EXPLANATION

The Drinking Water and Groundwater Trust Fund (DWGTF) was created in 2016 using \$276 million of MtBE trial judgement funds, as authorized by RSA 485-F. The purpose of the Trust Fund is to provide sustainable, long-term funding for the protection, preservation, and enhancement of the drinking water and groundwater resources of the state. The Drinking Water and Groundwater Advisory Commission (Advisory Commission) was established to administer the Trust Fund and to provide guidance to the State on the use of the Trust Fund.

On December 13, 2021, the Advisory Commission voted to authorize a DWGTF loan in the total amount of \$575,000 to the Linderhof Property Owners' Association (LPOA), located in Glen, New Hampshire. The purpose is to authorize LPOA to borrow up to \$575,000 to finance water system improvements including construction of a new pump station to address issues with confined space entry of the existing pump station and storage tanks and other system improvements.

Upon the occurrence of any Event of Default, all obligations on the part of the State to make disbursements under this Agreement shall, if the State so elects, cease, and, at the option of the State (but subject to the terms and conditions set forth in the Note and any applicable Security Instrument), the Note shall become immediately due and payable, and the State shall thereupon be authorized and empowered to exercise any rights of foreclosure or as otherwise provided for the realization of any security for the Note covered by any of the Security Instruments; but the State may make any disbursements or portions of disbursements, after the occurrence of any such Event of Default, without thereby waiving its right to demand payment of the Borrower's indebtedness evidenced by the Note and secured by the Security Instruments and without becoming liable to make any other or further advances as hereinabove contemplated by this Agreement.

9.2 Possession. In addition to the remedies hereinabove provided by Section 9.1, upon the occurrence of any Event of Default, the State shall be authorized and empowered, at its election, (i) to enter upon the Premises and construct, equip and/or complete the Improvements in accordance with the Plans, with such changes therein as the State may from time to time, in its sole discretion, deem appropriate, and to appoint watchmen to protect the Improvements, all at the risk, cost and expense of the Borrower, (ii) to discontinue, at any time, any work with respect to the Improvements commenced by it or change any course of action undertaken by it in connection therewith, and shall not be bound by any limitations or requirements of time, whether set forth herein or otherwise, and/or (iii) to assume the Construction Contract or related agreement made by the Borrower in any way pertaining to the Improvements and to take over and use all or any part or parts of the labor, materials, supplies and equipment contracted for by the Borrower, whether or not previously incorporated into the Improvements, all in the sole discretion of the State.

9.3 Completion of Improvements. In connection with any construction, equipping and/or completion of the Improvements undertaken by the State pursuant to the provisions of Section 9.2 (but without intending hereby to limit the powers and discretions conferred therein), the State may engage builders, contractors, architects and engineers and others for the purposes of furnishing labor, materials and equipment for the Improvements; pay, settle or compromise all bills or claims which may become liens against the Improvements and the Premises or which have been or shall be incurred in any manner in connection with such construction, equipping and/or completion; and take such action or refrain from acting hereunder as the State may, in its sole discretion, from time to time determine.

9.4 Costs. The Borrower shall be liable to the State for all costs paid or incurred for the construction, completion and/or equipping of the Improvements, whether the same shall be paid or incurred pursuant to the provisions of Sections 9.2 or 9.3 or otherwise, and all payments made or liabilities incurred by the State hereunder of any kind whatsoever shall be paid by the Borrower to the State on demand, with interest at the rate specified in the Note to the date of payment.

9.5 Cumulative Rights. Upon the occurrence of any Event of Default, the rights, powers, privileges and other remedies available to the State under this Agreement or at law or in equity may be exercised by the State at any time and from time to time, whether or not the indebtedness evidenced and secured by the Note and the Security Instruments shall be due and payable, and whether or not the State shall have instituted any foreclosure proceedings or other action for the enforcement of its rights under the Note or any of the Security Instruments.

9.6 Right of Set-Off. Any deposits or other sums at any time credited by or due from the State to the Borrower and any securities or other property of the Borrower at any time in possession of the State may at all times be held or treated as collateral security for the payment of the loan any and all liabilities of the Borrower to the State. Upon an Event of Default the State may apply or set-off such deposits or other sums or property against such liabilities.

9.7 Power of Attorney. For the purpose of carrying out the provisions and exercising the rights, powers and privileges granted by this Agreement, effective upon an Event of Default, the Borrower hereby irrevocably constitutes and appoints the State its true and lawful attorney-in-fact, with full power of substitution, to execute, acknowledge and deliver any instruments and do and perform any acts that are referred to herein in the name and behalf of the Borrower other than amend this Agreement, the Note or the Security Instruments. The power vested in said attorney-in-fact is, and shall be deemed to be, coupled with an interest and cannot be revoked.

