INFORMATIONAL ITEM

Attached for your information is a report containing a list of vendors that agencies have contracted with for the quarter ending June 30, 2022.

Pursuant to the approval of MOP 150 in June 2018, this report is based on the threshold of a \$10,000 limit for personal service contracts in addition to all other service contracts. The Department of Administrative Services will report on those contracts entered into by agencies that are under this revised limit on a quarterly basis.

There are two reports. One which is sorted by state agency and then by vendor to enable the reader to identify which agency has contracted with individual vendors, and the second report, with the same detail, sorted alphabetically by vendor name.

Respectfully submitted,

Charles M. Arlinghaus
Commissioner
