregnant women to the State when the Contractor has insufficient capacity to provide services to any such pregnant women who seek the services of the program. Sending e-mail to the BDAS Clinical Services Unit Administrator may complete this notification process.

Access to Services:
The Contractor shall respond to calls requesting treatment and/or transitional living program services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within 2 business days following the day the call was received. The Access Criteria as defined in Exhibit B must be met for a minimum of 80% of prospective clients (from clients or referring agencies) for the month in which billing is being submitted.

The Contractor is required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.

Those who have screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days follow the eligibility screening.

Limitations on Exclusionary Criteria:
American Society for Addiction Medicine (ASAM) Patient Placement Criteria, in and of itself, shall not be a reason to deny a higher level of care to an individual, if the lower level of care is unavailable or inaccessible. Level of care will be determined by the administration of the Addiction Severity Index (ASI) or the Global Appraisal of Individual Needs (GAIN).

Contractors receiving grant funds from DHHS will not discriminate against clients who are using legitimate

medications to assist their recovery and will not have policies that allow them to refuse admission to treatment or to discharge clients from treatment based on the use of appropriately prescribed medications and various opiate replacement therapies, including, but not limited to, methadone and buprenorphine, as well as other forms of medication-assisted treatment for co-occurring substance abuse and mental health disorders.

Clients Eligible for Treatment Services:
A client who is either unable to pay for services or able to pay only part of the cost of services, and who has or is suspected of having an alcohol or other drug abuse problem, and who is a resident of the State of New Hampshire or is homeless in NH.

Sliding Fee Scale:
The Contractor shall adopt a sliding fee scale based on federal poverty guidelines as published in the most recent Federal Register (http://aspe.hhs.gov/poverty/). The Contractor must provide the client with the cost of services and a fee scale prior to rendering services. The Contractor's sliding fees scale and fee schedule shall be submitted to BDAS, as agent for DHHS, within 60 days of contract effective date. Changes in the sliding fee scale or service fee schedule shall be submitted to the BDAS on behalf of DHHS within 30 days of the change.

The Contractor shall bill clients in accordance with a sliding fee scale based on federal poverty guidelines. The fee schedule shall include a no-cost option approved by BDAS on behalf of DHHS. All reasonable efforts shall be made to collect payment of bills. A client's inability to pay shall not preclude admission to the program and treatment.

With respect to minority age individuals, a minor child shall not be denied services as a result of the parent's unwillingness to pay the fee or the minor child's decision to receive confidential services pursuant to RSA 318-B:12-a.

Waiting List Management:
When a person who is pregnant or an injection substance abuser seeks treatment and there are no appropriate treatment services available within the required time frame as outlined below, interim services **must** be made available. The Contractor agrees to maintain the wait list management system in WITS that includes a unique patient identifier and include information on dates of requests for admission to treatment, provision of interim services and source for those services, referrals made for treatment or interim services, and disposition of clients on the waiting list.

- The waiting list must contain a mechanism that identifies and counts the number of applicants who present and are determined to be appropriate for substance abuse treatment but are unable to be placed as there is no capacity;
- Maintain contact with individuals awaiting admission; and,
- Admit or transfer waiting list clients at the earliest possible time to an appropriate treatment program within a reasonable geographic area.

The Contractor shall remove a client awaiting treatment from the waiting list only when one of the following conditions exists:

- Such persons cannot be located for admission into treatment *or*
- Such persons refuse treatment.

Specific Interim Services for Pregnant Women, Women with Dependent Children and Injection Drug Users:
The Contractor agrees to contact the BDAS Clinical Services Unit if a pregnant women and women with dependent children or individuals with a history of injection drug use, cannot be accepted into treatment within specific time frames, and agrees that interim services will be provided or facilitated by the Contractor. Interim services for pregnant women must include counseling on the effects of alcohol and drug use on the fetus, referrals for prenatal care, and counseling and education about HIV and tuberculosis. Interim services for injection drug users must also include counseling and education in the risks of needle sharing, about the risks of transmission to

sexual partners and infants, and referral for HIV, Hepatitis C and tuberculosis screening/testing. All interim services shall be documented in the client's clinical record in the WITS system.

Interim Services for other Clients:
The Contractor shall provide, or refer the client to, interim services until level of service identified in the level of care assessment is available and/or the client is willing and assessed as being sufficiently motivated to take advantage of the proposed level of service or interim services.

Services to pregnant and parenting women:
The Contractor further agrees that childcare will be made available to women who are in treatment with their dependent children, either through on-site care or through arrangements with an off-site legal childcare provider. Other services required are as follows:

- The family is treated as a unit and, therefore, admits both women and their children into treatment services, if appropriate.
- The Contractor shall provide or arrange for primary medical care for women who are receiving substance abuse services, including prenatal care.
- The Contractor shall provide or arrange for childcare while the women are receiving services even if the children are not in their custody, as long as parental rights have not been terminated.
- The Contractor shall provide or arrange for primary pediatric care for the women's children, including immunizations.
- The Contractor shall provide or arrange for gender-specific substance abuse treatment and other therapeutic interventions for women that may address issues of relationships, sexual abuse, physical abuse, and parenting, and childcare while the women are receiving these services.
- The Contractor shall provide or arrange for therapeutic interventions for children in custody of women in treatment, which may, among other things, address the children's developmental needs, their issues of sexual and physical abuse, and neglect.
- The Contractor shall provide or arrange for sufficient case management and transportation services to ensure that the women and their children have access to the services provided for above.
- If a pregnant, pregnant injection drug using or Injection Drug Using person refuses treatment or says (s)he is not interested in treatment, the wait list report shall be completed with the engagement activities attempted.
- If a pregnant, pregnant injection drug using or Injection Drug Using person no shows or cancels treatment, interim services must be provided, as stipulated above and the wait list report shall be completed that demonstrates the activities of follow up, engagement and substance abuse treatment services offered.

Relationship(s) with Primary Health Care:
The Contractor shall arrange and coordinate services and exchange of information with other health care providers and agencies which:

- Identifies the client's current Primary Care Provider (PCP) at screening and/or intake.
- If the client has no current PCP, the Contractor shall identify available provider(s) in the client's local area such as a federally qualified community health center, community health center, or other local health services.
- Obtains client/patient authorization to communicate with PCP office.
- If no authorization is completed initially, the Contractor shall educate client as to the importance of engaging the PCP in ongoing care and address the client's concerns as part of treatment, with goal of obtaining authorization before discharge.
- Sends the discharge summary to PCP and offers to discuss recovery issues with the provider.
- Arranges (or has the client arrange) a post-discharge appointment with PCP for the client/patient for follow-up of the substance use disorder.

Tobacco Cessation:
The Contractor shall have policies and procedures for both client and Contractor staff, that not only creates a tobacco-free environment as required by law, but to offer tobacco cessation tools and programming. Tobacco use, in and of itself, shall not be grounds for administrative discharge from the program. Initially, all clients shall be assessed for motivation in stopping the use of tobacco products. Providers may tap into resources such as the DPHS Tobacco Prevention & Control Program (TPCP) and the certified tobacco cessation counselors available through the QuitLine. Other resources for providers include:

Breathe New Hampshire
145 Hollis St., Unit C
Manchester, NH 03101
603-669-2411 (phone) or 1-800-835-8647

The New Hampshire Medicaid program covers:

- Nicotine Replacement Therapy (NRT) Gum,
- NRT Patch,
- NRT Nasal Spray,
- NRT Lozenge,
- NRT Inhaler,
- Varenicline (Chantix),
- Bupropion (Zyban),
- Group Counseling and/or
- Individual Counseling. Up to 12 individual counseling sessions are covered per year through a mental health provider (Note: These sessions would NOT be in addition to other mental health counseling sessions under Medicaid). Pregnant women also have the option of group counseling. For more information, visit the website at: http://www.dhhs.state.nh.us/DHHS/MEDICAIDPROGRAM/default.htm

Tuberculosis:
The Contractor shall make available tuberculosis services (defined as screening, counseling, testing, and treatment) directly, or through other providers, to each client receiving treatment. In the case of an individual denied admission due to lack of capacity, the substance abuse treatment Contractor will refer the individual to another provider of tuberculosis services if appropriate. All Contractor providing residential services shall make available, either on-site or through agreements with health care providers, tuberculosis services, including screening, testing, counseling and referral for medical treatment.

Physical location and facilities:
For the purpose of providing the services described in Section II of the Scope of Services, the Contractor shall obtain and maintain a suitable space complying with all fire, health, and safety codes to include handicapped accessibility and being wheelchair accessible.

The Contractor shall obtain written prior approval of DHHS, acting through BDAS, before entering into any agreement concerning relocation of the service site.

Culturally and Linguistically Appropriate Standards of Care:
DHHS recognizes that culture and language have considerable impact on how consumers access services. Culturally and linguistically diverse populations experience barriers in efforts to access services. To ensure equal access to quality services, DHHS expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.
2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.
3. When feasible and appropriate, provide clients of Limited English Proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and

whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.

4. The Contractor is responsible for reasonable accommodations in arranging for interpreter services for hearing impaired clients.
5. The Contractor offers consumers or clients a forum through which those individuals have the opportunity to provide feedback to the Contractor regarding cultural and linguistic issues that may deserve response.

Compliance with State and Federal Laws:

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. All services provided pursuant to this Contract shall be subject to the most current proposed or formalized rules and regulations promulgated by DHHS, pursuant to RSA 541-A.
2. The Contractor shall maintain adherence to federal and state confidentiality laws specifically: 42 CFR Part 2B, N.H. RSA 318 B:12 and N.H. RSA 172:8-A and the Health Insurance Portability and Accountability Act (HIPAA): *http://www.hhs.gov/ocr/privacy/*
3. The Contractor shall meet the standards outlined in NH Administrative Rule He-A 300, Certification and Operation of Alcohol and other Drug Disorder Treatment Programs. This administrative rule is currently expired and under revision. The Contractor should plan to meet the requirements as outlined in the expired rule until the revisions are completed. He-A 300 can be viewed on the RFP link to this document *http://www.dhhs.nh.gov/business/rfp/index.htm*.
4. The Contractor shall, upon the direction of the State, provide court-ordered evaluation in their catchment area and a sliding scale fee shall apply and the inability to pay shall not interfere with the completion and submission of the court-ordered evaluation and shall, upon the direction of the State, offer treatment to those individuals pursuant to RSA 172:13.
5. Contractors considering research, including research conducted by student interns, using individuals served by this contract as subjects must adhere to the legal requirements governing human subjects' research. Contractors must inform the DHHS via contact with BDAS prior to initiating any research involving subjects or participants related to this contract. In addition, research conducted on subjects served by this contract may need to be approved by the New Hampshire Department of Health & Human Services Committee for the Protection of Human Subjects (NH DHHS CPHS) see *http://www.dhhs.nh.gov/irb/*

Client Stabilization:

The Contractor will be expected to arrange for medical clearance for all clients receiving treatment services supported by DHHS administered by BDAS to assure that they are not at risk for acute withdrawal from alcohol and certain drugs. The Contractor shall be expected to provide a range of integrated services that include social detoxification/stabilization services that follow detoxification guidelines outlined in Treatment Improvement Protocol (TIP) #45, Detoxification and Substance Abuse Treatment.

Clinical Services:

The Contractor shall provide the following:

a. A minimum of one (1) substance abuse counselor on site each day of the week during primary treatment hours. The substance abuse counselor shall have a bachelor's degree or equivalent in social work/psychology, guidance or nursing and/or a certificate in the field of addiction studies from an approved educational institution or educational/life experience.
b. A minimum of one (1) substance abuse support staff on site each day of the week during all hours not covered by a substance abuse counselor. The substance abuse support staff must have a high school or General Equivalency Diploma (GED). Preference is given to individuals who have completed additional courses or taken training in substance use disorders or other health fields.
c. An intake/admission coordinator on site Monday through Friday of each week. The intake/admission coordinator shall have one (1) years' work experience in the field of addiction studies.
d. A full-time Executive Director, not filling any of the positions described above.

The Contractor will provide one or more of the following services as outlined in Section II.A above.

Outpatient Treatment - Substance abuse treatment services provided in individual and group counseling sessions in a non-residential setting. Although duration of services is determined by clinical indicators, average duration of for outpatient services is expected to be approximately 90 days or less, after which clients are referred for care coordination under a continuous recovery monitoring model that in turn will refer clients for group aftercare recovery support services as indicated.

Intensive Outpatient Treatment - Substance abuse treatment services conducted in an outpatient setting for a minimum of 3 hours of direct client treatment services per day, utilizing both group and individual formats, for a minimum of three days per week, for a total of a minimum of nine hours of treatment services per week. This intensive phase of treatment typically occurs for 4-6 weeks, with less intense services following, such as a once per week treatment aftercare group continuing for an additional 1-2 months as clinically indicated for both. Although duration of services is determined by clinical indicators, average duration of intensive outpatient services is expected to be approximately 90 days or less, after which clients are referred for care coordination under a continuous recovery monitoring model that in turn will refer clients for group aftercare recovery support services as indicated.

Residential Treatment - Short-term residential substance abuse treatment designed to assist individuals who require a more intensive level of service in a structured setting and/or individuals that may be homeless. Admission is on a voluntary basis. This level of care includes the provision of an initial period of stabilization services once an individual has been medically cleared to participate in the program. Although the length of stay may be determined by clinical indicators, average length of stay is expected to be approximately 28 days or less. Long-term, extended care residential treatment services, also referred to as Clinically Managed High Intensity Residential Treatment (CMHIRT), is limited to pregnant and parenting women and their children.

Transitional Living – Residential substance abuse treatment services are designed to support individuals in the early stages of recovery that need this residential level of care and/or are homeless. The goal of these programs is to prepare clients to become self-sufficient in the community. Although length of stay may be determined by clinical indicators, the average length of stay is expected to be approximately 90 days or less. Residents typically work in the community and may pay a portion of their room and board.

Assessment of Risk for Self-Harm/Suicide: The Contractor shall have policies and practices for assessing risk of self-harm at all phases of treatment, such as at initial contact, during screening, intake, admission, on-going treatment services and at discharge, and a process for referral when necessary to include referrals to mental health services.

The Contractor shall develop policies, programs and protocols in accordance with SAMHSA guidelines as outlined in the Treatment Improvement Protocols (TIPs) and Technical Assistance Publications (TAPs). These publications can be downloaded from http://www.kap.samhsa.gov/products/manuals/index.htm .

The Contractor is required to use the Addiction Severity Index (ASI) or Global Appraisal of Individual Needs (GAIN) assessment tools, the SAMHSA/NIDA MATRS treatment-planning model and the Web Infrastructure for Treatment Services (WITS) electronic health record.

Care Coordination:
The Contractor is required to assess each client's need/appropriateness for residential transitional living services and to **refer all clients for care coordination services** made available through the ATR initiative administered by the BDAS on behalf of DHHS that would commence following the initial course of treatment. Contractors are required to address motivational issues with clients for them to participate effectively in the care coordination and recovery support services. Contractors are required to have clients sign the "ATR Client Participation Agreement"

(made available by BDAS), indicating that they either agree or opt out of participating in these services. The contractor will facilitate all clients who agree to participate in these services to complete the Client Participation Agreement and upon obtaining a signed release of information, refer clients to an ATR Care Coordinator Program at least two weeks prior to anticipated date of discharge (dis-enrollment) from services. Assessing the need for aftercare services is expected to take place while the client is involved within the most recent episode of care, with a referral being made and accepted by the care coordination service prior to the client being discharged.

The Contractor must provide the following for use by the care coordination program:

- Private space for interviewing/meeting with clients.
- Access to internet (either wired or wireless) in the meeting space
- Telephone in the meeting space and
- A contact person at the Contractor's site for logistics.

It is the expectation of the BDAS at DHHS that, upon completion of appropriate signed releases, the Contractor will provide the care coordination program with necessary information from the clinical record (assessment, treatment plan, progress notes, etc.) for the care coordination program to develop a service plan with the client.

Group Recovery Support Services:
Are services that are consistent with an individual's recovery plan that prevent relapse and enhance or remove barriers to recovery. Recovery Support Services include, but are not limited to, guidance in financial management, parenting, vocational training, life management and spiritual counseling as well as transportation and child-care.

Contractors, with the exception of those agencies that only offer outpatient services, are required to develop the capacity for group recovery support aftercare services for a minimum of 50% of the number treatment clients (including outpatient and transitional living program clients) they are under contract to serve. These group recovery support services are for clients discharged from substance use disorder (SUD) treatment services provided under contract with BDAS on behalf of DHHS, which may include clients that had received SUD treatment from the Contractor or a different agency. Contractors are only allowed to access these services for their clients or clients that had received SUD treatment from a different agency through the statewide care coordination program under agreement with BDAS on behalf of DHHS.

All group recovery support services will be funded through the New Hampshire Access to Recovery (ATR) initiative, which will require all providers (except those offering outpatient services only) under contract with BDAS on behalf of DHHS to become an approved Access to Recovery (ATR) providers for these particular services (reference Administrative Rules He-A 405.03 and He-A 405.04). Agencies under contract with BDAS on behalf of DHHS to provide only outpatient substance abuse treatment are not required, to provide these services.

All alcohol and other drug treatment providers under contract with the BDAS on behalf of DHHS are required to address with all clients, the need for continuing services. This includes transitional living programs under contract with the BDAS on behalf of DHHS as well as care coordination and group recovery support services made available through the ATR initiative administered by BDAS that would commence following the initial course of treatment. The referral for these services should take place prior to discharge from the initial course of treatment.

Residential Treatment Services, including services to Residential Services to Pregnant and Parenting Women:
The Contractor shall provide the following:

a. A minimum of one (1) substance abuse counselor on site each day of the week during primary treatment hours. The substance abuse counselor shall have a bachelor's degree or equivalent in social work/psychology, guidance or nursing and/or a certificate in the field of addiction studies from an approved educational institution or educational/life experience.
e. A minimum of one (1) substance abuse support staff on site each day of the week during all hours not

covered by a substance abuse counselor. The substance abuse support staff must have a high school or General Equivalency Diploma (GED). Preference is given to individuals who have completed additional courses or taken training in substance use disorders or other health fields.

f. An intake/admission coordinator on site Monday through Friday of each week. The intake/admission coordinator shall have one (1) years' work experience in the field of addiction studies.
g. A full-time Executive Director, not filling any of the positions described above.

Relevant Policies and Guidelines:
The services provided for in this agreement shall be in addition to the services provided for in any other agreement between the State of New Hampshire, any of its agencies, or any of its officers, and the Contractor.

Without limiting the generality of any other provisions of this agreement, the Contractor shall cooperate fully with, and answer all questions of representatives of the State conducting any periodic or special review of the performance of the Contractor or any inspection of the facilities of the Contractor.

Publications Funded Under Contract:
All products produced under this contract are in the public domain. All products (written, video, audio) produced, reproduced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution, or use. The Contract shall credit DHHS on all materials produced under this contract.

Subcontracting/Consultants:
If the Contractor subcontracts any portion of the services with an agency or individual, the Contractor must submit a copy of the subcontract, or proposed subcontract. That subcontract must address the qualifications and credentials of the individual or agency to perform the service, the specific service deliverables, the timeline for implementation of the services to be delivered, and the cost, including total cost of the subcontract and total cost per hour of individuals or agencies performing these services. The Contractor is ultimately responsible for the services delivered under the contract. Use of consultants shall be similarly described in terms of qualifications and credentials, service deliverables and hourly consultant rate.

Student Internships:
The Contractor shall establish policies and procedures related to student interns that address minimum coursework, experience and core competencies for those interns having direct contact with individuals served by this contract. Student interns shall complete an approved ethics course prior to beginning the internship.

Staff Licensing Requirements:
The ratio of licensed to non-licensed service providers shall be as follows:
Agencies must have at least one Licensed, or Masters Licensed, Alcohol and Drug Counselor (LADC/MLADC) for each two unlicensed counselors providing substance abuse treatment services and a sufficient number of MLADCs or LADCs with the Licensed Clinical Supervision (LCS) credential to adequately provide for clinical supervision of all clinical staff. This requirement shall be met by the Contractor no later than six (6) months after the date of the Contract effective date.

Updated resumes, which clearly indicate the staff member is employed by the Contractor, including current positions of staff supported by funds provided through this Contract, shall be forwarded to the BDAS as agent for DHHS. The documentation shall include a copy of the New Hampshire Alcohol and Drug Counselor License.

Staff Certification Requirements:
In addition to the requirements for LADCs, all Contractor milieu staff in residential settings and transitional living programs and staff providing recovery support aftercare group services shall be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that

certification under RSA 330-C (http://www.gencourt.state.nh.us/rsa/html/NHTOC/NHTOC-XXX-330-C.htm). Certification must be completed within six (6) months of the contract's approval date.

Staff providing recovery support services are expected to be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification. Peer recovery support services made available through Recovery Community Organizations (RCOs), under agreement with BDAS on behalf of DHHS, shall be provided by individuals certified by those organizations (CRSW not required for peer recovery support services).

Supervision:
Ongoing clinical supervision will include weekly discussion of cases with suggestions for resources or therapeutic approaches, co-therapy, and periodic assessment of progress. When enough candidates are under supervision, group supervision may be included to help optimize the learning experience.

The content of supervision must include knowledge, skills, values, and ethics with specific application to the practice issues faced by the supervisee, including the core functions as described in the Twelve Core Functions of Alcohol and Drug Counseling.

The content of supervision must also include the standards of practice and ethical conduct, with particular emphasis given to the counselor's role and appropriate responsibilities, professional boundaries, and power dynamics.

In addition, all contracted treatment providers must participate in the Clinical Supervisor Learning Collaborative (LC) by June 30, 2013. This LC is provided by the Center for Excellence, under contract with DHHS. This LC will include a team from each contracted treatment provider that includes at least one agency clinical supervisor and at least one senior clinical staff. A Clinical Supervision Learning collaborative will be offered in SFY 2013.

Staffing Changes:
BDAS as agent for DHHS shall be notified of changes in key personnel with updated resumes that clearly indicate the staff member is employed by the Contractor submitted within five (5) working days. Key personnel are those staff for whom at least 10% of their work time is spent providing alcohol or other drug abuse treatment services.

1. New Hires: The Contractor shall notify BDAS on behalf of DHHS in writing within one month of hire when a new administrator or coordinator or any staff person essential to carrying out this scope of services is hired to work in the program. A resume of the employee, which clearly indicates the staff member is employed by the Contractor, shall accompany this notification.

2. Vacancies: The Contractor shall notify BDAS on behalf of DHHS in writing within 14 calendar days, if at any time, any site funded under this agreement does not have adequate staffing to perform all required services for more than one month.

Other Requirements:
The Contractor shall attend trainings and/or meetings as requested by DHHS.

ATR and Recovery Support Services:
All DHHS funded treatment and recovery support service providers must also be approved Access to Recovery (ATR) providers, as this will be the source of funding for these recovery support services through the Voucher Management System (VMS). Information on becoming an ATR provider can be found on the DHHS website: http://www.dhhs.nh.gov/dcbcs/bdas/atr/becomingprovider.htm

Regional Network Participation:
The Contractor will designate administrative level staff to regularly participate in the Regional Network and contribute to overall regional network strategic planning, monitoring, evaluation, and cross systems communication efforts. The Contractor is highly encouraged to serve on one of the work groups and contribute to data collection, regional strategic planning and evaluation. Participation will be measured by the annual Partner Survey (http://www.partnertool.net/) administered by NH Center for Excellence under contract with BDAS as agent for DHHS.

Performance Measures:
All treatment programs under contract with BDAS on behalf of DHHS are required to report on the National Outcome Measures (NOMs) established by the SAMHSA, as required in the Federal Substance Abuse Prevention and Treatment Block Grant, via the WITS (electronic health record) system. The Department of Health and Human Services reserves the right to consider Contractor performance across all of the domains in future funding decisions. The Contractor is expected to meet or exceed these percentages as measured by the Electronic Health Record/Web Infrastructure Treatment System (EHR/WITS).

SAMHSA National Outcome Measures:

DOMAIN	*OUTCOME*	*SUBSTANCE ABUSE TREATMENT MEASURES*
Abstinence	Abstinence from Alcohol and Drug Use	65% of clients that have met the minimum participation requirement are abstinent within the past 30 days at 6 months following admission to care coordination services compared to at time of admission to treatment program.
Employment Education	Increased/retained employment. Return to/stay in school	Employment rates or enrollment in school rates for clients are 25% greater at 6 months after admission to care coordination compared to at time of admission to treatment program.
Crime and Criminal Justice	Decrease criminal justice involvement	50% Reduction in the number of client arrests in past 30 days at 6 months following admission to care coordination services compared to at time of admission to treatment program.

Data and Reporting Requirements:

1. Without limiting the generality of any other provisions of this agreement, the Contractor shall provide any periodic or special reports required by the DHHS.
2. The Contractor shall notify BDAS, as an authorized agent of DHHS, whenever the Contractor has reached ninety percent capacity to admit new clients. In addition the Contractor shall have a waiting list management policy in accordance with the SAPT Block Grant requirements. This 90% notification process will become automatic when this operation is fully functional in WITS.
3. The Contractor shall notify DHHS through BDAS, within one working day, if sufficient capacity is not available to provide treatment services to a pregnant woman, parenting woman or injection drug user within the required time frames and a referral elsewhere is not successful and interim services cannot be provided.
4. The Contractor shall comply with all research and/or information systems development activities for the electronic health record/Web Infrastructure for Treatment Services (EHR/WITS) conducted by, or authorized by, DHHS.
5. The Contractor shall administer any client surveys, client assessments including the addiction Severity Index (ASI) or the Global Appraisal of Individual Needs (GAIN), client treatment outcome instruments, the M.A.T.R.S. Treatment Planning Tool, as required by DHHS.
6. The Contractor must have the ability to communicate and submit required reports via the Web-based submission system and/or e-mail, for treatment s and recovery support services and interim services. All required clinical and documentation activities shall be entered in WITS unless specifically granted an exception by BDAS on behalf of DHHS.

Critical Incident/Sentinel Event Reporting:

The Department's Sentinel Event policy is contained in the following link: http://www.dhhs.nh.gov/dcbcs/sentinel.htm

Division of Community Based Care Services (DCBCS) Sentinel Event Notification:
The preceding events require the immediate verbal notification to the BDAS Assistant Administrator or Clinical Services Unit Administrator upon the discovery of a sentinel event involving an individual(s) receiving services through a DHHS substance use disorder treatment Contractor.

Since the initial and immediate verbal notification of a sentinel event is likely to include protected health information (PHI) as identified below, the Contractor of services to individuals receiving services funded by the DHHS shall disclose PHI in a private and secure manner. Contractors and vendors should not leave voice-mail messages, but instead make direct telephone contact with the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee. If direct telephone contact is not possible, a voice mail message may be left without protected health information, such as medications and relevant medical and psychiatric diagnoses. As

soon as possible after the initial verbal notification, the Contractor will mail or fax a completed *Sentinel Event Reporting Form* as directed in this protocol.

Notification shall include the following:

1. Name and phone number of the individual reporting.
2. Name, date of birth (DOB), medications and all relevant medical and psychiatric diagnoses of individual(s) involved;
3. Location, date, and time of event;
4. Description of the event including what, when, where, how, and other relevant information and identification of any other individuals involved;
5. Legal status of the individual involved with regard to guardianship and power of attorney;
6. Community, guardian, family and/or families' knowledge of the event; and
7. Contractor contact person and contact information.

It shall be the responsibility of the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee to notify the DCBCS Quality Improvement Director by e-mail as soon as the BDAS Clinical Administrator or designee becomes aware a Sentinel Event has occurred. The DCBCS Quality Improvement Director shall make immediate notification to the Commissioner. Internal e-mails within the Department may contain PHI and all Department employees will utilize safeguards to ensure the privacy of the PHI as stated in the DHHS General Manual Health Insurance Portability and Accountability Act (HIPAA) policy #504.

Each DCBCS bureau recognizes its responsibility to report evidence of neglect, abuse or exploitation to the appropriate regulatory agencies as required by RSA 161-F: 42-57 and RSA 169-C:29. In any case of known or suspected neglect, abuse or exploitation, the Contractor aware of the situation shall follow all applicable rules relative to individual rights protection procedures.

Written follow up information is to be forwarded by the reporting Contractor to the appropriate BDAS Administrator listed below within 72 hours by completing the *Sentinel Event Reporting Form.* To protect clients' confidential information, reporting Contractors should submit the *Sentinel Event Reporting Form* either by fax to the BDAS Assistant Administrator or the BDAS Clinical Services Unit Administrator by a mail service that provides delivery confirmation.

Bureau of Drug and Alcohol Services
Assistant Administrator
105 Pleasant Street
Concord, NH 03301
Or by fax to the BDAS Administrator's Office at 271-6105;

Follow-up information is the responsibility of the Contractor and should be submitted in a way as to protect clients' confidential information such as by mail with delivery confirmation and should include:

1. The *Sentinel Event Reporting Form(www.dhhs.nh.gov/dcbcs/documents/sentinelform.pdf)*;
2. Additional details as they are learned or if the status of the situation changes; and,
3. Copies of newspaper articles.

The BDAS Assistant Administrator or BDAS Clinical Services Unit Administrator is responsible for forwarding a copy of the *Sentinel Event Reporting Form* received from a Contractor to the DCBCS Quality Improvement Director at:

Division of Community Based Care Services
Quality Improvement Director
129 Pleasant Street
Concord, New Hampshire 03301
Or by fax: 271- 4912

Additionally, DHHS requires critical incident reporting. The Contractor shall report all critical incidents/sentinel events to the BDAS Clinical Services Unit Administrator immediately via telephone. Every effort shall be made to reach the BDAS administrator directly. If a voice message is necessary, sufficient provider contact information shall be provided so that DHHS is able to reach the reporter, or other responsible staff, immediately.

A critical incident includes, but is not limited to, any child or adult protective services report to the Division of Children, Youth and Families (DCYF), or the Bureau of Elderly and Adult Services (BEAS), respectively, regarding any incident involving 1) a staff/employee to youth or client, 2) youth to youth, or 3) client to client. This includes incidents that occur while a client is on leave, or on a pass, from the Contractor and may be off site at the time the incident occurred.

A sentinel event is an unexpected occurrence involving the death or serious physical or psychological injury, or risk thereof, signaling the need for immediate investigation and response.

Death or any serious injury or medical emergency regarding staff or clients that requires emergency medical attention (EMT or other emergency personnel at the Contractor's site, or a hospital emergency room visit), or any crime reportable to law enforcement, or any other serious incident must also be reported to DHHS as described below.

Reportable sentinel events include, but are not limited to, any occurrence that meets any of the following criteria:

1. An unanticipated death or permanent loss of function, not related to the natural course of an individual's illness or underlying condition.
2. Homicide or suicide of any individual receiving DHHS funded care, treatment or services, that had been discharged from a Department funded program or facility within 30 days of the event, or has been evaluated by a service Contractor within the preceding 30 days;
3. Sexual assault or rape of any individual receiving DHHS funded care, treatment or services by another client or employee of any Department funded program or facility where there is an act that was witnessed or there is sufficient clinical evidence obtained by the Contractor to support allegation of nonconsensual sexual contact.
4. Unauthorized departure of an individual receiving DHHS funded services, from a facility providing care, resulting in death or permanent loss of function.
5. Medication error that results in death, paralysis, coma, or other permanent loss of function.
6. Delay or failure to provide DHHS funded Contractor services that result in death or permanent loss of function.
7. Abuse as a result of the willful infliction of injury, unreasonable confinement, intimidation, or punishment with resulting physical harm, or mental anguish. This includes staff neglect or indifference to infliction of injury or intimidation of one individual by another.
8. Neglect as a result of the failure to provide the goods and services necessary to avoid physical harm, mental anguish or mental illness.
9. Assault of or by a client of the Contractor that results in the injury of the person or another person of such severity that medical attention is required.
10. Arson resulting in property loss.
11. High profile events, which may include media coverage and/or police involvement.

On-Site Reviews:

1. The Contractor shall allow a team or person authorized by DHHS to periodically review the Contractor's systems of governance, administration, data collection and submission, clinical, and financial management in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include, but not be limited to, client record reviews to measure compliance with this exhibit.
3. The Contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.

4. DHHS staff shall contact the Contractor in advance of the site visit, so that the Contractor shall have sufficient time to prepare any guidance/reporting systems or logs that will be reviewed at the site visit.

II. Funding Sources

The total amount of all payments made to the Contractor for cost and expenses incurred in the performance of the services, as detailed in Exhibit B, during the period of the contract shall not exceed:

$ 305,955.00 for Substance Abuse Treatment Services, funded from 90% General funds and 10% Highway funds.

$ 217,425.00 for Substance Abuse Treatment Services, funded from 100% general funds from the Governor's Commission on Alcohol and Other Drug Prevention, Intervention and Treatment.

$ 833,565.00 for Substance Abuse Treatment Services, funded from 100% federal funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment (SAPT) Block Grant, CFDA 93.959.

TOTAL: $1,356,945.00

III. Payment Methodology

The Contractor shall agree to use and apply all contract funds from the State for costs and expenses as detailed in the approved contract budget(s). Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. Starting in State Fiscal Year 2013 (effective July 1, 2012) the contractor will receive a payment for each modality of services at a rate of one-twelfth (1/12) of the annual amount approved in the contract for that modality, less any pay for performance factors (utilization, access and retention) that apply. The annual contract approved amount prorated to the monthly portion is considered the BASE monthly reimbursement amount.

1. Performance Utilization:

A. Utilization Performance Criteria for all residential, outpatient and intensive outpatient treatment services:

Utilization criteria will be applied exclusively on a month-by-month basis, Contractors will not be retroactively reimbursed at the higher rate for past months even if the Contractor later meets the higher utilization rates year to date. Utilization criteria is first applied to monthly billing submitted by the Contractor to determine the total amount of expenses eligible for reimbursable, after which access and retention criteria are applied to determine if that amount will be reimbursed at 95% or 100% according to the criteria below.

i. Contracts running at 90% to 100% of utilization in a given month will be reimbursed at 100% of the contracted rate for that month.
ii. Contracts running at 80% to 89% of utilization in a given month will be reimbursed at rate of 95% of the contracted rate for that month.
iii. Contracts running below 80% of utilization in a given month will be reimbursed at the rate of utilization for that month (for example for a given month in which utilization was 59% the contractor would be reimbursed at 59% of the contracted rate for that month).

B. Utilization Methodology by Modality:

i. Outpatient: Utilization for Outpatient is factored at a rate of 100 direct clinical hours per month per FTE. One hundred (100) clinical hours equates to 100% utilization. Outpatient utilization does not require separate consideration for individual or group outpatient counseling, the total of both is based on direct clinical hours of service. The FTEs for the contract are determined based upon the level of funding provided for outpatient divided by $75,000 (e.g. Agency ABC funding for outpatient services is $168,750 divided by $75,000 per FTE results in 2.25 FTE.)
ii. Intensive Outpatient: Utilization for Intensive Outpatient is determined in the same manner as Outpatient based on Full Time Equivalent. Individual or group intensive outpatient counseling are combined in determining the utilization rate with the total of both based on direct clinical hours of service.
iii. Residential Treatment/transitional living/halfway house: Utilization for all residential services is factored by taking the amount of funding for the modality of residential services and dividing it by the *bed day rate* to determine the total number of bed days per year, and then diving this amount by 365 days to determine the "beds per day factor" (which is equal to the number of beds being funded) for this modality of residential services. Utilization for residential treatment is factored by multiplying the "beds per day factor" by the actual number of days in a given month. As an example, say agency ABC is funded in the amount of $438,000 to provide 28-day residential treatment services for adults. Given that the per day bed rate for adult residential treatment services is $120 per day, the agency would be expected to provide 3,650 ($438,000/$120) bed days per year / 365 days per year = 10 beds per day. Utilization for residential treatment is factored by multiplying the "beds per day factor" by

the actual number of days in a given month; in this example the number of bed days for April would be 30 (days in April) X 10 beds per day or 300 beds at 100% utilization.

2. Utilization Access and Retention Payment Criteria Requirement

Contractors will receive the billing amount net of utilization rates, for each billing month in which the agency has met both the Access and Retention criteria outlined below for the given month. Any Agency not meeting both the Access and Retention criteria will receive reimbursement at 95% of the amount after first factoring utilization. Access and retention criteria do not include recovery support services. Performance criteria will be applied exclusively on a month-by-month basis, contractors will not be retroactively reimbursed at the 100% rate for past months even if the contractor later meets the Access and Retention rates year to date.

A. Access to Services:

Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received. The following Access Criteria must be met for a minimum of 80% of prospective clients (from clients or referring agencies) for the month in which billing is being submitted:

i. Treatment contractors are required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.

ii. Those who have screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days follow the eligibility screening.

B. Retention:

A minimum of 70% of clients, which have completed or otherwise are no longer receiving services, will have met the minimum retention standards for the modality of services received:

i. Have completed a minimum of 6 sessions of outpatient treatment services (OP)

ii. Have completed a minimum of 8 days of intensive outpatient treatment services (IOP) – only those days in which a client has participated in minimum of 10 units (2.5 hours) of service per day (12 units per day is the standard for IOP services) may be counted.

iii. Have completed a minimum of 14 days of residential treatment service

iv. Has completed a minimum of 28 days in a transitional living/halfway house residential program.

3. **Failure to Meet Deliverables:**

The Contractor shall comply with all contract requirements as detailed in Exhibit A section B, Required Services. Upon determination that Contractor may not be meeting the required deliverables, within two (2) weeks BDAS will provide a written correction action plan. Within two (2) weeks of notification of the corrective action plan, Contractor will provide a written remedial plan. BDAS will monitor the corrective actions for 60 days. Failure to meet requirements of the corrective action plan within 60 days may result in withholding of any or all payments or termination of the contract.

4. **Invoicing & Billing:**

Invoices shall be submitted by the Contractor to the State in a form satisfactory to the State for each modality of service. Said invoices shall be submitted within twenty (20) working days following the end of the month during which the contract activities were completed, and the final invoice shall be due to the State no later than sixty (60) days after the contract Completion Date.

The Contractor shall have written authorization from the State prior to using contract funds to purchase or lease any equipment with a cost in excess of two thousand five hundred dollars ($2500) and with a useful life beyond one year.

IV. Allocation of Funding:

Any reallocation of funds between modalities of service requires prior written justification and approval from BDAS on behalf of DHHS. Reallocation of funds cannot exceed the total approved contracted amount.

V. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds:

The Contractor agrees to use the SAPT funds as the payment of last resort.

Restrictions on SAPT Block Grant on State and Contractor expenditures include:
The State may not:

- Provide inpatient hospital services except under those conditions outlined in the regulations.
- Make cash payments to intended recipients of substance abuse services.
- Purchase or improve land.
- Purchase, construct, or permanently improve buildings or other facilities.
- Purchase major medical equipment.
- Satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds. (in-kind)
- Provide financial assistance to any entity other than a public or non-profit private entity.
- Provide individuals with hypodermic needles or syringes.
- Expend more than the amount of Block Grant funds expended in FFY91 for treatment services provided in penal or correctional institutions of the State.

The Contractor shall not:

- Use any federal funds provided under this contract for the purpose of conducting testing for the etiologic agent for Human Immunodeficiency Virus (HIV) unless such testing is accompanied by appropriate pre and post-test counseling.
- Use any federal funds provided under this contract for the purpose of conducting any form of needle exchange, free needle programs or the distribution of bleach for the cleaning of needles for intravenous drug abusers.

VI. Charitable Choice:

Federal Charitable Choice statutory provisions ensure that religious organizations are able to equally compete for Federal substance abuse funding administered by SAMHSA, without impairing the religious character of such organizations and without diminishing the religious freedom of SAMHSA beneficiaries (see 42 USC 300x-65 and 42 CFR Part 54 and Part 54a, 45 CFR Part 96, Charitable Choice Provisions and Regulations). Charitable Choice statutory provisions of the Public Health Service Act enacted by Congress in 2000 are applicable to the SAPT Block Grant program. No funds provided directly from SAMHSA or the relevant State or local government to organizations participating in applicable programs may be expended for inherently religious activities, such as worship, religious instruction, or proselytization. If an organization conducts such activities, it must offer them separately, in time or location, from the programs or services for which it receives funds directly from SAMHSA or the relevant State or local government under any applicable program, and participation must be voluntary for the program beneficiaries.

Exhibit C

SPECIAL PROVISIONS

1. **Contractors Obligations:** The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

2. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

3. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

4. **Documentation:** In addition to the determination forms, required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

5. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

6. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

7. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

8. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractor's costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:

    8.1 Renegotiate the rates for payment hereunder, in which event new rates shall be established;

8.2 Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

8.3 Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

9. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:

9.1 **Fiscal Records:** Books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

9.2 **Statistical Records:** Statistical, enrollment, attendance, or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

9.3 **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

10. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.

10.1 **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.

10.2 **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

11. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's

responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in this Paragraph shall survive the termination of the Contract for any reason whatsoever.

12. **Reports: Fiscal and Statistical**: The Contractor agrees to submit the following reports at the following times if requested by the Department:

12.1 **Interim Financial Reports:** Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.

12.2 **Final Report:** A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

13. **Completion of Services: Disallowance of Costs**: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

14. **Credits:** All documents, notices, press releases, research reports, and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:

14.1 The preparation of this (report, document, etc.), was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, Division of Community Based Care Services, Bureau of Drug and Alcohol Services with funds provided in part or in whole by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

15. **Operation of Facilities:** Compliance with Laws and Regulations: In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the Contractor with respect to the operation of the facility or the provision of the services at such facility. If any government license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

16. **Insurance:**

As referenced in the Request for Proposal, Comprehensive General Liability Insurance Acknowledgement Form, the Insurance requirement checked under this section is applicable to this contract:

(a) **Insurance Requirement for (1)** - 501(c) (3) contractors whose annual gross amount of contract work with the State does not exceed $500,000, per RSA 21-I:13, XIV, (Supp. 2006): The general liability insurance requirements of standard State contracts for contractors that qualify for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the State does not exceed $500,000, is comprehensive general liability insurance in amounts of not less than $1,000,000 per claim or occurrence and $2,000,000 in the aggregate. *These amounts may NOT be modified.*

17. **Renewal:**

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for one (1) additional year, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

18. **Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:**

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

19. **Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;**

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted

providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

SPECIAL PROVISIONS – DEFINITIONS

As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean the section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Whenever federal or state laws, regulations, rules, orders, and policies, etc., are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc., as they may be amended or revised from time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. Refer to RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated there under.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions of this contract agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act to 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I – FOR GRANTEES OTHER THAN INDIVIDUALS

b) US DEPARTMENT OF HEALTH AND HUMAN SERVICES – CONTRACTORS
US DEPARTMENT OF EDUCATION – CONTRACTORS
US DEPARTMENT OF AGRICULTURE – CONTRACTORS

This certification is required by the regulations implementing Sections 5151-51-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). the January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630 of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services,

(i) 129 Pleasant Street

(ii) Concord, NH 03301

1) The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employee's about:

(1) The dangers of drug abuse in the workplace;
(2) The grantee's policy of maintaining a drug-free workplace;
(3) Any available drug counseling, rehabilitation, and employee assistance programs; and
(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) *Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:*

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten (10) calendar days after receiving notice under subparagraph (d) (2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted by:

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).

2) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions of this contract agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions, execute the following Certification:

1. Instructions for Certification

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transition. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transition," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntary excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rule implementing Executive Order 12549: 45 CFR Part 76.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. *The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction", provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.*

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

(1) PRIMARY COVERED TRANSACTIONS

1. **The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:**

   a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

   b. Have not within a three-year period preceding this proposal (contract) been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

   c. Are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph 1 b of this certification; and

d. Have not within a three-year period preceding this application/proposal (contract) had one or more public transactions (Federal, State or local) terminated for cause or default.

2. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

Lower Tier Covered Transactions

By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:

1. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

2. Where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion – Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) Use and Disclosure of Protected Health Information.

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, the Business Associate shall not, and shall ensure that its directors, officers, employees and agents, do not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:

I. For the proper management and administration of the Business Associate;
II. As required by law, pursuant to the terms set forth in paragraph d. below; or
III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HITECH Act, Subtitle D, Part 1, Sec. 13402 of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. Business Associate shall report to the designated Privacy Officer of Covered Entity, in writing, any use or disclosure of PHI in violation of the Agreement, including any security incident involving Covered Entity data, in accordance with the HITECH Act, Subtitle D, Part 1, Sec.13402.

b. The Business Associate shall comply with all sections of the Privacy and Security Rule as set forth in, the HITECH Act, Subtitle D, Part 1, Sec. 13401 and Sec.13404.

c. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

d. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section (3)b and (3)k herein. The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard provision #13 of this Agreement for the purpose of use and disclosure of protected health information.

e. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

f. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

g. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

h. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

i. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such

information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

j. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

k. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity; all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to standard provision #10 of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, and the HITECH Act as amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule and the HITECH Act.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. ~~Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of~~ PHI, extensions of the protections of the Agreement in section 3 k, the defense and indemnification provisions of section 3 d and standard contract provision #13, shall survive the termination of the Agreement.

The Federal Funding Accountability and Transparency Act (FFATA) requires prime awardees of individual Federal grants equal to or greater than $25,000 and awarded on or after October 1, 2010, to report on data related to executive compensation and associated first-tier sub-grants of $25,000 or more. If the initial award is below $25,000 but subsequent grant modifications result in a total award equal to or over $25,000, the award is subject to the FFATA reporting requirements, as of the date of the award.

In accordance with 2 CFR Part 170 (*Reporting Sub-award and Executive Compensation Information*), the Department of Health and Human Services (DHHS) must report the following information for any sub-award or contract award subject to the FFATA reporting requirements:

1) Name of entity
2) Amount of award
3) Funding agency
4) NAICS code for contracts / CFDA program number for grants
5) Program source
6) Award title descriptive of the purpose of the funding action
7) Location of the entity
8) Principle place of performance
9) Unique identifier of the entity (DUNS #)
10) Total compensation and names of the top five executives if:
    a. *More than 80% of annual gross revenues are from the Federal government, and those revenues are greater than $25M annually and*
    b. Compensation information is not already available through reporting to the SEC.

Prime grant recipients must submit FFATA required data by the end of the month, plus 30 days, in which the award or award amendment is made.

The Contractor identified in Section 1.3 of the General Provisions of the contract agrees to comply with the provisions of The Federal Funding Accountability and Transparency Act, Public Law 109-282 and Public Law 110-252, and 2 CFR Part 170 (*Reporting Sub-award and Executive Compensation Information*), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

Amendment #4 to the Substance Use Disorder Treatment and Recovery Support Services Contract

This fourth Amendment to the Substance Use Disorder Treatment and Recovery Support Services contract (hereinafter referred to as "Amendment 4") dated July 16, 2015, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Headrest (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 14 Church Street, Lebanon, NH 03766.

WHEREAS, pursuant to an agreement approved by the Governor and Executive Council on June 20, 2012, (Item #97) (hereinafter referred to as "Contract"), and amended by an agreement (Amendment #1 to the Contract) approved on June 5, 2013 (Item #102A), (Amendment #2 to the Contract) approved on June 18, 2014 (Item #99), and (Amendment #3 to the Contract) approved on June 24, 2015 (Item #29) by Governor and Executive Council, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified;

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract;

WHEREAS, pursuant to the Agreement (section 18 of the General Provisions of the Form P-37), the Agreement may be modified or amended only by written instrument executed by the parties thereto and approved by the Governor and Executive Council;

WHEREAS, the State and the Contractor agree to add scope of work and to increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties agree as follows:

1. Except as specifically amended and modified by the terms and conditions in this Amendment #4, the obligations of the parties shall remain in full force and effect in accordance with the terms and conditions set forth in the Contract as referenced above.

2. Amend General Provisions (Form P-37), Block 1.8 Price Limitation to read: $900,075.00.

3. Add Exhibit A-1, Scope of Services

4. Delete in its entirety, Exhibit B Amendment #3, Methods and Conditions Precedent to Payment, and replace with Exhibit B Amendment #4, Method and Conditions Precedent to Payment.

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall complete the Scope of Work described in Exhibit A-1 from the effective date of Amendment #4 through September 30, 2015.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

2. Scope of Services

2.1. The Contractor shall provide for Department approval, within 5 business days from the effective date of the Amendment #4, a plan that describes the scope of work that will be provided to improve current services and/or to expand capacity for substance use disorder treatment and recovery support services, as defined in Section 2.2. below.

2.1.1. The Contractor may amend the Department approved plan, defined in Section 2.1 above, by submitting an amended plan to the Department for approval, before the end date in Section 1.1. above.

2.2. The Contractor shall complete at least one of the Improving Current Services and Expanding Capacity projects from the four Categories listed below (Sections 2.2.1 through 2.2.4):

2.2.1. Improving Existing Facilities such as, but not limited to:

2.2.1.1. Installing camera systems to increase safety for clients and staff.

2.2.2. Purchasing Equipment, Software, and Program Supplies such as, but not limited to:

2.2.2.1. Replacing equipment that is not in good working order to improve staff efficiency and client safety;

2.2.2.2. Purchasing equipment to support new staff being hired to expand service capacity;

2.2.2.3. Purchasing equipment to improve the treatment experience for clients;

2.2.2.4. Purchasing computers to allow clients to look for work and otherwise prepare to transition back into and contribute to the community;

2.2.2.5. Purchasing Electronic Medical Record, Billing, and other software systems to increase efficiency and meet Federal requirements;

Contractor Initials ST
Date 7/20/15

2.2.2.6. Purchasing toiletries and other necessities for clients who are not yet able to purchase these on their own.

2.2.3. Purchasing Program Materials (curricula, journals, books, etc.) such as:

2.2.3.1. Replacing program materials that are outdated, worn out and/or depleted;

2.2.3.2. Purchasing new program materials to implement and/or expand evidence based practices for new and current programs.

2.2.4. Paying for Staff/Consultant Costs such as, but not limited to:

2.2.4.1. Temporarily increasing the hours of existing staff to complete short-term projects, such as developing policies, procedures, protocols, forms and case management formats for new programs to expand capacity;

2.2.4.2. Training new and existing staff to implement and/or expand evidence based practices for new and current programs;

2.2.4.3. Hiring consultants to assist with obtaining necessary licensures and designing new programming to expand capacity;

2.2.4.4. Staff or consultant time to survey the service gaps in the community and develop strategies and programming for filling those gaps;

2.2.4.5. Covering the initial costs of hiring new staff to increase efficiency by filling current gaps in program staffing or to expand capacity.

2.2.5. The Contractor may propose an alternate Improving Current Services and Expanding Capacity project(s) that is not list above in Sections 2.2.1 through 2.2.4. and that is compliance with the Catalog of Domestic Assistance ##93.959.

2.3. The Contractor will submit a progress report to the Department by September 10, 2015 against the defined plan approved by the Department.

Method and Conditions Precedent to Payment

I. Funding

The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A Amendment #3, Scope of Services and Exhibit A-1, Scope of Services.

A. Funding for Exhibit A, Amendment #3

For the period of July 1, 2015 through December 31, 2015, funding for Exhibit A Amendment #3 is funded by various sources as a percentage of the total amount of $125,725.00 as follows:

- 46% Federal Funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant (CFDA #93.959);
- 22% General Governor's Commission on Alcohol and Drug Abuse Prevention, Intervention and Treatment Funds; and
- 32% General funds.

The Contractor agrees to provide the services in Exhibit A Amendment #3, Scope of Services in compliance with the funding requirements above.

The Contractor shall comply with Sections II through VIII for payment and invoicing instructions for services provided in Exhibit A Amendment #3.

B. Funding for Exhibit A-1, Scope of Services

From the effective date of Amendment #4 through September 30, 2015, the State shall pay the Contractor an amount not to exceed $20,000, for the services provided by the Contractor pursuant to Exhibit A-1, Scope of Services.

Funding is 100% Federal Funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant (CFDA #93.959);

The Contractor agrees to provide the services in Exhibit A-1, Scope of Services in compliance with the funding requirements above

The Contractor shall comply with Section IX for payment and invoicing instructions for services provided in Exhibit A-1, Scope of Services.

II. Payment Methodology

The Contractor will be reimbursed for providing and delivering the services identified in Exhibit A Amendment #3, section B. The following terms and conditions detailed in this Exhibit B Amendment #3 will apply to all services unless expressly stated otherwise.

The Contractor will use and apply all contract funds from the State for costs and expenses as detailed in the Service Reimbursement Table below. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. Effective July 1, 2014, the contractor will receive a payment for each service at the rates and within the limits described below. For clients receiving DHHS supported services, the contractor may not charge the client, any 3rd party payor, and DHHS a combined rate that is more than the

rate established by BDAS for that level of service or any other fees. These parties shall be charged in the following order:

1. The maximum allowed charge will be billed to the client's insurer, if applicable.
2. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
3. The balance of the maximum allowed charge, after deducting the client's portion and insurance payment, if applicable, shall be charged to DHHS.

Service Reimbursement Table			
An "X" below denotes the services, and their corresponding Rates and Service Limits; the Contractor will be reimbursed for in accordance with the Payment Methodology above.			
Contractor's Services	**Substance Use Disorder Treatment and Recovery Services**	**DHHS Established Rate**	**Service Limit**
	Enhanced Services	Cost Reimbursement	Up to the Budget Amount

* The Contractor will bill the per diem rate for Intensive Outpatient Treatment services only on those days when the client attends individual and/or group counseling associated with the program. It is expected that each day of attendance includes a minimum of 3 hours of group and/or individual counseling services.

**Attempted Contact is at least 3 attempts to contact a client over the course of at least one week.

*** A unit is equal to 15 minutes of service

It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. **Failure to meet this requirement may result in amendment to or termination of the contract. At a minimum, contractors must provide the array of services they contracted to provide for in SFY15.**

III. Performance Incentives:

A. Access to Services:

Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received and shall conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact. For each client who screens eligible for services and starts receiving services, whether for the identified level of care or interim services, within 10 business days following the eligibility screening, the treatment contractor will receive an incentive payment of $75.00. Access incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

B. Completion:

For each client who is discharged from the program because they have completed treatment or transferred to another treatment provider as recorded in the Discharge Type field of the WITS Discharge Module, the treatment contractor will receive an incentive payment of $75.00. Completion incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

C. Client Outcomes:

If a client who was discharged from the program meets at least 3 of the Outcome criteria below in the 3rd and/or 6th month post-discharge, as evidenced by the WITS Follow-Up module, the treatment contractor will receive an incentive payment in the

amount of $50. The 3rd month post discharge is considered to be 60 – 120 days post discharge. The 6th month post discharge is considered to be 150 – 210 days post discharge. Outcomes incentives will be calculated and paid on a monthly basis for clients meeting criteria in the previous calendar month. It is expected that at least 50% of discharged clients will be contacted for 3 and/or 6 month follow-up over the contract year.

i. Abstinence: The client reports reduced or no substance use in the past 30 days.
ii. Employment/Education: The client reports increased or retained employment or the client reports returning to or staying in school.
iii. Crime and Criminal Justice: The client reports no arrests in the past 30 days.
iv. Stability in Housing: The client reports being in stable housing.
v. Social Connectedness: The client reports engagement in Recovery Support Services, Care Coordination, and/or Community Based Support Groups in the past 30 days.

D. Performance Incentive Payout Limits:

Performance incentives are limited to no more than 6% of the total contract amount annually. The total amount paid out during the contract year will never exceed the total contract amount. DHHS is not obligated to make payment for any incentives that occur outside of the current contract year; however, incentives may be carried over to future contract years at the discretion of DHHS.

E. Failure to Meet Deliverables:

The Contractor shall comply with all contract requirements as detailed in Exhibit A section B, Required Services. Upon determination that Contractor may not be meeting the required deliverables, within two (2) weeks BDAS will provide a written correction action plan. Within two (2) weeks of notification of the corrective action plan, Contractor will provide a written remedial plan. BDAS will monitor the corrective actions for 60 days. Failure to meet requirements of the corrective action plan within 60 days may result in withholding of any or all payments or termination of the contract.

F. Invoicing & Billing:

The Contractor shall complete all billing for all services defined in this Agreement through the WITS system according to protocols established by BDAS.

The Contractor shall have written authorization from the State prior to using contract funds to purchase or lease any equipment with a cost in excess of two thousand five hundred dollars ($2500) and with a useful life beyond one year.

IV. Allocation of Funding:

It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. The contractor is prohibited from spending down more than the sum of the total contract amount that includes the cost of the client services and related incentives.

V. Availability of Alternative Funding:

The New Hampshire Department of Health and Human Services may terminate or amend the contract should alternate third party payors, including Medicaid, the New Hampshire Health Protection Program and/or insurance available on the New Hampshire Insurance Exchange cover any of the services included in this contract.

VI. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds:

The Contractor agrees to use the SAPT funds as the payment of last resort.
Restrictions on SAPT Block Grant on State and Contractor expenditures include:
The State may not:

- Provide inpatient hospital services except under those conditions outlined in the regulations.
- Make cash payments to intended recipients of substance abuse services.
- Purchase or improve land.
- Purchase, construct, or permanently improve buildings or other facilities.
- Purchase major medical equipment.
- Satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds. (in-kind)
- Provide financial assistance to any entity other than a public or non-profit private entity.
- Provide individuals with hypodermic needles or syringes.
- Expend more than the amount of Block Grant funds expended in FFY91 for treatment services provided in penal or correctional institutions of the State.

The Contractor shall not:

- Use any federal funds provided under this contract for the purpose of conducting testing for the etiologic agent for Human Immunodeficiency Virus (HIV) unless such testing is accompanied by appropriate pre and post-test counseling.
- Use any federal funds provided under this contract for the purpose of conducting any form of needle exchange, free needle programs or the distribution of bleach for the cleaning of needles for intravenous drug abusers.

VII. Charitable Choice:

Federal Charitable Choice statutory provisions ensure that religious organizations are able to equally compete for Federal substance abuse funding administered by SAMHSA, without impairing the religious character of such organizations and without diminishing the religious freedom of SAMHSA beneficiaries (see 42 USC 300x-65 and 42 CFR Part 54 and Part 54a, 45 CFR Part 96, Charitable Choice Provisions and Regulations). Charitable Choice statutory provisions of the Public Health Service Act enacted by Congress in 2000 are applicable to the SAPT Block Grant program. No funds provided directly from SAMHSA or the relevant State or local government to organizations participating in applicable programs may be expended for inherently religious activities, such as worship, religious instruction, or proselytization. If an organization conducts such activities, it must offer them separately, in time or location, from the programs or services for which it receives funds directly from SAMHSA or the relevant State or local government under any applicable program, and participation must be voluntary for the program beneficiaries.

VIII. Notwithstanding paragraph 18 of the General Provisions of this Agreement P-37, an amendment limited to adjusting amounts within the budgets and within the price limitation,

can be made by written agreement of both parties and may be made without obtaining approval of Governor and Executive Council.

IX. Payment and Invoicing Instructions for Exhibit A-1, Scope of Services

A. Payment for said services shall be made as follows:

i. The Contractor will submit one invoice by October 10, 2015, which identifies and requests reimbursement for authorized expenses incurred for the period defined in Section "I. Funding, B. Funding for Exhibit A-1," above.

ii. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.

The invoice must be submitted to:
Financial Manager
Department of Health and Human Services,
Bureau of Drug and Alcohol Services
105 Pleasant Street
Concord, NH 03301

B. The invoice shall include an itemized listing of expenses, amounts and dates when the expenses incurred.

C. The Contractor shall provide supporting documentation to support evidence of actual expenditures identified on the invoice and in accordance with the Department approved plan, such as but not limited to: a copy of the approval from the Department to expend the funding; a detailed description of the scope of work that was completed; copies of invoices for purchases; and/or the names of the Contractor's staff, dates and hours worked and amounts being billed for the specific scope of work.

D. Allowable costs and expenses shall be determined by the Department in accordance with applicable state and federal laws and regulations.

E. The Contractor shall not bill for reimbursement of expenses incurred before or after the period defined in Section "I. Funding, B. Funding for Exhibit A-1," above.

F. The Contractor shall obtain Department approval prior to incurring the expense to provide the scope of work described in the Department approved plan.

G. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this contract may be withheld, in whole, or in part, in the event of noncompliance with any State of Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.

H. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds are defined in Section "VI Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds," above.

INDEPENDENT AUDITORS' REPORT ON FINANCIAL STATEMENTS

To the Board of Directors
Headrest, Inc.
Lebanon, New Hampshire 03766

We have audited the accompanying financial statements of Headrest, Inc. (a nonprofit organization),which comprise the statements of financial position as of June 30, 2014 and 2013, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America: this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit includes performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to the above present fairly, in all material respects, the financial position of Headrest, Inc. as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The schedule of functional expenses on page 11 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

HEADREST, INC.
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED JUNE 30, 2014 AND 2013

NOTE 1 – NATURE OF ORGANIZATION

Headrest, Inc. ("Headrest") is a New Hampshire nonprofit corporation that provides information and referral, crisis intervention and other related services through the use of a telephone hotline and office visitations. Headrest also provides counseling and emergency shelter to transients, and information to the community relating to drugs and alcohol.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

The summary of significant accounting policies of Headrest is presented to assist in understanding the Organization's financial statements. The financial statements and notes are representations of Headrest's management who is responsible for their integrity and objectivity. These accounting policies conform to U.S. generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

The financial statements of Headrest have been prepared on the accrual basis of accounting. The significant accounting policies followed are described below.

Financial statement presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations". Under SFAS No. 117. Headrest is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted net assets are comprised of operating revenues and expenses and contributions pledged which are not subject to any donor-imposed restrictions. Headrest, Inc. currently has $275,789 and $249,304 unrestricted net assets as of June 30, 2014 and 2013, respectively.

Temporary restricted net assets are comprised of contributions and gifts for which donor-imposed restrictions will be met either by the passage of time or the actions of the Organization. Headrest, Inc. currently has no temporarily restricted net assets as of June 30, 2014 and 2013, respectively.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Permanently restricted net assets include those assets for which donor-imposed restrictions stipulate that the asset be permanently maintained by the Organization. Headrest, Inc. has no permanently restricted net assets as of June 30, 2014 and 2013.

Use of estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash equivalents – For purposes of the statement of cash flows, Headrest considers all short-term investments with an original maturity of three months or less to be cash equivalents. At June 30, 2014 and 2013 there were no cash equivalents.

Assets limited as to USE

Assets Limited as to Use represent board-designated assets for capital expenditures and reserves amounting to $124,951 and $124,622 at June 30, 2014 and 2013. Assets limited to use consist of cash and cash .equivalents however these amounts have not been included in cash and cash equivalents for cash flow purposes.

Allowance for doubtful accounts – Headrest considers accounts receivable to be fully collectible, accordingly, no allowance for doubtful accounts is required.

Depreciation and fixed assets – Property and equipment are stated at cost if purchased and at fair market value on the date of the donations if donated. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted or temporarily restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, Headrest reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. Headrest reclassifies temporarily restricted net assets to unrestricted net assets at that time. Depreciation is computed using straight-line and accelerated methods based on the estimated useful life of each asset. Estimated useful lives used for building and improvements are ten to thirty- nine years and for furniture and fixtures three to seven years.

Public support and revenue – All contributions are considered to be available or unrestricted use unless specifically restricted by the donor.

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income taxes – The Organization is a not-for-profit organization that is exempt from income taxes under Section 501©(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

The Organization adopted the recognition requirements for uncertain income tax positions as required by generally accepted accounting principles, with no cumulative effect adjustment required. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more -likely-than-not be sustained upon examination by taxing authorities. The Organization has analyzed tax positions taken for filing with the Internal Revenue Service and the state jurisdiction where it operates. The Organization believes that income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse affect on the Organization's financial condition, results of operations or cash flows. Accordingly, the Organization has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions at June 30, 2014.

Donated services and materials - Donated supplies and equipment are reflected as contributions in the accompanying financial statements at their estimated fair market values.

Functional expenses – Functional and administrative expenses have been allocated among program services based on an analysis of personnel time and space utilized for the activities.

NOTE 3 – LINE OF CREDIT

The Organization has a $50,000 line of credit with a local bank through January 30, 2015, collateralized by all assets, with interest at Wall Street Journal prime. There was no outstanding balance at June 30, 2014 or 2013.

NOTE 4 – NOTES PAYABLE AND LONG-TERM DEBT

Notes payable and long-term debt consisted of the following as of:	June 2014	June 2013

Less current maturities	8,348	8,021
Long-term debt, less current maturity	$ 80,922	$ 89,663

NOTE 4 – NOTES PAYABLE AND LONG-TERM DEBT (CONTINUED)

Scheduled principal repayments on long-term debt for the next five years and thereafter follows:

Year Ending June 30	
2015	$ 8,348
2016	8,685
2017	9,047
2018	9,412
2019	9,796
Thereafter	43,982
Total	$ 89,270

NOTE 5 – COMPENSATED ABSENCES

Employees of Headrest are entitled to paid personal days depending on length of service and other factors. The accrued expense for compensated absences for the fiscal years ended June 30, 2014 and 2013 were $23,091 and $19,147 respectively. No more than 240, 180 and 120 hours for full time, ¾ time and ½ time employees, respectively, of personal leave may be carried over from the previous year's employment calculated on a calendar year basis.

NOTE 6 – MAJOR GRANTORS

A Substantial portion of Headrest's revenue comes from the Department of Heath and Human Services of the State of New Hampshire. For the years ended June 30, 2014 and 2013 revenue from the contract was approximately 34% and 35%, respectively of total revenue.

NOTE 7 – EVALUATION OF SUBSEQUENT EVENTS

The Organization has evaluated subsequent events through September 18, 2014, the date which the financial statements were available to be issued.

Scope of Services

A. *Population Served*

The Contractor will provide substance use disorder treatment services to New Hampshire residents who:

- meet diagnostic, financial, and other eligibility criteria, as defined in Section C, Clients Eligible for Treatment Services; and
- Reside in any city or town, or who are homeless, in New Hampshire.

B. *Required Treatment Services*

The Contractor will provide treatment services as identified in the **Service Table** below. An "X" denotes the services that the Contractor will provide to eligible individuals in accordance with all applicable laws, rules, and regulations and terms and conditions of this Agreement.

Service Table

Required Services	Treatment Services
X	***Outpatient Treatment (ASAM Level 1)*** - Substance abuse treatment services provided in individual and group counseling sessions in a non-residential setting. Clients may be enrolled in outpatient treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. Outpatient Treatment providers must provide assessment to all clients to determine the appropriate ASAM (October 2013) level of care. If this level is higher than ASAM Level 1, the outpatient provider must refer the client to the appropriate level of care and provide interim services until the client is able to enter the appropriate level of care.
X	***Outpatient Treatment (ASAM Level 1) – Pregnant & Parenting Women –*** Outpatient Treatment as identified above provided to pregnant & parenting women.
X	***Intensive Outpatient Treatment (ASAM Level 2.1)*** – A combination of individual and group substance abuse treatment services conducted in an outpatient setting for a minimum of 3 hours of direct client treatment services per day for a minimum of three days per week. Clients receiving less than this level of service should be enrolled in an outpatient program. Clients may be enrolled in intensive outpatient treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. No client shall be admitted to an ASAM Level 2.1 program without first having an evaluation and referral from an ASAM Level 1 provider.
X	***Intensive Outpatient Treatment (ASAM Level 2.1) – Pregnant & Parenting Women*** - Intensive Outpatient Treatment as identified above provided to pregnant & parenting women.

Service Table	
Required Services	**Treatment Services**
	Low-Intensity Residential Treatment (ASAM Level 3.1) – Residential substance abuse treatment services are designed to support individuals in the early stages of recovery that need this residential level of care and/or are homeless. The goal of these programs is to prepare clients to become self-sufficient in the community. Clients may be enrolled in low-intensity residential treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. Residents typically work in the community and may pay a portion of their room and board. No client shall be admitted to an ASAM Level 3.1 program without first having an evaluation and referral from an ASAM Level 1 provider.
	Low-Intensity Residential Treatment (ASAM Level 3.1) – Pregnant Women - **Low**-Intensity Residential Treatment as identified above provided to pregnant & parenting women.
X	***Transitional Living (ASAM Level 3.1)*** – Residential substance abuse treatment services are designed to support individuals in the early stages of recovery that need this residential level of care and/or are homeless. The goal of these programs is to prepare clients to become self-sufficient in the community. Clients may be enrolled in low-intensity residential treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. C. ***Required Provisions for Services***

Priority Admission:

1) The Contractor shall give admission preference to pregnant women and women with dependent children, even if the children are not in their custody, as long as parental rights have not been terminated, including the provision of interim services within the required 48 hour time frame.
2) Individuals who have been administered Narcan to reverse the effects of an opioid overdose either in the 14 days prior to screening or in the period between screening and admission to the program.
3) Individuals with a history of injection drug use including the provision of interim services within 14 days.
4) Individuals with a primary diagnosis of a substance use disorder, which may also include a co-occurring mental health disorder.
5) Individuals with substance use co-occuring mental health disorders.
6) Individuals with Opioid Use Disorders.

Required Outreach:

New Hampshire Department of Health & Human Services (DHHS) programs receiving federal treatment Block Grant funds requires that Contractors must publicize services available to pregnant or parenting women and injection drug users in need of substance abuse treatment and that these individuals receive preference for admission to treatment. This may be done as follows, but is not limited to, street outreach programs, ongoing public service announcements (radio/television), regular advertisements in local/regional print media, posters placed in targeted areas, and frequent notification of availability of such treatment distributed to the network of community based organizations, health care providers and social service agencies. The Contractor will submit their outreach plans to DHHS through the Bureau of Drug and Alcohol Services (BDAS) within 60 days of contract effective date.

Health Facilities Administration Licensing Requirements:

Housing programs with substance abuse treatment services at the same location will need to secure necessary licensing as a Residential Rehabilitation Facility by the DHHS Bureau of Health Facilities Administration, as appropriate, see He-P 807 at the following link: (http://www.gencourt.state.nh.us/rules/state_agencies/he-p800.html). Any contractor with an American Society of Addiction Medicine (ASAM) (October 2013) Level 3.3 or higher level program must secure this licensing for all Level 3 programs housed within the same facility as the Level 3.3 program. In the case of residential treatment and housing at the same site, residential programs must be in compliance with the most recent DHHS requirements relative to the Institute for Mental Disease (IMD) Exclusion.

Capacity Reporting:

The Contractor must contact BDAS, as agent for DHHS, when their capacity has reached 90% within 5 business days. The Contractor must refer pregnant women to the State when the Contractor has insufficient capacity to provide services to any such pregnant women who seek the services of the program. Sending e-mail to the BDAS Clinical Services Unit Administrator may complete this notification process.

Access to Services:

Programs above ASAM Level 1 may not accept clients in the absence of a recommendation to the program's level of care based on an evaluation by and ASAM Level 1 provider. ASAM Level

Contractor Initials: SF
Date: 5/29/15

1 programs may not provide services other than evaluation until an evaluation has been completed and a level of care recommendation established. The required evaluation may be conducted by any ASAM Level 1 provider, regardless of DHHS contract status, but will only be DHHS reimbursed for DHHS contracted providers.
The Contractor shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within 2 business days following the day the call was received. If a client contacts the contractor and has not obtained an evaluation and ASAM Level of Care recommendation, the contractor shall refer the client to an ASAM Level 1 provider to obtain this. If the client has obtained and evaluation and ASAM Level of Care recommendation from an ASAM Level 1 provider, but the contractor cannot provide that level of care to the client, the contractor shall refer the client to a program that can provide the appropriate ASAM level of care. If the contractor is an ASAM Level 1 provider or if the client's ASAM Level of Care recommendation is consistent with the level of care provided by the contractor, the contractor is required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.

Those who have screened eligible for evaluation services will be seen for the initial evaluation within 5 business days and a final evaluation narrative and ASAM level of care recommendation and referral will be completed within 10 business days.
Those who have completed an evaluation and ASAM level of care recommendation and referral and screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days following the eligibility screening. If the client is not able to access interim services at the contractor's agency for geographic or other reasons, the client should be referred to a DHHS funded provider where they are able to access interim services.

Contractors receiving grant funds from DHHS will not discriminate against clients who are using legitimate medications to assist their recovery and will not have policies that allow them to refuse admission to treatment or to discharge clients from treatment based on the use of appropriately prescribed medications and various opiate replacement therapies, including, but not limited to, methadone and buprenorphine, as well as other forms of medication-assisted treatment for co-occurring substance abuse and mental health disorders.

Clients Eligible for Treatment Services:
In order to be eligible for DHHS supported services, a client must meet all eligibility criteria described below. Eligibility determination shall be conducted as follows:

1. Substance Use Disorder, Financial Eligibility & Residency Screening: The contractor shall complete the eligibility screening module in the Web Information Technology System (WITS) to determine if the client meets residency, financial, and substance use disorder potential eligibility requirements:
    a. Residency: The client must be a resident of New Hampshire or homeless in New Hampshire to be eligible for DHHS supported services; and
    b. Financial Eligibility: The client's income must be below 400% of Federal Poverty Level (FPL) to be eligible for DHHS supported services based on the sliding fee scale described below. Once the screening has been completed, the contractor shall print the associated attestation and have the client sign this document. A copy of the signed attestation shall be maintained in the client file. The client's financial eligibility shall be reassessed no less than every 120 days.; and

c. Potential for a Substance Use Disorder: The client must screen positive for a potential substance use disorder to be eligible for DHHS funded services.

2. Evaluation: No client shall be eligible for treatment services without first having an evaluation and referral from an ASAM Level 1 provider. The required evaluation may be conducted by any ASAM Level 1 provider, regardless of DHHS contract status, but will only be DHHS reimbursed for DHHS contracted providers. If this evaluation is completed by a contracted provider, the evaluation shall include administration of either the ASI or GAIN.
    a. Substance Use Disorder: This evaluation shall be used to determine if the client meets Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition (DSM5) criteria for a substance use disorder. Clients who meet DSM5 criteria for a substance use disorder are eligible for DHHS funded services. Client who do not meet these criteria are not eligible for DHHS funded services.
    b. Level of Care: For clients who have met all other eligibility requirements, this evaluation shall be used to determine the appropriate level of care for the client based on ASAM (October 2013) criteria. The client is eligible for DHHS funded services at the assessed level of care unless such a level of care is unavailable or the client chooses to enter a lower level of care. If the assessed level of care in unavailable, the client may choose to enter the next higher level of care
3. Medicaid/NHHPP Eligibility: The contractor shall determine whether or not the client is eligible for Medicaid/NHHPP coverage for the identified level of care. If the client is not eligible for Medicaid/NHHPP coverage for the identified level of care, the client may be eligible for DHHS funded services. If the client is eligible for Medicaid/NHHPP coverage for the identified level of care, the client is not eligible for DHHS funded services. The provider shall assist the client with the Medicaid/NHHPP enrollment process if they are believed to be eligible for these programs.
4. Insurance Coverage: The contractor shall determine whether or not the client has insurance that will cover services at the identified level of care. If the client does not have insurance that will reimburse for these services at a rate equal to or greater than the DHHS rate, the client is eligible for DHHS funded services. If the client has insurance that will reimburse for these services at an amount equal or greater to the DHHS reimbursement rate, the client is not eligible for DHHS funded services. The contractor may not charge the combination of the client, any 3rd party payor, and DHHS more than the maximum charge allowed, which is the DHHS rate for the service in those instances in which DHHS pays any portion of the service fee. These parties shall be charged in the following order:
    a. The maximum allowed charge will be billed to the client's insurer, if applicable.
    b. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
    c. The balance of the maximum allowed charge after deducting the client's portion and the insurance payment, if applicable, shall be charged to DHHS.
5. Medication Assisted Treatment with Buprenorphine eligibility: Only those clients who are simultaneously engaged in other clinical services with the provider are eligible for these services.

Sliding Fee Scale:

The contractor shall not charge the combination of the client, any 3rd party payor and BDAS an amount greater than the maximum rate allowed for each service. All reasonable efforts shall be

made to collect payment of bills. A client's inability to pay shall not preclude admission to the program and treatment.

- Client Income is 0% - 138% of FPL: 100% of the allowed charge less any amount paid for by insurance.
- Client Income is 139% - 149% of FPL: 92% of the allowed charge less any amount paid for by insurance.
- Client Income is 150% - 199% of FPL: 88% of the allowed charge less any amount paid for by insurance.
- Client Income is 200% - 249% of FPL: 75% of the allowed charge less any amount paid for by insurance.
- Client Income is 250% - 299% of FPL: 60% of the allowed charge less any amount paid for by insurance.
- Client Income is 300% - 349% of FPL: 43% of the allowed charge less any amount paid for by insurance.
- Client Income is 350% - 399% of FPL: 33% of the allowed charge less any amount paid for by insurance.

With respect to minority age individuals, a minor child shall not be denied services as a result of the parent's unwillingness to pay the fee or the minor child's decision to receive confidential services pursuant to RSA 318-B:12-a.

Waiting List Management:

When a person who is pregnant or an injection substance abuser seeks treatment and there are no appropriate treatment services available within the required time frame as outlined below, interim services **must** be made available. The Contractor agrees to maintain the wait list management system in WITS that includes a unique patient identifier and include information on dates of requests for admission to treatment, provision of interim services and source for those services, referrals made for treatment or interim services, and disposition of clients on the waiting list.

- The waiting list must contain a mechanism that identifies and counts the number of applicants who present and are determined to be appropriate for substance abuse treatment but are unable to be placed as there is no capacity;
- Maintain contact with individuals awaiting admission; and,
- Admit or transfer waiting list clients at the earliest possible time to an appropriate treatment program within a reasonable geographic area.

The Contractor shall remove a client awaiting treatment from the waiting list only when one of the following conditions exists:

- Such persons cannot be located for admission into treatment *or*
- Such persons refuse treatment.

Specific Interim Services for Pregnant Women, Women with Dependent Children and Injection Drug Users:

The Contractor agrees to contact the BDAS Clinical Services Unit if a pregnant women and women with dependent children or individuals with a history of injection drug use, cannot be accepted into treatment within specific time frames, and agrees that interim services will be provided or facilitated by the Contractor. Interim services for pregnant women must include counseling on the effects of alcohol and drug use on the fetus, referrals for prenatal care, and

Contractor Initials: SI
Date: 5/29/15

counseling and education about HIV and tuberculosis. Interim services for injection drug users must also include counseling and education in the risks of needle sharing, about the risks of transmission to sexual partners and infants, and referral for HIV, Hepatitis C and tuberculosis screening/testing. All interim services shall be documented in the client's clinical record in the WITS system.

Interim Services for other Clients:
The Contractor shall provide, or refer the client to, interim services until level of service identified in the level of care assessment is available and/or the client is willing and assessed as being sufficiently motivated to take advantage of the proposed level of service or interim services. If the client is not able to access interim services at the contractor's agency for geographic or other reasons, the client shall be referred to a DHHS funded provider where they are able to access interim services.

Services to pregnant and parenting women:
The Contractor further agrees that childcare will be made available to women who are in treatment with their dependent children, either through on-site care or through arrangements with an off-site legal childcare provider. Other services required are as follows:

- The family is treated as a unit and, therefore, admits both women and their children into treatment services, if appropriate.
- The Contractor shall provide or arrange for primary medical care for women who are receiving substance abuse services, including prenatal care.
- The Contractor shall provide or arrange for childcare while the women are receiving services even if the children are not in their custody, as long as parental rights have not been terminated.
- The Contractor shall provide or arrange for primary pediatric care for the women's children, including immunizations.
- The Contractor shall provide or arrange for gender-specific substance abuse treatment and other therapeutic interventions for women that may address issues of relationships, sexual abuse, physical abuse, and parenting, and childcare while the women are receiving these services.
- The Contractor shall provide or arrange for therapeutic interventions for children in custody of women in treatment, which may, among other things, address the children's developmental needs, their issues of sexual and physical abuse, and neglect.
- The Contractor shall provide or arrange for sufficient case management and transportation services to ensure that the women and their children have access to the services provided for above.
- If a pregnant, pregnant injection drug using or Injection Drug Using person refuses treatment or says (s)he is not interested in treatment, the wait list report shall be completed with the engagement activities attempted.
- If a pregnant, pregnant injection drug using or Injection Drug Using person no shows or cancels treatment, interim services must be provided, as stipulated above and the wait list report shall be completed that demonstrates the activities of follow up, engagement and substance abuse treatment services offered.

Relationship(s) with Primary Health Care:
The Contractor shall arrange and coordinate services and exchange of information with other health care providers and agencies which:

- Identifies the client's current Primary Care Provider (PCP) at screening and/or intake.
- If the client has no current PCP, the Contractor shall identify available provider(s) in the client's local area such as a federally qualified community health center, community health center, or other local health services.
- Obtains client/patient authorization to communicate with PCP office.
- If no authorization is completed initially, the Contractor shall educate client as to the importance of engaging the PCP in ongoing care and address the client's concerns as part of treatment, with goal of obtaining authorization before discharge.
- Sends the discharge summary to PCP and offers to discuss recovery issues with the provider.
- Arranges (or has the client arrange) a post-discharge appointment with PCP for the client/patient for follow-up of the substance use disorder.

