

The State of New Hampshire  
**DEPARTMENT OF ENVIRONMENTAL SERVICES**

**Thomas S. Burack, Commissioner**

July 2, 2013

Her Excellency, Governor Margaret Wood Hassan  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the New Hampshire Department of Environmental Services (DES) to award an Aquatic Resource Mitigation (ARM) Fund grant to the Bear Paw Regional Greenways (hereinafter "Bear-Paw") (Vendor Code #162206) in the amount of \$507,800 to purchase a conservation easement on approximately 460 acres of land in Hooksett, effective upon G&C approval through December 30, 2014. 100% Aquatic Resource Mitigation Funds.

Funding is available in the account as follows:

	<u>FY'14</u>
03-44-44-442010-38710000-073-500580	\$507,800
Dept. Environmental Services, In-Lieu Wetland Mitigation, Grants – Non - Federal	

**EXPLANATION**

New Hampshire RSA 482-A:3 requires a wetland permit for any proposed project that involves dredging or filling of a wetland. Before a wetland permit is issued, applicants must show that the proposed project will avoid adverse impacts to wetlands and will minimize and provide compensation for those wetland impacts which are unavoidable.

The DES wetlands program adopted a set of mitigation rules that establish what is necessary for an applicant to provide for wetland compensation. The current department rules spell out ratios for wetland compensation that include creating a new wetland, restoring a former wetland site, or protecting a high-quality aquatic resource by preserving adjacent upland habitat. The newest improvement to the mitigation options is commonly referred to as an *in-lieu fee program*. This mitigation option is ideal for projects that have difficulty in locating an appropriate mitigation site. The Aquatic Resource Mitigation Fund (ARM) authorizes the collection of mitigation funds in lieu of other forms of wetland mitigation as part of a Wetlands Permit Application. The ARM program was authorized in legislation that became effective in August, 2006.

The Department issued the request for proposals for ARM Funds available in the Merrimack River watershed in April, 2012. Ten proposals were received and on November 27, 2012 DES announced the decision to fund seven projects. The project proposed by Bear-Paw in Hooksett was recommended for funding by the ARM Fund Site Selection Committee. Attachment A notes the proposals received and Committee members involved in the decision. The review of the awards by the Army Corps of Engineers and the New Hampshire Wetland Council resulted in full support of the recommendations.

Bear-Paw will utilize its ARM funds to protect approximately 460 acres of high value wildlife habitat on Hinman Pond in Hooksett. The project will provide protection of threatened and essential habitat for state endangered species and lies within a large unfragmented forest block of land including both uplands and wetland habitats, riparian/shore land habitats, and significant wildlife corridors. Several restoration activities will be conducted to remove culverts in streams to improve passage.

In the event that other funds no longer become available, general funds will not be requested to support this program. Exhibit A describes the scope of services. Exhibit B provides the budget and payment terms. Exhibit C addresses special provisions.

This agreement has been approved as to form, content, and execution by the Attorney General's Office.

We respectfully request your approval.

  
Thomas S. Burack, Commissioner

6. **COMPLIANCE BY GRANTEE WITH LAWS AND REGULATIONS.**

In connection with the performance of the Project, the Grantee shall comply with all statutes, laws, regulations, and orders of federal, state, county, or municipal authorities which shall impose any obligations or duty upon the Grantee, including the acquisition of any and all necessary permits.

9.2 Between the Effective Date and the Completion Date the Grantee shall grant to the State, or any person designated by it, unrestricted access to all data for examination, duplication, publication, translation, sale, disposal, or for any other purpose whatsoever.

9.3 No data shall be subject to copyright in the United States or any other country by anyone other than the State.

9.4 On and after the Effective Date all data, and any property which has been received from the State or purchased with funds provided for that purpose under this Agreement, shall be the property of the State, and shall be returned to the State upon demand or upon termination of this Agreement for any reason, whichever shall first occur.

9.5 The State, and anyone it shall designate, shall have unrestricted authority to publish, disclose, distribute and otherwise use, in whole or in part, all data.

