His Excellency, Governor Christopher T. Sununu  
And the Honorable Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the New Hampshire Department of Environmental Services (DES) to enter into a grant agreement with the Town of New Durham (VC# 159914-B001), totaling \$8,838, to fund exotic aquatic plant control activities, effective upon Governor and Council approval, through December 31, 2019. 100% Lake Restoration Funds.

Funding is available in the account as follows:

03-44-44-442010-1430-073-500580	<u>FY 2019</u>
Dept. Environmental Services, Lakes Restoration Program, Grants-Nonfederal	\$8,838

**EXPLANATION**

The primary purpose of New Hampshire's Exotic Aquatic Plant Program is to "prevent the introduction and further dispersal of exotic aquatic weeds and to manage or eradicate exotic aquatic weed infestations in the surface waters of the state" (RSA 487:17, II). Exotic aquatic plants have been a problem in the above-listed waterbody for several years. This grant requires Governor and Council approval because the Town has already received funds in excess of the \$10,000 G&C limit.

The program, initiated in 1981, has five focus areas: 1) Prevention of new infestations; 2) Monitoring for early detection of new infestations to facilitate rapid control activities; 3) Control of new and established infestations; 4) Research towards new control methods with the goal of reducing or eliminating infested areas; and 5) Regional cooperation.

DES received 44 requests for funding to control exotic aquatic plant growth in 2019. Each project was selected to receive a grant. The budget estimate for each entity is included as Attachment A in the agreements. Please refer to Attachment B of each agreement for a listing of projects that are identified to receive funding, as well as information on the grant request reviewer.

His Excellency, Governor Christopher T. Sununu  
and The Honorable Council

Page 2 of 2

The program is 100% fee funded through the Lake Restoration Fund. In the event that fee funds become no longer available, General Funds will not be requested to support this program. This agreement was approved by the Office of the Attorney General as to form, execution, and content.

We respectfully request your approval.

---

Robert R. Scott, Commissioner

8.2.2 give the Contractor a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the contract price which would otherwise accrue to the Contractor during the period from the date of such notice until such time as the State determines that the Contractor has cured the Event of Default shall never be paid to the Contractor;

8.2.3 set off against any other obligations the State may owe to the Contractor any damages the State suffers by reason of any Event of Default; and/or