Tobacco Cessation:
The Contractor shall have policies and procedures for both client and Contractor staff, that not only creates a tobacco-free environment as required by law, but to offer tobacco cessation tools and programming. Tobacco use, in and of itself, shall not be grounds for administrative discharge from the program. Initially, all clients shall be assessed for motivation in stopping the use of tobacco products. Providers may tap into resources such as the DPHS Tobacco Prevention & Control Program (TPCP) and the certified tobacco cessation counselors available through the QuitLine. Other resources for providers include:

Breathe New Hampshire
145 Hollis St., Unit C
Manchester, NH 03101
603-669-2411 (phone) or 1-800-835-8647

The New Hampshire Medicaid program covers:

- Nicotine Replacement Therapy (NRT) Gum,
- NRT Patch,
- NRT Nasal Spray,
- NRT Lozenge,
- NRT Inhaler,
- Varenicline (Chantix),
- Bupropion (Zyban),
- Group Counseling and/or
- Individual Counseling. Up to 12 individual counseling sessions are covered per year through a mental health provider (Note: These sessions would NOT be in addition to other mental health counseling sessions under Medicaid). Pregnant women also have the option of group counseling. For more information, visit the website at: http://www.dhhs.state.nh.us/DHHS/MEDICAIDPROGRAM/default.htm

Tuberculosis:
The Contractor shall make available tuberculosis services (defined as screening, counseling, testing, and treatment) directly, or through other providers, to each client receiving treatment. In the case of an individual denied admission due to lack of capacity, the substance abuse treatment Contractor will refer the individual to another provider of tuberculosis services if appropriate. All Contractor providing residential services shall make available, either on-site or through agreements with health care providers, tuberculosis services, including screening,

testing, counseling and referral for medical treatment.

Physical location and facilities:
For the purpose of providing the services described in Section II of the Scope of Services, the Contractor shall obtain and maintain a suitable space complying with all fire, health, and safety codes to include handicapped accessibility and being wheelchair accessible.

The Contractor shall obtain written prior approval of DHHS, acting through BDAS, before entering into any agreement concerning relocation of the service site.

Culturally and Linguistically Appropriate Standards of Care:
DHHS recognizes that culture and language have considerable impact on how consumers access services. Culturally and linguistically diverse populations experience barriers in efforts to access services. To ensure equal access to quality services, DHHS expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.
2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.
3. When feasible and appropriate, provide clients of Limited English Proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.
4. The Contractor is responsible for reasonable accommodations in arranging for interpreter services for hearing impaired clients.
5. The Contractor offers consumers or clients a forum through which those individuals have the opportunity to provide feedback to the Contractor regarding cultural and linguistic issues that may deserve response.

Compliance with State and Federal Laws:
The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. All services provided pursuant to this Contract shall be subject to the most current proposed or formalized rules and regulations promulgated by DHHS, pursuant to RSA 541-A.
2. The Contractor shall maintain adherence to federal and state confidentiality laws specifically: 42 CFR Part 2B, N.H. RSA 318 B:12 and N.H. RSA 172:8-A and the Health Insurance Portability and Accountability Act (HIPAA): *http://www.hhs.gov/ocr/privacy/*
3. The Contractor shall meet the standards outlined in NH Administrative Rule He-A 300, Certification and Operation of Alcohol and other Drug Disorder Treatment Programs. This administrative rule is currently expired and under revision. The Contractor should plan to meet the requirements as outlined in the expired rule until the revisions are completed. He-A 300 can be viewed on the RFP link to this document *http://www.dhhs.nh.gov/business/rfp/index.htm*.
4. The Contractor shall, upon the direction of the State, provide court-ordered evaluation in their catchment area and a sliding scale fee shall apply and the inability to pay shall not interfere with the completion and submission of the court-ordered evaluation and shall,

Contractor Initials: ST
Date: 5/29/15

upon the direction of the State, offer treatment to those individuals pursuant to RSA 172:13.

5. Contractors considering research, including research conducted by student interns, using individuals served by this contract as subjects must adhere to the legal requirements governing human subjects' research. Contractors must inform the DHHS via contact with BDAS prior to initiating any research involving subjects or participants related to this contract. In addition, research conducted on subjects served by this contract may need to be approved by the New Hampshire Department of Health & Human Services Committee for the Protection of Human Subjects (NH DHHS CPHS) see http://www.dhhs.nh.gov/irb/

Client Stabilization:

The Contractor will be expected to arrange for medical clearance for all clients receiving treatment services supported by DHHS administered by BDAS to assure that they are not at risk for acute withdrawal from alcohol and certain drugs. The Contractor shall be expected to provide a range of integrated services that include withdrawal management services that follow detoxification guidelines outlined in Treatment Improvement Protocol (TIP) #45, Detoxification and Substance Abuse Treatment and ASAM guidelines.

Clinical Services:

The Contractor shall provide the following:

a. A minimum of one (1) substance abuse counselor on site each day of the week during primary treatment hours. The substance abuse counselor shall have a bachelor's degree or equivalent in social work/psychology, guidance or nursing and/or a certificate in the field of addiction studies from an approved educational institution or educational/life experience.
b. A minimum of one (1) substance abuse support staff on site each day of the week during all hours not covered by a substance abuse counselor. The substance abuse support staff must have a high school or General Equivalency Diploma (GED). Preference is given to individuals who have completed additional courses or taken training in substance use disorders or other health fields.
c. An intake/admission coordinator on site Monday through Friday of each week. The intake/admission coordinator shall have one (1) years' work experience in the field of addiction studies.
d. A full-time Executive Director, not filling any of the positions described above.

Evaluation:

No client shall be eligible for treatment services without first having an evaluation and referral from an ASAM Level 1 provider. The required evaluation may be conducted by any ASAM Level 1 provider, regardless of DHHS contract status, but will only be DHHS reimbursed for DHHS contracted providers. If this evaluation is completed by a contracted provider, the evaluation shall include administration of either the ASI or GAIN.

Assessment of Risk for Self-Harm/Suicide: The Contractor shall have policies and practices for assessing risk of self-harm at all phases of treatment, such as at initial contact, during screening, intake, admission, on-going treatment services and at discharge, and a process for referral when necessary to include referrals to mental health services.

Use of Best Practices: The Contractor is required to use the Addiction Severity Index (ASI) or Global Appraisal of Individual Needs (GAIN) assessment tools, the SAMHSA/NIDA MATRS treatment-planning model and the WITS electronic case management system.

The Contractor shall develop policies, programs and protocols in accordance with SAMHSA guidelines as outlined in the Treatment Improvement Protocols (TIPs) and Technical Assistance Publications (TAPs). These publications can be downloaded from http://www.kap.samhsa.gov/products/manuals/index.htm

Relevant Policies and Guidelines:
The services provided for in this agreement shall be in addition to the services provided for in any other agreement between the State of New Hampshire, any of its agencies, or any of its officers, and the Contractor.

Without limiting the generality of any other provisions of this agreement, the Contractor shall cooperate fully with, and answer all questions of representatives of the State conducting any periodic or special review of the performance of the Contractor or any inspection of the facilities of the Contractor.

Publications Funded Under Contract:
All products produced under this contract are in the public domain. All products (written, video, audio) produced, reproduced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution, or use. The Contract shall credit DHHS on all materials produced under this contract.

Student Internships:
The Contractor shall establish policies and procedures related to student interns that address minimum coursework, experience and core competencies for those interns having direct contact with individuals served by this contract. Student interns shall complete an approved ethics course prior to beginning the internship.

Staff Licensing Requirements:
The ratio of licensed to non-licensed service providers shall be as follows:
Agencies must have at least one Licensed, or Masters Licensed, Alcohol and Drug Counselor (LADC/MLADC) for each two unlicensed counselors providing substance abuse treatment services and a sufficient number of MLADCs or LADCs with the Licensed Clinical Supervision (LCS) credential to adequately provide for clinical supervision of all clinical staff. This requirement shall be met by the Contractor no later than six (6) months after the date of the Contract effective date.

Updated resumes, which clearly indicate the staff member is employed by the Contractor, including current positions of staff supported by funds provided through this Contract, shall be forwarded to the BDAS as agent for DHHS. The documentation shall include a copy of the New Hampshire Alcohol and Drug Counselor License.

Staff Certification Requirements:
In addition to the requirements for LADCs, all Contractor milieu staff in residential settings and transitional living programs and staff providing recovery support aftercare group services shall be a LADC, MLADC, or Certified Recovery Support Workers (CRSW) under the Board of

Contractor Initials: ST
Date: 5/29/15

Alcohol and Drug Abuse Professional Practice, or working toward that certification under RSA 330-C (http://www.gencourt.state.nh.us/rsa/html/NHTOC/NHTOC-XXX-330-C.htm). Certification must be completed within six (6) months of the contract's approval date.

Staff providing recovery support services are expected to be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification. Peer recovery support services made available through Recovery Community Organizations (RCOs), under agreement with BDAS on behalf of DHHS, shall be provided by individuals certified by those organizations (CRSW not required for peer recovery support services).

Supervision:
Ongoing clinical supervision will include weekly discussion of cases with suggestions for resources or therapeutic approaches, co-therapy, and periodic assessment of progress. When enough candidates are under supervision, group supervision may be included to help optimize the learning experience.

The content of supervision must include knowledge, skills, values, and ethics with specific application to the practice issues faced by the supervisee, including the core functions as described in the Twelve Core Functions of Alcohol and Drug Counseling.

The content of supervision must also include the standards of practice and ethical conduct, with particular emphasis given to the counselor's role and appropriate responsibilities, professional boundaries, and power dynamics.

Staffing Changes:
BDAS as agent for DHHS shall be notified of changes in key personnel with updated resumes that clearly indicate the staff member is employed by the Contractor submitted within five (5) working days. Key personnel are those staff for whom at least 10% of their work time is spent providing alcohol or other drug abuse treatment services.

1. New Hires: The Contractor shall notify BDAS on behalf of DHHS in writing within one month of hire when a new administrator or coordinator or any staff person essential to carrying out this scope of services is hired to work in the program. A resume of the employee, which clearly indicates the staff member is employed by the Contractor, shall accompany this notification.

2. Vacancies: The Contractor shall notify BDAS on behalf of DHHS in writing within 14 calendar days, if at any time, any site funded under this agreement does not have adequate staffing to perform all required services for more than one month.

Other Requirements:
The Contractor shall attend trainings and/or meetings as requested by DHHS.

Regional Network Participation:
The Contractor will designate administrative level staff to regularly participate in the Regional Network and contribute to overall regional network strategic planning, monitoring, evaluation, and cross systems communication efforts, and the development of a regional substance misuse/abuse Continuum of Care. The Contractor is highly encouraged to serve on one of the

Contractor Initials: ST

work groups and/or leadership groups and contribute to data collection, regional strategic planning and evaluation. Participation will be measured by the annual Partner Survey (http://www.partnertool.net/) administered by NH Center for Excellence under contract with BDAS as agent for DHHS.

Performance Measures:
All treatment programs under contract with BDAS on behalf of DHHS are required to report on the National Outcome Measures (NOMs) established by the SAMHSA, as required in the Federal Substance Abuse Prevention and Treatment Block Grant, via the WITS (electronic case management) system. The Department of Health and Human Services reserves the right to consider Contractor performance across all of the domains in future funding decisions.

Data and Reporting Requirements:
1. Without limiting the generality of any other provisions of this agreement, the Contractor shall provide any periodic or special reports required by the DHHS.
2. The Contractor shall notify BDAS, as an authorized agent of DHHS, whenever the Contractor has reached ninety percent capacity to admit new clients. In addition the Contractor shall have a waiting list management policy in accordance with the SAPT Block Grant requirements. This 90% notification process will become automatic when this operation is fully functional in WITS.
3. The Contractor shall notify DHHS through BDAS, within one working day, if sufficient capacity is not available to provide treatment services to a pregnant woman, parenting woman or injection drug user within the required time frames and a referral elsewhere is not successful and interim services cannot be provided.
4. The Contractor shall comply with all research and/or information systems development activities for the electronic case management/Web Information Technology System (CM/WITS) conducted by, or authorized by, DHHS.
5. The Contractor shall administer any client surveys, client evaluations including the addiction Severity Index (ASI) or the Global Appraisal of Individual Needs (GAIN), client treatment outcome instruments, the M.A.T.R.S. Treatment Planning Tool, as required by DHHS.
6. The Contractor must have the ability to communicate and submit required reports via the Web-based submission system and/or e-mail, for treatment s and recovery support services and interim services. All required clinical and documentation activities shall be entered in WITS unless specifically granted an exception by BDAS on behalf of DHHS.

Critical Incident/Sentinel Event Reporting:
The Department's Sentinel Event policy is contained in the following link: http://www.dhhs.nh.gov/dcbcs/sentinel.htm

Division of Community Based Care Services (DCBCS) Sentinel Event Notification:
The preceding events require the immediate verbal notification to the BDAS Assistant Administrator or Clinical Services Unit Administrator upon the discovery of a sentinel event involving an individual(s) receiving services through a DHHS substance use disorder treatment Contractor.

Since the initial and immediate verbal notification of a sentinel event is likely to include protected health information (PHI) as identified below, the Contractor of services to individuals receiving services funded by the DHHS shall disclose PHI in a private and secure manner. Contractors and vendors should not leave voice-mail messages, but instead make direct telephone contact

with the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee. If direct telephone contact is not possible, a voice mail message may be left without protected health information, such as medications and relevant medical and psychiatric diagnoses. As soon as possible after the initial verbal notification, the Contractor will mail or fax a completed *Sentinel Event Reporting Form* as directed in this protocol.

Notification shall include the following:

1. Name and phone number of the individual reporting.
2. Name, date of birth (DOB), medications and all relevant medical and psychiatric diagnoses of individual(s) involved;
3. Location, date, and time of event;
4. Description of the event including what, when, where, how, and other relevant information and identification of any other individuals involved;
5. Legal status of the individual involved with regard to guardianship and power of attorney;
6. Community, guardian, family and/or families' knowledge of the event; and
7. Contractor contact person and contact information.

It shall be the responsibility of the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee to notify the DCBCS Quality Improvement Director by e-mail as soon as the BDAS Clinical Administrator or designee becomes aware a Sentinel Event has occurred. The DCBCS Quality Improvement Director shall make immediate notification to the Commissioner. Internal e-mails within the Department may contain PHI and all Department employees will utilize safeguards to ensure the privacy of the PHI as stated in the DHHS General Manual Health Insurance Portability and Accountability Act (HIPAA) policy #504.

Each DCBCS contractor recognizes its responsibility to report evidence of neglect, abuse or exploitation to the appropriate regulatory agencies as required by RSA 161-F: 42-57 and RSA 169-C:29. In any case of known or suspected neglect, abuse or exploitation, the Contractor aware of the situation shall follow all applicable rules relative to individual rights protection procedures.

Written follow up information is to be forwarded by the reporting Contractor to the appropriate BDAS Administrator listed below within 72 hours by completing the *Sentinel Event Reporting Form.* To protect clients' confidential information, reporting Contractors should submit the *Sentinel Event Reporting Form* either by fax to the BDAS Assistant Administrator or the BDAS Clinical Services Unit Administrator by a mail service that provides delivery confirmation.

Bureau of Drug and Alcohol Services
Assistant Administrator
105 Pleasant Street
Concord, NH 03301
Or by fax to the BDAS Administrator's Office at 271-6105;

Follow-up information is the responsibility of the Contractor and should be submitted in a way as to protect clients' confidential information such as by mail with delivery confirmation and should include:

1. The *Sentinel Event Reporting Form found at the following link:* www.dhhs.nh.gov/dcbcs/documents/sentinelform.pdf
2. Additional details as they are learned or if the status of the situation changes; and,
3. Copies of newspaper articles.

Contractor Initials: ST
Date: 5/29/15

Additionally, DHHS requires critical incident reporting. The Contractor shall report all critical incidents/sentinel events to the BDAS Clinical Services Unit Administrator immediately via telephone. Every effort shall be made to reach the BDAS administrator directly. If a voice message is necessary, sufficient provider contact information shall be provided so that DHHS is able to reach the reporter, or other responsible staff, immediately.

A critical incident includes, but is not limited to, any child or adult protective services report to the Division of Children, Youth and Families (DCYF), or the Bureau of Elderly and Adult Services (BEAS), respectively, regarding any incident involving 1) a staff/employee to youth or client, 2) youth to youth, or 3) client to client. This includes incidents that occur while a client is on leave, or on a pass, from the Contractor and may be off site at the time the incident occurred.

A sentinel event is an unexpected occurrence involving the death or serious physical or psychological injury, or risk thereof, signaling the need for immediate investigation and response.

Death or any serious injury or medical emergency regarding staff or clients that requires emergency medical attention (EMT or other emergency personnel at the Contractor's site, or a hospital emergency room visit), or any crime reportable to law enforcement, or any other serious incident must also be reported to DHHS as described below.

Reportable sentinel events include, but are not limited to, any occurrence that meets any of the following criteria:

1. An unanticipated death or permanent loss of function, not related to the natural course of an individual's illness or underlying condition.
2. Homicide or suicide of any individual receiving DHHS funded care, treatment or services, that had been discharged from a Department funded program or facility within 30 days of the event, or has been evaluated by a service Contractor within the preceding 30 days;
3. Sexual assault or rape of any individual receiving DHHS funded care, treatment or services by another client or employee of any Department funded program or facility where there is an act that was witnessed or there is sufficient clinical evidence obtained by the Contractor to support allegation of nonconsensual sexual contact.
4. Unauthorized departure of an individual receiving DHHS funded services, from a facility providing care, resulting in death or permanent loss of function.
5. Medication error that results in death, paralysis, coma, or other permanent loss of function.
6. Delay or failure to provide DHHS funded Contractor services that result in death or permanent loss of function.
7. Abuse as a result of the willful infliction of injury, unreasonable confinement, intimidation, or punishment with resulting physical harm, or mental anguish. This includes staff neglect or indifference to infliction of injury or intimidation of one individual by another.
8. Neglect as a result of the failure to provide the goods and services necessary to avoid physical harm, mental anguish or mental illness.
9. Assault of or by a client of the Contractor that results in the injury of the person or another person of such severity that medical attention is required.
10. Arson resulting in property loss.
11. High profile events, which may include media coverage and/or police involvement.

On-Site Reviews:

1. The Contractor shall allow a team or person authorized by DHHS to periodically review the Contractor's systems of governance, administration, data collection and submission, clinical, and financial management in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include, but not be limited to, client record reviews to measure compliance with this exhibit.
3. The Contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. DHHS staff shall contact the Contractor in advance of the site visit, so that the Contractor shall have sufficient time to prepare any guidance/reporting systems or logs that will be reviewed at the site visit.

Method and Conditions Precedent to Payment

I. Funding

The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A Amendment #3, Scope of Services.

For the period of July 1, 2015 through December 31, 2015, funding for this Agreement is funded by various sources as a percentage of the total amount of $125,725.00 as follows:

- 46 % Federal Funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant (CFDA #93.959);
- 22 % General Governor's Commission on Alcohol and Drug Abuse Prevention, Intervention and Treatment Funds; and
- 32 % General funds.

The Contractor agrees to provide the services in Exhibit A Amendment #3, Scope of Services in compliance with funding requirements above.

II. Payment Methodology

The Contractor will be reimbursed for providing and delivering the services identified in Exhibit A Amendment #3, section B. The following terms and conditions detailed in this Exhibit B Amendment #3 will apply to all services unless expressly stated otherwise.

The Contractor will use and apply all contract funds from the State for costs and expenses as detailed in the Service Reimbursement Table below. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. Effective July 1, 2014, the contractor will receive a payment for each service at the rates and within the limits described below. For clients receiving DHHS supported services, the contractor may not charge the client, any 3rd party payor, and DHHS a combined rate that is more than the rate established by BDAS for that level of service or any other fees. These parties shall be charged in the following order:

1. The maximum allowed charge will be billed to the client's insurer, if applicable.
2. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
3. The balance of the maximum allowed charge, after deducting the client's portion and insurance payment, if applicable, shall be charged to DHHS.

Contractor Initials ST
Date 5/09/15

**Attempted Contact is at least 3 attempts to contact a client over the course of at least one week.

*** A unit is equal to 15 minutes of service

It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. **Failure to meet this requirement may result in amendment to or termination of the contract. At a minimum, contractors must provide the array of services they contracted to provide for in SFY15.**

III. Performance Incentives:

A. Access to Services:

Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received and shall conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact. For each client who screens eligible for services and starts receiving services, whether for the identified level of care or interim services, within 10 business days following the eligibility screening, the treatment contractor will receive an incentive payment of $75.00. Access incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

B. Completion:

For each client who is discharged from the program because they have completed treatment or transferred to another treatment provider as recorded in the Discharge Type field of the WITS Discharge Module, the treatment contractor will receive an incentive payment of $75.00. Completion incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

C. Client Outcomes:

If a client who was discharged from the program meets at least 3 of the Outcome criteria below in the 3rd and/or 6th month post-discharge, as evidenced by the WITS Follow-Up module, the treatment contractor will receive an incentive payment in the amount of $50. The 3rd month post discharge is considered to be 60 – 120 days post discharge. The 6th month post discharge is considered to be 150 – 210 days post discharge. Outcomes incentives will be calculated and paid on a monthly basis for clients meeting criteria in the previous calendar month. It is expected that at least 50% of discharged clients will be contacted for 3 and/or 6 month follow-up over the contract year.

i. Abstinence: The client reports reduced or no substance use in the past 30 days.
ii. Employment/Education: The client reports increased or retained employment or the client reports returning to or staying in school.
iii. Crime and Criminal Justice: The client reports no arrests in the past 30 days.
iv. Stability in Housing: The client reports being in stable housing.

v. Social Connectedness: The client reports engagement in Recovery Support Services, Care Coordination, and/or Community Based Support Groups in the past 30 days.

D. Performance Incentive Payout Limits:
Performance incentives are limited to no more than 6% of the total contract amount annually. The total amount paid out during the contract year will never exceed the total contract amount. DHHS is not obligated to make payment for any incentives that occur outside of the current contract year; however, incentives may be carried over to future contract years at the discretion of DHHS.

E. Failure to Meet Deliverables:
The Contractor shall comply with all contract requirements as detailed in Exhibit A section B, Required Services. Upon determination that Contractor may not be meeting the required deliverables, within two (2) weeks BDAS will provide a written correction action plan. Within two (2) weeks of notification of the corrective action plan, Contractor will provide a written remedial plan. BDAS will monitor the corrective actions for 60 days. Failure to meet requirements of the corrective action plan within 60 days may result in withholding of any or all payments or termination of the contract.

F. Invoicing & Billing:
The Contractor shall complete all billing for all services defined in this Agreement through the WITS system according to protocols established by BDAS.

The Contractor shall have written authorization from the State prior to using contract funds to purchase or lease any equipment with a cost in excess of two thousand five hundred dollars ($2500) and with a useful life beyond one year.

IV. Allocation of Funding:
It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. The contractor is prohibited from spending down more than the sum of the total contract amount that includes the cost of the client services and related incentives.

V. Availability of Alternative Funding:
The New Hampshire Department of Health and Human Services may terminate or amend the contract should alternate third party payors, including Medicaid, the New Hampshire Health Protection Program and/or insurance available on the New Hampshire Insurance Exchange cover any of the services included in this contract.

VI. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds:
The Contractor agrees to use the SAPT funds as the payment of last resort.
Restrictions on SAPT Block Grant on State and Contractor expenditures include:
The State may not:

- Provide inpatient hospital services except under those conditions outlined in the regulations.
- Make cash payments to intended recipients of substance abuse services.
- Purchase or improve land.

- Purchase, construct, or permanently improve buildings or other facilities.
- Purchase major medical equipment.
- Satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds. (in-kind)
- Provide financial assistance to any entity other than a public or non-profit private entity.
- Provide individuals with hypodermic needles or syringes.
- Expend more than the amount of Block Grant funds expended in FFY91 for treatment services provided in penal or correctional institutions of the State.

The Contractor shall not:

- Use any federal funds provided under this contract for the purpose of conducting testing for the etiologic agent for Human Immunodeficiency Virus (HIV) unless such testing is accompanied by appropriate pre and post-test counseling.
- Use any federal funds provided under this contract for the purpose of conducting any form of needle exchange, free needle programs or the distribution of bleach for the cleaning of needles for intravenous drug abusers.

VII. Charitable Choice:

Federal Charitable Choice statutory provisions ensure that religious organizations are able to equally compete for Federal substance abuse funding administered by SAMHSA, without impairing the religious character of such organizations and without diminishing the religious freedom of SAMHSA beneficiaries (see 42 USC 300x-65 and 42 CFR Part 54 and Part 54a, 45 CFR Part 96, Charitable Choice Provisions and Regulations). Charitable Choice statutory provisions of the Public Health Service Act enacted by Congress in 2000 are applicable to the SAPT Block Grant program. No funds provided directly from SAMHSA or the relevant State or local government to organizations participating in applicable programs may be expended for inherently religious activities, such as worship, religious instruction, or proselytization. If an organization conducts such activities, it must offer them separately, in time or location, from the programs or services for which it receives funds directly from SAMHSA or the relevant State or local government under any applicable program, and participation must be voluntary for the program beneficiaries.

VIII. Notwithstanding paragraph 18 of the General Provisions of this Agreement P-37, an amendment limited to adjusting amounts within the budgets and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of Governor and Executive Council.

SPECIAL PROVISIONS

Contractors Obligations: The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
   7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
   7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

8. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:
   8.1. Fiscal Records: books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.
   8.2. Statistical Records: Statistical, enrollment, attendance or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.
   8.3. Medical Records: Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

9. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.
   9.1. Audit and Review: During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.
   9.2. Audit Liabilities: In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

10. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

11. **Reports:** Fiscal and Statistical: The Contractor agrees to submit the following reports at the following times if requested by the Department.
    11.1. Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.
    11.2. Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

12. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

13. **Credits:** All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:
    13.1. The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

14. **Prior Approval and Copyright Ownership:** All materials (written, video, audio) produced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution or use. The DHHS will retain copyright ownership for any and all original materials produced, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports. Contractor shall not reproduce any materials produced under the contract without prior written approval from DHHS.

15. **Operation of Facilities: Compliance with Laws and Regulations:** In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

16. **Equal Employment Opportunity Plan (EEOP):** The Contractor will provide an Equal Employment Opportunity Plan (EEOP) to the Office for Civil Rights, Office of Justice Programs (OCR), if it has received a single award of $500,000 or more. If the recipient receives $25,000 or more and has 50 or

more employees, it will maintain a current EEOP on file and submit an EEOP Certification Form to the OCR, certifying that its EEOP is on file. For recipients receiving less than $25,000, or public grantees with fewer than 50 employees, regardless of the amount of the award, the recipient will provide an EEOP Certification Form to the OCR certifying it is not required to submit or maintain an EEOP. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption. EEOP Certification Forms are available at: http://www.ojp.usdoj/about/ocr/pdfs/cert.pdf.

17. **Limited English Proficiency (LEP):** As clarified by Executive Order 13166, Improving Access to Services for persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with the Omnibus Crime Control and Safe Streets Act of 1968 and Title VI of the Civil Rights Act of 1964, Contractors must take reasonable steps to ensure that LEP persons have meaningful access to its programs.

18. **Pilot Program for Enhancement of Contractor Employee Whistleblower Protections:** The following shall apply to all contracts that exceed the Simplified Acquisition Threshold as defined in 48 CFR 2.101 (currently, $150,000)

CONTRACTOR EMPLOYEE WHISTLEBLOWER RIGHTS AND REQUIREMENT TO INFORM EMPLOYEES OF WHISTLEBLOWER RIGHTS (SEP 2013)

(a) This contract and employees working on this contract will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239) and FAR 3.908.

(b) The Contractor shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation.

(c) The Contractor shall insert the substance of this clause, including this paragraph (c), in all subcontracts over the simplified acquisition threshold.

19. **Subcontractors:** DHHS recognizes that the Contractor may choose to use subcontractors with greater expertise to perform certain health care services or functions for efficiency or convenience, but the Contractor shall retain the responsibility and accountability for the function(s). Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.
When the Contractor delegates a function to a subcontractor, the Contractor shall do the following:
    19.1. Evaluate the prospective subcontractor's ability to perform the activities, before delegating the function
    19.2. Have a written agreement with the subcontractor that specifies activities and reporting responsibilities and how sanctions/revocation will be managed if the subcontractor's performance is not adequate
    19.3. Monitor the subcontractor's performance on an ongoing basis

19.4. Provide to DHHS an annual schedule identifying all subcontractors, delegated functions and responsibilities, and when the subcontractor's performance will be reviewed
19.5. DHHS shall, at its discretion, review and approve all subcontracts.

If the Contractor identifies deficiencies or areas for improvement are identified, the Contractor shall take corrective action.

DEFINITIONS
As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean that section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Wherever federal or state laws, regulations, rules, orders, and policies, etc. are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc. as they may be amended or revised from the time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

REVISIONS TO GENERAL PROVISIONS

1. Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:

   4. CONDITIONAL NATURE OF AGREEMENT.
   Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A Amendment #3, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

2. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

   10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

   10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

   10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

   10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

   10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

3. Subparagraph 14.1.1 of the General Provisions of this contract, is deleted and the following subparagraph is added:

   14.1.1 Comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $1,000,000 per occurrence with additional general liability umbrella coverage of not less than $3,000,000.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted
   1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
   1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

Exhibit A Amendment #2

Scope of Services

A. Population Served

Services are available to New Hampshire residents who meet diagnostic, financial, and other eligibility criteria for Department of Health and Human Services supported substance use disorder services as defined in Section C, Clients Eligible for Treatment Services.

B. The Contractor shall provide treatment services as identified below:

Service Table - An "X" denotes that the Contractor shall provide that service(s) to eligible individuals in accordance with all applicable laws, rules, and regulations and terms and conditions of this Agreement.

Required Services	*Treatment Services*
X	***Outpatient Treatment (ASAM Level 1)*** - Substance abuse treatment services provided in individual and group counseling sessions in a non-residential setting. Clients may be enrolled in outpatient treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days.
X	***Outpatient Treatment (ASAM Level 1) – Pregnant & Parenting Women*** – Outpatient Treatment as identified above provided to pregnant & parenting women.
X	***Intensive Outpatient Treatment (ASAM Level 2.1)*** – A combination of individual and group substance abuse treatment services conducted in an outpatient setting for a minimum of 3 hours of direct client treatment services per day for a minimum of three days per week. Clients receiving less than this level of service should be enrolled in an outpatient program. Clients may be enrolled in intensive outpatient treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days.
X	***Intensive Outpatient Treatment (ASAM Level 2.1) – Pregnant & Parenting Women*** - Intensive Outpatient Treatment as identified above provided to pregnant & parenting women.
X	***Low-Intensity Residential Treatment (ASAM Level 3.1, Formerly Transitional Living)*** – Residential substance abuse treatment services are designed to support individuals in the early stages of recovery that need this residential level of care and/or are homeless. The goal of these programs is to prepare clients to become self-sufficient in the community. Clients may be enrolled in low-intensity residential treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. Residents typically work in the community and may pay a portion of their room and board.
X	***Low-Intensity Residential Treatment (ASAM Level 3.1, Formerly Transitional Living) – Pregnant Women*** - Low-Intensity Residential Treatment as identified above provided to

	pregnant & parenting women.
	High-Intensity Residential – Adult (ASAM Level 3.5, Formerly: Residential – Treatment Adult) and Medium Intensity Residential – Adolescent (ASAM Level 3.5, Formerly: Residential – Treatment Adolescent) - Short-term residential substance abuse treatment designed to assist individuals who require a more intensive level of service in a structured setting and/or individuals that may be homeless. Admission is on a voluntary basis. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days.
	High-Intensity Residential – Adult (ASAM Level 3.5, Formerly: Residential – Treatment Adult) and Medium Intensity Residential – Adolescent (ASAM Level 3.5, Formerly: Residential – Treatment Adolescent) - Pregnant Women - High-Intensity Residential – Adult and Medium Intensity Residential – Adolescent as identified above provided to pregnant women.
	Specialty Residential Treatment for Pregnant & Parenting Women (ASAM Level 3.5) - Residential treatment services for pregnant and parenting women and their children. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days.
X	***Recovery Support Services:*** Group or individual services that are consistent with an individual's recovery plan that prevent relapse and enhance or remove barriers to recovery. Examples of recovery support services include, but are not limited to: assisting clients with enrollment in Medicaid, the New Hampshire Health Protection Program (NHHPP), or private insurance, anger management, financial management, communication skills, spiritual support, parenting skills, health management, case management, organization and time management, recovery coaching, recovery mentoring, stress management, and vocational services. Programs may focus on a single recovery support service or provide a curriculum that includes an array of recovery support services. Types of Recovery Support Services are listed below:
X	• Continuous recovery monitoring services are regular follow-ups with clients to assess the status of the client's recovery, identify any needs the client may have and help the client to address those needs, and provide early intervention for client's who have relapsed or who's recovery is otherwise at risk.
	• Enhanced Services are specialized services that remove barriers to a client's participation in treatment. Examples of these services are child care while a parent is participating in treatment or transportation to and/or from the treatment site.
X	***Recovery Support Services*** as identified above provided to pregnant & parenting women.

C. *Required Services*

Priority Admission:

1) The Contractor shall give admission preference to pregnant women and women with dependent children, even if the children are not in their custody, as long as parental rights have not been terminated, including the provision of interim services within the required 48 hour time frame.
2) Individuals with a history of injection drug use including the provision of interim services within 14 days.
3) Individuals with a primary diagnosis of a substance use disorder, which may also include a co-occurring mental health disorder.
4) Individuals on medication-assisted treatment for co-occurring substance abuse and mental health disorders or various opiate replacement therapies, including, but not limited to, methadone, buprenorphine and naltrexone.

Required Outreach:

New Hampshire Department of Health & Human Services (DHHS) programs receiving federal treatment Block Grant funds requires that Contractors must publicize services available to pregnant or parenting women and injection drug users in need of substance abuse treatment and that these individuals receive preference for admission to treatment. This may be done as follows, but is not limited to, street outreach programs, ongoing public service announcements (radio/television), regular advertisements in local/regional print media, posters placed in targeted areas, and frequent notification of availability of such treatment distributed to the network of community based organizations, health care providers and social service agencies. The Contractor will submit their outreach plans to DHHS through the Bureau of Drug and Alcohol Services (BDAS) within 60 days of contract effective date.

Health Facilities Administration Licensing Requirements:

Housing programs with substance abuse treatment services at the same location will need to secure necessary licensing as a Residential Rehabilitation Facility by the DHHS Bureau of Health Facilities Administration, as appropriate, see He-P 807 at the following link: (http://www.gencourt.state.nh.us/rules/state_agencies/he-p800.html). Any contractor with an American Society of Addiction Medicine (ASAM) (October 2013) Level 3.3 or higher level program must secure this licensing for all Level 3 programs housed within the same facility as the Level 3.3 program. In the case of residential treatment and housing at the same site, residential programs should plan to treat no more than 16 pregnant or parenting women at any given time to comply with federal Medicaid restrictions on Institute for Mental Diseases (IMD) exclusion criteria. This restriction would not apply to programs in which the client's residence is in a separate location from the treatment program.

Capacity Reporting:

The Contractor must contact BDAS, as agent for DHHS, when their capacity has reached 90% within 5 business days. The Contractor must refer pregnant women to the State when the Contractor has insufficient capacity to provide services to any such pregnant women who seek the services of the program. Sending e-mail to the BDAS Clinical Services Unit Administrator may complete this notification process.

Access to Services:
The Contractor shall respond to calls requesting treatment and/or transitional living program services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within 2 business days following the day the call was received.

The Contractor is required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.

Those who have screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days follow the eligibility screening. If the client is not able to access interim services at the contractor's agency for geographic or other reasons, the client should be referred to a DHHS funded provider where they are able to access interim services.

Contractors receiving grant funds from DHHS will not discriminate against clients who are using legitimate medications to assist their recovery and will not have policies that allow them to refuse admission to treatment or to discharge clients from treatment based on the use of appropriately prescribed medications and various opiate replacement therapies, including, but not limited to, methadone and buprenorphine, as well as other forms of medication-assisted treatment for co-occurring substance abuse and mental health disorders.

Clients Eligible for Treatment Services:
In order to be eligible for DHHS supported services, a client must meet all eligibility criteria described below. Eligibility determination shall be conducted as follows:

1. Substance Use Disorder, Financial Eligibility & Residency Screening: The contractor shall complete the eligibility screening module in the Web Information Technology System (WITS) to determine if the client meets residency, financial, and substance use disorder potential eligibility requirements:
    a. Residency: The client must be a resident of New Hampshire or homeless in New Hampshire to be eligible for DHHS supported services; and
    b. Financial Eligibility: The client's income must be below 400% of Federal Poverty Level (FPL) to be eligible for DHHS supported services based on the sliding fee scale described below. Once the screening has been completed, the contractor shall print the associated attestation and have the client sign this document. A copy of the signed attestation shall be maintained in the client file. The client's financial eligibility shall be reassessed no less than every 120 days.; and
    c. Potential for a Substance Use Disorder: The client must screen positive for a potential substance use disorder to be eligible for DHHS funded services.
2. Evaluation: The contractor shall conduct a full substance abuse evaluation, which includes administration of either the Addiction Severity Index (ASI) in WITS or Global Appraisal of Individual Needs (GAIN).
    a. Substance Use Disorder: This evaluation shall be used to determine if the client meets Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition (DSM5) criteria for a substance use disorder. Clients who meet DSM5 criteria for a substance use disorder are eligible for DHHS funded services. Client who do not meet these criteria are not eligible for DHHS funded services.

b. Level of Care: For clients who have met all other eligibility requirements, this evaluation shall be used to determine the appropriate level of care for the client based on ASAM (October 2013) criteria. The client is eligible for DHHS funded services at the assessed level of care unless such a level of care is unavailable or the client chooses to enter a lower level of care. If the assessed level of care in unavailable, the client may choose to enter the next higher level of care.

3. Medicaid/NHHPP Eligibility: The contractor shall determine whether or not the client is eligible for Medicaid/NHHPP coverage for the identified level of care. If the client is not eligible for Medicaid/NHHPP coverage for the identified level of care, the client may be eligible for DHHS funded services. If the client is eligible for Medicaid/NHHPP coverage for the identified level of care, the client is not eligible for DHHS funded services.
4. Insurance Coverage: The contractor shall determine whether or not the client has insurance that will cover services at the identified level of care. If the client does not have insurance that will reimburse for these services at a rate equal to or greater than the DHHS rate, the client is eligible for DHHS funded services. If the client has insurance that will reimburse for these services at an amount equal or greater to the DHHS reimbursement rate, the client is not eligible for DHHS funded services. The contractor may not charge the combination of the client, any 3rd party payor, and DHHS more than the maximum charge allowed. These parties shall be charged in the following order:
    a. The maximum allowed charge will be billed to the client's insurer, if applicable.
    b. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
    c. The balance of the maximum allowed charge after deducting the client's portion and the insurance payment, if applicable, shall be charged to DHHS.

Sliding Fee Scale:

The contractor shall not charge the combination of the client, any 3rd party payor and BDAS an amount greater than the maximum rate allowed for each service. All reasonable efforts shall be made to collect payment of bills. A client's inability to pay shall not preclude admission to the program and treatment.

- Client Income is 0% - 138% of FPL: 100% of the allowed charge less any amount paid for by insurance.
- Client Income is 139% - 149% of FPL: 92% of the allowed charge less any amount paid for by insurance.
- Client Income is 150% - 199% of FPL: 88% of the allowed charge less any amount paid for by insurance.
- Client Income is 200% - 249% of FPL: 75% of the allowed charge less any amount paid for by insurance.
- Client Income is 250% - 299% of FPL: 60% of the allowed charge less any amount paid for by insurance.
- Client Income is 300% - 349% of FPL: 43% of the allowed charge less any amount paid for by insurance.
- Client Income is 350% - 399% of FPL: 33% of the allowed charge less any amount paid for by insurance.

With respect to minority age individuals, a minor child shall not be denied services as a result of the parent's unwillingness to pay the fee or the minor child's decision to receive confidential services pursuant to RSA 318-B:12-a.

Waiting List Management:
When a person who is pregnant or an injection substance abuser seeks treatment and there are no appropriate treatment services available within the required time frame as outlined below, interim services **must** be made available. The Contractor agrees to maintain the wait list management system in WITS that includes a unique patient identifier and include information on dates of requests for admission to treatment, provision of interim services and source for those services, referrals made for treatment or interim services, and disposition of clients on the waiting list.

- The waiting list must contain a mechanism that identifies and counts the number of applicants who present and are determined to be appropriate for substance abuse treatment but are unable to be placed as there is no capacity;
- Maintain contact with individuals awaiting admission; and,
- Admit or transfer waiting list clients at the earliest possible time to an appropriate treatment program within a reasonable geographic area.

The Contractor shall remove a client awaiting treatment from the waiting list only when one of the following conditions exists:

- Such persons cannot be located for admission into treatment *or*
- Such persons refuse treatment.

Specific Interim Services for Pregnant Women, Women with Dependent Children and Injection Drug Users:
The Contractor agrees to contact the BDAS Clinical Services Unit if a pregnant women and women with dependent children or individuals with a history of injection drug use, cannot be accepted into treatment within specific time frames, and agrees that interim services will be provided or facilitated by the Contractor. Interim services for pregnant women must include counseling on the effects of alcohol and drug use on the fetus, referrals for prenatal care, and counseling and education about HIV and tuberculosis. Interim services for injection drug users must also include counseling and education in the risks of needle sharing, about the risks of transmission to sexual partners and infants, and referral for HIV, Hepatitis C and tuberculosis screening/testing. All interim services shall be documented in the client's clinical record in the WITS system.

Interim Services for other Clients:
The Contractor shall provide, or refer the client to, interim services until level of service identified in the level of care assessment is available and/or the client is willing and assessed as being sufficiently motivated to take advantage of the proposed level of service or interim services. If the client is not able to access interim services at the contractor's agency for geographic or other reasons, the client shall be referred to a DHHS funded provider where they are able to access interim services.

Services to pregnant and parenting women:
The Contractor further agrees that childcare will be made available to women who are in treatment with their dependent children, either through on-site care or through arrangements with an off-site legal childcare provider. Other services required are as follows:

- The family is treated as a unit and, therefore, admits both women and their children into treatment services, if appropriate.
- The Contractor shall provide or arrange for primary medical care for women who are receiving substance abuse services, including prenatal care.
- The Contractor shall provide or arrange for childcare while the women are receiving services even if the children are not in their custody, as long as parental rights have not been terminated.
- The Contractor shall provide or arrange for primary pediatric care for the women's children, including immunizations.
- The Contractor shall provide or arrange for gender-specific substance abuse treatment and other therapeutic interventions for women that may address issues of relationships, sexual abuse, physical abuse, and parenting, and childcare while the women are receiving these services.
- The Contractor shall provide or arrange for therapeutic interventions for children in custody of women in treatment, which may, among other things, address the children's developmental needs, their issues of sexual and physical abuse, and neglect.
- The Contractor shall provide or arrange for sufficient case management and transportation services to ensure that the women and their children have access to the services provided for above.
- If a pregnant, pregnant injection drug using or Injection Drug Using person refuses treatment or says (s)he is not interested in treatment, the wait list report shall be completed with the engagement activities attempted.
- If a pregnant, pregnant injection drug using or Injection Drug Using person no shows or cancels treatment, interim services must be provided, as stipulated above and the wait list report shall be completed that demonstrates the activities of follow up, engagement and substance abuse treatment services offered.

Relationship(s) with Primary Health Care:
The Contractor shall arrange and coordinate services and exchange of information with other health care providers and agencies which:

- Identifies the client's current Primary Care Provider (PCP) at screening and/or intake.
- If the client has no current PCP, the Contractor shall identify available provider(s) in the client's local area such as a federally qualified community health center, community health center, or other local health services.
- Obtains client/patient authorization to communicate with PCP office.
- If no authorization is completed initially, the Contractor shall educate client as to the importance of engaging the PCP in ongoing care and address the client's concerns as part of treatment, with goal of obtaining authorization before discharge.
- Sends the discharge summary to PCP and offers to discuss recovery issues with the provider.
- Arranges (or has the client arrange) a post-discharge appointment with PCP for the client/patient for follow-up of the substance use disorder.

Tobacco Cessation:
The Contractor shall have policies and procedures for both client and Contractor staff, that not only creates a tobacco-free environment as required by law, but to offer tobacco cessation tools and programming. Tobacco use, in and of itself, shall not be grounds for administrative discharge from the program. Initially, all clients shall be assessed for motivation in stopping the use of tobacco products. Providers may tap into resources such as the DPHS Tobacco Prevention & Control Program (TPCP) and

the certified tobacco cessation counselors available through the QuitLine. Other resources for providers include:

Breathe New Hampshire
145 Hollis St., Unit C
Manchester, NH 03101
603-669-2411 (phone) or 1-800-835-8647

The New Hampshire Medicaid program covers:

- Nicotine Replacement Therapy (NRT) Gum,
- NRT Patch,
- NRT Nasal Spray,
- NRT Lozenge,
- NRT Inhaler,
- Varenicline (Chantix),
- Bupropion (Zyban),
- Group Counseling and/or
- Individual Counseling. Up to 12 individual counseling sessions are covered per year through a mental health provider (Note: These sessions would NOT be in addition to other mental health counseling sessions under Medicaid). Pregnant women also have the option of group counseling. For more information, visit the website at: http://www.dhhs.state.nh.us/DHHS/MEDICAIDPROGRAM/default.htm

Tuberculosis:
The Contractor shall make available tuberculosis services (defined as screening, counseling, testing, and treatment) directly, or through other providers, to each client receiving treatment. In the case of an individual denied admission due to lack of capacity, the substance abuse treatment Contractor will refer the individual to another provider of tuberculosis services if appropriate. All Contractor providing residential services shall make available, either on-site or through agreements with health care providers, tuberculosis services, including screening, testing, counseling and referral for medical treatment.

Physical location and facilities:
For the purpose of providing the services described in Section II of the Scope of Services, the Contractor shall obtain and maintain a suitable space complying with all fire, health, and safety codes to include handicapped accessibility and being wheelchair accessible.

The Contractor shall obtain written prior approval of DHHS, acting through BDAS, before entering into any agreement concerning relocation of the service site.

Culturally and Linguistically Appropriate Standards of Care:
DHHS recognizes that culture and language have considerable impact on how consumers access services. Culturally and linguistically diverse populations experience barriers in efforts to access services. To ensure equal access to quality services, DHHS expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.
2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. When feasible and appropriate, provide clients of Limited English Proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.
4. The Contractor is responsible for reasonable accommodations in arranging for interpreter services for hearing impaired clients.
5. The Contractor offers consumers or clients a forum through which those individuals have the opportunity to provide feedback to the Contractor regarding cultural and linguistic issues that may deserve response.

Compliance with State and Federal Laws:
The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. All services provided pursuant to this Contract shall be subject to the most current proposed or formalized rules and regulations promulgated by DHHS, pursuant to RSA 541-A.
2. The Contractor shall maintain adherence to federal and state confidentiality laws specifically: 42 CFR Part 2B, N.H. RSA 318 B:12 and N.H. RSA 172:8-A and the Health Insurance Portability and Accountability Act (HIPAA): *http://www.hhs.gov/ocr/privacy/*
3. The Contractor shall meet the standards outlined in NH Administrative Rule He-A 300, Certification and Operation of Alcohol and other Drug Disorder Treatment Programs. This administrative rule is currently expired and under revision. The Contractor should plan to meet the requirements as outlined in the expired rule until the revisions are completed. He-A 300 can be viewed on the RFP link to this document *http://www.dhhs.nh.gov/business/rfp/index.htm*.
4. The Contractor shall, upon the direction of the State, provide court-ordered evaluation in their catchment area and a sliding scale fee shall apply and the inability to pay shall not interfere with the completion and submission of the court-ordered evaluation and shall, upon the direction of the State, offer treatment to those individuals pursuant to RSA 172:13.
5. Contractors considering research, including research conducted by student interns, using individuals served by this contract as subjects must adhere to the legal requirements governing human subjects' research. Contractors must inform the DHHS via contact with BDAS prior to initiating any research involving subjects or participants related to this contract. In addition, research conducted on subjects served by this contract may need to be approved by the New Hampshire Department of Health & Human Services Committee for the Protection of Human Subjects (NH DHHS CPHS) see *http://www.dhhs.nh.gov/irb/*

Client Stabilization:
The Contractor will be expected to arrange for medical clearance for all clients receiving treatment services supported by DHHS administered by BDAS to assure that they are not at risk for acute withdrawal from alcohol and certain drugs. The Contractor shall be expected to provide a range of integrated services that include withdrawal management services that follow detoxification guidelines outlined in Treatment Improvement Protocol (TIP) #45, Detoxification and Substance Abuse Treatment and ASAM guidelines.

Clinical Services:
The Contractor shall provide the following:

a. A minimum of one (1) substance abuse counselor on site each day of the week during primary treatment hours. The substance abuse counselor shall have a bachelor's degree or equivalent in social work/psychology, guidance or nursing and/or a certificate in the field of addiction studies from an approved educational institution or educational/life experience.
b. A minimum of one (1) substance abuse support staff on site each day of the week during all hours not covered by a substance abuse counselor. The substance abuse support staff must have a high school or General Equivalency Diploma (GED). Preference is given to individuals who have completed additional courses or taken training in substance use disorders or other health fields.
c. An intake/admission coordinator on site Monday through Friday of each week. The intake/admission coordinator shall have one (1) years' work experience in the field of addiction studies.
d. A full-time Executive Director, not filling any of the positions described above.

Evaluation:
The contractor shall conduct a full substance abuse evaluation, which includes administration of either the ASI or GAIN to determine eligibility for services. This evaluation must be updated every 120 days or when the client transitions to a different level of care.

Assessment of Risk for Self-Harm/Suicide: The Contractor shall have policies and practices for assessing risk of self-harm at all phases of treatment, such as at initial contact, during screening, intake, admission, on-going treatment services and at discharge, and a process for referral when necessary to include referrals to mental health services.

The Contractor shall develop policies, programs and protocols in accordance with SAMHSA guidelines as outlined in the Treatment Improvement Protocols (TIPs) and Technical Assistance Publications (TAPs). These publications can be downloaded from http://www.kap.samhsa.gov/products/manuals/index.htm .

Use of Best Practices: The Contractor is required to use the Addiction Severity Index (ASI) or Global Appraisal of Individual Needs (GAIN) assessment tools, the SAMHSA/NIDA MATRS treatment-planning model and the WITS electronic case management system.

Care Coordination:
The Contractor is required to assess each client's need/appropriateness for residential transitional living services and to **refer all clients for care coordination services** made available through the Access to Recovery (ATR) initiative administered by the BDAS so long as this initiative remains available on behalf of DHHS that would commence following the initial course of treatment. Contractors are required to address motivational issues with clients for them to participate effectively in the care coordination and recovery support services. Contractors are required to have clients sign the "ATR Client Participation Agreement" (made available by BDAS), indicating that they either agree or opt out of participating in these services. The contractor will facilitate all clients who agree to participate in these services to complete the Client Participation Agreement and upon obtaining a signed release of information, refer clients to an ATR Care Coordinator Program at least two weeks prior to anticipated date of discharge (dis-enrollment) from services. Assessing the need for aftercare services is expected to take place while

the client is involved within the most recent episode of care, with a referral being made and accepted by the care coordination service prior to the client being discharged.

The Contractor must provide the following for use by the care coordination program:

- Private space for interviewing/meeting with clients.
- Access to internet (either wired or wireless) in the meeting space
- Telephone in the meeting space and
- A contact person at the Contractor's site for logistics.

It is the expectation of the BDAS at DHHS that, upon completion of appropriate signed releases, the Contractor will provide the care coordination program with necessary information from the clinical record (evaluation, treatment plan, progress notes, etc.) for the care coordination program to develop a service plan with the client.

All alcohol and other drug treatment providers under contract with the BDAS on behalf of DHHS are required to address with all clients, the need for continuing services. This includes clinically managed low-intensity treatment programs under contract with the BDAS on behalf of DHHS as well as care coordination and recovery support services made available through DHHS contracted providers; the ATR initiative administered by BDAS, so long as this initiative remains available; and/or any other resources that become available to pay for these services that would commence following the initial course of treatment. The referral for these services should take place prior to discharge from the initial course of treatment.

Relevant Policies and Guidelines:
The services provided for in this agreement shall be in addition to the services provided for in any other agreement between the State of New Hampshire, any of its agencies, or any of its officers, and the Contractor.

Without limiting the generality of any other provisions of this agreement, the Contractor shall cooperate fully with, and answer all questions of representatives of the State conducting any periodic or special review of the performance of the Contractor or any inspection of the facilities of the Contractor.

Publications Funded Under Contract:
All products produced under this contract are in the public domain. All products (written, video, audio) produced, reproduced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution, or use. The Contract shall credit DHHS on all materials produced under this contract.

Student Internships:
The Contractor shall establish policies and procedures related to student interns that address minimum coursework, experience and core competencies for those interns having direct contact with individuals served by this contract. Student interns shall complete an approved ethics course prior to beginning the internship.

Staff Licensing Requirements:
The ratio of licensed to non-licensed service providers shall be as follows:
Agencies must have at least one Licensed, or Masters Licensed, Alcohol and Drug Counselor (LADC/MLADC) for each two unlicensed counselors providing substance abuse treatment services and a sufficient number of MLADCs or LADCs with the Licensed Clinical Supervision (LCS) credential to adequately provide for clinical supervision of all clinical staff. This requirement shall be met by the Contractor no later than six (6) months after the date of the Contract effective date.

Updated resumes, which clearly indicate the staff member is employed by the Contractor, including current positions of staff supported by funds provided through this Contract, shall be forwarded to the BDAS as agent for DHHS. The documentation shall include a copy of the New Hampshire Alcohol and Drug Counselor License.

Staff Certification Requirements:
In addition to the requirements for LADCs, all Contractor milieu staff in residential settings and transitional living programs and staff providing recovery support aftercare group services shall be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification under RSA 330-C (http://www.gencourt.state.nh.us/rsa/html/NHTOC/NHTOC-XXX-330-C.htm). Certification must be completed within six (6) months of the contract's approval date.

Staff providing recovery support services are expected to be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification. Peer recovery support services made available through Recovery Community Organizations (RCOs), under agreement with BDAS on behalf of DHHS, shall be provided by individuals certified by those organizations (CRSW not required for peer recovery support services).

Supervision:
Ongoing clinical supervision will include weekly discussion of cases with suggestions for resources or therapeutic approaches, co-therapy, and periodic assessment of progress. When enough candidates are under supervision, group supervision may be included to help optimize the learning experience.

The content of supervision must include knowledge, skills, values, and ethics with specific application to the practice issues faced by the supervisee, including the core functions as described in the Twelve Core Functions of Alcohol and Drug Counseling.

The content of supervision must also include the standards of practice and ethical conduct, with particular emphasis given to the counselor's role and appropriate responsibilities, professional boundaries, and power dynamics.

Staffing Changes:
BDAS as agent for DHHS shall be notified of changes in key personnel with updated resumes that clearly indicate the staff member is employed by the Contractor submitted within five (5) working days. Key personnel are those staff for whom at least 10% of their work time is spent providing alcohol or other drug abuse treatment services.

1. New Hires: The Contractor shall notify BDAS on behalf of DHHS in writing within one month of hire when a new administrator or coordinator or any staff person essential to carrying out this scope of services is hired to work in the program. A resume of the employee, which clearly indicates the staff member is employed by the Contractor, shall accompany this notification.

2. Vacancies: The Contractor shall notify BDAS on behalf of DHHS in writing within 14 calendar days, if at any time, any site funded under this agreement does not have adequate staffing to perform all required services for more than one month.

Other Requirements:
The Contractor shall attend trainings and/or meetings as requested by DHHS.

ATR and Recovery Support Services:
All DHHS funded treatment and recovery support service providers must also be approved Access to Recovery (ATR) providers, so long as the ATR initiative remains available, as this will be the source of funding for these recovery support services through the Voucher Management System (VMS). Information on becoming an ATR provider can be found on the DHHS website: http://www.dhhs.nh.gov/dcbcs/bdas/atr/becomingprovider.htm

Regional Network Participation:
The Contractor will designate administrative level staff to regularly participate in the Regional Network and contribute to overall regional network strategic planning, monitoring, evaluation, and cross systems communication efforts. The Contractor is highly encouraged to serve on one of the work groups and contribute to data collection, regional strategic planning and evaluation. Participation will be measured by the annual Partner Survey (http://www.partnertool.net/) administered by NH Center for Excellence under contract with BDAS as agent for DHHS.

Performance Measures:
All treatment programs under contract with BDAS on behalf of DHHS are required to report on the National Outcome Measures (NOMs) established by the SAMHSA, as required in the Federal Substance Abuse Prevention and Treatment Block Grant, via the WITS (electronic case management) system. The Department of Health and Human Services reserves the right to consider Contractor performance across all of the domains in future funding decisions.

Data and Reporting Requirements:
1. Without limiting the generality of any other provisions of this agreement, the Contractor shall provide any periodic or special reports required by the DHHS.
2. The Contractor shall notify BDAS, as an authorized agent of DHHS, whenever the Contractor has reached ninety percent capacity to admit new clients. In addition the Contractor shall have a waiting list management policy in accordance with the SAPT Block Grant requirements. This 90% notification process will become automatic when this operation is fully functional in WITS.
3. The Contractor shall notify DHHS through BDAS, within one working day, if sufficient capacity is not available to provide treatment services to a pregnant woman, parenting woman or injection drug user within the required time frames and a referral elsewhere is not successful and interim services cannot be provided.

4. The Contractor shall comply with all research and/or information systems development activities for the electronic case management/Web Information Technology System (CM/WITS) conducted by, or authorized by, DHHS.
5. The Contractor shall administer any client surveys, client evaluations including the addiction Severity Index (ASI) or the Global Appraisal of Individual Needs (GAIN), client treatment outcome instruments, the M.A.T.R.S. Treatment Planning Tool, as required by DHHS.
6. The Contractor must have the ability to communicate and submit required reports via the Web-based submission system and/or e-mail, for treatment s and recovery support services and interim services. All required clinical and documentation activities shall be entered in WITS unless specifically granted an exception by BDAS on behalf of DHHS.

Critical Incident/Sentinel Event Reporting:
The Department's Sentinel Event policy is contained in the following link: http://www.dhhs.nh.gov/dcbcs/sentinel.htm

Division of Community Based Care Services (DCBCS) Sentinel Event Notification:
The preceding events require the immediate verbal notification to the BDAS Assistant Administrator or Clinical Services Unit Administrator upon the discovery of a sentinel event involving an individual(s) receiving services through a DHHS substance use disorder treatment Contractor.

Since the initial and immediate verbal notification of a sentinel event is likely to include protected health information (PHI) as identified below, the Contractor of services to individuals receiving services funded by the DHHS shall disclose PHI in a private and secure manner. Contractors and vendors should not leave voice-mail messages, but instead make direct telephone contact with the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee. If direct telephone contact is not possible, a voice mail message may be left without protected health information, such as medications and relevant medical and psychiatric diagnoses. As soon as possible after the initial verbal notification, the Contractor will mail or fax a completed *Sentinel Event Reporting Form* as directed in this protocol.

Notification shall include the following:
1. Name and phone number of the individual reporting.
2. Name, date of birth (DOB), medications and all relevant medical and psychiatric diagnoses of individual(s) involved;
3. Location, date, and time of event;
4. Description of the event including what, when, where, how, and other relevant information and identification of any other individuals involved;
5. Legal status of the individual involved with regard to guardianship and power of attorney;
6. Community, guardian, family and/or families' knowledge of the event; and
7. Contractor contact person and contact information.

It shall be the responsibility of the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee to notify the DCBCS Quality Improvement Director by e-mail as soon as the BDAS Clinical Administrator or designee becomes aware a Sentinel Event has occurred. The DCBCS Quality Improvement Director shall make immediate notification to the Commissioner. Internal e-mails within the Department may contain PHI and all Department employees will utilize safeguards to ensure the privacy

of the PHI as stated in the DHHS General Manual Health Insurance Portability and Accountability Act (HIPAA) policy #504.

Each DCBCS contractor recognizes its responsibility to report evidence of neglect, abuse or exploitation to the appropriate regulatory agencies as required by RSA 161-F: 42-57 and RSA 169-C:29. In any case of known or suspected neglect, abuse or exploitation, the Contractor aware of the situation shall follow all applicable rules relative to individual rights protection procedures.

Written follow up information is to be forwarded by the reporting Contractor to the appropriate BDAS Administrator listed below within 72 hours by completing the *Sentinel Event Reporting Form.* To protect clients' confidential information, reporting Contractors should submit the *Sentinel Event Reporting Form* either by fax to the BDAS Assistant Administrator or the BDAS Clinical Services Unit Administrator by a mail service that provides delivery confirmation.

Bureau of Drug and Alcohol Services
Assistant Administrator
105 Pleasant Street
Concord, NH 03301
Or by fax to the BDAS Administrator's Office at 271-6105;

Follow-up information is the responsibility of the Contractor and should be submitted in a way as to protect clients' confidential information such as by mail with delivery confirmation and should include:

1. The *Sentinel Event Reporting Form(www.dhhs.nh.gov/dcbcs/documents/sentinelform.pdf)*;
2. Additional details as they are learned or if the status of the situation changes; and,
3. Copies of newspaper articles.

Additionally, DHHS requires critical incident reporting. The Contractor shall report all critical incidents/sentinel events to the BDAS Clinical Services Unit Administrator immediately via telephone. Every effort shall be made to reach the BDAS administrator directly. If a voice message is necessary, sufficient provider contact information shall be provided so that DHHS is able to reach the reporter, or other responsible staff, immediately.

A critical incident includes, but is not limited to, any child or adult protective services report to the Division of Children, Youth and Families (DCYF), or the Bureau of Elderly and Adult Services (BEAS), respectively, regarding any incident involving 1) a staff/employee to youth or client, 2) youth to youth, or 3) client to client. This includes incidents that occur while a client is on leave, or on a pass, from the Contractor and may be off site at the time the incident occurred.

A sentinel event is an unexpected occurrence involving the death or serious physical or psychological injury, or risk thereof, signaling the need for immediate investigation and response.

Death or any serious injury or medical emergency regarding staff or clients that requires emergency medical attention (EMT or other emergency personnel at the Contractor's site, or a hospital emergency room visit), or any crime reportable to law enforcement, or any other serious incident must also be reported to DHHS as described below.

Contractor Initials: 5-19-2014
Date:

Reportable sentinel events include, but are not limited to, any occurrence that meets any of the following criteria:

1. An unanticipated death or permanent loss of function, not related to the natural course of an individual's illness or underlying condition.
2. Homicide or suicide of any individual receiving DHHS funded care, treatment or services, that had been discharged from a Department funded program or facility within 30 days of the event, or has been evaluated by a service Contractor within the preceding 30 days;
3. Sexual assault or rape of any individual receiving DHHS funded care, treatment or services by another client or employee of any Department funded program or facility where there is an act that was witnessed or there is sufficient clinical evidence obtained by the Contractor to support allegation of nonconsensual sexual contact.
4. Unauthorized departure of an individual receiving DHHS funded services, from a facility providing care, resulting in death or permanent loss of function.
5. Medication error that results in death, paralysis, coma, or other permanent loss of function.
6. Delay or failure to provide DHHS funded Contractor services that result in death or permanent loss of function.
7. Abuse as a result of the willful infliction of injury, unreasonable confinement, intimidation, or punishment with resulting physical harm, or mental anguish. This includes staff neglect or indifference to infliction of injury or intimidation of one individual by another.
8. Neglect as a result of the failure to provide the goods and services necessary to avoid physical harm, mental anguish or mental illness.
9. Assault of or by a client of the Contractor that results in the injury of the person or another person of such severity that medical attention is required.
10. Arson resulting in property loss.
11. High profile events, which may include media coverage and/or police involvement.

On-Site Reviews:

1. The Contractor shall allow a team or person authorized by DHHS to periodically review the Contractor's systems of governance, administration, data collection and submission, clinical, and financial management in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include, but not be limited to, client record reviews to measure compliance with this exhibit.
3. The Contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. DHHS staff shall contact the Contractor in advance of the site visit, so that the Contractor shall have sufficient time to prepare any guidance/reporting systems or logs that will be reviewed at the site visit.

Method and Conditions Precedent to Payment

The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A, Scope of Services, and in accordance with Exhibit B.

Funding for this Agreement is funded by various sources as a percentage of the total amount of $251,450 as follows:

- 46 % Federal Funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant (CFDA #93.959);
- 22 % General Governor's Commission on Alcohol and Drug Abuse Prevention, Intervention and Treatment Funds; and
- 32 % General funds.

I. Payment Methodology

The Contractor shall be reimbursed for providing and delivering the services listed in Exhibit A, paragraph B. The following terms and conditions detailed in this Exhibit B shall apply to all services unless expressly stated otherwise.

The Contractor shall agree to use and apply all contract funds from the State for costs and expenses as detailed in the Service Reimbursement Table below. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. Starting in State Fiscal Year 2015 (effective July 1, 2014) the contractor will receive a payment for each service at the rates and within the limits described below. For clients receiving DHHS supported services, the contractor may not charge the client, any 3rd party payor, and DHHS a combined rate that is more than the rate established by BDAS for that level of service or any other fees. These parties shall be charged in the following order:

1. The maximum allowed charge will be billed to the client's insurer, if applicable.
2. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
3. The balance of the maximum allowed charge, after deducting the client's portion and insurance payment, if applicable, shall be charged to DHHS.

Service Reimbursement Table - A check mark indicates the services and corresponding rates the Contractor will be reimbursed for.

Check mark indicates applicable service	Service	DHHS Established Rate	Service Limit

* Providers may bill the per diem rate for Intensive Outpatient Treatment services only on those days when the client attends individual and/or group counseling associated with the program. It is expected that each day of attendance includes a minimum of 3 hours of group and/or individual counseling services.

**Attempted Contact is at least 3 attempts to contact a client over the course of at least one week.

*** A unit is equal to 15 minutes of service
It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. Failure to meet this requirement may result in amendment to or termination of the contract. At a minimum, contractors must provide the array of services they contracted to provide for in SFY14.

1. **Performance Incentives:**

A. Access to Services:

Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received and shall conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact. For each client who screens eligible for

Contractor Initials:
Date: 5-13-2014

services and starts receiving services, whether for the identified level of care or interim services, within 10 business days following the eligibility screening, the treatment contractor will receive an incentive payment of $75.00. Access incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

B. Completion:

For each client who is discharged from the program because they have completed treatment or transferred to another treatment provider as recorded in the Discharge Type field of the WITS Discharge Module, the treatment contractor will receive an incentive payment of $75.00. Completion incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

C. Client Outcomes:

If a client who was discharged from the program meets at least 3 of the Outcome criteria below in the 3rd and/or 6th month post-discharge, as evidenced by the WITS Follow-Up module, the treatment contractor will receive an incentive payment in the amount of $50. The 3rd month post discharge is considered to be 60 – 120 days post discharge. The 6th month post discharge is considered to be 150 – 210 days post discharge. Outcomes incentives will be calculated and paid on a monthly basis for clients meeting criteria in the previous calendar month. It is expected that at least 50% of discharged clients will be contacted for 3 and/or 6 month follow-up over the contract year.

i. Abstinence: The client reports reduced or no substance use in the past 30 days.
ii. Employment/Education: The client reports increased or retained employment or the client reports returning to or staying in school.
iii. Crime and Criminal Justice: The client reports no arrests in the past 30 days.
iv. Stability in Housing: The client reports being in stable housing.
v. Social Connectedness: The client reports engagement in Recovery Support Services, Care Coordination, and/or Community Based Support Groups in the past 30 days.

D. Performance Incentive Payout Limits:

Performance incentives are limited to no more than 6% of the total contract amount annually. The total amount paid out during the contract year will never exceed the total contract amount. DHHS is not obligated to make payment for any incentives that occur outside of the current contract year; however, incentives may be carried over to future contract years at the discretion of DHHS.

2. Failure to Meet Deliverables:

The Contractor shall comply with all contract requirements as detailed in Exhibit A section B, Required Services. Upon determination that Contractor may not be meeting the required deliverables, within two (2) weeks BDAS will provide a written correction action plan. Within two (2) weeks of notification of the corrective action plan, Contractor will provide a written remedial plan. BDAS will monitor the corrective actions for 60 days. Failure to meet requirements of the corrective action plan within 60 days may result in withholding of any or all payments or termination of the contract.

3. Invoicing & Billing:

All billing shall be completed via the WITS system according to protocols established by BDAS.

The Contractor shall have written authorization from the State prior to using contract funds to purchase or lease any equipment with a cost in excess of two thousand five hundred dollars ($2500) and with a useful life beyond one year.

II. Allocation of Funding:

It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. The contractor is prohibited from spending down more than the sum of the total contract amount that includes the cost of the client services and related incentives.

III. Availability of Alternative Funding:

The New Hampshire Department of Health and Human Services may terminate or amend the contract should alternate third party payors, including Medicaid, the New Hampshire Health Protection Program and/or insurance available on the New Hampshire Insurance Exchange cover any of the services included in this contract.

IV. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds:

The Contractor agrees to use the SAPT funds as the payment of last resort.

Restrictions on SAPT Block Grant on State and Contractor expenditures include:
The State may not:

- Provide inpatient hospital services except under those conditions outlined in the regulations.
- Make cash payments to intended recipients of substance abuse services.
- Purchase or improve land.
- Purchase, construct, or permanently improve buildings or other facilities.
- Purchase major medical equipment.
- Satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds. (in-kind)
- Provide financial assistance to any entity other than a public or non-profit private entity.
- Provide individuals with hypodermic needles or syringes.
- Expend more than the amount of Block Grant funds expended in FFY91 for treatment services provided in penal or correctional institutions of the State.

The Contractor shall not:

- Use any federal funds provided under this contract for the purpose of conducting testing for the etiologic agent for Human Immunodeficiency Virus (HIV) unless such testing is accompanied by appropriate pre and post-test counseling.
- Use any federal funds provided under this contract for the purpose of conducting any form of needle exchange, free needle programs or the distribution of bleach for the cleaning of needles for intravenous drug abusers.

V. Charitable Choice:

Contractor Initials:
Date: 5-19-2014

Federal Charitable Choice statutory provisions ensure that religious organizations are able to equally compete for Federal substance abuse funding administered by SAMHSA, without impairing the religious character of such organizations and without diminishing the religious freedom of SAMHSA beneficiaries (see 42 USC 300x-65 and 42 CFR Part 54 and Part 54a, 45 CFR Part 96, Charitable Choice Provisions and Regulations). Charitable Choice statutory provisions of the Public Health Service Act enacted by Congress in 2000 are applicable to the SAPT Block Grant program. No funds provided directly from SAMHSA or the relevant State or local government to organizations participating in applicable programs may be expended for inherently religious activities, such as worship, religious instruction, or proselytization. If an organization conducts such activities, it must offer them separately, in time or location, from the programs or services for which it receives funds directly from SAMHSA or the relevant State or local government under any applicable program, and participation must be voluntary for the program beneficiaries.

VI. Notwithstanding paragraph 18 of the General Provisions of this Agreement P-37, an amendment limited to adjusting amounts within the budgets and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of Governor and Executive Council.

State of New Hampshire
Department of Health and Human Services
Amendment #1 to the Substance Abuse Treatment and Recovery Support Services Contract

This first Amendment to the Substance Abuse Treatment and Recovery Support Services contract (hereinafter referred to as "Amendment #1") dated this April 24th day of 2013, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Headrest, Inc. (hereinafter referred to as "the Contractor"), a nonprofit corporation with a place of business at 14 Church Street, Lebanon, NH 03766.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 and Exhibit C, Paragraph 17, the State may, extend the agreement by one year by written agreement of the parties;

WHEREAS the State desires to have the Contractor continue to provide the services as specified in the agreement for another one year period;

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

1) Amendment and modification of P-37 "Agreement";
   a) Change Completion date in Block 1.7 of the P-37 to read June 30, 2014.
   b) Change Price Limitation in Block 1.8 of the P-37 to read $ 502,900.00

2) Amendment and modification of Exhibit A;
   a) **Delete** "CONTRACT PERIOD: July 1, 2012, or date of G&C approval, whichever is later, Through June 30, 2013"
   b) **Change** II A **from:** "The contractor shall provide treatment services in the geographic area(s)/location(s) as specified below:"
      Change to: "The contractor shall provide treatment services, in each State Fiscal Year, in the geographic area(s)/location(s) as specified below:"
   c) **Change** II B Group Recovery Support Services **from**: "Contractors, with the exception of those agencies that only offer outpatient services, are required to develop the capacity for group recovery support aftercare services for a minimum of 50% of the number treatment clients (including outpatient and transitional living program clients) they are under contract to serve. These group recovery support services are for clients discharged from substance use disorder (SUD) treatment services provided under contract with BDAS on behalf of DHHS, which may include clients that had received SUD treatment from the Contractor or a different agency. Contractors are only allowed to access these services for their clients or clients that had received SUD treatment from a different agency through the statewide care coordination program under agreement with BDAS on behalf of DHHS."

MJS 5/9/13

Change to: "Contractors, with the exception of those agencies that only offer outpatient services, are required to develop the capacity for group recovery support aftercare services for a minimum of 25% of the number treatment clients (including outpatient and transitional living program clients) they are under contract to serve. These group recovery support services are for clients discharged from substance use disorder (SUD) treatment services provided under contract with BDAS on behalf of DHHS, which may include clients that had received SUD treatment from the Contractor or a different agency. Contractors are only allowed to access these services for their clients or clients that had received SUD treatment from a different agency through the statewide care coordination program under agreement with BDAS on behalf of DHHS."

EXPLANATION

The purpose of this agreement is to provide a continuum of substance abuse treatment services such as community based outpatient, intensive outpatient, residential, transitional living, and recovery support services, including specialized treatment services for pregnant and parenting women and their children, in the Lebanon Area.

Client eligibility for treatment services is targeted at those either unable to pay for services or able to pay only part of the cost of services, and who has or is suspected of having an alcohol or other drug abuse problem, and who is a resident of the State of New Hampshire or is homeless in NH. All clients discharged from treatment services supported by this contract will be referred to care coordination and recovery-support aftercare services as clinically appropriate, supported separately by the Federal Access to Recovery Grant.

The State is migrating toward a Resiliency and Recovery Oriented Systems of Care. Recovery-oriented systems of care are networks of organizations, agencies and community members that coordinate a wide spectrum of services to prevent, intervene in, and treat substance use problems and disorders. In addition, this contract will allow the State to improve the quality and array of services available to clients. Quality improvement efforts include the exchange of data and information that will support "data driven" prevention and treatment programming to better address the needs to the region.

The New Hampshire Office of Energy and Planning reported the 2009 Population Estimates of New Hampshire Cities and Towns as 1,324,575. The National Survey on Drug Use and Health commissioned by the Substance Abuse and Mental Health Services Administration in 2008/2009 reported the following demographic data for New Hampshire:

- Alcohol Abuse: 97,630 (7% of population)
- Alcohol dependence: 44,850 (3% of population)
- Illicit Drug Abuse: 43,810 (3% of population)
- Illicit Drug Dependence: 32,240 (2% of population)
- Substance Abuse: 126,630 (10% of population)
- Needing but not receiving treatment for alcohol abuse: 93,990 (7% of population)
- Needing but not receiving treatment for illicit drug use: 39,390 (3% of population)

In addition, the New Hampshire Medical Examiner office reported 172 drug related overdose deaths in NH during 2010. The New Hampshire Administrative Office of the Courts reported 9,500 arrests and 5,000 convictions for Driving While Impaired in 2009. Approximately 90% of individuals arrested for Driving While Impaired have an underlying substance abuse disorder according to the National Institute on Alcohol Abuse and Alcoholism.

Should the Governor and Executive Council determine to not authorize this Request, agencies would not have sufficient resources to promote, implement and provide the array of services necessary to provide individuals with substance use disorders the necessary tools to achieve, enhance and sustain recovery. In addition, failure to obligate the federal funds in the Substance Abuse Prevention and Treatment Block Grant to community based programs to provide alcohol and other drug treatment service would place that Block Grant in jeopardy.

Headrest, Inc., was selected for this agreement through a competitive bid process. A Request for Proposals was posted on the Department's web site on March 6, 2012 through April 2, 2012. In addition, a bidder's conference was held on March 12, 2012.

A total of 19 proposals were received. A review committee of three professionals reviewed each proposal. All reviewers have between three to twenty years experience managing agreements with vendors for various public health programs. Areas of specific expertise include: maternal and child health; substance abuse prevention and treatment; chronic and communicable diseases; and public health infrastructure. Eighteen of the proposals were selected for funding based on review criteria that included availability of funds, consistency with stated funding priorities, technical score, and equitable geographic distribution. The agency that was not selected did not meet the minimum scoring criteria established for funding. The Bid Summary is attached.

This request covers services for the period July 1, 2012 to June 30, 2013, with an option to renew for one additional year, pending availability of funding, the agreement of the parties and approval of Governor and Council. These services were contracted previously with this agency in State Fiscal Year 2012 in the amount of $251,450.00. This agreement represents level funding.

The following performance measures will be used to measure the effectiveness of the agreement:

- Utilization criteria will be applied exclusively on a month-by-month basis according to the criteria below.

i. Contracts running at 90% to 100% of utilization in a given month will be reimbursed at 100% of the contracted rate for that month.
ii. Contracts running at 80% to 89% of utilization in a given month will be reimbursed at rate of 95% of the contracted rate for that month.
iii. Contracts running below 80% of utilization in a given month will be reimbursed at the rate of utilization for that month (for example for a given month in which utilization was 59% the contractor would be reimbursed at 59% of the contracted rate for that month).

- Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received. The following Access Criteria must be met for a minimum of 80% of prospective clients (from clients or referring agencies) for the month in which billing is being submitted:

i. Treatment contractors are required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.
ii. Those who have screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days follow the eligibility screening.

- A minimum of 70% of clients, which have completed or otherwise are no longer receiving services, will have met the minimum retention standards for the modality of services received as noted below:

i. Have completed a minimum of 6 sessions of outpatient treatment services (OP)
ii. Have completed a minimum of 8 days of intensive outpatient treatment services (IOP) – only those days in which a client has participated in minimum of 10 units (2.5 hours) of service per day (12 units per day is the standard for IOP services) may be counted.
iii. Have completed a minimum of 14 days of residential treatment service
iv. Has completed a minimum of 28 days in a transitional living/halfway house residential program.

Area served: Lebanon Area.

Source of Funds: 45.99% Federal Funds from Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant, 50.85% General Funds and 3.16% Other (Highway) Funds.

In the event that the Federal or Other Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Nancy L. Rollins

2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the governor and Executive Council of the State of new Hampshire, this Agreement, and all obligations of the parties hereunder, shall not become effective until the date the Governor and Executive Council approve this Agreement ("Effective Date"). Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in the block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/EQUAL EMPLOYMENT OPPORTUNITY

6.1 In connections with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. In addition, the Contractor shall comply with all applicable copyright laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provision of Executive Order No. 11246 ("Equal Employment Opportunity") as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

9. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the state, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

9.3 confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. TERMINATION. In the event of an early termination of this agreement for any reason other than the completion of the Services, the contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the Attached EXHIBIT A.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS. The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the N.H. Department of Administrative services. None of the Services shall be subcontracted by the Contractor without the prior written consent of the State.

13. INDEMNIFICATION. The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of the Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per occurrence; and

14.1.2 fire and extended coverage insurance covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than fifteen (15) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each

Certificates (s) of insurance shall contain a clause requiring the insurer to endeavor to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than ten (10) days prior to written notice of cancellation or modification of the policy.

15. WORKERS' COMPENSATION

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("Workers' Compensation").

15.2 To the extent the contractor is subject to the Requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 2810A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United State Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire.

19. CONSTRUCTION OF AGREEMENT AND TERMS. This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to the express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

I. General Provisions

CONTRACT PERIOD: July 1, 2012, or date of G&C approval, whichever is later, Through June 30, 2013

CONTRACTOR NAME: Headrest, Inc.

ADDRESS: 14 Church Street, Lebanon, New Hampshire 03766

EXECUTIVE DIRECTOR: Michael Cryans
TELEPHONE: (603) 448-4872 X 110

II. Scope of Services

A. The Contractor shall provide treatment services in the geographic area(s)/location(s) as specified below:

Treatment Modality	# of Beds	# of FTE's	Geographic Area(s)/ Location(s)	Minimum number of clients to be served during the contract period	$ Awarded
Outpatient		1.16	Grafton / Sullivan Counties	36	$86,762.00
Transitional Living Program – Adult	5.01		Statewide	20	$164,688.00
Group – Recovery Support Services *				28	0

* Group Recovery Support Services are funded by the Department of Health & Human Services, Access To Recovery initiative.

B. Required Services

Priority Admission:

1) The Contractor shall give admission preference to pregnant women and women with dependent children, even if the children are not in their custody, as long as parental rights have not been terminated, including the provision of interim services within the required 48 hour time frame.
2) Individuals with a history of injection drug use including the provision of interim services within 14 days.
3) Individuals with a primary diagnosis of a substance use disorder, which may also include a co-occurring mental health disorder.
4) Individuals on medication-assisted treatment for co-occurring substance abuse and mental health disorders or various opiate replacement therapies, including, but not limited to, methadone, buprenorphine and naltrexone.