10. Hazardous Materials Indemnification.

10.1 Definitions.

(a) The term "Hazardous Materials" shall mean and include asbestos, polychlorinated biphenyls ("PCB's"), other carcinogens, oil and other petroleum products, and any other hazardous or toxic materials, wastes and substances which are defined, determined or identified as such under RSA Chapters 146-A, 146-C, 147-A and 147-B, CERCLA, or any other applicable federal, state or local laws, rules, codes or regulations or any judicial or administrative interpretation thereof; and

(b) The term "Legal Requirements" shall mean all federal, state or local laws, rules, codes or regulations, or any judicial or administrative interpretation thereof, including, without limitation, all orders, decrees, judgments and rulings imposed through any public or private enforcement proceedings, relating to Hazardous Materials or the existence, use, discharge, release, containment, transportation or disposal thereof.

10.2 Indemnification. At all times, both before and after any conveyance or foreclosure of the Premises, the Borrower shall at its sole cost and expense indemnify, exonerate, protect and save the State harmless against and from any and all damages, losses, liabilities, obligations,

penalties, claims, litigation, demands, defenses, judgment, suits, proceedings, costs, disbursements or expenses of any kind or nature whatsoever, including without implied limitation, attorneys' and experts' fees and disbursements, which may at any time be imposed upon, incurred by or asserted or awarded against the State and arising from or out of:

(a) Any Hazardous Materials on, in, under or affecting all or any portion of the Premises or any areas surrounding the same before the Borrower is divested of title to the Property by conveyance or foreclosure or divested of possession of the Premises following an Event of Default;

(b) The violation by the Borrower of any Legal Requirements with respect to the Premises or other real property; or

(c) The enforcement of this Section 10 of the Agreement or the assertion by the Borrower of any defense to its obligations hereunder, whether any of such matters arise before or after foreclosure of the Mortgage or other taking of title to or possession of all or any portion of the Premises by the State, and specifically including therein, without limitation, the following to the extent they are a result of the matters described in clauses (a) or (b) above:

- (i) costs of removal of any and all Hazardous Materials from all or any portion of the Premises or any areas surrounding the same;

- (v) costs and expenses incurred in ascertaining the existence or extent of any asserted violation of any Legal Requirements relating to the Premises and any remedial action taken on account thereof including, without limitation, the costs, fees and expenses of engineers, geologists, chemists, other scientists, attorneys, surveyors and other professionals, and testing and analyses performed in connection therewith. The foregoing shall not apply to precautionary testing which is not in response to a specific identified potential release at the Premises.

11. Assignments. The State may assign, negotiate or pledge all or any portion of its rights under this Agreement or any of its rights or security with respect to the Note and the Security Instruments, and, in case of such assignment, the Borrower shall accord full recognition thereto.

The Borrower hereby consents to the State's delivery of any and all financial or other information concerning the Borrower to any assignee or participating lender. FOR VALUE RECEIVED, Linderhof Property Owners' Association, a New Hampshire non-profit corporation with a principal place of business at 11 Jericho Road, Glen, New Hampshire, 03838 (the "Maker"), promises to pay to the State of New Hampshire with an address of c/o Department of Environmental Services, 29 Hazen Drive, P.O. Box 95, Concord, New Hampshire 03302-0095, or its order (the "Payee"), the sum of Five Hundred and Seventy Five Thousand Dollars (\$575,000) or such lesser amount as shall be disbursed from time to time to Maker by State pursuant to a Loan Agreement of near or even date by and between Maker and State (the "Loan Agreement"), in lawful money of the United States, together with interest thereon at the annual rate of one percent (1%) until the earlier of (i) June 1, 2024 or (ii) the date of substantial completion of the Improvements (as defined in the Loan Agreement) as determined by the State ("Interest Rate Change Date") and commencing on the Interest Rate Change Date at the annual rate of 1.57% (the interest rate at any given time, the "Applicable Interest Rate") until paid in full as set forth herein. Capitalized terms used but not defined herein have the meaning given to them in the Loan Agreement.

1. Payments. The interest and principal of this Note shall be paid as follows:

(a) Commencing on the first day of the sixth month after the Interest Rate Change Date, interest only shall be paid in six (6) consecutive monthly installments on the first day of each month.

