His Excellency, Governor Christopher T. Sununu,
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

1) Authorize the Office of Strategic Initiatives (OSI) to enter into a **SOLE SOURCE** contract with Southwestern Community Services, Inc., (VC #177511), Keene, NH, in the amount of \$3,829,194.00 for the Fuel Assistance Program effective October 1, 2018 through September 30, 2019, upon approval of Governor and Executive Council. 100% Federal Funds.

Funding is available in the following account:

<u>Office of Strategic Initiatives, Fuel Assistance</u>	<u>FY 2019</u>
01-02-02-024010-77050000	
074-500587 Grants for Pub Assist & Relief	\$3,829,194.00

2) Further request authorization to advance Southwestern Community Services, Inc. \$374,401.00 from the above-referenced contract amount.

EXPLANATION

This contract is **SOLE SOURCE** based on the historical performance of the Community Action Agencies (CAA) in the New Hampshire Fuel Assistance Program (FAP), their outreach and client service capabilities, the synergies that benefit the FAP as a result of the five statewide CAAs' implementation of several other federal assistance programs, and the infrastructure that is already in place to deliver FAP services. OSI proposes to continue to subcontract with the five CAAs who have successfully provided FAP services at the local level for more than three decades. The CAAs work closely with the OSI FAP Administrator in the implementation of the program.

FAP is a statewide program, funded by a Federal Low Income Home Energy Assistance Program (LIHEAP) Block Grant, and works to make home energy more affordable for income-qualified New Hampshire families, including those who are elderly or disabled. Program funds are targeted to low income households with high energy burdens. The current maximum income level is 60% of the State Median Income (SMI), which is \$63,386.00 for a family of four. The average FAP benefit during the last program year was \$852.00.

The LIHEAP program operates on an October 1, 2018 to September 30, 2019 program year, but at this time Congress has not finalized appropriations for the Federal fiscal year 2019. Therefore, the contract amount for

each of the Community Action Agencies is based on OSI's best estimate of anticipated Federal funding, including carryover funds from the prior program year. No funds will be obligated under this contract unless federal monies are available to be expended. The proposed advance of funds will enable the CAA to operate the program between monthly reimbursements from the State.

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Jared Chicoine
Director

JC/TAD

STANDARD EXHIBIT F

The Contractor identified in Section 1.3 of the General Provisions agrees to comply with the provisions of Executive Office of the President, Executive Order 12549 and 45 CFR Part 76 regarding Debarment, Suspension, and Other Responsibility Matters, and further agrees to have the Contractor's representative, as identified in Sections 1.11 and 1.12 of the General Provisions execute the following Certification:

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS - PRIMARY COVERED TRANSACTIONS

Instructions for Certification

- (1) By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
- (2) The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Office of Strategic Initiatives determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
- (3) The certification in this clause is a material representation of fact upon which reliance was placed when OSI determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, OSI may terminate this transaction for cause or default.
- (4) The prospective primary participant shall provide immediate written notice to the OSI agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- (5) The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549: 45 CFR Part 76. See the attached definitions.
- (6) The prospective primary participant agrees by submitting this proposal (contract) that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by OSI.
- (7) The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by OSI, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
- (8) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List (of excluded parties).
- (9) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- (9) Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, OSI may terminate this transaction for cause or default.

INDEPENDENT AUDITORS' REPORT

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of Southwestern Community Services, Inc. (a New Hampshire nonprofit corporation) and related companies, which comprise the consolidated statements of financial position as of May 31, 2017 and 2016, and the related consolidated statements of cash flows, and notes to the consolidated financial statements for the years then ended, and the related consolidated statements of activities and functional expenses for the year ended May 31, 2017.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Southwestern Community Services, Inc. and related companies as of May 31, 2017 and 2016, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Southwestern Community Services, Inc. and related companies' 2016 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated December 9, 2016. In our opinion, the summarized comparative information presented herein as of and for the year ended May 31, 2016, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, the Schedule of Functional Revenues and Expenses, and the Schedule of Revenues and Expenditures for the Electric Assistance Program are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 11, 2017, on our consideration of Southwestern Community Services, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Southwestern Community Services, Inc.'s internal control over financial reporting and compliance.
