EXPLANATION

The purpose of this request is to continue to provide credit reporting services that assist with locating obligors to establish, or enforce, court-ordered child support obligations.

Approximately thirty-seven thousand (37,000) children will be served from July 1, 2020 through June 30, 2024. The Bureau of Child Support Services, in compliance with State and Federal requirements, assists families with children by offering services that support citizens in achieving financial stability and self-sufficiency to minimize their dependence on public assistance. Funds paid by obligors provide financial assistance to their dependents. Financial assistance may include, but is not limited to food; shelter; clothing; and school and community activities. In some cases, funds are directed to the Temporary Assistance for Needy Families (TANF) program for reimbursement of time periods the family was receiving cash assistance from the state.

The Bureau of Child Support Services is responsible for establishing, directing, and maintaining a program of child support enforcement based on Title IV-D of the Social Security Act. New Hampshire Revised Statute (RSA) 161-C:26-a requires the Bureau to report to a consumer reporting agency, or agencies, any obligor who accumulates an arrearage in an amount greater than the legal order of support owed for sixty (60) days. The Bureau is required by Title 45 CFR 303.3 to use appropriate sources to locate an obligor, the obligor's employer(s), and to locate sources of income or assets, as appropriate, which are necessary to establish or enforce a child support court order. Credit reporting services aid in the process of obtaining one's location.

The Bureau of Child Support Services cannot take appropriate enforcement actions without proper notification to an individual. Enforcement actions can aid in the collection of current child support, back owed child support, arrearages, and reimbursement for state aid. Credit Bureau services can aid the Bureau in locating addresses and employers of obligors. Reporting an individual's arrearages to consumer reporting agencies is also a valuable enforcement tool. Notification of delinquent child support can stay on an individual's credit history for up to seven (7) years.

The Department will monitor contracted services using the following performance measures:

- The Contractor shall ensure credit bureau reporting is completed within twenty-four (24) hours of receiving reports from the Department ninety-eight percent (98%) of the time.
- The Contractor shall ensure Credit Bureau reporting is updated on a monthly basis with one-hundred percent (100%) accuracy.

The Department selected the Contractor through a competitive bid process using a Request for Proposals (RFP) that was posted on the Department's website from 2/8/2016 through 3/21/2016. The Department received one (1) response that was reviewed and scored by a team of qualified individuals. The Scoring Sheet is attached.

As referenced in Exhibit C-1, Revisions to General Provisions, Section 3, of the attached contract, the parties have the option to extend the agreement for up to four (4) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and Governor and Council approval. The Department is exercising its option to renew services for four (4) of the four (4) years available.

Should the Governor and Council not authorize this request, the Bureau of Child Support Services will not be in compliance with federal regulations. Additionally, the Bureau will not be able to continue to locate individuals in order to establish a court order for support to financially provide for their dependents nor may the Bureau locate individuals in order to enforce court ordered support for their dependents.

Area served: Statewide.

PROVISION 13. DISRUPTION OF SERVICES

The Contractor acknowledges and agrees that this Agreement was entered into following the coronavirus disease 2019 (COVID-19) outbreak. The Contractor agrees that to the extent the COVID-19 outbreak, or any federal, state or local orders, regulations, rules, restrictions, or emergency declarations relating to COVID-19, disrupt, delay, or otherwise impact the Scope of Services to be performed by the Contractor as set forth in EXHIBIT A of this Agreement, any such disruption, delay, or other impact was foreseeable at the time this Agreement was entered into by the Parties and does not excuse the Contractor's performance under this Agreement. The Contractor agrees that any such impact, including any disruption to supply chains, workforce reductions, delays or interruptions in performance, or other effects on businesses, are not the fault of the State and the Contractor may not seek damages against the State for any such impacts.

If the Contractor experiences or anticipates any such COVID-19-related impacts to this Agreement, the Contractor shall immediately notify the Contracting Officer. In the event of any COVID-19-related impact or anticipated impact to this Agreement, the Contracting Officer shall have the right to temporarily modify, substitute, or decrease the Services, without the approval of the Governor and Executive Council, upon giving written notice to the Contractor. The State's right to modify includes, but is not limited to the right to modify service priorities, including how and when Services are delivered, and expenditure requirements under this Agreement so as to achieve compliance therewith, provided such modifications are within the Scope of Services and cost limitations of this Agreement. By exercising any of the rights described within this subsection, the State does not waive any of its right under this Agreement.

In the event that a modification by the State under this subsection would result in a reduction of Services that cannot be supplemented during the remaining term of this Agreement with either replacement or substituted services of substantially similar value, the Parties shall submit an amendment to this Agreement with a commensurate reduction in the price. In order to facilitate reconciliation of services performed under this Agreement, the Contractor shall submit weekly reports detailing the following for any service not fully performed pursuant to the terms of the Agreement:

1. The services required to be performed under the terms of this Agreement as written;
2. The services actually performed; and
3. Any replacement or substituted services performed with reference to the associated unperformed contracted services.

EXPLANATION

The purpose of this request is for the provision of credit reporting services to assist with locating obligors in order to establish or enforce court ordered child support obligations.

