Division of Mental Health

The Division of Mental Health is hereby granted an exception to subject Executive Order with the expectation and understanding that the Laconia Developmental Center will be substantially phased out by January 1, 1991, and that a system for recovery of medical benefits for N.H. Hospital patients will be in place early in 1991. The savings and/or enhanced revenue from these two actions are represented to substantially offset the restoration of reductions granted under this section for FY'91. The continuing savings over time will prove to be very substantial for each of the actions contemplated.

Given under my hand and seal at the Executive Chambers in Concord, this third day of December, in the year of Our Lord, one thousand nine hundred and ninety.
