**REQUESTED ACTION**

Authorize the Department of Health and Human Services, Division for Behavioral Health to enter into an agreement with Homestead Inn 1765, LLC, 188 King Street, Boscawen, NH 03303, to provide Recovery Housing services and supports to individuals with Opioid Use Disorder (OUD), in an amount not to exceed \$117,000, effective upon Governor and Council approval, through September 29, 2020. 100% Federal Funds.

Funds to support this request are available in the following account for State Fiscal Year 2020 and 2021 with authority to adjust amounts within the price limitation and adjust encumbrances between State Fiscal Years through the Budget Office, if needed and justified.

2021		102-500731	Contracts for Prog Svc	92057040	\$22,878
				<b>Total:</b>	<b>\$117,000</b>

**EXPLANATION**

The purpose of this request is to provide Recovery Housing services and supports to individuals with Opioid Use Disorder (OUD) who need housing in a supported and safe environment. New Hampshire has minimal capacity to serve individuals in need of recovery housing and there are few options for specialty populations who have complex needs and/or gender-specific housing.

The State of New Hampshire received funding through the Substance Abuse and Mental Health Services Administration State Opioid Response grant award. This grant is being used to make critical investments in the Substance Use Disorder system in order to reduce unmet treatment needs, reduce opioid overdose fatalities and increase access to Medication Assisted Treatment. The State is implementing evidence-based methods to expand treatment, recovery and prevention services to

individuals with Opioid Use Disorder. These funds will strengthen established programs that have had a positive impact on the opioid crisis as well as expand the capacity for programs to assist individuals struggling with an OUD.

The vendor included in this requested action was selected for this project through a competitive bid process. This request represents one (1) of the selected four (4) vendors. The Department previously awarded three (3) contracts that were approved by the Governor and Executive Council on June 19, 2019. A Request for Applications was posted on the Department of Health and Human Services' website from October 22, 2018 through November 13, 2018. In addition, on October 23, 2018 an email of notification of the RFA was distributed to stakeholders throughout the State. The Department received six (6) applications. The applications were reviewed and scored by a team of individuals with program-specific knowledge. The review included a thorough discussion of the strengths and weaknesses of the applications. The Score Summary is attached.

The Contractors are expected to serve a maximum of eighty-four (84) individuals on any given day. The Department will be closely monitoring the numbers actually served as well as the lengths of stay and the coordination of care for other health and social services.

As referenced in the Request for Applications and in Exhibit C-1 of this contract, the parties have the option to extend contract services for up to two (2) additional years, contingent upon satisfactory delivery of services, available funding, agreement of the parties and approval of the Governor and Council.

Should the Governor and Executive Council not authorize this request, Recovery Housing services and supports to individuals with Opioid Use Disorder who need housing in a supported, safe recovery housing environment may not be available, which could impede individuals' recovery process.

Area served: Statewide

Source of Funds: 100% Federal Funds from the Substance Abuse and Mental Health Services Administration, State Opioid Response Grant, (CFDA #93.788, FAIN T1081685)

In the event that the Federal Funds become no longer available, General Funds will not be requested to support this program.

Respectfully submitted,

Jeffrey A. Meyers  
Commissioner

**SPECIAL PROVISIONS**

Contractors Obligations: The Contractor covenants and agrees that all funds received by the Contractor under the Contract shall be used only as payment to the Contractor for services provided to eligible individuals and, in the furtherance of the aforesaid covenants, the Contractor hereby covenants and agrees as follows:

1. **Compliance with Federal and State Laws:** If the Contractor is permitted to determine the eligibility of individuals such eligibility determination shall be made in accordance with applicable federal and state laws, regulations, orders, guidelines, policies and procedures.
2. **Time and Manner of Determination:** Eligibility determinations shall be made on forms provided by the Department for that purpose and shall be made and remade at such times as are prescribed by the Department.
3. **Documentation:** In addition to the determination forms required by the Department, the Contractor shall maintain a data file on each recipient of services hereunder, which file shall include all information necessary to support an eligibility determination and such other information as the Department requests. The Contractor shall furnish the Department with all forms and documentation regarding eligibility determinations that the Department may request or require.
4. **Fair Hearings:** The Contractor understands that all applicants for services hereunder, as well as individuals declared ineligible have a right to a fair hearing regarding that determination. The Contractor hereby covenants and agrees that all applicants for services shall be permitted to fill out an application form and that each applicant or re-applicant shall be informed of his/her right to a fair hearing in accordance with Department regulations.
5. **Gratuities or Kickbacks:** The Contractor agrees that it is a breach of this Contract to accept or make a payment, gratuity or offer of employment on behalf of the Contractor, any Sub-Contractor or the State in order to influence the performance of the Scope of Work detailed in Exhibit A of this Contract. The State may terminate this Contract and any sub-contract or sub-agreement if it is determined that payments, gratuities or offers of employment of any kind were offered or received by any officials, officers, employees or agents of the Contractor or Sub-Contractor.
6. **Retroactive Payments:** Notwithstanding anything to the contrary contained in the Contract or in any other document, contract or understanding, it is expressly understood and agreed by the parties hereto, that no payments will be made hereunder to reimburse the Contractor for costs incurred for any purpose or for any services provided to any individual prior to the Effective Date of the Contract and no payments shall be made for expenses incurred by the Contractor for any services provided prior to the date on which the individual applies for services or (except as otherwise provided by the federal regulations) prior to a determination that the individual is eligible for such services.
7. **Conditions of Purchase:** Notwithstanding anything to the contrary contained in the Contract, nothing herein contained shall be deemed to obligate or require the Department to purchase services hereunder at a rate which reimburses the Contractor in excess of the Contractors costs, at a rate which exceeds the amounts reasonable and necessary to assure the quality of such service, or at a rate which exceeds the rate charged by the Contractor to ineligible individuals or other third party funders for such service. If at any time during the term of this Contract or after receipt of the Final Expenditure Report hereunder, the Department shall determine that the Contractor has used payments hereunder to reimburse items of expense other than such costs, or has received payment in excess of such costs or in excess of such rates charged by the Contractor to ineligible individuals or other third party funders, the Department may elect to:
  - 7.1. Renegotiate the rates for payment hereunder, in which event new rates shall be established;
  - 7.2. Deduct from any future payment to the Contractor the amount of any prior reimbursement in excess of costs;

- 7.3. Demand repayment of the excess payment by the Contractor in which event failure to make such repayment shall constitute an Event of Default hereunder. When the Contractor is permitted to determine the eligibility of individuals for services, the Contractor agrees to reimburse the Department for all funds paid by the Department to the Contractor for services provided to any individual who is found by the Department to be ineligible for such services at any time during the period of retention of records established herein.

14. **Prior Approval and Copyright Ownership:** All materials (written, video, audio) produced or purchased under the contract shall have prior approval from DHHS before printing, production, distribution or use. The DHHS will retain copyright ownership for any and all original materials produced, including, but not limited to, brochures, resource directories, protocols or guidelines, posters, or reports. **INSTRUCTIONS FOR CERTIFICATION**

1. By signing and submitting this proposal (contract), the prospective primary participant is providing the certification set out below.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. If necessary, the prospective participant shall submit an explanation of why it cannot provide the certification. The certification or explanation will be considered in connection with the NH Department of Health and Human Services' (DHHS) determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in this transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when DHHS determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, DHHS may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the DHHS agency to whom this proposal (contract) is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

7. The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," provided by DHHS, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or involuntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List (of excluded parties).
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and

information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, DHHS may terminate this transaction for cause or default.

To Whom It May Concern,

Sole-proprietors in the state of NH are not required to carry workers compensation. This is Explained in RSA 281-A.

"The only business exempt from the requirement to purchase workers' compensation coverage are sole proprietorships ( selfemployed persons) and corporations which have only three corporate officers and no employees other than these three officers."