(b) Commencing with the first day of the twelfth month after the Interest Rate Change Date, the principal and interest of the Note shall be paid in Two Hundred and Forty (240) consecutive equal monthly installments of principal and interest on the first day of each month with the installment amount calculated to amortize the principal balance of the Note over the 240 month period at the Applicable Interest Rate; provided, however, that the Maker shall have the option to elect prior to the first installment payment under paragraph 1(a) to have the interest accruing prior to the Interest Rate Change Date be capitalized and added to the principal amount of the Note rather than paid in the first installment of interest to be paid pursuant to paragraph 1(a); so long as the sum of the principal balance of the Note plus interest accruing prior to the Interest Rate Change Date (such sum being the "Capitalized Amortization Amount") shall not exceed \$575,000, and if the sum of unpaid principal plus interest accruing prior to the Interest Rate Change Date exceeds \$575,000, such excess amount of interest shall be due and payable with the first payment of interest pursuant to paragraph 1(a) above. If the Maker elects to have such interest capitalized, then the Capitalized Amortization Amount shall be paid in Two Hundred Forty (240) consecutive equal monthly installments of principal on the first day of each month, commencing with the first day of the thirteenth month after the Interest Rate Change Date, with interest with the installments calculated to amortize the Capitalized Amortization Amount over such 240 month Period at the Applicable Interest Rate.

2. Prepayment. The Maker shall have the right to prepay any or all sums due under

this Note without penalty. Prepayments shall be applied first to accrued interest and then to principal. Partial prepayments of principal shall be applied against the outstanding principal balance; provided, however, that the Maker shall continue to make principal payments in the amounts specified above and on the dates specified above, with interest on the outstanding principal balance recomputed accordingly, until the Maker's obligations under this Note are satisfied in full.

3. Due Date; Late Payment. All payments of principal and interest shall be due on or before the due date specified above; provided, however, that the Maker shall not be deemed in default hereunder if payment is received by the Payee on or before 4:00 p.m. of the seventh day following the due date. The Maker agrees to pay a late charge of five percent (5%) of the amount of any payment due under this Note that is not paid within seven (7) days of its due date.

4. Applicable Interest. The Maker expressly agrees that the Applicable Interest Rate specified in this Note shall be the applicable interest rate due (i) on amounts outstanding during the term hereof and (ii) with respect to any amount outstanding on and after the maturity date hereof. The interest rate on this Note shall be calculated on the basis of an annual rate of interest applied to twelve thirty-day months over a three hundred sixty (360) day year.

5. Default; Acceleration. The Maker shall be in default of this Note, and all principal and accrued interest thereon shall immediately become due and payable, without notice or demand, upon the occurrence of any of the following events: (a) failure to make prompt payment of any principal or interest installment due hereunder (or within such grace period as may be provided herein), (b) the failure of the Maker to observe or perform any of the other obligations to the Payee under this Note, and the same remains unremedied for a period of thirty (30) days after the date of notice thereof to the Maker by the Payee, (c) the occurrence of an Event of Default under the Loan Agreement or (d) a default or event of default under any Security Instrument (as defined in the Loan Agreement) or (e) a default in any other obligation of the Maker to the Payee, whether now existing or hereinafter incurred.

If the Maker shall file a petition under any section of the Bankruptcy Code, shall make an assignment for the benefit of creditors, shall have a receiver appointed over its affairs who shall not be discharged within sixty (60) days from the date of appointment, or shall have filed against it a petition under a section of the Bankruptcy Code, or any debtor-creditor act, which petition shall not be dismissed within sixty (60) days of the date of filing of the same, then the balance of principal and interest remaining unpaid on this Note shall become due and payable forthwith without demand or notice.

6. Costs of Collection. If this Note is not paid in full when it becomes due, or if any payment required hereunder shall not be paid when due, or within such grace period as may be expressly provided herein, the Maker agrees to pay all costs and expenses of collection, including attorneys' fees, regardless of whether legal proceedings have been formally commenced.

7. Waiver of Presentment. The Maker hereby waives presentment, demand for payment, notice of dishonor, and all other notices or demands in connection with the delivery, acceptance, performance, default, or endorsement of this Note.

8. Non-Forfeiture of Rights. It is agreed and understood that the waiver by the Payee of any particular default in the terms of this Note shall not constitute waiver of any further default and that acceptance of any payment after it is due shall not be deemed a waiver of the right to require prompt payment when due on all other sums and that acceptance of any payment after default shall not cure said default or operate as a waiver of any rights of the Payee hereunder unless otherwise agreed in writing.

9. Payments, Notices. All payments due under this Note, and any notice required to be made hereunder shall be directed to the Payee or to the Maker, as the case may be, at the addresses above specified, or such other address as the Payee and the Maker may hereafter direct, in writing.

10. Binding on Successors, Etc. The obligation of this Note shall be binding upon the heirs, successors and assigns of the Maker herein and shall inure to the benefit of the successors or assigns of the Payee herein or any holder hereof. Notwithstanding the preceding sentence, the Maker shall not assign this Note without the prior written consent of the Payee.

11. Gender. Whenever the content so requires, reference herein to the neuter gender shall include the masculine and/or feminine gender, and the singular number shall include the plural.

12. References. All references herein to the Loan Agreement and the Guaranty shall be construed to refer to such instruments as they may be amended from time to time.