Required Outreach:
New Hampshire Department of Health & Human Services (DHHS) programs receiving federal treatment Block Grant funds requires that Contractors must publicize services available to pregnant or parenting women and injection drug users in need of substance abuse treatment and that these individuals receive preference for admission to treatment. This may be done as follows, but is not limited to, street outreach programs, ongoing public service announcements (radio/television), regular advertisements in local/regional print media, posters placed in targeted areas, and frequent notification of availability of such treatment distributed to the network of community based organizations, health care providers and social service agencies. The Contractor will submit their outreach plans to DHHS through the Bureau of Drug and Alcohol Services (BDAS) within 60 days of contract effective date.

Health Facilities Administration Licensing Requirements:
Housing programs with substance abuse treatment services at the same location will need to secure necessary licensing as a Residential Rehabilitation Facility by the DHHS Bureau of Health Facilities Administration, as appropriate, see He-P 807 at the following link: (http://www.gencourt.state.nh.us/rules/state_agencies/he-p800.html). In the case of residential treatment and housing at the same site, residential programs should plan to treat no more than 16 pregnant or parenting women at any given time to comply with federal Medicaid restrictions on Institute for Mental Diseases (IMD) exclusion criteria. This restriction would not apply to programs in which the client's residence is in a separate location from the treatment program.

Capacity Reporting:
The Contractor must contact BDAS, as agent for DHHS, when their capacity has reached 90% within 5 business days. The Contractor must refer pregnant women to the State when the Contractor has insufficient capacity to provide services to any such pregnant women who seek the services of the program. Sending e-mail to the BDAS Clinical Services Unit Administrator may complete this notification process.

Access to Services:
The Contractor shall respond to calls requesting treatment and/or transitional living program services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within 2 business days following the day the call was received. The Access Criteria as defined in Exhibit B must be met for a minimum of 80% of prospective clients (from clients or referring agencies) for the month in which billing is being submitted.

The Contractor is required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.

Those who have screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days follow the eligibility screening.

Limitations on Exclusionary Criteria:
American Society for Addiction Medicine (ASAM) Patient Placement Criteria, in and of itself, shall not be a reason to deny a higher level of care to an individual, if the lower level of care is unavailable or inaccessible. Level of care will be determined by the administration of the Addiction Severity Index (ASI) or the Global Appraisal of Individual Needs (GAIN).

Contractors receiving grant funds from DHHS will not discriminate against clients who are using legitimate medications to assist their recovery and will not have policies that allow them to refuse admission to treatment or to discharge clients from treatment based on the use of appropriately prescribed medications and various opiate replacement therapies, including, but not limited to, methadone and buprenorphine, as well as other forms of medication-assisted treatment for co-occurring substance abuse and mental health disorders.

Clients Eligible for Treatment Services:
A client who is either unable to pay for services or able to pay only part of the cost of services, and who has or is suspected of having an alcohol or other drug abuse problem, and who is a resident of the State of New Hampshire or is homeless in NH.

Sliding Fee Scale:
The Contractor shall adopt a sliding fee scale based on federal poverty guidelines as published in the most recent Federal Register (http://aspe.hhs.gov/poverty/). The Contractor must provide the client with the cost of services and a fee scale prior to rendering services. The Contractor's sliding fees scale and fee schedule shall be submitted to BDAS, as agent for DHHS, within 60 days of contract effective date. Changes in the sliding fee scale or service fee schedule shall be submitted to the BDAS on behalf of DHHS within 30 days of the change.

The Contractor shall bill clients in accordance with a sliding fee scale based on federal poverty guidelines. The fee schedule shall include a no-cost option approved by BDAS on behalf of DHHS. All reasonable efforts shall be made to collect payment of bills. A client's inability to pay shall not preclude admission to the program and treatment.

With respect to minority age individuals, a minor child shall not be denied services as a result of the parent's unwillingness to pay the fee or the minor child's decision to receive confidential services pursuant to RSA 318-B:12-a.

Waiting List Management:
When a person who is pregnant or an injection substance abuser seeks treatment and there are no appropriate treatment services available within the required time frame as outlined below, interim services **must** be made available. The Contractor agrees to maintain the wait list management system in WITS that includes a unique patient identifier and include information on dates of requests for admission to treatment, provision of interim services and source for those services, referrals made for treatment or interim services, and disposition of clients on the waiting list.

- The waiting list must contain a mechanism that identifies and counts the number of applicants who present and are determined to be appropriate for substance abuse treatment but are unable to be placed as there is no capacity;
- Maintain contact with individuals awaiting admission; and,
- Admit or transfer waiting list clients at the earliest possible time to an appropriate treatment program within a reasonable geographic area.

The Contractor shall remove a client awaiting treatment from the waiting list only when one of the following conditions exists:

- Such persons cannot be located for admission into treatment *or*
- Such persons refuse treatment.

Specific Interim Services for Pregnant Women, Women with Dependent Children and Injection Drug Users:
The Contractor agrees to contact the BDAS Clinical Services Unit if a pregnant women and women with dependent children or individuals with a history of injection drug use, cannot be accepted into treatment within specific time frames, and agrees that interim services will be provided or facilitated by the Contractor. Interim services for pregnant women must include counseling on the effects of alcohol and drug use on the fetus, referrals for prenatal care, and counseling and education about HIV and tuberculosis. Interim services for injection drug users must also include counseling and education in the risks of needle sharing, about the risks of transmission to sexual partners and infants, and referral for HIV, Hepatitis C and tuberculosis screening/testing. All interim services shall be documented in the client's clinical record in the WITS system.

Interim Services for other Clients:

The Contractor shall provide, or refer the client to, interim services until level of service identified in the level of care assessment is available and/or the client is willing and assessed as being sufficiently motivated to take advantage of the proposed level of service or interim services.

Services to pregnant and parenting women:
The Contractor further agrees that childcare will be made available to women who are in treatment with their dependent children, either through on-site care or through arrangements with an off-site legal childcare provider. Other services required are as follows:

- The family is treated as a unit and, therefore, admits both women and their children into treatment services, if appropriate.
- The Contractor shall provide or arrange for primary medical care for women who are receiving substance abuse services, including prenatal care.
- The Contractor shall provide or arrange for childcare while the women are receiving services even if the children are not in their custody, as long as parental rights have not been terminated.
- The Contractor shall provide or arrange for primary pediatric care for the women's children, including immunizations.
- The Contractor shall provide or arrange for gender-specific substance abuse treatment and other therapeutic interventions for women that may address issues of relationships, sexual abuse, physical abuse, and parenting, and childcare while the women are receiving these services.
- The Contractor shall provide or arrange for therapeutic interventions for children in custody of women in treatment, which may, among other things, address the children's developmental needs, their issues of sexual and physical abuse, and neglect.
- The Contractor shall provide or arrange for sufficient case management and transportation services to ensure that the women and their children have access to the services provided for above.
- If a pregnant, pregnant injection drug using or Injection Drug Using person refuses treatment or says (s)he is not interested in treatment, the wait list report shall be completed with the engagement activities attempted.
- If a pregnant, pregnant injection drug using or Injection Drug Using person no shows or cancels treatment, interim services must be provided, as stipulated above and the wait list report shall be completed that demonstrates the activities of follow up, engagement and substance abuse treatment services offered.

Relationship(s) with Primary Health Care:
The Contractor shall arrange and coordinate services and exchange of information with other health care providers and agencies which:

- Identifies the client's current Primary Care Provider (PCP) at screening and/or intake.
- If the client has no current PCP, the Contractor shall identify available provider(s) in the client's local area such as a federally qualified community health center, community health center, or other local health services.
- Obtains client/patient authorization to communicate with PCP office.
- If no authorization is completed initially, the Contractor shall educate client as to the importance of engaging the PCP in ongoing care and address the client's concerns as part of treatment, with goal of obtaining authorization before discharge.
- Sends the discharge summary to PCP and offers to discuss recovery issues with the provider.
- Arranges (or has the client arrange) a post-discharge appointment with PCP for the client/patient for follow-up of the substance use disorder.

Tobacco Cessation:
The Contractor shall have policies and procedures for both client and Contractor staff, that not only creates a tobacco-free environment as required by law, but to offer tobacco cessation tools and programming. Tobacco use, in and of itself, shall not be grounds for administrative discharge from the program. Initially, all clients shall be

assessed for motivation in stopping the use of tobacco products. Providers may tap into resources such as the DPHS Tobacco Prevention & Control Program (TPCP) and the certified tobacco cessation counselors available through the QuitLine. Other resources for providers include:

Breathe New Hampshire
145 Hollis St., Unit C
Manchester, NH 03101
603-669-2411 (phone) or 1-800-835-8647

The New Hampshire Medicaid program covers:

- Nicotine Replacement Therapy (NRT) Gum,
- NRT Patch,
- NRT Nasal Spray,
- NRT Lozenge,
- NRT Inhaler,
- Varenicline (Chantix),
- Bupropion (Zyban),
- Group Counseling and/or
- Individual Counseling. Up to 12 individual counseling sessions are covered per year through a mental health provider (Note: These sessions would NOT be in addition to other mental health counseling sessions under Medicaid). Pregnant women also have the option of group counseling. For more information, visit the website at: http://www.dhhs.state.nh.us/DHHS/MEDICAIDPROGRAM/default.htm

Tuberculosis:

The Contractor shall make available tuberculosis services (defined as screening, counseling, testing, and treatment) directly, or through other providers, to each client receiving treatment. In the case of an individual denied admission due to lack of capacity, the substance abuse treatment Contractor will refer the individual to another provider of tuberculosis services if appropriate. All Contractor providing residential services shall make available, either on-site or through agreements with health care providers, tuberculosis services, including screening, testing, counseling and referral for medical treatment.

Physical location and facilities:

For the purpose of providing the services described in Section II of the Scope of Services, the Contractor shall obtain and maintain a suitable space complying with all fire, health, and safety codes to include handicapped accessibility and being wheelchair accessible.

The Contractor shall obtain written prior approval of DHHS, acting through BDAS, before entering into any agreement concerning relocation of the service site.

Culturally and Linguistically Appropriate Standards of Care:

DHHS recognizes that culture and language have considerable impact on how consumers access services. Culturally and linguistically diverse populations experience barriers in efforts to access services. To ensure equal access to quality services, DHHS expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.
2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.
3. When feasible and appropriate, provide clients of Limited English Proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.
4. The Contractor is responsible for reasonable accommodations in arranging for interpreter services for hearing impaired clients.

5. The Contractor offers consumers or clients a forum through which those individuals have the opportunity to provide feedback to the Contractor regarding cultural and linguistic issues that may deserve response.

Compliance with State and Federal Laws:
The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. All services provided pursuant to this Contract shall be subject to the most current proposed or formalized rules and regulations promulgated by DHHS, pursuant to RSA 541-A.
2. The Contractor shall maintain adherence to federal and state confidentiality laws specifically: 42 CFR Part 2B, N.H. RSA 318 B:12 and N.H. RSA 172:8-A and the Health Insurance Portability and Accountability Act (HIPAA): *http://www.hhs.gov/ocr/privacy/*
3. The Contractor shall meet the standards outlined in NH Administrative Rule He-A 300, Certification and Operation of Alcohol and other Drug Disorder Treatment Programs. This administrative rule is currently expired and under revision. The Contractor should plan to meet the requirements as outlined in the expired rule until the revisions are completed. He-A 300 can be viewed on the RFP link to this document *http://www.dhhs.nh.gov/business/rfp/index.htm*.
4. The Contractor shall, upon the direction of the State, provide court-ordered evaluation in their catchment area and a sliding scale fee shall apply and the inability to pay shall not interfere with the completion and submission of the court-ordered evaluation and shall, upon the direction of the State, offer treatment to those individuals pursuant to RSA 172:13.
5. Contractors considering research, including research conducted by student interns, using individuals served by this contract as subjects must adhere to the legal requirements governing human subjects' research. Contractors must inform the DHHS via contact with BDAS prior to initiating any research involving subjects or participants related to this contract. In addition, research conducted on subjects served by this contract may need to be approved by the New Hampshire Department of Health & Human Services Committee for the Protection of Human Subjects (NH DHHS CPHS) see *http://www.dhhs.nh.gov/irb/*

Client Stabilization:
The Contractor will be expected to arrange for medical clearance for all clients receiving treatment services supported by DHHS administered by BDAS to assure that they are not at risk for acute withdrawal from alcohol and certain drugs. The Contractor shall be expected to provide a range of integrated services that include social detoxification/stabilization services that follow detoxification guidelines outlined in Treatment Improvement Protocol (TIP) #45, Detoxification and Substance Abuse Treatment.

Clinical Services:
The Contractor shall provide the following:

a. A minimum of one (1) substance abuse counselor on site each day of the week during primary treatment hours. The substance abuse counselor shall have a bachelor's degree or equivalent in social work/psychology, guidance or nursing and/or a certificate in the field of addiction studies from an approved educational institution or educational/life experience.
b. A minimum of one (1) substance abuse support staff on site each day of the week during all hours not covered by a substance abuse counselor. The substance abuse support staff must have a high school or General Equivalency Diploma (GED). Preference is given to individuals who have completed additional courses or taken training in substance use disorders or other health fields.
c. An intake/admission coordinator on site Monday through Friday of each week. The intake/admission coordinator shall have one (1) years' work experience in the field of addiction studies.
d. A full-time Executive Director, not filling any of the positions described above.

The Contractor will provide one or more of the following services as outlined in Section II.A above.

Outpatient Treatment - Substance abuse treatment services provided in individual and group counseling sessions in a non-residential setting. Although duration of services is determined by clinical indicators, average duration of for outpatient services is expected to be approximately 90 days or less, after which clients are referred for care coordination under a continuous recovery monitoring model that in turn will refer clients for group aftercare recovery support services as indicated.

Intensive Outpatient Treatment - Substance abuse treatment services conducted in an outpatient setting for a minimum of 3 hours of direct client treatment services per day, utilizing both group and individual formats, for a minimum of three days per week, for a total of a minimum of nine hours of treatment services per week. This intensive phase of treatment typically occurs for 4-6 weeks, with less intense services following, such as a once per week treatment aftercare group continuing for an additional 1-2 months as clinically indicated for both. Although duration of services is determined by clinical indicators, average duration of intensive outpatient services is expected to be approximately 90 days or less, after which clients are referred for care coordination under a continuous recovery monitoring model that in turn will refer clients for group aftercare recovery support services as indicated.

Residential Treatment - Short-term residential substance abuse treatment designed to assist individuals who require a more intensive level of service in a structured setting and/or individuals that may be homeless. Admission is on a voluntary basis. This level of care includes the provision of an initial period of stabilization services once an individual has been medically cleared to participate in the program. Although the length of stay may be determined by clinical indicators, average length of stay is expected to be approximately 28 days or less. Long-term, extended care residential treatment services, also referred to as Clinically Managed High Intensity Residential Treatment (CMHIRT), is limited to pregnant and parenting women and their children.

Transitional Living – Residential substance abuse treatment services are designed to support individuals in the early stages of recovery that need this residential level of care and/or are homeless. The goal of these programs is to prepare clients to become self-sufficient in the community. Although length of stay may be determined by clinical indicators, the average length of stay is expected to be approximately 90 days or less. Residents typically work in the community and may pay a portion of their room and board.

Assessment of Risk for Self-Harm/Suicide: The Contractor shall have policies and practices for assessing risk of self-harm at all phases of treatment, such as at initial contact, during screening, intake, admission, on-going treatment services and at discharge, and a process for referral when necessary to include referrals to mental health services.

The Contractor shall develop policies, programs and protocols in accordance with SAMHSA guidelines as outlined in the Treatment Improvement Protocols (TIPs) and Technical Assistance Publications (TAPs). These publications can be downloaded from http://www.kap.samhsa.gov/products/manuals/index.htm .

The Contractor is required to use the Addiction Severity Index (ASI) or Global Appraisal of Individual Needs (GAIN) assessment tools, the SAMHSA/NIDA MATRS treatment-planning model and the Web Infrastructure for Treatment Services (WITS) electronic health record.

Care Coordination:
The Contractor is required to assess each client's need/appropriateness for residential transitional living services and to **refer all clients for care coordination services** made available through the ATR initiative administered by the BDAS on behalf of DHHS that would commence following the initial course of treatment. Contractors are required to address motivational issues with clients for them to participate effectively in the care coordination and recovery support services. Contractors are required to have clients sign the "ATR Client Participation Agreement" (made available by BDAS), indicating that they either agree or opt out of participating in these services. The contractor will facilitate all clients who agree to participate in these services to complete the Client Participation Agreement and upon obtaining a signed release of information, refer clients to an ATR Care Coordinator Program

at least two weeks prior to anticipated date of discharge (dis-enrollment) from services. Assessing the need for aftercare services is expected to take place while the client is involved within the most recent episode of care, with a referral being made and accepted by the care coordination service prior to the client being discharged.

The Contractor must provide the following for use by the care coordination program:

- Private space for interviewing/meeting with clients.
- Access to internet (either wired or wireless) in the meeting space
- Telephone in the meeting space and
- A contact person at the Contractor's site for logistics.

It is the expectation of the BDAS at DHHS that, upon completion of appropriate signed releases, the Contractor will provide the care coordination program with necessary information from the clinical record (assessment, treatment plan, progress notes, etc.) for the care coordination program to develop a service plan with the client.

Group Recovery Support Services:
Are services that are consistent with an individual's recovery plan that prevent relapse and enhance or remove barriers to recovery. Recovery Support Services include, but are not limited to, guidance in financial management, parenting, vocational training, life management and spiritual counseling as well as transportation and child-care.

Contractors, with the exception of those agencies that only offer outpatient services, are required to develop the capacity for group recovery support aftercare services for a minimum of 50% of the number treatment clients (including outpatient and transitional living program clients) they are under contract to serve. These group recovery support services are for clients discharged from substance use disorder (SUD) treatment services provided under contract with BDAS on behalf of DHHS, which may include clients that had received SUD treatment from the Contractor or a different agency. Contractors are only allowed to access these services for their clients or clients that had received SUD treatment from a different agency through the statewide care coordination program under agreement with BDAS on behalf of DHHS.

All group recovery support services will be funded through the New Hampshire Access to Recovery (ATR) initiative, which will require all providers (except those offering outpatient services only) under contract with BDAS on behalf of DHHS to become an approved Access to Recovery (ATR) providers for these particular services (reference Administrative Rules He-A 405.03 and He-A 405.04). Agencies under contract with BDAS on behalf of DHHS to provide only outpatient substance abuse treatment are not required, to provide these services.

All alcohol and other drug treatment providers under contract with the BDAS on behalf of DHHS are required to address with all clients, the need for continuing services. This includes transitional living programs under contract with the BDAS on behalf of DHHS as well as care coordination and group recovery support services made available through the ATR initiative administered by BDAS that would commence following the initial course of treatment. The referral for these services should take place prior to discharge from the initial course of treatment.

Residential Treatment Services, including services to Residential Services to Pregnant and Parenting Women:
The Contractor shall provide the following:

a. A minimum of one (1) substance abuse counselor on site each day of the week during primary treatment hours. The substance abuse counselor shall have a bachelor's degree or equivalent in social work/psychology, guidance or nursing and/or a certificate in the field of addiction studies from an approved educational institution or educational/life experience.
e. A minimum of one (1) substance abuse support staff on site each day of the week during all hours not covered by a substance abuse counselor. The substance abuse support staff must have a high school or General Equivalency Diploma (GED). Preference is given to individuals who have completed additional courses or taken training in substance use disorders or other health fields.

f. An intake/admission coordinator on site Monday through Friday of each week. The intake/admission coordinator shall have one (1) years' work experience in the field of addiction studies.
g. A full-time Executive Director, not filling any of the positions described above.

Relevant Policies and Guidelines:
The services provided for in this agreement shall be in addition to the services provided for in any other agreement between the State of New Hampshire, any of its agencies, or any of its officers, and the Contractor.

Without limiting the generality of any other provisions of this agreement, the Contractor shall cooperate fully with, and answer all questions of representatives of the State conducting any periodic or special review of the performance of the Contractor or any inspection of the facilities of the Contractor.

Publications Funded Under Contract:
All products produced under this contract are in the public domain. All products (written, video, audio) produced, reproduced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution, or use. The Contract shall credit DHHS on all materials produced under this contract.

Subcontracting/Consultants:
If the Contractor subcontracts any portion of the services with an agency or individual, the Contractor must submit a copy of the subcontract, or proposed subcontract. That subcontract must address the qualifications and credentials of the individual or agency to perform the service, the specific service deliverables, the timeline for implementation of the services to be delivered, and the cost, including total cost of the subcontract and total cost per hour of individuals or agencies performing these services. The Contractor is ultimately responsible for the services delivered under the contract. Use of consultants shall be similarly described in terms of qualifications and credentials, service deliverables and hourly consultant rate.

Student Internships:
The Contractor shall establish policies and procedures related to student interns that address minimum coursework, experience and core competencies for those interns having direct contact with individuals served by this contract. Student interns shall complete an approved ethics course prior to beginning the internship.

Staff Licensing Requirements:
The ratio of licensed to non-licensed service providers shall be as follows:
Agencies must have at least one Licensed, or Masters Licensed, Alcohol and Drug Counselor (LADC/MLADC) for each two unlicensed counselors providing substance abuse treatment services and a sufficient number of MLADCs or LADCs with the Licensed Clinical Supervision (LCS) credential to adequately provide for clinical supervision of all clinical staff. This requirement shall be met by the Contractor no later than six (6) months after the date of the Contract effective date.

Updated resumes, which clearly indicate the staff member is employed by the Contractor, including current positions of staff supported by funds provided through this Contract, shall be forwarded to the BDAS as agent for DHHS. The documentation shall include a copy of the New Hampshire Alcohol and Drug Counselor License.

Staff Certification Requirements:
In addition to the requirements for LADCs, all Contractor milieu staff in residential settings and transitional living programs and staff providing recovery support aftercare group services shall be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification under RSA 330-C (http://www.gencourt.state.nh.us/rsa/html/NHTOC/NHTOC-XXX-330-C.htm). Certification must be completed within six (6) months of the contract's approval date.

Staff providing recovery support services are expected to be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification. Peer recovery support services made available through Recovery Community Organizations (RCOs), under agreement with BDAS on behalf of DHHS, shall be provided by individuals certified by those organizations (CRSW not required for peer recovery support services).

Supervision:
Ongoing clinical supervision will include weekly discussion of cases with suggestions for resources or therapeutic approaches, co-therapy, and periodic assessment of progress. When enough candidates are under supervision, group supervision may be included to help optimize the learning experience.

The content of supervision must include knowledge, skills, values, and ethics with specific application to the practice issues faced by the supervisee, including the core functions as described in the Twelve Core Functions of Alcohol and Drug Counseling.

The content of supervision must also include the standards of practice and ethical conduct, with particular emphasis given to the counselor's role and appropriate responsibilities, professional boundaries, and power dynamics.

In addition, all contracted treatment providers must participate in the Clinical Supervisor Learning Collaborative (LC) by June 30, 2013. This LC is provided by the Center for Excellence, under contract with DHHS. This LC will include a team from each contracted treatment provider that includes at least one agency clinical supervisor and at least one senior clinical staff. A Clinical Supervision Learning collaborative will be offered in SFY 2013.

Staffing Changes:
BDAS as agent for DHHS shall be notified of changes in key personnel with updated resumes that clearly indicate the staff member is employed by the Contractor submitted within five (5) working days. Key personnel are those staff for whom at least 10% of their work time is spent providing alcohol or other drug abuse treatment services.

1. New Hires: The Contractor shall notify BDAS on behalf of DHHS in writing within one month of hire when a new administrator or coordinator or any staff person essential to carrying out this scope of services is hired to work in the program. A resume of the employee, which clearly indicates the staff member is employed by the Contractor, shall accompany this notification.

2. Vacancies: The Contractor shall notify BDAS on behalf of DHHS in writing within 14 calendar days, if at any time, any site funded under this agreement does not have adequate staffing to perform all required services for more than one month.

Other Requirements:
The Contractor shall attend trainings and/or meetings as requested by DHHS.

ATR and Recovery Support Services:
All DHHS funded treatment and recovery support service providers must also be approved Access to Recovery (ATR) providers, as this will be the source of funding for these recovery support services through the Voucher Management System (VMS). Information on becoming an ATR provider can be found on the DHHS website: http://www.dhhs.nh.gov/dcbcs/bdas/atr/becomingprovider.htm

Regional Network Participation:
The Contractor will designate administrative level staff to regularly participate in the Regional Network and contribute to overall regional network strategic planning, monitoring, evaluation, and cross systems communication efforts. The Contractor is highly encouraged to serve on one of the work groups and contribute to data collection, regional strategic planning and evaluation. Participation will be measured by the annual Partner

Survey (http://www.partnertool.net/) administered by NH Center for Excellence under contract with BDAS as agent for DHHS.

Performance Measures:

All treatment programs under contract with BDAS on behalf of DHHS are required to report on the National Outcome Measures (NOMs) established by the SAMHSA, as required in the Federal Substance Abuse Prevention and Treatment Block Grant, via the WITS (electronic health record) system. The Department of Health and Human Services reserves the right to consider Contractor performance across all of the domains in future funding decisions. The Contractor is expected to meet or exceed these percentages as measured by the Electronic Health Record/Web Infrastructure Treatment System (EHR/WITS).

SAMHSA National Outcome Measures:

DOMAIN	*OUTCOME*	*SUBSTANCE ABUSE TREATMENT MEASURES*
Abstinence	Abstinence from Alcohol and Drug Use	65% of clients that have met the minimum participation requirement are abstinent within the past 30 days at 6 months following admission to care coordination services compared to at time of admission to treatment program.
Employment Education	Increased/retained employment. Return to/stay in school	Employment rates or enrollment in school rates for clients are 25% greater at 6 months after admission to care coordination compared to at time of admission to treatment program.
Crime and Criminal Justice	Decrease criminal justice involvement	50% Reduction in the number of client arrests in past 30 days at 6 months following admission to care coordination services compared to at time of admission to treatment program.
Stability in Housing	Increased stability in housing	10% Increase in the number of clients in stable housing at 6 months following admission to care coordination services compared to at time of admission to treatment program.
Access	Reduce the wait time for Intake & Admission	• 80% of clients will receive a telephone eligibility screening within 2 business days of first contact with the Contractor and those who screen eligible will receive an intake within 5 business days of the eligibility screening and • 80% of clients who meet admission criteria will be admitted to services or interim services within 5 business days of intake.
Retention	Increase retention in substance abuse treatment	70% of clients that have participated in the minimum participation requirement. See section in the following pay for performance paragraph.
Capacity	Increase service capacity	Increase by 10% the (unduplicated) number of clients receiving service from previous year – DHHS will not be held to this standard for SFY 2013 due to significant budget reductions.
Social Connectedness	Increased recovery supports/connections	50% of clients participate in care coordination and post treatment recovery support services (RSS).
Perception of Care	Client perception of	Under development

	care	
Cost Effectiveness	Cost effectiveness (average cost)	Average Contractor cost per client for services provided per client are within 10% of the average statewide cost per client of service for each modality of service.
Use of Evidenced-Based Practices	Use of Evidenced-Based Practices	• WITS Electronic Health Record • ASI or GAIN Assessment • NIDA/SAMHSA MATRS Treatment Planning model • Clinical model for treatment services recognized by National Registry of Evidence Based Programs and Practices (NREPP).

Data and Reporting Requirements:

1. Without limiting the generality of any other provisions of this agreement, the Contractor shall provide any periodic or special reports required by the DHHS.
2. The Contractor shall notify BDAS, as an authorized agent of DHHS, whenever the Contractor has reached ninety percent capacity to admit new clients. In addition the Contractor shall have a waiting list management policy in accordance with the SAPT Block Grant requirements. This 90% notification process will become automatic when this operation is fully functional in WITS.
3. The Contractor shall notify DHHS through BDAS, within one working day, if sufficient capacity is not available to provide treatment services to a pregnant woman, parenting woman or injection drug user within the required time frames and a referral elsewhere is not successful and interim services cannot be provided.
4. The Contractor shall comply with all research and/or information systems development activities for the electronic health record/Web Infrastructure for Treatment Services (EHR/WITS) conducted by, or authorized by, DHHS.
5. The Contractor shall administer any client surveys, client assessments including the addiction Severity Index (ASI) or the Global Appraisal of Individual Needs (GAIN), client treatment outcome instruments, the M.A.T.R.S. Treatment Planning Tool, as required by DHHS.
6. The Contractor must have the ability to communicate and submit required reports via the Web-based submission system and/or e-mail, for treatment s and recovery support services and interim services. All required clinical and documentation activities shall be entered in WITS unless specifically granted an exception by BDAS on behalf of DHHS.

Critical Incident/Sentinel Event Reporting:

The Department's Sentinel Event policy is contained in the following link: http://www.dhhs.nh.gov/dcbcs/sentinel.htm

Division of Community Based Care Services (DCBCS) Sentinel Event Notification:
The preceding events require the immediate verbal notification to the BDAS Assistant Administrator or Clinical Services Unit Administrator upon the discovery of a sentinel event involving an individual(s) receiving services through a DHHS substance use disorder treatment Contractor.

Since the initial and immediate verbal notification of a sentinel event is likely to include protected health information (PHI) as identified below, the Contractor of services to individuals receiving services funded by the DHHS shall disclose PHI in a private and secure manner. Contractors and vendors should not leave voice-mail messages, but instead make direct telephone contact with the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee. If direct telephone contact is not possible, a voice mail message may be left without protected health information, such as medications and relevant medical and psychiatric diagnoses. As soon as possible after the initial verbal notification, the Contractor will mail or fax a completed *Sentinel Event Reporting Form* as directed in this protocol.

Notification shall include the following:

1. Name and phone number of the individual reporting.
2. Name, date of birth (DOB), medications and all relevant medical and psychiatric diagnoses of individual(s) involved;
3. Location, date, and time of event;
4. Description of the event including what, when, where, how, and other relevant information and identification of any other individuals involved;
5. Legal status of the individual involved with regard to guardianship and power of attorney;
6. Community, guardian, family and/or families' knowledge of the event; and
7. Contractor contact person and contact information.

It shall be the responsibility of the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee to notify the DCBCS Quality Improvement Director by e-mail as soon as the BDAS Clinical Administrator or designee becomes aware a Sentinel Event has occurred. The DCBCS Quality Improvement Director shall make immediate notification to the Commissioner. Internal e-mails within the Department may contain PHI and all Department employees will utilize safeguards to ensure the privacy of the PHI as stated in the DHHS General Manual Health Insurance Portability and Accountability Act (HIPAA) policy #504.

Each DCBCS bureau recognizes its responsibility to report evidence of neglect, abuse or exploitation to the appropriate regulatory agencies as required by RSA 161-F: 42-57 and RSA 169-C:29. In any case of known or suspected neglect, abuse or exploitation, the Contractor aware of the situation shall follow all applicable rules relative to individual rights protection procedures.

Written follow up information is to be forwarded by the reporting Contractor to the appropriate BDAS Administrator listed below within 72 hours by completing the *Sentinel Event Reporting Form.* To protect clients' confidential information, reporting Contractors should submit the *Sentinel Event Reporting Form* either by fax to the BDAS Assistant Administrator or the BDAS Clinical Services Unit Administrator by a mail service that provides delivery confirmation.

Bureau of Drug and Alcohol Services
Assistant Administrator
105 Pleasant Street
Concord, NH 03301
Or by fax to the BDAS Administrator's Office at 271-6105;

Follow-up information is the responsibility of the Contractor and should be submitted in a way as to protect clients' confidential information such as by mail with delivery confirmation and should include:

1. The *Sentinel Event Reporting Form(www.dhhs.nh.gov/dcbcs/documents/sentinelform.pdf)*;
2. Additional details as they are learned or if the status of the situation changes; and,
3. Copies of newspaper articles.

The BDAS Assistant Administrator or BDAS Clinical Services Unit Administrator is responsible for forwarding a copy of the *Sentinel Event Reporting Form* received from a Contractor to the DCBCS Quality Improvement Director at:

Division of Community Based Care Services
Quality Improvement Director
129 Pleasant Street
Concord, New Hampshire 03301
Or by fax: 271- 4912

Additionally, DHHS requires critical incident reporting. The Contractor shall report all critical incidents/sentinel events to the BDAS Clinical Services Unit Administrator immediately via telephone. Every effort shall be made

to reach the BDAS administrator directly. If a voice message is necessary, sufficient provider contact information shall be provided so that DHHS is able to reach the reporter, or other responsible staff, immediately.

A critical incident includes, but is not limited to, any child or adult protective services report to the Division of Children, Youth and Families (DCYF), or the Bureau of Elderly and Adult Services (BEAS), respectively, regarding any incident involving 1) a staff/employee to youth or client, 2) youth to youth, or 3) client to client. This includes incidents that occur while a client is on leave, or on a pass, from the Contractor and may be off site at the time the incident occurred.

A sentinel event is an unexpected occurrence involving the death or serious physical or psychological injury, or risk thereof, signaling the need for immediate investigation and response.

Death or any serious injury or medical emergency regarding staff or clients that requires emergency medical attention (EMT or other emergency personnel at the Contractor's site, or a hospital emergency room visit), or any crime reportable to law enforcement, or any other serious incident must also be reported to DHHS as described below.

Reportable sentinel events include, but are not limited to, any occurrence that meets any of the following criteria:

1. An unanticipated death or permanent loss of function, not related to the natural course of an individual's illness or underlying condition.
2. Homicide or suicide of any individual receiving DHHS funded care, treatment or services, that had been discharged from a Department funded program or facility within 30 days of the event, or has been evaluated by a service Contractor within the preceding 30 days;
3. Sexual assault or rape of any individual receiving DHHS funded care, treatment or services by another client or employee of any Department funded program or facility where there is an act that was witnessed or there is sufficient clinical evidence obtained by the Contractor to support allegation of nonconsensual sexual contact.
4. Unauthorized departure of an individual receiving DHHS funded services, from a facility providing care, resulting in death or permanent loss of function.
5. Medication error that results in death, paralysis, coma, or other permanent loss of function.
6. Delay or failure to provide DHHS funded Contractor services that result in death or permanent loss of function.
7. Abuse as a result of the willful infliction of injury, unreasonable confinement, intimidation, or punishment with resulting physical harm, or mental anguish. This includes staff neglect or indifference to infliction of injury or intimidation of one individual by another.
8. Neglect as a result of the failure to provide the goods and services necessary to avoid physical harm, mental anguish or mental illness.
9. Assault of or by a client of the Contractor that results in the injury of the person or another person of such severity that medical attention is required.
10. Arson resulting in property loss.
11. High profile events, which may include media coverage and/or police involvement.

On-Site Reviews:

1. The Contractor shall allow a team or person authorized by DHHS to periodically review the Contractor's systems of governance, administration, data collection and submission, clinical, and financial management in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include, but not be limited to, client record reviews to measure compliance with this exhibit.
3. The Contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. DHHS staff shall contact the Contractor in advance of the site visit, so that the Contractor shall have sufficient time to prepare any guidance/reporting systems or logs that will be reviewed at the site visit.

II. Funding Sources

The total amount of all payments made to the Contractor for cost and expenses incurred in the performance of the services, as detailed in Exhibit B, during the period of the contract shall not exceed:

$ 79,383.00 for Substance Abuse Treatment Services, funded from 90% General funds and 10% Highway funds.

$ 56,413.00 for Substance Abuse Treatment Services, funded from 100% general funds from the Governor's Commission on Alcohol and Other Drug Prevention, Intervention and Treatment.

$ 115,654.00 for Substance Abuse Treatment Services, funded from 100% federal funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment (SAPT) Block Grant, CFDA 93.959.

TOTAL: $251,450.00

III. Payment Methodology

The Contractor shall agree to use and apply all contract funds from the State for costs and expenses as detailed in the approved contract budget(s). Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. Starting in State Fiscal Year 2013 (effective July 1, 2012) the contractor will receive a payment for each modality of services at a rate of one-twelfth (1/12) of the annual amount approved in the contract for that modality, less any pay for performance factors (utilization, access and retention) that apply. The annual contract approved amount prorated to the monthly portion is considered the BASE monthly reimbursement amount.

1. Performance Utilization:

A. Utilization Performance Criteria for all residential, outpatient and intensive outpatient treatment services:

Utilization criteria will be applied exclusively on a month-by-month basis, Contractors will not be retroactively reimbursed at the higher rate for past months even if the Contractor later meets the higher utilization rates year to date. Utilization criteria is first applied to monthly billing submitted by the Contractor to determine the total amount of expenses eligible for reimbursable, after which access and retention criteria are applied to determine if that amount will be reimbursed at 95% or 100% according to the criteria below.

i. Contracts running at 90% to 100% of utilization in a given month will be reimbursed at 100% of the contracted rate for that month.
ii. Contracts running at 80% to 89% of utilization in a given month will be reimbursed at rate of 95% of the contracted rate for that month.
iii. Contracts running below 80% of utilization in a given month will be reimbursed at the rate of utilization for that month (for example for a given month in which utilization was 59% the contractor would be reimbursed at 59% of the contracted rate for that month).

B. Utilization Methodology by Modality:

i. Outpatient: Utilization for Outpatient is factored at a rate of 100 direct clinical hours per month per FTE. One hundred (100) clinical hours equates to 100% utilization. Outpatient utilization does not require separate consideration for individual or group outpatient counseling, the total of both is based on direct clinical hours of service. The FTEs for the contract are determined based upon the level of funding provided for outpatient divided by $75,000 (e.g. Agency ABC funding for outpatient services is $168,750 divided by $75,000 per FTE results in 2.25 FTE.)
ii. Intensive Outpatient: Utilization for Intensive Outpatient is determined in the same manner as Outpatient based on Full Time Equivalent. Individual or group intensive outpatient counseling are combined in determining the utilization rate with the total of both based on direct clinical hours of service.
iii. Residential Treatment/transitional living/halfway house: Utilization for all residential services is factored by taking the amount of funding for the modality of residential services and dividing it by the *bed day rate* to determine the total number of bed days per year, and then diving this amount by 365 days to determine the "beds per day factor" (which is equal to the number of beds being funded) for this modality of residential services. Utilization for residential treatment is factored by multiplying the "beds per day factor" by the actual number of days in a given month. As an example, say agency ABC is funded in the amount of $438,000 to provide 28-day residential treatment services for adults. Given that the per day bed rate for adult residential treatment services is $120 per day, the agency would be expected to provide 3,650 ($438,000/$120) bed days per year / 365 days per year = 10 beds per day. Utilization for residential treatment is factored by multiplying the "beds per day factor" by

the actual number of days in a given month; in this example the number of bed days for April would be 30 (days in April) X 10 beds per day or 300 beds at 100% utilization.

2. Utilization Access and Retention Payment Criteria Requirement

Contractors will receive the billing amount net of utilization rates, for each billing month in which the agency has met both the Access and Retention criteria outlined below for the given month. Any Agency not meeting both the Access and Retention criteria will receive reimbursement at 95% of the amount after first factoring utilization. Access and retention criteria do not include recovery support services. Performance criteria will be applied exclusively on a month-by-month basis, contractors will not be retroactively reimbursed at the 100% rate for past months even if the contractor later meets the Access and Retention rates year to date.

A. Access to Services:

Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received. The following Access Criteria must be met for a minimum of 80% of prospective clients (from clients or referring agencies) for the month in which billing is being submitted:

i. Treatment contractors are required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.

ii. Those who have screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days follow the eligibility screening.

B. Retention:

A minimum of 70% of clients, which have completed or otherwise are no longer receiving services, will have met the minimum retention standards for the modality of services received:

i. Have completed a minimum of 6 sessions of outpatient treatment services (OP)

ii. Have completed a minimum of 8 days of intensive outpatient treatment services (IOP) – only those days in which a client has participated in minimum of 10 units (2.5 hours) of service per day (12 units per day is the standard for IOP services) may be counted.

iii. Have completed a minimum of 14 days of residential treatment service

iv. Has completed a minimum of 28 days in a transitional living/halfway house residential program.

3. Failure to Meet Deliverables:

The Contractor shall comply with all contract requirements as detailed in Exhibit A section B, Required Services. Upon determination that Contractor may not be meeting the required deliverables, within two (2) weeks BDAS will provide a written correction action plan. Within two (2) weeks of notification of the corrective action plan, Contractor will provide a written remedial plan. BDAS will monitor the corrective actions for 60 days. Failure to meet requirements of the corrective action plan within 60 days may result in withholding of any or all payments or termination of the contract.

4. Invoicing & Billing:

Invoices shall be submitted by the Contractor to the State in a form satisfactory to the State for each modality of service. Said invoices shall be submitted within twenty (20) working days following the end of the month during which the contract activities were completed, and the final invoice shall be due to the State no later than sixty (60) days after the contract Completion Date.

The Contractor shall have written authorization from the State prior to using contract funds to purchase or lease any equipment with a cost in excess of two thousand five hundred dollars ($2500) and with a useful life beyond one year.

IV. Allocation of Funding:

Any reallocation of funds between modalities of service requires prior written justification and approval from BDAS on behalf of DHHS. Reallocation of funds cannot exceed the total approved contracted amount.

V. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds:

The Contractor agrees to use the SAPT funds as the payment of last resort.

Restrictions on SAPT Block Grant on State and Contractor expenditures include:
The State may not:

- Provide inpatient hospital services except under those conditions outlined in the regulations.
- Make cash payments to intended recipients of substance abuse services.
- Purchase or improve land.
- Purchase, construct, or permanently improve buildings or other facilities.
- Purchase major medical equipment.
- Satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds. (in-kind)
- Provide financial assistance to any entity other than a public or non-profit private entity.
- Provide individuals with hypodermic needles or syringes.
- Expend more than the amount of Block Grant funds expended in FFY91 for treatment services provided in penal or correctional institutions of the State.

The Contractor shall not:

- Use any federal funds provided under this contract for the purpose of conducting testing for the etiologic agent for Human Immunodeficiency Virus (HIV) unless such testing is accompanied by appropriate pre and post-test counseling.
- Use any federal funds provided under this contract for the purpose of conducting any form of needle exchange, free needle programs or the distribution of bleach for the cleaning of needles for intravenous drug abusers.

VI. Charitable Choice:

Federal Charitable Choice statutory provisions ensure that religious organizations are able to equally compete for Federal substance abuse funding administered by SAMHSA, without impairing the religious character of such organizations and without diminishing the religious freedom of SAMHSA beneficiaries (see 42 USC 300x-65 and 42 CFR Part 54 and Part 54a, 45 CFR Part 96, Charitable Choice Provisions and Regulations). Charitable Choice statutory provisions of the Public Health Service Act enacted by Congress in 2000 are applicable to the SAPT Block Grant program. No funds provided directly from SAMHSA or the relevant State or local government to organizations participating in applicable programs may be expended for inherently religious activities, such as worship, religious instruction, or proselytization. If an organization conducts such activities, it must offer them separately, in time or location, from the programs or services for which it receives funds directly from SAMHSA or the relevant State or local government under any applicable program, and participation must be voluntary for the program beneficiaries.

Exhibit C

SPECIAL PROVISIONS

1. **Contractors Obligations:** The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

2. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

3. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

4. **Documentation:** In addition to the determination forms, required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

5. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

6. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

7. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

8. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractor's costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:

    8.1 Renegotiate the rates for payment hereunder, in which event new rates shall be established;

8.2 Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

8.3 Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

9. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:

9.1 **Fiscal Records:** Books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

9.2 **Statistical Records:** Statistical, enrollment, attendance, or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

9.3 **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

10. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.

10.1 **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.

10.2 **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

11. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's

responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in this Paragraph shall survive the termination of the Contract for any reason whatsoever.

12. **Reports: Fiscal and Statistical:** The Contractor agrees to submit the following reports at the following times if requested by the Department:

12.1 **Interim Financial Reports:** Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.

12.2 **Final Report:** A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

13. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

14. **Credits:** All documents, notices, press releases, research reports, and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:

14.1 The preparation of this (report, document, etc.), was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, Division of Community Based Care Services, Bureau of Drug and Alcohol Services with funds provided in part or in whole by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

15. **Operation of Facilities:** Compliance with Laws and Regulations: In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the Contractor with respect to the operation of the facility or the provision of the services at such facility. If any government license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

16. **Insurance:**

As referenced in the Request for Proposal, Comprehensive General Liability Insurance Acknowledgement Form, the Insurance requirement checked under this section is applicable to this contract:

(a) **Insurance Requirement for (1)** - 501(c) (3) contractors whose annual gross amount of contract work with the State does not exceed $500,000, per RSA 21-I:13, XIV, (Supp. 2006): The general liability insurance requirements of standard State contracts for contractors that qualify for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the State does not exceed $500,000, is comprehensive general liability insurance in amounts of not less than $1,000,000 per claim or occurrence and $2,000,000 in the aggregate. *These amounts may NOT be modified.*

17. **Renewal:**

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for one (1) additional year, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

18. **Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:**

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

19. **Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;**

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

SPECIAL PROVISIONS – DEFINITIONS

As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean the section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Whenever federal or state laws, regulations, rules, orders, and policies, etc., are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc., as they may be amended or revised from time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. Refer to RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated there under.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions of this contract agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act to 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I – FOR GRANTEES OTHER THAN INDIVIDUALS

b) US DEPARTMENT OF HEALTH AND HUMAN SERVICES – CONTRACTORS
US DEPARTMENT OF EDUCATION – CONTRACTORS
US DEPARTMENT OF AGRICULTURE – CONTRACTORS

This certification is required by the regulations implementing Sections 5151-51-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). the January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630 of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services,

(i) 129 Pleasant Street

(ii) Concord, NH 03301

1) The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employee's about:

(1) The dangers of drug abuse in the workplace;
(2) The grantee's policy of maintaining a drug-free workplace;
(3) Any available drug counseling, rehabilitation, and employee assistance programs; and
(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten (10) calendar days after receiving notice under subparagraph (d) (2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted by:

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

II.

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).

2) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions of this contract agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions, execute the following Certification:

1. Instructions for Certification

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transition. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transition," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntary excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rule implementing Executive Order 12549: 45 CFR Part 76.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. *The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction", provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.*

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

(1) ***PRIMARY COVERED TRANSACTIONS***

1. **The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:**

   a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

   b. Have not within a three-year period preceding this proposal (contract) been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

   c. Are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph 1 b of this certification; and

d. Have not within a three-year period preceding this application/proposal (contract) had one or more public transactions (Federal, State or local) terminated for cause or default.

2. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

Lower Tier Covered Transactions

By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:

1. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

2. Where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion – Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, the Business Associate shall not, and shall ensure that its directors, officers, employees and agents, do not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:

I. For the proper management and administration of the Business Associate;
II. As required by law, pursuant to the terms set forth in paragraph d. below; or
III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HITECH Act, Subtitle D, Part 1, Sec. 13402 of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

a. Business Associate shall report to the designated Privacy Officer of Covered Entity, in writing, any use or disclosure of PHI in violation of the Agreement, including any security incident involving Covered Entity data, in accordance with the HITECH Act, Subtitle D, Part 1, Sec.13402.

b. The Business Associate shall comply with all sections of the Privacy and Security Rule as set forth in, the HITECH Act, Subtitle D, Part 1, Sec. 13401 and Sec.13404.

c. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

d. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section (3)b and (3)k herein. The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard provision #13 of this Agreement for the purpose of use and disclosure of protected health information.

e. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

f. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

g. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

h. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

i. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such

information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

j. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

k. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity; all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to standard provision #10 of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, and the HITECH Act as amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule and the HITECH Act.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section 3 k, the defense and indemnification provisions of section 3 d and standard contract provision #13, shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall complete the Scope of Work described in Exhibit A-1 from the effective date of Amendment #4 through September 30, 2015.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

2. Scope of Services

2.1. The Contractor shall provide for Department approval, within 5 business days from the effective date of the Amendment #4, a plan that describes the scope of work that will be provided to improve current services and/or to expand capacity for substance use disorder treatment and recovery support services, as defined in Section 2.2. below.

2.1.1. The Contractor may amend the Department approved plan, defined in Section 2.1 above, by submitting an amended plan to the Department for approval, before the end date in Section 1.1. above.

2.2. The Contractor shall complete at least one of the Improving Current Services and Expanding Capacity projects from the four Categories listed below (Sections 2.2.1 through 2.2.4):

2.2.1. Improving Existing Facilities such as, but not limited to:

2.2.1.1. Installing camera systems to increase safety for clients and staff.

2.2.2. Purchasing Equipment, Software, and Program Supplies such as, but not limited to:

2.2.2.1. Replacing equipment that is not in good working order to improve staff efficiency and client safety;

2.2.2.2. Purchasing equipment to support new staff being hired to expand service capacity;

2.2.2.3. Purchasing equipment to improve the treatment experience for clients;

2.2.2.4. Purchasing computers to allow clients to look for work and otherwise prepare to transition back into and contribute to the community;

2.2.2.5. Purchasing Electronic Medical Record, Billing, and other software systems to increase efficiency and meet Federal requirements;

Contractor Initials _____
Date 7/20/15

2.2.2.6. Purchasing toiletries and other necessities for clients who are not yet able to purchase these on their own.

2.2.3. Purchasing Program Materials (curricula, journals, books, etc.) such as:

2.2.3.1. Replacing program materials that are outdated, worn out and/or depleted;

2.2.3.2. Purchasing new program materials to implement and/or expand evidence based practices for new and current programs.

2.2.4. Paying for Staff/Consultant Costs such as, but not limited to:

2.2.4.1. Temporarily increasing the hours of existing staff to complete short-term projects, such as developing policies, procedures, protocols, forms and case management formats for new programs to expand capacity;

2.2.4.2. Training new and existing staff to implement and/or expand evidence based practices for new and current programs;

2.2.4.3. Hiring consultants to assist with obtaining necessary licensures and designing new programming to expand capacity;

2.2.4.4. Staff or consultant time to survey the service gaps in the community and develop strategies and programming for filling those gaps;

2.2.4.5. Covering the initial costs of hiring new staff to increase efficiency by filling current gaps in program staffing or to expand capacity.

2.2.5. The Contractor may propose an alternate Improving Current Services and Expanding Capacity project(s) that is not list above in Sections 2.2.1 through 2.2.4. and that is compliance with the Catalog of Domestic Assistance ##93.959.

2.3. The Contractor will submit a progress report to the Department by September 10, 2015 against the defined plan approved by the Department.

Method and Conditions Precedent to Payment

I. Funding

The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A Amendment #3, Scope of Services and Exhibit A-1, Scope of Services.

A. Funding for Exhibit A, Amendment #3

For the period of July 1, 2015 through December 31, 2015, funding for Exhibit A Amendment #3 is funded by various sources as a percentage of the total amount of $132,058.00 as follows:

- 46% Federal Funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant (CFDA #93.959);
- 22% General Governor's Commission on Alcohol and Drug Abuse Prevention, Intervention and Treatment Funds; and
- 32% General funds.

The Contractor agrees to provide the services in Exhibit A Amendment #3, Scope of Services in compliance with the funding requirements above.

The Contractor shall comply with Sections II through VIII for payment and invoicing instructions for services provided in Exhibit A Amendment #3.

B. Funding for Exhibit A-1, Scope of Services

From the effective date of Amendment #4 through September 30, 2015, the State shall pay the Contractor an amount not to exceed $20,000, for the services provided by the Contractor pursuant to Exhibit A-1, Scope of Services.

Funding is 100% Federal Funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant (CFDA #93.959);

The Contractor agrees to provide the services in Exhibit A-1, Scope of Services in compliance with the funding requirements above

The Contractor shall comply with Section IX for payment and invoicing instructions for services provided in Exhibit A-1, Scope of Services.

II. Payment Methodology

The Contractor will be reimbursed for providing and delivering the services identified in Exhibit A Amendment #3, section B. The following terms and conditions detailed in this Exhibit B Amendment #3 will apply to all services unless expressly stated otherwise.

The Contractor will use and apply all contract funds from the State for costs and expenses as detailed in the Service Reimbursement Table below. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. Effective July 1, 2014, the contractor will receive a payment for each service at the rates and within the limits described below. For clients receiving DHHS supported services, the contractor may not charge the client, any 3rd party payor, and DHHS a combined rate that is more than the rate established by BDAS for that level of service or any other fees. These parties shall be charged in the following order:

1. The maximum allowed charge will be billed to the client's insurer, if applicable.
2. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
3. The balance of the maximum allowed charge, after deducting the client's portion and insurance payment, if applicable, shall be charged to DHHS.

		Treatment Services Fee Table	

* The Contractor will bill the per diem rate for Intensive Outpatient Treatment services only on those days when the client attends individual and/or group counseling associated with the program. It is expected that each day of attendance includes a minimum of 3 hours of group and/or individual counseling services.
**Attempted Contact is at least 3 attempts to contact a client over the course of at least one week.
*** A unit is equal to 15 minutes of service

It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. **Failure to meet this requirement may result in amendment to or termination of the contract. At a minimum, contractors must provide the array of services they contracted to provide for in SFY15.**

III. Performance Incentives:

A. Access to Services:

Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received and shall conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact. For each client who screens eligible for services and starts receiving services, whether for the identified level of care or interim services, within 10 business days following the eligibility screening, the treatment contractor will receive an incentive payment of $75.00. Access incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

B. Completion:

For each client who is discharged from the program because they have completed treatment or transferred to another treatment provider as recorded in the Discharge Type field of the WITS Discharge Module, the treatment contractor will receive an incentive payment of $75.00. Completion incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

C. Client Outcomes:

If a client who was discharged from the program meets at least 3 of the Outcome criteria below in the 3rd and/or 6th month post-discharge, as evidenced by the WITS Follow-Up module, the treatment contractor will receive an incentive payment in the amount of $50. The 3rd month post discharge is considered to be 60 – 120 days post discharge. The 6th month post discharge is considered to be 150 – 210 days post

discharge. Outcomes incentives will be calculated and paid on a monthly basis for clients meeting criteria in the previous calendar month. It is expected that at least 50% of discharged clients will be contacted for 3 and/or 6 month follow-up over the contract year.

i. Abstinence: The client reports reduced or no substance use in the past 30 days.
ii. Employment/Education: The client reports increased or retained employment or the client reports returning to or staying in school.
iii. Crime and Criminal Justice: The client reports no arrests in the past 30 days.
iv. Stability in Housing: The client reports being in stable housing.
v. Social Connectedness: The client reports engagement in Recovery Support Services, Care Coordination, and/or Community Based Support Groups in the past 30 days.

D. Performance Incentive Payout Limits:

Performance incentives are limited to no more than 6% of the total contract amount annually. The total amount paid out during the contract year will never exceed the total contract amount. DHHS is not obligated to make payment for any incentives that occur outside of the current contract year; however, incentives may be carried over to future contract years at the discretion of DHHS.

E. Failure to Meet Deliverables:

The Contractor shall comply with all contract requirements as detailed in Exhibit A section B, Required Services. Upon determination that Contractor may not be meeting the required deliverables, within two (2) weeks BDAS will provide a written correction action plan. Within two (2) weeks of notification of the corrective action plan, Contractor will provide a written remedial plan. BDAS will monitor the corrective actions for 60 days. Failure to meet requirements of the corrective action plan within 60 days may result in withholding of any or all payments or termination of the contract.

F. Invoicing & Billing:

The Contractor shall complete all billing for all services (except for Medication Assisted Treatment Staff Time for Phase I and Phase II), defined in this Agreement through the WITS system according to protocols established by BDAS.

The Contractor will use the Department supplied billing sheet to complete billing for Medication Assisted Treatment Staff Time for Phase I and Phase II.

The Contractor shall have written authorization from the State prior to using contract funds to purchase or lease any equipment with a cost in excess of two thousand five hundred dollars ($2500) and with a useful life beyond one year.

IV. Allocation of Funding:

It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. The contractor is prohibited from spending down more than the sum of the total contract amount that includes the cost of the client services and related incentives.

V. Availability of Alternative Funding:

The New Hampshire Department of Health and Human Services may terminate or amend the contract should alternate third party payors, including Medicaid, the New Hampshire Health Protection Program and/or insurance available on the New Hampshire Insurance Exchange cover any of the services included in this contract.

VI. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds:

The Contractor agrees to use the SAPT funds as the payment of last resort.

Restrictions on SAPT Block Grant on State and Contractor expenditures include:

The State may not:

- Provide inpatient hospital services except under those conditions outlined in the regulations.
- Make cash payments to intended recipients of substance abuse services.
- Purchase or improve land.
- Purchase, construct, or permanently improve buildings or other facilities.
- Purchase major medical equipment.
- Satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds. (in-kind)
- Provide financial assistance to any entity other than a public or non-profit private entity.
- Provide individuals with hypodermic needles or syringes.
- Expend more than the amount of Block Grant funds expended in FFY91 for treatment services provided in penal or correctional institutions of the State.

The Contractor shall not:

- Use any federal funds provided under this contract for the purpose of conducting testing for the etiologic agent for Human Immunodeficiency Virus (HIV) unless such testing is accompanied by appropriate pre and post-test counseling.
- Use any federal funds provided under this contract for the purpose of conducting any form of needle exchange, free needle programs or the distribution of bleach for the cleaning of needles for intravenous drug abusers.

VII. Charitable Choice:

Federal Charitable Choice statutory provisions ensure that religious organizations are able to equally compete for Federal substance abuse funding administered by SAMHSA, without impairing the religious character of such organizations and without diminishing the religious freedom of SAMHSA beneficiaries (see 42 USC 300x-65 and 42 CFR Part 54 and Part 54a, 45 CFR Part 96, Charitable Choice Provisions and Regulations). Charitable Choice statutory provisions of the Public Health Service Act enacted by Congress in 2000 are applicable to the SAPT Block Grant program. No funds provided directly from SAMHSA or the relevant State or local government to organizations participating in applicable programs may be expended for inherently religious activities, such as worship, religious instruction, or proselytization. If an organization conducts such activities, it must offer them separately, in time or location, from the programs or services for which it receives funds directly from SAMHSA or the relevant State or local government under any applicable program, and participation must be voluntary for the program beneficiaries.

VIII. Notwithstanding paragraph 18 of the General Provisions of this Agreement P-37, an amendment limited to adjusting amounts within the budgets and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of Governor and Executive Council.

IX. Payment and Invoicing Instructions for Exhibit A-1, Scope of Services

A. Payment for said services shall be made as follows:

i. The Contractor will submit one invoice by October 10, 2015, which identifies and requests reimbursement for authorized expenses incurred for the period defined in Section "I. Funding, B. Funding for Exhibit A-1," above.

ii. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.

The invoice must be submitted to:
Financial Manager
Department of Health and Human Services,
Bureau of Drug and Alcohol Services
105 Pleasant Street
Concord, NH 03301

B. The invoice shall include an itemized listing of expenses, amounts and dates when the expenses incurred.

C. The Contractor shall provide supporting documentation to support evidence of actual expenditures identified on the invoice and in accordance with the Department approved plan, such as but not limited to: a copy of the approval from the Department to expend the funding; a detailed description of the scope of work that was completed; copies of invoices for purchases; and/or the names of the Contractor's staff, dates and hours worked and amounts being billed for the specific scope of work.

D. Allowable costs and expenses shall be determined by the Department in accordance with applicable state and federal laws and regulations.

E. The Contractor shall not bill for reimbursement of expenses incurred before or after the period defined in Section "I. Funding, B. Funding for Exhibit A-1," above.

F. The Contractor shall obtain Department approval prior to incurring the expense to provide the scope of work described in the Department approved plan.

G. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this contract may be withheld, in whole, or in part, in the event of noncompliance with any State of Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.

H. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds are defined in Section "VI Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds," above.

HORIZONS COUNSELING CENTER

MISSION STATEMENT

Horizons Counseling Center is dedicated to the provision of comprehensive, quality prevention, assessment and treatment services for substance use and co-occurring mental health disorders. We seek to ensure access to services for substance abusers and their families regardless of income or ability to pay. Through community education we seek to raise awareness about the disease of addiction and to reduce the stigma associated with addiction that creates barriers to treatment and discrimination for addicted persons and their families.

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of Horizon Counseling Center, Inc.
Gilford, NH 03246

We have audited the accompanying financial statements of Horizon Counseling Center, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2013 and 2012, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Horizon Counseling Center, Inc. as of June 30, 2013 and 2012, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Note 1: Organization

Horizons Counseling Center, Inc. is a New Hampshire non-profit organization incorporated March 2, 1990. The Organization is dedicated to providing quality mental health care services for the comprehensive prevention, assessment and treatment of substance abuse and dependence, and related behavioral matters. Services are provided to substance abusers, their families and others affected by the substance abuse. The Organization is dedicated to providing these services to those of limited financial ability, regardless of their ability to pay.

Note 2: Summary of Significant Accounting Policies

Accounting Method

The financial statements have been prepared using the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when they are earned and expenses are recorded at the time liabilities are incurred.

Net Assets

The Organization reports its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted Net Assets include the portion of funds that are not restricted by donor or grantor and are available for support of the Organizations' operation.

Temporarily Restricted Net Assets include the portion of funds for which donor or grantor restrictions have not yet been met and for which the ultimate purpose of the proceeds are not permanently restricted.

Permanently Restricted Net Assets include the portion of funds for which donor or grantor imposed restrictions require the funds to be maintained permanently by the Organization.

Cash and Cash Equivalents

For the purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Accounts Receivable

Accounts receivable is stated at net realizable value and consists of amounts due from clients for services rendered. Service fees are recorded in the year in which the service is performed. Uncollectible amounts, estimated by management based on historical data, are recorded in the period during which the services are provided even though the actual amounts may become known at a later date.

Note 2: Summary of Significant Accounting Policies – continued

Accounts Receivable - continued

Under terms of the State grant the Organization receives, no patient may be denied services for an inability to pay, resulting in services that are provided but are never expected to result in cash flows. These services estimated at approximately 54% of billings, do not qualify for recognition as receivables or revenue.

Property and Equipment

Property and equipment are recorded at cost or, if donated, at their fair market value at the date of donation. Maintenance and repairs are charged to operations when incurred; major purchases and improvements are capitalized. Fixed assets, consisting of computer and telephone equipment are being depreciated over a five year period using the straight line method.

Grants

The State of New Hampshire, in accordance with a grant contract with the Organization, allows any surplus of revenues over expenses to be used on activities approved by the grant contract with the State of New Hampshire, Department of Health and Human Services – Bureau of Drug and Alcohol Services (BDAS) to cover Medicaid shortfalls or to be expended at HCC's discretion to increase or improve service delivery within the programs specified by the contract except that such expenditures shall not increase the annualized operating cost of such programs without the prior written approval of BDAS. (See Note 5)

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. The Organization has chosen to record restricted contributions whose restrictions are met in the same reporting period as unrestricted contributions.

Schedules of Functional Expenses

The costs of providing various program and management services have been summarized on a functional basis in the Statement of Functional Expenses. Accordingly, certain costs have been allocated amongst the program services and management services benefited based on actual costs and analysis of personnel time.

Note 2: Summary of Significant Accounting Policies – continued

Use of Estimates

Preparation of the Organizations' financial statements, in conformity with generally accepted accounting principles, requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could vary from these estimates.

In-Kind Contributions

In-kind contributions are recorded at fair market value and recognized as revenue in the accounting period in which they are received. During the years ended June 30, 2013 and 2012, donated professional services of $6,400 and $0 were received and recorded in the financial statements. Volunteers, mainly board members, donate time to the Organization's program services. These services have not been included in donated materials and services because their value has not been determined.

Federally Insured Limits

The Organization maintains its cash account at one financial institution, which is secured by the Federal Deposit Insurance Corporation (FDIC) up to $250,000 in aggregate. The Organization has not exceeded this limit for the years ending June 30, 2013 and 2012.

Tax Status

The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and did not conduct unrelated business activities. Therefore, there is no provision for federal income taxes in the accompanying financial statements. In addition, the Organization has been determined by the IRS not to be a private foundation within the meaning of Section 590(a) of the Internal Revenue Code.

Uncertainty in Income Taxes

The Organization recognizes uncertain income tax positions as required by generally accepted accounting principles. Income tax benefits are recognized for income tax positions taken or expected to be taken in a tax return, only when it is determined that the income tax position will more-likely-than-not be sustained

Note 2: Summary of Significant Accounting Policies – continued

Uncertainty in Income Taxes - continued

upon examination by taxing authorities. The Organization has analyzed its tax positions taken for filing with the Internal Revenue Service and the State of New Hampshire. The Organization believes that the income tax filing positions will be sustained upon examination and does not anticipate any adjustments that would result in a material adverse affect on the Organization's financial condition, results of operations, or cash flows. Accordingly, the Organization has not recorded any reserves or related accruals for interest and penalties for uncertain tax positions at June 30, 2013.

The Organization is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations in progress for any tax period. The Organization believes it is no longer subject to income tax examinations for fiscal years ended prior to June 30, 2010.

Note 3: Leased Facilities and Related Party

The Organization rents the Gilford office from a related party, the spouse of the Executive Director. The rental agreement is unwritten, but annual rental payments are approved each year by the Board of Directors. For the years ended June 30, 2013 and 2012 the total rent paid to the related party was $14,406.

For the years ended June 30, 2013 and 2012, the Organization also rented space in Plymouth, New Hampshire. A 24 month lease agreement was entered into on January 1, 2012, which calls for monthly rent payments of $475. The total rent for the Plymouth office for the June 30, 2013 and 2012 was $5,550 and $5,700, respectively.

Effective August 6, 2012, the Organization rented space in Gilford, New Hampshire. The lease is for one year, which calls for monthly rent payments of $900. Total rent paid for the year ended June 30, 2013 was $9,900.

Note 4: Concentration of Risk

The Organization grants credit to its patients, most of whom are local residents and some of whom are insured under third party payer agreements. Based upon factors surrounding the credit risk of specific patients, historical trends, and other information, the Organization has estimated the collectible balances for patient receivables. No collateral or other security to support patient receivables is required.

The Organization receives the majority of its support from the New Hampshire Department of Health and Human Services. In the event that this support were to be eliminated, it is likely that the Organization would need to reduce its current operations.

Note 5: Grant Revenue and Support

The Organization receives substantial funding in the form of grants from the New Hampshire Department of Health and Human Services - Bureau of Drug and Alcohol Services (BDAS). The Organization reports the grant funding as income for the period in which services are rendered and costs are incurred.

Under the terms of the grant, no patient may be denied services due to an inability to pay for such services. Consequently, all patients are billed on a sliding fee scale based upon their financial resources. The difference between the established rates and the amount collectible and the difference between the established rates and third-party payments are deducted from gross service revenue.

Note 6: Related Party

During the year ended June 30, 2013, the Organization received donations totaling $10,500 from relatives of the executive director.

Note 7: Subsequent Events

Management has evaluated subsequent events through November 6, 2014, which is the date the financial statements were available to be issued.

Scope of Services

A. Population Served

The Contractor will provide substance use disorder treatment services to New Hampshire residents who:

- meet diagnostic, financial, and other eligibility criteria, as defined in Section C, Clients Eligible for Treatment Services; and
- Reside in any city or town, or who are homeless, in New Hampshire.

B. Required Treatment Services

The Contractor will provide treatment services as identified in the **Service Table** below. An "X" denotes the services that the Contractor will provide to eligible individuals in accordance with all applicable laws, rules, and regulations and terms and conditions of this Agreement.

Service Table	
Required Services	**Treatment Services**
X	***Outpatient Treatment (ASAM Level 1)*** - Substance abuse treatment services provided in individual and group counseling sessions in a non-residential setting. Clients may be enrolled in outpatient treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. Outpatient Treatment providers must provide assessment to all clients to determine the appropriate ASAM (October 2013) level of care. If this level is higher than ASAM Level 1, the outpatient provider must refer the client to the appropriate level of care and provide interim services until the client is able to enter the appropriate level of care.
X	***Outpatient Treatment (ASAM Level 1) – Pregnant & Parenting Women –*** Outpatient Treatment as identified above provided to pregnant & parenting women.
X	***Intensive Outpatient Treatment (ASAM Level 2.1)*** – A combination of individual and group substance abuse treatment services conducted in an outpatient setting for a minimum of 3 hours of direct client treatment services per day for a minimum of three days per week. Clients receiving less than this level of service should be enrolled in an outpatient program. Clients may be enrolled in intensive outpatient treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. No client shall be admitted to an ASAM Level 2.1 program without first having an evaluation and referral from an ASAM Level 1 provider.
X	***Intensive Outpatient Treatment (ASAM Level 2.1) – Pregnant & Parenting Women*** - Intensive Outpatient Treatment as identified above provided to pregnant & parenting women.

Service Table	
Required Services	**Treatment Services**
	Low-Intensity Residential Treatment (ASAM Level 3.1, Formerly Transitional Living) – Residential substance abuse treatment services are designed to support individuals in the early stages of recovery that need this residential level of care and/or are homeless. The goal of these programs is to prepare clients to become self-sufficient in the community. Clients may be enrolled in low-intensity residential treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. Residents typically work in the community and may pay a portion of their room and board. No client shall be admitted to an ASAM Level 3.1 program without first having an evaluation and referral from an ASAM Level 1 provider.
	Low-Intensity Residential Treatment (ASAM Level 3.1, Formerly Transitional Living) – Pregnant Women - Low-Intensity Residential Treatment as identified above provided to pregnant & parenting women.
	High-Intensity Residential – Adult (ASAM Level 3.5, Formerly: Residential – Treatment Adult) and Medium Intensity Residential – Adolescent (ASAM Level 3.5, Formerly: Residential – Treatment Adolescent) - Short-term residential substance abuse treatment designed to assist individuals who require a more intensive level of service in a structured setting and/or individuals that may be homeless. Admission is on a voluntary basis. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. No client shall be admitted to an ASAM Level 3.5 program without first having an evaluation and referral from an ASAM Level 1 provider.
	High-Intensity Residential – Adult (ASAM Level 3.5, Formerly: Residential – Treatment Adult) and Medium Intensity Residential – Adolescent (ASAM Level 3.5, Formerly: Residential – Treatment Adolescent) - Pregnant Women - High-Intensity Residential – Adult and Medium Intensity Residential – Adolescent as identified above provided to pregnant women.
	Specialty Residential Treatment for Pregnant & Parenting Women (ASAM Level 3.5) - Residential treatment services for pregnant and parenting women and their children. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. No client shall be admitted to an ASAM Level 3.5 program without first having an evaluation and referral from an ASAM Level 1 provider.

Service Table	
Required Services	**Treatment Services**
X	***Recovery Support Services:*** Group or individual services that are consistent with an individual's recovery plan that prevent relapse and enhance or remove barriers to recovery. Examples of recovery support services include, but are not limited to: assisting clients with enrollment in Medicaid, the New Hampshire Health Protection Program (NHHPP), or private insurance, anger management, financial management, communication skills, spiritual support, parenting skills, health management, case management, organization and time management, recovery coaching, recovery mentoring, stress management, and vocational services. Programs may focus on a single recovery support service or provide a curriculum that includes an array of recovery support services. Types of Recovery Support Services are listed below:
X	• Continuous recovery monitoring services are regular follow-ups with clients to assess the status of the client's recovery, identify any needs the client may have and help the client to address those needs, and provide early intervention for client's who have relapsed or who's recovery is otherwise at risk.
	• Enhanced Services are specialized services that remove barriers to a client's participation in treatment. Examples of these services are child care while a parent is participating in treatment or transportation to and/or from the treatment site.
X	***Recovery Support Services*** as identified above provided to pregnant & parenting women.
X	***Medication Assisted Treatment with Buprenorphine – Phase I*** The Contractor will develop a work plan, for DHHS approval, for integrating medication assisted treatment with buprenorphine into the treatment services denoted by an "X" described above. The Contract may seek technical assistance in developing this plan through the New Hampshire Center for Excellence. The Contractor will bill for staff time only, as described in Exhibit B, during Phase 1. The Contractor's work plan will include at a minimum the following: • The steps to be taken to begin offering medication assisted treatment with buprenorphine, including the responsible individuals and expected timing. • The provider(s) you will work with for prescription and medical oversight of buprenorphine, including a Memorandum of Understanding with each provider regarding billing and payment practices and how the parties will interact to ensure that integrated care is provided.
X	***Medication Assisted Treatment with Buprenorphine – Phase II*** The Contractor will Implement the Phase 1 work plan upon DHHS approval, which includes the administration of the physician service and medication to clients. The Contractor will bill for staff time (only for continued planning of the service delivery), physicians visits, and medication as described in Exhibit B, during Phase 2. Medication Assisted Treatment Services provided in Phase 2 are subject to all contract provisions described in this Agreement.

C. ***Required Provisions for Services***

Priority Admission:

1) The Contractor shall give admission preference to pregnant women and women with dependent children, even if the children are not in their custody, as long as parental rights have not been terminated, including the provision of interim services within the required 48 hour time frame.
2) Individuals who have been administered Narcan to reverse the effects of an opioid overdose either in the 14 days prior to screening or in the period between screening and admission to the program.
3) Individuals with a history of injection drug use including the provision of interim services within 14 days.
4) Individuals with a primary diagnosis of a substance use disorder, which may also include a co-occurring mental health disorder.
5) Individuals with substance use co-occuring mental health disorders.
6) Individuals with Opioid Use Disorders.

Required Outreach:

New Hampshire Department of Health & Human Services (DHHS) programs receiving federal treatment Block Grant funds requires that Contractors must publicize services available to pregnant or parenting women and injection drug users in need of substance abuse treatment and that these individuals receive preference for admission to treatment. This may be done as follows, but is not limited to, street outreach programs, ongoing public service announcements (radio/television), regular advertisements in local/regional print media, posters placed in targeted areas, and frequent notification of availability of such treatment distributed to the network of community based organizations, health care providers and social service agencies. The Contractor will submit their outreach plans to DHHS through the Bureau of Drug and Alcohol Services (BDAS) within 60 days of contract effective date.

Health Facilities Administration Licensing Requirements:

Housing programs with substance abuse treatment services at the same location will need to secure necessary licensing as a Residential Rehabilitation Facility by the DHHS Bureau of Health Facilities Administration, as appropriate, see He-P 807 at the following link: (http://www.gencourt.state.nh.us/rules/state_agencies/he-p800.html). Any contractor with an American Society of Addiction Medicine (ASAM) (October 2013) Level 3.3 or higher level program must secure this licensing for all Level 3 programs housed within the same facility as the Level 3.3 program. In the case of residential treatment and housing at the same site, residential programs must be in compliance with the most recent DHHS requirements relative to the Institute for Mental Disease (IMD) Exclusion.

Capacity Reporting:

The Contractor must contact BDAS, as agent for DHHS, when their capacity has reached 90% within 5 business days. The Contractor must refer pregnant women to the State when the Contractor has insufficient capacity to provide services to any such pregnant women who seek the services of the program. Sending e-mail to the BDAS Clinical Services Unit Administrator may complete this notification process.

Access to Services:

Programs above ASAM Level 1 may not accept clients in the absence of a recommendation to the program's level of care based on an evaluation by and ASAM Level 1 provider. ASAM Level

1 programs may not provide services other than evaluation until an evaluation has been completed and a level of care recommendation established. The required evaluation may be conducted by any ASAM Level 1 provider, regardless of DHHS contract status, but will only be DHHS reimbursed for DHHS contracted providers.
The Contractor shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within 2 business days following the day the call was received. If a client contacts the contractor and has not obtained an evaluation and ASAM Level of Care recommendation, the contractor shall refer the client to an ASAM Level 1 provider to obtain this. If the client has obtained and evaluation and ASAM Level of Care recommendation from an ASAM Level 1 provider, but the contractor cannot provide that level of care to the client, the contractor shall refer the client to a program that can provide the appropriate ASAM level of care. If the contractor is an ASAM Level 1 provider or if the client's ASAM Level of Care recommendation is consistent with the level of care provided by the contractor, the contractor is required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.

Those who have screened eligible for evaluation services will be seen for the initial evaluation within 5 business days and a final evaluation narrative and ASAM level of care recommendation and referral will be completed within 10 business days.
Those who have completed an evaluation and ASAM level of care recommendation and referral and screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days following the eligibility screening. If the client is not able to access interim services at the contractor's agency for geographic or other reasons, the client should be referred to a DHHS funded provider where they are able to access interim services.

Contractors receiving grant funds from DHHS will not discriminate against clients who are using legitimate medications to assist their recovery and will not have policies that allow them to refuse admission to treatment or to discharge clients from treatment based on the use of appropriately prescribed medications and various opiate replacement therapies, including, but not limited to, methadone and buprenorphine, as well as other forms of medication-assisted treatment for co-occurring substance abuse and mental health disorders.

Clients Eligible for Treatment Services:
In order to be eligible for DHHS supported services, a client must meet all eligibility criteria described below. Eligibility determination shall be conducted as follows:

1. Substance Use Disorder, Financial Eligibility & Residency Screening: The contractor shall complete the eligibility screening module in the Web Information Technology System (WITS) to determine if the client meets residency, financial, and substance use disorder potential eligibility requirements:
    a. Residency: The client must be a resident of New Hampshire or homeless in New Hampshire to be eligible for DHHS supported services; and
    b. Financial Eligibility: The client's income must be below 400% of Federal Poverty Level (FPL) to be eligible for DHHS supported services based on the sliding fee scale described below. Once the screening has been completed, the contractor shall print the associated attestation and have the client sign this document. A copy of the signed attestation shall be maintained in the client file. The client's financial eligibility shall be reassessed no less than every 120 days.; and

c. Potential for a Substance Use Disorder: The client must screen positive for a potential substance use disorder to be eligible for DHHS funded services.

2. Evaluation: No client shall be eligible for treatment services without first having an evaluation and referral from an ASAM Level 1 provider. The required evaluation may be conducted by any ASAM Level 1 provider, regardless of DHHS contract status, but will only be DHHS reimbursed for DHHS contracted providers. If this evaluation is completed by a contracted provider, the evaluation shall include administration of either the ASI or GAIN.
    a. Substance Use Disorder: This evaluation shall be used to determine if the client meets Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition (DSM5) criteria for a substance use disorder. Clients who meet DSM5 criteria for a substance use disorder are eligible for DHHS funded services. Client who do not meet these criteria are not eligible for DHHS funded services.
    b. Level of Care: For clients who have met all other eligibility requirements, this evaluation shall be used to determine the appropriate level of care for the client based on ASAM (October 2013) criteria. The client is eligible for DHHS funded services at the assessed level of care unless such a level of care is unavailable or the client chooses to enter a lower level of care. If the assessed level of care in unavailable, the client may choose to enter the next higher level of care
3. Medicaid/NHHPP Eligibility: The contractor shall determine whether or not the client is eligible for Medicaid/NHHPP coverage for the identified level of care. If the client is not eligible for Medicaid/NHHPP coverage for the identified level of care, the client may be eligible for DHHS funded services. If the client is eligible for Medicaid/NHHPP coverage for the identified level of care, the client is not eligible for DHHS funded services. The provider shall assist the client with the Medicaid/NHHPP enrollment process if they are believed to be eligible for these programs.
4. Insurance Coverage: The contractor shall determine whether or not the client has insurance that will cover services at the identified level of care. If the client does not have insurance that will reimburse for these services at a rate equal to or greater than the DHHS rate, the client is eligible for DHHS funded services. If the client has insurance that will reimburse for these services at an amount equal or greater to the DHHS reimbursement rate, the client is not eligible for DHHS funded services. The contractor may not charge the combination of the client, any 3rd party payor, and DHHS more than the maximum charge allowed, which is the DHHS rate for the service in those instances in which DHHS pays any portion of the service fee. These parties shall be charged in the following order:
    a. The maximum allowed charge will be billed to the client's insurer, if applicable.
    b. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
    c. The balance of the maximum allowed charge after deducting the client's portion and the insurance payment, if applicable, shall be charged to DHHS.
5. Medication Assisted Treatment with Buprenorphine eligibility: Only those clients who are simultaneously engaged in other clinical services with the provider are eligible for these services.

Sliding Fee Scale:

The contractor shall not charge the combination of the client, any 3rd party payor and BDAS an amount greater than the maximum rate allowed for each service. All reasonable efforts shall be

made to collect payment of bills. A client's inability to pay shall not preclude admission to the program and treatment.

- Client Income is 0% - 138% of FPL: 100% of the allowed charge less any amount paid for by insurance.
- Client Income is 139% - 149% of FPL: 92% of the allowed charge less any amount paid for by insurance.
- Client Income is 150% - 199% of FPL: 88% of the allowed charge less any amount paid for by insurance.
- Client Income is 200% - 249% of FPL: 75% of the allowed charge less any amount paid for by insurance.
- Client Income is 250% - 299% of FPL: 60% of the allowed charge less any amount paid for by insurance.
- Client Income is 300% - 349% of FPL: 43% of the allowed charge less any amount paid for by insurance.
- Client Income is 350% - 399% of FPL: 33% of the allowed charge less any amount paid for by insurance.

With respect to minority age individuals, a minor child shall not be denied services as a result of the parent's unwillingness to pay the fee or the minor child's decision to receive confidential services pursuant to RSA 318-B:12-a.

