EXPLANATION

This request is being made to transfer funds from class 102 Contracts for Program Services to class 074 Grants for Pub Assistance and Relief within the COVID-19 Health Disparities program in order to cover the costs of Sub-recipient contract vendors that have been approved by Governor and Council for State Fiscal Year 2023 in order to continue reducing COVID-19 related health disparities. These funds were accepted in August 2021 to administer the New Hampshire Initiative to Address COVID-19 Health Disparities under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136 funded through the Centers of Disease Control and Prevention. These funds are being used to enable the State of New Hampshire to address health disparities among racial/ethnic minority groups and in rural communities. Monitoring the indicators associated with these activities are intended to assist the State of New Hampshire in reducing COVID-19 related health disparities, improving and increasing equitable testing and contact tracing, and improving health department capacity and services to address COVID-19 related health disparities.

The following appropriation adjustments are being requested:

- Class 074 This transfer of appropriation request is to reclassify the contracted funds from Contracts for Program Services to Grants for Public Assistance and Relief as Sub Recipient Contracts. These funds will be used to support and expand the Department's Early Childhood Initiatives including: home visiting, supporting parental education, supporting programs that connect families to provide economic supports navigation by connecting them to state benefits such as medical coverage, child care coverage, and SNAP to address food insecurity, economic and housing instability, stressors of social isolation and depression and substance misuse.
- Class 102 This transfer of appropriation request is to reclassify the contracted funds from Contracts for Program Services to Grants for Public Assistance and Relief as Sub Recipient Contracts.

In response to the anticipated two-part question, "Can these funds be used to offset General Funds?" and "What is the compelling reason for not offsetting General Funds?" the Division offers the following information: The funds are provided for a specified purpose by the CDC as defined in the Notice of Grant Award and cannot be used to offset general funds.

Area served: Statewide

Source of Funds: 100% Federal funds from the Centers for Disease Control.

If Federal Funds become no longer available, General Funds will not be requested to support the program expenditures.

Respectfully submitted,

- Class 039 The funds will be used to pay for mobile phones for staff.
- Class 041 The funds will be used to pay for audit fund set aside.
- Class 042 The funds will be used to pay for post-retirement expense.
- Class 059 The funds will be used to pay for full time temporary positions –

Public Health Equity Policy Manager- Administrator who will be hired to oversee the daily operations and provide supervisory oversight of the COVID Health Disparity Grant within Division of Public Health Services. This position will also have oversight over the DPHS Bureau of Public Health Policy and Equity. The role responsibilities include programmatic and technical aspects of the project, administrative oversight and supervision, budget management, and assuring that the program meets its project goals. This position is also responsible for planning, implementing and completing project tasks, developing and monitoring the work plan activities, preparing reports, and developing and maintaining partnerships with key stakeholders.

The Business Administrator- Finance- will plan and develop Department of Health and Human Services business management policies and procedures, including fiscal, budgetary, purchasing, and personnel operations. This position will be assigned to Financial Services within Division of Public Health Services to ensure appropriate staffing within the Financial Services team to support grant-related activities.

The Grant Coordinator and Contract Specialist- will be responsible for establishing grant-related contracts; managing and conducting contract monitoring visits with external stakeholders to ensure scope of service activities align and are being accomplished in compliance with grant requirements; and preparing and submitting narrative reports and those related to the grant budget, performance measures, and work plan activities.

The Communications Strategy Specialist- will coordinate with the DHHS Public Information Office to use public health data and analyses to plan, create, deliver, and evaluate the effectiveness of communications products (e.g., case studies, scientific data briefs, social media content, other program-specific mass-reach health communications) to ensure compliance with state and federal laws, grant requirements, and program plans; develop, maintain, and ensure quality improvement of a communications plan and utilize web-based, portal-based, and traditional media to communicate with target audiences; and manage internal and external staff working on related media activities.

The Community Engagement Specialist- will coordinate and implement all grant activities involving Community Health Workers (CHW), including evaluation and reporting; convene and leverage an existing cross-sector advisory council to facilitate collaboration across sectors, partners, and systems to support the CHW workforce and its grant-related activities..