13. Governing Law. The Note has been made in the State of New Hampshire, and the provisions hereof shall be governed by and construed in accordance with the laws of the State of New Hampshire (excluding the laws applicable to conflicts or choice of laws).

14. Jurisdiction. The Maker hereby consents to the jurisdiction of all state and local courts of the State of New Hampshire and the United States District Court of the District of New Hampshire in connection with any suit to enforce any rights of the Payee under this Note.

15. Security. The Maker's obligations hereunder are secured by the Security Instruments.

16. Sovereign Immunity. Nothing contained in this Note, the Loan Agreement, or any guaranty guarantying this Note shall be deemed to constitute a waiver of the sovereign immunity of the Payee, which immunity is hereby reserved to the Payee.

EXECUTED as of the day and year first above written.

SECURITY AGREEMENT

THIS AGREEMENT is made this _____ day of _____, 2022 between **Linderhof Property Owners' Association**, a New Hampshire non-profit corporation with a principal place of business at 11 Jericho Road, Glen, New Hampshire, 03838 (sometimes hereinafter called the "Debtor"), and the **State of New Hampshire** with an address of c/o Department of Environmental Services, 29 Hazen Drive, P.O. Box 95, Concord, New Hampshire 03302-0095 (hereinafter the "Secured Party") for themselves and their successors and assigns.

RECITALS

A. The Debtor and the Secured Party have entered into a Loan Agreement of near or even date (the "Loan Agreement"), which Agreement sets forth certain undertakings and obligations of the Debtor to the Secured Party.

B. Pursuant to the Loan Agreement, the Secured Party has agreed to extend credit to the Debtor in an amount not to exceed Five Hundred and Seventy-Five Thousand Dollars (\$575,000), in exchange for the Debtor's promissory note of near or even date (the "Note") to the Secured Party.

C. To secure the obligations it has undertaken under the Loan Agreement and the Note and certain security instruments described in the Loan Agreement and to secure the payment of said sum to the Secured Party and to secure any other obligations of the Debtor to the Secured Party of every kind and description, whether direct or indirect, absolute or contingent, primary or secondary, joint or several, due or to become due, or now existing or hereafter arising or acquired and whether by way of loan, discount, letter of credit, lease or otherwise (collectively the "Obligations"), the Debtor desires to create in the Secured Party a security interest in accordance with the terms of the Uniform Commercial Code, N.H.R.S.A. 382-A.

NOW, THEREFORE the Debtor agrees as follows:

1. Collateral. The Debtor, for valuable consideration received from the Secured Party, hereby grants to the Secured Party to secure all the foregoing Obligations a security interest in the following property (the "Collateral"):

(a) All the Debtor's goods, machinery, equipment, including without limitation, all water storage, collection, distribution and treatment equipment, furnishings and fixtures, motor vehicles, and personal property, including but not limited to such property located on the Debtor's premises in Glen, New Hampshire (the Debtor's "Business Premises") or used in connection with the Debtor's business conducted at said Business Premises, and in all inventory including, without limitation, all items held for sale or lease or furnished or to be furnished under contracts of service, or used or consumed in the Debtor's business (all hereinafter called the "Inventory"), and in contract rights with respect thereto and proceeds thereof, all whether now owned or hereafter acquired.

(b) The Debtor, for valuable consideration received from the Secured Party, hereby also conveys to the Secured Party a security interest in all the Debtor's accounts, accounts receivable, contract rights, notes, personal property leases, mailing lists and customer lists, rents receivable, choses in action, drafts, acceptances, instruments, investment property, letter of credit rights, chattel paper, general intangibles, cash and all other forms of obligations due or to become due to the Debtor, whether now existing or hereafter arising and whether joint, several, or joint and several, and proceeds of any of the foregoing, arising from or relating to the Debtor's business.

The Secured Party, by virtue of this Agreement, in addition to any other security or collateral that it may hold, shall have a continuing security interest in said Collateral and in contract rights with respect thereto and proceeds of both, to secure payment and performance of the liabilities and obligations of the Debtor to the Secured Party hereunder.

2. Records and Audits. The Debtor will keep an accurate record of the Collateral, and all additions thereto, and removals therefrom, and of any of its accounts, accounts receivable, contract rights, leases, general intangibles, rents receivable, notes and choses in action, as they from time to time exist, and the proceeds received or receivable therefrom, and will deliver a copy of such records to the Secured Party at such regular intervals as the Secured Party reasonably may require. When requested by the Secured Party the Debtor shall, at the Debtor's own expense, cause a verification of the Collateral to be made by some independent appraiser approved by the Secured Party and an audit of the accounts receivable, contract rights and proceeds of both, to be made by some independent auditor.

