that the notary has these responsibilities.

4. Describe the plan for disposition, including but not limited to the retention, storage of documents, or transfer to the Secretary of State of journals and recordings in the event ten years have not passed since the notarization and the Provider no longer provides the storage for any reason.

Black Knight (NYSE:BKI) is a publicly traded, leading provider of integrated software, data and analytics solutions that facilitate and automate many of the business processes across the homeownership life cycle - \$1.177 billion (2019). In the unlikely event that Black Knight would go out of business, there are protocols in place appropriate for a publicly traded company of Black Knight's size, in addition to an extensive wind-down process.

By submitting this application, the Provider agrees to:

1. Comply with the laws that govern New Hampshire Notaries Public and Justices of the Peace.
2. Promptly notify the New Hampshire Department of State of any change in technology that places the Provider out of compliance with any applicable New Hampshire law or industry regulation.
3. Prohibit the use of any eNotarization or Remote Notarization system for any New Hampshire Notary Public or Justice of the Peace whose commission is no longer active.
4. Promptly notify the New Hampshire Department of State by re-submitting this form if any information provided herein changes during the period in which the Provider is doing business in New Hampshire and indicate the change that has occurred.

The Provider hereby verifies that its system complies with the credential analysis and authentication provisions of the Standards for Remote Online Notarization (Version 1) adopted by The Mortgage Industry Standards Maintenance Organization on August 28, 2019.

I declare under penalty of unsworn falsification pursuant to the laws of the State of New Hampshire that the foregoing is true and correct.
