His Excellency, Governor Christopher T. Sununu  
and the Honorable Council  
State House  
Concord, New Hampshire 03301

**REQUESTED ACTION**

Authorize the Department of Environmental Services to amend a Drinking Water and Groundwater Trust Fund grant (PO#1060221) to the Town of Colebrook (VC# 177375-B002), Colebrook, NH by extending the completion date to June 1, 2020 from June 1, 2019. No additional funding is involved in this time extension. The original grant was approved by Governor and Council on February 7, 2018, Item #38A. 100% Drinking Water and Groundwater Trust Fund.

**EXPLANATION**

We are requesting approval of this amendment in order to provide the Town of Colebrook additional time to complete the agreed upon scope of services. The Town is using the grant funds to replace obsolete water meters, replace water service lines (including several that contain lead pipe), and to replace old water main.

An extension is needed because commencement of the work under the construction contracts was delayed. Completion is expected in late 2019, however, the construction season is much shorter in this area of the State therefore extending the completion date to June 1, 2020 should provide ample time to complete all aspects of the project. To date, \$179,469 of the \$1,150,000 grant funds have been spent.

In the event that other funds become no longer available, General funds will not be requested to support this program. This amendment was approved by the Office of the Attorney General as to form, execution and content.

We respectfully request your approval.

**EXPLANATION**

The Drinking Water and Ground Water Trust Fund was created in 2016, using \$276 million of MtBE trial judgement funds, as authorized by RSA 485-F. The purpose of the Trust Fund is to provide sustainable, long-term funding for the protection, preservation, and enhancement of the drinking water and groundwater resources of the state. ## CERTIFICATE OF COVERAGE

The New Hampshire Public Risk Management Exchange (Primex<sup>3</sup>) is organized under the New Hampshire Revised Statutes Annotated, Chapter 5-B, Pooled Risk Management Programs. In accordance with those statutes, its Trust Agreement and bylaws, Primex<sup>3</sup> is authorized to provide pooled risk management programs established for the benefit of political subdivisions in the State of New Hampshire.

Each member of Primex<sup>3</sup> is entitled to the categories of coverage set forth below. In addition, Primex<sup>3</sup> may extend the same coverage to non-members. However, any coverage extended to a non-member is subject to all of the terms, conditions, exclusions, amendments, rules, policies and procedures that are applicable to the members of Primex<sup>3</sup>, including but not limited to the final and binding resolution of all claims and coverage disputes before the Primex<sup>3</sup> Board of Trustees. The Additional Covered Party's per occurrence limit shall be deemed included in the Member's per occurrence limit, and therefore shall reduce the Member's limit of liability as set forth by the Coverage Documents and Declarations. The limit shown may have been reduced by claims paid on behalf of the member. General Liability coverage is limited to Coverage A (Personal Injury Liability) and Coverage B (Property Damage Liability) only. Coverage's C (Public Officials Errors and Omissions), D (Unfair Employment Practices), E (Employee Benefit Liability) and F (Educator's Legal Liability Claims-Made Coverage) are excluded from this provision of coverage.

The below named entity is a member in good standing of the New Hampshire Public Risk Management Exchange. The coverage provided may, however, be revised at any time by the actions of Primex<sup>3</sup>. As of the date this certificate is issued, the information set out below accurately reflects the categories of coverage established for the current coverage year.

This Certificate is issued as a matter of information only and confers no rights upon the certificate holder. This certificate does not amend, extend, or alter the coverage afforded by the coverage categories listed below.