The Division of Child Support Services, in compliance with State and Federal requirements, assists families with children by offering services which assist citizens in achieving financial stability along with self-sufficiency to minimize their dependence on public assistance. Funds paid by obligors provide financial assistance to their dependents. Financial assistance may include, but is not limited to: food; shelter; clothing; and school and

community activities. In some cases, funds are directed to the Temporary Assistance for Needy Families (TANF) program for reimbursement of time periods the family was receiving cash assistance from the state.

The Division of Child Support Services is responsible for establishing, directing, and maintaining a program of child support enforcement based on Title IV-D of the Social Security Act. New Hampshire Statute RSA 161-C:26-a requires the Division to report to a consumer reporting agency or agencies any obligor who accumulates an arrearage in an amount greater than the legal order of support owed for 60 days. The Division is required by Title 45 CFR 303.3 to use appropriate sources to locate an obligor, the obligor's employer(s), and to locate sources of income or assets, as appropriate, which are necessary to establish or enforce a child support court order. Credit reporting services aid in the process of obtaining one's location.

Due to policy and procedure rules, the Division of Child Support Services cannot take appropriate enforcement actions without proper notification to an individual. Enforcement actions can aid in the collection of current child support, back owed child support/ arrearages, and reimbursement for state aid. Credit Bureau services can aid the Division in locating addresses and employers of obligors. Reporting an individual's arrearages to consumer reporting agencies is also a valuable enforcement tool. Notification of delinquent child support can stay on an individual's credit history for up to seven (7) years.

The Department released a Request for Proposals on February 8, 2016 on the Department's website to solicit bids for these services. The Department received one bid. The selected vendor was awarded this contract. The bid summary is attached.

This agreement contains language that allows the Department the right to renew for up to four (4) additional years, subject to the continued availability of funds, satisfactory performance of services, and approval of the Governor and Executive Council.

Should the Governor and Executive Council not approve this request, the Division of Child Support Services may not be in compliance with Federal regulations. Additionally, the Division may not be able to locate individuals in order to establish a court order for support to financially provide for their dependents nor may the Division locate individuals in order to enforce court ordered support for their dependents.

Notwithstanding any other provision of the Contract to the contrary, no services shall continue after June 30, 2017, and the Department shall not be liable for any payments for services provided after June 30, 2017, unless and until an appropriation for these services has been received from the state legislature and funds encumbered for the SFY 2018-2019 and SFY 2020-2021 biennia.

Area Served: Statewide

Source of Funds: 66% Federal funds and 34% General funds; CFDA #93.778, United States Department of Health and Human Services, Administration for Children and Families, Child Support Enforcement.

In the event that federal funds become no longer available, general funds will not be requested to support these agreements.

His Excellency, Governor Christopher T. Sununu
and the Honorable Executive Council

If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.

A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).

- f. Within five (5) business days of receipt of a written request from Covered Entity, Business Associate shall make available during normal business hours at its offices all records, books, agreements, policies and procedures relating to the use and disclosure of PHI to the Covered Entity, for purposes of enabling Covered Entity to determine Business Associate's compliance with the terms of the Agreement.

- l. Within ten (10) business days of termination of the Agreement, for any reason, the Business Associate shall return or destroy, as specified by Covered Entity, all PHI received from, or created or received by the Business Associate in connection with the Agreement, and shall not retain any copies or back-up tapes of such PHI. If return or destruction is not feasible, or the disposition of the PHI has been otherwise agreed to in the Agreement, Business Associate shall continue to extend the protections of the Agreement, to such PHI and limit further uses and disclosures of such PHI to those purposes that make the return or destruction infeasible, for so long as Business

(4) Obligations of Covered Entity

- a. Covered Entity shall notify Business Associate of any changes or limitation(s) in its Notice of Privacy Practices provided to individuals in accordance with 45 CFR Section 164.520, to the extent that such change or limitation may affect Business Associate's use or disclosure of PHI.

(5) Termination for Cause

In addition to Paragraph 10 of the standard terms and conditions (P-37) of this Agreement the Covered Entity may immediately terminate the Agreement upon Covered Entity's knowledge of a breach by Business Associate of the Business Associate Agreement set forth herein as Exhibit I. The Covered Entity may either immediately terminate the Agreement or provide an opportunity for Business Associate to cure the alleged breach within a timeframe specified by Covered Entity. If Covered Entity determines that neither termination nor cure is feasible, Covered Entity shall report the violation to the Secretary.

(6) Miscellaneous

- a. Definitions and Regulatory References. All terms used, but not otherwise defined herein, shall have the same meaning as those terms in the Privacy and Security Rule, amended from time to time. A reference in the Agreement, as amended to include this Exhibit I, to a Section in the Privacy and Security Rule means the Section as in effect or as amended.
- b. Amendment. Covered Entity and Business Associate agree to take such action as is necessary to amend the Agreement, from time to time as is necessary for Covered Entity to comply with the changes in the requirements of HIPAA, the Privacy and Security Rule, and applicable federal and state law.
