

THE STATE OF NEW HAMPSHIRE
DEPARTMENT OF TRANSPORTATION

CHRISTOPHER D. CLEMENT, SR.
COMMISSIONER

JEFF BRILLHART, P.E.
ASSISTANT COMMISSIONER

Bureau of Construction
February 4, 2014

Her Excellency, Governor Margaret Wood Hassan
and the Honorable Council
State House
Concord, New Hampshire 03301

REQUESTED ACTION

1. Authorize the Department of Transportation to enter into a contract with T. Buck Construction, Inc. (Vendor 156635) of Auburn, ME on the basis of a low bid of \$884,930.00 for rehabilitation of the red list bridge carrying NH 31 over the Souhegan River in the Town of Wilton, from the date of Governor and Council approval through September 26, 2014 unless extended by the Department in accordance with the Standard Specifications. 100% Federal Funds.

Funding is available as follows: FY 2014
04-96-96-963515-3054
Consolidated Federal Aid
400-500870 Highway Contract Payments \$884,930.00

2. Further authorize that a contingency in the amount of \$44,246.50 be approved for payment of latent conditions, which may appear during the construction of the project. The contingency requested is 5% of the contract amount.

Funding is available as follows: FY 2014
04-96-96-963515-3054
Consolidated Federal Aid
400-500870 Highway Contract Payments \$44,246.50

EXPLANATION

This project is part of the State's Ten Year Plan. The existing bridge is on the Department's Red List (bridge priority #31), and is in need of rehabilitation. The work involves complete replacement of the existing concrete bridge deck. The bridge deck is in serious condition. The bridge and approach rail are substandard, and will also be replaced. This project will address this red list bridge and extend the life of the structure.

The contingency amount of 5% of the contract amount is typical for a project of this type and is warranted due to the required construction phasing, which necessitates a very aggressive schedule to accommodate and very short bridge closure period.

The Contractor has been prequalified by this Department. The Contract has been approved by the Attorney General as to form and execution, and the Department has certified that the necessary funds are available. Copies of the fully executed contract are on file at the Secretary of State's Office and the Department of Administrative Service's Office, and subsequent to Governor and Council approval will be on file at the Department of Transportation.

This project funding is 80% federal funds with 20% state match. Turnpike toll credit is being utilized for match requirements, effectively using 100% federal funds.

A copy of the Tabulation of Bids received for this project is attached along with the Contract Supplemental Sheet and a map indicating the location of the project.

Sincerely,

Christopher D. Clement, Sr.
Commissioner

CDC/md

Department Estimate:	\$1,066,618.50
Contract Amount:	<u>\$ 884,930.00</u>
Under Estimate:	\$ 181,688.50

SUPPLEMENTAL PROJECT INFORMATION SHEET

DESCRIPTION: This project is located in the Town of Wilton, and involves the rehabilitation of the existing bridge carrying NH 31 over the Souhegan River. The rehabilitation work will include the replacement of the concrete bridge deck, bridge shoes, bridge and approach rail, abutment modifications, and minimal approach work.

FEDERAL FUNDING: 80% Federal Funding utilizing Turnpike Toll credits as the State's 20% match.

CONTINGENCY: A contingency amount of 5% of the contract item total is typical for a project of this type and is warranted due to the required construction phasing, which necessitates a very aggressive schedule to accommodate a very short bridge closure period.