10. **CONDITIONAL NATURE OF AGREEMENT.**

Notwithstanding anything in this Agreement to the contrary, all obligations of the State hereunder, including without limitation, the continuance of payments hereunder, are contingent upon the availability or continued appropriation of funds, and in no event shall the State be liable for any payments hereunder in excess of such available or appropriated funds. 11.2 Upon the occurrence of any Event of Default, the State may take any one, or more, or all, of the following actions:

11.2.1 give the Grantee a written notice specifying the Event of

Default and requiring it to be remedied within, in the absence of a greater or lesser specification of time, thirty (30) days from the date of the notice; and if the Event of Default is not timely remedied, terminate this Agreement, effective two (2) days after giving the Grantee notice of termination; and

11.2.2 give the Grantee a written notice specifying the Event of Default and suspending all payments to be made under this Agreement and ordering that the portion of the Grant Amount which would otherwise accrue to the grantee during the period from the date of such notice until such time as the State determines that the Grantee has cured the Event of Default shall never be paid to the Grantee; and

11.2.3 set off against any other obligation the State may owe to the Grantee any damages the State suffers by reason of any Event of Default; and

11.2.4 treat the agreement as breached and pursue any of its remedies at law or in equity, or both.

## 12. **TERMINATION.**

12.1 In the event of any early termination of this Agreement for any reason other than the completion of the Project, the Grantee shall deliver to the Grant Officer, not later than fifteen (15) days after the date of termination, a report (hereinafter referred to as the "Termination Report") describing in detail all Project Work performed, and the Grant Amount earned, to and including the date of termination.

12.2 In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall entitle the Grantee to receive that portion of the Grant amount earned to and including the date of termination.

12.3 In the event of Termination under paragraphs 10 or 12.4 of these general provisions, the approval of such a Termination Report by the State shall in no event relieve the Grantee from any and all liability for damages sustained or incurred by the State as a result of the Grantee's breach of its obligations hereunder.

12.4 Notwithstanding anything in this Agreement to the contrary, either the State or except where notice default has been given to the Grantee hereunder, the Grantee, may terminate this Agreement without cause upon thirty (30) days written notice.

13. **CONFLICT OF INTEREST.** No officer, member or employee of the Grantee and no representative, officer of employee of the State of New Hampshire or of the governing body of the locality or localities in which the Project is to be performed, who exercises any functions or responsibilities in the review or approval of the undertaking or carrying out of such Project, shall participate in any decision relating to this Agreement which affects his or her personal interests or the interest of any corporation, partnership, or association in which he or she is directly or indirectly interested, nor shall he or she have any personal or pecuniary interest, direct or indirect, in this Agreement or the proceeds thereof.

14. **GRANTEE'S RELATION TO THE STATE.** In the performance of this Agreement, the Grantee, its employees, and any subcontractor or subgrantee of the Grantee are in all respects independent contractors, and are neither agents nor employees of the State. Neither the Grantee nor any of its officers, employees, agents, members, subcontractors or subgrantees, shall have authority to bind the State nor are they entitled to any of the benefits, worker's compensation or emoluments provided by the State to its employees.

15. **ASSIGNMENT AND SUBCONTRACTS.** The Grantee shall not assign, or otherwise transfer any interest in this Agreement without the prior written consent of the State. None of the Project Work shall be subcontracted or subgranted by the Grantee other than as set forth in Exhibit A without the prior written consent of the State.

16. **INDEMNIFICATION.** The Grantee shall defend, indemnify and hold harmless the State, its officers and employees, from and against any and all losses suffered by the State, its officers and employees, and any and all claims, liabilities or penalties asserted against the State, its officers and employees, by or on behalf of any

person, on account of, based on, resulting from, arising out of (or which may be claimed to arise out of) the acts or omissions of the Grantee of Subcontractor, or subgrantee or other agent of the Grantee. Notwithstanding the foregoing, nothing herein contained shall be deemed to constitute a waiver of the sovereign immunity of the State, which immunity is hereby reserved to the State. This covenant shall survive the termination of this agreement.

