JOHN J. BARTHELMES
COMMISSIONER

June 26, 2017

His Excellency, Governor Christopher T. Sununu
and the Honorable Council
State House
Concord, New Hampshire 03301

Requested Action

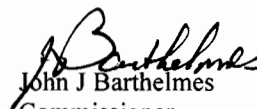

Pursuant to RSA 4:8, authorize the Department of Safety, Division of State Police to accept the donation of a 1994 Wells Cargo Trailer with a value of approximately \$5,273.00 from the Defense Logistics Agency to be used by the Division of State Police Emergency Vehicle Operators Course (E.V.O.C.). Effective upon Governor and Council approval.

Explanation

The Department of Safety has been given the opportunity to acquire the above mentioned equipment through the 1033 Program property. The 1033 Program is the transfer of surplus military equipment from the Defense Logistics Agency (DLA) to Law Enforcement. Every state has a 1033 Program which was created to reutilize surplus military equipment that would otherwise be destroyed.

The State Police will use this trailer to store equipment and supplies such as spare tires, jacks, jack stands, etc., that are utilized during the Emergency Vehicle Operations Course (E.V.O.C.). This trailer will provide for secured storage of equipment/supplies when training is not in session and for easy transport to E.V.O.C. program sites such as the NH Motor Speedway and other locations.

Respectfully submitted,

John J. Barthelmes
Commissioner
Department of Safety