The Health Disparity Epidemiologist- will oversee and monitor implementation of the Disparities Data Collection Program, which will assist providers in collecting and reporting better demographic identifier datasets, and complete disparity-related analyses; initiate and oversee quality improvement activities within the DPHS Bureau of Public Health Statistics and Informatics to ensure data quality; and participate in the development of grant-related reports and presentations.

- Class 060 The funds will be used to pay for benefits on above positions.
- Class 066 The funds will be used to pay for health supports for Department of Health and Human Services staff via internal resources through Employee Assistance Program to support and provide resources to address the impacts of COVID-19 response on DHHS front line staff and contractors.
- Class 070 The funds will be used to pay for in-state travel for meetings, training, site visits and technical assistance as needed.
- Class 074 The funds will be used to support and expand the Department’s Early Childhood Initiatives including: home visiting, supporting parental education, supporting programs that connect families to provide economic supports navigation by connecting them to state benefits such as medical coverage, child care coverage, and SNAP to address food insecurity, economic & housing instability, stressors of social isolation and depression and substance misuse.
- Class 080 The funds will be used to pay for out-of-state travel for staff to attend a national or regional professional conference.
- Class 085 The funds will be used to support infection prevention and control education with the NH Department of Corrections. This work will help correctional facilities mitigate transmission of COVID-19 and other infectious diseases within their setting. The funds will also support a Specialty Services Coordinator in the Bureau of Emergency Medical Services who will oversee, coordinate, and assist in education for specialty programs around mobile integrated healthcare (MIH) that will address work in rural critical access hospitals to increase access to transportation for patients.
- Class 102 The funds will be used to expand the Community Health Worker (CHW) workforce in various sectors across NH including the public health networks, federally qualified health centers, family resource centers, etc. to address health disparities in New Hampshire; improve data collection and analysis; improve rural transportation access; increase health communication access to the people of New Hampshire; and support Critical Access Hospitals to address comorbidities due to COVID-19.

1. OT21-2103 Terms and Conditions

Recipient: New Hampshire Division of Public Health Services

AWARD INFORMATION

Incorporation: In addition to the federal laws, regulations, policies, and CDC General Terms and Conditions for Non-research awards at <https://www.cdc.gov/grants/federalregulationspolicies/index.html>, the Centers for Disease Control and Prevention (CDC) hereby incorporates Notice of Funding Opportunity (NOFO) number CDC-RFA-OT21-2103, entitled National Initiative to Address COVID-19 Health Disparities Among Populations at High-Risk and Underserved, Including Racial and Ethnic Minority Populations and Rural Communities, and application dated April 30, 2021, as may be amended, which are hereby made a part of this Non-research award, hereinafter referred to as the Notice of Award (NoA).

Approved Funding: Funding in the amount of \$24,568,498 is approved for a two year performance and budget period, which is June 1, 2021 through May 31, 2023. All future funding will be based on satisfactory programmatic progress and the availability of funds.

The federal award amount is subject to adjustment based on total allowable costs incurred and/or the value of any third party in-kind contribution when applicable.

Note: Refer to the Payment Information section for Payment Management System (PMS) subaccount information.

Component/Project Funding: The NOFO provides for the funding of multiple components under this award. The approved component funding levels for this notice of award are:

NOFO Component	Amount
Base funding	\$12,628,834
State Rural Carveout	\$11,939,664

Coronavirus Disease 2019 (COVID-19) Funds: A recipient of a grant or cooperative agreement awarded by the Department of Health and Human Services (HHS) with funds made available under the Coronavirus Preparedness and Response Supplemental Appropriations Act, 2020 (P.L. 116-123); the Coronavirus Aid, Relief, and Economic Security Act, 2020 (the "CARES Act") (P.L. 116-136); the Paycheck Protection Program and Health Care Enhancement Act (P.L. 116-139); the Consolidated Appropriations Act and the Coronavirus Response and Relief Supplement Appropriations Act, 2021 (P.L. 116-260) and/or the American Rescue Plan of 2021 [P.L. 117-2] agrees, as applicable to the award, to: 1) comply with existing and/or future directives and guidance from the Secretary regarding control of the spread of COVID-19; 2) in consultation and coordination with HHS, provide, commensurate with the condition of the individual, COVID-19 patient care regardless of the individual's home jurisdiction and/or appropriate public health measures (e.g., social distancing, home isolation); and 3) assist the United States Government in the implementation and enforcement of federal orders related to quarantine and isolation.