Waiting List Management:
When a person who is pregnant or an injection substance abuser seeks treatment and there are no appropriate treatment services available within the required time frame as outlined below, interim services **must** be made available. The Contractor agrees to maintain the wait list management system in WITS that includes a unique patient identifier and include information on dates of requests for admission to treatment, provision of interim services and source for those services, referrals made for treatment or interim services, and disposition of clients on the waiting list.

- The waiting list must contain a mechanism that identifies and counts the number of applicants who present and are determined to be appropriate for substance abuse treatment but are unable to be placed as there is no capacity;
- Maintain contact with individuals awaiting admission; and,
- Admit or transfer waiting list clients at the earliest possible time to an appropriate treatment program within a reasonable geographic area.

The Contractor shall remove a client awaiting treatment from the waiting list only when one of the following conditions exists:

- Such persons cannot be located for admission into treatment *or*
- Such persons refuse treatment.

Specific Interim Services for Pregnant Women, Women with Dependent Children and Injection Drug Users:
The Contractor agrees to contact the BDAS Clinical Services Unit if a pregnant women and women with dependent children or individuals with a history of injection drug use, cannot be accepted into treatment within specific time frames, and agrees that interim services will be provided or facilitated by the Contractor. Interim services for pregnant women must include counseling on the effects of alcohol and drug use on the fetus, referrals for prenatal care, and

counseling and education about HIV and tuberculosis. Interim services for injection drug users must also include counseling and education in the risks of needle sharing, about the risks of transmission to sexual partners and infants, and referral for HIV, Hepatitis C and tuberculosis screening/testing. All interim services shall be documented in the client's clinical record in the WITS system.

Interim Services for other Clients:
The Contractor shall provide, or refer the client to, interim services until level of service identified in the level of care assessment is available and/or the client is willing and assessed as being sufficiently motivated to take advantage of the proposed level of service or interim services. If the client is not able to access interim services at the contractor's agency for geographic or other reasons, the client shall be referred to a DHHS funded provider where they are able to access interim services.

Services to pregnant and parenting women:
The Contractor further agrees that childcare will be made available to women who are in treatment with their dependent children, either through on-site care or through arrangements with an off-site legal childcare provider. Other services required are as follows:

- The family is treated as a unit and, therefore, admits both women and their children into treatment services, if appropriate.
- The Contractor shall provide or arrange for primary medical care for women who are receiving substance abuse services, including prenatal care.
- The Contractor shall provide or arrange for childcare while the women are receiving services even if the children are not in their custody, as long as parental rights have not been terminated.
- The Contractor shall provide or arrange for primary pediatric care for the women's children, including immunizations.
- The Contractor shall provide or arrange for gender-specific substance abuse treatment and other therapeutic interventions for women that may address issues of relationships, sexual abuse, physical abuse, and parenting, and childcare while the women are receiving these services.
- The Contractor shall provide or arrange for therapeutic interventions for children in custody of women in treatment, which may, among other things, address the children's developmental needs, their issues of sexual and physical abuse, and neglect.
- The Contractor shall provide or arrange for sufficient case management and transportation services to ensure that the women and their children have access to the services provided for above.
- If a pregnant, pregnant injection drug using or Injection Drug Using person refuses treatment or says (s)he is not interested in treatment, the wait list report shall be completed with the engagement activities attempted.
- If a pregnant, pregnant injection drug using or Injection Drug Using person no shows or cancels treatment, interim services must be provided, as stipulated above and the wait list report shall be completed that demonstrates the activities of follow up, engagement and substance abuse treatment services offered.

Relationship(s) with Primary Health Care:
The Contractor shall arrange and coordinate services and exchange of information with other health care providers and agencies which:

- Identifies the client's current Primary Care Provider (PCP) at screening and/or intake.
- If the client has no current PCP, the Contractor shall identify available provider(s) in the client's local area such as a federally qualified community health center, community health center, or other local health services.
- Obtains client/patient authorization to communicate with PCP office.
- If no authorization is completed initially, the Contractor shall educate client as to the importance of engaging the PCP in ongoing care and address the client's concerns as part of treatment, with goal of obtaining authorization before discharge.
- Sends the discharge summary to PCP and offers to discuss recovery issues with the provider.
- Arranges (or has the client arrange) a post-discharge appointment with PCP for the client/patient for follow-up of the substance use disorder.

Tobacco Cessation:
The Contractor shall have policies and procedures for both client and Contractor staff, that not only creates a tobacco-free environment as required by law, but to offer tobacco cessation tools and programming. Tobacco use, in and of itself, shall not be grounds for administrative discharge from the program. Initially, all clients shall be assessed for motivation in stopping the use of tobacco products. Providers may tap into resources such as the DPHS Tobacco Prevention & Control Program (TPCP) and the certified tobacco cessation counselors available through the QuitLine. Other resources for providers include:

Breathe New Hampshire
145 Hollis St., Unit C
Manchester, NH 03101
603-669-2411 (phone) or 1-800-835-8647

The New Hampshire Medicaid program covers:

- Nicotine Replacement Therapy (NRT) Gum,
- NRT Patch,
- NRT Nasal Spray,
- NRT Lozenge,
- NRT Inhaler,
- Varenicline (Chantix),
- Bupropion (Zyban),
- Group Counseling and/or
- Individual Counseling. Up to 12 individual counseling sessions are covered per year through a mental health provider (Note: These sessions would NOT be in addition to other mental health counseling sessions under Medicaid). Pregnant women also have the option of group counseling. For more information, visit the website at: http://www.dhhs.state.nh.us/DHHS/MEDICAIDPROGRAM/default.htm

Tuberculosis:
The Contractor shall make available tuberculosis services (defined as screening, counseling, testing, and treatment) directly, or through other providers, to each client receiving treatment. In the case of an individual denied admission due to lack of capacity, the substance abuse treatment Contractor will refer the individual to another provider of tuberculosis services if appropriate. All Contractor providing residential services shall make available, either on-site or through agreements with health care providers, tuberculosis services, including screening,

testing, counseling and referral for medical treatment.

Physical location and facilities:
For the purpose of providing the services described in Section II of the Scope of Services, the Contractor shall obtain and maintain a suitable space complying with all fire, health, and safety codes to include handicapped accessibility and being wheelchair accessible.

The Contractor shall obtain written prior approval of DHHS, acting through BDAS, before entering into any agreement concerning relocation of the service site.

Culturally and Linguistically Appropriate Standards of Care:
DHHS recognizes that culture and language have considerable impact on how consumers access services. Culturally and linguistically diverse populations experience barriers in efforts to access services. To ensure equal access to quality services, DHHS expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.
2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.
3. When feasible and appropriate, provide clients of Limited English Proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.
4. The Contractor is responsible for reasonable accommodations in arranging for interpreter services for hearing impaired clients.
5. The Contractor offers consumers or clients a forum through which those individuals have the opportunity to provide feedback to the Contractor regarding cultural and linguistic issues that may deserve response.

Compliance with State and Federal Laws:
The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. All services provided pursuant to this Contract shall be subject to the most current proposed or formalized rules and regulations promulgated by DHHS, pursuant to RSA 541-A.
2. The Contractor shall maintain adherence to federal and state confidentiality laws specifically: 42 CFR Part 2B, N.H. RSA 318 B:12 and N.H. RSA 172:8-A and the Health Insurance Portability and Accountability Act (HIPAA): *http://www.hhs.gov/ocr/privacy/*
3. The Contractor shall meet the standards outlined in NH Administrative Rule He-A 300, Certification and Operation of Alcohol and other Drug Disorder Treatment Programs. This administrative rule is currently expired and under revision. The Contractor should plan to meet the requirements as outlined in the expired rule until the revisions are completed. He-A 300 can be viewed on the RFP link to this document *http://www.dhhs.nh.gov/business/rfp/index.htm*.
4. The Contractor shall, upon the direction of the State, provide court-ordered evaluation in their catchment area and a sliding scale fee shall apply and the inability to pay shall not interfere with the completion and submission of the court-ordered evaluation and shall,

upon the direction of the State, offer treatment to those individuals pursuant to RSA 172:13.

5. Contractors considering research, including research conducted by student interns, using individuals served by this contract as subjects must adhere to the legal requirements governing human subjects' research. Contractors must inform the DHHS via contact with BDAS prior to initiating any research involving subjects or participants related to this contract. In addition, research conducted on subjects served by this contract may need to be approved by the New Hampshire Department of Health & Human Services Committee for the Protection of Human Subjects (NH DHHS CPHS) see http://www.dhhs.nh.gov/irb/

Client Stabilization:
The Contractor will be expected to arrange for medical clearance for all clients receiving treatment services supported by DHHS administered by BDAS to assure that they are not at risk for acute withdrawal from alcohol and certain drugs. The Contractor shall be expected to provide a range of integrated services that include withdrawal management services that follow detoxification guidelines outlined in Treatment Improvement Protocol (TIP) #45, Detoxification and Substance Abuse Treatment and ASAM guidelines.

Clinical Services:
The Contractor shall provide the following:

a. A minimum of one (1) substance abuse counselor on site each day of the week during primary treatment hours. The substance abuse counselor shall have a bachelor's degree or equivalent in social work/psychology, guidance or nursing and/or a certificate in the field of addiction studies from an approved educational institution or educational/life experience.
b. A minimum of one (1) substance abuse support staff on site each day of the week during all hours not covered by a substance abuse counselor. The substance abuse support staff must have a high school or General Equivalency Diploma (GED). Preference is given to individuals who have completed additional courses or taken training in substance use disorders or other health fields.
c. An intake/admission coordinator on site Monday through Friday of each week. The intake/admission coordinator shall have one (1) years' work experience in the field of addiction studies.
d. A full-time Executive Director, not filling any of the positions described above.

Evaluation:
No client shall be eligible for treatment services without first having an evaluation and referral from an ASAM Level 1 provider. The required evaluation may be conducted by any ASAM Level 1 provider, regardless of DHHS contract status, but will only be DHHS reimbursed for DHHS contracted providers. If this evaluation is completed by a contracted provider, the evaluation shall include administration of either the ASI or GAIN.

Assessment of Risk for Self-Harm/Suicide: The Contractor shall have policies and practices for assessing risk of self-harm at all phases of treatment, such as at initial contact, during screening, intake, admission, on-going treatment services and at discharge, and a process for referral when necessary to include referrals to mental health services.

Use of Best Practices: The Contractor is required to use the Addiction Severity Index (ASI) or Global Appraisal of Individual Needs (GAIN) assessment tools, the SAMHSA/NIDA MATRS treatment-planning model and the WITS electronic case management system.

The Contractor shall develop policies, programs and protocols in accordance with SAMHSA guidelines as outlined in the Treatment Improvement Protocols (TIPs) and Technical Assistance Publications (TAPs). These publications can be downloaded from http://www.kap.samhsa.gov/products/manuals/index.htm

Relevant Policies and Guidelines:
The services provided for in this agreement shall be in addition to the services provided for in any other agreement between the State of New Hampshire, any of its agencies, or any of its officers, and the Contractor.

Without limiting the generality of any other provisions of this agreement, the Contractor shall cooperate fully with, and answer all questions of representatives of the State conducting any periodic or special review of the performance of the Contractor or any inspection of the facilities of the Contractor.

Publications Funded Under Contract:
All products produced under this contract are in the public domain. All products (written, video, audio) produced, reproduced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution, or use. The Contract shall credit DHHS on all materials produced under this contract.

Student Internships:
The Contractor shall establish policies and procedures related to student interns that address minimum coursework, experience and core competencies for those interns having direct contact with individuals served by this contract. Student interns shall complete an approved ethics course prior to beginning the internship.

Staff Licensing Requirements:
The ratio of licensed to non-licensed service providers shall be as follows:
Agencies must have at least one Licensed, or Masters Licensed, Alcohol and Drug Counselor (LADC/MLADC) for each two unlicensed counselors providing substance abuse treatment services and a sufficient number of MLADCs or LADCs with the Licensed Clinical Supervision (LCS) credential to adequately provide for clinical supervision of all clinical staff. This requirement shall be met by the Contractor no later than six (6) months after the date of the Contract effective date.

Updated resumes, which clearly indicate the staff member is employed by the Contractor, including current positions of staff supported by funds provided through this Contract, shall be forwarded to the BDAS as agent for DHHS. The documentation shall include a copy of the New Hampshire Alcohol and Drug Counselor License.

Staff Certification Requirements:
In addition to the requirements for LADCs, all Contractor milieu staff in residential settings and transitional living programs and staff providing recovery support aftercare group services shall be a LADC, MLADC, or Certified Recovery Support Workers (CRSW) under the Board of

Contractor Initials: _____
Date: 5/13/15

Alcohol and Drug Abuse Professional Practice, or working toward that certification under RSA 330-C (http://www.gencourt.state.nh.us/rsa/html/NHTOC/NHTOC-XXX-330-C.htm). Certification must be completed within six (6) months of the contract's approval date.

Staff providing recovery support services are expected to be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification. Peer recovery support services made available through Recovery Community Organizations (RCOs), under agreement with BDAS on behalf of DHHS, shall be provided by individuals certified by those organizations (CRSW not required for peer recovery support services).

Supervision:
Ongoing clinical supervision will include weekly discussion of cases with suggestions for resources or therapeutic approaches, co-therapy, and periodic assessment of progress. When enough candidates are under supervision, group supervision may be included to help optimize the learning experience.

The content of supervision must include knowledge, skills, values, and ethics with specific application to the practice issues faced by the supervisee, including the core functions as described in the Twelve Core Functions of Alcohol and Drug Counseling.

The content of supervision must also include the standards of practice and ethical conduct, with particular emphasis given to the counselor's role and appropriate responsibilities, professional boundaries, and power dynamics.

Staffing Changes:
BDAS as agent for DHHS shall be notified of changes in key personnel with updated resumes that clearly indicate the staff member is employed by the Contractor submitted within five (5) working days. Key personnel are those staff for whom at least 10% of their work time is spent providing alcohol or other drug abuse treatment services.

1. New Hires: The Contractor shall notify BDAS on behalf of DHHS in writing within one month of hire when a new administrator or coordinator or any staff person essential to carrying out this scope of services is hired to work in the program. A resume of the employee, which clearly indicates the staff member is employed by the Contractor, shall accompany this notification.

2. Vacancies: The Contractor shall notify BDAS on behalf of DHHS in writing within 14 calendar days, if at any time, any site funded under this agreement does not have adequate staffing to perform all required services for more than one month.

Other Requirements:
The Contractor shall attend trainings and/or meetings as requested by DHHS.

Regional Network Participation:
The Contractor will designate administrative level staff to regularly participate in the Regional Network and contribute to overall regional network strategic planning, monitoring, evaluation, and cross systems communication efforts, and the development of a regional substance misuse/abuse Continuum of Care. The Contractor is highly encouraged to serve on one of the

work groups and/or leadership groups and contribute to data collection, regional strategic planning and evaluation. Participation will be measured by the annual Partner Survey (http://www.partnertool.net/) administered by NH Center for Excellence under contract with BDAS as agent for DHHS.

Performance Measures:
All treatment programs under contract with BDAS on behalf of DHHS are required to report on the National Outcome Measures (NOMs) established by the SAMHSA, as required in the Federal Substance Abuse Prevention and Treatment Block Grant, via the WITS (electronic case management) system. The Department of Health and Human Services reserves the right to consider Contractor performance across all of the domains in future funding decisions.

Data and Reporting Requirements:
1. Without limiting the generality of any other provisions of this agreement, the Contractor shall provide any periodic or special reports required by the DHHS.
2. The Contractor shall notify BDAS, as an authorized agent of DHHS, whenever the Contractor has reached ninety percent capacity to admit new clients. In addition the Contractor shall have a waiting list management policy in accordance with the SAPT Block Grant requirements. This 90% notification process will become automatic when this operation is fully functional in WITS.
3. The Contractor shall notify DHHS through BDAS, within one working day, if sufficient capacity is not available to provide treatment services to a pregnant woman, parenting woman or injection drug user within the required time frames and a referral elsewhere is not successful and interim services cannot be provided.
4. The Contractor shall comply with all research and/or information systems development activities for the electronic case management/Web Information Technology System (CM/WITS) conducted by, or authorized by, DHHS.
5. The Contractor shall administer any client surveys, client evaluations including the addiction Severity Index (ASI) or the Global Appraisal of Individual Needs (GAIN), client treatment outcome instruments, the M.A.T.R.S. Treatment Planning Tool, as required by DHHS.
6. The Contractor must have the ability to communicate and submit required reports via the Web-based submission system and/or e-mail, for treatment s and recovery support services and interim services. All required clinical and documentation activities shall be entered in WITS unless specifically granted an exception by BDAS on behalf of DHHS.

Critical Incident/Sentinel Event Reporting:
The Department's Sentinel Event policy is contained in the following link: http://www.dhhs.nh.gov/dcbcs/sentinel.htm

Division of Community Based Care Services (DCBCS) Sentinel Event Notification:
The preceding events require the immediate verbal notification to the BDAS Assistant Administrator or Clinical Services Unit Administrator upon the discovery of a sentinel event involving an individual(s) receiving services through a DHHS substance use disorder treatment Contractor.

Since the initial and immediate verbal notification of a sentinel event is likely to include protected health information (PHI) as identified below, the Contractor of services to individuals receiving services funded by the DHHS shall disclose PHI in a private and secure manner. Contractors and vendors should not leave voice-mail messages, but instead make direct telephone contact

with the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee. If direct telephone contact is not possible, a voice mail message may be left without protected health information, such as medications and relevant medical and psychiatric diagnoses. As soon as possible after the initial verbal notification, the Contractor will mail or fax a completed *Sentinel Event Reporting Form* as directed in this protocol.

Notification shall include the following:

1. Name and phone number of the individual reporting.
2. Name, date of birth (DOB), medications and all relevant medical and psychiatric diagnoses of individual(s) involved;
3. Location, date, and time of event;
4. Description of the event including what, when, where, how, and other relevant information and identification of any other individuals involved;
5. Legal status of the individual involved with regard to guardianship and power of attorney;
6. Community, guardian, family and/or families' knowledge of the event; and
7. Contractor contact person and contact information.

It shall be the responsibility of the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee to notify the DCBCS Quality Improvement Director by e-mail as soon as the BDAS Clinical Administrator or designee becomes aware a Sentinel Event has occurred. The DCBCS Quality Improvement Director shall make immediate notification to the Commissioner. Internal e-mails within the Department may contain PHI and all Department employees will utilize safeguards to ensure the privacy of the PHI as stated in the DHHS General Manual Health Insurance Portability and Accountability Act (HIPAA) policy #504.

Each DCBCS contractor recognizes its responsibility to report evidence of neglect, abuse or exploitation to the appropriate regulatory agencies as required by RSA 161-F: 42-57 and RSA 169-C:29. In any case of known or suspected neglect, abuse or exploitation, the Contractor aware of the situation shall follow all applicable rules relative to individual rights protection procedures.

Written follow up information is to be forwarded by the reporting Contractor to the appropriate BDAS Administrator listed below within 72 hours by completing the *Sentinel Event Reporting Form.* To protect clients' confidential information, reporting Contractors should submit the *Sentinel Event Reporting Form* either by fax to the BDAS Assistant Administrator or the BDAS Clinical Services Unit Administrator by a mail service that provides delivery confirmation.

Bureau of Drug and Alcohol Services
Assistant Administrator
105 Pleasant Street
Concord, NH 03301
Or by fax to the BDAS Administrator's Office at 271-6105;

Follow-up information is the responsibility of the Contractor and should be submitted in a way as to protect clients' confidential information such as by mail with delivery confirmation and should include:

1. The *Sentinel Event Reporting Form found at the following link:* www.dhhs.nh.gov/dcbcs/documents/sentinelform.pdf
2. Additional details as they are learned or if the status of the situation changes; and,
3. Copies of newspaper articles.

Additionally, DHHS requires critical incident reporting. The Contractor shall report all critical incidents/sentinel events to the BDAS Clinical Services Unit Administrator immediately via telephone. Every effort shall be made to reach the BDAS administrator directly. If a voice message is necessary, sufficient provider contact information shall be provided so that DHHS is able to reach the reporter, or other responsible staff, immediately.

A critical incident includes, but is not limited to, any child or adult protective services report to the Division of Children, Youth and Families (DCYF), or the Bureau of Elderly and Adult Services (BEAS), respectively, regarding any incident involving 1) a staff/employee to youth or client, 2) youth to youth, or 3) client to client. This includes incidents that occur while a client is on leave, or on a pass, from the Contractor and may be off site at the time the incident occurred.

A sentinel event is an unexpected occurrence involving the death or serious physical or psychological injury, or risk thereof, signaling the need for immediate investigation and response.

Death or any serious injury or medical emergency regarding staff or clients that requires emergency medical attention (EMT or other emergency personnel at the Contractor's site, or a hospital emergency room visit), or any crime reportable to law enforcement, or any other serious incident must also be reported to DHHS as described below.

Reportable sentinel events include, but are not limited to, any occurrence that meets any of the following criteria:

1. An unanticipated death or permanent loss of function, not related to the natural course of an individual's illness or underlying condition.
2. Homicide or suicide of any individual receiving DHHS funded care, treatment or services, that had been discharged from a Department funded program or facility within 30 days of the event, or has been evaluated by a service Contractor within the preceding 30 days;
3. Sexual assault or rape of any individual receiving DHHS funded care, treatment or services by another client or employee of any Department funded program or facility where there is an act that was witnessed or there is sufficient clinical evidence obtained by the Contractor to support allegation of nonconsensual sexual contact.
4. Unauthorized departure of an individual receiving DHHS funded services, from a facility providing care, resulting in death or permanent loss of function.
5. Medication error that results in death, paralysis, coma, or other permanent loss of function.
6. Delay or failure to provide DHHS funded Contractor services that result in death or permanent loss of function.
7. Abuse as a result of the willful infliction of injury, unreasonable confinement, intimidation, or punishment with resulting physical harm, or mental anguish. This includes staff neglect or indifference to infliction of injury or intimidation of one individual by another.
8. Neglect as a result of the failure to provide the goods and services necessary to avoid physical harm, mental anguish or mental illness.
9. Assault of or by a client of the Contractor that results in the injury of the person or another person of such severity that medical attention is required.
10. Arson resulting in property loss.
11. High profile events, which may include media coverage and/or police involvement.

On-Site Reviews:

1. The Contractor shall allow a team or person authorized by DHHS to periodically review the Contractor's systems of governance, administration, data collection and submission, clinical, and financial management in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include, but not be limited to, client record reviews to measure compliance with this exhibit.
3. The Contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. DHHS staff shall contact the Contractor in advance of the site visit, so that the Contractor shall have sufficient time to prepare any guidance/reporting systems or logs that will be reviewed at the site visit.

Method and Conditions Precedent to Payment

I. Funding

The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A Amendment #3, Scope of Services.

For the period of July 1, 2015 through December 31, 2015, funding for this Agreement is funded by various sources as a percentage of the total amount of $ $132,058.00 as follows:

- 61% Federal Funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant (CFDA #93.959);
- 16% General Governor's Commission on Alcohol and Drug Abuse Prevention, Intervention and Treatment Funds; and
- 23% General funds.

The Contractor agrees to provide the services in Exhibit A Amendment #3, Scope of Services in compliance with funding requirements above.

II. Payment Methodology

The Contractor will be reimbursed for providing and delivering the services identified in Exhibit A Amendment #3, section B. The following terms and conditions detailed in this Exhibit B Amendment #3 will apply to all services unless expressly stated otherwise.

The Contractor will use and apply all contract funds from the State for costs and expenses as detailed in the Service Reimbursement Table below. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. Effective July 1, 2014, the contractor will receive a payment for each service at the rates and within the limits described below. For clients receiving DHHS supported services, the contractor may not charge the client, any 3rd party payor, and DHHS a combined rate that is more than the rate established by BDAS for that level of service or any other fees. These parties shall be charged in the following order:

1. The maximum allowed charge will be billed to the client's insurer, if applicable.
2. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
3. The balance of the maximum allowed charge, after deducting the client's portion and insurance payment, if applicable, shall be charged to DHHS.

The remainder of this page is left intentionally blank.

* The Contractor will bill the per diem rate for Intensive Outpatient Treatment services only on those days when the client attends individual and/or group counseling associated with the program. It is expected that each day of attendance includes a minimum of 3 hours of group and/or individual counseling services.

**Attempted Contact is at least 3 attempts to contact a client over the course of at least one week.

*** A unit is equal to 15 minutes of service

It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. **Failure to meet this requirement may result in amendment to or termination of the contract. At a minimum, contractors must provide the array of services they contracted to provide for in SFY15.**

III. Performance Incentives:

A. Access to Services:

Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received and shall conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact. For each client who screens eligible for services and starts receiving services, whether for the identified level of care or interim services, within 10 business days following the eligibility screening, the treatment contractor will receive an incentive payment of $75.00. Access incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

B. Completion:

For each client who is discharged from the program because they have completed treatment or transferred to another treatment provider as recorded in the Discharge Type field of the WITS Discharge Module, the treatment contractor will receive an incentive payment of $75.00. Completion incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

C. Client Outcomes:

If a client who was discharged from the program meets at least 3 of the Outcome criteria below in the 3rd and/or 6th month post-discharge, as evidenced by the WITS Follow-Up module, the treatment contractor will receive an incentive payment in the amount of $50. The 3rd month post discharge is considered to be 60 – 120 days post discharge. The 6th month post discharge is considered to be 150 – 210 days post discharge. Outcomes incentives will be calculated and paid on a monthly basis for clients meeting criteria in the previous calendar month. It is expected that at least 50% of discharged clients will be contacted for 3 and/or 6 month follow-up over the contract year.

i. Abstinence: The client reports reduced or no substance use in the past 30 days.

ii. Employment/Education: The client reports increased or retained employment or the client reports returning to or staying in school.
iii. Crime and Criminal Justice: The client reports no arrests in the past 30 days.
iv. Stability in Housing: The client reports being in stable housing.
v. Social Connectedness: The client reports engagement in Recovery Support Services, Care Coordination, and/or Community Based Support Groups in the past 30 days.

D. Performance Incentive Payout Limits:
Performance incentives are limited to no more than 6% of the total contract amount annually. The total amount paid out during the contract year will never exceed the total contract amount. DHHS is not obligated to make payment for any incentives that occur outside of the current contract year; however, incentives may be carried over to future contract years at the discretion of DHHS.

E. Failure to Meet Deliverables:
The Contractor shall comply with all contract requirements as detailed in Exhibit A section B, Required Services. Upon determination that Contractor may not be meeting the required deliverables, within two (2) weeks BDAS will provide a written correction action plan. Within two (2) weeks of notification of the corrective action plan, Contractor will provide a written remedial plan. BDAS will monitor the corrective actions for 60 days. Failure to meet requirements of the corrective action plan within 60 days may result in withholding of any or all payments or termination of the contract.

F. Invoicing & Billing:
The Contractor shall complete all billing for all services (except for Medication Assisted Treatment Staff Time for Phase I and Phase II), defined in this Agreement through the WITS system according to protocols established by BDAS.

The Contractor will use the Department supplied billing sheet to complete billing for Medication Assisted Treatment Staff Time for Phase I and Phase II.

The Contractor shall have written authorization from the State prior to using contract funds to purchase or lease any equipment with a cost in excess of two thousand five hundred dollars ($2500) and with a useful life beyond one year.

IV. Allocation of Funding:
It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. The contractor is prohibited from spending down more than the sum of the total contract amount that includes the cost of the client services and related incentives.

V. Availability of Alternative Funding:
The New Hampshire Department of Health and Human Services may terminate or amend the contract should alternate third party payors, including Medicaid, the New Hampshire Health Protection Program and/or insurance available on the New Hampshire Insurance Exchange cover any of the services included in this contract.

VI. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds:

The Contractor agrees to use the SAPT funds as the payment of last resort.

Restrictions on SAPT Block Grant on State and Contractor expenditures include:

The State may not:

- Provide inpatient hospital services except under those conditions outlined in the regulations.
- Make cash payments to intended recipients of substance abuse services.
- Purchase or improve land.
- Purchase, construct, or permanently improve buildings or other facilities.
- Purchase major medical equipment.
- Satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds. (in-kind)
- Provide financial assistance to any entity other than a public or non-profit private entity.
- Provide individuals with hypodermic needles or syringes.
- Expend more than the amount of Block Grant funds expended in FFY91 for treatment services provided in penal or correctional institutions of the State.

The Contractor shall not:

- Use any federal funds provided under this contract for the purpose of conducting testing for the etiologic agent for Human Immunodeficiency Virus (HIV) unless such testing is accompanied by appropriate pre and post-test counseling.
- Use any federal funds provided under this contract for the purpose of conducting any form of needle exchange, free needle programs or the distribution of bleach for the cleaning of needles for intravenous drug abusers.

VII. Charitable Choice:

Federal Charitable Choice statutory provisions ensure that religious organizations are able to equally compete for Federal substance abuse funding administered by SAMHSA, without impairing the religious character of such organizations and without diminishing the religious freedom of SAMHSA beneficiaries (see 42 USC 300x-65 and 42 CFR Part 54 and Part 54a, 45 CFR Part 96, Charitable Choice Provisions and Regulations). Charitable Choice statutory provisions of the Public Health Service Act enacted by Congress in 2000 are applicable to the SAPT Block Grant program. No funds provided directly from SAMHSA or the relevant State or local government to organizations participating in applicable programs may be expended for inherently religious activities, such as worship, religious instruction, or proselytization. If an organization conducts such activities, it must offer them separately, in time or location, from the programs or services for which it receives funds directly from SAMHSA or the relevant State or local government under any applicable program, and participation must be voluntary for the program beneficiaries.

VIII. Notwithstanding paragraph 18 of the General Provisions of this Agreement P-37, an amendment limited to adjusting amounts within the budgets and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of Governor and Executive Council.

SPECIAL PROVISIONS

Contractors Obligations: The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
   7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
   7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

8. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:
   8.1. Fiscal Records: books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.
   8.2. Statistical Records: Statistical, enrollment, attendance or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.
   8.3. Medical Records: Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

9. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.
   9.1. Audit and Review: During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.
   9.2. Audit Liabilities: In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

10. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

11. **Reports:** Fiscal and Statistical: The Contractor agrees to submit the following reports at the following times if requested by the Department.
    11.1. Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.
    11.2. Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

12. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

13. **Credits:** All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:
    13.1. The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

14. **Prior Approval and Copyright Ownership:** All materials (written, video, audio) produced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution or use. The DHHS will retain copyright ownership for any and all original materials produced, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports. Contractor shall not reproduce any materials produced under the contract without prior written approval from DHHS.

15. **Operation of Facilities: Compliance with Laws and Regulations:** In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

16. **Equal Employment Opportunity Plan (EEOP):** The Contractor will provide an Equal Employment Opportunity Plan (EEOP) to the Office for Civil Rights, Office of Justice Programs (OCR), if it has received a single award of $500,000 or more. If the recipient receives $25,000 or more and has 50 or

more employees, it will maintain a current EEOP on file and submit an EEOP Certification Form to the OCR, certifying that its EEOP is on file. For recipients receiving less than $25,000, or public grantees with fewer than 50 employees, regardless of the amount of the award, the recipient will provide an EEOP Certification Form to the OCR certifying it is not required to submit or maintain an EEOP. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption. EEOP Certification Forms are available at: http://www.ojp.usdoj/about/ocr/pdfs/cert.pdf.

17. **Limited English Proficiency (LEP):** As clarified by Executive Order 13166, Improving Access to Services for persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with the Omnibus Crime Control and Safe Streets Act of 1968 and Title VI of the Civil Rights Act of 1964, Contractors must take reasonable steps to ensure that LEP persons have meaningful access to its programs.

18. **Pilot Program for Enhancement of Contractor Employee Whistleblower Protections:** The following shall apply to all contracts that exceed the Simplified Acquisition Threshold as defined in 48 CFR 2.101 (currently, $150,000)

CONTRACTOR EMPLOYEE WHISTLEBLOWER RIGHTS AND REQUIREMENT TO INFORM EMPLOYEES OF WHISTLEBLOWER RIGHTS (SEP 2013)

(a) This contract and employees working on this contract will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239) and FAR 3.908.

(b) The Contractor shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation.

(c) The Contractor shall insert the substance of this clause, including this paragraph (c), in all subcontracts over the simplified acquisition threshold.

19. **Subcontractors:** DHHS recognizes that the Contractor may choose to use subcontractors with greater expertise to perform certain health care services or functions for efficiency or convenience, but the Contractor shall retain the responsibility and accountability for the function(s). Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.
When the Contractor delegates a function to a subcontractor, the Contractor shall do the following:
    19.1. Evaluate the prospective subcontractor's ability to perform the activities, before delegating the function
    19.2. Have a written agreement with the subcontractor that specifies activities and reporting responsibilities and how sanctions/revocation will be managed if the subcontractor's performance is not adequate
    19.3. Monitor the subcontractor's performance on an ongoing basis

19.4. Provide to DHHS an annual schedule identifying all subcontractors, delegated functions and responsibilities, and when the subcontractor's performance will be reviewed
19.5. DHHS shall, at its discretion, review and approve all subcontracts.

If the Contractor identifies deficiencies or areas for improvement are identified, the Contractor shall take corrective action.

DEFINITIONS
As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean that section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Wherever federal or state laws, regulations, rules, orders, and policies, etc. are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc. as they may be amended or revised from the time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

REVISIONS TO GENERAL PROVISIONS

1. Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:

   4. CONDITIONAL NATURE OF AGREEMENT.
   Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A Amendment #3, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

2. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

   10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

   10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

   10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

   10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

   10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted
   1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
   1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (I)(b) of this certification; and
    11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

- the Juvenile Justice Delinquency Prevention Act of 2002 (42 U.S.C. Section 5672(b)) which adopts by reference, the civil rights obligations of the Safe Streets Act. Recipients of federal funding under this statute are prohibited from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act includes Equal Employment Opportunity Plan requirements;

- the Civil Rights Act of 1964 (42 U.S.C. Section 2000d, which prohibits recipients of federal financial assistance from discriminating on the basis of race, color, or national origin in any program or activity);

- the Rehabilitation Act of 1973 (29 U.S.C. Section 794), which prohibits recipients of Federal financial assistance from discriminating on the basis of disability, in regard to employment and the delivery of services or benefits, in any program or activity;

- the Americans with Disabilities Act of 1990 (42 U.S.C. Sections 12131-34), which prohibits discrimination and ensures equal opportunity for persons with disabilities in employment, State and local government services, public accommodations, commercial facilities, and transportation;

- the Education Amendments of 1972 (20 U.S.C. Sections 1681, 1683, 1685-86), which prohibits discrimination on the basis of sex in federally assisted education programs;

- the Age Discrimination Act of 1975 (42 U.S.C. Sections 6106-07), which prohibits discrimination on the basis of age in programs or activities receiving Federal financial assistance. It does not include employment discrimination;

- 28 C.F.R. pt. 31 (U.S. Department of Justice Regulations – OJJDP Grant Programs); 28 C.F.R. pt. 42 (U.S. Department of Justice Regulations – Nondiscrimination; Equal Employment Opportunity; Policies and Procedures); Executive Order No. 13279 (equal protection of the laws for faith-based and community organizations); Executive Order No. 13559, which provide fundamental principles and policy-making criteria for partnerships with faith-based and neighborhood organizations;

- 28 C.F.R. pt. 38 (U.S. Department of Justice Regulations – Equal Treatment for Faith-Based Organizations); and Whistleblower protections 41 U.S.C. §4712 and The National Defense Authorization Act (NDAA) for Fiscal Year 2013 (Pub. L. 112-239, enacted January 2, 2013) the Pilot Program for Enhancement of Contract Employee Whistleblower Protections, which protects employees against reprisal for certain whistle blowing activities in connection with federal grants and contracts.

The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

In the event a Federal or State court or Federal or State administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, religion, national origin, or sex against a recipient of funds, the recipient will forward a copy of the finding to the Office for Civil Rights, to the applicable contracting agency or division within the Department of Health and Human Services, and to the Department of Health and Human Services Office of the Ombudsman.

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this proposal (contract) the Contractor agrees to comply with the provisions indicated above.

   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

Scope of Services

A. Population Served

Services are available to New Hampshire residents who meet diagnostic, financial, and other eligibility criteria for Department of Health and Human Services supported substance use disorder services as defined in Section C, Clients Eligible for Treatment Services.

B. The Contractor shall provide treatment services as identified below:

Service Table - An "X" denotes that the Contractor shall provide that service(s) to eligible individuals in accordance with all applicable laws, rules, and regulations and terms and conditions of this Agreement.

Required Services	*Treatment Services*
X	***Outpatient Treatment (ASAM Level 1)*** - Substance abuse treatment services provided in individual and group counseling sessions in a non-residential setting. Clients may be enrolled in outpatient treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days.
X	***Outpatient Treatment (ASAM Level 1) – Pregnant & Parenting Women*** – Outpatient Treatment as identified above provided to pregnant & parenting women.
X	***Intensive Outpatient Treatment (ASAM Level 2.1)*** – A combination of individual and group substance abuse treatment services conducted in an outpatient setting for a minimum of 3 hours of direct client treatment services per day for a minimum of three days per week. Clients receiving less than this level of service should be enrolled in an outpatient program. Clients may be enrolled in intensive outpatient treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days.
X	***Intensive Outpatient Treatment (ASAM Level 2.1) – Pregnant & Parenting Women*** - Intensive Outpatient Treatment as identified above provided to pregnant & parenting women.
	Low-Intensity Residential Treatment (ASAM Level 3.1, Formerly Transitional Living) – Residential substance abuse treatment services are designed to support individuals in the early stages of recovery that need this residential level of care and/or are homeless. The goal of these programs is to prepare clients to become self-sufficient in the community. Clients may be enrolled in low-intensity residential treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. Residents typically work in the community and may pay a portion of their room and board.
	Low-Intensity Residential Treatment (ASAM Level 3.1, Formerly Transitional Living) – Pregnant Women - Low-Intensity Residential Treatment as identified above provided to

	pregnant & parenting women.
	High-Intensity Residential – Adult (ASAM Level 3.5, Formerly: Residential – Treatment Adult) and Medium Intensity Residential – Adolescent (ASAM Level 3.5, Formerly: Residential – Treatment Adolescent) - Short-term residential substance abuse treatment designed to assist individuals who require a more intensive level of service in a structured setting and/or individuals that may be homeless. Admission is on a voluntary basis. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days.
	High-Intensity Residential – Adult (ASAM Level 3.5, Formerly: Residential – Treatment Adult) and Medium Intensity Residential – Adolescent (ASAM Level 3.5, Formerly: Residential – Treatment Adolescent) - Pregnant Women - High-Intensity Residential – Adult and Medium Intensity Residential – Adolescent as identified above provided to pregnant women.
	Specialty Residential Treatment for Pregnant & Parenting Women (ASAM Level 3.5) - Residential treatment services for pregnant and parenting women and their children. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days.
X	***Recovery Support Services:*** Group or individual services that are consistent with an individual's recovery plan that prevent relapse and enhance or remove barriers to recovery. Examples of recovery support services include, but are not limited to: assisting clients with enrollment in Medicaid, the New Hampshire Health Protection Program (NHHPP), or private insurance, anger management, financial management, communication skills, spiritual support, parenting skills, health management, case management, organization and time management, recovery coaching, recovery mentoring, stress management, and vocational services. Programs may focus on a single recovery support service or provide a curriculum that includes an array of recovery support services. Types of Recovery Support Services are listed below:
X	• Continuous recovery monitoring services are regular follow-ups with clients to assess the status of the client's recovery, identify any needs the client may have and help the client to address those needs, and provide early intervention for client's who have relapsed or who's recovery is otherwise at risk.
	• Enhanced Services are specialized services that remove barriers to a client's participation in treatment. Examples of these services are child care while a parent is participating in treatment or transportation to and/or from the treatment site.
X	***Recovery Support Services*** as identified above provided to pregnant & parenting women.

C. *Required Services*

Priority Admission:

1) The Contractor shall give admission preference to pregnant women and women with dependent children, even if the children are not in their custody, as long as parental rights have not been terminated, including the provision of interim services within the required 48 hour time frame.
2) Individuals with a history of injection drug use including the provision of interim services within 14 days.
3) Individuals with a primary diagnosis of a substance use disorder, which may also include a co-occurring mental health disorder.
4) Individuals on medication-assisted treatment for co-occurring substance abuse and mental health disorders or various opiate replacement therapies, including, but not limited to, methadone, buprenorphine and naltrexone.

Required Outreach:

New Hampshire Department of Health & Human Services (DHHS) programs receiving federal treatment Block Grant funds requires that Contractors must publicize services available to pregnant or parenting women and injection drug users in need of substance abuse treatment and that these individuals receive preference for admission to treatment. This may be done as follows, but is not limited to, street outreach programs, ongoing public service announcements (radio/television), regular advertisements in local/regional print media, posters placed in targeted areas, and frequent notification of availability of such treatment distributed to the network of community based organizations, health care providers and social service agencies. The Contractor will submit their outreach plans to DHHS through the Bureau of Drug and Alcohol Services (BDAS) within 60 days of contract effective date.

Health Facilities Administration Licensing Requirements:

Housing programs with substance abuse treatment services at the same location will need to secure necessary licensing as a Residential Rehabilitation Facility by the DHHS Bureau of Health Facilities Administration, as appropriate, see He-P 807 at the following link: (http://www.gencourt.state.nh.us/rules/state_agencies/he-p800.html). Any contractor with an American Society of Addiction Medicine (ASAM) (October 2013) Level 3.3 or higher level program must secure this licensing for all Level 3 programs housed within the same facility as the Level 3.3 program. In the case of residential treatment and housing at the same site, residential programs should plan to treat no more than 16 pregnant or parenting women at any given time to comply with federal Medicaid restrictions on Institute for Mental Diseases (IMD) exclusion criteria. This restriction would not apply to programs in which the client's residence is in a separate location from the treatment program.

Capacity Reporting:

The Contractor must contact BDAS, as agent for DHHS, when their capacity has reached 90% within 5 business days. The Contractor must refer pregnant women to the State when the Contractor has insufficient capacity to provide services to any such pregnant women who seek the services of the program. Sending e-mail to the BDAS Clinical Services Unit Administrator may complete this notification process.

Access to Services:
The Contractor shall respond to calls requesting treatment and/or transitional living program services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within 2 business days following the day the call was received.

The Contractor is required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.

Those who have screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days follow the eligibility screening. If the client is not able to access interim services at the contractor's agency for geographic or other reasons, the client should be referred to a DHHS funded provider where they are able to access interim services.

Contractors receiving grant funds from DHHS will not discriminate against clients who are using legitimate medications to assist their recovery and will not have policies that allow them to refuse admission to treatment or to discharge clients from treatment based on the use of appropriately prescribed medications and various opiate replacement therapies, including, but not limited to, methadone and buprenorphine, as well as other forms of medication-assisted treatment for co-occurring substance abuse and mental health disorders.

Clients Eligible for Treatment Services:
In order to be eligible for DHHS supported services, a client must meet all eligibility criteria described below. Eligibility determination shall be conducted as follows:

1. Substance Use Disorder, Financial Eligibility & Residency Screening: The contractor shall complete the eligibility screening module in the Web Information Technology System (WITS) to determine if the client meets residency, financial, and substance use disorder potential eligibility requirements:
    a. Residency: The client must be a resident of New Hampshire or homeless in New Hampshire to be eligible for DHHS supported services; and
    b. Financial Eligibility: The client's income must be below 400% of Federal Poverty Level (FPL) to be eligible for DHHS supported services based on the sliding fee scale described below. Once the screening has been completed, the contractor shall print the associated attestation and have the client sign this document. A copy of the signed attestation shall be maintained in the client file. The client's financial eligibility shall be reassessed no less than every 120 days.; and
    c. Potential for a Substance Use Disorder: The client must screen positive for a potential substance use disorder to be eligible for DHHS funded services.
2. Evaluation: The contractor shall conduct a full substance abuse evaluation, which includes administration of either the Addiction Severity Index (ASI) in WITS or Global Appraisal of Individual Needs (GAIN).
    a. Substance Use Disorder: This evaluation shall be used to determine if the client meets Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition (DSM5) criteria for a substance use disorder. Clients who meet DSM5 criteria for a substance use disorder are eligible for DHHS funded services. Client who do not meet these criteria are not eligible for DHHS funded services.

b. Level of Care: For clients who have met all other eligibility requirements, this evaluation shall be used to determine the appropriate level of care for the client based on ASAM (October 2013) criteria. The client is eligible for DHHS funded services at the assessed level of care unless such a level of care is unavailable or the client chooses to enter a lower level of care. If the assessed level of care in unavailable, the client may choose to enter the next higher level of care.

3. Medicaid/NHHPP Eligibility: The contractor shall determine whether or not the client is eligible for Medicaid/NHHPP coverage for the identified level of care. If the client is not eligible for Medicaid/NHHPP coverage for the identified level of care, the client may be eligible for DHHS funded services. If the client is eligible for Medicaid/NHHPP coverage for the identified level of care, the client is not eligible for DHHS funded services.
4. Insurance Coverage: The contractor shall determine whether or not the client has insurance that will cover services at the identified level of care. If the client does not have insurance that will reimburse for these services at a rate equal to or greater than the DHHS rate, the client is eligible for DHHS funded services. If the client has insurance that will reimburse for these services at an amount equal or greater to the DHHS reimbursement rate, the client is not eligible for DHHS funded services. The contractor may not charge the combination of the client, any 3rd party payor, and DHHS more than the maximum charge allowed. These parties shall be charged in the following order:
    a. The maximum allowed charge will be billed to the client's insurer, if applicable.
    b. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
    c. The balance of the maximum allowed charge after deducting the client's portion and the insurance payment, if applicable, shall be charged to DHHS.

Sliding Fee Scale:

The contractor shall not charge the combination of the client, any 3rd party payor and BDAS an amount greater than the maximum rate allowed for each service. All reasonable efforts shall be made to collect payment of bills. A client's inability to pay shall not preclude admission to the program and treatment.

- Client Income is 0% - 138% of FPL: 100% of the allowed charge less any amount paid for by insurance.
- Client Income is 139% - 149% of FPL: 92% of the allowed charge less any amount paid for by insurance.
- Client Income is 150% - 199% of FPL: 88% of the allowed charge less any amount paid for by insurance.
- Client Income is 200% - 249% of FPL: 75% of the allowed charge less any amount paid for by insurance.
- Client Income is 250% - 299% of FPL: 60% of the allowed charge less any amount paid for by insurance.
- Client Income is 300% - 349% of FPL: 43% of the allowed charge less any amount paid for by insurance.
- Client Income is 350% - 399% of FPL: 33% of the allowed charge less any amount paid for by insurance.

With respect to minority age individuals, a minor child shall not be denied services as a result of the parent's unwillingness to pay the fee or the minor child's decision to receive confidential services pursuant to RSA 318-B:12-a.

Waiting List Management:
When a person who is pregnant or an injection substance abuser seeks treatment and there are no appropriate treatment services available within the required time frame as outlined below, interim services **must** be made available. The Contractor agrees to maintain the wait list management system in WITS that includes a unique patient identifier and include information on dates of requests for admission to treatment, provision of interim services and source for those services, referrals made for treatment or interim services, and disposition of clients on the waiting list.

- The waiting list must contain a mechanism that identifies and counts the number of applicants who present and are determined to be appropriate for substance abuse treatment but are unable to be placed as there is no capacity;
- Maintain contact with individuals awaiting admission; and,
- Admit or transfer waiting list clients at the earliest possible time to an appropriate treatment program within a reasonable geographic area.

The Contractor shall remove a client awaiting treatment from the waiting list only when one of the following conditions exists:

- Such persons cannot be located for admission into treatment *or*
- Such persons refuse treatment.

Specific Interim Services for Pregnant Women, Women with Dependent Children and Injection Drug Users:
The Contractor agrees to contact the BDAS Clinical Services Unit if a pregnant women and women with dependent children or individuals with a history of injection drug use, cannot be accepted into treatment within specific time frames, and agrees that interim services will be provided or facilitated by the Contractor. Interim services for pregnant women must include counseling on the effects of alcohol and drug use on the fetus, referrals for prenatal care, and counseling and education about HIV and tuberculosis. Interim services for injection drug users must also include counseling and education in the risks of needle sharing, about the risks of transmission to sexual partners and infants, and referral for HIV, Hepatitis C and tuberculosis screening/testing. All interim services shall be documented in the client's clinical record in the WITS system.

Interim Services for other Clients:
The Contractor shall provide, or refer the client to, interim services until level of service identified in the level of care assessment is available and/or the client is willing and assessed as being sufficiently motivated to take advantage of the proposed level of service or interim services. If the client is not able to access interim services at the contractor's agency for geographic or other reasons, the client shall be referred to a DHHS funded provider where they are able to access interim services.

Services to pregnant and parenting women:
The Contractor further agrees that childcare will be made available to women who are in treatment with their dependent children, either through on-site care or through arrangements with an off-site legal childcare provider. Other services required are as follows:

- The family is treated as a unit and, therefore, admits both women and their children into treatment services, if appropriate.
- The Contractor shall provide or arrange for primary medical care for women who are receiving substance abuse services, including prenatal care.
- The Contractor shall provide or arrange for childcare while the women are receiving services even if the children are not in their custody, as long as parental rights have not been terminated.
- The Contractor shall provide or arrange for primary pediatric care for the women's children, including immunizations.
- The Contractor shall provide or arrange for gender-specific substance abuse treatment and other therapeutic interventions for women that may address issues of relationships, sexual abuse, physical abuse, and parenting, and childcare while the women are receiving these services.
- The Contractor shall provide or arrange for therapeutic interventions for children in custody of women in treatment, which may, among other things, address the children's developmental needs, their issues of sexual and physical abuse, and neglect.
- The Contractor shall provide or arrange for sufficient case management and transportation services to ensure that the women and their children have access to the services provided for above.
- If a pregnant, pregnant injection drug using or Injection Drug Using person refuses treatment or says (s)he is not interested in treatment, the wait list report shall be completed with the engagement activities attempted.
- If a pregnant, pregnant injection drug using or Injection Drug Using person no shows or cancels treatment, interim services must be provided, as stipulated above and the wait list report shall be completed that demonstrates the activities of follow up, engagement and substance abuse treatment services offered.

Relationship(s) with Primary Health Care:
The Contractor shall arrange and coordinate services and exchange of information with other health care providers and agencies which:

- Identifies the client's current Primary Care Provider (PCP) at screening and/or intake.
- If the client has no current PCP, the Contractor shall identify available provider(s) in the client's local area such as a federally qualified community health center, community health center, or other local health services.
- Obtains client/patient authorization to communicate with PCP office.
- If no authorization is completed initially, the Contractor shall educate client as to the importance of engaging the PCP in ongoing care and address the client's concerns as part of treatment, with goal of obtaining authorization before discharge.
- Sends the discharge summary to PCP and offers to discuss recovery issues with the provider.
- Arranges (or has the client arrange) a post-discharge appointment with PCP for the client/patient for follow-up of the substance use disorder.

Tobacco Cessation:
The Contractor shall have policies and procedures for both client and Contractor staff, that not only creates a tobacco-free environment as required by law, but to offer tobacco cessation tools and programming. Tobacco use, in and of itself, shall not be grounds for administrative discharge from the program. Initially, all clients shall be assessed for motivation in stopping the use of tobacco products. Providers may tap into resources such as the DPHS Tobacco Prevention & Control Program (TPCP) and

the certified tobacco cessation counselors available through the QuitLine. Other resources for providers include:

Breathe New Hampshire
145 Hollis St., Unit C
Manchester, NH 03101
603-669-2411 (phone) or 1-800-835-8647

The New Hampshire Medicaid program covers:

- Nicotine Replacement Therapy (NRT) Gum,
- NRT Patch,
- NRT Nasal Spray,
- NRT Lozenge,
- NRT Inhaler,
- Varenicline (Chantix),
- Bupropion (Zyban),
- Group Counseling and/or
- Individual Counseling. Up to 12 individual counseling sessions are covered per year through a mental health provider (Note: These sessions would NOT be in addition to other mental health counseling sessions under Medicaid). Pregnant women also have the option of group counseling. For more information, visit the website at: http://www.dhhs.state.nh.us/DHHS/MEDICAIDPROGRAM/default.htm

Tuberculosis:
The Contractor shall make available tuberculosis services (defined as screening, counseling, testing, and treatment) directly, or through other providers, to each client receiving treatment. In the case of an individual denied admission due to lack of capacity, the substance abuse treatment Contractor will refer the individual to another provider of tuberculosis services if appropriate. All Contractor providing residential services shall make available, either on-site or through agreements with health care providers, tuberculosis services, including screening, testing, counseling and referral for medical treatment.

Physical location and facilities:
For the purpose of providing the services described in Section II of the Scope of Services, the Contractor shall obtain and maintain a suitable space complying with all fire, health, and safety codes to include handicapped accessibility and being wheelchair accessible.

The Contractor shall obtain written prior approval of DHHS, acting through BDAS, before entering into any agreement concerning relocation of the service site.

Culturally and Linguistically Appropriate Standards of Care:
DHHS recognizes that culture and language have considerable impact on how consumers access services. Culturally and linguistically diverse populations experience barriers in efforts to access services. To ensure equal access to quality services, DHHS expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.
2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. When feasible and appropriate, provide clients of Limited English Proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.
4. The Contractor is responsible for reasonable accommodations in arranging for interpreter services for hearing impaired clients.
5. The Contractor offers consumers or clients a forum through which those individuals have the opportunity to provide feedback to the Contractor regarding cultural and linguistic issues that may deserve response.

Compliance with State and Federal Laws:
The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. All services provided pursuant to this Contract shall be subject to the most current proposed or formalized rules and regulations promulgated by DHHS, pursuant to RSA 541-A.
2. The Contractor shall maintain adherence to federal and state confidentiality laws specifically: 42 CFR Part 2B, N.H. RSA 318 B:12 and N.H. RSA 172:8-A and the Health Insurance Portability and Accountability Act (HIPAA): *http://www.hhs.gov/ocr/privacy/*
3. The Contractor shall meet the standards outlined in NH Administrative Rule He-A 300, Certification and Operation of Alcohol and other Drug Disorder Treatment Programs. This administrative rule is currently expired and under revision. The Contractor should plan to meet the requirements as outlined in the expired rule until the revisions are completed. He-A 300 can be viewed on the RFP link to this document *http://www.dhhs.nh.gov/business/rfp/index.htm*.
4. The Contractor shall, upon the direction of the State, provide court-ordered evaluation in their catchment area and a sliding scale fee shall apply and the inability to pay shall not interfere with the completion and submission of the court-ordered evaluation and shall, upon the direction of the State, offer treatment to those individuals pursuant to RSA 172:13.
5. Contractors considering research, including research conducted by student interns, using individuals served by this contract as subjects must adhere to the legal requirements governing human subjects' research. Contractors must inform the DHHS via contact with BDAS prior to initiating any research involving subjects or participants related to this contract. In addition, research conducted on subjects served by this contract may need to be approved by the New Hampshire Department of Health & Human Services Committee for the Protection of Human Subjects (NH DHHS CPHS) see *http://www.dhhs.nh.gov/irb/*

Client Stabilization:
The Contractor will be expected to arrange for medical clearance for all clients receiving treatment services supported by DHHS administered by BDAS to assure that they are not at risk for acute withdrawal from alcohol and certain drugs. The Contractor shall be expected to provide a range of integrated services that include withdrawal management services that follow detoxification guidelines outlined in Treatment Improvement Protocol (TIP) #45, Detoxification and Substance Abuse Treatment and ASAM guidelines.

Clinical Services:
The Contractor shall provide the following:

a. A minimum of one (1) substance abuse counselor on site each day of the week during primary treatment hours. The substance abuse counselor shall have a bachelor's degree or equivalent in social work/psychology, guidance or nursing and/or a certificate in the field of addiction studies from an approved educational institution or educational/life experience.
b. A minimum of one (1) substance abuse support staff on site each day of the week during all hours not covered by a substance abuse counselor. The substance abuse support staff must have a high school or General Equivalency Diploma (GED). Preference is given to individuals who have completed additional courses or taken training in substance use disorders or other health fields.
c. An intake/admission coordinator on site Monday through Friday of each week. The intake/admission coordinator shall have one (1) years' work experience in the field of addiction studies.
d. A full-time Executive Director, not filling any of the positions described above.

Evaluation:
The contractor shall conduct a full substance abuse evaluation, which includes administration of either the ASI or GAIN to determine eligibility for services. This evaluation must be updated every 120 days or when the client transitions to a different level of care.

Assessment of Risk for Self-Harm/Suicide: The Contractor shall have policies and practices for assessing risk of self-harm at all phases of treatment, such as at initial contact, during screening, intake, admission, on-going treatment services and at discharge, and a process for referral when necessary to include referrals to mental health services.

The Contractor shall develop policies, programs and protocols in accordance with SAMHSA guidelines as outlined in the Treatment Improvement Protocols (TIPs) and Technical Assistance Publications (TAPs). These publications can be downloaded from http://www.kap.samhsa.gov/products/manuals/index.htm .

Use of Best Practices: The Contractor is required to use the Addiction Severity Index (ASI) or Global Appraisal of Individual Needs (GAIN) assessment tools, the SAMHSA/NIDA MATRS treatment-planning model and the WITS electronic case management system.

Care Coordination:
The Contractor is required to assess each client's need/appropriateness for residential transitional living services and to **refer all clients for care coordination services** made available through the Access to Recovery (ATR) initiative administered by the BDAS so long as this initiative remains available on behalf of DHHS that would commence following the initial course of treatment. Contractors are required to address motivational issues with clients for them to participate effectively in the care coordination and recovery support services. Contractors are required to have clients sign the "ATR Client Participation Agreement" (made available by BDAS), indicating that they either agree or opt out of participating in these services. The contractor will facilitate all clients who agree to participate in these services to complete the Client Participation Agreement and upon obtaining a signed release of information, refer clients to an ATR Care Coordinator Program at least two weeks prior to anticipated date of discharge (dis-enrollment) from services. Assessing the need for aftercare services is expected to take place while

the client is involved within the most recent episode of care, with a referral being made and accepted by the care coordination service prior to the client being discharged.

The Contractor must provide the following for use by the care coordination program:

- Private space for interviewing/meeting with clients.
- Access to internet (either wired or wireless) in the meeting space
- Telephone in the meeting space and
- A contact person at the Contractor's site for logistics.

It is the expectation of the BDAS at DHHS that, upon completion of appropriate signed releases, the Contractor will provide the care coordination program with necessary information from the clinical record (evaluation, treatment plan, progress notes, etc.) for the care coordination program to develop a service plan with the client.

All alcohol and other drug treatment providers under contract with the BDAS on behalf of DHHS are required to address with all clients, the need for continuing services. This includes clinically managed low-intensity treatment programs under contract with the BDAS on behalf of DHHS as well as care coordination and recovery support services made available through DHHS contracted providers; the ATR initiative administered by BDAS, so long as this initiative remains available; and/or any other resources that become available to pay for these services that would commence following the initial course of treatment. The referral for these services should take place prior to discharge from the initial course of treatment.

Relevant Policies and Guidelines:
The services provided for in this agreement shall be in addition to the services provided for in any other agreement between the State of New Hampshire, any of its agencies, or any of its officers, and the Contractor.

Without limiting the generality of any other provisions of this agreement, the Contractor shall cooperate fully with, and answer all questions of representatives of the State conducting any periodic or special review of the performance of the Contractor or any inspection of the facilities of the Contractor.

Publications Funded Under Contract:
All products produced under this contract are in the public domain. All products (written, video, audio) produced, reproduced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution, or use. The Contract shall credit DHHS on all materials produced under this contract.

Student Internships:
The Contractor shall establish policies and procedures related to student interns that address minimum coursework, experience and core competencies for those interns having direct contact with individuals served by this contract. Student interns shall complete an approved ethics course prior to beginning the internship.

Staff Licensing Requirements:
The ratio of licensed to non-licensed service providers shall be as follows:
Agencies must have at least one Licensed, or Masters Licensed, Alcohol and Drug Counselor (LADC/MLADC) for each two unlicensed counselors providing substance abuse treatment services and a sufficient number of MLADCs or LADCs with the Licensed Clinical Supervision (LCS) credential to adequately provide for clinical supervision of all clinical staff. This requirement shall be met by the Contractor no later than six (6) months after the date of the Contract effective date.

Updated resumes, which clearly indicate the staff member is employed by the Contractor, including current positions of staff supported by funds provided through this Contract, shall be forwarded to the BDAS as agent for DHHS. The documentation shall include a copy of the New Hampshire Alcohol and Drug Counselor License.

Staff Certification Requirements:
In addition to the requirements for LADCs, all Contractor milieu staff in residential settings and transitional living programs and staff providing recovery support aftercare group services shall be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification under RSA 330-C (http://www.gencourt.state.nh.us/rsa/html/NHTOC/NHTOC-XXX-330-C.htm). Certification must be completed within six (6) months of the contract's approval date.

Staff providing recovery support services are expected to be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification. Peer recovery support services made available through Recovery Community Organizations (RCOs), under agreement with BDAS on behalf of DHHS, shall be provided by individuals certified by those organizations (CRSW not required for peer recovery support services).

Supervision:
Ongoing clinical supervision will include weekly discussion of cases with suggestions for resources or therapeutic approaches, co-therapy, and periodic assessment of progress. When enough candidates are under supervision, group supervision may be included to help optimize the learning experience.

The content of supervision must include knowledge, skills, values, and ethics with specific application to the practice issues faced by the supervisee, including the core functions as described in the Twelve Core Functions of Alcohol and Drug Counseling.

The content of supervision must also include the standards of practice and ethical conduct, with particular emphasis given to the counselor's role and appropriate responsibilities, professional boundaries, and power dynamics.

Staffing Changes:
BDAS as agent for DHHS shall be notified of changes in key personnel with updated resumes that clearly indicate the staff member is employed by the Contractor submitted within five (5) working days. Key personnel are those staff for whom at least 10% of their work time is spent providing alcohol or other drug abuse treatment services.

1. New Hires: The Contractor shall notify BDAS on behalf of DHHS in writing within one month of hire when a new administrator or coordinator or any staff person essential to carrying out this scope of services is hired to work in the program. A resume of the employee, which clearly indicates the staff member is employed by the Contractor, shall accompany this notification.

2. Vacancies: The Contractor shall notify BDAS on behalf of DHHS in writing within 14 calendar days, if at any time, any site funded under this agreement does not have adequate staffing to perform all required services for more than one month.

Other Requirements:
The Contractor shall attend trainings and/or meetings as requested by DHHS.

ATR and Recovery Support Services:
All DHHS funded treatment and recovery support service providers must also be approved Access to Recovery (ATR) providers, so long as the ATR initiative remains available, as this will be the source of funding for these recovery support services through the Voucher Management System (VMS). Information on becoming an ATR provider can be found on the DHHS website: http://www.dhhs.nh.gov/dcbcs/bdas/atr/becomingprovider.htm

Regional Network Participation:
The Contractor will designate administrative level staff to regularly participate in the Regional Network and contribute to overall regional network strategic planning, monitoring, evaluation, and cross systems communication efforts. The Contractor is highly encouraged to serve on one of the work groups and contribute to data collection, regional strategic planning and evaluation. Participation will be measured by the annual Partner Survey (http://www.partnertool.net/) administered by NH Center for Excellence under contract with BDAS as agent for DHHS.

Performance Measures:
All treatment programs under contract with BDAS on behalf of DHHS are required to report on the National Outcome Measures (NOMs) established by the SAMHSA, as required in the Federal Substance Abuse Prevention and Treatment Block Grant, via the WITS (electronic case management) system. The Department of Health and Human Services reserves the right to consider Contractor performance across all of the domains in future funding decisions.

Data and Reporting Requirements:
1. Without limiting the generality of any other provisions of this agreement, the Contractor shall provide any periodic or special reports required by the DHHS.
2. The Contractor shall notify BDAS, as an authorized agent of DHHS, whenever the Contractor has reached ninety percent capacity to admit new clients. In addition the Contractor shall have a waiting list management policy in accordance with the SAPT Block Grant requirements. This 90% notification process will become automatic when this operation is fully functional in WITS.
3. The Contractor shall notify DHHS through BDAS, within one working day, if sufficient capacity is not available to provide treatment services to a pregnant woman, parenting woman or injection drug user within the required time frames and a referral elsewhere is not successful and interim services cannot be provided.

4. The Contractor shall comply with all research and/or information systems development activities for the electronic case management/Web Information Technology System (CM/WITS) conducted by, or authorized by, DHHS.
5. The Contractor shall administer any client surveys, client evaluations including the addiction Severity Index (ASI) or the Global Appraisal of Individual Needs (GAIN), client treatment outcome instruments, the M.A.T.R.S. Treatment Planning Tool, as required by DHHS.
6. The Contractor must have the ability to communicate and submit required reports via the Web-based submission system and/or e-mail, for treatment s and recovery support services and interim services. All required clinical and documentation activities shall be entered in WITS unless specifically granted an exception by BDAS on behalf of DHHS.

Critical Incident/Sentinel Event Reporting:
The Department's Sentinel Event policy is contained in the following link: http://www.dhhs.nh.gov/dcbcs/sentinel.htm

Division of Community Based Care Services (DCBCS) Sentinel Event Notification:
The preceding events require the immediate verbal notification to the BDAS Assistant Administrator or Clinical Services Unit Administrator upon the discovery of a sentinel event involving an individual(s) receiving services through a DHHS substance use disorder treatment Contractor.

Since the initial and immediate verbal notification of a sentinel event is likely to include protected health information (PHI) as identified below, the Contractor of services to individuals receiving services funded by the DHHS shall disclose PHI in a private and secure manner. Contractors and vendors should not leave voice-mail messages, but instead make direct telephone contact with the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee. If direct telephone contact is not possible, a voice mail message may be left without protected health information, such as medications and relevant medical and psychiatric diagnoses. As soon as possible after the initial verbal notification, the Contractor will mail or fax a completed *Sentinel Event Reporting Form* as directed in this protocol.

Notification shall include the following:
1. Name and phone number of the individual reporting.
2. Name, date of birth (DOB), medications and all relevant medical and psychiatric diagnoses of individual(s) involved;
3. Location, date, and time of event;
4. Description of the event including what, when, where, how, and other relevant information and identification of any other individuals involved;
5. Legal status of the individual involved with regard to guardianship and power of attorney;
6. Community, guardian, family and/or families' knowledge of the event; and
7. Contractor contact person and contact information.

It shall be the responsibility of the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee to notify the DCBCS Quality Improvement Director by e-mail as soon as the BDAS Clinical Administrator or designee becomes aware a Sentinel Event has occurred. The DCBCS Quality Improvement Director shall make immediate notification to the Commissioner. Internal e-mails within the Department may contain PHI and all Department employees will utilize safeguards to ensure the privacy

of the PHI as stated in the DHHS General Manual Health Insurance Portability and Accountability Act (HIPAA) policy #504.

Each DCBCS contractor recognizes its responsibility to report evidence of neglect, abuse or exploitation to the appropriate regulatory agencies as required by RSA 161-F: 42-57 and RSA 169-C:29. In any case of known or suspected neglect, abuse or exploitation, the Contractor aware of the situation shall follow all applicable rules relative to individual rights protection procedures.

Written follow up information is to be forwarded by the reporting Contractor to the appropriate BDAS Administrator listed below within 72 hours by completing the *Sentinel Event Reporting Form.* To protect clients' confidential information, reporting Contractors should submit the *Sentinel Event Reporting Form* either by fax to the BDAS Assistant Administrator or the BDAS Clinical Services Unit Administrator by a mail service that provides delivery confirmation.

Bureau of Drug and Alcohol Services
Assistant Administrator
105 Pleasant Street
Concord, NH 03301
Or by fax to the BDAS Administrator's Office at 271-6105;

Follow-up information is the responsibility of the Contractor and should be submitted in a way as to protect clients' confidential information such as by mail with delivery confirmation and should include:

1. The *Sentinel Event Reporting Form(www.dhhs.nh.gov/dcbcs/documents/sentinelform.pdf)*;
2. Additional details as they are learned or if the status of the situation changes; and,
3. Copies of newspaper articles.

Additionally, DHHS requires critical incident reporting. The Contractor shall report all critical incidents/sentinel events to the BDAS Clinical Services Unit Administrator immediately via telephone. Every effort shall be made to reach the BDAS administrator directly. If a voice message is necessary, sufficient provider contact information shall be provided so that DHHS is able to reach the reporter, or other responsible staff, immediately.

A critical incident includes, but is not limited to, any child or adult protective services report to the Division of Children, Youth and Families (DCYF), or the Bureau of Elderly and Adult Services (BEAS), respectively, regarding any incident involving 1) a staff/employee to youth or client, 2) youth to youth, or 3) client to client. This includes incidents that occur while a client is on leave, or on a pass, from the Contractor and may be off site at the time the incident occurred.

A sentinel event is an unexpected occurrence involving the death or serious physical or psychological injury, or risk thereof, signaling the need for immediate investigation and response.

Death or any serious injury or medical emergency regarding staff or clients that requires emergency medical attention (EMT or other emergency personnel at the Contractor's site, or a hospital emergency room visit), or any crime reportable to law enforcement, or any other serious incident must also be reported to DHHS as described below.

Reportable sentinel events include, but are not limited to, any occurrence that meets any of the following criteria:

1. An unanticipated death or permanent loss of function, not related to the natural course of an individual's illness or underlying condition.
2. Homicide or suicide of any individual receiving DHHS funded care, treatment or services, that had been discharged from a Department funded program or facility within 30 days of the event, or has been evaluated by a service Contractor within the preceding 30 days;
3. Sexual assault or rape of any individual receiving DHHS funded care, treatment or services by another client or employee of any Department funded program or facility where there is an act that was witnessed or there is sufficient clinical evidence obtained by the Contractor to support allegation of nonconsensual sexual contact.
4. Unauthorized departure of an individual receiving DHHS funded services, from a facility providing care, resulting in death or permanent loss of function.
5. Medication error that results in death, paralysis, coma, or other permanent loss of function.
6. Delay or failure to provide DHHS funded Contractor services that result in death or permanent loss of function.
7. Abuse as a result of the willful infliction of injury, unreasonable confinement, intimidation, or punishment with resulting physical harm, or mental anguish. This includes staff neglect or indifference to infliction of injury or intimidation of one individual by another.
8. Neglect as a result of the failure to provide the goods and services necessary to avoid physical harm, mental anguish or mental illness.
9. Assault of or by a client of the Contractor that results in the injury of the person or another person of such severity that medical attention is required.
10. Arson resulting in property loss.
11. High profile events, which may include media coverage and/or police involvement.

On-Site Reviews:

1. The Contractor shall allow a team or person authorized by DHHS to periodically review the Contractor's systems of governance, administration, data collection and submission, clinical, and financial management in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include, but not be limited to, client record reviews to measure compliance with this exhibit.
3. The Contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. DHHS staff shall contact the Contractor in advance of the site visit, so that the Contractor shall have sufficient time to prepare any guidance/reporting systems or logs that will be reviewed at the site visit.

The remainder of this page is intentionally left blank.

Method and Conditions Precedent to Payment

The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A, Scope of Services, and in accordance with Exhibit B.

Funding for this Agreement is funded by various sources as a percentage of the total amount of $189,576 as follows:

- 46 % Federal Funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant (CFDA #93.959);
- 22 % General Governor's Commission on Alcohol and Drug Abuse Prevention, Intervention and Treatment Funds; and
- 32 % General funds.

I. Payment Methodology

The Contractor shall be reimbursed for providing and delivering the services listed in Exhibit A, paragraph B. The following terms and conditions detailed in this Exhibit B shall apply to all services unless expressly stated otherwise.

The Contractor shall agree to use and apply all contract funds from the State for costs and expenses as detailed in the Service Reimbursement Table below. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. Starting in State Fiscal Year 2015 (effective July 1, 2014) the contractor will receive a payment for each service at the rates and within the limits described below. For clients receiving DHHS supported services, the contractor may not charge the client, any 3rd party payor, and DHHS a combined rate that is more than the rate established by BDAS for that level of service or any other fees. These parties shall be charged in the following order:

1. The maximum allowed charge will be billed to the client's insurer, if applicable.
2. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
3. The balance of the maximum allowed charge, after deducting the client's portion and insurance payment, if applicable, shall be charged to DHHS.

Service Reimbursement Table - A check mark indicates the services and corresponding rates the Contractor will be reimbursed for.

* Providers may bill the per diem rate for Intensive Outpatient Treatment services only on those days when the client attends individual and/or group counseling associated with the program. It is expected that each day of attendance includes a minimum of 3 hours of group and/or individual counseling services.

**Attempted Contact is at least 3 attempts to contact a client over the course of at least one week.

*** A unit is equal to 15 minutes of service
It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. Failure to meet this requirement may result in amendment to or termination of the contract. At a minimum, contractors must provide the array of services they contracted to provide for in SFY14.

1. **Performance Incentives:**

A. Access to Services:

Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received and shall conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact. For each client who screens eligible for

services and starts receiving services, whether for the identified level of care or interim services, within 10 business days following the eligibility screening, the treatment contractor will receive an incentive payment of $75.00. Access incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

B. Completion:

For each client who is discharged from the program because they have completed treatment or transferred to another treatment provider as recorded in the Discharge Type field of the WITS Discharge Module, the treatment contractor will receive an incentive payment of $75.00. Completion incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

C. Client Outcomes:

If a client who was discharged from the program meets at least 3 of the Outcome criteria below in the 3rd and/or 6th month post-discharge, as evidenced by the WITS Follow-Up module, the treatment contractor will receive an incentive payment in the amount of $50. The 3rd month post discharge is considered to be 60 – 120 days post discharge. The 6th month post discharge is considered to be 150 – 210 days post discharge. Outcomes incentives will be calculated and paid on a monthly basis for clients meeting criteria in the previous calendar month. It is expected that at least 50% of discharged clients will be contacted for 3 and/or 6 month follow-up over the contract year.

i. Abstinence: The client reports reduced or no substance use in the past 30 days.
ii. Employment/Education: The client reports increased or retained employment or the client reports returning to or staying in school.
iii. Crime and Criminal Justice: The client reports no arrests in the past 30 days.
iv. Stability in Housing: The client reports being in stable housing.
v. Social Connectedness: The client reports engagement in Recovery Support Services, Care Coordination, and/or Community Based Support Groups in the past 30 days.

D. Performance Incentive Payout Limits:

Performance incentives are limited to no more than 6% of the total contract amount annually. The total amount paid out during the contract year will never exceed the total contract amount. DHHS is not obligated to make payment for any incentives that occur outside of the current contract year; however, incentives may be carried over to future contract years at the discretion of DHHS.

2. Failure to Meet Deliverables:

The Contractor shall comply with all contract requirements as detailed in Exhibit A section B, Required Services. Upon determination that Contractor may not be meeting the required deliverables, within two (2) weeks BDAS will provide a written correction action plan. Within two (2) weeks of notification of the corrective action plan, Contractor will provide a written remedial plan. BDAS will monitor the corrective actions for 60 days. Failure to meet requirements of the corrective action plan within 60 days may result in withholding of any or all payments or termination of the contract.

3. Invoicing & Billing:

All billing shall be completed via the WITS system according to protocols established by BDAS.

The Contractor shall have written authorization from the State prior to using contract funds to purchase or lease any equipment with a cost in excess of two thousand five hundred dollars ($2500) and with a useful life beyond one year.

II. Allocation of Funding:

It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. The contractor is prohibited from spending down more than the sum of the total contract amount that includes the cost of the client services and related incentives.

III. Availability of Alternative Funding:

The New Hampshire Department of Health and Human Services may terminate or amend the contract should alternate third party payors, including Medicaid, the New Hampshire Health Protection Program and/or insurance available on the New Hampshire Insurance Exchange cover any of the services included in this contract.

IV. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds:

The Contractor agrees to use the SAPT funds as the payment of last resort.

Restrictions on SAPT Block Grant on State and Contractor expenditures include:
The State may not:

- Provide inpatient hospital services except under those conditions outlined in the regulations.
- Make cash payments to intended recipients of substance abuse services.
- Purchase or improve land.
- Purchase, construct, or permanently improve buildings or other facilities.
- Purchase major medical equipment.
- Satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds. (in-kind)
- Provide financial assistance to any entity other than a public or non-profit private entity.
- Provide individuals with hypodermic needles or syringes.
- Expend more than the amount of Block Grant funds expended in FFY91 for treatment services provided in penal or correctional institutions of the State.

The Contractor shall not:

- Use any federal funds provided under this contract for the purpose of conducting testing for the etiologic agent for Human Immunodeficiency Virus (HIV) unless such testing is accompanied by appropriate pre and post-test counseling.
- Use any federal funds provided under this contract for the purpose of conducting any form of needle exchange, free needle programs or the distribution of bleach for the cleaning of needles for intravenous drug abusers.

V. Charitable Choice:

Federal Charitable Choice statutory provisions ensure that religious organizations are able to equally compete for Federal substance abuse funding administered by SAMHSA, without impairing the religious character of such organizations and without diminishing the religious freedom of SAMHSA beneficiaries (see 42 USC 300x-65 and 42 CFR Part 54 and Part 54a, 45 CFR Part 96, Charitable Choice Provisions and Regulations). Charitable Choice statutory provisions of the Public Health Service Act enacted by Congress in 2000 are applicable to the SAPT Block Grant program. No funds provided directly from SAMHSA or the relevant State or local government to organizations participating in applicable programs may be expended for inherently religious activities, such as worship, religious instruction, or proselytization. If an organization conducts such activities, it must offer them separately, in time or location, from the programs or services for which it receives funds directly from SAMHSA or the relevant State or local government under any applicable program, and participation must be voluntary for the program beneficiaries.

VI. Notwithstanding paragraph 18 of the General Provisions of this Agreement P-37, an amendment limited to adjusting amounts within the budgets and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of Governor and Executive Council.

Department of Health and Human Services
Amendment #1 to the Substance Abuse Treatment and Recovery Support Services Contract

This first Amendment to the Substance Abuse Treatment and Recovery Support Services contract (hereinafter referred to as "Amendment #1") dated this April 24th day of 2013, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Horizons Counseling Center, Inc. (hereinafter referred to as "the Contractor"), a nonprofit corporation with a place of business at 25 Country Club Road, Suite 705, Gilford NH 03249.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 and Exhibit C, Paragraph 17, the State may, extend the agreement by one year by written agreement of the parties;

WHEREAS the State desires to have the Contractor continue to provide the services as specified in the agreement for another one year period;

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

1) Amendment and modification of P-37 "Agreement";
   a) Change Completion date in Block 1.7 of the P-37 to read June 30, 2014.
   b) Change Price Limitation in Block 1.8 of the P-37 to read $ 379,152.00

2) Amendment and modification of Exhibit A;
   a) **Delete** "CONTRACT PERIOD: July 1, 2012, or date of G&C approval, whichever is later, Through June 30, 2013"
   b) **Change** II A **from:** "The contractor shall provide treatment services in the geographic area(s)/location(s) as specified below:"
      Change to: "The contractor shall provide treatment services, in each State Fiscal Year, in the geographic area(s)/location(s) as specified below:"
   c) **Change** II B Group Recovery Support Services **from**: "Contractors, with the exception of those agencies that only offer outpatient services, are required to develop the capacity for group recovery support aftercare services for a minimum of 50% of the number treatment clients (including outpatient and transitional living program clients) they are under contract to serve. These group recovery support services are for clients discharged from substance use disorder (SUD) treatment services provided under contract with BDAS on behalf of DHHS, which may include clients that had received SUD treatment from the Contractor or a different agency. Contractors are only allowed to access these services for their clients or clients that had received SUD treatment from a different agency through the statewide care coordination program under agreement with BDAS on behalf of DHHS."

Change to: "Contractors, with the exception of those agencies that only offer outpatient services, are required to develop the capacity for group recovery support aftercare services for a minimum of 25% of the number treatment clients (including outpatient and transitional living program clients) they are under contract to serve. These group recovery support services are for clients discharged from substance use disorder (SUD) treatment services provided under contract with BDAS on behalf of DHHS, which may include clients that had received SUD treatment from the Contractor or a different agency. Contractors are only allowed to access these services for their clients or clients that had received SUD treatment from a different agency through the statewide care coordination program under agreement with BDAS on behalf of DHHS."

			Total	$189,576.00

EXPLANATION

The purpose of this agreement is to provide a continuum of substance abuse treatment services such as community based outpatient, intensive outpatient, residential, transitional living, and recovery support services, including specialized treatment services for pregnant and parenting women and their children, in the Gilford, Laconia and Plymouth areas.

Client eligibility for treatment services is targeted at those either unable to pay for services or able to pay only part of the cost of services, and who has or is suspected of having an alcohol or other drug abuse problem, and who is a resident of the State of New Hampshire or is homeless in NH. All clients discharged from treatment services supported by this contract will be referred to care coordination and recovery-support aftercare services as clinically appropriate, supported separately by the Federal Access to Recovery Grant.

The State is migrating toward a Resiliency and Recovery Oriented Systems of Care. Recovery-oriented systems of care are networks of organizations, agencies and community members that coordinate a wide spectrum of services to prevent, intervene in, and treat substance use problems and disorders. In addition, this contract will allow the State to improve the quality and array of services available to clients. Quality improvement efforts include the exchange of data and information that will support "data driven" prevention and treatment programming to better address the needs to the region.