## 17. **INSURANCE AND BOND.**

17.1 The Grantee shall, at its sole expense, obtain and maintain in force, or shall require any subcontractor, subgrantee or assignee performing Project work to obtain and maintain in force, both for the benefit of the State, the following insurance:

17.1.1 statutory worker's compensation and employees liability insurance for all employees engaged in the performance of the Project, and

17.1.2 comprehensive public liability insurance against all claims of bodily injuries, death or property damage, in amounts not less than \$2,000,000 for bodily injury or death any one incident, and \$500,000 for property damage in any one incident; and

17.2 The policies described in subparagraph 17.1 of this paragraph shall be the standard form employed in the State of New Hampshire, issued by underwriters acceptable to the State, and authorized to do business in the State of New Hampshire. Each policy shall contain a clause prohibiting cancellation or modification of the policy earlier than ten (10) days after written notice has been received by the State.

18. **WAIVER OF BREACH.** No failure by the State to enforce any provisions hereof after any Event of Default shall be deemed a waiver of its rights with regard to that Event, or any subsequent Event. No express waiver of any Event of Default shall be deemed a waiver of any provisions hereof. No such failure or waiver shall be deemed a waiver of the right of the State to enforce each and all of the provisions hereof upon any further or other default on the part of the Grantee.

19. **NOTICE.** Any notice by a party hereto to the other party shall be deemed to have been duly delivered or given at the time of mailing by certified mail, postage prepaid, in a United States Post Office addressed to the parties at the addresses first above given.

**EXHIBIT A**  
**SCOPE OF SERVICES**

1. The State of New Hampshire, its successors and assigns, represented by the Department of Environmental Services (DES), agree to grant Bear-Paw Regional Greenways (Bear-Paw) the amount of \$507,800 for the purpose of acquiring land owned by Manchester Sand, Gravel & Cement Co., Inc. a 465-acre parcel of land located on the Chester Turnpike in the Town of Hooksett, County of Merrimack, State of New Hampshire, identified on the Hooksett tax records as Map 14 Lot 7 and Map 15 Lot 91 (hereinafter: the "Property.") This agreement shall be performed in accordance with New Hampshire RSA 482-A; all applicable sections of the Administrative Rules, Env-Wt 100-800, and all other pertinent New Hampshire laws.

2. Bear-Paw shall use their grant funds to acquire the Property and complete wetland restoration work by December 30, 2014 according to the restoration plan provided in Bear-Paw's NHDES ARM application proposal ("Wetland Inventory and Function Assessment for Hinman Pond Property") prepared by West Environmental Inc., dated August 2012. Bear-Paw shall also convey a conservation easement on the Property to the New Hampshire Fish and Game Department.

3. As owner of the Property, Bear-Paw accepts the following conditions or restrictions:

a. To utilize the funds herein provided by the State of New Hampshire, acting through DES, for the acquisition of the Property as soon as possible, time being of the essence. The project shall be completed by December 30, 2014.

b. To utilize the funds herein provided by the State on New Hampshire, acting through DES, to defray in part the acquisition and associated transaction costs incurred in securing a Conservation Easement on the Property for the New Hampshire Fish and Game Department.

c. To limit the use of the Property as hereinafter defined to conservation purposes in perpetuity.

d. That the Property acquired through this project will be monitored on an annual basis in accordance with the *Standards and Practices* for stewardship of the Land Trust Alliance, to ensure that the terms of the Conservation Easement are being adhered to, and to ensure that no actions are occurring which could be detrimental to the conservation attributes of the Property. Bear-Paw agrees to submit a copy of the annual monitoring report to DES to document the actions taken.

e. Bear-Paw agrees to place a sign, subject to its acceptability to the New Hampshire Fish and Game Department, at a prominent location on or near the Property. The sign should contain as a minimum the DES logo and the following statement: "This property has been protected with assistance from the New Hampshire Aquatic Resource Mitigation Fund." Should the DES sign be damaged or destroyed, Bear-Paw agrees to work with the Department to repair or replace it with identical signage and to share any costs associated with that repair or replacement to the extent reasonably practicable. Bear-Paw also agrees that where significant signage is placed at major access points, the ARM Fund program will be identified as a contributing partner to the acquisition of easement interests and the long-term protection of the Property;

f. To return to DES ARM Fund Program any funds herein provided to the extent of any loss due to any title that proves to be less than clear and marketable for all properties protected under this contract;

g. To return to DES ARM Fund Program any funds if Bear-Paw fails to complete the Property acquisition.

h. That all public access provided for in the terms of the Conservation Easement will be in accordance with all federal and state policies of non-discrimination in public accommodation.