3. Maintenance and Insurance. The Debtor agrees to keep the Collateral in good condition, deterioration resulting from normal use excepted, and also to keep it insured against loss from such hazards and in such amounts as the Secured Party may require and in such companies as the Secured Party may approve, payable in case of loss to the Secured Party as its interest may appear, and the policies evidencing such insurance, or certificates thereof, shall, upon request, be deposited with the Secured Party.

4. No Liens. The Debtor represents and warrants that its title to the Collateral is free and clear of any liens or encumbrances except those listed in Schedule 4 and agrees to keep the Collateral free and clear of any future lien or encumbrance unless it obtains the advance consent of the Secured Party for any such lien or encumbrance.

5. Sale and Use in the Ordinary Course. Until Default the Debtor may sell or lease the Collateral in the ordinary course of business and may also use or consume any raw materials and supplies, the use and consumption of which is necessary in order to carry on the Debtor's business.

6. Lists of Accounts and Proceeds. Upon request of the Secured Party at any time after Default, the Debtor will deliver to the Secured Party lists or copies of all accounts promptly after they arise and will deliver to the Secured Party, promptly upon receipt, all rents and other proceeds received by the Debtor including proceeds of the accounts referred to above and proceeds of any insurance policies in the exact form in which they are received. The Secured

Party in its discretion may apply cash proceeds to the payment of any obligations secured hereby or may release such cash proceeds to the Debtor for use in the operation of the Debtor's business.

7. Default. The Debtor shall be deemed in "Default" of this Agreement:

- (a) if the Debtor fails to observe or perform any of the Debtor's agreements expressed herein;
- (b) upon default of the Debtor under the terms of any Obligation of the Debtor to the Secured Party secured hereby, or if notice or lapse of time, or both, are therein provided, then upon such notice or lapse of time, or both;
- (c) upon the loss, unauthorized sale, unauthorized removal of the Collateral from the locations specified in Section 1, theft, damage or destruction of the Collateral;
- (d) if the Secured Party shall deem the Collateral in danger of misuse or loss or removal from this State; or
- (e) if the Debtor changes its name or state of organization without at least thirty (30) days prior written notice to the Secured Party.

8. Remedies. Upon a Default the Secured Party shall have all the rights and remedies of a secured party under the Uniform Commercial Code to the same extent as if they were expressly set forth herein in addition to the remedies provided herein or in any other instrument or paper executed by the Debtor, as well as the right to sell all or part of the Collateral, pursuant to New Hampshire law. In such event the Debtor shall pay all the Secured Party's costs of repossession, collection, custody, storage, sale or other dispossession and delivery, (including reasonable attorneys' fees), all of which the Secured Party may deduct from the proceeds. If the Secured Party seeks to take possession of any or all of the Collateral by judicial process, the Debtor hereby irrevocably waives any requirement of bonds, surety or security, whether required by statute, court rule or otherwise, as an incident to such possession and waives any requirement for demand for possession before the commencement of any suit or action to recover with respect thereto.

9. Certain Remedies. The Secured Party may at any time after Default notify the Debtor's account debtors, or persons otherwise indebted to the Debtor whose obligations are covered by this Agreement, that the Collateral has been assigned to the Secured Party and that payment shall be made directly to the Secured Party. Upon request of the Secured Party at any time after Default, the Debtor will so notify such debtors and will indicate on all billings to such debtors that their accounts must be paid to the Secured Party. The Secured Party shall have full power to collect, compromise, endorse, sell or otherwise deal with the Collateral or proceeds thereof in its own name or in the name of the Debtor. The Debtor shall pay to the Secured Party on demand a collection charge on all accounts collected, that shall include all reasonable attorneys' fees and expenses, and all other reasonable expenses of like or unlike nature that may be expended by the Secured Party to obtain or enforce payment of any account either as against the account debtor, the Debtor or any guarantor or surety of the Debtor or in the prosecution or

defense of any action or concerning any matter arising out of or connected with the subject matter of this Agreement, the obligations secured hereby, or the Collateral, or any of Secured Party's rights or interests therein or thereto, including, without limiting the generality of the foregoing any reasonable counsel fees or expenses incurred in any bankruptcy or insolvency proceedings.

10. Power of Attorney. The Debtor does hereby make, constitute and appoint any officer of the Secured Party as the Debtor's true and lawful attorney-in-fact, with power, in the event of a default, to endorse the name of the Debtor or any of the Debtor's officers or agents upon any notes, checks, drafts, money orders, or other instruments of payment (including payments payable under any policy of insurance on the Collateral) or Collateral that may come into possession of the Secured Party in full or part payment of any amounts owing to the Secured Party, to sign and endorse the name of the Debtor or any of the Debtor's officers or agents upon any invoice, freight or express bill, bill of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications and notices, in connection with accounts, and any instrument or document relating thereto or to the Debtor's rights therein; to give written notice to such office and officials of the United States Post Office to effect such change or changes of address so that all mail addressed to the Debtor may be delivered directly to the Secured Party; granting upon the Debtor's said attorney full power to do any and all things necessary to be done in and about the premises fully and effectually as might or could be done, and hereby ratifying all that said attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable for the term of this Agreement and all transactions hereunder as long as the Debtor may be indebted to the Secured Party.