In addition, to the extent applicable, Recipient will comply with Section 18115 of the CARES Act, with respect to the reporting to the HHS Secretary of results of tests intended to detect SARS-CoV-2 or to diagnose a possible case of COVID-19. Such reporting shall be in accordance with guidance and direction from HHS and/or CDC. HHS laboratory reporting guidance is posted at: <https://www.hhs.gov/sites/default/files/covid-19-laboratory-data-reporting-guidance.pdf>.

Further, consistent with the full scope of applicable grant regulations (45 C.F.R. 75.322), the purpose of this award, and the underlying funding, the recipient is expected to provide to CDC copies of and/or access to COVID-19 data collected with these funds, including but not limited to data related to COVID-19 testing. CDC will specify in further guidance and directives what is encompassed by this requirement.

This award is contingent upon agreement by the recipient to comply with existing and future guidance from the HHS Secretary regarding control of the spread of COVID-19. In addition, recipient is expected to flow down these terms to any subaward, to the extent applicable to activities set out in such subaward.

Financial Assistance Mechanism: Grant

Budget Revision Requirement: By July 1, 2021, the recipient must submit a revised budget with a narrative justification. Failure to submit the required information in a timely manner may adversely affect the future funding of this project. If the information cannot be provided by the due date, you are required to contact the GMS/GMO identified in the CDC Staff Contacts section of this notice before the due date.

EXPLANATION

This request is being made to add Class 030, Equipment to the COVID-19 Health Disparities program within the Division of Public Health Services. This new class line is being requested in order to purchase updated communication access equipment for use in the State District Offices. These devices will be used to help address COVID-19 health disparities among populations at high-risk and underserved, including racial and ethnic minority populations and rural communities. These funds were accepted in August 2021 to administer the New Hampshire Initiative to Address COVID-19 Health Disparities under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136 funded through the Centers of Disease Control and Prevention. These funds are to be used to support State, Tribal, Local and Territorial (STLT) Health Department Response to Public Health or Healthcare Crises. Monitoring the indicators associated with these activities are intended to assist the State of New Hampshire to: reduce COVID-19 related health disparities; improve and increase equitable testing and contact tracing; and improve health department capacity and services to address COVID-19 related health disparities. This grant will enable the State of New Hampshire to address health disparities among racial/ethnic minority groups and in rural communities.

The funds are to be budgeted as follows:

- Class 030** The funds will be used to purchase multiple Desktop Video Magnifiers for use by District Office staff with clients who have visual challenges so they are able to see the paperwork and complete it. This allows for the clients to independently read and complete the paperwork and also contrast the print and the background for easier viewing.
The funds will also be used to purchase UBI-DUO devices which allow for face to face distance communication between the DHHS District Office staff and a Late Deafened, hard of hearing, or a speech impaired person. This device will allow for effective communication without paper and pen and is much more efficient and less time consuming.
The funds will also be used to purchase White Boards, Pocket Talker headsets for amplifying conversations with the hearing impaired, and containers to safely and securely store the communication access devices.

In response to the anticipated two-part question, "Can these funds be used to offset General Funds?" and "What is the compelling reason for not offsetting General Funds?" the Division offers the following information: The funds are provided for a specified purpose by the CDC as defined in the Notice of Grant Award and cannot be used to offset general funds.

Area served: Statewide

Source of Funds: 100% Federal funds from the Centers for Disease Control and Prevention (CDC).

If Federal Funds become no longer available, General Funds will not be requested to support the program expenditures.

