MINING AND RECLAMATION 2014 ANNUAL REPORT

Pursuant to RSA 12-E:2(VI), the New Hampshire Department of Resources and Economic Development (DRED) reports that for calendar year 2014, the following two (2) existing three (3) – year mining permits remain in effect and in good standing:

1. "Mining Permit Renewal #004-03" (3rd renewal of the original February 6, 2004 Permit), effective February 1, 2014 through January 31, 2017, to Allstone Corporation of Chester, Vermont, for a 5.0-acre granite quarry in Acworth, NH.
2. "Mining Permit Renewal #01-11" (the 11th renewal/amendment of the original Permit issued on January 20, 1988), effective April 1, 2014, through March 31, 2017, to Aggregate Industries Land Company, Inc. of Bethesda, Maryland for 674-acre quarry in Raymond, NH.

No other mining permit applications were accepted or rejected during this report period.

Under direction from the Office of the Attorney General, and in concert with the Department of Environmental Services, DRED has given conditional approval to Bruce Vaal and is overseeing Mr. Vaal's operation to remove pre-quarried dimensional granite from land he owns in Fitzwilliam known historically as "Victoria White Quarry". DRED is wrapping up final details to give conditional approval to KMO Associates/Aaron Olson and will be overseeing KMO's operation to remove pre-quarried dimensional granite from land KMO owns in Fitzwilliam known historically as "Webb Hill Quarry".

Please direct any questions regarding this report to Bill Carpenter at 271-2214.

Respectfully submitted,

Jeffrey J. Rose, Commissioner

JJR/bc