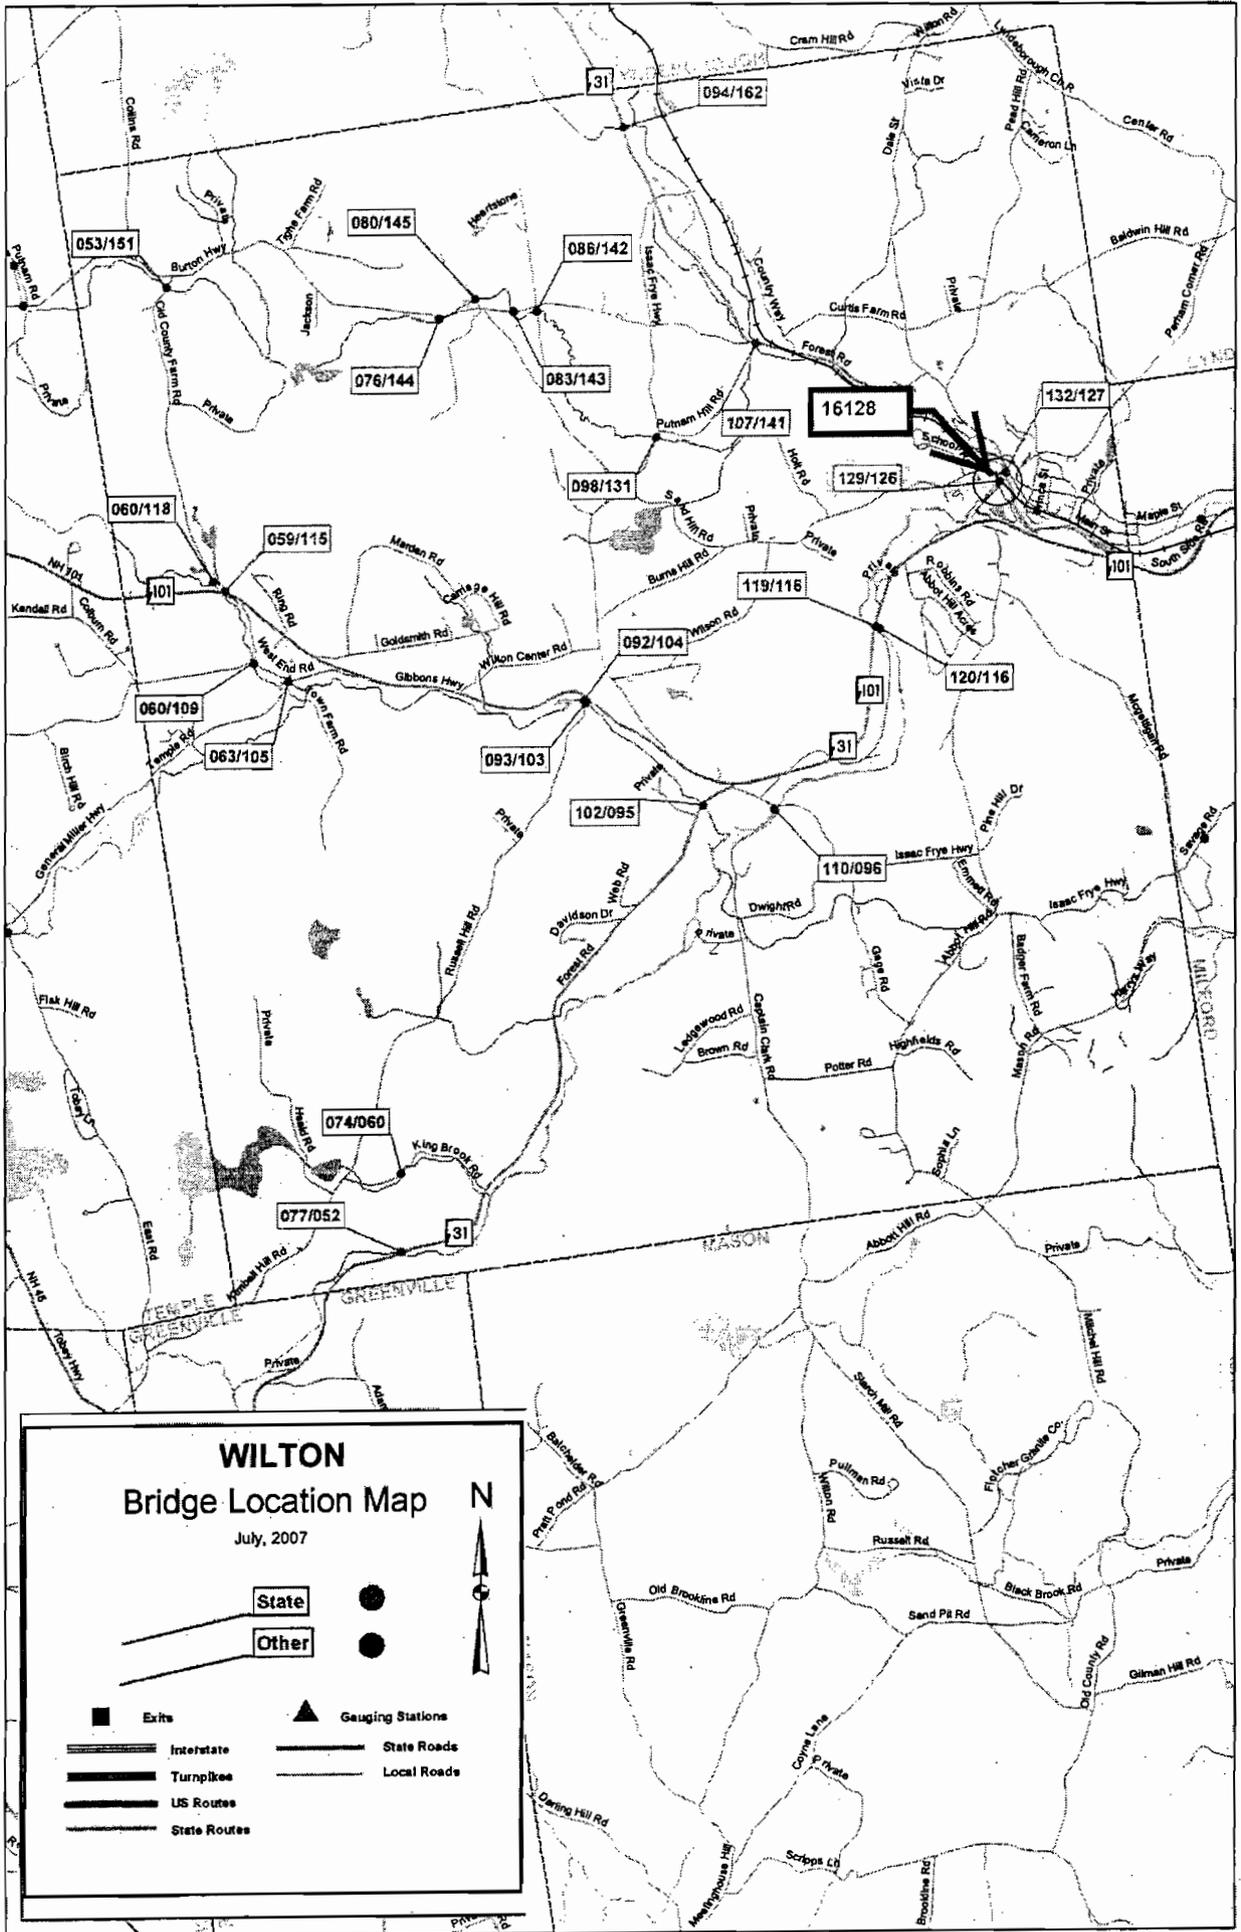

PROJECT INITIATED: State's 10-Year Transportation Improvement Program.

PROJECT EXPLANATION: The existing bridge is on the Department's Red List (bridge priority #31), and is in need of rehabilitation. The bridge deck is in serious condition, and will be replaced. The bridge and approach rail are substandard, and will be replaced.

TRAFFIC IMPLICATION: The bridge will be closed to traffic for six weeks during the summer for the deck replacement. After six weeks, the bridge must be open to two-way traffic on 11-foot lanes. Temporary lane closures will be allowed outside this timeframe from 9:00 AM to 3:00 PM.

INTERMEDIATE COMPLETION DATE: At a minimum, the roadway should be open to two-way traffic before the first day of school in August 2014.

FINAL COMPLETION DATE: Friday, September 26, 2014.