Respectfully submitted,

- Class 080 The funds will be used to pay for out-of-state travel for staff to attend a national or regional professional conference.
- Class 085 The funds will be used to support infection prevention and control education with the NH Department of Corrections. This work will help correctional facilities mitigate transmission of COVID-19 and other infectious diseases within their setting. The funds will also support a Specialty Services Coordinator in the Bureau of Emergency Medical Services who will oversee, coordinate, and assist in education for specialty programs around mobile integrated healthcare (MIH) that will address work in rural critical access hospitals to increase access to transportation for patients.
- Class 102 The funds will be used to expand the Community Health Worker (CHW) workforce in various sectors across NH including the public health networks, federally qualified health centers, family resource centers, etc. to address health disparities in New Hampshire; improve data collection and analysis; improve rural transportation access; increase health communication access to the people of New Hampshire; and support Critical Access Hospitals to address comorbidities due to COVID-19.

The following information is provided in accordance with the comptroller's instructional memorandum dated September 21, 1981:

1. List of personnel involved: Approximately 6 Temporary full time positions; 1 Business Administrator II, 1 Program Planner III, 3 Program Specialists IVs and 1 Administrator IV.
2. Nature, Need, and Duration: The positions will provide for the increased needs caused by the COVID-19 public health event. The positions will be needed while the event is ongoing.
3. Relationship to existing agency programs: This is a new public health event.
4. Has a similar program been requested of the legislature and denied? No
5. Why wasn't funding included in the agency's budget request? At the time of budget submission COVID-19 was not a known public health event.
6. Can portions of the grant funds be utilized? All grant dollars are being used for this request.
7. Estimate the funds required to continue this position(s):

Positions (Salary & Benefits)	<u>FY 2022</u>	<u>FY 2023</u>
Administrator IV	\$123,957	\$145,514

In response to the anticipated two-part question, "Can these funds be used to offset General Funds?" and "What is the compelling reason for not offsetting General Funds?" the Division offers the following information: The funds are provided for a specified purpose by the FDA as defined in the Notice of Grant Award and cannot be used to offset general funds.

Area served: Statewide

Source of Funds: 100% Federal funds from the Centers for Disease Control.

If Federal Funds become no longer available, General Funds will not be requested to support the program expenditures.

Respectfully submitted,

AWARD ATTACHMENTS

New Hampshire Department of Health and Human Services

1 NH75OT000031-01-00

1, OT21-2103 Terms and Conditions

Recipient: New Hampshire Division of Public Health Services

AWARD INFORMATION

Incorporation: In addition to the federal laws, regulations, policies, and CDC General Terms and Conditions for Non-research awards at <https://www.cdc.gov/grants/federalregulationspolicies/index.html>, the Centers for Disease Control and Prevention (CDC) hereby incorporates Notice of Funding Opportunity (NOFO) number CDC-RFA-OT21-2103, entitled National Initiative to Address COVID-19 Health Disparities Among Populations at High-Risk and Underserved, Including Racial and Ethnic Minority Populations and Rural Communities, and application dated April 30, 2021, as may be amended, which are hereby made a part of this Non-research award, hereinafter referred to as the Notice of Award (NoA).

Approved Funding: Funding in the amount of \$24,588,498 is approved for a two year performance and budget period, which is June 1, 2021 through May 31, 2023. All future funding will be based on satisfactory programmatic progress and the availability of funds.

The federal award amount is subject to adjustment based on total allowable costs incurred and/or the value of any third party in-kind contribution when applicable.

Note: Refer to the Payment Information section for Payment Management System (PMS) subaccount information.

Component/Project Funding: The NOFO provides for the funding of multiple components under this award. The approved component funding levels for this notice of award are:

NOFO Component	Amount
Base funding	\$12,628,834
State Rural Carveout	\$11,939,664

Coronavirus Disease 2019 (COVID-19) Funds: A recipient of a grant or cooperative agreement awarded by the Department of Health and Human Services (HHS) with funds made available under the Coronavirus Preparedness and Response Supplemental Appropriations Act, 2020 (P.L. 116-123); the Coronavirus Aid, Relief, and Economic Security Act, 2020 (the "CARES Act") (P.L. 116-136); the Paycheck Protection Program and Health Care Enhancement Act (P.L. 116-139); the Consolidated Appropriations Act and the Coronavirus Response and Relief Supplement Appropriations Act, 2021 (P.L. 116-260) and/or the American Rescue Plan of 2021 [P.L. 117-2] agrees, as applicable to the award, to: 1) comply with existing and/or future directives and guidance from the Secretary regarding control of the spread of COVID-19; 2) in consultation and coordination with HHS, provide, commensurate with the condition of the individual, COVID-19 patient care regardless of the individual's home jurisdiction and/or appropriate public health measures (e.g., social distancing, home isolation); and 3) assist the United States Government in the implementation and enforcement of federal orders related to quarantine and isolation.

