REQUESTED ACTION

Authorize the Department of Health and Human Services, Glencliff Home, to enter into a **Sole Source** contract with Suzanne Appleton (VC#157633), Hebron, NH, in the amount of \$15,000 to provide massage therapy services to residents of Glencliff Home, with the option to renew for up to four (4) additional years, effective July 1, 2022, or upon Governor and Council approval, whichever is later, through June 30, 2024. 22.1% General Funds. 77.9% Other Funds (Agency Income).

Funds are available in the following account for State Fiscal Year 2023, and are anticipated to be available in State Fiscal Year 2024, upon the availability and continued appropriation of funds in the future operating budget, with the authority to adjust budget line items within the price limitation and encumbrances between state fiscal years through the Budget Office, if needed and justified.

State Fiscal Year	Class / Account	Class Title	Job Number	Total Amount
2023	046-500464	Consultants	91000000	\$7,500
2024	046-500464	Consultants	91000000	\$7,500
			Total	\$15,000

EXPLANATION

This request is **Sole Source** because there are no known viable alternatives to the services provided by the Contractor. The Department published a Request for Applications for the provision of massage therapy services at Glencliff Home on the Department's website from February 16, 2022 through April 4, 2022. The Department received no responses. Glencliff Home subsequently contacted and requested services rates from three (3) area vendors who provide massage therapy services. Vendors responded with rates of up to \$100/hour, with an average rate of \$85.00/hour. The Department will pay the Contractor for massage therapy services at a rate of \$40.00/hour, which is 53% lower than the average area vendor rate for providing the same services. The Contractor also has provided these services at Glencliff Home since 2013 and is therefore uniquely qualified and experienced to work with the residents.

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
Page 2 of 2

The purpose of this request is to provide massage therapy services onsite to Glenclyff Home residents as requested by a physician, nurse and/or resident.

Approximately 30 Glenclyff Home residents will receive services on a monthly basis during State Fiscal Years 2023 and 2024.

The Contractor will evaluate each resident in terms of health and disease to determine the most appropriate form of massage therapy treatment. Massage techniques include Swedish Medical Massage, Shiatsu, Reflexology, Connective Tissue Massage, Amma, Acupressure; Polarity Therapy, and Lymph Drainage.

The Contractor will provide written documentation to Glenclyff staff at the conclusion of each scheduled visit. Documentation of each visit will include the date and time worked; the name of the resident; the purpose of the visit; type of technique utilized; and any observations that may require further assessments or evaluations by other healthcare professionals.

As referenced in Exhibit A, Revisions to Standard Contract Provisions of the original contract of the attached agreement, the parties have the option to extend the agreement for up four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval.

Should the Governor and Council not authorize this request the residents of Glenclyff will not have access to massage therapy services, which could negatively impact their overall physical and emotional health.

Area served: Glenclyff Home

The Department will request General Funds in the event that Other Funds are no longer available and services are still needed.

Respectfully submitted,

Lori A. Shibinette
Commissioner