The New Hampshire Office of Energy and Planning reported the 2009 Population Estimates of New Hampshire Cities and Towns as 1,324,575. The National Survey on Drug Use and Health commissioned by the Substance Abuse and Mental Health Services Administration in 2008/2009 reported the following demographic data for New Hampshire:

- Alcohol Abuse: 97,630 (7% of population)
- Alcohol dependence: 44,850 (3% of population)
- Illicit Drug Abuse: 43,810 (3% of population)
- Illicit Drug Dependence: 32,240 (2% of population)
- Substance Abuse: 126,630 (10% of population)
- Needing but not receiving treatment for alcohol abuse: 93,990 (7% of population)
- Needing but not receiving treatment for illicit drug use: 39,390 (3% of population)

In addition, the New Hampshire Medical Examiner office reported 172 drug related overdose deaths in NH during 2010. The New Hampshire Administrative Office of the Courts reported 9,500 arrests and 5,000 convictions for Driving While Impaired in 2009. Approximately 90% of individuals arrested for Driving While Impaired have an underlying substance abuse disorder according to the National Institute on Alcohol Abuse and Alcoholism.

Should the Governor and Executive Council determine to not authorize this Request, agencies would not have sufficient resources to promote, implement and provide the array of services necessary to provide individuals with substance use disorders the necessary tools to achieve, enhance and sustain recovery. In addition, failure to obligate the federal funds in the Substance Abuse Prevention and Treatment Block Grant to community based programs to provide alcohol and other drug treatment service would place that Block Grant in jeopardy.

Horizons Counseling Center, Inc. was selected for this agreement through a competitive bid process. A Request for Proposals was posted on the Department's web site on March 6, 2012 through April 2, 2012. In addition, a bidder's conference was held on March 12, 2012.

A total of 19 proposals were received. A review committee of three professionals reviewed each proposal. All reviewers have between three to twenty years experience managing agreements with vendors for various public health programs. Areas of specific expertise include: maternal and child health; substance abuse prevention and treatment; chronic and communicable diseases; and public health infrastructure. Eighteen of the proposals were selected for funding based on review criteria that included availability of funds, consistency with stated funding priorities, technical score, and equitable geographic distribution. The agency that was not selected did not meet the minimum scoring criteria established for funding. The Bid Summary is attached.

This request covers services for the period July 1, 2012 to June 30, 2013, with an option to renew for one additional year, pending availability of funding, the agreement of the parties and approval of Governor and Council. These services were contracted previously with this agency in State Fiscal Year 2012 in the amount of $189,576.00. This agreement represents level funding.

The following performance measures will be used to measure the effectiveness of the agreement:

- Utilization criteria will be applied exclusively on a month-by-month basis according to the criteria below.

i. Contracts running at 90% to 100% of utilization in a given month will be reimbursed at 100% of the contracted rate for that month.
ii. Contracts running at 80% to 89% of utilization in a given month will be reimbursed at rate of 95% of the contracted rate for that month.
iii. Contracts running below 80% of utilization in a given month will be reimbursed at the rate of utilization for that month (for example for a given month in which utilization was 59% the contractor would be reimbursed at 59% of the contracted rate for that month).

- Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received. The following Access Criteria must be met for a minimum of 80% of prospective clients (from clients or referring agencies) for the month in which billing is being submitted:

i. Treatment contractors are required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.
ii. Those who have screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days follow the eligibility screening.

- A minimum of 70% of clients, which have completed or otherwise are no longer receiving services, will have met the minimum retention standards for the modality of services received as noted below:

i. Have completed a minimum of 6 sessions of outpatient treatment services (OP)
ii. Have completed a minimum of 8 days of intensive outpatient treatment services (IOP) – only those days in which a client has participated in minimum of 10 units (2.5 hours) of service per day (12 units per day is the standard for IOP services) may be counted.
iii. Have completed a minimum of 14 days of residential treatment service
iv. Has completed a minimum of 28 days in a transitional living/halfway house residential program.

Area served: Gilford, Laconia and Plymouth areas.

Source of Funds: 45.99% Federal Funds from Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant, 50.85% General Funds and 3.16% Other (Highway) Funds.

In the event that the Federal or Other Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Nancy L. Rollins

2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.

3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the governor and Executive Council of the State of new Hampshire, this Agreement, and all obligations of the parties hereunder, shall not become effective until the date the Governor and Executive Council approve this Agreement ("Effective Date"). Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT

5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.

5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.

5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.

5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in the block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/EQUAL EMPLOYMENT OPPORTUNITY

6.1 In connections with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. In addition, the Contractor shall comply with all applicable copyright laws.

6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.

6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provision of Executive Order No. 11246 ("Equal Employment Opportunity") as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.

7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.

7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.

7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

9. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the state, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

9.3 confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. TERMINATION. In the event of an early termination of this agreement for any reason other than the completion of the Services, the contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the Attached EXHIBIT A.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS.

The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the N.H. Department of Administrative services. None of the Services shall be subcontracted by the Contractor without the prior written consent of the State.

13. INDEMNIFICATION. The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of the Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per occurrence; and

14.1.2 fire and extended coverage insurance covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than fifteen (15) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each

Contractor Initials: MA
Date: 5/23/12

Certificates (s) of insurance shall contain a clause requiring the insurer to endeavor to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than ten (10) days prior to written notice of cancellation or modification of the policy.

15. WORKERS' COMPENSATION

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("Workers' Compensation").

15.2 To the extent the contractor is subject to the Requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 2810A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United State Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire.

19. CONSTRUCTION OF AGREEMENT AND TERMS. This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to the express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

I. General Provisions

CONTRACT PERIOD: July 1, 2012, or date of G&C approval, whichever is later, Through June 30, 2013

CONTRACTOR NAME: Horizons Counseling Center, Inc.

ADDRESS: 25 Country Club Road, Suite 705

EXECUTIVE DIRECTOR: Jacqui Abikoff
TELEPHONE: 603-524-8005

II. Scope of Services

A. The Contractor shall provide treatment services in the geographic area(s)/location(s) as specified below:

Treatment Modality	# of FTE's	Geographic Area(s)/ Location(s)	Minimum number of clients to be served during the contract period	$ Awarded
Outpatient	2.19		68	$164,623.00
Intensive Outpatient	0.33		7	$24,953.00
Group – Recovery Support Services *			38	0

- Group Recovery Support Services are funded by the Department of Health & Human Services, Access To Recovery initiative.

B. Required Services

Priority Admission:

1) The Contractor shall give admission preference to pregnant women and women with dependent children, even if the children are not in their custody, as long as parental rights have not been terminated, including the provision of interim services within the required 48 hour time frame.
2) Individuals with a history of injection drug use including the provision of interim services within 14 days.
3) Individuals with a primary diagnosis of a substance use disorder, which may also include a co-occurring mental health disorder.
4) Individuals on medication-assisted treatment for co-occurring substance abuse and mental health disorders or various opiate replacement therapies, including, but not limited to, methadone, buprenorphine and naltrexone.

Required Outreach:
New Hampshire Department of Health & Human Services (DHHS) programs receiving federal treatment Block Grant funds requires that Contractors must publicize services available to pregnant or parenting women and injection drug users in need of substance abuse treatment and that these individuals receive preference for admission to treatment. This may be done as follows, but is not limited to, street outreach programs, ongoing public service announcements (radio/television), regular advertisements in local/regional print media, posters placed in targeted areas, and frequent notification of availability of such treatment distributed to the network of community based organizations, health care providers and social service agencies. The Contractor will submit their outreach plans to DHHS through the Bureau of Drug and Alcohol Services (BDAS) within 60 days of contract effective date.

Health Facilities Administration Licensing Requirements:
Housing programs with substance abuse treatment services at the same location will need to secure necessary licensing as a Residential Rehabilitation Facility by the DHHS Bureau of Health Facilities Administration, as appropriate, see He-P 807 at the following link: (http://www.gencourt.state.nh.us/rules/state_agencies/he-p800.html). In the case of residential treatment and housing at the same site, residential programs should plan to treat no more than 16 pregnant or parenting women at any given time to comply with federal Medicaid restrictions on Institute for Mental Diseases (IMD) exclusion criteria. This restriction would not apply to programs in which the client's residence is in a separate location from the treatment program.

Capacity Reporting:
The Contractor must contact BDAS, as agent for DHHS, when their capacity has reached 90% within 5 business days. The Contractor must refer pregnant women to the State when the Contractor has insufficient capacity to provide services to any such pregnant women who seek the services of the program. Sending e-mail to the BDAS Clinical Services Unit Administrator may complete this notification process.

Access to Services:
The Contractor shall respond to calls requesting treatment and/or transitional living program services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within 2 business days following the day the call was received. The Access Criteria as defined in Exhibit B must be met for a minimum of 80% of prospective clients (from clients or referring agencies) for the month in which billing is being submitted.

The Contractor is required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.

Those who have screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days follow the eligibility screening.

Limitations on Exclusionary Criteria:
American Society for Addiction Medicine (ASAM) Patient Placement Criteria, in and of itself, shall not be a reason to deny a higher level of care to an individual, if the lower level of care is unavailable or inaccessible. Level of care will be determined by the administration of the Addiction Severity Index (ASI) or the Global Appraisal of Individual Needs (GAIN).

Contractors receiving grant funds from DHHS will not discriminate against clients who are using legitimate medications to assist their recovery and will not have policies that allow them to refuse admission to treatment or to discharge clients from treatment based on the use of appropriately prescribed medications and various opiate replacement therapies, including, but not limited to, methadone and buprenorphine, as well as other forms of medication-assisted treatment for co-occurring substance abuse and mental health disorders.

Clients Eligible for Treatment Services:
A client who is either unable to pay for services or able to pay only part of the cost of services, and who has or is suspected of having an alcohol or other drug abuse problem, and who is a resident of the State of New Hampshire or is homeless in NH.

Sliding Fee Scale:
The Contractor shall adopt a sliding fee scale based on federal poverty guidelines as published in the most recent Federal Register (http://aspe.hhs.gov/poverty/). The Contractor must provide the client with the cost of services and a fee scale prior to rendering services. The Contractor's sliding fees scale and fee schedule shall be submitted to BDAS, as agent for DHHS, within 60 days of contract effective date. Changes in the sliding fee scale or service fee schedule shall be submitted to the BDAS on behalf of DHHS within 30 days of the change.

The Contractor shall bill clients in accordance with a sliding fee scale based on federal poverty guidelines. The fee schedule shall include a no-cost option approved by BDAS on behalf of DHHS. All reasonable efforts shall be made to collect payment of bills. A client's inability to pay shall not preclude admission to the program and treatment.

With respect to minority age individuals, a minor child shall not be denied services as a result of the parent's unwillingness to pay the fee or the minor child's decision to receive confidential services pursuant to RSA 318-B:12-a.

Waiting List Management:
When a person who is pregnant or an injection substance abuser seeks treatment and there are no appropriate treatment services available within the required time frame as outlined below, interim services **must** be made available. The Contractor agrees to maintain the wait list management system in WITS that includes a unique patient identifier and include information on dates of requests for admission to treatment, provision of interim services and source for those services, referrals made for treatment or interim services, and disposition of clients on the waiting list.

- The waiting list must contain a mechanism that identifies and counts the number of applicants who present and are determined to be appropriate for substance abuse treatment but are unable to be placed as there is no capacity;
- Maintain contact with individuals awaiting admission; and,
- Admit or transfer waiting list clients at the earliest possible time to an appropriate treatment program within a reasonable geographic area.

The Contractor shall remove a client awaiting treatment from the waiting list only when one of the following conditions exists:

- Such persons cannot be located for admission into treatment *or*
- Such persons refuse treatment.

Specific Interim Services for Pregnant Women, Women with Dependent Children and Injection Drug Users:
The Contractor agrees to contact the BDAS Clinical Services Unit if a pregnant women and women with dependent children or individuals with a history of injection drug use, cannot be accepted into treatment within specific time frames, and agrees that interim services will be provided or facilitated by the Contractor. Interim services for pregnant women must include counseling on the effects of alcohol and drug use on the fetus, referrals for prenatal care, and counseling and education about HIV and tuberculosis. Interim services for injection drug users must also include counseling and education in the risks of needle sharing, about the risks of transmission to sexual partners and infants, and referral for HIV, Hepatitis C and tuberculosis screening/testing. All interim services shall be documented in the client's clinical record in the WITS system.

Interim Services for other Clients:

The Contractor shall provide, or refer the client to, interim services until level of service identified in the level of care assessment is available and/or the client is willing and assessed as being sufficiently motivated to take advantage of the proposed level of service or interim services.

Services to pregnant and parenting women:
The Contractor further agrees that childcare will be made available to women who are in treatment with their dependent children, either through on-site care or through arrangements with an off-site legal childcare provider. Other services required are as follows:

- The family is treated as a unit and, therefore, admits both women and their children into treatment services, if appropriate.
- The Contractor shall provide or arrange for primary medical care for women who are receiving substance abuse services, including prenatal care.
- The Contractor shall provide or arrange for childcare while the women are receiving services even if the children are not in their custody, as long as parental rights have not been terminated.
- The Contractor shall provide or arrange for primary pediatric care for the women's children, including immunizations.
- The Contractor shall provide or arrange for gender-specific substance abuse treatment and other therapeutic interventions for women that may address issues of relationships, sexual abuse, physical abuse, and parenting, and childcare while the women are receiving these services.
- The Contractor shall provide or arrange for therapeutic interventions for children in custody of women in treatment, which may, among other things, address the children's developmental needs, their issues of sexual and physical abuse, and neglect.
- The Contractor shall provide or arrange for sufficient case management and transportation services to ensure that the women and their children have access to the services provided for above.
- If a pregnant, pregnant injection drug using or Injection Drug Using person refuses treatment or says (s)he is not interested in treatment, the wait list report shall be completed with the engagement activities attempted.
- If a pregnant, pregnant injection drug using or Injection Drug Using person no shows or cancels treatment, interim services must be provided, as stipulated above and the wait list report shall be completed that demonstrates the activities of follow up, engagement and substance abuse treatment services offered.

Relationship(s) with Primary Health Care:
The Contractor shall arrange and coordinate services and exchange of information with other health care providers and agencies which:

- Identifies the client's current Primary Care Provider (PCP) at screening and/or intake.
- If the client has no current PCP, the Contractor shall identify available provider(s) in the client's local area such as a federally qualified community health center, community health center, or other local health services.
- Obtains client/patient authorization to communicate with PCP office.
- If no authorization is completed initially, the Contractor shall educate client as to the importance of engaging the PCP in ongoing care and address the client's concerns as part of treatment, with goal of obtaining authorization before discharge.
- Sends the discharge summary to PCP and offers to discuss recovery issues with the provider.
- Arranges (or has the client arrange) a post-discharge appointment with PCP for the client/patient for follow-up of the substance use disorder.

Tobacco Cessation:
The Contractor shall have policies and procedures for both client and Contractor staff, that not only creates a tobacco-free environment as required by law, but to offer tobacco cessation tools and programming. Tobacco use, in and of itself, shall not be grounds for administrative discharge from the program. Initially, all clients shall be

assessed for motivation in stopping the use of tobacco products. Providers may tap into resources such as the DPHS Tobacco Prevention & Control Program (TPCP) and the certified tobacco cessation counselors available through the QuitLine. Other resources for providers include:

Breathe New Hampshire
145 Hollis St., Unit C
Manchester, NH 03101
603-669-2411 (phone) or 1-800-835-8647

The New Hampshire Medicaid program covers:

- Nicotine Replacement Therapy (NRT) Gum,
- NRT Patch,
- NRT Nasal Spray,
- NRT Lozenge,
- NRT Inhaler,
- Varenicline (Chantix),
- Bupropion (Zyban),
- Group Counseling and/or
- Individual Counseling. Up to 12 individual counseling sessions are covered per year through a mental health provider (Note: These sessions would NOT be in addition to other mental health counseling sessions under Medicaid). Pregnant women also have the option of group counseling. For more information, visit the website at: http://www.dhhs.state.nh.us/DHHS/MEDICAIDPROGRAM/default.htm

Tuberculosis:

The Contractor shall make available tuberculosis services (defined as screening, counseling, testing, and treatment) directly, or through other providers, to each client receiving treatment. In the case of an individual denied admission due to lack of capacity, the substance abuse treatment Contractor will refer the individual to another provider of tuberculosis services if appropriate. All Contractor providing residential services shall make available, either on-site or through agreements with health care providers, tuberculosis services, including screening, testing, counseling and referral for medical treatment.

Physical location and facilities:

For the purpose of providing the services described in Section II of the Scope of Services, the Contractor shall obtain and maintain a suitable space complying with all fire, health, and safety codes to include handicapped accessibility and being wheelchair accessible.

The Contractor shall obtain written prior approval of DHHS, acting through BDAS, before entering into any agreement concerning relocation of the service site.

Culturally and Linguistically Appropriate Standards of Care:

DHHS recognizes that culture and language have considerable impact on how consumers access services. Culturally and linguistically diverse populations experience barriers in efforts to access services. To ensure equal access to quality services, DHHS expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.
2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.
3. When feasible and appropriate, provide clients of Limited English Proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.
4. The Contractor is responsible for reasonable accommodations in arranging for interpreter services for hearing impaired clients.

5. The Contractor offers consumers or clients a forum through which those individuals have the opportunity to provide feedback to the Contractor regarding cultural and linguistic issues that may deserve response.

Compliance with State and Federal Laws:
The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. All services provided pursuant to this Contract shall be subject to the most current proposed or formalized rules and regulations promulgated by DHHS, pursuant to RSA 541-A.
2. The Contractor shall maintain adherence to federal and state confidentiality laws specifically: 42 CFR Part 2B, N.H. RSA 318 B:12 and N.H. RSA 172:8-A and the Health Insurance Portability and Accountability Act (HIPAA): *http://www.hhs.gov/ocr/privacy/*
3. The Contractor shall meet the standards outlined in NH Administrative Rule He-A 300, Certification and Operation of Alcohol and other Drug Disorder Treatment Programs. This administrative rule is currently expired and under revision. The Contractor should plan to meet the requirements as outlined in the expired rule until the revisions are completed. He-A 300 can be viewed on the RFP link to this document *http://www.dhhs.nh.gov/business/rfp/index.htm*.
4. The Contractor shall, upon the direction of the State, provide court-ordered evaluation in their catchment area and a sliding scale fee shall apply and the inability to pay shall not interfere with the completion and submission of the court-ordered evaluation and shall, upon the direction of the State, offer treatment to those individuals pursuant to RSA 172:13.
5. Contractors considering research, including research conducted by student interns, using individuals served by this contract as subjects must adhere to the legal requirements governing human subjects' research. Contractors must inform the DHHS via contact with BDAS prior to initiating any research involving subjects or participants related to this contract. In addition, research conducted on subjects served by this contract may need to be approved by the New Hampshire Department of Health & Human Services Committee for the Protection of Human Subjects (NH DHHS CPHS) see *http://www.dhhs.nh.gov/irb/*

Client Stabilization:
The Contractor will be expected to arrange for medical clearance for all clients receiving treatment services supported by DHHS administered by BDAS to assure that they are not at risk for acute withdrawal from alcohol and certain drugs. The Contractor shall be expected to provide a range of integrated services that include social detoxification/stabilization services that follow detoxification guidelines outlined in Treatment Improvement Protocol (TIP) #45, Detoxification and Substance Abuse Treatment.

Clinical Services:
The Contractor shall provide the following:

a. A minimum of one (1) substance abuse counselor on site each day of the week during primary treatment hours. The substance abuse counselor shall have a bachelor's degree or equivalent in social work/psychology, guidance or nursing and/or a certificate in the field of addiction studies from an approved educational institution or educational/life experience.
b. A minimum of one (1) substance abuse support staff on site each day of the week during all hours not covered by a substance abuse counselor. The substance abuse support staff must have a high school or General Equivalency Diploma (GED). Preference is given to individuals who have completed additional courses or taken training in substance use disorders or other health fields.
c. An intake/admission coordinator on site Monday through Friday of each week. The intake/admission coordinator shall have one (1) years' work experience in the field of addiction studies.
d. A full-time Executive Director, not filling any of the positions described above.

The Contractor will provide one or more of the following services as outlined in Section II.A above.

Outpatient Treatment - Substance abuse treatment services provided in individual and group counseling sessions in a non-residential setting. Although duration of services is determined by clinical indicators, average duration of for outpatient services is expected to be approximately 90 days or less, after which clients are referred for care coordination under a continuous recovery monitoring model that in turn will refer clients for group aftercare recovery support services as indicated.

Intensive Outpatient Treatment - Substance abuse treatment services conducted in an outpatient setting for a minimum of 3 hours of direct client treatment services per day, utilizing both group and individual formats, for a minimum of three days per week, for a total of a minimum of nine hours of treatment services per week. This intensive phase of treatment typically occurs for 4-6 weeks, with less intense services following, such as a once per week treatment aftercare group continuing for an additional 1-2 months as clinically indicated for both. Although duration of services is determined by clinical indicators, average duration of intensive outpatient services is expected to be approximately 90 days or less, after which clients are referred for care coordination under a continuous recovery monitoring model that in turn will refer clients for group aftercare recovery support services as indicated.

Residential Treatment - Short-term residential substance abuse treatment designed to assist individuals who require a more intensive level of service in a structured setting and/or individuals that may be homeless. Admission is on a voluntary basis. This level of care includes the provision of an initial period of stabilization services once an individual has been medically cleared to participate in the program. Although the length of stay may be determined by clinical indicators, average length of stay is expected to be approximately 28 days or less. Long-term, extended care residential treatment services, also referred to as Clinically Managed High Intensity Residential Treatment (CMHIRT), is limited to pregnant and parenting women and their children.

Transitional Living – Residential substance abuse treatment services are designed to support individuals in the early stages of recovery that need this residential level of care and/or are homeless. The goal of these programs is to prepare clients to become self-sufficient in the community. Although length of stay may be determined by clinical indicators, the average length of stay is expected to be approximately 90 days or less. Residents typically work in the community and may pay a portion of their room and board.

Assessment of Risk for Self-Harm/Suicide: The Contractor shall have policies and practices for assessing risk of self-harm at all phases of treatment, such as at initial contact, during screening, intake, admission, on-going treatment services and at discharge, and a process for referral when necessary to include referrals to mental health services.

The Contractor shall develop policies, programs and protocols in accordance with SAMHSA guidelines as outlined in the Treatment Improvement Protocols (TIPs) and Technical Assistance Publications (TAPs). These publications can be downloaded from http://www.kap.samhsa.gov/products/manuals/index.htm .

The Contractor is required to use the Addiction Severity Index (ASI) or Global Appraisal of Individual Needs (GAIN) assessment tools, the SAMHSA/NIDA MATRS treatment-planning model and the Web Infrastructure for Treatment Services (WITS) electronic health record.

Care Coordination:
The Contractor is required to assess each client's need/appropriateness for residential transitional living services and to **refer all clients for care coordination services** made available through the ATR initiative administered by the BDAS on behalf of DHHS that would commence following the initial course of treatment. Contractors are required to address motivational issues with clients for them to participate effectively in the care coordination and recovery support services. Contractors are required to have clients sign the "ATR Client Participation Agreement" (made available by BDAS), indicating that they either agree or opt out of participating in these services. The contractor will facilitate all clients who agree to participate in these services to complete the Client Participation Agreement and upon obtaining a signed release of information, refer clients to an ATR Care Coordinator Program

at least two weeks prior to anticipated date of discharge (dis-enrollment) from services. Assessing the need for aftercare services is expected to take place while the client is involved within the most recent episode of care, with a referral being made and accepted by the care coordination service prior to the client being discharged.

The Contractor must provide the following for use by the care coordination program:

- Private space for interviewing/meeting with clients.
- Access to internet (either wired or wireless) in the meeting space
- Telephone in the meeting space and
- A contact person at the Contractor's site for logistics.

It is the expectation of the BDAS at DHHS that, upon completion of appropriate signed releases, the Contractor will provide the care coordination program with necessary information from the clinical record (assessment, treatment plan, progress notes, etc.) for the care coordination program to develop a service plan with the client.

Group Recovery Support Services:
Are services that are consistent with an individual's recovery plan that prevent relapse and enhance or remove barriers to recovery. Recovery Support Services include, but are not limited to, guidance in financial management, parenting, vocational training, life management and spiritual counseling as well as transportation and child-care.

Contractors, with the exception of those agencies that only offer outpatient services, are required to develop the capacity for group recovery support aftercare services for a minimum of 50% of the number treatment clients (including outpatient and transitional living program clients) they are under contract to serve. These group recovery support services are for clients discharged from substance use disorder (SUD) treatment services provided under contract with BDAS on behalf of DHHS, which may include clients that had received SUD treatment from the Contractor or a different agency. Contractors are only allowed to access these services for their clients or clients that had received SUD treatment from a different agency through the statewide care coordination program under agreement with BDAS on behalf of DHHS.

All group recovery support services will be funded through the New Hampshire Access to Recovery (ATR) initiative, which will require all providers (except those offering outpatient services only) under contract with BDAS on behalf of DHHS to become an approved Access to Recovery (ATR) providers for these particular services (reference Administrative Rules He-A 405.03 and He-A 405.04). Agencies under contract with BDAS on behalf of DHHS to provide only outpatient substance abuse treatment are not required, to provide these services.

All alcohol and other drug treatment providers under contract with the BDAS on behalf of DHHS are required to address with all clients, the need for continuing services. This includes transitional living programs under contract with the BDAS on behalf of DHHS as well as care coordination and group recovery support services made available through the ATR initiative administered by BDAS that would commence following the initial course of treatment. The referral for these services should take place prior to discharge from the initial course of treatment.

Residential Treatment Services, including services to Residential Services to Pregnant and Parenting Women:
The Contractor shall provide the following:

a. A minimum of one (1) substance abuse counselor on site each day of the week during primary treatment hours. The substance abuse counselor shall have a bachelor's degree or equivalent in social work/psychology, guidance or nursing and/or a certificate in the field of addiction studies from an approved educational institution or educational/life experience.
e. A minimum of one (1) substance abuse support staff on site each day of the week during all hours not covered by a substance abuse counselor. The substance abuse support staff must have a high school or General Equivalency Diploma (GED). Preference is given to individuals who have completed additional courses or taken training in substance use disorders or other health fields.

f. An intake/admission coordinator on site Monday through Friday of each week. The intake/admission coordinator shall have one (1) years' work experience in the field of addiction studies.
g. A full-time Executive Director, not filling any of the positions described above.

Relevant Policies and Guidelines:
The services provided for in this agreement shall be in addition to the services provided for in any other agreement between the State of New Hampshire, any of its agencies, or any of its officers, and the Contractor.

Without limiting the generality of any other provisions of this agreement, the Contractor shall cooperate fully with, and answer all questions of representatives of the State conducting any periodic or special review of the performance of the Contractor or any inspection of the facilities of the Contractor.

Publications Funded Under Contract:
All products produced under this contract are in the public domain. All products (written, video, audio) produced, reproduced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution, or use. The Contract shall credit DHHS on all materials produced under this contract.

Subcontracting/Consultants:
If the Contractor subcontracts any portion of the services with an agency or individual, the Contractor must submit a copy of the subcontract, or proposed subcontract. That subcontract must address the qualifications and credentials of the individual or agency to perform the service, the specific service deliverables, the timeline for implementation of the services to be delivered, and the cost, including total cost of the subcontract and total cost per hour of individuals or agencies performing these services. The Contractor is ultimately responsible for the services delivered under the contract. Use of consultants shall be similarly described in terms of qualifications and credentials, service deliverables and hourly consultant rate.

Student Internships:
The Contractor shall establish policies and procedures related to student interns that address minimum coursework, experience and core competencies for those interns having direct contact with individuals served by this contract. Student interns shall complete an approved ethics course prior to beginning the internship.

Staff Licensing Requirements:
The ratio of licensed to non-licensed service providers shall be as follows:
Agencies must have at least one Licensed, or Masters Licensed, Alcohol and Drug Counselor (LADC/MLADC) for each two unlicensed counselors providing substance abuse treatment services and a sufficient number of MLADCs or LADCs with the Licensed Clinical Supervision (LCS) credential to adequately provide for clinical supervision of all clinical staff. This requirement shall be met by the Contractor no later than six (6) months after the date of the Contract effective date.

Updated resumes, which clearly indicate the staff member is employed by the Contractor, including current positions of staff supported by funds provided through this Contract, shall be forwarded to the BDAS as agent for DHHS. The documentation shall include a copy of the New Hampshire Alcohol and Drug Counselor License.

Staff Certification Requirements:
In addition to the requirements for LADCs, all Contractor milieu staff in residential settings and transitional living programs and staff providing recovery support aftercare group services shall be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification under RSA 330-C (http://www.gencourt.state.nh.us/rsa/html/NHTOC/NHTOC-XXX-330-C.htm). Certification must be completed within six (6) months of the contract's approval date.

Staff providing recovery support services are expected to be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification. Peer recovery support services made available through Recovery Community Organizations (RCOs), under agreement with BDAS on behalf of DHHS, shall be provided by individuals certified by those organizations (CRSW not required for peer recovery support services).

Supervision:
Ongoing clinical supervision will include weekly discussion of cases with suggestions for resources or therapeutic approaches, co-therapy, and periodic assessment of progress. When enough candidates are under supervision, group supervision may be included to help optimize the learning experience.

The content of supervision must include knowledge, skills, values, and ethics with specific application to the practice issues faced by the supervisee, including the core functions as described in the Twelve Core Functions of Alcohol and Drug Counseling.

The content of supervision must also include the standards of practice and ethical conduct, with particular emphasis given to the counselor's role and appropriate responsibilities, professional boundaries, and power dynamics.

In addition, all contracted treatment providers must participate in the Clinical Supervisor Learning Collaborative (LC) by June 30, 2013. This LC is provided by the Center for Excellence, under contract with DHHS. This LC will include a team from each contracted treatment provider that includes at least one agency clinical supervisor and at least one senior clinical staff. A Clinical Supervision Learning collaborative will be offered in SFY 2013.

Staffing Changes:
BDAS as agent for DHHS shall be notified of changes in key personnel with updated resumes that clearly indicate the staff member is employed by the Contractor submitted within five (5) working days. Key personnel are those staff for whom at least 10% of their work time is spent providing alcohol or other drug abuse treatment services.

1. New Hires: The Contractor shall notify BDAS on behalf of DHHS in writing within one month of hire when a new administrator or coordinator or any staff person essential to carrying out this scope of services is hired to work in the program. A resume of the employee, which clearly indicates the staff member is employed by the Contractor, shall accompany this notification.

2. Vacancies: The Contractor shall notify BDAS on behalf of DHHS in writing within 14 calendar days, if at any time, any site funded under this agreement does not have adequate staffing to perform all required services for more than one month.

Other Requirements:
The Contractor shall attend trainings and/or meetings as requested by DHHS.

ATR and Recovery Support Services:
All DHHS funded treatment and recovery support service providers must also be approved Access to Recovery (ATR) providers, as this will be the source of funding for these recovery support services through the Voucher Management System (VMS). Information on becoming an ATR provider can be found on the DHHS website: http://www.dhhs.nh.gov/dcbcs/bdas/atr/becomingprovider.htm

Regional Network Participation:
The Contractor will designate administrative level staff to regularly participate in the Regional Network and contribute to overall regional network strategic planning, monitoring, evaluation, and cross systems communication efforts. The Contractor is highly encouraged to serve on one of the work groups and contribute to data collection, regional strategic planning and evaluation. Participation will be measured by the annual Partner

Survey (http://www.partnertool.net/) administered by NH Center for Excellence under contract with BDAS as agent for DHHS.

Performance Measures:
All treatment programs under contract with BDAS on behalf of DHHS are required to report on the National Outcome Measures (NOMs) established by the SAMHSA, as required in the Federal Substance Abuse Prevention and Treatment Block Grant, via the WITS (electronic health record) system. The Department of Health and Human Services reserves the right to consider Contractor performance across all of the domains in future funding decisions. The Contractor is expected to meet or exceed these percentages as measured by the Electronic Health Record/Web Infrastructure Treatment System (EHR/WITS).

SAMHSA National Outcome Measures:

DOMAIN	*OUTCOME*	*SUBSTANCE ABUSE TREATMENT MEASURES*

Crime and Criminal Justice	Decrease criminal justice involvement	50% Reduction in the number of client arrests in past 30 days at 6 months following admission to care coordination services compared to at time of admission to treatment program.
Stability in Housing	Increased stability in housing	10% Increase in the number of clients in stable housing at 6 months following admission to care coordination services compared to at time of admission to treatment program.
Access	Reduce the wait time for Intake & Admission	• 80% of clients will receive a telephone eligibility screening within 2 business days of first contact with the Contractor and those who screen eligible will receive an intake within 5 business days of the eligibility screening and • 80% of clients who meet admission criteria will be admitted to services or interim services within 5 business days of intake.
Retention	Increase retention in substance abuse treatment	70% of clients that have participated in the minimum participation requirement. See section in the following pay for performance paragraph.
Capacity	Increase service capacity	Increase by 10% the (unduplicated) number of clients receiving service from previous year – DHHS will not be held to this standard for SFY 2013 due to significant budget reductions.
Social Connectedness	Increased recovery supports/connections	50% of clients participate in care coordination and post treatment recovery support services (RSS).
Perception of Care	Client perception of care	Under development
Cost Effectiveness	Cost effectiveness	Average Contractor cost per client for services provided per client are within 10% of the average statewide cost per client of

	(average cost)	service for each modality of service.
Use of Evidenced-Based Practices	Use of Evidenced-Based Practices	• WITS Electronic Health Record • ASI or GAIN Assessment • NIDA/SAMHSA MATRS Treatment Planning model • Clinical model for treatment services recognized by National Registry of Evidence Based Programs and Practices (NREPP).

Data and Reporting Requirements:

1. Without limiting the generality of any other provisions of this agreement, the Contractor shall provide any periodic or special reports required by the DHHS.
2. The Contractor shall notify BDAS, as an authorized agent of DHHS, whenever the Contractor has reached ninety percent capacity to admit new clients. In addition the Contractor shall have a waiting list management policy in accordance with the SAPT Block Grant requirements. This 90% notification process will become automatic when this operation is fully functional in WITS.
3. The Contractor shall notify DHHS through BDAS, within one working day, if sufficient capacity is not available to provide treatment services to a pregnant woman, parenting woman or injection drug user within the required time frames and a referral elsewhere is not successful and interim services cannot be provided.
4. The Contractor shall comply with all research and/or information systems development activities for the electronic health record/Web Infrastructure for Treatment Services (EHR/WITS) conducted by, or authorized by, DHHS.
5. The Contractor shall administer any client surveys, client assessments including the addiction Severity Index (ASI) or the Global Appraisal of Individual Needs (GAIN), client treatment outcome instruments, the M.A.T.R.S. Treatment Planning Tool, as required by DHHS.
6. The Contractor must have the ability to communicate and submit required reports via the Web-based submission system and/or e-mail, for treatment s and recovery support services and interim services. All required clinical and documentation activities shall be entered in WITS unless specifically granted an exception by BDAS on behalf of DHHS.

Critical Incident/Sentinel Event Reporting:

The Department's Sentinel Event policy is contained in the following link: http://www.dhhs.nh.gov/dcbcs/sentinel.htm

Division of Community Based Care Services (DCBCS) Sentinel Event Notification:
The preceding events require the immediate verbal notification to the BDAS Assistant Administrator or Clinical Services Unit Administrator upon the discovery of a sentinel event involving an individual(s) receiving services through a DHHS substance use disorder treatment Contractor.

Since the initial and immediate verbal notification of a sentinel event is likely to include protected health information (PHI) as identified below, the Contractor of services to individuals receiving services funded by the DHHS shall disclose PHI in a private and secure manner. Contractors and vendors should not leave voice-mail messages, but instead make direct telephone contact with the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee. If direct telephone contact is not possible, a voice mail message may be left without protected health information, such as medications and relevant medical and psychiatric diagnoses. As soon as possible after the initial verbal notification, the Contractor will mail or fax a completed *Sentinel Event Reporting Form* as directed in this protocol.

Notification shall include the following:

1. Name and phone number of the individual reporting.

2. Name, date of birth (DOB), medications and all relevant medical and psychiatric diagnoses of individual(s) involved;
3. Location, date, and time of event;
4. Description of the event including what, when, where, how, and other relevant information and identification of any other individuals involved;
5. Legal status of the individual involved with regard to guardianship and power of attorney;
6. Community, guardian, family and/or families' knowledge of the event; and
7. Contractor contact person and contact information.

It shall be the responsibility of the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee to notify the DCBCS Quality Improvement Director by e-mail as soon as the BDAS Clinical Administrator or designee becomes aware a Sentinel Event has occurred. The DCBCS Quality Improvement Director shall make immediate notification to the Commissioner. Internal e-mails within the Department may contain PHI and all Department employees will utilize safeguards to ensure the privacy of the PHI as stated in the DHHS General Manual Health Insurance Portability and Accountability Act (HIPAA) policy #504.

Each DCBCS bureau recognizes its responsibility to report evidence of neglect, abuse or exploitation to the appropriate regulatory agencies as required by RSA 161-F: 42-57 and RSA 169-C:29. In any case of known or suspected neglect, abuse or exploitation, the Contractor aware of the situation shall follow all applicable rules relative to individual rights protection procedures.

Written follow up information is to be forwarded by the reporting Contractor to the appropriate BDAS Administrator listed below within 72 hours by completing the *Sentinel Event Reporting Form.* To protect clients' confidential information, reporting Contractors should submit the *Sentinel Event Reporting Form* either by fax to the BDAS Assistant Administrator or the BDAS Clinical Services Unit Administrator by a mail service that provides delivery confirmation.

Bureau of Drug and Alcohol Services
Assistant Administrator
105 Pleasant Street
Concord, NH 03301
Or by fax to the BDAS Administrator's Office at 271-6105;

Follow-up information is the responsibility of the Contractor and should be submitted in a way as to protect clients' confidential information such as by mail with delivery confirmation and should include:

1. The *Sentinel Event Reporting Form(www.dhhs.nh.gov/dcbcs/documents/sentinelform.pdf)*;
2. Additional details as they are learned or if the status of the situation changes; and,
3. Copies of newspaper articles.

The BDAS Assistant Administrator or BDAS Clinical Services Unit Administrator is responsible for forwarding a copy of the *Sentinel Event Reporting Form* received from a Contractor to the DCBCS Quality Improvement Director at:

Division of Community Based Care Services
Quality Improvement Director
129 Pleasant Street
Concord, New Hampshire 03301
Or by fax: 271- 4912

Additionally, DHHS requires critical incident reporting. The Contractor shall report all critical incidents/sentinel events to the BDAS Clinical Services Unit Administrator immediately via telephone. Every effort shall be made to reach the BDAS administrator directly. If a voice message is necessary, sufficient provider contact information shall be provided so that DHHS is able to reach the reporter, or other responsible staff, immediately.

A critical incident includes, but is not limited to, any child or adult protective services report to the Division of Children, Youth and Families (DCYF), or the Bureau of Elderly and Adult Services (BEAS), respectively, regarding any incident involving 1) a staff/employee to youth or client, 2) youth to youth, or 3) client to client. This includes incidents that occur while a client is on leave, or on a pass, from the Contractor and may be off site at the time the incident occurred.

A sentinel event is an unexpected occurrence involving the death or serious physical or psychological injury, or risk thereof, signaling the need for immediate investigation and response.

Death or any serious injury or medical emergency regarding staff or clients that requires emergency medical attention (EMT or other emergency personnel at the Contractor's site, or a hospital emergency room visit), or any crime reportable to law enforcement, or any other serious incident must also be reported to DHHS as described below.

Reportable sentinel events include, but are not limited to, any occurrence that meets any of the following criteria:

1. An unanticipated death or permanent loss of function, not related to the natural course of an individual's illness or underlying condition.
2. Homicide or suicide of any individual receiving DHHS funded care, treatment or services, that had been discharged from a Department funded program or facility within 30 days of the event, or has been evaluated by a service Contractor within the preceding 30 days;
3. Sexual assault or rape of any individual receiving DHHS funded care, treatment or services by another client or employee of any Department funded program or facility where there is an act that was witnessed or there is sufficient clinical evidence obtained by the Contractor to support allegation of nonconsensual sexual contact.
4. Unauthorized departure of an individual receiving DHHS funded services, from a facility providing care, resulting in death or permanent loss of function.
5. Medication error that results in death, paralysis, coma, or other permanent loss of function.
6. Delay or failure to provide DHHS funded Contractor services that result in death or permanent loss of function.
7. Abuse as a result of the willful infliction of injury, unreasonable confinement, intimidation, or punishment with resulting physical harm, or mental anguish. This includes staff neglect or indifference to infliction of injury or intimidation of one individual by another.
8. Neglect as a result of the failure to provide the goods and services necessary to avoid physical harm, mental anguish or mental illness.
9. Assault of or by a client of the Contractor that results in the injury of the person or another person of such severity that medical attention is required.
10. Arson resulting in property loss.
11. High profile events, which may include media coverage and/or police involvement.

On-Site Reviews:

1. The Contractor shall allow a team or person authorized by DHHS to periodically review the Contractor's systems of governance, administration, data collection and submission, clinical, and financial management in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include, but not be limited to, client record reviews to measure compliance with this exhibit.
3. The Contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. DHHS staff shall contact the Contractor in advance of the site visit, so that the Contractor shall have sufficient time to prepare any guidance/reporting systems or logs that will be reviewed at the site visit.

$ 87,195.00 for Substance Abuse Treatment Services, funded from 100% federal funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment (SAPT) Block Grant, CFDA 93.959.

TOTAL: $189,576.00

III. Payment Methodology

The Contractor shall agree to use and apply all contract funds from the State for costs and expenses as detailed in the approved contract budget(s). Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. Starting in State Fiscal Year 2013 (effective July 1, 2012) the contractor will receive a payment for each modality of services at a rate of one-twelfth (1/12) of the annual amount approved in the contract for that modality, less any pay for performance factors (utilization, access and retention) that apply. The annual contract approved amount prorated to the monthly portion is considered the BASE monthly reimbursement amount.

1. Performance Utilization:

A. Utilization Performance Criteria for all residential, outpatient and intensive outpatient treatment services:

Utilization criteria will be applied exclusively on a month-by-month basis, Contractors will not be retroactively reimbursed at the higher rate for past months even if the Contractor later meets the higher utilization rates year to date. Utilization criteria is first applied to monthly billing submitted by the Contractor to determine the total amount of expenses eligible for reimbursable, after which access and retention criteria are applied to determine if that amount will be reimbursed at 95% or 100% according to the criteria below.

i. Contracts running at 90% to 100% of utilization in a given month will be reimbursed at 100% of the contracted rate for that month.

ii. Contracts running at 80% to 89% of utilization in a given month will be reimbursed at rate of 95% of the contracted rate for that month.

iii. Contracts running below 80% of utilization in a given month will be reimbursed at the rate of utilization for that month (for example for a given month in which utilization was 59% the contractor would be reimbursed at 59% of the contracted rate for that month).

B. Utilization Methodology by Modality:

i. Outpatient: Utilization for Outpatient is factored at a rate of 100 direct clinical hours per month per FTE. One hundred (100) clinical hours equates to 100% utilization. Outpatient utilization does not require separate consideration for individual or group outpatient counseling, the total of both is based on direct clinical hours of service. The FTEs for the contract are determined based upon the level of funding provided for outpatient divided by $75,000 (e.g. Agency ABC funding for outpatient services is $168,750 divided by $75,000 per FTE results in 2.25 FTE.)

ii. Intensive Outpatient: Utilization for Intensive Outpatient is determined in the same manner as Outpatient based on Full Time Equivalent. Individual or group intensive outpatient counseling are combined in determining the utilization rate with the total of both based on direct clinical hours of service.

iii. Residential Treatment/transitional living/halfway house: Utilization for all residential services is factored by taking the amount of funding for the modality of residential services and dividing it by the *bed day rate* to determine the total number of bed days per year, and then diving this amount by 365 days to determine the "beds per day factor" (which is equal to the number of beds being funded) for this modality of residential services. Utilization for residential treatment is factored by multiplying the "beds per day factor" by the actual number of days in a given month. As an example, say agency ABC is funded in the amount of $438,000 to provide 28-day residential treatment services for adults. Given that the per day bed rate for adult residential treatment services is $120 per day, the agency would be expected to provide 3,650 ($438,000/$120) bed days per year / 365 days per year = 10 beds per day. Utilization for residential treatment is factored by multiplying the "beds per day factor" by the actual number of days in a given month; in this example the number of bed days for April would be 30 (days in April) X 10 beds per day or 300 beds at 100% utilization.

2. Utilization Access and Retention Payment Criteria Requirement

Contractors will receive the billing amount net of utilization rates, for each billing month in which the agency has met both the Access and Retention criteria outlined below for the given month. Any Agency not meeting both the Access and Retention criteria will receive reimbursement at 95% of the amount after first factoring utilization. Access and retention criteria do not include recovery support services. Performance criteria will be applied

exclusively on a month-by-month basis, contractors will not be retroactively reimbursed at the 100% rate for past months even if the contractor later meets the Access and Retention rates year to date.

A. Access to Services:

Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received. The following Access Criteria must be met for a minimum of 80% of prospective clients (from clients or referring agencies) for the month in which billing is being submitted:

i. Treatment contractors are required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.

ii. Those who have screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days follow the eligibility screening.

B. Retention:

A minimum of 70% of clients, which have completed or otherwise are no longer receiving services, will have met the minimum retention standards for the modality of services received:

i. Have completed a minimum of 6 sessions of outpatient treatment services (OP)

ii. Have completed a minimum of 8 days of intensive outpatient treatment services (IOP) – only those days in which a client has participated in minimum of 10 units (2.5 hours) of service per day (12 units per day is the standard for IOP services) may be counted.

iii. Have completed a minimum of 14 days of residential treatment service

iv. Has completed a minimum of 28 days in a transitional living/halfway house residential program.

3. Failure to Meet Deliverables:

The Contractor shall comply with all contract requirements as detailed in Exhibit A section B, Required Services. Upon determination that Contractor may not be meeting the required deliverables, within two (2) weeks BDAS will provide a written correction action plan. Within two (2) weeks of notification of the corrective action plan, Contractor will provide a written remedial plan. BDAS will monitor the corrective actions for 60 days. Failure to meet requirements of the corrective action plan within 60 days may result in withholding of any or all payments or termination of the contract.

4. Invoicing & Billing:

Invoices shall be submitted by the Contractor to the State in a form satisfactory to the State for each modality of service. Said invoices shall be submitted within twenty (20) working days following the end of the month during which the contract activities were completed, and the final invoice shall be due to the State no later than sixty (60) days after the contract Completion Date.

The Contractor shall have written authorization from the State prior to using contract funds to purchase or lease any equipment with a cost in excess of two thousand five hundred dollars ($2500) and with a useful life beyond one year.

IV. Allocation of Funding:

Any reallocation of funds between modalities of service requires prior written justification and approval from BDAS on behalf of DHHS. Reallocation of funds cannot exceed the total approved contracted amount.

V. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds:

The Contractor agrees to use the SAPT funds as the payment of last resort.

Restrictions on SAPT Block Grant on State and Contractor expenditures include:
The State may not:

- Provide inpatient hospital services except under those conditions outlined in the regulations.
- Make cash payments to intended recipients of substance abuse services.
- Purchase or improve land.
- Purchase, construct, or permanently improve buildings or other facilities.
- Purchase major medical equipment.
- Satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds. (in-kind)
- Provide financial assistance to any entity other than a public or non-profit private entity.
- Provide individuals with hypodermic needles or syringes.
- Expend more than the amount of Block Grant funds expended in FFY91 for treatment services provided in penal or correctional institutions of the State.

The Contractor shall not:

- Use any federal funds provided under this contract for the purpose of conducting testing for the etiologic agent for Human Immunodeficiency Virus (HIV) unless such testing is accompanied by appropriate pre and post-test counseling.
- Use any federal funds provided under this contract for the purpose of conducting any form of needle exchange, free needle programs or the distribution of bleach for the cleaning of needles for intravenous drug abusers.

VI. Charitable Choice:

Federal Charitable Choice statutory provisions ensure that religious organizations are able to equally compete for Federal substance abuse funding administered by SAMHSA, without impairing the religious character of such organizations and without diminishing the religious freedom of SAMHSA beneficiaries (see 42 USC 300x-65 and 42 CFR Part 54 and Part 54a, 45 CFR Part 96, Charitable Choice Provisions and Regulations). Charitable Choice statutory provisions of the Public Health Service Act enacted by Congress in 2000 are applicable to the SAPT Block Grant program. No funds provided directly from SAMHSA or the relevant State or local government to organizations participating in applicable programs may be expended for inherently religious activities, such as worship, religious instruction, or proselytization. If an organization conducts such activities, it must offer them separately, in time or location, from the programs or services for which it receives funds directly from SAMHSA or the relevant State or local government under any applicable program, and participation must be voluntary for the program beneficiaries.

SPECIAL PROVISIONS

1. **Contractors Obligations:** The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

2. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

3. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

4. **Documentation:** In addition to the determination forms, required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

5. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

6. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

7. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

8. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractor's costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:

    8.1 Renegotiate the rates for payment hereunder, in which event new rates shall be established;

8.2 Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

8.3 Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

9. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:

9.1 **Fiscal Records:** Books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

9.2 **Statistical Records:** Statistical, enrollment, attendance, or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

9.3 **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

10. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.

10.1 **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.

10.2 **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

11. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's

responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in this Paragraph shall survive the termination of the Contract for any reason whatsoever.

12. **Reports: Fiscal and Statistical**: The Contractor agrees to submit the following reports at the following times if requested by the Department:

12.1 **Interim Financial Reports:** Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.

12.2 **Final Report:** A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

13. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

14. **Credits:** All documents, notices, press releases, research reports, and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:

14.1 The preparation of this (report, document, etc.), was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, Division of Community Based Care Services, Bureau of Drug and Alcohol Services with funds provided in part or in whole by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

15. **Operation of Facilities:** Compliance with Laws and Regulations: In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the Contractor with respect to the operation of the facility or the provision of the services at such facility. If any government license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

16. **Insurance:**

As referenced in the Request for Proposal, Comprehensive General Liability Insurance Acknowledgement Form, the Insurance requirement checked under this section is applicable to this contract:

(a) Insurance Requirement for (1) - 501(c) (3) contractors whose annual gross amount of contract work with the State does not exceed $500,000, per RSA 21-I:13, XIV, (Supp. 2006): The general liability insurance requirements of standard State contracts for contractors that qualify for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the State does not exceed $500,000, is comprehensive general liability insurance in amounts of not less than $1,000,000 per claim or occurrence and $2,000,000 in the aggregate. *These amounts may NOT be modified.*

17. **Renewal:**

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for one (1) additional year, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

18. **Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:**

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

19. **Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;**

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State

related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

SPECIAL PROVISIONS – DEFINITIONS

As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean the section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Whenever federal or state laws, regulations, rules, orders, and policies, etc., are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc., as they may be amended or revised from time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. Refer to RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated there under.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

Section 3017.630 of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services,

(i) 129 Pleasant Street

(ii) Concord, NH 03301

1) The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employee's about:

(1) The dangers of drug abuse in the workplace;
(2) The grantee's policy of maintaining a drug-free workplace;
(3) Any available drug counseling, rehabilitation, and employee assistance programs; and
(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) *Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:*

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten (10) calendar days after receiving notice under subparagraph (d) (2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted by:

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).

2) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions of this contract agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions, execute the following Certification:

1. Instructions for Certification

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transition. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transition," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntary excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rule implementing Executive Order 12549: 45 CFR Part 76.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction", provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

1. **The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:**

   a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

   b. Have not within a three-year period preceding this proposal (contract) been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

   c. Are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph 1 b of this certification; and

d. Have not within a three-year period preceding this application/proposal (contract) had one or more public transactions (Federal, State or local) terminated for cause or default.

2. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

Lower Tier Covered Transactions

By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:

1. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

2. Where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion – Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.501.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreasonable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) Use and Disclosure of Protected Health Information.

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, the Business Associate shall not, and shall ensure that its directors, officers, employees and agents, do not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:

I. For the proper management and administration of the Business Associate;
II. As required by law, pursuant to the terms set forth in paragraph d. below; or
III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HITECH Act, Subtitle D, Part 1, Sec. 13402 of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. Business Associate shall report to the designated Privacy Officer of Covered Entity, in writing, any use or disclosure of PHI in violation of the Agreement, including any security incident involving Covered Entity data, in accordance with the HITECH Act, Subtitle D, Part 1, Sec.13402.

b. The Business Associate shall comply with all sections of the Privacy and Security Rule as set forth in, the HITECH Act, Subtitle D, Part 1, Sec. 13401 and Sec.13404.

c. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

d. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section (3)b and (3)k herein. The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard provision #13 of this Agreement for the purpose of use and disclosure of protected health information.

e. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

f. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

g. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

h. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

i. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such

information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

j. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

k. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity; all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to standard provision #10 of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, and the HITECH Act as amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule and the HITECH Act.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section 3 k, the defense and indemnification provisions of section 3 d and standard contract provision #13, shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

2.2.4. Paying for Staff/Consultant Costs such as, but not limited to:

2.2.4.1. Temporarily increasing the hours of existing staff to complete short-term projects, such as developing policies, procedures, protocols, forms and case management formats for new programs to expand capacity;

2.2.4.2. Training new and existing staff to implement and/or expand evidence based practices for new and current programs;

2.2.4.3. Hiring consultants to assist with obtaining necessary licensures and designing new programming to expand capacity;

2.2.4.4. Staff or consultant time to survey the service gaps in the community and develop strategies and programming for filling those gaps;

2.2.4.5. Covering the initial costs of hiring new staff to increase efficiency by filling current gaps in program staffing or to expand capacity.

2.2.5. The Contractor may propose an alternate Improving Current Services and Expanding Capacity project(s) that is not list above in Sections 2.2.1 through 2.2.4. and that is compliance with the Catalog of Domestic Assistance ##93.959.

2.3. The Contractor will submit a progress report to the Department by September 10, 2015 against the defined plan approved by the Department.

Method and Conditions Precedent to Payment

I. Funding

The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A Amendment #3, Scope of Services and Exhibit A-1, Scope of Services.

A. Funding for Exhibit A, Amendment #3

For the period of July 1, 2015 through December 31, 2015, funding for Exhibit A Amendment #3 is funded by various sources as a percentage of the total amount of $560,299.50 as follows:

- 46% Federal Funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant (CFDA #93.959);
- 22% General Governor's Commission on Alcohol and Drug Abuse Prevention, Intervention and Treatment Funds; and
- 32% General funds.

The Contractor agrees to provide the services in Exhibit A Amendment #3, Scope of Services in compliance with the funding requirements above.

The Contractor shall comply with Sections II through VIII for payment and invoicing instructions for services provided in Exhibit A Amendment #3.

B. Funding for Exhibit A-1, Scope of Services

From the effective date of Amendment #4 through September 30, 2015, the State shall pay the Contractor an amount not to exceed $20,000, for the services provided by the Contractor pursuant to Exhibit A-1, Scope of Services.

Funding is 100% Federal Funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant (CFDA #93.959);

The Contractor agrees to provide the services in Exhibit A-1, Scope of Services in compliance with the funding requirements above

The Contractor shall comply with Section IX for payment and invoicing instructions for services provided in Exhibit A-1, Scope of Services.

II. Payment Methodology

The Contractor will be reimbursed for providing and delivering the services identified in Exhibit A Amendment #3, section B. The following terms and conditions detailed in this Exhibit B Amendment #3 will apply to all services unless expressly stated otherwise.

The Contractor will use and apply all contract funds from the State for costs and expenses as detailed in the Service Reimbursement Table below. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. Effective July 1, 2014, the contractor will receive a payment for each service at the rates and within the limits described below. For clients receiving DHHS supported services, the contractor may not charge the client, any 3rd party payor, and DHHS a combined rate that is more than the

rate established by BDAS for that level of service or any other fees. These parties shall be charged in the following order:

1. The maximum allowed charge will be billed to the client's insurer, if applicable.
2. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
3. The balance of the maximum allowed charge, after deducting the client's portion and insurance payment, if applicable, shall be charged to DHHS.

Service Reimbursement Table

An "X" below denotes the services, and their corresponding Rates and Service Limits; the Contractor will be reimbursed for in accordance with the Payment Methodology above.

* The Contractor will bill the per diem rate for Intensive Outpatient Treatment services only on those days when the client attends individual and/or group counseling associated with the

Contractor Initials CT
Date 7/22/15

program. It is expected that each day of attendance includes a minimum of 3 hours of group and/or individual counseling services.
**Attempted Contact is at least 3 attempts to contact a client over the course of at least one week.
*** A unit is equal to 15 minutes of service

It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. **Failure to meet this requirement may result in amendment to or termination of the contract. At a minimum, contractors must provide the array of services they contracted to provide for in SFY15.**

III. Performance Incentives:

A. Access to Services:

Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received and shall conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact. For each client who screens eligible for services and starts receiving services, whether for the identified level of care or interim services, within 10 business days following the eligibility screening, the treatment contractor will receive an incentive payment of $75.00. Access incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

B. Completion:

For each client who is discharged from the program because they have completed treatment or transferred to another treatment provider as recorded in the Discharge Type field of the WITS Discharge Module, the treatment contractor will receive an incentive payment of $75.00. Completion incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

C. Client Outcomes:

If a client who was discharged from the program meets at least 3 of the Outcome criteria below in the 3rd and/or 6th month post-discharge, as evidenced by the WITS Follow-Up module, the treatment contractor will receive an incentive payment in the amount of $50. The 3rd month post discharge is considered to be 60 – 120 days post discharge. The 6th month post discharge is considered to be 150 – 210 days post discharge. Outcomes incentives will be calculated and paid on a monthly basis for clients meeting criteria in the previous calendar month. It is expected that at least 50% of discharged clients will be contacted for 3 and/or 6 month follow-up over the contract year.

i. Abstinence: The client reports reduced or no substance use in the past 30 days.
ii. Employment/Education: The client reports increased or retained employment or the client reports returning to or staying in school.
iii. Crime and Criminal Justice: The client reports no arrests in the past 30 days.
iv. Stability in Housing: The client reports being in stable housing.

v. Social Connectedness: The client reports engagement in Recovery Support Services, Care Coordination, and/or Community Based Support Groups in the past 30 days.

D. Performance Incentive Payout Limits:
Performance incentives are limited to no more than 6% of the total contract amount annually. The total amount paid out during the contract year will never exceed the total contract amount. DHHS is not obligated to make payment for any incentives that occur outside of the current contract year; however, incentives may be carried over to future contract years at the discretion of DHHS.

E. Failure to Meet Deliverables:
The Contractor shall comply with all contract requirements as detailed in Exhibit A section B, Required Services. Upon determination that Contractor may not be meeting the required deliverables, within two (2) weeks BDAS will provide a written correction action plan. Within two (2) weeks of notification of the corrective action plan, Contractor will provide a written remedial plan. BDAS will monitor the corrective actions for 60 days. Failure to meet requirements of the corrective action plan within 60 days may result in withholding of any or all payments or termination of the contract.

F. Invoicing & Billing:
The Contractor shall complete all billing for all services defined in this Agreement through the WITS system according to protocols established by BDAS.

The Contractor shall have written authorization from the State prior to using contract funds to purchase or lease any equipment with a cost in excess of two thousand five hundred dollars ($2500) and with a useful life beyond one year.

IV. Allocation of Funding:
It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. The contractor is prohibited from spending down more than the sum of the total contract amount that includes the cost of the client services and related incentives.

V. Availability of Alternative Funding:
The New Hampshire Department of Health and Human Services may terminate or amend the contract should alternate third party payors, including Medicaid, the New Hampshire Health Protection Program and/or insurance available on the New Hampshire Insurance Exchange cover any of the services included in this contract.

VI. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds:
The Contractor agrees to use the SAPT funds as the payment of last resort.
Restrictions on SAPT Block Grant on State and Contractor expenditures include:
The State may not:

- Provide inpatient hospital services except under those conditions outlined in the regulations.
- Make cash payments to intended recipients of substance abuse services.
- Purchase or improve land.

- Purchase, construct, or permanently improve buildings or other facilities.
- Purchase major medical equipment.
- Satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds. (in-kind)
- Provide financial assistance to any entity other than a public or non-profit private entity.
- Provide individuals with hypodermic needles or syringes.
- Expend more than the amount of Block Grant funds expended in FFY91 for treatment services provided in penal or correctional institutions of the State.

The Contractor shall not:

- Use any federal funds provided under this contract for the purpose of conducting testing for the etiologic agent for Human Immunodeficiency Virus (HIV) unless such testing is accompanied by appropriate pre and post-test counseling.
- Use any federal funds provided under this contract for the purpose of conducting any form of needle exchange, free needle programs or the distribution of bleach for the cleaning of needles for intravenous drug abusers.

VII. Charitable Choice:

Federal Charitable Choice statutory provisions ensure that religious organizations are able to equally compete for Federal substance abuse funding administered by SAMHSA, without impairing the religious character of such organizations and without diminishing the religious freedom of SAMHSA beneficiaries (see 42 USC 300x-65 and 42 CFR Part 54 and Part 54a, 45 CFR Part 96, Charitable Choice Provisions and Regulations). Charitable Choice statutory provisions of the Public Health Service Act enacted by Congress in 2000 are applicable to the SAPT Block Grant program. No funds provided directly from SAMHSA or the relevant State or local government to organizations participating in applicable programs may be expended for inherently religious activities, such as worship, religious instruction, or proselytization. If an organization conducts such activities, it must offer them separately, in time or location, from the programs or services for which it receives funds directly from SAMHSA or the relevant State or local government under any applicable program, and participation must be voluntary for the program beneficiaries.

VIII. Notwithstanding paragraph 18 of the General Provisions of this Agreement P-37, an amendment limited to adjusting amounts within the budgets and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of Governor and Executive Council.

IX. Payment and Invoicing Instructions for Exhibit A-1, Scope of Services

A. Payment for said services shall be made as follows:

i. The Contractor will submit one invoice by October 10, 2015, which identifies and requests reimbursement for authorized expenses incurred for the period defined in Section "I. Funding, B. Funding for Exhibit A-1," above.

ii. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.

The invoice must be submitted to:
Financial Manager
Department of Health and Human Services,

Bureau of Drug and Alcohol Services
105 Pleasant Street
Concord, NH 03301

B. The invoice shall include an itemized listing of expenses, amounts and dates when the expenses incurred.

C. The Contractor shall provide supporting documentation to support evidence of actual expenditures identified on the invoice and in accordance with the Department approved plan, such as but not limited to: a copy of the approval from the Department to expend the funding; a detailed description of the scope of work that was completed; copies of invoices for purchases; and/or the names of the Contractor's staff, dates and hours worked and amounts being billed for the specific scope of work.

D. Allowable costs and expenses shall be determined by the Department in accordance with applicable state and federal laws and regulations.

E. The Contractor shall not bill for reimbursement of expenses incurred before or after the period defined in Section "I. Funding, B. Funding for Exhibit A-1," above.

F. The Contractor shall obtain Department approval prior to incurring the expense to provide the scope of work described in the Department approved plan.

G. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this contract may be withheld, in whole, or in part, in the event of noncompliance with any State of Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.

H. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds are defined in Section "VI Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds," above.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Easter Seals New Hampshire, Inc. and Subsidiaries

We have audited the accompanying consolidated financial statements of Easter Seals New Hampshire, Inc. and Subsidiaries (Easter Seals NH), which comprise the consolidated statements of financial position as of August 31, 2014 and 2013, and the related consolidated statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Directors
Easter Seals New Hampshire, Inc. and Subsidiaries

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Easter Seals NH as of August 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying other financial information is presented for purposes of additional analysis rather than to present the financial position and results of operations of the individual companies and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The consolidating information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 5, 2014 on our consideration of Easter Seals New Hampshire, Inc. and Subsidiaries' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Easter Seals New Hampshire, Inc. and Subsidiaries' internal control over financial reporting and compliance.

Interest paid	$ 1,201,000	$ 1,119,000

In 2014, Easter Seals NH transferred its sole member interest in a consolidated affiliate to an unrelated party (see note 12). During 2014 and 2013, Easter Seals NH transferred property with a net carrying value of $607,088 and $16,224, respectively, from fixed assets to property held for sale.

See accompanying notes.

1. Corporate Organization and Purpose

Easter Seals New Hampshire, Inc. and Subsidiaries (Easter Seals NH) consists of various separate nonprofit entities: Easter Seals New Hampshire, Inc. (parent and service corporation); Easter Seals New York, Inc. (Easter Seals NY); Easter Seals Maine, Inc. (Easter Seals ME); Easter Seals Rhode Island, Inc. (Easter Seals RI); Agency Realty, Inc. (real estate corporation); The Harbor Schools Incorporated (Harbor Schools); Manchester Alcoholism Rehabilitation Center; Easter Seals Connecticut, Inc. (Easter Seals CT); and Easter Seals Vermont, Inc. (Easter Seals VT). Easter Seals New Hampshire, Inc. is the sole member of each subsidiary. Easter Seals NH is affiliated with Easter Seals, Inc. (the national headquarters for the organization).

On May 22, 2013 the Board of Directors of Easter Seals New Hampshire, Inc. voted to dissolve and transfer the assets and liabilities of Special Transit Services, Inc. to Easter Seals New Hampshire, Inc.

On March 22, 2013, the Board of Directors of Easter Seals NY, voted to discontinue the Bronx Early Intervention program. On July 1, 2013, the Center for Therapeutic Recreation program located in Portland, Maine was transferred to the City of Portland and at that same time Easter Seals ME discontinued offering those services. On September 25, 2013, the Board of Directors of Easter Seals CT voted to discontinue the camp programs and cease all operations effective November 16, 2013. On January 25, 2012, the Board of Directors of Easter Seals NH voted to close Harbor Schools and cease all operations of this subsidiary, and also voted to approve discontinuing the group home and special education programs in Rutland, Vermont. On June 11, 2014, the Board of Directors of Easter Seals NH voted to discontinue the Pediatric Outpatient programs located in Manchester and Dover due to significant losses the programs were experiencing. See also note 13.

In May 2013, the Boards of Directors of Manchester Alcoholism Rehabilitation Center and Webster Place voted to merge the two organizations with Manchester Alcohol Rehabilitation Center being the surviving corporation, having found such merger to be in the best interest of both organizations. The effective date of the merger was September 1, 2013.

On July 31, 2014, Easter Seals NH entered into an agreement with The Connecticut Institute for the Blind, Inc. d/b/a Oak Hill (Oak Hill), an unrelated entity, whereby Easter Seals NH agreed to transfer its sole member interest in Easter Seals CT to Oak Hill for no consideration. See also note 12.

Easter Seals NH's purpose is to provide (1) programs and services for people with disabilities and other special needs, (2) assistance to people with disabilities and their families, (3) assistance to communities in identifying and developing needed services for residents, and (4) a climate of acceptance for people with disabilities and other special needs which will enable them to contribute to the well-being of the community. Easter Seals NH operates programs throughout New Hampshire, New York, Maine, Massachusetts (prior to the closure of Harbor Schools), Rhode Island, Vermont and Connecticut.

2. Summary of Significant Accounting Policies

Principles of Consolidation

The consolidated financial statements include the accounts of Easter Seals New Hampshire, Inc. and the subsidiaries of which it is the sole member. Significant intercompany accounts and transactions have been eliminated in consolidation.

2. **Summary of Significant Accounting Policies (Continued)**

Cash and Cash Equivalents

Easter Seals NH considers all highly liquid securities purchased with an original maturity of 90 days or less to be cash equivalents. Cash equivalents consist of cash, overnight repurchase agreements and money market funds, excluding assets limited as to use.

The management of Easter Seals NH has implemented a practice to establish cash reserves on hand. Approximately $2,483,000 and $2,432,000, respectively, of cash and cash equivalents, and approximately $2,512,000 and $2,238,000, respectively, of investments were on-hand under this practice as of August 31, 2014 and 2013, respectively.

Assets Limited as to Use and Investments

Assets limited as to use consists of cash and cash equivalents, short-term certificates of deposit with original maturities greater than 90 days, but less than one year, and investments. Investments are stated at fair value. Realized gains and losses on investments are computed on a specific identification basis. The changes in net unrealized and realized gains and losses on investments are recorded in other nonoperating expenses, gains and losses in the accompanying consolidated statements of activities and changes in net assets. Donated securities are stated at fair value determined at the date of donation.

Beneficial Interest in Trusts

Easter Seals NH is the beneficiary of several trusts held by others. Easter Seals NH has recorded as an asset the fair value of its interest in the trusts and such amount is included in permanently restricted net assets, based on the underlying donor stipulations. The change in the interest due to fair value change is recorded within other nonoperating expenses, gains and losses as permanently restricted activity.

Fixed Assets

Fixed assets are recorded at cost less accumulated depreciation and amortization. Expenditures for maintenance and repairs are charged to expense as incurred, and expenditures for major renovations are capitalized. Depreciation is computed on the straight-line method over the estimated useful lives of the underlying assets.

Fixed assets obtained by Easter Seals NH as a result of acquisitions on or after September 1, 2011 are recorded at estimated fair value as of the date of the acquisition in accordance with generally accepted accounting principles guidance for acquisitions by a not-for-profit entity.

Donated property and equipment not subject to donor stipulated conditions is recorded at fair value at the date of donation. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support or, if significant uncertainties exist, as deferred revenue pending resolution of the uncertainties. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support. See also note 5.

Property held for sale is recorded at the lower of net realizable value or carrying value. Easter Seals NH recognized impairment losses on certain property held for sale in 2014 of $139,698, which is recorded in other nonoperating losses.

2. **Summary of Significant Accounting Policies (Continued)**

Intangible Assets and Long-Lived Assets

Accounting rules require that intangible assets with estimable or determinable useful lives be amortized over their respective estimated useful lives to their estimated residual values, and be reviewed by management for impairment. Intangible assets at August 31, 2014 and 2013 consist of a patient list obtained in the acquisition of Webster Place.

Expected amortization of intangible assets through the end of their useful lives is as follows:

2015	$ 33,130
2016	33,130
2017	33,130
2018	33,130
2019	33,130
Thereafter	66,263
	$231,913

Amortization expense recognized for the patient list in 2014 and 2013 totaled $33,130.

When there is an indication of impairment, management considers whether long-lived assets are impaired by comparing gross future undiscounted cash flows expected to be generated from utilizing the assets to their carrying amounts. If cash flows are not sufficient to recover the carrying amount of the assets, impairment has occurred and the assets are written down to their fair value. Significant estimates and assumptions are required to be made by management in order to evaluate possible impairment.

Based on current facts, estimates and assumptions, management believes that no long-lived assets were impaired at August 31, 2014 and 2013.

Bond Issuance Costs

Bond issuance costs are being amortized by the straight-line method over the repayment period of the related bonds, or the expected time until the next refinancing, whichever is shorter. Amortization expense recognized during 2014 and 2013 was $9,638.

Revenue Recognition

Revenue generated from services provided to the public is reported at the estimated net realizable amounts from clients, third-party payors and others based upon approved rates as services are rendered. A significant portion of Easter Seals NH's revenues are derived through arrangements with third-party payors. As such, Easter Seals NH is dependent on these payors in order to carry out its operating activities. There is at least a reasonable possibility that recorded estimates could change by a material amount in the near term. Differences between amounts previously estimated and amounts subsequently determined to be recoverable or payable are included in other fees and grants in the year that such amounts become known. Easter Seals NY recognized additional revenue of approximately $7,654 in 2014 and $1,046,000 in 2013 due to favorable rate adjustments approved by the State of New York.

2. **Summary of Significant Accounting Policies (Continued)**

A third-party payor for three Easter Seals NY programs charged a facility tax assessment on a monthly basis in 2014 and 2013. The charges are a part of Easter Seals NY's reimbursement contract with the payor. The facility tax assessment is based on approved rates. As of August 31, 2014 and 2013, the facility tax assessment due was approximately $136,000 and $138,000, respectively, and is recorded in deferred revenue in the accompanying statements of financial position.

Revenues are recognized as earned, or attributable to the period in which specific terms of the funding agreement are satisfied, and to the extent that expenses have been incurred for the purposes specified by the funding source. Revenue balances in excess of the foregoing amounts are accounted for as deferred revenue until any restrictions are met or allowable expenditures are incurred.

The allowance for doubtful accounts is provided based on an analysis by management of the collectibility of outstanding balances. Management considers the age of outstanding balances and past collection efforts in determining the allowance for doubtful accounts. Accounts are charged against the allowance for doubtful accounts when deemed uncollectible. The bad debt provision in 2014 and 2013 totaled $265,007 and $774,569, respectively.

Unconditional contributions are recognized when pledged.

Advertising

Easter Seals NH's policy is to expense advertising costs as incurred.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the accompanying consolidated statements of activities and changes in net assets. Accordingly, certain costs have been allocated among the programs and supporting services based mainly on time records and estimates made by Easter Seals NH's management.

Charity Care (Unaudited)

Easter Seals NH has a formal charity care policy under which program fees are subsidized as determined by the Board of Directors. Free and subsidized services are rendered in accordance with decisions made by the Board of Directors and, at established charges, amounted to approximately $6,802,000 and $7,373,000 for the years ended August 31, 2014 and 2013, respectively.

Income Taxes

Easter Seals New Hampshire, Inc., Easter Seals NY, Easter Seals ME, Easter Seals VT, Easter Seals RI, Harbor Schools, Manchester Alcoholism Rehabilitation Center and Easter Seals CT are exempt from both federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and, for Easter Seals NY of the Not-for-Profit Corporation Law of the State of New York. Agency Realty, Inc. received a determination letter from the Internal Revenue Service stating that it qualifies for tax-exempt status under Section 501(c)(2) of the Internal Revenue Code.

2. Summary of Significant Accounting Policies (Continued)

Tax-exempt organizations could be required to record an obligation for income taxes as the result of a tax position historically taken on various tax exposure items including unrelated business income or tax status. In accordance with accounting principles generally accepted in the United States of America, assets and liabilities are established for uncertain tax positions taken or positions expected to be taken in income tax returns when such positions are judged to not meet the "more-likely-than-not" threshold, based upon the technical merits of the position.

Management has evaluated tax positions taken by Easter Seals New Hampshire, Inc. and its subsidiaries on their respective filed tax returns and concluded that the organizations have maintained their tax-exempt status, do not have any significant unrelated business income, and have taken no uncertain tax positions that require adjustment to or disclosure in the accompanying consolidated financial statements. Easter Seals New Hampshire, Inc. and its subsidiaries are no longer subject to income tax examinations by the federal or state tax authorities for years prior to 2011.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Derivatives and Hedging Activities

Accounting guidance requires that Easter Seals NH record as an asset or liability the fair value of the interest rate swap agreements described in note 8. Easter Seals NH is exposed to repayment loss equal to the net amounts receivable under the swap agreements (not the notional amount) in the event of nonperformance of the other party to the swap agreements. However, Easter Seals NH does not anticipate nonperformance and does not obtain collateral from the other party.

As of August 31, 2014 and 2013, Easter Seals NH had recognized a liability of $3,329,813 and $2,758,346, respectively, as a result of the interest rate swap agreements discussed in note 8. As a result of changes in the fair value of these derivative financial instruments, Easter Seals NH recognized an decrease in net assets of $571,467 ($23,387 of which is included in deconsolidation of affiliate as an increase in net assets) for the year ending August 31, 2014, and an increase in net assets of $2,377,632 for the year ending August 31, 2013 related to swap agreements.

Increase in Net Assets from Operations

For purposes of display, transactions deemed by management to be ongoing, major or central to the provision of services are reported as revenue and expenses that comprise the increase (decrease) in net assets from operations. The primary transactions reported as other nonoperating expenses, gains and losses include the adjustment to fair value of interest rate swaps, the increase in the fair value of beneficial interest in trusts held by others, gains and losses on sales and disposals of property, plant and equipment, and net realized and unrealized gains on investments.

2. Summary of Significant Accounting Policies (Continued)

Reclassifications

Certain amounts in the 2013 consolidated financial statements have been reclassified to conform to the 2014 presentation.

Subsequent Events

Events occurring after the statement of financial position date are evaluated by management to determine whether such events should be recognized or disclosed in the consolidated financial statements. Management has evaluated events occurring between the end of Easter Seals NH's fiscal year end and December 5, 2014, the date these consolidated financial statements were available to be issued.

3. Classification of Net Assets

In accordance with the *Uniform Prudent Management of Institutional Funds Act* (UPMIFA), net assets are classified and reported based on the existence or absence of donor-imposed restrictions. Gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of donated assets. Temporarily restricted net assets are those whose use by Easter Seals NH has been limited by donors to a specific time period or purpose. When a donor restriction expires (when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified as unrestricted net assets and reported in the consolidated statements of activities and changes in net assets as net assets released from restrictions. Permanently restricted net assets have been restricted by donors to be maintained by Easter Seals NH in perpetuity, the income from which is expendable to support all activities of the organization, or as stipulated by the donor.

Donor-restricted contributions whose restrictions are met within the same year as received are reported as unrestricted contributions in the accompanying consolidated financial statements.

In accordance with UPMIFA, Easter Seals NH considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (a) the duration and preservation of the fund; (b) the purpose of the organization and the donor-restricted endowment fund; (c) general economic conditions; (d) the possible effect of inflation and deflation; (e) the expected total return from income and the appreciation of investments; (f) other resources of the organization; and (g) the investment policies of the organization.

3. **Classification of Net Assets (Continued)**

Endowment Net Asset Composition by Type of Fund

The major categories of endowment funds at August 31, 2014 and 2013 are as follows:

	Temporarily Restricted	Permanently Restricted	Total
2014			
Camping program	$ 3,072	$ 364,869	$ 367,941
Other programs	33,332	353,019	386,351

Other programs	18,913	340,203	359,116
Operations	–	3,613,207	3,613,207
Total endowment net assets	$20,831	$4,317,279	$4,338,110

Changes in Endowment Net Assets

During the years ended August 31, 2014 and 2013, Easter Seals NH had the following endowment-related activities:

	Temporarily Restricted	Permanently Restricted	Total
Net endowment assets, August 31, 2012	$ 16,043	$4,303,631	$4,319,674
Investment return:

Contributions	–	13,816	13,816
Appropriated for expenditure	(978,007)	–	(978,007)
Net endowment assets, August 31, 2014	$ 36,404	$4,331,095	$4,367,499

3. **Classification of Net Assets (Continued)**

In addition to endowment net assets, Easter Seals NH also maintains non-endowed funds. The major categories of non-endowment funds, at August 31, 2014 and 2013 are as follows:

	Unrestricted	Temporarily Restricted	Permanently Restricted (See Note 11)	Total Non-Endowment Net Assets
2014				
Seniors program	$ –	$ 23,866	$ –	$ 23,866
Veterans program	263,880	9,702	–	273,582
India initiative	104,600	668,198	–	772,798
Other programs	–	174,192	–	174,192
Operations	13,820,857	32,500	693,427	14,546,784
Total non-endowment net assets	$14,189,337	$908,458	$ 693,427	$15,791,222
2013				
Seniors program	$ 88,902	$ 11,729	$ –	$ 100,631
Veterans program	–	517,035	–	517,035
India initiative	--	57,881	–	57,881
Other programs	–	285,461	–	285,461
Operations	14,678,806	32,500	5,837,727	20,549,033
Total non-endowment net assets	$14,767,708	$904,606	$5,837,727	$21,510,041

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor requires Easter Seals NH to retain as a fund of permanent duration. Deficiencies of this nature are reported in unrestricted net assets. There were no deficiencies between the fair value of the investments of the endowment funds and the level required by donor stipulation at August 31, 2014 or 2013.

Investment and Spending Policies

Easter Seals NH has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that Easter Seals NH must hold in perpetuity or for a donor-specified period. Under this policy, as approved by the Board of Directors, the endowment assets are invested in a manner that is intended to produce results that exceed the price and yield results of an appropriate market index while assuming a moderate level of investment risk. Easter Seals NH expects its endowment funds to provide an average rate of return over a five year period equal to the rate of 2% over the inflation rate. Actual returns in any given year may vary from this amount.

3. Classification of Net Assets (Continued)

To satisfy its long-term rate-of-return objectives, Easter Seals NH relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). Easter Seals NH targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Easter Seals NH may appropriate for distribution some or all of the earnings and appreciation on its endowment for funding of operations. In establishing this policy, Easter Seals NH considered the objective to maintain the purchasing power of the endowment assets held in perpetuity or for a specified term as well as to, so long as it would not detract from Easter Seals NH's critical goals and initiatives, provide additional real growth through new gifts and investment return.

4. Leases

Easter Seals NH leases certain assets under various arrangements which have been classified as operating leases. Total expense under all leases (including month-to-month leases) was approximately $2,420,000 and $2,168,000 for the years ended August 31, 2014 and 2013, respectively. Some of these leases have terms which include renewal options, and others may be terminated at Easter Seals NH's option without substantial penalty. Future minimum payments required under the leases in effect at August 31, 2014, through the remaining contractual term of the underlying lease agreements, are as follows:

Year Ended August 31:

2015	$2,018,870
2016	1,486,328
2017	1,044,716
2018	385,129
2019	221,698
Thereafter	31,240

Easter Seals NY leases certain facilities for school operations from unrelated parties at lease terms that are either below fair market value, or that are almost entirely rent-free. Under accounting principles generally accepted in the United States of America, lease agreements must be evaluated based upon their economic substance rather than legal form, and a lease subsidy would be recorded as both contribution and rental expense. However, Easter Seals NH has determined that such amounts would not be material to the accompanying consolidated financial statements.