In addition, to the extent applicable, Recipient will comply with Section 18115 of the CARES Act, with respect to the reporting to the HHS Secretary of results of tests intended to detect SARS-CoV-2 or to diagnose a possible case of COVID-19. Such reporting shall be in accordance with guidance and direction from HHS and/or CDC. HHS laboratory reporting guidance is posted at: <https://www.hhs.gov/sites/default/files/covid-19-laboratory-data-reporting-guidance.pdf>.

Further, consistent with the full scope of applicable grant regulations (45 C.F.R. 75.322), the purpose of this award, and the underlying funding, the recipient is expected to provide to CDC copies of and/or access to COVID-19 data collected with these funds, including but not limited to data related to COVID-19 testing. CDC will specify in further guidance and directives what is encompassed by this requirement.

This award is contingent upon agreement by the recipient to comply with existing and future guidance from the HHS Secretary regarding control of the spread of COVID-19. In addition, recipient is expected to flow down these terms to any subaward, to the extent applicable to activities set out in such subaward.

Financial Assistance Mechanism: Grant

Budget Revision Requirement: By July 1, 2021, the recipient must submit a revised budget with a narrative justification. Failure to submit the required information in a timely manner may adversely affect the future funding of this project. If the information cannot be provided by the due date, you are required to contact the GMS/GMO identified in the CDC Staff Contacts section of this notice before the due date.

Equipment

- Provide more detailed budget breakdown on requested items.

Other

- Provide additional justification for Health Officer stipends and Health Supports for DHHS staff.

Pre-Award Costs: Pre-award costs dating back to March 15, 2021 – and directly related to the COVID-19 outbreak response are allowable.

FUNDING RESTRICTIONS AND LIMITATIONS

Indirect Costs

Indirect costs are approved based on the recipient's approved Cost Allocation Plan dated September 30, 2019.

REPORTING REQUIREMENTS

Required Disclosures for Federal Awardee Performance and Integrity Information System (FAPIS): Consistent with 45 CFR 75.113, applicants and recipients must disclose in a timely

manner, in writing to the CDC, with a copy to the HHS Office of Inspector General (OIG), all information related to violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award. Subrecipients must disclose, in a timely manner in writing to the prime recipient (pass through entity) and the HHS OIG, all information related to violations of federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the federal award. Disclosures must be sent in writing to the CDC and to the HHS OIG at the following addresses:

The grant document number identified on the bottom of Page 1 of the Notice of Award must be known in order to draw down funds.

PROGRAM OR FUNDING SPECIFIC CLOSEOUT REQUIREMENTS

The final programmatic report format required is the following.

Final Performance Progress and Evaluation Report: This report should include the information specified in the NOFO and is submitted 90 days following the end of the period of performance via www.grantsolutions.gov. At a minimum, the report will include the following:

- Statement of progress made toward the achievement of originally stated aims.
- Description of results (positive or negative) considered significant.
- List of publications resulting from the project, with plans, if any, for further publication.

Additional guidance may be provided by the GMS and found at:
<https://www.cdc.gov/grants/alreadyhavegrant/Reporting.html>

CDC Staff Contacts

Grants Management Specialist: The GMS is the federal staff member responsible for the day- to-day management of grants and cooperative agreements. The GMS is the primary contact of recipients for business and administrative matters pertinent to grant awards.

Program/Project Officer: The PO is the federal official responsible for monitoring the programmatic, scientific, and/or technical aspects of grants and cooperative agreements, as well as contributing to the effort of the award under cooperative agreements.

Grants Management Officer: The GMO is the federal official responsible for the business and other non-programmatic aspects of grant awards. The GMO is the only official authorized to obligate federal funds and is responsible for signing the NoA, including revisions to the NoA that change the terms and conditions. The GMO serves as the counterpart to the business officer of the recipient organization.
