EXPLANATION

This request is **sole source** because the New Hampshire Department of Education (NHED) solicited interest in this program opportunity to all Community Rehabilitation Program Providers (CRP) in December 2021. Ten agencies responded to the request and indicated they wanted to participate in the opportunity. These CRP vendors currently provide job exploration, job development, attainment and maintenance services to Vocational Rehabilitation (VR) eligible customers. Nine (9) other vendors are seeking in-house contracts with the Department independently of this contract and plan to participate in the program.

Progressive Employment (PE) is a program providing supports to businesses and job seekers to help them meet their needs. The model is geared towards working with job seekers with disabilities that are also facing other barriers (i.e. substance abuse, criminal record, no or limited work history, etc.) In the PE model, there is a collaborative approach between the VR agency and partnering CRP to engage the participants in work experiences to help them reach their vocational goals. Within this collaborative model, it is mandatory that CRP's receiving Progressive Employment referrals are at every scheduled "Jobsville" meeting. "Jobsville" is a bi-monthly meeting in which CRP providers and VR staff brainstorm pathways for

participants and service authorizations are made to provide services. The scope of this contract is to have identified CRP providers trained on the Progressive Employment model, attend the bi-monthly pilot "Jobsville" meetings and provide the funding for five (5) Work Opportunities Unlimited Contract, Inc. (WOU) staff to attend the agency training on Progressive Employment and their attendance at "Jobsville" collaborations meetings to support businesses and eligible VR customers

Work Opportunities Unlimited Contracts, Inc. will identify five (5) Community Rehabilitation Providers (CRP) Staff that will go through the Progressive Employment training and "Jobsville" meetings for six (6) months.

Respectfully Submitted,

Frank Edelblut
Commissioner of Education

Notice: This agreement and all of its attachments shall become public upon submission to Governor and Executive Council for approval. Any information that is private, confidential or proprietary must be clearly identified to the agency and agreed to in writing prior to signing the contract.

In no event shall the State be liable for any payments hereunder in excess of such available appropriated funds.