Easter Seals NY subleases certain office space located at 11 West 42nd Street in New York to an unrelated party. The sublease agreement expires in February 2014. Total rental income earned under this sublease agreement for the years ended August 31, 2014 and 2013 was approximately $65,000 and $144,000, respectively.

5. Fixed Assets

Fixed assets consist of the following at August 31:

	2014	2013
Buildings	$ 27,225,674	$ 33,015,085
Land and land improvements	2,696,051	3,494,009
Leasehold improvements	997,631	952,100
Office equipment and furniture	9,679,631	9,917,122
Vehicles	3,250,383	3,225,015
Construction in progress	296,043	216,678
	44,145,413	50,820,009
Less accumulated depreciation and amortization	(19,051,030)	(22,753,125)
	$ 25,094,383	$ 28,066,884

Depreciation and amortization expense related to fixed assets totaled $1,728,935 and $1,765,075 in 2014 and 2013, respectively. Depreciation and amortization of fixed assets included within discontinued operations in 2014 and 2013 totaled $64,351 and $218,670, respectively.

During 2012, Easter Seals NH received a donated building with an estimated fair value of approximately $1,100,000. Under the terms of the donation, for a period of six years, Easter Seals NH must continue to use the building as a child care center. Should Easter Seals NH cease to operate the program, or wish to sell or donate the property, Easter Seals NH must first provide the donor with the opportunity to purchase the property for $1. The contribution representing the fair value of the building has been recorded as deferred revenue at August 31, 2014 and 2013.

6. Investments and Assets Limited as to Use

Investments and assets limited as to use, at fair value, are as follows at August 31:

	2014	2013
Cash and cash equivalents	$ 523,616	$ 3,513,266
Certificates of deposit	–	554,282
Marketable equity securities	1,883,153	2,770,110
Mutual funds	11,634,793	10,992,033

Government and agency securities	366,744	631,627
	15,119,369	19,364,815
Less: assets limited as to use	(1,286,323)	(5,100,474)
Total investments, at fair value	$13,833,046	$14,264,341

6. Investments and Assets Limited as to Use (Continued)

The composition of assets limited as to use at August 31, 2014 and 2013 is set forth in the table shown below at fair value. The portion of assets limited as to use that is required for obligations classified as current liabilities is reported in current assets.

	2014	2013
Under an agreement with the State of Connecticut, which provides that the funds be utilized for certain allowable program expenditures:		
Cash and cash equivalents	$ --	$2,310,566
Certificates of deposit	--	554,282

Net unrealized gains	20,109	7,631
Net realized gains	17,877	16,542
	41,599	25,314
	$2,280,900	$1,495,961

7. Retirement Plans

Easter Seals NH maintains a Section 403(b) Plan (a defined contribution retirement plan), which covers substantially all employees. Eligible employees may contribute any whole percentage of their annual salary. Employee contributions may be matched by Easter Seals NH as determined in the annual budget. The combined amount of employer and employee contributions is subject by law to annual maximum amounts. The employer match was approximately $673,000 and $474,000 for the years ended August 31, 2014 and 2013, respectively.

Easter Seals New Hampshire, Inc. offers, to certain management personnel, the option to participate in an Internal Revenue Code Section 457 Deferred Compensation Plan to which the organization may make a discretionary contribution. The employees' accounts are not available until termination, retirement, death or an unforeseeable emergency. Easter Seals New Hampshire, Inc. contributed approximately $128,000 and $130,000 to this plan during the years ended August 31, 2014 and 2013, respectively. The assets and liabilities associated with this plan were $986,277 and $1,367,127 at August 31, 2014 and 2013, respectively, and are included within assets limited as to use and other liabilities in the accompanying consolidated statements of financial position.

8. Borrowings

Borrowings consist of the following at August 31:

	2014	2013

Lines of Credit and Other Financing Arrangements

Easter Seals New Hampshire, Inc. had an agreement with a bank for a $500,000 nonrevolving equipment line of credit. The line of credit was used to fund the purchase of New Hampshire titled vehicles for use by Easter Seals NH through April 2, 2014. The interest rate charged on outstanding borrowings was at a fixed rate at the then prime rate minus 0.75% for maturities up to a five-year term. Upon maturity of this agreement, the balances outstanding under the note payable at August 31, 2014 and 2013 were converted to various term notes secured by vehicles, as described above.

Easter Seals New Hampshire, Inc. also has an agreement with a bank for a $500,000 revolving equipment line, which can be used to fund the purchase of New Hampshire titled vehicles for use by Easter Seals NH through June 2017. Advances are converted to term notes as utilized. The interest rate charged on outstanding borrowings is at a fixed rate equal to the then Business Vehicle Rate at the time of the advance for maturities up to a five year term. Included in long-term debt are two notes payable of $33,925 and $9,979 at August 31, 2014 that originated under this agreement. Availability under this agreement at August 31, 2014 is approximately $456,000.

Easter Seals New Hampshire, Inc. (the sole member of Easter Seals NY and Harbor Schools), Easter Seals NY and Harbor Schools have a revolving line of credit with a bank, with available borrowings up to $7 million (a portion of which is secured by available letters of credit of $59,000). Outstanding advances are due on demand. The revolving line of credit has the following sub-limits which were last amended in May 2013: Easter Seals NH $3.725 million, Easter Seals NY $3 million and Harbor Schools $275,000. The interest rate charged on outstanding borrowings is at LIBOR plus 2.25% (2.41% at August 31, 2014). Under an event of default, the interest rate will increase from LIBOR plus 2.25% to LIBOR plus 5.25%. The line is secured by a first priority interest in all business assets of Easter Seals New Hampshire, Inc., Easter Seals NY and Harbor Schools. The agreement requires that collective borrowings under the line of credit be reduced to $3,500,000 for 30 consecutive days during each calendar year. The agreement also limits each borrower's ability to incur additional indebtedness in excess of $500,000. Amounts outstanding under this revolving line of credit agreement at August 31, 2014 and 2013 were $262,356 and $262,356, respectively, related to Harbor Schools, $1,935,548 and $1,599,505, respectively, related to Easter Seals NY and $0 and $1,425,875, respectively, related to Easter Seals NH.

Easter Seals CT had a demand revolving line of credit with a bank with available borrowings up to $1 million. The interest rate charged on outstanding borrowings was at LIBOR plus 2.25%. The line was secured by all business assets and property of Easter Seals CT, except for certain assets limited as to use ($3,444,569 carrying value as of August 31, 2013). Additionally, this line was guaranteed by Easter Seals NH. The agreement also limited Easter Seals CT's ability to incur additional indebtedness in excess of $1,000,000 related to real estate, and was cross collateralized with all Easter Seals NH borrowings at this bank. Amounts outstanding under this revolving line of credit agreement at August 31, 2013 were $924,658 (see deconsolidation of affiliate – note 12).

NHHEFA 2004A Revenue Bonds

In connection with the NHHEFA 2004A Revenue Bonds, Easter Seals NH is required to make deposits of interest and principal of sufficient amounts to make the required interest payments and to retire the bonds when due. The 2004A Revenue Bonds require that Easter Seals NH maintain certain reserve funds with a trustee for current required principal and interest payments. Such amounts, which are included within assets limited as to use, totaled $300,046 and $288,778 at August 31, 2014 and 2013, respectively. This agreement also requires bank approval prior to Easter Seals NH incurring additional indebtedness. Easter Seals NH has two letters of credit securing the bonds for $14,450,993 each (expiring and subject to renewal on March 15, 2015, and mainly to support future principal and interest repayments due under the 2004A Revenue Bonds). Easter Seals NH is required to replace or renew the two $14,450,993 letters of credit upon their expiration or the related bonds may be subject to early redemption. Easter Seals NH pays an annual fee for the two letters of credit relating to the 2004A NHHEFA Revenue Bonds. Fees incurred on these letters of credit totaled approximately $183,000 and $157,000 in 2014 and 2013, respectively.

Series 2010 Revenue Bonds

On December 1, 2010, Easter Seals NY, in connection with the Monroe County Industrial Development Corporation and RBS Citizens, issued $5,250,000 in Series 2010 tax-exempt Revenue Bonds (the Series 2010 Bonds). The Series 2010 Bonds were used to finance the acquisition of certain property located in Irondequoit, New York, provide for improvements to a school building and an existing rehabilitation facility, and construct two residential rehabilitation facilities. Additionally, proceeds were used to refinance certain Easter Seals NY outstanding debt.

The Series 2010 Bonds are secured by a mortgage on all properties and improvements financed by the bonds, and are guaranteed by Easter Seals NH. Easter Seals NY may elect to prepay some portion or all of the outstanding bonds subject to a prepayment fee, as defined. This agreement also requires bank approval prior to Easter Seals NY incurring additional indebtedness. The Series 2010 Bonds are subject to tender for mandatory purchase at the election of the bondholder beginning June 1, 2016, and thereafter every five years through June 1, 2036.

Interest Rate Swap Agreements

Easter Seals NH has an interest rate swap agreement with a bank in connection with the Series 2004A Revenue Bonds. The swap agreement has an outstanding notional amount of $14,275,000 and $14,660,000 at August 31, 2014 and 2013, respectively, which reduces, in conjunction with bond principal reductions, until the agreement terminates in December 2034. Easter Seals NH remits interest at the fixed rate of 3.54% and receives interest at a variable rate (0.06% at August 31, 2014).

On February 23, 2011, Easter Seals NY entered into an interest rate swap agreement with a bank in connection with the Series 2010 Revenue Bonds. The swap agreement had an outstanding notional amount of $4,929,360 and $5,052,360 at August 31, 2014 and 2013, respectively, which reduces, in conjunction with bond principal reductions, until the agreement terminates in January 2031. Easter Seals NY remits interest at a fixed rate of 2.99% and receives interest at a variable rate (68% of monthly LIBOR).

8. Borrowings (Continued)

On December 27, 2010, Easter Seals CT entered into an interest rate swap agreement in connection with an outstanding mortgage payable of $2,470,000 at August 31, 2013. The original notional amount of $1,800,000 reduces ratably in conjunction with repayment of the note payable. The swap agreement effectively changed the variable rate to a fixed rate of 2.72% for the notional amounts outstanding, which is approximately 65% of the related mortgage payable (see deconsolidation of affiliate – note 12).

The fair value of the above interest rate swap agreements totaled $3,329,813 and $2,758,346 at August 31, 2014 and 2013, respectively, $615,570 and $708,132 of which was current at August 31, 2014 and 2013, respectively. During the years ended August 31, 2014 and 2013 net payments required by the agreements totaled $674,448 and $692,269, respectively. These payments have been included in interest expense within the accompanying consolidated statements of activities and changes in net assets. See note 11 with respect to fair value determinations.

Debt Covenants

In connection with the bonds, lines of credit and various other notes payable described above, Easter Seals NH is required to comply with certain financial covenants including, but not limited to, minimum liquidity and debt service coverage ratios. At August 31, 2014, Easter Seals NH was in compliance with restrictive covenants specified under the NHHEFA bonds, Series 2010 Bonds, and other debt obligations.

9. Donated Services

A number of volunteers have donated their time in connection with Easter Seals NH's program services and fundraising campaigns. However, no amounts have been reflected in the accompanying consolidated financial statements for such donated services, as no objective basis is available to measure the value.

10. Related Party Transactions

Approximately 13% of other fees and grants revenue is derived from a pass-through grant from Easter Seals, Inc. for both years ended August 31, 2014 and 2013. Easter Seals NH is a member of Easter Seals, Inc. As of August 31, 2014 and 2013, Easter Seals NH had a receivable of $334,352 and $247,471, respectively, from Easter Seals, Inc. related to amounts due under this grant. Easter Seals NH also has an amount due from Easter Seals CT of $7,301 at August 31, 2014 (see also note 12). Membership fees to Easter Seals, Inc. were $122,586 and $121,780 for the years ended August 31, 2014 and 2013, respectively and are reflected as support of National programs on the accompanying consolidated statements of activity and changes in net assets.

11. Fair Value of Financial Instruments

Fair value of a financial instrument is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at their measurement date. In determining fair value, Easter Seals NH uses various methods including market, income and cost approaches, and utilizes certain assumptions that market participants would use in pricing the asset or liability, including assumptions about risk and the risks inherent in factors used in the valuation. These factors may be readily observable, market corroborated, or generally unobservable. Easter Seals NH utilizes valuation techniques that maximize the use of observable factors and minimizes the use of unobservable factors.

Certain of Easter Seals NH's financial instruments are reported at fair value, which include beneficial interest held in trusts, investments and the interest rate swaps, and are classified by levels that rank the quality and reliability of the information used to determine fair value:

Level 1 – Valuations for financial instruments traded in active exchange markets, such as the New York Stock Exchange. Valuations are obtained from readily available pricing sources for market transactions involving identical instruments.

Level 2 – Valuations for financial instruments traded in less active dealer or broker markets. Valuations are obtained from third party pricing services for identical or similar instruments.

Level 3 – Valuations for financial instruments derived from other methodologies, including option pricing models, discounted cash flow models and similar techniques, and not based on market exchange, dealer or broker traded transactions. Level 3 valuations incorporate certain assumptions and projections in determining fair value.

The following describes the valuation methodologies used to measure financial assets and liabilities at fair value. The levels relate to valuation only and do not necessarily indicate a measure of investment risk. There have been no changes in the methodologies used by Easter Seals NH at August 31, 2014 and 2013.

Investments and Assets Limited as to Use

Cash and cash equivalents are deemed to be Level 1. The fair values of marketable equity securities, money market and mutual funds and government and agency securities that are based upon quoted prices in active markets for identical assets are reflected as Level 1. Investments in certain other mutual funds and corporate and foreign bonds where securities are transparent and generally are based upon quoted prices in active markets are valued by the investment managers and reflected as Level 2. Investments in certificates of deposit are at cost plus accrued interest, which is estimated to approximate fair value and are included in Level 2.

11. Fair Value of Financial Instruments (Continued)

Beneficial Interest in Trusts Held by Others

The beneficial interest in trusts held by others has been assigned fair value levels based on the fair value levels of the underlying investments within the trusts. The fair values of marketable equity securities, money market and mutual funds, government and agency securities and other asset funds are based upon quoted prices in active markets for identical assets and are reflected as Level 1. Investments in marketable equity securities, mutual funds and corporate and foreign bonds where securities are transparent and generally are based upon quoted prices in active markets are valued by the investment managers and reflected as Level 2. Investments in alternative and other asset funds are derived from other methodologies, including option pricing models, discounted cash flow models and similar techniques, and not based on market exchange, dealer or broker traded transactions, and are reflected as Level 3. Level 3 valuations incorporate certain assumptions and projections in determining fair value.

Interest Rate Swap Agreements

The fair value for the interest rate swap liabilities is included in Level 3 and is estimated by the counterparty using industry standard valuation models. These models project future cash flows and discount the future amounts to present value using market-based observable inputs, including interest rates.

At August 31, 2014 and 2013, Easter Seals NH's assets and liabilities measured at fair value on a recurring basis were classified as follows:

11. Fair Value of Financial Instruments (Continued)

The table below sets forth a summary of changes in the fair value of Easter Seals NH's Level 3 assets and liabilities for the years ended August 31, 2014 and 2013:

	Interest Rate Swaps	Alternative and Other Asset Funds
Beginning balance, August 31, 2012	$(5,135,978)	$ 78,614
Unrealized gains, net	2,377,632	10,220
Ending balance, August 31, 2013	(2,758,346)	88,834
Unrealized loss, net	(594,854)	--
Deconsolidation of affiliate – see note 12	23,387	(88,834)
Ending balance, August 31, 2014	$(3,329,813)	$ --

Excluding the impact of the deconsolidation of an affiliate (see note 12), the net amounts of unrealized gains (losses) for the period attributable to the change in unrealized gains (losses) relating to the interest rate swaps still held at August 31, 2014 and 2013 were $(594,854) and $2,377,632, respectively. The amount of unrealized gains for the period attributable to the change in unrealized gains relating to the Level 3 investments still held at August 31, 2014 and 2013 were $0 and $10,220, respectively.

Easter Seals NH's other financial instruments, including cash and cash equivalents, accounts receivable from affiliates, program and other accounts receivable, contributions receivable, accounts payable, lines of credit, and long-term debt, have fair values approximating their carrying values because of the short-term nature of the financial instruments or because interest rates approximate current market rates.

12. Deconsolidation of Related Entity

On July 31, 2014, Easter Seals NH entered into an agreement with The Connecticut Institute for the Blind, Inc. d/b/a Oak Hill (Oak Hill), an unrelated entity, whereby Easter Seals NH agreed to transfer its sole member interest in Easter Seals CT to Oak Hill for no consideration. Accordingly, all of the assets, liabilities and net assets of Easter Seals CT were transferred to Oak Hill effective July 31, 2014. Easter Seals NH was concurrently released from all guarantees and other obligations related to Easter Seals CT. Easter Seals NH recognized a decrease in net assets of $5,841,079 as a result of the deconsolidation of Easter Seals CT. The accompanying 2014 consolidated financial statements include the operating results of Easter Seals CT for the period from September 1, 2013 through July 31, 2014 and the year ended August 31, 2013.

12. Deconsolidation of Related Entity (Continued)

Summary statements of financial position and activities of Easter Seals CT for the period ended July 31, 2014 and year ended August 31, 2013 follow:

13. Discontinued Operations

The accompanying consolidated financial statements include various programs and entities that are reported as discontinued operations, as follows:

- On January 25, 2012, the Board of Directors of Easter Seals New Hampshire, Inc. voted to approve discontinuing the group home and special education programs in Rutland, Vermont.
- On January 25, 2012, the Board of Directors of Easter Seals NH voted to close Harbor Schools and cease all operations of this subsidiary.
- On March 22, 2013, the Board of Directors of Easter Seals NY voted to discontinue the Bronx Early Intervention program.
- On May 2, 2014 the Sayville program in NY was discontinued as a license was not able to be obtained.
- On July 1, 2013, the Center for Therapeutic Recreation program located in Portland, Maine was transferred to the City of Portland and at that same time Easter Seals ME discontinued offering those services. On October 17, 2013, the Maine Board of Directors voted to close the Maine Vocational programs.
- On September 25, 2013, the Board of Directors of Easter Seals CT voted to discontinue the camp programs and cease all operations effective November 16, 2013.
- On June 11, 2014, the Board of Directors of Easter Seals NH voted to discontinue the Pediatric Outpatient programs located in Manchester and Dover due to significant losses the programs were experiencing.

The management of Easter Seals NH has determined that the closure of each of these programs/entities met the criteria for classification as discontinued operations. The decisions to close the programs/entities were based on performance factors.

Summary statements of financial position for each of the above discontinued programs/entities as of August 31, 2014 and 2013 are as follows:

Scope of Services

A. Population Served

The Contractor will provide substance use disorder treatment services to New Hampshire residents who:

- meet diagnostic, financial, and other eligibility criteria, as defined in Section C, Clients Eligible for Treatment Services; and
- Reside in any city or town, or who are homeless, in New Hampshire.

B. Required Treatment Services

The Contractor will provide treatment services as identified in the **Service Table** below. An "X" denotes the services that the Contractor will provide to eligible individuals in accordance with all applicable laws, rules, and regulations and terms and conditions of this Agreement.

Service Table

Required Services	Treatment Services
X	***Outpatient Treatment (ASAM Level 1)*** - Substance abuse treatment services provided in individual and group counseling sessions in a non-residential setting. Clients may be enrolled in outpatient treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. Outpatient Treatment providers must provide assessment to all clients to determine the appropriate ASAM (October 2013) level of care. If this level is higher than ASAM Level 1, the outpatient provider must refer the client to the appropriate level of care and provide interim services until the client is able to enter the appropriate level of care.
X	***Outpatient Treatment (ASAM Level 1) – Pregnant & Parenting Women –*** Outpatient Treatment as identified above provided to pregnant & parenting women.
X	***Intensive Outpatient Treatment (ASAM Level 2.1)*** – A combination of individual and group substance abuse treatment services conducted in an outpatient setting for a minimum of 3 hours of direct client treatment services per day for a minimum of three days per week. Clients receiving less than this level of service should be enrolled in an outpatient program. Clients may be enrolled in intensive outpatient treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. No client shall be admitted to an ASAM Level 2.1 program without first having an evaluation and referral from an ASAM Level 1 provider.
X	***Intensive Outpatient Treatment (ASAM Level 2.1) – Pregnant & Parenting Women*** - Intensive Outpatient Treatment as identified above provided to pregnant & parenting women.

Service Table	
Required Services	**Treatment Services**
	Low-Intensity Residential Treatment (ASAM Level 3.1, Formerly Transitional Living) – Residential substance abuse treatment services are designed to support individuals in the early stages of recovery that need this residential level of care and/or are homeless. The goal of these programs is to prepare clients to become self-sufficient in the community. Clients may be enrolled in low-intensity residential treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. Residents typically work in the community and may pay a portion of their room and board. No client shall be admitted to an ASAM Level 3.1 program without first having an evaluation and referral from an ASAM Level 1 provider.
	Low-Intensity Residential Treatment (ASAM Level 3.1, Formerly Transitional Living) – Pregnant Women - Low-Intensity Residential Treatment as identified above provided to pregnant & parenting women.
X	***High-Intensity Residential – Adult (ASAM Level 3.5, Formerly: Residential – Treatment Adult) and Medium Intensity Residential – Adolescent (ASAM Level 3.5, Formerly: Residential – Treatment Adolescent)*** - Short-term residential substance abuse treatment designed to assist individuals who require a more intensive level of service in a structured setting and/or individuals that may be homeless. Admission is on a voluntary basis. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. No client shall be admitted to an ASAM Level 3.5 program without first having an evaluation and referral from an ASAM Level 1 provider.
X	***High-Intensity Residential – Adult (ASAM Level 3.5, Formerly: Residential – Treatment Adult) and Medium Intensity Residential – Adolescent (ASAM Level 3.5, Formerly: Residential – Treatment Adolescent) - Pregnant Women -*** High-Intensity Residential – Adult and Medium Intensity Residential – Adolescent as identified above provided to pregnant women.
	Specialty Residential Treatment for Pregnant & Parenting Women (ASAM Level 3.5) - Residential treatment services for pregnant and parenting women and their children. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. No client shall be admitted to an ASAM Level 3.5 program without first having an evaluation and referral from an ASAM Level 1 provider.

Service Table	
Required Services	**Treatment Services**
X	***Recovery Support Services:*** Group or individual services that are consistent with an individual's recovery plan that prevent relapse and enhance or remove barriers to recovery. Examples of recovery support services include, but are not limited to: assisting clients with enrollment in Medicaid, the New Hampshire Health Protection Program (NHHPP), or private insurance, anger management, financial management, communication skills, spiritual support, parenting skills, health management, case management, organization and time management, recovery coaching, recovery mentoring, stress management, and vocational services. Programs may focus on a single recovery support service or provide a curriculum that includes an array of recovery support services. Types of Recovery Support Services are listed below:
X	• Continuous recovery monitoring services are regular follow-ups with clients to assess the status of the client's recovery, identify any needs the client may have and help the client to address those needs, and provide early intervention for client's who have relapsed or who's recovery is otherwise at risk.
	• Enhanced Services are specialized services that remove barriers to a client's participation in treatment. Examples of these services are child care while a parent is participating in treatment or transportation to and/or from the treatment site.
X	***Recovery Support Services*** as identified above provided to pregnant & parenting women.

C. Required Provisions for Services

Priority Admission:

1) The Contractor shall give admission preference to pregnant women and women with dependent children, even if the children are not in their custody, as long as parental rights have not been terminated, including the provision of interim services within the required 48 hour time frame.
2) Individuals who have been administered Narcan to reverse the effects of an opioid overdose either in the 14 days prior to screening or in the period between screening and admission to the program.
3) Individuals with a history of injection drug use including the provision of interim services within 14 days.
4) Individuals with a primary diagnosis of a substance use disorder, which may also include a co-occurring mental health disorder.
5) Individuals with substance use co-occuring mental health disorders.
6) Individuals with Opioid Use Disorders.

Required Outreach:

New Hampshire Department of Health & Human Services (DHHS) programs receiving federal treatment Block Grant funds requires that Contractors must publicize services available to pregnant or parenting women and injection drug users in need of substance abuse treatment and that these individuals receive preference for admission to treatment. This may be done as

Contractor Initials: EF
Date: 5/11/17

follows, but is not limited to, street outreach programs, ongoing public service announcements (radio/television), regular advertisements in local/regional print media, posters placed in targeted areas, and frequent notification of availability of such treatment distributed to the network of community based organizations, health care providers and social service agencies. The Contractor will submit their outreach plans to DHHS through the Bureau of Drug and Alcohol Services (BDAS) within 60 days of contract effective date.

Health Facilities Administration Licensing Requirements:
Housing programs with substance abuse treatment services at the same location will need to secure necessary licensing as a Residential Rehabilitation Facility by the DHHS Bureau of Health Facilities Administration, as appropriate, see He-P 807 at the following link: (http://www.gencourt.state.nh.us/rules/state_agencies/he-p800.html). Any contractor with an American Society of Addiction Medicine (ASAM) (October 2013) Level 3.3 or higher level program must secure this licensing for all Level 3 programs housed within the same facility as the Level 3.3 program. In the case of residential treatment and housing at the same site, residential programs must be in compliance with the most recent DHHS requirements relative to the Institute for Mental Disease (IMD) Exclusion.

Capacity Reporting:
The Contractor must contact BDAS, as agent for DHHS, when their capacity has reached 90% within 5 business days. The Contractor must refer pregnant women to the State when the Contractor has insufficient capacity to provide services to any such pregnant women who seek the services of the program. Sending e-mail to the BDAS Clinical Services Unit Administrator may complete this notification process.

Access to Services:
Programs above ASAM Level 1 may not accept clients in the absence of a recommendation to the program's level of care based on an evaluation by and ASAM Level 1 provider. ASAM Level 1 programs may not provide services other than evaluation until an evaluation has been completed and a level of care recommendation established. The required evaluation may be conducted by any ASAM Level 1 provider, regardless of DHHS contract status, but will only be DHHS reimbursed for DHHS contracted providers.
The Contractor shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within 2 business days following the day the call was received. If a client contacts the contractor and has not obtained an evaluation and ASAM Level of Care recommendation, the contractor shall refer the client to an ASAM Level 1 provider to obtain this. If the client has obtained and evaluation and ASAM Level of Care recommendation from an ASAM Level 1 provider, but the contractor cannot provide that level of care to the client, the contractor shall refer the client to a program that can provide the appropriate ASAM level of care. If the contractor is an ASAM Level 1 provider or if the client's ASAM Level of Care recommendation is consistent with the level of care provided by the contractor, the contractor is required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.

Those who have screened eligible for evaluation services will be seen for the initial evaluation within 5 business days and a final evaluation narrative and ASAM level of care recommendation and referral will be completed within 10 business days.
Those who have completed an evaluation and ASAM level of care recommendation and referral

and screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days following the eligibility screening. If the client is not able to access interim services at the contractor's agency for geographic or other reasons, the client should be referred to a DHHS funded provider where they are able to access interim services.

Contractors receiving grant funds from DHHS will not discriminate against clients who are using legitimate medications to assist their recovery and will not have policies that allow them to refuse admission to treatment or to discharge clients from treatment based on the use of appropriately prescribed medications and various opiate replacement therapies, including, but not limited to, methadone and buprenorphine, as well as other forms of medication-assisted treatment for co-occurring substance abuse and mental health disorders.

Clients Eligible for Treatment Services:
In order to be eligible for DHHS supported services, a client must meet all eligibility criteria described below. Eligibility determination shall be conducted as follows:

1. Substance Use Disorder, Financial Eligibility & Residency Screening: The contractor shall complete the eligibility screening module in the Web Information Technology System (WITS) to determine if the client meets residency, financial, and substance use disorder potential eligibility requirements:
    a. Residency: The client must be a resident of New Hampshire or homeless in New Hampshire to be eligible for DHHS supported services; and
    b. Financial Eligibility: The client's income must be below 400% of Federal Poverty Level (FPL) to be eligible for DHHS supported services based on the sliding fee scale described below. Once the screening has been completed, the contractor shall print the associated attestation and have the client sign this document. A copy of the signed attestation shall be maintained in the client file. The client's financial eligibility shall be reassessed no less than every 120 days.; and
    c. Potential for a Substance Use Disorder: The client must screen positive for a potential substance use disorder to be eligible for DHHS funded services.
2. Evaluation: No client shall be eligible for treatment services without first having an evaluation and referral from an ASAM Level 1 provider. The required evaluation may be conducted by any ASAM Level 1 provider, regardless of DHHS contract status, but will only be DHHS reimbursed for DHHS contracted providers. If this evaluation is completed by a contracted provider, the evaluation shall include administration of either the ASI or GAIN.
    a. Substance Use Disorder: This evaluation shall be used to determine if the client meets Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition (DSM5) criteria for a substance use disorder. Clients who meet DSM5 criteria for a substance use disorder are eligible for DHHS funded services. Client who do not meet these criteria are not eligible for DHHS funded services.
    b. Level of Care: For clients who have met all other eligibility requirements, this evaluation shall be used to determine the appropriate level of care for the client based on ASAM (October 2013) criteria. The client is eligible for DHHS funded services at the assessed level of care unless such a level of care is unavailable or the client chooses to enter a lower level of care. If the assessed level of care in unavailable, the client may choose to enter the next higher level of care
3. Medicaid/NHHPP Eligibility: The contractor shall determine whether or not the client is eligible for Medicaid/NHHPP coverage for the identified level of care. If the client is not

Contractor Initials: ET
Date: 5/22/2019

eligible for Medicaid/NHHPP coverage for the identified level of care, the client may be eligible for DHHS funded services. If the client is eligible for Medicaid/NHHPP coverage for the identified level of care, the client is not eligible for DHHS funded services. The provider shall assist the client with the Medicaid/NHHPP enrollment process if they are believed to be eligible for these programs.

4. Insurance Coverage: The contractor shall determine whether or not the client has insurance that will cover services at the identified level of care. If the client does not have insurance that will reimburse for these services at a rate equal to or greater than the DHHS rate, the client is eligible for DHHS funded services. If the client has insurance that will reimburse for these services at an amount equal or greater to the DHHS reimbursement rate, the client is not eligible for DHHS funded services. The contractor may not charge the combination of the client, any 3rd party payor, and DHHS more than the maximum charge allowed, which is the DHHS rate for the service in those instances in which DHHS pays any portion of the service fee. These parties shall be charged in the following order:
    a. The maximum allowed charge will be billed to the client's insurer, if applicable.
    b. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
    c. The balance of the maximum allowed charge after deducting the client's portion and the insurance payment, if applicable, shall be charged to DHHS.
5. Medication Assisted Treatment with Buprenorphine eligibility: Only those clients who are simultaneously engaged in other clinical services with the provider are eligible for these services.

Sliding Fee Scale:

The contractor shall not charge the combination of the client, any 3rd party payor and BDAS an amount greater than the maximum rate allowed for each service. All reasonable efforts shall be made to collect payment of bills. A client's inability to pay shall not preclude admission to the program and treatment.

- Client Income is 0% - 138% of FPL: 100% of the allowed charge less any amount paid for by insurance.
- Client Income is 139% - 149% of FPL: 92% of the allowed charge less any amount paid for by insurance.
- Client Income is 150% - 199% of FPL: 88% of the allowed charge less any amount paid for by insurance.
- Client Income is 200% - 249% of FPL: 75% of the allowed charge less any amount paid for by insurance.
- Client Income is 250% - 299% of FPL: 60% of the allowed charge less any amount paid for by insurance.
- Client Income is 300% - 349% of FPL: 43% of the allowed charge less any amount paid for by insurance.
- Client Income is 350% - 399% of FPL: 33% of the allowed charge less any amount paid for by insurance.

With respect to minority age individuals, a minor child shall not be denied services as a result of the parent's unwillingness to pay the fee or the minor child's decision to receive confidential services pursuant to RSA 318-B:12-a.

Waiting List Management:
When a person who is pregnant or an injection substance abuser seeks treatment and there are no appropriate treatment services available within the required time frame as outlined below, interim services **must** be made available. The Contractor agrees to maintain the wait list management system in WITS that includes a unique patient identifier and include information on dates of requests for admission to treatment, provision of interim services and source for those services, referrals made for treatment or interim services, and disposition of clients on the waiting list.

- The waiting list must contain a mechanism that identifies and counts the number of applicants who present and are determined to be appropriate for substance abuse treatment but are unable to be placed as there is no capacity;
- Maintain contact with individuals awaiting admission; and,
- Admit or transfer waiting list clients at the earliest possible time to an appropriate treatment program within a reasonable geographic area.

The Contractor shall remove a client awaiting treatment from the waiting list only when one of the following conditions exists:

- Such persons cannot be located for admission into treatment *or*
- Such persons refuse treatment.

Specific Interim Services for Pregnant Women, Women with Dependent Children and Injection Drug Users:
The Contractor agrees to contact the BDAS Clinical Services Unit if a pregnant women and women with dependent children or individuals with a history of injection drug use, cannot be accepted into treatment within specific time frames, and agrees that interim services will be provided or facilitated by the Contractor. Interim services for pregnant women must include counseling on the effects of alcohol and drug use on the fetus, referrals for prenatal care, and counseling and education about HIV and tuberculosis. Interim services for injection drug users must also include counseling and education in the risks of needle sharing, about the risks of transmission to sexual partners and infants, and referral for HIV, Hepatitis C and tuberculosis screening/testing. All interim services shall be documented in the client's clinical record in the WITS system.

Interim Services for other Clients:
The Contractor shall provide, or refer the client to, interim services until level of service identified in the level of care assessment is available and/or the client is willing and assessed as being sufficiently motivated to take advantage of the proposed level of service or interim services. If the client is not able to access interim services at the contractor's agency for geographic or other reasons, the client shall be referred to a DHHS funded provider where they are able to access interim services.

Services to pregnant and parenting women:
The Contractor further agrees that childcare will be made available to women who are in treatment with their dependent children, either through on-site care or through arrangements with an off-site legal childcare provider. Other services required are as follows:

- The family is treated as a unit and, therefore, admits both women and their children into treatment services, if appropriate.

- The Contractor shall provide or arrange for primary medical care for women who are receiving substance abuse services, including prenatal care.
- The Contractor shall provide or arrange for childcare while the women are receiving services even if the children are not in their custody, as long as parental rights have not been terminated.
- The Contractor shall provide or arrange for primary pediatric care for the women's children, including immunizations.
- The Contractor shall provide or arrange for gender-specific substance abuse treatment and other therapeutic interventions for women that may address issues of relationships, sexual abuse, physical abuse, and parenting, and childcare while the women are receiving these services.
- The Contractor shall provide or arrange for therapeutic interventions for children in custody of women in treatment, which may, among other things, address the children's developmental needs, their issues of sexual and physical abuse, and neglect.
- The Contractor shall provide or arrange for sufficient case management and transportation services to ensure that the women and their children have access to the services provided for above.
- If a pregnant, pregnant injection drug using or Injection Drug Using person refuses treatment or says (s)he is not interested in treatment, the wait list report shall be completed with the engagement activities attempted.
- If a pregnant, pregnant injection drug using or Injection Drug Using person no shows or cancels treatment, interim services must be provided, as stipulated above and the wait list report shall be completed that demonstrates the activities of follow up, engagement and substance abuse treatment services offered.

Relationship(s) with Primary Health Care:
The Contractor shall arrange and coordinate services and exchange of information with other health care providers and agencies which:

- Identifies the client's current Primary Care Provider (PCP) at screening and/or intake.
- If the client has no current PCP, the Contractor shall identify available provider(s) in the client's local area such as a federally qualified community health center, community health center, or other local health services.
- Obtains client/patient authorization to communicate with PCP office.
- If no authorization is completed initially, the Contractor shall educate client as to the importance of engaging the PCP in ongoing care and address the client's concerns as part of treatment, with goal of obtaining authorization before discharge.
- Sends the discharge summary to PCP and offers to discuss recovery issues with the provider.
- Arranges (or has the client arrange) a post-discharge appointment with PCP for the client/patient for follow-up of the substance use disorder.

Tobacco Cessation:
The Contractor shall have policies and procedures for both client and Contractor staff, that not only creates a tobacco-free environment as required by law, but to offer tobacco cessation tools and programming. Tobacco use, in and of itself, shall not be grounds for administrative discharge from the program. Initially, all clients shall be assessed for motivation in stopping the use of tobacco products. Providers may tap into resources such as the DPHS Tobacco

Prevention & Control Program (TPCP) and the certified tobacco cessation counselors available through the QuitLine. Other resources for providers include:

Breathe New Hampshire
145 Hollis St., Unit C
Manchester, NH 03101
603-669-2411 (phone) or 1-800-835-8647

The New Hampshire Medicaid program covers:

- Nicotine Replacement Therapy (NRT) Gum,
- NRT Patch,
- NRT Nasal Spray,
- NRT Lozenge,
- NRT Inhaler,
- Varenicline (Chantix),
- Bupropion (Zyban),
- Group Counseling and/or
- Individual Counseling. Up to 12 individual counseling sessions are covered per year through a mental health provider (Note: These sessions would NOT be in addition to other mental health counseling sessions under Medicaid). Pregnant women also have the option of group counseling. For more information, visit the website at: http://www.dhhs.state.nh.us/DHHS/MEDICAIDPROGRAM/default.htm

Tuberculosis:
The Contractor shall make available tuberculosis services (defined as screening, counseling, testing, and treatment) directly, or through other providers, to each client receiving treatment. In the case of an individual denied admission due to lack of capacity, the substance abuse treatment Contractor will refer the individual to another provider of tuberculosis services if appropriate. All Contractor providing residential services shall make available, either on-site or through agreements with health care providers, tuberculosis services, including screening, testing, counseling and referral for medical treatment.

Physical location and facilities:
For the purpose of providing the services described in Section II of the Scope of Services, the Contractor shall obtain and maintain a suitable space complying with all fire, health, and safety codes to include handicapped accessibility and being wheelchair accessible.

The Contractor shall obtain written prior approval of DHHS, acting through BDAS, before entering into any agreement concerning relocation of the service site.

Culturally and Linguistically Appropriate Standards of Care:
DHHS recognizes that culture and language have considerable impact on how consumers access services. Culturally and linguistically diverse populations experience barriers in efforts to access services. To ensure equal access to quality services, DHHS expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.
2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. When feasible and appropriate, provide clients of Limited English Proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.
4. The Contractor is responsible for reasonable accommodations in arranging for interpreter services for hearing impaired clients.
5. The Contractor offers consumers or clients a forum through which those individuals have the opportunity to provide feedback to the Contractor regarding cultural and linguistic issues that may deserve response.

Compliance with State and Federal Laws:
The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. All services provided pursuant to this Contract shall be subject to the most current proposed or formalized rules and regulations promulgated by DHHS, pursuant to RSA 541-A.
2. The Contractor shall maintain adherence to federal and state confidentiality laws specifically: 42 CFR Part 2B, N.H. RSA 318 B:12 and N.H. RSA 172:8-A and the Health Insurance Portability and Accountability Act (HIPAA): *http://www.hhs.gov/ocr/privacy/*
3. The Contractor shall meet the standards outlined in NH Administrative Rule He-A 300, Certification and Operation of Alcohol and other Drug Disorder Treatment Programs. This administrative rule is currently expired and under revision. The Contractor should plan to meet the requirements as outlined in the expired rule until the revisions are completed. He-A 300 can be viewed on the RFP link to this document *http://www.dhhs.nh.gov/business/rfp/index.htm*.
4. The Contractor shall, upon the direction of the State, provide court-ordered evaluation in their catchment area and a sliding scale fee shall apply and the inability to pay shall not interfere with the completion and submission of the court-ordered evaluation and shall, upon the direction of the State, offer treatment to those individuals pursuant to RSA 172:13.
5. Contractors considering research, including research conducted by student interns, using individuals served by this contract as subjects must adhere to the legal requirements governing human subjects' research. Contractors must inform the DHHS via contact with BDAS prior to initiating any research involving subjects or participants related to this contract. In addition, research conducted on subjects served by this contract may need to be approved by the New Hampshire Department of Health & Human Services Committee for the Protection of Human Subjects (NH DHHS CPHS) see *http://www.dhhs.nh.gov/irb/*

Client Stabilization:
The Contractor will be expected to arrange for medical clearance for all clients receiving treatment services supported by DHHS administered by BDAS to assure that they are not at risk for acute withdrawal from alcohol and certain drugs. The Contractor shall be expected to provide a range of integrated services that include withdrawal management services that follow detoxification guidelines outlined in Treatment Improvement Protocol (TIP) #45, Detoxification and Substance Abuse Treatment and ASAM guidelines.

Contractor Initials: ET
Date: 5/21/2015

Clinical Services:
The Contractor shall provide the following:

a. A minimum of one (1) substance abuse counselor on site each day of the week during primary treatment hours. The substance abuse counselor shall have a bachelor's degree or equivalent in social work/psychology, guidance or nursing and/or a certificate in the field of addiction studies from an approved educational institution or educational/life experience.
b. A minimum of one (1) substance abuse support staff on site each day of the week during all hours not covered by a substance abuse counselor. The substance abuse support staff must have a high school or General Equivalency Diploma (GED). Preference is given to individuals who have completed additional courses or taken training in substance use disorders or other health fields.
c. An intake/admission coordinator on site Monday through Friday of each week. The intake/admission coordinator shall have one (1) years' work experience in the field of addiction studies.
d. A full-time Executive Director, not filling any of the positions described above.

Evaluation:
No client shall be eligible for treatment services without first having an evaluation and referral from an ASAM Level 1 provider. The required evaluation may be conducted by any ASAM Level 1 provider, regardless of DHHS contract status, but will only be DHHS reimbursed for DHHS contracted providers. If this evaluation is completed by a contracted provider, the evaluation shall include administration of either the ASI or GAIN.

Assessment of Risk for Self-Harm/Suicide: The Contractor shall have policies and practices for assessing risk of self-harm at all phases of treatment, such as at initial contact, during screening, intake, admission, on-going treatment services and at discharge, and a process for referral when necessary to include referrals to mental health services.

Use of Best Practices: The Contractor is required to use the Addiction Severity Index (ASI) or Global Appraisal of Individual Needs (GAIN) assessment tools, the SAMHSA/NIDA MATRS treatment-planning model and the WITS electronic case management system.

The Contractor shall develop policies, programs and protocols in accordance with SAMHSA guidelines as outlined in the Treatment Improvement Protocols (TIPs) and Technical Assistance Publications (TAPs). These publications can be downloaded from
http://www.kap.samhsa.gov/products/manuals/index.htm

Relevant Policies and Guidelines:
The services provided for in this agreement shall be in addition to the services provided for in any other agreement between the State of New Hampshire, any of its agencies, or any of its officers, and the Contractor.

Without limiting the generality of any other provisions of this agreement, the Contractor shall cooperate fully with, and answer all questions of representatives of the State conducting any periodic or special review of the performance of the Contractor or any inspection of the facilities of the Contractor.

Publications Funded Under Contract:
All products produced under this contract are in the public domain. All products (written, video, audio) produced, reproduced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution, or use. The Contract shall credit DHHS on all materials produced under this contract.

Student Internships:
The Contractor shall establish policies and procedures related to student interns that address minimum coursework, experience and core competencies for those interns having direct contact with individuals served by this contract. Student interns shall complete an approved ethics course prior to beginning the internship.

Staff Licensing Requirements:
The ratio of licensed to non-licensed service providers shall be as follows:
Agencies must have at least one Licensed, or Masters Licensed, Alcohol and Drug Counselor (LADC/MLADC) for each two unlicensed counselors providing substance abuse treatment services and a sufficient number of MLADCs or LADCs with the Licensed Clinical Supervision (LCS) credential to adequately provide for clinical supervision of all clinical staff. This requirement shall be met by the Contractor no later than six (6) months after the date of the Contract effective date.

Updated resumes, which clearly indicate the staff member is employed by the Contractor, including current positions of staff supported by funds provided through this Contract, shall be forwarded to the BDAS as agent for DHHS. The documentation shall include a copy of the New Hampshire Alcohol and Drug Counselor License.

Staff Certification Requirements:
In addition to the requirements for LADCs, all Contractor milieu staff in residential settings and transitional living programs and staff providing recovery support aftercare group services shall be a LADC, MLADC, or Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification under RSA 330-C (http://www.gencourt.state.nh.us/rsa/html/NHTOC/NHTOC-XXX-330-C.htm). Certification must be completed within six (6) months of the contract's approval date.

Staff providing recovery support services are expected to be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification. Peer recovery support services made available through Recovery Community Organizations (RCOs), under agreement with BDAS on behalf of DHHS, shall be provided by individuals certified by those organizations (CRSW not required for peer recovery support services).

Supervision:
Ongoing clinical supervision will include weekly discussion of cases with suggestions for resources or therapeutic approaches, co-therapy, and periodic assessment of progress. When enough candidates are under supervision, group supervision may be included to help optimize the learning experience.

The content of supervision must include knowledge, skills, values, and ethics with specific application to the practice issues faced by the supervisee, including the core functions as described in the Twelve Core Functions of Alcohol and Drug Counseling.

The content of supervision must also include the standards of practice and ethical conduct, with particular emphasis given to the counselor's role and appropriate responsibilities, professional boundaries, and power dynamics.

Staffing Changes:
BDAS as agent for DHHS shall be notified of changes in key personnel with updated resumes that clearly indicate the staff member is employed by the Contractor submitted within five (5) working days. Key personnel are those staff for whom at least 10% of their work time is spent providing alcohol or other drug abuse treatment services.

1. New Hires: The Contractor shall notify BDAS on behalf of DHHS in writing within one month of hire when a new administrator or coordinator or any staff person essential to carrying out this scope of services is hired to work in the program. A resume of the employee, which clearly indicates the staff member is employed by the Contractor, shall accompany this notification.

2. Vacancies: The Contractor shall notify BDAS on behalf of DHHS in writing within 14 calendar days, if at any time, any site funded under this agreement does not have adequate staffing to perform all required services for more than one month.

Other Requirements:
The Contractor shall attend trainings and/or meetings as requested by DHHS.

Regional Network Participation:
The Contractor will designate administrative level staff to regularly participate in the Regional Network and contribute to overall regional network strategic planning, monitoring, evaluation, and cross systems communication efforts, and the development of a regional substance misuse/abuse Continuum of Care. The Contractor is highly encouraged to serve on one of the work groups and/or leadership groups and contribute to data collection, regional strategic planning and evaluation. Participation will be measured by the annual Partner Survey (http://www.partnertool.net/) administered by NH Center for Excellence under contract with BDAS as agent for DHHS.

Performance Measures:
All treatment programs under contract with BDAS on behalf of DHHS are required to report on the National Outcome Measures (NOMs) established by the SAMHSA, as required in the Federal Substance Abuse Prevention and Treatment Block Grant, via the WITS (electronic case management) system. The Department of Health and Human Services reserves the right to consider Contractor performance across all of the domains in future funding decisions.

Data and Reporting Requirements:
1. Without limiting the generality of any other provisions of this agreement, the Contractor shall provide any periodic or special reports required by the DHHS.
2. The Contractor shall notify BDAS, as an authorized agent of DHHS, whenever the Contractor has reached ninety percent capacity to admit new clients. In addition the

Contractor shall have a waiting list management policy in accordance with the SAPT Block Grant requirements. This 90% notification process will become automatic when this operation is fully functional in WITS.

3. The Contractor shall notify DHHS through BDAS, within one working day, if sufficient capacity is not available to provide treatment services to a pregnant woman, parenting woman or injection drug user within the required time frames and a referral elsewhere is not successful and interim services cannot be provided.
4. The Contractor shall comply with all research and/or information systems development activities for the electronic case management/Web Information Technology System (CM/WITS) conducted by, or authorized by, DHHS.
5. The Contractor shall administer any client surveys, client evaluations including the addiction Severity Index (ASI) or the Global Appraisal of Individual Needs (GAIN), client treatment outcome instruments, the M.A.T.R.S. Treatment Planning Tool, as required by DHHS.
6. The Contractor must have the ability to communicate and submit required reports via the Web-based submission system and/or e-mail, for treatment s and recovery support services and interim services. All required clinical and documentation activities shall be entered in WITS unless specifically granted an exception by BDAS on behalf of DHHS.

Critical Incident/Sentinel Event Reporting:
The Department's Sentinel Event policy is contained in the following link: http://www.dhhs.nh.gov/dcbcs/sentinel.htm

Division of Community Based Care Services (DCBCS) Sentinel Event Notification:
The preceding events require the immediate verbal notification to the BDAS Assistant Administrator or Clinical Services Unit Administrator upon the discovery of a sentinel event involving an individual(s) receiving services through a DHHS substance use disorder treatment Contractor.

Since the initial and immediate verbal notification of a sentinel event is likely to include protected health information (PHI) as identified below, the Contractor of services to individuals receiving services funded by the DHHS shall disclose PHI in a private and secure manner. Contractors and vendors should not leave voice-mail messages, but instead make direct telephone contact with the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee. If direct telephone contact is not possible, a voice mail message may be left without protected health information, such as medications and relevant medical and psychiatric diagnoses. As soon as possible after the initial verbal notification, the Contractor will mail or fax a completed *Sentinel Event Reporting Form* as directed in this protocol.

Notification shall include the following:

1. Name and phone number of the individual reporting.
2. Name, date of birth (DOB), medications and all relevant medical and psychiatric diagnoses of individual(s) involved;
3. Location, date, and time of event;
4. Description of the event including what, when, where, how, and other relevant information and identification of any other individuals involved;
5. Legal status of the individual involved with regard to guardianship and power of attorney;
6. Community, guardian, family and/or families' knowledge of the event; and
7. Contractor contact person and contact information.

It shall be the responsibility of the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee to notify the DCBCS Quality Improvement Director by e-mail as soon as the BDAS Clinical Administrator or designee becomes aware a Sentinel Event has occurred. The DCBCS Quality Improvement Director shall make immediate notification to the Commissioner. Internal e-mails within the Department may contain PHI and all Department employees will utilize safeguards to ensure the privacy of the PHI as stated in the DHHS General Manual Health Insurance Portability and Accountability Act (HIPAA) policy #504.

Each DCBCS contractor recognizes its responsibility to report evidence of neglect, abuse or exploitation to the appropriate regulatory agencies as required by RSA 161-F: 42-57 and RSA 169-C:29. In any case of known or suspected neglect, abuse or exploitation, the Contractor aware of the situation shall follow all applicable rules relative to individual rights protection procedures.

Written follow up information is to be forwarded by the reporting Contractor to the appropriate BDAS Administrator listed below within 72 hours by completing the *Sentinel Event Reporting Form.* To protect clients' confidential information, reporting Contractors should submit the *Sentinel Event Reporting Form* either by fax to the BDAS Assistant Administrator or the BDAS Clinical Services Unit Administrator by a mail service that provides delivery confirmation.

Bureau of Drug and Alcohol Services
Assistant Administrator
105 Pleasant Street
Concord, NH 03301
Or by fax to the BDAS Administrator's Office at 271-6105;

Follow-up information is the responsibility of the Contractor and should be submitted in a way as to protect clients' confidential information such as by mail with delivery confirmation and should include:

1. The *Sentinel Event Reporting Form found at the following link:* www.dhhs.nh.gov/dcbcs/documents/sentinelform.pdf
2. Additional details as they are learned or if the status of the situation changes; and,
3. Copies of newspaper articles.

Additionally, DHHS requires critical incident reporting. The Contractor shall report all critical incidents/sentinel events to the BDAS Clinical Services Unit Administrator immediately via telephone. Every effort shall be made to reach the BDAS administrator directly. If a voice message is necessary, sufficient provider contact information shall be provided so that DHHS is able to reach the reporter, or other responsible staff, immediately.

A critical incident includes, but is not limited to, any child or adult protective services report to the Division of Children, Youth and Families (DCYF), or the Bureau of Elderly and Adult Services (BEAS), respectively, regarding any incident involving 1) a staff/employee to youth or client, 2) youth to youth, or 3) client to client. This includes incidents that occur while a client is on leave, or on a pass, from the Contractor and may be off site at the time the incident occurred.

A sentinel event is an unexpected occurrence involving the death or serious physical or psychological injury, or risk thereof, signaling the need for immediate investigation and response.

Contractor Initials: ET
Date: 5/11/2015

Death or any serious injury or medical emergency regarding staff or clients that requires emergency medical attention (EMT or other emergency personnel at the Contractor's site, or a hospital emergency room visit), or any crime reportable to law enforcement, or any other serious incident must also be reported to DHHS as described below.

Reportable sentinel events include, but are not limited to, any occurrence that meets any of the following criteria:

1. An unanticipated death or permanent loss of function, not related to the natural course of an individual's illness or underlying condition.
2. Homicide or suicide of any individual receiving DHHS funded care, treatment or services, that had been discharged from a Department funded program or facility within 30 days of the event, or has been evaluated by a service Contractor within the preceding 30 days;
3. Sexual assault or rape of any individual receiving DHHS funded care, treatment or services by another client or employee of any Department funded program or facility where there is an act that was witnessed or there is sufficient clinical evidence obtained by the Contractor to support allegation of nonconsensual sexual contact.
4. Unauthorized departure of an individual receiving DHHS funded services, from a facility providing care, resulting in death or permanent loss of function.
5. Medication error that results in death, paralysis, coma, or other permanent loss of function.
6. Delay or failure to provide DHHS funded Contractor services that result in death or permanent loss of function.
7. Abuse as a result of the willful infliction of injury, unreasonable confinement, intimidation, or punishment with resulting physical harm, or mental anguish. This includes staff neglect or indifference to infliction of injury or intimidation of one individual by another.
8. Neglect as a result of the failure to provide the goods and services necessary to avoid physical harm, mental anguish or mental illness.
9. Assault of or by a client of the Contractor that results in the injury of the person or another person of such severity that medical attention is required.
10. Arson resulting in property loss.
11. High profile events, which may include media coverage and/or police involvement.

On-Site Reviews:

1. The Contractor shall allow a team or person authorized by DHHS to periodically review the Contractor's systems of governance, administration, data collection and submission, clinical, and financial management in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include, but not be limited to, client record reviews to measure compliance with this exhibit.
3. The Contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. DHHS staff shall contact the Contractor in advance of the site visit, so that the Contractor shall have sufficient time to prepare any guidance/reporting systems or logs that will be reviewed at the site visit.

Method and Conditions Precedent to Payment

I. Funding

The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A Amendment #3, Scope of Services.

For the period of July 1, 2015 through December 31, 2015, funding for this Agreement is funded by various sources as a percentage of the total amount of $560,299.50 as follows:

- 49% Federal Funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant (CFDA #93.959);
- 21% General Governor's Commission on Alcohol and Drug Abuse Prevention, Intervention and Treatment Funds; and
- 30% General funds.

The Contractor agrees to provide the services in Exhibit A Amendment #3, Scope of Services in compliance with funding requirements above.

II. Payment Methodology

The Contractor will be reimbursed for providing and delivering the services identified in Exhibit A Amendment #3, section B. The following terms and conditions detailed in this Exhibit B Amendment #3 will apply to all services unless expressly stated otherwise.

The Contractor will use and apply all contract funds from the State for costs and expenses as detailed in the Service Reimbursement Table below. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. Effective July 1, 2014, the contractor will receive a payment for each service at the rates and within the limits described below. For clients receiving DHHS supported services, the contractor may not charge the client, any 3rd party payor, and DHHS a combined rate that is more than the rate established by BDAS for that level of service or any other fees. These parties shall be charged in the following order:

1. The maximum allowed charge will be billed to the client's insurer, if applicable.
2. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
3. The balance of the maximum allowed charge, after deducting the client's portion and insurance payment, if applicable, shall be charged to DHHS.

The remainder of this page is left intentionally blank.

It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. **Failure to meet this requirement may result in amendment to or termination of the contract. At a minimum, contractors must provide the array of services they contracted to provide for in SFY15.**

III. Performance Incentives:

A. Access to Services:

Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received and shall conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact. For each client who screens eligible for services and starts receiving services, whether for the identified level of care or interim services, within 10 business days following the eligibility screening, the treatment contractor will receive an incentive payment of $75.00. Access incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

B. Completion:

For each client who is discharged from the program because they have completed treatment or transferred to another treatment provider as recorded in the Discharge Type field of the WITS Discharge Module, the treatment contractor will receive an incentive payment of $75.00. Completion incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

C. Client Outcomes:

If a client who was discharged from the program meets at least 3 of the Outcome criteria below in the 3rd and/or 6th month post-discharge, as evidenced by the WITS Follow-Up module, the treatment contractor will receive an incentive payment in the amount of $50. The 3rd month post discharge is considered to be 60 – 120 days post discharge. The 6th month post discharge is considered to be 150 – 210 days post discharge. Outcomes incentives will be calculated and paid on a monthly basis for clients meeting criteria in the previous calendar month. It is expected that at least 50% of discharged clients will be contacted for 3 and/or 6 month follow-up over the contract year.

i. Abstinence: The client reports reduced or no substance use in the past 30 days.
ii. Employment/Education: The client reports increased or retained employment or the client reports returning to or staying in school.
iii. Crime and Criminal Justice: The client reports no arrests in the past 30 days.
iv. Stability in Housing: The client reports being in stable housing.
v. Social Connectedness: The client reports engagement in Recovery Support Services, Care Coordination, and/or Community Based Support Groups in the past 30 days.

Contractor Initials EG
Date 5/21/2015

D. Performance Incentive Payout Limits:
Performance incentives are limited to no more than 6% of the total contract amount annually. The total amount paid out during the contract year will never exceed the total contract amount. DHHS is not obligated to make payment for any incentives that occur outside of the current contract year; however, incentives may be carried over to future contract years at the discretion of DHHS.

E. Failure to Meet Deliverables:
The Contractor shall comply with all contract requirements as detailed in Exhibit A section B, Required Services. Upon determination that Contractor may not be meeting the required deliverables, within two (2) weeks BDAS will provide a written correction action plan. Within two (2) weeks of notification of the corrective action plan, Contractor will provide a written remedial plan. BDAS will monitor the corrective actions for 60 days. Failure to meet requirements of the corrective action plan within 60 days may result in withholding of any or all payments or termination of the contract.

F. Invoicing & Billing:
The Contractor shall complete all billing for all services defined in this Agreement through the WITS system according to protocols established by BDAS.

The Contractor shall have written authorization from the State prior to using contract funds to purchase or lease any equipment with a cost in excess of two thousand five hundred dollars ($2500) and with a useful life beyond one year.

IV. Allocation of Funding:
It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. The contractor is prohibited from spending down more than the sum of the total contract amount that includes the cost of the client services and related incentives.

V. Availability of Alternative Funding:
The New Hampshire Department of Health and Human Services may terminate or amend the contract should alternate third party payors, including Medicaid, the New Hampshire Health Protection Program and/or insurance available on the New Hampshire Insurance Exchange cover any of the services included in this contract.

VI. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds:
The Contractor agrees to use the SAPT funds as the payment of last resort.
Restrictions on SAPT Block Grant on State and Contractor expenditures include:
The State may not:

- Provide inpatient hospital services except under those conditions outlined in the regulations.
- Make cash payments to intended recipients of substance abuse services.
- Purchase or improve land.
- Purchase, construct, or permanently improve buildings or other facilities.
- Purchase major medical equipment.
- Satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds. (in-kind)

- Provide financial assistance to any entity other than a public or non-profit private entity.
- Provide individuals with hypodermic needles or syringes.
- Expend more than the amount of Block Grant funds expended in FFY91 for treatment services provided in penal or correctional institutions of the State.

The Contractor shall not:

- Use any federal funds provided under this contract for the purpose of conducting testing for the etiologic agent for Human Immunodeficiency Virus (HIV) unless such testing is accompanied by appropriate pre and post-test counseling.
- Use any federal funds provided under this contract for the purpose of conducting any form of needle exchange, free needle programs or the distribution of bleach for the cleaning of needles for intravenous drug abusers.

VII. Charitable Choice:

Federal Charitable Choice statutory provisions ensure that religious organizations are able to equally compete for Federal substance abuse funding administered by SAMHSA, without impairing the religious character of such organizations and without diminishing the religious freedom of SAMHSA beneficiaries (see 42 USC 300x-65 and 42 CFR Part 54 and Part 54a, 45 CFR Part 96, Charitable Choice Provisions and Regulations). Charitable Choice statutory provisions of the Public Health Service Act enacted by Congress in 2000 are applicable to the SAPT Block Grant program. No funds provided directly from SAMHSA or the relevant State or local government to organizations participating in applicable programs may be expended for inherently religious activities, such as worship, religious instruction, or proselytization. If an organization conducts such activities, it must offer them separately, in time or location, from the programs or services for which it receives funds directly from SAMHSA or the relevant State or local government under any applicable program, and participation must be voluntary for the program beneficiaries.

VIII. Notwithstanding paragraph 18 of the General Provisions of this Agreement P-37, an amendment limited to adjusting amounts within the budgets and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of Governor and Executive Council.

SPECIAL PROVISIONS

Contractors Obligations: The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
   7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
   7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

8. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:
   8.1. Fiscal Records: books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.
   8.2. Statistical Records: Statistical, enrollment, attendance or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each such recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.
   8.3. Medical Records: Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

9. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.
   9.1. Audit and Review: During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.
   9.2. Audit Liabilities: In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

10. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in the Paragraph shall survive the termination of the Contract for any reason whatsoever.

11. **Reports:** Fiscal and Statistical: The Contractor agrees to submit the following reports at the following times if requested by the Department.
    11.1. Interim Financial Reports: Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.
    11.2. Final Report: A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

12. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

13. **Credits:** All documents, notices, press releases, research reports and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:
    13.1. The preparation of this (report, document etc.) was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, with funds provided in part by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

14. **Prior Approval and Copyright Ownership:** All materials (written, video, audio) produced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution or use. The DHHS will retain copyright ownership for any and all original materials produced, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports. Contractor shall not reproduce any materials produced under the contract without prior written approval from DHHS.

15. **Operation of Facilities: Compliance with Laws and Regulations:** In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the contractor with respect to the operation of the facility or the provision of the services at such facility. If any governmental license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

16. **Equal Employment Opportunity Plan (EEOP):** The Contractor will provide an Equal Employment Opportunity Plan (EEOP) to the Office for Civil Rights, Office of Justice Programs (OCR), if it has received a single award of $500,000 or more. If the recipient receives $25,000 or more and has 50 or

more employees, it will maintain a current EEOP on file and submit an EEOP Certification Form to the OCR, certifying that its EEOP is on file. For recipients receiving less than $25,000, or public grantees with fewer than 50 employees, regardless of the amount of the award, the recipient will provide an EEOP Certification Form to the OCR certifying it is not required to submit or maintain an EEOP. Non-profit organizations, Indian Tribes, and medical and educational institutions are exempt from the EEOP requirement, but are required to submit a certification form to the OCR to claim the exemption. EEOP Certification Forms are available at: http://www.ojp.usdoj/about/ocr/pdfs/cert.pdf.

17. **Limited English Proficiency (LEP):** As clarified by Executive Order 13166, Improving Access to Services for persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with the Omnibus Crime Control and Safe Streets Act of 1968 and Title VI of the Civil Rights Act of 1964, Contractors must take reasonable steps to ensure that LEP persons have meaningful access to its programs.

18. **Pilot Program for Enhancement of Contractor Employee Whistleblower Protections:** The following shall apply to all contracts that exceed the Simplified Acquisition Threshold as defined in 48 CFR 2.101 (currently, $150,000)

CONTRACTOR EMPLOYEE WHISTLEBLOWER RIGHTS AND REQUIREMENT TO INFORM EMPLOYEES OF WHISTLEBLOWER RIGHTS (SEP 2013)

(a) This contract and employees working on this contract will be subject to the whistleblower rights and remedies in the pilot program on Contractor employee whistleblower protections established at 41 U.S.C. 4712 by section 828 of the National Defense Authorization Act for Fiscal Year 2013 (Pub. L. 112-239) and FAR 3.908.

(b) The Contractor shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in section 3.908 of the Federal Acquisition Regulation.

(c) The Contractor shall insert the substance of this clause, including this paragraph (c), in all subcontracts over the simplified acquisition threshold.

19. **Subcontractors:** DHHS recognizes that the Contractor may choose to use subcontractors with greater expertise to perform certain health care services or functions for efficiency or convenience, but the Contractor shall retain the responsibility and accountability for the function(s). Prior to subcontracting, the Contractor shall evaluate the subcontractor's ability to perform the delegated function(s). This is accomplished through a written agreement that specifies activities and reporting responsibilities of the subcontractor and provides for revoking the delegation or imposing sanctions if the subcontractor's performance is not adequate. Subcontractors are subject to the same contractual conditions as the Contractor and the Contractor is responsible to ensure subcontractor compliance with those conditions.
When the Contractor delegates a function to a subcontractor, the Contractor shall do the following:
    19.1. Evaluate the prospective subcontractor's ability to perform the activities, before delegating the function
    19.2. Have a written agreement with the subcontractor that specifies activities and reporting responsibilities and how sanctions/revocation will be managed if the subcontractor's performance is not adequate
    19.3. Monitor the subcontractor's performance on an ongoing basis

19.4. Provide to DHHS an annual schedule identifying all subcontractors, delegated functions and responsibilities, and when the subcontractor's performance will be reviewed
19.5. DHHS shall, at its discretion, review and approve all subcontracts.

If the Contractor identifies deficiencies or areas for improvement are identified, the Contractor shall take corrective action.

DEFINITIONS
As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean that section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Wherever federal or state laws, regulations, rules, orders, and policies, etc. are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc. as they may be amended or revised from the time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. NH RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated thereunder.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

REVISIONS TO GENERAL PROVISIONS

1. Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:

   4. CONDITIONAL NATURE OF AGREEMENT.
   Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A Amendment #3, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

2. Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;

   10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

   10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

   10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

   10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

   10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

3. Subparagraph 14.1.1 of the General Provisions of this contract, is deleted and the following subparagraph is added:

   14.1.1 Comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $1,000,000 per occurrence with additional general liability umbrella coverage of not less than $15,000,000.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I - FOR GRANTEES OTHER THAN INDIVIDUALS

US DEPARTMENT OF HEALTH AND HUMAN SERVICES - CONTRACTORS
US DEPARTMENT OF EDUCATION - CONTRACTORS
US DEPARTMENT OF AGRICULTURE - CONTRACTORS

This certification is required by the regulations implementing Sections 5151-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). The January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630(c) of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certificate set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services
129 Pleasant Street,
Concord, NH 03301-6505

1. The grantee certifies that it will or will continue to provide a drug-free workplace by:
   - 1.1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
   - 1.2. Establishing an ongoing drug-free awareness program to inform employees about
     - 1.2.1. The dangers of drug abuse in the workplace;
     - 1.2.2. The grantee's policy of maintaining a drug-free workplace;
     - 1.2.3. Any available drug counseling, rehabilitation, and employee assistance programs; and
     - 1.2.4. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
   - 1.3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);
   - 1.4. Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will
     - 1.4.1. Abide by the terms of the statement; and
     - 1.4.2. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
   - 1.5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 1.4.2 from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency

has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

1.6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 1.4.2, with respect to any employee who is so convicted
  1.6.1. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
  1.6.2. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

1.7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1.1, 1.2, 1.3, 1.4, 1.5, and 1.6.

2. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant.

Programs (indicate applicable program covered):
*Temporary Assistance to Needy Families under Title IV-A
*Child Support Enforcement Program under Title IV-D
*Social Services Block Grant Program under Title XX
*Medicaid Program under Title XIX
*Community Services Block Grant under Title VI
*Child Care Development Block Grant under Title IV

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor).

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement (and by specific mention sub-grantee or sub-contractor), the undersigned shall complete and submit Standard Form LLL, (Disclosure Form to Report Lobbying, in accordance with its instructions, attached and identified as Standard Exhibit E-I.)

3. The undersigned shall require that the language of this certification be included in the award document for sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

PRIMARY COVERED TRANSACTIONS

11. The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
    - 11.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
    - 11.2. have not within a three-year period preceding this proposal (contract) been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
    - 11.3. are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph (l)(b) of this certification; and
    - 11.4. have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or local) terminated for cause or default.

12. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

LOWER TIER COVERED TRANSACTIONS

13. By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:
    - 13.1. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
    - 13.2. where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

14. The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion - Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

CERTIFICATION OF COMPLIANCE WITH REQUIREMENTS PERTAINING TO FEDERAL NONDISCRIMINATION, EQUAL TREATMENT OF FAITH-BASED ORGANIZATIONS AND WHISTLEBLOWER PROTECTIONS

The Contractor identified in Section 1.3 of the General Provisions agrees by signature of the Contractor's representative as identified in Sections 1.11 and 1.12 of the General Provisions, to execute the following certification:

Contractor will comply, and will require any subgrantees or subcontractors to comply, with any applicable federal nondiscrimination requirements, which may include:

- the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. Section 3789d) which prohibits recipients of federal funding under this statute from discriminating, either in employment practices or in the delivery of services or benefits, on the basis of race, color, religion, national origin, and sex. The Act requires certain recipients to produce an Equal Employment Opportunity Plan;

CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug or alcohol treatment. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1000 per day and/or the imposition of an administrative compliance order on the responsible entity.

The Contractor identified in Section 1.3 of the General Provisions agrees, by signature of the Contractor's representative as identified in Section 1.11 and 1.12 of the General Provisions, to execute the following certification:

1. By signing and submitting this contract, the Contractor agrees to make reasonable efforts to comply with all applicable provisions of Public Law 103-227, Part C, known as the Pro-Children Act of 1994.

HEALTH INSURANCE PORTABLITY ACT
BUSINESS ASSOCIATE AGREEMENT

The Contractor identified in Section 1.3 of the General Provisions of the Agreement agrees to comply with the Health Insurance Portability and Accountability Act, Public Law 104-191 and with the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160 and 164 applicable to business associates. As defined herein, "Business Associate" shall mean the Contractor and subcontractors and agents of the Contractor that receive, use or have access to protected health information under this Agreement and "Covered Entity" shall mean the State of New Hampshire, Department of Health and Human Services.

(1) Definitions.

a. "Breach" shall have the same meaning as the term "Breach" in section 164.402 of Title 45, Code of Federal Regulations.

b. "Business Associate" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

c. "Covered Entity" has the meaning given such term in section 160.103 of Title 45, Code of Federal Regulations.

d. "Designated Record Set" shall have the same meaning as the term "designated record set" in 45 CFR Section 164.501.

e. "Data Aggregation" shall have the same meaning as the term "data aggregation" in 45 CFR Section 164.501.

f. "Health Care Operations" shall have the same meaning as the term "health care operations" in 45 CFR Section 164.501.

g. "HITECH Act" means the Health Information Technology for Economic and Clinical Health Act, TitleXIII, Subtitle D, Part 1 & 2 of the American Recovery and Reinvestment Act of 2009.

h. "HIPAA" means the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 and the Standards for Privacy and Security of Individually Identifiable Health Information, 45 CFR Parts 160, 162 and 164 and amendments thereto.

i. "Individual" shall have the same meaning as the term "individual" in 45 CFR Section 160.103 and shall include a person who qualifies as a personal representative in accordance with 45 CFR Section 164.501(g).

j. "Privacy Rule" shall mean the Standards for Privacy of Individually Identifiable Health Information at 45 CFR Parts 160 and 164, promulgated under HIPAA by the United States Department of Health and Human Services.

k. "Protected Health Information" shall have the same meaning as the term "protected health information" in 45 CFR Section 160.103, limited to the information created or received by Business Associate from or on behalf of Covered Entity.

l. "Required by Law" shall have the same meaning as the term "required by law" in 45 CFR Section 164.103.

m. "Secretary" shall mean the Secretary of the Department of Health and Human Services or his/her designee.

n. "Security Rule" shall mean the Security Standards for the Protection of Electronic Protected Health Information at 45 CFR Part 164, Subpart C, and amendments thereto.

o. "Unsecured Protected Health Information" means protected health information that is not secured by a technology standard that renders protected health information unusable, unreadable, or indecipherable to unauthorized individuals and is developed or endorsed by a standards developing organization that is accredited by the American National Standards Institute.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH
Act.

(2) **Business Associate Use and Disclosure of Protected Health Information.**

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, Business Associate, including but not limited to all its directors, officers, employees and agents, shall not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:
   I. For the proper management and administration of the Business Associate;
   II. As required by law, pursuant to the terms set forth in paragraph d. below; or
   III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HIPAA Privacy, Security, and Breach Notification Rules of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business

Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) Obligations and Activities of Business Associate.

a. The Business Associate shall notify the Covered Entity's Privacy Officer immediately after the Business Associate becomes aware of any use or disclosure of protected health information not provided for by the Agreement including breaches of unsecured protected health information and/or any security incident that may have an impact on the protected health information of the Covered Entity.

b. The Business Associate shall immediately perform a risk assessment when it becomes aware of any of the above situations. The risk assessment shall include, but not be limited to:

- The nature and extent of the protected health information involved, including the types of identifiers and the likelihood of re-identification;
- The unauthorized person used the protected health information or to whom the disclosure was made;
- Whether the protected health information was actually acquired or viewed
- The extent to which the risk to the protected health information has been mitigated.

The Business Associate shall complete the risk assessment within 48 hours of the breach and immediately report the findings of the risk assessment in writing to the Covered Entity.

c. The Business Associate shall comply with all sections of the Privacy, Security, and Breach Notification Rule.

d. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

e. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section 3 (l). The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI

pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard Paragraph #13 of the standard contract provisions (P-37) of this Agreement for the purpose of use and disclosure of protected health information.

f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

g. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

h. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

i. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

j. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

k. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section (3) I, the defense and indemnification provisions of section (3) e and Paragraph 13 of the standard terms and conditions (P-37), shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

C. Required Services

Priority Admission:

1) The Contractor shall give admission preference to pregnant women and women with dependent children, even if the children are not in their custody, as long as parental rights have not been terminated, including the provision of interim services within the required 48 hour time frame.
2) Individuals with a history of injection drug use including the provision of interim services within 14 days.
3) Individuals with a primary diagnosis of a substance use disorder, which may also include a co-occurring mental health disorder.
4) Individuals on medication-assisted treatment for co-occurring substance abuse and mental health disorders or various opiate replacement therapies, including, but not limited to, methadone, buprenorphine and naltrexone.

Required Outreach:

New Hampshire Department of Health & Human Services (DHHS) programs receiving federal treatment Block Grant funds requires that Contractors must publicize services available to pregnant or parenting women and injection drug users in need of substance abuse treatment and that these individuals receive preference for admission to treatment. This may be done as follows, but is not limited to, street outreach programs, ongoing public service announcements (radio/television), regular advertisements in local/regional print media, posters placed in targeted areas, and frequent notification of availability of such treatment distributed to the network of community based organizations, health care providers and social service agencies. The Contractor will submit their outreach plans to DHHS through the Bureau of Drug and Alcohol Services (BDAS) within 60 days of contract effective date.

Health Facilities Administration Licensing Requirements:

Housing programs with substance abuse treatment services at the same location will need to secure necessary licensing as a Residential Rehabilitation Facility by the DHHS Bureau of Health Facilities Administration, as appropriate, see He-P 807 at the following link: (http://www.gencourt.state.nh.us/rules/state_agencies/he-p800.html). Any contractor with an American Society of Addiction Medicine (ASAM) (October 2013) Level 3.3 or higher level program must secure this licensing for all Level 3 programs housed within the same facility as the Level 3.3 program. In the case of residential treatment and housing at the same site, residential programs should plan to treat no more than 16 pregnant or parenting women at any given time to comply with federal Medicaid restrictions on Institute for Mental Diseases (IMD) exclusion criteria. This restriction would not apply to programs in which the client's residence is in a separate location from the treatment program.

Capacity Reporting:

The Contractor must contact BDAS, as agent for DHHS, when their capacity has reached 90% within 5 business days. The Contractor must refer pregnant women to the State when the Contractor has insufficient capacity to provide services to any such pregnant women who seek the services of the program. Sending e-mail to the BDAS Clinical Services Unit Administrator may complete this notification process.

Access to Services:
The Contractor shall respond to calls requesting treatment and/or transitional living program services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within 2 business days following the day the call was received.

The Contractor is required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.

Those who have screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days follow the eligibility screening. If the client is not able to access interim services at the contractor's agency for geographic or other reasons, the client should be referred to a DHHS funded provider where they are able to access interim services.

Contractors receiving grant funds from DHHS will not discriminate against clients who are using legitimate medications to assist their recovery and will not have policies that allow them to refuse admission to treatment or to discharge clients from treatment based on the use of appropriately prescribed medications and various opiate replacement therapies, including, but not limited to, methadone and buprenorphine, as well as other forms of medication-assisted treatment for co-occurring substance abuse and mental health disorders.

Clients Eligible for Treatment Services:
In order to be eligible for DHHS supported services, a client must meet all eligibility criteria described below. Eligibility determination shall be conducted as follows:

1. Substance Use Disorder, Financial Eligibility & Residency Screening: The contractor shall complete the eligibility screening module in the Web Information Technology System (WITS) to determine if the client meets residency, financial, and substance use disorder potential eligibility requirements:
    a. Residency: The client must be a resident of New Hampshire or homeless in New Hampshire to be eligible for DHHS supported services; and
    b. Financial Eligibility: The client's income must be below 400% of Federal Poverty Level (FPL) to be eligible for DHHS supported services based on the sliding fee scale described below. Once the screening has been completed, the contractor shall print the associated attestation and have the client sign this document. A copy of the signed attestation shall be maintained in the client file. The client's financial eligibility shall be reassessed no less than every 120 days.; and
    c. Potential for a Substance Use Disorder: The client must screen positive for a potential substance use disorder to be eligible for DHHS funded services.
2. Evaluation: The contractor shall conduct a full substance abuse evaluation, which includes administration of either the Addiction Severity Index (ASI) in WITS or Global Appraisal of Individual Needs (GAIN).
    a. Substance Use Disorder: This evaluation shall be used to determine if the client meets Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition (DSM5) criteria for a substance use disorder. Clients who meet DSM5 criteria for a substance use disorder are eligible for DHHS funded services. Client who do not meet these criteria are not eligible for DHHS funded services.

b. Level of Care: For clients who have met all other eligibility requirements, this evaluation shall be used to determine the appropriate level of care for the client based on ASAM (October 2013) criteria. The client is eligible for DHHS funded services at the assessed level of care unless such a level of care is unavailable or the client chooses to enter a lower level of care. If the assessed level of care in unavailable, the client may choose to enter the next higher level of care.

3. Medicaid/NHHPP Eligibility: The contractor shall determine whether or not the client is eligible for Medicaid/NHHPP coverage for the identified level of care. If the client is not eligible for Medicaid/NHHPP coverage for the identified level of care, the client may be eligible for DHHS funded services. If the client is eligible for Medicaid/NHHPP coverage for the identified level of care, the client is not eligible for DHHS funded services.
4. Insurance Coverage: The contractor shall determine whether or not the client has insurance that will cover services at the identified level of care. If the client does not have insurance that will reimburse for these services at a rate equal to or greater than the DHHS rate, the client is eligible for DHHS funded services. If the client has insurance that will reimburse for these services at an amount equal or greater to the DHHS reimbursement rate, the client is not eligible for DHHS funded services. The contractor may not charge the combination of the client, any 3rd party payor, and DHHS more than the maximum charge allowed. These parties shall be charged in the following order:
    a. The maximum allowed charge will be billed to the client's insurer, if applicable.
    b. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
    c. The balance of the maximum allowed charge after deducting the client's portion and the insurance payment, if applicable, shall be charged to DHHS.

Sliding Fee Scale:

The contractor shall not charge the combination of the client, any 3rd party payor and BDAS an amount greater than the maximum rate allowed for each service. All reasonable efforts shall be made to collect payment of bills. A client's inability to pay shall not preclude admission to the program and treatment.

- Client Income is 0% - 138% of FPL: 100% of the allowed charge less any amount paid for by insurance.
- Client Income is 139% - 149% of FPL: 92% of the allowed charge less any amount paid for by insurance.
- Client Income is 150% - 199% of FPL: 88% of the allowed charge less any amount paid for by insurance.
- Client Income is 200% - 249% of FPL: 75% of the allowed charge less any amount paid for by insurance.
- Client Income is 250% - 299% of FPL: 60% of the allowed charge less any amount paid for by insurance.
- Client Income is 300% - 349% of FPL: 43% of the allowed charge less any amount paid for by insurance.
- Client Income is 350% - 399% of FPL: 33% of the allowed charge less any amount paid for by insurance.

With respect to minority age individuals, a minor child shall not be denied services as a result of the parent's unwillingness to pay the fee or the minor child's decision to receive confidential services pursuant to RSA 318-B:12-a.

Waiting List Management:
When a person who is pregnant or an injection substance abuser seeks treatment and there are no appropriate treatment services available within the required time frame as outlined below, interim services **must** be made available. The Contractor agrees to maintain the wait list management system in WITS that includes a unique patient identifier and include information on dates of requests for admission to treatment, provision of interim services and source for those services, referrals made for treatment or interim services, and disposition of clients on the waiting list.