11. Cooperation; Secured Party Sales; No Waiver. The Debtor covenants that it will execute any documents requested by the Secured Party to perfect its security interest in the Collateral. When requested by the Secured Party following a Default by the Debtor, the Debtor shall cooperate in the Secured Party's repossession of the Collateral and will assemble the Collateral and make it available to the Secured Party at such place as the Secured Party shall designate which shall be reasonably convenient to both parties. The Secured Party may dispose of the Collateral by public or private sale, upon the place where it is then located, and the Secured Party itself may acquire the Collateral at any such sale. The Debtor agrees that notice of ten (10) days prior to such sale shall constitute reasonable notice thereof, but that if the Collateral is perishable or threatens to decline quickly in value or is a kind customarily sold on a recognized market, the Secured Party may provide shorter notice or no notice of the sale. The Secured Party shall also have the right to remove the Collateral. No waiver of the Secured Party of any defaults hereunder shall constitute a waiver of any other default or of the same default upon a future occasion.

12. Reinstatement. If after receipt of any payment of, or the proceeds of any Collateral for, all or any part of the Obligations, the Secured Party is compelled to surrender or voluntarily surrenders such payment or proceeds to any person because such payment or application of proceeds is or may be avoided, invalidated, recaptured, or set aside as a preference, fraudulent conveyance, impermissible setoff or for any other reason, whether or not such surrender is the result of (i) any judgment, decree or order of any court or administrative body having jurisdiction over the Secured Party, or (ii) any settlement or compromise by the

Secured Party of any claim as to any of the foregoing with any person (including the primary obligor with respect to any of the Obligations), then the Obligations or part thereof affected shall be reinstated and continue and this Agreement shall be reinstated and continue in full force as to such Obligations or part thereof as if such payment or proceeds had not been received, notwithstanding any previous cancellation of any instrument evidencing any such Obligation or any previous instrument delivered to evidence the satisfaction thereof or the termination of this Agreement.

13. Governing Law. This Agreement shall be governed by and be construed in accordance with New Hampshire law.

14. Amendment. This Agreement may be amended only by a written instrument executed by the parties.

15. Notice. Any demand, notice or request by either party to the other shall be sufficiently given if delivered to the party intended to receive the same, or if mailed by registered or certified mail addressed to such party at the address of such party stated above, or at such other address as may be stated in a notice delivered or mailed as herein provided.

16. Binding Effect. The covenants and agreements herein contained shall bind, and the benefits and advantages thereof shall inure to, the respective heirs, executors, administrators, successors and permitted assigns of the Debtor and the Secured Party.

17. Conflicting Provisions; References. In the event of any conflict between the terms, covenants, conditions and restrictions contained in this Agreement, the Note, the Loan Agreement and the Security Instruments, the term, covenant and condition or restriction that imposes the greater burden or obligation upon the Debtor shall control. The determination as to which term, covenant, condition or restriction is the more burdensome or imposes the greater obligation shall be made by the Secured Party in its sole discretion. All references herein to the Note, the Loan Agreement and the Security Instruments shall be construed to include such instruments as they may be amended from time to time. Wherever used the singular number shall include the plural, the plural the singular, the use of any gender shall be applicable to all genders as the context requires.

COLLATERAL ASSIGNMENT OF ASSOCIATION ASSESSMENTS

THIS ASSIGNMENT OF ASSOCIATION ASSESSMENTS made as of the _____ day of _____, 2022, by **Linderhof Property Owners' Association**, a New Hampshire non-profit corporation (the "Assignor") with a principal place of business at 11 Jericho Road, Glen, New Hampshire, 03838, to the **State of New Hampshire**, c/o New Hampshire Department of Environmental Services, 29 Hazen Drive, P.O. Box 95, Concord, New Hampshire 03302-0095 (the "Assignee").

RECITALS

A. Concurrently herewith, the Assignor has executed and delivered to the Assignee a certain Promissory Note in the principal amount of \$575,000 (the "Note"), to evidence a loan to finance the construction of certain water system improvements situated on and in the real property and improvements of the condominium known as Linderhof Condominiums (the "Condominium") located in Glen, New Hampshire, more particularly described in Exhibit A attached hereto (the "Premises"). The Assignor is the association of the Condominium.

B. As additional security for the Note and the obligations of the Assignor thereunder and related documents, the Assignor has executed and delivered to the Assignee this Collateral Assignment of Association Assessments.

