His Excellency, Governor Christopher T. Sununu
and the Honorable Executive Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

1. Authorize the Department of Natural and Cultural Resources, Division of Parks and Recreation (Department) to enter into a contract with Boston Culinary Group, Inc. d/b/a Centerplate (Centerplate / Concessionaire) of Stamford, CT for the operation of food concession and catering services at Cannon Mountain Ski Area and the Flume Gorge Visitors' Center for a five (5) year period, commencing upon the date of approval by the Governor and Executive Council through May 16, 2023 with a Concessionaire's option to renew for an additional three (3) year period also subject to Governor and Executive Council approval.
2. Authorize the Department to utilize a portion of the commission received from the concessionaire to provide up to \$250,000 over two years (\$125,000 per year) for a \$500,000 jointly-funded capital improvement plan to include the food and beverage facilities at the Flume Gorge Visitors' Center, the Mountain Station Café at Cannon Mountain Aerial Tramway and Ski Area, and the Cannonball Pub at Cannon Mountain Aerial Tramway and Ski Area. Additionally, Concessionaire agrees to spend another \$50,000 toward a new point-of-sale system.

EXPLANATION

On July 10, 2017, the Department issued a Request for Proposals (RFP) for the operation of food concession services at Franconia Notch State Park including Cannon Mountain and the Flume Gorge Visitors' Center, advertised on the Bureau of Purchase and Property's website. Boston Culinary Group (BCG) was the sole attendee present at a mandatory on-site pre-bid meeting, and thus the only concessionaire eligible to submit a proposal. Even though the department followed the appropriate procedures for soliciting a response to the RFP, it was determined that it was in the best interest of the State to withdraw the RFP and proceed with a subsequent posting in order to more robustly solicit responses from concessionaires.

Therefore, on November 8, 2017, the Department re-issued an RFP, posted again on both the Bureau of Purchase and Property's website and the New Hampshire State Parks website, and released to both the New Hampshire Lodging and Restaurant Association and the list of food and beverage contractors that participate in the annual meeting of the National Association of State Park Directors. Two (2) concessionaires attended the mandatory on-site pre-bid meeting held on December 30, 2017. Both concessionaires submitted high quality proposals by the closing date of January 19, 2018. A review committee comprised of the Director of the Division of Parks & Recreation, the General Manager at

Cannon Mountain and Franconia Notch State Park, the Department of Natural and Cultural Resources Business Administrator and the Division of Parks and Recreation Retail Manager scored the two proposals by consensus. The selected concessionaire, Centerplate, offered the best combination of operating plans, financial and capital improvement plans, and related experience and references.

The Department and Centerplate seek a partnership through this contract based on enhancing current business volume, improving the menu and product delivery, increasing revenue generation for both parties, and making facility improvements designed to stimulate revenue and enhance visitor experience. Centerplate will pay the Department the following commissions as shown below. In addition, Centerplate will dedicate 2% of each prior year's gross income to mutually agreed-upon equipment and infrastructure improvements.

Category	Annual Revenue		Commission %
	From	To	
Food and Beverage	Zero	\$300,000	10.5%

	\$750,001	And greater	30.0%
Catering Food and Beverage			10.5%

In the event that this contract is not renewed by the Governor and Executive Council at the end of (5) years, the Department shall reimburse the Concessionaire for 3/8ths of the cost of capital improvements borne by the concessionaire not to exceed \$112,500.

The Attorney General's office has reviewed and approved this contract as to form, substance and execution.

Respectfully submitted,

Jeffrey J. Rose, Commissioner

The State also grants to the Concessionaire the exclusive right to offer catering services for events at Franconia Notch State Park, subject to the approval of the State. Such events shall include conferences, weddings, catering, barbecue, outing, vending, and food truck services. 2. TERMS OF CONTRACT:

The term of this contract shall be five (5) years from the date of the Governor and Executive Council approval, with the Concessionaire’s option to renew for an additional three (3) year period, said renewal also subject to Governor and Executive Council Approval, and provided the Concessionaire provide the State of notice of its intent to exercise this right at least 180 days prior to the end of the 5-year term.

In the event that the Concessionaire elects to renew the Agreement for an additional three-year term and that request is denied by the Governor & Executive Council, then the State shall be responsible to reimburse to the Concessionaire for 3/8ths of the cost of capital improvements borne by the Concessionaire during the life of this Agreement as set forth in Paragraph 10, Capital Investment. If such Cause is not remedied within ten (10) days after receipt of such notice, in the case of failure to make any payment due, or thirty (30) days after receipt of such notice, in the case of any other Cause (unless, with respect to those Causes which cannot be reasonably corrected or remedied within such thirty (30) day period, the breaching party shall have commenced to correct or remedy the same within such thirty (30) day period and thereafter shall proceed with all due diligence to correct or remedy same) the party giving notice shall have the right to terminate this Agreement upon the expiration of such ten or thirty day period.

With respect to a default that involves an immediate risk to the health and safety of visitors and staff or a risk of damage to State property, the State reserves the right to correct that deficiency without notice to the Concessionaire.