- The waiting list must contain a mechanism that identifies and counts the number of applicants who present and are determined to be appropriate for substance abuse treatment but are unable to be placed as there is no capacity;
- Maintain contact with individuals awaiting admission; and,
- Admit or transfer waiting list clients at the earliest possible time to an appropriate treatment program within a reasonable geographic area.

The Contractor shall remove a client awaiting treatment from the waiting list only when one of the following conditions exists:

- Such persons cannot be located for admission into treatment *or*
- Such persons refuse treatment.

Specific Interim Services for Pregnant Women, Women with Dependent Children and Injection Drug Users:
The Contractor agrees to contact the BDAS Clinical Services Unit if a pregnant women and women with dependent children or individuals with a history of injection drug use, cannot be accepted into treatment within specific time frames, and agrees that interim services will be provided or facilitated by the Contractor. Interim services for pregnant women must include counseling on the effects of alcohol and drug use on the fetus, referrals for prenatal care, and counseling and education about HIV and tuberculosis. Interim services for injection drug users must also include counseling and education in the risks of needle sharing, about the risks of transmission to sexual partners and infants, and referral for HIV, Hepatitis C and tuberculosis screening/testing. All interim services shall be documented in the client's clinical record in the WITS system.

Interim Services for other Clients:
The Contractor shall provide, or refer the client to, interim services until level of service identified in the level of care assessment is available and/or the client is willing and assessed as being sufficiently motivated to take advantage of the proposed level of service or interim services. If the client is not able to access interim services at the contractor's agency for geographic or other reasons, the client shall be referred to a DHHS funded provider where they are able to access interim services.

Services to pregnant and parenting women:
The Contractor further agrees that childcare will be made available to women who are in treatment with their dependent children, either through on-site care or through arrangements with an off-site legal childcare provider. Other services required are as follows:

- The family is treated as a unit and, therefore, admits both women and their children into treatment services, if appropriate.
- The Contractor shall provide or arrange for primary medical care for women who are receiving substance abuse services, including prenatal care.
- The Contractor shall provide or arrange for childcare while the women are receiving services even if the children are not in their custody, as long as parental rights have not been terminated.
- The Contractor shall provide or arrange for primary pediatric care for the women's children, including immunizations.
- The Contractor shall provide or arrange for gender-specific substance abuse treatment and other therapeutic interventions for women that may address issues of relationships, sexual abuse, physical abuse, and parenting, and childcare while the women are receiving these services.
- The Contractor shall provide or arrange for therapeutic interventions for children in custody of women in treatment, which may, among other things, address the children's developmental needs, their issues of sexual and physical abuse, and neglect.
- The Contractor shall provide or arrange for sufficient case management and transportation services to ensure that the women and their children have access to the services provided for above.
- If a pregnant, pregnant injection drug using or Injection Drug Using person refuses treatment or says (s)he is not interested in treatment, the wait list report shall be completed with the engagement activities attempted.
- If a pregnant, pregnant injection drug using or Injection Drug Using person no shows or cancels treatment, interim services must be provided, as stipulated above and the wait list report shall be completed that demonstrates the activities of follow up, engagement and substance abuse treatment services offered.

Relationship(s) with Primary Health Care:
The Contractor shall arrange and coordinate services and exchange of information with other health care providers and agencies which:

- Identifies the client's current Primary Care Provider (PCP) at screening and/or intake.
- If the client has no current PCP, the Contractor shall identify available provider(s) in the client's local area such as a federally qualified community health center, community health center, or other local health services.
- Obtains client/patient authorization to communicate with PCP office.
- If no authorization is completed initially, the Contractor shall educate client as to the importance of engaging the PCP in ongoing care and address the client's concerns as part of treatment, with goal of obtaining authorization before discharge.
- Sends the discharge summary to PCP and offers to discuss recovery issues with the provider.
- Arranges (or has the client arrange) a post-discharge appointment with PCP for the client/patient for follow-up of the substance use disorder.

Tobacco Cessation:
The Contractor shall have policies and procedures for both client and Contractor staff, that not only creates a tobacco-free environment as required by law, but to offer tobacco cessation tools and programming. Tobacco use, in and of itself, shall not be grounds for administrative discharge from the program. Initially, all clients shall be assessed for motivation in stopping the use of tobacco products. Providers may tap into resources such as the DPHS Tobacco Prevention & Control Program (TPCP) and

the certified tobacco cessation counselors available through the QuitLine. Other resources for providers include:

Breathe New Hampshire
145 Hollis St., Unit C
Manchester, NH 03101
603-669-2411 (phone) or 1-800-835-8647

The New Hampshire Medicaid program covers:

- Nicotine Replacement Therapy (NRT) Gum,
- NRT Patch,
- NRT Nasal Spray,
- NRT Lozenge,
- NRT Inhaler,
- Varenicline (Chantix),
- Bupropion (Zyban),
- Group Counseling and/or

Up to 12 individual counseling sessions are covered per year through a mental health provider (Note: These sessions would NOT be in addition to other mental health counseling sessions under Medicaid). Pregnant women also have the option of group counseling. For more information, visit the website at: http://www.dhhs.state.nh.us/DHHS/MEDICAIDPROGRAM/default.htm

Tuberculosis:
The Contractor shall make available tuberculosis services (defined as screening, counseling, testing, and treatment) directly, or through other providers, to each client receiving treatment. In the case of an individual denied admission due to lack of capacity, the substance abuse treatment Contractor will refer the individual to another provider of tuberculosis services if appropriate. All Contractor providing residential services shall make available, either on-site or through agreements with health care providers, tuberculosis services, including screening, testing, counseling and referral for medical treatment.

Physical location and facilities:
For the purpose of providing the services described in Section II of the Scope of Services, the Contractor shall obtain and maintain a suitable space complying with all fire, health, and safety codes to include handicapped accessibility and being wheelchair accessible.

The Contractor shall obtain written prior approval of DHHS, acting through BDAS, before entering into any agreement concerning relocation of the service site.

Culturally and Linguistically Appropriate Standards of Care:
DHHS recognizes that culture and language have considerable impact on how consumers access services. Culturally and linguistically diverse populations experience barriers in efforts to access services. To ensure equal access to quality services, DHHS expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.
2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.

3. When feasible and appropriate, provide clients of Limited English Proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.
4. The Contractor is responsible for reasonable accommodations in arranging for interpreter services for hearing impaired clients.
5. The Contractor offers consumers or clients a forum through which those individuals have the opportunity to provide feedback to the Contractor regarding cultural and linguistic issues that may deserve response.

Compliance with State and Federal Laws:
The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. All services provided pursuant to this Contract shall be subject to the most current proposed or formalized rules and regulations promulgated by DHHS, pursuant to RSA 541-A.
2. The Contractor shall maintain adherence to federal and state confidentiality laws specifically: 42 CFR Part 2B, N.H. RSA 318 B:12 and N.H. RSA 172:8-A and the Health Insurance Portability and Accountability Act (HIPAA): *http://www.hhs.gov/ocr/privacy/*
3. The Contractor shall meet the standards outlined in NH Administrative Rule He-A 300, Certification and Operation of Alcohol and other Drug Disorder Treatment Programs. This administrative rule is currently expired and under revision. The Contractor should plan to meet the requirements as outlined in the expired rule until the revisions are completed. He-A 300 can be viewed on the RFP link to this document *http://www.dhhs.nh.gov/business/rfp/index.htm*.
4. The Contractor shall, upon the direction of the State, provide court-ordered evaluation in their catchment area and a sliding scale fee shall apply and the inability to pay shall not interfere with the completion and submission of the court-ordered evaluation and shall, upon the direction of the State, offer treatment to those individuals pursuant to RSA 172:13.
5. Contractors considering research, including research conducted by student interns, using individuals served by this contract as subjects must adhere to the legal requirements governing human subjects' research. Contractors must inform the DHHS via contact with BDAS prior to initiating any research involving subjects or participants related to this contract. In addition, research conducted on subjects served by this contract may need to be approved by the New Hampshire Department of Health & Human Services Committee for the Protection of Human Subjects (NH DHHS CPHS) see *http://www.dhhs.nh.gov/irb/*

Client Stabilization:
The Contractor will be expected to arrange for medical clearance for all clients receiving treatment services supported by DHHS administered by BDAS to assure that they are not at risk for acute withdrawal from alcohol and certain drugs. The Contractor shall be expected to provide a range of integrated services that include withdrawal management services that follow detoxification guidelines outlined in Treatment Improvement Protocol (TIP) #45, Detoxification and Substance Abuse Treatment and ASAM guidelines.

Clinical Services:
The Contractor shall provide the following:

a. A minimum of one (1) substance abuse counselor on site each day of the week during primary treatment hours. The substance abuse counselor shall have a bachelor's degree or equivalent in social work/psychology, guidance or nursing and/or a certificate in the field of addiction studies from an approved educational institution or educational/life experience.
b. A minimum of one (1) substance abuse support staff on site each day of the week during all hours not covered by a substance abuse counselor. The substance abuse support staff must have a high school or General Equivalency Diploma (GED). Preference is given to individuals who have completed additional courses or taken training in substance use disorders or other health fields.
c. An intake/admission coordinator on site Monday through Friday of each week. The intake/admission coordinator shall have one (1) years' work experience in the field of addiction studies.
d. A full-time Executive Director, not filling any of the positions described above.

Evaluation:
The contractor shall conduct a full substance abuse evaluation, which includes administration of either the ASI or GAIN to determine eligibility for services. This evaluation must be updated every 120 days or when the client transitions to a different level of care.

Assessment of Risk for Self-Harm/Suicide: The Contractor shall have policies and practices for assessing risk of self-harm at all phases of treatment, such as at initial contact, during screening, intake, admission, on-going treatment services and at discharge, and a process for referral when necessary to include referrals to mental health services.

The Contractor shall develop policies, programs and protocols in accordance with SAMHSA guidelines as outlined in the Treatment Improvement Protocols (TIPs) and Technical Assistance Publications (TAPs). These publications can be downloaded from http://www.kap.samhsa.gov/products/manuals/index.htm .

Use of Best Practices: The Contractor is required to use the Addiction Severity Index (ASI) or Global Appraisal of Individual Needs (GAIN) assessment tools, the SAMHSA/NIDA MATRS treatment-planning model and the WITS electronic case management system.

Care Coordination:
The Contractor is required to assess each client's need/appropriateness for residential transitional living services and to **refer all clients for care coordination services** made available through the Access to Recovery (ATR) initiative administered by the BDAS so long as this initiative remains available on behalf of DHHS that would commence following the initial course of treatment. Contractors are required to address motivational issues with clients for them to participate effectively in the care coordination and recovery support services. Contractors are required to have clients sign the "ATR Client Participation Agreement" (made available by BDAS), indicating that they either agree or opt out of participating in these services. The contractor will facilitate all clients who agree to participate in these services to complete the Client Participation Agreement and upon obtaining a signed release of information, refer clients to an ATR Care Coordinator Program at least two weeks prior to anticipated date of discharge (dis-enrollment) from services. Assessing the need for aftercare services is expected to take place while

the client is involved within the most recent episode of care, with a referral being made and accepted by the care coordination service prior to the client being discharged.

The Contractor must provide the following for use by the care coordination program:

- Private space for interviewing/meeting with clients.
- Access to internet (either wired or wireless) in the meeting space
- Telephone in the meeting space and
- A contact person at the Contractor's site for logistics.

It is the expectation of the BDAS at DHHS that, upon completion of appropriate signed releases, the Contractor will provide the care coordination program with necessary information from the clinical record (evaluation, treatment plan, progress notes, etc.) for the care coordination program to develop a service plan with the client.

All alcohol and other drug treatment providers under contract with the BDAS on behalf of DHHS are required to address with all clients, the need for continuing services. This includes clinically managed low-intensity treatment programs under contract with the BDAS on behalf of DHHS as well as care coordination and recovery support services made available through DHHS contracted providers; the ATR initiative administered by BDAS, so long as this initiative remains available; and/or any other resources that become available to pay for these services that would commence following the initial course of treatment. The referral for these services should take place prior to discharge from the initial course of treatment.

Relevant Policies and Guidelines:
The services provided for in this agreement shall be in addition to the services provided for in any other agreement between the State of New Hampshire, any of its agencies, or any of its officers, and the Contractor.

Without limiting the generality of any other provisions of this agreement, the Contractor shall cooperate fully with, and answer all questions of representatives of the State conducting any periodic or special review of the performance of the Contractor or any inspection of the facilities of the Contractor.

Publications Funded Under Contract:
All products produced under this contract are in the public domain. All products (written, video, audio) produced, reproduced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution, or use. The Contract shall credit DHHS on all materials produced under this contract.

Student Internships:
The Contractor shall establish policies and procedures related to student interns that address minimum coursework, experience and core competencies for those interns having direct contact with individuals served by this contract. Student interns shall complete an approved ethics course prior to beginning the internship.

Staff Licensing Requirements:
The ratio of licensed to non-licensed service providers shall be as follows:
Agencies must have at least one Licensed, or Masters Licensed, Alcohol and Drug Counselor (LADC/MLADC) for each two unlicensed counselors providing substance abuse treatment services and a sufficient number of MLADCs or LADCs with the Licensed Clinical Supervision (LCS) credential to adequately provide for clinical supervision of all clinical staff. This requirement shall be met by the Contractor no later than six (6) months after the date of the Contract effective date.

Updated resumes, which clearly indicate the staff member is employed by the Contractor, including current positions of staff supported by funds provided through this Contract, shall be forwarded to the BDAS as agent for DHHS. The documentation shall include a copy of the New Hampshire Alcohol and Drug Counselor License.

Staff Certification Requirements:
In addition to the requirements for LADCs, all Contractor milieu staff in residential settings and transitional living programs and staff providing recovery support aftercare group services shall be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification under RSA 330-C (http://www.gencourt.state.nh.us/rsa/html/NHTOC/NHTOC-XXX-330-C.htm). Certification must be completed within six (6) months of the contract's approval date.

Staff providing recovery support services are expected to be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification. Peer recovery support services made available through Recovery Community Organizations (RCOs), under agreement with BDAS on behalf of DHHS, shall be provided by individuals certified by those organizations (CRSW not required for peer recovery support services).

Supervision:
Ongoing clinical supervision will include weekly discussion of cases with suggestions for resources or therapeutic approaches, co-therapy, and periodic assessment of progress. When enough candidates are under supervision, group supervision may be included to help optimize the learning experience.

The content of supervision must include knowledge, skills, values, and ethics with specific application to the practice issues faced by the supervisee, including the core functions as described in the Twelve Core Functions of Alcohol and Drug Counseling.

The content of supervision must also include the standards of practice and ethical conduct, with particular emphasis given to the counselor's role and appropriate responsibilities, professional boundaries, and power dynamics.

Staffing Changes:
BDAS as agent for DHHS shall be notified of changes in key personnel with updated resumes that clearly indicate the staff member is employed by the Contractor submitted within five (5) working days. Key personnel are those staff for whom at least 10% of their work time is spent providing alcohol or other drug abuse treatment services.

1. New Hires: The Contractor shall notify BDAS on behalf of DHHS in writing within one month of hire when a new administrator or coordinator or any staff person essential to carrying out this scope of services is hired to work in the program. A resume of the employee, which clearly indicates the staff member is employed by the Contractor, shall accompany this notification.

2. Vacancies: The Contractor shall notify BDAS on behalf of DHHS in writing within 14 calendar days, if at any time, any site funded under this agreement does not have adequate staffing to perform all required services for more than one month.

Other Requirements:
The Contractor shall attend trainings and/or meetings as requested by DHHS.

ATR and Recovery Support Services:
All DHHS funded treatment and recovery support service providers must also be approved Access to Recovery (ATR) providers, so long as the ATR initiative remains available, as this will be the source of funding for these recovery support services through the Voucher Management System (VMS). Information on becoming an ATR provider can be found on the DHHS website: http://www.dhhs.nh.gov/dcbcs/bdas/atr/becomingprovider.htm

Regional Network Participation:
The Contractor will designate administrative level staff to regularly participate in the Regional Network and contribute to overall regional network strategic planning, monitoring, evaluation, and cross systems communication efforts. The Contractor is highly encouraged to serve on one of the work groups and contribute to data collection, regional strategic planning and evaluation. Participation will be measured by the annual Partner Survey (http://www.partnertool.net/) administered by NH Center for Excellence under contract with BDAS as agent for DHHS.

Performance Measures:
All treatment programs under contract with BDAS on behalf of DHHS are required to report on the National Outcome Measures (NOMs) established by the SAMHSA, as required in the Federal Substance Abuse Prevention and Treatment Block Grant, via the WITS (electronic case management) system. The Department of Health and Human Services reserves the right to consider Contractor performance across all of the domains in future funding decisions.

Data and Reporting Requirements:
1. Without limiting the generality of any other provisions of this agreement, the Contractor shall provide any periodic or special reports required by the DHHS.
2. The Contractor shall notify BDAS, as an authorized agent of DHHS, whenever the Contractor has reached ninety percent capacity to admit new clients. In addition the Contractor shall have a waiting list management policy in accordance with the SAPT Block Grant requirements. This 90% notification process will become automatic when this operation is fully functional in WITS.
3. The Contractor shall notify DHHS through BDAS, within one working day, if sufficient capacity is not available to provide treatment services to a pregnant woman, parenting woman or injection drug user within the required time frames and a referral elsewhere is not successful and interim services cannot be provided.

4. The Contractor shall comply with all research and/or information systems development activities for the electronic case management/Web Information Technology System (CM/WITS) conducted by, or authorized by, DHHS.
5. The Contractor shall administer any client surveys, client evaluations including the addiction Severity Index (ASI) or the Global Appraisal of Individual Needs (GAIN), client treatment outcome instruments, the M.A.T.R.S. Treatment Planning Tool, as required by DHHS.
6. The Contractor must have the ability to communicate and submit required reports via the Web-based submission system and/or e-mail, for treatment s and recovery support services and interim services. All required clinical and documentation activities shall be entered in WITS unless specifically granted an exception by BDAS on behalf of DHHS.

Critical Incident/Sentinel Event Reporting:
The Department's Sentinel Event policy is contained in the following link: http://www.dhhs.nh.gov/dcbcs/sentinel.htm

Division of Community Based Care Services (DCBCS) Sentinel Event Notification:
The preceding events require the immediate verbal notification to the BDAS Assistant Administrator or Clinical Services Unit Administrator upon the discovery of a sentinel event involving an individual(s) receiving services through a DHHS substance use disorder treatment Contractor.

Since the initial and immediate verbal notification of a sentinel event is likely to include protected health information (PHI) as identified below, the Contractor of services to individuals receiving services funded by the DHHS shall disclose PHI in a private and secure manner. Contractors and vendors should not leave voice-mail messages, but instead make direct telephone contact with the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee. If direct telephone contact is not possible, a voice mail message may be left without protected health information, such as medications and relevant medical and psychiatric diagnoses. As soon as possible after the initial verbal notification, the Contractor will mail or fax a completed *Sentinel Event Reporting Form* as directed in this protocol.

Notification shall include the following:
1. Name and phone number of the individual reporting.
2. Name, date of birth (DOB), medications and all relevant medical and psychiatric diagnoses of individual(s) involved;
3. Location, date, and time of event;
4. Description of the event including what, when, where, how, and other relevant information and identification of any other individuals involved;
5. Legal status of the individual involved with regard to guardianship and power of attorney;
6. Community, guardian, family and/or families' knowledge of the event; and
7. Contractor contact person and contact information.

It shall be the responsibility of the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee to notify the DCBCS Quality Improvement Director by e-mail as soon as the BDAS Clinical Administrator or designee becomes aware a Sentinel Event has occurred. The DCBCS Quality Improvement Director shall make immediate notification to the Commissioner. Internal e-mails within the Department may contain PHI and all Department employees will utilize safeguards to ensure the privacy

of the PHI as stated in the DHHS General Manual Health Insurance Portability and Accountability Act (HIPAA) policy #504.

Each DCBCS contractor recognizes its responsibility to report evidence of neglect, abuse or exploitation to the appropriate regulatory agencies as required by RSA 161-F: 42-57 and RSA 169-C:29. In any case of known or suspected neglect, abuse or exploitation, the Contractor aware of the situation shall follow all applicable rules relative to individual rights protection procedures.

Written follow up information is to be forwarded by the reporting Contractor to the appropriate BDAS Administrator listed below within 72 hours by completing the *Sentinel Event Reporting Form.* To protect clients' confidential information, reporting Contractors should submit the *Sentinel Event Reporting Form* either by fax to the BDAS Assistant Administrator or the BDAS Clinical Services Unit Administrator by a mail service that provides delivery confirmation.

Bureau of Drug and Alcohol Services
Assistant Administrator
105 Pleasant Street
Concord, NH 03301
Or by fax to the BDAS Administrator's Office at 271-6105;

Follow-up information is the responsibility of the Contractor and should be submitted in a way as to protect clients' confidential information such as by mail with delivery confirmation and should include:

1. The *Sentinel Event Reporting Form(www.dhhs.nh.gov/dcbcs/documents/sentinelform.pdf)*;
2. Additional details as they are learned or if the status of the situation changes; and,
3. Copies of newspaper articles.

Additionally, DHHS requires critical incident reporting. The Contractor shall report all critical incidents/sentinel events to the BDAS Clinical Services Unit Administrator immediately via telephone. Every effort shall be made to reach the BDAS administrator directly. If a voice message is necessary, sufficient provider contact information shall be provided so that DHHS is able to reach the reporter, or other responsible staff, immediately.

A critical incident includes, but is not limited to, any child or adult protective services report to the Division of Children, Youth and Families (DCYF), or the Bureau of Elderly and Adult Services (BEAS), respectively, regarding any incident involving 1) a staff/employee to youth or client, 2) youth to youth, or 3) client to client. This includes incidents that occur while a client is on leave, or on a pass, from the Contractor and may be off site at the time the incident occurred.

A sentinel event is an unexpected occurrence involving the death or serious physical or psychological injury, or risk thereof, signaling the need for immediate investigation and response.

Death or any serious injury or medical emergency regarding staff or clients that requires emergency medical attention (EMT or other emergency personnel at the Contractor's site, or a hospital emergency room visit), or any crime reportable to law enforcement, or any other serious incident must also be reported to DHHS as described below.

Reportable sentinel events include, but are not limited to, any occurrence that meets any of the following criteria:

1. An unanticipated death or permanent loss of function, not related to the natural course of an individual's illness or underlying condition.
2. Homicide or suicide of any individual receiving DHHS funded care, treatment or services, that had been discharged from a Department funded program or facility within 30 days of the event, or has been evaluated by a service Contractor within the preceding 30 days;
3. Sexual assault or rape of any individual receiving DHHS funded care, treatment or services by another client or employee of any Department funded program or facility where there is an act that was witnessed or there is sufficient clinical evidence obtained by the Contractor to support allegation of nonconsensual sexual contact.
4. Unauthorized departure of an individual receiving DHHS funded services, from a facility providing care, resulting in death or permanent loss of function.
5. Medication error that results in death, paralysis, coma, or other permanent loss of function.
6. Delay or failure to provide DHHS funded Contractor services that result in death or permanent loss of function.
7. Abuse as a result of the willful infliction of injury, unreasonable confinement, intimidation, or punishment with resulting physical harm, or mental anguish. This includes staff neglect or indifference to infliction of injury or intimidation of one individual by another.
8. Neglect as a result of the failure to provide the goods and services necessary to avoid physical harm, mental anguish or mental illness.
9. Assault of or by a client of the Contractor that results in the injury of the person or another person of such severity that medical attention is required.
10. Arson resulting in property loss.
11. High profile events, which may include media coverage and/or police involvement.

On-Site Reviews:

1. The Contractor shall allow a team or person authorized by DHHS to periodically review the Contractor's systems of governance, administration, data collection and submission, clinical, and financial management in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include, but not be limited to, client record reviews to measure compliance with this exhibit.
3. The Contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. DHHS staff shall contact the Contractor in advance of the site visit, so that the Contractor shall have sufficient time to prepare any guidance/reporting systems or logs that will be reviewed at the site visit.

Method and Conditions Precedent to Payment

The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A, Scope of Services, and in accordance with Exhibit B.

Funding for this Agreement is funded by various sources as a percentage of the total amount of $1,120,599 as follows:

- 46 % Federal Funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant (CFDA #93.959);
- 22 % General Governor's Commission on Alcohol and Drug Abuse Prevention, Intervention and Treatment Funds; and
- 32 % General funds.

I. Payment Methodology

The Contractor shall be reimbursed for providing and delivering the services listed in Exhibit A, paragraph B. The following terms and conditions detailed in this Exhibit B shall apply to all services unless expressly stated otherwise.

The Contractor shall agree to use and apply all contract funds from the State for costs and expenses as detailed in the Service Reimbursement Table below. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. Starting in State Fiscal Year 2015 (effective July 1, 2014) the contractor will receive a payment for each service at the rates and within the limits described below. For clients receiving DHHS supported services, the contractor may not charge the client, any 3rd party payor, and DHHS a combined rate that is more than the rate established by BDAS for that level of service or any other fees. These parties shall be charged in the following order:

1. The maximum allowed charge will be billed to the client's insurer, if applicable.
2. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
3. The balance of the maximum allowed charge, after deducting the client's portion and insurance payment, if applicable, shall be charged to DHHS.

* Providers may bill the per diem rate for Intensive Outpatient Treatment services only on those days when the client attends individual and/or group counseling associated with the program. It is expected that each day of attendance includes a minimum of 3 hours of group and/or individual counseling services.

**Attempted Contact is at least 3 attempts to contact a client over the course of at least one week.

*** A unit is equal to 15 minutes of service
It is incumbent upon the contractor to monitor service array and utllization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. Failure to meet this requirement may result in amendment to or termination of the contract. At a minimum, contractors must provide the array of services they contracted to provide for in SFY14.

1. **Performance Incentives:**

A. Access to Services:

Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received and shall conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact. For each client who screens eligible for

services and starts receiving services, whether for the identified level of care or interim services, within 10 business days following the eligibility screening, the treatment contractor will receive an incentive payment of $75.00. Access incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

B. Completion:

For each client who is discharged from the program because they have completed treatment or transferred to another treatment provider as recorded in the Discharge Type field of the WITS Discharge Module, the treatment contractor will receive an incentive payment of $75.00. Completion incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

C. Client Outcomes:

If a client who was discharged from the program meets at least 3 of the Outcome criteria below in the 3rd and/or 6th month post-discharge, as evidenced by the WITS Follow-Up module, the treatment contractor will receive an incentive payment in the amount of $50. The 3rd month post discharge is considered to be 60 – 120 days post discharge. The 6th month post discharge is considered to be 150 – 210 days post discharge. Outcomes incentives will be calculated and paid on a monthly basis for clients meeting criteria in the previous calendar month. It is expected that at least 50% of discharged clients will be contacted for 3 and/or 6 month follow-up over the contract year.

i. Abstinence: The client reports reduced or no substance use in the past 30 days.
ii. Employment/Education: The client reports increased or retained employment or the client reports returning to or staying in school.
iii. Crime and Criminal Justice: The client reports no arrests in the past 30 days.
iv. Stability in Housing: The client reports being in stable housing.
v. Social Connectedness: The client reports engagement in Recovery Support Services, Care Coordination, and/or Community Based Support Groups in the past 30 days.

D. Performance Incentive Payout Limits:

Performance incentives are limited to no more than 6% of the total contract amount annually. The total amount paid out during the contract year will never exceed the total contract amount. DHHS is not obligated to make payment for any incentives that occur outside of the current contract year; however, incentives may be carried over to future contract years at the discretion of DHHS.

2. Failure to Meet Deliverables:

The Contractor shall comply with all contract requirements as detailed in Exhibit A section B, Required Services. Upon determination that Contractor may not be meeting the required deliverables, within two (2) weeks BDAS will provide a written correction action plan. Within two (2) weeks of notification of the corrective action plan, Contractor will provide a written remedial plan. BDAS will monitor the corrective actions for 60 days. Failure to meet requirements of the corrective action plan within 60 days may result in withholding of any or all payments or termination of the contract.

3. Invoicing & Billing:

All billing shall be completed via the WITS system according to protocols established by BDAS.

The Contractor shall have written authorization from the State prior to using contract funds to purchase or lease any equipment with a cost in excess of two thousand five hundred dollars ($2500) and with a useful life beyond one year.

II. Allocation of Funding:

It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. The contractor is prohibited from spending down more than the sum of the total contract amount that includes the cost of the client services and related incentives.

III. Availability of Alternative Funding:

The New Hampshire Department of Health and Human Services may terminate or amend the contract should alternate third party payors, including Medicaid, the New Hampshire Health Protection Program and/or insurance available on the New Hampshire Insurance Exchange cover any of the services included in this contract.

IV. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds:

The Contractor agrees to use the SAPT funds as the payment of last resort.

Restrictions on SAPT Block Grant on State and Contractor expenditures include:
The State may not:

- Provide inpatient hospital services except under those conditions outlined in the regulations.
- Make cash payments to intended recipients of substance abuse services.
- Purchase or improve land.
- Purchase, construct, or permanently improve buildings or other facilities.
- Purchase major medical equipment.
- Satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds. (in-kind)
- Provide financial assistance to any entity other than a public or non-profit private entity.
- Provide individuals with hypodermic needles or syringes.
- Expend more than the amount of Block Grant funds expended in FFY91 for treatment services provided in penal or correctional institutions of the State.

The Contractor shall not:

- Use any federal funds provided under this contract for the purpose of conducting testing for the etiologic agent for Human Immunodeficiency Virus (HIV) unless such testing is accompanied by appropriate pre and post-test counseling.
- Use any federal funds provided under this contract for the purpose of conducting any form of needle exchange, free needle programs or the distribution of bleach for the cleaning of needles for intravenous drug abusers.

V. Charitable Choice:

Contractor Initials: _____
Date: _____

Federal Charitable Choice statutory provisions ensure that religious organizations are able to equally compete for Federal substance abuse funding administered by SAMHSA, without impairing the religious character of such organizations and without diminishing the religious freedom of SAMHSA beneficiaries (see 42 USC 300x-65 and 42 CFR Part 54 and Part 54a, 45 CFR Part 96, Charitable Choice Provisions and Regulations). Charitable Choice statutory provisions of the Public Health Service Act enacted by Congress in 2000 are applicable to the SAPT Block Grant program. No funds provided directly from SAMHSA or the relevant State or local government to organizations participating in applicable programs may be expended for inherently religious activities, such as worship, religious instruction, or proselytization. If an organization conducts such activities, it must offer them separately, in time or location, from the programs or services for which it receives funds directly from SAMHSA or the relevant State or local government under any applicable program, and participation must be voluntary for the program beneficiaries.

VI. Notwithstanding paragraph 18 of the General Provisions of this Agreement P-37, an amendment limited to adjusting amounts within the budgets and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of Governor and Executive Council.

Department of Health and Human Services
Amendment #1 to the Substance Abuse Treatment and Recovery Support Services Contract

This first Amendment to the Substance Abuse Treatment and Recovery Support Services contract (hereinafter referred to as "Amendment #1") dated this April 24th day of 2013, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and Manchester Alcoholism Rehabilitation Center (hereinafter referred to as "the Contractor"), a nonprofit corporation with a place of business at 555 Auburn Street, Manchester, NH 03103.

WHEREAS, pursuant to an agreement (the "Contract") approved by the Governor and Executive Council on June 20, 2012, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract as amended and in consideration of certain sums specified; and

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract; and

WHEREAS, pursuant to the General Provisions, Paragraph 18 and Exhibit C, Paragraph 17, the State may, extend the agreement by one year by written agreement of the parties;

WHEREAS the State desires to have the Contractor continue to provide the services as specified in the agreement for another one year period;

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties hereto agree as follows:

1) Amendment and modification of P-37 "Agreement";
   a) Change Completion date in Block 1.7 of the P-37 to read June 30, 2014.
   b) Change Price Limitation in Block 1.8 of the P-37 to read $ 2,241,198.00

2) Amendment and modification of Exhibit A;
   a) **Delete** "CONTRACT PERIOD: July 1, 2012, or date of G&C approval, whichever is later, Through June 30, 2013"
   b) **Change** II A **from:** "The contractor shall provide treatment services in the geographic area(s)/location(s) as specified below:"
      Change to: "The contractor shall provide treatment services, in each State Fiscal Year, in the geographic area(s)/location(s) as specified below:"
   c) **Change** II B Group Recovery Support Services **from**: "Contractors, with the exception of those agencies that only offer outpatient services, are required to develop the capacity for group recovery support aftercare services for a minimum of 50% of the number treatment clients (including outpatient and transitional living program clients) they are under contract to serve. These group recovery support services are for clients discharged from substance use disorder (SUD) treatment services provided under contract with BDAS on behalf of DHHS, which may include clients that had received SUD treatment from the Contractor or a different agency. Contractors are only allowed to access these services for their clients or clients that had received SUD treatment from a different agency through the statewide care coordination program under agreement with BDAS on behalf of DHHS."

Change to: "Contractors, with the exception of those agencies that only offer outpatient services, are required to develop the capacity for group recovery support aftercare services for a minimum of 25% of the number treatment clients (including outpatient and transitional living program clients) they are under contract to serve. These group recovery support services are for clients discharged from substance use disorder (SUD) treatment services provided under contract with BDAS on behalf of DHHS, which may include clients that had received SUD treatment from the Contractor or a different agency. Contractors are only allowed to access these services for their clients or clients that had received SUD treatment from a different agency through the statewide care coordination program under agreement with BDAS on behalf of DHHS."

d) **Delete Table SAMHSA National Outcome Measures**

EXPLANATION

The purpose of this agreement is to provide a continuum of substance abuse treatment services such as community based outpatient, intensive outpatient, residential, transitional living, and recovery support services, including specialized treatment services for pregnant and parenting women and their children, in the Manchester Area.

Client eligibility for treatment services is targeted at those either unable to pay for services or able to pay only part of the cost of services, and who has or is suspected of having an alcohol or other drug abuse problem, and who is a resident of the State of New Hampshire or is homeless in NH. All clients discharged from treatment services supported by this contract will be referred to care coordination and recovery-support aftercare services as clinically appropriate, supported separately by the Federal Access to Recovery Grant.

The State is migrating toward a Resiliency and Recovery Oriented Systems of Care. Recovery-oriented systems of care are networks of organizations, agencies and community members that coordinate a wide spectrum of services to prevent, intervene in, and treat substance use problems and disorders. In addition, this contract will allow the State to improve the quality and array of services available to clients. Quality improvement efforts include the exchange of data and information that will support "data driven" prevention and treatment programming to better address the needs to the region.

The New Hampshire Office of Energy and Planning reported the 2009 Population Estimates of New Hampshire Cities and Towns as 1,324,575. The National Survey on Drug Use and Health commissioned by the Substance Abuse and Mental Health Services Administration in 2008/2009 reported the following demographic data for New Hampshire:

- Alcohol Abuse: 97,630 (7% of population)
- Alcohol dependence: 44,850 (3% of population)
- Illicit Drug Abuse: 43,810 (3% of population)
- Illicit Drug Dependence: 32,240 (2% of population)
- Substance Abuse: 126,630 (10% of population)
- Needing but not receiving treatment for alcohol abuse: 93,990 (7% of population)
- Needing but not receiving treatment for illicit drug use: 39,390 (3% of population)

In addition, the New Hampshire Medical Examiner office reported 172 drug related overdose deaths in NH during 2010. The New Hampshire Administrative Office of the Courts reported 9,500 arrests and 5,000 convictions for Driving While Impaired in 2009. Approximately 90% of individuals arrested for Driving While Impaired have an underlying substance abuse disorder according to the National Institute on Alcohol Abuse and Alcoholism.

Should the Governor and Executive Council determine to not authorize this Request, agencies would not have sufficient resources to promote, implement and provide the array of services necessary to provide individuals with substance use disorders the necessary tools to achieve, enhance and sustain recovery. In addition, failure to obligate the federal funds in the Substance Abuse Prevention and Treatment Block Grant to community based programs to provide alcohol and other drug treatment service would place that Block Grant in jeopardy.

Manchester Alcoholism Rehabilitation Center was selected for this agreement through a competitive bid process. A Request for Proposals was posted on the Department's web site on March 6, 2012 through April 2, 2012. In addition, a bidder's conference was held on March 12, 2012.

A total of 19 proposals were received. A review committee of three professionals reviewed each proposal. All reviewers have between three to twenty years experience managing agreements with vendors for various public health programs. Areas of specific expertise include: maternal and child health; substance abuse prevention and treatment; chronic and communicable diseases; and public health infrastructure. Eighteen of the proposals were selected for funding based on review criteria that included availability of funds, consistency with stated funding priorities, technical score, and equitable geographic distribution. The agency that was not selected did not meet the minimum scoring criteria established for funding. The Bid Summary is attached.

This request covers services for the period July 1, 2012 to June 30, 2013, with an option to renew for one additional year, pending availability of funding, the agreement of the parties and approval of Governor and Council. These services were contracted previously with this agency in State Fiscal Year 2012 in the amount of $1,120,599.00. This agreement represents level funding.

The following performance measures will be used to measure the effectiveness of the agreement:

- Utilization criteria will be applied exclusively on a month-by-month basis according to the criteria below.

i. Contracts running at 90% to 100% of utilization in a given month will be reimbursed at 100% of the contracted rate for that month.

ii. Contracts running at 80% to 89% of utilization in a given month will be reimbursed at rate of 95% of the contracted rate for that month.

iii. Contracts running below 80% of utilization in a given month will be reimbursed at the rate of utilization for that month (for example for a given month in which utilization was 59% the contractor would be reimbursed at 59% of the contracted rate for that month).

- Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received. The following Access Criteria must be met for a minimum of 80% of prospective clients (from clients or referring agencies) for the month in which billing is being submitted:

i. Treatment contractors are required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.

ii. Those who have screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days follow the eligibility screening.

- A minimum of 70% of clients, which have completed or otherwise are no longer receiving services, will have met the minimum retention standards for the modality of services received as noted below:

i. Have completed a minimum of 6 sessions of outpatient treatment services (OP)

ii. Have completed a minimum of 8 days of intensive outpatient treatment services (IOP) – only those days in which a client has participated in minimum of 10 units (2.5 hours) of service per day (12 units per day is the standard for IOP services) may be counted.

iii. Have completed a minimum of 14 days of residential treatment service

iv. Has completed a minimum of 28 days in a transitional living/halfway house residential program.

Area served: Manchester Area.

Source of Funds: 46% Federal Funds from Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant, 50.85% General Funds and 3.15% Other (Highway) Funds.

In the event that the Federal or Other Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Nancy L. Rollins

2. EMPLOYMENT OF CONTRACTOR/SERVICES TO BE PERFORMED. The State of New Hampshire, acting through the agency identified in block 1.1 ("State"), engages contractor identified in block 1.3 ("Contractor") to perform, and the Contractor shall perform, the work or sale of goods, or both, identified and more particularly described in the attached EXHIBIT A which is incorporated herein by reference ("Services").

3. EFFECTIVE DATE/COMPLETION OF SERVICES.
3.1 Notwithstanding any provision of this Agreement to the contrary, and subject to the approval of the governor and Executive Council of the State of new Hampshire, this Agreement, and all obligations of the parties hereunder, shall not become effective until the date the Governor and Executive Council approve this Agreement ("Effective Date"). Effective Date, all Services performed by the Contractor prior to the Effective Date shall be performed at the sole risk of the Contractor, and in the event that this Agreement does not become effective, the State shall have no liability to the Contractor, including without limitation, any obligation to pay the Contractor for any costs incurred or Services performed. Contractor must complete all Services by the Completion Date specified in block 1.7.

4. CONDITIONAL NATURE OF AGREEMENT.
Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including, without limitation, the continuance of payments hereunder, are contingent upon the availability and continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available appropriated funds. In the event of a reduction or termination of appropriated funds, the State shall have the right to withhold payment until such funds become available, if ever, and shall have the right to terminate this Agreement immediately upon giving the Contractor notice of such termination. The State shall not be required to transfer funds from any other account to the Account identified in block 1.6 in the event funds in that Account are reduced or unavailable.

5. CONTRACT PRICE/PRICE LIMITATION/PAYMENT
5.1 The contract price, method of payment, and terms of payment are identified and more particularly described in EXHIBIT B which is incorporated herein by reference.
5.2 The payment by the State of the contract price shall be the only and the complete reimbursement to the Contractor for all expenses, of whatever nature incurred by the Contractor in the performance hereof, and shall be the only and the complete compensation to the Contractor for the Services. The State shall have no liability to the Contractor other than the contract price.
5.3 The State reserves the right to offset from any amounts otherwise payable to the Contractor under this Agreement those liquidated amounts required or permitted by N.H. RSA 80:7 through RSA 80:7-c or any other provision of law.
5.4 Notwithstanding any provision in this Agreement to the contrary, and notwithstanding unexpected circumstances, in no event shall the total of all payments authorized, or actually made hereunder, exceed the Price Limitation set forth in the block 1.8.

6. COMPLIANCE BY CONTRACTOR WITH LAWS AND REGULATIONS/EQUAL EMPLOYMENT OPPORTUNITY
6.1 In connections with the performance of the Services, the Contractor shall comply with all statutes, laws, regulations, and orders of federal, state, county or municipal authorities which impose any obligation or duty upon the Contractor, including, but not limited to, civil rights and equal opportunity laws. In addition, the Contractor shall comply with all applicable copyright laws.
6.2 During the term of this Agreement, the Contractor shall not discriminate against employees or applicants for employment because of race, color, religion, creed, age, sex, handicap, sexual orientation, or national origin and will take affirmative action to prevent such discrimination.
6.3 If this Agreement is funded in any part by monies of the United States, the Contractor shall comply with all the provision of Executive Order No. 11246 ("Equal Employment Opportunity") as supplemented by the regulations of the United States Department of Labor (41 C.F.R. Part 60), and with any rules, regulations and guidelines as the State of New Hampshire or the United States issue to implement these regulations. The Contractor further agrees to permit the State or United States access to any of the Contractor's books, records and accounts for the purpose of ascertaining compliance with all rules, regulations and orders, and the covenants, terms and conditions of this Agreement.

7. PERSONNEL.
7.1 The Contractor shall at its own expense provide all personnel necessary to perform the Services. The Contractor warrants that all personnel engaged in the Services shall be qualified to perform the Services, and shall be properly licensed and otherwise authorized to do so under all applicable laws.
7.2 Unless otherwise authorized in writing, during the term of this Agreement, and for a period of six (6) months after the Completion Date in block 1.7, the Contractor shall not hire, and shall not permit any subcontractor or other person, firm or corporation with whom it is engaged in a combined effort to perform the Services to hire, any person who is a State employee or official, who is materially involved in the procurement, administration or performance of this Agreement. This provision shall survive termination of this Agreement.
7.3 The Contracting Officer specified in block 1.9, or his or her successor, shall be the State's representative. In the event of any dispute concerning the interpretation of this Agreement, the Contracting Officer's decision shall be final for the State.

Contractor Initials: EJT
Date: 5/22/12

8. EVENT OF DEFAULT/REMEDIES.

8.1 Any one or more of the following acts or omissions of the Contractor shall constitute an event of default hereunder ("Event of Default"):

8.1.1 failure to perform the Services satisfactorily or on schedule;

8.1.2 failure to submit any report required hereunder; and/or

8.1.3 failure to perform any other covenant, term or condition of this Agreement.

8.2 Upon the occurrence of any Event of Default, the State may take any one, or more or all, of the following actions:

8.2.1 give the Contractor a written notice specifying the Event of Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Contractor notice of termination;

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or

8.2.4 treat the Agreement as breached and pursue any of its remedies at law or in equity, or both.

9. DATA/ACCESS/CONFIDENTIALITY/ PRESERVATION.

9.1 As used in this Agreement, the word "data" shall mean all information and things developed or obtained during the performance of, or acquired or developed by reason of, this Agreement, including, but not limited to, all studies, reports, files, formulae, surveys, maps, charts, sound recordings, video recordings, pictorial reproductions, drawings, analyses, graphic representations, computer programs, computer printouts, notes, letters, memoranda, papers, and documents, all whether finished or unfinished.

9.2 All data and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the state, and shall be returned to the State upon demand or upon termination of this Agreement for any reason.

9.3 confidentiality of data shall be governed by N.H. RSA chapter 91-A or other existing law. Disclosure of data requires prior written approval of the State.

10. TERMINATION. In the event of an early termination of this agreement for any reason other than the completion of the Services, the contractor shall deliver to the Contracting Officer, not later than fifteen (15) days after the date of termination, a report ("Termination Report") describing in detail all Services performed, and the contract price earned, to and including the date of termination. The form, subject matter, content, and number of copies of the Termination Report shall be identical to those of any Final Report described in the Attached EXHIBIT A.

11. CONTRACTOR'S RELATION TO THE STATE. In the performance of this Agreement the contractor is in all respects an independent contractor, and is neither an agent nor an employee of the State. Neither the contractor nor any of its officers, employees, agents or members shall have authority to bind the State or receive any benefits, workers' compensation or other emoluments provided by the State to its employees.

12. ASSIGNMENT/DELEGATION/SUBCONTRACTS. The Contractor shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the N.H. Department of Administrative services. None of the Services shall be subcontracted by the Contractor without the prior written consent of the State.

13. INDEMNIFICATION. The Contractor shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any person, on account of, based or resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Contractor. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant in paragraph 13 shall survive the termination of the Agreement.

14. INSURANCE.

14.1 The Contractor shall, at its sole expense, obtain and maintain in force, and shall require any subcontractor or assignee to obtain and maintain in force, the following insurance:

14.1.1 comprehensive general liability insurance against all claims of bodily injury, death or property damage, in amounts of not less than $250,000 per claim and $2,000,000 per occurrence; and

14.1.2 fire and extended coverage insurance covering all property subject to subparagraph 9.2 herein, in an amount not less than 80% of the whole replacement value of the property.

14.2 The policies described in subparagraph 14.1 herein shall be on policy forms and endorsements approved for use in the State of New Hampshire by the N.H. Department of Insurance, and issued by insurers licensed in the State of New Hampshire.

14.3 The Contractor shall furnish to the Contracting Officer identified in block 1.9, or his or her successor, a certificate(s) of insurance for all insurance required under this Agreement. Contractor shall also furnish to the Contracting Officer identified in block 1.9, or his or her successor, certificate(s) of insurance for all renewal(s) of insurance required under this Agreement no later than fifteen (15) days prior to the expiration date of each of the insurance policies. The certificate(s) of insurance and any renewals thereof shall be attached and are incorporated herein by reference. Each

Certificates (s) of insurance shall contain a clause requiring the insurer to endeavor to provide the Contracting Officer identified in block 1.9, or his or her successor, no less than ten (10) days prior to written notice of cancellation or modification of the policy.

15. WORKERS' COMPENSATION

15.1 By signing this agreement, the Contractor agrees, certifies and warrants that the contractor is in compliance with or exempt from, the requirements of N.H. RSA chapter 281-A ("Workers' Compensation").

15.2 To the extent the contractor is subject to the Requirements of N.H. RSA chapter 281-A, Contractor shall maintain, and require any subcontractor or assignee to secure and maintain, payment of Workers' Compensation in connection with activities which the person proposes to undertake pursuant to this Agreement. Contractor shall furnish the Contracting Officer identified in block 1.9, or his or her successor, proof of Workers' Compensation in the manner described in N.H. RSA chapter 2810A and any applicable renewal(s) thereof, which shall be attached and are incorporated herein by reference. The State shall not be responsible for payment of any Workers' Compensation premiums or for any other claim or benefit for Contractor, or any subcontractor or employee of Contractor, which might arise under applicable State of New Hampshire Workers' Compensation laws in connection with the performance of the Services under this Agreement.

16. WAIVER OF BREACH. No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event of Default, or any subsequent Event of Default. No express failure to enforce any Event of Default shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other Event of Default on the part of the Contractor.

17. NOTICE. Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United State Post Office addressed to the parties at the addresses given in blocks 1.2 and 1.4, herein.

18. AMENDMENT. This Agreement may be amended, waived or discharged only by an instrument in writing signed by the parties hereto and only after approval of such amendment, waiver or discharge by the Governor and Executive Council of the State of New Hampshire.

19. CONSTRUCTION OF AGREEMENT AND TERMS. This Agreement shall be construed in accordance with the laws of the State of New Hampshire, and is binding upon and inures to the benefit of the parties and their respective successors and assigns. The wording used in this Agreement is the wording chosen by the parties to the express their mutual intent, and no rule of construction shall be applied against or in favor of any party.

20. THIRD PARTIES. The parties hereto do not intend to benefit any third parties and this Agreement shall not be construed to confer any such benefit.

21. HEADINGS. The headings throughout the Agreement are for reference purposes only, and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

22. SPECIAL PROVISIONS. Additional provisions set forth in the attached EXHIBIT C are incorporated herein by reference.

23. SEVERABILITY. In the event any of the provisions of this Agreement are held by a court of competent jurisdiction to be contrary to any state or federal law, the remaining provisions of this Agreement will remain in full force and effect.

24. ENTIRE AGREEMENT. This Agreement, which may be executed in a number of counterparts, each of which shall be deemed an original, constitutes the entire Agreement and understanding between the parties, and supersedes all prior Agreements and understandings relating hereto.

Group – Recovery Support Services *				167	0

* Group Recovery Support Services are funded by the Department of Health & Human Services, Access To Recovery initiative.

B. Required Services

Priority Admission:

1) The Contractor shall give admission preference to pregnant women and women with dependent children, even if the children are not in their custody, as long as parental rights have not been terminated, including the provision of interim services within the required 48 hour time frame.
2) Individuals with a history of injection drug use including the provision of interim services within 14 days.
3) Individuals with a primary diagnosis of a substance use disorder, which may also include a co-occurring mental health disorder.
4) Individuals on medication-assisted treatment for co-occurring substance abuse and mental health disorders or various opiate replacement therapies, including, but not limited to, methadone, buprenorphine and naltrexone.

Required Outreach:
New Hampshire Department of Health & Human Services (DHHS) programs receiving federal treatment Block Grant funds requires that Contractors must publicize services available to pregnant or parenting women and injection drug users in need of substance abuse treatment and that these individuals receive preference for admission to treatment. This may be done as follows, but is not limited to, street outreach programs, ongoing public service announcements (radio/television), regular advertisements in local/regional print media, posters placed in targeted areas, and frequent notification of availability of such treatment distributed to the network of community based organizations, health care providers and social service agencies. The Contractor will submit their outreach plans to DHHS through the Bureau of Drug and Alcohol Services (BDAS) within 60 days of contract effective date.

Health Facilities Administration Licensing Requirements:
Housing programs with substance abuse treatment services at the same location will need to secure necessary licensing as a Residential Rehabilitation Facility by the DHHS Bureau of Health Facilities Administration, as appropriate, see He-P 807 at the following link: (http://www.gencourt.state.nh.us/rules/state_agencies/he-p800.html). In the case of residential treatment and housing at the same site, residential programs should plan to treat no more than 16 pregnant or parenting women at any given time to comply with federal Medicaid restrictions on Institute for Mental Diseases (IMD) exclusion criteria. This restriction would not apply to programs in which the client's residence is in a separate location from the treatment program.

Capacity Reporting:
The Contractor must contact BDAS, as agent for DHHS, when their capacity has reached 90% within 5 business days. The Contractor must refer pregnant women to the State when the Contractor has insufficient capacity to provide services to any such pregnant women who seek the services of the program. Sending e-mail to the BDAS Clinical Services Unit Administrator may complete this notification process.

Access to Services:
The Contractor shall respond to calls requesting treatment and/or transitional living program services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within 2 business days following the day the call was received. The Access Criteria as defined in Exhibit B must be met for a minimum of 80% of prospective clients (from clients or referring agencies) for the month in which billing is being submitted.

The Contractor is required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.

Those who have screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days follow the eligibility screening.

Limitations on Exclusionary Criteria:
American Society for Addiction Medicine (ASAM) Patient Placement Criteria, in and of itself, shall not be a reason to deny a higher level of care to an individual, if the lower level of care is unavailable or inaccessible. Level of care will be determined by the administration of the Addiction Severity Index (ASI) or the Global Appraisal of Individual Needs (GAIN).

Contractors receiving grant funds from DHHS will not discriminate against clients who are using legitimate medications to assist their recovery and will not have policies that allow them to refuse admission to treatment or to discharge clients from treatment based on the use of appropriately prescribed medications and various opiate replacement therapies, including, but not limited to, methadone and buprenorphine, as well as other forms of medication-assisted treatment for co-occurring substance abuse and mental health disorders.

Clients Eligible for Treatment Services:
A client who is either unable to pay for services or able to pay only part of the cost of services, and who has or is suspected of having an alcohol or other drug abuse problem, and who is a resident of the State of New Hampshire or is homeless in NH.

Sliding Fee Scale:
The Contractor shall adopt a sliding fee scale based on federal poverty guidelines as published in the most recent Federal Register (http://aspe.hhs.gov/poverty/). The Contractor must provide the client with the cost of services and a fee scale prior to rendering services. The Contractor's sliding fees scale and fee schedule shall be submitted to BDAS, as agent for DHHS, within 60 days of contract effective date. Changes in the sliding fee scale or service fee schedule shall be submitted to the BDAS on behalf of DHHS within 30 days of the change.

The Contractor shall bill clients in accordance with a sliding fee scale based on federal poverty guidelines. The fee schedule shall include a no-cost option approved by BDAS on behalf of DHHS. All reasonable efforts shall be made to collect payment of bills. A client's inability to pay shall not preclude admission to the program and treatment.

With respect to minority age individuals, a minor child shall not be denied services as a result of the parent's unwillingness to pay the fee or the minor child's decision to receive confidential services pursuant to RSA 318-B:12-a.

Waiting List Management:
When a person who is pregnant or an injection substance abuser seeks treatment and there are no appropriate treatment services available within the required time frame as outlined below, interim services **must** be made available. The Contractor agrees to maintain the wait list management system in WITS that includes a unique patient identifier and include information on dates of requests for admission to treatment, provision of interim services and source for those services, referrals made for treatment or interim services, and disposition of clients on the waiting list.

- The waiting list must contain a mechanism that identifies and counts the number of applicants who present and are determined to be appropriate for substance abuse treatment but are unable to be placed as there is no capacity;
- Maintain contact with individuals awaiting admission; and,
- Admit or transfer waiting list clients at the earliest possible time to an appropriate treatment program within a reasonable geographic area.

The Contractor shall remove a client awaiting treatment from the waiting list only when one of the following conditions exists:

- Such persons cannot be located for admission into treatment *or*
- Such persons refuse treatment.

Specific Interim Services for Pregnant Women, Women with Dependent Children and Injection Drug Users:
The Contractor agrees to contact the BDAS Clinical Services Unit if a pregnant women and women with dependent children or individuals with a history of injection drug use, cannot be accepted into treatment within specific time frames, and agrees that interim services will be provided or facilitated by the Contractor. Interim services for pregnant women must include counseling on the effects of alcohol and drug use on the fetus, referrals for prenatal care, and counseling and education about HIV and tuberculosis. Interim services for injection drug users must also include counseling and education in the risks of needle sharing, about the risks of transmission to sexual partners and infants, and referral for HIV, Hepatitis C and tuberculosis screening/testing. All interim services shall be documented in the client's clinical record in the WITS system.

Interim Services for other Clients:

The Contractor shall provide, or refer the client to, interim services until level of service identified in the level of care assessment is available and/or the client is willing and assessed as being sufficiently motivated to take advantage of the proposed level of service or interim services.

Services to pregnant and parenting women:
The Contractor further agrees that childcare will be made available to women who are in treatment with their dependent children, either through on-site care or through arrangements with an off-site legal childcare provider. Other services required are as follows:

- The family is treated as a unit and, therefore, admits both women and their children into treatment services, if appropriate.
- The Contractor shall provide or arrange for primary medical care for women who are receiving substance abuse services, including prenatal care.
- The Contractor shall provide or arrange for childcare while the women are receiving services even if the children are not in their custody, as long as parental rights have not been terminated.
- The Contractor shall provide or arrange for primary pediatric care for the women's children, including immunizations.
- The Contractor shall provide or arrange for gender-specific substance abuse treatment and other therapeutic interventions for women that may address issues of relationships, sexual abuse, physical abuse, and parenting, and childcare while the women are receiving these services.
- The Contractor shall provide or arrange for therapeutic interventions for children in custody of women in treatment, which may, among other things, address the children's developmental needs, their issues of sexual and physical abuse, and neglect.
- The Contractor shall provide or arrange for sufficient case management and transportation services to ensure that the women and their children have access to the services provided for above.
- If a pregnant, pregnant injection drug using or Injection Drug Using person refuses treatment or says (s)he is not interested in treatment, the wait list report shall be completed with the engagement activities attempted.
- If a pregnant, pregnant injection drug using or Injection Drug Using person no shows or cancels treatment, interim services must be provided, as stipulated above and the wait list report shall be completed that demonstrates the activities of follow up, engagement and substance abuse treatment services offered.

Relationship(s) with Primary Health Care:
The Contractor shall arrange and coordinate services and exchange of information with other health care providers and agencies which:

- Identifies the client's current Primary Care Provider (PCP) at screening and/or intake.
- If the client has no current PCP, the Contractor shall identify available provider(s) in the client's local area such as a federally qualified community health center, community health center, or other local health services.
- Obtains client/patient authorization to communicate with PCP office.
- If no authorization is completed initially, the Contractor shall educate client as to the importance of engaging the PCP in ongoing care and address the client's concerns as part of treatment, with goal of obtaining authorization before discharge.
- Sends the discharge summary to PCP and offers to discuss recovery issues with the provider.
- Arranges (or has the client arrange) a post-discharge appointment with PCP for the client/patient for follow-up of the substance use disorder.

Tobacco Cessation:
The Contractor shall have policies and procedures for both client and Contractor staff, that not only creates a tobacco-free environment as required by law, but to offer tobacco cessation tools and programming. Tobacco use, in and of itself, shall not be grounds for administrative discharge from the program. Initially, all clients shall be

assessed for motivation in stopping the use of tobacco products. Providers may tap into resources such as the DPHS Tobacco Prevention & Control Program (TPCP) and the certified tobacco cessation counselors available through the QuitLine. Other resources for providers include:

Breathe New Hampshire
145 Hollis St., Unit C
Manchester, NH 03101
603-669-2411 (phone) or 1-800-835-8647

The New Hampshire Medicaid program covers:

- Nicotine Replacement Therapy (NRT) Gum,
- NRT Patch,
- NRT Nasal Spray,
- NRT Lozenge,
- NRT Inhaler,
- Varenicline (Chantix),
- Bupropion (Zyban),
- Group Counseling and/or
- Individual Counseling. Up to 12 individual counseling sessions are covered per year through a mental health provider (Note: These sessions would NOT be in addition to other mental health counseling sessions under Medicaid). Pregnant women also have the option of group counseling. For more information, visit the website at: http://www.dhhs.state.nh.us/DHHS/MEDICAIDPROGRAM/default.htm

Tuberculosis:

The Contractor shall make available tuberculosis services (defined as screening, counseling, testing, and treatment) directly, or through other providers, to each client receiving treatment. In the case of an individual denied admission due to lack of capacity, the substance abuse treatment Contractor will refer the individual to another provider of tuberculosis services if appropriate. All Contractor providing residential services shall make available, either on-site or through agreements with health care providers, tuberculosis services, including screening, testing, counseling and referral for medical treatment.

Physical location and facilities:

For the purpose of providing the services described in Section II of the Scope of Services, the Contractor shall obtain and maintain a suitable space complying with all fire, health, and safety codes to include handicapped accessibility and being wheelchair accessible.

The Contractor shall obtain written prior approval of DHHS, acting through BDAS, before entering into any agreement concerning relocation of the service site.

Culturally and Linguistically Appropriate Standards of Care:

DHHS recognizes that culture and language have considerable impact on how consumers access services. Culturally and linguistically diverse populations experience barriers in efforts to access services. To ensure equal access to quality services, DHHS expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.
2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.
3. When feasible and appropriate, provide clients of Limited English Proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.
4. The Contractor is responsible for reasonable accommodations in arranging for interpreter services for hearing impaired clients.

5. The Contractor offers consumers or clients a forum through which those individuals have the opportunity to provide feedback to the Contractor regarding cultural and linguistic issues that may deserve response.

Compliance with State and Federal Laws:

The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. All services provided pursuant to this Contract shall be subject to the most current proposed or formalized rules and regulations promulgated by DHHS, pursuant to RSA 541-A.
2. The Contractor shall maintain adherence to federal and state confidentiality laws specifically: 42 CFR Part 2B, N.H. RSA 318 B:12 and N.H. RSA 172:8-A and the Health Insurance Portability and Accountability Act (HIPAA): *http://www.hhs.gov/ocr/privacy/*
3. The Contractor shall meet the standards outlined in NH Administrative Rule He-A 300, Certification and Operation of Alcohol and other Drug Disorder Treatment Programs. This administrative rule is currently expired and under revision. The Contractor should plan to meet the requirements as outlined in the expired rule until the revisions are completed. He-A 300 can be viewed on the RFP link to this document *http://www.dhhs.nh.gov/business/rfp/index.htm*.
4. The Contractor shall, upon the direction of the State, provide court-ordered evaluation in their catchment area and a sliding scale fee shall apply and the inability to pay shall not interfere with the completion and submission of the court-ordered evaluation and shall, upon the direction of the State, offer treatment to those individuals pursuant to RSA 172:13.
5. Contractors considering research, including research conducted by student interns, using individuals served by this contract as subjects must adhere to the legal requirements governing human subjects' research. Contractors must inform the DHHS via contact with BDAS prior to initiating any research involving subjects or participants related to this contract. In addition, research conducted on subjects served by this contract may need to be approved by the New Hampshire Department of Health & Human Services Committee for the Protection of Human Subjects (NH DHHS CPHS) see *http://www.dhhs.nh.gov/irb/*

Client Stabilization:

The Contractor will be expected to arrange for medical clearance for all clients receiving treatment services supported by DHHS administered by BDAS to assure that they are not at risk for acute withdrawal from alcohol and certain drugs. The Contractor shall be expected to provide a range of integrated services that include social detoxification/stabilization services that follow detoxification guidelines outlined in Treatment Improvement Protocol (TIP) #45, Detoxification and Substance Abuse Treatment.

Clinical Services:

The Contractor shall provide the following:

a. A minimum of one (1) substance abuse counselor on site each day of the week during primary treatment hours. The substance abuse counselor shall have a bachelor's degree or equivalent in social work/psychology, guidance or nursing and/or a certificate in the field of addiction studies from an approved educational institution or educational/life experience.
b. A minimum of one (1) substance abuse support staff on site each day of the week during all hours not covered by a substance abuse counselor. The substance abuse support staff must have a high school or General Equivalency Diploma (GED). Preference is given to individuals who have completed additional courses or taken training in substance use disorders or other health fields.
c. An intake/admission coordinator on site Monday through Friday of each week. The intake/admission coordinator shall have one (1) years' work experience in the field of addiction studies.
d. A full-time Executive Director, not filling any of the positions described above.

The Contractor will provide one or more of the following services as outlined in Section II.A above.

Outpatient Treatment - Substance abuse treatment services provided in individual and group counseling sessions in a non-residential setting. Although duration of services is determined by clinical indicators, average duration of for outpatient services is expected to be approximately 90 days or less, after which clients are referred for care coordination under a continuous recovery monitoring model that in turn will refer clients for group aftercare recovery support services as indicated.

Intensive Outpatient Treatment - Substance abuse treatment services conducted in an outpatient setting for a minimum of 3 hours of direct client treatment services per day, utilizing both group and individual formats, for a minimum of three days per week, for a total of a minimum of nine hours of treatment services per week. This intensive phase of treatment typically occurs for 4-6 weeks, with less intense services following, such as a once per week treatment aftercare group continuing for an additional 1-2 months as clinically indicated for both. Although duration of services is determined by clinical indicators, average duration of intensive outpatient services is expected to be approximately 90 days or less, after which clients are referred for care coordination under a continuous recovery monitoring model that in turn will refer clients for group aftercare recovery support services as indicated.

Residential Treatment - Short-term residential substance abuse treatment designed to assist individuals who require a more intensive level of service in a structured setting and/or individuals that may be homeless. Admission is on a voluntary basis. This level of care includes the provision of an initial period of stabilization services once an individual has been medically cleared to participate in the program. Although the length of stay may be determined by clinical indicators, average length of stay is expected to be approximately 28 days or less. Long-term, extended care residential treatment services, also referred to as Clinically Managed High Intensity Residential Treatment (CMHIRT), is limited to pregnant and parenting women and their children.

Transitional Living – Residential substance abuse treatment services are designed to support individuals in the early stages of recovery that need this residential level of care and/or are homeless. The goal of these programs is to prepare clients to become self-sufficient in the community. Although length of stay may be determined by clinical indicators, the average length of stay is expected to be approximately 90 days or less. Residents typically work in the community and may pay a portion of their room and board.

Assessment of Risk for Self-Harm/Suicide: The Contractor shall have policies and practices for assessing risk of self-harm at all phases of treatment, such as at initial contact, during screening, intake, admission, on-going treatment services and at discharge, and a process for referral when necessary to include referrals to mental health services.

The Contractor shall develop policies, programs and protocols in accordance with SAMHSA guidelines as outlined in the Treatment Improvement Protocols (TIPs) and Technical Assistance Publications (TAPs). These publications can be downloaded from http://www.kap.samhsa.gov/products/manuals/index.htm .

The Contractor is required to use the Addiction Severity Index (ASI) or Global Appraisal of Individual Needs (GAIN) assessment tools, the SAMHSA/NIDA MATRS treatment-planning model and the Web Infrastructure for Treatment Services (WITS) electronic health record.

Care Coordination:
The Contractor is required to assess each client's need/appropriateness for residential transitional living services and to **refer all clients for care coordination services** made available through the ATR initiative administered by the BDAS on behalf of DHHS that would commence following the initial course of treatment. Contractors are required to address motivational issues with clients for them to participate effectively in the care coordination and recovery support services. Contractors are required to have clients sign the "ATR Client Participation Agreement" (made available by BDAS), indicating that they either agree or opt out of participating in these services. The contractor will facilitate all clients who agree to participate in these services to complete the Client Participation Agreement and upon obtaining a signed release of information, refer clients to an ATR Care Coordinator Program

at least two weeks prior to anticipated date of discharge (dis-enrollment) from services. Assessing the need for aftercare services is expected to take place while the client is involved within the most recent episode of care, with a referral being made and accepted by the care coordination service prior to the client being discharged.

The Contractor must provide the following for use by the care coordination program:

- Private space for interviewing/meeting with clients.
- Access to internet (either wired or wireless) in the meeting space
- Telephone in the meeting space and
- A contact person at the Contractor's site for logistics.

It is the expectation of the BDAS at DHHS that, upon completion of appropriate signed releases, the Contractor will provide the care coordination program with necessary information from the clinical record (assessment, treatment plan, progress notes, etc.) for the care coordination program to develop a service plan with the client.

Group Recovery Support Services:
Are services that are consistent with an individual's recovery plan that prevent relapse and enhance or remove barriers to recovery. Recovery Support Services include, but are not limited to, guidance in financial management, parenting, vocational training, life management and spiritual counseling as well as transportation and child-care.

Contractors, with the exception of those agencies that only offer outpatient services, are required to develop the capacity for group recovery support aftercare services for a minimum of 50% of the number treatment clients (including outpatient and transitional living program clients) they are under contract to serve. These group recovery support services are for clients discharged from substance use disorder (SUD) treatment services provided under contract with BDAS on behalf of DHHS, which may include clients that had received SUD treatment from the Contractor or a different agency. Contractors are only allowed to access these services for their clients or clients that had received SUD treatment from a different agency through the statewide care coordination program under agreement with BDAS on behalf of DHHS.

All group recovery support services will be funded through the New Hampshire Access to Recovery (ATR) initiative, which will require all providers (except those offering outpatient services only) under contract with BDAS on behalf of DHHS to become an approved Access to Recovery (ATR) providers for these particular services (reference Administrative Rules He-A 405.03 and He-A 405.04). Agencies under contract with BDAS on behalf of DHHS to provide only outpatient substance abuse treatment are not required, to provide these services.

All alcohol and other drug treatment providers under contract with the BDAS on behalf of DHHS are required to address with all clients, the need for continuing services. This includes transitional living programs under contract with the BDAS on behalf of DHHS as well as care coordination and group recovery support services made available through the ATR initiative administered by BDAS that would commence following the initial course of treatment. The referral for these services should take place prior to discharge from the initial course of treatment.

Residential Treatment Services, including services to Residential Services to Pregnant and Parenting Women:
The Contractor shall provide the following:

a. A minimum of one (1) substance abuse counselor on site each day of the week during primary treatment hours. The substance abuse counselor shall have a bachelor's degree or equivalent in social work/psychology, guidance or nursing and/or a certificate in the field of addiction studies from an approved educational institution or educational/life experience.
e. A minimum of one (1) substance abuse support staff on site each day of the week during all hours not covered by a substance abuse counselor. The substance abuse support staff must have a high school or General Equivalency Diploma (GED). Preference is given to individuals who have completed additional courses or taken training in substance use disorders or other health fields.

f. An intake/admission coordinator on site Monday through Friday of each week. The intake/admission coordinator shall have one (1) years' work experience in the field of addiction studies.
g. A full-time Executive Director, not filling any of the positions described above.

Relevant Policies and Guidelines:
The services provided for in this agreement shall be in addition to the services provided for in any other agreement between the State of New Hampshire, any of its agencies, or any of its officers, and the Contractor.

Without limiting the generality of any other provisions of this agreement, the Contractor shall cooperate fully with, and answer all questions of representatives of the State conducting any periodic or special review of the performance of the Contractor or any inspection of the facilities of the Contractor.

Publications Funded Under Contract:
All products produced under this contract are in the public domain. All products (written, video, audio) produced, reproduced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution, or use. The Contract shall credit DHHS on all materials produced under this contract.

Subcontracting/Consultants:
If the Contractor subcontracts any portion of the services with an agency or individual, the Contractor must submit a copy of the subcontract, or proposed subcontract. That subcontract must address the qualifications and credentials of the individual or agency to perform the service, the specific service deliverables, the timeline for implementation of the services to be delivered, and the cost, including total cost of the subcontract and total cost per hour of individuals or agencies performing these services. The Contractor is ultimately responsible for the services delivered under the contract. Use of consultants shall be similarly described in terms of qualifications and credentials, service deliverables and hourly consultant rate.

Student Internships:
The Contractor shall establish policies and procedures related to student interns that address minimum coursework, experience and core competencies for those interns having direct contact with individuals served by this contract. Student interns shall complete an approved ethics course prior to beginning the internship.

Staff Licensing Requirements:
The ratio of licensed to non-licensed service providers shall be as follows:
Agencies must have at least one Licensed, or Masters Licensed, Alcohol and Drug Counselor (LADC/MLADC) for each two unlicensed counselors providing substance abuse treatment services and a sufficient number of MLADCs or LADCs with the Licensed Clinical Supervision (LCS) credential to adequately provide for clinical supervision of all clinical staff. This requirement shall be met by the Contractor no later than six (6) months after the date of the Contract effective date.

Updated resumes, which clearly indicate the staff member is employed by the Contractor, including current positions of staff supported by funds provided through this Contract, shall be forwarded to the BDAS as agent for DHHS. The documentation shall include a copy of the New Hampshire Alcohol and Drug Counselor License.

Staff Certification Requirements:
In addition to the requirements for LADCs, all Contractor milieu staff in residential settings and transitional living programs and staff providing recovery support aftercare group services shall be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification under RSA 330-C (http://www.gencourt.state.nh.us/rsa/html/NHTOC/NHTOC-XXX-330-C.htm). Certification must be completed within six (6) months of the contract's approval date.

Staff providing recovery support services are expected to be Certified Recovery Support Workers (CRSW) under the Board of Alcohol and Drug Abuse Professional Practice, or working toward that certification. Peer recovery support services made available through Recovery Community Organizations (RCOs), under agreement with BDAS on behalf of DHHS, shall be provided by individuals certified by those organizations (CRSW not required for peer recovery support services).

Supervision:
Ongoing clinical supervision will include weekly discussion of cases with suggestions for resources or therapeutic approaches, co-therapy, and periodic assessment of progress. When enough candidates are under supervision, group supervision may be included to help optimize the learning experience.

The content of supervision must include knowledge, skills, values, and ethics with specific application to the practice issues faced by the supervisee, including the core functions as described in the Twelve Core Functions of Alcohol and Drug Counseling.

The content of supervision must also include the standards of practice and ethical conduct, with particular emphasis given to the counselor's role and appropriate responsibilities, professional boundaries, and power dynamics.

In addition, all contracted treatment providers must participate in the Clinical Supervisor Learning Collaborative (LC) by June 30, 2013. This LC is provided by the Center for Excellence, under contract with DHHS. This LC will include a team from each contracted treatment provider that includes at least one agency clinical supervisor and at least one senior clinical staff. A Clinical Supervision Learning collaborative will be offered in SFY 2013.

Staffing Changes:
BDAS as agent for DHHS shall be notified of changes in key personnel with updated resumes that clearly indicate the staff member is employed by the Contractor submitted within five (5) working days. Key personnel are those staff for whom at least 10% of their work time is spent providing alcohol or other drug abuse treatment services.

1. New Hires: The Contractor shall notify BDAS on behalf of DHHS in writing within one month of hire when a new administrator or coordinator or any staff person essential to carrying out this scope of services is hired to work in the program. A resume of the employee, which clearly indicates the staff member is employed by the Contractor, shall accompany this notification.

2. Vacancies: The Contractor shall notify BDAS on behalf of DHHS in writing within 14 calendar days, if at any time, any site funded under this agreement does not have adequate staffing to perform all required services for more than one month.

Other Requirements:
The Contractor shall attend trainings and/or meetings as requested by DHHS.

ATR and Recovery Support Services:
All DHHS funded treatment and recovery support service providers must also be approved Access to Recovery (ATR) providers, as this will be the source of funding for these recovery support services through the Voucher Management System (VMS). Information on becoming an ATR provider can be found on the DHHS website: http://www.dhhs.nh.gov/dcbcs/bdas/atr/becomingprovider.htm .

Regional Network Participation:
The Contractor will designate administrative level staff to regularly participate in the Regional Network and contribute to overall regional network strategic planning, monitoring, evaluation, and cross systems communication efforts. The Contractor is highly encouraged to serve on one of the work groups and contribute to data collection, regional strategic planning and evaluation. Participation will be measured by the annual Partner

Survey (http://www.partnertool.net/) administered by NH Center for Excellence under contract with BDAS as agent for DHHS.

Performance Measures:

All treatment programs under contract with BDAS on behalf of DHHS are required to report on the National Outcome Measures (NOMs) established by the SAMHSA, as required in the Federal Substance Abuse Prevention and Treatment Block Grant, via the WITS (electronic health record) system. The Department of Health and Human Services reserves the right to consider Contractor performance across all of the domains in future funding decisions. The Contractor is expected to meet or exceed these percentages as measured by the Electronic Health Record/Web Infrastructure Treatment System (EHR/WITS).

SAMHSA National Outcome Measures:

DOMAIN	*OUTCOME*	*SUBSTANCE ABUSE TREATMENT MEASURES*
Abstinence	Abstinence from Alcohol and Drug Use	65% of clients that have met the minimum participation requirement are abstinent within the past 30 days at 6 months following admission to care coordination services compared to at time of admission to treatment program.
Employment Education	Increased/retained employment. Return to/stay in school	Employment rates or enrollment in school rates for clients are 25% greater at 6 months after admission to care coordination compared to at time of admission to treatment program.
Crime and Criminal Justice	Decrease criminal justice involvement	50% Reduction in the number of client arrests in past 30 days at 6 months following admission to care coordination services compared to at time of admission to treatment program.
Stability in Housing	Increased stability in housing	10% Increase in the number of clients in stable housing at 6 months following admission to care coordination services compared to at time of admission to treatment program.
Access	Reduce the wait time for Intake & Admission	• 80% of clients will receive a telephone eligibility screening within 2 business days of first contact with the Contractor and those who screen eligible will receive an intake within 5 business days of the eligibility screening and • 80% of clients who meet admission criteria will be admitted to services or interim services within 5 business days of intake.
Retention	Increase retention in substance abuse treatment	70% of clients that have participated in the minimum participation requirement. See section in the following pay for performance paragraph.
Capacity	Increase service capacity	Increase by 10% the (unduplicated) number of clients receiving service from previous year – DHHS will not be held to this standard for SFY 2013 due to significant budget reductions.
Social Connectedness	Increased recovery supports/connections	50% of clients participate in care coordination and post treatment recovery support services (RSS).
Perception of Care	Client perception of	Under development

	care	
Cost Effectiveness	Cost effectiveness (average cost)	Average Contractor cost per client for services provided per client are within 10% of the average statewide cost per client of service for each modality of service.
Use of Evidenced-Based Practices	Use of Evidenced-Based Practices	• WITS Electronic Health Record • ASI or GAIN Assessment • NIDA/SAMHSA MATRS Treatment Planning model • Clinical model for treatment services recognized by National Registry of Evidence Based Programs and Practices (NREPP).

Data and Reporting Requirements:

1. Without limiting the generality of any other provisions of this agreement, the Contractor shall provide any periodic or special reports required by the DHHS.
2. The Contractor shall notify BDAS, as an authorized agent of DHHS, whenever the Contractor has reached ninety percent capacity to admit new clients. In addition the Contractor shall have a waiting list management policy in accordance with the SAPT Block Grant requirements. This 90% notification process will become automatic when this operation is fully functional in WITS.
3. The Contractor shall notify DHHS through BDAS, within one working day, if sufficient capacity is not available to provide treatment services to a pregnant woman, parenting woman or injection drug user within the required time frames and a referral elsewhere is not successful and interim services cannot be provided.
4. The Contractor shall comply with all research and/or information systems development activities for the electronic health record/Web Infrastructure for Treatment Services (EHR/WITS) conducted by, or authorized by, DHHS.
5. The Contractor shall administer any client surveys, client assessments including the addiction Severity Index (ASI) or the Global Appraisal of Individual Needs (GAIN), client treatment outcome instruments, the M.A.T.R.S. Treatment Planning Tool, as required by DHHS.
6. The Contractor must have the ability to communicate and submit required reports via the Web-based submission system and/or e-mail, for treatment s and recovery support services and interim services. All required clinical and documentation activities shall be entered in WITS unless specifically granted an exception by BDAS on behalf of DHHS.

Critical Incident/Sentinel Event Reporting:

The Department's Sentinel Event policy is contained in the following link: http://www.dhhs.nh.gov/dcbcs/sentinel.htm

Division of Community Based Care Services (DCBCS) Sentinel Event Notification:
The preceding events require the immediate verbal notification to the BDAS Assistant Administrator or Clinical Services Unit Administrator upon the discovery of a sentinel event involving an individual(s) receiving services through a DHHS substance use disorder treatment Contractor.

Since the initial and immediate verbal notification of a sentinel event is likely to include protected health information (PHI) as identified below, the Contractor of services to individuals receiving services funded by the DHHS shall disclose PHI in a private and secure manner. Contractors and vendors should not leave voice-mail messages, but instead make direct telephone contact with the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee. If direct telephone contact is not possible, a voice mail message may be left without protected health information, such as medications and relevant medical and psychiatric diagnoses. As soon as possible after the initial verbal notification, the Contractor will mail or fax a completed *Sentinel Event Reporting Form* as directed in this protocol.

Notification shall include the following:

1. Name and phone number of the individual reporting.
2. Name, date of birth (DOB), medications and all relevant medical and psychiatric diagnoses of individual(s) involved;
3. Location, date, and time of event;
4. Description of the event including what, when, where, how, and other relevant information and identification of any other individuals involved;
5. Legal status of the individual involved with regard to guardianship and power of attorney;
6. Community, guardian, family and/or families' knowledge of the event; and
7. Contractor contact person and contact information.

It shall be the responsibility of the BDAS Assistant Administrator or Clinical Services Unit Administrator or designee to notify the DCBCS Quality Improvement Director by e-mail as soon as the BDAS Clinical Administrator or designee becomes aware a Sentinel Event has occurred. The DCBCS Quality Improvement Director shall make immediate notification to the Commissioner. Internal e-mails within the Department may contain PHI and all Department employees will utilize safeguards to ensure the privacy of the PHI as stated in the DHHS General Manual Health Insurance Portability and Accountability Act (HIPAA) policy #504.

Each DCBCS bureau recognizes its responsibility to report evidence of neglect, abuse or exploitation to the appropriate regulatory agencies as required by RSA 161-F:42-57 and RSA 169-C:29. In any case of known or suspected neglect, abuse or exploitation, the Contractor aware of the situation shall follow all applicable rules relative to individual rights protection procedures.

Written follow up information is to be forwarded by the reporting Contractor to the appropriate BDAS Administrator listed below within 72 hours by completing the *Sentinel Event Reporting Form.* To protect clients' confidential information, reporting Contractors should submit the *Sentinel Event Reporting Form* either by fax to the BDAS Assistant Administrator or the BDAS Clinical Services Unit Administrator by a mail service that provides delivery confirmation.