NOW, THEREFORE, in consideration of Assignee making the loan evidenced by the Note, the Assignor agrees as follows:

1. The Assignor does hereby transfer, assign, deliver and grant a security interest to the Assignee in all of the right, title and interest of the Assignor in and to, all sums now or hereafter assessed by the Assignor against the units of the Condominium (the "Units") for common area expenses (the "Assessments") and the statutory liens and other liens against the Units provided by law securing such assessments, all payments of such assessments due or

payable and to become due and payable by virtue of such assessments and proceeds of any of the foregoing (collectively, the "Collateral").

TO HAVE AND TO HOLD the same unto the Assignee, its successors and assigns, for the purpose of securing (1) payment of the Note together with the interest thereon; (2) payment of all other sums, with interest thereon, to become due and payable to the Assignee hereunder, or under instrument securing the Note; and (3) performance and discharge of each and every obligation, covenant and agreement of the Assignor contained herein, or in the Note, the Loan Agreement of near or even date between the Assignor and the Assignee (the "Loan Agreement"), or any Security Instrument (as defined in the Loan Agreement) (said obligations are hereinafter collectively referred to as the "Obligations").

2. Assignor's License to Operate in the Absence of an Event of Default. So long as no Event of Default (as defined under the Loan Agreement) or other default in the performance of the Obligations shall exist (hereinafter referred to as an "Event of Default"), the Assignor shall have a license to manage and operate the Premises and to collect, receive and apply for its own account all Assessments, and to execute and deliver proper receipts and acquittances therefor, provided, however, that without the written consent of the Assignee the Assignor shall not collect any installment of Assessments in advance of the respective dates assessed.

3. Assignee's Rights in an Event of Default.

3.1 Immediately upon the occurrence of any Event of Default, in addition to any other remedies of the Assignee, upon notice from Assignee to each owner of a Unit, all Assessments thereafter payable to Assignor shall be paid to Assignee.

3.2 The Assignor does hereby constitute and appoint the Assignee, irrevocably, with full power of substitution and revocation, effective upon an Event of Default, its true and lawful attorney, for it and in its name, place and stead, to do and perform any or all of the actions that Assignor is entitled to perform in connection with making, collection and enforcement of the Assessments, as fully, to all intents and purposes, as it could do if personally present, hereby ratifying and confirming all that its said attorney or its substitute shall lawfully do or cause to be done by virtue hereof. Any action, or failure or refusal to act, by the Assignee under this Section 3.2 shall be at its election and without any liability on its part.

3.3 The Assignee shall, to the full extent permitted by law, apply the net amount realized from the Collateral received by it from the owners of the Units, in the following order of priority: (i) to payment of all proper costs and charges (including any liability, loss, expense or damage hereinafter referred to in Section 5.1 hereof), (ii) to the payment of all accrued but unpaid interest due under the Note, (iii) to the payment of principal under the Note to be applied to principal installments in the inverse order of maturity, (iv) to the payment of any other amounts owed to Assignee and secured by the Security Instruments, and (v) to the payment of Association expenses, (vi) to the Assignor or such persons legally entitled thereto. In its discretion, the Assignee may apply a portion of any Assessment to the Obligations and release

the remainder to the Assignor for payment of designated of all Association expenses without waiving the Event of Default, its security interest in Assessments or its remedies.

3.4 The rights and powers of the Assignee hereunder shall continue and remain in full force and effect until all amounts secured hereby are paid in full.

4. Covenants of Assignor. The Assignor, for itself and for its successors and assigns, agrees and warrants as follows:

(a) that the Assignor has not sold, assigned, transferred, mortgaged or pledged any of the Collateral or any part thereof, whether now or hereafter to become due, to any person, firm or corporation other than the Assignee;

(b) that no Assessments, or any part thereof, becoming due subsequent to the date hereof have been collected nor has payment of any of the same been anticipated, waived, released, discounted or otherwise discharged or compromised;

(c) that it will not assign, pledge or otherwise encumber the Collateral unless the prior written consent of the Assignee shall have been obtained thereto;

(d) that it will not, without in each case having obtained the prior written consent of the Assignee, amend or modify, directly or indirectly in any respect whatsoever, cancel, compromise, terminate, or any Assessments or the liens therefor;

(e) that it will not waive or give any consent with respect to any default or variation in the payment of an Assessment by a Unit owner, but will at all times take proper steps to enforce all of the provisions and conditions thereof;

(f) that it will, upon written request by the Assignee, serve such written notices upon any Unit owner concerning this assignment, and make, execute and deliver all such powers of attorney, instruments of pledge or assignment, and such other instruments or documents as the Assignee may reasonably request at any time for the purpose of securing its rights hereunder;

(g) that it will furnish to the Assignee, on demand, true copies of all Assessments hereafter executed;

(h) that, it will provide Assignee with a statement of aging Assessments, dated as of the end of each fiscal quarter and certified as correct by the chief financial officer of Assignor, stating with respect to each unit the name of the owner thereof, the Assessment paid by such owner, the date to which such Assessment is paid, and listing all overdue Assessments by date and amount of such owner; and

(i) that it will not enter into any agreement with any management agent or firm with respect to the Premises unless such agent or firm first agrees with Assignee to recognize Assignee's rights under this Collateral Assignment of Association Assessments and further

agrees to transfer all Assessment payments or proceeds received by such agent or firm directly to Assignee upon Assignee's demand therefor.

5. Indemnification.

5.1 The Assignor hereby agrees to indemnify and hold the Assignee harmless against and from (a) any and all liability, loss, damage and expense, including reasonable attorneys fees, which it may or shall incur or which may be asserted under or in connection with any of the Assessments, or by reason of any of the Obligations, or by reason of any action taken or expenses incurred or paid by the Assignee under this Collateral Assignment of Association Assessments or under any of the Obligations (including without limitation any action which the Assignee in its discretion may take to protect its interest in the Premises), and (b) any and all claims and demands whatsoever which may be incurred by or asserted against the Assignor by reason of any alleged obligations or undertakings on its part to perform or discharge any of its claims relating to any of the Assessments.

5.2 Should the Assignee incur any such liability as described in Section 5.1, the amount thereof, together with interest thereon at the rate as set forth in the Note shall be payable by the Assignor to the Assignee immediately upon demand, or at the option of the Assignee, the Assignee may reimburse itself therefor out of any rents, issues or profits of the Mortgaged Premises collected by the Assignee.

5.3 Nothing contained herein shall operate or be construed to obligate the Assignee to perform any of the obligations of the Assignor as Association of the Condominium, or to take any measures, legal or otherwise, to enforce collection of any of the Assessments or other payments, or otherwise to impose any obligation upon the Assignee with respect to any of the Assessments.

5.4 Without actual entry into and taking possession of the Premises by the Assignee, this assignment shall not operate to place upon the Assignee any responsibility for the operation, control, care, management or repair of the Premises, and the execution of this assignment by the Assignor shall constitute conclusive evidence that all responsibility for the operation, control, care, management and repair of the Premises is and shall be that of the Assignor prior to such actual entry and taking of possession.

6. Exercise of Remedies. Failure of the Assignee to avail itself of any of the terms, covenants and conditions of this assignment for any period of time, or at any time or times, shall not be construed or deemed to be a waiver of any of its rights hereunder. The rights and remedies of the Assignee under this assignment are cumulative and are not in lieu of but are in addition to any other rights and remedies which the Assignee shall have under or by virtue of any other of the Obligations. The rights and remedies of the Assignee hereunder may be exercised from time to time and as often as such exercise is deemed expedient.

7. Termination of this Agreement. Upon payment in full of the Obligations, the Assignee shall execute and deliver a termination or discharge of this Assignment.

8. Notice. Any notice, demand, request or other communication given hereunder or in connection herewith (hereinafter "Notices") shall be deemed sufficient if in writing and sent by certified mail, postage prepaid, return receipt requested, addressed to the party to receive such Notice at its address first set forth above or at such other address as such party may hereafter designate by Notice given in like fashion. Notices shall be deemed given when mailed. Notwithstanding the foregoing, routine communications such as ordinary distribution checks, copies of documents, etc. may be sent by ordinary first class mail.

9. Miscellaneous Provisions.

9.1 Whenever the context so requires, reference herein to the neuter gender shall include the masculine and/or feminine gender, and the singular number shall include the plural. References herein to the Note, the Loan Agreement and the Security Instruments shall be construed to include such instruments as they may be amended from time to time.

9.2 This assignment shall be construed and enforced in accordance with and governed by the laws of the State of New Hampshire.

9.3 No change, amendment, modification, cancellation or discharge hereof, or of any part hereof, shall be valid unless the Assignee shall have consented thereto in writing.

9.4 The terms, covenants, and conditions contained herein shall inure to the benefit of, and bind the Assignee and the Assignor and their respective successors and assigns.

9.5 The captions of this assignment are for convenience and reference only and neither in any way define, limit, or describe the scope or interest of this assignment nor in any way affect this assignment.

9.6 Nothing contained in this assignment, the Loan Agreement, the Note, any guaranty guarantying the Note or the other Security Instruments shall be deemed to constitute a waiver of the sovereign immunity of the Assignee, which immunity is hereby reserved to the Assignee.

IN WITNESS WHEREOF, the Assignor has caused these presents to be executed by its duly authorized officer on the day and year first above written.
