REQUESTED ACTION

The Department of Transportation requests placing this item on the Consent Calendar.

Pursuant to RSA 4:8, authorize the Department of Transportation to accept one (1) engraved granite memorial bench, with an estimated value of \$1,422.50, from Dawn Evans to display on department grounds at Department of Transportation Headquarters located at 7 Hazen Drive in Concord NH.

EXPLANATION

Dawn Evans is the daughter of the late Roger Moody, who was a long term Department of Transportation employee of 42 years with our Construction Bureau. Ms. Evans, along with her family, would like to honor their loved one with the engraved granite bench which will depict the Old Man of the Mountains along with Roger Moody's name and his dates of service. Roger himself had taken part in plans to secure the stone of the Old Man of the Mountains as well as worked on another project in the Franconia Notch.

The Department appreciates the thoughtful donation. The dedication of our employees and their families continue to amaze us.

Sincerely,

Victoria F. Sheehan  
Commissioner