Bureau of Drug and Alcohol Services
Assistant Administrator
105 Pleasant Street
Concord, NH 03301
Or by fax to the BDAS Administrator's Office at 271-6105;

Follow-up information is the responsibility of the Contractor and should be submitted in a way as to protect clients' confidential information such as by mail with delivery confirmation and should include:

1. The *Sentinel Event Reporting Form(www.dhhs.nh.gov/dcbcs/documents/sentinelform.pdf)*;
2. Additional details as they are learned or if the status of the situation changes; and,
3. Copies of newspaper articles.

The BDAS Assistant Administrator or BDAS Clinical Services Unit Administrator is responsible for forwarding a copy of the *Sentinel Event Reporting Form* received from a Contractor to the DCBCS Quality Improvement Director at:

Division of Community Based Care Services
Quality Improvement Director
129 Pleasant Street
Concord, New Hampshire 03301
Or by fax: 271- 4912

Additionally, DHHS requires critical incident reporting. The Contractor shall report all critical incidents/sentinel events to the BDAS Clinical Services Unit Administrator immediately via telephone. Every effort shall be made

to reach the BDAS administrator directly. If a voice message is necessary, sufficient provider contact information shall be provided so that DHHS is able to reach the reporter, or other responsible staff, immediately.

A critical incident includes, but is not limited to, any child or adult protective services report to the Division of Children, Youth and Families (DCYF), or the Bureau of Elderly and Adult Services (BEAS), respectively, regarding any incident involving 1) a staff/employee to youth or client, 2) youth to youth, or 3) client to client. This includes incidents that occur while a client is on leave, or on a pass, from the Contractor and may be off site at the time the incident occurred.

A sentinel event is an unexpected occurrence involving the death or serious physical or psychological injury, or risk thereof, signaling the need for immediate investigation and response.

Death or any serious injury or medical emergency regarding staff or clients that requires emergency medical attention (EMT or other emergency personnel at the Contractor's site, or a hospital emergency room visit), or any crime reportable to law enforcement, or any other serious incident must also be reported to DHHS as described below.

Reportable sentinel events include, but are not limited to, any occurrence that meets any of the following criteria:

1. An unanticipated death or permanent loss of function, not related to the natural course of an individual's illness or underlying condition.
2. Homicide or suicide of any individual receiving DHHS funded care, treatment or services, that had been discharged from a Department funded program or facility within 30 days of the event, or has been evaluated by a service Contractor within the preceding 30 days;
3. Sexual assault or rape of any individual receiving DHHS funded care, treatment or services by another client or employee of any Department funded program or facility where there is an act that was witnessed or there is sufficient clinical evidence obtained by the Contractor to support allegation of nonconsensual sexual contact.
4. Unauthorized departure of an individual receiving DHHS funded services, from a facility providing care, resulting in death or permanent loss of function.
5. Medication error that results in death, paralysis, coma, or other permanent loss of function.
6. Delay or failure to provide DHHS funded Contractor services that result in death or permanent loss of function.
7. Abuse as a result of the willful infliction of injury, unreasonable confinement, intimidation, or punishment with resulting physical harm, or mental anguish. This includes staff neglect or indifference to infliction of injury or intimidation of one individual by another.
8. Neglect as a result of the failure to provide the goods and services necessary to avoid physical harm, mental anguish or mental illness.
9. Assault of or by a client of the Contractor that results in the injury of the person or another person of such severity that medical attention is required.
10. Arson resulting in property loss.
11. High profile events, which may include media coverage and/or police involvement.

On-Site Reviews:

1. The Contractor shall allow a team or person authorized by DHHS to periodically review the Contractor's systems of governance, administration, data collection and submission, clinical, and financial management in order to assure systems are adequate to provide the contracted services.
2. Reviews shall include, but not be limited to, client record reviews to measure compliance with this exhibit.
3. The Contractor shall make corrective actions as advised by the review team if contracted services are not found to be provided in accordance with this exhibit.
4. DHHS staff shall contact the Contractor in advance of the site visit, so that the Contractor shall have sufficient time to prepare any guidance/reporting systems or logs that will be reviewed at the site visit.

II. Funding Sources

The total amount of all payments made to the Contractor for cost and expenses incurred in the performance of the services, as detailed in Exhibit B, during the period of the contract shall not exceed:

$ 353,773.00 for Substance Abuse Treatment Services, funded from 90% General funds and 10% Highway funds.

$ 251,406.00 for Substance Abuse Treatment Services, funded from 100% general funds from the Governor's Commission on Alcohol and Other Drug Prevention, Intervention and Treatment.

$ 515,420.00 for Substance Abuse Treatment Services, funded from 100% federal funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment (SAPT) Block Grant, CFDA 93.959.

TOTAL: $1,120,599.00

III. Payment Methodology

The Contractor shall agree to use and apply all contract funds from the State for costs and expenses as detailed in the approved contract budget(s). Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. Starting in State Fiscal Year 2013 (effective July 1, 2012) the contractor will receive a payment for each modality of services at a rate of one-twelfth (1/12) of the annual amount approved in the contract for that modality, less any pay for performance factors (utilization, access and retention) that apply. The annual contract approved amount prorated to the monthly portion is considered the BASE monthly reimbursement amount.

1. **Performance Utilization:**

A. Utilization Performance Criteria for all residential, outpatient and intensive outpatient treatment services:

Utilization criteria will be applied exclusively on a month-by-month basis, Contractors will not be retroactively reimbursed at the higher rate for past months even if the Contractor later meets the higher utilization rates year to date. Utilization criteria is first applied to monthly billing submitted by the Contractor to determine the total amount of expenses eligible for reimbursable, after which access and retention criteria are applied to determine if that amount will be reimbursed at 95% or 100% according to the criteria below.

i. Contracts running at 90% to 100% of utilization in a given month will be reimbursed at 100% of the contracted rate for that month.

ii. Contracts running at 80% to 89% of utilization in a given month will be reimbursed at rate of 95% of the contracted rate for that month.

iii. Contracts running below 80% of utilization in a given month will be reimbursed at the rate of utilization for that month (for example for a given month in which utilization was 59% the contractor would be reimbursed at 59% of the contracted rate for that month).

B. Utilization Methodology by Modality:

i. Outpatient: Utilization for Outpatient is factored at a rate of 100 direct clinical hours per month per FTE. One hundred (100) clinical hours equates to 100% utilization. Outpatient utilization does not require separate consideration for individual or group outpatient counseling, the total of both is based on direct clinical hours of service. The FTEs for the contract are determined based upon the level of funding provided for outpatient divided by $75,000 (e.g. Agency ABC funding for outpatient services is $168,750 divided by $75,000 per FTE results in 2.25 FTE.)

ii. Intensive Outpatient: Utilization for Intensive Outpatient is determined in the same manner as Outpatient based on Full Time Equivalent. Individual or group intensive outpatient counseling are combined in determining the utilization rate with the total of both based on direct clinical hours of service.

iii. Residential Treatment/transitional living/halfway house: Utilization for all residential services is factored by taking the amount of funding for the modality of residential services and dividing it by the *bed day rate* to determine the total number of bed days per year, and then diving this amount by 365 days to determine the "beds per day factor" (which is equal to the number of beds being funded) for this modality of residential services. Utilization for residential treatment is factored by multiplying the "beds per day factor" by the actual number of days in a given month. As an example, say agency ABC is funded in the amount of $438,000 to provide 28-day residential treatment services for adults. Given that the per day bed rate for adult residential treatment services is $120 per day, the agency would be expected to provide 3,650 ($438,000/$120) bed days per year / 365 days per year = 10 beds per day. Utilization for residential treatment is factored by multiplying the "beds per day factor" by the actual number of days in a given month; in this example the number of bed days for April would be 30 (days in April) X 10 beds per day or 300 beds at 100% utilization.

2. **Utilization Access and Retention Payment Criteria Requirement**

Contractors will receive the billing amount net of utilization rates, for each billing month in which the agency has met both the Access and Retention criteria outlined below for the given month. Any Agency not meeting both the Access and Retention criteria will receive reimbursement at 95% of the amount after first factoring utilization. Access and retention criteria do not include recovery support services. Performance criteria will be applied

exclusively on a month-by-month basis, contractors will not be retroactively reimbursed at the 100% rate for past months even if the contractor later meets the Access and Retention rates year to date.

A. Access to Services:

Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received. The following Access Criteria must be met for a minimum of 80% of prospective clients (from clients or referring agencies) for the month in which billing is being submitted:

i. Treatment contractors are required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.

ii. Those who have screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days follow the eligibility screening.

B. Retention:

A minimum of 70% of clients, which have completed or otherwise are no longer receiving services, will have met the minimum retention standards for the modality of services received:

i. Have completed a minimum of 6 sessions of outpatient treatment services (OP)

ii. Have completed a minimum of 8 days of intensive outpatient treatment services (IOP) – only those days in which a client has participated in minimum of 10 units (2.5 hours) of service per day (12 units per day is the standard for IOP services) may be counted.

iii. Have completed a minimum of 14 days of residential treatment service

iv. Has completed a minimum of 28 days in a transitional living/halfway house residential program.

3. Failure to Meet Deliverables:

The Contractor shall comply with all contract requirements as detailed in Exhibit A section B, Required Services. Upon determination that Contractor may not be meeting the required deliverables, within two (2) weeks BDAS will provide a written correction action plan. Within two (2) weeks of notification of the corrective action plan, Contractor will provide a written remedial plan. BDAS will monitor the corrective actions for 60 days. Failure to meet requirements of the corrective action plan within 60 days may result in withholding of any or all payments or termination of the contract.

4. Invoicing & Billing:

Invoices shall be submitted by the Contractor to the State in a form satisfactory to the State for each modality of service. Said invoices shall be submitted within twenty (20) working days following the end of the month during which the contract activities were completed, and the final invoice shall be due to the State no later than sixty (60) days after the contract Completion Date.

The Contractor shall have written authorization from the State prior to using contract funds to purchase or lease any equipment with a cost in excess of two thousand five hundred dollars ($2500) and with a useful life beyond one year.

IV. Allocation of Funding:

Any reallocation of funds between modalities of service requires prior written justification and approval from BDAS on behalf of DHHS. Reallocation of funds cannot exceed the total approved contracted amount.

V. **Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds:**

The Contractor agrees to use the SAPT funds as the payment of last resort.

Restrictions on SAPT Block Grant on State and Contractor expenditures include:
The State may not:

- Provide inpatient hospital services except under those conditions outlined in the regulations.
- Make cash payments to intended recipients of substance abuse services.
- Purchase or improve land.
- Purchase, construct, or permanently improve buildings or other facilities.
- Purchase major medical equipment.
- Satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds. (in-kind)
- Provide financial assistance to any entity other than a public or non-profit private entity.
- Provide individuals with hypodermic needles or syringes.
- Expend more than the amount of Block Grant funds expended in FFY91 for treatment services provided in penal or correctional institutions of the State.

The Contractor shall not:

- Use any federal funds provided under this contract for the purpose of conducting testing for the etiologic agent for Human Immunodeficiency Virus (HIV) unless such testing is accompanied by appropriate pre and post-test counseling.
- Use any federal funds provided under this contract for the purpose of conducting any form of needle exchange, free needle programs or the distribution of bleach for the cleaning of needles for intravenous drug abusers.

VI. **Charitable Choice:**

Federal Charitable Choice statutory provisions ensure that religious organizations are able to equally compete for Federal substance abuse funding administered by SAMHSA, without impairing the religious character of such organizations and without diminishing the religious freedom of SAMHSA beneficiaries (see 42 USC 300x-65 and 42 CFR Part 54 and Part 54a, 45 CFR Part 96, Charitable Choice Provisions and Regulations). Charitable Choice statutory provisions of the Public Health Service Act enacted by Congress in 2000 are applicable to the SAPT Block Grant program. No funds provided directly from SAMHSA or the relevant State or local government to organizations participating in applicable programs may be expended for inherently religious activities, such as worship, religious instruction, or proselytization. If an organization conducts such activities, it must offer them separately, in time or location, from the programs or services for which it receives funds directly from SAMHSA or the relevant State or local government under any applicable program, and participation must be voluntary for the program beneficiaries.

SPECIAL PROVISIONS

1. **Contractors Obligations:** The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

2. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.

3. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.

4. **Documentation:** In addition to the determination forms, required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.

5. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.

6. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.

7. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.

8. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractor's costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:

    8.1 Renegotiate the rates for payment hereunder, in which event new rates shall be established;

8.2 Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

8.3 Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

RECORDS: MAINTENANCE, RETENTION, AUDIT, DISCLOSURE AND CONFIDENTIALITY:

9. **Maintenance of Records:** In addition to the eligibility records specified above, the Contractor covenants and agrees to maintain the following records during the Contract Period:

9.1 **Fiscal Records:** Books, records, documents and other data evidencing and reflecting all costs and other expenses incurred by the Contractor in the performance of the Contract, and all income received or collected by the Contractor during the Contract Period, said records to be maintained in accordance with accounting procedures and practices which sufficiently and properly reflect all such costs and expenses, and which are acceptable to the Department, and to include, without limitation, all ledgers, books, records, and original evidence of costs such as purchase requisitions and orders, vouchers, requisitions for materials, inventories, valuations of in-kind contributions, labor time cards, payrolls, and other records requested or required by the Department.

9.2 **Statistical Records:** Statistical, enrollment, attendance, or visit records for each recipient of services during the Contract Period, which records shall include all records of application and eligibility (including all forms required to determine eligibility for each recipient), records regarding the provision of services and all invoices submitted to the Department to obtain payment for such services.

9.3 **Medical Records:** Where appropriate and as prescribed by the Department regulations, the Contractor shall retain medical records on each patient/recipient of services.

10. **Audit:** Contractor shall submit an annual audit to the Department within 60 days after the close of the agency fiscal year. It is recommended that the report be prepared in accordance with the provision of Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non Profit Organizations" and the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, issued by the US General Accounting Office (GAO standards) as they pertain to financial compliance audits.

10.1 **Audit and Review:** During the term of this Contract and the period for retention hereunder, the Department, the United States Department of Health and Human Services, and any of their designated representatives shall have access to all reports and records maintained pursuant to the Contract for purposes of audit, examination, excerpts and transcripts.

10.2 **Audit Liabilities:** In addition to and not in any way in limitation of obligations of the Contract, it is understood and agreed by the Contractor that the Contractor shall be held liable for any state or federal audit exceptions and shall return to the Department, all payments made under the Contract to which exception has been taken or which have been disallowed because of such an exception.

11. **Confidentiality of Records:** All information, reports, and records maintained hereunder or collected in connection with the performance of the services and the Contract shall be confidential and shall not be disclosed by the Contractor, provided however, that pursuant to state laws and the regulations of the Department regarding the use and disclosure of such information, disclosure may be made to public officials requiring such information in connection with their official duties and for purposes directly connected to the administration of the services and the Contract; and provided further, that the use or disclosure by any party of any information concerning a recipient for any purpose not directly connected with the administration of the Department or the Contractor's

responsibilities with respect to purchased services hereunder is prohibited except on written consent of the recipient, his attorney or guardian.

Notwithstanding anything to the contrary contained herein the covenants and conditions contained in this Paragraph shall survive the termination of the Contract for any reason whatsoever.

12. **Reports: Fiscal and Statistical**: The Contractor agrees to submit the following reports at the following times if requested by the Department:

12.1 **Interim Financial Reports:** Written interim financial reports containing a detailed description of all costs and non-allowable expenses incurred by the Contractor to the date of the report and containing such other information as shall be deemed satisfactory by the Department to justify the rate of payment hereunder. Such Financial Reports shall be submitted on the form designated by the Department or deemed satisfactory by the Department.

12.2 **Final Report:** A final report shall be submitted within thirty (30) days after the end of the term of this Contract. The Final Report shall be in a form satisfactory to the Department and shall contain a summary statement of progress toward goals and objectives stated in the Proposal and other information required by the Department.

13. **Completion of Services:** Disallowance of Costs: Upon the purchase by the Department of the maximum number of units provided for in the Contract and upon payment of the price limitation hereunder, the Contract and all the obligations of the parties hereunder (except such obligations as, by the terms of the Contract are to be performed after the end of the term of this Contract and/or survive the termination of the Contract) shall terminate, provided however, that if, upon review of the Final Expenditure Report the Department shall disallow any expenses claimed by the Contractor as costs hereunder the Department shall retain the right, at its discretion, to deduct the amount of such expenses as are disallowed or to recover such sums from the Contractor.

14. **Credits:** All documents, notices, press releases, research reports, and other materials prepared during or resulting from the performance of the services of the Contract shall include the following statement:

14.1 The preparation of this (report, document, etc.), was financed under a Contract with the State of New Hampshire, Department of Health and Human Services, Division of Community Based Care Services, Bureau of Drug and Alcohol Services with funds provided in part or in whole by the State of New Hampshire and/or such other funding sources as were available or required, e.g., the United States Department of Health and Human Services.

15. **Operation of Facilities:** Compliance with Laws and Regulations: In the operation of any facilities for providing services, the Contractor shall comply with all laws, orders and regulations of federal, state, county and municipal authorities and with any direction of any Public Officer or officers pursuant to laws which shall impose an order or duty upon the Contractor with respect to the operation of the facility or the provision of the services at such facility. If any government license or permit shall be required for the operation of the said facility or the performance of the said services, the Contractor will procure said license or permit, and will at all times comply with the terms and conditions of each such license or permit. In connection with the foregoing requirements, the Contractor hereby covenants and agrees that, during the term of this Contract the facilities shall comply with all rules, orders, regulations, and requirements of the State Office of the Fire Marshal and the local fire protection agency, and shall be in conformance with local building and zoning codes, by-laws and regulations.

16. **Insurance:**

As referenced in the Request for Proposal, Comprehensive General Liability Insurance Acknowledgement Form, the Insurance requirement checked under this section is applicable to this contract:

(a) Insurance Requirement for (1) - 501(c) (3) contractors whose annual gross amount of contract work with the State does not exceed $500,000, per RSA 21-I:13, XIV, (Supp. 2006): The general liability insurance requirements of standard State contracts for contractors that qualify for nonprofit status under section 501(c)(3) of the Internal Revenue Code and whose annual gross amount of contract work with the State does not exceed $500,000, is comprehensive general liability insurance in amounts of not less than $1,000,000 per claim or occurrence and $2,000,000 in the aggregate. *These amounts may NOT be modified.*

17. **Renewal:**

As referenced in the Request for Proposals, Renewals Section, this competitively procured Agreement has the option to renew for one (1) additional year, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

18. **Subparagraph 4 of the General Provisions of this contract, Conditional Nature of Agreement, is replaced as follows:**

4. CONDITIONAL NATURE OF AGREEMENT.

Notwithstanding any provision of this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments, in whole or in part, under this Agreement are contingent upon continued appropriation or availability of funds, including any subsequent changes to the appropriation or availability of funds affected by any state or federal legislative or executive action that reduces, eliminates, or otherwise modifies the appropriation or availability of funding for this Agreement and the Scope of Services provided in Exhibit A, Scope of Services, in whole or in part. In no event shall the State be liable for any payments hereunder in excess of appropriated or available funds. In the event of a reduction, termination or modification of appropriated or available funds, the State shall have the right to withhold payment until such funds become available, if ever. The State shall have the right to reduce, terminate or modify services under this Agreement immediately upon giving the Contractor notice of such reduction, termination or modification. The State shall not be required to transfer funds from any other source or account into the Account(s) identified in block 1.6 of the General Provisions, Account Number, or any other account, in the event funds are reduced or unavailable.

The remainder of this page is intentionally left blank.

19. **Subparagraph 10 of the General Provisions of this contract, Termination, is amended by adding the following language;**

10.1 The State may terminate the Agreement at any time for any reason, at the sole discretion of the State, 30 days after giving the Contractor written notice that the State is exercising its option to terminate the Agreement.

10.2 In the event of early termination, the Contractor shall, within 15 days of notice of early termination, develop and submit to the State a Transition Plan for services under the Agreement, including but not limited to, identifying the present and future needs of clients receiving services under the Agreement and establishes a process to meet those needs.

10.3 The Contractor shall fully cooperate with the State and shall promptly provide detailed information to support the Transition Plan including, but not limited to, any information or data requested by the State related to the termination of the Agreement and Transition Plan and shall provide ongoing communication and revisions of the Transition Plan to the State as requested.

10.4 In the event that services under the Agreement, including but not limited to clients receiving services under the Agreement are transitioned to having services delivered by another entity including contracted providers or the State, the Contractor shall provide a process for uninterrupted delivery of services in the Transition Plan.

10.5 The Contractor shall establish a method of notifying clients and other affected individuals about the transition. The Contractor shall include the proposed communications in its Transition Plan submitted to the State as described above.

SPECIAL PROVISIONS – DEFINITIONS

As used in the Contract, the following terms shall have the following meanings:

COSTS: Shall mean those direct and indirect items of expense determined by the Department to be allowable and reimbursable in accordance with cost and accounting principles established in accordance with state and federal laws, regulations, rules and orders.

DEPARTMENT: NH Department of Health and Human Services.

FINANCIAL MANAGEMENT GUIDELINES: Shall mean the section of the Contractor Manual which is entitled "Financial Management Guidelines" and which contains the regulations governing the financial activities of contractor agencies which have contracted with the State of NH to receive funds.

PROPOSAL: If applicable, shall mean the document submitted by the Contractor on a form or forms required by the Department and containing a description of the Services to be provided to eligible individuals by the Contractor in accordance with the terms and conditions of the Contract and setting forth the total cost and sources of revenue for each service to be provided under the Contract.

UNIT: For each service that the Contractor is to provide to eligible individuals hereunder, shall mean that period of time or that specified activity determined by the Department and specified in Exhibit B of the Contract.

FEDERAL/STATE LAW: Whenever federal or state laws, regulations, rules, orders, and policies, etc., are referred to in the Contract, the said reference shall be deemed to mean all such laws, regulations, etc., as they may be amended or revised from time to time.

CONTRACTOR MANUAL: Shall mean that document prepared by the NH Department of Administrative Services containing a compilation of all regulations promulgated pursuant to the New Hampshire Administrative Procedures Act. Refer to RSA Ch 541-A, for the purpose of implementing State of NH and federal regulations promulgated there under.

SUPPLANTING OTHER FEDERAL FUNDS: The Contractor guarantees that funds provided under this Contract will not supplant any existing federal funds available for these services.

CERTIFICATION REGARDING DRUG-FREE WORKPLACE REQUIREMENTS

The Contractor identified in Section 1.3 of the General Provisions of this contract agrees to comply with the provisions of Sections 5151-5160 of the Drug-Free Workplace Act to 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

ALTERNATIVE I – FOR GRANTEES OTHER THAN INDIVIDUALS

b) US DEPARTMENT OF HEALTH AND HUMAN SERVICES – CONTRACTORS
US DEPARTMENT OF EDUCATION – CONTRACTORS
US DEPARTMENT OF AGRICULTURE – CONTRACTORS

This certification is required by the regulations implementing Sections 5151-51-5160 of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.). the January 31, 1989 regulations were amended and published as Part II of the May 25, 1990 Federal Register (pages 21681-21691), and require certification by grantees (and by inference, sub-grantees and sub-contractors), prior to award, that they will maintain a drug-free workplace. Section 3017.630 of the regulation provides that a grantee (and by inference, sub-grantees and sub-contractors) that is a State may elect to make one certification to the Department in each federal fiscal year in lieu of certificates for each grant during the federal fiscal year covered by the certification. The certification set out below is a material representation of fact upon which reliance is placed when the agency awards the grant. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment. Contractors using this form should send it to:

Commissioner
NH Department of Health and Human Services,

(i) 129 Pleasant Street

(ii) Concord, NH 03301

1) The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employee's about:

(1) The dangers of drug abuse in the workplace;
(2) The grantee's policy of maintaining a drug-free workplace;
(3) Any available drug counseling, rehabilitation, and employee assistance programs; and
(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) *Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:*

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten (10) calendar days after receiving notice under subparagraph (d) (2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted by:

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

II.

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).

2) The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant. 235 Hanover Street Manchester, NH 03104

Standard Exhibit F

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS

The Contractor identified in Section 1.3 of the General Provisions of this contract agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions, execute the following Certification:

1. Instructions for Certification

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.

2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.

3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transition. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transition," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntary excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rule implementing Executive Order 12549: 45 CFR Part 76.

6. The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by DHHS.

7. *The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transaction", provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.*

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

(1) PRIMARY COVERED TRANSACTIONS

1. **The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:**

   a. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;

   b. Have not within a three-year period preceding this proposal (contract) been convicted or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or a contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

   c. Are not presently indicted for otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in paragraph 1 b of this certification; and

   d. Have not within a three-year period preceding this application/proposal (contract) had one or more public transactions (Federal, State or local) terminated for cause or default.

2. Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal (contract).

Lower Tier Covered Transactions

By signing and submitting this lower tier proposal (contract), the prospective lower tier participant, as defined in 45 CFR Part 76, certifies to the best of its knowledge and belief that it and its principals:

1. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

2. Where the prospective lower tier participant is unable to certify to any of the above, such prospective participant shall attach an explanation to this proposal (contract).

The prospective lower tier participant further agrees by submitting this proposal (contract) that it will include this clause entitled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion – Lower Tier Covered Transactions," without modification in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

p. Other Definitions - All terms not otherwise defined herein shall have the meaning established under 45 C.F.R. Parts 160, 162 and 164, as amended from time to time, and the HITECH Act.

(2) Use and Disclosure of Protected Health Information.

a. Business Associate shall not use, disclose, maintain or transmit Protected Health Information (PHI) except as reasonably necessary to provide the services outlined under Exhibit A of the Agreement. Further, the Business Associate shall not, and shall ensure that its directors, officers, employees and agents, do not use, disclose, maintain or transmit PHI in any manner that would constitute a violation of the Privacy and Security Rule.

b. Business Associate may use or disclose PHI:

I. For the proper management and administration of the Business Associate;
II. As required by law, pursuant to the terms set forth in paragraph d. below; or
III. For data aggregation purposes for the health care operations of Covered Entity.

c. To the extent Business Associate is permitted under the Agreement to disclose PHI to a third party, Business Associate must obtain, prior to making any such disclosure, (i) reasonable assurances from the third party that such PHI will be held confidentially and used or further disclosed only as required by law or for the purpose for which it was disclosed to the third party; and (ii) an agreement from such third party to notify Business Associate, in accordance with the HITECH Act, Subtitle D, Part 1, Sec. 13402 of any breaches of the confidentiality of the PHI, to the extent it has obtained knowledge of such breach.

d. The Business Associate shall not, unless such disclosure is reasonably necessary to provide services under Exhibit A of the Agreement, disclose any PHI in response to a request for disclosure on the basis that it is required by law, without first notifying Covered Entity so that Covered Entity has an opportunity to object to the disclosure and to seek appropriate relief. If Covered Entity objects to such disclosure, the Business Associate shall refrain from disclosing the PHI until Covered Entity has exhausted all remedies.

e. If the Covered Entity notifies the Business Associate that Covered Entity has agreed to be bound by additional restrictions over and above those uses or disclosures or security safeguards of PHI pursuant to the Privacy and Security Rule, the Business Associate shall be bound by such additional restrictions and shall not disclose PHI in violation of such additional restrictions and shall abide by any additional security safeguards.

(3) **Obligations and Activities of Business Associate.**

a. Business Associate shall report to the designated Privacy Officer of Covered Entity, in writing, any use or disclosure of PHI in violation of the Agreement, including any security incident involving Covered Entity data, in accordance with the HITECH Act, Subtitle D, Part 1, Sec.13402.

b. The Business Associate shall comply with all sections of the Privacy and Security Rule as set forth in, the HITECH Act, Subtitle D, Part 1, Sec. 13401 and Sec.13404.

c. Business Associate shall make available all of its internal policies and procedures, books and records relating to the use and disclosure of PHI received from, or created or received by the Business Associate on behalf of Covered Entity to the Secretary for purposes of determining Covered Entity's compliance with HIPAA and the Privacy and Security Rule.

d. Business Associate shall require all of its business associates that receive, use or have access to PHI under the Agreement, to agree in writing to adhere to the same restrictions and conditions on the use and disclosure of PHI contained herein, including the duty to return or destroy the PHI as provided under Section (3)b and (3)k herein. The Covered Entity shall be considered a direct third party beneficiary of the Contractor's business associate agreements with Contractor's intended business associates, who will be receiving PHI pursuant to this Agreement, with rights of enforcement and indemnification from such business associates who shall be governed by standard provision #13 of this Agreement for the purpose of use and disclosure of protected health information.

e. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

f. Within ten (10) business days of receiving a written request from Covered Entity, Business Associate shall provide access to PHI in a Designated Record Set to the Covered Entity, or as directed by Covered Entity, to an individual in order to meet the requirements under 45 CFR Section 164.524.

g. Within ten (10) business days of receiving a written request from Covered Entity for an amendment of PHI or a record about an individual contained in a Designated Record Set, the Business Associate shall make such PHI available to Covered Entity for amendment and incorporate any such amendment to enable Covered Entity to fulfill its obligations under 45 CFR Section 164.526.

h. Business Associate shall document such disclosures of PHI and information related to such disclosures as would be required for Covered Entity to respond to a request by an individual for an accounting of disclosures of PHI in accordance with 45 CFR Section 164.528.

i. Within ten (10) business days of receiving a written request from Covered Entity for a request for an accounting of disclosures of PHI, Business Associate shall make available to Covered Entity such

information as Covered Entity may require to fulfill its obligations to provide an accounting of disclosures with respect to PHI in accordance with 45 CFR Section 164.528.

j. In the event any individual requests access to, amendment of, or accounting of PHI directly from the Business Associate, the Business Associate shall within two (2) business days forward such request to Covered Entity. Covered Entity shall have the responsibility of responding to forwarded requests. However, if forwarding the individual's request to Covered Entity would cause Covered Entity or the Business Associate to violate HIPAA and the Privacy and Security Rule, the Business Associate shall instead respond to the individual's request as required by such law and notify Covered Entity of such response as soon as practicable.

k. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity; all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. If Covered Entity, in its sole discretion, requires that the Business Associate destroy any or all PHI, the Business Associate shall certify to Covered Entity that the PHI has been destroyed.

(4) Obligations of Covered Entity

a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

b. Covered Entity shall promptly notify Business Associate of any changes in, or revocation of permission provided to Covered Entity by individuals whose PHI may be used or disclosed by Business Associate under this Agreement, pursuant to 45 CFR Section 164.506 or 45 CFR Section 164.508.

c. Covered entity shall promptly notify Business Associate of any restrictions on the use or disclosure of PHI that Covered Entity has agreed to in accordance with 45 CFR 164.522, to the extent that such restriction may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to standard provision #10 of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, and the HITECH Act as amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.

b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.

c. Data Ownership. The Business Associate acknowledges that it has no ownership rights with respect to the PHI provided by or created on behalf of Covered Entity.

d. Interpretation. The parties agree that any ambiguity in the Agreement shall be resolved to permit Covered Entity to comply with HIPAA, the Privacy and Security Rule and the HITECH Act.

e. Segregation. If any term or condition of this Exhibit I or the application thereof to any person(s) or circumstance is held invalid, such invalidity shall not affect other terms or conditions which can be given effect without the invalid term or condition; to this end the terms and conditions of this Exhibit I are declared severable.

f. Survival. Provisions in this Exhibit I regarding the use and disclosure of PHI, return or destruction of PHI, extensions of the protections of the Agreement in section 3 k, the defense and indemnification provisions of section 3 d and standard contract provision #13, shall survive the termination of the Agreement.

IN WITNESS WHEREOF, the parties hereto have duly executed this Exhibit I.

Amendment #4 to the Substance Use Disorder Treatment and Recovery Support Services Contract

This fourth Amendment to the Substance Use Disorder Treatment and Recovery Support Services contract (hereinafter referred to as "Amendment 4") dated July 16, 2015, is by and between the State of New Hampshire, Department of Health and Human Services (hereinafter referred to as the "State" or "Department") and The Mental Health Center of Greater Manchester, Inc. (hereinafter referred to as "the Contractor"), a non-profit corporation with a place of business at 401 Cypress Street, Manchester, NH 03103.

WHEREAS, pursuant to an agreement approved by the Governor and Executive Council on June 20, 2012, (Item #109) (hereinafter referred to as "Contract"), and amended by an agreement (Amendment #1 to the Contract) approved on June 5, 2013 (Item #102A), (Amendment #2 to the Contract) approved on June 18, 2014 (Item #99), and (Amendment #3 to the Contract) approved on June 24, 2015 (Item #29) by Governor and Executive Council, the Contractor agreed to perform certain services based upon the terms and conditions specified in the Contract and in consideration of certain sums specified;

WHEREAS, the State and the Contractor have agreed to make changes to the scope of work, payment schedules and terms and conditions of the contract;

WHEREAS, pursuant to the Agreement (section 18 of the General Provisions of the Form P-37), the Agreement may be modified or amended only by written instrument executed by the parties thereto and approved by the Governor and Executive Council;

WHEREAS, the State and the Contractor agree to add scope of work and to increase the price limitation; and

NOW THEREFORE, in consideration of the foregoing and the mutual covenants and conditions contained in the Contract and set forth herein, the parties agree as follows:

1. Except as specifically amended and modified by the terms and conditions in this Amendment #4, the obligations of the parties shall remain in full force and effect in accordance with the terms and conditions set forth in the Contract as referenced above.

2. Amend General Provisions (Form P-37), Block 1.8 Price Limitation to read: $114,899.00.

3. Add Exhibit A-1, Scope of Services

4. Delete in its entirety, Exhibit B Amendment #3, Methods and Conditions Precedent to Payment, and replace with Exhibit B Amendment #4, Method and Conditions Precedent to Payment.

Scope of Services

1. Provisions Applicable to All Services

1.1. The Contractor shall complete the Scope of Work described in Exhibit A-1 from the effective date of Amendment #4 through September 30, 2015.

1.2. The Contractor agrees that, to the extent future legislative action by the New Hampshire General Court or federal or state court orders may have an impact on the Services described herein, the State Agency has the right to modify Service priorities and expenditure requirements under this Agreement so as to achieve compliance therewith.

2. Scope of Services

2.1. The Contractor shall provide for Department approval, within 5 business days from the effective date of the Amendment #4, a plan that describes the scope of work that will be provided to improve current services and/or to expand capacity for substance use disorder treatment and recovery support services, as defined in Section 2.2. below.

2.1.1. The Contractor may amend the Department approved plan, defined in Section 2.1 above, by submitting an amended plan to the Department for approval, before the end date in Section 1.1. above.

2.2. The Contractor shall complete at least one of the Improving Current Services and Expanding Capacity projects from the four Categories listed below (Sections 2.2.1 through 2.2.4):

2.2.1. Improving Existing Facilities such as, but not limited to:

2.2.1.1. Installing camera systems to increase safety for clients and staff.

2.2.2. Purchasing Equipment, Software, and Program Supplies such as, but not limited to:

2.2.2.1. Replacing equipment that is not in good working order to improve staff efficiency and client safety;

2.2.2.2. Purchasing equipment to support new staff being hired to expand service capacity;

2.2.2.3. Purchasing equipment to improve the treatment experience for clients;

2.2.2.4. Purchasing computers to allow clients to look for work and otherwise prepare to transition back into and contribute to the community;

2.2.2.5. Purchasing Electronic Medical Record, Billing, and other software systems to increase efficiency and meet Federal requirements;

Contractor Initials WM
Date 7/21/15

2.2.2.6. Purchasing toiletries and other necessities for clients who are not yet able to purchase these on their own.

2.2.3. Purchasing Program Materials (curricula, journals, books, etc.) such as:

2.2.3.1. Replacing program materials that are outdated, worn out and/or depleted;

2.2.3.2. Purchasing new program materials to implement and/or expand evidence based practices for new and current programs.

2.2.4. Paying for Staff/Consultant Costs such as, but not limited to:

2.2.4.1. Temporarily increasing the hours of existing staff to complete short-term projects, such as developing policies, procedures, protocols, forms and case management formats for new programs to expand capacity;

2.2.4.2. Training new and existing staff to implement and/or expand evidence based practices for new and current programs;

2.2.4.3. Hiring consultants to assist with obtaining necessary licensures and designing new programming to expand capacity;

2.2.4.4. Staff or consultant time to survey the service gaps in the community and develop strategies and programming for filling those gaps;

2.2.4.5. Covering the initial costs of hiring new staff to increase efficiency by filling current gaps in program staffing or to expand capacity.

2.2.5. The Contractor may propose an alternate Improving Current Services and Expanding Capacity project(s) that is not list above in Sections 2.2.1 through 2.2.4. and that is compliance with the Catalog of Domestic Assistance ##93.959.

2.3. The Contractor will submit a progress report to the Department by September 10, 2015 against the defined plan approved by the Department.

Method and Conditions Precedent to Payment

I. Funding

The State shall pay the Contractor an amount not to exceed the Price Limitation, block 1.8, for the services provided by the Contractor pursuant to Exhibit A Amendment #3, Scope of Services and Exhibit A-1, Scope of Services.

A. Funding for Exhibit A, Amendment #3

For the period of July 1, 2015 through December 31, 2015, funding for Exhibit A Amendment #3 is funded by various sources as a percentage of the total amount of $13,557.00 as follows:

- 46% Federal Funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant (CFDA #93.959);
- 22% General Governor's Commission on Alcohol and Drug Abuse Prevention, Intervention and Treatment Funds; and
- 32% General funds.

The Contractor agrees to provide the services in Exhibit A Amendment #3, Scope of Services in compliance with the funding requirements above.

The Contractor shall comply with Sections II through VIII for payment and invoicing instructions for services provided in Exhibit A Amendment #3.

B. Funding for Exhibit A-1, Scope of Services

From the effective date of Amendment #4 through September 30, 2015, the State shall pay the Contractor an amount not to exceed $20,000, for the services provided by the Contractor pursuant to Exhibit A-1, Scope of Services.

Funding is 100% Federal Funds from the Substance Abuse and Mental Health Services Administration, Substance Abuse Prevention and Treatment Block Grant (CFDA #93.959);

The Contractor agrees to provide the services in Exhibit A-1, Scope of Services in compliance with the funding requirements above

The Contractor shall comply with Section IX for payment and invoicing instructions for services provided in Exhibit A-1, Scope of Services.

II. Payment Methodology

The Contractor will be reimbursed for providing and delivering the services identified in Exhibit A Amendment #3, section B. The following terms and conditions detailed in this Exhibit B Amendment #3 will apply to all services unless expressly stated otherwise.

The Contractor will use and apply all contract funds from the State for costs and expenses as detailed in the Service Reimbursement Table below. Allowable costs and expenses shall be determined by the State in accordance with applicable state and federal laws and regulations. Effective July 1, 2014, the contractor will receive a payment for each service at the rates and within the limits described below. For clients receiving DHHS supported services, the contractor may not charge the client, any 3rd party payor, and DHHS a combined rate that is more than the

rate established by BDAS for that level of service or any other fees. These parties shall be charged in the following order:

1. The maximum allowed charge will be billed to the client's insurer, if applicable.
2. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
3. The balance of the maximum allowed charge, after deducting the client's portion and insurance payment, if applicable, shall be charged to DHHS.

Service Reimbursement Table

An "X" below denotes the services, and their corresponding Rates and Service Limits; the Contractor will be reimbursed for in accordance with the Payment Methodology above.

X	Recovery Support Services: Continuous Recovery Monitoring – Completed	$15.00/contact	
	Enhanced Services	Cost Reimbursement	Up to the Budget Amount

* The Contractor will bill the per diem rate for Intensive Outpatient Treatment services only on those days when the client attends individual and/or group counseling associated with the

program. It is expected that each day of attendance includes a minimum of 3 hours of group and/or individual counseling services.
**Attempted Contact is at least 3 attempts to contact a client over the course of at least one week.
*** A unit is equal to 15 minutes of service

It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. **Failure to meet this requirement may result in amendment to or termination of the contract. At a minimum, contractors must provide the array of services they contracted to provide for in SFY15.**

III. Performance Incentives:

A. Access to Services:

Treatment contractors shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within at least 2 business days following the day the call was received and shall conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact. For each client who screens eligible for services and starts receiving services, whether for the identified level of care or interim services, within 10 business days following the eligibility screening, the treatment contractor will receive an incentive payment of $75.00. Access incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

B. Completion:

For each client who is discharged from the program because they have completed treatment or transferred to another treatment provider as recorded in the Discharge Type field of the WITS Discharge Module, the treatment contractor will receive an incentive payment of $75.00. Completion incentives will be calculated and paid on a monthly basis for services in the previous calendar month.

C. Client Outcomes:

If a client who was discharged from the program meets at least 3 of the Outcome criteria below in the 3rd and/or 6th month post-discharge, as evidenced by the WITS Follow-Up module, the treatment contractor will receive an incentive payment in the amount of $50. The 3rd month post discharge is considered to be 60 – 120 days post discharge. The 6th month post discharge is considered to be 150 – 210 days post discharge. Outcomes incentives will be calculated and paid on a monthly basis for clients meeting criteria in the previous calendar month. It is expected that at least 50% of discharged clients will be contacted for 3 and/or 6 month follow-up over the contract year.

i. Abstinence: The client reports reduced or no substance use in the past 30 days.
ii. Employment/Education: The client reports increased or retained employment or the client reports returning to or staying in school.
iii. Crime and Criminal Justice: The client reports no arrests in the past 30 days.
iv. Stability in Housing: The client reports being in stable housing.

v. Social Connectedness: The client reports engagement in Recovery Support Services, Care Coordination, and/or Community Based Support Groups in the past 30 days.

D. Performance Incentive Payout Limits:
Performance incentives are limited to no more than 6% of the total contract amount annually. The total amount paid out during the contract year will never exceed the total contract amount. DHHS is not obligated to make payment for any incentives that occur outside of the current contract year; however, incentives may be carried over to future contract years at the discretion of DHHS.

E. Failure to Meet Deliverables:
The Contractor shall comply with all contract requirements as detailed in Exhibit A section B, Required Services. Upon determination that Contractor may not be meeting the required deliverables, within two (2) weeks BDAS will provide a written correction action plan. Within two (2) weeks of notification of the corrective action plan, Contractor will provide a written remedial plan. BDAS will monitor the corrective actions for 60 days. Failure to meet requirements of the corrective action plan within 60 days may result in withholding of any or all payments or termination of the contract.

F. Invoicing & Billing:
The Contractor shall complete all billing for all services defined in this Agreement through the WITS system according to protocols established by BDAS.

The Contractor shall have written authorization from the State prior to using contract funds to purchase or lease any equipment with a cost in excess of two thousand five hundred dollars ($2500) and with a useful life beyond one year.

IV. Allocation of Funding:
It is incumbent upon the contractor to monitor service array and utilization to ensure that a consistent level of service will be available throughout the contract period. Utilization and array will also be monitored by the Department via WITS. The contractor is prohibited from spending down more than the sum of the total contract amount that includes the cost of the client services and related incentives.

V. Availability of Alternative Funding:
The New Hampshire Department of Health and Human Services may terminate or amend the contract should alternate third party payors, including Medicaid, the New Hampshire Health Protection Program and/or insurance available on the New Hampshire Insurance Exchange cover any of the services included in this contract.

VI. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds:
The Contractor agrees to use the SAPT funds as the payment of last resort.
Restrictions on SAPT Block Grant on State and Contractor expenditures include:
The State may not:

- Provide inpatient hospital services except under those conditions outlined in the regulations.
- Make cash payments to intended recipients of substance abuse services.
- Purchase or improve land.

- Purchase, construct, or permanently improve buildings or other facilities.
- Purchase major medical equipment.
- Satisfy any requirement for the expenditure of non-Federal funds as a condition for the receipt of Federal funds. (in-kind)
- Provide financial assistance to any entity other than a public or non-profit private entity.
- Provide individuals with hypodermic needles or syringes.
- Expend more than the amount of Block Grant funds expended in FFY91 for treatment services provided in penal or correctional institutions of the State.

The Contractor shall not:

- Use any federal funds provided under this contract for the purpose of conducting testing for the etiologic agent for Human Immunodeficiency Virus (HIV) unless such testing is accompanied by appropriate pre and post-test counseling.
- Use any federal funds provided under this contract for the purpose of conducting any form of needle exchange, free needle programs or the distribution of bleach for the cleaning of needles for intravenous drug abusers.

VII. Charitable Choice:

Federal Charitable Choice statutory provisions ensure that religious organizations are able to equally compete for Federal substance abuse funding administered by SAMHSA, without impairing the religious character of such organizations and without diminishing the religious freedom of SAMHSA beneficiaries (see 42 USC 300x-65 and 42 CFR Part 54 and Part 54a, 45 CFR Part 96, Charitable Choice Provisions and Regulations). Charitable Choice statutory provisions of the Public Health Service Act enacted by Congress in 2000 are applicable to the SAPT Block Grant program. No funds provided directly from SAMHSA or the relevant State or local government to organizations participating in applicable programs may be expended for inherently religious activities, such as worship, religious instruction, or proselytization. If an organization conducts such activities, it must offer them separately, in time or location, from the programs or services for which it receives funds directly from SAMHSA or the relevant State or local government under any applicable program, and participation must be voluntary for the program beneficiaries.

VIII. Notwithstanding paragraph 18 of the General Provisions of this Agreement P-37, an amendment limited to adjusting amounts within the budgets and within the price limitation, can be made by written agreement of both parties and may be made without obtaining approval of Governor and Executive Council.

IX. Payment and Invoicing Instructions for Exhibit A-1, Scope of Services

A. Payment for said services shall be made as follows:

i. The Contractor will submit one invoice by October 10, 2015, which identifies and requests reimbursement for authorized expenses incurred for the period defined in Section "I. Funding, B. Funding for Exhibit A-1," above.

ii. The State shall make payment to the Contractor within thirty (30) days of receipt of each invoice for Contractor services provided pursuant to this Agreement.

The invoice must be submitted to:
Financial Manager
Department of Health and Human Services,
Bureau of Drug and Alcohol Services
105 Pleasant Street
Concord, NH 03301

B. The invoice shall include an itemized listing of expenses, amounts and dates when the expenses incurred.

C. The Contractor shall provide supporting documentation to support evidence of actual expenditures identified on the invoice and in accordance with the Department approved plan, such as but not limited to: a copy of the approval from the Department to expend the funding; a detailed description of the scope of work that was completed; copies of invoices for purchases; and/or the names of the Contractor's staff, dates and hours worked and amounts being billed for the specific scope of work.

D. Allowable costs and expenses shall be determined by the Department in accordance with applicable state and federal laws and regulations.

E. The Contractor shall not bill for reimbursement of expenses incurred before or after the period defined in Section "I. Funding, B. Funding for Exhibit A-1," above.

F. The Contractor shall obtain Department approval prior to incurring the expense to provide the scope of work described in the Department approved plan.

G. Notwithstanding anything to the contrary herein, the Contractor agrees that funding under this contract may be withheld, in whole, or in part, in the event of noncompliance with any State of Federal law, rule or regulation applicable to the services provided, or if the said services have not been completed in accordance with the terms and conditions of this Agreement.

H. Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds are defined in Section "VI Limitations and restrictions of federal Substance Abuse Prevention and Treatment (SAPT) Block Grant funds," above.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
of The Mental Health Center of Greater Manchester, Inc.
and Manchester Mental Health Foundation, Inc.

We have audited the accompanying combining financial statements of The Mental Health Center of Greater Manchester, Inc. and its affiliate Manchester Mental Health Foundation, Inc. (nonprofit organizations) which comprise the statement of financial position as of June 30, 2014, and the related combining statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the combining financial statements referred to above present fairly, in all material respects, the individual and combining financial positions of The Mental Health Center of Greater Manchester, Inc. and Manchester Mental Health Foundation, Inc. as of June 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the combining financial statements as a whole. The supplementary information on pages 17 through 21 is presented for the purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with audit standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO COMBINING FINANCIAL STATEMENTS
June 30, 2014

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The Mental Health Center of Greater Manchester, Inc. (the "Center") a not-for-profit corporation, organized under New Hampshire law to provide services in the areas of mental health, and related non-mental health programs is exempt from income taxes under Section 501 (c)(3) of the Internal Revenue Code. In addition, the organization qualifies for the charitable contribution deduction under Section 170 (b)(1)(a) and has been classified as an organization that is not a private foundation under Section 509(a)(2). In July 1990, the Center was reorganized and Manchester Mental Health Foundation, Inc. (the "Foundation") became the sole corporate member of the Center. The Foundation is also a 501(c)(3). The Foundation's purpose is to raise and invest funds for the benefit of the Center.

Basis of Presentation

The combining financial statements include the accounts of The Mental Health Center of Greater Manchester, Inc. and its affiliate, Manchester Mental Health Foundation, Inc. All inter-company transactions and accounts have been eliminated in combination.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

Consideration has been given to uncertain tax positions. The federal income tax returns for the years ended after June 30, 2011, remain open for potential examination by major tax jurisdictions, generally for three years after they were filed.

State Grants

The Center receives a number of grants from, and has entered into various contracts with the State of New Hampshire related to the delivery of mental health services.

Depreciation

The cost of property, equipment and improvements is depreciated over the estimated useful life of the assets using the straight line method. Assets deemed to have a useful life greater than three years are deemed capital in nature. Estimated useful lives range from 3 to 40 years.

Vacation Pay and Fringe Benefits

Vacation pay is accrued and charged to the programs when earned by the employee. Fringe benefits are allocated to the appropriate program expense based on the percentage of actual time spent on the programs.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue

Revenue from federal, state and other sources is recognized in the period earned.

Accounts Receivable

Accounts receivable are recorded based on amounts billed for services provided, net of respective contractual adjustments and bad debt allowances.

Policy for Evaluating Collectability of Accounts Receivable

In evaluating the collectability of accounts receivable, the Center analyzes past results and identifies trends for each major payor source of revenue for the purpose of estimating the appropriate amounts of the allowance for contractual adjustments and bad debts. Data in each major payor source is regularly reviewed to evaluate the adequacy of the allowance for contractual adjustments and doubtful accounts. Specifically, for receivables relating to services provided to clients having third-party coverage, an allowance for contractual adjustments and doubtful accounts and a corresponding provision for contractual adjustments and bad debts are established for amounts outstanding for an extended period of time and for third-party payors experiencing financial difficulties; for receivables relating to self-pay clients, a provision for bad debts is made in the period services are rendered based on experience indicating the inability or unwillingness of clients to pay amounts for which they are financially responsible.

Based on management's assessment, the Center provides for estimated contractual allowances and uncollectible amounts through a charge to earnings and a credit to a valuation allowance. Balances that remain outstanding after the Center has used reasonable collection efforts are written off through a change to the valuation allowance and a credit to accounts receivable.

During 2014, the Center decreased its estimate in the allowance for doubtful accounts from 63% to 58% of total accounts receivable to $4,918,837 as of June 30, 2014 from $3,212,981 as of June 30, 2013. This was a result of self-pay patient accounts receivable decreasing as a percentage of accounts receivable to 45% of total accounts receivable as of June 30, 2014 from 47% of total accounts receivable as of June 30, 2013.

Client Service Revenue

The Center recognizes client service revenue relating to services rendered to clients that have third-party payor coverage and are self pay. The Center receives reimbursement from Medicare, Medicaid and Insurance Companies at defined rates for services to clients covered by such third-party payor programs. The difference between the established billing rates and the actual rate of reimbursement is recorded as allowances when received. For services rendered to uninsured clients (i.e., self-pay clients), revenue is recognized on the basis of standard or negotiated discounted rates. At the time services are rendered to self-pay clients, a provision for bad debts is recorded based on experience and the effects of newly identified circumstances and trends in pay rates. Client service revenue (net of contractual allowances and discounts but before taking account of the provision for bad debts) recognized during the year ended June 30, 2014 totaled $19,487,493, of which $18,814,359 was revenue from third-party payors and $673,134 was revenue from self-pay clients.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Cash and Cash Equivalents

For purposes of the statement of cash flows, the Company considers all short-term debt securities purchased with a maturity of three months or less to be cash equivalents.

Temporarily and Permanently Restricted Net Assets

Gifts are reported as either temporarily or permanently restricted support if they are received with donor stipulations that limit the use of donated assets.

Temporarily restricted net assets are those whose use by the Center has been limited by donors to a specific time period or purpose. When a donor restriction expires (when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of operations as either net assets released from restrictions (for non-capital related items) or as net assets released from restrictions used for capital purchases (capital related items).

Permanently restricted net assets are restricted by donors and to be maintained in perpetuity. Income earned on permanently restricted net assets, to the extent not restricted by the donor, including net realized appreciation on investments, would be included in the statement of activities as unrestricted resources or as a change in temporarily restricted net assets in accordance with donor-intended purposes.

Employee Benefit Program

The Center maintains a tax-sheltered annuity benefit program, which covers substantially all employees. Eligible employees may contribute up to maximum limitations (set annually by the IRS) of their annual salary. After one year's employment, the employees' contributions are matched by the Center up to 5 percent of their annual salary. The combined amount of employee and employer contributions is subject by law to yearly maximum amounts. The employer match was $372,866 for the year ended June 30, 2014.

Postretirement Medical Benefits

The Center sponsors an unfunded defined benefit postretirement plan covering certain of its employees (employed prior to January 1, 1997). In 2008, all eligible active employees were offered and accepted a buyout of the program leaving the plan to provide medical benefits to eligible retired employees. See Note 8 for further discussion of the Plan.

For retirements prior to January 1, 1997, benefits are based upon quoted premium rates. For retirements on or after January 1, 1997 up to June 30, 2007, the benefits are based on monthly premiums frozen at their December 31, 1996 level. The plan is funded as premiums are paid.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Malpractice Loss Contingencies

The Center has an occurrence basis policy for its malpractice insurance coverage. An occurrence basis policy provides specific coverage for claims resulting from incidents that occur during the policy term, regardless of when the claims are reported to the insurance carrier. The possibility exists, as a normal risk of doing business, that malpractice claims in excess of insurance coverage may be asserted against the Center. In the event a loss contingency should occur, the Center would give it appropriate recognition in its financial statements.

NOTE 2 CLIENT SERVICE REVENUES FROM THIRD PARTY PAYORS

The Center has agreements with third-party payors that provide payments to the Center at established rates. These payments include:

New Hampshire and Managed Medicaid
The Center is reimbursed for services from the State of New Hampshire and Managed Care Organizations for services rendered to Medicaid clients on the basis of fixed Fee for Service rates.

Approximately 74% of net client service revenue is from participation in the state and managed care organization sponsored Medicaid programs for the year ended June 30, 2014. Laws and regulations governing the Medicaid programs are complex and subject to interpretation and change. As a result, it is reasonable possible that recorded estimates could change materially in the near term.

NOTE 3 PROPERTY AND EQUIPMENT

Property, plant and equipment is stated at cost. Expenditures for maintenance and repairs are charged to expense as incurred and expenditures for major renovations are capitalized. Depreciation is computed on the straight-line method over the estimated useful lives of the assets being depreciated.

Property and equipment consisted of the following at June 30, 2014:

Land	$ 1,415,708
Buildings and improvements	4,480,139
Furniture and equipment	1,441,630
	7,337,477
Accumulated depreciation	(4,187,344)
	$ 3,150,133

Depreciation expense for the year ended June 30, 2014 was $235,860.

The weighted-average discount rate used in determining the accumulated benefit obligation was 4.00% at June 30, 2014.

NOTE 9 OTHER POST-RETIREMENT HEALTH BENEFIT PLAN

During 2007, the Center offered a buyout to employees who would have been eligible to participate in the post retirement health plan upon their retirement. As a result, no additional employees will be enrolled in the plan. Only current retirees participate in the plan.

During 1997, the Center amended the plan to freeze monthly premiums at their December 31, 1996 level and to no longer provide the postretirement benefit to employees hired after December 31, 1996. The weighted-average annual assumed rate of increase in per capita cost of covered benefits (i.e., health care cost trend rate) was 4.00% for the year ending June 30, 2014; and 4.00% per year for retirements that occurs on or after January 1, 1997, until those retirees' monthly premium cap of $188 is reached.

Net Post Retirement Health Cost:	
Interest cost	$ 3,029
Net amortization of (gain)	(17,893)
Net post retirement health cost	$ (14,864)

Change in Accumulated Projected Benefit Obligation:	
Accumulated benefit obligation at beginning of year	$ 73,671
Interest cost	3,029
Actuarial loss	823
Benefits paid	(12,717)
Benefit obligation at end of year	$ 64,806

FASB Balance Sheet Liability:	
Accumulated postretirement benefit obligation	$ 64,806
Fair value of plan assets	-
Unfunded accumulated postretirement benefit obligation	$ 64,806

NOTE 9 OTHER POST-RETIREMENT HEALTH BENEFIT PLAN (continued)

Reconciliation of Accrued Costs:

Accrued benefit obligation at beginning of year	$ 259,964
Net post retirement health cost for the year	(14,864)
Contributions made during the year (benefits paid)	(12,717)
Accrued post retirement health cost at end of year	$ 232,383

Gains and losses in excess of 10% of the greater of the benefit obligation and the fair value of assets are amortized over the average remaining service period of active participants.

Assumptions
Weighted-average assumptions used to determine Benefit Obligations at June 30, 2014:

Discount rate	4.50%

Assumed health care cost trend rates have a significant effect on the amounts reported for health care plans. A 1% change in assumed health care cost trend rates would have the following effects:

	1% Increase	1% Decrease
Effect on total of service and interest cost components of net periodic postretirement health care benefit cost	$ 3,088	$ 2,972

	1% Increase	1% Decrease
Effect on the health care component of the accumulated postretirement benefit obligation	$ 66,206	$ 63,441

Weighted-average assumptions used to determine Net Periodic Benefit Cost at June 30, 2014:

Discount rate	4.00%

NOTE 13FAIR VALUE MEASUREMENTS

The Foundation's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable or reflective of future fair values. Furthermore, although the Foundation believes its valuations methods are appropriate and consistent with other market participant, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quotes prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority.

NOTE 13FAIR VALUE MEASUREMENTS (continued)

The Foundation uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Foundation measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 input valuation methods are described in detail below and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds, equities and options are valued at the daily closing price as reported by the fund. Mutual funds, equities and options held by the Foundation are open-end and are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The investments held by the Foundation are deemed to be actively traded.

The following table presents by level, within the fair value hierarchy, the Foundation investment assets at fair value, as of June 30, 2014. As required by professional accounting standards, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

Scope of Services

A. *Population Served*

The Contractor will provide substance use disorder treatment services to New Hampshire residents who:

- meet diagnostic, financial, and other eligibility criteria, as defined in Section C, Clients Eligible for Treatment Services; and
- Reside in any city or town, or who are homeless, in New Hampshire.

B. *Required Treatment Services*

The Contractor will provide treatment services as identified in the **Service Table** below. An "X" denotes the services that the Contractor will provide to eligible individuals in accordance with all applicable laws, rules, and regulations and terms and conditions of this Agreement.

Service Table	
Required Services	**Treatment Services**
X	***Outpatient Treatment (ASAM Level 1)*** - Substance abuse treatment services provided in individual and group counseling sessions in a non-residential setting. Clients may be enrolled in outpatient treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. Outpatient Treatment providers must provide assessment to all clients to determine the appropriate ASAM (October 2013) level of care. If this level is higher than ASAM Level 1, the outpatient provider must refer the client to the appropriate level of care and provide interim services until the client is able to enter the appropriate level of care.
X	***Outpatient Treatment (ASAM Level 1) – Pregnant & Parenting Women*** – Outpatient Treatment as identified above provided to pregnant & parenting women.
X	***Intensive Outpatient Treatment (ASAM Level 2.1)*** – A combination of individual and group substance abuse treatment services conducted in an outpatient setting for a minimum of 3 hours of direct client treatment services per day for a minimum of three days per week. Clients receiving less than this level of service should be enrolled in an outpatient program. Clients may be enrolled in intensive outpatient treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. No client shall be admitted to an ASAM Level 2.1 program without first having an evaluation and referral from an ASAM Level 1 provider.
X	***Intensive Outpatient Treatment (ASAM Level 2.1) – Pregnant & Parenting Women*** - Intensive Outpatient Treatment as identified above provided to pregnant & parenting women.

Exhibit A Amendment #3

Service Table	
Required Services	**Treatment Services**
	Low-Intensity Residential Treatment (ASAM Level 3.1, Formerly Transitional Living) – Residential substance abuse treatment services are designed to support individuals in the early stages of recovery that need this residential level of care and/or are homeless. The goal of these programs is to prepare clients to become self-sufficient in the community. Clients may be enrolled in low-intensity residential treatment and recovery support services simultaneously when clinically appropriate. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. Residents typically work in the community and may pay a portion of their room and board. No client shall be admitted to an ASAM Level 3.1 program without first having an evaluation and referral from an ASAM Level 1 provider.
	Low-Intensity Residential Treatment (ASAM Level 3.1, Formerly Transitional Living) – Pregnant Women - Low-Intensity Residential Treatment as identified above provided to pregnant & parenting women.
	High-Intensity Residential – Adult (ASAM Level 3.5, Formerly: Residential – Treatment Adult) and Medium Intensity Residential – Adolescent (ASAM Level 3.5, Formerly: Residential – Treatment Adolescent) - Short-term residential substance abuse treatment designed to assist individuals who require a more intensive level of service in a structured setting and/or individuals that may be homeless. Admission is on a voluntary basis. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. No client shall be admitted to an ASAM Level 3.5 program without first having an evaluation and referral from an ASAM Level 1 provider.
	High-Intensity Residential – Adult (ASAM Level 3.5, Formerly: Residential – Treatment Adult) and Medium Intensity Residential – Adolescent (ASAM Level 3.5, Formerly: Residential – Treatment Adolescent) - Pregnant Women - High-Intensity Residential – Adult and Medium Intensity Residential – Adolescent as identified above provided to pregnant women.
	Specialty Residential Treatment for Pregnant & Parenting Women (ASAM Level 3.5) - Residential treatment services for pregnant and parenting women and their children. Continued service and transfer/discharge decisions are based on ASAM Criteria (October 2013). Clinical staff shall conduct a redetermination of ASAM level of care in response to any changes impacting level of risk on any ASAM dimension on an on-going basis and no less than every 30 days. No client shall be admitted to an ASAM Level 3.5 program without first having an evaluation and referral from an ASAM Level 1 provider.

Required Services	**Treatment Services**
X	***Recovery Support Services:*** Group or individual services that are consistent with an individual's recovery plan that prevent relapse and enhance or remove barriers to recovery. Examples of recovery support services include, but are not limited to: assisting clients with enrollment in Medicaid, the New Hampshire Health Protection Program (NHHPP), or private insurance, anger management, financial management, communication skills, spiritual support, parenting skills, health management, case management, organization and time management, recovery coaching, recovery mentoring, stress management, and vocational services. Programs may focus on a single recovery support service or provide a curriculum that includes an array of recovery support services. Types of Recovery Support Services are listed below:
X	• Continuous recovery monitoring services are regular follow-ups with clients to assess the status of the client's recovery, identify any needs the client may have and help the client to address those needs, and provide early intervention for client's who have relapsed or who's recovery is otherwise at risk.
	• Enhanced Services are specialized services that remove barriers to a client's participation in treatment. Examples of these services are child care while a parent is participating in treatment or transportation to and/or from the treatment site.
X	***Recovery Support Services*** as identified above provided to pregnant & parenting women.

C. Required Provisions for Services

Priority Admission:

1) The Contractor shall give admission preference to pregnant women and women with dependent children, even if the children are not in their custody, as long as parental rights have not been terminated, including the provision of interim services within the required 48 hour time frame.
2) Individuals who have been administered Narcan to reverse the effects of an opioid overdose either in the 14 days prior to screening or in the period between screening and admission to the program.
3) Individuals with a history of injection drug use including the provision of interim services within 14 days.
4) Individuals with a primary diagnosis of a substance use disorder, which may also include a co-occurring mental health disorder.
5) Individuals with substance use co-occuring mental health disorders.
6) Individuals with Opioid Use Disorders.

Required Outreach:

New Hampshire Department of Health & Human Services (DHHS) programs receiving federal treatment Block Grant funds requires that Contractors must publicize services available to pregnant or parenting women and injection drug users in need of substance abuse treatment

Contractor Initials: MK
Date: 6/4/15

and that these individuals receive preference for admission to treatment. This may be done as follows, but is not limited to, street outreach programs, ongoing public service announcements (radio/television), regular advertisements in local/regional print media, posters placed in targeted areas, and frequent notification of availability of such treatment distributed to the network of community based organizations, health care providers and social service agencies. The Contractor will submit their outreach plans to DHHS through the Bureau of Drug and Alcohol Services (BDAS) within 60 days of contract effective date.

Health Facilities Administration Licensing Requirements:
Housing programs with substance abuse treatment services at the same location will need to secure necessary licensing as a Residential Rehabilitation Facility by the DHHS Bureau of Health Facilities Administration, as appropriate, see He-P 807 at the following link: (http://www.gencourt.state.nh.us/rules/state_agencies/he-p800.html). Any contractor with an American Society of Addiction Medicine (ASAM) (October 2013) Level 3.3 or higher level program must secure this licensing for all Level 3 programs housed within the same facility as the Level 3.3 program. In the case of residential treatment and housing at the same site, residential programs must be in compliance with the most recent DHHS requirements relative to the Institute for Mental Disease (IMD) Exclusion.

Capacity Reporting:
The Contractor must contact BDAS, as agent for DHHS, when their capacity has reached 90% within 5 business days. The Contractor must refer pregnant women to the State when the Contractor has insufficient capacity to provide services to any such pregnant women who seek the services of the program. Sending e-mail to the BDAS Clinical Services Unit Administrator may complete this notification process.

Access to Services:
Programs above ASAM Level 1 may not accept clients in the absence of a recommendation to the program's level of care based on an evaluation by and ASAM Level 1 provider. ASAM Level 1 programs may not provide services other than evaluation until an evaluation has been completed and a level of care recommendation established. The required evaluation may be conducted by any ASAM Level 1 provider, regardless of DHHS contract status, but will only be DHHS reimbursed for DHHS contracted providers.
The Contractor shall respond to calls requesting services, whether an initial or subsequent call, from clients or referring agencies as soon as possible and within 2 business days following the day the call was received. If a client contacts the contractor and has not obtained an evaluation and ASAM Level of Care recommendation, the contractor shall refer the client to an ASAM Level 1 provider to obtain this. If the client has obtained and evaluation and ASAM Level of Care recommendation from an ASAM Level 1 provider, but the contractor cannot provide that level of care to the client, the contractor shall refer the client to a program that can provide the appropriate ASAM level of care. If the contractor is an ASAM Level 1 provider or if the client's ASAM Level of Care recommendation is consistent with the level of care provided by the contractor, the contractor is required to conduct initial eligibility screening as soon as possible, ideally at the time of first contact (direct communication by phone or in person) with the client or referring agency, but not later than 5 business days following the date of first contact.

Those who have screened eligible for evaluation services will be seen for the initial evaluation within 5 business days and a final evaluation narrative and ASAM level of care recommendation and referral will be completed within 10 business days.

Those who have completed an evaluation and ASAM level of care recommendation and referral and screened eligible for services will start receiving services, whether for the identified level of care or interim services, within 10 business days following the eligibility screening. If the client is not able to access interim services at the contractor's agency for geographic or other reasons, the client should be referred to a DHHS funded provider where they are able to access interim services.

Contractors receiving grant funds from DHHS will not discriminate against clients who are using legitimate medications to assist their recovery and will not have policies that allow them to refuse admission to treatment or to discharge clients from treatment based on the use of appropriately prescribed medications and various opiate replacement therapies, including, but not limited to, methadone and buprenorphine, as well as other forms of medication-assisted treatment for co-occurring substance abuse and mental health disorders.

Clients Eligible for Treatment Services:

In order to be eligible for DHHS supported services, a client must meet all eligibility criteria described below. Eligibility determination shall be conducted as follows:

1. Substance Use Disorder, Financial Eligibility & Residency Screening: The contractor shall complete the eligibility screening module in the Web Information Technology System (WITS) to determine if the client meets residency, financial, and substance use disorder potential eligibility requirements:
    a. Residency: The client must be a resident of New Hampshire or homeless in New Hampshire to be eligible for DHHS supported services; and
    b. Financial Eligibility: The client's income must be below 400% of Federal Poverty Level (FPL) to be eligible for DHHS supported services based on the sliding fee scale described below. Once the screening has been completed, the contractor shall print the associated attestation and have the client sign this document. A copy of the signed attestation shall be maintained in the client file. The client's financial eligibility shall be reassessed no less than every 120 days.; and
    c. Potential for a Substance Use Disorder: The client must screen positive for a potential substance use disorder to be eligible for DHHS funded services.
2. Evaluation: No client shall be eligible for treatment services without first having an evaluation and referral from an ASAM Level 1 provider. The required evaluation may be conducted by any ASAM Level 1 provider, regardless of DHHS contract status, but will only be DHHS reimbursed for DHHS contracted providers. If this evaluation is completed by a contracted provider, the evaluation shall include administration of either the ASI or GAIN.
    a. Substance Use Disorder: This evaluation shall be used to determine if the client meets Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition (DSM5) criteria for a substance use disorder. Clients who meet DSM5 criteria for a substance use disorder are eligible for DHHS funded services. Client who do not meet these criteria are not eligible for DHHS funded services.
    b. Level of Care: For clients who have met all other eligibility requirements, this evaluation shall be used to determine the appropriate level of care for the client based on ASAM (October 2013) criteria. The client is eligible for DHHS funded services at the assessed level of care unless such a level of care is unavailable or the client chooses to enter a lower level of care. If the assessed level of care in unavailable, the client may choose to enter the next higher level of care

3. Medicaid/NHHPP Eligibility: The contractor shall determine whether or not the client is eligible for Medicaid/NHHPP coverage for the identified level of care. If the client is not eligible for Medicaid/NHHPP coverage for the identified level of care, the client may be eligible for DHHS funded services. If the client is eligible for Medicaid/NHHPP coverage for the identified level of care, the client is not eligible for DHHS funded services. The provider shall assist the client with the Medicaid/NHHPP enrollment process if they are believed to be eligible for these programs.
4. Insurance Coverage: The contractor shall determine whether or not the client has insurance that will cover services at the identified level of care. If the client does not have insurance that will reimburse for these services at a rate equal to or greater than the DHHS rate, the client is eligible for DHHS funded services. If the client has insurance that will reimburse for these services at an amount equal or greater to the DHHS reimbursement rate, the client is not eligible for DHHS funded services. The contractor may not charge the combination of the client, any 3rd party payor, and DHHS more than the maximum charge allowed, which is the DHHS rate for the service in those instances in which DHHS pays any portion of the service fee. These parties shall be charged in the following order:
    a. The maximum allowed charge will be billed to the client's insurer, if applicable.
    b. The client will be charged their portion of the maximum allowed charge based on the BDAS published sliding fee scale.
    c. The balance of the maximum allowed charge after deducting the client's portion and the insurance payment, if applicable, shall be charged to DHHS.
5. Medication Assisted Treatment with Buprenorphine eligibility: Only those clients who are simultaneously engaged in other clinical services with the provider are eligible for these services.

Sliding Fee Scale:

The contractor shall not charge the combination of the client, any 3rd party payor and BDAS an amount greater than the maximum rate allowed for each service. All reasonable efforts shall be made to collect payment of bills. A client's inability to pay shall not preclude admission to the program and treatment.

- Client Income is 0% - 138% of FPL: 100% of the allowed charge less any amount paid for by insurance.
- Client Income is 139% - 149% of FPL: 92% of the allowed charge less any amount paid for by insurance.
- Client Income is 150% - 199% of FPL: 88% of the allowed charge less any amount paid for by insurance.
- Client Income is 200% - 249% of FPL: 75% of the allowed charge less any amount paid for by insurance.
- Client Income is 250% - 299% of FPL: 60% of the allowed charge less any amount paid for by insurance.
- Client Income is 300% - 349% of FPL: 43% of the allowed charge less any amount paid for by insurance.
- Client Income is 350% - 399% of FPL: 33% of the allowed charge less any amount paid for by insurance.

With respect to minority age individuals, a minor child shall not be denied services as a result of the parent's unwillingness to pay the fee or the minor child's decision to receive confidential services pursuant to RSA 318-B:12-a.

Waiting List Management:
When a person who is pregnant or an injection substance abuser seeks treatment and there are no appropriate treatment services available within the required time frame as outlined below, interim services **must** be made available. The Contractor agrees to maintain the wait list management system in WITS that includes a unique patient identifier and include information on dates of requests for admission to treatment, provision of interim services and source for those services, referrals made for treatment or interim services, and disposition of clients on the waiting list.

- The waiting list must contain a mechanism that identifies and counts the number of applicants who present and are determined to be appropriate for substance abuse treatment but are unable to be placed as there is no capacity;
- Maintain contact with individuals awaiting admission; and,
- Admit or transfer waiting list clients at the earliest possible time to an appropriate treatment program within a reasonable geographic area.

The Contractor shall remove a client awaiting treatment from the waiting list only when one of the following conditions exists:

- Such persons cannot be located for admission into treatment *or*
- Such persons refuse treatment.

Specific Interim Services for Pregnant Women, Women with Dependent Children and Injection Drug Users:
The Contractor agrees to contact the BDAS Clinical Services Unit if a pregnant women and women with dependent children or individuals with a history of injection drug use, cannot be accepted into treatment within specific time frames, and agrees that interim services will be provided or facilitated by the Contractor. Interim services for pregnant women must include counseling on the effects of alcohol and drug use on the fetus, referrals for prenatal care, and counseling and education about HIV and tuberculosis. Interim services for injection drug users must also include counseling and education in the risks of needle sharing, about the risks of transmission to sexual partners and infants, and referral for HIV, Hepatitis C and tuberculosis screening/testing. All interim services shall be documented in the client's clinical record in the WITS system.

Interim Services for other Clients:
The Contractor shall provide, or refer the client to, interim services until level of service identified in the level of care assessment is available and/or the client is willing and assessed as being sufficiently motivated to take advantage of the proposed level of service or interim services. If the client is not able to access interim services at the contractor's agency for geographic or other reasons, the client shall be referred to a DHHS funded provider where they are able to access interim services.

Services to pregnant and parenting women:
The Contractor further agrees that childcare will be made available to women who are in treatment with their dependent children, either through on-site care or through arrangements

Contractor Initials: MV
Date: 6/4/15

with an off-site legal childcare provider. Other services required are as follows:

- The family is treated as a unit and, therefore, admits both women and their children into treatment services, if appropriate.
- The Contractor shall provide or arrange for primary medical care for women who are receiving substance abuse services, including prenatal care.
- The Contractor shall provide or arrange for childcare while the women are receiving services even if the children are not in their custody, as long as parental rights have not been terminated.
- The Contractor shall provide or arrange for primary pediatric care for the women's children, including immunizations.
- The Contractor shall provide or arrange for gender-specific substance abuse treatment and other therapeutic interventions for women that may address issues of relationships, sexual abuse, physical abuse, and parenting, and childcare while the women are receiving these services.
- The Contractor shall provide or arrange for therapeutic interventions for children in custody of women in treatment, which may, among other things, address the children's developmental needs, their issues of sexual and physical abuse, and neglect.
- The Contractor shall provide or arrange for sufficient case management and transportation services to ensure that the women and their children have access to the services provided for above.
- If a pregnant, pregnant injection drug using or Injection Drug Using person refuses treatment or says (s)he is not interested in treatment, the wait list report shall be completed with the engagement activities attempted.
- If a pregnant, pregnant injection drug using or Injection Drug Using person no shows or cancels treatment, interim services must be provided, as stipulated above and the wait list report shall be completed that demonstrates the activities of follow up, engagement and substance abuse treatment services offered.

Relationship(s) with Primary Health Care:

The Contractor shall arrange and coordinate services and exchange of information with other health care providers and agencies which:

- Identifies the client's current Primary Care Provider (PCP) at screening and/or intake.
- If the client has no current PCP, the Contractor shall identify available provider(s) in the client's local area such as a federally qualified community health center, community health center, or other local health services.
- Obtains client/patient authorization to communicate with PCP office.
- If no authorization is completed initially, the Contractor shall educate client as to the importance of engaging the PCP in ongoing care and address the client's concerns as part of treatment, with goal of obtaining authorization before discharge.
- Sends the discharge summary to PCP and offers to discuss recovery issues with the provider.
- Arranges (or has the client arrange) a post-discharge appointment with PCP for the client/patient for follow-up of the substance use disorder.

Tobacco Cessation:

The Contractor shall have policies and procedures for both client and Contractor staff, that not only creates a tobacco-free environment as required by law, but to offer tobacco cessation tools and programming. Tobacco use, in and of itself, shall not be grounds for administrative

discharge from the program. Initially, all clients shall be assessed for motivation in stopping the use of tobacco products. Providers may tap into resources such as the DPHS Tobacco Prevention & Control Program (TPCP) and the certified tobacco cessation counselors available through the QuitLine. Other resources for providers include:

Breathe New Hampshire
145 Hollis St., Unit C
Manchester, NH 03101
603-669-2411 (phone) or 1-800-835-8647

The New Hampshire Medicaid program covers:

- Nicotine Replacement Therapy (NRT) Gum,
- NRT Patch,
- NRT Nasal Spray,
- NRT Lozenge,
- NRT Inhaler,
- Varenicline (Chantix),
- Bupropion (Zyban),
- Group Counseling and/or
- Individual Counseling. Up to 12 individual counseling sessions are covered per year through a mental health provider (Note: These sessions would NOT be in addition to other mental health counseling sessions under Medicaid). Pregnant women also have the option of group counseling. For more information, visit the website at: http://www.dhhs.state.nh.us/DHHS/MEDICAIDPROGRAM/default.htm

Tuberculosis:

The Contractor shall make available tuberculosis services (defined as screening, counseling, testing, and treatment) directly, or through other providers, to each client receiving treatment. In the case of an individual denied admission due to lack of capacity, the substance abuse treatment Contractor will refer the individual to another provider of tuberculosis services if appropriate. All Contractor providing residential services shall make available, either on-site or through agreements with health care providers, tuberculosis services, including screening, testing, counseling and referral for medical treatment.

Physical location and facilities:

For the purpose of providing the services described in Section II of the Scope of Services, the Contractor shall obtain and maintain a suitable space complying with all fire, health, and safety codes to include handicapped accessibility and being wheelchair accessible.

The Contractor shall obtain written prior approval of DHHS, acting through BDAS, before entering into any agreement concerning relocation of the service site.

Culturally and Linguistically Appropriate Standards of Care:

DHHS recognizes that culture and language have considerable impact on how consumers access services. Culturally and linguistically diverse populations experience barriers in efforts to access services. To ensure equal access to quality services, DHHS expects that Contractors shall provide culturally and linguistically appropriate services according to the following guidelines:

1. Assess the ethnic/cultural needs, resources and assets of their community.

2. Promote the knowledge and skills necessary for staff to work effectively with consumers with respect to their culturally and linguistically diverse environment.
3. When feasible and appropriate, provide clients of Limited English Proficiency (LEP) with interpretation services. Persons of LEP are defined as those who do not speak English as their primary language and whose skills in listening to, speaking, or reading English are such that they are unable to adequately understand and participate in the care or in the services provided to them without language assistance.
4. The Contractor is responsible for reasonable accommodations in arranging for interpreter services for hearing impaired clients.
5. The Contractor offers consumers or clients a forum through which those individuals have the opportunity to provide feedback to the Contractor regarding cultural and linguistic issues that may deserve response.

Compliance with State and Federal Laws:
The Contractor is responsible for compliance with all relevant state and federal laws. Special attention is called to the following statutory responsibilities:

1. All services provided pursuant to this Contract shall be subject to the most current proposed or formalized rules and regulations promulgated by DHHS, pursuant to RSA 541-A.
2. The Contractor shall maintain adherence to federal and state confidentiality laws specifically: 42 CFR Part 2B, N.H. RSA 318 B:12 and N.H. RSA 172:8-A and the Health Insurance Portability and Accountability Act (HIPAA): *http://www.hhs.gov/ocr/privacy/*
3. The Contractor shall meet the standards outlined in NH Administrative Rule He-A 300, Certification and Operation of Alcohol and other Drug Disorder Treatment Programs. This administrative rule is currently expired and under revision. The Contractor should plan to meet the requirements as outlined in the expired rule until the revisions are completed. He-A 300 can be viewed on the RFP link to this document *http://www.dhhs.nh.gov/business/rfp/index.htm*.
4. The Contractor shall, upon the direction of the State, provide court-ordered evaluation in their catchment area and a sliding scale fee shall apply and the inability to pay shall not interfere with the completion and submission of the court-ordered evaluation and shall, upon the direction of the State, offer treatment to those individuals pursuant to RSA 172:13.
5. Contractors considering research, including research conducted by student interns, using individuals served by this contract as subjects must adhere to the legal requirements governing human subjects' research. Contractors must inform the DHHS via contact with BDAS prior to initiating any research involving subjects or participants related to this contract. In addition, research conducted on subjects served by this contract may need to be approved by the New Hampshire Department of Health & Human Services Committee for the Protection of Human Subjects (NH DHHS CPHS) see *http://www.dhhs.nh.gov/irb/*

Client Stabilization:
